Right Kind of Blood--Right Kind of Boy

By DALE HARRISON
NEW YORK, Feb. 19 (AP)—They were saying tonight that young Bob Ferguson had the right kind of blood. His sister, smiling wanly on her hospital cot, knew it right along. The government of the United States is taking his word for it.
The right kind of blood...
Bob Ferguson is 22. His father is a bartender. His sick sister's husband is a cook. Bob himself is a hotel porter.
No ancestral elegance, you see. No blue blood. Just ordinary blood of the kind his sick sister, the 18-year-old Mrs. Joseph Dumagan, needs to pump through veins fast living from their fight against toxic poisoning.
The right kind of blood...
Bob was scrubbing the floors

of a Napanee, Ont., hotel when the wire came three weeks ago—"Sister ill, needs transfusion. Can't afford to pay professional donors. Remember you gave transfusion five years ago. Yours is right kind. Can you help?"
Could Bob Ferguson help his sister? He had no money to pay an \$8 head tax to get into the United States or buy transportation from Napanee to New York. You've got to have money at times like that—money or the right kind of blood.
He had that—blood that dared break the law for his sister. He slipped across the border. They caught him.
Once before he had smuggled himself into this country, and worked in Milwaukee several weeks before being caught and deported.

So he hitch hiked to within a mile of the border at Rouse's Point, circled well around the immigration station and into New York state.
Unfortunately, he hitch hiked a ride with an immigration official, who took him before Federal Judge Frank Copper at Albany following his arrest at Rouse's Point near the border.
"I've just got to get to New York," said Bob Ferguson. "It's my kid sister. She's sick. She needs a transfusion. I've got to get there, your honor, because, you see, I've got the right kind of blood."
Judge Copper seemed to think so, too.
"I'll let you go," he said, "until next Wednesday. That's plenty of time. Get to New York. There's a government

man driving down there today. He'll have room in his car for you. Give your sister the transfusion. I hope it makes her well.
"Then you must come back. You have broken the law. You face a sentence in jail. I release you on your honor until Wednesday."
So Bob Ferguson, at his father's home today, waited the call to the hospital. Afterwards—
"Sure I'm going back. That judge gave me a break, didn't he? You don't think I'd run out on him, do you?"
Nobody seemed to think he would run out. He looked like a lad with the right kind of blood.

Hitler to Reveal Nazi Policies In World-Wide Speech Today Before Germany's Reichstag

Austria's Pro-Nazi Leader Meets Hitler

Momentous meeting between new Austrian pro-Nazi minister Puehrer Adolf Hitler of Germany of the interior, in Berlin, is pictured in this radiophoto. Dr. Seys-Inquart also was expected to emerge as vice chancellor and virtual dictator of Austria, under Hitler.

Nations Eager To Hear Plans For Next Step

Reich Makes Elaborate Preparations For Announcement

By LOUIS F. LOCHNER
BERLIN, Feb. 19 (AP)—Germany tonight set a brilliant stage for Adolf Hitler's announcement to a tensely listening world of the next steps to bring all German-speaking peoples into the Nazi orbit.
The third reich made the most elaborate preparations of its history so all Germany and as much of the world as willing could listen tomorrow to Hitler's closely-guarded speech to the Reichstag.
Symbolic Background
An enormous gold-rimmed sun topped by a spreading German eagle with a swastika clutched in his claws was the symbolic background Nazis erected behind Hitler's rostrum in the Kroll opera house.
Will he demand again fulfillment of "drang nach osten"—expansion of the east—which his book "Mein Kampf" foreshadowed?
Emphasize Demands
Will he emphasize anew Germany's demand for colonies or will he hint at economic penetration of the entire Danubian basin as the way out of Germany's problems of over-population and a dearth of raw materials?
The answer to these and other critical questions remained a secret, but the subject of endless speculation in the chancelleries of Europe.
Only Paladins Know
Only his paladins know what our fuhrer will tell the German people and the entire world tomorrow, one Nazi editorial writer put in.
Those "paladins" included Marshal Hermann Wilhelm Goering, No. 2 Nazi, Propaganda Chief Joseph Paul Goebbels, and possibly Joachim von Ribbentrop, new foreign minister.
No Confirmation
Military circles looked to Hitler, among other things, to declare the reich would take over the entire German armament industry, but no official confirmation was forthcoming. Thus even the famous Krupp works would pass from private hands to possession of the reich.
News Czechoslovakia besides Austria and Hungary officially will broadcast Hitler's speech seemed another step toward realization of Hitler's dream of "the union of all the German race."

Winds, Floods Damage South

Freezing Temperatures Add to Distress Of Refugees

LITTLE ROCK, Ark., Feb. 19 (AP)—Flood waters and freak winds continued to harass the central south today, leaving more than a score dead and thousands homeless.

In Arkansas, a major flood threatened as rampaging rivers and their tributaries rose swiftly in the wake of torrential rains. Creeping backwater spread over miles of lowlands in a dozen widely scattered sections of the state.

The Red Cross reported 3,000 refugees were cared for in temporary shelters along the Arkansas and White rivers.

Clearing skies brought hopes crests in sight would not be raised, but fair weather also brought far below freezing temperatures, adding to the distress of the homeless.

In Alabama, a freak tornado struck briefly in two communities approximately 40 miles south of Montgomery. The four-year-old daughter of Lester Croken, tenant farmer, was crushed to death in the collapse of the chimney of their home near Petrey.

The wind then dipped down at Fuller's cross roads, three miles away, damaging several homes but none was injured.

In north Louisiana, the oil boom town of Rodessa buried the victims of Thursday night's tornado there, which left approximately a score dead and made 100 homeless. The town turned today to rehabilitation work, while the search for other possible victims was still in progress.

Old was general over much of the south and one of the heaviest snowstorms in several years swept into central Missouri.

Sentence Two Western Killers To Penitentiary

LAS CRUCES, N. M., Feb. 19 (AP)—Henry Lorenz, 22, and Harry Dwyer, 27, were given prison terms of 50 to 75 years by District Judge Numa Prenger today on their pleas of guilty to second degree murder for the train robbery death of W. L. Smith, El Paso, Tex., switchman.

Both young men sat pale and shaken as the sentence was pronounced. Lorenz' father, Conrad Lorenz of Maywood, Ill., and his sister, Margaret, of Milwaukee, blinked back tears from their eyes.

Smith was fatally wounded last Thanksgiving day in a melee aboard the Southern Pacific's Apache, crack passenger train which Lorenz and Dwyer had attempted to hold up in fantastic "wild west" style.

Government May Allot Money For Experiments With Aerial Mines

WASHINGTON, Feb. 19 (AP)—A movement to have the government finance experiments with "very devilish" aerial bombs developed today in the house naval committee.

Chairman Vinson (D-Ga.) suggested part of a \$15,000,000 experimental fund recommended for the navy by President Roosevelt be made available for tests of a mysterious "aerial mine" which Lester P. Barlow, Stamford, Conn., inventor, said would force drastic revision of the administration's \$1,650,000,000 naval expansion program.

Barlow, who first used aerial bombs during the Pancho Villa

campaign in Mexico, told the committee yesterday a fleet of bombers three miles in the air could "blanket" an area the size of the District of Columbia with the new mines in three or four minutes. He said they could render battleships ineffective.

Last year, the court of claims granted Barlow a judgment for more than \$600,000 against the government in connection with the use of earlier bombs developed by him during the World War. Congress has not yet appropriated the money to pay the judgment but Barlow has offered to assign patent rights on the new "aerial mine" to the government if payment is made.

Secretary Hull Defends Policy

Cabinet Official Charges Foes With Using Propaganda

DES MOINES, Feb. 19 (AP)—Secretary of State Hull lashed out tonight at opponents of his trade agreements program.

"The usually soft-mannered, quiet-spoken member of the Roosevelt cabinet was emphatic in saying:
"You and the rest of our people have been subjected to a veritable barrage of sinister propaganda designed, for narrow and selfish reasons, to wreck the most important policy which our country can pursue to promote its economic well-being and peace."
Speaking before the National Farm institute, he charged that:
"In their unholly zeal the propagandists have over-reached themselves in the falsity of their assertions and have defeated their own efforts."
Thrusting at opponents who charged he was in effect "selling the country down the river," and was bringing unemployment to labor and damage to industry and agriculture, the secretary of state said:
"To be violently attacked for steadfastly adhering to the one and only course of action which is certain to remove the most dangerous obstacle that can be thrown in the path of our export trade is an incredible bit of irony."
He warned farmers against attempts which he said were being made "to mislead them into helping predatory interests preserve their own privileged position under embargo tariffs—to the injury of the farmers themselves and of the nation as a whole."

TRAVELING GROCER

Jensen Has Covered 33,000 Miles

LAUREL, Neb., Feb. 19 (AP)—Andrew Jensen and his traveling grocery store have covered 33,000 miles since the Danish Laurel storekeeper revived the itinerant merchant of old with his "tin buggy" four years ago.

He said he believes he holds the mileage record for such travelers.

Jensen, who has operated a grocery here for many years and formerly at Concord and Belden, Neb., and Rock Rapids, Ia., plows through snow, rain, mud and fog to reach his distant patrons.

Four days each week he leaves Mrs. Jensen to manage the store here and with his specially-equipped automobile piled high with staples, Jensen takes his grocery store to his customers.

Auto Accident Report of 1937 Gives Fatalities

DES MOINES, Feb. 19 (AP)—There is an automobile accident in Iowa every 37 minutes, the motor vehicle department's analysis of 1937 reports disclosed today.

There were 13,977 accidents reported in the state last year. There were 11,842 in 1936, and 10,335 in 1935.

Accidents were most numerous on Saturday, followed by Sunday, Friday, Thursday, Monday, Tuesday and Wednesday.

The peak hour for accidents during 1937 was from 5 p. m. to 6 p. m.

There were 571 fatalities, while 10,108 persons were injured in Iowa motor vehicle crashes last year.

The figures for 1936 were 526 killed and 10,194 injured; and for 1935, 575 killed and 10,196 injured.

The report shows 166 pedestrians killed last year by motor vehicles, and 1,593 pedestrians injured.

Fifty-nine persons were killed on railroad crossings.

Scientists Safe After 9 Months

MOSCOW, Feb. 19 (AP)—Two sturdy, icebreaking vessels smashed through a field of pack ice 10 feet deep today and rescued four Russian scientists with their valuable records and equipment from a drifting ice floe camp off the eastern coast of Greenland.

The rescue, just two days short of nine months after the four men were established a dozen miles from the North Pole, ended a unique odyssey in which they voyaged over more than 1,000 miles of Arctic seas on a raft of ice.

A terse radio message from the rescue expedition at 5:30 p. m. (8:30 a. m., C.S.T.) announced:
"Papanin, Federoff, Shirshoff and Krenkel, with all equipment, removed from ice floe by Timiry and Murman which are proceeding to Murmansk."

The two vessels had reached the three-mile striking distance only after days of maneuvering against shifting fields of ice and tricky Arctic currents.

'Mercy' Party Braves Wilds To Save Game

CHAMBERLAIN BASIN, Idaho, Feb. 19 (AP)—A seven-man "mercy" expedition, armed with a bag of pills for herds of stricken big game, buried itself today in Idaho's wild, primitive area.

The expedition, composed of representatives of the Idaho state game department and the United States biological survey, seeks to learn what mysterious malady is thinning ranks of elk herds.

If the pills won't work, bullets will.

Brought to this winter-locked valley, 6,000 feet above sea level, by a ski-equipped plane, the men trudged by snowshoe toward the breaks of Idaho's Salmon river, 15 miles away. They planned to stay at least 10 days, cut off from the outside world and dependent upon some passing trapper to carry messages to remote forest service short wave radio sets.

Chinese Army Blows Up Steel Bridge In Desperate Attempt to Halt Japanese Invaders

SHANGHAI, Feb. 19 (AP)—Chinese today blasted the longest steel bridge in China in a desperate attempt to prevent a Japanese army from crossing to the south bank of the Yellow river.

All Yellow river crossings and ferries in the central China area north of Chengchow, where the lifeline Lunghai railroad crosses the Peiping-Hankow line, were closed or destroyed.

Chinese defenses in Chengchow, just south of the river, were reinforced. The junction city is the immediate objective

of Japanese in the northwest corner of the Lunghai corridor, attempting to sever China's main communications and join forces closing a bottleneck from north and south.

Chinese acknowledged their troops defending the north bank still were in flight after a defeat at Sinsiang.

Pursuing Japanese swerved from their main drive south to isolate the Chinese along a spur railroad to the west in an important coal mining area, about 20 miles north of the river.
A Japanese side campaign in Shansi province, aimed ultimate-

Two Can Live On \$25 a Week, Say Co-eds—Without Car

DODGE CITY, Kan., Feb. 19 (AP)—Love will find a way on \$25 a week (no car needed), co-ed members of the Dodge City Junior college "family" class agreed today.

They figured \$25 enough to spend on a honeymoon and suggested the couple have at least \$500 in cash or other assets before taking the vows.

The potential brides budgeted the month's income this way: Food \$25; clothing \$12; rent, fuel, light and water \$3; laundry \$2.50; insurance \$5; savings \$2.50; entertainment \$5; taxes \$5; and miscellaneous \$3.

Austria Not to Suppress Jews

'Apple a Day' Story True Medical Research Confirms Old Adage With Some New Discoveries

By HOWARD W. BLAKESLEE
Associated Press Science Editor
BLOOMINGTON, Ind., Feb. 19 (AP)—In seaweed and the peels of lemon, orange and grapefruit, the University of Indiana school of medicine has discovered a new remedy for cholera infantum.

The medicine is a mixture of agar-agar and pectin. The agar comes from Japanese seaweed; pectin from the peels.

The two promise the virtual finish of cholera infantum, once dreaded infant killer, curbed in recent years by better diets, but still taking lives in July, August and September under the newer name, diarrhea of infants.

The seaweed-citrus fruit discovery ends a long medicine trail that came out of folklore, hundreds of years ago. In German Pomerania the folklore told the health of the apple-eater. In Devonshire, England, it was a rhyme.
"Ate an appel avore gwain to bed,
"Makes the doctor beg his bread."
Today's version:
"An apple a day keeps the doctor away."
The adage was applied practically in Germany with a discovery that scrapings of apples were good for infant troubles. These scrapings were found three years ago, at Indiana university school of medicine, to prevent or cure nearly all cases of infant diarrhea.

Leaders Seek Confidence Of Religious Sect

VIENNA, Feb. 19 (AP)—Chancellor Kurt Schuschnigg reassured Jews tonight they had nothing to fear from Nazi influence in his government while his German-approved minister of interior, Arthur Seyss-Inquart, said Austria would have no further changes.

Schuschnigg told a deputation of Jewish industrialists who called on him for an explanation of the situation under the newly re-constructed government that they and other Jews could face the future with complete confidence.

Shouts of "Heil Hitler" meanwhile echoed in the streets of Graz, Austria's second largest city.

The most jubilant celebration since the World War was held in the city long considered a Nazi stronghold near the German border.

More than 50,000 persons thronged Graz streets shouting "Heil" and "One people! One reich!" as they marched midst green and white Styrian provincial banners each with a prominent swastika.

Similar demonstrations occurred at Linz.

Confers with Schuschnigg
Seyss-Inquart returned from Berlin and immediately conferred with Schuschnigg on conversations he had with Adolf Hitler, Marshal Hermann Wilhelm Goering and other top Nazis.

The minister, friend of Hitler who gained a cabinet post in the dramatic shake-up Tuesday, declared there would be no further changes in Austria.

Austria held its breath, however, awaiting Adolf Hitler's speech in the reichstag tomorrow, in which he is expected to make important policy announcements.

Led Army Flyers

All records for airplane travel between the U. S. and Argentina were smashed when the U. S. army's "flying fortress," led by Lieut. Col. Robert Olds, above, completed a good-will flight to Buenos Aires, from Langley Field, Va., making one stop at Miami, Fla., and another at Lima, Peru. Flying time from Miami to Buenos Aires was less than 32 hours.

F. R. to Study Rail Situation

HYDE PARK, N. Y., Feb. 19 (AP)—White House officials said today if the Interstate Commerce commission hands down its decision in the 15 per cent rate increase case early next week, President Roosevelt's conference on ways to solve the railroads' financial problems probably would be held the latter part of the week.

The president has been giving a great deal of attention lately to the situation of the carriers, faced with falling revenues and in some cases heavy indebtedness, but has been awaiting the commerce commission's rate decision before setting a date for a conference with managements and labor and legislative experts on the subject.

Eden Threatens to Leave British Cabinet; Balked by Proposals for Italian Agreement

LONDON, Feb. 19—Anthony Eden, standing almost single-handed in the British cabinet against a "deal" with Italy, was reported reliably tonight as ready to resign as foreign minister in a break with Prime Minister Neville Chamberlain.

Absence of Eden from the cabinet would strike a severe blow to the national government's support. "The White Knight of Geneva" who refuses to be swayed from the League of Nations way, commands strong conservative backing that might split the country's dominant party.

One reliable source reported

two conservative cabinet members, Minister of Agriculture William Morrison and Walter Elliot, secretary of state for Scotland, had stated flatly they supported Eden, leading to a belief they would resign if the foreign secretary quit.

His breach with the prime minister dwarfed even the tremendous issue that caused it—the proposals for an agreement with Italy that might be construed as British submission to fascist strength following so quickly after Reichfuhrer Adolf Hitler's deal with Austria.

The cabinet was held virtually on an emergency basis. It recessed the first full meeting on a Saturday since the abdication crisis with instructions to return for an even rarer Sunday council session tomorrow at 3 p. m. (9 a. m., C.S.T.), immediately after Hitler's pronouncement in the reichstag.

The chief element of uncertainty facing the cabinet—the effect of the fuhrer's reichstag speech on snarled international relations—will have been removed from what has been described as a deadlock between Eden's "league-tinged" and Chamberlain's "realistic" foreign policies,

Richard Whiting, Composer, Dies Of Heart Attack

BEVERLY HILLS, Cal., Feb. 19 (AP)—Richard Whiting, frequently referred to as "the Beethoven of popular music," died at his home here today. He was 46.

A heart attack, superinduced by high blood pressure, was the cause of death.

A retiring individual, Whiting was little known by the public that has been singing his songs for a score of years.

Iowa City Observes Brotherhood Day

SCATTERED OVER the nation this morning in more than 2,000 communities, religious groups are gathered in observance of National Brotherhood day.

Tolerance in name at least has always been an integral part of the American philosophy. The nation was born of intolerance and nourished upon the oppression of minorities who fled before the misery and persecution in their homelands.

Simple justice demands religious racial tolerance. But more than that, a sympathetic attitude between religious groups must dispel sectarian conflicts and suspicion if these groups are to accomplish their purpose.

There are numerous branches of religious faith and a comparison is bound to show many differences. But there are many likenesses too. In working to provide a more satisfying life for the individual and a better world in which to live, Jews, Catholics and Protestants are on a common ground.

Union services will increase the understanding and strengthen the sympathy between those who are seriously interested in creating a God-controlled community. In directing attention to justice, friendship and understanding among racial and religious groups, the observances this morning are making a valuable contribution to community harmony, welfare and spiritual advance.

Chivalry Versus Business

ANTHONY EDEN, dapper British foreign minister, and the British cabinet have almost reached a parting of their ways, according to latest London dispatches which bring definite news of the long-rumored "break" between Eden and Prime Minister Neville Chamberlain.

Eden, sometimes called "The White Knight of Geneva" because of his defense of the League of Nations, is reported as standing almost alone against Chamberlain's proposal of a business deal with Italy which would amount to virtual recognition of Mussolini's Ethiopian conquest.

It is unfortunate that the struggle between Chamberlain and Eden over the relative merits of ideals and business, after lurking in the background of European politics for so long, should emerge into the open now.

Coming so soon after Hitler's virtual assumption of control over Austria, the Eden-Chamberlain conflict gives credence to the rumors that Britain is capitulating to fascist policies.

poning an inevitable fascist-democracy showdown, but is also giving the fascists a much-needed opportunity to increase the strength of their position.

Our New Aristocracy

EVER SINCE the first desperate Smith, vainly seeking individualism in a telephone book overflowing with Smiths, juggled the last letters of his name to spell a more pretentious "Smythe," it has been evident that they were a fighting clan.

But Wednesday the Smith differences reached their peak. For that was Fred Smith day, an innovation even in a country where Derby day, Preparedness day and East-More-Limburger-Cheese day are accepted with stolidism.

In Chicago and New York the Fred Smiths banqueted Wednesday evening and formed the Benevolent and Protective and Completely Universal Order of Fred Smiths of America. At the banquets they agreed that some day they would march on Washington and fill the governmental offices with Fred Smiths.

Revolutionary as this may seem, such action would be quite in keeping with American principles. Democracy would be safe, for majority rule would be inevitable as long as the Fred Smiths—or any other Smiths—were behind the wheels of our political machinery.

Aside from its political implications, the real significance of the order lies in its creation of a new aristocracy. Within a century the name, Fred Smith, will be a higher mark of honor than any conferred by the D.A.R. and "Mayflower" claims will be forgotten in proving that "Grandfather Frederick Smith was a charter member of the Benevolent and Protective and Completely Universal Order of Fred Smiths."

Zadok Dumbkopf, who has not read the mikado's poem, thinks a proper beginning for it would be—"Nothing could be finer, than to be in Central China."

East Indian swami cures ill persons, according to cable dispatch, by simply staring at them. We wonder what sort of technique he uses when trying to collect his bill.

What seems to be an unfortunate instance of myopic vision and misdirected energy comes to light in a report of the nationwide contest just concluded by Drug Topics, a trade journal devoted to the professional interests of retail establishments engaged in the sale of cosmetics, cigars, cigarettes, confectionery, electric fans, heaters, flatirons, hot-water bottles, glassware, notions, sundries and quick lunches.

This contest was held to select some more appropriate designation than "soda jerker" for the white-jacketed technicians who preside over the nation's drugstore soda fountains. The prize-winning designation was "fountaineer!"

Fountaineer, indeed! Can anyone imagine himself straddling a soda fountain stool and saying, "Oh, fountaineer, gimme a ham salad on white?"

The old soda fountain was an indigenous and revered American institution. In the happy days when drugstores sold drugs, and the fountain was a minor adjunct located abaft the tall bottles of blue and red liquid and the pastebord cutout of the Gloucester fisherman with the big codfish slung over his shoulder, its presiding genius was known as "Alf" or "Pete." He dispensed izepac, court plaster, wild cherry phosphates and local gossip with equal facility.

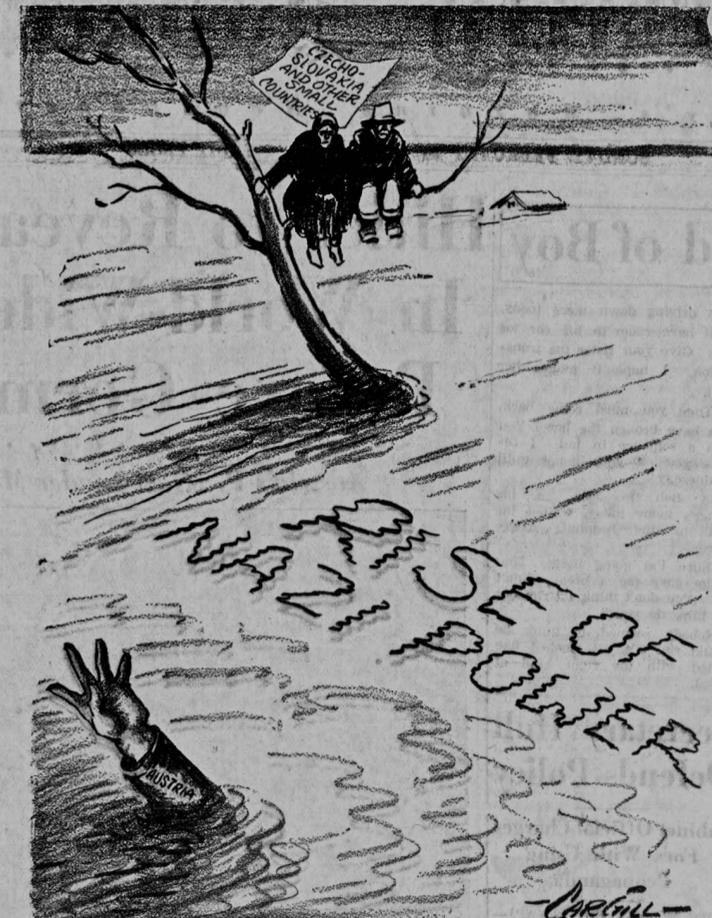

This was the golden age of the American drugstore and of America. The country began to go to the dogs when the druggist took the red and blue bottles out of their windows, substituted displays of garden tools, fishing tackle and automobile tires, and converted the soda fountain into a lightning lunch counter. It was then that the fountain factotum ceased to be known as "Alf" and became merely a "soda jerk" or "soda squirt." It was then that he ceased to be a repository for strange tongues, uttering such abracadabra as "shake one," "draw two," and "burn two, one with a cackle."

We predict that "fountaineer" will die a meretriciously inglorious death, since patrons of the instantaneous lunch emporia will spurn it in preference to the more practical "Hey, you! How about a bowl uh chill an' some uh that lemon cream pie?"

Instead of trying to invent a fancy name for its skilled employees the retail drug (sic) industry might better direct its energies to fundamental reforms—like a campaign to restore the big bottles of red and blue liquid to their traditional and lawful place in drugstore windows.

FLOOD WATERS!

Nervousness Perhaps Cause Of Heart Pains, Says Clendening

By LOGAN CLENDENING, M.D.

Pain around the heart always is regarded with great alarm. Sometimes it is serious, but more often it is simply due to nervousness.

It is known quite well that tobacco will cause a spasm of the arteries of the heart and this will produce attacks of pain in the heart known as "tobacco angina." They differ from real angina in the fact that real angina comes on after exertion and is relieved by rest.

It has usually been recommended that coffee is a good thing for the heart. It increases circulation in the heart muscle, in this way improves nutrition and is likely to relieve and improve cases of angina.

I quote this report for what it is worth for those few high-strung individuals who may be affected in this way. I do not think it is good for their hearts.

Tuning In with Betty Harpel

It's a pretty good guess that radio's next big name will come from a phonograph record.

The following paragraph appears at the top of page 82 in the current university catalogue, in the statement of requirements for admission to the college of medicine:

"An annual physical examination by the university health service is required. Applicants for admission to the freshman class will not be permitted to register until they have secured a certificate from the university health service signifying compliance with the above, including an X-ray film of the chest.

"Successful vaccination against small-pox is required of all students."

These requirements must have been fulfilled by each applicant for admission to the college of medicine at the beginning of any year in September before the university examiner can issue to him a card admitting him to that college.

It is, therefore, requested that every student now on this campus who expects to register in the college of medicine for the year 1938-39 call at the university health service (General hospital, telephone 3111-89) within the present semester for the purpose of meeting this requirement.

If he postpones meeting this requirement until after the end of the present semester it will be necessary for him to make a trip to Iowa City within the summer and before July 1, 1938, in order to have this examination.

The application for admission to the college of medicine, and all necessary credentials, must be filed in the office of the university examiner and registrar on or before July 1 of the year for which the student expects to register in that college. These include:

- 1. The written application for admission (a letter of application will suffice) 2. The advanced deposit of \$20 on the first semester's tuition fee 3. A complete record of 90 s.h. of college credit, as including: English 6 s.h. Physics 8 General inorganic chemistry, including qualitative analysis 8 Organic chemistry 4 Quantitative analysis 4 General zoology 8 Electives 52 90 s.h.

The minimal scholarship on all collegiate courses undertaken must be an average of 2.2 points per semester hour; and this average must be reached on all of the courses undertaken within the three pre-medical sciences considered as a separate group.

4. A certificate of having taken the medical aptitude test. 5. A certificate of having passed the physical examination.

General Notices

To All Students in the College of Liberal Arts Who Are Planning to Register, Ultimately, in the College of Medicine

The following paragraph appears at the top of page 82 in the current university catalogue, in the statement of requirements for admission to the college of medicine:

"An annual physical examination by the university health service is required. Applicants for admission to the freshman class will not be permitted to register until they have secured a certificate from the university health service signifying compliance with the above, including an X-ray film of the chest.

"Successful vaccination against small-pox is required of all students."

These requirements must have been fulfilled by each applicant for admission to the college of medicine at the beginning of any year in September before the university examiner can issue to him a card admitting him to that college.

It is, therefore, requested that every student now on this campus who expects to register in the college of medicine for the year 1938-39 call at the university health service (General hospital, telephone 3111-89) within the present semester for the purpose of meeting this requirement.

If he postpones meeting this requirement until after the end of the present semester it will be necessary for him to make a trip to Iowa City within the summer and before July 1, 1938, in order to have this examination.

The application for admission to the college of medicine, and all necessary credentials, must be filed in the office of the university examiner and registrar on or before July 1 of the year for which the student expects to register in that college. These include:

- 1. The written application for admission (a letter of application will suffice) 2. The advanced deposit of \$20 on the first semester's tuition fee 3. A complete record of 90 s.h. of college credit, as including: English 6 s.h. Physics 8 General inorganic chemistry, including qualitative analysis 8 Organic chemistry 4 Quantitative analysis 4 General zoology 8 Electives 52 90 s.h.

The minimal scholarship on all collegiate courses undertaken must be an average of 2.2 points per semester hour; and this average must be reached on all of the courses undertaken within the three pre-medical sciences considered as a separate group.

4. A certificate of having taken the medical aptitude test. 5. A certificate of having passed the physical examination.

Washington World

By CHARLES F. STEWART WASHINGTON, D. C. — The most influential single member of congress undoubtedly is Senator William E. Borah of Idaho.

In fact, in a way he comes close to being the most influential single individual in the United States. Of course he cannot shape policies as the president can, but the presidential influence has position back of it; it is not purely personal. Borah's influence, insofar as it goes (and it goes a long distance) is HIS influence. It is not his job's influence, for he is bigger than his job.

For example: Take the case of the anti-lynching bill. Anti-Lynching Bill That bill had White House backing. It was Postmaster General James A. Farley's pet. Nobody approves of lynching. On the face of it, the proposed law should have gone through a-kinning.

Southern democrats, however, opposed it—on a certain sort of sentimental grounds. But they knew that they never could out-vote the proposition—not if it came to a vote. Their only recourse was a resort to filibuster tactics—in other words, debating the thing to death. Their reckoning was that they could tie up other issues so long that, finally, the majority would have to drop THAT issue, in order to get on to other business.

Borah's Voice The southern congressional group certainly could not have accomplished this object by itself alone; it was not numerically strong enough. It had republican senatorial support to be sure.

Still, there were not enough republicans in the senate to signify, influentially. There were 16 of them, out of 96. And 15 of the 16 had no voice enough to be audible.

But Borah had voice enough to count for his whole party and for a majority of the remaining miscellany. Borah's Punch Strongest A few other senators are bigger than their parties.

Senator George W. Norris, who classifies as an independent, is more influential individually than any republican or democrat. Senator Burton K. Wheeler, nominally a democrat, is a non-partisan leader. Senator Robert M. La Follette, a so-called progressive, has some individual influence.

But none of them has the punch of Senator Borah.

A poll of prominent directors showed these girls (and a couple of boys) rated tops with them as stardom prospects for 1938. Coincidence: The directors all were from Paramount but that didn't keep them from naming seven probabilities outside their own bailiwick. The directors were Ernst Lubitsch, Cecil B. DeMille, Fritz Lang, William Wellman, George Aukinbald.

Their choices, in order, were: Phyllis Welch (Metro) but playing in Harold Lloyd's Paramount release, "Professor Beware," was named for her "proved acting ability."

Annabella (20th Century-Fox) hails from Paris. Picking her must have been easy—she's an established star abroad, also is English-made pictures. Beauty and acting ability won her mention.

Olympe Bradna (Paramount) also from Paris. They all liked her in "Souls at Sea," expect to like her more in "Stolen Heaven."

Marjorie Weaver (20th Century-Fox) chosen for her work in "Second Honeymoon," which revealed, the directors say, a "distinctive personality."

Mary Maguire (Warner Bros.) is the girl brought here as the "Mary Pickford of Australia," but our judges picked her because they were wowed by her "photographic beauty."

Also nominated were Wynne Morris (Warner Bros.), Florentine George (Paramount), Alan Ladd (RKO), Ann Rutherford (MGM), Joan Woodbury (RKO).

Chicago Cagers Upset Iowa, 38 to 35

Tanksters Score 50-34 Triumph Over Illinois

Scrappy Maroons Completely Outplay Listless Hawkeyes To Triumph in First Big Ten Game

Windy City Basketeers Keep Upper Hand Throughout

By G. K. HODENFIELD
Daily Iowan Sports Editor

Chicago's victory-starved Maroons ended a three-year victory famine last night as they feasted royally on the out-fought, outplayed Hawkeyes of Iowa. The final score read Chicago 38, Iowa 35, but on the basis of the way the two teams played, the Maroons should have won by a 25-point margin.

Not until the last few minutes of the game did the Iowa quintet show the spark it displayed on the recent road trip when it defeated Chicago and Michigan. Even then the scrappy cagers from the Windy City carried the fight to the Hawkeyes.

With the fans standing on their feet, yelling madly for an Iowa comeback, the Hawks tried desperately to overcome the margin run up by the Chicagoans but their efforts were in vain as the determined visitors consistently took the ball away on rebounds and mixups under the baskets.

Stephens in Poor Form

Benny Stephens, who usually carries the brunt of the Iowa attack and who, until last night stood second in the Big Ten scoring race, was badly off form last night, missing frequently under the basket and failing to display the fast-breaking tactics that made him such an outstanding threat to Iowa opponents. Most of the other members of the Iowa team also displayed raggedness of play, a complete turnaround from their recent performances.

Last night's game marked the first time that the Chicago team has won a Western conference game since it defeated Iowa, 41-40, in Chicago in February, 1935. It also marked the first time the Maroon cagers have won a game on the Iowa court since 1919. The Chicago team was determined to win and they had every right to win. They so completely outplayed the Hawkeyes that most of the fans were wondering how the Hawkeyes came so close to winning.

Hawks Below Par

Nile Kinnick and Jack Drees were outstanding for a Hawkeye team that played below par all evening. Kinnick took over on the scoring burden for Iowa, connecting for five field goals and a free throw for 11 points. Drees tipped in only two baskets but cashed in on five charity tosses to trail with nine markers.

Stocky Fred Mullins, five foot seven inch forward for the Maroons, was the hot shot for the Maroon quintet, hitting from all over the floor and connecting for 12 points. His running mate, Bob Cassels, was right behind with 11.

Never Ahead

Never once during the game were the Hawks ahead and only for the first minute of the game did they stand even with the Maroons. Chicago took a one-point lead when Cassels made good a free throw on Prasse's foul and Drees evened it up when Lounsbury fouled him. From that point on the Maroons never relinquished their lead although the Hawks pulled up to within four points at the half, 22-18.

Completely dominating the play in the second half the visiting cagers continued their victory march and, with five minutes to go, led 38-28. It was at this point that the Iowa attack came to life and the Hawks played their best brand of ball of the evening.

Free Throws Help

Only their surprising accuracy at the free throw line kept the Hawks within shouting distance of Chicago. The Hawkeyes connected on 13 free throws and missed only two. Chicago made six while missing nine. In the first half the Hawks scored 10 of their 18 points from the charity line. The hapless Iowans connected for only 11 field goals and

Wildcats Keep Big Ten Lead

Defeat Indiana 52-41 in Free Scoring Contest

EVANSTON, Ill., Feb. 19 (AP)—Northwestern retained its hold on first place in the Big Ten basketball race by defeating Indiana 52 to 41, in a free scoring game tonight.

Successive baskets by Fred Trenkle and Mike McMichael put Northwestern in front, but Indiana knotted the score at 29-29 on Bill Johnson's free throw and Marvin Huffman's goal from the side.

This was the signal for a Wildcat rally that accounted for 10 points on five consecutive field goals. Ad Vance started it with a long range shot, followed by baskets by Nagode, Trenkle, McMichael and Smith.

Reed Wins 100 Yard Freestyle Race as Undefeated Hawkeyes Rack Up Third Straight Win

Iowa Cops Six Firsts in Topping Illinois Natators

CHAMPAIGN, Ill., Feb. 19 (AP)—Iowa's undefeated swimming team scored its third Big Ten dual meet victory today, 50 to 34, over Illinois in George Huff pool.

Bob Reed, who won the 100 freestyle and finished third in the 50-yard swim, and Bob Christians, second in the 220- and 440-yard freestyle events, behind George Lowe of Illinois, headed the Hawkeyes.

Iowa forfeited the water polo match, giving the Illini a record of two victories and no defeats for the season.

Summaries:

300-yard medley relay: Won by Iowa (Armbruster, Lowry, Sweitzer). Time 3:41.6.

200-yard freestyle: Won by Lowe, Illinois; second, Christians, Iowa; third, Tesla, Iowa. Time 2:30.3.

50-yard freestyle: Won by Jones, Illinois; second, Lentz, Illinois; third, Reed, Iowa. Time 1:34.9.

Diving: Won by Christen, Iowa, 121.79 points; second, Ellis, Illinois, 97.69 points.

Tape-Breaker

KANSAS CLOCKS 4:08.6 IN BAXTER MILE

By ALAN GOULD
NEW YORK, Feb. 19 (AP)—The great Glenn Cunningham narrowly missed his bid for a world record tonight in winning the Baxter mile, feature race of the New York A.C. games at Madison Square Garden. Cunningham was clocked in 4 minutes, 8.6 seconds, only two tenths of a second short of his own board track standard, as he whipped Gene Venzke by 15 yards.

Cunningham took over the pace-making after passing the half mile mark in 2:04.4. Thereafter it was mainly a chase between the world record-holder and the stop watch. Venzke stuck to Glenn's heels until the last lap, then faded.

As he reeled off the second fastest mile ever run indoors Cunningham was clocked by quarters in 60.8 seconds, 63.6, 63.2 and 61.

Cunningham's time set a new record for the Baxter mile, which he has captured four times in six years. Glenn set the previous mark of 4:09.8 in 1935.

Allan Tolmich, slender Wayne university hurdler, turned the tables on Georgia's redoubtable Forrest (Spec) Towns tonight with a world record triumph in the finals of the 60 yard high hurdles.

After both had equalled the indoor standard of 7.3 seconds in the semi-finals, Tolmich broke in front and led all the way as he hit the tape with a two foot margin in 7.2 seconds. The race was over four flights of timbers. Towns set the previous indoor record in 1936.

Durable Don Lash, Indiana's king of two milers, ran his veteran New York A. C. rival, Joe McCluskey, dizzy with a two lap finishing spurt to capture his specialty in 9:04.1.

Cunningham returned to the track in little over a half hour to run a smashing quarter mile that carried the New York Cub Exchange A. A. to a thrilling victory over the New York A. C. in the inter-club one mile relay.

The mile king was clocked in 60.2 seconds for the 440 as he came from behind, off the last turn, to beat John Wolff, former Manhattan college track captain, by two yards. Cunningham's victory was made possible by a great third leg by Charley Beethem, who made up 15 yards for his team and started Glenn off only a stride behind Wolff.

Gophers Drop Michigan Five

MINNEAPOLIS, Minn., Feb. 19 (AP)—Minnesota won its fifth successive Western conference basketball game tonight, defeating Michigan, 29 to 26, in a last half rally.

The triumph kept the Gophers in the title race and left the Wolverines with only a mathematical chance of sharing championship honors.

Led by Paul Maki, who scored 10 points on five field goals, Minnesota overcame an early second half lead of Michigan. The teams were tied at 16-all at the end of the first period.

Mason City J. C. Beats Burlington For State Title

DES MOINES, Iowa, Feb. 19 (AP)—The Mason City junior college basketball team tonight won the state junior college basketball championship by trouncing Burlington, here in the tournament finals, 42 to 33.

Mason City set the pace for the favored Blackhaws and piled up a 20 to 15 lead at the intermission. The Trojans led all the way, except for a brief time in the second quarter.

Everett Fletcher ran wild to score six field goals and two free throws.

The Trojans widened their advantage at the three-quarters mark, 28 to 21. They coasted to victory in the last quarter.

Creston won the consolation championship by defeating Estherville, 42 to 35. Creston's spurt in the second quarter which accounted for 19 points was too much for Estherville. Creston led at the half, 25 to 14.

MADISON, Wis., Feb. 19 (AP)—Jewell Young, forward, scored 20 points tonight to lead Purdue's Western conference basketball championship contenders to a 46 to 39 victory against a Wisconsin team that needed a win to stay in the title race.

A crowd of 13,000, filling the fieldhouse and setting an all-time university attendance record, watched the Badgers fight desperately to overtake the sharpshooters Bohermakers who went ahead after the first five minutes of play and stayed there. Purdue had a 19 to 16 lead at the half.

Freddie Steele Retains Crown

CLEVELAND, Feb. 19 (AP)—Freddie Steele of Tacoma, Wash., retained his middleweight championship here tonight by stopping Carmen Barth after 2:19 of the seventh round of their scheduled 15-round bout. Barth's followers tossed in the towel after the Cleveland hand had been knocked down four times. James J. Braddock was the referee.

Steele weighed 150, Barth 159 1-4.

From the second through the fifth round they fought what used to be known as a ding dong battle, with Barth, who was Olympic middleweight champion in 1932, showing a surprisingly effective left handed attack.

The strong defense which held Michigan to eight buckets from the field let Chicago slip through for 16 baskets.

Tomorrow the Iowa quintet leaves for Evanston, Ill., where it meets Northwestern's league-leading cagers tomorrow night. Earlier in the season Northwestern won from Iowa on the local floor, 36-28.

Nead's Absence Hampers Iowa

Vernon Ekfelt Throws Gopher Opponent In 118-Pound Class

By BOB SCHAAL
Daily Iowan Sports Writer

Iowa's rejuvenated wrestling team staged a gallant battle for the home fans yesterday afternoon at the fieldhouse before going down to defeat at the hands of the Minnesota Gophers by the score of 19 to 11, making the third consecutive match that the Hawkeyes have lost by the same margin.

Entering the match without the services of their star captain and heavyweight, Wilbur Nead, and using two men who had been hampered by injuries all week, the Iowa grapplers fought toe to toe with the visitors before finally being edged out in the final match. As a result of yesterday's meet the Old Gold outfit now has a conference record of one win and two losses.

Ekfelt Wins Fall

Starting out strong by garnering a fall in the opening bout, the Iowa team gave the favored Gophers a busy afternoon and was not licked until the final struggle when Clifton Gustafson, Big Ten champion and undefeated captain of the Minnesota outfit, threw Cloyce Campbell, filling in for the ailing Nead, in the short time of three minutes and 17 seconds.

Vernon Ekfelt, junior, starting his first match of the year for the Hawks, chalked up the initial points for the Iowa team by pinning Rudie Baack with a key lock in the 118-pound tussle in five minutes and four seconds. Carl Vergamini, unable to practice all week because of an infection, came through in great style in the 175-pound match to score Iowa's only other victory by decisioning Harold Trahms in the next to the last bout of the afternoon. Kenneth Kingsbury, also kept from workouts during the week because of a badly wrenched arm, earned a draw with Minnesota's John Matlon in two overtime periods in the 135-pound bout. Matlon seemed unwilling to "mix it up," always keeping near the edge of the mat to "escape the clutches" of the ready-and-willing Kingsbury, apparently being satisfied to settle for a draw.

Smith Gets Draw

George Smith, lone senior on the Hawkeye squad, displayed a fighting spirit in the 155-pound struggle to earn the only other points scored by the locals when he held the undefeated Bill Culbertson of Minnesota to a draw. The referee, James Kallas of Illinois, termed the match the

Wildcats Keep Big Ten Lead

Defeat Indiana 52-41 in Free Scoring Contest

EVANSTON, Ill., Feb. 19 (AP)—Northwestern retained its hold on first place in the Big Ten basketball race by defeating Indiana 52 to 41, in a free scoring game tonight.

Successive baskets by Fred Trenkle and Mike McMichael put Northwestern in front, but Indiana knotted the score at 29-29 on Bill Johnson's free throw and Marvin Huffman's goal from the side.

This was the signal for a Wildcat rally that accounted for 10 points on five consecutive field goals. Ad Vance started it with a long range shot, followed by baskets by Nagode, Trenkle, McMichael and Smith.

Rabbi E. Mannheimer to Give Vespers Talk This Afternoon

Service Will Conclude Peace Conference Here Today

Rabbi Eugene Mannheimer of congregation B'nai Jeshurun of Des Moines will speak on "The Problems of a Pacifist" at a university vespers service this afternoon at 3:15 in the main lounge of the fine arts building.

The service will be the concluding session of the intercollegiate peace institute and also will be in recognition of the day of prayer of the World Student Christian federation. The latter part of the program will be in charge of Mildred Mapleshorpe, A3 of Toledo, president of Y.W.C.A.

The Rev. L. A. Owen, pastor of the Congregational church will act as chaplain. As a part of the program John Hughes, C3 of Des Moines, will sing a solo entitled "The Plains of Peace."

Rabbi Mannheimer has served as a member of the board of trustees for the school of religion since its establishment 10 years ago. He has recently visited the university as a member of the "Good Will" team of the Des Moines round table of the National Council of Jews and Christians.

Following the vespers service, an international tea in the University clubrooms of Iowa Union for delegates attending the institute will close the institute.

The international tea, sponsored by the Interchurch council, the Y.M.C.A. and Y.W.C.A., will observe the fellowship day of the World Student Christian federation—an annual day of prayer for the students of 23 nations for the realization of the larger world fellowship.

Mrs. Andrew H. Woods will pour at a table centered by a lighted globe of the world. The clubroom will be decorated with flags of many countries. Rabbi Mannheimer will be a special guest.

Betty Proctor, field secretary of the emergency peace campaign, Anne McPhee, Mrs. Iliot T. Jones, Mrs. E. E. Dierks and Mrs. Richard McEvoy will be hostesses.

The committee in charge of the tea includes Betty Bauserman, A4 of Des Moines, chairman; Jeanne Howarth, A2 of Atlantic; Robert Owens, G of Newport, Ark.; Gordon Mills, A3 of Lansing, Mich.; Benjamin Bierer, A4 of Council Bluffs; Ila Iddings, A4 of Logan; Margaret King, A3 of Spencer; and Parke Woodworth, E2 of Ipswich, S.D.

Dr. D. D. Feder Attends Meeting

Dr. Daniel D. Feder of the psychology department and personnel department will leave Tuesday for Atlantic City to attend the 15th annual conference of the American College Personnel association Wednesday to Saturday.

Talk on Research

George Wolfe and Carl Moore, graduate assistants in the geology department, will speak on certain phases of their research at the geology club meeting tomorrow at 3:10 p.m. in room 106, geology building.

Explains Plans For Biography

Helene Magaret Speaks To A. A. U. W. At Iowa Union

Helene Magaret, G of Omaha, Neb., honored guest at the meeting of the American Association of University Women yesterday, told about 75 members and guests of her plans for the biography of Father Pierre Jean DeSmet she will write. The club met in the University clubrooms at Iowa Union at 12:15 p.m. for luncheon.

Miss Magaret, author of "The Great Horse" and "The Trumpeting Crane," recently received a fellowship from the A. A. U. W. She will do research work for the biography in St. Louis, Mo., and Helena, Mont.

Father DeSmet traveled throughout the west about the time of the Mormons and founded many missions. Miss Magaret told club members. At one time when the government was having difficulties with the Mormons, he was chosen to straighten them out, she said.

Miss Magaret told the group some stories she discovered in doing research work for her book, "The Great Horse." Following a description of some of the characters in the book, she read the chapter dealing with the Mormons' trip westward.

Hostesses for the luncheon and meeting were Mrs. F. T. Mavis, Mrs. Charles Looney, Mrs. W. F. Bristol, Prof. Grace Cochran, Mrs. H. Dabney Kerr, Mayzee Regan, Mary Mueller, Helen Reich and Mrs. J. M. Russ.

W. A. A. Basketball Club Practices For Squad Tournament

Basketball club of the Women's athletic association has begun practices for the inter-squad tournament starting Thursday. The four teams and their captains are the "Little I's," Virginia Snyder, A2 of Centerville; the "Rockets," Virginia Padovan, A1 of Numa; the "Flashes," Mary Evelyn Witt, A4 of Oskaloosa, and the "Hawks," Josephine McCarthy, A3 of Huntington, N. Y.

A team will be chosen from the entire club to attend a basketball play day at the University of Chicago March 5. The university will be host to a play day here March 19.

Mrs. Webster Will Be Mortar Board Hostess

Mrs. R. O. Webster will be hostess to alumnae of Mortar Board at a dinner at the Alpha Chi Omega sorority house Wednesday at 6:30 p.m.

The committee in charge of arrangements for the affair includes Mrs. Webster, chairman, Mrs. Maxwell Cadwallader and Helen Barnes.

Dinner Will Be Well Attended

To Celebrate Founder's Day Feb. 27 In Atlantic City

Advance reservations for the All-Iowa dinner Feb. 27 in Atlantic City, N.J., indicate that the dinner will be one of the largest in the series of Founder's day celebrations. Prof. Bruce E. Mahan, director of the extension division, announced yesterday. Reservations from former students all over the United States have been received by the extension division.

Faculty members from the University of Iowa who will attend the meeting of the National Association of School Administrators in Atlantic City Feb. 26 to March 3 include President Eugene A. Gilmore, Prof. Harry A. Greene of the college of education, Lee Cochran, supervisor of visual instruction, and Professor Mahan together with President-Emeritus Walter A. Jessup.

President Gilmore and President-Emeritus Jessup will introduce the guests at the dinner. Professor Greene, Professor Mahan and Mr. Cochran will also have charge of a University of Iowa exhibition booth which will display tests, bulletins, studies and monographs dealing with psychology and education.

Some of the works exhibited will be "Child Psychology" and "Manual of Child Psychology," both by Dean George D. Stoddard and Beth Wellman; "A First Course in Statistics" and "Study Manual for First Course in Statistics" by Prof. E. F. Lindquist; "Methods of Instruction in the Social Studies" by Prof. Ernest Horn; "Use and Interpretation of High School Tests" and "Use and Interpretation of Elementary School Tests" by Professor Greene, and "Track and Field Athletics" by Coach George Bresnahan and Dr. W. W. Tuttle.

Hostesses for the luncheon and meeting were Mrs. F. T. Mavis, Mrs. Charles Looney, Mrs. W. F. Bristol, Prof. Grace Cochran, Mrs. H. Dabney Kerr, Mayzee Regan, Mary Mueller, Helen Reich and Mrs. J. M. Russ.

Mrs. R. Aurner Exhibits Group Of Oil Paintings

Mrs. Robert R. Aurner, a graduate of the University of Iowa and a former resident of Iowa City, is exhibiting a group of oil paintings and woodcuts at the College club in Madison, Wis. Mrs. Aurner is the daughter-in-law of Prof. Nellie Aurner of the English department.

The exhibit includes "Rocks of Cape Ann," a painting Mrs. Aurner completed while studying during the summer of 1930 with Hugh Breckenridge of the Pennsylvania Academy of Art, and paintings of scenes in and about Pittsburgh and local scenes.

Mrs. Aurner majored in art at the University of Iowa and took graduate work here and at the University of Wisconsin. She has won many awards for her paintings in Iowa and Wisconsin.

Recent summers have been spent painting at the studios at Saugatuck, Mich. During the summer of 1935, she took graduate work with Prof. Norwood McGilvary at Carnegie Institute of Technology.

Currier's Newest - Alligator Hector

One of Currier hall's newest residents is Hector, a baby alligator from Florida—a Valentine day gift. Since his proud owner Celeste Stauffer, A2 of Cedar Rapids, is home for the week end, Ida Prouty, A3 of Council Bluffs, and Mae Faust, A2 of Hubbard, left to right, are the caretakers.

Lodge No. 4, A. F. & A. M. to Observe Past Masters' Night at Masonic Temple

Iowa City lodge No. 4, A.F. and A.M., will observe past masters' night with a dinner at 6 p.m. Tuesday in the Masonic temple, it was announced by Dr. Ray V. Smith, worshipful master.

G. Kinderdine of Des Moines, a member of lodge No. 4, and a noted Masonic speaker, will address the group. He was recently awarded the highest Masonic degree, the 33rd.

Other speakers will be W. E. C. Foster, Prof. Forrest C. Ensign and Dean George F. Kay. Past Master J. L. Records, who also has the 33rd degree, will be master of ceremonies.

Prof. John F. Reilly will be worshipful master for the evening and will confer the third degree work.

All members of the Masonic lodge, whether a member of lodge No. 4 or not, are invited to attend. For reservations dial 2997, Dr. Ray V. Smith.

The regular meeting will be tomorrow evening at the Masonic temple.

Call-Girls No Alarm Needed On Fourth Floor

The problem of getting up in the morning is no longer a problem to the residents of the fourth floor at Currier hall.

Gladys Harwood of Hedrick and Virginia Allen of Des Moines, both A1, have found an efficient remedy for late sleepers. The two early birds, who seem never to have any trouble waking in the wee hours, serve as official waker-uppers for all who find it difficult to make 8 o'clock Saturday morning.

Anyone who requests the two (it usually takes both of them) to waken her is never disappointed. If the innocent sleeper does not arise at the first call, other methods are used. Off come warm covers. Down splashes cold water. If these measures fail, the victim is likely to find herself pulled bodily from bed.

Almost always, Miss Allen says, a cold wash cloth applied suddenly to a sleeping countenance, brings instant results. Marie Schaefer, A1 of Davenport, who used to depend on the old-fashioned alarm clock, is a typical customer. Formerly she placed the clock beside her bed—and automatically turned it off in her sleep.

But there's no more worrying, now that two human alarm clocks live across the hall.

Date of Annual University Sing Set for May 15

Will Award Traveling Cups to Two Best Organizations

The University Sing will be held on the east approach to the fine arts building May 15, Betty Bauserman, A4 of Des Moines, chairman, announced yesterday.

Jane Hart, A3 of Des Moines, and Eliot Waples, A4 of Cedar Rapids, will be in charge of the women's and men's preliminaries which will be conducted May 9 and 10. Orval Matteson, A4 of Elgin, Ill., will be in charge of the finals.

The sing is an annual affair under the joint auspices of the U.W.A., A.F.I., Mortar Board, the Y.M.C.A. and the Y.W.C.A.

A traveling cup is awarded each year to the best men's and women's groups. The winners last year were the Quadrangle in the men's division and Delta Delta Delta sorority in the women's division.

The deadline for filing entry blanks is April 9.

He Can't Do That! No S. U. I. Picture On Governor's Wall!

Governor Kraschel anticipates a yell from his eldest son, Frederick, the next time they meet.

There's a large tinted picture of a scene on the campus at Iowa State college hanging on the wall of the governor's office, but none for the University of Iowa.

Kraschel said the Iowa State scene, a view of the lagoon, with the memorial union building in the distance, was the gift of friends. The governor's loyalty is evenly divided, however, with one son at the college at Ames, and another in the law school at the university.

'Tristan und Isolde' Presented Tonight

"Tristan und Isolde" by Wagner will be played in a special request program this evening from 6:30 to 9:30 in the music room of Iowa Union.

The complete opera will be played as recorded in the Bayreuth Festspielhaus, Wagner festival.

Prof. Aurner Publishes New Malory Edition

Prof. Nellie Aurner of the English department has recently published a "streamlined" edition of Malory's "Morte D'Arthur," entitled "Introduction to Morte D'Arthur." The book also includes selections by Froissart, St. Francis and Thomas A Kempis.

The book is more complete than Malory's "Morte D'Arthur" because the continuity of the story is maintained by the inclusion of explanatory notes, Professor Aurner explained.

The story, written by a knight in the 15th century, is a reflection of the author's life and times and according to Professor Aurner, serves as a transition between the works of Chaucer and Shakespeare.

Besides selections from "Little Flowers of St. Francis," "Imitation of Christ" and Froissart's works, the book also includes a brief resume of the life of Malory and an explanation of the significance of the book.

TIPS on the Shopping Market

By Marion Lamar

Now that the campus is clear of ice and slush, don't you feel like blossoming forth in smart classic saddle shoes? DOMBYS have them in such models as you have dreamed of—brown or black saddles on white buck or calf and an all brown saddle cut. Another style that is growing to be a campus classic throughout the country is the thick crepe sole on a buck Oxford. Spring just can't come without a new campus shoe from DOMBYS.

The peasant craze that expresses itself in bright neckerchiefs and shawls over the head is following smarter designs than ever this season. ESTELLA ZIMMERMAN has a new selection of silk print squares and ascots that are fascinating. We are particularly taken with those patterns by the new designer, ADOLPH DE GRAFF. The soft silks will be grand for spring.

The hometown has done it again, Al Wooleyhan, Theta Xi has hung his pin on Harriett Hamilton, Tri-Delt at Coe.

We told you something was going to happen. For the same moderate price you have always paid at ETHEL GILCHRIST'S BEAUTY SHOP you can have Robert Boyle, expert stylist from Des Moines, design and execute a new coiffure for the spring season. It will give you a feeling of confidence in your appearance to have had his good advice upon the hair style that will suit your type. For formal occasions, let him do something formal and different with your hair.

WHAT has us all showing of new spring pumps. It is just in time for the interfraternity dance this Friday and we think the thing to do is to trot down and choose a black patent leather with pin-point perforations, or a copper kid in the clever peep-toe style. You will be intrigued, too, with all of their variations of pumps.

Peggy Purdy from Panama has just recently decided that she prefers a good book to Iowa men.

The in-between season for formals has ceased to be a problem. YETTERS have a grand selection of pastel chiffons and gowns, with or without jackets, that are a grand solution. Besides that the big SALES DAY makes them fit your purse as well as the occasion, and your personality. DO GO right down tomorrow and get yours before it is gone.

HIGH fashion has turned to gold hoarding. Oooo—have you heard what's coming to the STRANDY? Sonja Henie and Don Ameche will be there Tuesday in HAPPY LANDING—a big romance interspersed with the most glorious skating you have yet witnessed. And—supporting them are such grand actors as Jean Hersholt, Ethel Mercer, Cesar Romero, Billy Gilbert, the Raymond Scott Quintet, Wally Vernon, and Leah Ray.

If you like fluffy yellow scrambled eggs and bacon that is JUST crisp enough, your breakfast worries are practically settled. The DINETTE can fix you up, and they will serve you the best coffee you ever dunked a doughnut in, to boot.

When you are barreling around the town and having the fun these spring days, a big, thick MAID-RITE hamburger will add to your enjoyment of the weather and the fine company you are in. You can have a bagful delivered to your house for the gang by just dialing 4595.

Little Jack Little, Diminutive Pianist, And His Orchestra, To Play for Senior Hop, March 4

Band Leader Once Was Enrolled Here As Medic Student

The "whispering baritone," Little Jack Little, and his orchestra will play for the Senior Hop March 4, Dave Denmead, A4 of Ft. Madison, party committee chairman, has announced. The formal dance will be from 9 p.m. to 1 a.m. in the main lounge of Iowa Union.

Although once enrolled in the university as a medical student, Little Jack Little's musical pursuits were so successful that his medical studies became a side-issue. While working his way through school, he organized several orchestras.

The band leader and his orchestra appeared recently at the Morrison hotel and the Palmer house, both in Chicago, and the Catalina Island casino.

Other appearances included engagements at the Continental grill at the St. Moritz hotel in New York, at the Netherland-Plaza hotel in Cincinnati, Ohio, the Silver grill of the Lexington hotel in New York and the Ambassador hotel in Atlantic City, N. J.

Songs hits composed by the maestro include "Jealous," "My Missouri Home," "I Want to Count Sheep," "I Promise You" and "Shanty in Old Shanty Town."

After leaving school, Little Jack Little was a professional pianist. After appearing in vaudeville, he became interested in radio work. In 1933 he organized his first orchestra and since that time has appeared on many radio programs and has made Brunswick and Victor recordings.

The committee for the Senior

Hop includes Mr. Denmead; Ruth Mullenburg, A4 of Rolla, Mo.; Jack Lambert, C4 of Waterloo; John J. Lambert, E4 of Cedar Rapids; James Wheeler, P4 of Geneseo, N. Y.; Marie McSweeney, N3 of Osage; Robert Beebe, L3 of Ottumwa; J. Trevor Davies, G of Crawfordville; Willis Loeck, D4 of Pringhar, and Albert W. Wise, M4 of Des Moines.

Set Date For Pan-Hel Party

Women's Association To Sponsor Dance March 19

Women's Panhellenic association will entertain at a formal supper-dance in the main lounge of Iowa Union March 19 from 8 to 12 p.m. The buffet supper will be served in the private dining room and on the sunporch.

Members of the committee in charge of arrangements are Mary Sparks, A4 of Oskaloosa, Kappa Alpha Theta president, chairman; Wanda Byrnes, A3 of Durant, Alpha Xi Delta president, and Betty Grisinger, A3 of Burlington, Alpha Delta Pi president.

All the sorority housemothers will chaperon and be guests of the evening.

Harold Smith Will Speak To University Club

Harold Smith, field representative of University hospital, will speak at the University club dinner Feb. 27 at 6 p.m. in the University clubrooms in Iowa Union.

His subject will be "The University Hospital in its Statewide Relationships."

Chairman of the committee in charge is Marcella Hotz. Other members are Prof. Esther Swisher, Prof. Clara Daley and Mrs. Wiley B. Rutledge.

John Kelly, Former Student, Is Engaged

Announcement of the engagement and approaching marriage of Amy Hettelsater, daughter of Mr. and Mrs. A. R. Hettelsater of Kansas City, Mo., to John H. Kelly, a former university student, son of Mrs. Harold A. Kelly of Clinton, was made recently in Kansas City. The wedding will be an event of early summer.

Miss Hettelsater is a freshman at Northwestern university and a member of Chi Omega sorority.

Mr. Kelly, a graduate of Lake Forest academy in Lake Forest, Ill., attended the University of Iowa and the University of Alabama. He is now employed as advertising copy writer for Montgomery Ward and company in Chicago.

Date Set For Annual Contest

Martin Names March 8 For Department Presentation

The annual spring concert and solo elimination contest for the Iowa City high school vocal music department will be at 8 p.m. March 8 in the high school auditorium, Ansel C. Martin, director of vocal music, announced yesterday.

In the five voice divisions, soprano, mezzo-soprano, contralto, tenor and baritone-bass, 14 soloists will compete in the elimination. The mezzo-soprano section will appear this year for the first time in the state music contest.

The mixed chorus, girls' glee club, boys' glee club, girls' sextet and boys' quartet will appear on the program. A feature of the concert will be the singing of several selections by the combined chorus and glee clubs at the end of the program. Martin said the chorus will number 104 singers.

Churches Hold Fraternal Day

Representatives Discuss Creation of Holy Community

"Creating a God-Controlled Community" will be the subject of discussion by representatives of the Catholic, Jewish and Protestant faiths at the sixth annual brotherhood day at 10:45 this morning in the First Congregational church.

Speakers will be Judge James P. Gaffney, outstanding Iowa jurist and Catholic layman; Joseph Braverman, leader in Jewish affairs in Iowa City, and the Rev. Llewelyn A. Owen, pastor of the Congregational church.

By observing national brotherhood day, religious leaders of the United States hope to develop a finer community life through teaching and practice of good will.

Engagement Of Iowa Student Is Announced

Clara Perkins, daughter of Prof. and Mrs. Rollin M. Perkins, 1041 Woodlawn, announced her engagement to Harold Beckson of D. T. Beck, 427 E. Market street, yesterday at a luncheon at her home.

The occasion was a surprise birthday party honoring Mrs. Charles Van Epps, 430 N. Clinton street, sister of the bride-to-be.

The engagement was revealed when Mrs. Van Epps received a corsage of violets and a rosebud in which was a tiny scroll with the announcement written in it. Spring flowers and tapers formed the centerpiece of the table.

The guests for the affair were Mrs. Rollin M. Perkins II, Mrs. Burke N. Carson, Elinor Rodgers, Mary Winslow, Helen MacEwen, Jean Moore and Jessie Marshall. Miss Perkins was graduated from Iowa City high school in 1935, and in 1937 was graduated from the Moser business college in Chicago. She is now a sophomore in the university and is secretary to Dean-Emeritus Carl E. Seashore. She is a member of Kappa Kappa Gamma sorority.

Mr. Beck was graduated from University high school in 1932 and later attended the Air Conditioning and Refrigeration school at Youngstown, Ohio. He is employed at the Checker Electric company in Iowa City.

The date for the wedding has not been set.

Discuss County Health Project

Government Will Match Funds Raised For County Program

William Griffin of Riverside, Dr. C. A. Boice of Washington, Ia., and Dr. Daniel Barrett of Washington spoke at a meeting for the discussion of a county health unit in the courthouse yesterday at 2 p.m.

Mr. Griffin took the part of the layman, in saying that neither politics nor religion should enter into the unit or any of its duties. He also pointed out that there would be a slight increase of taxes to support such a unit.

Dr. Boice discussed the angle of the professional man. He was one of the founders of the Washington county health unit. He stated that statistics show a greater reduction of communicable diseases among children under this unit system than under the old health system.

Dr. Barrett gave the angle of the executive in the unit of the county organization. After the meeting there was a general discussion in which ways and means of reaching all parts of the county were considered.

The federal government will match dollar for dollar the money that can be raised for this project.

Iowa Artists In Traveling Exhibit Here Tuesday

Iowa artists will be represented in the midwestern traveling art exhibition to be placed in the exhibition lounge of the fine arts building Tuesday.

The exhibition is made up of the works of artists who represented Illinois, Indiana, Iowa, Kansas, Michigan, Minnesota, Missouri and Wisconsin in the second national exhibition of American art, shown in Rockefeller center, New York, last summer.

The university gallery of the University of Minnesota, with the cooperative effort of other midwest art galleries, is presenting this traveling exhibition.

Huber Replaces T. Meredith As Cafe Receiver

Roy E. Huber was named yesterday by Judge James P. Gaffney to replace Thomas T. Meredith as receiver for the Iowa gill. His bond was set at \$1,000.

Meredith was appointed receiver by Judge Gaffney upon the application of Polehna Brothers and company who entered a claim for \$325.28. Negotiations are being made to reopen the cafe soon.

Peace Course To Have Basic Demonstration

Law Faculty, Officers Map Out Program For Summer

The second annual peace officers' short course at the university the week of July 11 will have numerous laboratories for practical demonstration to supplement the lectures this year, it was decided at a meeting of law college faculty members and state and federal law enforcement officers in charge of operating the training school here yesterday.

Prof. Rollin M. Perkins of the college of law presided at the meeting, attended by about 40 law enforcement officers and representatives. Among them were Dean Wiley B. Rutledge of the college of law, L. M. Chipman of the federal bureau of investigation, Chief W. W. Akers of the Iowa bureau of identification, Chief John W. Hattery of the state highway patrol, Roy E. Wilson, president of the Iowa State Sheriffs' association, E. C. Lane, president of the Iowa Association of Chiefs of Police, Carl Higdon, president of the Iowa State Policemen's association, and Frank Pierce, secretary of the League of Iowa Municipalities.

The group mapped out a tentative program of instruction for the training school concerning lecture subjects, target practice, laboratories and discussion groups. The laboratories will include those for fingerprinting, handwriting and typewriting, preservation of evidence, ballistics, plaster casts, moulage castings, poisons and probably others.

Some of the lecture topics to be discussed by experts in the field are "Crime Investigation," "Preservation of Evidence," "Elementary and Latent Fingerprinting," "Intoxicated Drivers," "The Law of Arrest," "Photography as an Aid to Law Enforcement" and "Poisons in Homicides."

The peace officers' course was held for the first time by the university last summer and attracted peace officers from all over the state. Both state and federal law enforcement officers, as well as members of the university faculty, gave instruction.

Iowa City Post To Get Trophy

Exceeds Quota with 324 Members—Best In District

Roy L. Chopek post 17 of the American Legion will be awarded the Robert W. Colflesh membership trophy at a meeting of the state department executive committee in Des Moines tomorrow.

The Iowa City post 17 will retain the trophy this year, having exceeded its membership quota by a greater number than any other post in this district. The post has 324 members.

Commander George Zeithamel and Adjutant George Sheets are the official representatives of the local post attending the winter convention of adjutants and commanders of Iowa American Legion posts which convene today in Des Moines.

Speakers from the national legion headquarters in Indianapolis, Ind., and from Washington, D. C., will attend the meeting, which will end tomorrow.

Other representatives from Iowa City will be Mrs. Martin Pederson, service officer of post 17, Mrs. L. E. Clark and Mrs. George Unash, members of the post 17 auxiliary, and Don Davis, chef de gare of 40 and 8, honorary Legion society.

School Board Names Election Officials at Special Meeting

Will Take Charge Of Polling Booth On March 14

Election officials who will be in charge of the polling booth at the city school election March 14 were named at a special meeting of the city school board yesterday.

Judges will be John Dvorak, Esther Yesinek and William Weeber, and clerks will be Fern Ranshaw and Mrs. George W. V. Miller.

Registrars will be Mrs. A. G. Dirksen, first ward; Mrs. Vera K. Findly, second; Mrs. Charles Gil, third; Kathryn Novak, fourth; and Nelle Kinney, fifth.

The bi-partisan committee will meet March 2 in the city hall to nominate candidates for two positions on the board. The terms of Dr. George Maresh and Verne R. Miller expire April 1.

Formal approval was given the contract of the William Horabin Contracting company for grading the Morningside school site. Approval has been granted by PWA officials.

John Hamilton, Chicago architect who is designing the new school building, met with the board and later inspected the site.

Scout Executive To Prepare For Outdoor Tests

The Rotary club Boy Scout reservation camp, four and one-half miles west of Iowa City on U. S. highway 6, will be opened Saturday for scouts who wish to pass second class outdoor requirements.

Arrangements for the work to be done must be made before Friday at Scout Executive Owen B. Thiel's office and with the approval of the scoutmaster.

She Forsook the Microphone for One Thing After Another

In 1929 a production of *Cyrano de Bergerac* at the University of Wisconsin set a record. It ran 10 nights, played to more than 3,000 people. Victor Wolfsohn was "Cyrano," his "Roxane" was a chubby, attractive Stanford graduate, Kathleen Fitz, who was teaching education and studying for an M.A. in psychology. Eight years later Victor Wolfsohn had written a successful Broadway play, last year's *Excursion*, and Miss Fitz was acting in *One Thing After Another* in New York.

Kathleen Fitz must be set down as a Kappa Alpha Theta with determination. Like Don Ameche, another of Prof. William C. Troutman's alumni at Wisconsin, she took the hard way to learn to face the footlights. Her teaching days and M.A. didn't help when she was batted about in Pacific Coast stock. Star in Pirandello and Shaw plays at Wisconsin, Kathleen toured the U. S. as the heroine in *The Drunkard*, playing in hotels as well as theaters. She trimmed her figure for pictures, only to get a "bit" no one noticed. She had the lead in *Three Men on a Horse* when the leading lady was on vacation. After that period of glory, she went on tour with *Boy Meets Girl*, in a part you could find only with a microscope.

Turning to radio, Kathleen auditioned herself into the lead in a nationally-known domestic serial, *Dan Harding's Wife*. When a part opened for her in *One Thing After Another*, she gladly forsook the microphone.

One of these days Stanford's and Wisconsin's Theta, Kathleen Fitz, hopes to be the bride instead of the bridesmaid in the theater.

Stephens' Goal Gives Hawk 5 26-25 Victory

Wildcats Miss 12 of 15 Free Throws in Tilt

Old Gold Quintet Makes All of Six Gratis Tosses to Win

EVANSTON, Ill., Feb. 21 (Special to The Daily Iowan)—Displaying a complete reversal of form from its lethargic performance against Chicago Saturday night, Iowa's in-and-out basketball team fought Northwestern's vaunted league-leading Wildcats off their feet to squeeze out a narrow 26-25 victory in a hair-raising ball game in Patten gym here tonight before a crowd of 6,000 screaming fans.

With less than a minute to go and the embattled Hawkeyes leading 26 to 25 as a result of Ben Stephens' overhead shot from the side of the court, Fred Trenkle was awarded two free shots when Stephens fouled him but, with a chance to win or tie the game, he failed on both attempts and the Iowans staved off a wild last-minute rush by the Purple to emerge with the victory, their fifth conference win as against an equal number of defeats.

Wildcats Take Lead
Trailing 24 to 19 in the waning minutes of the contest, the Wildcats pulled to within one point on baskets by Jean Smith and Mike McMichael and then Smith sent the crowd into a frenzy by sinking one from the corner of the court to send Northwestern into the lead. The stage was then set for Stephens' game-winning basket, his only one for the evening.

Inaccuracy at the free throw line proved disastrous to the losers as they connected on only three out of 15 charity tosses while the Old Gold cagers were cashing in on all six of their attempts. The Purple basketballers had but four fouls chalked up against them as against 13 for Iowa, Stephens fouling out in the last few seconds.

Fast and Rough
Although the game was fast and rough with both teams using a fast-breaking offense, neither team would shoot frequently, preferring to pass the ball around.

Senate Shelves Anti-Lynch Bill

Southerners Win Fight After Filibustering For 29 Days

WASHINGTON, Feb. 21 (AP)—Southern senators who have filibustered against the anti-lynching bill for 29 days won their fight today when the senate adopted, 58 to 22, a motion by Democratic Leader Barkley of Kentucky to lay the measure aside.

Even Senators Wagner (D-NY) and Van Nuys (D-Ind.), authors of the bill, voted for Barkley's motion when it became apparent that the senate was in no mood to permit the struggle to continue.

Declaring that he had done all he could to obtain a vote on the measure, Barkley said in offering his motion the country wanted the senate to proceed with other legislation which has been delayed. When his motion carried, the senate took up the \$250,000,000 deficiency appropriation for relief.

The southerners' victory was even more emphatic than appeared on the surface for, in sending the anti-lynching proposal back to languish on the calendar, the senate stripped it of its preferential status.

Previously it was technically before the senate for a final vote on passage. Now, however, it cannot be brought up again except on a debatable motion and southern senators said they would filibuster against such a motion, if necessary.

Wright Is Sane, Judge Decides After Hearing

LOS ANGELES, Feb. 21 (AP)—Paul A. Wright, who killed his wife and best friend, John Kimmel, was held sane today by Superior Judge Ben Lindsey who ruled, however, that he could not free the former airport manager for five days.

During this period, Judge Lindsey said, the district attorney's office or others might ask for a jury trial to determine if Wright is sane at present.

Wright was convicted of manslaughter in connection with the slaying of Mrs. Wright and Kimmel. The same jury then decided he was insane at the time of the tragedy.

The hearing today was to determine his present mental status. During arguments today, J. Miller Leavy, assistant district attorney, anticipated the court's decision. He declared he hoped the court would not regret it if it turned Wright free.

Earlier, Leavy told Judge Lindsey it was "not unreasonable to ask that Wright be committed to an institution."

Judge Lindsey subjected Leavy to a sharp tongue-lashing, pointing out that his apparent desire to have Wright committed was not consistent with his "so eloquent" arguments during the trial that Wright was sane.

The court also pointed out that when the jury found Wright insane when he shot his wife and Kimmel to death, the district attorney's office should have, if it wished, demanded that the defendant be sent to a mental institution.

Possible French Rumored As France British Foreign Policy

PARIS, Feb. 21 (AP)—Talk of a possible cabinet shakeup circulated freely tonight as France consulted her European friends on changes in diplomacy forced by the resignation of Britain's foreign secretary, Anthony Eden.

Foreign Minister Yvon Delbos, whose policy was tied closely to that of Eden, was considered in danger of being forced out unless French diplomacy is readjusted quickly.

Members of the chamber of deputies said Premier Camille Chautemps already had talked with a number of ministers about enlarging the cabinet to include more conservatives. The whole question will be placed before the cabinet tomorrow, deputies said.

Prof. Charles B. German Teacher

Began Work Here In 1888; Funeral To Be Tomorrow

Prof. Charles Bundy Wilson, 76, the senior member of the university faculty in years of service, died yesterday at 5:40 a.m. at his home, 4 W. Park road. He had been a member of the German department for 50 years.

Funeral service will be at the Presbyterian church tomorrow at 2 p.m., with Prof. M. Willard Lampe, director of the school of religion, in charge. Burial will be in Oakland cemetery.

Acute dilation of the heart caused the death of the teacher and scholar, a member of the faculty since 1888.

Professor Wilson had suffered a similar attack two weeks ago but apparently had recovered and had expected to return to his work yesterday morning.

Professor Wilson devoted all but 26 years of his life to serving on the University of Iowa faculty, serving as head of the German department from 1882 to 1932. Although he retired from his position as head of the German department, he continued to teach several classes and individual students.

The life of the man who knew everyone as a friend began May 9, 1861, in Syracuse, N. Y. Professor Wilson attended Cornell university, Ithaca, N. Y., where he received his B.A. and M.A. degrees. After studying several years in Europe he returned in 1886 to Cornell to teach for two years before joining the university faculty in 1888.

He had contributed numerous articles on German literature and language to periodicals and has edited a number of German classical texts for use in American colleges. His chief fields of interest were the works of Lessing and Goethe.

In addition to his widow, Professor Wilson is survived by two sons, Arlo of Stamford, Conn., and Eric C. of Iowa City; one brother, Dean, of Pittsburgh, Pa., and three grandchildren, Eric C. Wilson Jr., of Iowa City and Gwendolyn and Virginia Wilson of Stamford, Conn.

Carol Bids for C

Altered Rumanian Constitution To Be Placed Before Plebiscite

BUCHAREST, Feb. 21 (AP)—A drastically revised constitution centering greater power in the crown was offered Rumanians today by King Carol, who asked for quick national approval.

Adoption of the new constitution was regarded as a foregone conclusion in a plebiscite to be held Thursday, only three days after presentation to the country.

Foremost among the 100 articles of the document were stipulations giving the king absolute veto power over legislation, and authority to appoint half the senate members; a declaration of equality for all Rumanians without racial distinctions; and religious freedom, with the Orthodox Rumanian church recognized as the state religion.

Heading the government would be the king and his ministers, with parliament consisting of two chambers, a house and senate, both sharply reduced from their present size.

Deputies would be elected by professions, rather than political parties, according to membership in three guilds—farmer labor, commerce-industry, and intellectual professions.

Half the senate would be appointed by the king, the other half chosen by popular election for nine years.

The guild plan for selection of lower house members would not make Rumania a corporate state—although the guild idea might be subject to expansion. There appeared no evidence Carol planned to govern by decree with parliament ratifying his acts.

All citizens would be equal, despite differences of opinion, under laws abolishing class lines. There would be no constitutional right, however, for a citizen to urge a change in the form of government.
