

Jury Deadlocked; Government Moves For Labor Retrial

Discharge Jury When It Fails To Get Verdict

Prosecute Harlan Countians Trying To Bolster Labor Act

By KEN WHITE
LONDON, Ky., Aug. 1 (AP)—The Harlan labor conspiracy jury was discharged as "hopelessly deadlocked" today and the government immediately moved for a retrial.

Judge Ford set Saturday, Sept. 17, as the date to hear the government's motion at Lexington, Ky. He indicated he would order another trial, the only question to be decided being the place and time.

The department of justice prosecuted Harlan countians in an effort to bolster the three-year-old labor act with a criminal statute. The statute employed was passed in 1870 primarily to secure the civil liberties of Negroes in the turbulence of reconstruction days. On conviction, the defendants would face possible maximum penalties of \$5,000 fines and 10 year prison terms.

Brian McMahon, chief of the prosecution counsel, in asking the retrial "as soon as possible," told the court:

"The issues to be decided are of nationwide significance, of interest to all the people of the United States, as well as those in Harlan county.

"The cause of justice will be advanced if the issues raised here can be determined."

Jury Foreman L. F. Johnson, general store proprietor from adjacent Clay county, reported after nine hours and 48 minutes of deliberations that the body was divided 7 to 5.

Individual jurors later said seven favored acquittal and five conviction of the 21 former Harlan peace officers, 18 operators and 16 coal corporations charged with a criminal conspiracy to violate miners' rights under the Wagner labor relations act.

"We were just as far apart when we began deliberating Saturday, Juror Alex Powell, Rockcastle county farmer, said after he and his constant companions of the last 10 weeks finally had been dismissed.

Juror Edwin Bell, Wayne county farmer, nodded agreement.

When Johnson reported to Federal Judge H. Church Ford, the jurors were polled, and each replied he saw "no chance" for agreeing.

McMahon, who directed the government's case in the 11-week-long, sensation-studded case, told the court the government was "ready to proceed tomorrow right in this court" if Judge Ford so decided.

The 39 individual defendants, some with their wives and families, lounged about the courtroom and the corridors throughout the day, reading magazines and newspapers and talking.

They were under strict orders to remain in the building. The case was given to the jury Saturday afternoon. The jurors relaxed over Sunday after reporting Saturday night it "looks like an impossibility to make a verdict."

Powder Blast Injures Five

SCRANTON, Pa., Aug. 1 (AP)—Explosions, touched off by lightning late today, destroyed two small stores at the Dupont powder plant, at nearby Belh village, injured five workmen, and blew out windows in this city, four miles away.

Most of the day force at the plant had left work but five men, in a shanty about 500 yards from the blasted buildings, were knocked down and cut by glass.

The lightning struck the building where powder is dried, and shattered another building where the explosive is glazed.

Several other of the 16 widely separated buildings caught fire but the flames were quickly extinguished.

Medic Group Will Fight

Replies to Charge That Association Broke Trust Laws

WASHINGTON, Aug. 1 (AP)—The American Medical Association, faced with a federal grand jury investigation because of its fight against a co-operative health group, virtually challenged the Roosevelt administration today to a court struggle which may have profound effects on the future of American medicine.

Replying to the charge of Assistant Attorney General Thurman Arnold that "organized medicine" broke the anti-trust laws while opposing the co-operative, the association said in a statement at Chicago:

"Apparently it remains to be determined whether or not the federal administration can use the laws and the courts to mould the people of the United States to its belief in every phase of life and living, or whether or not fundamental principles of common justice which have prevailed in this country in the past are to be relegated into the limbo of forgotten things."

This was taken to mean that "organized medicine" would not abandon the fight against Group Health Association, Inc., a District of Columbia co-operative which receives fees from government employees in return for an undertaking to provide treatment for them if they become ill.

Allies Approve Freeing Nation From Treaties

LONDON, Aug. 1 (AP)—Bulgaria's old enemies, the Allied powers of the World war, today chorused approval of Balkan action freeing Bulgaria from post war treaty restrictions on armaments and armies.

At the same time there appeared to be no bar to similar action by Hungary, the only nation still nominally bound by the restrictions imposed by the victorious allies.

Others of the wartime central powers—Germany and Turkey—already have thrown off rearmament bonds.

In a pact signed yesterday at Salonika, the Balkan entente—Greece, Turkey, Rumania and Yugoslavia—gave Bulgaria equality in maintaining her army, navy and air force and at the same time established a non-aggression agreement among the participating nations.

To abrogate armaments clauses of the post-war Treaty of Neuilly Bulgaria first obtained approval of the Balkan entente and then off the record approval from treaty signatories—principally Britain and France.

Official approval of the signatories is expected to be asked soon and then the matter will be laid before the League of Nations assembly for formal legalization as provided by article 18 of the league covenant which requires assembly approval for treaty revisions.

Police Report \$25 Stolen From Home

Clarence Sievers, 617 S. Dodge street, reported to police that a billfold containing \$25 was taken from his home between 7 and 10:30 p.m. yesterday.

Sievers said when he left the house at 7 it was locked. When he returned the kitchen light was on, the back door open, and the billfold missing.

Meanwhile Jews reinforced guards at their isolated settlements.

Professor Vanishes at Sea

NEW YORK, Aug. 1 (AP)—A tragedy of the high seas—the story of a young college professor who vanished 450 miles out in the dark Atlantic after attempting to hurl his wife overboard—was reported officially today by officers of the French liner Normandie when the ship docked here.

Dr. Robert Moore Duncan, 35, assistant professor of politics at Colgate university, disappeared from the wind-swept boat deck of the palatial ship Sunday night, said Henry Villar, the Normandie's purser.

His wife, Alice, 36, daughter of a longtime associate of John D. Rockefeller Jr., was torn from her husband's grasp by a seaman who overheard them in a violent argument, the purser said, as Duncan "attempted to throw her over the side."

Bruised and cut about her head and face, Mrs. Duncan, mother of two small children, arrived in the ship's hospital at the end of a six-weeks trip that started as a summer holiday cruise.

"When Mrs. Duncan was revived," said Villar, "the first thing she said was, 'Get my husband, he is going to commit suicide.'"

The United States attorney was notified immediately and will conduct an inquiry. City police did not enter the case because it occurred at sea.

Mrs. Duncan's father, Willard Samuel Richardson, a former Baptist minister who has been associated with Rockefeller in philanthropic and educational work since 1912, was notified.

Receive Testimony That Police Used Gas, Bats to Settle Strike

British Patrol Border to Stop Holy Land Fight

JERUSALEM, Aug. 1 (AP)—British troops took over patrol tonight of Tegar' Wall, the \$500,000 electrified fence along the Syrian border, as scattered disorders resulted in nine killed and seven wounded in a continuation of Arab-Jewish terrorism.

The troops manned pillboxes at intervals along the wall and began a 24-hour patrol to thwart gun running and prevent possible aid from reaching Arabs fighting against the proposed British partition of the Holy Land.

Arabs were convinced the high July casualties of 674, including 141 Arabs killed, were due to Jewish reprisals and many of them completely boycotted authorities.

Meanwhile Jews reinforced guards at their isolated settlements.

Witnesses Say Man Is Severely Beaten; Protested to Lewis

WASHINGTON, Aug. 1 (AP)—The senate civil liberties committee received testimony today that volunteer policemen equipped with tear gas, billies and baseball bats purchased by the Republic Steel corporation dispersed pickets outside the Monroe, Mich., plant of that company.

That done, the 1937 strike in "little steel" was ended, so far as Monroe was concerned. But prior to that time, witnesses said, a Negro organizer had been severely beaten and run out of town, after fruitless appeals to the police, and supervisors in the plant inspired a group of workers to send a telegram protesting the strike to John L. Lewis. The message was given wide publicity.

The day's evidence was presented by a score of witnesses, ranging from Monroe's mayor, Daniel Knaggs, to a group of steel workers, some still employed by the plant.

USSR Planes Bomb Japanese Frontier Posts

Manchoukuo-Siberia Conflict Causes New Tension in Far East

By JAMES D. WHITE
HSINKING, Manchoukuo, Aug. 2 (Tuesday) (AP)—Reports from Changkufeng today told of three more clashes Sunday night as Soviet Russia forces sought to regain that strategic position on the Siberian border from which they were driven by Japanese early Sunday.

The three fights occurred within an hour and a half, the first occurring at 5:30 p.m. (2 a.m. Monday, CST) when four tanks attacked and were repulsed.

At 6 p.m., 300 Soviet Russian troops aided by five tanks launched an assault against Japanese positions but were thrown back with the disabling of two of the tanks.

The last attack was at 7 p.m. when the Soviets began an artillery bombardment from six batteries. Japanese said little damage was done.

(These land attacks apparently occurred after the attacks by Soviet bombing planes on positions along the adjacent Korean border, reported earlier Monday.)

Japanese Lose 400 in Battles

MOSCOW, Aug. 1 (AP)—Details of a sanguinary battle for possession of Changkufeng, on the Siberian-Manchoukuo-Korean border, in which Japanese hurled a whole division against Soviet Russian forces was disclosed in an official communique tonight.

Japanese losses were given as upwards of 400 killed and wounded in the bitterly fought attempt of Japanese to capture the strategic heights in the Possiet bay region which Russian forces began fortifying July 11.

Tanks, airplanes and artillery were brought into the battle for the disputed territory.

One Soviet scouting plane was brought down, and the announcement said it was believed the pilot was captured after he took his parachute.

The gravity of the situation was seen in instructions to the Soviet charge d'affaires in Tokyo to warn the Japanese government of "possible terrible consequences" of this invasion of Russian territory.

The battle ranks as the biggest clash on the Soviet-Manchoukuo frontier since the beginning in 1931 of the long series of boundary incidents, numbering hundreds.

Foreign military observers here who previously were inclined to view the situation as only another of these incidents were beginning to take a graver view of the encounter.

Hill Recesses Labor Inquiry For Two Days

Predict Clash With Federal Officials In Maytag Factory Case

NEWTON, Ia., Aug. 1 (AP)—Arbitrary closing of a National Labor Relations board hearing into the Maytag strike controversy here by the Iowa national guard tonight threatened to precipitate a clash between federal and state authorities.

Gov. Nelson G. Kraschel, as commander-in-chief of the Iowa national guard on strike duty here, ordered the troops to close the hearing when it convened at 10 a.m. today.

Madison Hill, NLRB trial examiner, acting on advice of his Washington headquarters, accepted service of the military's order and declared the inquiry was in recess for 48 hours—until 10 a.m. Wednesday.

At Washington, NLRB spokesman, however, declared the recess was "in no sense recognition of the validity of the governor's order."

In Des Moines, Governor Kraschel retorted: "You can tell the cockeyed world that there will be no labor relations board hearing in the military district of Iowa."

The governor previously expanded the district of martial law, in the NLRB's case, to include not only Newton, but the entire state.

Attorneys Doubt Governor's Power

WASHINGTON, Aug. 1 (AP)—Federal government lawyers said today that Gov. Nelson G. Kraschel of Iowa did not have "a leg to stand on" in ordering national guardsmen to close a labor board hearing into the Maytag strike controversy at Newton, Ia.

They expressed the opinion the governor had no more right to "interfere" with a federal administrative agency such as the labor board than he would have to close a session of a federal court.

"No official would say what the board might do. Even the lawyers who said the governor was going beyond his rights emphasized that their opinion was an unofficial 'curbstone' one and that they were unwilling yet to be quoted by name.

Kraschel Depending On Iowa Guardsmen

DES MOINES, Ia., Aug. 1 (AP)—Gov. Nelson G. Kraschel tonight defended his order halting a Newton, Ia., National Labor Relations board hearing by declaring he had "a good leg to stand on" in this case, the Iowa national guard."

The governor indicated he had acted after consulting "proper legal counsel," presumably Iowa Attorney General John H. Mitchell.

Hawaii Police Fight Strikers

HILLO, Hawaii, Aug. 1 (AP)—Bloody fighting between police and waterfront strikers resulted in the injury of 36 persons today, five of them critically, amid showers of buckshot and the use of at least one bayonet.

Two women were among those slightly injured. A longshoreman was stabbed in the side with a bayonet. Several others were peppered about the head and face with buckshot. It was the worst riot in Hilo's modern history.

The disorder was precipitated by arrival from Honolulu of the steamship Waialeale, operated by the inter-island navigation company against which longshoremen called a strike May 27 when contract negotiations collapsed.

Today's fighting started when pickets pushed beyond police lines as the steamer docked after police had promised to take "whatever steps are necessary" to maintain order.

'Richard' Most Impressive Summer Play

By LOREN HICKERSON
Daily Iowan Campus Editor
We hate to brag!
But we think "Richard of Bordeaux," as presented last night in University theater under the direction of Prof. Vance M. Morton, was the most impressive of the summer plays, and was as "finished" as its cast of characters could possibly have presented it.

We enjoyed every minute of "Richard," and we think we recognized among its characters one of the finest actors you'll find on any university stage in America—Walter Fleischmann.

"Richard of Bordeaux" is an historical drama. Centered about Shakespeare's Richard II, Gordon Daviot's production is gripping, well written and smoothly moving. It deals with 12 years in Richard's life, from the early days of his youthful reign, through struggles with his domineering elder councilmen, through struggles brought about by his own indomitable spirit and his belief in an everlasting peace between England and France in particular, and between England and all the other nations of Europe. Daviot's play concludes with

Richard's abdication in favor of Henry of Derby, whom he had exiled. As you view the fourth scene in the second half of the play, you'll note where Shakespeare's "Richard II" begins its action. From beginning to end, last night Walter Fleischmann was the central figure. We watched him in the earliest scenes, the 18-year-old king

impetuous and hot-tempered—possessor of the power of a king but not, because of his youth, of a king's due respect. We watched his anger rise at the stubbornness, the "maturity of judgment," of his elders of the council. We saw his anger cool at the skillful touch of the queen. But most striking of all, we watched him age. It was in his

manner of growing older that we recognized splendid talent. I am not an actor, a playwright, or a critic, but when one can express to me in action, within the space of three hours, a 12-year change in age, with its accompanying changes in outlook, almost of heart, as Fleischmann did last night, one doesn't have to be a critic. In Which It Looks as if The Bully Is Stumped

JAPAN has exhibited an uncanny talent for fathoming the seriousness of diplomatic threats thus far in her Chinese campaign.

In a way, it is probably all our fault. We have tolerated Japan so long that it looks as if she might have developed a complex.

Now, Japan swelled with conceit, dreams of a larger prize than China. Who knows what dreams drift through the diplomatic minds in Nippon?

So Kansas Goes To The Polls

TODAY the voters of four states go to the polls to nominate candidates who will represent their parties at the polls in November.

We refer, lest you doubt, to the Rev. Gerald B. Winrod. We mean the man who broadcasts weekly over Kansas radio stations.

He has printed pamphlets; he has orated in every part of the state. He has, according to reports, spent some \$5,000 a week.

He has baited Catholics, Jews and Negroes. He is like an out-dated member of the Ku Klux Klan in mentality.

We think Kansas today will defeat Winrod, disastrously and unmistakably. We hope so, because his kind is not alone in America.

WHEN DOES THIS BALL GAME END?

Tuning In with Loren Hickerson

ANOTHER WORD ... about the hit songs of the day ... quite the loveliest group for the past six months.

Not having heard Lucky Strike's Hit Parade for many weeks, I was pleased to hear, for the first time, the program's new feature last Saturday.

"America At Its Best" it is called, and it's a few minutes devoted to America's all-time leaders among popular song composers.

Combined in a musical background of his best songs, we heard "Who" from "Sunny," "They Wouldn't Believe Me," "Old Man River," "The Way You Look Tonight" and others that have made him famous.

KEEP LISTENING FOR ... these songs that everyone is singing: "Muscle Maestro Please," "Far Away Look in Your Eye," "One More Dream," "I Let a Song Go Out of My Heart," and so many others that are becoming increasingly popular we can't name them all.

Which makes this observation timely: popular songs, like the ocean tides, rise and fall in a more or less regular pattern.

And then organizations like the American Civil Liberties union giving hope with its like protection to communists and nazis, to Mrs. Elizabeth Dilling and Earl Browder ... Maybe there's hope.

Did I tell you, incidentally, that I lost two books at the German border, Andre Gide's, "Back to the U. S. S. R." and Gunther's "Inside Europe"? I lost them by request ...

And my copies of all the London newspapers, the Parisian ones as well were confiscated at the same border ... You'd notice too—I did—in every upper train berth in Germany, a warning, "Air Defense Blackout Training" ...

Good News And, while I'm reminiscing, I might mention the London news-cert from Hollywood. What I heard of it was splendid.

AND A NOTE ... about two radio highlights today. Benny Goodman returns to his swing school at 7:30 tonight.

AROUND THE TOWN With MERLE MILLER

THE MORNING AFTER ... Doesn't Mr. Hitler think of the nicest things? ... Wasn't that decoration for H. Ford just grand?

And am thinking why doesn't Newton settle this state-national conflict right now, call the whole thing off ... It could be done—and easily ...

There are times when democracy is a little meaningless; tonight is one ... The Harlan county jury has been dismissed (and the system is as meaningless as it must have been when Sacco-Vanzetti were convicted).

The revelations of the LaFollette investigation into "Little" Steel ... The Rev. Gerald Winrod fighting for a toe-hold—and getting it, along with an anonymous \$5,000 a week ...

I'd just remind, "Eternal vigilance is the price of liberty." (He said it—T. Jefferson, I mean.)

They say education library's the noisiest study spot on the campus ... A natural enough revolt of the teachers, no doubt.

One who signs himself, and quite appropriately, Anon E. Muss, writes, "Will wager a radio-facsimile set against a new television receiver that there will be no world war within the next five years ..."

Things progress so slowly, hereabouts ... Will my grandchildren enjoy a grassy terrace before U. theater, be able to attend without rubber boots or a taxi? ...

I could about half-dozen the campus secretaries who don't need a good sharp lesson in Emily Post courtesy ...

Always seemed to me one in a green suit started out with two counts against him ...

And why shouldn't the anti-child labor law apply to the movies also—even especially? ...

Hollywood Sights and Sounds

HOLLYWOOD—This is Hollywood again, all right. Be gone a week, a month, a year. Come take up where you left off.

On the streets, the usual seafe heads: Lupe Again! Seeks Divorce. (What, again?) Or maybe it's Joan and Tone part. Or Somebody Else.

And they're still casting "Gone With the Wind" and announcing a new starting date. Last one was September, new one is January ...

And while on the subject—which is also usual—there's a Scarlett test which knocked 'em for the loop. Of all people you'd not suspect, Frances Dee.

The usual news, too, about Gloria Swanson. She is NOT going to make "Lady in the News" for Republic. She is NOT going to make anything for Republic.

And the older members tango and rumba and waltz as well as their sons and daughters.

A Man ABOUT MANHATTAN

By GEORGE TUCKER NEW YORK—I was in one of those Latin supper clubs, having a late coffee, when this man came in.

He came in about 2 a.m. and with him was a woman who may have been 25 or 45—I couldn't tell, and it doesn't matter anyway.

They danced beautifully. You would expect this in the woman, but this man was a superb dancer.

I like to see that in a man. I like to see a man, particularly an older man, who knows what to do when the time comes to do it.

And yet the dance is catching on in New York. Among men, I mean. More and more you see older men who handle themselves as adequately as their younger brothers.

As a matter of fact, many of them, secretly or otherwise, take instruction at the numerous dance schools in New York. There are scores of them and their instruction halls are filled most of the time.

My reports are that these air-conditioned rooms give great relief. It is, of course, only at night, but for most hay fever sufferers the night is the worst time.

There are many sufferers, however, who cannot afford to take vacations or vacations, and for them it is possible with a little trouble and slight expense to create a pollen-free sleeping room.

Philadelphia Pitchers Stop Homer Barrage Of Hank Greenberg

DETROIT, Aug. 1 (AP)—The big guns of the Detroit Tigers were splined today by Philadelphia's Ross and Edgar Smith of the Philadelphia Athletics. Ross and Smith combined to blank the Tigers 4-0 with nine hits and end the Bengals' winning streak at eight straight.

Ross hurled five hit ball until the first of the seventh when Dixie Walker, who batted for Roxie Lawson, the Tigers' starter, and Jo-Jo White singled. Smith came in and retired the side and had little trouble thereafter.

Ross, with two singles and three runs batted in paced the A's attack. Lawson is victim.

The A's got all their runs off Lawson. Lou Finney doubled and scored on two infield outs in the first inning and in the second Sam Chapman's double and a single by Ross tallied another run.

An error by Hank Greenberg on Ace Parker's grounder after Hayes and Johnson had singled filled the bases for the Athletics in the sixth. After Wayne Ambler went out on a fly, Ross came up and pumped a long single to left scoring two runners.

The Tigers got three singles in their half of the sixth but couldn't score. Wally Moses threw out Hank Greenberg when he tried to go from first to third on Pete Fox's hit and Ross took care of Tebbets on a grounder and Christianman on a fly to Johnson.

GIANTS BUY CISSELL

Secondsacker up From Baltimore

NEW YORK, Aug. 1 (AP)—The New York Giants today announced the purchase of the veteran second baseman, Chalmers Cissell, from Baltimore of the International league.

The price tag was not announced. As replacement, the Giants are sending John (Blondy) Ryan to the Baltimore club on option.

Cissell, now 34 and a veteran of 10 years in and out of the big show, will play second for the Giants in tomorrow's game here against the Chicago Cubs. Cissell has a batting average of .296 in 94 games with the Orioles this season and has fielded brilliantly.

Cissell's purchase is aimed to solve the most distressing problem Manager Bill Terry has had this season. First he lost Burgess Whitehead, star second sacker of his 1936 and 1937 championship teams, through an operation.

Lou Chiozza, after a good start, proved inadequate to fill Whitehead's shoes, and Terry obtained Alex Kampouris from Cincinnati in exchange for Wally Berger. Kampouris likewise failed to fill the bill, and recently has been on the injured list. The job is wide open for Cissell.

The Chicago White Sox originally bought Cissell from Portland of the Pacific Coast league in 1927 for \$75,000 cash and players valued at \$48,000. He remained with the White Sox until 1932, when he was traded to Cleveland.

Bees Buy Stripp From Cardinals

ST. LOUIS, Aug. 1 (AP)—Sale of Joe Stripp, veteran third baseman, to the Boston Bees was announced today by the St. Louis Cardinals.

Cardinals. It was a straight cash deal but the amount involved was not made known. Stripp was acquired by the Cardinals last winter in the trade that sent Leo Durocher to the Brooklyn Dodgers.

Oldest Shot

PINEHURST, N. C. (AP)—Ky Lafont's "screwie" golf shot was made on the ninth hole here. Ky hit a 6-iron shot that struck the ground wide of the green, arched into a tree, caromed off onto the green, hit the pin and stopped an inch from the cup, almost an ace.

Harrison to Lead Coaches' Discussion At Meeting Today

"Pops" Harrison, University of Iowa coach, will lead a discussion on "Rule Changes and Definitions" at the first weekly meeting of the Southeastern Iowa Officials and Coaches association in the Iowa fieldhouse at 8 o'clock this morning. The organization, in its second year of operation, will meet every Tuesday to carry on discussions of rules interpretations.

Bobby Riggs Leads Advance In English Meet

SOUTHAMPTON, N. Y., Aug. 1 (AP)—Top-seeded Bobby Riggs of Chicago led a field of 66 into the second round of the Meadowbrook 48th invitation grass court tennis tournament today, but two of his favored companions, Elwood Cooke of Portland, Ore., and Bobby Harman of Oakland, Cal., were eliminated in the first round.

Riggs, the nation's second ranking player, lost a set to a fellow Chicagoan, William Murphy, as he mixed good tennis with his efforts to amuse the gallery. The scores were 6-4, 4-6, 6-3.

Harman, seeded sixth, was crushed by Archie Henderson of Chapel Hill, N. C., 6-0, 6-0. Henderson, a graduate student at the University of North Carolina, simply overpowered his rival.

Cooke, runner-up to Riggs at Sea Bright last week and seeded fourth here, bowed to Robert Kamrath of Austin, Tex., 6-3, 8-10, 6-2. Kamrath, leading 6-5 in the second set, reached match point four times only to lose his advantage because of over-cautiousness when he remained in the back court.

Don McNeill of Oklahoma City, the nation's ninth ranking player, who wasn't seeded because an ankle injury had kept him idle for a couple of weeks, returned to action with a sparkling 6-2, 6-1 victory over Charles Harris of West Palm Beach, Fla. He appeared to be close to his best form.

The other seeded entries, Bryan (Bitsy) Grant of Atlanta, No. 2; Joe Hunt of Los Angeles, No. 3; Frank Kovacs of Oakland, Cal., No. 5; Hal Surface of Kansas City, No. 7 and Sidney B. Wood of New York, the former Davis cup player, No. 8, all came through in straight sets.

Mrs. Palfrey Fabyan Wins Last Round Match At East Hampton Meet

EAST HAMPTON, N. Y., Aug. 1 (AP)—Mrs. Sarah Palfrey Fabyan, of Brookline, Mass., seeded No. 2, called all her magnificent repertoire of strokes into play today as she scored a decisive victory over Margaret Anderson of Richmond, Va., 6-0, 6-1, in the first round of the annual Maidstone club women's singles invitation tournament.

The veteran internationalist, the highest seeded player to see action today, required only 35 minutes to dispose of Miss Anderson as she marched into the second round accompanied by 11 others. Of the 32 entries, all but eight appeared today, and the rest, including Dorothy Bundy of Santa Monica, Cal., top-seeded, and Mrs. Dorothy Andrus, rated third, will make their debuts tomorrow.

Anne Page of Philadelphia, former national squash tennis champion, was extended by Louise Raymond of Scarsdale, N. Y., before she finally won, 8-6, 7-5, while Margaret Osborne of San Francisco, disposed of Virginia Hollinger of Dayton, Ohio, 6-0, 6-2.

Columbia First—For Practice POUGHKEEPSIE, N. Y. (AP)—Columbia's rowing season was none too good this year but the New York crews were the first on hand here to prepare for the four-mile intercollegiate regatta June 27. Coach Hubert Glendon had his crews out on the Hudson late in May.

Cleveland Falls Farther Back In Loop Race

Nationals Battle Uphill All Afternoon to Win Finally in Overtime

CLEVELAND, Aug. 1 (AP)—The Washington Senators upset the Cleveland Indians' apocryphal today with a three run outburst in the 10th inning that beat the tribe 11 to 8 and dropped it another half game in back of the league-leading New York Yankees.

The Nats fought an uphill fight all through the game. Two runs down going into the eighth they tied the score with single runs in the eighth and ninth. A walk, a forceout and Buddy Lewis' single scored in the eighth and Buddy Myer drove home another with a single in the ninth.

Chief Hogsett, the Nats' fourth and most effective, hurler opened the 10th with a single to left. George Washington Case sacrificed him to second and the unquenchable Lewis came up and drove him home with a blow to center.

Humphries Yanked Oscar Vitt, the Tribe's manager, promptly yanked Johnny Humphries for Willis Hudlin. Hudlin's first move was to throw Al Simmons' grounder past second trying to force Lewis. This left the way open for old Ossie Bluege's double to left which scored Simmons and Lewis.

The Tribe was sunk. Hogsett bore down in their half of the 10th fanning Pinch-hitters Moose Solters and Frankie Pytlak and getting Ken Keltner on an easy grounder to Myer.

Cleveland's defeat gave the Yankees, who did not play today, a two-and-a-half game lead.

The Whizzer Turns Pro

White Will Enter Oxford at Conclusion Of Football Season

By LOUDON KELLY DENVER, Aug. 1 (AP)—Byron (Whizzer) White, who toyed for months with the choice between playing professional football for \$15,000 in one season or traveling to England and Oxford on a Rhodes scholarship, is going to do both.

Colorado university's all-American football star informed newspapermen today he would play this fall with the Pittsburgh Pirates.

Once the football campaign is over, he will sail to England and enroll at Oxford in January. The 21-year-old giant said he reached this decision only after "a certain group of English authorities" had assured him he could defer his entrance until midyear.

Blond Byron, stripped to shirt sleeves for rehearsal as master of ceremonies of a radio program tonight, said it "wasn't a case of changing my mind."

"If it was still a choice between the scholarship and pro football, my decision would be the same as it was in June when I picked Oxford. But now that it's definite I can play football and still go to England—well, what would you do?"

White, who led the nation's grid scoremakers last season with 122 points, said he has not yet signed a contract with Pittsburgh and would not sign until he goes east.

Pie Traynor Plays As Pirates Blank Minor League Club

SPRINGFIELD, Mass., Aug. 1 (AP)—Manager Pie Traynor returned to his old post on third base today and his Coach Johnny Gooch caught while the Pittsburgh Pirates were beating Springfield in a charity exhibition game, 5-0.

Gooch drove in four runs with his three hits, which included a double. Traynor got a single in three trials.

Andy Lipscomb, West Point rookie who is looked upon by most of the National league-leading Pirates as their "luck charm" gave up six hits, three of them by Zanelli, a shortstop.

The drive which carried Pittsburgh from fifth to first place began the day after Lipscomb joined the club.

U. S. Stars Pace London's Track Meet

LONDON, Aug. 1 (AP)—America's picked athletes dominated the International track meet in White City stadium today in spite of the combined opposition of rivals from 16 other nations.

A crowd of 33,500 saw the American team of 10 romp off with seven of the 14 events and pile up an overwhelming margin over all rivals in total points although no team title was officially at stake.

Perrin Walker, former Georgian who now runs in the colors of the New York A. C. was the only double winner—winning both the 100- and 220-yard sprints. He whipped the fleet Hollander, M. B. Osendarp, by a yard in the century in 9.9 seconds and then took the 220 8 inches from the same rival in 21.7 seconds.

Other American victories were hung up by Jack Patterson of Rice, Allan Tolmich of Wayne university, Chuck Fenske of Wisconsin, Cornelius Warmerdam of the San Francisco Olympic club and Mel Walker of Toledo, the Ohio State Negro jumper.

Local Sorority Pledges Six New Members

Three Chapters Visit As Beta Sigma Phi Serves Formal Dinner

In a formal candlelight ceremony last night at the Hotel Jefferson the local chapter of Beta Sigma Phi, international honorary sorority, pledged six new members. The group was assisted by 25 members from the three Cedar Rapids Beta Sigma Phi chapters.

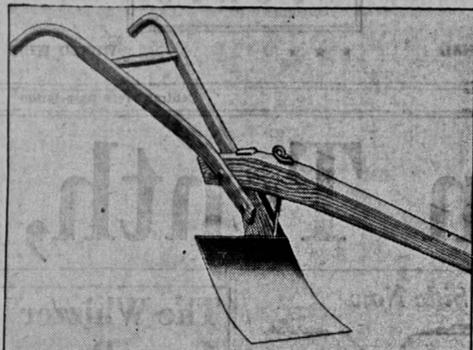

The group of new pledges includes Wilma Fogg, Gretchen Neumann, Erna Bradke, Pearl Burr, Eleanor Condon, Mrs. Walter J. Hamer and Ruth Ludwigson.

Following the pledging service the pledges were honored at a formal dinner in the mezzanine dining room. Baskets of garden flowers and black and gold tapers decorated the banquet table.

Serving as toastmistress on the after-dinner program was Mrs. Dan Norvell, national field secretary from St. Louis, Mo. Mrs. Norvell has been directing the rushing activities of the local chapter during the past few weeks.

Guests of honor included Mrs. F. D. Francis, educational advisor, Mrs. Muriel Ward, social sponsor, Mrs. F. B. Olsen, Mrs. Jessie B. Gordon and Nelle Erwin, sponsor from Cedar Rapids.

At Iowa's Centennial Fair

This plow, which broke the Iowa prairie nearly 100 years ago, was taken to Des Moines this week with numerous other plows, reapers, threshers, and farm implements of pioneer days for a huge exhibit of early farm methods, to be featured at the Iowa Territorial Centennial state fair from Aug. 26 through Sept. 2. The exhibit will include the complete evolution of the plow, the history of grain har-

vesting, old-fashioned cultivators, horse-powered threshing machines, and scores of other appliances used by primitive farmers. One section will show the evolution of the tractor, including 15 different machines dating back nearly 30 years. Almost every department of the state fair will have a similar centennial exhibit touching upon all phases of the past 100 years of Iowa life, industry and agriculture, officials said yesterday.

Construction of New Studio Assured as Executive Council O. K.'s \$40,500 Appropriation

Action Completes Official Formalities To Use PWA Grant

The construction of station WSUI's new radio studio building, with its new equipment and increased facilities, was assured yesterday when the Iowa executive council approved a \$40,500 appropriation to the University of Iowa for the station's building program.

The action by the council completed official state formalities necessary for the university to take advantage of the \$49,500 WPA radio aid grant allocated to the university recently.

The proposal had previously been approved by the legislative interim committee.

Educational radio service to the state far in excess of that now possible will be given when the proposed improvements to WSUI are completed.

On the quality of its programs, WSUI now is ranked with the finest of stations maintained by American universities, but obsolete equipment has curtailed the scope of its influence.

With more than 500 students enrolled for radio courses during the year, cramped studio space has greatly limited the efficiency of the teaching. However, more than 80 men and women have taken jobs with commercial stations after receiving Iowa training in recent years.

One of the major improvements will be a three-story studio on the south side of the engineering building.

A new transmitter to replace the obsolete one which was put into use when the station was started in 1919, also will be installed.

It is hoped that the federal communications commission will approve a proposed request to boost WSUI's power from 1,000 watts in the daytime to 5,000.

Such an increase in power would permit installation of directional antennae to eliminate much interference with stations on near frequencies.

Prof. Bruce E. Mahan, director of the extension division and chairman of the radio board, and Dean F. M. Dawson of the college of engineering presented the matter to the executive council.

Local Telephone Company To Adjust Charges September 1

In order to provide necessary revenues to meet the increased costs of furnishing telephone service in Iowa City, certain local telephone charges will be adjusted Sept. 1. M. R. Petersen, manager for the Northwestern Bell Telephone company, said yesterday.

"The point has been reached where telephone revenues in Iowa City are not adequate to enable us to continue to provide a satisfactory service and meet all necessary costs which have been reduced as far as efficient operation will permit," the telephone company manager stated.

"Obviously we must do as other businesses do, and that is to adjust our charges. The new charges will help to improve the present unsatisfactory earnings," Petersen continued.

The present and new monthly rates for telephone service follows:
Business one-party telephone service which is now \$4.50 will be changed to \$5.00, PBX trunks which are now \$5.75 are to be \$6.25, semi-public telephone service will be \$4.50 instead of \$4.00, business two-party service will be raised to \$4.25 from \$3.50, residence one-party service will be changed to \$2.25 from \$2.00.

The rate for two-party residence phone will remain the same as at present, \$1.75. Desk residence extension telephones will be reduced from \$1.00 to 75 cents. Wall and desk residence extension phones will be provided at the same rate. Rural service will remain at \$2.00, service station rates will be changed from 50 cents to 60 cents.

Richard--

(Continued from page 1)

to be a critic to recognize a sterling performance.

And looking behind the scenes of Richard's ageing process, plaudits are due those who applied the artificial age to Fleischmann's features, and to the features of every member of the cast.

In a play like "Richard," makeup assumes even greater importance than usual.

Next in line for honors is June Sherman, whose portrayal of Queen Anne was another outstanding highlight.

From the first scene to her tragic death in the fifth, her performance was sympathetic and genuine. Anne was Richard's very life. Miss Sherman was an Anne worthy of Richard's love.

Joe F. Becker as Richard's uncle, the Duke of Gloucester, while perhaps lacking the finer touches of Richard and Anne, was a convincing performer. Perhaps at times he lost sight of the atmosphere of a scene as a whole, and by consequence was a different Gloucester at one moment than he was the next.

Ben Henneke portrayed Robert De Vere, the Earl of Oxford, who shared with Richard his feeling of the joy of youthfulness and his desire for peace. His action was also pleasing — the dramatic climax of his "break" with Richard well executed.

James E. Waery's Duke of Lancaster was a convincing role. Like Fleischmann, Waery portrayed his change in age remarkably well.

And Henry, the Earl of Derby, Lancaster's son, as portrayed by Paul B. Williams, was another of last night's characters who was especially outstanding for his convincing change through the 12-year period covered by the play.

Special mention is certainly due Hollister Smith as the Duke of York, and another bright star is relegated to the makeup department for a master job. Smith's portrayal of the very humorous old counselor, always to be found on the side of the faction in power, was the lightening factor in the drama of "Richard."

As in any play, some parts were more convincing than others. That's to be expected.

List of Dead In Jamaica Wreck Now 30 to 40

KINGSTON, Jamaica, Aug. 1 (AP)—The list of dead from Saturday's excursion train wreck was revised downward tonight by railroad authorities who said the number of victims probably would number between 30 and 40 instead of the 52 as first reported.

The officials said some reported killed disappeared in the confusion and were found later. Some bodies were so badly mangled that parts of one victim were mistaken for those of two or more persons.

Iowa City Groups Aid In Supporting Chinese, Japanese Students

The Far East Student Emergency fund has sent \$151.78 to the national treasurer, Sidney Gamble of the Proctor and Gamble Soap company, Mrs. Carl E. Seashore, local treasurer, announced yesterday.

Local contributions came from students and faculty members, from student groups in churches, sororities and one fraternity. The Cosmopolitan club donated the largest contribution, Mrs. Seashore said.

No part of the funds goes for office expenses.

Ninety-eight per cent of the fund goes to Chinese students, and the remaining two per cent to Japanese students, Mrs. Seashore said.

China Resists Nippon Troops Along Yangtze

SHANGHAI, Aug. 2 (Tuesday) (AP) — One of the biggest battles of the Chinese-Japanese war in central China appeared to be under way today on both sides of the Yangtze river in the vicinity of Kiukiang, 135 miles downriver from Hankow.

The Japanese, whose forces are driving up the Yangtze toward the Chinese provisional capital, late last night said they had defeated eight Chinese divisions south of the river since July 23, date of the beginning of an offensive about Kiukiang.

Kiukiang fell on the 26th. Until last night the Japanese had reported encountering and defeating only three Chinese divisions.

Despite large-scale fighting in which Japan's combined land, naval and air forces hammered at the Chinese defenders, the Japanese admitted a fierce conflict still was continuing south of Kiukiang, with the Chinese line unbroken.

Acting Judge Fines Frank O'Leary \$10 In Intoxication Case

Justice of the Peace T. M. Fairchild, acting police judge, yesterday fined Frank O'Leary \$10 on charges of intoxication.

Probable Route for 4-H Club Good-Will Tour Is Announced

Contingent to Leave Iowa City August 11 At 7:30 in Morning

County Agent Emmett C. Gardner yesterday announced the probable route for the 4-H club county good-will tour Aug. 11, to be sponsored by the chamber of commerce and the farm bureau.

The contingent will leave Iowa City about 7:30 a.m. and will stop at Hills, Lone Tree, Downey, West Branch, Solon, North Liberty, Oxford, Tiffin, Wellman, Kalona and Riverside.

The group will eat a turkey dinner at Wellman, and there will be short stops at each place with brief speeches and entertainment of some sort, Gardner said.

The actual program for the tour has not as yet been formulated, it was revealed.

Two Fined For Illegal Fishing

I. G. DeFrance and Marion Fountain were each fined \$10 and costs by Justice of the Peace J. M. Kadlec for illegal fishing in the Iowa river.

Both men were brought in by Edward Sybil, state conservation officer, who saw the two prepare traps for the fish about four miles below the city.

406 Lambs Sold At Marketing Exhibit

Four hundred and six lambs were brought to the lamb grading and marketing demonstration yesterday, County Agent Emmett C. Gardner announced.

The lambs were graded and sold to the highest bidder. Prime lambs paid \$9.50 per hundred pounds, and good-to-choice paid \$9 per hundred pounds.

Police Return Two Runaway Boys To Davenport Home

The state highway patrol yesterday picked up two runaway boys from Davenport and turned them over to police.

Both boys, James Taylor, 15, and Raymond Taylor, 14, were found on highway 6 about 18 miles west of the city. They had run away from the Soldiers Orphan home in Davenport.

Local police contacted Davenport, and the boys have been returned to the home.

AN ORDINANCE TO ESTABLISH CERTAIN REGULATIONS GOVERNING THE ERECTION OF BUILDINGS IN THE INCORPORATED TOWN OF CORALVILLE, IOWA.

July 30, 1938
Be it hereby ordained by the Town Council of the Incorporated Town of Coralville, Iowa, that the following Housing Law be, and the same is, hereby enacted:

Section 1. Building to side line of lot—side yards. Side yard not less in width in any part than as follows:

1. Multiple dwellings. In the case of all multiple dwellings hereafter erected, one story in height and having a side yard, the width of the side yard measured to the side lot line shall be at least four feet, and such side yard shall be increased in width by one foot for each additional story above the first.

2. Private dwellings and two-family dwellings. In the case of private dwellings and two-family dwellings hereafter erected, one story or two stories in height, the width of the side yard measured to the side lot line shall be at least four feet; such side yard shall be increased in width one foot for each additional story above the second.

3. Distance between buildings on same lot. Where more than one dwelling is erected upon the same lot, the distance between them shall not be less than eight feet in the case of dwellings of one or two stories in height, this distance to be increased two feet for each additional story above the second.

Section 2. Other buildings on same lot. If any building is hereafter placed on the same lot with a dwelling, there shall always be maintained between the said buildings an open and unoccupied space extending upwards from the ground. If such buildings are placed

ed at the side of each other the space between them shall conform to the provisions of section 6340, of the Iowa Code, 1935, relating to side yards, but shall be twice the minimum therein required. If such buildings are placed one at the rear of the other the space between them shall be the same as that prescribed in section 6339, of the Iowa Code 1935, for rear yards. In all cases the height of the highest building on the lot shall regulate the dimensions.

No building of any kind shall be hereafter placed upon the same lot with a dwelling so as to decrease the minimum sizes of courts or yards hereinbefore prescribed, except that, in the case of a lot less than seventy-five feet deep, a one-story garage, not more than twenty-five feet deep, measured lengthwise of the lot, nor more than twenty-five feet in the other dimensions, or other one-story building, of like dimensions, used exclusively for domestic purposes and not as a dwelling or for the shelter or habitation of animals or fowls of any kind, may occupy one-third of the depth of the open space in this section prescribed.

If any dwelling is hereafter erected upon any lot upon which there is already another building, it shall comply with all the provisions of this chapter, and, in addition, the space between the said building and the said dwelling shall be of such size and arranged in such manner as is herein prescribed, the height of the highest

building on the lot to regulate the dimensions.

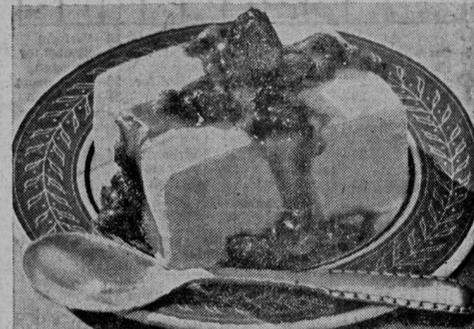

Section 3. Enforcement, Violation, Penalty.

Any person, firm or corporation who violates, disobeys, omits, neglects, or refuses to comply with, or resists the enforcements of any of the provisions of this ordinance shall, upon conviction, be fined not less than twenty-five (\$25.00) dollars nor more than one hundred (\$100.00) dollars for each offense. Each day that a violation continues to exist shall constitute a separate offense.

In case any building or structure is erected, constructed, reconstructed, altered, repaired, converted, or maintained, or any building, structure, or land, is used in violation of this ordinance or other regulation made under authority conferred hereby or by any provision of law, the council may, through its proper officers, institute an action to restrain such unlawful erection, construction, reconstruction, alteration, repair, conversion, maintenance, or use and the council may, through its proper officers, abate such violation or commerce an action to restrain and prevent the occupancy of such building, structure or land, or to prevent any illegal act or the conducting of any business or use in and about such premises.
