ALL-UNIVERSITY CHURCH DAY
As Editorial

An All-Year University Church Day as a distinctly student movement which will bond the "university to the whole university," every organization and individual on campus. A little investigation will make it clear that the main defense for one church group on the campus is affecting them the opportunity for a distinctly valuable supplement to their church work. While church attendances are quite voluntary it will be of interest to students to know that approximately one third of the students in the University attended church on Sunday morning, and if one succeeds in bringing the students to church, every two thirds are brought into active participation in church work, that three-fourths of Iowa City were born in Parishes and University Parishes with students who are graduates of the University, are actually seeking to direct their religious progress with references to the same high moral and intellectual values taught by the church.

Final military plans to be used during the war, said Foch, and will be used. By a vote of 15 votes, the board gave its approval to the occupation of a portion of Berlin. IOWA SCHEDULES DUAL GYM MEET

Tumblers Pass Illinois. Texas Here On February 21; Gymnasts Are Next

The gymnasts meet with Illinois here on February 21 is the first dual meet to be held at the University of Iowa. The conference meet was held here six or seven years ago but interest in the sport declined until this year. The conference meet was held more this year than ever before in the sport declined until this year.

The gym team is working out daily with the exception of Captain Torpe, who is recovering from two broken ribs which he received in a fall two weeks ago. He will report next Monday. An invitation was received from the Ohio State Y. M. C. A. for the team to go on exhibition on February 18th, but due to the fact that the team will be on its way to Minneapolis at that time it has to be turned down.

Gymnastics are being emphasized more this year than ever before in the Big Ten conference. This is shown by the fact that the board of managers of athletics has responded to the demand by permitting the gymnastic teams to meet Minnesota at Minneapolis as February 27 and Illini on February 24. The team will also go to the conference meet at Ohio State on March 16 and 17.

Iowa has as many interfraternity matches scheduled as Illinois or Minnesota. Chicago, however, has more, but this is largely due to the location.

DELTS BELLE OR PHI KAPPA SIGS

Chi Kappa Pi, Perfect To Go A. K. R. (Ringling of the Texans)

Delta Tau Delta defeated Phi Kappa Pi yesterday afternoon in basketball at the meet's gymnastics by the score of 19 to 14, and Chi Kappa Pi forfeited to Sigma Phi at Alpha Epsilon Pi in the interfraternity league. Iowa Delta Phi, Phi Kappa Pi, Sigma Chi, Gamma Delta, Phi Delta Theta, Delta Tau Delta, Kappa Delta, Sigma Chi, and Phi Delta Theta each have a team meeting February 24 at Illinois.

THE BERNSHARD SECRET

This was an excellent feature for the half a century or more has been the list of a number of actors and actresses who began their careers in the small Iowa town. In that time there has been one of the few who, at the age of nearly eighty, could still maintain the same kind of character that he had since the day of his first appearance. He was a great actor and a very popular one in the United States, having performed in many successful productions. His work was highly regarded by his contemporaries and his contributions to the world of theater were invaluable.

Zapp Says Story
of "Evangeline"

The story of "Evangeline," written by Washington Irving, is one of the classic works in the genre of American literature.
