HAZING AT U. S. NAVAL ACADEMY TO BE PROBED

Three Upperclassmen Involved; Victim is Now a Patient in Hospital

(By United News)
Annapolis, Md., Oct. 13.—Continued hazing at the United States Naval academy, has sent two "plebes" to the hospital and two probes are now under way, one a court martial. Aroused by the development, the Rear-Admiral Henry B. Wilson, superintendent of the academy Friday detailed a board of investigation to inquire into the outbreak thoroughly. Simultaneously a naval court martial was in session trying two members of the senior class.

Hazing of Mild Form

Those on trial are Stewart H. Hawkins, of Massachusetts, and Bruce Robinson of Arizona. A third midshipman, Thomas J. Tasey, also of Massachusetts, is under arrest and confined on the "prison ship," the Lerna Mercedes. Admiral Wilson declined to divulge the name of the victim, now a patient in the naval hospital here. He declared that while the hazing, according to the reports reaching him, was of mild form, he was determined to probe the matter to the bottom.

Plebe Given "Sixteenth"

The offense charged against Midshipman Hawkins is alleged to have been committed a few days ago while the entire student body was partaking of a meal in the mess hall. Robinson is alleged to have put "a plebe" through a physical exercise known to the academy as the "sixteenth." Tasey's connection is stated to be the fact that he was the senior midshipman at the mess table when Hawkins unduly molested the new recruit and should have prevented Hawkins' continuing. Hazing as defined by act of congress is an unauthorized assumption of authority by an upperclassman. It is punishable by dismissal from the service.

NEW CHECKING SYSTEM IS INSTALLED FOR THE PROTECTION OF ALL

"The system of identification checks used by the Iowa State Bank was adopted from a like system successfully used for the past few years by banks at Ames, Urbana, Ill., and Lafayette, Ind.," Grover S. Krouth, president of the Iowa City State bank stated yesterday.

"The system itself cannot be better explained," he said, "than by saying that it is similar to a local issue of traveler's checks."

"Some method of decreasing both the forging of checks and the overdrawing of accounts was recommended to the bank directors by President Walter A. Jessup," he continued, "and with the student's best interests in view, we started this system."

"While if anything the new system will cost the bank more than the old, yet we believe that the expense will be more than offset by the added advantage to the merchants, the University authorities, and most of all to the students themselves."

"It will be almost impossible for a student to find himself in the embarrassing situation of having overdrawn his account, and of having somebody forge his name. Another benefit incidentally will be the greater readiness with which a merchant will accept these checks, as he realizes that the chances of the check being worthless are reduced to a minimum."

"We make no charges for student checking accounts," he said in closing, "and we are using this system mainly because we believe that the students will appreciate the good they can derive from it."

COMMERCIAL CLUB TO WELCOME TEAM BACK TO IOWA CITY MONDAY

Win or lose, the Iowa football team will be welcomed back to Iowa City. Yesterday the following telegram was sent to Coach Howard H. Jones by the Iowa City Commercial club:

"The hearts of the people of the great West are beating for the Hawkeyes in their great game with Yale. We know they will give a splendid account of themselves and the great state they represent. Win or lose, we are for them, and invite you and the entire first team squad to be present at the big membership rally Monday noon. President Jessup has been invited to speak."

"Iowa City Commercial Club,
"C. Yetter, president,
"D. W. Crum, secretary."

FRESHMEN RUN IN TRACK MEET TODAY

Tryouts for Varsity Cross Country Team to be Held at 4 O'clock

At 2 o'clock this afternoon in connection with the telegraphic reports of the Yale game, the frosh track aspirants will compete in the freshman track and field meet. There are a goodly number of men entered in each event. Noble and Roberts in the hundred yard dash, Phillips in the shot and discus, and Van Ness in the mile appear to be probable point winners.

Wilson Will Referee

Karl W. Keppler, varsity quarter miler, will act as starter and Eric C. Wilson, varsity captain-elect, will be referee. All Varsity track men are urged by Captain Thomas E. Martin, assistant track coach, to report on Iowa field at 1:30 this afternoon to work in the capacity of field judges and timers.

Harriers Will Run

Tryouts for varsity cross country candidates will also be held over a three and one half mile course this afternoon at 4 o'clock. This course leads northwest of the city through the city park and return by the river road.

In the absence of Coach George T. Bresnahan who is with the football team at Yale, George C. Ashton S4 of Lyons, has been taking charge of the varsity and freshman cross country squads. A light workout was given last night in order that the men might be in condition for today's tryout.

NEED MORE MEN FOR SWIMMING AND WATER BASKETBALL TEAMS

In answer to the call of David Armbruster, varsity swimming coach, fifteen men reported for the first swimming practice Thursday night. Five of them, Stover, Klingaman, Bane, Goltman and McCullough are veterans of last year's team. The rest of the men are from last year's freshman team.

"If Iowa is to have a good swimming team, more men must come out for practice," said Coach Armbruster. Men are also needed for the water basket ball team. Work on this team requires ability to tread water. The practices this week and for a short time afterward will be work on form and water basket ball practice. They will be held every night.

Coach Armbruster thinks that the chances are good for a winning team this year. Martin Griffin M2 of Iowa City, and Joseph Nelson A4 of Ft. Dodge, are new men who are expected to show up well in the dives. Other promising new men are Gerard A. Gage A2 of Sabula and Harry Rockefeller A2 of Moville. The varsity swimming team will lead this year by Ivan Klingaman A3 of Vinton.

CRIPPLED CHILDREN ARE ENTERTAINED BY Y. W. C. A.

A group from the social service department of the Y. W. C. A. entertained the crippled children at Perkins hospital Friday night with songs and music. Lydia Walker A2 of Des Moines, in charge of arrangements was assisted by Hilma Walker A4 of Newton, and Rosa Schindel.

BURNED STAGE COACHES AND HACKS IN DAYS OF '99 TO CELEBRATE VICTORIES

Away back in the good old days of '99, when Iowa won the Western football championship, the celebration of the victory was nothing like what it may be tonight. According to Iowa City people and professors who were here at that time, when Iowa won a game the whole student body turned out with lots of pep, a big band and an ambition to do something spectacular to celebrate.

Students Burned Vehicles

The more ambitious students, assisted often by men of the town, and by practically all the town tomboys, ransacked the entire town for boxes, barrels, and anything else that would burn—including vehicles standing in the street. These were all dragged down to the square at Clinton and Washington streets, placed in a heap, and set on fire. Then the enthusiasm of the whole crowd burst loose and the celebration lasted for hours.

"The demonstrations after the games then were more spectacular and dramatic in fashion than now," said Prof. S. B. Sloan of the department of English. However, there was no more enthusiasm then than now, though the celebrations have toned down considerably in recent years. Never at any time last year was there so much outward enthusiasm as in those times."

Prohibited Fires in Street

After bonfires had been staged at Washington and Clinton streets for several years, the property owners refused

to tolerate them any more. It was here that an old stage coach or hack was burned with great ceremony. Later the fires were held on the athletic field.

Another form of celebration for a football victory was the mass meeting held at Close hall. An account of one of these was given in the Vidette Reporter, the University newspaper of the time, of November 29, 1898. "An immense gathering of enthusiastic students numbering 800, gathered at Close hall to celebrate the victory over Nebraska," says the Reporter. "The program presented at this meeting consisted mainly of speeches. The heroes of the game mounted the rostrum, seated themselves, and took turns in speaking. Judge Wade gave a short speech, Professor Currie made a comparison of the football of that time with that of his college days, and Professor Shambaugh who was at that time director of the Athletic Union, urged all students to join the union. The program was concluded by a duet by the coach and a student, and a whistling solo by one of them."

A similar celebration in '99 was advertised beforehand by green hand bills. Practically every student turned out for this, and the Vidette Reporter remarks that many bruised their hands with applause. This mass meeting concluded with the Ebenezer doxology in true camp-meeting style. A collection for athletics was taken up.

ATTACK OPENED ON COALITION MINISTRY

Lloyd George Staking Political Future on Outcome; Laborites May Seize Control

London, Oct. 13.—The fight of the Lloyd George coalition ministry to stay in power was formally begun, while the artillery will be opened up by Lloyd George himself at a speech at Manchester, Saturday. The speech of Austin Chamberlain, Unionist member of the coalition cabinet at Birmingham, Friday, is viewed here as the prelude to the main assault.

Chamberlain Leads Attacks

The fact that the first move of the counter attack came from the leader of the Unionist party, Austin Chamberlain, is taken here as indicating that Lloyd George is staking his political future on his chances of holding the coalition together.

Chamberlain's speech as interpreted here, was an attempt to hold the Unionist in line. He declared emphatically that unless the Unionists and the Liberals continued their coalition, the laborites would obtain a majority and seize control of the next government.

Armistice Diverts Opposition

Lloyd George had been forced to act quickly since the attack on his ministry was opened up with force a week ago. At that time the one apparent failure of his Near East policy formed the basis of the assault. Whether the success of the Mudania armistice negotiations and the fact that war has been averted in the Near East for the present will force the opposition to switch from its form of attack remains to be seen.

Whether the Unionists will follow Chamberlain's lead and stay within the coalition is still doubtful. Insurgency against such a continuation is growing and there may be strong voices raised against preserving the alliance with the Liberals any longer.

LEAVES OF ABSENCE WILL NOT BE GRANTED FOR ILLINOIS GAME

Announcement has been made from the office of Robert E. Rienow, dean of men, that no special leave of absence will be given students who attend the football game with Illinois at Urbana, Saturday, October 21. Any absence of those leaving will be considered a cut and go down as unexcused. This ruling applies also, to all absences throughout the year of students who go to games played elsewhere than Iowa Field.

3 SETS OF IOWA-YALE GAME REPORTS TO BE GIVEN THIS AFTERNOON

Three sets of reports of the Iowa-Yale game will be given at different places in Iowa City today, beginning at 1:15 p. m. One of the reports will be read off, another announced by wireless, and the other one will be bulletined and posted.

At Iowa Field the reports will be announced red-hot off the wires, in conjunction with the movements on a miniature diagram of a gridiron. These reports will begin at 1:15, and in case the weather is unfavorable the reports will be given in the armory across the river. The admission will be 50 cents or a year book ticket.

Play by play reports will also be given out by wireless at the east side of the physics building. The station has a powerful voice amplifier, which will insure loud and clear reports. The reports will be free to all who care to come and listen to them.

The Iowa City Press-Citizen will receive reports of the game and will post the reports in their window, beginning at 1:30 p. m.

ELECTION RULES BAN ADVERTISING

Candidates for Class Offices are Few in Number; Petitions Due Monday

Election day is only five days away and the time set for the presenting of petitions is growing shorter. So far very few petitions have been circulated and since they are due Monday it leaves only three days for the candidates to get the twenty-five signers for their petitions.

Reforms are Instituted

The election committee has put out a signed list of election rules with which all prospective candidates will have to comply. These rules are in accordance with the stand which the committee has taken on certain principles in regard to the coming election.

The statement of the election rules given out by the committee this afternoon is as follows:

Pursuant with the authority vested in us by the student council, we the undersigned members of the election committee, announce the rules which shall govern the election in the college of liberal arts, Wednesday, October 18.

1. Each candidate shall present a petition signed by at least twenty-five members of his class.
2. Petitions must be presented in person by candidates before the election committee Monday, October 16, any time between the hours of 4 to 6 or 7 to 9 in room 13, liberal arts building.
3. A petition must be accompanied by a signed statement from the registrar's office showing candidate is a member in full standing in his class.
4. There shall be no electioneering in the liberal arts building on the afternoon of October 18.
5. All forms of advertising are prohibited. This includes signs, handbills, placards, Iowan ads, etc.
6. The committee shall refuse to consider and petition where there is evidence of combination or pooling votes.
7. Each petition shall be accompanied by \$1.00 to defray the expenses of printing ballots.

Signed:
George H. Gallup Jr., chairman.
Roscoe C. Nash
Margaret Altman
Corinne Weber
Edward Halbach.

ANNUAL MEMBERSHIP DRIVE OF THE Y. W. C. A. TO BEGIN OCTOBER 17

The annual drive for Y. W. C. A. members will open Oct. 17. Girls who at some previous time joined the association here will not be solicited. Only freshmen, transfers, and upper class women who desire to join will be called upon by the committee.

"There is no membership fee," Miss Alvina Buck, Y. W. C. A. secretary, emphatically states, in answer to many inquiries. All contributions are voluntary.

IOWA READY TO SCRAP ELI TILL FINAL WHISTLE

Rich Will Pilot Team at Start of Today's Fight; Heldt to Play

By Francis J. Weber

Can Iowa come through against Yale as she did against the teams in the conference last year? That question is bothering all Iowa supporters as the two teams prepare to battle this afternoon. Hope is strong in the breast of all fans throughout the West, for this game is really a game of the West against the East. One of the best teams in the conference is meeting one of the best teams in the big three.

Heldt Will Start

The Iowa team, while minus several of the stars that helped win last year, has still enough good men to fill their places. It will be a worthy foe that meets the bulldogs this afternoon. All of the men with the exception of Parkin are in fit shape for a strenuous game. Heldt will be able to start, and his presence will bolster up the middle of the line. Locke is much better and should be able to go through the entire game. His back is not in the best shape however, and a hard tackle may slow him up. Meade's hand is better, although it is doubtful whether he can play the full game. Kriz will play in Meade's place if the veteran guard is not in shape to finish.

Parkin Still Out

With Parkin still on the injured list, the quarterback position will be filled by Rich. Rich showed up very well in the Knox game and is a good substitute for Parkin. He is not quite so good a passer but is a good ball carrier. Miller and Shuttleworth will be in their places in the backfield and can be depended upon to come through. Shuttleworth is one of the best men in the West in taking out men. Miller is playing much better football than he did last year, and with his speed and weight has possibilities of becoming one of the best backs in the conference.

Green Men in Line

The left side of the Iowa line is composed of veterans who are the equal of any in the country, but the right end of the line is made up of green men who are playing their first big game. These men are physically all that could be desired, but lack experience. There is a general feeling here that Engeldinger at tackle will come through and play a good game. He has played with the Army team and is not quite so inexperienced as the men for end. Neither Hancock or Otte, leading candidates for right end, has ever played against a strong team. Hancock is big and fast, while Otte, who is considerably smaller, is one of the best scrappers on the varsity. It has been frequently stated that if Yale gains, most of their gains will be made around right end.

With Parkin out, Iowa's passing game will not be up to snuff. Rich is a fair passer, but is not accurate enough, as many of his passes have the halt of going into the hands of his opponents. He can pass well enough, however, to make that game dangerous if the Hawkeye's running and plunging game is gaining ground.

Line Smashing up to Locke

A lot seems to depend upon Captain Locke. If he is in good condition, he can gain ground through any line, and if he is able to do that against Yale some of the Iowa passes will be successful. Against a strong line like the Eli line, he will need help, and upon the ability of the Iowa line to open holes depends the winning or the loss of today's game.

Yale will gain some ground, but it is hard to believe that they will be able to make much on line plays. Their big hope seems to be in running the ends and in getting away with passes. Iowa's defense against passes in the Knox game was weak and the three Yale scouts have undoubtedly taken that news back to New Haven. O'Hearn,

UNIVERSITY LIBRARY ADDS NEW INTERESTING BOOKS

Friday afternoon five new books appeared on the book shelves in the University library.

"Miscellanies" by Lord Roseberry is a literary and historical sketch in two volumes. This work contains short sketches concerning the lives of men who were literary and military leaders of England and Scotland. In the second volume there is a short history of Scotland.

"Wall Shadows" by Frank Tannebaum, is a study of American prisons. This book differs from other prison stories in that it not only describes vividly the evils of existing conditions but it shows the solution.

"The Pleasures of Ignorance," by Robert Lynd, is a book of general essays.

"The Book of American Negro Poetry," by James Feldon Johnson, contains poems written by thirty-one different Negro poets. These poems were chosen and edited with an essay on the Negro's creative genius.

"Social France in the Seventeenth Century," by Cecile Hagan, represents the general aspects of the seventeenth century.

THETA SIGMA PHI AND MATRICES HOLD FIRST INFORMAL TEA

The Theta Sigma Phi and Matrices held their first social tea informally Friday afternoon from 4 to 6 in the liberal arts drawing room.

Margaret Altman, president of Theta Sigma Phi, presided. Victoria Boyles A3, Iowa City, gave a talk about the organization and the purpose of the Matrices. Mrs. William S. Maulsby gave an informal talk about the field of journalism. Margaret Wilson A3, Iowa City, who has the distinction of being the only woman editor of a humorous magazine in the United States, gave a talk about Frivol. Two Irish readings given by Leona White A4, Council Bluffs, closed the program. Victoria Boyles had charge of the lunch.

The new women in the courses of journalism who were present and who are now members of Matrices are: Evelyn Harter A2, Keokuk; Hazel Samuelson A2, Iowa City; Dorothy E. Wilson A2, Mason City; Helen Miller A2, Cedar Falls; Edith Rule A3, Mason City; Myra E. Kane A2, Iowa City; Dorothy J. Maggard A2, Onawa; Zoe C. Lemly A2, Brighton; Alice L. Kling A2, Sioux City; Irma C. Reihman A2, Iowa City; Francis Carpenter A4, Marion; Eleanor Finch A2, Davenport; Evelyn Lilly A3, Westfield.

Honorary guests were Mrs. Romola Latchem Hicks an alumna member, and Mrs. William S. Maulsby.

A meeting of the Matrices for the election of officers will be held Monday afternoon, October 16, at 4 o'clock, in room 13 of the Liberal Arts building.

ILLINOIS SPECIAL RATES REDUCED

Train Leaves Friday Evening at 9 And Arrives in Urbana Saturday Morning

Only a very small number of tickets have been sold for the special trip to the Illinois-Iowa game at Urbana next Saturday officials of the Rock Island here stated today. A large number of inquiries, however, have been made concerning the rates and details of the trip. It is believed that there will be a large body of Iowa rooters at the game.

The board in control of athletics has arranged for a special train to make the trip to Urbana and has secured a good reduction in the rate. The train will leave from the Rock Island station at 9 Friday evening, October 22 and will arrive at Urbana about 6 Saturday morning.

Leave Urbana Early
The train will leave Urbana for the return trip early in the evening and will arrive in Iowa City Sunday morning. This will allow ample time for rooters to visit at Urbana before and after the game, the railroad officials pointed out. The fare for the round trip will be \$12.15, not including Pullman charges which will be \$3.00 and up, depending upon service desired. The regular round trip rate reductions apply only on the special train. Anyone intending to go should make reservations as early as possible.

MATHEMATICS CLUB TO BE HEADED BY BROWN

Orley E. Brown G of Milton and Glen B. Aldrich G of Corning, were elected president and secretary respectively of the Mathematics club Thursday afternoon at the first meeting of the year held in room 222 of the physics building. Ralph E. Kennon G was the outgoing president of the club.

Doctor William H. Wilson, associate in mathematics, outlined the purposes and uses of the club in a short talk. He gave the purpose of the organization as being that of affording those seriously interested in mathematics a place to come informally together for discussion of the various practical problems and sidelights of mathematics. "Such a club is worthwhile," said Doctor Wilson, "because people in America seem to be growing less and less enthusiastic over serious things." For those who intend to make mathematics their life-work it is advisable that they grow enthusiastic over it, and care for it so consistently that a discussion club in mathematics will be a welcome opportunity.

RECEIVE NEWS FROM 3 COMMERCE GRADUATES

Lester V. Peterman, a last year's student in the college of commerce and star two-miler for Iowa during the past two seasons, is working in Detroit as time and cost man for a large construction company, according to word received from him by Dean Chester A. Phillips of the college of commerce.

Granville B. Jacobs, a graduate of last year's commerce class, took a scholarship at Columbia university this year and is taking up graduate work in the commerce department there. Mr. Jacobs was president of the Commerce club last year.

Robert T. Kenworthy, another last year's graduate in commerce, is working with the Des Moines Capital. His work so far has been in the advertising department. Mr. Kenworthy was head of the advertising department of the Daily Iowan last year.

HESPERIA WILL HAVE MOCK MEETING TUESDAY

Hesperia literary society will meet Tuesday at 7 p. m. for a business meeting in the Hep-Zet club room in Close hall. Following this an open meeting is planned for all upperclass men interested in literary societies. Ruth Reeder A4 of Iowa City, chairman of the program committees, has arranged for a mock meeting of

Hesperia. Louise Jerril A4 of Oska-loosa, will act as president, Almeda Cutting A4 of Decorah will serve as secretary, and Persis Carney A3 of Greene as critic.

Bernadine Wendel A3 of Smithland, Melba Carpenter of Iowa City, and Lorraine Luthmer A2 of Summer, will be on the program for the mock meeting. The stunt will close with a song by Jeanne Wolfe A3 of Clear Lake.

DOPING THE DOPE
BY "PEST"

They say that Gibson, one of Wisconsin's star backs, is a hungry boy. A down town restaurant in Madison offered a \$10 meal ticket to the man scoring the first touchdown against Carleton. Gibson managed to make the first counter, and he was down town after that meal ticket before the game was over.

Ohio State is after revenge in its game today. Oberlin, its opponent, won last year, and the Buckeyes are determined to get revenge. They will have to play better football than they did against Ohio Wesleyan if they expect to come out on top. About the only good thing that they did was to hold after Ohio Wesleyan had the ball under the shadow of their goal posts.

Workman of Ohio State also did some good punting, averaging about 45 yards on fourteen punts.

Indiana and Minnesota meet in the rubber game at Indianapolis. Each team has a victory to its credit, Indiana winning 21 to 7 in 1920, and Minnesota getting revenge by a 6 to 0 score in 1921. Both teams have new coaches, Herron at Indiana, and Spaulding at Minnesota. Both teams are also composed for the most part of green men. It should be a battle royal.

In the games played last Saturday, big ten teams made 224 points while not a point was scored by their opponents. Iowa made the biggest score with Michigan next, and Wisconsin third. Down at the bottom of the list is Indiana, which was held to a scoreless tie by De Pauw.

The East took the first of the inter-sectional games, when the Army defeated Kansas last Saturday by a score of 13 to 0. The Kansas line put up a good battle, but were unable to open up holes in their opponent's line. That is no wonder con-

sidering the fact that the Army line outweighed the Jayhawkers over twenty-five pounds to the man. Besides that, the Kansas punter was injured in a practice game with the team from Nigara university and one of the other backs had to do the kicking.

Neidlinger, Yale quarterback, ran back a punt for over seventy-five yards, scoring a touchdown in scrimmage against the scrubs. It is up to Kadesky and Hancock to hit that fellow hard this afternoon.

Freshman in the track meet this afternoon will have to behave. Eric Wilson, captain of the varsity track team, is going to be referee in the absence of Coach George T. Bresnahan.

Frank Birch and Joe Magdisohn, the two Western officials who will act as head linesman and field judge in the Yale-Iowa game this afternoon, accompanied the Iowa team. Birch left from Iowa City with the team, while Magdisohn was to go from Chicago.

By the way, did you notice how cute Magdisohn looked in his knickers when he refereed the Iowa-Knox game. Joe thinks that they are the coming thing for football officials. He explained, however, that he was having his white flannels cleaned and pressed for the Yale game.

Coach "Bill" Kelley left yesterday to watch the Purdue-Notre Dame game at Lafayette. As a result, the Iowa scrubs celebrated by taking the day off.

"Dad" Schroeder has just received a card from Mike Howard, Iowa's wrestling coach. Mike is driving overland, and is now in the mountains of Wyoming. He expects to reach Iowa City in a few days. Mike is a benedict now, having been married this summer.

JESSUP IN DES MOINES

President Walter A. Jessup is attending an important meeting of the State Board of Examiners of which he is a member, this morning in Des Moines. He will return to Iowa City this afternoon.

TO ADDRESS Y. W. C. A.

At the weekly Wednesday meeting of the Y. W. C. A. in liberal arts drawing from 4:00 to 5:00, Miss Claire Daley, assistant professor in the department of history, will speak this afternoon.

What do we mean by SERVICE?

Often times the choicest foods will not appeal to you because of the way they are served—a fine cut of meat may become very unappetizing if allowed to turn to lard because of being served on a cold plate—a salad on a warm plate won't get to first base—and these are only a few of the many things that worry Restaurant trade and few of the things we take pains NOT to do.

Our Service is the Service of Serving you.

**IOWA READY TO SCRAP
YALE TILL GAME ENDS**
(Continued from page 1)

Yale's best passer, is also out of the game, but several of the other men are experts in hurling the ball. It is up to Iowa to watch out for a strong Yale passing attack.
Minick should be able to equal any of the Yale punters. Again, O'Hearn is

the leading Yale kicker and as stated before he will probably be out of the game. Minick, if he is kicking well, should average fifty yards or better, a good enough average for any punter. Coach Howard H. Jones is a firm believer in kicking whenever the ball is deep in your own territory and with Minick to boot the ball, Iowa will probably play just as safe a game as Yale. Reports from the East say that

Yale will probably kick whenever the ball is inside their thirty-yard line. Iowa can be depended to do the same with the result that a punting duel will probably result. Both teams will probably be alert to take advantage of fumbles and blocked kicks, and the one that gets the breaks will probably win the game. Both teams have had punts blocked by their opponents in minor

games, but each will be much more alert in today's game.

Hawkeyes Loaded for Bulldogs
Yale will go into the game as favorites despite bear stories to the effect that many of their best men are out. The East will never be able to believe that a team from another section of the country might be as good as one of the big three. Yale is undoubtedly stronger in the number of reserves that she has on hand, but the difference is not so great that it alone means victory.

The Iowa team can be expected to be in a rather vicious mood. All the propaganda that has been floating through the East about the Yale-Iowa game being a practice game for Yale will undoubtedly have a reflex action on members of the Iowa team. The men will go into the game with a determination to show the proud Easterners that they are up against a real team. Iowa will fight today.

**NEW "Y" MEMBERS
TO MAKE PLEDGES**

Y. M. C. A. Will Require Men to Live up to Moral Pledges Agreed to.

"No longer will memberships in the local Y. M. C. A. be obtained in exchange for money alone," said R. L. Fitzgerald, secretary of the Y. M. C. A. yesterday. "Now in addition to paying the fee, it will be necessary for everyone desiring a membership to promise that he will live up to the moral pledges listed on his 'Y' membership card."

In explaining the nature of these pledges, Mr. Fitzgerald stated that the idea prompting such a plan is that every Christian student on the campus wants to stand for things beneficial to the University as a whole. Thus, the pledges will refer to students' morals, but will place little stress on the number of activities a student is engaged in.

To draw up such a list, the Y. M. C. A. cabinet has chosen 100 men from the entire student body, all of whom they consider to be fair representatives of the student body, of the social organizations on the campus, of students' religious interests and of the various colleges themselves. They will meet next Wednesday evening, at a place to be decided later, and will give at least one answer to the question: "What shall I as a Christian student, stand for at University of Iowa?"

"Every suggestion thus made will be referred to the church members of the student body," said Mr. Fitzgerald. "The things favored by the majority will make up the pledges to which a Y. M. C. A. member must agree this year."

WE MAY CELEBRATE!

There will be a monster celebration tonight in the event of a Hawkeye victory at Yale today. Details will be announced at the reports this afternoon.

THE CHANCES IN 1922

The West meets the East this afternoon in a football game considered as one of the important inter-sectional contests of the year. The West, always a bit apprehensive when its foe comes from beyond Pittsburgh, hopes Iowa will beat Yale, but it isn't quite certain that the Hawkeyes will. Iowa, being the western champions in 1921, is defending its title this afternoon with an eleven that the majority of critics assert is not as good as the one which swept victorious through the West last year.

"It certainly is a shame that Iowa couldn't have played Yale last year when we had the Devines, Slater and Belding," has often been remarked on the campus during the past few weeks. Indeed, it is a shame! And isn't it too bad Iowa couldn't have rounded together all its stars of yesterday for the contest at Yale today?

The team representing Iowa at the Blue Bowl today is the best that Mr. Jones could build this fall. It is the team in which Old Gold fans must have faith. It is admitted by all that it is a good team; whether it is as great as the one which won the western title remains a question.

Whatever the Hawkeyes do at New Haven today cannot increase nor diminish the glory of the team which Aubrey Devine led to victory in 1921. What Iowa does today will be credited or charged to the 1922 eleven. If Iowa wins without the Devines, Belding and Slater—and *The Daily Iowan* believes it will—then all the more credit to the University. If Yale wins, we need only admit that the Iowa 1922 eleven is not as good as Yale's team of 1922.

BUYING VOTES WITH VOTES

To clarify the apparent misunderstanding among fraternity men as to the nature of "machine politics" and its connection with the coming all-University election, *The Daily Iowan* will explain the stand it has taken on this moot question.

The fact that an organization supports a certain candidate does not signify, necessarily, that the candidate is engineering dirty politics so long as the organization backs him, not as an organization but as individuals. It is even possible that a candidate elicit the aid of several groups in his support without using any unfair methods. In fact this must be the case if the candidate hopes to be elected.

Machine politics enters when votes are bought with votes, when certain organizations, as such, guarantee all of their votes to a candidate of another organization in return for the votes of this organization for their own candidates. Briefly the system works this way: A near-politician decides that his fraternity ought to have the senior president, the junior president or any of the higher honors, and in following out this course, enters into an agreement with as many groups as he can, promising each for its share of the spoils, one of the sixteen class offices, or one of the four party chairmanships.

This makes a total of twenty offices to be divided among as many organizations, assuring each a class office, for twenty organizations banded together can carry any student election. Last year the winning machine included sixteen groups

in its membership and of the sixteen machine candidates only one, the secretary of the senior class, was lost and this to the opposing machine.

Any one without a perverted sense of right and wrong can see that this system is wrong. To allow one politician, or five or six, to name and elect every class officer regardless of the candidates' merits or the wishes of the other 3000 students, is opposed to all the principles of democracy. It is simply buying votes with votes.

CONTEMPOARY OPINION
(Cornell Daily Sun)
DON'T GET HURT

Back in the days of mud roads and "one-hoss shays" but very little danger was encountered by the pedestrian in crossing a street. But in this day of motor vehicles the danger is greatly enhanced, particularly around a university community in which students are liable to be pre-occupied over some problem and get lax.

This fall there is a great increase in the number of automobiles among the undergraduates and the people of Ithaca also seem to have acquired the driving mania. While the percentage of accidents is low compared to the number of machines a note of warning is not amiss. In their haste to save half a minute undergraduates take a chance of not getting hit and cross through traffic without looking where they are going.

It is dangerous to run out of the library or other buildings to a class and cross the roads without paying any attention to on-coming automobiles. The chances of getting hit are increasing every day. In the business district of Ithaca traffic has become so dense that it has been necessary to take policeman off their regular beats to avoid congestion: "jay walking" and cutting across traffic is hazardous.

This week has been designated throughout the country by the Safety Institute of America as Safety Week. It has adopted the slogan, "Don't Get Hurt," and a warning to all to "watch your step" when in a hurry to cross a street or railroad crossing.

WHEN WINTER COMES.
I wish that chilly days were o'er
And balmy spring was here once more;
Or else that I could pack my grip
And take a lengthy southern trip.

But still I think that I can brave
The cruel snow-king's icy wave
If I one know will take her pen
In hand and write me now and then.

Lady Duff-Gordon, the famous modiste and fashion designer, is bankrupt. As many a long-suffering and insolvent husband will assert: "A dose of her own medicine."

A TRUE STORY.

While we were in the library yesterday morning we happened to notice a young lady, apparently of the genus flapper, who was intensely absorbed in a book. So deep was her interest in the pages she was reading that she was oblivious to all her surroundings. We could account for this phenomenon upon no other theory than that she was reading something by Joseph Hergesheimer or Ben Hecht. From our own coign of vantage it was impossible for us to see the name of the book.

At length the hour was up and with a sigh of reluctance the young lady closed the volume. "Too bad!" we thought. "She has had to interrupt the plot of her best seller in the midst of a thrilling situation." We knew exactly how she felt. Many's the time we have had to stop reading just as we had a hunch the hero was about to clasp the heroine to his manly bosom.

And then—and then—just as we were mildly sympathizing with her, the young lady picked up the book and we saw the title: "A First Course in Greek!" Business of picking oneself up off the floor.

Yale has the edge on Iowa, but Iowa has an excellent chance, says Walter Eckersall, football expert. In other words he rather expects either Yale or Iowa to win.

A Chicago woman, enraged because supper was not prepared to her taste, killed herself. What is that the height of!

The president's new home, south of the engineering building, is certainly going to be an imposing structure. The colonade on the west side is especially impressive. Professor Weller, it is reported, has not yet yielded to numerous requests that he lecture upon the architecture of the building and discuss the advisability of using it as a model for future buildings on the campus.

From New Haven comes a menacing growl.
Muzzle that Bulldog, gang!
Put him under Locke and key!

SEVENTEEN.

FRESHMAN ENGLISH CLASSES IN 3 SECTIONS

Freshman English classes have this year been divided into three divisions, exclusive of the sub-freshman divisions. The sub-freshman division takes in those, who through lack of correct training in high school, are not able to carry regular college work. No credit is given for work done in sub-freshman classes.

In section one of the regular classes go those who show the highest ability. Section two includes all three takes in those who, with a little hard study, will be able to make their college credit.

"No disgrace is attached to being in one of the lower sections," said Frank L. Mott, of the English department. "It is in most cases the result of inadequate training in high school."

SORORITY GRADES OUT SOON

Sorority grade averages for the last year will be out in a few days, is the report from the office of the Dean of Women. Delta Zeta led in the report of 1920-21 with an average of 84.5. Chi Omega was second with an average of 83.9 and Kappa Kappa Gamma was third with 83.1. The sorority average was 82 and the liberal arts average was 80.6.

INITIATE TWELVE INTO EELS CLUB

Require New Men to Pass Swimming Examinations; Nearly All Are Sophomores

Twelve men were initiated into the Eels club Wednesday night in the pool room of the men's gymnasium. Most of the men were from last year's freshman swimming team. No freshmen were taken into the club last year because they were on probation to see if they were worthy of carrying on the activities of the Eels club.

Before each man was taken in he was required to pass certain tests. Each man had his option of swimming 440 yards, using crawl, breast, or back stroke; doing four required and four optional dives; or plunging fifty feet.

The Initiates

Those initiated were: Glen V. Douglas A4 of Iowa City, Louis L. Kramer A2 of McGregor, Harry Rockefeller A2 of Merville, Rolf Larsen A2 of Fort Dodge, Stanton Marquart A2 of Des Moines, Lloyd S. Bastion A2 of Redfield, S. D., Douglas H. Brown A2 of Elkader, T. D. Brown A2 of Elkader, T. D. Brown A2 of What Cheer, Chase R. Weber A2 of Iowa City, Edward S. Sheakley A2 of New Hampton, Gerhart A. Gage A2 of Sabula.

CHINESE CLUB HONORS FOUNDING OF REPUBLIC

The Chinese Club celebrated the eleventh anniversary of the foundation of the Chinese Republic by a banquet held Tuesday evening at Burkley hotel. Fifty persons were present.

Leonard S. Hsu, president of the club acted as toastmaster. Talks were given by Dr. Sudhindra Bose, lecturer in the political science department, Dean C. E. Seashore of the psychology department, Dr. Edwin Starbuck, professor of philosophy, President Emeritus Thomas Macbride, and a talk explaining the condition of the Chinese Republic was given by Leonard S. Hsu.

The officers of the club for this year are: President, Leonard S. Hsu G of Chu Kwang, China; vice-president, Horace Tu; treasurer, O. F. Wong; secretary, William Zecha G of Soekaboemi, Java; club editor, P. Y. Chung; and social chairman, Miss Wenyin Kwong G of Peking, China.

A meeting will be held tonight at the Baptist Church for members of the Chinese Club.

ALUMNUS TO APPEAR ON CAMPUS MONDAY MORNING

The first issue of the Iowa Alumnus of the 1922 school year will be sold on the campus Monday morning. Mrs. Grace Partridge Smith editor of the magazine, assisted by an able corps of contributors, has endeavored to make the coming issue one of the best ever published.

This issue will be of special interest to the undergraduate body because of numerous student articles, covering such subjects as registration, athletics in general, the Daily Iowan, summer training camp experiences, fraternity and sorority rushing activities, sketches of the two rival football coaches, Howard H. Jones of

Iowa, and Tad Jones of Yale. There will also be many other stories on University subjects. Illustrative pictures will accompany several of the articles.

A distinctive cover design has been adopted by the Alumnus this year. The cover will be white, printed in two colors, with an artistic design near the top and bottom. The first issue will include approximately 40 pages.

RADIO STATION WILL NOT BROADCAST YALE GAME

The Iowa-Yale game will not be broadcasted play by play from the Iowa radio station this afternoon, as previously announced. The Davenport station, WOC, will be on the same wire as the stand at Iowa field. This station will broadcast the news play by play. In order to broadcast the news here, messages would have to be relayed from Iowa field to the sending station and this delay would put the Iowa radiograms about five minutes behind the Davenport station. Because of this situation the Iowa station will not operate this afternoon.

Future Iowa games however will be broadcasted and all home games will be sent out play by play. A private wire has been secured from the Western Union to cover the Illinois, and other games, played away from Iowa City, play by play, and these messages will be broadcasted by the Iowa station.

Tonight a short ten minute story of the Iowa-Yale game will be broadcasted at eight o'clock.

FIFTEEN STUDENTS IN CAMEO GIRL PRODUCTION

Fifteen University students as well as young men and women of Iowa City appeared in the Cameo Girl sponsored by the Knights of Columbus which was presented at the Engler theater this week.

The lead in the play, which was based on the frivolous life led by the Bohemians in Greenwich Village, was taken by Winsome Cray. Costumes for the presentation were designed by Penny Ross who created the cartoon, 'Mama's Angel Child.'

IOWA WINS 6-0

PARKIN SCORES FIRST COUNTER AGAINST ELI

Tumbles Cost Hawkeyes Many Yards; Locke Smashes Line for Big Gains

Goals in Yale bowl are situated East and West. Cruickshank is acting captain in place of Captain Jordan of Yale. They will play fifteen minute quarters.

The sun is now out. It is cool and ideal for football. At 2:15 P. M. the Yale band marches over the field. The officials are O'Brien, referee; Magidsohn, umpire; Fultz, field judge; Birch, head linesman.

At 2:18 the Yale team went on the field and went through signal practice.

Captain Gordon Locke of Iowa won the toss and chose to defend the East goal. Minick is practicing punts. A slight breeze from the Southeast and cloudy weather.

FIRST QUARTER

Hass kicked off to Iowa's ten-yard line to Miller who returned to the 20-yard line, where he was tackled by Mallory. Locke went through center for 4 yards. Miller went around right end for five yards. Third down and one to go. After the mix-up is untangled Cross of Yale had the ball. Yale's ball on Iowa's 29-yard line.

Neidlinger threw a forward pass which was intercepted by Locke on Iowa's 15-yard line.

On the first play Locke fumbled and Yale recovered. On their first play Yale fumbled but recovered. Second down and 12 yards to go. A forward pass by Neidlinger grounded. Third down and 12 yards to go. Neidlinger dropped back to the 43-yd. line and attempted a drop kick which went under the bar. Iowa's ball on their 20-yard line.

Locke went through center for 9 yards. Miller made one-half yard. Locke stopped by Diller on the next play. Fourth down and one-half yard to go. Minick punted to Wight on Yale's 20-yard line, and he was downed in his tracks. Yale punts back to Parkin on Iowa's 30-yard line and Parkin returned 20 yards. Locke made two around left end. Miller made three through center. Third down and five yards to go. Forward pass failed. Minick punts over Yale's goal line, the ball is now on their 20-yard line. First and ten to go. Wight failed to gain through center. Wight kicked to Parkin who fumbled but recovered on Iowa's 44-yard line. Parkin threw a pass which is intercepted by Hullman on Yale's 25-yard line. On the first play Wight kicked to Parkin on Iowa's 40 yard line. Iowa's ball, first and ten to go.

Minick punted over Yale's goal. Neidlinger kicked to Iowa's 41-yard line, but a Yale man touched the ball and Yale was penalized 5 yards. It is Iowa's ball on their 46-yard line. Parkin went around right end for 16 yards. Iowa's ball on Yale's 30-yard line. Pass Parkin to Miller gained 12 yards. Parkin went through center for one yard. Locke made two yards through center.

End of first quarter. Score—Iowa 6, Yale 0.

SECOND QUARTER

Parkin got two yards off left tackle. Locke went through center for two more. Locke broke through left guard for a first down. Quale went in for Greene. Yale forwards were on their knees before the goal post. Iowa was penalized five yards for off side. Parkins scored a touchdown around Yale's right end.

Score—Iowa 6, Yale 0. Shuttleworth failed to kick drop goal.

The Yale goal line had been crossed for the first time this year due to Iowa's better punting, aided by the wind and two successful forward passes that put the Hawkeyes within striking distance where their vaunted attack made good against the best resistance offered.

Minick kicked off to White who carried the ball back to 28-yard line. A delay pass with the ball going to Mallory gained a yard. White sent a low punt to Parkin who was downed on the visitor's 32-yard line. Locke gained two yards through the center of line being tackled by Cruickshank. Parkin got around right end for 20 yards to the center of the field. Locke hit left guard for two yards. Parkin passed to Kadesky who was driven out of bounds on Yale's 19-yard line and was the most successful play of the day as Kadesky nearly got free for a second Iowa touchdown.

Hass was hurt when he tried to tackle the Hawkeye end. Yale secondary defense was being shown up by the Iowa attack. Crochrane replaced Hass. Parkin again circled Yale's left end for three yards. Locke hit the line for a yard gain and then fumbled. Yale recovering. Yale immediately punted to Parkin who brought back to Yale territory. Parkin was thrown for six yard loss, and then punted to Nedlinger who was downed on his 20-yard line. Crochrane got three yards through the right side of Iowa's line. White then punted to Parkin who was thrown heavily by three Yale men on his 36-yard line. Parkin got five yards off right tackle. Mallory who was doing the most of tackling for Yale bringing him down.

Iowa got the jump on Yale and again this afternoon in the first half. While 40,000 speculators sat spellbound the Hawkeyes carried the ball over the Eli line for the first touchdown that has been chalked up against the Blue this season. The fast and heavy Hawkeye team outplayed the Yale team the first half when the score stood—Iowa 6, Yale 0.

Locke was run out of bounds when he attempted to skirt Yale's right end, the ball being put into play on the 43 yard line. Parkin failed to gain through center. The Iowans were off-side and were penalized five yards. Minick punted out of bounds on Yale's 22 yard line.

Jordan made 4 yards. Wight kicked to Parkin, who was run out of bounds on the visitor's 23 yard line. The first time an exchange of punts had proved to Yale's advantage. Locke broke through for 20 yards, but the officials called the ball back, and Iowa was penalized 5 yards for off-side. Parkin got 2 yards around Yale's left end. This was proving the visitor's best play.

Parkin punted to Nedlinger, who carried the ball to Iowa's 40 yard line. The Yale stands, which were silent as they watched their team being outplayed by the westerners, broke into cheers. Wight faked a kick and then tried to pass, but there was no one to receive the ball. He then tried to run

and was downed on the center of the field as the second period ended. Score—Iowa 6, Yale 0.

THIRD QUARTER

Iowa kicked off to Nedlinger, who ran back 25 yards to his 37-yard line. Cochrane got two yards through center. Mallory got four more on a delayed pass. White kicked across the Iowa goal line. The ball was put in play on 20-yard line. Yale stands were calling on the Blue to stop the visitors. Locke got two yards at center. Parkin got two more off right tackle. Minick punted out of bounds on Yale's 34-yard line. Jordan hit right guard for five yards.

White kicked to Parkin who made a fair catch on the 24-yard line. Parkin got five yards off left tackle and Locke nearly five more in same place.

Locke hit the line for 7 yards, and another first down. Parkin took it nearly to mid-field. Yale again suffered from loose tackling. Locke got 2 yards and Quaille, Yale's big left tackle, was hurt on the play. The Hawkeye attack was again getting under way. Greene replaced Quaille.

Quaille appeared to have hurt his leg severely and was carried from the field. Diller threw Locke without gain, and Minick kicked across the Yale line. Wight sent a long spiral to the Iowa 25 yard line, where Parkin fumbled, but recovered, and was downed on the 28 yard line. Lovejoy went in at center in place of Landis.

Locke gained 2 yards through the line. Parkin was thrown without gain by Mallory. Yale blocked a punt and the ball rolled to midfield, where Jordan got it and carried it to the Hawkeye 42 yard line. The Yale stands are in an uproar. It looked like the Blue's big chance. Wight got 6 yards through the line. Miller, the first Hawkeye warrior to be hurt, was stretched out after the play. He recovered and charged up and down the field, sporting a game leg, while the stands cheered him.

The Yale line spread out for a pass, but Nedlinger shot through center for first down on the 32 yard line. Nedlinger broke through center for four yards. Again the Yale forward spread out to the right and Wight went off right tackle for 2 more yards. Wight skirted the left end of the Hawkeye line for a first down. This time Yale hit the left side of the line and Jordan got 2 yards. A poor pass from center nearly spoiled the Eli chances, but Jordan fell on the ball.

Locke intercepted an Eli pass, but dropped the ball and it was Yale's ball, with 15 yards to go, on the Iowa 26 yard line. Wight made a weak attempt at a field goal and Iowa put the ball in play on her 20 yard line. Yale had lost its big chance.

Locke went through center for 5 yards. The Yale line stiffened and stopped Locke on the next try. Minick punted out of bounds on Yale's 34 yard line.

A Yale back fumbled and Iowa recovered on the Eli 34 yard line. Once

more the Iowans were in striking distance of the Yale goal. Locke plunged twice without gain. A Hawkeye pass fell to the earth and was forced down with 10 to go. A try for a drop kick by Shuttleworth failed and it was Yale's ball on her 20 yard line.

Wight kicked to Parkin, who was thrown on his 25 yard line. Locke hit a stone wall in the Eli forward line and failed to gain as the period ended. Score—third quarter, Yale 0, Iowa 6.

OLD CAPITOL PILLARS OVER SEVENTY YEARS OLD, YET GOOD AS NEW

The contractor who originally built the pillars for Old Capitol over seventy years ago has lived to experience the satisfaction of knowing that his work has been done well. Michael Sydel was that contractor and is now an aged man but spry and active in spite of his years.

When he contracted for the job of the building pillars he agreed to furnish material and labor for fifty dollars each. From the day he turned over the job at the time of its completion until the present time when it is being rebuilt Old Capitol has been supported by these magnificent pieces of architecture.

Pillars of Cypress

The pillars were constructed from cypress about fifteen feet in length. After these strips are nailed to a center piece sand is blown upon the surface to give the finished product the appearance of marble. Every pillar that he constructed is as good now as the day he finished it with allowances made for weather effects.

An interesting fact in price comparison of the times is found in the fact that labor alone for building the present pillars would cost forty dollars each and the material costs about one hundred dollars each.

DOMINION MUSEUM AND UNIVERSITY EXCHANGE VALUABLE COLLECTIONS

In exchange for a valuable collection of scientific works donated to the University of Iowa by the Dominion Museum of Wellington, New Zealand, a complete file of all volumes of scientific treatises in print, written by a member of the faculty of the University, has been made and will be sent to the Dominion Museum.

The collection includes learned studies of natural science, natural history, education, language and literature, physics and medicine, psychology, child welfare, and a group of humanistic studies. It also includes a number of valuable volumes donated from his own library by Prof. C. C. Nutting, head of the zoology department. The gift is made in the name of the University through the courtesy of Prof. Carl E. Seashore, dean of the graduate school, Prof. Charles H. Weller, University editor, and Professor Nutting.

The Dominion Museum presented its collection to the University through the expedition which was in New Zealand this summer, with Professor Nutting at its head. The books are now in customs in Des Moines, but will soon be added to the shelves of the library.

PREVIOUS TRAINING NOW APPARENT IN GLEE CLUBS

"Glee club members this year excel in reading and musicianship, is the statement made by Prof. Walter Leon voice instructor in the department of music.

FIFTEEN FELLOWSHIPS TO PROVIDE MEMORIAL FOR FIELD SERVICE MEN

In order to provide a memorial for the one hundred and twenty seven Field Service men who gave their lives to the cause, and to perpetuate the understanding spirit which marked French and American relations during the War, the American Field Service Fellowships for French Universities have been established. Fifteen fellowships are offered by this organization to graduates of American colleges for the purpose of encouraging advanced study and research in French Universities during 1923-24.

The fellowships, which amount to \$200 or \$300 francs, are granted for one year and are renewable. The candidate may choose the field of study he prefers, and designate his choice of the French University.

Must Read French

Applicants must be graduate students of good character and intellectual ability and must have a practical ability to use French books.

Prof. Charles H. Weller, head of department of history of art, is serving on the advisory board and Dean Carl E. Seashore of the graduate college, is in charge of scholarships and fellowships.

MENTALITY TESTS AND RECORDS INTRODUCED IN UNIVERSITY HIGH

A series of systematic tests are being conducted in the University high school, according to Milton C. Del Manzo, superintendent. These tests are for determining, not only the mentality of each student, and his standing in his classes, but also to discover, in so far as is possible, what profession each individual student appears to be best fitted to follow.

All of the results of the tests given any one student, are tabulated on a record card, devised especially for that purpose, and observation of the progress of each student will be made in the succeeding years.

The plan this year is to so systematize the testing program, that definite statements can be made regarding the accomplishments of the work, and that the results may be compared with other schools which are using the standard tests.

WILL IMPOSE PENALTIES ON FRESHMAN SLACKERS

"The green cap tradition must be preserved," is the emphatic statement of Will V. Price, president of the Interfraternity council.

"The Fresh are conforming with the green cap movement remarkably well. Upper class fraternity men are enforcing the ruling among their respective freshmen members. In certain instances penalties have had to be inflicted for violations. A meeting will be called early next week among fraternity men to discuss a way in which to handle all recalcitrants. At that time presidents of the various organizations will list the names of men who have not been complying with the regulation."

"It's a good idea, and we'll laugh at the other fellow next year," optimistically prophesied a green-capped freshman. Others declare that one-fourth of the class are dodging the issue. This action serves to dampen the ardor of the loyal "ninety and nine". Others remember with a tinge of regret the green clad stocking movement among the women, which, until the present time has never been enforced.

HAZING AT U. S. NAVAL ACADEMY TO BE PROBED

Three Upperclassmen Involved; Victim is Now a Patient in Hospital

(By United News)

Annapolis, Md., Oct. 13.—Continued hazing at the United States Naval Academy, has sent two "plebes" to the hospital and two probes are now under way, one a court martial. Aroused by the development, the Rear-Admiral Henry B. Wilson, superintendent of the academy Friday detailed a board of investigation to inquire into the outbreak thoroughly. Simultaneously a naval court martial was in session trying two members of the senior class.

Hazing of Mild Form

Those on trial are Stewart H. Hawkins, of Massachusetts, and Bruce Robinson of Arizona. A third midshipman, Thomas J. Tasey, also of Massachusetts, is under arrest and confined on the "prison ship," the Lerma Mercedes. Admiral Wilson declined to divulge the name of the victim, now a patient in the naval hospital here. He declared that while the hazing, according to the reports reaching him, was of mild form, he was determined to probe the matter to the bottom.

Plebe Given "Sixteenth"

The offense charged against Midshipman Hawkins is alleged to have been committed a few days ago while the entire student body was partaking of a meal in the mess hall. Robinson is alleged to have put "a plebe" through a physical exercise known to the academy as the "sixteenth."

Tasey's connection is stated to be the fact that he was the senior midshipman at the mess table when Hawkins unduly molested the new recruit and should have prevented Hawkins' continuing. Hazing as termed by act of congress is an unauthorized assumption of authority by an upperclass. It is punishable by dismissal of a member of a lower from the service.

NEW CHECKING SYSTEM IS INSTALLED FOR THE PROTECTION OF ALL

"The system of identification checks used by the Iowa State Bank was adopted from a like system successfully used for the past few years by banks at Ames, Urbana, Ill., and Lafayette, Ind.," Grover S. Krouth, president of the Iowa City State bank stated yesterday.

"The system itself cannot be better explained," he said, "than by saying that it is similar to a local issue of traveler's checks.

"Some method of decreasing both the forging of checks and the overdrawing of accounts was recommended to the bank directors by President Walter A. Jessup," he continued, "and with the student's best interests in view, we started this system.

"While if anything the new system will cost the bank more than the old, yet we believe that the expense will be more than offset by the added advantage to the merchants, the University authorities, and most of all to the students themselves."

HESPERIA WILL HAVE MOCK MEETING TUESDAY

Hesperia literary society will meet Tuesday at 7 p. m. for a business meeting in the Hep-Zet club room in Close hall. Following this an open meeting is planned for all upperclass men interested in literary societies. Ruth Reeder A4 of Iowa City, chairman of the program committee, has arranged for a mock meeting of

Hesperia. Louise Jerril A4 of Oskaloosa, will act as president, Almeda Cutting A4 of Decorah will serve as secretary, and Persis Carney A3 of Greene as critic.

Bernadine Wendel A3 of Smithland, Melba Carpenter of Iowa City, and Lorraine Luthmer A2 of Summer, will be on the program for the mock meeting. The stunt will close with a song by Jeanne Wolfe A3 of Clear Lake.

DOPING THE DOPE

BY "PEST"

They say that Gibson, one of Wisconsin's star backs, is a hungry boy. A down town restaurant in Madison offered a \$10 meal ticket to the man scoring the first touchdown against Carleton. Gibson managed to make the first counter, and he was down town after that meal ticket before the game was over.

Ohio State is after revenge in its game today. Oberlin, its opponent, won last year, and the Buckeyes are determined to get revenge. They will have to play better football than they did against Ohio Wesleyan if they expect to come out on top. About the only good thing that they did was to hold after Ohio Wesleyan had the ball under the shadow of their goal posts.

Workman of Ohio State also did some good punting, averaging about 45 yards on fourteen punts.

Indiana and Minnesota meet in the rubber game at Indianapolis. Each team has a victory to its credit, Indiana winning 21 to 7 in 1920, and Minnesota getting revenge by a 6 to 0 score in 1921. Both teams have new coaches, Herron at Indiana, and Spaulding at Minnesota. Both teams are also composed for the most part of green men. It should be a battle royal.

In the games played last Saturday, big ten teams made 224 points while not a point was scored by their opponents. Iowa made the biggest score with Michigan next, and Wisconsin third. Down at the bottom of the list is Indiana, which was held to a scoreless tie by De Pauw.

The East took the first of the intersectional games, when the Army defeated Kansas last Saturday by a score of 13 to 0. The Kansas line put up a good battle, but were unable to open up holes in their opponent's line. That is no wonder con-

sidering the fact that the Army line outweighed the Jayhawkers over twenty-five pounds to the man. Besides that, the Kansas punter was injured in a practice game with the team from Niagara university and one of the other backs had to do the kicking.

Neidlinger, Yale quarterback, ran back a punt for over seventy-five yards, scoring a touchdown in scrimmage against the scrubs. It is up to Kadesky and Hancock to hit that fellow hard this afternoon.

Freshman in the track meet this afternoon will have to behave. Eric Wilson, captain of the varsity track team, is going to be referee in the absence of Coach George T. Bresnahan.

Frank Birch and Joe Magdisohn, the two Western officials who will act as head linesman and field judge in the Yale-Iowa game this afternoon, accompanied the Iowa team. Birch left from Iowa City with the team, while Magdisohn was to go from Chicago.

By the way, did you notice how cute Magdisohn looked in his knickers when he refereed the Iowa-Knox game. Joe thinks that they are the coming thing for football officials. He explained, however, that he was having his white flannels cleaned and pressed for the Yale game.

Coach "Bill" Kelley left yesterday to watch the Purdue-Notre Dame game at Lafayette. As a result, the Iowa scrubs celebrated by taking the day off.

"Dad" Schroeder has just received a card from Mike Howard, Iowa's wrestling coach. Mike is driving overland, and is now in the mountains of Wyoming. He expects to reach Iowa City in a few days. Mike is a benedict now, having been married this summer.

SELECT ROMANCE LANGUAGE TUTORS

Students Should Employ Only Approved French and Spanish Tutors

Official French and Spanish tutors have been selected by the heads of the romance language department. Candidates for positions applied Wednesday at 4:00 to Prof. C. E. Young and were appointed according to previous training and ability.

This method of appointing tutors has been in practice for four years and, department instructors state, has proven comparatively satisfactory. Theoretical students in French and Spanish should employ approved tutors only. The price for such individual assistance varies as the instructor chooses. The department does not fix the price for private instruction.

The following list of approved tutors in Spanish and French will be posted on the department bulletin board at the south end of liberal arts building.

Official French Tutors
Luella Anderson 304 S. Summit, 1947; Florence Altman, 121 N. Van Buren Red 115; J. C. Bergman 407 N. Dubuque, Black 947; Philip Busecmi 730 E. Jefferson, Red 2974.

3 SETS OF IOWA-YALE GAME REPORTS TO BE GIVEN THIS AFTERNOON

Three sets of reports of the Iowa-Yale game will be given at different places in Iowa City today, beginning at 1:15 p. m. One of the reports will be read off, another announced by wireless, and the other one will be bulletined and posted.

At Iowa Field the reports will be announced red-hot off the wires, in conjunction with the movements on a miniature diagram of a gridiron. These reports will begin at 1:15, and in case the weather is unfavorable the reports will be given in the armory across the river. The admission will be 50 cents or a year book ticket.

Play by play reports will also be given out by wireless at the east side of the physics building. The station has a powerful voice amplifier, which will insure loud and clear reports. The reports will be free to all who care to come and listen to them.

The Iowa City Press-Citizen will receive reports of the game and will post the reports in their window, beginning at 1:30 p. m.

ANNUAL MEMBERSHIP DRIVE OF THE Y. W. C. A. TO BEGIN OCTOBER 17

The annual drive for Y. W. C. A. members will open Oct. 17. Girls who at some previous time joined the association here will not be solicited. Only freshmen, transfers, and upper class women who desire to join will be called upon by the committee.

"There is no membership fee," Miss Alvida Buck, Y. W. C. A. secretary, emphatically states, in answer to many inquiries. All contributions are voluntary.

What do we mean SERVICE?

Often times the choicest foods will not appeal to you because of the way they are served—a fine cut of meat may become very unappetizing if allowed to turn to lard because of being served on a cold plate—a salad on a warm plate won't get to first base—and these are only a few of the many things that worry Restaurant trade and few of the things we take pains NOT to do.

Our Service is the Service of Serving you.

FRESHMEN RUN IN TRACK MEET TODAY

Tryouts for Varsity Cross Country Team to be Held at 4 O'clock

At 2 o'clock this afternoon in connection with the telegraphic reports of the Yale game, the frosh track aspirants will compete in the freshman track and field meet.

Wilson Will Referee

Karl W. Keppler, varsity quarter miler, will act as starter and Eric C. Wilson, varsity captain-elect, will be referee.

Harriers Will Run

Tryouts for varsity cross country candidates will also be held over a three and one half mile course this afternoon at 4 o'clock.

In the absence of Coach George T. Bresnahan who is with the football team at Yale, George C. Ashton S4 of Lyons, has been taking charge of the varsity and freshman cross country squads.

Tryouts for varsity cross country candidates will also be held over a three and one half mile course this afternoon at 4 o'clock.

NEED MORE MEN FOR SWIMMING AND WATER BASKETBALL TEAMS

In answer to the call of David Armbruster, varsity swimming coach, fifteen men reported for the first swimming practice Thursday night.

"If Iowa is to have a good swimming team, more men must come out for practice," said Coach Armbruster.

Men are also needed for the water basket ball team. Work on this team requires ability to tread water.

COMMERCIAL CLUB TO WELCOME TEAM BACK TO IOWA CITY MONDAY

Win or lose, the Iowa football team will be welcomed back to Iowa City. Yesterday the following telegram was sent to Coach Howard H. Jones by the Iowa City Commercial club:

"The hearts of the people of the great West are beating for the Hawkeyes in their great game with Yale. We know they will give a splendid account of themselves and the great state they represent.

"Iowa City Commercial Club,
"C. Yetter, president,
"D. W. Crum, secretary."

BURNED STAGE COACHES AND HACKS IN DAYS OF '99 TO CELEBRATE VICTORIES

Away back in the good old days of '99, when Iowa won the Western football championship, the celebration of the victory was nothing like what it may be tonight.

Students Burned Vehicles

The more ambitious students, assisted often by men of the town, and by practically all the town tomboys, ransacked the entire town for boxes, barrels, and anything else that would burn—including vehicles standing in the street.

"The demonstrations after the games then were more spectacular and dramatic in fashion than now," said Prof. S. B. Sloan of the department of English.

Prohibited Fires in Street

After bonfires had been staged at Washington and Clinton streets for several years, the property owners refused

to tolerate them any more. It was here that an old stage coach or hack was burned with great ceremony.

Another form of celebration for a football victory was the mass meeting held at Close hall. An account of one of these was given in the Vidette Reporter, the University newspaper of the time, of November 29, 1898.

A similar celebration in '99 was advertised beforehand by green hand bills. Practically every student turned out for this, and the Vidette Reporter remarks that many bruised their hands with applause.

ATTACK OPENED ON COALITION MINISTRY

Lloyd George Staking Political Future on Outcome; Laborites May Seize Control

London, Oct. 13—The fight of the Lloyd George coalition ministry to stay in power was formally begun, while the artillery will be opened up by Lloyd George himself at a speech at Manchester, Saturday.

Chamberlain Leads Attacks

The fact that the first move of the counter attack came from the leader of the Unionist party, Austin Chamberlain, is taken here as indicating that Lloyd George is staking his political future on his chances of holding the coalition together.

Chamberlain's speech as interpreted here, was an attempt to hold the Unionist in line. He declared emphatically that unless the Unionists and the Liberals continued their coalition, the laborites would obtain a majority and seize control of the next government.

Armistice Diverts Opposition

Lloyd George had been forced to act quickly since the attack on his ministry was opened up with force a week ago. At that time the one apparent failure of his Near East policy formed the basis of the assault.

Whether the Unionists will follow Chamberlain's lead and stay within the coalition is still doubtful. Insurgency against such a continuation is growing and there may be strong voices raised against preserving the alliance with the Liberals any longer.

FIRE ON BOARD "CITY OF HONOLULU" CAUSED BY DEFECTIVE WIRING

San Francisco, Cal., Oct. 13—The fire which destroyed the palatial liner, City of Honolulu, and forced her passengers and crew to abandon her in mid-ocean, was caused by defective deck wiring, according to a report wireless to officials of the Los Angeles Steamship Co., by Captain H. R. Lester.

The loss is estimated at more than two million dollars.

Federal steamship inspectors will begin an investigation as soon as officers, passengers and crew of the abandoned vessel arrive here it was announced late Friday.

Every one was safely aboard the Army transport Thomas Friday night, bound for San Francisco and more meagre information about the disaster continued to dribble in from the air. The City of Honolulu is a total loss.

The coast guard Schooner is now in route to the scene of the wreck. Its officers believe she is now worthless, no attempt will be made to tow the vessel into port. Instead she will be dismantled and sent to the bottom so that she may not become a danger to ocean traffic.

LEAVES OF ABSENCE WILL NOT BE GRANTED FOR ILLINOIS GAME

Announcement has been made from the office of Robert E. Rienow, dean of men, that no special leave of absence will be given students who attend the football game with Illinois at Urbana, Saturday, October 21.

NEW "Y" MEMBERS TO MAKE PLEDGES

Y. M. C. A. Will Require Men to Live up to Moral Pledges Agreed to.

"No longer will memberships in the local Y. M. C. A. be obtained in exchange for money alone," said R. L. Fitzgerald, secretary of the Y. M. C. A. yesterday.

In explaining the nature of these pledges, Mr. Fitzgerald stated that the idea prompting such a plan is that every Christian student on the campus wants to stand for things beneficial to the University as a whole.

To draw up such a list, the Y. M. C. A. cabinet has chosen 100 men from the entire student body, all of whom they consider to be fair representatives of the student body, of the social organizations on the campus, of students' religious interests and of the various colleges themselves.

"Every suggestion thus made will be referred to the church members of the student body," said Mr. Fitzgerald. "The things favored by the majority will make up the pledges to which a Y. M. C. A. member must agree this year."

WE MAY CELEBRATE!

There will be a monster celebration tonight in the event of a Hawkeye victory at Yale today. Details will be announced at the reports this afternoon.

ELECTION RULES BAN ADVERTISING

Candidates for Class Offices are Few in Number; Petitions Due Monday

Election day is only five days away and the time set for the presenting of petitions is growing shorter. So far very few petitions have been circulated and since they are due Monday it leaves only three days for the candidates to get the twenty-five signers for their petitions.

Reforms are Instituted

The election committee has put out a signed list of election rules with which all prospective candidates will have to comply. These rules are in accordance with the stand which the committee has taken on certain principles in regard to the coming election.

The statement of the election rules given out by the committee this afternoon is as follows:

- Pursuant with the authority vested in us by the student council, we the undersigned members of the election committee, announce the rules which shall govern the election in the college of liberal arts, Wednesday, October 18.
1. Each candidate shall present a petition signed by at least twenty-five members of his class.
2. Petitions must be presented in

committee Monday, October 16, any time between the hours of 4 to 6 or 7 to 9 in room 13, liberal arts building.
3. A petition must be accompanied by a signed statement from the registrar's office showing candidate is a member in full standing in his class.
4. There shall be no electioneering in the liberal arts building on the afternoon of October 18.
5. All forms of advertising are prohibited. This includes signs, handbills,

placards, Iowan ads, etc.
6. The committee shall refuse to consider and petition where there is evidence of combination or pooling votes.
7. Each petition shall be accompanied by \$1.00 to defray the expenses of printing ballots.
