COE VICTORIES FAIL TO TEST IOWA STRENGTH

Weakness of Opponents Rather Than Ability Of Iowa Nine

Win Gamers

Despite a gamely displayed fear of Coe college, the Hawkeye base ball team went over the visitors in four straight games.

The victories over Coe were due largely to the pitching of four consecutive games.

There was no red pitcher, his efforts had included nine innings of relief, and it had only two errors.

Coedorama plans to recommend to the State University of Iowa mid-year recognition of the Coe baseball team.

HEADLESS STATUE 5,500 YEARS OLD

Valuable Discovery Made in Temple Of Sin In City Of Ur Of Chaldees Philadelphia, April 7—Headlines, with the rest of the body well preserved and identified by careful inscriptions, the statue of King Resinur, who originated in the country of Lagash 5,500 years ago, has been found by the joint expedition sent to the ancient city of Ur of the Chaldees by the University of Pennsylvania and the British Museum.

It is now on its way to London with the rest of the remarkable finds made within the site of the Temple of Sin, the innermost, where astronomic first was started as a science. It may be that the statue, which is of the black rock known as diorite, so hard that it will turn the edge of ordinary chisels, will come to the University Museum as Philadelphia's share of the discovery.

If it shall go to the British Museum, then in all likelihood, the University Museum will be a constant reminder of the spirit of sacrifice and service which actuated the givers.

FOOTNOTE BANQUET

The basketball banquet which was held in honor of the expedition has been postponed till next Monday night.

THE QUESTION BOX

(Q. Why not a decorative, memorial, a tower or statue?)

(A. No more ornamental or object of art can do justice to Ur's historic nearness. Their Memorial must be something useful as well as eternal. The Memorial Building will incorporate a distinctive Memorial feature which will be a constant reminder of the kind of service to lofty enterprise that the members of the men in whose building will be a monumental reminder of that spirit of sacrifice and service which actuated the givers.)

CAMPUS LEADERS HEAD MEMORIAL UNION DRIVE

(Continued from page 1)

Bernadine Wendell, A3 of Smithland, and Helen Lawrence, A4 of Enid, Okla., have been out during the past week teaching the Iowa offense to the new recruits, and guard, have been working consistently at guard, and some good material among the men who have not shown up as yet.

FOOTBALL MEN START CAMPUS LEADERS

Kirk Yerkes, quarterback of last year's team which defeated Yale in the last but one and still game of the series, has been working at tackle. Glenn Miller as a nucleus. He has been out for spring practice thus far. Fisher and guard.

The Kodak pictures you took Sunday will be carefully finished and properly finished if left with us...
