THE WATER FRANCHISE

TO THE PEOPLE OF IOWA CITY:

The City Council of Iowa City, has submitted to the voters of Iowa City an ORDI- NANCE granting the Iowa City WATER COMPANY A FRANCHISE. The COUNCIL BELIEVES THIS FRANCHISE FAIR.

Before it was taken on this franchise the Commercial Club of Iowa City had the matter at open debate before its members as did the Engineers' Club, and both organizations, after suggesting changes fair to the City and to the Water Company, recommended this franchise. The Council has made an inde- pendent study of the situation and feels that the City is greatly benefited thereby.

The Code of the Iowa City Council the right to make reasonable rates and the rates now in force were made some years ago by a previous Council. The Council has the right to determine on a service charge and on minimum rates. The rates are not governed by the City, irrespective of ordinance or contract as the law provides, and for that reason are not in the ordinance, but the Council has given consideration to the conditions confronting water companies and departments in cities in Iowa and has had before it for consideration further data and recommendations for the information of the public as reported by the various water companies as follows:

The Scouring Board

Seven days ago our nest was invaded by what, at first glance, we would have considered the most perfect and classic example of a "nest." Actually it was a "Treasure Egg" snatched from a friend a few weeks ago and we placed it in our nest as a sort of "sacred" egg, "just because it was pretty." The eggs were not to be opened...
Dear Friends:

It’s savings we’re emphasizing in our 90th Semi-annual Clearance Sale.

Prices are never figures—they mean nothing by themselves—it’s what they stand for in the quality of the merchandise with which they are associated that counts.

To estimate justly your savings here you must first see the quality, then the low prices attached to the quality. There you have a genuine measure of value—a real estimate of savings. Come and see for yourself.

Today and Saturday are Summer’s Last Call Days at this storm—the wind-up of our successful Clearance Sale. We’ve got prices deep—the quality and prices will speak for themselves.
