## Representatives Of Canada Strikers To Meet With Officials

### Agree to Talk Peace on Auto Strike Issues

### Yield To Opposition Of Premier Hepburn Against John Lewis

OSHAWA, Ont., April 21 (AP)—Yielding to Premier Mitchell Hepburn's opposition to John L. Lewis, representatives of the 3,700 striking General Motors of Canada workers tonight agreed to talk peace with company officials in the premier's office tomorrow as merely "representatives of Oshawa workers."

J. L. Cohen, attorney for the strikers' organization, accepted for the strikers the premier's demand that he, C. H. Millard, president of the Oshawa unit of the United Automobile Workers of America, and the strikers' bargaining committee would "not represent that committee known as the C.I.O." and would "not be under instructions from the C.I.O."—Lewis' Committee for Industrial Organization.

In announcing the conditions for the conference, Hepburn said Cohen had informed him Homer Martin, U.A.W.A. president, and Hugh Thompson, U.A.W.A. organizer in charge of the strike, would not return to Canada until negotiations were completed.

Thompson to Washington  
Before the premier's announcement, Thompson left Washington to confer with his chief. He said before he left that he and Martin would return tomorrow with strike benefit funds.

Hepburn repeatedly has refused to have anything to do with Thompson or Martin. Harry J. Carmichael, vice-president and general manager of General Motors of Canada, and J. B. Highfield, Oshawa plant manager, are to speak for the company at the peace conference.

Carmichael was in one of the premier's offices at Queen's Park, Toronto, this afternoon while Hepburn dealt with Cohen.

Stiff Battle  
Cohen gave in after a stiff battle. At one point in the negotiations Martin advised him by telephone from Washington to get the premier to eliminate all the conditions regarding the C.I.O. and Thompson's presence.

When the premier stood firm, however, Cohen (and Martin) were forced to yield ground or block any further immediate peace move.

The strikers, now out of work for 14 days, were hopeful tomorrow's conference would result in their return to their jobs at least by Monday.

### British Freighters In Mass for Dash To Besieged Biscayans

ST. JEAN DE LUZ, France, April 21, (AP)—Six British freighters, loaded with food supplies, massed tonight for what diplomats called a dash for Bilbao "under the benevolent watch" of British warships.

While British naval ships declined actually to convoy the freighters through the insurgent blockade, acting on instructions from the British admiralty, it was said warships could stay within a few miles of the cargo vessels and see that they are not molested outside the three mile limit.

### Council O.K.'s Fund Transfer

Temporary transfer of \$1,922.25 from the paving bond fund to the city general fund was authorized by the CNP city council at a special meeting in the mayor's office at the city hall last night. The transfer is subject to the state comptroller's approval.

An unexpected judgment against the city, paid from the general fund April 5 just before the old council went out of office, gave no time for application for a transfer at that time, according to last night's resolution.

It is expected that the transferred funds will be used to pay the salary of J. J. Carroll, CNP appointee as beer inspector, for whose office funds have not been available.

The council also authorized Police Chief William H. Bender to use police funds up to \$100 for remodeling the local police station.

Bender's plans call for moving the office to the south room of the station and making the present office room into a fingerprinting, questioning and washroom. A storage room in the basement in which to keep stolen property recovered by police is also planned.

Total cost of the changes will be about \$75. Bender told the council last night.

Chief Engineer Allen Wallen was authorized to purchase 50 tons of rock chips, 15 tons of sand and 1,200 gallons of asphalt for street repair work. Total cost of the materials will be slightly more than \$200.

A petition of E. M. Letts to remove a 12 foot curbing in front of the Letts Service station was granted.

Council members absent were Prof. John F. Reilly and R. J. Phelps.

Should the remaining engineering fees and about \$7,000 additional attorneys' charges be paid, the total cost of the proposed project will be about \$38,000 to date.

Of this amount \$28,000 was advanced by the PWA as a part of a proposed \$413,000 grant for light plant construction. J. Van der Zee, MOL alderman, said last night he has received a letter from PWA officials in Washington, D. C., stating that repayment to the federal government of the \$28,000 advance is expected if the city does not build the plant.

The entire \$38,000 approximate cost would then have to be paid by Iowa City taxpayers, according to Van der Zee.

Last night's notice named not only Mayor Walker, City Clerk William L. Condon, City Treasurer E. B. Raymond, and the seven members of the new city council as defendants representing the city, but also four members of the MOL council. The MOL council has declared itself Iowa City's official governing body until election contests are decided in four of the city's wards.

Attorney Kenneth M. Dunlop represents the engineering firm.

### CLARK GABLE RECALLED TO COURT

Clark Gable, screen star, is shown in court at Los Angeles, Cal., with his father, W. H. Gable, left, and assistant federal attorney, Jack Powell, right, at mail fraud trial of Mrs. Violet Wells Norton (on right), whom the government charges tried to extort money from the movie actor to support her daughter.

## Gable Rewards Feminine Fans

### Makes Second Appearance In Crowded Court

### Closes Government Mail Fraud Case Against Mrs. Violet Norton

LOS ANGELES, April 21 (AP)—Clark Gable rewarded faithful feminine court attendants with a second appearance on the stand today to close the government's mail fraud case against Mrs. Violet Norton who claimed him as the father of her illegitimate child.

The he-man movie actor, whose carefully sober attire was slightly disarranged by crowding women admirers when he came to court for his debut as a witness yesterday, was recalled to identify checks paid him in Oregon in 1923. It was in that year Mrs. Norton said she had an affair with him in England under the name of Frank Billings.

An excited crowd of women, smaller than yesterday's, appeared again today.

Seeking to avoid a repetition of yesterday's experience, Gable hid behind locked doors in the federal building until time for his brief appearance at the end of a court session in which:

1. It was stated that Mrs. Norton's alleged aides mentioned creation of a \$150,000 trust fund for her daughter, Gwendoline, who she claims is the movie actor's child.

2. Gwendoline also made a brief appearance on the stand, but did not see Gable.

3. A letter from Mrs. Norton to actress Mae West was read, stating "she is Clark Gable's love child, all right," and describing details of Mrs. Norton's illicit love affair with the man she believed to be Gable.

4. Film studio officials testified they were told "a nasty mess has arisen concerning Clark Gable" and that offers were made to divert, for money, a lawsuit against his allegedly in preparation.

### 2 Face Grand Jury On Liquor Charge

Refusing to waive preliminary hearing yesterday on charges of illegal possession of liquor, Ed Duffy and Frank Kepler, both of Iowa City, were bound over to the county grand jury by Justice of Peace T. M. Fairchild.

Duffy and Kepler, failing to procure bonds of \$1,000 each, were returned to the county jail by Patrolman Ben Hauber who arrested them Sunday.

### Walker Gets Permit To Remodel Building

A permit to remodel a building at Summit and Burlington streets at a cost of \$7,500 was issued to Mayor Myron J. Walker yesterday by Building Inspector Harold J. Monk.

### SO THEY SAY

Faithful Mary, "so-called" wife of Father Divine, Negro cult leader, worshipped by many as God, after his disappearance from New York: "He's not God. He's just a damned man."

Lawrence Howard, Kentucky grocery clerk, testifying that he had been roughly handled and "menaced" after appearing before the Civil Liberties committee last week concerning activities of Kentucky coal companies:

"After I left the witness stand, four men approached me in the corridor, and followed me into the wash room. One man pushed me against the wall."

Secretary of Agriculture Wallace, indicating that administration farm tenancy plans would be delayed by recent economy moves:

"If we have not the money to spend, we will simply have to throw everything overboard for the time being."

Governor Lewis Barrows of Maine, ordering national guardsmen into the strike-born Lewiston-Auburn strike area:

"When there is open defiance to the orders of our court and our officers of the law, there is little difference from anarchy. We shall not tolerate this situation for a moment."

### Scott Petition Asks \$15,000

A petition asking judgment of \$15,000 against John Gorman for the death of Louis R. Scott was filed at the county clerk's office yesterday by his widow, Valentine Scott.

Scott was killed Aug. 7, 1936, when a driverless car owned by Gorman struck the rear end of a truck while it was being unloaded by Scott, according to the petition.

Mrs. Scott alleges Gorman was guilty of neglect by leaving his car unattended for a half-hour.

The accident occurred in an alley intersecting Clinton and Dubuque streets between College and Burlington.

Attorneys Nolan and Martin and the law firm of Huebner and Huebner represent Mrs. Scott.

### Yale Professor To Talk Here Tonight

Prof. Edward Sapir of the anthropology and linguistics department of Yale university, will discuss the "Personality Aspects of Speech" at a graduate college lecture in the chemistry auditorium at 7:30 tonight.

### J. R. Ozanne Makes Survey For Merchants

### Speaks to Men On Business Conditions In Iowa City

Interspersing his criticisms and praises of Iowa City's retail stores and sales staffs with bits of humor, J. R. Ozanne of the Chicago Merchandise Mart, who for the last two days has surveyed business conditions here, spoke at a meeting of 125 merchants last night in the Press-Citizen building.

Ozanne pointed out the defects in sales technique, stores' appearance and local advertising.

"Iowa City definitely has something to advertise," he stated, and cited methods used by other cities in their promotional schemes.

Local sales staffs are courteous, according to his report, but they are too indifferent.

Must Solve Parking  
If Iowa City can solve its parking problem and the staffs can become more alert, two of Ozanne's chief criticisms will be taken care of.

The beautiful buildings and fine homes of Iowa City give the town a splendid appearance, and make a favorable impression on the stranger, he stated.

At the close of the meeting Mr. Ozanne offered suggestions to the retailers for improving the appearance of the stores inside and out, the advertising and the retailing methods.

In referring to a meeting of local sales staffs at the city hall yesterday, he described it as one of the most attentive audiences he has yet encountered in his survey work.

Sales Techniques  
Deficiencies in sales technique and methods of improvement were given by Ozanne at yesterday morning's meeting.

This business survey in which he used a crew of shoppers in the local stores was made through the efforts of the retail trade division of the chamber of commerce.

The local chamber is doing efficient work, according to his report.

### BOY SCOUTS TO HOLD COURT OF HONOR MONDAY

The Johnson county Boy Scout court of honor will take place Monday at 8 p.m. in the basement of the First Methodist Episcopal church, Scout Executive Owen B. Thiel said yesterday.

## Senate Group Reveals Secret Testimony On Harry White Removal

### Madrid Shaken In Fierce Fire Of Rebel Guns

### Fiercest Barrage Of Campaign Lasts From Dawn To Dark

MADRID, April 21 (AP)—Insurgent shells, pounding mercilessly for hours today in the fiercest bombardment in the half-year siege of Madrid, caused the havoc that the world's capitals dread in modern war.

The heart of this metropolis of 1,000,000 inhabitants, it seemed, was being hammered into dust by the rain of explosives. The barrage started before dawn and lasted throughout the daylight hours. Fully 250 shells found targets.

It was the 10th successive day, and the heaviest, of the insurgent shelling. It raised the total of known fatalities for the 10 days to approximately 200 with at least twice that number wounded. Thirty-two persons were known to have been killed this morning alone.

As this dispatch was written, the Gran Via, the "Broadway" of Madrid, literally had become a major war front. Deafening explosions followed by the sickening crash of falling debris, came steadily.

Insurgent batteries raked the city with a machine gun type of fire from anti-aircraft guns, interspersed with the heavy explosives of large cannon. Widespread sections never could tell where the next broadside would be aimed from the easily maneuvered anti-aircraft pieces.

The morning bombardment continued until just before 1 p. m. One shell fell in a large bank building, killing five employees and customers and wounding 20 persons.

Thirty minutes after the shelling ceased, apparently for the artillerymen's lunch period, strollers again were in the streets. Among them were women leading small children.

A hawk appeared at his stand to sell cheap perfume on the sidewalk in front of a leading hotel.

### Rebellious Old 236 Jumps Tracks At Railroad's Expense

Old No. 236 left the straight and narrow path yesterday.

The 24-year-old switch engine of the Rock Island railway went on a two-hour spree, cost the company \$75 in rails and ties and gave a train crew two hours overtime pay before she finally mended her ways.

Running on the old street car tracks which form the storage place for the Rock Island's condemned freight cars, old 236 found one of the rails broken and left. She couldn't go very far, but even then her heavy weight sheared through the rotted ties and buried her hub deep in the soft road bed.

Another engine, sent from the roundhouse, came to coax her back to the rails. But she had one last card left—as she went back on the rails she broke another section of the track which delayed the crew 20 minutes.

### Coupe Overturns Near Red Ball Inn

A Model A Ford coupe driven by Loretta Bortis, 1905 H street, turned over a short distance north of the Red Ball Inn about 9:30 p. m. yesterday when the front wheel brakes locked. Miss Bortis was not seriously injured but the car was badly damaged.

### Buy Ticket-Fly Around World

A trip around the world from Iowa City by air will be possible after April 27, United Air Lines officials have announced.

Tickets for these 28 day tours will be \$2,255. The service utilizes the Pan-American airways, Imperial Airways and a Zepplin company through interline agreements.

Iowa City passengers can leave here April 27 on a west bound United plane and arrive in San Francisco early the same day to make preparations for a take-off at 3 p. m. the following day on the Pan-American Clipper, arriving in Hongkong May 5.

### Guardsmen Hurl Tear Gas Bombs At Maine Strikers

LEWISTON, Me., April 21 (AP)—After halting a strikers' invasion from this city, state police in Auburn hurled tear gas bombs late today into a mass of about 1,000 persons milling around two of 19 factories milling around two of 19 factories in the two cities.

At Augusta, Gov. Lewis O. Barrows ordered four companies of national guardsmen to duty in the Lewiston-Auburn strike area, where violence broke out for the second consecutive day.

Two of the companies were from Portland and one each from Lewiston and Augusta.

### Father Divine Vanishes After Harlem Affray

NEW YORK, April 21 (AP)—Father Major J. Divine, the little Negro "Messiah" who descended on Harlem in a cloud of smoke—so say his followers—tonight appeared to have vanished in even less than that.

A group of somewhat belligerent "angels" who chanted "Peace, it's wonderful!" to no one in particular and "scram" to everyone who ventured to inquire about reports of discord in the West 115th street heaven.

Also a group of mere mortals wearing police badges who wanted to question the missing "Messiah" about a stabbing affray in his main kingdom yesterday morning.

His terrestrial attorney, Arthur A. Madison, expressed the opinion that the father was off communing with the spirits somewhere in one of his branch heavens.

"I won't tell you anything that amounts to anything," said the attorney, "and what don't amount to anything I will tell you."

Madison declared that the man he calls "God" had nothing to do with the fracas that began when a process server attempted to hand him a summons in a civil action in front of a crowd of his followers.

The process server, Paul Camora, was booted downstairs and one of his companions, Harry Green, was stabbed and beaten so severely hospital attendants gave him only an even chance of recovering.

Police sent out an eight-state alarm for the arrest of "George Baker, alias Father Divine" on a charge of acting in concert with three Negroes who were taken into custody after the melee.

### Damages of \$10,000 Asked for Injuries To Child's Face

Judgment of \$10,000 against John and Ida Dwyer is asked by Beulah Smith for injuries received by her five-year-old daughter, Shirley, on the Dwyer farm, in a petition filed at the county clerk's office yesterday.

Mrs. Smith alleges her daughter's face was permanently scarred as the result of dog bites received June 12, 1936, on the defendant's farm in Scott township.

Attorneys Messer and Cahill represent Mrs. Smith.

### Air Service to China

ALAMEDA, Cal. (AP)—Commercial air service to China began yesterday with the departure of the China Clipper on a regular trans-Pacific flight.

### Relations With Child Welfare Are Stressed

### Reveal Complaints To Attorney General On Placing of Children

DES MOINES, April 21 (AP)—The senate investigating committee which recommended removal of Harry C. White as a state board of control member filed with the senate tonight the bulky transcript of testimony taken at secret investigation hearings.

The keynote of testimony against White was what witnesses claimed was his justification of the activities of Mrs. Lottie J. Comparet, a former agent of the child welfare department of the board of control.

The senate has not yet acted on the request of the committee that the governor be asked to remove White, who, in a formal statement explaining his side of the case, said "no attack has been attempted on my personal honesty and integrity."

Several committee members said the testimony of Lehan T. Ryan, former assistant attorney general, weighed heavily in their final decision on the investigation, which started March 31.

Ryan told the committee that early in his term of office he had been selected to handle board of control matters and that at first he had harmonious contacts with Mrs. Comparet.

Complaints  
Then, said Ryan, the attorney general's office received a number of complaints about Mrs. Comparet, particularly on her recommendations that children who had been taken from state institutions and placed in private homes be removed from the homes because of what she reported as unsatisfactory environment.

"She just had in mind," Ryan's testimony said, "that every time one of these children was out on contract in these homes that the man" of the foster family was having intimate relations with the child.

"Do What I Say"  
Several witnesses testified that Mrs. Comparet told them White would "do what I say" in regard to child placement matters. At one point, J. E. Zumwalt of Grinnell said:

"She (Mrs. Comparet) says 'I am the board of control and Mr. White does exactly as I say.'"

Continuing his testimony, Ryan stated he quarreled with White over an argument he (Ryan) had with Mrs. Comparet and added that White wanted to have another assistant attorney general handle board of control matters but that the two other board members objected.

Defending Her  
"It just seemed to be constantly that she (Mrs. Comparet) was getting into this stuff and White seemed to be defending her," Ryan's testimony said.

The former assistant attorney general stated that in one instance physicians found a girl innocent but Mrs. Comparet forced her to "confess" illicit relations.

### 'SIGN NOTES,' MAYOR URGES HIS CRITICS

A plea for Iowa Citizens to sign letters to city officials was made yesterday by Mayor Myron J. Walker. Walker said he has received several unsigned letters of criticism during the last few days. "I am glad to receive any letters," the mayor declared, "whether they be letters of praise or not, but I cannot give very serious consideration to suggestions that are not signed." Walker said he will not use the names of persons who make suggestions or criticisms.

# Ted Weems Will Return to Campus for May Frolic April 30

## Ticket Sale Opens Monday At Union Desk

### Girls Will Do Dating For Annual Affair Of Spring Season

Ted Weems, engaged to play for the May Frolic April 30, appears to be the ladies' choice of the year. When the Spinners' Spree committee selected him last fall for their party, he was such a success that he has been brought back to the Iowa campus again, illustrating the feminine portion's preference for his style of syncopation.

Tickets for the party will go on sale at the main desk of Iowa Union Monday at 8 a.m. Mothers and fathers of both the girls and boys may be admitted on the young lady's ticket. Men expecting out-of-town guests may also purchase tickets.

**Gave Up Engineering**  
Weems started his career at the University of Pennsylvania with the firm intention of becoming an engineer, but the paths of mathematics and calculation seemed less desirable to him than the arrangements of dance orchestras, and so he and his brother Art set out to win their fame.

His first engagement was at the LaAlgon cafe in Philadelphia. Since then he has toured the country, playing at the Empire Room in Chicago's Palmer House, and at other notable spots, such as the Pennsylvania hotel in New York and the Baker hotel in Dallas, Texas.

Radio has employed him often, featuring his band on such broadcasts as the Real Silk hour and the Lucky Strike programs.

**Unique Arrangements**  
Much of his fame has been won from his unique arrangements, a glory which has not evolved purely from luck. Weems works hard to find the right tone for the right spot in all his orchestrations. Once, feeling that no instrument existed to give him the desired tone quality, he invented his "Weems-a-phone," a contraption often used by his band.

With him will come such stars as Perry Como, Elmo Tanner and Parker Gibbs.

Tea for the chaperones and committee members will be served in the private dining room from 10:15 to 11:15 p.m. during the party. Members of Mortar Board will pour.

**Chaperones**  
Chaperones for the party will be Dean Adelaide Burge, Prof. and Mrs. Richard Whipple, Prof. and Mrs. R. M. Barnes, Mr. and Mrs. Theodore Rehder, Prof. and Mrs. Bartholow Crawford and Prof. and Mrs. Wilbur L. Schramm.

Ruth Belsky, A4 of Dubuque, is chairman of the committee whose members consist of Mortar Board girls. They are Kathleen Litten of Pango, S. D., Mary-Lou McQuillen of Charles City, Amanda McCloy, Betty Lampe, Mildred Fitzgerald and Margaret Miller of Iowa City, Ruth Crow of Burlington and Louise Wolfinger of Des Moines, all A4; Harriet Off, L1 of North English, and Ruth Dee Lewis, C4 of Danville.

A vehicle tunnel is to be constructed under the river Meuse in Holland at a cost of \$7,500,000. It will have lanes for automobile traffic, bicyclists and pedestrians.

Try these spicy apples and brown sugar, tucked under the flakiest crust you ever ate!

There are apple pies and apple pies. But when you serve these Individual Deep Apple Pies, we'll wager the family will shower you with compliments! For they're an extra-special treat if there ever was one!

Juicy apples done to a turn—and seasoned just right with brown sugar and allspice! Pastry that's simply a dream—it's so flaky, tender and golden! Topped with luscious Snowy Peak Sauce and a dash of nutmeg! Serve these grand little pies warm, too, and watch the effect of that heavenly aroma on your guests! Each individual pie contains a generous serving. But don't worry, the tender, flaky crust is wholesome and easily digestible, like all pastry made with Spry, the new vegetable shortening.

If you haven't small casseroles, use this recipe to make a large apple pie and top individual servings with Snowy Peak Sauce. Your family will love the blend of brown sugar, apples and allspice. For a large deep apple pie, use 6 to 8 large apples, roll your crust 1/4 inch thick and bake about 10 minutes longer than the small pies.

### INDIVIDUAL DEEP APPLE PIES

6 cups sliced apples  
1 cup brown sugar  
1/2 teaspoon salt  
1/2 teaspoon allspice  
2 tablespoons butter  
recipe Spry Pie Crust

Pare, core, and thinly slice apples. Fill 9-ounce casseroles half full of apples. Mix brown sugar, salt and allspice together. Put half over apples. Fill casseroles with remaining apples and cover with rest of sugar mixture. Dot filling with butter. Roll Spry dough 1/4-inch thick; cut in rounds 1 inch larger than casserole. Cut small design in top, turn edges under to fit casseroles, place over pies, and seal edges with fork. Brush with cold water and sprinkle with granulated sugar. Bake in hot oven (425° F.) 25 to 30 minutes. Serve warm with Snowy Peak Sauce and a dash of nutmeg. Makes 6 pies.

### SPRY PIE CRUST

2 1/2 cups sifted all-purpose flour  
1 teaspoon salt  
1/2 cup Spry (the new all-vegetable shortening)

5 tablespoons cold water (about 1/2 cup) Sift flour and salt together. Add 1/2 of Spry and cut in until mixture is as fine as corn meal. Add remaining Spry and continue cutting until particles are size of a navy bean. Sprinkle water, 1 tablespoon at a time, over mixture. With a fork, work lightly together until a dough is formed.

### SNOWY PEAK SAUCE

2 tablespoons butter  
2 tablespoons Spry  
1/2 teaspoon salt  
1/2 teaspoon grated lemon rind  
1/2 cup sifted confectioners' sugar

Combine butter, Spry, salt and lemon rind and mix well. Add sugar gradually, beating well after each addition.

# Margie Fastenow, Elzena Gross Tie in Frivol Beauty Contest

## Five on Jury Pick Unofficial Queens at S.U.I.

### Magazine Discloses Selection One Day Before Hawkeye

Although the Hawkeye beauties will be officially presented tomorrow at the Junior Prom, Frivol today discloses the humor magazine's "unofficial beauties," selected by a jury of five.

Elzena Gross, C2 of Warrens, Wis., Phi Mu, tied with Margie Fastenow, A3 of Peterson, Kappa Alpha Theta, for first place in the jury's poll.

Scorning such judges as movie actors and band leaders, Frivol chose for its "beauty jury," an oil station attendant, football captain, candy peddler, restaurant owner and eligible bachelor.

#### Likes Her Hair

Both L. C. Sullivan, oil station attendant, and Tommy Hays, a nine-year-old lad who sells home-made candy bars, rated Miss Gross first. "She looks as if she had a lot of common sense," was Sullivan's remark. "I like her hair," said Tommy.

Miss Fastenow was characterized as most beautiful by John Hill, co-captain of last year's football team, and by Robert Hogan, the most eligible bachelor. Hill praised her coiffure, while Hogan murmured enthusiastically, "Her beauty appears untainted by the vices of college life."

#### Helen Denzler

Helen Denzler, A2 of Marengo, Alpha Xi Delta, was chosen first by Roland Smith of Smith's cafe. "She has a sweet mouth," he remarked, turning to Mrs. Smith, "doesn't she, dear?"

Sullivan rated Miss Denzler second and Mary V. Steck, A2 of Los Angeles, Cal., Kappa Kappa Gamma, third.

#### Betty Beason

Hill's second choice was Betty Beason, A1 of Audubon, and third, Mary Celeste Rucker, A2 of Ottumwa, both members of Delta Delta Delta sorority.

Tommy Hays chose Phi Beta Phi's Mary Helen Scott, A3 of Keokuk, for second place, and Margaret Leeper, A1 of Waterloo, Gamma Phi Beta, third. Learning that Miss Leeper has red hair, he exclaimed, "I want her then!"

Miss Beason finished second and Miss Leeper third on Mr. Smith's list.

Saying that Miss Leeper "looks like the motherly type," Hogan placed her second, and chose Miss Rucker for third place "because she is the kind of a girl that makes a man want to go out and do things."

## Plan Child Welfare Field Trip Today

Mrs. William H. Morgan and Afon Smith, both of the Iowa Child Welfare Research station, will go on field trips to Iowa towns today and Friday.

Mrs. Morgan will talk to high school students and conduct a parents' child study meeting in Ogden and Boone.

At a leaders' group meeting in Keokuk Friday, Miss Smith will aid in formulating plans for next year.

## State Preserves List Long Distance Call

SACRAMENTO, Cal. (AP)—A few poles and short stretches of wire have been recognized by California as state historical landmarks. They are the remnants of what local historians say was the world's first long distance telephone line.

Running 60 miles and serving three principal towns and some 30 stations, the line was put into operation in 1878. In 1930 Thomas A. Edison requested photographs of the equipment used on the line.

Three big mining companies financed the line, its chief purpose being to convey information about the water supply for hydraulic placer operations.

## Campus Clubs

### Newman Club

Results in the Newman club election of officers will be announced at a meeting at 7:30 to-night in the gymnasium of St. Patrick's school. The Rev. E. M. O'Connor, head of the philosophy department of St. Ambrose college, Davenport, will speak.

Two hundred ballots, mailed last week to club members, have been returned.

Nominees for president are John Lowther, A3 of Des Moines, and Edward Greer, A1 of Iowa City. The runner-up in this contest will become vice-president.

Mary Hunter, A3 of DeWitt, and Edith Tomlin, A3 of Iowa City, are candidates for secretary. Nominees for treasurer are William Mulry, A3 of Emmetsburg, and Ford Richardson, E1 of Wrightstown, N.J.

## NEW Y.M.C.A. HEADS

Y.M.C.A. officers chosen to serve next year are shown above. Left to right are Walker Sandbach, A2 of Decorah, vice-president; George Sudimack, A3 of Bayonne, N.J., president; Frank Bodenheimer, A2 of New York, N.Y., secretary; and Arthur Rideout, A2 of Dubuque, treasurer.

## Students Vote Today in Peace Plebiscite on War Prevention

### Willingness to Fight, R.O.T.C. Questions For Consideration

War prevention, willingness to fight in a war and the R.O.T.C. will be voted on by university students today in the peace plebiscite conducted in recognition of national peace week in cooperation with campus organizations and the religious activities commission.

Voting will begin at 8 o'clock this morning at four polling places and continue until 5 o'clock this afternoon. The polling places are located in front of Old Capitol, in Iowa Union, Quadrangle and Currier hall.

### Three Questions

Students will be asked to vote on the following three questions:

1. Do you favor cooperation of the United States with other nations in: reduction of armaments, military measures against a recognized aggressor, and economic measures?
2. Would you be willing to fight in a war: if waged by the United States on foreign soil or if the United States were invaded?
3. Should R.O.T.C. be compulsory or optional?

Eighteen campus organizations cooperated in the movement under the auspices of the international relations committee of the religious activities commission.

Members of the peace plebiscite committee include Carl Ettinger, A1 of Cedar Rapids, chairman; Laura Knight, A4 of Iowa City; Stanley Seashore, A4 of Minneapolis, Minn.; Ben Braverman, A3 of Iowa City; Ben Bierer, A3 of Council Bluffs; Dale Weeks, A3 of Indianola; George Friedman, A2 of Accord, N.Y.; Richard Peterson, G of Chicago, Ill.; and Rene Galennie, G of Webster Groves, Mo.

## No Fatalities At "Busiest" Corner

LOS ANGELES (AP)—At the traffic intersection which Los Angeles claims is the busiest in the world there hasn't been a fatal accident in seven and a half years.

Robert L. Burns, president of the city council, estimates that 200,000,000 automobiles and 10,000,000 people have passed the intersection of Wilshire boulevard and Western avenue in that period, without a fatality.

## American Scrap Iron Sold for Armaments

BEAUMONT, Tex. (AP)—Nate Karchmer, president of the Oklahoma Waste Trade Dealers' association, says junkmen are gathering bedsprings, automobile chassis, frying pans and radiators from alleys, barnyards and byways to be sold abroad for armaments.

The largest cargo of scrap iron from this port—more than 8,000 tons—was scheduled to leave in April.

## Next 150 Buyers Of Hawkeye To Get Tickets to Theater

The next 150 buyers of the 1935 "streamliner" Hawkeye will receive free tickets to the Strand theater Robert Harter, A3 of Des Moines, business manager of the yearbook, announced last night.

Tickets will be good for any one of the next seven or eight shows at the Strand theater.

Hawkeyes may be purchased from house representatives or at the Hawkeye office in the journalism building.

## 4 Students In Oratory Finals For \$25 Prize

### Winner to Represent University in N.O. League Contest

Four students will take part in the finals of the oratory contest for the \$25 prize offered by President Eugene A. Gilmore tonight at 8 o'clock in room 221A, Schaeffer hall. Each contestant will deliver an original oration not exceeding 1,800 words in length.

Lilla Monsanto, A4 of Panama, will speak on "Panama's Lesson," Addison Hickman, A3 of Sioux City, will talk on "The Case for the Sit-Down Strike," Frederick Wilson, A4 of Estherville, will discuss "Modern Youth," and Charles Green, A4 of St. Louis, Mo., will speak on "The Negro and Labor."

Judges in the contest will be Prof. H. Clay Harshbarger, Prof. A. Craig Baird, Otto Dietter, Forrest Whelan and Elbert Harrington, all of the speech department.

The winner of tonight's contest will represent the University of Iowa in the contest of the Northern Oratorical League in Madison, Wis., May 7. The league is composed of the Universities of Iowa, Wisconsin, Michigan and Minnesota, Northwestern university and Western Reserve university. The prizes in the N.O.L. contest are \$100 for first place and \$50 for second.

## Coed Sports

### Seals Club

Seals club will elect officers at a business meeting in the women's gymnasium at 4 o'clock this afternoon. General installation of all W.A.A. officers will be at a breakfast in Iowa Union May 2.

## NEW RECORD IS SET FOR STATE MUSIC ENTRIES

A new record for schools qualifying for the state high school music festival at the University of Iowa next month will be set when 181 schools in 169 cities will send students for the competition. The former record was 180 schools from 153 towns.

Iowa City leads the list in the number officially qualified with entries in 19 of the 34 events. Mason City, which usually leads all other schools in the number of qualifiers, is second with entries in 13 events.

The exact number of contestants entered in the contest is not yet known, but preparations are being made to care for 6,500 boys and girls. Let year's total was 5,952.

The groups and soloists who qualified by winning "superior" rating in subdistrict and district contests total 557, another new record.

## Senior Laws Argue Case

Senior law students will argue the fourth case in the second series of practice courts conducted by Prof. Mason Ladd of the college of law this afternoon from 3 to 5 o'clock and tomorrow from 1 to 5 p.m.

Counselors for the plaintiff are Fred E. Moran of Jefferson, Harry L. Nehls of Cedar Rapids and Donald M. Pendleton of Sioux City. Counselors for the defense are Carl E. Gleyeston of Sioux City and Craig H. Mosler of Iowa City.

The case involves an oral contract of insurance in which the plaintiff is seeking to recover, because of fire, the amount which the policy would have covered had it been issued.

## 29 Initiated To Honor Group In Commerce

Nine staff members of the college of commerce and 20 students were initiated into Beta Gamma Sigma, honorary commerce fraternity, last night. Approximately 60 persons attended the ceremony.

Faculty members initiated included Prof. Karl E. Leib, Prof. Paul R. Olson, Prof. Homer V. Cherrington, Prof. Walter L. Daykin, Howard R. Bowen, John F. Partridge, Robert E. Walden and G. E. Warren.

Student initiates are James Angel, C4 of Sidney; Barbara Bibow, C4 of Fargo, N. D.; Raymond Boettcher, C4 of New Hampton; Robert Brooks, C3 of Dubuque; Waldo Brooks, C4 of Dubuque; Leo Brownlee, C4 of Mallard; La Vonne Clanchan, C4 of Stratford.

Morris G. Frederickson, C3 of Harlan; Charles Kasdorf, C4 of Des Moines; William Hinson, C4 of Waterloo; Dale O. McDowell, C4 of Sheldon; Robert A. McDowell, C4 of Grundy Center; Robert Mahnke, C4 of Sioux City; William Mahnke, C4 of Sioux City; Maurice Mayo, C4 of Washington, Ia.; Richard Millen, C4 of Gilman.

Norris Neveln, C4 of Mason City; Bruce Robertson, C4 of Waterloo; Loraine Trovel, C4 of Baxter; and John Uthoff, C4 of Mt. Vernon.

Initiation ceremony was conducted by Prof. C. Woody Thompson, Prof. Elmer W. Hill, Prof. Harold H. McCarty, Prof. Harold B. Eversole, Prof. Sidney G. Winter and Virginia Suechting, all of the college of commerce.

## Senior Engineers Plan Survey Tour

Twenty senior electrical engineering students will spend today in Cedar Rapids visiting power plants, substations and industries.

This evening they will attend a section meeting of the American Institute of Electrical Engineers. Prof. E. B. Kurtz and Prof. R. R. Whipple, both of the college of engineering, will accompany the students.

## Invite 600 To Attend Water Works Meeting

More than 600 invitations have been sent to water works superintendents throughout the state inviting them to attend the annual Iowa water works conference opening today in the college of engineering.

During the conference, informal discussions concerning the industry will be taken up by the group. The committee in charge of the discussions have arranged for 17 topics to be discussed.

University of Iowa men who will participate in the conference include Dean Francis M. Dawson, Prof. Earle L. Waterman and A. A. Kallinske of the college of engineering; Prof. J. J. Hinman Jr., chief of

the water department, and Prof. Allen C. Tester, assistant state geologist, who will represent the state geological survey and the geology department.

The university extension division and the state department of health are cooperating in holding the meeting.

## R.O.T.C. Members Go to Kansas City

Eighty-six members of the R.O.T.C., including the drum and bugle corps and the bag pipers, will leave at 6 o'clock this morning for Kansas City, Mo., to appear in the R.O.T.C. circus at the municipal auditorium tomorrow night.

Officers accompanying the group are Col. George F. N. Dalley, head of the military department, Maj. E. B. Whisner, Sgt. John A. Lemons, Sgt. Palmer Peterson, Sgt. Charles H. Hammill and Sgt. Herbert W. Wendlandt.

## W. J. PETERSEN TO READ OVER RADIO TODAY

William J. Petersen of the State Historical society will read a paper on "The Second Purchase" over station WSUI this afternoon at 3:15. This is the fourth in a series of radio programs presented as part of the annual Iowa History week celebration.

Mr. Petersen's article deals with the purchase of land, which is now Iowa, from the Indians.

Iowa History week is under the joint auspices of the State Historical society and the Iowa Federation of Women's Clubs. The central theme of the celebration is "Iowa in 1837."

The principality of Liechtenstein, on the upper Rhine between Switzerland and Austria, is but little larger than Staten Island. Its area is 65 square miles.

# Wolverine Baseball Squad Will Invade Hawk Stronghold for Two Game Series

Weather permitting, the University of Iowa baseball team will meet Michigan's powerful nine tomorrow afternoon in the first of a two game series. The second game is scheduled for Saturday.

Any more rain will make it impossible to use the new diamond which is already well soaked. Workers yesterday were putting the finishing touches on the outfield and had started the construction of a backstop. With sunny skies today it is hoped that the work will be finished in time to give the Iowa team another workout on their new field. If Friday's game is postponed, a double header may be held Saturday.

The Hawkeyes are hoping that they will be able to meet the Wolverines from Ann Arbor for they want revenge for the defeat that last year cost them the conference title. The Iowa nine also would like to improve their own 500 percentage and drag Michigan from the top to the conference race.

**Wolves Have Power**

The Michigan outfit that will invade Iowa City is not expected to be as strong as last year's title winners but they will have a powerful team, never-the-less. Only three new faces are to be seen in this year's Wolverine lineup, two of whom are in the infield.

Leading hurlers that will face the Iowa batters are Herman Fishman, gabby southpaw, and John Gee, the six-foot, nine inch giant that last year was voted one of the outstanding centers in Big Ten baseball.

Geoffrey is also a left hander. **Beebe Is Sensation**

The sensation of the Michigan team is liable to be Beebe, sophomore catcher, who is reported to have one of the strongest throwing arms in the conference. Beebe was a standout on the freshman team at Michigan last year and has done most of the back-stopping for the Wolverines this year.

Headed by Steve Urick, the Michigan team will present a formidable array of hitters in their lineup. Urick, last year hit .359 in conference competition. He will be aided by such men as Heylinger, Kremer, and Capt. Kim Williams, all of whom are hitting over .300.

**Hinrichs Most Effective**

Coach Otto Vogel of the Iowa team will likely start Eugene Hinrichs, Capt. Lowell Gosser, or Harold Manders in tomorrow's game. Hinrichs, lanky junior southpaw, has been most effective on the mound for the Hawkeyes this year. He has won two games, giving only three hits in one and four in the other, while losing one. He was charged with the defeat at Louisiana State in the season's opener, after pitching the last two innings.

**Manders Undeclared**

Manders has won two games so far this year and is not yet charged with a defeat. He still has not finished a complete game. The sophomore speedball artist leads in the number of strikeouts as he has pushed the third strike past 33 batters in 27 innings. Gosser has not returned to his

last year's form and has won only one game out of three. Last year he won four of six contests and led the Iowa hurlers in conference strikeouts.

**Nearly 300**

Iowa will present a team that has hit nearly 300 so far this season. Art Manush leads the Iowa regulars to date with .413 and is followed by Skeets Haltom who has hit .371 in the 10 games thus far.

The Hawkeye infield has been improving rapidly and, although Luree of the four are sophomores and the other is an outfield reserve of last year, are expected to hold their own against the Michigan outfit. A change in the lineup may see Emil Sulek, who has played all season at shortstop, change places with Eddie Kadell at third base. Benny Stephens will probably get the call at second base and Elmer Bratten, who has been fielding sensationally this year, will likely start the game at first base.

**Bisenius May Start**

Skeets Haltom, Art Manush and either Vic Belger, Bill Vogt, or Eddie Bisenius will man the outfield posts. Belger played in his first game at Chicago last Saturday and got two hits in four times at bat. He bats better against left handed pitchers and will probably see a lot of action if the Michigan team uses any port side hurlers.

Dick Bowlin will probably see most of the action behind the plate,

**DON BREWER**  
Michigan Infielder

**JOHN SMITHERS**  
Michigan Pitcher

**VICTOR HEYLIGER**  
Michigan Outfielder

**IRWIN LISOGOR**  
Michigan Infielder

**BILL LANE**  
Michigan First Baseman

and will get his relief from either David West, junior, or Charles McClenahan, sophomore. Neither of the latter two have seen much action this year but both will be ready to step in if needed.

One dark cloud is dimming the hopes of the Iowa fans, Skeets Haltom injured his leg in the last half of the ninth inning in the final game against Chicago last Saturday, and may not be able to see much action if it fails to respond to treatment before tomorrow. Haltom's heavy hitting and speed will be sorely needed if Iowa is to avenge their last year's defeat at the hands of the Wolverines.

### Hawkeyes to Enter 26 Men In Drake Relays Competition

Twenty-six men will comprise the Iowa track squad at the Drake relays tomorrow and Saturday, according to the squad list posted by Coach George Bresnahan yesterday afternoon.

The large Hawkeye squad, one of the biggest to make a trip for many years, will enter every event on the relays card, 18 in all. Seven of the contests will be relays and 11 individual events, both track and field.

**Two Final Events**

The two final events tomorrow that Iowans will be watching with special interest are the sprint medley relay and the javelin throw. Iowa won the sprint medley race at the Kansas relays last Saturday, and is rated next to Ohio State at the Drake games.

Bush Lamb, Big Ten javelin champion, is not expected to better throws by Alton Terry of Hardin-Simmons college, but Bresnahan hopes to see him get a toss of 200 feet or better. Last week Terry threw the spear 229 feet for a new American record.

Another powerful team, which didn't show up as well as expected at Kansas, is the two mile relay group. John Graves ran the anchor lap in 1:54 last week, but was able to finish only in fourth place, five yards behind the winners. The team will be running fresh Saturday, however, and should make better time.

**Captain Dooley Back**

The return of Capt. Andy Dooley to the team has been a great help to Coach Bresnahan, as the speedy senior is expected to take over the anchor position on the mile relay team from Johnny Graves. Other members of the mile quartet will be picked from the Teufel twins, Fred and Carl, Eliot Waples, Milton Billig or Eugene Skinner, depending on who runs in the other races tomorrow and Saturday. The mile team will run in preliminaries tomorrow.

**DeHeer to Compete**

Floyd DeHeer is scheduled to compete for the Hawks in both the discus and shot put, but whether or not his arm will be as powerful as before is not yet known.

Bresnahan's probable starters in the relay events are:

440 yards—Carl Teufel, Fred Teufel, Ed Wiggins, Capt. Andy Dooley.

880 yards—Orval Matteson, Eugene Skinner, Ed Dunsie, Wiggins.

One mile—C. Teufel, F. Teufel, Eliot Waples, Captain Dooley.

Two mile—Milton Billig, John Schmidt, Jimmy Lyle, John Graves.

Four mile—Cameron Campbell, Don Purvis, Robert Nelson, Paul Nelson.

Sprint relay—Billig, C. Teufel, F. Teufel, Graves.

Other entrants will include Bush Lamb, Bob Waples, Howard Ely, Milford Barnes, Floyd DeHeer, Martin Stiller, Dale Roberts and Ernie Gosser. They are all entered in individual competition.

### Hawk Golfers Drill Hard For Gopher Match

With Finkbine field in excellent condition, Iowa's golf team is drilling hard this week for the first home meet of the season Saturday, when Minnesota's Gophers will travel to Iowa City for a duel beginning at 8:30 a.m. Foursomes will be run off in the morning, and singles in the afternoon.

The Hawks will top off another double-barreled week end Monday against Northwestern's strong squad which will also play at Iowa City. Iowa was reported to have won the Purdue meet by virtue of a technical rule which enabled Willie Thomson to win a hole and collect two and one-half points of the three possible from Smith of Purdue. The fact is that even had the hole been played out with Thomson on the long end of the score, there would have been only a half-point difference; the final outcome of the meet would have remained unchanged.

The lowest Iowa score of the trip was carded by sophomore Willie Thomson, who tied Charles Boswell's star Indiana shotmaker, with a 75.

NEW YORK. (AP)—Maurice Strickland, awkward New Zealand heavyweight, held Nathan Mann, hard punching battler from New Haven, Conn., to a draw in the 10-round feature at the Hippodrome last night.

### Millen Wins 118 Pound Crown In Freshman Mat Tourney

The 118 pound championship was decided in the first round of the freshman mat tournament yesterday afternoon in the fieldhouse.

Philip Millen threw Robert McDowell in three minutes 36 seconds with a reverse headlock to capture the crown.

James Butsch, speedy 126 pounder, pinned Don Sulentic in one minute 47 seconds for yesterday's fastest fall. Butsch used a half nelson with a crotch hold to turn him over.

**Hardin Tosses Greenwalt**

Best grappling exhibition of the day was put on by Wayne Hardin in flopping William Greenwalt with a body scissors and a reverse headlock.

In the 175 pound division Frank Murphy encountered some stiff opposition in Alan Williams, but finally succeeded in piling up the sufficient time advantage to get the decision. Carl Minear got the other victory in that weight when he pinned Leo Lopoulos with a body press.

**Whalen Squeezes Win**

Bob Whalen got a bare advantage over Ralph Denny to win the only match wrestled in the 165 pound event Wednesday. Whalen seemed to lack conditioning, somewhat.

The second round will get underway this afternoon at 4 o'clock with the finals to be staged at the same time Friday.

The summaries:

118 pounds—Philip Millen threw Robert McDowell, 3:36

126 pounds—James Butsch threw Don Sulentic, 1:47

145 pounds—Wayne Hardin defeated William Greenwalt

165 pounds—Bob Whalen defeated Ralph Denny; Harold Gibbons defeated Carl Beck, forfeit.

175 pounds—Frank Murphy defeated Alan Williams; Carl Minear defeated Leo Lopoulos

Heavyweight—Robert Day defeated George Bailey

Qualifying rounds for the all-university and freshman golf tournaments will be played Saturday and Sunday of this week, Charles Kennett, Iowa golf coach, announced yesterday.

All entries will be placed in flights according to their qualifying scores, and the championship will be decided by match play the following week.

Two trophies will be awarded the champions: the Beye-Kuever championship trophy will be given to the winner of the all-university tournament, and the Dr. Clarence Van Epps trophy to the freshman winner.

Jim Gardner, 1936 captain of the golf team, was all-university champion last year, and Gordon Carey defeated his brother, Charles, in the finals, to win the freshman ward.

### Tennis Team Warms-up For Wildcat Match

With bad weather making it impossible for the Iowa tennis team to encounter any more warm-up foes before their opening conference meet with Northwestern Saturday, they concentrated on the next best thing by playing intra-squad matches in the fieldhouse yesterday.

The results of these matches, while not definitely changing the makeup or ranking of the team, nevertheless showed the stiff fight being waged for varsity positions.

Harold McCollum proved top steady for the erratic Claude Douthett, after losing the first set, which ran to 16 games, took the match completely out of Douthett's hands in the final two frames to win; the scores: 7-9, 6-3, 6-3.

This match between two of the team's top-flight members was closely watched by Coach Bob Rush and Capt. Chuck Fleming. They were disappointed over the showing of Douthett, Flashing Forest Hills form at intervals, he would throw away his advantages by flubbing shots at crucial moments. His net play was brilliant at times, but the steady, deep shooting of McCollum kept him at bay.

In another match, Jim Brammer, first among the challengers, beat Bob Stansbury in another three-set tilt, 6-8, 6-4, 6-3. This makes them even in match play, each having won one from the other. They will play off for the team position tomorrow.

### Six Athletes Awarded Letters In Basketball at City High

Six basketball letters were awarded for the 1936-37 season by Coach Francis Merten, basketball coach at Iowa City high school, in a special assembly yesterday afternoon. Letters were given to two seniors, Alvin Miller and William Maher, two first semester seniors, Eldon Parizek and Arlo Rogers, and two juniors, Wayne Putnam and Warren Burger.

In an exhibition and talk, George Nissen, Iowa's gymnastic captain, demonstrated some of the prowess which made him three-time intercollegiate tumbling champion.

During the assembly, Coach Merten explained the requirements which a letter winner must meet. Due to failure to meet these necessary requirements, several of the men who played regularly during most of the season were not given awards.

Basketball captain for next year will be elected shortly. Of the four returning letter winners, Rogers and Parizek will complete their eligibility at the semester, leaving Wayne Putnam and Warren Burger the only lettermen to play the entire year and thus the outstanding candidates for the captaincy.

Coach Merten completed his second successful season at the local school, his team again standing high in the Mississippi Valley league, one of the toughest circuits in the state. The victory scored over Davenport high on the local court was the first victory the Little Hawks have registered over the Blue Devils in several years and in itself made the season a big success.

### AS MAJOR LEAGUE NINES OPENED SEASON

The Pittsburgh Pirates wasted no time in getting to work in the opening game with the Chicago Cubs at Wrigley field in Chicago Tuesday. Woody Jensen, Pirate centerfielder and leadoff man, singled to centerfield, took third on Paul Waner's single and is shown here as he scored on Dickshot's grounder. The Cubs lost the National league opener to the Pirates, 5 to 0.

A pitching duel that went 10 innings was the opening day dish served to 34,374 baseball fans at Crosley field, Cincinnati. Dizzy Dean allowed 13 hits, but was invulnerable in the pinches, while the Cards collected nine blows off Ray (Peaches) Davis, young hurler, but won in the 10th, 12 to 0. The action shows Brusie Ogdowski, Cards catcher, out at first base.

# BITS about SPORTS

By JOHN MOONEY

COMES A REPORT that Sam Johnson, captain-elect of the 1937-38 basketball team, is suffering with a calcified blood clot in his right thigh. The clot, which measures nine centimeters in length, is similar to the injury which has been afflicting Floyd DeHeer, University of Iowa tackle and shot putter. The clot is not expected to handicap Johnson's case ability, except that it may slow him up a wee bit.

The baseball back-stop, which could have been just as well constructed last August or September, was in the process of taking form yesterday, but the outfield situation was still at a standstill. The general opinion seems to be that the diamond itself, with a little warm weather and a lot of hard work, may be in shape for the game tomorrow.

It seems now that the sod cannot be brought to the diamond because the muddy roads prevent this, but maybe someone should have considered such a possibility when the program was outlined.

Did we hear a suggestion that Pi Epsilon Pi, national Pep fraternity, organize a trip to Cedar Rapids to see the Iowa "home" games, in the manner that the trip was conducted to Minnesota during the football season?

## University High To Give Track Team Rest on Week End

The University high school track team, after a string of five meets in quick succession so far this season, will enjoy a rest this week end. Coach M. F. Carpenter announced yesterday afternoon, Carpenter has been trying to schedule a meet for Saturday with several schools in this vicinity, but due to the fact that most of the teams will be going to the Drake Relays, the Blues' mentor was unable to find a desirable opponent. The Rivermen, with the possible exception of a limited intra-squad meet during regular practice hours the rest of this week, will not compete until Thursday night, April 29, when the squad goes to Monticello for dual competition.

NEW YORK (AP)—Ralph Greenleaf of New York made a sensational comeback after a four year lapse to win the world pocket billiard championship for the 14th time last night when he defeated Andrew Ponzl, also of New York, 125 to 107, in 12 innings.

# Browns Rap Sox Hurlers for 22 Hits, Win 15 to 10 Slugfest

ST. LOUIS, April 21 (AP)—There were 29 hits in the slugfest which the St. Louis Browns won from the Chicago White Sox, 15 to 10, to open the American league baseball season here today. But Rogers Hornsby's home run led all the rest. Hornsby, nearly 41 and back in active duty at second base after a layoff last season, smashed a home

run into the center field bleachers back of the flag pole—430 feet from home plate. It started the Browns off on their 7-run fifth inning which drove the White Sox ace pitcher, Vernon Kennedy, to the showers. A crowd slightly in excess of 8,000—about half that expected for the season opener postponed from yesterday because of rain—saw the Browns win their first season-inaugural game since 1931. President William Harridge of the American league was present. Harold Cliff, St. Louis third baseman who hit safely five times for a perfect day at bat, hammered a home run into the left field stands

right after Hornsby's circuit blow. Oral Hildebrand, right hand pitcher obtained from Cleveland, was found for 17 safeties but pitched the entire game. The White Sox attack proved most effective in the eighth inning when six runs were scored. Zeké Bonura, made four hits in five times

at bat and George Rensa, who relieved Luke Sewell as catcher, got two hits in as many trips to the plate. The trouble with a lot of pacifists is they are so peaceable that they will fight like anything to prove it.

Browns Buy Bonetti ST. LOUIS (AP)—The St. Louis Browns announced yesterday the purchase of Julio Bonetti, young right hand pitcher, from Des Moines of the Western league. The price was not announced. Bonetti was with the Browns in spring training at San Antonio, Tex.

NEW YORK, April 21 (AP)—Opening the mail on a rainy day: Clow... "When you told me to laugh it off and keep on laughing, I did," writes Gerald Walker, Detroit outfielder, "and I made good last year. Well, I'm still laughing and I think most of my troubles are all over."

Walker was the clown of the Tigers for four years but no longer. He batted .353 in 134 games last year, losing the club hitting title to Charlie Gehringer by one point. Yesterday he opened the season with a single, double, triple and a home run in four times at bat. Try to laugh that off.

Walker Upset  
I'll never forget Gerald Walker. When the St. Louis Cardinals were playing the Tigers for the world championship in 1934, I happened to drop into the Detroit dressing room. Near the door sat Walker, blubbering like a five-year-old boy who had lost his last marble. Someone had written a story he didn't like—a story that he thought he was too good to take advice from Manager Mickey Cochrane.

Auto, Racing Boom  
Gas buggy days... Pat Purcell, former sports writer who now handles publicity for the Hankinson speedways, writes of a boom in auto racing. "This looks like the biggest year of all time for auto racing with the greatest number of meets being scheduled by various and sundry promoters," writes Purcell. "In addition to the galaxy of half mile events, Langhorne speedways will be opened May 16, Roosevelt raceway has July 4 and Labor day booked, Indianapolis runs May 31, and a new 300-mile event will be raced at Dallas in August. A new speedway, scheduled to open in November, is under construction in Los Angeles. We will operate more than 60 meets in one third of the states of the union this year." Power... From W. ### Rates Set For Cleanup Drive

#### Truckers Will Begin Fifth Ward Cleanup Work Monday

Rates for trucking service during the cleanup campaign beginning in the fifth ward Monday were set yesterday at a meeting of truckers with Mayor Myron J. Walker and City Engineer Allen Wallen.

Residents in the fifth ward may call the city engineer's office, dial 4575, any time between 7:30 a. m. and 5 p. m. Monday to arrange for the removal of debris. Trucking charges follow: tubful, 5 cents; one-fourth of a truckload, 25 cents; one-half of a truckload, 50 cents, and full load, \$1.

Cleanup days for the other wards will follow:

Fourth ward, Tuesday; third ward, Wednesday; second ward, Thursday; and first ward, Friday.

### Merchants Will Hear Pointers

Iowa City and Cedar Rapids merchants will hear J. D. Williams of Chicago, editor of "The Merchant's Record and Show Window," speak on "Selling Through Display" today at a luncheon meeting at Reih's pine room.

Accompanying Williams on the program will be Robert Johnson, display director of the Commonwealth Edison company of Chicago.

The two men come here through the cooperation of the Crandic display club and the chamber of commerce.

### File Two Petitions Asking Divorce In County Clerk's Office

Two divorce petitions, both alleging cruel and inhuman treatment, were filed at the county clerk's office yesterday.

Belle Cook requests a divorce from Floyd Cook, custody of a 17-year-old daughter and \$100 alimony. The couple were married at Iowa City Feb. 10, 1918 and separated Oct. 1, 1936.

Dorothy H. Myers requests custody of a 10-year-old son and \$250 suit money in a petition for divorce against A. Leonard Myers. The couple were married at Newton Aug. 7, 1925 and separated April 1.

A temporary injunction prohibiting Myers from disposing of any personal property was granted by District Judge Harold D. Evans yesterday.

Attorney Ingalls Swisher represents Mrs. Cook and Attorney Will J. Hayek Mrs. Myers.

### Board Requests Order Against Silt Obstruction

Asking that a court order be issued prohibiting Frank Sherburne, Earl Hinkley, Sarah E. Gray, Leo S. Hirt and Scott Stout from placing obstructions in Otter creek in Fremont township, a petition was filed at the county clerk's office yesterday by the Iowa State Highway commission.

A culvert on primary road 22 between the properties of Sberburne and Mrs. Gray is becoming clogged with sand and silt as a result of the obstructions placed in the creek, according to the petitions.

Attorney T. J. Mahoney and the law firm of Messer and Cahill represent the highway commission.

### Franchise Granted To Water Company

Davenport voters granted a 15-year franchise to the Davenport Water company in a special election Tuesday by a vote of 1,980 to 434.

The water company offered a 12-1-2 per cent rate reduction to consumers.

The city defeated a proposal to buy the water plant in a hotly contested election last November.

### Romance, Humor, Originality

#### Many Elements of Entertainment in Daily Iowan Cooking School

Romance, humor, originality and profitable instruction—all this and more goes into the making of The Daily Iowan's 1937 cooking school, to be at the Englert theater next Tuesday, Wednesday and Thursday.

This educational and entertaining feature, which is free, will see the motion picture industry and scientific homemaking join forces to score in "The Bride Wakes Up."

For the thousands of Iowa citizens who attend the school it will also be the refreshing realization that the days of craning necks and cries of "hold it high where we all can see" are gone. Now the camera makes the course instructive and fascinating. Close-ups of each process are shown in a series of model conveniently-equipped kitchens—REAL kitchens—and Daily Iowan guests will see expert home-makers plan, measure, blend, mix and complete appetizing cakes, pies, salads and meat dishes that look as though they could be picked right out of the picture and eaten on the spot.

**Features Retained**

But all the popular features of former days have been retained. Free recipe sheets, hints on clever short-cuts, up-to-the-minute suggestions for entertaining, demonstrations of delicious and nourishing dishes, an array of modern kitchen equipment and the distribution of gifts and surprises are still here.

Keeping pace with the baking, roasting and frying, a series of salads and frozen delicacies will parade

### HALF-MINUTE INTERVIEW

Chatted yesterday with one of the town's best looking, most intelligent stenographers—and according to her "boss," one of the more efficient.

Included in her gripes—pretty much the same as those of any typewriter-pounder—she includes: Bosses who walk up and down. . . Employers who constantly talk about their wives and kids; and she wishes knew more about their wives and kids. . . The oafs who make an ordinary letter sound like a congressional oration.

The ones who don't know how to spell and attempt to tell their stenogs—who usually do. . . Those who talk a mile-a-minute—back up two miles-a-minute. . . Men who talk with cigars poked in their mouths. . . And the chaps who think all stenographers are deaf—and help make them so.

Mrs. Sarah Paine Hoffman, 530 S. Clinton street, state historian of the Iowa Daughters of the American Revolution, attended a luncheon yesterday in Dubuque honoring the presentation of a bronze tablet to

the city which marks the beginning of the Old Military Road. The marker stands at the front entrance of the site of Tim Fanning's log tavern, the terminus of the military road, which extends from Dubuque to the boundary line of Missouri. It was authorized by congress in 1839 and marked the Dubuque chapter of D.A.R. yesterday. The tablet was presented by the Iowa chapter of the organization.

Incidentally, they say Margaret Mitchell's first isn't just luck. . . Seems more than half the best sellers have been historical novels—worth remembering for pros who wonder at the dwindling history classes. . . ### 200 Attend Presentation Of "Martha" at University High

Under the direction of Muriel Irwin, 75 members of the University high school band and chorus presented the operetta "Martha" last night before an audience of 200 persons in the school gymnasium.

Assisting Miss Irwin, were Theresia Heitland, accompanist, Margaret Dane, Arlowyn Marr, Virginia Heiny, Edna Lenick, Ann McKeever, Muriel Morton, Dorothy Johnson, Everett Mays, J. H. Rider and Ronald Smith.

The following student committees helped in the production:

Scenery—Helen Beye, Dorothy Hawkins, Ed Kriz and Sidney Miller.

Business—Marie Shintler, Eleanor Colony, Wilma Hudson, George Nortman and Donald Wombacher.

Costumes—Dorothy Keppler, Wilma Hudson and Patricia Makinson.

The band presented the following program:
