Republican Congress Returns

Iowa Goes Solidly G.O.P. as Votes Keep Pouring in

Republican Landslide Bars Democrats from Power

DES MOINES, Nov. 7 (AP)—Iowa's congressional delegation again is solidly republican. Sweeping majorities given in the State for Herbert Hoover and John Hammill also brought substantial leads to the eleven republican candidates for congress, and the vote as reported indicated that Iowa democrats, who have not held a seat in the national house of representatives since 1917, would be barred for another two years. Only an unprecedented reversal by unreported precincts would threaten the margin held by the eight republicans with democratic opposition.

Senator J. Dickinson, "farm bloc" leader, was having walk-away in the tenth district from his only opponent, a socialist, as was W. F. Kopp, first district incumbent. The veteran C. C. Dowell of the seventh district, had completely outdistanced independent and socialist nominees.

Haugen Leads Gilbert N. Haugen, who from the fourth district has sponsored the McNary-Haugen farm reffer bills in the house, had a comfortable margin. Others whose election beyond all doubt included F. D. Letts, second district; T. J. B. Robinson, third; Cyrus Cole, fourth, and Lloyd Thurston, eighth.

Two new Iowa congressmen—Charles E. Swanson of Council Bluffs, ninth district, and Ed H. Campbell of Battle Creek, eleventh district—had wide margins over their democratic opponents. Republican victories also extended down through the state offices, as well as the congressional posts and most of the seats in the state legislature.

Independents Fare Poorly Without exception, available returns gave the republican majorities for the state ticket below governor at approximately two to one. Independent candidates fared poorly, and the socialist ticket reached its high peak in the gubernatorial contest, where Howard Rose, received 293 votes. Howard Rand, farmer-labor candidate for governor, polled 335 votes.

When 1,592 of 2,450 Iowa precincts had been tabulated, the vote for the \$10,000,000 road bond issue stood for the issue, 333,225; against, 160,677.

The Gilchrist amendment, proposing to limit senators to one from each Iowa county, was shown to have been carried by more than two to one when 1,199 precincts had been counted. The vote stood for the amendment, 209,297; against the 34,828.

Democrats Split, Believes Thomas

NEW YORK, Nov. 7 (AP)—Norman Thomas, socialist candidate for president, today viewed the overwhelming republican victory as a "long step" toward the disintegration of the democratic party and the rise of the socialist as the principal party of opposition.

Thomas said the socialist vote here exceeded expectations and indicated increasing strength. He received 48,179 votes in the city. The party's national headquarters had no figures on the voting elsewhere.

"I don't think Governor Smith was defeated by the religious or any other one issue," the socialist candidate said. "It was a complex of force. Regardless of his religion or Tammany hall, he would have lost."

"From the observations on my stumping tour of the country, the democrats were badly organized and split internally. That, in my opinion, was a bigger factor in the defeat than religion, although this issue did play a part."

"The wet and dry issue, of course, also entered into it. "I look upon this as preceding the disintegration of the democratic party a political realignment upon clear-cut issues. I expect the socialist party to rise as the new party of opposition."

Markets Make Big Jump After Election Returns

NEW YORK, Nov. 7 (AP)—The biggest "bull" session in history today signalled the beginning of what will here after be known as the "Hoover market" in Wall street. An avalanche of buying orders, almost as impressive as the landslide of votes which carried the republican national ticket to victory in yesterday's election, lifted scores of stocks \$1 to \$15.50 a share. Some of the gains were cut down and a few representative issues, such as general motors and U. S. Steel common closed fractionally lower, but final quotations generally were around the highest of the day.

Total sales of 4,891,200 shares have exceeded only by the record-breaking session of June 12 when 5,193,600 shares changed hands in a declining market. The market bounded upward from the opening. Curtiss Aeroplane, one of the first to sell, opened with a gain of \$10 a share. Then came blocks of 5,000 to 20,000 assorted oil shares, 15 of which established new high records for the year during the day. Public utilities, which were brought into the political limelight by the development of the power question as a national issue, also changed hands in tremendous volume at rising prices.

Hoover Gets 444 Electoral Votes

By D. FIELD BRITTE (Associated Press Staff Writer) Closing tabulations of Tuesday's elections have continued to reinforce the tremendous popular vote by which Herbert Hoover and Charles Curtis have amassed majorities in states having 44 electoral units and Alfred H. Smith and Joe T. Robinson having only 87.

The late returns have served only to emphasize the immensity of the republican sweep that embraced the entire west and most of the east and also extended into four traditionally democratic states of the South—Virginia, North Carolina, Florida and Texas.

With less than a scattered quarter of the nation's precincts remaining uncounted, the Hoover majorities have rolled up in 40 states. Smith held the lead in eight others, six of them in the south and two in the east—Massachusetts and Rhode Island. Only Alabama, Georgia, South Carolina, Mississippi, Arkansas and Louisiana in Dixie remained definitely under the democratic banner.

When more than three quarters of the popular vote had been counted to a total exceeding 30,000,000, Hoover was pulling away from Smith with a margin of approximately 5,000,000. By the same mandate with which it selected a republican for president, the electorate likewise increased the party's majorities in the two houses of congress and gave republicans a lead in most of the 34 gubernatorial contests.

Anti-Evolution Bill Added to Statutes of Arkansas State

LITTLE ROCK, Ark., Nov. 7 (AP)—An anti-evolution bill that squeezed through one house of the state legislature two years ago by a vote of one but was killed in the senate, appeared tonight to have been added to Arkansas statutes by a referendum vote in yesterday's election.

Returns from 75 of the 2018 precincts in the state, which included most of the cities, showed 36,689 for and 25,459 against passage of the act.

Under the measure which would become a law immediately upon certification of official returns to the secretary of state, the teaching that man "ascended or descended from a lower order of animals" would be prohibited in state schools, including the state university.

WHO to Lose Channel Sunday

DES MOINES, Nov. 7 (AP)—Unless the federal radio commission withdraws its refusal to grant a full time clear channel to station WHO before Sunday, Iowa radio stations will be deprived of chain programs and WHO and WOC will share their broadcasting time, beginning Sunday, Gerard S. Nollen, president of the Bankers' Life company, announced tonight.

"Although we have not yet given up all hope of being able to broadcast chain programs, the present situation indicates that we will have to begin, at least, to share time with WOC," Nollen said.

Under a temporary arrangement, WOC will broadcast during all the even-numbered hours next week and WHO will have all the odd-number hours. Before the week is over, however, officials of the two stations will meet to consider the merits of the time division and to decide on a permanent basis. If the radio commission will have definitely denied the plea of WHO by that time, Nollen declared.

Johnson County Votes for Smith With 672 Margin

Democrats Win Most Tickets; Hammill Beats Housel

By VIRGIL L. LEWIS Although voters in Johnson county precincts outside Iowa City, gave Governor Smith a substantial lead over Hoover, as well as putting the entire democratic ticket ahead of the republican, the heavy voting in the five Iowa City precincts changed results to such an extent that Smith's lead for the county totaled only 672.

With the exception of the defeat of Martin J. McGovern for coroner, the entire democratic ticket was conceded victory, with unofficial returns from all precincts yesterday. County Attorney C. B. Russell, republican, seeking reelection with F. E. Olsen, democrat, as opponent, gave up hopes as the last city precincts filed returns yesterday. While they gave him a substantial boost, they failed to tear down the heavy lead taken by Olsen in the rural precincts. Olsen's majority was 202.

Evans on Bench The only local upset came in the lead given Governor Hammill over Housel and the election of Judge H. D. Evans to the district bench. Johnson county voters two years ago rejected Hammill and were expected to take similar action at the polls this year, mostly because of his action in appointing Evans Judge last spring against the wishes of the county bar association.

Commonly known as the "rock-bound county" for Iowa democrats, Johnson county proved itself even more so at the polls Tuesday. With the rejection of County Attorney Russell and retention of Coroner Marech with only a small majority, the voters showed themselves still loyal to their party.

Samuel D. Whiting, democrat, fulfilled his prophecy of two years ago when he told the legislature at Des Moines that he liked the place and would come back two years later. He polled 7425 votes against 6,425 given Nagle. The contest between these men for representative of the forty-first Iowa district was settled two years ago only after a recount and special vote by the legislature.

Fifth Ward for Al The fifth ward of Iowa City swung a strong support to the democratic nominee for president, giving him 3,396 votes, while Hoover garnered but 1,188.

While the colorful governor of New York state, champion of a last cause, was watching state after state in the solid south go from the democratic columns to the republican the third ward voters of Iowa City were standing by their party and throwing a good majority to their party leader. Smith took this ward by more than 3-1, the final count being, Smith, 750, Hoover, 318.

All three democratic candidates for the board of supervisors were elected. Frank L. Smith, democratic sheriff, opposed by J. S. Martin, republican, was elected by a fair majority. His heavy lead from the county precincts was lowered by the republican vote in the city.

Although they gave their local candidate, Dr. F. C. Thzall, democrat, a lead of 709 over F. E. Letts, republican, of Davenport, for congress from the second Iowa district, the Iowa City and Johnson county voters had to watch their favorite go down to defeat as the other counties poured in their republican majorities. In the district, Thzall received 36,346 votes, while Letts polled a total of 42,113.

Anonymous Letter Tells Knaak Death

LAKE BLUFFS, Ill., Nov. 7 (AP)—The baffling circumstances of Miss Elfrida Knaak's death last week were unchanged today, although State's Attorney A. V. Smith had received a letter from an anonymous author who confessed his hypnotic power over the young woman had forced her to sacrifice herself in the furnace of the Lake Bluff village hall.

The letter-writer, who claimed he was a friend of the young woman, said he had prevailed upon her of her secret love for Charles Hitchcock, Lake Bluff actor, teacher and policeman. The anonymous self-sacrificing slayer either was with Miss Knaak when she burned herself or else has an unusual imagination, the state's attorney said. He is attempting to trace the origin of the letter, mailed in Chicago.

An inquest into the girl's death is set for Saturday.

Mt. Etna Pours Out Deadly Lava Flow

CATANIA, Sicily, Nov. 7 (AP)—Eye witnesses of the molten torrents flowing out of Mt. Etna describe the spectacle as so awful it can only be compared with devastating offenses of the World war. The steadily flowing stream had invaded trees and houses and literally eaten them up.

Maintaining a rate of more than 100 yards an hour the lava is consuming like a hungry monster, the most fertile and most intensively cultivated land in Sicily. People continue to flee the advancing fire.

HOOVER AND FAMILY LISTENING TO RETURNS

Calmly, as if no momentous question were in the balance, Herbert Hoover, his wife and his children sit on their lawn at Palo Alto, Cal., and receive election returns. Standing, Herbert, jr., Mrs. Herbert jr., Allen. Seated, Mr. Hoover and Mrs. Hoover, holding little Peggy Hoover. This picture was rushed to midwest over telephone wires.

Fall Enrollment Breaks Record

Campus, Non-Campus Students Number Over 6,700 Shattering the first semester enrollment record set last year, a total of 6,713 students, including campus and non-campus registrants, are receiving instruction in University of Iowa courses this semester, according to figures released yesterday from the office of H. C. Dorcas, registrar.

This figure is an increase of 4.2 per cent over the number enrolled for the first semester of 1927-28. At present there are 5,754 campus students, and 959 non-campus registrants.

An increase of 271 students over the number last fall is recorded by the registrar's office. The 1927 figures were 5,543 students actually on the campus, and 899 enrolled for courses through the extension division, which sponsors correspondence work.

Since June 1, which marks both terms of the summer session, as well as the first semester are included, 9,164 students have enrolled in the university. Growth of the institution is revealed by the fact that this number is within 39 of the figure for the period from June 1, 1927, to June 1, 1928. The university's enrollment for those twelve months was 9,203.

Supposed Gangman Killed

PHILADELPHIA, Nov. 7 (AP)—William Dennis, said by police to be associated with gangland activities, fell tonight before the guns of five men. Doctors who despaired of his life at a hospital where he was taken, said eleven bullets had pierced his body.

Max Kane, Arctic Explorer, Returns After Five Months' Absence in North

Mrs. Elizabeth Kane, 211 E. Davenport street, received a telegram from her son, Max Kane, who is now working for the Canadian government, saying that he would be home today.

Mr. Kane has been absent since June when he and three other University of Iowa students, left in an attempt to reach the Arctic circle in two 17-foot canoes. The other members of the party have returned and are now attending the university. Mr. Kane remained to go on an expedition with the Canadian government men.

The other members of the party were: John Fuller, M4 of Keokuk; Gordon C. Armstrong, E4 of Britt, and Peter Boddum, L1 of Crystal Lake.

They were reported lost in the north at one time this summer and a search by the Canadian mounted police showed the boys were progressing on their trip on scheduled time. Their supplies were not in

Smith Declares End to Stormy Political Career

NEW YORK, Nov. 7 (AP)—Alfred E. Smith has declared his stormy and tempestuous political career at an end—just short of its highest goal. He announced today he had fought his last political battle and that from now on "as a high private in the ranks of American citizens," he would be a spectator from the side lines.

"I certainly do not expect ever to run for public office again," he said. "I have given a quarter of a century of probably the best of my life to it. I will never lose my interest in public affairs—that is a sure thing. But as far as running for office again is concerned—that's finished."

The governor made this statement at a press conference in his suite at the Biltmore hotel during the afternoon in reply to a question by one of the correspondents.

"Tomorrow he expects to leave for Albany and then take a brief rest before winding up his duties as New York's executive."

Dad's Day Officers to Consider Means of Enlarging Crowd

R. H. Fitzgerald, director of Iowa Union, Amos Sargent of Cedar Rapids, G. M. Woodruff of Mason City, and T. P. Harrington of Algona, officers for the Dad's day program, will meet at Waterloo today. The program will be discussed from the standpoint of the dads.

They will consider the question of obtaining county lists of all dads and will organize the dads in districts. The purpose of this plan is to provide a means to get a larger number of dads here, to give the dads a closer and more vital connection with the university, and to give the university an opportunity to benefit from the instructive suggestions of the dads.

Jessup to Open National Meeting

State University Board Leaders Convene Nov. 16, 17 Pres. Walter A. Jessup will be the first speaker on the program of the national convention of American State University Governing Boards at Iowa City Nov. 16 and 17.

Opening the program Nov. 16 at 2 p.m. in the senate chamber of Old Capitol, President Jessup will give an address on "The Iowa Plan of Higher Education Administration."

The question "Should Junior Colleges be State or Local Institutions?" will be presented by George C. Willson, University of Missouri. Discussion will be led by David E. Ross of Purdue university.

Phillip Jackson, University of Oregon, will talk on "The Method of Organizing and Effectively Presenting Budgets to the State Legislature." Mrs. Miller of the Utah Agricultural college will direct the discussion.

John Callahan, University of Wisconsin, will lead an informal question box at 8 p.m. Nov. 16 in the senate chamber.

Delegates will tour the Iowa campus from 9 to 11 a.m. Nov. 17. Reports of committees and the election of officers will be held in Old Capitol at 11 a.m.

Following this there will be two final talks. A. J. Wiechardt, consulting engineer at Philadelphia, Penn., will speak on the question, "Are Engineering Graduates Educated?" A survey of land grant colleges will be presented by D. W. Stringer, secretary of the association.

Delegates will attend the Iowa-Wisconsin game.

Lampe Aids New Religious Project

M. Willard Lampe, head of the school of religion, took part last week in a series of conferences at Los Angeles on the organization of a university religious conference at the University of California, which is located at Los Angeles.

The plan of the project is similar in its underlying principles to the school of religion at the University of Iowa. Catholics, Jews, and Protestants participated.

While the California religious conference is not an integral part of the university, it functions in the closest cooperation with the school.

Scope Broader The California school is broader in scope than the Iowa school. It includes voluntary religious activities as well as courses of instruction.

Get the Cowbells; Team Leaves 2:45

Iowa spirit, silent for the last five days, except for intermittent mutterings, will once more break into voice when the Iowa pepsters will meet in front of Old Capitol today to roar a last tribute to the Iowa eleven which will embark for Columbus this afternoon at 2:43 o'clock.

The pep meeting will open at 2 o'clock this afternoon on the campus in front of Old Capitol. From there it will move to the Rock Island station to give the Hawkeye griders a rousing send-off for their game with Ohio State, Saturday.

The band will lead the procession to the station where special coaches will be waiting to take the Iowa football team to Columbus and the decisive battle of the Big Ten. Cheerleaders will be present to lend their hands to the occasion.

Kenneth Dunlop Lists Events on Legion Program

Colonel Mumma Will Deliver Address of Dedication Kenneth M. Dunlop, commander of the Roy L. Chopek post of the American legion has announced the program which will be given at the banquet in the large ballroom of the building at 6 p.m., Nov. 12.

The toastmaster will be Charles M. Dutcher. The invocation will be given by the Rev. Harry S. Longley, chaplain of the post. The audience will sing "America," followed by addresses by Prof. Rollin M. Perkins, president of the chamber of commerce, Mrs. O. H. Allbee, of Marshalltown, state president of the American legion auxiliary, Harry D. Bréene, and Capt. Will J. Hayek of the national guard unit. Mrs. F. B. Whinery will play a harp solo. The dedication address will be delivered by Col. Morton C. Mumma of Des Moines.

Commander Dunlop will close the address. Gifts and trophies to the American legion will be presented formally at the close of the banquet. Then the audience will sing "The Star-Spangled Banner."

The dance, which will be on three floors of the building, will begin at 9 p.m. The officers have requested that those who intend to come for the dance and not the banquet come at about 9 p.m. that the large ballroom may be cleared with the most speed and convenience after the banquet.

Tickets for the dance are to be sold by men in each of the four Iowa City banks: J. E. Gatens of the First National bank; M. E. Taylor of the Johnson County Savings bank; E. B. Raymond of the Iowa City Savings bank; and Vera Miller of the Citizens Savings and Trust company. W. B. Gipple is chairman of the ticket sales committee.

Negro Elected to House

A republican Negro, Oscar De Priest, was elected to the house to fill the vacancy caused by the death of Martin Madden, republican stalwart chairman of the appropriations committee. The returns left the result of the battle between Representative Beck, former solicitor general, and his democratic opponent in doubt with the possibility that an official count will be necessary to determine the victor.

All of the 11 republican senators seeking reelection were elected or were safely in the lead. They were Reed of Pennsylvania; Johnson of California; Greene of Vermont; LaFollette of Wisconsin; Vandenberg of Michigan; Fess of Ohio; Robinson of Indiana; Frazier of North Dakota; Cutting of New Mexico, and Thomas of Idaho, who were re-elected, and Howell of Nebraska, who was well ahead of his democratic opponent.

Two republican candidates were elected to fill republican seats—Frederick C. Ealcott to the seat of Senator McLean, retired, and Otis F. Glenn to the seat of Frank L. Smith, who resigned after the senate election was decided.

On the democratic side the elections returned to office Walsh of Massachusetts; Swanson of Virginia; Stephens of Mississippi; McKellar of Tennessee; King of Utah; Pittman of Nevada; Wheeler of Montana and Copeland of New York, but overturned Bayard of Delaware; Bruce of Maryland; Gerry of Rhode Island; Edwards of New Jersey, and Kendrick of Wyoming.

Neely Slightly Behind Trammell of Florida and Ashurst of Arizona appeared to have a safe edge on their republican opponents. Dill of Washington was out in the lead but Neely of West Virginia was running slightly behind.

The democratic seats of Senator Reed of Missouri and Lecher of Ohio went to republicans, the latter to be filled by the veteran senate and house member, Theodore E. Burton. Senator Shipstead of Minnesota, the lone farmer labor member, was re-elected.

All the republican house leaders were re-elected including Tilson of Connecticut, Snell of New York, and Wood of Indiana.

The house also increased its feminine membership by three. The present women members, Mrs. Kahn of California; Mrs. Rogers of Massachusetts; and Mrs. Langley of Kentucky; republicans, and Mrs. Norton of New Jersey, were given companions in Mrs. Ruth Hanna McCormick of Illinois; Mrs. Ruth Pratt of New York; republicans, and Mrs. Ruth Bryan Owen of Florida, democrat.

Hoover to Have Senate Majority on Inauguration

Independents Survive Intact; Republicans Gain in House

By RAYMOND Z. HENLE (Associated Press Staff Writer) A congress with a healthy republican working majority has been elected for Herbert Hoover to deal with.

The party in power has increased its slender plurality in the senate and although the independent wing is still intact, a number of its members will return to Washington with the record of having solicited the election of Hoover.

While the gain in republican strength in the senate has given the party increased prestige there, the house has seen enough of its democratic members overturned so that the already substantial republican working majority promises to increase itself.

As compared with the present party alignment in the senate of 47 republicans, 46 democrats, one farmer laborite and two vacancies, the new voting strength on the basis of present returns stands 54 republicans, 40 democrats, one farmer laborite and one vacancy. This arrangement may be shifted one way or the other when Tuesday's election results are known definitely.

Brookhart for Hoover The independent wing of the republican party in the senate has emerged from yesterday's election intact. However, Borah of Idaho, Brookhart of Iowa, and Nye andrazier of North Dakota, who have voted with the democrats upon occasions, worked for the election of Hoover. On the other hand, two republican members of the group—Brookhart of Nebraska, and Blaine of Wisconsin—worked against him in favor of Governor Smith.

In many respects the most interesting phase of the congressional elections showed itself in the balloting for house members. In addition to seeing the election of the first Negro to membership in the house in many years, the election disclosed a general willingness of the people to stand by their party so far as the election of house members was concerned.

This condition was general throughout the country except along the border lines—especially in Kentucky—where the largest number of democratic upsets followed in the wake of the Hoover piling. In Kentucky six republicans defeated democratic incumbents and in Virginia at least two democratic congressmen were voted out of office.

Rutherford, Van Voorst Announce Secret Marriage at Union Dinner

The secret marriage of Bernice D. Rutherford, A4 of Kansas City, Mo., and George Van Voorst of Union Hill, Ill., was announced at a formal dinner at the Iowa Union last evening. Members of Mortar Board were invited.

The 14 guests were seated at a long table centered with a wedding bouquet of white roses and lilies of the valley. At each end of the table were placed long white tapers tied with yellow ribbons. The announcement of the marriage was revealed during the dinner course in small white rose buds carrying the names of the couple and the date of the wedding, which took place on Sept. 15 in Illinois.

Following the dinner the guests were entertained at a theater party in the studio theater, where they saw "Ten Nights in a Barroom."

Mrs. Van Voorst attended the University of Missouri during her freshman year. Since enrolling here she has been prominent in campus activities. She is now treasurer of Mortar Board, president of Sigma Delta Phi, honorary women's forensics fraternity, secretary of Woman's association, a member of Octave Thonet, and a member of the 1927 and 1928 women's debate team.

Mr. Van Voorst who is now managing the Chicago office of the Rutherford Chile company of Kansas City, Mo., was a former student at the university. While here he was affiliated with Alpha Tau Omega, and was a member of the 1927 varsity football squad.

The couple will make their home in Chicago following Mrs. Van Voorst's graduation in June.

Dec. 5, was the date set for the annual Eel-Seal swimming revue at the field house pool, following a dinner and meeting of the Dolphin club, men's honorary swimming fraternity, at Iowa Union last night. No plan of program or types of events for the revue was made, pending a meeting of the women's swimming club.

Kappa Delta Gives Party for Visiting National Inspector

One hundred guests were entertained at a tea at the Kappa Delta house from 3 to 5 p.m. yesterday in honor of Thelma Chisholm of Seattle, Wash. Miss Chisholm is assistant national inspector of Kappa Delta sorority.

Decorations for the tea tables were in the sorority colors of green and white. Mrs. I. A. Opstad and Mrs. B. E. Manville, patronesses, presided at the tea tables.

Miss Chisholm arrived last Sunday and will remain until the coming Sunday when she will go to Cedar Rapids to be the guest of the Coe college chapter of Kappa Delta.

Hoover Gamblers Win; Losers Fete Altrusa Members

The Hoover victory settled an election bet among Altrusa club members with the result that the republican members of the club will be guests of the democrats at a theater party next week. The opposition was well balanced, 11 of the 21 women being for Hoover and the other 10 for Smith. It was agreed at the luncheon meetings held at the Jefferson hotel yesterday noon that the bet should be paid next week.

During the business meeting a resolution was passed to extend an invitation to the state organization of Altrusa clubs to meet at Iowa City next year.

Church Organizations

Members of the ladies aid society of the Methodist church of North Liberty had an all-day meeting in the church parlors yesterday. A dinner was served at noon.

Mrs. J. W. Robbins, 104 Muscatine avenue, was hostess to the members of the missionary society of the Baptist church yesterday at 2:30 p.m. Assisting her as hostess was Mrs. Adele L. Dunkerton.

The woman's auxiliary of the Trinity church met yesterday afternoon at the parish house. Following an address by the Rev. H. V. Longley, a social hour followed with refreshments.

The woman's foreign missionary society of the Methodist church met with Mrs. Charles Dutcher, Mrs. L. A. Opstad conducted the meeting.

The Plymouth circle of the Congregational church will entertain the woman's auxiliary of the church at a luncheon today at 1 o'clock at the home of Mrs. W. R. Hobbins, Rikeewood drive.

Mrs. J. D. Boyd, Mrs. William Bauer, and Mrs. L. S. Walters are in charge of the arrangements.

Thirty-five Attend Biological Meeting

About 35 persons attended the twelfth meeting of the society for Experimental Biology and Medicine which was held at 7:30 p. m. yesterday in room 205, zoology building. Five papers were presented, with discussions following each.

Dr. Genevieve Stearns and G. Clinton Knowlton, from the department of pediatrics, gave a paper on "Nitrogen retention of diabetic children." J. D. Boyd, assistant professor in the pediatrics department, discussed "Endogenous Rickettsia." "Histolytic influence of atrophy of gills of anurans during metamorphosis, with special reference to resistance of fore-limb integument" was presented by E. Van Der Jact, graduate assistant in zoology. He illustrated his talk with slides.

W. F. Wenner and E. W. Blanchard of the zoology department, read a paper on "The effect of intravenous injections of alkali upon the physiological action of curare."

H. Craig Smith, instructor in biochemistry, discussed the proceedings of the society for the experimental biology and medicine.

"The influence of wheat germ oil on fertility of rats fed fat free rations," Amy L. Daniels and Dorothy P. Jordan, child welfare and nutrition.

"The effect of changes in hydrogen-ion concentration of the blood upon reflex time," by W. F. Wenner and A. B. Taylor, zoology.

"Aspects of mineral nutrient balance as related to sap hyaluron concentration," by W. F. Loehwing, botany.

N. Carolina Turns to Republican Party

CHARLOTTE, N. C., Nov. 7 (AP)—Together with having turned from its normally democratic stand to give its 12 electoral votes to Herbert Hoover, North Carolina appeared likely on the basis of returns tonight to have one or more republican representatives in congress for the first time in sixteen years.

The lead of the republican presidential candidate—over Governor Smith was slightly more than 10,000 with 1,365 out of 1,735 precincts reported.

Chemistry Teachers Attend Convention

Three members of the chemistry department will attend the state teachers' convention to be held in Des Moines today and tomorrow.

Prof. Edward Bartow, head of the chemistry department, James N. Pearce, professor of physical chemistry, and Lemuel C. Raiford, professor of organic chemistry will attend.

Jones Returns to Home From Hospital

Lorenzo Jones, assistant dean of men, was moved from Mercy hospital to his home on Lusk avenue last night. Mr. Jones sustained a serious fracture of the skull when he was hit by an auto on state highway No. 32 west of the hospital last week. He was immediately taken to the hospital. His condition is much improved.

Actress Accepts Heritage of Role

The role of Little Mary in "Ten Nights in a Barroom" is a heritage in the family of Rose Phillips. Al of Davenport, who plays the part in the studio theater production now being given. The touching character of the drunkard's daughter was professionally interpreted by her grandmother and by her mother. "A long time ago," reports Rose, "when they were just about my age."

Theatrical talent flourishes on both sides of the family. Her grandfather, Mr. Bertell of Davenport, owns and operates a stock company in Davenport in the winter and in Indianapolis in the summer. Her father, an actor, has traveled with several stock companies.

Both her grandmother and her mother acted professionally for several years. Rose intends to desert the family traditions and major in journalism.

Kappa Delta House Gets Box of Candy

Announcement was made at the Kappa Delta house last evening of the engagement of Della Voltmer, 43 of Galva, to Glen Masters, of Sioux City. The engagement was announced with a five pound box of candy at the dinner table.

Miss Voltmer is a member of Kappa Delta sorority. Masters is a student at Morningside college at Sioux City.

Democrats Win Some

NEW YORK, Nov. 7 (AP)—Leaders of the empire state democracy found some small consolation today when it became evident that they had elected their candidates for governor, U. S. senator, lieutenant governor, and comptroller, although Gov. Alfred E. Smith, presidential nominee of the party lost the state's 45 electoral votes to Herbert Hoover by approximately 100,000 votes.

W.A.A. Board Plans Features

All-Sports Dinner to Take Place in November

An all-sports dinner, an initiation party, a three intramural swimming meets, and a spring play day, were planned by the W.A.A. executive board at its regular meeting last night.

Nov. 27 was the date set for the all-sports dinner to be held this year instead of the hockey, volleyball, and intramural banquets. Nov. 21 will be the day of the initiation party.

Swimming Meets Held

Two preliminary swimming meets and a final swim will be held by the intramural teams Dec. 10, 11, and 12. Teams are to have three novice and three advanced swimmers. The novice qualification is the same for this as the other meets; not to have been a point winner in a university meet.

Mary Lingenfelter Resigns

The resignation of Mary Lingenfelter, 43 of Des Moines, as golf head was accepted and the election of a new head postponed until spring. Miss Lingenfelter's withdrawal was because of ill health.

Eloise Douglass, 44 of West Branch, was unanimously elected head of canoeing for the coming season. Maxine Humeston, 44 of Iowa City, was appointed editor for contributions requested by "The Sports-woman," a women's sports magazine published at Bryn Mawr, Pa.

No Holiday Cuts Warn Authorities

In accordance with the university ruling, no cuts will be allowed in classes meeting for the first time before or the first time after the holiday, Monday.

With the game at Ohio Saturday and no classes until Tuesday morning, many students will leave the city for the week-end without an excuse from either the instructor or the dean; all those cutting classes will lose one hour credit for each class cut.

Iowa Dames Club Lists 22 Initiates

Twenty-two new members were initiated into the Iowa Dames club yesterday evening at Red Ball inn. Initiation ceremonies were held at 6 p. m. Following the initiation more than 60 members were entertained at a banquet and a dance in which their husbands participated.

New members are: Mrs. V. A. Pinkerton; Mrs. P. H. Siegert; Mrs. H. O. Parry; Mrs. H. R. Anderson; Mrs. W. D. Cole; Mrs. Mayes McLain; Mrs. Laury Johnson; Mrs. P. J. Olson and Mrs. Russell Washburn.

Mrs. F. L. Howard; Mrs. Melvin Payne; Mrs. Tracy Peppers; Mrs. Edward Boyle; Mrs. Ralph Bates; Mrs. G. W. Foard; Mrs. J. W. Covett; Mrs. K. W. Fushien; Mrs. Louis Ten; Mrs. P. H. Giddens; Mrs. Frank Phillips; Mrs. J. L. Martinson; and Mrs. R. W. Lewis.

Mrs. C. L. Albright presided as toastmistress at the banquet. Toasts included "Dawning" by Mrs. H. O. Parry; "Awakening" by Mrs. Roy Brown; "Midday" by Mrs. Clare H. Post; and "Eventide" by Mrs. R. H. Foster. Harry Boyd's orchestra played for the dancing.

Art Club Designs Purses for Money

Designs for leather coin purses and bill folds were made by members of the Art club at a meeting held yesterday at 7:30 p. m. in the design room of the physics building. The designs will be executed in leather at the next meeting. Twenty members were present.

Bus Crashes; 3 Killed

STERLING, Ill., Nov. 7 (AP)—Three men were killed today when a motor bus, bound for Chicago from Omaha, crashed into a light coupe on the Lincoln highway east of here.

Yoder Speaks to "Y" on Campaign

Prof. Dale Yoder will speak at the finance campaign luncheon of the Y.M.C.A. and Y.W.C.A. which will be held on the sun porch of the Iowa Union this noon.

Ruth Elkenberry, 44 of Chariton, will preside. Results will be reported to team captains by workers present and totals will be checked.

A second noon luncheon will be held tomorrow and will close the finance drive.

Iowa Gridders Entrain for Ohio Battle With Hopes of Victory

Crowd of 80,000 Spurs Hawkeyes to Prove Worth
Ingwersen Takes 28 Men to Crucial Big Ten Tilt

Determined to beat Ohio and gain the undisputed lead in the Big Ten race, the Hawkeyes yesterday went through their last hard workout before the big test Saturday on a water-logged gridiron. That the men sense the importance of the football classic which will be enacted at Columbus before a crowd of 80,000, is easily apparent by their actions on the field. They are eager to meet this widely heralded squad of Buckeyes who have won three conference victories and held the Princeton Tiger to a draw.

Coach Burton A. Ingwersen sent his men through a long offensive drill, rehearsing the plays which have accomplished victories over Chicago and Minnesota, and trying out a few new teasers with which the Bucks may have trouble. Iowa is expected to unleash an aerial attack on Ohio, believing that the type of game for which the Buckeyes are famous may gain many yards. "Bill" Glasgow and "Bullet" Armlie have been tossing passes all week in an accurate manner, and the ends and backs have tucked them in for long gains.

Schlesner Kept Out
 In last night's drill the Hawkeye coach used his first string line with the exception of Schlesner who is bothered by a stiff neck. Nevertheless, the big tackle will be ready to go against Ohio in the same manner that has made him one of the outstanding tackles in the conference. Benjamin worked in place of Schlesner.

In the backfield Armlie called signals, Thomas did the blocking in place of Farroh, who has been layed up all week with an injured neck and may not start Saturday. Glasgow and Pape alternated at chasing around the ends, and McLain, the happy warrior, blocked, carried the ball, and conducted himself in such a fashion that Ohio can well plan a defense for the big boy. Jensvold and Haggerty also came in for their share of attention.

Reserves Practice
 The third team was used against the varsity in scrimmage and was unable to hold the hard charging boys who have but one ambition and that is "Beat Ohio."

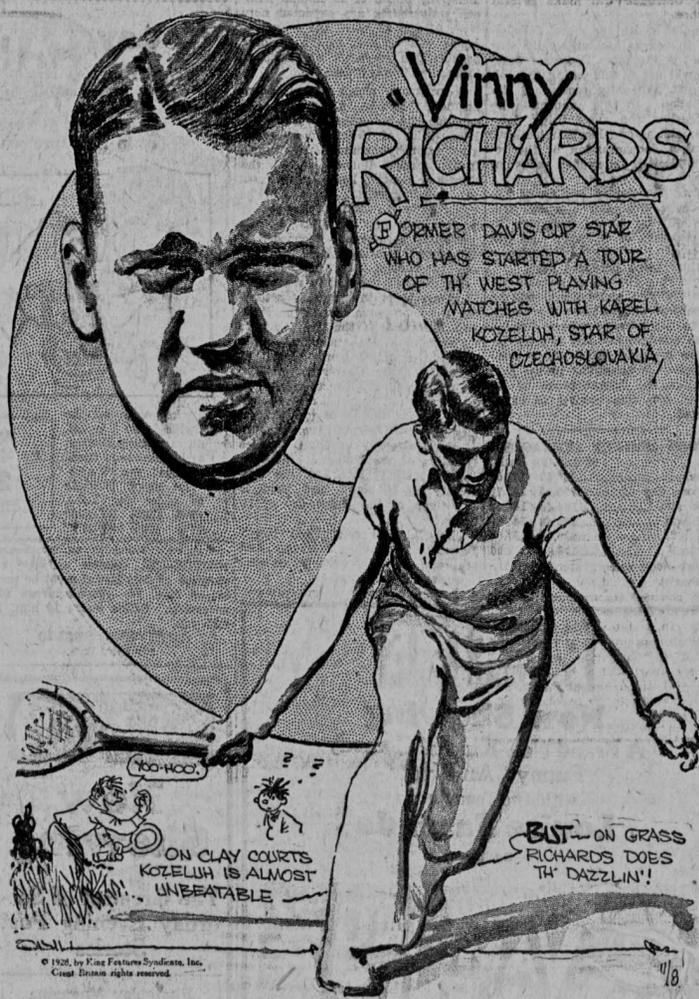

While the varsity strutted its stuff, the team that will face the Notre Dame reserves went through a long signal drill. The Irish are certain to bring a strong team to Iowa City and the stay-at-homes will be afforded an opportunity of seeing some real football while getting reports from the Ohio camp.

Iowa will leave for Ohio at 2:45 o'clock this afternoon. The following men are making the trip: Backs—Armlie, Farroh, E. Nelson, Glasgow, Haggerty, Leo Jensvold, McLain, Pape, Thomas, Schmidt; Line—Brown, Carlson, Ely, Furman, Grimm, Jessen, Mastrogany, Moore, Meyers, Reedquist, Roberts, Schlesner, Westra, Magnussen, Benjamin, Wilcox, Kelsch, and Cooley.

Arkansas Declines to Enter Valley Circuit

DES MOINES, Nov. 6 (AP)—Dr. L. S. Ross, secretary of the Missouri Valley conference, today confirmed a report that Arkansas university has declined an invitation to enter the Missouri Valley conference. Dr. Ross stated that he had been informed that Arkansas's relations with the Southwestern conference were cordial and that that school preferred to affiliate with the Southwestern circuit.

Iowa Fans in Ohio Take 300 Tickets

Three hundred tickets for the Iowa-Ohio State football game at Columbus Saturday have been sold to University of Iowa fans, it was announced from the department of athletics.

Mail orders from Hawkeye alumni in Ohio took the majority of the tickets. Special plans are being made by the Iowa graduates in Columbus to attend the game.

Cross-Country Squad to Get Easy Workout

Easy workouts have been scheduled by George F. Bresnahan for the Iowa cross-country squad for the remainder of the week. The squad seems to be in top shape now, and only slight work is required to keep them on edge until Nov. 17, when Wisconsin comes here.

Kelly, sophomore star, is still bothered somewhat with the knee injury received in a recent auto accident, but outside of this one minor injury the Iowa team of sophomores has kept away from the bad luck jinx pretty well.

After having their likenesses preserved for posterity yesterday afternoon by the university photographer, the harriers plodded over the wet course for a light limbering up drill and went to the showers.

For Economical Transportation

CONSTANT EXPANSION

—to serve Chevrolet owners better

SINCE January 1st more than a million new Chevrolets have been delivered to owners—making the Chevrolet Motor Company, for the second consecutive year, the world's largest builder of automobiles!

This outstanding achievement has been attained not only because of the quality and value of Chevrolet cars—but also because there has been a constant expansion of Chevrolet service facilities.

In order to bring these mammoth facilities of the Chevrolet factories to Chevrolet dealers and owners everywhere, there have been erected 26 huge parts warehouses in the principal centers of distribution. This expansion program is continually going on—for four great additional warehouses will be in operation by January first and seven more by the summer of 1929.

Into the service departments of all Chevrolet dealers, Chevrolet has brought special tools and shop equipment—designed under the supervision of Chevrolet engineers. This equipment definitely assures maximum speed and precision and the lowest possible cost in the performance of every Chevrolet service and repair operation—which are charged for on a flat rate basis.

Furthermore, all of these tremendous facilities have been made available to 15,000 authorized service stations manned by skilled mechanics, over 25,000 of whom have been factory trained to efficiently handle every repair operation on a Chevrolet car. In addition, there are over 4,000 other points where genuine Chevrolet parts may be obtained.

Uniformly efficient, uniformly reliable and within easy reach of everybody everywhere—this great service organization is maintaining at peak efficiency the fine performance for which Chevrolet cars have always been renowned.

We cordially invite you to come in and see how our service facilities reflect the influence of this great national service program.

Intramuralights by Red

Dry cleaning establishments enjoyed a sudden boom of business yesterday after the close of the second doubleheader (the last one, Coach Schroeder hopes) of the interfraternity soccer tournament. At least the playing conditions pointed to that situation.

Mud, mud, and gobs of mud! The rain that poured down over the soccer field was accompanied by a cold wind while the Sig Chis managed to shiver their way to a win over the Eta Theta P's 1-0. That win puts them in the semi-finals where they will meet the Phi Beta Deltas today at 4:30 o'clock.

That win was gained by just 30 minutes of plying, slipping, plunging, and skidding through the black bog, mud and low! Speaking of plunging, one of the Betas did an Annette Kellerman into one of the sunken lakes located on the playing field. With his form, he should be a prospect for the next Olympics.

A misunderstanding that resulted in a forfeiture of a game prevented the second half of the two-day affair from taking place. The Delta Chi team appeared on the field ready for their game but the Tau Deltas did not. Because of the rainy weather, both managers had tried to postpone the game but there was a mixup somewhere. Anyway Delta Tau Delta forfeited to Delta Chi.

Entry blanks for the interfraternity basketball tournament have been sent out to more than 40 fraternities, social, professional, etc. "Dad" Schroeder wishes that those fraternities not receiving entrance blanks would call at the field house office and arrange for their participation in the tournament.

By the way, a list of the standings in the race for the participation trophy given to the fraternity that scores the most points will be ready for publication Saturday. This new feature will be run each Sunday morning.

The quadrangle horseshoe tourney which slowed up Tuesday came to a complete stop yesterday when a cold rain made playing anything but a sport.

Even at that, some of the more inaccurate pitchers would have been benefitted as the mud would prevent the oversize hoofwear from traveling too far from the stake.

Twenty-seven runners will compete today in the annual cross country race for quadrangle men. The race will be held on the Fairbairn field at 4:30 p.m.

This entry, meagre in comparison to the interfraternity record breaking field, is larger than last year's mark. Paul Mitchell, director of quadrangle athletics, blames a lack

Roger Hornsby Goes to Cubs in Big Deal

Chicago Gives \$200,000 and Five Players; Freddie Maguire and Percy Jones Among Men Going to Boston

CHICAGO, Nov. 7 (AP)—Roger Hornsby, Boston Braves manager, and second baseman, was purchased by the Chicago Cubs tonight. The deal was completed over the telephone by William L. Vecek, president of the Cubs, and Judge Emil Fuchs, Boston chief executive.

A large sum of money and five players figured in the deal, which brought to the former St. Louis Cardinals manager and Giants second baseman to the Chicago club.

Although not stating the amount of money involved, President Vecek intimated that close to \$200,000 was paid for the "Rajah" of baseball in addition to the five players. The players going to the Boston club include two regulars, second baseman Freddie Maguire and Percy Jones, a southpaw pitcher, a rookie hurler, and two members of the Reading, Pa., club. The Reading players are Louis Leggett, a catcher, and Harry Selbolt, a right hand pitcher. Bruce Cunningham, a young hurler purchased from Los Angeles at the close of the season, completes the quintet.

St. Louis Quintet Shifts Playing Date

Iowa's basketball team will play the Washington university quintet from St. Louis on the Hawkeye field house court Dec. 17, instead of Dec. 15, Coach Justin M. Barry declared yesterday.

The shift in date was made at the request of Washington authorities. It will be the first appearance of the Bear basketball team at Iowa City.

of interest for the small turnout. A loving cup and gold medal will go to the winner while silver medals will be awarded to the second and third place winners. The next ten finishers will be given old gold ribbons.

Harrison Continues to Drill Frosh Before Cutting Squad

In preparation for the opening of varsity basketball practice next week, the field house court is now being reconditioned. New supporting under the floor is being inserted. In the mean time, freshman cagers are drilling on the gymnasium courts. Coach Harrison has not yet made his final selections for his squad. However, in the last drill several combinations have been working together and are showing up well.

The combination of Leo Aschenbrenner at center, C. Beckner and Lowell Pigg at forwards, Bob Hildreth and John Hamilton at guards, broke through the opponents, defense almost at will. The candidates on this squad with the exception of Hildreth are tall and rangy, an invaluable asset in the cage sport.

Hildreth, however, will make up for his diminutiveness with his speed and long range shooting ability.

Another team made up of J. Maravee at center, Phil Hipes and J. Butler at forwards, D. Araujo and J. Swartz at guards, are displaying ability and should develop fast.

A third combination of D. Withington at center, L. Johnson and D. Curtis at forwards, and B. Kelleher and Milo Bowers at guards, proved they have played the game before. Positions for berths on the final squad, which will battle the varsity, are being contested for. A cut in the squad will be made at the end of the week.

Gophers Prepare to Meet Hoosier Threat

Iowa - Ohio Classic Heads Conference Grid Card; Both Teams Emphasize Running Attack Defense

CHICAGO, Nov. 7 (AP)—The struggle up at Minneapolis Saturday between Doc Spears' Minnesota Gophers and Pat Page's Indiana gridmen will not have much bearing on the Big Ten football standings, but for Minnesota it will be a chance to even an old score.

It was Page's scrapping Hoosiers that ruined Minnesota's hopes for a conference title last year, when Herb Joesting and company traveled from Bloomington with a 14 to 14 tie. Spears and his boys haven't forgotten.

With the exception of Capt. George Gibson, the Minnesota eleven is in fairly good shape.

Page sent his Indiana squad through a hard workout today, stressing defense against the Gophers' highly-touted running offense.

Defense against powerful running attacks was drilled by both Jack Wilce and Bert Ingwersen as they prepared their Ohio State and Iowa elevens, respectively for Saturday's all important gridiron clash at Columbus.

Behind closed gates at Dwyer stadium Dick Hanley prepared his Northwestern Wildcats for the coming of Purdue. Hanley sent the varsity through a long scrimmage against the freshmen, using all possible backfield combinations.

Tad Weiman let his Wolverine squad off with a light drill today.

A downpour of rain failed to dampen the ardor of Coach Staag's Chicago Maroons as they went about their business of preparing for an invasion of Wisconsin this week-end.

Bob Zuppke is preparing his Illinois squad for Butler but at the same time is keeping a weather eye turned toward the Chicago game next week.

BOWLING

The Independents and George Kanak, of the Reliable Electric team, divided honors at the Dee bowling alleys last night. The Independents took two games from the Daily Iowan team.

Dee's quintet beat the Quality Bake Shop two games, while the Reliable Electrics were taking two from the Smith Cafe/bunch.

George Kanak had high total for a single game with a 245, and his 617 was good enough to beat out Jones, of the Independent team, for the three game total. Jones had 614.

The Independents, with a total of 2588, lead the teams for the three games. They had also the high for the single game, a 945.

Tomorrow night at 8 o'clock a team from Cedar Rapids will play an Iowa City team. Sunday afternoon the Cedar Rapids men will bowl two local teams, the Independents and the Quality Bake Shop quintets.

Current Comment By Guss

With the crucial Ohio game only three days away, Coach Bert Ingwersen sent his hard-hitting Hawkeyes through their paces again last night. In the stiffest drill of the week, the varsity got lots of work on passing which may play an important part in the game.

The victory over Minnesota came as a surprise to the sports world as a whole, and to the outsiders this will be the test. Against the Gophers, the Old Gold eleven was buoyed up by a home crowd and had the advantage of playing on Iowa field.

Saturday the boys will have none of these advantages. They are fighting a battle away from friends and against a highly-touted team with a reputation a yard long.

But we have faith that those Hawkeyes will come through all obstacles and forge ahead to victory. They are that kind of a team; they play an "inspired" game which will not admit defeat. Iowa will win.

Tryouts for Seals Club Close Tonight

More than 15 are expected to try out for Seals, honorary women's swimming organization, at 1:15 tonight in the women's tank in the gymnasium.

A trial was held a week ago at which three tried out. The tryouts held today will be the last this year.

Mullen Suspended by Boxing Board

CHICAGO, Nov. 7 (AP)—Promoter James C. Mullen was suspended indefinitely and his license revoked today by the Illinois State Athletic commission for failure to pay the state tax within 48 hours after his boxing show at the Coliseum, Nov. 2.

Mullen's suspension will prevent him from staging any shows until the state commission lifts the ban.

Young Jack Thompson, welter-weight title contender, was also suspended indefinitely by the commission for failure to make the weight in his recent bout at the hippodrome.

Billy Showers, St. Paul boxer, who was seriously injured in his bout with Shuffles Callahan at White City arena last Monday, had his license revoked permanently by the commission. The commission ruled that Showers was no longer fit to box.

Swimmers Outline Year's Activities at First Meeting

Fourteen men turned out for the first night's practice for varsity swimmers yesterday at 4:30 p.m. in the field house pool, and received their initial instructions regarding the work this year.

Work this fall will consist of exercise outside the pool, on Tuesdays and Thursdays, and of swimming on the other three days of the week.

In outlining the work for the year, the importance of training rules Coach Dave A. Ambruster stressed and regularity of workouts. He also touched upon the importance of maintaining a high scholastic standing, having the freshman squad of last year having had the highest grade standing of any of the athletes.

Men who were out to last night's practice were: Roland Van Horn, L. A. Hoegh, Harvey Lloyd, Milo Mitvalsky, I. A. Lowell, Boyd Liddle, Thomas Daugherty, Newell Williams, Kenneth Jones, Keith Weeber, Fred Fisher, Bob Harrington, William Murphee, and Ralph Bender.

Pythians Receive Awards Tonight From Chancellor

Lodge Made Greatest Membership Gain; Guests Here

Iowa City's Pythian orders receive honors tonight at a formal presentation meeting in their hall at 7:30. John S. Tuttle of Waterloo, will present an honor flag on behalf of the grand lodge, of which he is grand chancellor. The trophy will be accepted by A. L. Kloos, chancellor commander of Corinth lodge. During the last Pythian year, a 57 per cent increase was made in the local lodge membership. As the highest gain in Iowa, it won the flag awarded by Herman Ewart of Davenport, also on the program.

Hibbs on Program
Other speakers include R. R. Hibbs of Marengo, past grand chancellor; Ward Ferguson of Des Moines, grand keeper of records and seals; E. A. Grimwood of Oxford Junction, and G. A. Kenderdine of Iowa City, a member of the grand tribunal.

A similar ceremony marks the Pythian Sisters contribution to the meeting. Mrs. Mayne Hunter of Montezuma, grand chief, officially tenders a \$10 gold piece won by Athens temple in a state-wide contest. A roster of 91 was raised with the addition of 23 new members. An acceptance speech will be made by Mrs. A. L. Kloos.

Plum is Chairman
Readings by Mrs. Ruth Crayne, a flag drill by the Pythian Sisters degree staff, and musical numbers round out the program. J. L. Plum, 726 E. Iowa avenue, is chairman of the committee, which has planned the occasion.

The presentation ceremonies will be followed by supper and a dance. Twenty Pythian orders in southeastern Iowa are expected to send large delegations to the meeting.

Files Suits Against Karas Brothers

Andrew and Peter Karas, proprietors of the Boston lunch, are the defendants in two suits filed yesterday for trial in district court. W. R. Graf and the Englert Ice company, each ask judgment for unpaid bills.

Graf claims that the defendants owe him \$153.35 for merchandise delivered from time to time. In his petition he claims that the two men are about to move their property from the state without leaving enough to pay their bills, that they are about to dispose of their business with intent to defraud their creditors, and that Peter Karas has absconded so that ordinary processes cannot be served upon him. He asks judgment, interest, costs of the action, and a writ of attachment against the property.

The Englert Ice company asks that an alleged unpaid bill of \$155 for merchandise be paid, interest on the bill, and costs of the action.

John Koza Shines Shoes to Pay Bet

A novel election bet during the presidential campaign, resulted in John Koza shining "Stub" Barron's shoes in front of the Jefferson hotel yesterday.

The two men had made an election bet, Mr. Barron favoring Koza and Mr. Koza being for Smith.

A number of friends of the two men and also several other spectators witnessed the 'shine.'

Custer Calls Meeting
Judge Paul E. Custer will call a special meeting of the local American Red Cross this evening at 7:30 in the chapter room at the city hall. The purpose of the meeting is to discuss the method of soliciting for the twelfth annual roll call drive, and to consider other matters concerning the campaign.

Girl Scout Troop 6 Holds Meeting; Recruits Taken in

Thirty-six members attended the meeting of Girl Scout troop 6, yesterday afternoon at the university high school. Two new recruits, Francis Love and Betty Brainerd, were taken in.

At the meeting of troop 7 at Longfellow school yesterday, the girls played scout games, reviewed the second class tests, and planned the meetings for this year. This troop will meet next week at the home of the leader, Mrs. R. H. Fitzgerald, 509 Oakland avenue.

Four girls from troop 12, which met yesterday with Mrs. Trowbridge, 1182 E. Court street, were invested with tenderfoot pins. These girls are Mary Jane Whitney, Katherine McKnight, Ruth Wislief, and Carolyn Trowbridge. The Morse code was studied by the troop members. Brownie Pack 4, also met yesterday at university high school.

Troop 3 of Girl Scouts will meet today at St. Patrick's school.

Red Cross Drive Nets 400 People, Fourth of Quota

Members of Roll Call Solicit Tuesday; Collect \$413

More than 400 persons have joined the local chapter of the American Red Cross since the roll call drive opened Tuesday. This is one-fourth of the quota which must be solicited this year. Judge Paul E. Custer is chairman of the drive which will not close until Thanksgiving. At the voting polls Tuesday \$413 was solicited by the 24 roll call workers who alternated throughout the day.

The campaign is held annually because of the imperative needs of funds for both the national and local organizations. There are four types of membership—annual, which costs \$1; contributing, \$5; sustaining, \$10; and supporting, \$25. An effort is being made this year to obtain more of the last three types because there is a greater need for money than ever before.

Fees Paid to Officials
Only 50 cents out of every membership fee is sent to the national and international branches of the Red Cross. This amount is utilized to pay the salaries and expenses of the organization in its home office and national branches. It also takes care of the expenses of the doctors, nurses and other workers in relief work at the time of a national disaster.

The local chapter uses part of its funds to pay the salary and office expenses of a part time secretary. The balance goes for the relief of world war veterans and their families; to encourage life saving; to obtain pensions and the increase of pensions for Civil war and Spanish-American war veterans and for the necessary expenditures in raising funds in time of disaster.

Great Need of Funds
The president of the United States automatically becomes president of the Red Cross. Accounts of money received and expended are audited by the secretary of the treasury in the United States government. Any person who does not want to become a member of the organization can contribute any sum of money and designate whether it is to be spent in the local or national branch.

Jessup to Address Meeting of Schools

Fres. Walter A. Jessup will attend the national association of State Universities meeting in Washington, D.C., Nov. 19 and 20 as representative of the University of Iowa.

He is on the program of speakers for the meeting, and will tell of his trip to Porto Rico last spring. President Jessup went to Porto Rico as the delegate of the association for ceremonies at the University of Porto Rico.

Longfellow News

Three hundred seventy-three children of Longfellow school banked money yesterday. This made six rooms with perfect banking records for the week. The money is usually sent down to the bank on Tuesdays, but was held until Wednesday this week because of election. "Regular Savings" is the principle being taught to the children. Supt. H. L. Ballenger says.

Elizabeth Jean Hayes, 2A of Peoria, Ill., has entered Longfellow school.

The P.T.A. of Longfellow school will meet this evening at 7:30 o'clock at the school house. For the first time this year, the meeting is being held at night so that both men and women may attend. Mr. E. H. Lauer is chairman of the committee on arrangements.

Three teachers of Longfellow school have had new desks installed in their rooms. They are: Lucille Westmark, Marie Carrigg, and Nellie Whitacre. The new desks are finished in walnut, and match those of the pupils.

Agnes Otto, city school supervisor of drawing, helped complete the posters made by the children of Longfellow school to advertise Girl Scout week.

Four Pay Fines in Police Court

Floyd C. Dayton, local taxi-driver, who was charged with disturbing the peace, appeared before Police Judge Paul E. Custer Wednesday. He was arrested last Saturday afternoon at the football game where he was in a slightly intoxicated condition and was causing a general disturbance. He was fined \$5 and court costs.

The case of Bernard Dautremont, who was charged with participation in an unlawful assembly Oct. 27, came up for trial before Judge Custer yesterday.

Dautremont pleaded not guilty to the charge. L. J. Kehoe, attorney, represented him. He was found guilty by the judge and assessed \$1 fine and \$3.95 court costs.

Ralph Lentz, who was alleged to have run into A. L. Chief, 818 1/2 E. Market street Monday, pleaded guilty before police judge Wednesday afternoon and was fined \$1 and costs.

Unheeded of the advice to leave town given him by Judge Custer, Jim Fruehar, who was fined \$5 and costs on an intoxication charge Tuesday morning was again picked up late Tuesday afternoon and forced to spend five days in the county jail.

School News Briefs

Nurse Inspects Children
Mrs. J. G. Gartner, school nurse, has inspected more than 1,150 children in seven schools. Work in inspecting the junior high school was interrupted yesterday, for Mrs. Gartner spends Wednesday of each week teaching first aid in the high school.

Pupils Underweight
There were only 120 pupils, or 10 per cent, underweight. All these are drinking milk. In all six schools—Shimek, Lincoln, Longfellow, Henry Sabin, Horace Mann, and Kirkwood—the underweight pupils drink a half pint of milk every day at the first recess of the day.

The milk is made attractive by using straws for drinking it.

Of the 1,150 pupils inspected, there were 1,002 who were advised to see a dentist, 69 who were advised to see doctors for throat examinations, and 56 had defects already corrected. Among those who already had defects corrected were 16 first grade pupils in the Horace Mann school. This was due to the work done by the pre-school committee.

The pupils who get their teeth taken care of are given a blue card showing the work is completed. They also receive a gold star and a "physically fit" button. The button is white with "physically fit" in red letters. The buttons are presented and pinned on as each pupil stands up in front before the class.

Inspections in the junior high school will be continued and may be finished this week.

University Alumni Living in Omaha Honor Local Men

An alumni luncheon in honor of Prof. F. G. Higbee, secretary of the alumni association of the University of Iowa, and E. H. Lauer, director of the extension division, was held in Omaha Nov. 2. About 40 men were present.

Professor Higbee discussed plans for the new football field and Robert H. Holtz, '21 of Omaha, suggested that means be provided for a complete covering of the field and bleachers, readily removed in good weather.

The group adopted the suggestion and arranged for it to be sent to Earl Hall, alumni representative on the athletic board.

Boy Scout Board Meets for Report

Committee States 55 Towns Represented by 1,600 Scouts

A meeting of the executive board of the Boy Scout organization in Iowa City was held last night in the scout headquarters at Clinton street and Iowa avenue.

The following members of the executive board were present: Dean Wilbur J. Teeters, Dean Chester A. Phillips, the Rev. John G. Rhind, Albert Sidwell, the Rev. Ira J. Houston, and Paul R. McGuire.

Dean Teeters presided at the meeting in the absence of Pres. T. A. Opstad.

Scout Executive Paul R. McGuire expressed an appreciation of the work of committee chairman, commending W. E. Beck of the civic educational committee, and W. R. Hart, of the court of honor committee, especially for their work in the recent scout day activities.

Reports were heard from committees. The civic educational committee reported that 55 towns sent Boy Scouts here last Saturday and that approximately 1,600 scouts were in Iowa City that day.

The executive board approved the formation of two Iowa City scout districts and two county scout districts. Leland Nagle and Lyman Burdick were appointed deputy commissioners for the two Iowa City districts.

TODAY'S Selz MODELS
they're unusually good looking

Shoes must fit the eye as well as the feet, there's a very finished style about these. Of course, style does not replace service, we believe shoes must be really good and really good looking. These are. The WING TIP model above in waxy grained leathers has received the O. K. of the smartly dressed young men. The custom model ARCH SUPREME below, is a highly developed arch supporting shoe which prevents and corrects arch difficulties.
