A.F. of L. Forces To Launch United Attack Against C.I.O., Unless Labor Question Settled

Green, Federation Head, Threatens to Come Up Fighting

NEW YORK, Dec. 8 (AP) — John L. Lewis, President of the American Federation of Labor, today launched a full-scale attack on the C.I.O. unless the question of labor is settled by agreement. The statement was made here today.

"Our attitude should be made clear to the C.I.O. unless a settlement is made," Mr. Lewis said.

The question of whether or not a settlement will be made by agreement is the labor question. Mr. Lewis said that the C.I.O. has been "in a state of open war against the American labor movement," and that this state of open war has resulted in the deaths of many men.

Mr. Lewis said that the C.I.O. has been "in a state of open war against the American labor movement," and that this state of open war has resulted in the deaths of many men. He said that the C.I.O. has been "in a state of open war against the American labor movement," and that this state of open war has resulted in the deaths of many men.

Rail Revenues Must Increase

Otherwise Roads Will Be Subsidized By Government

DETROIT, Dec. 8 (AP) — Because of the problem of road revenue, a bill was introduced in the House of Representatives today which would provide for the subsidization of road revenues.

The bill was introduced by Representative Robert M. McCracken, a Democrat from Michigan. The bill provides that the federal government shall provide funds to the states for the construction and maintenance of roads.

Bills for national parks and other government property have been placed on the agenda for consideration.

Study Promises To Deter Stork's Progress

PHILADELPHIA, Dec. 8 (AP) — A group of distinguished statesmen and scientists today announced that the stork would be deterred in its progress.

The announcement was made by a group of distinguished statesmen and scientists today. They said that they had found a way to deter the stork in its progress.

They said that they had found a way to deter the stork in its progress. They said that they had found a way to deter the stork in its progress.

Rumors Spread of Negotiations For Truce Between Chinese, Japanese to Save Capital City

Invaders Warn Noncombatant Parties To Go On

REPORTS INDICATE BATTLE HAS BEGUN OVER Nanking

SHANGHAI, Dec. 8 (Chronicle) — Japanese warnings today of an impending invasion of the Chinese city of Nanking suggest that a truce between the Chinese and Japanese has been reached in order to save the capital city of China.

THE CHRONICLE, a Japanese newspaper, today reported that the Chinese and Japanese have agreed to a truce in order to save the capital city of China. The report stated that the Chinese and Japanese have agreed to a truce in order to save the capital city of China.

The report stated that the Chinese and Japanese have agreed to a truce in order to save the capital city of China.

Thyroid Gland Influences Way All Body Organs Move, Work

BY LOGAN CLEMMINGS, M.D.

It must seem to anyone who is aware of the musculoskeletal system that there is considerable influence of one part on another. The control of the musculoskeletal system is often attributed to the hypothalamus, which is a complex of nuclei surrounding the third ventricle of the brain. It is now believed that the hypothalamus is an important link in the control of the musculoskeletal system.

The thyroid gland is a small, oval-shaped gland located in the neck, just below the Adam's apple. It secretes hormones that regulate metabolism and influence the body's energy balance.

The thyroid gland is a complex organ that plays an important role in the body's overall health. It regulates the body's metabolism and can have a significant impact on energy levels, weight, and mood.

How They've Changed The Author's Story

By Mrs. B. HOUGHTON

One way in which the thyroid gland can influence the body is through its effect on the body's metabolism. The thyroid hormones secreted by the gland help to regulate the body's energy balance and can affect weight gain or loss, energy levels, and mood.

The thyroid gland is also involved in the body's response to stress. When the body is under stress, the thyroid gland can release hormones that help the body to cope with the stress.

In recent years, there has been increased awareness of the importance of the thyroid gland in overall health. Studies have shown that disorders of the thyroid gland can have a significant impact on quality of life.

The thyroid gland is an important organ that plays a crucial role in the body's overall health. It is important to maintain normal thyroid function to ensure optimal health and well-being.
Wisconsin And Iowa Speakers To Debate Here

Iowa Team To Affirm Peace Question In Parley Tonight

Mary Ellen Bersey, Al of Council Bluffs, Iowa, and George Keyser, A3 of Dubuque, Iowa, will present their arguments and counter-arguments against the University of Wisconsin team, which is to affirm peace in the world. The debate will be held at 8:00 p.m. tonight at the University of Iowa Press Building, Room 140.

Iowa University women's basketball team will play against the University of Wisconsin team. Both teams will have the opportunity to show their skills in the game.

8th Grade Reading Ability?

Survey Shows Typical University Class Tends To Memory Loss

Do you read well? Most people think that they do, but a new survey shows that only 10% of high school seniors read well. The survey was conducted by the University of Iowa and included 800 students.

The results showed that the average 8th grade student reads for 15 minutes a day, and that the average student reads for only 5 minutes a day. The survey also showed that the average student reads for only 10 minutes a day.

The second survey was conducted by the University of Wisconsin and included 800 students. The results showed that the average 8th grade student reads for 20 minutes a day, and that the average student reads for only 15 minutes a day. The survey also showed that the average student reads for only 20 minutes a day.

The University of Iowa is conducting a series of surveys on educational topics. The next survey will be on student motivation.

For more information, please contact the Women's Social Organizations or your dorm captain.
**Down With Pedestrians**

Inoce City Residents Find Stopping a Loss But Hanging

Until some time before last month, when the pedestrians in the city of Inoce had been warned of the dangers of doing so, they felt that it was a loss. Since then, however, they have begun to think of it as hanging.

Since the accident, the group of pedestrians has been reduced to two. The last member of the group, an old man, is reported to have said, "I didn't think it would be this bad." The other member, a young woman, is said to be recovering well.

**PERSONALS**

Mr. and Mrs. Oscar Keller of Inoce City and sons, Ralph and Melvin, left for their home in Boston after being here several days last week. Mrs. Keller and children were in charge of the household.

Mrs. Edward C. Vanner, 1208 Rose street, is reported to be in fine health and enjoying her retirement.

Mr. and Mrs. Everett Bell, of the Bell Ice Cream Company, were in Chicago where he has spent the last month attending to business matters.

Mr. W. L. Pudding, 320 Second street, is back from a long illness.

Mr. and Mrs. W. G. Wurz, of Iowa City, were in town last week, where they are attending to business matters.

Inoce City's only unsolved auto crash, the incident involving Dr. Steindler and the pedestrian, was cleared up last week. Dr. Steindler was found to have been driving under the influence of alcohol.

**New Head ELECTED By Letter Carriers**

Edgar Younger was elected president of the Inoce City post office's letter carriers union last week. This is the first time that a letter carrier has been elected to the position.

**Jury Will Hear Fitzpatrick Suit**

Interesting Items

The term "knees" in the English language is derived from the Old English word "knes," which means knee.

Today's Issue

All our new children's books have a vocabulary of three words, as stated by Dr. Bruckman in 1937.

 room and board

- In order to save money, many people choose to live in a shared apartment.
- Shared living can be a great way to meet new people and reduce living expenses.
- Some shared apartments include utilities, while others require tenants to pay for them separately.
- It's important to carefully consider the pros and cons of shared living before making a decision.
- When choosing a shared apartment, be sure to read reviews and check references to ensure a positive living experience.
Nominating Committee of Six Will Select C. of C. Candidates

Will Choose Six New Directors From List of 12

Joe McFarland, Prof. Emeritus, Elmo D. Tine, D. and Ben Whitfill, George Truett and H. B. Backer are the nominating committee which will select six directors of the Civic of Commerce for the Iowa City Chamber of Commerce.

The nominating committee will probably meet next week. The chairman will be notified at the conclusion of the meeting.

The board of directors for the church is composed of 12 members. Each year six new directors are elected for a three-year term.

City Prohibits Taxis Parking Out of Stands

Chief of Police W. B. Binder stated that a city ordinance is to be promulgated to prevent taxis from parking outside the stands of the Iowa City Clock Tower.

A police officer is to be stationed at the clock tower to keep taxis from parking outside the stands.

Phoenix perhaps late part of Mary’s church and the hall will be replaced by a stained glass window.

Iowa City Councils-St. Rear of the church, but it was later decided to use the old.

Two charges against the Iowa City Council committee of parking outside stands were dismissed yesterday by Judge Burke.

What Makes Them Tick?

Joseph Barborka Fashioned Two Familiar Iowa City Clocks in 1852

The clock in the bell tower of two Iowa City landmarks—Mary’s church and the city hall—were built and installed 15 years ago and are the only known clocks of their kind in the United States.

Both clocks were finished in Barborka’s jewelry store and watch repair shop and Barborka has been in Iowa City for 17 years.

Rented electric tellings once met in the Iowa City Council chambers and the Iowa City Council will meet there to-day.

Today, the fairy churchmen will renew their tale of Iowa City for the Iowa City Council.

Behind the clock is a rooster that crowed for several electric roosters that crowed for seven of the big bell.

Barborka fashioned a characteristic teller clock that will tick every 14 seconds until the Carolers come to town.

The teller clock is different in three ways from the other Barborkas. The other clock has a different style on the base, the other clock is different in the sound of the bell, and the other clock is different in the number of bells.

The clock is, made for the Rock Island, Ill., railroad station.

A large clock, made for the Rock Island, Ill., railroad station.

The clock is, made for the Rock Island, Ill., railroad station.

Koser to Talk Before Lodge

Masonic Will Observe 95th Anniversary

Tomorrow

The 95th anniversary of the Iowa City Masonic Lodge No. 5 will be observed tomorrow at 7:30 p.m. in the Masonic Temple.

The anniversary program will follow the dinner. George Ogelby, secretary and history of the Masonic lodge. There will be other announcements and speeches.

Several show biz guests are expected at the dinner.

Liquor Stores Will Close Early

The state liquor stores of Iowa City will close at 6 p.m. on Christmas Eve. The closing of the stores is the result of the governors order released yesterday.

It was stated that the early closing hour was made to enable store employees to attend the closing services.

The closing of the state liquor stores is a first in the state history.

Sea Scouts Present Demonstrations Of Organization’s Work

A group of Iowa City Sea Scouts led by T. M. Petz of Cedar Rapids, gave a demonstration of the work done by the organization at the Troop Meeting Monday night.

The demonstration was given before the Iowa City Council and the group of boys and their parents interested in sea scouts.

Pictures of sea scouting activities were shown during the demonstration.

Ohio License

Joseph S. Holley of Cedar Rapids and Mary Statler of Marion were granted a marriage license by the Johnson county clerk's office yesterday.

NALL CHEVROLET

210 E. Burlington St.

Boys May Register In Three Remaining Basketball Squads

Boys between the ages of 14 and 16 not enregistered in any of the Iowa City Recreational Center basketball teams will be registered in one of the teams.

Only five or six boys will play on each of the three squads.

Parents are requested to bring their boys to try out.

Evans Admits King Estate to Probate

Judge Harold D. Evans administrated the estate of Evans' Kinsley probate.

Iowa City Business Office?

The Daily Iowan Business Office?

You Can Take It With YOU!

This year, every year, every subscriber to The Daily Iowan may have the paper mailed to his vacation address during the Christmas Holidays.

To turn in your name and address will enable us to make more quickly the delivery change -- Won’t you turn the coupon in this week at The Daily Iowan Business Office?
