PARIS TO GIVE ACTRESS PUBLIC FUNERAL At Expense of City

By Helen Raynor
(United Press Staff Correspondent)
Paris, March 27—The French government has
been invited to finance the public funeral for the
famous actress Sarah Bernhardt, who died in Paris
last night. The funeral will be considered an inte-
gral part of the public entertainment activities
in the city. The government has announced that
it will contribute $50,000 towards the expenses of
the funeral.

Sarah Bernhardt's body will be transported
from her home to the church of St. Michel, where
the funeral service will be held. The service will
include speeches by prominent French politicians
and cultural figures. Bernhardt, who was one of
the most successful actresses in the world, was a
national heroine in France and her death will be
widely mourned.

The funeral will be attended by President
Georges Clemenceau, who was a close friend of
Bernhardt. Other dignitaries expected to attend
include Prime Minister Georges Bonnet, and other
prominent figures in French society.

The body will then be transported to the
Chapelle Expiatoire, where it will remain until the
funeral is over. The funeral will be held on April
15, the day before Bernhardt's birthday.

The funeral service will include a number
of speeches and tributes to the actress, and will
be broadcast live on radio and television. Bernhardt
is expected to be buried in a mausoleum in the
Cimetiere du Montparnasse, where many other
prominent French figures are interred.

The funeral is expected to attract thousands
of people, and the streets around the church and
the cemetery will be closed to traffic. The service
will begin at 11:00 AM and is expected to last for
several hours.

The French government has announced that
it will provide transportation for those who wish
to attend the funeral, and has also announced that
the funeral will be broadcast live on television.

The funeral of Sarah Bernhardt will be a
tribute to one of the most famous actresses in the
world, and will be a major event in the cultural
life of France.

IOWA-RIFLE TEAM FINISHED SECOND

Corvallis, Ore.

The official report of the second place finish of the Iowa rifle team at the Great American Match was taken in at the congressional house.

Iowa's winning by a six point margin in a match in which the possible score was 2088 shows that the entire tournament was a closely contested affair. Greenwood University was the tournament which was completed some weeks ago. The Iowa team will not fire with them in any dual matches.

This record is the best shooting made by an Iowa team since 1903 when the Hawkeye marksmen won the tournament.
