Anglo-German Accord Expected After Britain, Italy Settle Differences

Germany Seen Free to Press Czech Republic

Praha Dispatch States Czech Parliament Is Alarmed

BERLIN, Feb. 22 (AP)—Nazis tonight expected an Anglo-German accord would follow on the heels of settlement of British and Italian differences in a move for pacification of Europe.

It was believed Prime Minister Neville Chamberlain would not allow Czechoslovakia, in whose direction German eyes have turned since Chancellor Adolf Hitler proclaimed protection of German minorities in central Europe, to be an obstacle to such an accord.

Germany thus was seen as feeling herself free to bring pressure upon the state which emerged as a republic at the end of the World war and which has almost 3,500,000 Germans in its population.

Czech Parliament Alarmed
A Praha dispatch said the Czechoslovak parliament was alarmed today when a Sudeten German deputy challenged the republic to "go on persecuting us" but be prepared to accept the consequences.

The deputy Gustav May, said: "We are sick and tired of being treated as mere objects of state policy. Go on persecuting us as you like — in the end you will have to repent it."

At least 80 per cent of the Germans there are regarded as pro-Nazi with the percentage even greater in Bohemia, the part of Czechoslovakia bounded on three sides by Germany.

In Bohemia, there are 2,175,000 Germans, or about 33 per cent of the population.

Nazis Confident
Nazis were confident that by the time Hitler visited Premier Benito Mussolini in Rome next May, the Sudeten Germans of Czechoslovakia would have much the same relation to Germany as Austria and the free city of Danzig bear to the reich.

They also believed Germany again would possess the colonies she lost as the result of the World war.

An American who lives in Berlin and who is on the closest terms with the regime reported Robert Ley, Hitler's trade union commissioner, told him yesterday Germany expected to have all her former colonies back very soon if she would but hold out for them without compromise.

May Restore Colonies
Hitler was represented by him as certain that Chamberlain would be willing even to restore German colonies if thereby he could be assured the reich no longer would keep Europe in a state of tension.

Chamberlain in his drive for negotiations with Italy over Anglo-Italian differences, was said by Germans to appear to be acting according to the plan Hitler and Mussolini agreed upon between themselves for the pacification of Europe last September in Berlin.

One Killed, 24 Hurt in Crash

CHICAGO, Feb. 22 (AP) — Twenty-four passengers were injured today when a Wabash railroad train, speeding north at 70 miles an hour, rammed into a truck at a suburban crossing.

The driver of the demolished truck, Frank Gregson, 40, of Chicago, was killed.

The train, the St. Louis limited, carrying 60 travelers to Chicago, rumbled down the tracks for two blocks. Then five of the six coaches left the rails. Two toppled over on their sides. The others tilted at an angle, the wheels buried in the cinder and dirt shoulder of the right of way.

Farther along, the passenger car immediately behind the locomotive jumped the track.

Highway policemen, breaking windows with pistol butts, lifted the passengers from the coaches.

Hitler Looks to Africa Again

Germany's pre-war colonial possessions in Africa are pictured on this map which shows who owns what on the entire continent. The two largest and richest, German Southwest Africa and Tanganyika territory, are dominated by Britain. It was to Britain that Fuehrer Adolf Hitler issued a demand for return of the colonies in his Reichstag address.

Board Approves Appointment Of Students to Hawkeye Staff

29 Receive Positions On Business Staff Of Year Book

The appointment of 29 students to the business staff of the 1939 Hawkeye was formally approved at a meeting of the board of trustees of Student Publications, Inc., yesterday, Perry Osnowitz, business manager for the Hawkeye, has announced.

George Pritchard, A2 of Onawa, will be the assistant business manager. Bette Anderson, A1 of Clinton, has been appointed office manager.

Assistant office managers are Christy Brown, C3 of Turin; Teresa Harms, C3 of Brunsville; Margaret Cretzmeier, A3 of Emmetsburg; Frances Riedy, A1 of Evanston, Ill.; Geraldine Jakway, A2 of Oelwein; Beth Browning, A2 of Iowa City, and Betty Osnowitz, A2 of Sioux City.

Contract assistants are Ann Beebe, A3 of Emmetsburg; John Stowe, A1 of Ft. Madison; Florence Green, A3 of Red Oak; Bob Blaylock, A1 of Osceola; Vernon Townley, C3 of Waterloo; Mary Clapsaddle, A2 of St. Genevieve, Mo.; Alice McCollister, A2 of Iowa City.

Dorothy Purtick, A3 of Salina, Kan.; Jane Clement, A3 of Ames; Catherine Niles, A2 of Anamosa; Lillian Locker, A2 of Monticello; Patricia McCarthy, A2 of Keokuk; Janet Hyde, C3 of Elkader; Floyd Yudelson, A1 of Council Bluffs, and Robert Livesay, A4 of Toledo.

Circulation assistants are Arnold Levine, A1 of Centerville; George O'Brien, A1 of Cedar Rapids; Anna Lou Reeves, A2 of Sioux City; Mary Cusack, A3 of Sioux City, and Jay Lessenger, A1 of New London.

Three Quarantines— All in One Family

NEW MARKET, Pa., Feb. 22 (AP)—Three cards on the door of a rural home near here warn of coughs, rash and itches—all in one family.

"Measles," one quarantine sign reads. That is for seven-year-old Ruth Zook and her sister Doris, 6.

"Chicken pox," says a second. That is for Ruth, who developed measles while recovering from her first illness.

"Mumps," warns a third sign. It's for four-year-old Eugene.

Indiana Demos Boom McNutt For President

Hoosiers Swarm Into Washington to Gain Early Start

WASHINGTON, Feb. 22 (AP)—Enthusiastic Indiana democrats rolled into Washington by the pullman carload today bent upon giving their favorite White House hope, Paul V. McNutt, a fast and early start in the 1940 presidential contest.

Comfortably established in the Mayflower hotel, they settled down to two days of political talk and merrymaking. Amid the gaiety, however, there was hushed talk of the plight of an army aviator who, according to some reports, had been punished for services rendered to the Indians' hero.

Col. Davenport Johnson, commandant of Hamilton Field, Cal., it seems, gave McNutt a lift from San Francisco to Denver — at McNutt's importuning — so that he could make a train connection for Indianapolis. A day, or so, later the flier was ordered transferred to Chanute Field, Ill., which some army airmen call the "Siberia of the service."

From these two facts many were quick to argue that the administration was thus revealing a distaste for the McNutt boom. This interpretation the Indians at the Mayflower did not like. Surely, they argued, Mr. Roosevelt would do nothing to embarrass their candidate, his staunch supporter and representative in the Philippine Islands.

They assured themselves that the whole thing would be straightened out "when Paul gets to Washington." Meanwhile, a protest and a request that the transfer be held in abeyance had been lodged with the war department by Senator Minton, of the McNutt political organization.

At any rate the Indians were here to talk politics, build up their candidate and have a good time, so why worry? They had welcomed McNutt back to Indiana from the Philippines, where he holds the post of American high commissioner. That done, they had come on ahead to welcome him to Washington when he arrives tomorrow morning. And then they planned a gigantic reception for him.

That affair, with Senator Minton as the host, and fully half of the main floor of the Mayflower engaged for the event, was scheduled for tomorrow afternoon. Everyone who amounts to anything in Washington's democratic circles, and many more, were invited. Some 4,000 were expected.

Not Security Court Orders Return Of Baby

CARLISLE, Pa., Feb. 22 (AP)—A "board bill baby" held five months by a neighboring family as security for a \$16 debt—was returned to his parents today by a court order.

Judge Fred S. Reese, of the Cumberland county court, told Mr. and Mrs. Bruce Miller:

"You cannot assert a lien on flesh and blood like you can on an automobile."

The parents, Mr. and Mrs. Fred McCallister, came to court from their farm at Newville in the South mountains to regain their eight-month-old son.

McCallister, 40-year-old World war veteran, testified he left his son with the Millers while his wife was in a Carlisle hospital.

"When I went to get the baby," he said, "Miller told me he wanted some money for keeping it. I had never promised him any, but I said I thought he ought to have something."

"Then he said, 'I want \$2 a week.'"

"He knew I couldn't pay \$2 a week, because I don't have that much."

Knox Asks for Tariff Repeal

DES MOINES, Feb. 22 (AP)—Col. Frank Knox of Chicago tonight proposed that the republican party return to "the plain folks of America" by sponsoring repeal of the "excessively high tariff" to industry and of crop control payments to the farmer.

"I do not favor government subsidies for anyone," he said in an address prepared for delivery before the Iowa republican Washington's birthday dinner here. "That is not what governments are created for. Certainly I am

Ballot in House of Commons Gives British Prime Minister Victory; Rejects Labor Motion

F. R. Adopts Complete Silence

HYDE PARK, N. Y., Feb. 22 (AP)—President Roosevelt canvassed the critical European situation at a lengthy luncheon conference today with Joseph P. Kennedy, who sails tomorrow to assume his new post as ambassador to London.

But, like Secretary Hull in Washington, the chief executive adopted a policy of complete silence when asked at a press conference to state his reactions to the reichstag address of Chancellor Adolf Hitler and the resignation of Foreign Secretary Anthony Eden of Great Britain.

He refused even to talk "off the record" to newspapermen about the swiftly moving events abroad, saying there was nothing he could add to what already had been said by the secretary of state at Washington.

Hull at a press conference yesterday said he was not in a position to comment or decline to comment on European affairs. The president emphasized his "no comment" reply when asked directly whether developments

abroad in the last few days would cause a change in American foreign policy.

He replied to requests for information about his talk with Kennedy with an expansion of hope that the outspoken former maritime commission head, who stood by his side during the interview in a small office in the Roosevelt home, would escape a rough trip crossing the Atlantic.

"That's all inclusive," the red-haired ambassador interjected, bringing a laugh.

Victory Signals English Policy Of Conciliation

Eden, Churchill Abstain From Voting On Labor Motion

By the Associated Press
LONDON, Feb. 22—A thundering conservative majority tonight gave Prime Minister Neville Chamberlain a house of commons victory in the wake of a cabinet crisis that ushered out Anthony Eden as foreign secretary and signalled a new British policy of conciliating dictators.

By a vote of 330 to 168 commons rejected a labor motion to censure the prime minister's action.

Fighting bitter attacks in the tumultuous commons, Chamberlain cried it was his duty to seek peace in the armed camps of Hitler and Mussolini, thus to avoid "the frightful question" of war. He ejected as "shame" the League of Nations idea of fighting aggression by force.

Only one conservative, Vyvyan Adams, voted against the government, but Eden, Winston Churchill and almost a score of others abstained from voting.

The effect of the new policy on the United States was flung into the bitter debate on several occasions by opposition members in their running fire and former Prime Minister David Lloyd George accused Chamberlain of withholding an Italian telegram until Eden resigned.

Arthur Greenwood, vice chairman of the labor party who moved the vote of censure declared that recognition of Italy's conquest of Ethiopia "would really hamstring the president of the United States and drive him completely into a policy of isolation."

Winston Churchill, former cabinet minister, charged that in the United States "havoc has resulted from these events. Millions of people there who are our enemies have armed with the means to mock the sincerity of British idealism..."

French Foreign Minister Hints At Negotiations With Mussolini

France Seeks Italian Accord

Delbos Specifies Same Requirements As Chamberlain

PARIS, Feb. 22 (AP)—Foreign Minister Yvon Delbos hinted tonight that the French government, faced with a choice between isolation in Europe or adopting a course parallel to England's, might herself enter into negotiations with Italy.

Delbos, addressing the chamber of deputies foreign affairs committee after the French cabinet had approved a five-year plan to strengthen national defenses, said the government might seek reconciliation with Italy on two conditions:

1. That the League of Nations must recognize Italian sovereignty in Ethiopia before France would take such action.

2. That Italy retire her troops from Spain.

These were approximately the same conditions Prime Minister Neville Chamberlain specified for England's reconciliation with Italy.

A foreign affairs committee communique quoted Delbos as saying "Franco-British solidarity must remain just as close and just as confident as in the past."

At the same time, Delbos assured left wing elements that the "government, faithful to our alliances and to the league covenant, does not renounce in any way the work of restoring collective security."

"It hopes that public opinion will not give way to inconsidered nervousness and that the country understands the necessity for discipline and union."

Good Will Flight Reaches Santiago

SANTIAGO, Chile, Feb. 22 (AP)—Five of Uncle Sam's huge "flying fortresses" roared high across the Andes and swooped down on Los Cerrillos airbase here today for an overnight stop en route home.

On their tails came the sixth ship of the "good will" flight group. The plane was delayed for five hours on the takeoff this morning from Buenos Aires because one of its wheels broke the concrete surface covering an underground gasoline tank at El Palomar military air base.

Heavy Earthquake Felt in Manila

MANILA, Feb. 23 (Wednesday) (AP)—A fairly heavy earthquake shook Manila for 15 seconds at 8:50 a.m. today (7:50 p.m. Tuesday, eastern standard time). There were no reports of casualties or damage. Weather bureau officials estimated the epicenter of the quake as 65 miles northward of Manila in the Caraballo mountains.

Can This Coed Cook?

Mary Wien, Purdue Junior, Wins a National Championship With Cherry Pie

CHICAGO, Feb. 22 (AP)—A pretty, red-headed Purdue university coed, Mary E. Wien, turned out a flaky crusted, golden brown pie filled with luscious cherries today that won her a national championship, \$100 and a trip to Washington.

The 20 year old daughter of "dirt farmers" was the winner of the national cherry pie baking contest sponsored by the national cherry week committee.

Nonchalantly she worked at her pie board and oven in competition with seven other girls from as many states, while photographers' flashlights popped.

Graciously she accepted the award with an ease bespeaking her innumerable victories in 4-H club domestic science and achievement contests in which she has been entered since she

was a little girl.

Tomorrow Miss Wien and her mother, Mrs. Elmer Wien, who lives with her husband and four other children on a farm near Lafayette, Ind., will leave for Washington where Mrs. Franklin D. Roosevelt is scheduled to receive her Thursday.

Miss Wien is a junior at Purdue.

Second place and \$50 went to Eleanor Enos, 16, of Clyde, Ohio; third prize, \$25, to Annabelle Jones, 18, of St. Joseph, Mich.; fourth prize, \$15, to Dorothy Lang, of Chicago, and fifth prize, \$10, to Edna Bauman, of Madison, Wis.

Runners up were Ruby Sundberg, 18, of Kennedy, Minn.; Elva Burton, 18, of Honey Falls, N. Y.; Irene Miller of Hampton, Ia.

Japanese Gain At Both Wings Of Battle Front

SHANGHAI, Feb. 23 (Wednesday) (AP)—Japanese columns driving southward toward the vital Lungai railway were reported today to have made important gains at both the eastern and western ends of the far-flung battle front.

In Honan province, on the western end of the front, one column drove southward from Sinsiang and occupied Wuichih and Hwai-king, 50 miles northeast of Loyang and only a few miles north of the Yellow river.

It was believed the Japanese planned to cross the river at historic Menghsien ford, which the Chinese have used for more than 2,000 years, and strike the Lungai line at Loyang. Other troops already had reached the river to the east of them, opposite Kaifeng, but were being held up by Chinese on the south bank.

Japanese warplanes reconnoitered Loyang and bombed Chinese troops at Kunghsien, nearby. Several British escaped injury in the coal mining towns of Tsiaotsao and Lih, north of the Yellow river, during a Japanese bombardment which preceded capture of the towns.

Japanese troops also advanced toward the southwest from Tsinning, Shantung province canal city, where they had been deadlocked with the Chinese for five weeks.

POISON GAS Soviets Declare Army May Use It

MOSCOW, Feb. 22 (AP)—Communist War Klementi E. Voroshiloff, declaring Soviet Russia was more exposed than any other country to the danger of war, said today the red army was ready to use poison gas.

"We cannot restrict our chemical detachments to anti-gas defense," he asserted at a public meeting on the eve of the army's 20th anniversary.

"Because fascist countries violated the 1925 convention on the use of gas in warfare, we were forced to train chemical troops," he said. "If the enemy spreads gas behind our frontiers, we will pour bucketsful of poison gas on the heads of those gentlemen."

VISCOUNT HALIFAX

Relief Appropriation Bill Meets Delay in Sharp Senate Debate

WASHINGTON, Feb. 22 (AP)—The \$250,000,000 emergency relief appropriation asked by President Roosevelt encountered a delay in the senate today when sharp debate broke out over a proposal to force communities to bear more of the relief burden.

The proposal was made by Senator Bailey (D-NC), who asked that communities be required to contribute 25 per cent of the cost of WPA work relief and 20 per cent of direct relief.

The debate consumed so much time that the senate recessed until tomorrow without reaching a final vote.

Previously the chamber voted down, 58 to 22, a proposal by Senator Bone (D-Wash) to increase the \$250,000,000 appropriation to \$400,000,000. By a voice vote, an attempt by Senator Hale (R-Me) to cut the amount to \$200,000,000 was likewise rejected.

Party lines broke on a 38 to 38

vote approving an amendment by Senator Schwelmbach (D-Wash) to exempt the emergency appropriation from provisions of the Woodrum amendment. This amendment to last year's relief bill requires that relief funds be apportioned over the entire year.

Under Bailey's proposed amendment the president would be authorized to waive the 25 per cent requirement if he found a community was unable to contribute that amount.

Bailey said he had a "deep fear" that further spending might bankrupt the government. He said \$10,000,000 had been spent by the federal government for relief during the years 1933 to 1937, inclusive, while local agencies were spending \$2,000,000,000.

"We've got to think of more than the 9,000,000 unemployed," Bailey asserted. "We've got to think of the 120,000,000 of Americans whose government is at stake."

WEDNESDAY, FEB. 23, 1938

Crisis in Britain

DAPPER ANTHONY EDEN has precipitated a political crisis in England which is rocking the cabinet of Prime Minister Neville Chamberlain and may yet bring about its downfall. Eden charges that Chamberlain has sold out to Mussolini and Hitler by seeking to make a compromise with the dictators.

Eden's hatred for Mussolini is matched only by his hatred of Hitler who personally censured the British foreign statesman in his reichstag speech last Sunday. Obviously the feeling between the dictators on the one side and Eden on the other is quite mutual.

The foreign policy of Eden has always been one of violent opposition to the treaty breaking activities of Italy and Germany. Eden has refused to be intimidated by the threats that have been hurled at him from Rome and Berlin. His policy has been one of resistance, not bowing before the mailed fist of any ruler.

Eden has taken a far more realistic view of foreign affairs than has his political superior Neville Chamberlain. If the threats to peace which are being openly vaunted by Il Duce and the German chancellor are to be stopped, they may have to be resisted by more than words. If Mussolini and Hitler can get all that they wish by merely shaking a fist at Britain, they will shake it very often. If Britain wishes to maintain her prestige, a showdown must eventually arise. The longer this accounting is delayed, the more difficult will it be to avoid open conflict.

Some resistance now will temporarily, or perhaps even permanently, set the dictators in their places. Chamberlain fails to realize this for he is envisioning the present state of European affairs and fails to look into the future. A little foresight would indicate that compromise with dictators is only a temporary acquiescence to their demands. It is easy for Chamberlain to say "halt" to the dictators now, but it may not be as easy a few months hence.

Fraternity Cooperation

ONE OF the most gratifying campus events of the year will be the interfraternity dinner and dance at Iowa Union Friday and Saturday nights. The two-day program, under the direction of the recently-organized Iowa Men's Pan-Hellenic association, marks the culmination of many years of concentrated effort on the part of campus leaders to bring about interfraternity cooperation.

Never in the history of the university have so many fraternity men been congregated under one roof as will participate in this week end's festivities. It is estimated that more than 600 members of Greek-letter organizations, including alumni, actives and pledges, will attend.

Nearly two-thirds of the fraternities will hold their annual initiations of new members some time between Friday evening's banquet and Saturday night's dance. This fact also demonstrates the greater cooperation shown this year among the several groups.

cial speaker on the program, will talk on the "Transition from Pledge to Active." His remarks should serve to stimulate the spirit of the men about to be initiated.

It appears that fraternities on the Iowa campus have come to realize the greater place they can play in the set-up of an institution of higher learning. Continued cooperation will assure them of a long and pleasant existence.

New Yorker has made a gun out of a mousetrap. We can imagine the world beating a path away from his door.

She Really Meant It!

HOW MANY times a day do you say, carelessly, "I'd give my right arm—" or "I'd give my left leg—" Not long ago a Pennsylvania girl said she'd give up one of her eyes—and meant it! In a notarized certificate of gift, she stated she was willing that surgeons remove the cornea from one of her eyes and give it to Amos Franklin Morrison, a 50-year-old peddler who lost his sight in a munitions factory explosion during the World War.

Hers was no mere childish impulse, but a truly brave offer made to a truly brave man. For Morrison has courageously maintained his independence in the face of what many people consider an insuperable handicap—for years he has been able only to distinguish night from day, nothing more. As a peddler he has tapped his way from door to door, day after day through the years following his mishap, living in an old trailer on land owned by his family near Media, Pa.

Touched by his indomitable spirit, the Lions club of Media sold certificates at \$4 each to individuals to raise funds in order that Morrison might undergo an operation calculated to restore his sight. And it was then that this gallant, would-be heroine, whose identity has been concealed by the club, offered to share her sight with the blind man.

However unselfish or altruistic you may be, would your actions under the same circumstances compare favorably with this girl's?

Her offer was refused by the club because authorities at the Vanderbilt clinic in New York, where Morrison has already undergone the first of two proposed operations, hope to restore his sight with the cornea from a dead or dying person's eye. But the refusal of her gift does not cause us to admire less the generosity of spirit that prompted it. In our eyes she has earned the name "heroine" as truly as if she had rescued a man from death beneath the wheels of an onrushing train!

Your appearance doesn't count. George Washington is admired by more folk than any American in history. Yet he wore, according to his pictures, bobbed hair.

Sonja Henie, according to our Hollywood correspondent, is very popular with the film crowd. It seems even the movie people have discovered she's a good skate.

THE INSECT WORLD

When busybodies despair of sluggard man, they bid him learn industry from the bee. When reformers despair of selfish woman, they advise her to emulate the ant, which sinks its own rugged individuality in the good of the tribe. And now the water flea has something to teach wasteful bipeds. From a series of experiments, certain scientists at Brown university conclude that those humble daphnia which lead very frugal lives until past middle age, and then have generous living, may be expected to live longest. Should not then our hotsy-totsy generation stop misspending its youth and follow the water flea?

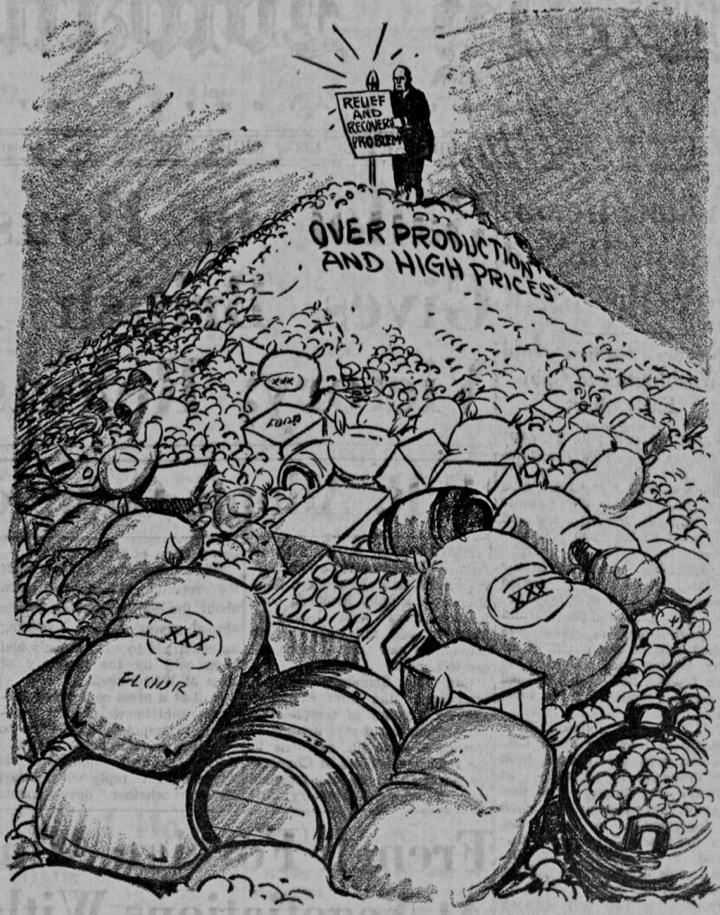

But, before we get busy envying and imitating the blameless insects, let us take a peek at their actual lives. What unselfish marriage customs! What maternal kindness! What peace-loving nations and individuals! And how the little darlings live happily ever after!

High up in the air the gallant bee mates with the queen bee, and then drops dead. Later, when the princess bee approaches maturity, the queen mother makes repeated efforts to destroy her daughter. In the nuptial embrace the scorpion or the praying mantis lets himself be eaten piecemeal and alive by his self-sacrificing bride.

Gentle warrior ants raid the colony of a smaller black family, pillage the nest, and carry off only the larvae and pupae. Educated by the liberty-loving victors, these guests at maturity become slaves and do all the work. At meals they wait upon and feed their masters, but if you take them away the masters perish from sheer laziness. And how democratically a wasp stings a spider into a living stupor, and in his flesh lays the eggs which hatch out young that devour their host at leisure!

After all, there may be some good in erring mankind. —Chicago Daily News

SERMON ON THE MOUNT!

Nicotinic Acid Found as Cure In New Treatment of Pellagra

By LOGAN CLENDENING, M.D.

Pellagra is a disease which afflicts a very large number of people, especially in the southern states. It is undoubtedly associated with bad nutrition and usually with a low economic status.

The late Joseph Goldberger, of the United States public health service, thought that it was due to a lack of vitamin found in fresh meat, fresh vegetables, milk and yeast. Southern families who live on a diet of salt pork, molasses and mush almost invariably contract the malady.

The symptoms are rough, sore, scurfy skin, the occurrence of which is usually on the back of the hands, the forehead, neck and feet. There is a soreness of the mouth and tongue, digestive disturbance and diarrhea. The mental state usually is confused and tends to deteriorate until actual dementia occurs.

Management of New York's world's fair has announced a ban on all tipping. Unquestionably they will stick to that decision—up to but not including opening day.

Scandinavians, most peaceful people on earth, are gradually decreasing in number, we read. Naturally, they're too good to last.

Tuning In with Betty Harpel

According to Orson Welles, young experimental producer on Broadway and the Shadow on Sunday afternoons, radio's future big-wigs will be college graduates.

According to a survey taken among the leading colleges and universities, we find that more than 90 of the foremost colleges in the country include a course in radio speech. The art of writing radio material is being taught at 57 institutes of higher education.

With television just around the corner, more than 13 colleges from coast to coast are attempting to teach the students the workings of that subject.

Add Half-Wits — Raymond Paige tells of the radio dramatic star who was being annoyed by an autograph hound and gave him a look that spoke volumes, but the fellow couldn't understand because all he ever read were short stories!

Louise Fitch observes that some radio folk are so courageous in the face of adversity that they not only keep their chins up, they double them.

"Wooden dummies are all the rage in radio these days," said Fred Allen. "How about Jack Benny? He's no dummy," replied Portland Hoffa. "Well, if he's not," rejoined Allen, "he's the closest thing to it in all these popularity polls!"

Dr. Frank Black, owner of a 118-acre farm, raises pedigreed live stock and names each animal after one of his favorite musical compositions!

During a recent Jack Benny broadcast, Andy Devine, the gravel voiced, received a long distance telephone call from Tulsa, Okla. It was a serious message recommending a vocal coach, it seemed that the long distance had been listening in and had heard Andy sing.

General Notices

- June Graduates To all students who expect to graduate at the close of the present semester — June 6, 1938: Every student who expects to receive a degree or a certificate at the university convocation to be held Monday, June 6, should make his formal application on a card provided for the purpose at the Registrar's Office on or before Saturday, April 2, 1938. It is of the utmost importance that each student concerned comply with this request immediately, for otherwise it is very likely that a student who may be in other respects qualified will not be recommended for graduation at the close of the present semester. Making application for the degree, or certificate involves the payment of the graduation fee (\$15) and also the cap and gown fee (\$1) at the time the application is made — the payment of these fees being a necessary part of the application. Call at the registrar's office for the card. The petition of the association of senior class presidents that a fee of \$1 be assessed to cover the cost of the caps and gowns for commencement has been granted. Therefore, hereafter this additional fee of \$1 is to be paid by each candidate for a degree at the time he pays his graduation fee. (Heretofore the normal rental fee for bachelors' caps and gowns has been \$2.00 and for doctors' caps and gowns and hoods \$4.00-\$5.00.) The service for handling the taking of orders, and the distribution of the academic apparel, will be explained to students when information about Convocation is sent out from the Alumni Office. H. C. DORCAS Registrar Mathematics Club The undergraduate mathematics club will meet on Thursday, Feb. 24, at 4:10 p.m. in room 311, physics building. H. Hanson Smith will speak on "The Cone and Its Plane Sections." LEO NORDQUIST, President Home Economics Club The home economics club will have a baked bean supper in the department dining room Thursday, Feb. 24, at 5:30 p.m. Those wishing to come please sign up on the bulletin board in McBride hall before Thursday noon. Miriam Taylor of the women's physical education department will direct the recreational hour following the supper. BERNADINE NOTESTINE President Sound Pictures The Y.M.C.A. and Y.W.C.A. will hold a meeting in chemistry auditorium at 8 p.m. Wednesday, Feb. 23. Two sound pictures, "Towards Unity" and "Selections by Richard Bonelli," will be shown. The public is invited. COMMITTEE
- Triangle Club The Triangle club will sponsor an exhibition match of balkline and three cushion billiards between two world champions, Jake Schaefer and Welker Cochran, Thursday, Feb. 24 at 8 p.m. in the Triangle clubrooms, Iowa Union. The families and friends of members may attend. W. T. SWENSON Chairman Newman Club The Newman club will hold a pre-Lenten dance from 9 to 12 p.m. Friday, Feb. 25, in St. Patrick's gymnasium. Pictures for the Hawkeye will be taken at the dance. JOHN LOWTHER
- To Students in the graduate college expecting to receive higher degrees at the university convocation June 6, 1938: Each student in the graduate college who expects to receive the master's degree, or the doctorate, at the forthcoming June Convocation, is requested, so far as he or she may not have done so heretofore, to procure for us, immediately the official transcript of whatever graduate work he may have accomplished in another graduate school; so that this may be taken into the account in determining whether he or she fulfills the requirements for the higher degree sought. This should be done immediately since, otherwise, it is possible that we shall be unable to certify for graduation next June a student who may have accomplished satisfactory graduate work elsewhere, just because we shall not have received the requisite official statement of it early enough. Respectfully, H. C. DORCAS Registrar
- Cosmopolitan Club The Cosmopolitan club will hold its regular monthly meeting Saturday, Feb. 26, at 6 p.m. in Youde's inn. Sedad Sora, G of Istanbul, Turkey, will speak on "The Transformation of Turkey." All members and friends may attend. SECRETARY Zoology Seminar The regular meeting of the zoology seminar will be held Friday, Feb. 25, at 4 p.m. in room 307, zoology building. Wilbur Robbie will discuss "Dehydration in Histological Technique." J. H. BODINE Student Employment Students interested in employment for board, who have had experience in cutting and handling meat, please get in touch with the employment bureau immediately. LEE H. KANN, Manager Orchestra Orchestra will meet Wednesday, Feb. 23, at 7:15 p.m. in the mirror room of the women's gymnasium. PRESIDENT

By GEORGE TUCKER

NEW YORK — It does seem at times that the theater moves in mysterious ways. Whether feast or famine, chicken or feathers, there is always some curious circumstance that invites wonder or calls for the talents of a Hans Christian Anderson to explain.

I have in mind that cornucopia of good things that poured out its sweetmeats a few weeks back. Four new plays came to Broadway in one week, and all were hits. Yet one was written by an Irish school teacher who never before earned more than \$10 a week. Another was authored by a master classicist, born rich, hailed everywhere as one of the significant novelists of our time.

The other night, sitting in the dusky glow of a nightclub, I was talking with Billy Rose about the whys and wherefores of success and failure on Broadway, when a pretty girl came up and fairly threw herself in Billy's arms. "Hello," she cried, "I'm sitting at that table down there with father and having a wonderful time. We're enjoying it so much. Won't you come down and say hello when you have the chance? He'd love to see you."

When she had gone, he turned to me. "Know who that was?" "No, I don't," I replied. "She's the daughter of the playwright," he said, naming him, who made such a hit when he was with George Abbott." "But that was a long time ago. . . . Hasn't he done anything since?" "No, he hasn't. . . . He seems to have written himself out. . . . Some playwrights do that."

By ROBBIN COONS

HOLLYWOOD — Richard Greene's folks back in England haven't had much in the way of letters from him yet. He has cabled, so they know he's alive and well, but letters . . . Here's why, and here are some of the things he may tell when he gets a breathing spell to write. They are things that can happen to any young actor who signs a contract in London for a leading role in a picture that's already under way in Hollywood. "Dear Folks," he might write, "either Hollywood is nuts or I am. I'm here—at least I think I'm here, but I'm not sure where I am. From one minute to the next, I mean.

The trip over was fast, exciting, and set the pace for the rest of the experience. We were delayed about 24 hours by a storm at sea—a regular howler—but we docked in New York safely. Spent two hours there. Remember mainly the ripping taxis—amazingly no one was killed. At least I saw no victims in the two hours.

Meets the Folks "Was given my script in New York. Studied it on the plane, so there wasn't any time for sleep. Thought I'd take a rest when the plane landed here, but the gentlemen from the studio said they were sorry, there'd be no time. We were whisked off to the studio. "There I began meeting people. I remember six hours being fitted for wardrobe. Then tests. Make-up tests, camera tests, sound tests. Gentlemen who took charge of my face, experimenting with grease-paints . . . barbers who took charge of my hair, testing various hair-lines. "And I mustn't neglect the dentist. Four hours on arrival were devoted to discovering that my teeth, which have served me satisfactorily most of my 24 years, were not quite up to Hollywood's standards. The discovery itself was made in short order. The four hours were spent in the dentist's chair, having those matters adjusted. I hope the dentist enjoyed it. I didn't. "Last week-end I thought I'd get acquainted with the town and surrounding country. Bought a little car and set out for a drive. I was driving behind a long string of cars, when suddenly the leading car stopped. So did the next, and the next and the next in front of me. I kept on going. I am hopeful the repair bill will not be excessive. Also, I still hope to see the country—some day. "Au revoir. A gentleman's approaching, and I have the feeling I am about to be whisked somewhere again. I have been too bewildered to be bewildered, but am enjoying it. I hope you'll watch for the picture. Unless they change the title, it'll be 'Four Men And A Prayer.' Whatever is on the screen opposite Lorelei Young is what Hollywood has done to.

"Yours truly, "Dick"

Unbeaten Iowa Natators Seek First Victory Over Strong Michigan Crew

Hawkeyes Will Present Evenly Balanced Team

Old Gold Powerful In Breast Stroke And Diving

When the Hawkeye swimmers invade the Wolverine pool at Ann Arbor next Friday, they will be gunning for their first dual meet victory in history over a Michigan team. Two years ago in the Michigan pool the Hawkeyes swam their hearts out only to lose, 43 to 41. Last year the Hawks went down to defeat, 55 to 29, before a powerful Michigan squad, hailed as one of the greatest groups of amateur swimmers ever to compete on one team.

While it is true that Iowa has no individual performers to match the brilliance of Kiran, 50 and 100 yard flash, and Haynie, 220 and 440 freestyle artist, they do have a well-balanced, powerful squad which has yet to taste defeat this season.

Hawkeyes Confident

The Hawkeye squad, to a man, seems confident of victory. Not a little of this confidence is due to the continued improvement of Christians, the smooth-stroking Iowa captain. After getting off to a slow start at the beginning of the season, he has come on with a rush and swam two beautiful races in the Illinois conquest last week. He should reach his peak next Friday, and if he does, Mr. Haynie is in for a very busy evening.

Iowa will make a powerful bid for victory in the backstroke, breaststroke and diving events. Christen and Stark have been one-two so far this season, and are developing into two of the Big Ten's leading divers. Tesla and Armbruster, two sophomore sensations, rapidly improving with every meet, should prove a constant threat to Michigan's hopes.

Iowa Gymnasts To Face Illinois Team Saturday

The University of Iowa gymnasts are bearing down for their coming Big Ten meet with the University of Illinois at Champaign next Saturday. Coach Baumgartner reports that there are no injuries to date and the squad is in excellent shape.

The first bout found both squads starting with a fast exchange of hard blows. However, Saunders' aggression lagged in the last round, and Locker won the unanimous decision from Referee Cretzmeier and both judges. In the second bout, Liechty, five foot, four inch bomber, succeeded in putting away his taller opponent in the initial verse. The rangy Hoganson managed to get in a few hard licks before the quick knockout punch which turned the tide of the battle. Liechty's kayo established him as a favorite in the inter-fraternity lightweight class.

Nearly 100 ring fans witnessed the revival of the inter-fraternity boxing, proving the popularity of pugilism on the Iowa campus. There was little blood spilled which may be attributed to the fact that large 14-ounce gloves were used.

Other winners last night included Bob Tompkin (Phi Kappa Alpha) who won on a default from Lessinger (Delta Upsilon); Hatch (Delta Upsilon) won from Parrish (Phi Kappa Psi) by default; Morgan (Sigma Chi) won over Schneider (Delta Upsilon); Eby (Phi Delta Theta) won over Lozier (Phi Kappa Psi) and Morris (Phi Delta Theta) won over Wolfe (Phi Kappa Psi) by a default.

Tomorrow night a large crowd of rooters is expected to turn out for the continuation of the fraternity matches and the start of the Quadrangle tourney. Quad, town and co-op fighters will swing into action next week.

Bouts between McGarvey (Phi Kappa Psi) and Jordan (Delta Upsilon); Early (Sigma Nu) and Burnett (Phi Delta Theta); O'Malley (Phi Delta Theta) and Cunnick (Sigma Chi) have been transferred to tomorrow's card to allow for necessary physical examinations.

Two Bouts Mark Opening Of All-University Mitt Tourney

Two thrill-packed bouts were run off in the first round of the all-university boxing tournament yesterday afternoon when Tom Locker, clever Sigma Nu battler, took a close decision from Van (Tiger) Saunders, wide-swinging Delta Upsilon puncher, in the 145-pound class, and Noel Liechty from Delta Upsilon knocked lanky Sid Hoganson, Delta Chi, cold in 1:40 of the first round in a 135-pound bout.

The first bout found both squads starting with a fast exchange of hard blows. However, Saunders' aggression lagged in the last round, and Locker won the unanimous decision from Referee Cretzmeier and both judges. In the second bout, Liechty, five foot, four inch bomber, succeeded in putting away his taller opponent in the initial verse. The rangy Hoganson managed to get in a few hard licks before the quick knockout punch which turned the tide of the battle. Liechty's kayo established him as a favorite in the inter-fraternity lightweight class.

Louis Favored to Defend Title Tonight in 15-Round Match With Challenger Nathan Mann

By ALAN GOULD

NEW YORK, Feb. 22 (AP)—The latest clinical experiment in heavyweight pugilism will be conducted for the benefit of more than \$100,000 worth of box-office trade in Madison Square Garden tomorrow night.

It calls for champion Joe Louis to operate upon Nathan Mann, the hand-picked Connecticut challenger, in 15 rounds—or less—in defense of the world heavyweight title.

The novelty of the first indoor match in 18 years for boxing's most lucrative crown, plus the long-shot chance that something surprising may happen, has focused interest on a bout that otherwise shapes up chiefly as a "tune-up" for the champion's forthcoming million-dollar date with Germany's Max Schmeling, in June.

Betting odds tonight remained more conservative than expert opinion. Broadway bookmakers held Louis at 1 to 3 to win, even money to score a knockout.

It may be axiomatic that anything can happen now in the prize ring. Jim Braddock boomed the

Cindermen To Meet Maroons

Chicago Team Expected To Provide Tough Opposition

With hard drills slated for every day this week the Hawkeye track squad is mindful of a foe in the offing formidable enough to shatter a record still intact after two starts. The University of Chicago tracksters, who two weeks ago were victors over the Northwestern trackmen by a wide margin, seek another victory when the Hawkeyes invade the Windy City Friday night.

John Graves, state record holder in the half mile and dependable middle distance man for the Hawkeyes, is not likely to make the trip to Chicago because of an attack of flu. Coach Bresnahan said yesterday, "About 20 men will represent Iowa in the meet."

The Maroons are strong enough to make the meet a toss-up affair with most of the doubt being cast about the high hurdles, dashes and the pole vault. Last week Dale Roberts exhibited unexpected strength in giving the Hawkeyes a first place tie at 12 feet, three inches, and may be counted on to repeat his performance against the 11 foot nine inch vault mark made by the Maroons' Sergal in the tilt with Northwestern.

Halter in Quarter

Captain George Halcorv of Chicago runs a fast quarter but he will be matched by Milton Billig and Fred Teufel. The latter last week ran his quarter in the mile relay in :50.9. Bush Lamb and sophomore John Collinge will be pushed the hardest when they run the high hurdles against Kobak of Chicago, who has equalled the :8.8 mark made by the Hawkeye hurdlers in winning that event in the last two meets.

The Iowans are most confident concerning the half, mile and two mile events. As usual the Hawkeyes will put up the least resistance in the field events. Although none of the Chicago jumpers do much better than five feet 11 inches they are favored in that event.

Erratic Hawkeye Cage Team Starts Preparing For Michigan Invasion

Still Going

popularity of long-shots. But it's also axiomatic, in the pugilistic business that there's no reasonable profit in losing a heavyweight title indoors. Perhaps an exception is needed to prove the rule but critics doubt it.

Mann may or may not extend Louis. The New Haven entry, at 22, has a record that indicates he is by no means a push-over. He may be slow, but he can punch. He has everything to gain and nothing much to lose by "shooting the works" — except his equilibrium.

The consensus is that if Mann's handlers send him out rushing, in the hope of making right-hand connections early, he will most likely wind up on the floor in an early round.

The main go, slated for 9 p.m., will be broadcast over a WJZ-NBC network.

Wolverines To Seek Revenge Here Saturday

Two Important Games Remain on Iowa Schedule

Connie Mack with his wife and grandson

U-High Opposes Williamsburg In Sectional Opener Tonight

Iowa City's two representatives in the sectional tournament at Williamsburg each went through a long drill yesterday afternoon. University high opens its play in the tournament tonight, when it faces the rangy Williamsburg quintet. City high drew a first round bye. The Little Hawks open their play in the semi-final round Friday against Marengo.

Williamsburg, victorious over the river team in an early season game, will be the favorite tonight. The Bluehaws, however, have improved a great deal since they last met the tournament hosts and should give them a tough battle.

The probable starting lineup for U-high in tonight's game will include Capt. George Miller and Ernie Krogh at the forwards, Ham Ries and Duane Carson at the guards and Ed Burns at center.

Long Practice

The U-high five went through a long review of plays and practiced defensive work in their drill yesterday.

The Iowa City high Little Hawks went through a spirited drill yesterday, but without the services of Russel Hirt, their high-scoring center, who is recovering from an injured back.

It is thought by Coach Francis Merten that Hirt will be in shape to play Friday night, but unless Marengo shows surprising power he will probably be withheld from action until Saturday night.

Burger Recovered

Gabby Burger, another one of the City high regulars who plays guard, was bothered by an injured knee yesterday, but is expected to be in condition to play Friday.

Coach Merten indicated that he probably would start Covert and McLaughlin at the forwards, with either Hirt or Devine at center and Capt. Putnam and Burger at the guards for City high's initial tournament game.

Iowa City high looks like the superior team in the sectional tourney, but as previous tournaments indicate, records mean little in the mad scramble for state championship honors. There is a possibility for an intra-city clash in the finals of the sectional if U-high can nose out Williamsburg tonight and City high can eliminate Marengo Friday.

Iowa Grapplers Have Two Meets This Week End

Iowa's wrestling team will travel into foreign states this week end to tangle with two members of the Big Six conference on Friday and Saturday nights. Friday evening the Nebraska Cornhuskers will entertain the Hawkeye outfit at Lincoln and Saturday night Coach Mike Howard will take his crew to Manhattan to take on the Kansas State team.

Wilbur Nead, the Hawks' capable captain and undefeated heavyweight was still in University hospital yesterday and the possibilities of his competing in the two meets is in doubt. Coach Howard indicated yesterday, however, that he had hopes of taking his big heavyweight along on the trip.

Regarding the work of the team in last Saturday's meet with the Minnesota Gophers, which the Old Gold squad lost 19 to 11, Coach Howard stated that he was not at all pleased with the work of some of his team members and that some tryouts would be conducted this week to attempt to find more strength for the coming meets.

If Nead is unable to make the trip Howard said that he would probably use Cloyce Campbell again in the Nebraska and Kansas State matches.

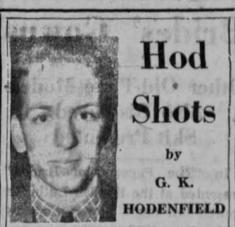

Phi Psi's Rally to Win 26 to 23 From D.U.'s for Class B Crown

26-23, and annex the class B basketball championship for 1938.

A surprisingly alert D. U. team jumped into the lead at the opening whistle and staved off the attacks of the Phi Psi quintet until the closing minutes of the contest. Decidedly not playing the brand of ball that has brought them so far in the season, the Phi Psi team appeared to be in a slump, committing frequent fouls and passing in a manner which often gave the losers possession of the ball.

With the timer's watch showing but three minutes left to play, a change came over the Phi Psi's and they began to connect for baskets that moved them within threatening distance. Bud Dunn dropped one through the hoop and the game stood at a 21-21. Here the D. U.'s staged their final effort to capture the game and Jack Dale tossed in a close shot which put them in the lead.

The Phi Psi's retaliated with another bucket and the game appeared deadlocked when John Brown tossed in a long shot from

Hod Shots by G. K. HODENFIELD

Official figures on the University of Iowa basketball team, released yesterday, reveal some interesting facts about the Hawkeye cagers who end their 1937-38 season with Michigan and Minnesota here this week end.

So far this season Iowa has played 19 games, winning 11 and dropping eight. In those 18 games the Hawks have scored 677 points, the same number totaled by the opposition. Iowa has scored its points on 261 field goals and 155 free throws while opposing teams have made good on 256 shots from the field and 165 charity tosses.

The Iowans have played 10 Big Ten games so far and have a record of five won and five lost to date. In these 10 conference games Iowa has scored 351 points to 356 points by their foes. Opponents have made 134 field goals and 88 free throws and Iowa has made 131 field goals and 89 free throws. Including all games the Iowans have made 155 free throws and have missed 117. Their record in conference clashes stands at 89 made and 58 missed.

Rough and Tough

That the Hawks have been playing rough and tough ball this year is indicated by the fact that they have been guilty of 257 fouls during the year, 130 of them being charged against them in conference tilts. The Iowans have been fouled 224 times during the year with conference opponents charged with 118.

Kenny Suesens has been charged with the greatest number of miscues, 44 in 18 games. Capt. Sam Johnson has the fewest fouls of any Hawkeye regular with 20 in 17 games.

Benny Leads

Despite the fact that he has played in only 15 of the Hawkeyes' 18 games Blazing Benny Stephens continues to lead the Iowa scorers with 153 points in all games and 104 points in Big Ten games. Stephens' total would be much higher had he been able to hit consistently in the last two games.

Against Chicago Saturday Benny connected for one field goal and four free throws and was able to garner only one basket and one free throw against Northwestern Monday night. Stephens now stands seventh in the Big Ten scoring race.

Cuban Lightweight Wins

PARIS (AP)—The Cuban lightweight, Pancho Martinez, knocked out Georges Jais of France with a right to the chin in the second round of their eight round bout at the Central Sporting club last night.

Trailing until the last two minutes of the game, Phi Kappa Psi last night came back with a dramatic last minute rally to cop the contest from Delta Upsilon.

New Card Sammy Baugh Signs With St. Louis

ST. LOUIS, Feb. 22 (AP)—The famous "Slingin' Sam" Baugh of football fame has been signed to a St. Louis Cardinal baseball contract.

The information was sent to the Redbird office today by General Manager Branch Rickey, who stated Baugh will report March 2 to the St. Petersburg, Fla., spring training camp. Baugh is an infielder, playing either third base or shortstop.

Terms of the agreement were not divulged. However, Rickey had previously said if Baugh signed with the Cardinals he would not be compelled to give up pro football. But he indicated the club couldn't give him as attractive a contract while he continues to run the risk of football injury. Last season Baugh was with the Washington, D. C., Redskins, professional football club.

Blome Speaks On First Aid For Children

Child Conservation Club Receives Advice Of Doctor

"There is no predicting what is going to happen with children," stated Dr. Arthur Blome of the student health service as he addressed members of the Child Conservation club yesterday afternoon on "First Aid for Children."

"First aid treatment is primarily life-saving before any medical aid can arrive," he continued.

The club met at the home of Mrs. Bradley Davis, 216 Marietta avenue, at 2:30 p.m. Mrs. Walter Merriam was appointed chairman of a committee for a series of benefit parties in the spring. Assisting her will be Mrs. E. G. Gross and Mrs. Nate Moore Jr.

Deaths by Carelessness

Dr. Blome told club members that according to state statistics there were 166 accidental child deaths last year primarily caused by carelessness. He explained that very few people know what to do at the scene of an accident and that there are definite principles to be followed.

"One of the most important things in administering first aid is to remain calm and collected," Dr. Blome declared. "A mother or another person should take charge of the situation and stay with the injured child until medical aid is summoned," he said.

Baking Soda for Burns

Dr. Blome remarked in his discussion on burns that there isn't a child who doesn't like to light matches. He instructed the club members to use plain baking soda, one tablespoon to a pint of cold water, on burns. Epsom salts or olive oil can be used as substitutes for soda, he explained, but cold packs must be applied to the burn.

Poisons should not be kept with any form of medicine," Dr. Blome warned.

"Do not give any medicine in the dark and make certain all poisons and medicines are correctly labeled," he added.

Sun Stroke

Ice packs should be used for a child suffering from a sunstroke, and warm packs for a child suffering with heat exhaustion, he said.

Artificial respiration should be administered immediately to individuals suffering from electrical shocks and gas poisoning, Dr. Blome continued.

For minor scratches, a recognized antiseptic should be applied, he said. "If a child gets something lodged in his throat, hold him by the heels and pound his back," he advised.

Although it is not related to first aid, Dr. Blome said, he advised all mothers to have their children immunized against diseases such as diphtheria, small pox and typhoid.

Following the speech, Richard Davis played Hugo Wagner's arrangement of "Traumerlei" by Schumann on his cornet. Mrs. J. W. Howe accompanied him at the piano. On the piano, he played "Minuet" from "Don Juan" by Mozart and "Sea Breeze."

Assisting hostesses at the meeting were Mrs. Harry M. Hipes, Mrs. H. V. Meredith and Mrs. H. H. Jacobsen.

Society to Hold Initiation of 13 At Iowa Union

Iowa Dames will initiate 13 women in a ceremony in the river room of Iowa Union tomorrow at 6:30 p.m.

The initiates are Mrs. Norman Jensen, Mrs. Donald Kirby, Mrs. Hayes Newby, Mrs. Myrlin McGuire, Mrs. Donald Pettit, Mrs. Harold Reynolds, Mrs. Kenneth Spaulding, Mrs. D. O'Day, Mrs. N. G. White, Mrs. A. Fine, Mrs. Hugh Davis, Mrs. Phillip Keil and Mrs. Martin Heeren.

The Avalon orchestra will play for dancing, beginning at 9 p.m. The dinner decorations will be in a colonial color scheme. Mrs. Paul Beecher is chairman of the social committee. Mrs. Arnold Brown, Mrs. Arthur Fry, Mrs. Charles Roberts and Mrs. Ray Trussell will assist her.

Mrs. Grant Bailey is in charge of the program committee. Assisting her will be Mrs. Harry Nesler, Mrs. I. E. Hamlin, Mrs. C. Chubb and Mrs. H. Roddy.

Toledo Friends Visit

Mrs. James Gildroy and her daughter, Shirley Ann, of Toledo were week end guests at the home of Mr. and Mrs. Ralph Westcott, 443 S. Governor street.

TODAY'S CLUBS

Iola Council, K. P. hall, 7:30. Altrusa club, Mad Hatters Tea room, 12 o'clock.

Group 1, Baptist Woman's association, Mrs. J. J. Frenzen, 522 S. Van Buren street, 2:30.

Group 2, Baptist Woman's association, Mrs. J. J. Frenzen, 522 S. Van Buren street, 2:30.

Group 2, Baptist Woman's association, Mrs. L. K. Burrell, 112 N. Johnson street, 2:30.

Christian W. M. B. society, church parlors, 12 o'clock.

Young Lutheran Dames, Mrs. Norval Stagg, route 5, 2:15.

Ladies' club card party, St. Wenceslaus church, 2:15.

Methodist Ladies' aid: Division 1, church parlors, 1 o'clock.

Division 2, Mrs. B. R. Hodges, 725 E. College street, 2:30.

Division 3, Mrs. Charles E. Dunshee, 1184 Hotz avenue, 1 o'clock.

Division 4, Mrs. Edwin Kringle, 1014 Sheridan street, 2:30.

Division 5, Church parlors, 3 o'clock.

Division 7, Mrs. G. H. Swails, 412 Governor street, 2:30.

IN THE SPRING Woman's Fancy Turns To Pikaki Lei

By SUSAN RUNNER

New ideas for spring: Pikaki lei — for those who wax sentimental about Hawaii. It's a string of carved white gardenias which have the snowy freshness of the newly picked flower.

Fireman's flame — try a pill-box hat! Red, red as a fireman's, suede, appliqued with a string of blue felt circles. Try a huge soft suede bag to match. If you prefer less shocking colors, the new rosewood shade is lovely.

White air mail with red — onion skin stationary marked in red with your monogram on the paper and your address across the flap of the envelope. Write in red ink!

Whimsy hat — a mere mold of black felt, dotted with gold thread, tied under the chin with a bright red felt ribbon, looks slightly Dutch. It's perfect with long page-boy bobs or with pouf curls over the forehead. It never blows off and never squashes — especially alluring for the baby-face type of girl.

A cheery foot — February is the month to decorate your feet. Get a pair of bright plaid suede shoes in blue, green or brown, plaid with multicolored stitched threads.

Mrs. Miller Gives Coward Book Talk To Woman's Club

Noel Coward's works were the subject of discussion at the meeting of the literature department of the Iowa City Woman's club yesterday at 2:30 p.m. in the public library.

Mrs. Arthur C. Miller reviewed Coward's autobiography, "Present Indicative," and then led the discussion of the book. Several women told about Noel Coward's plays that they had seen in Chicago.

Mrs. T. R. Reese, Mrs. H. C. Dorcas and Mrs. Myron Walker comprise the division's program committee.

Mrs. Crissinger Will Entertain P.E.O. Chapter

Chapter HI of P. E. O. will meet at the home of Mrs. D. L. Crissinger, 406 Grant street, Friday at 2:30 p.m. Prof. May Pardee Youtz will serve as assistant hostess.

Mrs. W. L. Bywater is in charge of the program, which is entitled, "Some People in the Public Eye."

An Old-Fashioned Welcome

Small replicas of Martha and George Washington welcomed guests at the George Washington tea at which Mrs. Wiley B. Rutledge, 122 E. Church street, and Mrs. Francis M. Dawson, 723 Bayard avenue, entertained yesterday afternoon in Mrs. Rutledge's home. Mrs. Rutledge's two children, Jean and Neal, are pictured in their patriotic costumes as they waited for the first guest to appear.

Four Former Students Wed

Julia Norton Married To Walter Schump In La Junta, Col.

Julia Belle Norton, daughter of Mr. and Mrs. D. A. Norton of La Junta, Col., was married to Walter Schump of Denver, Col., son of Mrs. Ethel Schump, 1231 E. College street, Feb. 12 at the Episcopal church in La Junta.

Mrs. Schump attended Stephens college at Columbia, Mo., and received a B.A. degree from the university in 1935. She took post-graduate work at the Boston School of Interior Decorating the following year and has been assistant decorator at Marshall Field since. She is affiliated with Pi Beta Phi sorority.

Mrs. Schump is a member of Sigma Chi and C. E. I., honorary engineering fraternity. He is now associated with the Denver Equipment company.

Borchers-Morrissey
Helen Lucille Borchers, daughter of Mrs. Emily Borchers of Davenport, became the bride of Lawrence Michael Burke Morrissey Jr., son of Mr. and Mrs. L. M. B. Morrissey of Davenport, Saturday morning in the Sacred Heart cathedral at Davenport.

Mrs. Morrissey attended Compton university in Los Angeles, Cal., and St. Ambrose college at Davenport. Mr. Morrissey attended the University of Iowa, Culver Military academy and Notre Dame university. He is now associated with the Phoenix Mutual Life Insurance company.

Rauch-Stout
Cora Rauch, daughter of Mr. and Mrs. G. Rauch of Davenport, became the bride of S. Phillip Stout of Beaumont, Tex., son of Mrs. L. Stout of Siloam Springs, Ark., Saturday in Kansas City, Mo.

Mrs. Stout was graduated from Davenport high school and Mr. Stout attended the University of Iowa. The couple will make their home in Beaumont where Mr. Stout is employed as linotype operator. He was formerly a linotype operator on The Daily Iowan.

Pageant Shows Brides' Gowns

Other Old-Time Models Also Displayed; Skit Presented

In "The Pageant of Brides," presented at the English Lutheran church last night, gowns worn by brides from 1857 to 1936 were exhibited.

The first act of the play was the modeling of the bridal dresses. The second act displayed old-time dresses that were worn for all occasions. A skit presenting a ladies' aid society of earlier days concluded the pageant.

The oldest dress shown dated back to 1857 and belonged to Mrs. Adam Gill. It was modeled by her grandson's wife, Mrs. Ralph Freyder. Mrs. Albert Hertz' 1874 wedding dress was modeled by her granddaughter, Mildred Hertz.

Dorothy Riecke modeled Mrs. Mary Ruppert Hemmer's wedding dress of the year 1877. Her traveling gown was modeled by Mrs. George Freyder. An 1897 wedding dress once worn by Millie Stouffer Taylor was modeled by Mildred Wolz. Mrs. H. W. Newmann's gown of 1901 was worn by Gretchen Newmann.

Another dress of 1901, worn by Mrs. Frank Hauth at her wedding, was modeled by Dorothy Lind. Ruth Alice Volmer modeled Mrs. Carrie Ham Zeller's wedding dress of 1902. Mrs. Emilee Hemmer Mutchler's dress of 1902 was shown by Dorothy Riecke. Maxine Miller modeled a 1909 gown for Mrs. A. C. Lind. Mrs. Julia Marshall Lillick's daughter, Ruth, wore her mother's wedding dress of 1914. Portia Showers modeled a 1920 gown belonging to Mrs. Mabel Messner Anclaux.

Mrs. Mildred Taylor Wolz modeled her own bridal gown which she wore at her wedding in 1923. Another 1923 wedding dress was that of Mrs. Florence Moore Kondora, which was presented by Arlene Riecke. Mrs. O. A. White presented Mrs. Mildred Chensky Amrine's wedding dress for the year 1924. In turn, Mrs. White's dress of 1927 was worn by Maxine Miller. Another 1927 model belonging to Mrs. Edna Zeller Newmann was shown by Betty Blessin.

Mrs. Geraldine Memler modeled her own dress of 1932. Mrs. Ralph Dorner's 1932 wedding gown was shown by Ruth Freyder. There were three 1935 wedding dresses modeled. Mrs. Mildred Prybil Stevens' dress was worn by her sister, Dorothy Stevens. Mrs. Blaine Williams modeled her own gown, and Mrs. Orville Stagg's dress was worn by Ruth Lillick.

The last of the gowns, from the year 1936, was worn by Mrs. White and belonged to Mrs. Thelma Chensky See.

Among wearers of old-time dresses worn for all occasions were Mrs. A. C. Lind and Mrs. Hugh Hagenbuch, wearing dresses of 1870. Afternoon dresses of the 1880's were shown by Betty Blessin, Maxine Miller, Ruth Lillick and Mrs. Mary Volmer. Reception dresses were modeled by Thelma Messner, Arlot Olson and Myrtle Keely. Mrs. Florence Kondora, Mrs. Louis Krueger and Ruth Alice Volmer wore dresses of the 1890's.

Graduating dresses of 1904 were modeled by Barbara Lillick, Kathryn LaScheck and Miss Blessin. 1920 party dresses were presented by Mrs. Lois Abbott Miller and Miss Showers.

Mac Showers, A1 of Iowa City, played the bagpipes between each of the acts.

Methodist Sorority To Meet in Church Auditorium Tonight

Kappa Phi, Methodist sorority, will meet at 7:30 this evening in the Methodist church auditorium.

Betty Rugen, A1 of Glenview, Ill., will give a paper on "Thine is the Kingdom." Alice Turley, A4 of Chicago, will lead the devotions.

A true - false test on missions and group singing by the members will complete the meeting.

There will be a cabinet meeting at 7 o'clock in the main auditorium.

Mrs. Crissinger Will Entertain P.E.O. Chapter

Chapter HI of P. E. O. will meet at the home of Mrs. D. L. Crissinger, 406 Grant street, Friday at 2:30 p.m. Prof. May Pardee Youtz will serve as assistant hostess.

Mrs. W. L. Bywater is in charge of the program, which is entitled, "Some People in the Public Eye."

Mrs. T. R. Reese, Mrs. H. C. Dorcas and Mrs. Myron Walker comprise the division's program committee.

The Pageant of Brides

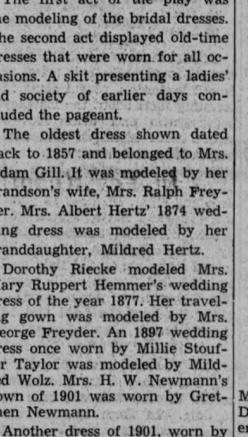

Three of the oldest dresses shown in "The Pageant of Brides" at the English Lutheran church last night are pictured above. Mrs. Ralph Freyder, left, modeled for Mrs. Adam Gill a black taffeta gown with a snug waist and a very full skirt. The dress was ankle length and was trimmed with a white lace collar. Mildred Hertz, center, modeled her grandmother's blue and white wedding gown. Dorothy Riecke, right, wore the bridal gown of Mrs. Mary Ruppert Hemmer, a gray floor-length dress. She also wore a long veil.

Wedding Date Announced

Ellen Witmer, Thomas Miller Will Be Married March 26

At a party in their home Sunday evening, Mr. and Mrs. Stewart Witmer of Des Moines have announced the engagement and approaching marriage March 26 of their daughter, Ellen, pictured above, to Thomas Miller, son of Mrs. Hazel B. Miller, 307 Grand avenue.

Mr. and Mrs. Stewart Witmer of Des Moines have announced the engagement and approaching marriage March 26 of their daughter, Ellen, pictured above, to Thomas Miller, son of Mrs. Hazel B. Miller, 307 Grand avenue.

Alpha Tau Omega

Guests at the house for dinner Sunday were Mary Doubleday of Chicago, Mary Jean Nelson, A4 of Burlington, Ted Callaghan, A1 of Pocahontas, and Mike Enich, A1 of Boone.

Gamma Phi Beta

Mrs. Stewart E. Wilson and Mrs. Christian A. Ruckmick, both of Iowa City, were dinner guests at the chapter house Monday.

Phi Delta Phi

James McKimley, L3 of Anamosa, visited yesterday in Loeder.

Alpha Chi Omega

Alpha Chi Omega announces the pledging of Ruth Bidinger, A2 of Independence.

Helen Parrish and Helen Gilroy, both of Newhall, spent the week end at the house.

Delta Delta Delta

Mary Jane Sheldon of Maquoketa was a guest at the house Monday.

Will Interview Men

T. W. Prior of the Goodyear Tire and Rubber Company, Akron, Ohio, will interview mechanical and chemical engineers tomorrow afternoon.

Eastlawn

Helen Winterberg of Des Moines and Betty Stone of Bloomfield, both A1, June Griswold, A3 of Cooper, and Elaine Graham, A1, and Gertrude Holcomb, A2, both of Cedar Rapids, spent the week end at the homes of their parents. Jeanne Kelly, A1 of Cedar Rapids, visited friends in Cedar Rapids over the week end.

Ursula Thomas

A3 of Clear Lake, spent the week end in Marango.

Maxine Meythaler of Coggon was a luncheon guest of Wilma Gibbs, A4 of Earlville, Saturday noon. Ruth Anne Turner of Griswold visited Carroll Rowe, A3 of Winfield, over the week end. Grace Kovar of Cedar Rapids spent the week end with Jean Pollock, C3 of Rolfe, and Elizabeth Kensing, A2 of Cedar Rapids. Bernice Lasley of Iowa State Teachers college was a week end guest of Fern Newcomer, A1 of Greene.

Virginia Hentzelman

of Coggon and Charles Strobbe of Moline, Ill., were week end guests of Evelyn Hentzelman, A4 of Davenport. Paul Borglum and Hal Ransom of Iowa State college were dinner guests of Lucile Nafus, A4 of Nashua, Sunday. Mr. and Mrs. R. D. Kimm and their daughter, Patty, and Kathleen Smith, all of Independence, visited Charlotte Kimm, C4 of Independence Sunday.

NBC-Blue Broadcast Will Dramatize Growth of University

Pres. Gilmore To Talk Over Air on Friday

Music by Symphony and Concert Band Also On Program

Dramatizations, portraying the history of the growth of the University of Iowa, will be among the highlights of the Founders' day program to be broadcast over the NBC-Blue network Friday at 8:30 p.m. Prof. H. Clay Harshbarger of the speech department, production manager, announced yesterday.

President Eugene A. Gilmore will present a short talk during the broadcast, and a greeting from Gov. Nelson G. Kraschel will also be read.

Rehearsals for the show, written by Marcus Bach, a fellow in dramatic art, are now in progress. A cast of students has been selected to present the program commemorating the 91st anniversary of the founding of the university.

A scene from "Prologue to Glory," a play about Abraham Lincoln, written by Prof. Ellsworth P. Conkle of the dramatic arts department, will also be heard. "Prologue to Glory" will be presented in New York by the federal theater project early next month.

Under the direction of Prof. Philip G. Clapp, head of the music department, the symphony orchestra will play thematic music from Dvorak's "New World Symphony," climaxing with the "Finale." "Mood Mauve" by Russell Howland will be played by the concert band, Prof. Charles B. Richter conducting.

The chorus, directed by Prof. Herald I. Stark of the music department, will sing "My Bonnie Lass," and the university hymn, "Old Gold."

Originating in the music studio building, the program will be staged in north and south rehearsal halls. The 59 stations of the NBC-Blue network have been offered the program. Of the stations in Iowa WMT and KSO, in addition to WSUI, have announced that they will carry the broadcast.

An announcer and two engineers are scheduled to arrive Friday morning with special equipment for the production of the show, according to Carl Menzer, WSUI director, in charge of technical arrangements with NBC.

Members of the cast include Frank South, A3 of West Des Moines; James Savery, A4 of Atlantic; Jack Chase, A3 of Ames; Warren Lee, G of Iowa City; Wayne Crew, A4 of Des Moines; William Sener, G of Chicago, Ill.; Orvin P. Larson, G of Sioux Falls; Hayes Newby, G of

Town Coeds To Entertain at Tea Sunday in Union

The Town Coeds have announced "a tea for you and your friends" to be given Sunday from 3:30 to 5 p.m. in the river room of Iowa Union.

The tea will honor prospective members of Town Coed and their respective housemothers.

Ellen Christensen, A3 of Sergeant Bluff, and Miriam Palmer, A2 of Newton, will pour. Acting as hostesses will be Barbara Lillick, A3 of Iowa City; Rena Kesters, A4 of Rock Valley; Ruth Williams, A2 of Iowa City; Derelle Atkinson, A3 of Des Moines; Jane-Louise Runner, A3 of Iowa City; Josephine Daly, A3 of Decorah; Margaret Bridgens, A4 of Iowa City; Violet Anderson, A3 of Stanton; Mary Ellen Lytle, A2 of Washington, Ia.; Elizabeth Fowler, A3 of Poughkeepsie, N. Y., and Jean Wilson, A4 of Iowa City.

Colonel Dailey Will Give Talk

Baconian Lecture Will Tell of Army in Peace, War

Col. George F. N. Dailey, professor of military science and tactics, will give a Baconian lecture will be devoted to the army in Peace and War tomorrow at 7:30 p.m. in the senate chamber of Old Capitol. Most of the lectures will be devoted to the accomplishments of the army during peace time.

Colonel Dailey was graduated in 1907 from the United States Military academy. He has had 30 years experience teaching in the army, and his subjects included military training, language and civil engineering.

In 1934 he became the head of the military science and tactics department at the University of Iowa, and two years later was promoted to the rank of colonel.

Iowa City, and Charles Green. Raymond Heinen, A3 of Cherokee; James Nelson, A2 of Anita; Lucille Ruby, G of Oskaaloosa, and Wyatt Dunkleberger, U of Cedar Rapids will work on sound effects.

Members of the committee in charge of program arrangements are Bruce E. Mahan, chairman of the radio board; Pearl Bennett Broxam, WSUI program director; Mr. Menzer; Professor Harshbarger; Prof. Charles Sanders of the school of journalism; Professor Clapp; Prof. E. C. Mabie, head of the speech department; Mr. Stark; Prof. Ralph Ojemann of the psychology department; Harry Johnson, executive assistant of the extension division, and Professor Richter.

Debaters

WILLIAM RIVKIN

DAVID SAYRE

Radio Debates Will Be Given On 2 Stations

First in Series Set at 4 P. M. Tomorrow On Network

The University of Iowa freshmen debaters will participate in a series of radio debates broadcast over the Iowa educational network, WOJ at Ames and WSUI at Iowa City, it was announced yesterday. The first will be tomorrow at 4 p.m. in the Old Gold studio when Iowa freshmen meet representatives from Augustana college.

The Iowa speakers, David Sayre of Ames and William Rivkin of Davenport, will advance affirmative arguments on the question, "Resolved, that the national labor relations board should be empowered to require arbitration of labor disputes between employer and employee."

James St. Clair of Moline and Charles Harrison of Rock Island will be the speakers from Augustana.

Each speaker will be allowed nine minutes for constructive argument, and one speaker of each team will be allowed five minutes for refutation. The debates are under the direction of Prof. A. Craig Baird, director of debate.

On March 10 Deming Smith of Toledo, and Stanley Roberts of Osage will represent Iowa on the same question against Bloomfield junior college. March 17 Roland Christensen of Iowa City and Bryant Prichard of Onawa will meet Knox college, and March 31, Robert Smith of Des Moines and Richard McMahon of Ft. Dodge

Artistic 'High Tor' Delights Audience

Chief Defect Is Extreme Length and Overwriting of Anderson Fantasy

With an artistic and painstaking interpretation of Maxwell Anderson's delightful fantasy, "High Tor," the University theater players last night captured the approval of their audience.

The chief virtue of the production is in its beauty and technical perfection. And its chief defect — and this not one attributable to the players — is the extreme length and overwriting of the drama.

Too often the playgoer feels that Playwright Anderson has overreached his dialogue — that the speeches are too long to justify their thought or emotional value. Mr. Anderson at times indicates real inspiration, but many more times he is rather mediocre.

The play is really three stories in one — one combining the elements of a fantastic — realistic — comic romance. And if it were shorter and more compact, its effectiveness would be increased.

Its young hero is Van Van Dorn, who is so in love with his sandstone mountain, High Tor, that he will not sell it, not even for the girl he loves, Judith.

Judith does not agree with Van and calls their romance over. Then come two "city slickers," Judge Skimmerhorn and Art J. Biggs, who are determined to buy

By MILDRED HOLLY
Daily Iowan Campus Editor

the mountain. As if they are not foils enough, three young bankrobbers appear on the scene.

The element of fantasy enters in when we see the apparitions of a Dutch crew who lost their ship, the Onrust, 300 years ago when Henry Hudson first sailed up the river.

When Maxwell Anderson combined these three plots into one, he presented a great challenge to the director, the actor and the producer. And this challenge has been capably met in the university production.

The outstanding performance is that of Dorothy Ward, in the difficult role of Lise. Miss Ward, a freshman, is a newcomer to University theater, and the ease with which she enacts her part is indicative of her ability. It is her interpretation of the part that brings out the real poetry of the play, the conversations between her and Van.

Henderson Forsythe, in the role of Van Dorn, is also very capable. Although at times guilty of overacting, he succeeds admirably in portraying the happy-go-lucky youth, who represents remoteness from the modern world.

The performance of Goldie

Brickhouse as Judy is less commendable. Most of the time she appears only adequate, although as the play progresses her versatility is more apparent.

The comedy roles were excellently enacted in nearly every case. Ronald Van Arsdale as Dewitt, the bosun of the Dutch crew, is superior, winning the hearty applause of the audience. Rodney Stewart as Judge Skimmerhorn is likewise far above the average comedian, and it is almost superfluous to say that the characters, Dope, Elkus and Buddy, portrayed by Rodney Erickson, Robert Quinn and Paul Robinson, are effective.

The real credit for the excellence of the production is due the director, Prof. Vance M. Morton, and the technical supervisors, Prof. Hunton D. Sellman, Prof. Arnold S. Gillette and Winifred Gross.

Professor Morton's task was that of harmonizing the diverse elements of the play into one, and this he has accomplished admirably.

The picturesque touches added by the steam-shovel, the gun shots, the mountain vapors, the thunder and lightning and the bowling balls deserve an important place in the production. Without them the play would lose much.

Iowa Union To Present Concert Of Recordings

Students and faculty members may attend an informal program of recorded music in the main lounge of Iowa Union Sunday at 5 p.m.

For the first time since the music room has been added to Iowa Union, the amplifier will be used in the lounge to accommodate a larger group.

Prof. Philip G. Clapp, head of the music department, will introduce the selections and give program notes throughout the concert. Tea will be served following the concert.

Town Coeds Hear Talks on Etiquette, Past and Present

"What Does Emily Post Say" was the topic of discussion at a Town Coed meeting Monday night.

Hazel Swim, director of Currier hall, talked on "Correct Tea Etiquette" and displayed a correctly laid tea table. Dorothy Doty, A4 of Iowa City, discussed the "Changes in Etiquette Since Our Grandmother's Day."

Elizabeth Fowler, A3 of Poughkeepsie, N. Y., announced the sports to be offered within the next few weeks in connection with W.A.A.

Cash to Speak At Engineering Meeting Today

O. D. Cash, state W.P.A. project supervisor and a former army engineer, will speak at a meeting of the Iowa student branch of the American Society of Civil Engineers, this afternoon at 1 o'clock in the senior civil room of the engineering building.

Mr. Cash will tell of re-running old land surveys of 1831. He will explain modern methods of locating old section corners and methods of tying them in with the coast and geodetic survey. He will also explain the use of the theodolite.

Student Engineers Chapter Will Meet

The University of Iowa students' chapter of the American Institute of Chemical Engineers will meet this afternoon at 1 o'clock in room 123C, chemistry building.

Eugene W. Wallace, E3 of Davenport, will speak on the subject "The Engineering Index and the Industrial Arts Index." Nathan B. Barber, E4 of Waterloo, will talk on "Recording Pyrometers."

Woman's Club In Tea Room

The Iowa Woman's club will meet tomorrow at 2:30 p.m. in the Mad Hatters tea room. Members will answer roll call with bright sayings of children.

Hostesses for the meeting are Mrs. F. C. Jacobs, Mrs. James Wilson and Mrs. Anna Lohse.

Prof. May P. Youtz To Lecture Today

Prof. May Pardee Youtz of the child welfare research station will lecture today at 2 o'clock in the Moore hall on the child care and training program of the Women of the Moose.

Mrs. Clarissa Huffman is in charge of the program, to which the public is invited.

PERSONALS

Mary Sheedy, secretary of the college of engineering, was absent yesterday because of a cold.

John B. Lovell, G of Clinton, Miss., is in University hospital with scarlet fever.

will broadcast with Cornell college.

Included in the series will be the western conference debate with Purdue university March 3 by members of the varsity debate squad. Corwin Johnson, A3 of Centerville, and Loren Hicker-son, A2 of Iowa City, will speak for Iowa on the question, "Resolved, that the Ludlow amendment to the constitution be adopted."

4 Professors To Give Talks At Conference

Four members of the university faculty will present papers at a conference on family relations at Coe college tomorrow and Friday. The conference is being held as an experiment in adult education.

Representatives of the sociology division of the college of commerce who are presenting papers are Prof. Edward Reuter, head of the department, Prof. Grace Chaffee and Prof. Clyde W. Hart. The subject of Professor Reuter's paper will be "Sociology of the Adolescent"; Mrs. Chaffee's will be "Family Disorganization," and Professor Hart's, "The Family as an Object of Sociological Interest."

Prof. Herbert Martin, head of the philosophy department, will present a paper on "Science and Human Values."

Mrs. Joseph J. Runner, 214 Hutchinson street, a member of the sociology department of Cornell college, will also present a paper at this conference. Her subject will be "Adolescent Courtship."

Meeting with the group tomorrow will be a session of the Presbyterian ministers of the state.

Three Students Will Speak at Mechanical Engineers' Meeting

Thomas McVicker, Roderick Wheaton and Robert Bright, all E3 of Iowa City, will speak at a meeting of the student branch of the American Society of Mechanical Engineers this afternoon at 1 o'clock.

McVicker will talk on "Superheated Water," Wheaton will speak on "National Defense — Torpedoes," and Bright will talk about "National Defense."

History Group To Elect Heads Tomorrow at 4

Officers and a steering committee will be elected at the first meeting of the new history club tomorrow at 4 p.m. in room 221-A, Schaeffer hall. Plans for the semester will also be discussed.

Prof. W. T. Root, head of the history department, and Prof. George G. Andrews of the history department are cooperating with the students who started the club.

Journal Contains Local Treatise

Prof. Earle L. Waterman of the college of engineering and Royal E. Rostenbach, G of Davenport, are the co-authors of an article entitled "Sewage Treatment at Iowa City, Iowa." The article appeared in a January issue of the Sewage Works Journal, a bi-monthly publication of the Federation of Sewage Works Association.

The facts presented are the result of a study of a year's operating data obtained at the new sewage treatment plant here. Sewage improvements, including the plant built in 1935, are discussed in detail.

Dr. Fred Oberst Elected Secretary

Dr. Fred W. Oberst, who received a M.S. degree here in 1928 and a Ph.D. degree in 1930, has been elected secretary of the Lexington, Ky., section of the American Chemical society.

He is chemist at the narcotic farm of the United States department of health in Lexington.

Roy L. Chopek Post 17 Given Annual Trophy

Iowa American Legion Makes Award For Membership

The Robert W. Colflesh trophy, given each year to the Iowa American Legion post with the highest percentage of its membership quota attained on Armistice day, was presented to Roy L. Chopek post 17 at the annual commanders' and adjutants' meeting in Des Moines which adjourned yesterday.

The trophy was presented to the first district of the state, and in turn to George P. Zeithamel, commander of post 17, whose membership record was highest in the first district. This is the second consecutive year post 17 has won the trophy.

Iowa Citizens who attended the meeting were Judge Harold D. Evans, Dr. H. H. Jacobsen, Attorney Thomas E. Martin, L. E. Clark, B. M. Ricketts, Adjutant George Sheets and Commander Zeithamel.

National Commander Daniel J. Doherty of Massachusetts, and Hanford MacNider, past national commander, were among the principal speakers at a banquet Monday evening.

Place Will Sell Rest of Assets

A. M. Place, receiver of the First National Bank of Iowa City, will sell the remaining assets of the bank at 2 o'clock this afternoon at the Johnson county courthouse.

The assets, amounting to approximately \$365,000, will be sold to the highest bidders for cash. Bills receivable, judgments and overdrafts will be sold.

A final dividend payment to the depositors will be made from the receipts of the sale, and the receivership will then be closed. The depositors have received \$522,617.20, or 80 per cent of their deposits, in dividends paid by the receivership.

Partridge Rites Will Be Today At Two o'Clock

Private funeral services for Mrs. Pauline Kimball Partridge, 99, who died Monday morning in Mercy hospital, will be in Beckman's at 2 o'clock this afternoon.

The Rev. Evans A. Worthley will officiate and burial will be in Oakland cemetery.

Mrs. Partridge was Iowa City's oldest resident and one of the oldest in the county. She would have been 100 Sept. 30. Having been a member of the speech department before 1900, she was the oldest former member of the faculty.

Rebekah Lodge To Hold Meeting

The Iowa City Rebekah lodge will meet tomorrow at 8 p.m. at the Odd Fellows hall.

Mrs. Ralph Westcott, Mrs. Melvin Westcott and Mrs. Mary Saylor are members of the entertainment committee.

Prof. Skeels Talks Before Iowa County Committee Meeting

Prof. Harold M. Skeels discussed "Boy Nature" last night at an Iowa county district Boy Scout committee meeting in Marengo.

District Chairman Peter Stuck, Amana society, presided over 30 members. Scout Executive Owen B. Thiel and Scout Commissioner Gordon L. Kent attended the meeting.

IOWA CITY SCOUT NEWS

The court of honor for Boy Scouts of the Johnson county area has been postponed to Tuesday night, Dean-Emeritus Wilber J. Teeters announced yesterday.

The court was originally scheduled for Monday night. It will be in Horace Mann school.

Rotary club Boy Scout reservation camp, four and one-half miles west of Iowa City on U.S. highway 6, will be open Saturday for scouts who wish to pass outdoor requirements and present themselves for the court of honor Tuesday night.

Gordon L. Kent, scout commissioner, will preside at a scoutmasters meeting in Scout Executive Owen B. Thiel's home, 27 Olive court, tomorrow night.

Scout Executive Owen B. Thiel will attend a meeting at Brighton Friday night to organize a new scout troop there. The troop will be added to the Washington county district.

Funeral Rites for Mrs. Ellen Mather Held at Unitarian Church Today

Funeral service for Mrs. Ellen K. Mather, 85, who died Monday at the Iowa City home of her daughter, Mrs. Stephen H. Bush, 404 Brown street, will be at 9:45 this morning in the Unitarian church. A second service will be at 11:15 in the Friends' meeting house at Springdale.

Mrs. Mather was one of the pioneer Iowans. She was born April 3, 1853, at Yorkville, Ill., and in her childhood, saw several of the exciting Lincoln-Douglas debates, and Chicago as a small city.

In 1878, she married Samuel Mather, Springdale, a Quaker youth whose family had come from Ohio by covered wagon. Establishing themselves in a home called the "Evergreens," the

couple were able workers in the Friends' meeting house at Springdale.

Mrs. Mather was a member of state W.C.T.U. for 25 years. She also aided in the establishment of Luther college at Decorah.

In the last 60 years, Mrs. Mather was an important influence in university activities. She was acquainted with such teachers as Professors Calvin, MacBride, Currier, Nutting, Andrews, Veblen, Weld and Shimek.

Surviving are six children: Rachel Bush, Iowa City; Edith M. Page, Claremont, Cal.; Mrs. Beth Higbee, Iowa City; Jeanne Lord, Hanover, N. H.; Paul V. Mather, Kanawha; Anders V. Mather, Springdale, and a sister, Mrs. Frank Christian, Scranton.

Wilson Service Will Be Held This Afternoon

Funeral service for Prof. Charles Bundy Wilson, 76, a university faculty member for half a century, who died Monday, will be at 2 o'clock this afternoon at the Presbyterian church.

Prof. M. Willard Lampe, director of the school of religion, will officiate at the service. Burial will be in Oakland cemetery. The body will be at the Hohenschuh mortuary until time for the service.

In his 50 years as a member of the German department, Professor Wilson had spent 44 years as head of the German department. When he reached the age of 70, he retired from his position as head of the department but continued to teach two classes and individual students.

Pallbearers will be Prof. John T. McClintock, Prof. Erich Funke, Prof. Harry G. Plum, Prof. Franklin H. Potter, Prof. Sidney G. Winter and Dean - Emeritus Wilber J. Teeters.

Over 100 Per Cent Gain in Shipments By Air Here in '37

Air express shipments received and dispatched from Iowa City during 1937 showed 101.4 per cent gain over 1936 figures, according to F. M. Pauley, local American Express agent.

The Railway Express agency reports a national increase of 35 per cent over 1936 in the amount of air shipments handled.

Air express shipments in Iowa City jumped from 60 shipments in 1936 to 139 last year. In weight of shipments, figures show 485 pounds handled in 1936, while in 1937, 899 pounds were transported.

Pauley reports that 1,573 air express shipments were transferred here in 1937, as compared to 419 transferred during 1936. This is an increase of 275.4 per cent.

The weight of last year's transferred shipments was 29,954 pounds. The year before 6,285 pounds were transferred.

Molback Fined

Harvey Molback, Downey, was fined \$1 and costs yesterday by Justice of the Peace J. M. Kadlec for driving with defective lights.

Witschi to Give Talk

Prof. Emil Witschi will give an illustrated lecture on his recent trip to Mexico at the weekly meeting of the Lions club in Reich's Pine room at noon today.

Local 'Ham' Discusses Hobby

W9NTI Prefers Midwest 'Rag Chewing' to Globe Trotting Via 'DX'

By KARL HINKLE

When amateur radio operators get together, they usually talk of "DX" — communication with distant parts of the world — because with DX they get the most thrills out of their hobby.

However, Ted Hunter, at 1164 E. Court street or W9NTI, as he is known over amateur air channels, would rather "chew the rag" with other "hams" located in the middlewest. "I have just as much pleasure talking with fellows within reasonable distance," he said yesterday, "and I have never talked with anyone farther away than California."

Hunter, an Iowa City grocer, is one of 15 local amateur radio enthusiasts. In the last five years he has carried on hundreds of conversations with fellow amateurs over government-restricted short wave bands.

With a neat, homemade, medium-powered transmitter tuned to operate on the 80-meter wave band, he uses a microphone, whereas most amateurs use a v. c. w., or continuous wave transmission, and a telegraph key.

Likes Music Too

In spite of his enthusiasm for radio, Hunter says his real hobby is music. "Radio, however, is a great hobby," he declared. "I don't know one any better for a growing boy."

"It develops creative ability," he continued, "and persons over 10 years can learn the hobby without much difficulty. The only objection is financial; it's an expensive hobby if you want to go very far in it," he added.

Hunter belongs to the American Radio Relay league, an organization of radio amateurs relaying messages for the benefit of its own members. The league has been noted for its aid during disasters when all other lines of communication have been destroyed.

Technical Adviser

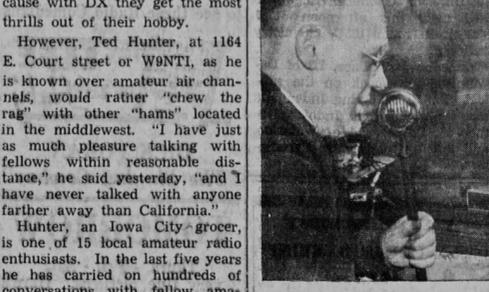

In addition to his work at his grocery, his music, and his experiments in radio, Hunter is in charge of the technical operation of the radio transmitter at the local police headquarters.

Hunter has had a varied career. He was graduated from the university in 1923, majoring in electrical engineering. A year later he obtained a master's degree in physics. Then he received a position with the Crosley Radio corporation at Cincinnati, and later he became an instructor at the Rose Polytechnic institute, Terre Haute, Ind.

Makes Acquaintance

It was in Terre Haute that Hunter became acquainted with a fellow amateur who was crippled. "I had a daily schedule over the air with him from Terre Haute after I moved to Iowa City," he said.

"One day I couldn't get in touch with him at the usual time,

Pictured above at the microphone of his transmitting apparatus is Ted Hunter, local amateur radio enthusiast, conversing with a fellow "ham." Hunter built the apparatus in his own workshop. He

—Daily Iowan Photo, Engraving makes such contacts with fellow amateurs every day over the air, using the call letters W9NTI. He is one of Iowa City's 15 licensed amateur radio operators.

After calling again and again, I finally heard a strange voice answering me.

"It was the boy's father, telling me his son had died an hour before — with the wish that his father keep the schedule as always."

"The oddest part of it was," Hunter added, "that the father had tuned the radio apparatus to its correct frequency without previous experience. I thought that almost a miracle. I could almost imagine the dead boy's spirit aiding his father to keep the schedule with me."

Hunter assisted Carl Menzer, director of WSUI, in building its first apparatus when it was known as WHAA. He also built the original "brain wave" equipment for Prof. Lee Travis of the psychology department, several years ago.

"Radio is progressing fast," Hunter concluded. "I can remember the days when it was merely an infant. Now I have quite a lot of difficulty remembering names of tubes. Between the progress of radio and my music, I am kept very busy," he said.

Wilson Service Will Be Held This Afternoon

Prof. M. Lampe Will Officiate; Burial In Oakland

Funeral service for Prof. Charles Bundy Wilson, 76, a university faculty member for half a century, who died Monday, will be at 2 o'clock this afternoon at the Presbyterian church.

Anyone interested in information on reseeded old pastures or application of fertilizer for pasture improvement, is invited to attend.

Cairo, the Egyptian capital, is the largest city in Africa.

Wilson Service Will Be Held This Afternoon

Prof. M. Lampe Will Officiate; Burial In Oakland

Funeral service for Prof. Charles Bundy Wilson, 76, a university faculty member for half a century, who died Monday, will be at 2 o'clock this afternoon at the Presbyterian church.

Prof. M. Willard Lampe, director of the school of religion, will officiate at the service. Burial will be in Oakland cemetery. The body will be at the Hohenschuh mortuary until time for the service.

In his 50 years as a member of the German department, Professor Wilson had spent 44 years as head of the German department. When he reached the age of 70, he retired from his position as head of the department but continued to teach two classes and individual students.

Pallbearers will be Prof. John T. McClintock, Prof. Erich Funke, Prof. Harry G. Plum, Prof. Franklin H. Potter, Prof. Sidney G. Winter and Dean - Emeritus Wilber J. Teeters.

Over 100 Per Cent Gain in Shipments By Air Here in '37

Air express shipments received and dispatched from Iowa City during 1937 showed 101.4 per cent gain over 1936 figures, according to F. M. Pauley, local American Express agent.

The Railway Express agency reports a national increase of 35 per cent over 1936 in the amount of air shipments handled.

Air express shipments in Iowa City jumped from 60 shipments in 1936 to 139 last year. In weight of shipments, figures show 485 pounds handled in 1936, while in 1937, 899 pounds were transported.

Pauley reports that 1,573 air express shipments were transferred here in 1937, as compared to 419 transferred during 1936. This is an increase of 275.4 per cent.

The weight of last year's transferred shipments was 29,954 pounds. The year before 6,285 pounds were transferred.

Molback Fined

Harvey Molback, Downey, was fined \$1 and costs yesterday by Justice of the Peace J. M. Kadlec for driving with defective lights.

Witschi to Give Talk

Prof. Emil Witschi will give an illustrated lecture on his recent trip to Mexico at the weekly meeting of the Lions club in Reich's Pine room at noon today.

Local 'Ham' Discusses Hobby

W9NTI Prefers Midwest 'Rag Chewing' to Globe Trotting Via 'DX'

By KARL HINKLE

When amateur radio operators get together, they usually talk of "DX" — communication with distant parts of the world — because with DX they get the most thrills out of their hobby.

However, Ted Hunter, at 1164 E. Court street or W9NTI, as he is known over amateur air channels, would rather "chew the rag" with other "hams" located in the middlewest. "I have just as much pleasure talking with fellows within reasonable distance," he said yesterday, "and I have never talked with anyone farther away than California."

Hunter, an Iowa City grocer, is one of 15 local amateur radio enthusiasts. In the last five years he has carried on hundreds of conversations with fellow amateurs over government-restricted short wave bands.

With a neat, homemade, medium-powered transmitter tuned to operate on the 80-meter wave band, he uses a microphone, whereas most amateurs use a v. c. w., or continuous wave transmission, and a telegraph key.

Likes Music Too

In spite of his enthusiasm for radio, Hunter says his real hobby is music. "Radio, however, is a great hobby," he declared. "I don't know one any better for a growing boy."

"It develops creative ability," he continued, "and persons over 10 years can learn the hobby without much difficulty. The only objection is financial; it's an expensive hobby if you want to go very far in it," he added.

Hunter belongs to the American Radio Relay league, an organization of radio amateurs relaying messages for the benefit of its own members. The league has been noted for its aid during disasters when all other lines of communication have been destroyed.

Technical Adviser

In addition to his work at his grocery, his music, and his experiments in radio, Hunter is in charge of the technical operation of the radio transmitter at the local police headquarters.

Hunter has had a varied career. He was graduated from the university in 1923, majoring in electrical engineering. A year later he obtained a master's degree in physics. Then he received a position with the Crosley Radio corporation at Cincinnati, and later he became an instructor at the Rose Polytechnic institute, Terre Haute, Ind.

Makes Acquaintance

It was in Terre Haute that Hunter became acquainted with a fellow amateur who was crippled. "I had a daily schedule over the air with him from Terre Haute after I moved to Iowa City," he said.

"One day I couldn't get in touch with him at the usual time,

School Voters Must Register Before March 2

Six hundred and seventy-five persons who have not voted in Iowa City during the last four years must re-register or file change of address cards before March 2, or they cannot vote at the school board election March 14, City Clerk Grover Watson, commissioner of registration, explained yesterday.

Gen. John Burgoyne, commander of the English forces at Saratoga in the Revolutionary war, was the author of The Heiress, a successful comedy drama.

Chiney to Give Talk in Farm Bureau Office

H. B. Chiney of the extension service farm crop department, Iowa State college, will talk on "Pasture Improvement" at a meeting of farmers in the farm bureau office Tuesday at 1:30 p.m.

Anyone interested in information on reseeded old pastures or application of fertilizer for pasture improvement, is invited to attend.

Cairo, the Egyptian capital, is the largest city in Africa.

National Guard Company High In Attendance

Company G of the 136th medical regiment of the national guard ranked among the highest in the state in attendance records for the month of November and December, it was announced at last night's meeting.

Company G was 5th in the state in attendance in November, and third in December. The announcement was received from the adjutant general's office in Des Moines.

An hour lecture on "Drugs and Drug Dosage" by Capt. Arthur S. Ford was followed by a half-hour platoon drill under the direction of Sgt. Roy D. Calka and Sgt. Burton B. Brown.

A meeting of non-commissioned officers followed the regular session.

Good Will Program
On the international good will program of the American Legion auxiliary this afternoon at 3:30 Marjorie Young, A4 of Water-town, Mass., will interview two university students from foreign countries.

Appearing on the program will be Celia Hernandez, U of Mt. Prospect, Ill., formerly of Mexico City, and Rafael Martin, A2 of Panama, who returned a year ago from study at the University of Madrid in Spain.

Mrs. Floy Mann Schermerhorn of Des Moines, state publicity chairman, will give a short talk.

"Gate City of Iowa"
Keokuk, the "gate city of Iowa," will receive tribute from William Selzer, A2 of Clinton, when he presents the fourth in his series of Salutes to the Cities of Iowa. With unusual sidelights he will describe the city as it is today with brief historical notes.

On Wings of Song
With the theme "On Wings of Song," James Waery, U of Iowa City, will present the Evening Musicales tonight at 7:30. Appearing on the program will be Mr. Waery, baritone, Margaret Waery, soprano, and Carl Dallinger, G of Council Bluffs, tenor.

On their program are "Until," "The Sweetest Story Ever Told," "I Love You Truly," "At Dawning," "Oh Promise Me" and the two wedding marches by Wagner and Mendelssohn.

TODAY'S PROGRAM

- 8:30 a.m.—The Daily Iowan of the Air.
- 8:40 a.m.—Morning melodies.
- 8:50 a.m.—Service reports.
- 9 a.m.—Within the classroom, the Greek drama, Prof. Dorrance S. White.
- 9:50 a.m.—Program calendar and weather report.
- 10 a.m.—Magazine notes.
- 10:15 a.m.—Yesterday's musical favorites.
- 10:30 a.m.—The book shelf, Kay Hausen.
- 11 a.m.—Within the classroom, history of romance, Prof. Nelhe S. Aurner.
- 11:50 a.m.—Farm flashes.
- 12 noon—Rhythmic rambles.
- 1 p.m.—Illustrated musical chats.
- 2 p.m.—Travel's radio review.
- 2:10 p.m.—Within the classroom, classical music, Prof. Philip G. Clapp.
- 3 p.m.—Forensic forum, Prof. A. Craig Baird.
- 3:30 p.m.—American Legion auxiliary.
- 4 p.m.—Iowa State Medical society program, Scarlet Fever and Measles, Dr. J. F. Gerkin.
- 4:15 p.m.—New York federal symphony.
- 4:30 p.m.—Speech clinic of the air. The Problem of Spastic Paralysis in Iowa, Dr. John F. Abele.
- 4:45 p.m.—Stories out of Iowa's past, Iowa State Historical society, Dr. William J. Petersen.
- 5 p.m.—Iowa Union matinee dance, Vette Kell and his orchestra.
- 5:30 p.m.—The stamp collector, Harold Brenneman.
- 5:50 p.m.—The Daily Iowan of the Air.
- 6 p.m.—Dinner hour program.
- 7 p.m.—Children's hour, the land of the story book.
- 7:15 p.m.—Salute to the cities of Iowa.
- 7:30 p.m.—Evening musicale, James Waery.
- 7:45 p.m.—Stage door review, Jane Fifer.
- 8 p.m.—Concert, Iowa City

Police Recover Student's Auto

A 1930 Chevrolet coach belonging to Avery Peterson, C3 of Peterson, reported stolen yesterday morning, was recovered by police in Cedar Rapids yesterday afternoon.

The car battery was dead, and there was no gas in the tank. The car was taken in front of Avery's home at 630 N. Dubuque street Monday night.

Pythians to Hear Former Mayor

Herman Lord, former mayor of Muscatine, will be guest speaker at the meeting of Corinth Lodge No. 24 of the Knights of Pythias tomorrow at 7:30 p.m. in the K.P. hall.

Mr. Lord will speak on his trip to South America. Following the talk there will be singing with Harry Seger serving as pianist. Refreshments will be served at the conclusion of the meeting.

Representatives of Firm Visit College, Interview Students

M. M. Boring of Schenectady, N. Y., and K. A. Hills of Davenport, representatives of the General Electric company, visited the college of engineering yesterday and Monday.

They interviewed students in electrical and mechanical engineering who were interested in employment.

Auxiliary Will Give Dance at Eagle Hall

The Eagle Ladies auxiliary will give an apron dance tomorrow from 2 to 5 p.m. in the Eagle hall.

Mrs. Peter A. Diltz is in charge of the entertainment. Refreshments will be served.

Lacina to Answer Charges Saturday

Ray Lacina, 303 S. Capitol street, will appear in Justice of the Peace T. M. Fairchild's court Saturday to answer charges of driving without a motor truck license.

Lacina was stopped Monday by C. A. Boyle, of the state railroad commission.

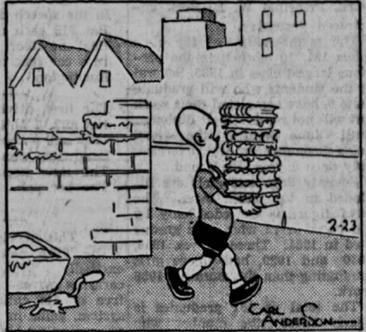

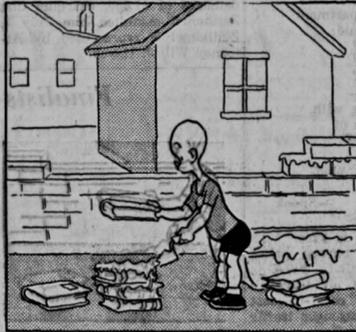

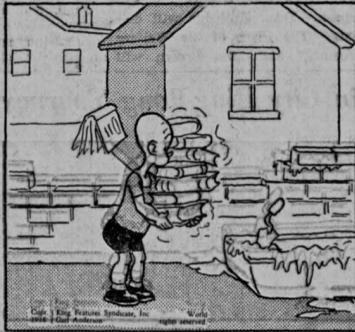

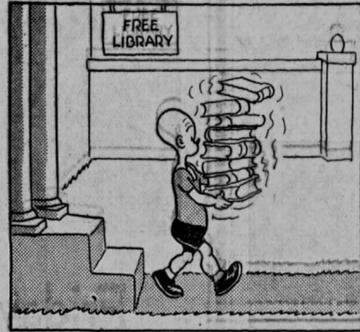

high school, woodwind chamber groups, brass chamber groups, Lloyd F. Swartley, director.

1938 Class Will Set Record

151 Seniors At Iowa City High

Enrollment of 81 Girls, 70 Boys Breaks Mark of 1935

The 1938 Iowa City high school graduating class will be the largest in history of the school if all the senior students complete their work, Principal W. E. Beck announced yesterday.

The membership of the class totals 151, 10 more than the previous largest class in 1935. Several of the students who will graduate June 9, have completed their work but will not receive their diplomas until June because the school holds commencement exercises only once a year, Beck said.

Seventy boys and girls are included in the class roster. The boys' figure is exceeded only by the mark of 72 who were graduated in 1931. Three classes, 1935, 1930 and 1929, had more girls graduating than the tentative 1938 mark.

The total of 151 graduates is nearly twice the number who were graduated in 1920. Since that year the graduating class roster has numbered from 114 to 141.

Statistics for the last 19 years are:

Year	Boys	Girls	Total
1938	70	81	151
1937	55	80	135
1936	54	65	119
1935	56	85	141
1934	65	72	137
1933	59	76	135
1932	67	70	137
1931	72	62	134
1930	47	84	131
1929	48	83	131
1928	53	71	124
1927	65	73	138
1926	56	76	132
1925	50	62	112
1924	50	78	128
1923	69	55	124
1922	45	69	114
1921	55	80	135
1920	34	49	83

Group Attends District School

Palestine Commandery Members Leave For Marion

Members of Palestine commandery No. 2 will attend a district school of instruction at Marion today. Dr. W. E. Spence will be in charge.

Committee officers who will attend are Emmet Commander Carl S. Kringel, Dr. D. L. Crissinger, Ora Rogers, Warren W. Norris, Dr. O. E. Van Doran, Ernest E. Larew, Oscar F. Kalank and James Lons.

The men will leave at 1 and 3 o'clock. The meeting will begin at 4 o'clock and last until 6 o'clock when dinner will be served.

A school of instruction will be held at Davenport March 2 with Dr. D. L. Crissinger in charge.

Tipton Men To Present Radio Song Program

The businessmen's male chorus of Tipton will appear on the monthly radio broadcast of the American Legion at 9 o'clock tonight over WSUI, it was announced yesterday by S. W. Harris, district radio chairman.

The chorus of 16 voices will be under the direction of Dr. Kenneth Walker of Tipton. Commander W. H. Naber of the Tipton post of the legion will be in charge of the program.

The chorus has made previous appearances on the broadcast. Additional entertainment will be provided by a trumpet trio from Tipton high school. A talk on legion activities will be given by Commander Naber. Naber will be introduced by Chairman Harris.

Collins Freed On \$100 Bond

John Collins Jr., was sentenced to five days in the county jail on a charge of intoxication yesterday by Police Judge Burke N. Carson. The case was appealed to district court and Collins is free on \$100 bond.

Richard Grest paid \$1 for blocking a sidewalk, and E. S. Brintnall paid \$1 for driving on private property. A. F. Jones was fined \$1 for leaving a motor running. The fine was suspended.

Moose Initiates Tonight

Members who were not initiated into the Moose club at its last meeting will be initiated by the club tonight at 8 o'clock in the Moose hall.

AROUND THE TOWN

With TOM JOHNSON

Saturday Night-Life
Two graduate assistants in the speech department bet \$10 each could beat the other in a car race to Burlington. . . .
The first, driving with his girl, a bottle of Milk and a cheese sandwich, won. . . .
The loser hasn't paid the bet yet. . . .
—Spook

This Service is Free
The TWA news bureau writes excitedly, "Now that TWA is carrying wives of air travelers free on its entire coast-to-coast system, gains in passenger traffic are mounting higher."
Remember when each passenger was allowed to carry 30 pounds of baggage—free?

Health Hint
It's reported that gas killed 4,952 persons in America last year. Forty inhaled it, 912 lit matches near it, and 4,000 stepped on it.

At the Crossroads
There are two things I'd like to do at 8:30 p.m. Friday. I'd like to see "You Can't Take It With You," at the Englert, and I'd like to listen to the National Iowa Night broadcast—commemorating the university's 91st anniversary—over NBC.

The road show is bound to last about three hours, so I'm hesitating about asking NBC program directors to postpone the broadcast 'till nearly midnight.

Manager Al Davis at the Englert could accommodate those who would like both, by postponing the first curtain until 9 p.m.

The play, by the way, is a scream. . . .

Zeithamel Case To Go to Jury Today

By noon today, the jury is expected to receive the damage case brought against William Zeithamel by Winfield W. Frederickson in district court.

Attorney Harold W. Vestermark, representing Frederickson, had not completed his case at close of court Monday. There was no court yesterday.

Frederickson asks actual damages of \$1,500 and exemplary damages of \$1,500, charging that Zeithamel assaulted him July 3. Zeithamel is represented by Attorney Will J. Hayek.

Welfare Group Meets Tonight

Will Elect Officers At Dinner; Rutledge, Brown to Talk

Approximately 75 persons are expected to attend the annual Social Service league dinner and election of officers tonight at 6:30 in Youde's inn.

Dean Wiley Rutledge and Sarah Brown, secretary of the American Family Welfare association, will speak. Dean Rutledge will discuss "The Place of the Welfare Agency" and Miss Brown will

talk on general social welfare work.

A new vice-president and four new directors will be elected at the meeting. A list of candidates will be presented by the nominating committee and an oral vote taken.

Frances Wilson, executive secretary, will outline the league's work during the past year and a financial report will be presented by Irene Keating, secretary.

Temperature Stays Normal, Inch Snow

Temperatures ranged about average yesterday with a high reading of 34, three degrees below normal, and a low of 25, seven degrees above normal.

A 1.3 inch snow melted to .1 of an inch precipitation.

Alaska formerly was known as "Russian America."

Lake Vener in Sweden is the third largest in Europe.

The birth rate in Venice is double that in the rest of Italy.

Finalists in City Ping-Pong Tournery

Robert Paukert won the senior single match at the city-wide ping-pong tournament in the Recreation center last night. John Bell was junior champion, and Albert Schmidt and Paukert won first place in the senior double matches. The city-wide champions will receive awards

and will participate in the March 5 and 6 all-Iowa tournament at Cedar Rapids. Albert Schmidt won second place in the senior singles, followed by Leon Kleopfer, third place. Both Kleopfer and Meyer Markovitz ranked second in the doubles matches with Bob L. King and Joe Bodine, third. Arthur Proehl and

Jack Teely won second and third place in the junior games. Leading finalists in last night's contest were (above left to right) Albert Schmidt, Robert Paukert, John Bell, Leon Kleopfer, and Meyer Markovitz. Homer Freeman, 1714 Wilson street, refereed the matches.
