

Runyon Admits Part In Britt Death; Sentenced To Life Imprisonment

Sudden Action Comes After Removal From Mason City Jail

Was Secretly Removed To Garner; Lenient Treatment Given As Cause for Confession

GARNER, March 8 (AP)—Thomas J. Runyon, 31, Bethel, Minn., late this afternoon on arraignment before Judge Henry Graven here, admitted he was one of the gang that killed James Zrostlik, Britt farmer, in November, 1935, and was sentenced to life imprisonment.

Runyon's sudden plea and quick confession came after he was secretly moved here from the Cerro Gordo county jail at Mason City where he had been held since Thursday and arraigned on a second degree murder charge.

Lenient Judge Graven, in passing sentence, said that Runyon was dealt with leniently in turn for which the confessed bank robber promised to tell all he knew of the gang of mobsters and killers operating in this territory.

The move was taken as a direct attempt to break up this mob and was highly commended by Attorney General John Mitchell, who also praised the work of State Agent Paul Gruber who arrested Runyon at Wichita, Kan., and the state bureau of investigation.

Runyon was immediately closeted with officials after the trial and deep secrecy regarding the next move prevailed. The Garner courthouse was surrounded by guards and highway patrolmen and Runyon was heavily guarded on his trip from Mason City, for fear an attempt would be made by his fellow gangsters either to free him or kill him enroute to keep him from talking.

Court Feared On Crop Plan

Farm Leaders Endorse Agriculture Insurance Before Committee

WASHINGTON, March 8 (AP)—Farm leaders from a dozen states endorsed crop insurance in testimony before a senate committee today, although several committee members and witnesses said such legislation might be ruled unconstitutional.

One witness answered this suggestion by pointing to President Roosevelt's court reorganization program as improving the possibility for favorable court decisions on such farm legislation.

Emil Lorika, president of the farmers union of South Dakota, told the committee "We all realize the situation is clouded by the overhanging shadow of possible veto by courts."

The farm group included Thatcher, John Vesecky, president of the Kansas Farmers union; C. C. Talbot, president of the North Dakota Farmers union; Emil Lorika, vice-president of the South Dakota Farmers union; Leo Doherty and J. Edward Anderson of the Minnesota Farmers union; and D. L. O'Connor, president of Minnesota Farmers Union Terminal association.

Underwriters Group Names 3 Directors

Three directors, C. W. Keyser, R. W. McCollister and D. T. Davis, have been elected by the local Underwriters association to comply with the laws of the national organization, it was announced last night.

With 20 members and the charter closed, the membership in the national organization is now complete. The next meeting will be April 3.

Report Steamer In 'Dangerous Position' Off Maryland Coast

BOSTON, March 8 (AP)—Coast guard headquarters tonight said the steamer William H. Moody of Portland, Me., reported she was in a "dangerous position" off Cape Porpoise Harbor, Me., and requested immediate aid.

The master reported he had ordered his ship anchored because of a disabled boiler. He requested a coast guard cutter to tow the Moody to Portland.

The cutter Oaspee on patrol in the vicinity, was ordered to the Moody's aid.

Senate Leaders Taboo French Loan Proposal

WASHINGTON, March 8 (AP)—Administration leaders made known tonight that they had thrown cold water on a French proposal designed to make it easier for France to borrow from American investors.

Leaders on Capitol Hill and in the treasury hastened to announce their attitude after Senator Borah (R-Ida) had arisen in the senate to declare that he had heard intimations that Secretary Morgenthau would countenance the shipment of private American funds to France to be invested in the French billion dollar defense loan.

Borah warned the "bankers involved" in the reported plan that they would run "some risk" because the Johnson act forbids loans to defaulting war debtors.

Shortly afterward, Morgenthau disclosed to congressional chiefs that France had asked last Friday whether the United States would object if it named a fiscal agent in New York, such as J. P. Morgan and company to pay coupons on the new defense loan in dollars.

Morgenthau replied on Saturday that in view of "American legislation" the treasury did "envisage objections."

New York Agent By appointing a New York fiscal agent, France would facilitate payments to American investors in dollars and this might serve as an inducement to invest in the French loan.

The question whether it would actually be a violation of the Johnson act to send money to France for investment in French obligations went unanswered by the congressional leaders and Secretary Morgenthau.

Legion Membership Sets All-Time High At Roy Chopek Post

With the announcement of 27 more new members at its regular monthly meeting last night at Moose hall, Roy L. Chopek post 17 of the American Legion has an all-time high total of 305 members, according to George Zeithamel, buck private in charge of the membership drive.

The local post's membership is now 148 above the quota of 157 legionnaires set by the state department.

Announcement of the Legion Chow dinner, March 22, was made by B. M. Ricketts, chairman of the committee in charge. The dinner will be at the Moose hall. Coach Rollie Williams and the University of Iowa basketball squad will be guests.

New Legion members announced last night are: Theodore C. Reynolds, Fred E. Paintin, C. B. Beuter, Louis A. Douglas, Gordon L. Kent, George Kondora, Carl E. Krell, Leo Budreau, Sam Cortimiglia, Otto M. Rohret, Robert Barry, John L. Johnston, Thomas P. Hinrichsen, George S. Eaton, H. R. Ferguson, Lester L. Fackler, Carl R. Burger, Charles Pauker, Kite Knowling, Clarence Gallagher, Carl F. Strub, Lawton T. Petrick, Martin C. Hiscok, George Crum, Henry Puhler and Myron J. Walker.

Search for Driver TAMA, (AP)—Tama county authorities said last night they were searching for the driver of an automobile believed to have struck Ralph Rosenberger, 44, of Gladbrook.

Green Reveals Plans for His AFL Campaign In Steel Trade

Organization to Move To Structural Branch Of Industry With Organization Ideas

WASHINGTON, March 8 (AP)—William Green announced tonight that the American Federation of Labor would move into the structural branch of the steel industry with a "direct and definite" organization campaign.

This announcement indicated a fresh outbreak of the battle between the federation and rebel unions headed by John L. Lewis.

The Amalgamated Association of Iron, Steel and Tin Workers, one of the Lewis unions, claims the right to enroll the 500,000 workers in this branch of the industry.

Press Conference Green told reporters at a press conference the structural steel workers, an A.F. of L. union, now had about 10,000 or 15,000 members. This union claims the right to enroll all workers employed in fabricating and installing steel.

Before the Lewis-Green split, the amalgamated and the structural steel workers never had any jurisdictional dispute.

Leaders of the A. E. of L., tightening their lines for a show down struggle with John L. Lewis, held a long conference on strategy today.

Other Drives After talking with 50 A. F. of L. organizers, President William Green said the discussions centered on the federation's current drives in aluminum, gasoline filling stations, flour mills and cereal factories, cement and canneries.

Observers understood, however, that the organizers also discussed how best they could stop Lewis' committee for industrial organization from poaching on territory claimed by A. F. of L. craft unions.

Lewis and his associates will meet tomorrow to discuss the future policy of the C. I. O. Lewis announced last week that policy No. 1 probably would be a campaign to bring 1,500,000 textile mill employees into the United Textile Workers of America.

Japan Extends Offer to China Gives Up Ambitions For Land, Seeks Favor Of Great Britain

TOKYO, March 8 (AP)—Japan, seeking to court the favor of Great Britain and bolster her economic position, renounced territorial ambitions in China today and extended to her neighbor an offer of friendly dealings on a basis of equality.

Taking cognizance of suspicious watching by China, where extreme elements have demanded war against Japan, and economic clashes with other nations, Foreign Minister Naotake Sato enunciated this policy in his inaugural address to parliament.

"A fresh start on the basis of equality" in dealing with China (with whom relations have been strained by reports of Japanese incursions in North China and Japanese protests against Chinese demonstrations against Japanese nationalism.)

Economic friendliness, to permit Japanese trade expansion. Reassurance to other world powers, particularly Britain, who have watched Japanese development in North China with growing concern.

"Japan has no territorial ambitions in China," Sato told cheering legislators.

They're A-Feudin' Again! Engineers, Lawyers Take Up Cudgels As Mecca Week Approaches

As the laws branded the engineers "lacking in sportsmanship" and the engineers retaliated with sardonic regrets for their last year's "brutal treatment," the first guns in the annual Mecca feud were shot off last night.

Denouncing the "spineless callousness of the opposition," the steering committee for Mecca week of the Law Student association challenged, "This leads us to the cancellation of all but a few of our Mecca week activities, pending the revival of some show of

decent spirit among the opposition." Informed of the charge, the Associated Students of Engineering last night suggested, "To prevent similar 'brutal treatment' this year, the engineers might be equipped with powder puffs to properly treat the members of this most honorable and truth-telling organization."

Considering the "delicacy" of the lawyers, the engineers declared, "Mecca will proceed as usual, the minor interference of the law school in the past few years having given little difficulties of real merit."

Caywood, Means Are Elected New Directors

Light Balloting Marks Election

Hugh Dunlap Loses In Race For Relection To Board

Light balloting marked Iowa City's annual school election at the city hall yesterday as voters named two new directors to the city school board.

New board members are Prof. Thomas G. Caywood of the University of Iowa college of engineering and Elza M. Means, local groceryman, both elected for three-year terms.

Only other candidate for membership to the board was Hugh A. Dunlap, incumbent director, who was defeated in his bid for reelection.

Of the 659 votes cast yesterday Mr. Means received 498; Professor Caywood, 408, and Mr. Dunlap, 306. Each voter was allowed to mark his preference for two candidates.

Glenn R. Griffith, present school district treasurer, received 523 votes to be reelected for a two-year term without opposition.

Although yesterday's vote exceeded last year's total of 480, it was little more than half the 1933 turnout when 1,294 votes were cast.

Very few "write-in" votes were recorded yesterday. For board director Ray Baschnagel received two votes; Sam Whiting, one, and William J. White, one. For treasurer Dan Callahan and James Schmidt each received two votes and Ben Summerhill, one.

Meeting Monday The two new directors will meet with the board for the first time Monday for an organization meeting. The old board, including Mr. Dunlap and J. A. Swisher, retiring members, will have its last regular monthly meeting tomorrow. Mr. Swisher did not seek reelection.

Mr. Means, who topped the three board candidates in yesterday's voting, is a native of Chillicothe, Ohio. He came to Johnson county in 1901 and farmed near Kalona until he joined his brother in the grocery business here 11 years ago. Last year he was president of the Iowa City Merchants' bureau.

Mr. Means is a member of the Methodist Episcopal church and Knights of Pythias. He is married and has two children—a daughter who attends the University of Iowa and a son in grade school.

The other new director, Professor Caywood, is also a native of Ohio. He was born at Columbus and attended the public schools there. He was graduated from Ohio university in 1913 and came to Iowa City the following year. For the last eight years he has been associate professor of mechanical engineering at the university.

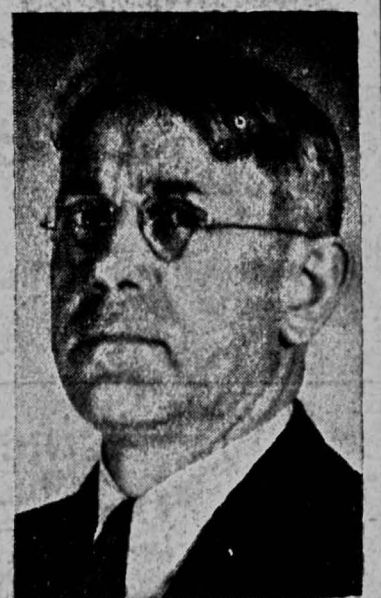

Caywood is married and has one son who attends high school.

Woman Injured As Auto Hits Truck

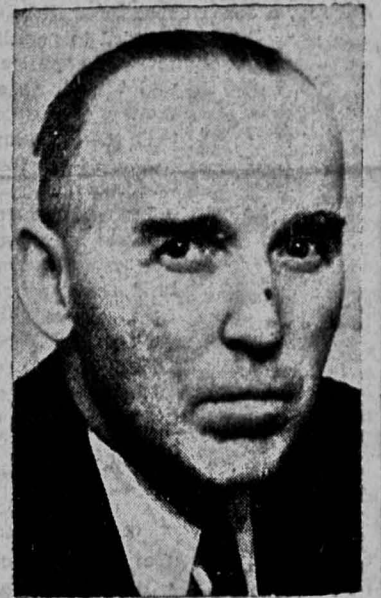

Mrs. Lowell Hartsock, 333 Roosevelt street, was slightly injured when the car she was driving collided with the rear end of a university coal truck on Iowa avenue near old Iowa field at 5:30 p.m. yesterday.

The truck, loaded with coal, was being backed from Iowa avenue by J. D. Brownell, 911 E. Bloomington street, when the Hartsock car approached from the west.

Mrs. Hartsock received a few minor cuts and scratches, witnesses said.

S.U.I. Reds? Tsk! Tsk! ROTC Charged With Attempts To Break Up Peace Meeting

Charges that "certain members" of the R.O.T.C. tried to interfere with the peace symposium of the Liberal Students' alliance Sunday, were made last night by Richard Peterson, G. of Chicago, Ill., a member of the alliance.

"Representatives of at least three campus organizations, who were asked to speak at the peace meeting Sunday, were persuaded not to by these persons," Peterson said last night.

"We do not know the names of any specific individuals," Peterson declared, "but we do know that they are from the R.O.T.C."

Peterson asserted that groups contacted by the R.O.T.C. men were Y.M.C.A., Y.W.C.A. and Gayel club.

Robert Rankin, 44 of Mason City, Y.M.C.A. president, said, "There was a warning that the whole program wasn't on the up and up. But the party that called me did it in full confidence, saying that he thought the Liberal Students alliance was a 'red' group. A representative from the Y.M.C.A. spoke at the meeting."

The Y.W.C.A. had already decided not to participate in the symposium because they felt they were not sufficiently informed, Mary Elizabeth Hans, 44 of Moline, Ill., president, said last night. "Some one called us after we had refused," Miss Hans said, "I don't even know who it was."

Linden Pleads Innocent DENVER, (AP)—Marion James Linden, 32, charged with murder in the slaying of his wife, Arlene, 18, pleaded innocent when arraigned before District Judge Henry A. Hicks yesterday. His trial was set for April 14.

New Strikes Threaten Automobile Industry In Chrysler, Hudson Plants

Erling Thoen, Leo E. Kohl Leave Race In City Election

2 Demo Candidates Say 'Not Interested In Politics'; Lumsden Not a Candidate

By MERLE MILLER Daily Iowan City Editor All is quiet on the Iowa City political front this morning.

The two democratic candidates for aldermen-at-large—Dr. Erling Thoen and Leo E. Kohl—last night both withdrew from the campaign, declaring they are "not interested" in politics.

M. P. Lumsden, who with candidates for aldermen-at-large had been nominated as fourth ward alderman at the democratic convention Saturday, last night reiterated he is "not a candidate."

Lumsden said he had not been consulted before his name was placed on the ticket.

The only other ward aldermen nominated Saturday—M. J. McGuan, first ward, and Thomas J. Parker, fifth, both declared themselves "definitely" in the race, however. Walter Riley, park commissioner, also remains on the ticket.

First announcement of political activity came last night from the Iowa City Junior Chamber of Commerce who announced all majority candidates in the race—and Mayor Thomas E. Martin who has "not decided" whether he is a candidate or not—will be guests at a 5:30 dinner at Yoneda's Inn tonight.

Non Partisan "This organization is completely non-partisan and has invited all majority candidates tonight in the hope that this may be a step toward keeping the city election campaigning on a friendly basis, feeling that a bitter and malicious campaign will not be for the best interests of Iowa City and the university," a statement issued by the chamber last night declared.

Guests at tonight's dinner will be M. L. Crowder, 23-year-old independent candidate; Lieut. Commander Myron J. Walker, candidate of the Citizens' Nonpartisan party; J. W. Willard Sr., democratic candidate, and Henry F. Willenbrock, MOL candidate.

Mayor Thomas E. Martin is expected to attend tonight's dinner but declared, "This does not mean I have accepted the republican nomination."

Alumni Group Chooses Song

Chosen as the winning song in the contest conducted by the University of Iowa Alumni association, "Iowa On To Victory" will be sung at football and basketball games along with "Iowa Fights" and "On Iowa."

Prof. Bruce Mahan, executive secretary of the Alumni association, last night announced that words and music of the prize-winning song were written by J. E. Kullert, professional musician of Concord, Cal. It was sung publicly for the first time last night at the University Sing.

The search for a singable tune to supplement other Iowa songs was ended when "Iowa On To Victory" was chosen out of the 54 entries in the march or rouser song contest.

The new song is characterized as being "easy to learn and easy to sing, a tuneful melody, march type with pronounced rhythm."

Kraschel Accused Of Putting State Library in Politics

DES MOINES, March 8 (AP)—Gov. Nelson G. Kraschel said he received a letter today from American Library association officials which accused him of "throwing the Iowa state library into party politics."

The governor said the letter of the association, whose headquarters are at Chicago, Ill., was signed by Paul North Rice, director of the New York university libraries.

Spanish Cargo Ship Sunk In Bay of Biscay

Vessel Thought To Be British Is Identified As Mar Cantabrico

LONDON, March 8 (AP)—Reports received by the British admiralty tonight identified the vessel bombed and sunk in the Bay of Biscay today as the Spanish ship Mar Cantabrico, which sailed from Vera Cruz, Mexico, Feb. 19 with a cargo of war materials for the Spanish government.

(The Mar Cantabrico had sailed from New York Jan. 6 with a cargo of warplanes and other supplies, she stopped at Vera Cruz to load other munitions, including American-made planes.)

The admiralty announcement said word had been received from the commander of the British destroyer Echo, one of four which answered the SOS call, that the vessel was Spanish.

The commander's message said: "I have been in communication with the Spanish (insurgent) cruiser Canarias, which states that the Spanish ship Mar Cantabrico was sunk. Her crew are aboard the Canarias."

First reports six hours earlier indicated that the vessel "bombed, burning and sinking"—was British, either the Adda or the Aba, both belonging to the Elder, Dempster line's African service.

Four British destroyers dashed out into the Bay of Biscay to the rescue.

The confusion apparently was due to the fact that the Aba, homebound from West Africa, sighted the ship aflame and sent out the SOS under her own call letters.

Willard Takes No Definite Stand On Municipal Ownership

Still non-committal on what most observers declare to be the most important issue in the city election, March 23, John W. Willard Sr. took no definite stand on the question of municipal ownership in a public statement yesterday. He is the only candidate who has not announced his stand.

Willard received the democratic nomination for mayor at the party's convention Saturday after running third in the party primary Feb. 22.

Willard's statement yesterday followed: "I wish to make this public statement, that if I am elected by the voters of Iowa City to be their next mayor, that I go into that office with a free hand and an independent mind, with no promises to any individual or corporation; that I will see to it that the laws are enforced, both criminal and civil; that I will, with the cooperation of my associates in the council, do all that I can to have a clean and economic administration, one that will appeal to all citizens desiring law enforcement, and one that will meet the approval of the taxpayers and business men of Iowa City."

"I have everything to lose and nothing to gain by any other kind of an administration."

Sentenced to Die CHICAGO, (AP)—Joseph Schuster, 30, who pleaded guilty to charges of murdering Policeman Arthur Sullivan and threw himself on the mercy of the court, was sentenced yesterday to die in the electric chair April 16.

UAW Calls Out Its Members In Auto Factories; Dispute at Flint

50,000 Workers Idle In Chrysler Plant After Corporation Failed To Recognize Union

New strikes crippled the booming automotive industry yesterday.

The United Automobile Workers called out members in the Chrysler Motor company plants in Detroit and in the Hudson Motors company plant.

Meanwhile, General Motors corporation, still negotiating final terms in its costly 44-day strike ended Feb. 11, had two new disputes on its hands at Flint, Mich. Workers quit in four plants for several hours, but agreed to resume pending negotiations. About that time a new strike in Fisher body plant No. 1 began over a demand for immediate wage increases.

The Chrysler situation developed rapidly, throwing about 60,000 workers into idleness, after corporation officials rejected the UAW's demand for recognition as sole bargaining agency for all Chrysler employees.

Concession The UAW, with whom Chrysler began negotiations last Wednesday, had demanded that concession as a prerequisite for further negotiations.

Two hours after Chrysler's long statement rejecting the demand was made public, union men began their strike. There was no violence and the negotiations conference continued.

Big Three Chrysler is one of the "Big Three" in automotive production along with General Motors and Ford. It employs about 67,000 persons, mostly in Detroit, and last year produced more than 1,000,000 autos and trucks.

Shortly before the Chrysler strike, about half of Hudson's 18,000 workers struck. Union officials charged the company with "stalling" in negotiations on wage conditions. The union said about 1,000 men were holding the plant.

Revisions For Redemption

Iowa House in Overtime Session To Receive Amendments to Act

DES MOINES, March 8 (AP)—To cope with situations arising since passage a fortnight ago of the mortgage moratorium and redemption bills, the Iowa house of representatives tonight held an overtime session to receive proposed amendments to the latter act for better means of aiding distressed realty owners.

Both proposed revisions, one a separate bill, were then scheduled for special consideration Tuesday morning preceding the bulky farm-to-market road program already passed by the senate.

The redemption act bills, hurriedly introduced by the house committee on emergency legislation, provide that district judges may have jurisdiction over redemption matters whether in term or out of regular court term.

They provide also that the filing of an application for an extension of redemption shall automatically extend the period until the time of final hearing. A stay of execution from sheriffs' deed is provided until such time.

College Health Education

THE WASSERMANN test for syphilis, once heard about only in medical text books, has increasingly become public knowledge with the advent of social and medical education work. The test gains new significance now that the University of Wisconsin is offering blood tests to all students.

Wisconsin does not compel students to take the test. Those who are interested—and a surprisingly large percentage of the student body is included—may take the test at the department of student health.

Wisconsin thus gains the honor of being the first major university to offer the Wassermann test. Heretofore schools have not dared to give tests for syphilis. Society has frowned on the mere mention of the disease. An outmoded taboo deemed it a result of sinful acts.

Society realizes now that the moral background of a disease cannot very well be controlled over a short period of time. But the suffering and dangers of a disease like syphilis can be reduced.

Now that Wisconsin has taken the enlightened path, other universities are sure to follow. The logical question is: Why doesn't the University of Iowa offer the Wassermann test? Any objections to it have been largely over-ruled by effective education programs against the evils of syphilis.

readily compensated by larger production in other areas. This condition insures the United States against a food shortage, the report declares.

Bringing It Down To You

The following editorial which was written by W. Earl Hall of the Mason City Globe-Gazette has been declared the winner of the \$500 award of the C.I.T. safety foundation. It was judged the best editorial on safety appearing in the newspapers in the United States in 1936.

AGENCIES AND individuals interested in highway safety should not neglect the factor of an aroused public opinion in favor of a rigid enforcement of the rules of safety.

Up to this time, and at this time, many a peace officer and many a court—particularly in the minor brackets—has believed that greatest popular favor is to be had through a policy of leniency.

The story of the courts—from local justice of peace up to district judge—has been too similar. The miserable showing of Iowa's capital city as to automobile deaths last year has been laid largely at the door of one court.

It can be shown, it must be shown, that the consensus in Iowa is overwhelmingly on the side of the public official who proceeds without fear or favor against those who habitually endanger all travel on our highways.

Most violations of traffic rules, we are convinced, bottom on an assumption by the driver that he will not be penalized for his breach. It is too apparent to be missed that when the police in this or any other city "crack down" on those who disregard stop signs, there's an immediate salutary effect.

Reluctantly we have come to the conclusion that education, as such, can go only so far. It can, and does, make the careful more careful but it is not effective, against "lunatic fringe," the 10 per cent of our drivers responsible for more than 90 per cent of our accidents.

The only language understood by them is the language of compulsion. And the only ones who can talk to them, are our peace officers and courts, through courageous enforcement. Of the three "E's" of safety—engineering, education and enforcement—the last is the most important factor in the safety equation.

How Medicine Is Made In Modern Drug Store

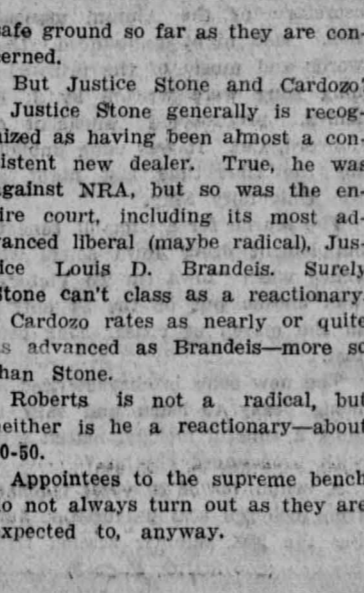

By LOGAN CLENDENING, M. D. YOU HAVE heard there is something good for what ails you and you go into a drug store and buy, we will say, a dozen capsules of it. You proceed to engulf these capsules, and take it as a matter of course that they seem to be doing the work.

Let me try to indicate for you how much is behind that apparently simple purchase of yours. Come with me to a large, modern factory manufacturing all sorts of therapeutic products.

In the particular case of your dozen capsules, you are using a set of medicines. And these are purchased and perhaps come from very different parts of the world—China, South America, California, etc. They arrive by express in the company's receiving room. Each package is immediately labeled, opened, a sample taken out and sent to the department of analytical chemistry.

Before the package is moved to the storeroom, the analyst's report must indicate that it is what it purports to be, is pure and fresh.

From the storeroom of medicines so approved, the ingredients for your capsule are brought together and carefully weighed and carefully mixed. Capsules Must Be Made Since the mixture goes into a capsule and capsules do not grow on trees, they have to be made. In some other part of the building the capsule manufacturing department is turning out gelatin capsules. In one such room which I visited the other day, four and a half million capsules a day are turned out by machines. The machines are composed of accurately measured dies, one the size of the body and one the size of the cap of a capsule. These, following along a rotating treadle, dip into a lake of liquid gelatin, move out through a drying trough, come back and are fitted together by machinery. The neatest trick of the week.

This is a far cry from the old druggist who used to gather his own herbs and had no way of testing their potency, and laboriously rolled his own pills.

To All Students Who Expect to Graduate at the Close of the Present Semester—June 7, 1937: Every student who expects to receive a degree or a certificate at the University Convocation to be held Monday, June 7, 1937, should make his formal application on a card provided for the purpose at the Registrar's Office on or before Saturday, April 24, 1937.

It is of utmost importance that each student concerned comply with this request immediately, for otherwise it is very likely that a student who may be of other respects qualified will not be recommended for graduation at the close of the present semester.

MAKING APPLICATION for the degree, or certificate, involves the payment of the graduation fee (\$15.00) and also the "cap and gown fee" (\$1.00) at the time the application is made—the payment of these fees being a necessary part of the application. Call at the Registrar's office for the card.

"The petition of the Association of Senior Class Presidents that a fee of \$1 be assessed to cover the cost of caps and gowns for Commencement has been granted. Therefore, hereafter, this additional fee of \$1 is to be paid by each candidate for a degree at the time he pays his graduation fee. Heretofore the normal rental fee for bachelors' caps and gowns has been \$2 and for doctors' caps and gowns \$4-55.

The service for handling the taking of orders, and the distribution of the academic apparel, will be explained to students when information about Convocation is sent out from the Alumni Office. Respectfully, H. C. DORCAS, Registrar.

Hospital Medical Society: The Hospital Medical Society will meet Tuesday, March 9, at 7:30 p.m. in the medical amphitheater. The program: "The Relation of Nutrition to Dental Caries," by Dr. P. C. Jeans, department of pediatrics; discussion to be opened by Dr. C. L. Drain, dental college. Refreshments will be served. DONALD SLAUGHTER, M.D., President.

Philosophy Club: The next meeting of the Philosophy club will be held at the home of Prof. and Mrs. Ralph Ojemann, 701 Grant street, on Tuesday, March 9, at 8 p.m. Prof. Emil Witschel of the zoology department will speak on "Biological Forces and Factors Behind the Present World Situation." BONNO TAPPER, President.

Advanced Military Students: All advanced course military students are invited to attend "The Private Life of the R.O.T.C. Cadet" at Iowa Union, Wednesday, March 10, at 7:30 p.m. in the cafeteria. Uniforms will be worn. CADET OFFICERS CLUB.

Zoology Seminar: The regular meeting of the Zoology Seminar will be held Friday, March 12, at 4 o'clock in room 307 of the zoology building. Dr. H. W. Beams will discuss "The Effect of Centrifuging on Polarity and Cleavage in Eggs." J. H. BODINE.

Musical and Tea: Junior members of the Iowa City Literary club will be in charge of a musical and tea Sunday, March 14, from 4 to 6 p.m. in the University clubrooms at Iowa Union for the benefit of libraries in the flooded areas.

Humanist Society: The Humanist society will meet Monday evening, March 15, at 8 o'clock at the home of Prof. and Mrs. F. H. Potter, 248 Hutchinson ave. Prof. L. D. Longman of the graphic and plastic arts department will speak on the subject, "The Relation Between Art and Life Today." OSCAR E. NYBAKKEN, Secretary.

So They Say

Homer Martin, president of the United Automobile Workers of America, as members of that union began two sit-down strikes in Chrysler and Hudson Motor corporations; "This strike and the one at the Hudson Motor Car company are the results of management's stubborn resistance and unreasonable position concerning the will of a clear majority of employees in plants affected." N. W. Thatcher, farm leader in Washington, after a talk with President Roosevelt; "Agriculture's greatest progress has been thwarted by the supreme court and we found no effective substitute for that lost legislation. We believe in the president's ability and determination to preserve our democracy, and at the same time, improve the welfare of the masses." Mayor Fiorello H. LaGuardia of New York, reiterating statements for which the national government apologized to the German government; "I still entertain all my abhorrence to anyone who threatens the peace of the world. If Hitler thinks I'm referring to him, he's absolutely correct."

"Harding, Coolidge and Hoover 'backed' the court with judges the majority of whom are set upon destroying new deal legislation." This utterance, among many others, just goes to show how carelessly disputes on both sides of the supreme court argument are expressing themselves. They do not look up their facts, evidently.

Who They Were President Harding made two appointments to the federal supreme bench—those of Justices George Sutherland and Pierce Butler. President Coolidge made one—that of Justice Harlan F. Stone. President Hoover made two—those of Justices Owen J. Roberts and Benjamin N. Cardozo. Some caviller may say that Hoover made three appointments, including that of Judge John J. Parker, of one of the lower federal courts, for promotion to Washington. Since the senate refused to confirm him, however, he hardly counts, never having taken the higher office.

Tri-Delt, Quadrangle Choruses Win University Sing

Win Firsts In Two Divisions Of Final Meet

9 Organizations Take Part in Competition At Macbride

Delta Delta Delta and the Quadrangle choruses sang their way to victory last night in the finals of the second All-University Sing, taking first places in the women's and men's divisions, respectively.

Nine organizations, all victorious in last week's preliminaries, took part in the competition last night in Macbride auditorium.

Honorable Mention

Honorable mention was given to Pi Beta Phi in the women's section, and to Beta Theta Pi in the men's division. Margaret Brandt, Prof. Addison Alspach and Herald Stark, all of the music department, judged last night's performances.

Loving cups, won last year by Delta Gamma and Sigma Chi, will remain with the campus organization winning first place three times in succession. They were presented to the Sing last year by Mortar Board.

The Hawkeye Harmony Four, composed of Don Mallett, Lathrop Smith, Claude Buxton and Alan Grinstead, entertained the audience while judges compiled their decisions. They sang "Stout-hearted Men" from "The New Moon," a parody on the quartet from "Rigoletto," and "Daniel in the Lion's Den."

Required numbers were "Old Gold" for women and "On Iowa" for men.

Margaret Dane, A4 of Iowa City, led the winning sorority. They sang "A Gleaming White Pearl" and "The House of Delta's Three" in addition to the required song.

Quad Chorus

The Quadrangle chorus, led by Hugh Cocksfoot, A3 of Wilton Junction, sang "The Winter Song" and "Deep River."

Gayle Gildner, A4 of Marshalltown, led the Pi Beta Phi group in singing "Pi Beta Phi Tribute" and the "Sweetheart Song." "The Loving Cup" and "Marching Along" were sung by Beta Theta Pi, led by Chandler Griffin, A1 of Vinton.

Prof. Harry G. Barnes of the speech department was master of ceremonies at the Sing. The closing number on the program was the production of the new Iowa "Victory Song" by Prof. Bruce Mahan, executive secretary of the Alumni association.

Other Groups

Other organizations taking part in the finals were Phi Delta Theta, led by Dan O'Malley, A2 of Glen Ellyn, Ill.; Sigma Chi, led by Robert Peterson, A3 of Council Bluffs; Delta Upsilon, led by Jack Dale, A2 of Davenport; Alpha Delta Pi, led by Carolyn Cox, A3 of Springfield, Ill.; and Russell house, led by Betty Bauserman, A3 of Des Moines.

Alice Mikulasek, A4 of Newton, was general chairman of the Sing, which was under the auspices of University Women's association, with the cooperation of Mortar Board, Y.M.C.A., Y.W.C.A. and A.P.L. Helen Fitzgerald, A4 of Iowa City, the Mortar Board representative, was in charge of arrangements for the final contest. Others on the committee were William Jackson, E2 of Cedar Rapids, Frances Mary Zoehler, A3 of Davenport, Waldo Brooks, C4 of Dubuque, and Betty Braverman, A3 of Iowa City.

The rules for each year's sing are formulated at a meeting of representatives of all sororities, fraternities, dormitories and town organizations. The committee is headed annually by the president of U.W.A.

Begin Music Festival Meets

High School Musicians Begin Qualifications In 5 of 22 Districts

The first of some 40,000 high school musicians will begin competing with voices and instruments this week end for qualification in the state music festival at the University of Iowa in May.

Pive of the 22 sub-district contests are scheduled for Friday and Saturday, and others will follow next week. After the district contests, the entire roster of festival qualifiers will be complete by April 20.

Sub-district contests this week will take place at Britt, Centerville, Okaloosa, Adel and Valley Junction. Only "superiors" will qualify for the district events and from these "superiors" will be eligible for the festival May 6, 7 and 8.

A record number of 553 schools from 544 towns has entered in the 1937 competition. The previous high mark of 516 was set last year. Between 5,500 and 6,000 contestants will probably appear at the May festival.

Business Magazine To Be Published

The National Commercial Teachers federation presents a new publication for the first time in the March issue of the Business Educators Digest, according to Prof. E. G. Blackstone of the college of commerce, a member of the board of directors.

The new magazine was authorized to be published quarterly at a meeting of the board of directors last December. Its primary purpose is to record briefly books and articles dealing with the teaching of business subjects in high schools and colleges.

Mrs. Van Epps Named Cancer Group Captain

Cancer Committee To Organize County In Campaign Work

Mrs. Clarence Van Epps, 430 N. Clinton street, has been appointed captain of the Johnson county cancer committee of the Women's Field Army, according to an announcement yesterday by the district committee. She was appointed by the vice-commander of this district, Mrs. J. W. Ballard of Cedar Rapids.

Mrs. Van Epps, the physician chairman, Dr. John H. Randall of University hospital, the deputy counselor of the County Medical society, Dr. George C. Albright, 715 Park road, form the county cancer committee.

This group is responsible for organizing the county unit of the Women's Field Army being organized throughout the United States in cooperation with the American Society for the Control of Cancer. Its purpose is to disseminate the facts of cancer among the public so that cancer can be fought with real knowledge.

In addition to this educational aim, the organization seeks to enlist members and will conduct an enrollment week from March 21 to 27. During this period, a special drive will be made to enlist the women of the county in this field army. Husbands are also eligible but will take no active part in the drive.

It is forbidden by law in Portland, Me., to tickle a girl under her chin with a feather duster.

Klauser of Dubuque and Edgar E. Mack of Storm Lake.

Appellants in the tenth case, to be argued at 7:30 tonight, will be Michael Murray of Logan and David E. Evans of North English; and Clem H. Block of Renwick and John E. McCracken of Thornburg will be appellees. This case, a suit to collect damages through an injury, will be heard by Robert J. Reiley of Red Oak, Charles J. Pickett of Waterloo and William J. McConnell of Mediapolis, senior law student judges.

The freshman law arguments are conducted by Prof. Mason Ladd of the college of law, James W. Crawford, L3 of Dubuque and Fred E. Moran, L3 of Jefferson have been working with freshmen and assisting Professor Ladd in legal research and brief making.

The eighth case was argued by Donald E. Moore of Chariton and Alvin S. Rosedale of Marshalltown, the appellants, and Mr. Klyn and Mr. Renaud, the appellees. Carroll E. Cutting of Iowa City, Burton E. Parriott of Gilmore City, Thomas H. Pirnie of Cedar Rapids and Lawrence H. Gray of Sidney, senior law student judges, who heard the case awarded the decision to the appellees.

The ninth freshman law argument will be argued this afternoon at 4:15 by James T. Remley of Anamosa and Carroll G. Henneberg of Linn Grove, the appellants, and George W. Cook of Chicago, Ill., and George E. Heidebaugh of Des Moines, the appellees. The three senior law student judges who will hear this case are Lloyd A. Schwiobert of Moline, Ill., Peter W.

Cancer Takes One Out of Ten

Causes One Death Every Three Hours In Iowa During 1934

Editor's Note: This is one of a series of articles prepared by the Women's Field Army of the American Society for the Control of Cancer as part of its educational war against cancer. More information on the disease and the steps being taken to combat it may be secured from the American Society for the Control of Cancer, 1250 Sixth Avenue, New York, or from the Iowa division of the Women's Field Army, of Iowa State Medical Society, Des Moines.

Cancer has been much discussed in recent years.

The disease is very frequent causing one death out of 10 after the age of 40. While an immense fund of knowledge has been accumulated, there is much still to be learned about it. Only too often the skill of modern science fails to have the patient, and people have, therefore, come to dread it as a hopeless and incurable affliction.

Fortunately the facts warrant a more hopeful view, and a systematic effort is now being made to tell people generally what is known about cancer and particularly to describe the warning signs, so that this insidious disease may be more frequently discovered and successfully treated in the early stages while a cure is still possible.

Cancer is one of the most important causes of death, the annual mortality from all forms of the disease in the United States being

The series of lectures is being given by the English department to supplement the teaching material of freshman and sophomore required English courses. The lectures will be presented at intervals during the remainder of the second semester.

Professor Hawley's talk will be the first to the freshman group, following the first sophomore lecture by Prof. Roy C. Flickinger, head of the classical languages department, last week.

3 Weeks Remain For High School Exhibition Entries

Three weeks remain for high school pupils to finish their entries in the University of Iowa's seventh annual art exhibition.

The spring affair, open to any Iowa school student, will take place between April 9 and 19, and all work must be in the hands of

university art officials by March 31.

It is the only chance of the year for high school artists to compare their work. The group rating plan, also applied to music and play production, will be used by the judges.

The classes of entry are drawing, painting, civic art, lettering and design and composition. In addition to the exhibition the university will sponsor a conference of teachers and supervisors of graphic and plastic arts April 9 and 10.

Pi Kappa Alpha fraternity initiated James Thomas of Traer and Andy Ericson of Yankton, S.D., both A1; Richard Hoag of Monticello and Philip McCabe of Windsor, Canada, both A2, and Donald Havens, C3 of Greenfield, at a formal initiation ceremony Sunday morning at the chapter house.

Speakers at the annual Founder's Day banquet honoring the initiates Sunday included Prof. Herbert Martin, head of the philosophy department; Leo Hoegh of Charlton, district president, and Russell Lundy of Des Moines.

Guests at the banquet and for the initiation formal supper dance at the Silver Shadow Saturday night were Mr. and Mrs. Russell Lundy, Mr. and Mrs. Leo Hoegh, Mr. and Mrs. Dean Thomas and Maxine Potter, all of Traer, Harry Stinson and Gladys Lebow of Des Moines and Reva Abel of Blairsburg.

Phi Gamma Delta

Phi Gamma Delta fraternity initiated Tom Kruse of Vinton, Tom Horn of Iowa City and John Simons of Osceola, all A1; Robert Hogan, A3 of Monticello, and Charles Kramer, C3 of Dayton, Sunday at the chapter house.

Following the initiation ceremony the initiates were honored at a dinner.

Alpha Xi Delta

Alpha Xi Delta sorority initiated nine pledges Sunday at a formal initiation ceremony at the chapter house.

The new initiates, Ruth Ann McMahon of West Liberty, Mary Louise Sheets of Iowa City, Lucille Mullen of Davenport and Elizabeth Anderson of Spirit Lake, all A1; Mabel Gottburg, A2 of Schleswig; Frances Pehrson, C3 of Red Oak; Marian Zeiger, C4 of Garner and Beatrice Wilson of Washington and Doris Muriel King of Hancock, both A3, were honored at a 1 p.m. formal dinner following the initiation.

Out-of-town guests were Helen Alcorn and Sarah Moore of Ottumwa, Dorothy Thompson of Fairfield and May Longville, Evelyn Northcott, Betty Kay, Jane Huston and Mary Lou Segman, all of Coe college, Cedar Rapids. Iowa City alumnae who were present included Mrs. Paul B. Galor, Mrs. Myron J. Walker and Mrs. Claude J. Lapp.

Alpha Delta Pi

Initiated into Alpha Delta Pi sorority Sunday were Marion Belgarde of Independence, Eleanor Droll and Donna Mae Hambrecht, both of Iowa City, Joyce Stanzel of Des Moines, Georgine Walter of Ft. Madison, Gwen Tudor of Olin, and Sonia Kramer of Evanston, Ill., all A1; Geraldine Cochran, A2 of Tipton; Margaret Kennedy, A3 of Estherville; Grayce Reeves, C4 of Polk City, and Dorothy May Wilson, A4 of Waterloo.

Iowa City alumnae who were present at the initiation and the formal dinner following were Prof. Clara M. Daley, Doris Lake, Edith Mahan and Lillie Honett.

Club to Install Officers Today

Mrs. W. W. McGinnis To Take Post as Head of Women's Group

Installation of officers will be conducted by the members of the Iowa City Business and Professional Women's club at a 6:30 dinner meeting this evening in the Jefferson hotel.

Dorothy Sutton, retiring president, will install the following newly elected officers: Mrs. W. W. McGinnis, president; Mildred Tank, vice-president; Ivy Herring, secretary, and Rose Madden, treasurer.

Tapers and table appointments will be in pastel colors and dancing to the accordion music of Happy Bright, accompanied on the piano by Bill Musgrave, will be the entertainment of the evening.

The committee in charge includes Gertrude Lewis, chairman, Anna Lorenz, Clara Ehlers, Mrs. Myrtle Smith and Mrs. Mary Schneider.

Thornton, Pederson Voigt Speak Before Methodist Students

Prof. Harrison J. Thornton of the history department, the Rev. Edwin E. Voigt and Helene Pederson, A4 of Iowa City, were speakers at the Methodist Episcopal students' dinner party yesterday at 6:15 p. m. in the church parlors.

"A Toast to Childhood, Youth and Age" was the theme followed throughout the evening.

Nancy Patton, A2 of Davenport, was in charge of special music. Alberta Page, A3 of Newton, and Bernadine Notestine, A3 of Newton, were assisted by Hugh Kelso, A3 of Iowa City, and James Dack, A2 of Terril, on the committee for decorations.

Dean Stresses Simplification Of Government

Rutledge Speaks To League of Women Voters at Union

"If democracy is going to be made to work, we have to have a simplification of organization," Dean Wiley B. Rutledge of the college of law declared yesterday before members of the League of Women Voters at their meeting in Iowa Union.

In discussing President Roosevelt's plan for reorganizing the executive department of the government, Dean Rutledge reviewed "Report of the President's Committee on Administrative Management" by Charles Merriam, Louis Brownlow and Luther Gulick.

Efficiency

In this report it is made clear a democratic government to survive must give efficiency coupled with the ability for adjustment to modern times. "We need a thorough re-organization of government from the bottom up," Dean Rutledge said.

He pointed out that the president participates in the legislative process of the government; has command of the army and navy and that the constitution provides he execute the law. Also, there are

10 executive departments under the control of the chief executive. Independent Agencies

But there are independent regulatory agencies which are not under his control. Criticism of this was made by Dean Rutledge as follows: (1) There is no provision in the constitution for executive power to be placed in hands other than those of the president.

(2) Too many different agencies under the chief executive's control will result in inefficient handling.

(3) No one is responsible for actions of the independent agency.

Dean Rutledge suggested that at least six secretaries be added to the president's staff; that there be a fund used to bring specialists to discuss particular problems as they appear; that a new policy for personal management be made, and that a planning management be formed to work out a program for the conservation of natural resources.

"The report admits the good and apparent defects in our present civil service system," Dean Rutledge said. It suggests that a single civil service administrator be placed in charge of this department, and that a group of laymen serve on a board to observe and suggest improvements to be made.

Dean Rutledge asserted that the substance the report is interesting in establishing a system in which there will be commissions under one head, instead of having a large number of agencies directly responsible to the president.

We're beginning to believe the reason so many people who get the big head fall so easily is that it made them top heavy.

Lloyd F. Swartley To Select Contestants For Music Contest

Instrumental soloists and members of the small groups of the Iowa City high school music department will compete next Monday under the direction of Lloyd F. Swartley. Swartley will select City high's representatives for the sub-district contest at Tipton next month.

Competition in the cornet-trumpet soloist selection will be Charles Beckman, Douglas Brooks, Russell Sapp and David Armbruster.

In the trombone contest section will be Douglas Brooks, Donald Held, Bob Simpson, Chester Bennett and Robert Beck. Duane Means will compete against James Reeds in the drum division. Donald Key will play in the French horn section. Gene Hubbard will play his alto clarinet and John Webster and Bob Caywood their B flat clarinets.

Others to compete include Warren Burger, oboe; Mary Lambert and Katherine Ruppert, flute; Bill Mearns, Fletcher Miller and John Whinery, saxophone; Christian Schrock, bassoon, and Cornell Mayer, bass clarinet.

Small groups playing will be the woodwind trio: Dorothy Soucek, flute; John Webster, B flat clarinet; and Christian Schrock, bassoon; and Donald Key, French horn; brass sextet: Charles Beckman and Eldon Parizek, cornet-trumpet; Betty Ivie, French horn; Bob Simpson, trombone; Bob Beck, bass horn; and Douglas Brooks, baritone-euphonium; second brass sextet: Charles Beckman and Eldon Parizek, cornet-trumpet; Betty Ivie, French horn; Douglas Brooks, trombone; Russell Sapp, baritone-euphonium, and Bob Beck, tuba. Accompanists for the occasion will be Mrs. L. F. Swartley, Margaret Schrock, Catherine Donovan and Jean Taylor.

Junior, Senior Girls Play 30-30 Tie In Tournament Final

Two hundred persons witnessed the final girls' tournament game played Thursday in the St. Patrick's school gym where the senior and junior teams fought to a 30 to 30 tie.

With the junior quintet in the lead most of the time, the game was a closely contested affair. It took the final baskets of Mary Catherine Roberts, star senior player, to even up the score. Betty Glentzer starred for the juniors.

Another game between the same two teams is being scheduled for March 14.

Sully Vermaec led the eight girls of the sixth grade to a decisive victory over the 16 boys Friday when the class had an old-fashioned spelling bee.

Billy Shay was the last boy to fall.

The following sixth grade students wrote "A" papers Friday in the written spelling test: David Ivie, Billy Shay, Keith Bright, David Danner, Sally Vermaec, Dean Rittenmeyer, Ginita Kessler, Mary Alice Watkins and Harry Bannon.

Francis Gerlits won the spelling bee Friday in the fifth grade.

Joseph Alberhasky, Francis Gerlits, Doris Ann Black, Mary Alice Warcham and Ruth Danner wrote perfect spelling papers Friday in the fifth grade.

Roger Ivie won first prize Friday in a grammar contest conducted in the seventh grade. Lois Schlenk won second.

Raymond Cole won first and Helen Chuckalas, second, Thursday in a spell down held in the freshman class.

Students of third grade wrote a letter Friday to Jackie Hotz who moved to Cedar Rapids recently.

Jackie Strader is a new pupil in third grade.

Gregory Bright was the only student in third grade to write a rating of nine on a self-testing drill last week.

GILDROY SPEAKS BEFORE ASSEMBLY AT LONGFELLOW

James Gildroy of the Iowa state highway patrol spoke to an assembly of grades 4, 5 and 6, at Longfellow school yesterday. He pointed out the dangers of playing in the streets, running through red lights and other hazards.

Gildroy complimented the work of school patrols and urged them to continue the job.

Pupils in 4B of Longfellow school have made cartoons to illustrate safety slogans. Those chosen for the bulletin board were made by Bob Kinney, Helen Reed, Jack Clark and Shirley Buxton.

Harold Eakes, Leslie Miller, Lyle Miller and Dick Ward had perfect scores of 36 in the first problem test in Longfellow 4B.

Richard Lehman and Bobby Beard have completed their dental work in 5B class of Longfellow school.

The first free activity period for 5B of Longfellow school was Friday afternoon. Some girls in the class are embroidering and others are soap carving. Airplanes are in the making, and maps have been drawn to be completed this Friday.

Longfellow 6A's have been busy making illustrated booklets on "Paul Bunyan and His Great Blue Ox." Each pupil has made his own cover and is making illustrations on the parts of the story he enjoys most.

Those of division 2 who made a rating of nine were Raymond Sullivan, Roscoe Thorn, Roberta King, Helen Brozz, Jack Teffy, Donald Scannell, Kendall Thomas, Ella Mae Hord, Robert Bright, Lorna

CHAMPION DEBATERS

Debaters all are these Iowa City high school students who were named last week by Principal W. E. Beck, Estelle Strobben, girls' adviser, and Margaret Cannon, school nurse, as the new office force for the second semester.

Only One Stamp Collector City High School Students Disagree In Choice of Hobbies

Iowa City high school students may agree upon what is necessary for a championship debate team, but they certainly disagree in their choice of hobbies.

If a hobby show were to be given by these students, the exhibits would be numerous and from widely unconnected fields. This was shown by the answers given recently to the question "What is your hobby?"

Music Lovers Evidenced by their work in the instrumental department, one could have easily guessed that Jean Opstad, Ruth Plass and Dorothy Lindsay had chosen music for their hobby.

Collecting pictures of their favorite movie stars while at the leisure time of many a city high student. Willing to admit that this pastime was their hobby were Lovita Schmoehlen, Geneva Searl, Shirley Hegg and Claudine Yoder. Jeanne Starr clips pictures of the Dionne quintuplets.

Others collect everything from the questionable "whatnots" to toy ivory elephants. Unable to decide upon any certain thing to collect were Martha Mae Chappell and Dorothy Keyser, who admitted col-

lecting "whatnots" took up their spare moments. **China Dogs** Bea Davis now has a collection of more than 60 odd china dogs, and Mildred Hertz has a mania for ivory elephants.

Barbara McCann said she writes to several foreign friends during her spare time, while Frances Curl writes letters for the fun of it. Modeling commercial airplanes takes the leisure time of Tom Hanchett, Lester Taylor and David James while photography interests Harold Eastman.

Sports Enthusiasts True sports enthusiasts are Virginia Simpson, Mary Kadlec and Barbara Holt. Virginia goes in for bicycling, Mary for roller skating and Barbara for horseback riding.

Warren Burger and George Covert also claim sports for their hobby. Frankie Sample designs dresses for her hobby; Elizabeth Eichler saves poetry; Ruth Voelchers likes shooting and entomology; Patricia McVicker prefers sketching, and Catherine Donovan knits.

Of the entire group asked "What is your hobby?" David Armbruster was the only one to say he collected stamps.

Anderson, Phyllis Fry, Bobby Jones and Donald Reha. The following 8A's from division two made a rating of nine of drill 9: Dale Hughes, Don Hughes, Bob Hatcher, Melvin Parker, Gutscher Brown, Jack Stoner and Doris Tomlin.

The Daily Iowan Announces All-City Team

University Hi, St. Mary's 5's Lead Placings

Little Hawks, Irish Land Two Players On Honor Quintets

Flashing speed, sharp eyed basket shooting, great rebound ability, all of these necessary attributes make the 1937 All-City basketball team chosen by The Daily Iowan one of the finest Iowa City has had in recent years. Although the records of most of the city's teams were somewhat below par this year, there was no lack of fine players, and an excellent aggregation of ten men, composing two full teams, is proudly presented as the choice of The Daily Iowan sports staff for all-city honors.

THE DAILY IOWAN'S ALL-CITY BASKETBALL TEAMS

- First Team**
 George Miller (UH) Forward
 Dick Healy (SP) Forward
 Charles Patterson (SP) Center
 Bill Schlenck (SM) Guard
 Al Miller (UH) Guard
- Second Team**
 Ted Hinman (UH) Forward
 John Alberhasky (SM) Forward
 Wayne Putnam (UH) Center
 George Holoubek (SM) Guard
 Hamilton Ries (UH) Guard
- Honorable mention — Forwards:**
 Jimmy Bradley (SP), Orville Schnoebelen (UH), Harvey Wyjack (UH), Eugene Henderson (SM), Woody Maher (UH)
- Guards —** Warren Burger (UH), Eugene Henderson (SM), Howard Demety (SP), Guy Knebel (UH), Louis Grimm (SM).

Dick Healy, senior forward of the St. Pat's cage team, holds down one of the front court positions. Standing 7 feet 8 inches in his stocking feet, Healy was the main scorer of the recent Irish quintet. Possessing plenty of speed coupled with a good basket eye, Dick was the big worry of every Shamrock opponent.

George Miller, University high forward, takes the floor as Healy's running mate. Fast breaks, clever ball handling, good dribbling, stellar defensive work and last but not least accurate shooting, wins for the Blues' newly elected captain unrivaled claim to the berth.

Chuck Patterson, towering center from St. Pat's, is the choice for center position. Playing his last year on the Irish cage team, Patterson stood out as one of the best defensive pivot men ever to represent the south-side school. Putting aside his scoring antics that last year gained him a berth on the second all-Catholic team, Patterson held every opposing center to face him this year to very few points and was instrumental in helping the fast breaking Irish offense underway by controlling the ball off the backboard.

Talented Bill Schlenck, St. Mary's center and captain, proficiently holds down a guard post in the all-city quintet. Schlenck climaxed his third year of letter winning with the Ramblers as he turned in the most consistent and spectacular season of his career. Big Bill often scored over half of his team's points and turned in a total number of tallies well over 150.

Al Miller, placed at a guard position on this year's Daily Iowan all-city team, finished his high school athletic career at City high at the end of the first semester with a record of having won 11 major athletic awards. A rangy, unorthodox shooting four year veteran, "dependable Al" was the type of a player sought by every coach, even tempered and primarily a team player. He rose to his greatest offensive heights against a strong Monticello team this year with an 18 point barrage.

"One of the finest players in the city!" That's the best way to describe Johnny Alberhasky, selected for a 2nd team forward berth on the all-city team chosen this year by The Daily Iowan. Not so big, but possessing plenty of speed and fight, diminutive Johnny ranked as the spark plug of Coach Francis Suplee's Blue and White team.

Ted Hinman, University high's senior center, because of his value to his team and because of his outstanding performance in every department of play, wins second team all-city recommendations for forward. The Blues' honorary captain was a leader and a balancing agent on Coach Wood's inexperienced quintet during the early part of the season.

Big Wayne "Put" Putnam, City high center, proved to be one of the steadiest, and perhaps the best, defensive players in the city this season, thereby earning himself a position on the 2nd all-city team chosen by The Daily Iowan. Not a spectacular player, but a steady presence.

Cunningham Defends Mile Title Saturday

By ALAN GOULD
 NEW YORK, March 8 (AP)—The issue of winter mile-running supremacy is due to be settled on the 11-lap board track of Madison Square Garden at the annual Knights of Columbus games, St. Patrick's day, March 17.

The "Columbian mile," peak event of the indoor season, will pit the king of our middle distance stars, Glenn Cunningham, against his three principal challengers, Archie San Romani of Emporia, Kan., Luigi Beccali of Italy and Gene Venzke of the New York A.C. Announcement was made today that entries have closed with this four-man field.

Record in 1934
 This event, captured four straight times by Cunningham, has been marked by extraordinary performances. Cunningham set the present indoor world mark of 4:08.4 in 1934. Last winter, in a freak race with Joe Mangan and Venzke, Cunningham outprinted his rivals in a wild finish to win in 4:46.5, the "world's slowest mile."

San Romani, a fellow Kansan, who interrupted Cunningham's 1937 winning streak in the bankers' mile at Chicago, is generally regarded as the crown prince among contenders for the throne Cunningham has occupied, with occasional interruptions, for a five-year period in this country.

Best Recent Development
 Glenn himself rates Archie as the best runner developed in recent years and a potential Olympic champion in 1940. The dark-haired Emporia boy has a terrific finishing "kick." He lacks Cunningham's experience and knowledge of pacing but he has picked up the art of board-tracking running rapidly this winter. His triumph over Beccali and Venzke is the national A.A.U. championship 1,500 meters race at the Garden was a thriller.

Cunningham has rated himself through the winter campaign, letting rivals do the pace-setting, and applying the pressure only at critical moments. Unless his strength has been affected by a slight cold, which kept him out of the 1500 title race, he should be ready for his best race at the K. of C. games.

Regains Jinx
 Glenn again appears to have the Indian sign on Venzke, which the latter shook off for a time last winter, but the "iron horse" will need all his finishing powers to stand off either San Romani or Beccali.

Threats to the supremacy of Cunningham as American mile king have come and gone during the past five years. Venzke is the only surviving charter member now, since Tiger Bill Bolthron and Cornell's Joe Mangan have stepped out of the picture.

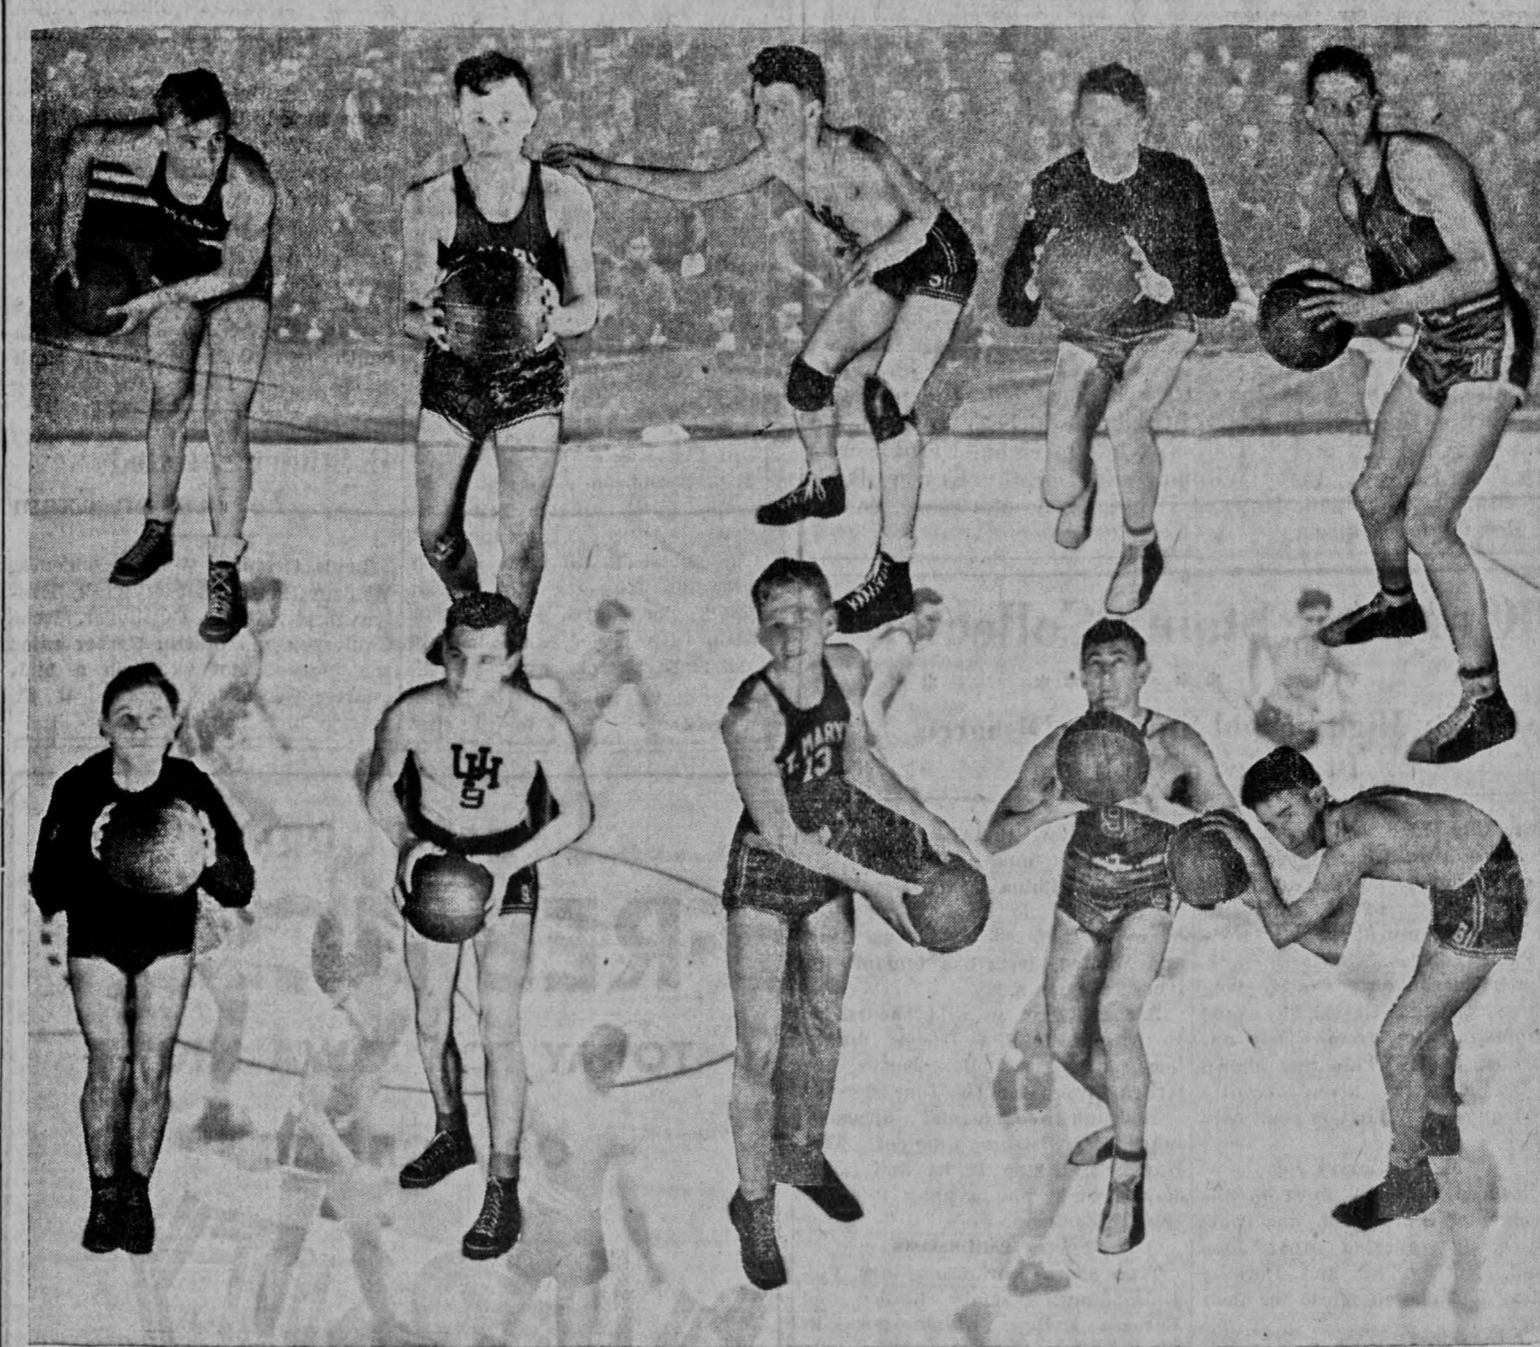

Has Never Beaten Lovelock
 All have beaten the great Glenn at one time or another but none enjoys the distinction held by New Zealand's Jack Lovelock, the feather-footed youth who beat Cunningham in a world record duel for the Olympic 1500 meters crown, at Berlin. Cunningham has never beaten Lovelock, in three attempts. San Romani outfooted Lovelock in an invitation race at Princeton last October, but Cunningham ran third that afternoon. Lovelock has lately announced his retirement.

Heath Presents Wrestling Card

Matchmaker Jumbo Heath will offer Iowa City wrestling fans a full evening of grunt and groan action Wednesday night in the third wrestling card to be held at the 11th Cavalry armory.

Heading the matches in the top spot will be a 90 minute, two falls to decide, match between Henry Kolln of Muscatine and "Swede" Dale Hanson of Windsor, Canada. These men are both middleweights with Kolln claiming the world's title.

HERE THEY ARE—THE ALL-CITY CAGE SQUAD

The Daily Iowan's All-City squad reading from left to right in the back row—George Holoubek (S.M.) guard; John Alberhasky (S.M.) forward; Hamilton Ries (U.H.) guard; Charles Paterson (S.P.), center; Wayne Putnam (C.H.), center. Front row left to right—Dick Healy (S.P.), forward; Ted Hinman (U.H.), forward; Bill Schlenck (S.M.), guard; Al Miller (C.H.), guard; George Miller (U.H.), forward.

Gubs Take Win From Storm Lake

DES MOINES, March 8 (AP)—Columbia academy of Dubuque, swinging into a fast second-half pace, opened defense of its Catholic high school basketball championship here today with a 41 to 15 victory over St. Mary's of Storm Lake in a first round game in the annual tournament.

St. Francis of Council Bluffs jumped into a favorite's role by eliminating St. Joseph's of De Witt, a former state champion, 32 to 10, in another afternoon contest.

Delbert Case, towering Bluffs center, contributed 17 points with eight field goals and one free throw.

The "Gubs" had trouble with St. Mary's during the first half, leading only 14 to 11 at the intermission. Columbia couldn't hit from close in although afforded plenty of shots. St. Mary's stopped Bob Matthews, Columbia ace, with one field goal the first half, but Matthews gave a much better account of himself in the last session, pouring in four field goals and two free throws to bring his game-total to 12.

Moran, center, and Accola, forward, also were important factors in the Columbia offense. Moran collected five field goals and Accola got the same number and added a free throw.

BITS about SPORTS

By JOHN MOONEY

Faced with that perennial All-City basketball question, the sports writers of The Daily Iowan met in several informal discussions, and decided to add the qualifications of sportsmanship, fight and determination to the list of "musks" that a member of such a team should have. With these qualifications in view, the two honor teams were picked. There may be some who will disagree with the choice of certain players, but to us they represent not only the best all-around players in the city, but also the hardest fighters and the best sportsmen.

In picking this team, the writers who have seen the four different quintets in action throughout the year, in victory and in defeat, decided upon the team. There is a certain amount of evil in attempting to name any type of an "all" team. Some players, supported by a strong club, will outshine other players who have little support, and in this manner the one fellow will be handicapped and be at a disadvantage when contrasted to his fellow players. Realizing this evil, the pickers of this team have tried to glean the real players from the mass of players and we present what we think is the fightingest, fastest, cleanest and most talented.

While we are on the subject of high schools, it would seem appropriate to toss a bouquet of flowers to the coaches at City high, Francis Merten and Herb Cornack, for the efficient manner in which the sectional tournament was handled. The whole affair went off without a hitch.

While the men selected for the All-City teams were posing yesterday, the question of that proposed intra-city basketball tournament was again brought up. The majority of the fellows were of the opinion that it would be a grand idea, but the season is gone so far as Iowa City cage fans are concerned. The idea is dead for this year, but what about next year?

Fraternity Volleyball Play Begins Tonight

Interfraternity volleyball will begin tonight when the Delta Chi and Beta Theta Pi sextets square off at 7 o'clock in the fieldhouse, on one court, and the Sigma Chi's meet the Phi Delta Theta crew on the other.

Later games this evening will include the section one tilts between Delta Tau Delta and Pi Kappa Alpha at 7:45, and a clash in which the Sigma Nu outfit meets the Phi Gamma Delta aggregation beginning at 8:30.

Upper C Nips Lower C 5 In Quad Battle

In the first game of the final series upper C nipped lower C, 15 to 13, last night. The quadrangle finalists couldn't hit the hoop consistently, missing over half of their free throws and many easy floor shots.

Gerald Brockway opened the game after two minutes of scoreless play with a free throw and a field goal. Bill Holzhaeur then made the game interesting with two charity tosses for lower C to make the score, 3 to 2. Shortly before the end of the first third, Don Howard dropped in his only two points of the game to give upper C a 5 to 2 lead.

Starting the second period the two centers, Holzhaeur for lower C and Dean Holdiman for upper C, sank a basket apiece. Brockway stretched the lead with a free throw, and Holzhaeur countered with another basket only to have Holdiman nullify his efforts. Brockway and Matt Muffich finished the period with three points making the score 13 to 8.

The final period started out fast with Wally Bergstrom whipping in four points in quick order, and Towny Davies tied the score with his only free throw of the evening. Five minutes were left in the game, but neither team could find the hoop even for free throws until the final minute when Bill Mletich shook free from his guard and won the game with a set shot from under the basket. Upper C controlled the ball for the final seconds and won by two points, 15 to 13. The second game will be played tonight.

Bob Rush to Meet Tennis Men Today

Coach Bob Rush will meet with all the varsity tennis prospects in room 21 of the fieldhouse at 4 o'clock this afternoon to make plans for the coming season which will open April 10 against Coe college of Cedar Rapids. Grinnell college netters will invade the Iowa courts April 17, and then April 29 the Hawks play a return match with the Coe tennis team at Coe.

Freshman tennis hopefuls are requested to be present at the same room tomorrow afternoon for a similar meeting.

32 Entries In Gymnast Meet Here Saturday

Thirty-two gymnasts, representing Minnesota, the defending champions, Chicago, Illinois and Iowa, the only Big Ten universities which support full gymnastic teams, will vie for honors in the Western conference championship meet at the Iowa fieldhouse Saturday afternoon.

Illinois, 1935 team champion, has entered ten athletes, Minnesota and Iowa each eight, and Chicago six.

Five Events
 Places will be awarded in team competition, individual event competition, and in the individual all-around affair, with four places in each. Five standard gymnastic events, horizontal bar, side horse, flying rings, parallel bars and tumbling, are on the program.

Although minus the services of George Mattison, who almost single-handedly brought them the title last year, the powerful Gophers appear again to be the team to beat. The Northwestern team has lost dual meets to both Illinois and Iowa, but in the Illinois meet they competed without Stuart and Johnson, two of their best men, and they later avenged the Iowa defeat when they nipped the Hawks in the last meet of the season at Minneapolis.

Injuries Slow Chicago
 Chicago's Maroons have been hampered by injuries all season, but their two outstanding men, Beyer and Wetherell, now are reported back in good condition for Saturday's affair. The Maroons have won 15 titles, as many as the combined total of all other conference universities, since Big Ten competition first began in 1903.

Iowa's eight gymnasts, led by versatile Eugene Wettstein and Capt. George Nissen, are expected to give Minnesota the most serious trouble in retaining their team championship. Wettstein, all-around champion in 1935, looks like a cinch to capture the title again, after injuries forced him out of the 1935 conference meet. Captain Nissen, Big Ten and National intercollegiate tumbling champ, is also favored to repeat.

Two Sections
 University officials in charge of the title meet announced yesterday that the competing teams will be divided into two sections, the athletes of the first section performing on one piece of apparatus while those of section two appear on a different set.

Names of six judges, three to judge each section, also were announced. They are William Matthei, John Kazmarek, E. C. Gerber and George Wolf, all of Milwaukee; Charles E. Miller, coach of the University of Nebraska gym team, and Albert Teuscher of Chicago.

React Against Ban on Bows

ATLANTA, March 8 (AP)—The official ban placed on "bowl" football games, except those sponsored in Pasadena and New Orleans, stirred widespread controversy today, including charges the southeastern conference had discriminated against other cities.

Reaction to the conference's move in forbidding its teams to play post season games controlled partly or wholly by "third parties," aside from the Sugar and Rose Bowl contests, was mixed but for the most part had little approval.

Charges From Florida
 Charges of discrimination were made in Florida, where the city of Miami sponsors the Orange bowl and Georgia, where Atlanta officials made known a movement was under way to present a game next New Year's day.

"Such a rule is rankly discriminatory against the city of Atlanta and other cities in the southeastern conference territory. And is unfair and unjust to such cities," said a resolution introduced in the Georgia house of representatives by the Fulton county (Atlanta) delegation.

No Immediate Decision Seen From Nevers

Whether Ernie Nevers, former All-American fullback at Stanford, will assist Coach Irl Tubbs with the 1937 Hawkeye football team, will probably not be definitely known for some time yet, according to reports last night.

Coach Tubbs revealed that he had talked to Nevers and that the now Lafayette university coach has told him he was considering an opportunity to coach as head mentor at another school as well as an offer to continue in his present capacity at Lafayette. Nevers is to reach a decision by the last of this month and be ready to report here for duty as backfield coach by April 1, if he wants the Iowa position.

Stiff Workout
 Meanwhile the Hawk mentor put his charges through another stiff workout on fundamentals including blocking and tackling for the linemen and tackling and passing for the backs. "He said at the conclusion of the drill that his men were working hard and seemed to be well pleased with the spirit prevailing among the candidates."

Irish Trounce Gophers, 44-18

MINNESOTA IS NO MATCH FOR NOTRE DAME; MOIR HIGH SCORER

SOUTH BEND, Ind., March 8 (AP)—Displaying a flawless passing game and defense which completely bottled up Minnesota's mighty Gophers, Notre Dame's basketball team won its 12th consecutive game of the season here tonight, defeating the Big Ten conference champions, 44 to 18 before a capacity crowd of 5,500 fans.

Johnny Moir, Irish forward, broke his own Notre Dame individual scoring record for a single season, collecting 17 points on seven field goals and three free throws during his stay in the game. His season total is now 272 points, 12 more than he scored last year to break the former mark held by El Krause, Paul Nowak, Irish center, was runner up with 10 points.

Minnesota made eight field goals, four in the first half, and five in the second, and trailed 26 to 8 at half time. The Gophers obviously were tired after a strenuous conference race and lacked the drive which characterized their play earlier in the game. George Nash, reserve forward, sank three long shots to lead the invaders.

3 Amateurs, One Pro Tied For Trap Shoot Honors

KANSAS CITY, March 8 (AP)—Three amateurs and one professional were tied for first place today when darkness halted the annual International Flyer championship, closing event of the 33rd annual interstate trapshoot.

Leaders in the 100-flyer event were G. A. Schultz, Sheridan, Mont.; Lyle Stephenson, DeWitt, Ia.; and A. C. Schwartz, Philadelphia, Pa.; and Spencer Olin, East Auk, Ill., professional. Each had a 41 out of a possible 60.

University High Cagers Pick Honorary 1937-38 Captains

Ted Hinman, George Miller Honored Men

Center Named Honorary Captain; Forward Is Leader Next Year

Ted Hinman and George Miller were elected captains of the University high school basketball team for the recently concluded season, and for the 1937-38 season, respectively, by the letter winners of the Blues' squad yesterday morning.

Hinman was elected honorary captain of the team which has gone all season, and to the finals of the sectional basketball tournament without a pilot. Miller was unanimously chosen to act as captain of the river schools' hard court team during the 1937-38 schedule.

In addition to being chosen honorary captain, Hinman was nominated to the second all-city basketball quintet selected by The Daily Iowan. This year is the second that the Blues' center has been awarded a monogram.

At the start of the 1936-37 season, Hinman was the only squad man who had a previous letter, having won his first in his junior year. Since he will graduate at the end of this semester, Ted will not be available for Wood's aggression next season.

George Miller, menace to all opponents, received the greatest honor that his team-mates could bestow upon him, that of captaining the University high quintet next year. The scrappy little Blues ball-hawk completed his first year of varsity basketball competition against West Liberty last Saturday night in the finals of the sectional tournament.

Having been one of the outstanding performers during his sophomore year while a member of the second year five, Miller came through with ace-high performances in every contest this season. Like Hinman, yesterday was a big day for the Blues forward, having been elected to The Daily Iowan's first all-city aggregation in addition to his election to the captaincy.

CHICAGO (AP)—Pat Robertson of New York, dropping his opponent in the fourth and sixth rounds, won an easy decision over Paul Lee of Indianapolis in their eight round bout at Marigold Gardens arena last night.

NEWS FROM THE TRAINING CAMPS

Buck Newsom Arrives To Continue Dealings

ORLANDO, Fla., March 8 (AP)—Louis (Buck) Newsom, Washington hurler, breezed into town today to tackle at close quarters his hold-out war with Owner Clark Griffith.

He quickly announced he was in no mood to surrender to Griffith's proposed contract calling for a \$2,000 reduction in his 1936 salary of \$11,000. Instead he wants an increase.

Griffith was reported to be playing golf so the two did not immediately get together.

"This whole salary thing is his (Griffith's) problem, not mine," Newsom told reporters. "I don't have any investment in Griffith, but he's got a \$40,000 investment in me—the price he paid the Browns three years ago. He can't afford to let that go by the boards, just for the sake of a pay raise."

Bonura, Appling Arrive At White Sox Camp

PASADENA, Cal., March 8 (AP)—Seven more players arrived at the Chicago White Sox spring camp today, ready for the opening tomorrow of strenuous batting and infield practice workouts. Twenty-two players now have reported to Manager Jimmy Dykes.

ular type of athlete, Wayne was to be found at all times in the thick of the struggle for rebounds, particularly on defense. He frequently blocked opponents' shots.

George Holubek, St. Mary's guard, was the dark horse of this year's basketball teams. Holubek, a junior, started the season as an unknown substitute but during the last half of the schedule he easily won himself a regular berth on the team.

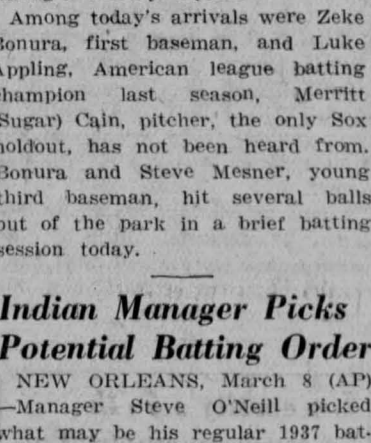

Han' Ries, University high's defensive backbone and spark plug of Coach William Wood's aggregation, is The Daily Iowan's choice for second all-city guard. The 16-year-old junior, concluding his first year as a varsity player, has been one of the city's most outstanding guards.

Indian Manager Picks Potential Batting Order

NEW ORLEANS, March 8 (AP)—Manager Steve O'Neill picked what may be his regular 1937 batting order today as Cleveland Indian pitchers, catchers, infielders and outfielders went through their first collective practice session of the year.

O'Neill included Earl Averill, outfielder-holdout, in his lineup despite the .378 hitter's absence from camp. The skipper placed his prospective regulars in this order: Lyn Lary, Roy Hughes, Averill, Hal Trosky, Julius Solters, Odell Hale, Roy Weatherly, Frankie Pytlak and the pitcher.

Spencer Accepts Pact With New York Giants

HAVANA, March 8 (AP)—Roy Spencer, the New York Giants' third string catcher who staged a unique holdout this spring, signed his 1937 contract today.

Spencer had refused to sign unless assured he would remain with the Giants all season. Manager Bill Terry, however, offered him a choice of signing with the Giants as a third stringer or with their Jersey City "farm" as a regular. Spencer chose the New York post although Terry advised him to accept the minor league job, where he would be able to play regularly instead of spending most of his time on the bench.

New Lefthander May Start for Cincinnati

TAMPA, Fla., March 8 (AP)—The splendid throwing so far of rookie Pitcher Lee Grissom, big left hander, probably will win for him the starting assignment in the Cincinnati Reds' first exhibition game against the New York Yankees next week, said Manager Charles Dressen today.

He had not picked the other twirlers for the game. He vetoed Grissom's suggestion that he be permitted to go the full route.

Monte Pearson Injured; Out for 4 or 5 Days

ST. PETERSBURG, Fla., March 8 (AP)—Monte Pearson became the first important casualty of the New York Yankees' training season today when he injured his right ankle by stepping on a rolling ball. Trainer Earl Painter estimated the pitcher would be out of action for four or five days. An X-ray examination will be made.

Drizzle Keeps Bees From Needed Drills

ST. PETERSBURG, Fla., March 8 (AP)—A light drizzle interfered with Manager Bill McKeechie's practice program today and the Boston Bees, due to the slippery turf, were forced to quit their much needed batting drills.

Pirate Battermen In Season's First Drills

SAN BERNARDINO, Cal., March 8 (AP)—Battermen of the Pittsburgh Pirates, the steel city's entry in the National baseball league, held their first workout at their spring training ground today.

Bill Benswanger, president of the club, said "not a word" has been heard from Paul Waner, the National league's No. 1 batter last year and added he expected to hear soon from the other two Pirates who had not signed for 1937.

They are Gus Suhr, big first baseman now at his home in San Francisco, and Wilbur Brubaker, third baseman who conferred recently with Manager "Pie" Traynor.

Today's practice lasted two hours.

Track Team Prepares For Big Ten Meet

Victorious in another dual meet last Saturday, Iowa's track team went through lumbering up exercises yesterday afternoon in preparation for the Big Ten indoor championships at Chicago this week end.

This afternoon Coach George

Track Team Prepares For Big Ten Meet

Bresnahan will put his charges through the regular Tuesday time trials. The squad picked to take the trip Thursday and Friday will be announced Wednesday morning, although it will probably not be as large as the squad which overcame the Gophers at Minneapolis last Saturday.

Quandary

Coach Bresnahan is in a quandary as to which of his quartermilers he will take with him for the meet. Only two are allowed each school in the 440 yard dash, and the Hawkeye mentor is having considerable difficulty deciding which of his

Track Team Prepares For Big Ten Meet

men he can take with him. Another problem is whether he will run the two best in the mile relay or take an entirely separate crew for that race.

The Iowa coaching staff was considerably surprised and heartened by showings made by Dale Roberts in the pole vault and Don Purvis in the mile run last Saturday. Roberts won the vault with an 11 feet 6 inch leap and barely missed clearing 12 feet. Although the heights themselves are not outstanding, they are better than any made to date, and will probably be bettered when Ro-

berts has been vaulting longer.

Purvis has

Purvis gave a fine display in the mile run when he came in first with a time of 4:27.8 to beat a Minnesota man, and Paul Nelson who finished third.

Freshman tracksters were hampered considerably last week by inability to use the track, and consequently their postal meet with Michigan has been postponed until this Saturday, when they also send results to Illinois. Marks made in practice this week will be submitted to both schools.

Floodwaters of Iowa River Rising Over U. S. Highway No. 6

Covers Road For 2nd Time In Two Days

Water Rises to Depth Of Four Inches On Highway Last Night

Floodwaters of the Iowa river were rising again last night as water crept over U. S. highway 6 near Coralville for the second time in two days.

Water had risen to a depth of four inches on the road since 5 p. m. yesterday when it was reported perfectly dry. A rise of three inches since 4 p. m. was recorded at the Iowa City Light and Power company dam at Coralville.

13.97 at 10 P. M.

At Iowa City the river level rose from 13.82 feet at 5 p. m. yesterday to 13.97 feet at 10 p. m., according to the University Hydraulics laboratory. Water was rising at the rate of .04 feet an hour last night indicating an ice jam had been released further up the river.

A crest of slightly more than 14 feet was predicted for this morning by the hydraulics laboratory.

U. S. highway 161 is still blocked to traffic, and water two feet deep last night covered the Cedar Rapids road in four places.

Although old Iowa field has resembled a lake for several days, university buildings are believed safe from high water. Barriercades are still maintained behind Iowa Union, however.

Lowlands south of the city remain flooded, and most of the city park was still under water.

"Shrew" Pleasing Paint and Patches Club Presents An Entertaining Show

By BERNARD LIVERMORE

Twenty-one members of Paint and Patches last night presented a pleasing and entertaining performance of Shakespeare's "The Taming of the Shrew" to an audience of 200 persons in the city high auditorium.

Outstanding in the lead roles, Dorothy Ward and John Gray as Katharina and Petruchio, respectively, kept the action of the play moving at a rapid pace.

Dale Eymann as Grumio and Frank Tallman as Blotello stole many hearts with their laugh-provoking pantomime gestures.

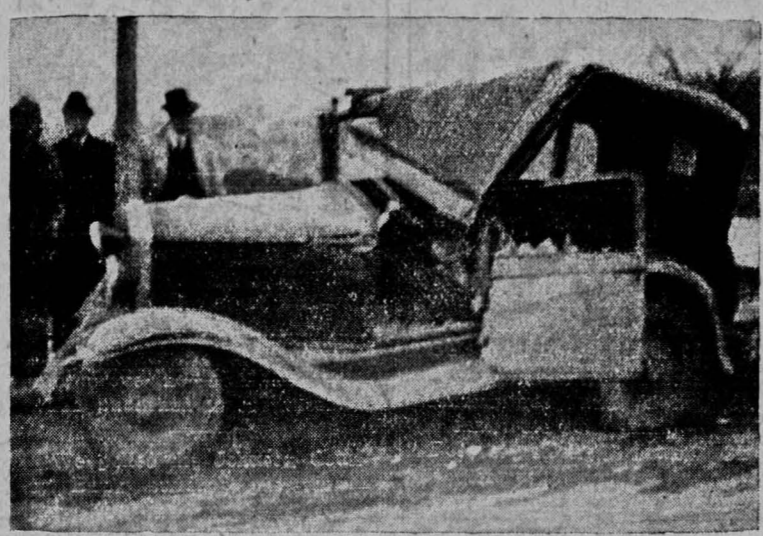

Other well acted parts were played by Alma Ruth Findly as Bianca, Lucyetta Curry as Widow, Betty Martin as Curtis and Don Graham as Tranio.

Others in the cast were Paul Travis, Lucentio; John McGreevey, Baptista; Edgar Hicks, Gremio; Robert Dunlap, Hortensio; William Meardon, Vincentio; Austin Harper, Haberdasher; Joe O'Leary, Tailor; Laurance Goodwin, Adam; Ben Summerwill, Nathaniel; Edward Qjdis, Gregory; Gunnar Norgaard, Sugarbop; Eugene DeWitt, Peter; Lind La Brown, page.

Lola Hughes, faculty adviser, directed the play which was the second 1937 production of the organization. Betty Keyser was business manager, and Austin Harper, state manager.

A second performance will be given tonight at 8 o'clock.

Item: The New Yorker reports the sound of talking pictures is delivered into movie theaters at anywhere from four to 10 times the volume which a living actor would have to use to be heard. Reason is that sound waves from the loudspeaker are reflected from the walls and ceiling and reenter the horn's mouth. . . . Which may explain why so many of the actors so often eat their own words. . . .

It may not be incongruous, but it costs \$30 per person to be adequately defended in England and only \$4.50 in America. . . . Strangely enough most Americans feel a whole lot safer than the English—and it's quite a bit cheaper.

A nasty rumor has started that Mr. Roosevelt has invited the United Jugglers of America to have their 1938 convention in Washington, D. C. . . . He's been hoping they will be able to do something about the budget's obvious imbalance—so far not one has been able to get around to that.

Skipped yesterday through a new volume of the "Poems of Emily Dickinson" to conclude she is still the only American woman whose poetry is worth reading. . . . According to Whitman's definition, she is a "multitude of women."

A graduate who does such things has discovered the average University of Iowa student goes to two movies a week, reads only one book—for pleasure—every month and one-half. . . . Which probably will prove no little sensation when published in his thesis. . . .

We polled the Johnson County Bank building yesterday—just on the supreme court issue. . . . Everybody was against—for various reasons. . . . The best was a nameless secretary who reported: "I like those old men. I think they're sort of dignified sitting on that bench all day."

Sign on Iowa City butcher shop: "Store closes at 6 p. m. sharp every Mon., Tue., Wed., except Thurs. and Sat."

Theaterites who freely express the thumbs-down motive will feel a touch of the melancholy at Walter Huston's piece in the new "Stage" in which he reveals how an actor feels the morning after a flopper.

Queer coincidence: On the same week Paul Muni and Luise Rainer were announced as 1936 Academy winners. "The Good Earth"—starring both—was released. . . .

Announce Elks To Compete In Bowling Meet

5-Man Singles Team, 3 Doubles to Play For Lodge 590

Entries in the Iowa State Elks handicap bowling tournament at Des Moines were announced yesterday by Frank Fryauf, Jr., chairman of bowling activities in lodge 590.

George McInerney, Martin Shoup, Walter Jones, Edward Hogan and Mr. Fryauf will make up the five-man team which will compete the night of March 29.

The three combinations competing in the doubles division March 21 are McInerney and Fryauf; Jones and Shoup; and Hogan with either William Olson or Charles Botek.

All men making the trip will compete in the singles.

The tournament will be at the Fifth Avenue bowling alleys in Des Moines, on March 13-14, 20-21 and 27-28. Cash prizes will be awarded the winning teams, and winners in each event will receive gold medals.

400 Listed For Cast of Varsity Show Friday

Four hundred persons, top notch student performers, are listed in the all-star cast to be presented on Iowa Night on the Varsity Show, Friday at 9:30 p. m.

Listening in on the coast-to-coast broadcast, direct from the dramatic arts building over the NBC Red network, will be included some 25,000 University of Iowa alumni.

The complete program, announced last night by Jack Roche of New York, N. Y., director, includes selections by the university symphonic orchestra and the symphonic choir and the presentation of three Iowa songs: "On Iowa," "Men of Iowa," and "Old Gold," by the university band. The bagpipers will also appear.

Alice Mikulasek, soprano, will be heard with piano and violin accompaniment in Prof. P. G. Clapp's "Song." John Chapman, tenor, will give "My Wild Irish Rose" and the Harmony Four, comprised of Don Mallett, Claude Buxton, Lethrop Smith and Alva Grinstead, will offer "The Drunken Sailor."

Listed also on the program is Vette Kell and his Silver Shadow orchestra, with Randall Whinnery as crooner. The dine and dance club musical organization will play the composition of a University of Iowa coed, Maureen Munger, "I'm Losing Interest at Heart."

Student announcers and dramatists on the program are William McClanahan, Harold Jack, Fred Krusche, Vergil Tacy, Robert Graham, Rodney Stewart, Jane Fifer, William Sener and Laddie Carr.

Tickets for the two rehearsals, Thursday and Friday are available to students in the alumni office in Old Capitol. Townspeople may obtain tickets beginning tomorrow.

John Held Jr., master of ceremonies, is expected to arrive in Iowa City tomorrow.

Prof. George R. Davies of the college of commerce will speak on the "Gold Standard in Business Forecasting" over station WSUI at 3 o'clock this afternoon.

He will emphasize the change in the forecasting of price levels made in recent years by central banks and the change in the gold standard. This is the fifth in a series of talks by Professor Davies over WSUI on business forecasting.

Words to the song follow:

IOWA ON TO VICTORY
We're cheering for
Our Iowa, On to Victory!
Dear Iowa, On to Victory!
Our loyal hearts never shall stain
your name,
And Might and Right always
shall rule your game.
Forever strong, Iowa, On to
Victory!
March, Iowa, On to Victory!
Our faith we hold, Cheering with
hearts so bold,
Fighting for you, Our dear Old
Gold.

From our fertile fields, with their
mighty yields,
Comes our golden shield, which
to none shall yield.
We're out to win! We're out to
win!
LET'S GO! We're cheering for
our name.

Our Iowa, On to Victory!
Dear Iowa, On to Victory!
Our loyal hearts never shall
stain your name,
And Might and Right always
shall rule your game.

Funeral Rites For Griffin to Be Held

Funeral service for Michael Griffin, 63, will be this morning at 9 o'clock at St. Michael's church in Holbrook. Burial will be in St. Michael's cemetery. McTavern funeral home will be in charge of the service.

Mr. Griffin died Sunday at 9 a. m. at his farm home near Holbrook. He had been a lifelong resident of Iowa county and had lived on the farm, where he died, near Holbrook all of his life. He was a member of the Rosary society of St. Michael's church.

Bunn Sketch Accepted For N.Y. Exhibition

William Bunn, G of Muscatine, has been notified that a copy of the sketch of his Dubuque post office mural has been accepted by the 112th annual exhibition of the National Academy of Design to be held March 13 to April 13 in New York, N.Y.

Mr. Bunn's sketch is one of 100 selected from more than 2,000 entries. It is an oil painting of a steamboat of the 1870 period set in Dubuque river scenery. The copy has been slightly revised from the original sketch for the mural project.

The 112th annual exhibition of the National Academy of Design will contain representatives of the different schools of painting, March and Curry as well as older schools.

University's 77th Commencement To Include 20 Events

The 77th Commencement will be observed at the University of Iowa with a program of some 20 events between June 3 and 7.

Highlights of the occasion will be the formal Commencement exercises on the morning of Monday, June 7, with the award of about 1,000 degrees and certificates, the baccalaureate services of the previous evening and Alumni day June 5 when graduates of nearly 60 classes meet for reunions.

Albert W. Palmer, president of the Chicago Theological seminary, will deliver the baccalaureate address.

Nazi Refugee Arrives Here

Refugee Student To Enroll in University On Scholarship

Gerhard Kallsch, 21-year-old German refugee student, who will enroll in the University of Iowa through a scholarship fund established by Phi Epsilon Pi fraternity, arrived in Iowa City last night.

Kallsch is the third student to be located in an American university by the national fraternity. German refugee students are now attending the University of Minnesota and the University of Pittsburgh in accordance with a policy adopted by the national convention in 1935.

Mr. Kallsch was a student at Breslau when the non-Aryan law were effected in Germany. After fleeing the country he settled in France and was a student at the University of Paris for a year and a half.

Unable to continue his studies because of financial difficulty, he worked as a laborer and farm hand on the outskirts of Paris until his departure for America.

City Officials Show Interest In Beer Law

Progress of house file 274, recently introduced in the Iowa legislature by Representatives C. L. Rice of Delta and O. E. Johnson of Kanawha is being followed with interest by Iowa City officials. The measure proposes to amend the beer law and make regulation by cities more effective.

The proposal includes amendments to the present law suggested at a meeting of Iowa municipal officials last month and is sponsored by the Iowa League of Municipalities.

To Let Bids For Sale of Gas, Oil

Bids for the sale of gas and oil to Johnson county for the year beginning April 1 will be let by the county board of supervisors at 1:30 p. m. March 24.

Sealed bids will be received at the office of County Auditor Ed Suck until 1:30 p. m. March 24. A check of \$100 is required as bond with each bid.

1936 Payroll Taxes Must Be Paid To Avoid Late Penalty

Taxes on 1936 payrolls must be paid tomorrow to avoid a penalty of one per cent each month, according to a statement issued by the Iowa unemployment compensation commission at Des Moines. Payments must be in so that the 10 per cent share due the federal government may be ready by April 1.

Officials reported Saturday that 3,799 of 4,500 Iowa officials have already sent in a total of \$2,167,553.77. Several of the 501 remaining employers have been granted extensions of time.

Both original petitions had alleged negligence on the part of Waller, driver of a university ambulance in which Mr. Wright and Miss Johnson were killed when struck by an interurban about a quarter of a mile southeast of Harcourt on Aug. 18, 1935.

Carpenter is the administrator of the estate of Miss Johnson and Smith is the administrator of the estate of Wright.

The law firm of Miller, Miller and Miller of Cherokee represented Carpenter and Smith.

Helen Jepson tells why she chooses Luckies for her voice

LOVELY PRIMA DONNA OF METROPOLITAN OPERA SAYS:

"A season of opera and concert means my voice and throat must be consistently in perfect condition. Therefore, although most of my smoking is done while I am on vacation, it is all important to me that I be careful in choosing my cigarette. I smoke Luckies because I enjoy their taste and because I feel it is wiser for me to choose a light smoke for my voice."

Helen Jepson

An independent survey was made recently among professional men and women—lawyers, doctors, lecturers, scientists, etc. Of those who said they smoke cigarettes, more than 87% stated they personally prefer a light smoke.

Miss Jepson verifies the wisdom of this preference, and so do other leading artists of the radio, stage, screen and opera. Their voices are their fortunes. That's why so many of them smoke Luckies. You, too, can have the throat protection of Luckies—a light smoke, free of certain harsh irritants removed by the exclusive process "It's Toasted". Luckies are gentle on the throat.
