English Diplomats Suggest Plan for Naval Conference

Propose United States Meet in Canada With England

LONDON, Nov. 29 (AP)—Naval disarmament came back to open discussion in Great Britain today. Three factors contributed to this. They were: the proposal by Fred A. Britten, of the naval affairs committee of the United States house of representatives, that his committee and a delegation from the house of commons meet in Canada next March; the declaration of Viscount Cecil that Great Britain ought to meet the United States half way, and an attempt by Sir Frederick Hall to get an official statement on naval policies by means of an interpretation today in the house of commons.

A considerable section of the press and several publicists urged that Mr. Britten's proposal be accepted. They pointed out that the English Prime Minister Baldwin first Britten had shattered diplomatic precedents and had gone into official quarters with an unofficial project, but they argued that the plan was too good to lose because of that technicality. Several publicists pointed out that Mr. Britten had closely paralleled an idea expressed last week by Lord Lee of Fareham who suggested that a civilian representative of each country could get farther and go further than conferences of naval experts.

Wants Mathematical Equality
Viscount Cecil, who was closely associated with Woodrow Wilson in working out the idea of the League of Nations, aroused much comment by advocating mathematical equality in the British and American navies "in tons and guns."

Premier Baldwin would not be "smoked out" when he replied to Sir Frederick Hall's question in the house. The inquiry was whether, as a preliminary to further discussion of naval disarmament by the League of Nations, the government would consider asking France and the United States to participate in a conference with Great Britain, insofar as the problem concerned the three countries.

Baldwin Replies
Mr. Baldwin replied that the government was carefully considering what steps could usefully be taken to promote an agreement with regard to further naval limitations. He added:

"I doubt whether the specific expedition proposed by my honorable and gallant friend would be likely to attain the object which he evidently has in view."

Group to Discuss International Club

Plans for the formation of an international club on the University of Iowa campus will be discussed at a gathering in the Y.W.C.A. conference room of Iowa Union at 8 p.m. Sunday.

The meeting will begin with a talk on Russia by Paul B. Anderson, head of Russian refugee work in Paris. He is a nephew of Dean Carl E. Seashore.

Clara M. Daley, associate professor of history, is faculty adviser for this work. Donald Harter, A3 of Iowa City, heads a Y.M.C.A. committee on friendly relations. Monthly reviews of current events, books on international subjects, and an outline for study are furnished by the Carnegie foundation for universal peace. International clubs in colleges throughout the country receive this service under the terms of a \$10,000,000 endowment bequeathed by Andrew Carnegie.

Last year an organization called the international council met in faculty homes until increased attendance caused meetings to be held at Iowa Union. Lyman C. White, of Iowa City, was president. Latin America, believed to be coming to this zone in world affairs, will be the subject for discussion during the 1928-29 season.

There will be a conference of English and American students at Oxford next year. A free trip will be given the winner of a prize competition, and reduced rates will be offered others interested.

Lieutenant Coppin Flies Through Fog

Lieut. C. C. Coppin flew the east bound mail yesterday morning. Although the weather had been so bad that it was impossible to fly some of the mail on the west end of the transcontinental line, it was flown from Des Moines on to Chicago.

Pilot Coppin picked up the mail yesterday morning in Des Moines where it had come part of the way by train. He was carrying a light load of approximately 800 pounds of mail. He reported the flying conditions as being very difficult as there was an extremely low ceiling of clouds. Most of the flight was made at an altitude of less than a thousand feet and most of the time not higher than 250 feet. There was only about two mile visibility.

Lieutenant Coppin arrived in Iowa City at 10:05 a.m. and left at 10:15 a.m. yesterday, arriving in Chicago at 12:20. He made the trip from Iowa City to Chicago in exactly two hours.

Capper Advocates New Farm Tariff

WASHINGTON, Nov. 29 (AP)—Immediate enactment of an emergency tariff act devoted solely to upward revision of the rates applying on agricultural importations was advocated by Senator Capper, republican, of Kansas, in a statement today.

"To attempt general tariff revision now," he declared, "keeping the existing general relationship between agricultural and other products, would be playing a rather threadbare joke on the farmers of the country. And I believe they show signs of becoming tired of being denied proper consideration by tariff makers."

Oregon Aggies Shatter Title Dreams of N. Y. U. Violets, 25-13

Beavers Trounce Easterners With Smashing Attack

White Clad Backfield Outshines Play by Strong

By Edward J. Neil
(Associated Press Sports Writer)

NEW YORK, Nov. 29 (AP)—A nightmare, stark and terrible and fashioned of great crashing figures in the pure white of Oregon State, shattered sweet dreams today, the dreams of New York university for a football team that could challenge the recognition of the nation.

It was a dream that began when the first leaves of the fall turned brown, grew through overwhelming conquest of Colgate and Missouri, and reached its height in smashing victory over Carnegie Tech, master of Notre Dame.

There was no possibility of the Violets waking tomorrow to rub their eyes and find it all only a bad dream. The unheralded and almost completely unsuspected from the Pacific coast drubbed them so completely in every department of play that the score, 25 to 13, gave but little indication of Oregon State's domination.

Oregon Backs Gallop

Through a forward wall that had snashed every previous thrust, three great western backs—Capt. Howard Maple, "Honolulu" Henry Hughes, and Cy Sherwood—ripped and tore repeatedly, carving out long gains, tremendous marches, and three times piling over the Violet goal for touchdowns. Over the heads of the bewildered forwards, beyond and through the N.Y.U. backs, Maple threw forward passes that dazed the defense and accounted for the fourth score.

Led by Ken Strong, highest scoring back in the east, the Violets stormed out to score a touchdown in the first few minutes of play, then lamelashed under a battering that lasted until the final moments, before reviving and fashioning the second score.

Oregon Victory an Upset

The 40,000 in the stands sat back, contentedly watching another typical Violet slaughter. Before they knew what had happened, the surge of the white-clad westerners was underway, the ball was in New York territory, where it stayed for all but the last few minutes of play.

The Oregon line opened gaping holes for Sherwood, Maple, and Hughes to march, 10 yards at a lick, to the N.Y.U. 7-yard line. The Beavers had to kick. Maple shot a looping pass 50 yards to Whitlock on the Violet 18-yard stripe, but that offensive was broken up as the period ended.

N.Y.U. Launches Offensive

Oregon marched 47 yards for the first touchdown, 70 yards for the second and 50 more before Maple tossed a deep pass of 13 yards to McKalip over the Violet goal.

The Violets were helpless in the third quarter when Strong kicked offside on the Oregon 1-yard line only to see the westerners smash to midfield on 32 and 24 yard runs by Maple and Sherwood. Hughes kicked and recovered the ball when Fflet fumbled on his 23-yard line. In half dozen plays Hughes dove over the Violet goal from the 3-yard stripe and the game was turned into a rout.

The shadows lengthened, N.Y.U. made its final bid and tallied when Mike Riordan ran 62 yards on a tackle sweep to Oregon's 28-yard mark. Strong, ending his football career in comparative glory, shot a 22-yard pass to Nemecek and scored the last 6 yards himself for the touchdown.

Varsity Mermen to Face Yearling Crew Tomorrow

Lobdell, Frosh Diver, in Hospital for Treatment

When the varsity tansters meet the first year men in the initial pre-season swimming meet tomorrow at 3:30 p.m. in the field house pool, they will bump up against a fighting bunch of fresh out to meet a tradition. No varsity team has ever been beaten by a freshman organization, but this year's neophytes are determined that they will be the single exception to a rule.

Wentworth Lobdell of Rockford, Ill., star diver of the freshman squad, and an outstanding high school swimmer during the past two years, is still confined in the hospital with an infection in his ear. He is out of freshman competition for the remainder of the season. Lobdell was selected by Frank Sullivan, in his selection of the all-American interscholastic divers last year.

Liddle, Varsity Star

Time trials in the sprint event for both freshmen and varsity this week have resulted in some nice showings. Marvin Wright, Boyd Liddle, Robert Eversen, Roland Van Horn, William Marlee, Milo Mitvalsky, and Art Crookham were the most outstanding among the varsity candidates. For the freshmen, George Snell of Clinton, showed up the best. Other stars among the frosh were: William McCulley, H. A. Horabin, Jack Bagon, H. O. Benson, and M. E. Naylor.

Probable lineups for the meet tomorrow night are: 160 yard relay: varsity, Crookham, Mitvalsky or Larsen, Van Horn, and Wright; freshmen, McCulley, Bagon, Benson, and Snell.

100 yard breast stroke: varsity, Wright, Williams, Eans, and Hogan; freshmen, Basel, Glaser, Weld, Vierk, and Woodruff.

40 yard swim: varsity, Crookham, Larsen, and Van Horn; freshmen, Horabin, Snell, and Brotman.

Jones in 220 Race

220 yard free style varsity, Jones, Harrington, and Liddle; freshmen, McCulley, Bagon, and Naylor.

100 yard back stroke: varsity, Lloyd, Lovell, and Weeber; freshmen, Carson, Garlock, and Horabin.

100 yard swim: varsity, Merree, Mitvalsky, and Crookham; freshmen, Snell, Jastrom, Benson, and Trauger.

Diving: varsity, Bender, Bray, Joseph, and Nyholm; freshmen, Rawdon, Forsenfeldt, and Smith.

300 Yard Medley Relay

300 yard medley relay: varsity, Lowell, back, Lloyd or Hoegn, breast, and Van Horn, crawl; freshmen, Brandt, back, Weld or Basel, breast, and McCulley, crawl.

440 yard swim: varsity, Jones, Harrington, and Liddle; freshmen, Naylor, Brotman, and Criswell.

Scoring will be made as follows: 120 yard relay, winner 4 points—loser 0; 300 yard medley, winner 6 points—loser 3; all other events will be scored 5, 3, and 1.

University High to Resume Basketball Practice for Alumni

Candidates for the varsity basketball squad at U. high had a long lay-off this week as Coach Jack Skien gave his proteges a vacation Wednesday and Thursday nights. A practice is scheduled for the squad this afternoon at 3:30. There remain only four days for Coach Skien to get his team in shape for the alumni game Monday night.

The contest will give the first indications of the strength of the Skien men this year in stiff competition as Coach Skien has stressed signal practices and given the men relatively few scrimmages. Several veterans are back including Blackmer, all-state center, Capt. Walter Johnson, Messner, and Myers. Wendell Thomas, newly elected captain of the next year football team, is putting in a strong bid for a forward position.

The locals have a card which calls for contests twice a week, and the calibre of their opponents is above standard.

Luther Smashes to Win Over Columbia

DECORAH, Nov. 29 (AP)—Two quick drives brought touchdowns and a 13 to 6 victory in Luther college's final game with Columbia at Dubuque here today.

Starting 40 yards from the goal, Christianson, fullback, and Shoffield, quarterback, scored a touchdown on four plays in the second period. Christianson scored his second marks on five consecutive drives in the third quarter.

Florida Wins 60-6

JACKSONVILLE, Fla., Nov. 29 (AP)—The University of Florida Alligators literally feasted on the Washington and Lee eleven in their annual gridiron clash here today, giving the generals the worst beating they have received in years. The score was 60 to 6.

Carolina Tarheels Defeat Virginians

CHARLOTTEVILLE, Va., Nov. 29 (AP)—A crowd of about 20,000 today saw North Carolina's Tarheels take the measure of the University of Virginia 24 to 20. The victors twice overcame a Virginia lead in the close contest which was replete with forward passes.

The University of the "Mother of Presidents" was leading its neighbor to the south, 7 to 6 at the half.

The home team added another touchdown in the second period and at the intermission had a 13 to 6 edge.

Manger and Erickson, North Carolina substitutes, were introduced in the third period and responded with three touchdowns between them. Manger, a rugged back, who can throw passes as well as run with the ball, made two, and Erickson added the other.

Sailors Beg Master Mariner for Favorite Pipe Tobacco

Malden, Mass. March 10, 1928

Larus & Bro. Co. Richmond, Va.

Dear Sirs:

I have been a Master Mariner for many years, and as a general rule all seafaring men smoke a pipe. I have tried about all the different brands of tobacco on the market, and in my estimation, there is not one make of tobacco that will compare with Edgeworth Slice for a good, cool, long smoke. Sailors would come to me and say "Capt., be sure to put in a good supply of Edgeworth when you fill up the canteen." That speaks for what the average sailor thinks of Edgeworth.

I retired from the sea six years ago, and the largest grocery dealers in Boston keep me supplied with this wonderful smoke. I take great pleasure in boosting it to my friends.

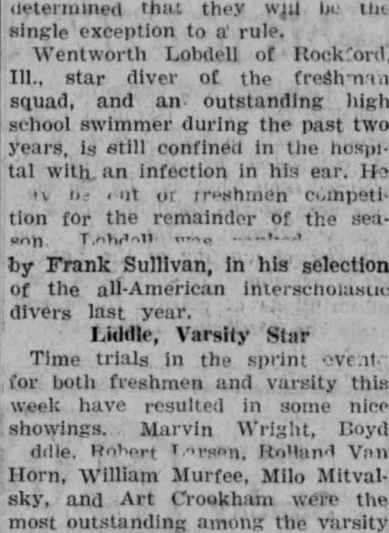

Very truly yours,
(signed) Capt. C. E. Kenney
