(Daily Iowan Sports Editor)
COLUMBUS, Ohio, Jan. 18 (Special) — Ohio State requited with vengeance for her defeat at Iowa City last week by outspeeding Iowa's itinerant Hawkeyes here tonight, 34 to 26. The loss extended the Hawkeyes string of reversals here to nine straight. Not since 1923 has Iowa won at Columbus.

The irate Bucks uncorked a driving short pass attack in the last five minutes to break a 21 to 21 deadlock after the Hawkeyes had outplayed them to that point.

Leading the way in the display of precise shooting were Capt. Warren Whitinger and Earl Thomas, 6 feet 3 inch center. The pair accounted for 12 of the Bucks 13 points in the last minute rally which brought the crowd of 8,000 to its feet.

The Hawkeyes offered a battle all the way down the stretch in the first half. The Old Gold five penetrated the home team's defense in the opening period for five field goals from in close and four free throws to hold a 14 to 13 lead at half time. Joe Van Ysedyk sank a sleeper to increase the margin to 16 to 13, but here the Bucks unleashed their full fury and went into a 19 to 16 lead which they held for the rest of the game.

Two sensational long shots by Capt. John Barko and a free throw by Van Ysedyk tied the count at 21 to 21 and it appeared as if the Hawkeyes might match the Scarlet down the home stretch. But the Rosenhals, weary after playing themselves off their feet, were sitting on the bench. The Ohio attack crashed through the vulnerable Iowa defense with unbridled power, scoring 11 points before Walsh could count on a rebound. Kenny Suesens, assigned to guard (See No. TWO, Page 7)

Keller to Give Less Time To WPA Efforts

DES MOINES, Jan. 18 (AP)—L. S. Hill, Iowa WPA administrator returned from Washington, D. C., today and reduced WPA administrative expenses by about a third.

Details of the curtailment, part of a nation-wide order from Federal Administrator Harry L. Hopkins, were not completed today but they included the partial retirement of George H. Keller, deputy administrator.

Hill said A. E. Michel, who has been director of projects, would become deputy administrator and that Keller would remain only in an advisory capacity, devoting about a day a week to the job.

ATTORNEYS IN LAST DITCH FIGHT FOR HAUPTMANN

Critics Doubt Hoffman 'New Evidence' Talk

TRENTON, N. J., Jan. 18 (AP)—The critics of Gov. Harold G. Hoffman, openly skeptical of his "new evidence" in the Lindbergh case, watchfully waited tonight for him to show what he's got.

"It's up to the governor to produce," was the sentiment of those who sided with Attorney General David T. Wilentz in the belief that the chief executive "hasn't got a thing."

The attorney general, who not only says no new evidence has been produced but also that the governor lacked legal right to grant the 30-day reprieve which he extended to Bruno Richard Hauptmann two days ago, conferred during the day with Col. H. Norman Schwarzkopf, head of the state police.

Wilentz said afterward there would be no formal statement. The two men gave careful study to the fiery statement which Governor Hoffman made yesterday—a statement in which he defied his foes to impeach him and expressed doubt as to Hauptmann having been the only person involved in the Lindbergh kidnap murder.

After their conference it was learned they had agreed that "no good purpose would be served by controversy with the governor on his theories or points of view."

Deaths Follow Heavy Snowfall In East, Middlewest; Tornado, Accidents Claim More Victims

CHICAGO, Jan. 18 (AP)—Drama rode with a swift flying snow storm which covered most of the midwest with a fresh blanket today, ranging as deep as a foot and a half.

Much colder weather trailed the storm, whose center sped from near St. Louis during the night to central New York state in the afternoon, but the mercury started climbing again in the northern plain states after sinking deep under zero last night.

Believe Four Dead
Racine, Wis., coastguardsmen found the wreckage of a fishing tug near Kenosha and expressed belief that its crew of four had perished early, conferred during the day with Col. H. Norman Schwarzkopf, head of the state police.

'Clean-Up Week' in Community Chest Drive to Begin Monday

"Clean-up week" in the 1936 Iowa City Community Chest campaign will start Monday, it was announced yesterday by Graham Dean, director. "We know that most of the canvassing has already been done," said Mr. Dean, "and this week we hope to clean up the hundreds of cards which are still out."

The chest total Saturday night stood at slightly more than \$5,500. J. P. Clark, leader of the non-resident corporation group, reported to Mr. Dean yesterday that more than \$700 already has been given in his division, and that the total collections should run up to approximately \$1,200.

Turn in \$1,000
More than \$1,000 has been turned in by the residential group working under the direction of Mrs. Edward F. Rate, with 15 teams yet to report. The \$5,500 reported to date is approximately one-fourth of the budget estimate and drive goal of \$20,000. Mr. Dean estimated that approximately one-fourth of the collection cards are now in, and that the goal will be reached if local people maintain the rate of giving that has been evident in the first week of the campaign.

King Displays Symptoms Of Heart Attack

Anxiety Deepens Over British Monarch As Illness Nears Crisis

SANDRINGHAM, England, Jan. 19 (Sunday) (AP)—King George V, suffering from a cardiac weakness and a bronchial ailment, was sleeping peacefully at an early hour this morning.

The last official bulletin issued last night said there had been no change in his condition since an early evening announcement, which stated that "the cardiac weakness and embarrassment of circulation has slightly increased and gives cause for anxiety."

Great Anxiety
A statement that there would be no further bulletins during the night, barring a sudden change for the worse, served somewhat to allay apprehension over the condition of the 70-year-old monarch, but there was great anxiety throughout his far-flung empire and the whole world.

All Appears Quiet
Bronchial catarrh, it was said, has affected the sovereign's lungs and nose, causing hoarseness, feverishness and sore throat. Cardiac weakness has been caused, it was stated, by a pulmonary inflammation which affected the lungs and the heart.

Quarters Ablaze
The servants' quarters were ablaze with light, and all were on duty, a fact which was not explained, but which was taken to indicate the extreme anxiety of officials for the safety of the king.

100 Per Cent Club

Nineteen organizations had become members of the "100 per cent club" yesterday, signifying that the divisions had received contributions from each member or employee. The club list yesterday included the Iowa City Teachers' club, Montgomery Ward and company, Checker Electric Supply company, Sears Roebuck and Company.

J. B. Cash grocery, Connel and company, Chief Motor Sales company, Novotny's bicycle shop, J. C. Penney and Company, Lubin's pharmacy, Rock Island freight depot, Dr. W. X. M. Rohrbacher sanitarium, Spencer's Harmony hall, Co-ed beauty shop, Glichrst beauty shop, Pohler's, Bremers, Bagwell, Inc., and the Social Service league staff.

King's Servant Of Sixty Years Relates Thrill

SANDRINGHAM, Jan. 18 (AP)—For 60 years George William Patrick now a grizzled old man of 74, has worked for King George—and in all that time the sovereign spoke to him only once. But it is still the biggest and proudest moment of his life.

"It would be worth going through the whole thing again for that thrill," said Patrick tonight as he brooded over a pint of ale at the inn, "The Feathers."

He was dazzled by the news that "the squire, God bless 'im," was seriously ill.

"I saw him only a few days ago, riding his white pony around the estate," the old man said. "He must have caught cold, for it was a bitter winter day."

Patrick, who started as a kitchen boy and then rose to bush bearer the status of woodchopper in his old age.

He recalled that the king spoke to him on Christmas two years ago when he stood in line with the servants and shook hands with the monarch.

Senate Delays Bonus Passage

Leaders Change Plans As Final Vote On Bond Issue Nears

WASHINGTON, Jan. 18 (AP)—After turning down by a decisive margin a proposal to pay the soldiers' bonus in new currency, the senate late today deferred until Monday the virtually certain passage of the coalition bill to discharge the \$2,000,000,000 debt in cashable small bonds.

A sudden change in plans by democratic leaders delayed the action just as it appeared that a final vote was in sight. Another 15 minutes probably would have disposed of the issue.

Just as Senator King (D-Utah) arose to present the final amendment, to pay only the cash surrender, or present value, of the adjusted service certificates, Senator Borah (R-Idaho) called attention to the hour and remarked that since the bill was to be passed anyway nothing would be lost by putting off a final vote.

Democratic leaders conferred hurriedly and the signal "no decision today" was given when Majority Leader Robinson of Arkansas asked for an open executive session to pass on nominations, customary last minute business of a legislative day.

Herring Gives Belated Report

Liquor Seal Solution Places Blame Upon Deceased Employee

DES MOINES, Ia., Jan. 18 (AP)—Gov. Clyde L. Herring submitted late today an official explanation of the Iowa liquor seals mystery which blamed a former liquor commission employee, now dead, for stealing and selling seals to bootleggers.

The governor's report, which he first promised Dec. 14 to make within "10 days or two weeks," also cleared Bernard E. Manley of any connection with the circulation of seals among illegal liquor dealers.

The report, compiled by Lehan T. Ryan, assistant attorney general commissioned by the governor to "get to the bottom of this seals business," did not, however, name the dead liquor commission employee.

Neither did it explain why Mike Mercurio, reputed Des Moines bootlegger, told the grand jury he bought 20,000 seals for \$1,000 from Manley, why he fled when called upon to testify against the liquor commission chairman, or why he claimed he fled because a liquor commission agent told him he "would be a dead dago" if he did testify.

It did, however, advance three possible reasons Mercurio contended he bought seals from Manley.

Governor Herring submitted the seals report as he announced his candidacy for United States senator and commented only briefly concerning it.

"I am disappointed," he said, "in that we were totally unable to confirm various stories told by those in one way or another implicated. I am gratified, however, in being satisfied that no one connected with the liquor commission was in any way involved."

Convention Endorses F. R.
OMAHA, Neb. (AP)—The democratic state central committee at its meeting here endorsed President Roosevelt and Vice-President Garner for re-election and awarded the state convention May 7 to Omaha.

Interrupts Conference
Late this afternoon the Iowa executive interrupted a conference with a group of Council Bluffs residents on medical relief matters to hand his statement to newspaper men waiting in his reception room.

Should Herring receive the democratic nomination it would be the second time he has occupied that place on the party's state ticket. He was the candidate for senator in 1922, when he was defeated by Smith W. Brookhart, the republican nominee.

In 1920 Herring was the democratic party's unsuccessful candidate for governor.

"Lie Down For An Aeon or Two"

RUDYARD KIPLING, having founded on his three-score-and-10, has laid down his pen for the last time.

Two days ago he was a sick old man who had once been a vigorous poet, short story writer, and novelist—one whose powers had waned with increasing age, whose reputation had dwindled a little more with every additional word he published.

But today Kipling has become a memory; and, with his discarding of a worn-out body, we can discard the memory of his poorer work.

We can remember only the enormous amount of his labor that was touched with the fire of authentic genius.

All of us have the privilege, once in our lives, of being "modern." Later we grow old and lag in the race.

Kipling was once a vigorous and colorful modern who wrote contrary to the delicate and conventional traditions of the time.

Organized Cheering: THE RAH-RAH college days may be past, but the University of Iowa has yet to see the time when cheering at basketball games has been at all organized or even effective.

As the situation exists at the present time, when cheer leaders do attempt some good old Iowa yells, the result are anything but effective.

Students should be placed in a certain section where cheer leaders can direct yells and get results.

Effective cheering and singing at any athletic event requires a good deal of planning and much leadership.

As the situation exists at the present time, when cheer leaders do attempt some good old Iowa yells, the result are anything but effective.

Students should be placed in a certain section where cheer leaders can direct yells and get results.

ing to and from classes in the building, it seems that something ought to be done to make the entrance wider.

If the university lacks the labor or funds necessary to work on this doorway, it might be made another relief project.

Down With Baby Derbies: IN TORONTO, Can., there once lived a man with a strange sense of humor.

He died 10 years ago, and his will provided that \$100,000 of his estate be given to a woman who gave birth to the most babies within 10 years after his death.

There is no objection to large families if the parents are mentally, morally and financially able to rear them.

Recent magazine articles have pointed out, however, that all of the families in the race are poor.

It is a crime against society as well as these children to attempt to raise them in these squalid surroundings.

One family has stated that it intends to "go on relief" if it loses.

It will be impossible to refuse governmental aid to these families in case of need.

Lag: ALTHOUGH American business made progress toward recovery in the last year, it was made at the expense of labor, according to a chart of the American Federation of Labor based on figures issued by the federal reserve board.

The chart points out that production has jumped 14 percent, profits climbed 40 percent, but employment rose only four percent.

In reviewing these figures, we must take into consideration the fact that the cost of living has been boosted approximately five percent.

First consideration of the above facts might lead us to believe recovery is impossible.

However, we must remember that if the lag in income in the lower scales continues for more than its natural period it may lead to a loss of gains already made by business.

What Others Think: The modernist in physics no longer talks of silver but of silvers.

There is a heavy silver and a light silver, chemically indistinguishable from each other, the one outweighing the other in the ratio of 109 to 107.

Professor Arthur J. Dempster of the University of Chicago, an expert in these matters, rose at St. Louis to tell the American Association for the Advancement of Science that something ought to be done about this.

However, Mr. Morgenthau will probably shrug his shoulders indifferently when he finds that no silver lode is at present yielding more silver of one kind than the other.

A Washington Bystander

By KIRKE SIMPSON

WASHINGTON—Pending clarification of administration and all other views as to what to do now about farm legislation, the only remarks made by President Roosevelt directly about supreme court overthrow of AAA attract attention.

Why, then, in planning his next step need Mr. Roosevelt study both opinions in the AAA case? A possible explanation is that he has two steps, not one, upon which to decide.

The first is immediate, to meet the farm legislation emergency due to the fall of AAA. Short of some all but unimaginable congressional flouting of the supreme court's dictum, whatever is done must be shaped to accord with the majority ruling.

Or Amend the Court: The second step would be how to seek a reversal or material modification of that majority ruling.

Assuming that President Roosevelt and his successor in the first practically democratic for that period, in the second instance, could amend the court rather than the constitution.

22 Foreign Students Choose S.U.I. "Typically American"

Most of the students from the 22 foreign countries represented at the University of Iowa say that they chose this university because it is "typically American."

Joseph Safra, also from Turkey, is studying engineering though his father is a banker.

Robert Allen-Gomez, A4 of Asuncion, Paraguay, president of the International Student's association in Iowa City, plans to return to his motherland after completing his work in the economics and finance department.

Although Edelmira Hendee of Peru is classified as a senior, her education will not end with the diploma she will receive this spring.

Cedar Rapids Man Wins Two Awards in Statewide Photo Contest of S.U.I. Camera Club

Bertha Morey Takes Second Prize; Prof. Williams Is Third

Both the Grant Wood award of \$10 for the best photograph of Iowa architecture before 1850, and the University Camera club prize of \$10 for the best historic picture, went to Robert O. Bickel of Cedar Rapids in the first statewide photographic contest, sponsored by the University Camera club judged yesterday.

Bertha Morey of Ottumwa was awarded the second prize of \$5 and Prof. Harold M. Williams of Iowa City won the third award of \$2.

Shows Old Mill
"Motor Mill," the winning photograph, represents an old mill built in 1849 on the Turkey river six miles below Elkader. Although it has been abandoned since the railroad failed to pass near its location, the building remains in excellent condition, testifying to the good workmanship of the pioneers who built it.

The picture which ranked second, "Old Well, Pearson House, Keosauqua," shows an old windmill-type well, the first one dug in Van Buren county, at the door of the first house built of brick and limestone in the county, in 1848.

Snaps Old Barn
A very old barn in the Catholic parish founded in 1851 near St. Donatus, south of Dubuque, was the subject of Professor Williams' photograph, "Logs and Stone." Since the settlers in this district came from Luxembourg, they built in the Old World fashion to which they were accustomed, and the barn is of the type found in Luxembourg.

The winning photographs and the 22 other entries in the contest will be exhibited in Iowa Union during the first two weeks in February, according to Lee W. Cochran of the visual education department, who is chairman of the contest committee.

Judges of the contest were: George L. Horner, university architect; R. W. Scharf, Iowa City photographer; and Herb Schwartz, Des Moines Register photographer.

Check Pictures
Jacob A. Swisher and William J. Peterson, both of the State Historical society, checked the pictures for historical authenticity. Most of the entries lay in the period between 1850 and the Civil war. Five were eligible for the Grant Wood award.

Among other interesting photographs which will be on exhibit in Iowa Union are: an entry by Prof. John E. Briggs of the political science department, showing the ruins of William Maxson's home near Springdale where John Brown's band stayed before their raid on Harper's Ferry; Hinckle House near Selma, a building of the dog-trot type, where horse and rider could trot up to the bar; and the Henderson-Lewelling house near Salem, once besieged by owners of runaway slaves.

Hospital Employees Earn 13,000 Meals in Vacation Period
More than 13,000 meals were earned by substitute employees working at university hospitals during the Christmas holiday period, according to figures released yesterday by Lee H. Kann, director of the university employment bureau.

About 150 substitute employees, working three, six or nine hours, replaced twice that number of regular board job employees over the 11 and one-half day vacation period. Of the substitutes, 10 were women, the others men, most of them students already enrolled in the university.

Engineers Will See Boulder Dam Pictures
Four reels of motion pictures on "Building the Boulder Dam" will be shown at an open meeting of the student chapter of the American Society of Mechanical Engineers tomorrow evening at 7:15 in chemistry auditorium.

Prof. Ralph M. Barnes and Prof. Emory W. Lane, both of the college of engineering, will attend the January meeting of the tri-city section of the society at Rock Island Arsenal Tuesday evening where the motion picture will be shown again.

Legion Auxiliary
American Legion auxiliary business meeting scheduled for tomorrow evening at the American Legion building has been postponed until Feb. 3.

SEEN From OLD CAPITOL

This department wonders how the Sigma Chi pledge with a hot water bottle while in faring with his fraters these days. Just prior to the recess the pledge, who slept with a hot water bottle at his feet and changed its contents several times during the night, had his "pet" pilfered. The pledge vowed that he'd have revenge.

Campus Romance: We understand that Bob Euphie, Phi Psi pledge, breaks dates constantly with Betty Barrett, Delta Gamma. She must be a glutton for punishment because she keeps coming back for more. . . . Kurt Yocum didn't do so well when he tried to cut in on Mark True's girl, D. Rae Keith, at the Military Ball. Incidentally, plenty of jaws caught elbows at the affair.

When Arnold Brown recently contributed a few poems about exams to this department he aroused the ire of at least one student. It seems like petty jealousy but here is the complaint and a rebuttal by Mr. Brown:

THE COMPLAINT
He works a man who is quite sincere
He works so hard and is just a dear,
When anything is up, he's sure to know it
But worst of all—the guy's a poet!

He rants and roars about exams and stuff
But he's not smart—just likes to bluff.
With all his faults (and there are plenty)
I'd sell his hulk for a measly twenty.
But still I've got to give him a hand—
The big stiff looks just like a man.
—SEEZAL

THE REBUTTAL
When I was small and just a boy,
I was amused by many toys,
But now I find my happiness,
By jealous poets and their hiss.

I know my writings are not so hot
And that they are a lot of rot,
But even with all this in view
There is this credit that is due:

I don't sit back and try to find
Things to say that are unkind,
Instead I write about exams
So now I'm one up on you hams.

If your group hasn't already entered the all-university Sing Fest, there is still time to do so until tomorrow. Here's a swell opportunity to prove that you weren't chaffing when you said you could sing—or else provide yourself with an excuse for a bit of yodeling practice.

News Briefs

Prof. Stephen H. Bush, head of the Romance languages department, will present a paper on "The Basis for Medieval Emotionalism," at a meeting of the Humanist society tomorrow evening at 8 o'clock at the home of Prof. Franklin H. Professor Kurtz will address the afternoon session on "Television and Its Possibilities."

Further reports on the recent national meeting of botanists in St. Louis will be given at a regular meeting of the Botany club tomorrow afternoon at 4 o'clock. . . . Irma Goepfinger of Boone, who was graduated from the school of journalism here in 1921, has accepted a position as librarian for the Lakeside Press in Chicago, according to word received here this week. . . . Activities and pledges of Sigma Delta Chi will convene at 5:30 this evening in the S.P.C.S. room above Smith's cafe for a dinner meeting and initiation.

Quad Council Will Meet Tomorrow

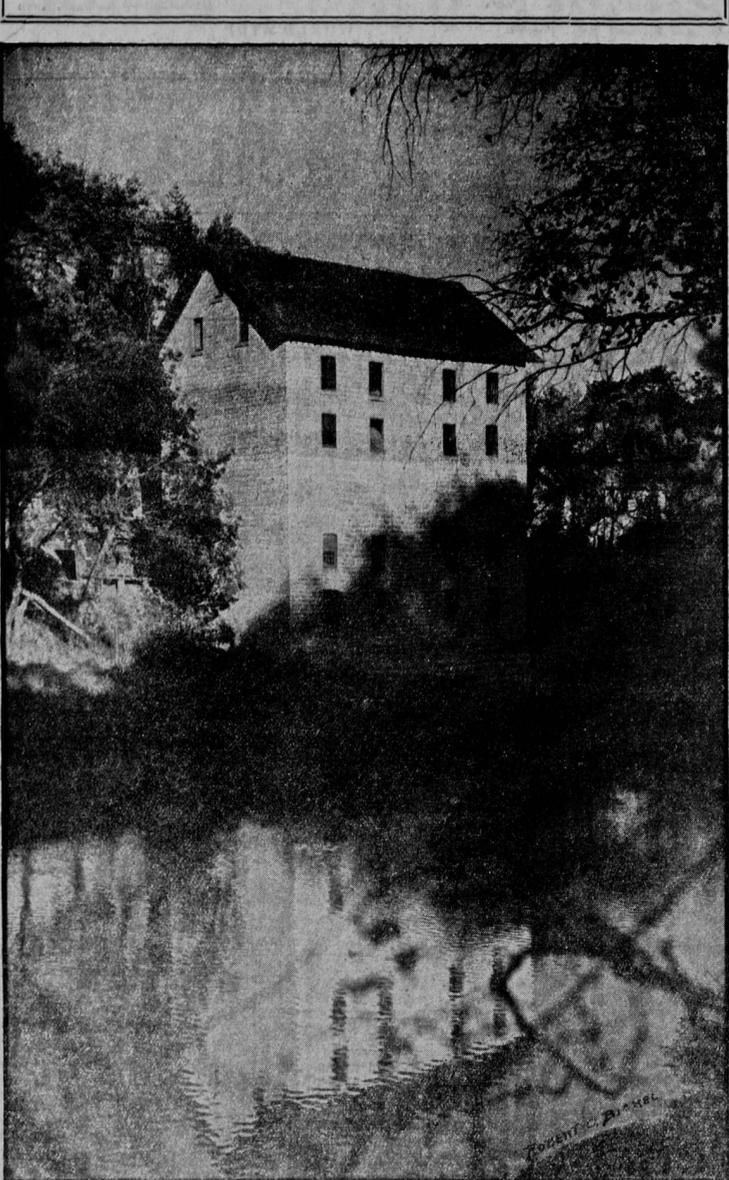

Members of the Quadrangle council will convene at 7:30 p.m. tomorrow for their first meeting of 1936.

The council consists of eight proctors, one athletic proctor, and 20 councilmen, and is the self-governing organization of the Quadrangle. William M. Hughey, G of Dayton, Ohio, is president.

Well Balanced Cast Presents 3 Performances of Comedy

Acting with a quiet amusement that produced more smiles than laughs, a finely balanced cast of University theater players last week gave three performances of J. B. Priestley's "Laburnum Grove."

This light play, a combination of English sophisticated comedy and mystery drama, called for suave interpretation, clipped dialogue and a display of witty English humor. These qualities were present in Max Ellis' portrayal of George Radfern, the "dull" owner of a paper business, who later turns out to be a counterfeiter of stocks and bonds.

The production, however, would have been monotonously on this same level except for the comedy Foster Harmon put into the characterization of Bernard Baxley, a parastatic brother-in-law living on Radfern's good nature and "tainted" money. The two styles used by Ellis and Harmon, one comic and the other a bit farcical, proved to be complements rather than distracting contrasts.

It wasn't until the accusal scene in the last act that Ellis became inconsistent. Faced with the possibility of exposure but secure in the knowledge that the Scotland Yard detective (played by Chauncey Fay) lacks sufficient evidence for a conviction, Radfern becomes at times a frightened individual totally lacking the humor previously displayed.

Theatrice Hazard, as Radfern's daughter Elsie, lent a bit of spontaneity to the performance and topped the fine job she did several months ago playing a more serious role in "Birthright." Although her fiancée breaks off their engagement upon learning her father's occupa-

Rufus Jones To Speak At Union Tonight

"Fresh Installments of Life" to Be Topic of Quaker Leader

Prof. Rufus M. Jones, Quaker leader and interpreter of Quaker philosophy, will deliver a university vesper address on "Fresh Installments of Life" this evening at 8 o'clock in Iowa Union.

President Eugene A. Gilmore will preside at the services, and the Rev. Ilton T. Jones of the First Presbyterian church will give the invocation. The university chamber orchestra, directed by Prof. Phillip G. Clapp, head of the music department, will play the andante cantabile from Beethoven's first symphony, and the university chorus, under the direction of Prof. Addison Aispach of the music department, will sing "Almighty and Everlasting God," by Gibbons, as part of the vesper program.

Born in South China, Me., 73 years ago, Professor Jones received his LL.D. degree from Haverford college in 1886 and the following year studied at the University of Heidelberg. He attended Oxford university in 1908 and received a D.D. degree from Harvard university two years later.

For 32 years the Quaker leader has been a professor of philosophy at Haverford college, one of the leading Quaker schools in the United States. For several years he was editor of the Quaker publications, "Friends' Review, the American Friend and Present Day Papers."

He is affiliated with the American Philosophy society, Phi Beta Kappa, and the American Medieval society.

The author of 36 books, Professor Jones has recently written an autobiography which is divided into several volumes corresponding to the stages of his life. Among his numerous editions are "Quakerism, a Religion of Life," "Fundamental Ends of Life," "The Church's Debt to Heretics," "Finding the Trial of Life," "Faith and Practice of the Quakers," "New Studies in Mystical Religion," the "New Quest" and "Some Exponents of Mystical Religion."

Professor Jones is closely connected with the social service activities conducted by the Quakers, and is regarded as one of the best living interpreters of the mystical point of view in religion. He has taken the Quaker attitude toward all social questions, and was active in the work of the Friends during the World war.

Prof. M. Willard Lampe, director of the school of religion, who is personally acquainted with the philosopher, said of him, "Rufus Jones is one of the most attractive speakers on our vesper program. To him religion is the great reality, and he has the ability to state his understanding of it in a very simple and impressive way."

Professor Jones will be the guest of Prof. and Mrs. Frederic G. Higbee while in Iowa City.

Williams Presents Broadcast on KDKA

Julian R. Williams, brother of Mrs. Charles B. Righter, 419 Person avenue, and his choir will broadcast over station KDKA at Pittsburgh, Pa., this evening at 10:30.

Mr. Williams and the choir will present an a cappella program of Bach and Russian compositions. He is employed as organist at St. Stephen's Episcopal church in Sewich, Pa., a suburb of Pittsburgh.

Music Students Give Recitals

Three Recitals Will Be Given Wednesday By University Students

Three recitals will be presented by students in the music department Wednesday at 4 p.m., one each in north rehearsal hall, south rehearsal hall, and room 105, music studio building. Students and the general public may attend.

A regular part of the training in instrumental and vocal music, the recitals offer students an opportunity for experience in public performance. The increased enrollment in these courses and the growing interest displayed by students have lately necessitated presentation of several recitals each week.

To Take Part
The following students will take part in the recital in south hall: Gilbert McEwen, A3 of Mason City; Ruby Dempsey, A2 of DeWitt; Wayne Hastings, A2 of Waukon; Edna Lenick, A3 of Fairfax; Esther Rittenhouse, A3 of Keota; Margaret Lang, A1 of Wilton Junction; Helen Kaufman, A1 of Moscow; Virginia Heiny, A2 of Iowa City; Raymond Brady, A1 of Dougherty; Frances Hartman, A1 of Great Falls, Mont.; and Phyllis Joens, A3 of Lone Tree.

In north hall the following students will take part: Grant Perrin, G of Cedar Rapids; Dorothy Dickson, A4 of Montezuma; Ruth MacBride, A3 of Independence; Margaret White, A1 of Rolfe; Gracka Quandt, A4 of Klemme; Dorothy Scheidrup, G of Iowa City; Robert Titus, A1 of Marion; Carolyn Coe, A2 of Springfield, Ill.; Drexel Hollison of Iowa City; Alice V. Smith, A3 of Council Bluffs; and Dorothy Johnson, A3 of Oak Park, Ill.

Honor Recitals
The following students will appear in room 105, music studio building: Alfred Soucek, A3 of Iowa City; Philip Lavon of Iowa City, Phyllis Joens, A3 of Lone Tree; Miriam Boyesen, A3 of Melbourne, Robert Whitehead, G of Tulsa, Okla.; Marjula Bee Pratt, A4 of Burt; Merwyn Green, A3 of North Liberty; William Plant, A3 of Iowa City; Hughes, G of Lamar, Colo.; Gertrude Isenberg, A2 of Davenport; Mary Louise Cutler, A2 of Council Bluffs; and Marianne Witschi, U of Iowa City.

Honor recitals to be broadcast by students chosen by the music department faculty for outstanding performance in general recitals, will begin next semester.

COLUMBUS, Ohio (Special) — Iowa's Hawkeyes, defeated by Ohio State last night in the Buckeye fold, 34 to 26, are in a rampaging mood as they move to Ann Arbor to meet Michigan's improved cage quintet tomorrow night.

Michigan, tossing a powerhouse attack in the face of Bill Haarlow and his Maroon mates last night, will be poison on its home court. After dropping their Big Ten opener to Indiana, the Wolverines came back to drop Minnesota 38 to 25, but fell before Purdue last Monday, 41 to 23.

Barko's Last Game
Led by Capt. John Barko, playing his last game for the Old Gold, the Hawkeyes are out for vengeance, trying to better their present .500 percentage in Big Ten games. Joe Van Yseldyk, sophomore sharpshooting guard, who counted three field goals and two free throws to lead Iowa scoring last night, will be the chief thorn in the Wolverine side.

Michigan has been playing without the services of Long John Gee, 6 foot, 9 inch center who has been removed from the lineup to rest before the start of the second semester. Meyers, a letterman regular of last year, has been moved to a forward post while Earl Townsend, regular forward has been shoved up into the center position.

High Scorers
Both of the Townsends, John and Earl, will have to be watched closely by Williams' cagers, as will Rudness, guard. The Townsends scored 29 markers between them in the Maroon game, while Rudness counted 12.

In an effort to stop the elongated Wolverines and their deliberate attack, the Hawks will employ a zone defense for the first time this year.

The Iowa squad remained in Columbus last night and entrained for Ann Arbor early this morning.

Bill Haarlow Gains Top In Big 10 Scores

Bill Haarlow, 1935 Big Ten scoring champ, took the lead in the 1936 race by scoring 16 points against Michigan last night while Warren Whitlinger, last week's leader, was held to 11 points by the Hawkeyes.

Louis To Gird For Max On Honeymoon

CHICAGO, Jan. 18 (AP)—No more chins for Joe Louis to smash until he meets the beetle-browed Max Schmeling in New York next June.

This was definitely decided tonight as plans for the brown "cambelmer" to appear in Detroit in a match with Isidore Gatanaga were dropped.

The Honeymoon
Consequently Louis became immediately concerned over a belated honeymoon trip to Honolulu or the Philippines with his bride.

Louis fingered a bank roll of \$23,069.28, his share of the gross gate of \$68,797.62 for registering his twenty-third knockout in tagging lantern jawed Charley Retzlaff in one minute and 25 seconds in the Chicago stadium last night.

Charley's Going Home
Retzlaff, making no mention of retiring, found solace in a check for \$9,803.16. Long lean Charley, home-sick for his wife and three children, left tonight for his ranch near Leonard, N.D.

Wolverines, Indiana Victors

Wolves Roll Over Hapless Maroon Team

Bill Haarlow Gets 16 Markers in High Scoring Cage Tilt

ANN ARBOR, Mich., Jan. 18 (AP)—Michigan scored an impressive 51-to-33 triumph over Bill Haarlow and the University of Chicago basketball team tonight.

The Wolverines grabbed the lead in the second minute of the game and kept it thereafter, being ahead 25 to 17 at the intermission.

Haarlow, whose sensational one-handed shots from the corners made him the individual scoring star of the evening with 16 points, fattened his season's record in four big team games to 55 points. John Townsend and George Rudness, with 12 points each, tied for the Michigan scoring honors.

Fourteen Wolverines got into the game, Coach Franklin Cappon substituting freely to save his regulars for the Iowa contest here, Monday.

Ramblers Gird For Ambrosian Tilt Tuesday

Tuesday night St. Mary's scrappy Ramblers invade the St. Ambrose stronghold as even favorites to annex a win. The two schools meet on an equal basis for the Maroons and the Davenport Saints have only one veteran apiece in their starting lineups.

St. Mary's lone veteran is "Skip" Adrian, spark plug forward while St. Ambrose has the mammoth Gene Caffery, who made eight of his teams 15 points when the local St. Pat's outfit defeated them 25 to 15.

As usual the Ramblers will depend upon their fast break, with Adrian doing most of the shooting in his unconventional manner.

Coach Francis Suenkel is still searching for a forward to take Alberhasky's place in the starting lineup. The Rambler machine is in for much juggling of the lineup as for the Marian's mentor tries to find a dependable replacement.

IOWA'S LEADING AMATEUR

Simmons Wins Award As State's Outstanding Amateur by Huge Vote

Ozzie Simmons, Iowa's galloping phantom of the gridiron, was acclaimed the outstanding amateur of the state yesterday in a poll of Hawkeyeland sport enthusiasts.

The final awarding was announced last night by the Des Moines Register in a copy-righted story released to The Daily Iowan.

Simmons tallied 142,464 votes, to win over Corwin Bonebrake, Diagonal high star, and Myrtle Fisher, all-American basketball ace. The vote was the largest ever cast in a state's sport poll.

Ozzie succeeds Dick Crayne, as the state's outstanding amateur. Crayne, last year's winner, was not eligible for competition this season. As a result of his selection, Simmons will receive a suitable award from the Register and Tribune.

Irish Reserves To Get Chance Against Oxford

St. Pat's reserves will get their big chance Tuesday night when the Irish travel to Oxford to play a return engagement with that hapless Black and Orange aggregation.

Oxford has been handicapped this season by lack of gym facilities and reports indicate that the game with the Shamrocks will be played in a converted barn.

With final exams out of the way, the hard fighting south-siders got back to work this afternoon at 1:30 for the first time since they took a close 25 to 24 decision from St.

Gophers Scare Hoosier Team In Close Game

Indiana Cagers Forced To Stalling Game In Closing Minutes

MINNEAPOLIS, Jan. 18 (AP)—Indiana maintained unblemished its victory string in the Western conference basketball race by defeating Minnesota, 33 to 31, tonight.

The Hoosiers had to resort to a stalling game in the last three minutes with only two points separating the rivals, to stave off possible defeat.

The score at the half was tied at 21-all. In the second half, the Gophers did not get a field goal for the first 10 minutes but unusual accuracy from the free throw line kept Minnesota within scoring distance of the visitors.

It was Indiana's fourth straight conference win without a loss and Minnesota's fourth defeat in as many games.

Hawkeye Swimmers Score Decisive A.A.U. Triumph

Ten Hawkeyes Get Olympic Swim Chances

Westerfield, Relaysmen Set New Course Swimming Marks

FINAL STANDING

University of Iowa	57
Iowa State College	17
Beatrice, Neb. Y.M.C.A.	12
Omaha Tech High	10
Lincoln, Neb. Y.M.C.A.	5
Dayton, Y.M.C.A.	3
Cedar Rapids Y.M.C.A.	3

Shattering two records established in 1927, a powerful University of Iowa swimming team last night successfully defended its Mid-Western A.A.U. championship at the fieldhouse pool.

Ten Hawkeye tanksters will receive Olympic certificates as a result of their work, enabling them to qualify for the final Olympic tryouts this summer.

The 500 yard medley relay team, composed of Westerfield, Wilbur Wehmeyer and Jack Sig, smashed the university long course record at that event, with a time of 3:29.1, much lower than the former figure of 3:37 set in 1927.

Westerfield Sets Record

Dick Westerfield, sensational junior backstroke, set a new long course meet record in his specialty, negotiating the 150 yards in 1:48.4, nearly 12 seconds better than the former mark. The Iowa 300-yard medley relay team, composed of Westerfield, Wilbur Wehmeyer and Jack Sig, smashed the university long course record at that event, with a time of 3:29.1, much lower than the former figure of 3:37 set in 1927.

One upset occurred in last night's races when Adolf Jacobsmeyer, defending champion in the 100-yard free style, failed to place in the event.

Burt Angwert of the Lincoln, Neb. Y.M.C.A. was the winner. Sig was the only Iowan to score in the race, finishing fourth. Jacobsmeyer, however, came back in the final event to walk off with first place in the 500-yard free style. Bob Christians, Iowa sophomore, showed up well as he paddled his way to second honors.

Iowa Diver Wins

Arn Christian, leading varsity diver, who competed in the meet unattached, captured the high board title, although Wayt of the Davenport "Y" pushed him all the way, coming within nine points of the winner. Stark, Hawk soph, garnered a fourth.

The 10 Hawkeyes who will receive Olympic certificates for landing among the first three place-winners are: Dick Westerfield, Jack Sig, Arn Christian, Robert Christians, Adolf Jacobsmeyer, Robert Allen, Wilbur Wehmeyer, Wilson Fall, John Stark and Edward Kaye.

Summaries Saturday

100-yard free style—Won by Angwert (Lincoln "Y"); Lynde (unattached, Lincoln), second; Burkett (Iowa State), third; Sig (Iowa), fourth. Time 56.9.

Lyle's Team Wins Easily In Relay Run

G. Cunningham Pulls Team From Sixth Place to 2nd in Heat

Showing power in every phase of the mile and a quarter relay yesterday, the Alpha Chi Omega representatives captured the sorority relay event yesterday before one of the largest crowds ever to witness these events.

In a nip and tuck race, the Phi Kappa Psi's nosed out the Alpha Phi Alpha fraternity to win the inter-fraternity relay.

Francis Cretzmeyer, Iowa's one man track team, added the shot put to his already overflowing repertoire to pile up 18 points for the individual honors of the meet.

Wiggins Nips Dooley

Ed Wiggins, freshman flash, surprised the crowd when he defeated Andy Dooley and Orval Matteson in the 60 yard dash. The time was 10.3. The world record is 9.61 for the distance.

Ed Gordon, winner of the broad jump in the 1932 Olympic games, could only jump 22 feet 11 inches, one inch behind Cretzmeyer.

Cunningham Gains

Glenn Cunningham, running anchor man for Currier hall, gave the crowd a thrill when he took the baton in sixth place and carried it up to second place in his heat. In a last minute effort to provide a winning team, John Mooney, captain of the Currier team, switched places with Cunningham. Cunningham turned in a 1:57 half mile, but he was unable to overcome the 200 yard handicap given to him by his team mates.

James Lyle, sophomore middle-distance man, finished ahead of Cunningham turning in a 1:59 half mile. John Graves' Kappa Alpha Theta team won their first heat easily, but were placed second in the final standings because of slower time.

Roy Scheibel, freshman vaulter, soared over the bar at 12 feet 3 inches to cop this event. A few trials were taken by Scheibel in trying to better his own record of 12 feet 6 inches, but he was unable to do this.

In the fraternity relay, last year's champions, the Delta Chi's, were handicapped by the new ruling permitting varsity track men to compete and placed third in the contest. Shipley Farroh put the shot 41 feet 2 inches to win. Francis Cretzmeyer shoved the metal ball out far enough to place second.

The summaries:

60 yard high hurdles—Won by Latham; R. Waples, second; Teufel, third; Moore, fourth. Time—3.09.

60 yard low hurdles—Won by Cretzmeyer; Latham, second; Osho, third; Wiggins, fourth. Time—5.09.

60 yard dash—Won by Wiggins; Dooley, second; E. Waples, third; Teufel, fourth. Time—10.3.

Quadrangle relay—Won by Upper C; Lower A, second; Upper D, third. Time—50.03.

Fraternity relay—Won by Phi Kappa Psi; Alpha Phi Alpha, second; Delta Chi, third. Time—1:11.01.

Dormitory relay—Won by Fieldhouse; Wilson, second; Kellogg, third. Time—49.03.

Sorority relay—Won by Alpha Chi Omega; Kappa Alpha Theta, second; Currier hall, third. Time—4:45.4.

Broad jump—Won by Cretzmeyer; Gordon, second; Sheppard, third; Dobson, fourth. Distance—23 feet.

High jump—Won by Cretzmeyer; Gordon, second; Latham, third. Height—5 feet 10 3/4 inches.

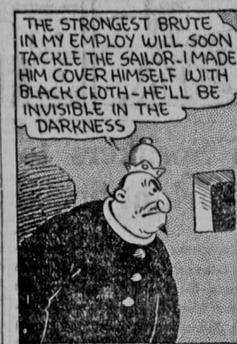

Pole vault—Won by Scheibel; Stevens, second; Bencke, third; Walker, fourth. Height—12 feet 3 inches.

Shot put—Won by Farroh; Cretzmeyer, second; Eicherly, third; Harkness, fourth. Distance—41 feet 2 inches.

Three members of Purdue's basketball squad feel perfectly at home when the Bollermakers take the floor to play their home games in the Jefferson high school gymnasium in Lafayette. Ed Elliott, center, and Jewell Young and John Sines, forwards, are all former stars on the Jefferson high school five, which is coached by A. B. Masters, a former Bollermaker luminary.

Squash racquets, which was installed as an official minor sport at Purdue a year ago, is proving exceedingly popular at the Bollermaker institution. The Bollermaker varsity invaded the east during the holidays where it picked up invaluable experience against the leading teams in the game's "hotbed".

THIMBLE THEATER STARRING POPEYE

SORORITY WINNERS

These men, running under the colors of Alpha Chi Omega, captured the sorority event in the all-university relays yesterday, in 4:45.4. They are, left to right, Dick Bowlin, Bob Osho, Jimmy Lyle, captain, and Orval Matteson.

NUMBER TWO

(Continued from page 1)

Whitinger, performed brilliantly, holding his renowned foe to two field goals before leaving the floor scarcely able to walk.

Drees performed better than at any time this year, especially on rebounds. He was still unable to get high enough into the air to get the tip off which was one of the reasons Iowa lost at Wisconsin.

Iowa's shooting was above reproach as they made almost one fourth of their shots. But the leech like Buckeye defense, covering them all over the floor, gave them little opportunity to set themselves.

The Hawkeyes remain in Columbus tonight, boarding a train early tomorrow for Ann Arbor to meet the Wolverines. It will be Capt. John Barke's last game.

Ohio started the scoring in the initial period when Tippy Dye converted on a pair of charity tosses. Thomas and Whitinger each dropped in a field goal before Rosenthal could put Iowa in the running with a free throw.

After Rosenthal broke the ice, Drees dropped in a pair of close in buckets to make the count 6 to 5 in favor of the Bucks.

Ohio State retaliates. Again Ohio State retaliated with a barrage of field goals, Whitinger dropping in two tallies and Dye one, giving the home team a 11 to 5 advantage.

Joe Van Ysedyk took the situation into hand when he made a double marker from close in followed by a free throw to make the gap only 11 to 7. After Van Ysedyk's one man exhibition, Raudabaugh made a setup giving the Buckeyes a 13 point total for the first half.

Rosenthal and Suesens converted after being fouled to give the Hawks nine points. Rosy came right back to make a long shot and Van Ysedyk dribbled in beautifully to score easily, finally putting Iowa out in front 14 to 13 as the gun sounded for intermission.

After the rest period, Joe Van Ysedyk again dribbled through the Ohio State outfit to increase Iowa's lead to 16 markers. McDonald, Dye, Raudabaugh and Thomas all hit the hoop for four consecutive buckets in a rally that put the Bucks in front 21 to 16 as the Iowa defense wilted.

Captain Barke staged a belated rally at this point to make it 21 all as he put in two shots from difficult angles, also receiving aid from Van Ysedyk in the form of a converted free throw.

Walsh, Barke and Rosenthal made free throws and Matt Walsh converted a rebound to close the Hawkeyes' scoring while Thomas made another goal from the field to give the Bucks a 24 to 26 decision.

Fidler Sets Date For "White Hope" Bouts in Des Moines

DES MOINES, Jan. 18 (AP)—The first series of the heavyweight elimination boxing bouts in Jack Dempsey's Missouri valley "white hope" tournament will be held here the first week of February. Promoter Dave Fidler said today.

Des Moines, Milwaukee, St. Louis and Chicago will be midwest tournament centers. The winners and runners-up will be eligible for the former heavyweight champion's finals tournament in New York City.

Fidler said he expected more than 50 fighters from Iowa, Nebraska, Minnesota and Kansas to enter the Des Moines tournament.

The Des Moines promoter also announced that Buddy Baer will start a midwest fight campaign here Feb. 21. His opponent has not been selected. Buddy will be accompanied here by his brother, Max, and Aniel Hoffman, manager of the Baer interests.

Purdue's basketball squad has shown little respect for undefeated teams so far this season. The Bollermakers have been responsible for inflicting the first defeats of the year on Western State, DePaul (Chicago), Notre Dame and Ohio State.

Notre Dame Wins

PHILADELPHIA, (AP)—Sparked by Johnny Moir, Notre Dame's touring basketball rambler continued their court supremacy over Pennsylvania tonight with a 37 to 27 victory.

Cyclone Drop Kansas State AMES, Ia. (AP)—Iowa State, after two Big Six conference defeats, jumped into the winning column last night with a 31 to 29 basketball victory over Kansas State.

MIAMI, Fla. (AP)—Denny Shute, veteran Chicago professional, added 3 under par 69 to the like figure he had yesterday for 138, to take the \$200 top prize in the regular division of the 36-hole, \$1,500 Tropic Open Golf tournament here yesterday.

247 Navy Boxers Work Out for Team

ANNAPOLIS, Md., Jan. 18 (AP)—Young fighters are moving to the front for places on the navy boxing team which opens against Western Maryland college Feb. 1.

H. M. (Spike) Webb, veteran boxing coach, is working with a 247-man squad. Next week he will select his "A" squad of 32 fighters.

Leonard E. Ewoldt, Hartley, Ia., who began boxing this season, heads the 125-pound class.

Famous Flyer Scheduled For Lecture Here

Amelia E. Putnam To Deliver Speech On 'Aviation Adventure'

Amelia Earhart Putnam, world premier aviatrix, will deliver a university lecture on "Aviation Adventure" March 31 at 8 p.m. in the main lounge of Iowa Union, it was announced yesterday.

The internationally famed aviatrix, now a member of the Purdue university faculty, began her aerial career in 1920. Her first lessons in flying were received near Los Angeles, where she had gone with her father, after working at Columbia university. Her desire to learn how to fly was so great that she pawned her jewelry and fur coat to obtain money for the plane, and worked as a mail and file clerk to continue her lessons without letting her father know what she was doing with the money.

Miss Earhart probably has more aviation records than any of her women contemporaries. She was the first woman to fly the Atlantic; to fly solo across the Atlantic; to fly the Atlantic twice; to fly an autogyro; to cross the United States in an autogyro; to receive the distinguished flying cross; to receive the National Geographic society's gold medal; to make a transcontinental non-stop flight; to obtain a license in the United States to carry passengers for hire in cabin planes weighing up to 7,700 pounds.

She also holds the women's transcontinental speed record, and is the former holder of the international speed record.

Previous to her memorable trans-Atlantic flight in 1928, she was connected with settlement work. Since then she has been aviation editor of a national magazine and written extensively.

She is the author of two books, "Twenty Hours and Forty Minutes" and the "Fun of It," identified with the founding of the air line from New York and Washington and the air line between Boston and Bangor, Me. Miss Earhart is also vice-president of the National Aeronautical association.

with DICK EVERETT

Are Your Walks Clean?

Local residents last night were urged by City Engineer J. F. Sproatt to shovel the sidewalks in front of their homes. Mr. Sproatt said that the city would remove ice and snow from all unshoveled walks and charge it to the property.

Sets Sale Date

Hearing on the proposed receiver's sale of Jess' Uptown cafe was set for 9 a.m., Jan. 24, by District Judge Harold D. Evans yesterday.

Friars' Club Lays Plans

Local Friars' club members last night were negotiating with several speakers of wide prominence to talk at their first annual stag dinner to be held here Feb. 12. A new organization, the Friars' club is composed of both university students and prominent young Iowa City business men.

Enough Is Enough

Just one snow after another. City Engineer J. F. Sproatt and Street Commissioner R. J. Kidder have sworn a lifelong enmity to "old man winter." For the fourth time this winter, the city street crew was called out tonight to clear downtown streets of excessive snow and ice. The task is not only expensive, but all concerned lose a good night's sleep.

Have Firm Convictions

Local police are convinced that the price of liquor has taken a sharp decrease. More persons last night were arrested for drunkenness than at any time in the last six months.

Bank to Make Final Payment

Tiffin Bank Will Pay Dividend Totaling \$4,823.48 Monday

A six per cent final dividend payment of \$4,823.48 will be made by the Tiffin Savings bank Monday in the receivership office in the Johnson County bank building, it was announced yesterday by Ben Summerwill, examiner of the bank. Monday's payment will bring the total of dividends paid out by the Tiffin bank to \$60,342.44, or 76 per cent of the total deposits in the bank at the time of its closing. The Tiffin bank closed its doors Sept. 26, 1932.

Mrs. Kubichek, Local Pioneer, Dies in Home

Mrs. Wesley J. Kubichek, 65, lifelong resident of Iowa City, died at her home, 926 E. Church street, yesterday at 2:45 p.m. Mrs. Kubichek was born here Jan. 9, 1871, daughter of one of Iowa City's pioneer families. Surviving are her husband, two daughters, Rose of Iowa City and Mrs. Charles Criz of Cedar Rapids; a son, Wesley of Washington, D. C.; and a grandson, Vernon Criz of Cedar Rapids. Friends may call at the Beckman funeral chapel. Funeral arrangements are to be made later.

Defense Attorney Calls More Witnesses In Sorenson Hearing

Shortly after noon yesterday, hearing of the equity action in which the state of Iowa seeks title to property held by Otto J. Sorenson and others was closed by District Judge Harold D. Evans.

Before resting his case the defense introduced further testimony to show that no artificial fill had been west on the property located on the west bank of the Iowa river south of the Iowa avenue bridge.

Judge Evans granted LeRoy Badger, assistant attorney general of Iowa, and Prof. Clarence M. Uppgraft of the law school, attorneys for the plaintiff and Will J. Hayes, defense attorney, a week in which to file written arguments.

Joseph Watkins, civil engineer and surveyor, first defense witness called yesterday morning, read engineers' records of the Old Snooks Grove road, built in 1853, which ran directly through the Demery property. The high water mark of the Iowa river was fifty feet east of the present level at that time, he testified.

T. M. Fairchild, local lawyer, next told of his observations of the course of the Iowa river during his boyhood here. A. C. Smith testified that no cinders had ever been hauled on the river bank on which the Midway Inn is now located. He was the last defense witness to testify.

Miss Buckman Gives Recital

Lorraine Buckman, A4 of Charis City, pianist, will present the first of the semester's individual recitals by students in the music department tomorrow evening at 8:15 in north rehearsal hall.

- The program follows:
- Sonata, opus 28 Beethoven
 - Allegro
 - Andante
 - Scherzo: Allegro vivace
 - Rondo: Allegro ma non troppo
 - Nocturne, opus 62, no. 1 Chopin
 - Polonaise, opus 28, no. 1 Chopin
 - Concerto, opus 58, in G major Beethoven
 - Allegro moderato
 - Andante con moto
 - Rondo: Vivace
- Individual recitals are required for all seniors and graduate students studying instruments or voice.

Amish Resigns First Aid Post

Announcement was made yesterday of the resignation of Assistant Fire Chief Herman Amish as chairman of the first aid department of the Johnson County Red Cross. Pressing duties at the fire station in the evenings was advanced as the reason for Mr. Amish's resignation. Attorney D. C. Nolan, however, declined to accept the resignation on behalf of the local Red Cross chapter. He said every effort will be made to hold the first aid lessons at the city hall, so that Mr. Amish will be also available for fire duty. A total of 66 persons received first aid certificates under Mr. Amish's direction last year. Thirty meetings were held.

General Biddle Dies

SAN ANTONIO, Tex. (AP)—Major Gen. John Biddle, retired, died yesterday in the station hospital, Ft. Sam Houston, after a lingering illness. He was 75.

Harold Bauer, Pianist, to Give Recital Wednesday at 8 P.M.

Harold Bauer, pianist, will present a recital Wednesday at 8 p.m. in Iowa Union lounge as the third event in the university concert course of 1935-36.

"Harold Bauer shares with Paderewski the first position in piano in the world," Prof. Philip G. Clapp, head of the music department, said recently. "His reputation is international."

Was Violinist

Born in England, Bauer was acclaimed as a great violinist in his youth. A chance conversation with Paderewski, who was then at the height of his career, and force of circumstances turned him to the study of piano. Immediate success throughout Europe followed his debut with the Berlin symphony orchestra.

In 1900 Bauer made his first appearance in the United States with the Boston symphony orchestra. He performed a Brahms concerto, unaware that Brahms' music was heartily disliked in Boston at that time. In spite of this handicap Boston critics were generous with their praise of his playing. A nation-wide concert tour followed.

Tours United States

Every other year thereafter Bauer toured the United States, appearing with the foremost symphonies, until his reputation in this country became as well-established as in Europe. In 1921 he decided to make

HAROLD BAUER

his home here and received American citizenship papers.

Since that time he has become America's best-known pianist, playing over the radio, with leading symphony orchestras, and in individual concerts.

Tickets for Wednesday's concert are available in room 15, music studio building.

Officers Hunt Thug Suspects

Watchman Bound And Gagged in Attempted Robbery Saturday

Advancing the theory that an outside band of thugs yesterday morning bound Irving Klema, night watchman, and attempted to break open a safe at the Hawkeye Lumber company, Iowa City police last night warned surrounding cities to be on the lookout for suspects.

Klema was accosted by three men as he made his rounds Saturday morning, and was tied hand and foot after the bandits produced pistols and a rifle before the watchman could get to his own gun. Klema was taken to an alley behind the Washington hotel, bound with sack cord, gagged and left in a snowbank.

The thugs then broke into the Hawkeye Lumber company office, knocking the combination from a safe, but failing to break open the box. They fled without loot after the safe resisted all attempts to open it. Klema succeeded in loosening his leg bonds, and Washington hotel employees removed his gag and untied his hands.

Haskell Will Preside At Final Contest Of University Song Fest

Prof. George D. Haskell of the college of commerce will be master of ceremonies at the final contest of the all-university Song Fest which will be broadcast over WSIU Feb. 19.

Four men's groups and four women's groups selected from the preliminary contest will compete in the finals, the winners of which will be awarded the trophies now on display at Williams Iowa Supply.

Campus organizations are rehearsing for the preliminary contests which will take place Feb. 10 and 11 at Iowa Union. Nine groups who have already entered the Song Fest are: from the men's groups, Beta Theta Pi, Sigma Chi, Delta Upsilon, and Phi Gamma Delta fraternities, and Kappa Gamma house; from the women's groups, Gamma Phi Beta, Kappa Kappa Gamma, and Alpha Xi Delta sororities, and Russell house.

Entries for the contest will be accepted until tomorrow at Iowa Union desk.

"Jews in Germany" Is Title of Service

"Jews in Germany," will be the theme of a sermon by the Rev. Evans A. Worthley, pastor of the Unitarian church, at the service of worship this morning. His sermon will deal with the resignation of James G. McDonald, high commissioner for refugees coming out of Germany.

The Fireside club will hold open house from 5:30 to 7 o'clock this evening. Mrs. Kusum Thakore of India will be the guest speaker.

Mrs. A. Sherman Of Cedar Rapids Dies in Iowa City

Mrs. Anna Belle Sherman, 86, of Cedar Rapids, died at the home of her daughter, Mrs. H. C. Dorcas, 1803 E. Court street, at 5 o'clock yesterday afternoon following a six months' illness.

In addition to Mrs. Dorcas, Mrs. Sherman is survived by a sister, Mrs. Miriam Clark of Denver, Colo.; and a daughter, Mrs. H. P. Douglass of Mt. Clair, N. J. Funeral service will be conducted at the Turner chapel in Cedar Rapids, and definite funeral plans will be announced later. Mrs. Sherman had been a resident of Cedar Rapids most of her life.

Plan Funeral Service For Mrs. Phillips

Funeral service for Mrs. Hannah Phillips, 77, for many years a resident of Iowa City and Johnson county, will be conducted tomorrow morning at 9 o'clock at St. Patrick's church. Burial will be in St. Joseph's cemetery.

Mrs. Phillips died at her home, 229 S. Johnson street, Friday evening following a lingering illness. Surviving here are three sons, Thomas and Ray, both of Iowa City, and Frank of Boston; and a daughter, Mrs. Clem A. Boyle of Iowa City.

Strong Will Explain Rural Program To County Organization

An explanation of the state rural electrification program will be offered by H. J. Strong, manager of the Scott county electric cooperative, at a meeting of the Johnson county rural electrification organization Monday at 7:30 p.m. in the American Legion building.

Plans for the meeting were completed yesterday by County Agent Emmett C. Gardner.

Gaffney Rules Tax Collection Must Proceed

Ruling that it was physically impossible to record taxes on the first day of the year and that several weeks are required for the work, District Judge James P. Gaffney yesterday handed down a decision ordering County Treasurer W. E. Smith to proceed with collection of taxes which were not delinquent on April 1, 1935.

Judge Gaffney's decision was on a tax action brought by A. B. Murphy against Johnson county. The plaintiff contended that the treasurer must carry forward on Jan. 1 the delinquent real estate tax as presented by the county auditor on Dec. 31.

6 Speakers to Discuss Relief Work at Social Service Dinner

Six speakers will present 10 minute talks on various topics under the general heading of "A Survey of the Relief Work and Problems in Johnson County," following the annual dinner of the Social Service league Thursday evening at 6 p.m. in the American Legion dining room.

County, state and federal agencies, in addition to the Social Service league, will be represented by workers in these fields, who will be introduced to the audience by Miss Ruth Gallagher, president of the league's board of directors.

Anyone interested in the relief problems of Iowa City and Johnson county may attend the dinner by making reservation at the Social Service league office, 2149, before the dinner.

Speakers and their topics are as follows: Frances G. Wilson, executive secretary of the Social Service league, will present a report of the "Work of the Executive Secretary," which will include an account of the work with families and individuals on relief in 1935.

Monica Lyman, field supervisor for the Iowa emergency relief administration with headquarters in Davenport, will talk on "State Relief in Johnson County." Her subject includes the administration and distribution of state (and federal, insofar as they are administered by

the state) funds, and the regulations concerning their use. She will also estimate the amount of relief money received by Johnson county.

"Relief Work by Johnson County" will be the topic presented by a member of the Johnson county board of supervisors, either D. J. Peters, Iowa City member, or C. W. Laclina, chairman of the board.

The amount of money spent during 1935 for outdoor relief of the county home, the juvenile home, as well as the amount of bonds issued for relief, the tax levy for relief and the proportion of money spent on relief and other activities will be included in this speech.

"Report on the Work of the Social League for the Community" will be discussed by a member of the board of directors of the league.

The Johnson County Medical association will be represented by Dr. Paul Reed, chairman of the committee, who will explain the contract with the county concerning the medical care of people on relief.

"Federal Relief Work as it Relates to Johnson County" will be summarized by Dr. W. L. Bywater, county chairman of the FERA. Work of the federal relief agencies, WPA, PWA, and CCC during 1935 will be given. The possibilities of continuation of federal relief for 1936, and the terms on which funds are allotted to the states are also included in the summary.

Dorm Erection To Start Soon

Transient Students To Provide Labor On Cottage Structures

Work on two men's dormitory cottages, to be located in the rear of children's hospital, will begin as soon as weather permits, President Eugene A. Gilmore has announced.

The federal government has allocated \$28,500 for three structures. Requisitions for material have been made at the WPA office. George L. Horner, university architect, said yesterday.

Transient students enrolled in the university will serve as unskilled laborers for the project.

Plans call for the erection of temporary interior partitions, allowing for the future conversion of these buildings into any type of structure, that might be required.

The dormitories will be built of hollow tile and brick construction. Floors in the buildings will be of cement and the roofs of slate.

WHEN Albert Benjamin "Happy" Chandler, new governor of Kentucky, registered at Transylvania College (Lexington, Ky.), he had, he says, "a five dollar bill, a red sweater, and a smile." He added to this combination athletic skill, its resulting physical buoyancy, plus ability to play jazz on the piano. Out several years to coach basketball, "Happy" returned to Transylvania for an A. B. in 1921. The University of Kentucky made him a lawyer. Until 1927 he coached freshman football at Centre College while he attended to law cases brought to him. He had been doing chores of all sorts since high school days, when a rural mailman father turned him over to relatives.

Election to a state senatorship from his native Versailles in 1929 spelled the doom in 1935 of both Democratic and Republican machines in the state. The lieutenant governorship was his in 1931. He shortly broke with his friend, Ruby Laffoon, governor and Kentucky Colonel creator. In Governor Laffoon's absence he forced through a law requiring the selection of a gubernatorial candidate by primary, not party convention. By fortuitous and planned maneuvering, he steam rolled to the governorship in November. He was not an old-line Democratic choice, but he was a Democrat and he endorsed President Roosevelt, and Jim Farley announced that he was glad.

Medical Friend

FAR removed from the political whirligig that had red-headed Governor Chandler cruising the state for votes in a sound truck with a red-combed live rooster on the radiator, is Professor Lloyd Arnold of the University of Illinois, in a state neighbor to Kentucky. With a colleague, Dr. J. A. Vaichulis, in the division of bacteriology, department of health, Dr. Arnold has perfected a new skin disinfectant for surgical use. The new solution is much cheaper than any disinfectant known today and more efficient than any in use. Eminent in medicine, Dr. Arnold received B. A. and M. A. at Texas Christian, an M. D. at Vanderbilt. He has taught at Tulane, Loyola (Chicago), and Vanderbilt.

By ART SNIDER (Daily Iowan Sports Editor)
YOST FIELDHOUSE, Ann Arbor, Mich., Jan. 20 (Special)—Michigan's towering basketball team, averaging six feet three inches in height, stained Iowa's traveling record, already lined with disaster, by nipping the Hawkeyes in a torrid overtime finish here tonight, 31 to 27.

Deadlocked at 27 to 27 when Matt Walsh flipped in a sensational one-handed push shot for Iowa in the closing minute, the Wolverines resorted to a deliberate, high passing game which shook George Rudness and Captain Tamagno loose for successful shots to give Michigan its hardest earned victory of the season.

Close Battle
The Hawkeyes, exploding a wrath which has been intensified by two successive road reversals, furnished the lofty Maize and Blue quintet with a battle all of the way, coming within a hair's breadth of snatching a triumph when both Walsh and Van Ysseldyk missed close in shots in the last 10 seconds.

The Old 'Gold Invaders, after spending the early minutes packing the sky scraping home team down to their own size, continued in the style they played against Carleton and Illinois and took a 12 to 11 lead in the first half with four minutes left to play. The entrance of little Sid Rosenthal, on the sick list during the day, fired the Hawkeyes in their first half rally.

Rosenthal Stars
The tiny forward twice intercepted passes and dribbled the length of the floor to sink brilliant set ups. Aiding him all the way was Matt Walsh, a replacement for Floyd DeHeer who started in order to give Iowa more height. Walsh was uncanny in the vicinity of the free throw line, whirling time after time and dropping in baskets with astonishing consistency. Five times he whipped the ball through the net and on five other occasions, he came close enough to draw "ohs" and "ahs" from the crowd of 4,000.

Capt. John Barko, playing his last contest for Iowa, was unable to find the range from the field but exhibited a splendid floor game, feeding Walsh and Rosenthal when the openings turned up.
