Theater Seminar to Present "Birthright" by R. Maibaum

"Birthright," a play of Jewish life in present-day Germany, written by Richard Maibaum, will be presented by the experimental theater seminar of the University theater Monday and next Wednesday at 8 p.m. in Macbride hall auditorium.

The life of a cultured Jewish family before and after Hitler comes into power is told in this play, a powerful condemnation of Nazi treatment.

Iowa Graduate
Maibaum, a Jew of German extraction, is a University of Iowa graduate, and Prof. Edward C. Mable, director of the University theater, believes that "this manuscript is one in which Mr. Maibaum says forcibly the things which he feels and believes."

Sydney Howard Spayde of the dramatic arts department is director of the play.

Robert Graham, A3 of Iowa City, will play the part of Abram, and Vance Hallack, A3 of Fargo, N. D., will be cast in the role of Joseph Eisner. Karl will be portrayed by Marold Glaspey, A1 of Hills, and Clara Eisner by Jane Fifer, A2 of Quincy, Ill.

Other Characters
Other characters will be: Friedrich Lowenburg, played by Wendell Halverson, A1 of Webster City; Kurt Strasser, by LaVern Adix, A3 of Boone; Willi Eisner, by George Volger, A4 of Muscatine; Minna Eisner, by LaVerna Goodman, A2

of Des Moines; Alfred Eisner, by Robert Ritz, A3 of Waterloo.
Elga Eisner, by Theodora Hazard, A4 of Clarksville; Freaeda Federmann, by Betty Braverman, A2 of Iowa City; Dr. Walther Federmann, by Raymond Berrier, G of Nashua; Max Federmann, by Jerome Gearhart, A2 of Cedar Rapids; Hilda Federmann, by Dorothy Brown, A3 of St. Joseph, Mo.

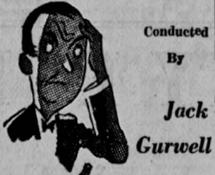

Leopold Eisner, by Fred Wilson, A1 of St. Joseph, Mo.; Hugo Eisner, by Bernard Balaban, A2 of Council Bluffs; Jakob Eisner, by Chauncey Fay, U of Ottumwa; and Erik Phlaum, by Morris Jones, G of Hiawatha, Kan.

Nazi Soldiers
Nazi soldiers will be played by: Thomas Ross, A3 of West Haven, Conn.; Don Liercke, A2 of Storm Lake; Robert Selzer, U of Morning Sun; Harold Janss, A2 of Cedar Rapids; Clark Higginbotham, A2 of Iowa City; Ralph Harper, C4 of Ottumwa; Dale Darland, A2 of Des Moines; Edgar Marts, A2 of Aukenuy; Loren Taylor, A3 of Earlville; and Russell Schneider, A1 of Iowa City.

Settings, Lighting
The settings have been designed by Charles Elson of the dramatic arts department. Costumes are under the supervision of Emaline Rademaker of the dramatic arts department, and the lighting will be directed by Hunton D. Sellman of the dramatic arts department.

Tickets for this play and season tickets for the University theater may be obtained at Professor Mable's office in Schaeffer hall.

I Give Up

Conducted By **Jack Gurrell**

late, as usual) that the Pagelsen woman is back in good stand with the Spencer Alum we boys hope she won't have any trouble facing us and saying "I'm going steady" rather than the coy suggestion that she is practically washed up. A fine gal, she; too fine to lead anyone on, especially when she knows graduation will bring a new deal. Question: What will stop you then.

Economically Speaking
One kiss—you said it meant a lot to you
Until you took it, then your fancy flew
To someone new.
One kiss—it never meant a thing to me
Until you took it; then, quite suddenly I wanted two.
But now I find my ardor vainly burns,
Crossed by fast diminishing returns.

Jack Harper, a Sigma Nu and Phi Delta Phi pledge, certainly has to hurry if he ever expects to win the heart of Helen Lonice Bernbrock. Jack, Eddie Waymack, that slick Des Moines lad, has broken her heart into 80 many pieces she will never be able to see you, Miss Bern-

brock refused to make a statement at a late hour last night.

And then there's Scott Wagler, who, when his name was read as absent by Professor Jung, bespoke in a far from muffled voice (uncommon to him) to the effect—"I am here." Most everyone knew it, yet some failed to note that Scott was in the very last row with "one of them wimmen." "Say, Scott, why not park alongside Secl and get the true significance of the course?"

"Where do you bathe?"
"In the spring."
"I asked you where."

Hey, you chronic "Riviera" Rats," know ye that you may again enjoy the company of Vava in her new location just off the avenue, south of the Riviera. Remember, he who Goetz there first Goetz most! Now may these words well direct the law school boys to a less crowded sector of the land of Bacchus, in order that the newcomers in the arts school may send their way to and from the counter (with their hamburgers) minus the fear of some moany casting aspersions at such tender targets.

Well worth pondering over: Why the sophomore active members of some of these societies treat the upper-class pledges in such a way that it

would be evident even to the Dionnes? (Shall we give you a few names soon?)

As we go to press: Or Operator X-9's last report.

Bob Foss, high mucky muck of the Fijis (Phi Gamma Delta to all you lads and lassies on the campus) has taken a decidedly fine step. It's on the eve of this writing that the pins were chained; and to Flora Mary Clapp, we believe you, also, have made a fine step. All is rosy now. We know that Bob is sure of whether he is going with Flora of the red haired Elm. It's not a case of not being sure, but you know how they do so look alike.

Doris Dugan, Marion Pehle and Betty Barrett are out of the picture this week, boys. Phone calls will be very much appreciated. You know the rest. What are these businesses they refer to as governing boards and house councils?

Bill Edwards appears on crutches, one of the few injuries which substantiate the evidence of the source of the accident. Really too bad, Bill, for it is known you had possibilities and intentions of doing your part for S.U.I. Bill is victim of a fall while working out in the fieldhouse.

A new machine for Tony Moe,

of drama and Phil Gam. What's the trouble, Tony, wouldn't the old can cover the ground you wanted it too? Keep traveling past the ladies' shelters and you're bound to land something.

Doctors Will Give Last in Series of Extension Lectures
Dr. H. Dabney Kerr and Dr. Arthur Steindler, both of the col-

lege of medicine, will present the last in a series of extension course lectures under the auspices of the Iowa State Medical society in Cherokee today. Yesterday they spoke in Atlantic.

Dr. Kerr is addressing the assembled doctors of the two areas on "Radio Therapy," and Dr. Steindler's subject is "Physiotherapy."

HERRIN, Ill. (AP) — Will Hill, 55 years old, was shot and killed last night in a gun battle with two holdup men shortly after he closed his neighborhood grocery store.

Radio Study Groups Report Membership Increase This Year

An increase of 566 members of radio child study groups over the membership for early November of last year, is reported by Prof. Ralph H. Ojemann of the Iowa Child Welfare Research station.

The total membership is now 2,084, including 140 groups of 10 or more parents studying together, and 64 individual members. Mason City has the largest number of clubs, 26,

and Cedar Rapids is second with 15. Eleven states are represented besides 52 Iowa towns.

Prof. George D. Stoddard, director of the Iowa Child Welfare Research station, will speak on the topic, "Intellectual Development During Adolescence," tomorrow at 8 p.m. over WSUL. He will discuss the problems of whether bright but immature children should be advanced rapidly in high school, the tendency toward crime or personality disturbances in adolescence, and the role of parents in allowing themselves to be pushed aside as the child grows in his own way.

BITS ABOUT SPORTS

By ART SNIDER

HE DID what nine of his predecessors failed to do in 24 years—beat Notre Dame—and so Lynn Waldorf is the toast of Northwestern.

When the Wildcats last beat a Notre Dame team, there wasn't an undergraduate on the campus who was then alive. Waldorf wasn't born until a year later.

Little is known about the past history of this 250 pound pack of football wizardry so we'll call the roll on him. After graduating from Syracuse where he was named on Walter Camp's second all-American squad in 1923, he went to Oklahoma City university. There he severed the school's losing string and built an enviable record of 19 triumphs, nine defeats, and three tie games.

This accomplishment brought him to the Oklahoma Aggies. In the five succeeding years, starting in 1929, he brought the Missouri Valley championship to the school twice, coached the squad to four state championships, and won 34 games, lost 10 and drew in seven.

When Dick Hanley and Northwestern discontinued relationships, Waldorf took his ample poundage to Evanston.

Today, he is the man of the hour.

Any coach in the conference will tell you Northwestern had the most gruelling schedule of any of the 10 teams. The Wildcats opened against Purdue, then played Ohio State, Minnesota, Illinois, Notre Dame and Wisconsin in succession. Saturday, they meet the Hawkeyes of Iowa, making a total of six conference games for them. Football fans are aware of the success enjoyed in the last three contests.

Behind this all, however, has been a story of weeks of intensive work by a new coach with green material. "Through it all," says Waldorf, "the boys stuck with me. They played good ball against Purdue, Ohio State and Minnesota, but lacked the punch."

It is a known fact that Waldorf is a "November" coach. His record confirms this. In his seven years of coach, the son of Bishop E. L. Waldorf has lost only two games in November. He started this month by licking Illinois.

Waldorf will tell you he has no particular style of play. As a general thing, his team uses a basic 4-4-3 position and then shifts into variegated formations, including the single and double wing-backs, punt formations and others. He is always on the lookout for new plays. In the Purdue game, the Bollermakers gained with a certain play. Lynn thought so much of it, he gave it to the Wildcats and they have been gaining on it, too.

Speed sums up the Wildcat offense. The strongest play is the off-tackle smash by the half-backs which depends upon quick openings made by the guards pulling out. All the pass plays start out as runs, such as the initial touchdown play against the Irish. It will be recalled that co-capt. Wally Cruise began to sweep his left end, then stopped abruptly, fell back and shot a pass to Longfellow out to the right behind the goal line.

Four defensive formations are used by the Wildcats. Against the Ramblers, all four were employed. The center, co-capt. Al Lind has the responsibility of calling the formation.

Beise on Sidelines In Minnesota Drill

MINNEAPOLIS, Nov. 19 (AP)—Minnesota began preparations for Wisconsin today minus the services of Sheldon Beise, regular fullback, who was on the sidelines with an injured shoulder. In the big fullback's place was Whitman Rork, second string line plunger.

MILLER TO CAPTAIN '36 CITY HI ELEVEN

Hawkeyes Work Overtime in One of Season's Stiffest Drills

17 Hawklets Receive Major Letter Awards

Veteran Red and White End Is Unanimous Choice of Squad

Alvin Miller, veteran end, was chosen to captain the Iowa City high school football team through the 1936 season at a meeting in the high school auditorium last night.

A standout performer for two years, Miller was the unanimous choice of the squad, one of the best in history.

Seventeen major letters, one of the largest numbers in recent years, were awarded to the members of the team by the dads of the school.

Following are the men to receive letters: Capt.-Eliet Alvin Miller and Jens Norgaard, ends; Woody Maher, Bob Hampton and Ken Moore, tackles; Herman Snider and Charles Snider, guards; George Maresh and Bill Meardon, centers; Ken Jones and Jimmy Jones, quarterbacks; Keith Hora, Jerry Pooler, Ed Edwards, Andy Duros, and Richard Amrine, halfbacks; and Paul Ross, fullback.

Lindberg Appears In Illini Uniform

CHAMPAIGN, Ill., Nov. 19 (AP)—Les Lindberg, reappeared in the Illinois football lineup today as the varsity used formations designed for the Chicago game to repeatedly break through the reserves for long gains.

Hawkmen Stop Wildcat Plays In Scrimmage

Because of a biting wind which made play exceedingly difficult, the freshman football squad was taken to the stadium field yesterday to work Northwestern plays and formations against Ossie Solem's Hawkmen.

The freshmen started scrimmage using the Wildcat offense against the varsity first stringers, but were repulsed at the line of scrimmage on practically all attempts to penetrate a strong varsity forward wall. Likewise, with the aid of Lynn Waldorf's passing attack, the fresh encountered considerable difficulty in crashing through the Hawkeye passing defense.

Varsity regulars were scrimmaged only a short time when they were taken to the fieldhouse to work on offense and fundamentals. The yearlings were then pitted against the varsity second string where they met with less difficulty in executing the complicated Northwestern plays.

Outstanding linemen representing the freshmen were Wheaton, center, and Haag, right end, while the backs were Eicherly, left half, and Grange, quarterback.

The full lineup consisted of Martens and Haag, ends; Byer and Narut, tackles; Corcoran and Whites, guards; Wheaton, center; Balas, fullback; Olson and Eicherly, halfbacks, and Grange, quarterback.

Rain Forces Irish To Practice Inside

SOUTH BEND, Ind., Nov. 19 (AP)—Rain thwarted Coach Elmer Layden's intention to develop a pass defense against the Southern California's aerial attack today, forcing him to take his Irish squad indoors.

Brooklyn Nips Chicago Cards In Pro Game

BROOKLYN, N. Y., Nov. 19 (AP)—The green jerseyed Dodgers of Brooklyn rushed and passed from their own 10-yard line to a thrilling touchdown in the last six minutes, defeating the Chicago Cards 14-12 tonight in a National Professional Football league game.

For 54 minutes it seemed that Dave Cook, of the Cook county Cards, had rushed the Cards into the western division lead, but then things began to happen. Trailing by five points through two placements of Bill Smith and the Cook touchdown, Lumpykin received a kickoff on his 19. Jack Grossman, who had tallied a touchdown in the second period to offset that of Cook, started the Dodgers and in two plays had first down on the 20.

Ralph Kerecheval, who had been hoisting 70 and 80 yard kicks, turned to rushing and made a first at the 47. Grossman made another at the 35, and interference by the Cards was responsible for another at the 30. Red Franklin then passed to Paul Riblett who was downed on the two stripe. Grossman, on a reverse to Franklin, drew the Cards aside, and the redhead dived under the goal posts for the score.

Rumors Send Evans to Tigers As President

Former Indian Boss May Succeed Navin Aiding Walt Briggs

DAYTON, Ohio, Nov. 19 (AP)—Rumors, given impetus by speculation over recent developments at Cleveland and Detroit, reverberated through hotel corridors tonight as the trader horns of baseball moved into Dayton for their annual shopping tour at the minor league meeting.

Most of the rumors were met with half hearted denials, shoulder shrugs and strong language, but on the old theory there must be fire where there's smoke here are some of them: To Name Evans. Walter O. Briggs, who gained control of the world championship Detroit Tigers today, will name Billy Evans, former Cleveland general manager, as president to succeed the late Frank J. Navin. Navin and Briggs long ago agreed that if either died, the other would buy his holdings in the ball club, Briggs said today. Thus, the Navins would be out of baseball.

The Evans connection gained credence by the fact Briggs has said he personally has neither the time nor the health to devote to the task left open by Navin's sudden death.

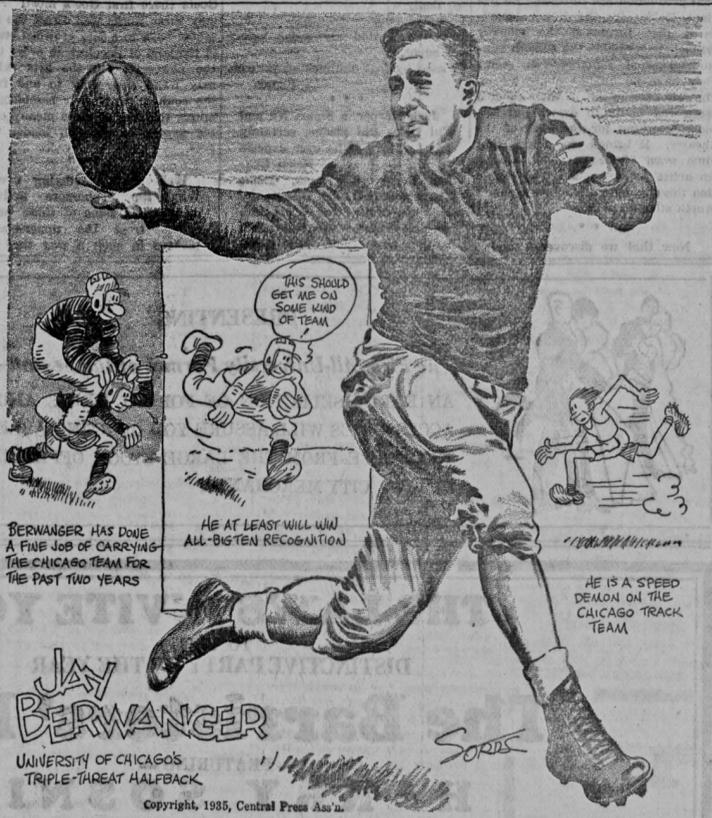

In Line for AAA Presidency. Evans also was reported in line for the presidency of the American association, although Thomas J. Hickley, present head, claimed to hold four out of a possible eight club owner votes.

The St. Louis Cardinals may get Carl Hubbell from the New York Giants in return for Second Baseman Burgess Whitehead. This report smacked of accuracy, Manager Bill Terry of the Giants was around making desperate search for a second baseman—and the Cards needed a pitcher like Hubbell badly.

St. Mary's Cagers Show Reserve Power

Reserve power is evident among the 21 cagers seeking berths on the St. Mary's basketball team. The alumni game Monday night uncovered new threats in the starting lineup against Victor on Nov. 25. Coach Francis Suenppl substituted freely last night in the practice at Lincoln high gymnasium in the hopes of finding a smooth clicking aggregation.

Chadek and Halubek, two diminutive guards, may see plenty of action in the coming battle due to their good floor work exhibited against the alumni. Other substitutes were Fay at forward, and Henderson at center. The starting team remained the same, however, with Adrian and

Irish Draw Long Drill as 15 Men Seek Assignments

St. Pat's basketballers indulged in a two hour scrimmage yesterday in which 15 men saw action. A general improvement was noticeable in the way the men handled the ball over Monday's shabby exhibition. The tentative first five overwhelmed the reserves with Healy, Patterson and Carrig leading the way in the scoring department.

Bill Leuz, last year's regular, and Howard Demery provided plenty of opposition for the first team, but received little aid from their mates.

Injuries to Oz, Homer Harris Weaken Team

Dr. Hayne Asserts Negro Star Will Be Set To Go at Top Speed

Shrouded in secrecy, the University of Iowa football team worked until well after the dinner hour last night in one of the season's stiffest drills, fashioning several new plays to uncork against Northwestern Saturday. No one was admitted on the field as Solem explained that "I have reasons for working with the men alone."

Possibility of the Hawkeyes not being at full strength against the Wildcats was seen yesterday as Ozzie Simmons continued to limp as the result of an injury incurred in the Purdue game. Dr. Bill Hayne, however, has asserted the Negro star will be ready to go at full speed.

Another casualty, Homer Harris, has been kept out of heavy workouts this week because of internal injuries. It is doubtful whether he will play much against the Purple.

If Simmons is not at top strength Saturday, John Hild will move to his fullback post.

Cats Work On Defense for Iowa

EVANSTON, Nov. 19 (AP)—Defensive operations against Iowa plays, as enacted by the freshmen, occupied Northwestern's grid squad today. Coach Lynn Waldorf also devoted some attention to the Wildcat pass attack which failed to function against Wisconsin.

The Iowa line will outweigh Northwestern 12 pounds per man Saturday, and Waldorf is devoting considerable thought to the problem of stopping Ozzie Simmons, who first gained fame against Northwestern last year, and Dick Crayne.

An added feature of today's preparations was a showing of the moving picture of last year's game in (See No. ELEVEN, Page 5)

Beta Theta Pi, D. U.'s Tie In Greek Swim

HOW THEY FINISHED

Beta Theta Pi	17
Delta Upsilon	17
Pi Kappa Alpha	13
Delta Tau Delta	13
Phi Kappa Psi	13
Alpha Tau Omega	7
Phi Epsilon Pi	4

Beta Theta Pi and Delta Upsilon each scored 17 points and gained a tie for first place in the largest and most hotly contested fraternity swim meets ever held at this university. The Pi K. A.'s, the Phi Psi's, and the Delta's finished in a three-way tie for the runner-up position.

George Nissen, national intercollegiate tumbling champion, was the high scorer of the meet, with two firsts and a second, scoring all of the Pi K. A. points. This versatile man turned in a remarkable performance on the springboard to win a decisive victory in the diving, and also outdistanced the field in the 40 yard freestyle. He trailed Richards, Beta, by a split second in a record-breaking 100 yard freestyle.

Fifteen fraternities, represented by 120 contestants, were on hand to make this the largest and most successful of all intramural events. The times turned in by the winners was exceptional and drew the comment of meet officials.

Athletic managers of the competing fraternities decided that all results should be computed on a time basis rather than have the qualifiers return tomorrow night for final races.

The summaries:

80 yard relay: Won by Phi Kappa Psi; D. U., second; Beta Theta Pi, third. Time 23.4.

40 yard breast stroke: Postle, A. T. O., and Cosson, D. U. tied for first; Goldberg, Phi Epsilon Pi, third. Time 27.4.

40 yard freestyle: Won by Nissen, Pi K. A.; Moseley, Delta Tau Delta, second; Postle, and Hirsteiner, Phi Epsilon Pi, tied for third. Time 21.8.

40 yard backstroke: Won by Evans, Delta Tau Delta; Schunur, Delta Tau Delta, second; Hoak, Phi Psi, third. Time 28.5.

100 yard freestyle: Won by Richards, Beta Theta Pi; Nissen, Pi K. A., second; Josephs, Phi Epsilon Pi, third. Time 1:06.0.

60 yard medley relay: Won by Beta Theta Pi, D. U., second, Phi Kappa Psi, third. Time 34.9.

Diving: Won by Nissen, Pi K. A.; Postle, A. T. O., second; Schmidt, D. U., third. (41.6 points)

Varsity Cagers Oppose Lunch Room Quintet

Barko, Rosenthal Lead First Scrimmage Against Racine's

The University of Iowa basketball aspirants were given their first real test of the youthful season as they ran through a lengthy scrimmage against a team representing Racine's Lunch.

Two full combinations were used during the afternoon indicating that no starting lineup has been reached as yet. The first aggregation to take the floor was one composed of Sam Johnson and Fred Schwartz, forwards; Matt Walsh, center; and Ed Thompson and Joe Van Ysseldyk, guards.

The net group had Capt. John Barko and Sid Rosenthal, forwards; Jack Drees, center; and Al Buss and Ken Suseus. This team was by far the most effective of the two.

The scrimmage disclosed the fact that the Hawks are rapidly developing into a fast, alert outfit that will make plenty of trouble for their opponents once the season gets under way.

Naturally, for this early, a few faults cropped out here and there. The most glaring was the failure of the Iowa players to gain possession of the rebounds off of the backboard on the offensive. Time after time the Hawks gave up scoring opportunities by allowing their opponents to recover the ball after a missed shot.

The guards were a little too slow in bringing the ball up the court.

The passing and shooting of the Hawkeyes were both pretty accurate, but the defense still wasn't functioning as it should. The Iowa team would have had many more points scored on it if the Racine quintet had been more accurate in its sniping. They broke through the Iowa defense constantly, only to miss the try at the basket.

Prices Low For Basketball Games

The same low admission prices which helped to attract about 211,000 persons to the field house during the last three years will be in effect again for the University of Iowa's 1935-36 basketball games.

General admission price for each of the 10 home games will be 40 cents. Reserved seats will be sold for the six home conference contests and the Pittsburgh and Drake games at 75 cents. It has been announced by the board in control of athletics.

Holders of the athletic year tickets again will be entitled to reserved seats without charge. No reserved seats will be available for the first two games, James Millikin and Carleton.

Hawkeye teams, which won 25 and lost only seven on the home court during the last three years, have played before an average crowd of 6,587. The record of 13,000 was set at the Purdue game of February, 1934.

Skull Practice Is Appetizer Preceding Drill of Blue Five

After an extensive skull practice conducted for the enlightenment of his first string men, Coach Kistner rushed his basketball men through another fast drill yesterday evening. With the squad beginning to assume a smoothness that was pitifully lacking in the first workouts, University high's chances for a successful season are beginning to pick up a little.

Working alongside of the first string men are Coach Herb Canine and his sophomore hopefuls. As has been the custom in the past, the sophomore squad will accompany the older team to all scenes of contests and play a game with the opposing junior team before the main event takes place.

Officials Rank Crayne, Simmons Among Big 10's Standouts

Midwest, South To Get Major All-Star Share

Simmons Rated Best Ball Carrier; Crayne, Beise Share Honors

By ALAN GOULD (Associated Press Sports Editor)

NEW YORK, Nov. 19 (AP)—With the tests of fitness for all-America football rating now approaching the semi-final stage, it seems well established that the chief sources of all star supply are the Southwest, Big Ten and Southeastern conferences.

By and large, the teams in these three groups have been turning in more impressive performances than the squads in any other conference.

Minnesota and Ohio State from the Big Ten; Southern Methodist, Texas Christian and Rice from the southwest; Louisiana State and Alabama in the southeastern sector represent what Yale, Harvard, Pennsylvania and Princeton meant to the game in the gay nineties. These seven powerhouses of the middle-west and south, combined, have lost only four games all season.

Since there must be some good individual reasons for this, let's scan the latest sectional reports.

Big Ten; Canvass of coaches and officials unanimous that Jay Berwanger, Chicago, outstanding back in every department of the game, Iowa's Ozzie Simmons best ball carrier in conference, two best fullbacks and blockers are Sheldon Beise, Minnesota, and Dick Crayne, Iowa. Merle Wendt, end, and Gomer Jones, captain and center, most consistent performers of Ohio State squad, Minnesota's tackle, Dick Smith and Earl Widest, head and shoulders above any other pair, with Widest having slight edge, Northwestern's Paul Tangora best running guard in conference.

Wilson a Standout

Southwest: Bobby Wilson, 150-pound Southern Methodist star, best of unusual array of backfield talent. List also includes John McCauley, Rice quarterback; Sammy Baugh, Texas Christian quarterback; Bill Wallace, Rice, and a 1934 all-American back; Jim Lawrence, Texas Christian, halfback; Darrell Lester, Texas Christian's 1934 all-America center, a standout on defense, especially against passes, but has rival in Nichols of Rice. Tackles of all-star caliber include Truman Spain, Southern Methodist, best in conference. Southern Methodist offers best pair of guards in "Iron Man" Wetsel and Maurice Orr. Howell of Arkansas, Sylvester of Rice and Wray of Baylor leading ends.

Southeastern: Riley Smith, Alabama, quarterback, ranking candidate for all-America backfield honors. Rated most valuable player on any team in conference, Jess Fatheree, Louisiana State, developed as outstanding ball carrier. Gaynell Tinsley, Louisiana State, considered by coaches as best all around end in conference. Vanderbilt's captain, Willy Geny, an exceptional pass receiver. Best tackles are Whatley, Alabama; Rukas, Louisiana State; and Paterson, Auburn, Gilbert of Auburn an outstanding center.

Monk Meyer One of Finest

Other parts of the south, as well as the east, midwest and far west have plenty of first class talent to offer for the annual debate.

Army's Charles (Monk) Meyer, by his all around performances against Notre Dame, stamped himself as one of the best backs in the east. The Cadet captain, Bill Shuler at end, was another standout who played the full 60 minutes against the Irish "22." All star candidates in two fine lines, among them Ray and Camp of Dartmouth, Ritter, Weller and Cullinan of Princeton, will collide this week in the leading test of unbeaten teams, New York university's stellar back, Ed Smith, and Colgate's captain and tackle, Charles Wasieck, are others.

Sabot a Star

North Carolina's center, Steve Sabot, is rated by most observers as the best in the southern conference and a particular star on pass defense.

Cochrane Beats W. Hoppe For Billiard Title

CHICAGO, Nov. 19 (AP)—Welter Cochran of San Francisco tonight defeated Willie Hoppe of New York, 59 to 46, for the world's three cushion billiard championship. The match went 46 innings.

Cochran, in succeeding Johnny Layton as champion, regained the title which he won in 1933, but relinquished to the Sedalia, Mo., cussit in last year's tournament. Cochrane and Hoppe went into tonight's play-offs with records of seven victories and one defeat each.

Ray Steele Pins Kingfish Levinsky Hurriedly on Mat

ST. LOUIS, Nov. 19 (AP)—In 25 whirlwind seconds, Ray Steele, Glendale, Cal., wrestler, pinned King Levinsky, Chicago fighter, in their mixed match featuring a combined boxing and wrestling show tonight. Levinsky swung only one solid blow before he was clamped to the mat with a body block, but it was a right handed haymaker to Steele's chin.

It was the blow with which the King said he would knock Steele from the ring, but all it did was momentarily stun the wrestler.

Wearing the regulation six ounce gloves, Levinsky came out from his corner with a rush and, almost before he realized it, was on his back against the ropes.

He threw a roundhouse right at Steele and the wrestler, ducking, tackled Levinsky with a jarring plunge, throwing him against the ropes and finally pinned him.

Briggs Now Sole Owner of Tigers

DETROIT, Nov. 19 (AP)—Full ownership of the world's champion Detroit Tigers, it was announced today, will be acquired by Walter O. Briggs, Detroit industrialist and sportsman who for 15 years was the silent partner of the late Frank J. Navin in control of the club.

The 58-year-old manufacturer whose career carried him from bench worked in a factory to head of the automobile body concern that bears his name, disclosed his plans in a statement issued through Charles F. Navin, club secretary and nephew of Frank Navin.

Briggs' decision to place himself at the helm of one of the most valuable properties in the American league was based on an option agreement with "Uncle Frank" Navin, whose frictionless conduct of the front office during his three decades as club president was the envy of other owners.

"For some years Mr. Navin and I have been partners in the Detroit baseball club," said the statement. "Each of us owning one half interest in it. According to an agreement

Babe Daniel of North Carolina also has fine record in the pivot spot. Ace Parker, Duke quarterback, rates high.

Reports from the Big Six this week again emphasize the candidacy of Bernie Scherer, Nebraska end. The leading conference backs are Lloyd Cardwell of Nebraska, Sam Francis of Nebraska and Bill Breeden of Oklahoma.

On the west coast, Stanford's Bobbi by Grayson and Monk Moscrip and California's Larry Lutz and Bob Herwig stand high.

CHICAGO BEARS EYE GAME WITH DETROIT SUNDAY

KEITH MOLESWORTH HALFBACK

JOE KOPCHA GUARD

CHICAGO, Ill., Nov. 19 (AP)—Detroit's powerful Lions will provide the opposition for the Chicago Bears Sunday in the National professional league. Workouts this week under the direction of George Halas, coach and the assistants, Luke Johnson and "Red" Grange, will be designed toward checking Detroit's famed running attack and aerial maneuvers.

Keith Molesworth and Joe Kopcha will be two of the Bears who are expected to play a prominent part in trying to defeat Detroit. Molesworth, a halfback, is in his eighth season in the post-graduate ranks. He was born in Washington, Ia., and won awards in football, baseball, basketball and track at Monmouth college.

Kopcha is a University of Chattanooga graduate. He studied at Rush Medical college and the boys have dubbed him "Doc."

Some facts about the Bears—the Bears were originally known as Staley's when the club was first organized by George Halas in 1920 at the Staley Manufacturing company in Decatur, Ill. . . . Among the members of this club were Bert Ingersoll, formerly of Iowa and now of Northwestern, and Charles Dressen, managers of the Cincinnati Reds baseball club. . . . In 1921, Halas moved the club to Chicago, arranged to play all home games at Wrigley field, the home of the National-league baseball club, and later changed that name to the Bears.

which Simmons ran wild, and personally conducted the Hawkeyes to a 20 to 7 victory.

Graves Leads Frosh, Varsity Runners Here

Turning in a brilliant 38.2 for the 330 yard dash yesterday, John Graves continued to lead freshman and varsity runners in the annual sprint quadrathlon. Milton Billing, who was tied with Graves last week, placed second in the dash with 38.5.

Ernie Grosser's 39, and James Lyle's 39.3 were the next best times. Lyle's time of 1:03.7 for the two races leads the varsity runners, and Graves holds the freshman laurels with 1:02.5 for the first half of the quadrathlon.

Times for the 220 yard and 330 yard dashes: Graves, 1:02.5; Billing, 1:02.9; Lyle, 1:03.7; Grosser, 1:04; Saunders, 1:05.4; Cretzmeier, 1:04.4; Pratt, 1:04.9; Holman, 1:05.9; Skinner, 1:05.2; Beebe, 1:07.4; Waples, 1:05.4; P. Nelson, 1:07.2; Paschal, 1:07.7; Spencer, 1:08.5; Hicks, 1:07.2.

Van Phillips, last year's winner, reported yesterday and turned in a 39.4 time for the 330 yard dash.

Runners will compete in the 440 yard dash tomorrow and run the last event, the 660 yard dash, next Tuesday.

more confident than he was as a sophomore.

Nine members of the Northwestern squad will be playing their last game Saturday. Wally Cruise, halfback; Hugh Duvall, fullback; Al Lind, center; Henry Longfellow, end; Joe Chambers and Sam Papich, tackles; and Paul Tangora, guard, will be the regulars ending their careers.

The Wildcats, anxious to help Lynn Waldorf by finishing in the 500 class and in at least fourth place in the standings, have been primed for the Hawks and will go into the battle considering themselves the underdogs.

Lower C Clinches Quad Grid Crown

Stopping a last minute drive on the five yard line, Lower C became quadrangle touch football champions yesterday when they conquered a stubborn Upper B team and eked out an 8 to 6 victory. This was the second game of a scheduled three game playoff series.

The game was played on a wet, soggy field swept by a chill wind, making passing and running difficult. Frequent fumbles marred the contest which developed into a punting duel with Knapp and Lehman doing the kicking.

Lower C took an early lead when Upper B fumbled one of Knapp's punts and the ball went out of bounds in the end zone. Referee Fuller ruled it a safety and C led 2 to 0.

This lead was speedily wiped out when Fenton, Upper B back, recovered a fumbled punt on the six yard line. On the second play Bob Champion sneaked over right guard on a weak side play to score.

Lower C came back to assume the lead again as Linnenbom intercepted one of Lehman's passes intended for Gaylor and raced 45 yards to a touchdown. The half ended with C still leading 8 to 6.

Upper B played valiantly in the second half and twice fought their way to within the 10 yard line, only to be stopped by the winners' fine line play. In the last minutes of play B was held for four downs inside the five yard line. The game ended a few seconds after Knapp punted out of danger.

The running and passing of Knapp and the defensive work of Mueller and Ketchen was outstanding for the champions while Gaylor and Fenton looked best for the winners.

Following are those who played on the championship team: Linnenbom, Knapp, Galvin, Long, Ketchen, Mueller, Kettlwell, Coniglio, Eevins, Hoffman, Norem, Sparrowgrove, Jacobsmeyer.

The Upper B lineup included Gaylor, Bausch, Fenton, Lehman, Champron, Reeves, Van Dyke, Magrini, Murdy, Levine and Teeuwen.

Mooney Wins Co-op Cross Country Race

Flashing a powerful finish, John Mooney, Kellogg House, came from behind to nose out Stephen Hinman, Jefferson House, and Harold Hemmingson, Whetstone House, in the inter-cooperative cross country race yesterday over the one mile Flinking course.

Increasing coldness and the wet turf caused many runners to miss this event. On the whole the meet was rather unsatisfactory after the interest shown in last year's run.

Team racing was impossible because of the scarcity of runners and the race was run as a strictly individual matter.

Starting with a powerful spurt, Hemmingson lead all the way with Hinman second and Mooney third. At the half-way mark Mooney took the lead and never relinquished it, breaking the tape about 20 yards of Hinman in very good time considering the muddy course and the wintry blasts that swept the field.

The winners: Won by Mooney, (Kellogg); Hinman (Jefferson), second; Hemmingson (Whetstone), third; Canady (Jefferson), fourth.

For, Bausch, Fenton, Lehman, Champron, Reeves, Van Dyke, Magrini, Murdy, Levine and Teeuwen.

Alfred M. Bailey Will Speak To Times Club This Evening

Speaker Is Graduate Of S. U. L., Director Of Science Academy

ALFRED M. BAILEY

Through the Land of the King of Kings will be the subject of an illustrated Times club lecture by Alfred M. Bailey, world traveler, explorer and naturalist, at 8 o'clock tonight in chemistry auditorium.

Mr. Bailey, director of the Chicago Academy of Science, was a member of the first American expedition to visit the little-known Simony mountains on the northern boundary of Ethiopia. The expedition was organized by the Field museum of Chicago and the Chicago Daily News.

Mr. Bailey received his B.A. degree from the University of Iowa. As a member of the U. S. biological survey expedition to Laysan island in the Hawaiian group in 1913, he studied and photographed bird and mammal life there. He has been curator of birds and mammals in the Louisiana State museum.

He cruised for a year and a half among Alaskan islands as a representative of the U. S. biological survey in Alaska, and spent 16 months among the Eskimos when he was leader of a Colorado museum expedition.

Mr. Bailey has traveled and photographed extensively in many parts of the U. S., as curator of birds and mammals in the Colorado museum.

Admission tickets may be purchased at the school of journalism office or at the door.

J. Frederick Essary of the Baltimore Sun will deliver a Times club lecture Saturday, "Lifting the Lid on Washington."

Hill Approves \$2,534 Grant Needle Project

L. S. Hill, Iowa PWA administrator, yesterday approved a grant of \$2,534 to establish a Johnson county sewing room project, according to the Associated Press.

The sewing project, which is to replace the local FERA mattress factory which closed last week, is scheduled to employ 14 persons.

The county will add \$6,781 to the government grant.

The sewing room project was one of 35 state projects approved yesterday to give jobs to 25,235 unemployed Iowans.

Scouts to Sponsor "Old Toy" Show At Varsity Theater

An old toy will admit any Iowa City child to the Boy Scout's "old toy" show at the Varsity theater Saturday morning. The toys collected by the scouts will be taken to the Iowa City junior high school manual arts department for repairing and repainting and will be given to the Social Service league for distribution.

Featuring the movie program will be "The Lone Cowboy," starring Jackie Cooper, and a comedy and a cartoon.

The first show Saturday will begin at 9 a.m. with a second show to follow at 9:45 a.m. providing enough children are on hand. The comedy will be "All Sealed Up" and the cartoon is "Betty Boop's Prize Show."

Rev. S. Ellis to Return As Pastor of Methodist Church

THE REV. AND MRS. SYLVESTER ELLIS

The Rev. Sylvester E. Ellis will again become pastor of Iowa City's First Methodist Episcopal church following an absence of 12 years.

The Rev. Mr. Ellis who served as pastor at the local church for 11 years from 1913 to 1923 returns to the pastorate succeeding the Rev. Harry D. Henry, who resigned early this fall to become president of Iowa Wesleyan college at Mt. Pleasant.

Became Pastor

He came to Iowa City to receive medical treatment 14 months ago following an automobile accident.

After the Rev. Mr. Ellis left here he became pastor at the Methodist Episcopal church in Mt. Vernon. From there he went to Marshalltown where he became pastor for the second time, as he held a pastorate there before coming to Iowa City. His next pastorate was in Osage and from there he returned to Iowa City.

He is a graduate of Ohio Wesleyan

university of Delaware, Ohio, where he received his B.A. degree. He is also a graduate of the Divinity School of Theology at Denver, Colo., and received an S.T.B. degree there. Denver university conferred a doctor of divinity degree on the Rev. Mr. Ellis.

Daughters, Sons

Two daughters, Nell Ellis, employed in the admission office at the Children's hospital, and Mrs. Dorothy Scheldrup, reside in Iowa City. A third daughter, Mrs. Mary Conn, resides in Detroit, Mich. A son, Prof. Howard Ellis, who recently returned from a two-year study in Vienna on a Rockefeller Research fellowship, is a professor of economics at the University of Michigan.

The Rev. Mr. Ellis has had two daughters and a son graduate from the University of Iowa. The Rev. and Mrs. Ellis reside at 109 S. Johnson street. He is a member of the Masonic order and Sigma Alpha Epsilon fraternity.

300 Fathers, Mothers, Children View Hobby Show at Center

Ping Pong Exhibited, Tap Dancers Take Part in Programs

By MALCOLM J. CARR
More than 300 fathers, mothers, and children filled the recreational center rooms to overflowing last night at the center's hobby show between the hours of 7 and 10 o'clock.

Two performances were given by members of the center's tap dancing class, Myron Madison of Mapleton explained the process of developing photograph negatives, and Harold Bright played Don Delsing in an exhibition ping pong match as additional attractions for the hobby enthusiasts.

19 Exhibits

Nineteen exhibits were on display on large tables lined around the room, including hobbies as unique as a collection of 120 empty "go-pher" match packets from 120 different towns.

Fifty-eight tobacco pipes of odd and fantastic shapes and sizes were contributed by Dr. Donald Slaughter of the pharmacology department at the University of Iowa. A German pipe 100 years old headed the collection, closely followed by a Chinese, a Danish meerschaum, an Austrian, a Bohemian, an Irish bog oak, a French, a Calabash, an American crow's foot, and a churchwarden pipe.

Among a large number of Chinese articles owned by Mrs. Charles H. McCloy, 407 S. Dodge street, was a peculiarly shaped musical instru-

ment called the "shen," a piece of "k'o's'u," known as the most delicate and costly form of Chinese tapestry; an elaborate bride's jacket; a silver comb adorned with kingfisher feathers, and a yellow tile taken from a roof in an old imperial city which was destroyed in the revolution of 1913.

A table display of pewter ware collected by Mrs. Jacob Van der Zee included a sixteenth century Italian communion cup, an early English coffee pot, a German copy of a Roman beaker, a Holland spoon, and an early American ale cup.

Add Clubs To Chest Groups

Add University Club, Triangle; Will Elect Directors Tuesday

Two clubs were added to the participating groups of the Community chest at a meeting of the board of directors last night. The annual meeting for election of new directors was set for Tuesday evening.

University and Triangle clubs, the two groups added, bringing the total to 30 organizations, were named in recognition of "valuable public service," Mayor Thomas E. Martin, chairman of the board, said.

One representative of each of the 30 participating groups will meet Tuesday evening to select eight directors, a chairman, vice-chairman, and treasurer will be chosen.

The board authorized Nyle W.
