Coach Finishes Ninth Year As Grid Director Alumnum Dissatisfied By Minnesota and Ohio Defeat

ANN ARBOR, Mich., Dec. 9 (AP) - The University of Michigan, one of football's strongest teams, went out in a loss to the University of Iowa Saturday at Kinnick Stadium, and a University of Minnesota squad that had been felt in many quarters as one that would capture it outright the next two Saturdays, has done so.

Irwin Uteritz, former Michigan assistant and baseball coach, is coming to the Wolverine campus this week, and he will probably be the one to try and guide the team there.

The University of Minnesota, which was leading 13-0 until the fourth period and was up 13-7 at the end of the first half, has run up 139 points in the last five years, Minnesota ran up 167 points in 1929.

Kochel, (Tad) Wieman in 1929.

Yost, was notified today by the board of being in the market for a new coach to take over the job, and this seemed to be an added stimulus to the already well-coached Maroons.

University Mat Meet Scheduled For Next Week

In order to keep coaching interest alive during the holiday season, the Matmen of the University of Michigan have scheduled a meet for next week, December 14, 15, and 16.

The meet will be held in the University Fieldhouse, and will feature the best wrestlers from the state's leading colleges and universities.

University of Wisconsin will be the first opponent, and will be followed by the University of Illinois and the University of Iowa.

Rumors as to the identity of the next coach are rampant, but no definite story has been obtained.

The meeting is being enacted ways to be used, and the board of trustees will have to be consulted before the meeting can be held.

The meet will be a great help to the university in the market for a new coach to take over the job, and this seemed to be an added stimulus to the already well-coached Maroons.
