F. D. R. Extends Purge To O'Connor, Tydings

Asks Defeat In N. Y., Maryland Demo Races

Roosevelt Issues As Own Words Editorial From N. Y. Paper

WASHINGTON, Aug. 16 (AP)—President Roosevelt called in emphatic language today for the defeat of Sen. Millard F. Tydings of Maryland and Representative John O'Connor of New York in the coming democratic primaries. Answering a press conference question, the chief executive read, and issued as his own statement, a recently published editorial (New York Evening Post) which said Tydings was attempting to obtain renomination "with the Roosevelt prestige and the money of his conservative republican friends."

O'Connor, chairman of the important house rules committee, through which almost all legislation must pass, was called "one of the most effective obstructionists in the lower house," laboring "week in, week out . . . to tear down new deal strength" and "pickle new deal legislation." O'Connor promptly took up the gauntlet thrown down by the president. In a statement issued through his office here he said: "Like Senator George, I, too, accept the challenge. The voters in the 16th congressional district will alone decide who will represent them in the house of representatives."

"The president lives in the 26th district. 'Ham' Fish is his congressman." Will Answer F. R. He said he expected to answer the president in a nation-wide broadcast, probably tomorrow night.

The president's action in naming Tydings and O'Connor as congressional candidates whose renomination he opposes because of what he considers a lack of sympathy with new deal objectives, had been expected. He prefaced his attack upon Tydings with a complimentary reference last night to the Maryland senator's opponent, Representative David J. Lewis, in the course of a radio speech. Word got about Washington several days ago that O'Connor also had been put upon what may be called the "new deal purge list."

But the strength and vigor of the language which the president used had not been foreseen. He was, however, very jovial about it all. He had many quips and jokes for the reporters, not the least of which was an assertion that he had been invited to visit all 48 of the states, including Maine and Vermont, the only states which went republican in 1936. Further questioning revealed, however, that his invitation to Maine had been extended by his mother.

A reporter asked whether in the case of Tydings, O'Connor and Senator George (D-Ga.) who also is on the "purge list," the presidential disfavor was due to the fact that these men opposed his bill to reorganize the supreme court.

His reply was a vigorous negative, with an added statement that he did not expect this denial to end the publication of assertions to that effect.

Move to Settle Illinois Strike

WAUKEGAN, Ill., Aug. 16 (AP)—The United States labor department moved today to settle a wage controversy which brought suspension of operation on the Chicago, North Shore and Milwaukee railroad when employees refused to accept a 15 per cent wage slash.

Harry E. Scheck, a federal department of labor conciliator, announced he had received orders from Washington to attempt negotiations for a settlement. Some 1,300 rail workers were idle and some 20,000 commuters were forced to find other transportation. "The labor department," Scheck said, "is desirous of seeing this strike settled as early as possible. There is no doubt in my mind that the railroad is in financial difficulties. I will try to bring both sides together."

John J. O'Connor
New York congressman

President Roosevelt's opposition to democratic primary candidates who are foes of the new deal yesterday was extended to Representative O'Connor of New York and Senator Tydings of Maryland. The president was more vigorous than ever before in his statement against these two.

Spanish Gov't. Posts Change

Cabinet Shake-up Is Result of Differences Over War Policies

BARCELONA, Aug. 17 (Wednesday) (AP)—A Spanish government change arising from Catalan and Basque differences with administration policies was resolved early this morning with the exit of two cabinet members.

Left out of the reorganized government were Manuel Irujo, Basque nationalist minister without portfolio, and Jamie Aguade, a Catalan left republican. They were replaced by two men who previously have taken no part in high government duties—Tomas Bilbao Hospitalet, a Basque and the Spanish consul at Perpignan, France, and Jose Moix Regas, mayor of Sabadell, a town near Barcelona.

Bilbao was named to the cabinet without portfolio and has been associated with Indalecio Prieto, minister of defense until last April when the portfolio was taken over by Premier Juan Negrin. Moix was named to the labor ministry. He is a member of the unified socialist party of Catalonia which adheres to the Third International, or communist, party.

War Will Continue The change apparently had no connection with the question of continuation of the war. Premier Negrin still is in command of all important public posts, and determined to carry on the war.

Catalan differences with the government were believed to have arisen from recent cabinet decrees militarizing factories and the port of Barcelona. The factories were the last in control of the Catalan government and Catalan syndicate, and the port also was under the administration of the generalidad of autonomous Catalonia.

The decrees were a part of the central government's plan for combining all power under the cabinet.

Communists In WPA Alliance, Board Told

Frey Testifies At House Investigation Of 'Un-Americanism'

WASHINGTON, Aug. 16 (AP)—The house committee investigating un-American activities heard testimony today that the leaders of the Workers Alliance, active in organizing WPA workers, include many communists.

John P. Frey, A. F. of L. leader who already had testified that communists held high places in many CIO unions, gave the committee a long list of delegates to a Workers Alliance convention who, he said, were communists.

Front Organization? When Frey had concluded, Representative Thomas (R-NJ) said he was convinced the alliance was "one of the real front organizations" of the communist party. Earlier, Frey had predicted that the CIO would rid itself of communists. Efforts toward that end, he said, already have been started in west coast unions and in the United Automobile Workers.

From other witnesses, Walter S. Steele, chairman of the American coalition committee on national security, the committee heard that there was "grave danger" that communists, socialists, anarchists, "ultra-pacifists" and atheists would form a "united front" in this country.

If that should develop, he added, "our people might be forced to confront an exceedingly more dangerous situation than exists even today. The communists have made considerable progress in this direction."

Represents 20 Million

Steele, who said he represented 114 organizations with a combined membership of 20,000,000, also asserted that "un-American forces in the United States have attained a membership of over 6,500,000" and were engaged in a drive to win the allegiance of the nation's 20,000,000 foreign-born.

He blamed a "whispering campaign," which he said was conducted against the banks by communists, for the banking collapse of March, 1933. Moreover, he said, "communists were instructed by Russia to prevent the 'restabilization of capitalism' by keeping constant turmoil rife."

Steele's testimony was interrupted by a conflict between committee members over reading into the record the names of a group of "administration officials" alleged to be members of an organization, which, it was charged, had communistic connections.

Franco's Order May Prove Death To Group's Plan

PARIS, Aug. 16 (AP)—The nonintervention committee's plan to withdraw volunteer soldiers from Spain's war received today what may prove to be a death blow in a decree at Burgos, the insurgent capital, ending the powers of General Franco's "personal" foreign minister.

Dispatches from the insurgent capital said that shortly before the insurgents' reply to Britain's note submitting the withdrawal plan was handed the British agent at Burgos today a decree was signed by the generalissimo ousting his "pro-British" adviser.

They Play Roles in Hines Case

Mrs. Richard Davis
... to sue for divorce?

James Shalleck
... Hines' attorney

Among the many figures playing prominent roles in the sensational policy racket trial of James J. Hines, Tammany district leader, in New York include two pictured above. James Shalleck, a Hines attorney, is said to be a protégé of Hines. Mrs. Richard Davis is the wife of J. Richard (Dixie) Davis, former lawyer of the late policy king, Dutch Schultz, who has turned state's evidence against Hines. It has been rumored Mrs. Davis would seek a divorce from him when the trial has ended. When arrested, Davis was found in the company of Hope Dare, former showgirl, listed as his sweetheart.

Policy Racket Trial of Hines, Tammanyite, Will Begin Today; Selection of Jury Completed

Opening Addresses By Lawyers Expected To Take Most of Day

NEW YORK, Aug. 16 (AP)—With a 12-man jury and two alternates chosen from a special list of 300 talesmen, the state cleared the way late today for the unfolding of voluminous testimony that brought powerful Tammany District Leader James J. Hines to the bar to answer conspiracy charges in a multi-million-dollar policy racket.

The trial will get under way tomorrow with indications that the opening addresses of District Attorney Thomas E. Dewey, famed for his racket-smashing prosecutions, and Lloyd Paul Stryker of defense counsel would take most of the day.

Veering from precedent to address the jurors before the trial, Supreme Court Justice Ferdinand Pecora talked briefly about the rules of evidence immediately after the last alternate had been agreed upon.

His remarks, the justice said, would be elaborated at the end of the trial. He reminded them that Hines, under the American system of jurisprudence, was entitled to the presumption of innocence and that this benefit should inure to him beyond reasonable doubt. The indictment, Pecora said, was simply a written accusation and carried no implication of guilt of the defendant.

When the jury was complete, 109 of the panel of 300 remained and when Justice Pecora excused them there was a concerted rush for the door. The justice told the jurors they would be locked up for duration of the trial.

Throughout a day when high temperatures and humidity caused mounting tempers to flare easily, opposing counsel moved with unexpected dispatch in winnowing from a list of blue ribbon talesmen the jurors to decide the future of Hines.

Justice Ferdinand Pecora
... presides at racket trial

Justice Ferdinand Pecora of the New York state supreme court presides at the policy racket trial of James J. Hines, Tammany district chieftain, which opened in New York Monday. Star witness for the state is expected to be J. Richard (Dixie) Davis, former lawyer for the late Dutch Schultz, reputed czar until his death at the hands of rival gangsters. Davis, also accused with Hines, turned state's evidence in return for a favor granted him by Prosecutor Thomas Dewey.

Discover Two Victims of Mad Ohio Slayer

Men Find Bodies Of Women in Fill-in Dump On Lake Erie Shore

CLEVELAND, Aug. 16 (AP)—Remains of two women, the 11th and 12th victims of Cleveland's mad "torso slayer" were found in pieces tonight in a fill-in dump near the shore of Lake Erie.

Coroner S. R. Gerber said the decapitated, dissected bodies bore the same tell-tale surgical marks and methods as those of 10 previous victims ascribed to the fiendish maniac.

The first body, discovered late today, was in four parts—head, upper torso and both legs. Both arms and legs had been dismembered. The legs were severed at the knees. All organs were missing.

Within Last 3 Weeks The second woman's skull and badly decomposed remains were found about 200 feet away from the first as detectives searched for clues.

Coroner Gerber said the first woman was between 20 and 25 years old, weighed about 120 pounds and had light brown hair. A blue suit coat and part of a quilt were found with the body.

Police believed the remains were placed in the dump within the last three weeks. The scene is a barren, rocky pit, part of a fill-in for the new east lake shore boulevard near the location of last year's Great Lakes exposition.

The parts of the second victim included the skull, ribs, vertebrae and pelvis bones. She may have been a Negro, Gerber said. Both heads had been severed between the third and fourth cervical vertebrae, Gerber said, the same as in the cases of the previous killings of four women and six men ascribed to the fiendish surgical maniac.

The first woman's head was wrapped in paper, the torso section was in old canvas and the legs in a paper carton. Both bodies had been nearly hidden under large rocks and chunks of concrete.

Men Discover Body Two men collecting scrap metal on the dump, came across a part of the first body sticking out of a crevasse. They called police.

According to Coroner Gerber's records these would be the 11th and 12th victims of the "torso killer." He discounts connection of a 1934 slaying with the series of slayings.

The coroner's reports have held that all the slayings were done by a "maniacal mass murderer" who has at least some knowledge of surgery.

English Army Gets Shake-up To Renew Vigor

LONDON, Aug. 16 (AP)—Leslie Hore-Belisha, British war secretary, put 13 generals on the retired list today in a drastic new shakeup designed to jolt the British army into vigorous equality with the marching men of Europe's dictators.

The most widespread changes in the high command since the World war were announced in the army gazette as the newest step in the war secretary's determined plan to inject red blood into the nation's compact land forces.

TALKIE AGE Hard of Hearing Judge Screen Diction

NEW YORK, Aug. 16 (AP)—Screen stars' diction is being judged by the American Society for Hard of Hearing and, results today indicated, somebody is going to win by no more than a vowel.

Dr. Edmund P. Fowler, president, said a speaker who "mouths" or who "talks behind the teeth," cannot be understood easily by lip-readers consequently, such hard-of-hearing persons judge diction by lip movement.

Fowler said the winners would be announced next week, but meanwhile Clark Gable, Fredric March, William Powell, George Arliss and Mickey Rooney are leading among the men. Myrna Loy, Irene Dunn and Jeannette MacDonald are the women leaders.

Union to Hear Maytag Terms

CIO Schedules Mass Meeting on Labor Contract Negotiations

NEWTON, Aug. 16 (AP)—members of the Maytag CIO union are scheduled to hear the terms upon which the washing machine company will sign a labor contract from members of the union's negotiating committee at a mass meeting here tomorrow night.

The union committee announced plans for the meeting late today after being in conference with company officials almost continuously since Saturday.

William Sentner, St. Louis, Mo., regional CIO official, said all points covered in the negotiations, particularly—with respect to wages, would be presented to the members.

Will Resume Hearing Sentner said also that the National Labor Relations board hearing in Des Moines, which has been in recess several days to permit contract negotiations to proceed, would be resumed tomorrow morning.

Edward W. Ford, Maytag attorney, said the wage feature, which has been a major point in all contract negotiations, was the same as offered through Gov. Nelson G. Kraschel at the time the governor permitted the plant to re-open Aug. 4 under national guard protection.

This proposal embodied the 10 per cent wage cut, in protest against which the company's 1,400 employes walked out on May 9.

Wage Increase Provided The proposal further provides, however, that in event of sufficient net earnings this year to meet its preferred stock requirements, the company would grant a five per cent increase in wages next January.

In the event the company's net earnings were sufficient by June 30, 1939 to meet all preferred stock requirements plus an additional 25 cents per share for common stock, the company promised an additional five per cent increase, for the period ending June 30, 1940.

Attorney Ford said the company and the union "partially agreed and partially disagreed" in their discussion of contract proposals this afternoon.

Prior to presenting the company's proposal to the full membership of the union, the negotiating committee was to discuss the matter with the union stewards.

National guard strength in the strike area was reduced from 250 men and 18 officers to 125 men and 10 officers today.

Moral Weight Of America Resists War

Secretary of State Lays 7-Point Program Before Jittery Europe

WASHINGTON, Aug. 16 (AP)—Cordell Hull, secretary of state, urged upon all nations tonight the adoption of "a comprehensive program embracing both economic reconstruction and revitalizing of principles which are indispensable for restoration of order under law."

He laid a seven-point program before a Europe made jittery by Hitler's mobilization of 1,000,000 men for army maneuvers on the Czech and French borders and Mussolini's speech last Thursday indicating a European war was approaching.

Speaks Over Network He spoke over a national (NBC) broadcast, deliberately choosing a moment regarded as crucial in Europe to throw America's moral weight into the arena before it was too late. He addressed himself to a world which he said was becoming "smaller and smaller" with the result that "it will soon no longer be possible for some nations to choose and follow the way of force and for other nations at the same time to choose and follow the way of reason. All will have to go in the direction and by one way."

His speech was sent by short-wave radio to Europe and Latin America and was radioed textually by the state department to American diplomatic representatives abroad so that they, at their discretion, might present it to foreign governments.

Asks Reconstruction His program included economic reconstruction, adherence to international law, respect for treaties combined with orderly modification of provisions of treaties, abstention from use of force and peaceful settlement of differences, reduction of armaments, cultural exchanges among nations and, generally, international cooperation.

Hull told the nations that no one of them, including our own, "can avoid participation in determining which course (force or reason) will be taken." He added that "consciously or unconsciously, every country is throwing the weight of its attitude and action, positive or negative, toward one course or the other."

Officials indicated he was speaking particularly to the smaller nations which have been coming under the sway of Germany, especially in the Balkans. Hitherto his remarks have been pointed toward the big dictatorships. Now he sought to win over to the democratic countries the lesser nations whose form of government and whose policy remain in doubt.

He mentioned no names, but officials believed he had Germany, Japan and Italy in mind when he said: "The disintegration of the structure of world order under law and the abandonment or repudiation of the principles underlying it have proceeded with staggering rapidity."

Hull brought the danger home to the average American by saying: "No one of us can be sure that his country or even his home is safe. . . . Conditions of wholesale chaos will not develop overnight; but it is clear that the present trend is in that direction."

Rumors Cause German Slump

BERLIN, Aug. 16 (AP)—Continuing rumors that taxation of capital is to be further increased caused another slump on the Berlin boerse today, the prices dropping in some cases as much as five per cent.

The rumors increased capital taxation persisted despite an emphatic denial yesterday by Minister of Finance Graf Schwerin von Krosigk.

The denial, in which the minister pointed out the reich's "urgent need for capital" was covered by the increase in the corporation tax announced Aug. 2, failed to influence the boerse and went un-noticed by the general public, which appeared in increasing numbers as sellers.

10th Annual 4-H Club Show Opens Tonight

Five-hundred persons — Johnson county farm bureau members and 4-H club participants—tonight will open the 10th annual Johnson county 4-H club show with a pageant, "A Century of Harmony."

The pageant, running for two hours, is scheduled to open in east Iowa stadium at 7:30. Should rain drive the performers inside, it will begin at the same time in the Iowa fieldhouse.

Throughout the entire two hours will be music, folk dances, singing

and the musical history of the life of different immigrant groups settling in this part of Iowa. It will be one of the most pretentious shows ever undertaken here.

Mrs. Emmett C. Gardner wrote the script, along with Robert P. Adams of North Liberty and Florence Warren of Iowa City.

Mr. Gardner, county agent, directed the entire pageant.

Tonight's performance opens with Indian scenes and music and then turns to the pioneer, German, Irish,

Scottish, Bohemian, Amish, Mennonite and Quaker settlers.

Leland Stock will be narrator, speaking over a public address system; and several musical groups will take part, including the county 4-H band — directed by Clifford Burkey.

Also this evening the rural women's farm bureau chorus and the 4-H girls' chorus will sing.

In many instances tonight actual costumes, wagons and farm equipment used by the original pioneers will be used.

Actual judging of livestock will not get under way until tomorrow morning, and results will probably be announced after each project is judged.

Many women's and girls' activities will be featured in the show, including booth exhibits and demonstration teams.

At 2 p.m. tomorrow the matinee pony show will open, with events for ponies 12 hands high and under and for those between 12 and 14.2 hands. Winners of the two divi-

sions will compete in the pony stakes.

Tomorrow evening the society horse show and demonstration by the high school horses will open at 7:45 p.m., preceded by a baby beef calf curling demonstration and special music.

More farm boys and girls than ever before are taking part in this year's show, County Agent Gardner has announced.

Judging will be continued Friday morning and afternoon.

There are more participants in the 4-H club health contests, in which a boy and a girl will be chosen to represent Johnson county in the state contest at Des Moines.

The winners receive free trips to the state fair under the auspices of the local Lions club.

Probably, Gardner said, more livestock will be entered for this year's show than ever before in its 10 years. Most exhibits will be in place by noon, ready for the official opening tonight at about 7 p.m.

Outfielder Again!

Mel Ott

Back into the outfield went Mel Ott today, as Myatt, promising rookie purchase by the New York Giants of the National league took over Mel's third base job. Mel is playing at right field, from which position he was converted by Manager Bill Terry into a third sacker. Myatt, formerly with the Jersey City club of the International league, a Giant farm, has made something of a record for himself this year by stealing 40 bases to date. The move is another in a series being made by the Giants to whip the ball club into a winning streak and try to overtake the stubborn Pittsburgh Pirates, who have hung onto the National league lead too long to suit the Giant bosses.

Pittsburgh Widens Margin With Win Over Cincinnati

PITTSBURGH, Aug. 16 (AP)—The tiring Pittsburgh Pirates called out the reserves today, shook themselves out of a slump and behind steady pitching of Cy Blanton whitewashed Cincinnati's slugging Reds 10 to 0.

The triumph boosted the Buccaneers' margin to five full games over the second place Giants, who lost to Brooklyn. The Buc's enthusiasm had shown signs of waning recently as they suffered four defeats in the past five games, which led Manager Pie Traynor to bench Captain Gus Suhr and Catcher Al Todd.

Brubaker Homers Bill Brubaker, taking Suhr's job at first base, slammed out three hits in four trips, including a home run over the left field fence with one on during a six-run flurry in the third.

Johnny Rizzo, who took over the cleanup notch which Suhr had occupied in the batting order, collected two singles and then retired from the game because of the heat—taking with him a mark of six successive hits including four in a row yesterday.

Twelve Pirates trotted to the plate in the third inning, when Brubaker got his homer and Lee Handley and Arky Vaughan made triples. Manager Bill McKechnie elected to keep Ray (Peaches) Davis in the box during the barrage, until he forced in the sixth run with a walk.

Wearer Relieves Davis Big Jim Wearer, former Pirate, then relieved Davis and held his old mates scoreless until the eighth when Blanton and Handley singled and little Lloyd Waner brought them home with his fourth homer of the season, a 430-foot ball inside the park.

Ray Berres, who replaced Todd behind the bat, helped Cy fan five batters and made one hit in four times at bat. Blanton had the once rampant Reds helpless with one hit for five frames, but the visitors began nipping at him in the sixth and filled the bases on three hits in the ninth before he chopped off the rally.

Technically, Wrigley knows practically nothing of baseball, and admits it. But he has a head full of ideas. One of the reasons he lost faith in Grimm as a manager was that when he made a suggestion to Grimm, the ex-Cub pilot would convey them to the team in the clubhouse with: "This is Mr. Wrigley's idea, not mine." Wrigley thinks such a statement showed a weakness in Grimm. Wrigley makes mistakes, but he's a man of action. Since he inherited the club, he made two of the most daring deals of the years, obtaining Dizzy Dean and trading Lonnie Warneke, a great Cub hero.

Iowa Negro Club In Tournament

WICHITA, Kan., Aug. 16 (AP)—Batting eyes were good after a day's layoff because of rain, as teams from Youngstown, Ohio, Barrington, N. H., Algona, Ia., and Lynnburg, Va. downed opposing nines in the National Semipro baseball tournament today. Heavy hitting marked most daylight games beginning with Youngstown's 2-1 victory over Barrington, Mass., with both teams playing errorless ball and dividing 15 safe blows.

New York Leads By Eight Games After Easy Wins

WASHINGTON, Aug. 16 (AP)—The Yankees took both games of a doubleheader from Washington today and increased their American league lead over Cleveland to eight games. The score of the first was 16-1 and of the second 6-2.

Lefty Gomez and Red Ruffing, pitching in that order, limited the Senators to six hits in each game. The Yankee seige guns, on the other hand, hammered three Washington hurlers for 14 blows in the opener and gathered 10 more off two pitchers in the second game.

Lou Gehrig led the first game attack with four hits. He contributed a double and his 22nd home run in a fourth inning splurge which netted the Yankees nine runs. Joe DiMaggio poled his 23rd home run, a double and a single in the second game. Zeke Bonura, Washington first baseman, also hit a homer.

Bucky Harris started his two young left handers, Ken Chase and Joe Krakauskas. Chase lasted less than three full innings of the first game and Krakauskas retired in the seventh of the second. Before he was lifted for a pinch-hitter, however, Krakauskas fanned 10 Yankees.

Jake Powell returned to the Yankee lineup in the second game for the first time since he was suspended for a radio interview and was the target for three pop bottle assaults. Once the game was held up for five minutes while ground-keepers cleared the debris near the left field bleachers.

Pop Bottles Jake Powell Subject Of Barrage

WASHINGTON, Aug. 16 (AP)—Jake Powell, Yankee outfielder recently suspended for 10 days for a remark made in a radio interview, was booed when he appeared at the plate today in the second game of the New Yorkers' doubleheader with the Senators.

Third man to come to the plate, the left fielder drew a walk. One pop bottle was thrown from the stands when he reached first base.

In the sixth inning of the second game, Powell moved close to the left field stands and there was a sudden shower of pop bottles.

Budge Arrives For Tourney

NEWPORT, R. I., Aug. 16 (AP)—Don Budge, rated as the world's outstanding amateur tennis player today staked his claim on his third consecutive Newport Casino title by breezing through two competent rivals to gain the round of 16.

Budge, who arrived a day late thereby missing yesterday's terrific heat, opened his campaign for his third leg on the Casino's historic trophy by marching through Robert Low of New York for a 6-2, 6-2, victory and then facing Owen Anderson of Los Angeles, who bowed by a 6-0, 6-3 margin.

While Budge coasted into the fourth round, Second-seeded Joe Hunt of Los Angeles, kept pace with him by defeating Frank Shields, tennis' gift to Hollywood, by a 3-6, 6-1, 6-3 margin. Frank Parker of Beverly Hills, Cal., gained such a bracket yesterday and today he was joined by Elwood Cooke of Portland, Ore., who was seeded fourth, and Wilmer Allison of Austin, Tex., who was ranked next on the Casino's domestic list.

Frank Kovacs of Oakland, Cal., sixth seeded, became the third victim of the heat this morning, when he was forced to default to William Murphy of Chicago, after the latter won the first set at 6-2, and had three games to one lead in the second.

Bryan (Bitsy) Grant of Atlanta, ranked next in the draw, had an easy time getting through Robert Kamrath of Austin, Tex., 6-3, 6-1.

Mako and Wood The two remaining seeded players, Gene Mako of Los Angeles, and Sydney Wood of Beverly Hills, Cal., who delayed their arrivals until today, defied the more prompt arrivals. Mako was forced to battle his way through three opponents, and Wood, aided by a bye, overcame two rivals to gain the fourth round.

Only one of the eight foreign seedings, Yvon Petra of France, survived the second day's play. Petra won two matches to be Charles Hare of England, who topped the foreign group, encountered the capable Hal Surface of Kansas City, in a third round match and bowed out, 6-3, 6-2.

Among the other foreign casualties was the Veteran Jacques Brugnon of France, who won his opening match and then dropped an extra match to Gardner Mulloy of Miami, 6-4, 3-6, 6-3.

What! No Champ? Murberger Declares Title Vacant; Pesek Lays Claim to Crown

RAVENNA, Neb., Aug. 16 (AP)—"Tiger Jaw" Pesek, idol of Nebraska wrestling fans, said here today the only reason he was not able to meet "worthy opponents" was because "no one could ever get them into the ring."

Commenting on the statement of Sam Murberger, chairman of the National Wrestling association's rating committee, that the world's title was declared vacant because Pesek had refused to meet "worthy opponents," Pesek said: "I can't get 'em in the ring. I posted a \$2,500 forfeit to meet Bronko Nagurski and Everett Marshall, but they never would take me up. I haven't lost a match in 14 years."

Pesek said he would wrestle with Nagurski and guarantee to beat him "10 straight falls but how can I be sure he wouldn't be able to come back after the first fall?"

Cleveland Indians Paced To Victory With Hale's Homer

CLEVELAND, Aug. 16 (AP)—Cleveland set down the last-place St. Louis Browns 9-6 today and gave Mel Harder his 10th victory of the season.

Sammy Hale's home run with the bases unoccupied in the fourth paced the Indians' 12-hit attack on Les Tietje, Ed Cole, Russ Van Atta and Buck Newson. Tietje was the loser.

Billy Sullivan, former Indian, delivered three singles to lead the Browns' attack.

Yanks Sweep Doubleheader From Senators

WASHINGTON, Aug. 16 (AP)—The Yankees took both games of a doubleheader from Washington today and increased their American league lead over Cleveland to eight games. The score of the first was 16-1 and of the second 6-2.

Lefty Gomez and Red Ruffing, pitching in that order, limited the Senators to six hits in each game. The Yankee seige guns, on the other hand, hammered three Washington hurlers for 14 blows in the opener and gathered 10 more off two pitchers in the second game.

Lou Gehrig led the first game attack with four hits. He contributed a double and his 22nd home run in a fourth inning splurge which netted the Yankees nine runs. Joe DiMaggio poled his 23rd home run, a double and a single in the second game. Zeke Bonura, Washington first baseman, also hit a homer.

Bucky Harris started his two young left handers, Ken Chase and Joe Krakauskas. Chase lasted less than three full innings of the first game and Krakauskas retired in the seventh of the second. Before he was lifted for a pinch-hitter, however, Krakauskas fanned 10 Yankees.

Jake Powell returned to the Yankee lineup in the second game for the first time since he was suspended for a radio interview and was the target for three pop bottle assaults. Once the game was held up for five minutes while ground-keepers cleared the debris near the left field bleachers.

Both Fighters In Good Shape For Title Bout

Promoters Expect Large Gate For Postponed Battle

By EDDIE BRIETZ NEW YORK, Aug. 16 (AP)—Gearing up by an additional week's training, Lou Ambers and Henry Armstrong will settle their dispute for Lou's lightweight championship in Madison Square Garden tomorrow night.

Originally booked for the Polo Grounds last Wednesday night, the fight was postponed and transferred indoors when a downpour of rain drenched 5,000 spectators just as hostilities were about to begin.

Had the fight gone on it would have been a financial, if not an artistic flop, but Promoter Mike Jacobs tells us it will be a different story when the two little champs charge into each other in the Garden.

Sell More Seats "Already we've sold more ringside and \$11.50 seats than we sold for the Polo Grounds," said Mike today. "The pasteboards are moving today and I look for a crowd of 18,000 and a gate of about \$100,000."

Other estimates placed the gross receipts at nearer \$70,000 or \$80,000. Jacobs has the big arena scaled so that a sell-out would bring in a gate of \$130,000.

Armstrong, holder of the featherweight and lightweight crowns will be bidding for his third ring title in less than a year when he goes after Ambers. If successful, he'll be the first man in boxing history to accomplish this feat.

Although the New York state athletic commission has repeatedly ruled that only Ambers' 135-pound crown will be at stake, it is believed that if the New Yorker upsets the dope and beats Armstrong decisively, he'll lay immediate claim to the crown Armstrong recently won from Barney Ross.

New Contract To stifle these reports and to give Armstrong as much protection as possible, the commission today called in Promoter Jacobs and Managers Eddie Mead and Al Well and had them sign an agreement specifying that the fight is for the lightweight championship and that no other title is at stake.

This is to be appended to the original contract which merely called for the boys to punch it out for the lightweight honors.

Armstrong, a knockout winner in 35 of his last 38 fights, remained a steady favorite at 3 and 3 1-2 to 1. There is little or no wagering. Largest single bet reported was Al Johnson, the comedian, laying \$1,100 to \$1,000 that Armstrong wins by a knockout.

Fighters In Shape The lay-off appears not to have affected the fighters adversely. If either is the worse for it, it probably is Ambers who was reported in the top shape of his fighting career last Wednesday. There have been rumors from Summit, N. J., that Lou may have a little wet trouble, but these were laughed off by Will. Ambers weighed 134 after his last drill Monday.

Weighing in ceremonies are scheduled before the boxing commission at noon tomorrow.

Essex Tournney Sees Upsets Of Favorites

MANCHESTER, Mass., Aug. 16 (AP)—Starting upsets by a pair of unseeded San Francisco girls, and Nancy Wynne, 21, of Australia, featured today's play as the 14th annual Essex county club women's invitation tennis tournament moved into its quarter-finals round.

Such highly favored stars as Second-seeded Dorothy Bundy of Santa Monica, Cal., Mme. Mathieu, champion of France and top-seeded foreigner, and Mme. Sylvia Henrotin, third ranking foreigner went down in the wave of upsets.

It was Margaret Osborne and Virginia Wolfenden who proved the "giant-killers" of the day, Miss Osborne defeating the famed Mme. Mathieu, 6-0, 3-6, 6-4, and Miss Wolfenden defeating Mme. Henrotin 7-5, 6-1.

Miss Wynne earned her place in the quarter-finals with a win over Miss Bundy, 5-7, 6-2, 6-2.

The other seeded stars advanced as expected.

Goody Rosen was the Dodgers' hitting hero with three singles. His second put him in position to score the tying run in the eighth, and his third drove in the two runs in the ninth that broke the deadlock. Buddy Hassett's single brought in the final two tallies. Ernie Koy's eighth homer, with Gilly Campbell on base, accounted for the other Dodger scoring.

The defeat, coupled with Pittsburgh's victory, dropped the Giants five games behind the league-leading Pirates.

Carl Ahlgren Takes Individual Honors In Swimming Meet

DES MOINES, Ia., Aug. 16 (AP)—Winning three events, Carl Ahlgren of Des Moines, University of Iowa freshman, captured individual honors in the Iowa open swimming meet here tonight.

Ahlgren led the field to the finish marks in the 100, 200 and 500 meter free style events.

Another University of Iowa freshman, George Poulos, Marshalltown, pressed Ahlgren for individual honors.

Poulos, champion of the state and midwest in the breaststroke, won his specialty in the fast time of 1:20.7 and then walked away with the individual medley, characterized as the swimming death because of the three separate styles of strokes required of entrants over a 150 meter course.

Ahlgren, champion in the state 200 and 500 yard distances and the midwest A.A.U.'s titleholder at 200 and 400 yards, beat Gene Kershaw, Iowa 100-yard champion, in the 100-meter event. The winner's time was 1:06. In the 200 and 500 meter events Ahlgren never was threatened.

Lack of competitors caused officials to cancel several events.

Jim Milward Defends Title

KENOSHA, Wis., Aug. 16 (AP)—Jim Milward, Madison, Wis., professional and tournament defending champion, waged an uphill battle on the rain-soaked Kenosha Country club course today to win the state open golf championship by a one-stroke margin over Russell (Rud) Leonard, red-headed Rhinelander, Wis., pro.

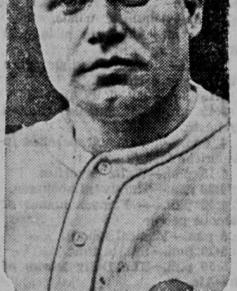

Milward, lagging five strokes behind Leonard as play began on the final 36 holes today, retained his crown by turning in a 54-hole total of 213 on rounds of 70-69-74. Leonard earned 214 on 65-73-76. Heavy rain had forced cancellation of yesterday's second 18-hole round and play was limited to 54 holes.

Golf Balls In Court

Louisville Man Says Balls Are Menace To His Household

LOUISVILLE, Ky., Aug. 16 (AP)—A Louisville court held today the law hasn't any more control over a golf-slice than the golfer.

H. H. Gering, lumber manufacturer, exhibited 51 golf balls in Circuit Judge Churchill Humphrey's court, claiming they were picked up on his lawn since May and he wanted it stopped.

Gering asked an injunction to prevent the members of the Audubon country club from the use of No. 4 tee. His property lies about 225 yards from the tee.

The manufacturer said the balls "whizzed" by his ears as he cut grass and were a source of continual annoyance to members of his household.

Judge Humphrey enjoined members of the club from going onto Gering's grounds to get sliced balls.

The judge held, however, that a court couldn't control the "personal" conduct of a golf ball by "judicial feat" and it was content to let the "law of gravity take precedence over the law of man."

Elberber won the 100 meters in 10.8 seconds while the Germans Fischer and Kreher were timed in 10.8 and 11 flat.

Cubs Come From Behind to Take Initial Fracas

CHICAGO, Aug. 16 (AP)—The St. Louis Cardinals made it two out of three in their series with Chicago today by winning the second game of a rain-delayed doubleheader, 5 to 2, after the Cubs had come from behind to take the opener, 5 to 4, in 11 innings.

The Cubs scored twice after two were out in the ninth inning of the first game to tie it up and won in the second extra inning when Frank Demaree's triple scored Ken O'Dea who had singled. The contest was held up three times in the 10th, the interruptions using up one hour and 25 minutes.

Curt Davis, former Cub right-hander, turned in an effective pitching job in the second game, keeping nine hits apart, and helped out with a home run. Stu Martin also hit a homer for the Cardinals, while Terry Moore, Card outfielder, hit one in the first inning of the first game.

Coroner's Jury Finds Death 'Accidental and Unavoidable'

Local Woman Was Struck By Auto Monday

Inquest Ordered By Police Chief Because Of Conflicting Reports

A coroner's jury last night found the death Monday night of Winifred Kennedy, elderly Iowa City woman, "accidental and unavoidable."

Miss Kennedy was killed Monday at the corner of Burlington and Linn streets at 7:35 p.m., when struck by a car driven by R. L. Moore, 1024 Walnut street.

The inquest into her death was ordered yesterday afternoon by Police Chief W. H. Bender because of conflicting reports given by eye witnesses of the accident.

County Coroner George D. Callahan set the inquest for 7 p.m. yesterday.

At the inquest the story of Mr. Moore, who said his car struck Miss Kennedy as she was walking east across the north side of Burlington street at its intersection with Linn street, was upheld. Mrs. Jeanette McElhinney, 2 Bella Vista, had signed an affidavit with a different version of the accident earlier yesterday. She was a witness of the accident.

Miss Kennedy had lived in Iowa City for several years with her brother-in-law and sister, Mr. and Mrs. John F. Kennedy, 214 E. Court street, coming here from Chicago.

Her body will be taken to Chicago for burial.

Dodge Heir May Have Been Trying to Aid In Efforts to Rescue

LITTLE CURRENT, Ont., Aug. 16 (Canadian Press) — Survivors of the explosion and drowning tragedy which yesterday took the life of Daniel Dodge, 21-year-old multi-millionaire member of the Dodge motor car family, indicated today he may have died while trying to help direct rescue efforts.

Dodge, his 20-year-old bride of 13 days, and two camp workers were hurt in a dynamite explosion Saturday afternoon at the Dodge summer home at Kagawong on Manitoulin island. Dodge went overboard and drowned as the victims hurried in a small motorboat across Georgian Bay to get medical aid.

None of the party was certain just what happened as Dodge went into the water. Dr. R. McQuay, who treated the survivors at Mindemoya hospital here, said:

"Mrs. Dodge told me she lost control of the boat for a moment, and that Valiquette (Frank Valiquette, one of the injured camp workers) left his seat at the stern of the boat to help her. Mr. Dodge, who had been sitting with him, remained alone for a few seconds, and then, without saying anything, he got up to help her with the boat, Mrs. Dodge said."

Valiquette said they turned the boat around as quickly as possible. They saw him once, but could not get closer than 20 feet because of the heavy waves.

"He did not seem to be swimming," said Valiquette, "but as we watched, he reached up and brushed the hair out of his eyes. By the time we got turned around again he was gone. We circled the spot for about 20 minutes, but we never saw him again."

Numerous other historical exhibits are being assembled for the Centennial Fair, including feminine fashions of the past 100 years, period rooms from 1838 to 1938, an old relics' show, a pioneer farm implement show, a huge mural showing the history of farming in Iowa, and contrasting types of livestock of the past 100 years. The dates of the Centennial State Fair will be Aug. 26 through Sept. 2.

Japanese Say 'Bandits' Still Trouble Them

HSINGKING, Manchoukuo, Aug. 16 (AP) — Japanese army officers admit Chinese irregulars still are active in Manchoukuo after seven years fighting to stamp them out.

They expect the "bandit" trouble, which they say is largely communist inspired, to increase when and if a war with Soviet Russia occurs.

Official figures state that the bandit irregulars have been reduced from an original 200,000 to 100,000. Most of the irregulars operate under names of patriotic societies. While a certain part of their activities may be dictated by economic necessity — the need for food and clothing — their main objective is to war against Japan.

Hsinking, capital of this Japanese-inspired empire of 34,000,000 people, and Harbin, one of its chief cities, have museums exhibiting bandit equipment which contains some of the latest articles used by the Japanese army. Reliable circles say such things are sold to irregulars by native Manchoukuo troops which Japanese are building up to help garrison the country.

It has been reported widely, but officially unconfirmed, that a large force of these native troops multiplied in Jehol province, adjoining China proper, in June and joined the Chinese army of General Fu Tso-Yi, Suiyuan province warrior. Authorities here say the Jehol province situation has been cleaned up, but reliable sources state that the Japanese army lost two airplanes and a number killed in action before the Chinese were isolated in the mountains.

Georgia Senator Takes Stand on States' Rights

WASHINGTON, Aug. 16 (AP) — An issue of political states' rights, venerated by heritage and tradition throughout the south, has been raised by Sen. Walter F. George of Georgia in accepting President Roosevelt's challenge to his renomination.

George's opening speech at Waycross, Ga., served definite notice on the president that Mr. Roosevelt had pitted his popularity in the state against a foe man worthy of his steel.

It touched the chords of southern memories of the "lost cause" of the 60's, paraded anew the question of white supremacy and, above all, avoided the pitfall of any direct attack upon President Roosevelt personally or upon his broad social or economic objectives.

Mr. Cooney had just finished his lunch and started down the basement stairs when he apparently slipped, fell and struck his head on the concrete.

A life resident of the county, Mr. Cooney had been employed by the university until several months ago. He was born May 20, 1867.

Survivors include the widow; two sons, George and Frank Cooney, both of Iowa City, and one daughter, Mrs. Glenn Farnsworth, also of Iowa City.

Announce Program for Meeting Of Johnson County Old Settlers

Will Re-enact First Lincoln, Douglas Debate As Feature Event

The complete program of the annual meeting of the Johnson County Old Settlers' association — to take place Monday at the City park — was announced last night by Rolla Work, president.

A feature of the program will be a reenactment of the first debate by Abraham Lincoln and Stephen A. Douglas held at Ottawa, Ill., Aug. 21, 1858. The addresses will be given in the exact words of Lincoln and Douglas.

Milo Green and Paul Davee of the university speech department will give the addresses. Levi O. Leonard of the state historical society will give a five-minute description of hearing Senator Douglas deliver a political address in the park in Iowa City Oct. 6, 1860.

At 1:30 p.m., immediately preceding the speaking program, the Grenadiers' drum and bugle corps will give a half-hour drill and concert. The organization consists of 50 Iowa City boys, all in uniform. Mr. Work will give the address of welcome, and A. P. Cordry, also of the speech department, will read portions of the story, "I Knew Lincoln." The association has been unable

to find anyone in Johnson county who heard Abraham Lincoln. If anyone is found, he will be asked to give a description at the meeting.

Picnic dinners for family and neighborhood groups will be held on the grounds from 11:30 a.m. to 1 p.m. The association will furnish tables and coffee.

Different Simple Human Drama Holds Interest
"PAVED WITH GOOD INTENTIONS" by Dorothy McCleary. (Doubleday-Doran. \$2. 1938.) "Paved with Good Intentions" is the kind of book that is not a best-seller; only a few discriminating readers find it. They tell their friends. It has a small but appreciative audience.

Once read its memory remains forever. It's a poignant, unspectacular, altogether simple, slow moving love story of what happens to love under severe economic stress. The book begins with two youngsters, penniless as to finance, rich as to love. They're both from small towns, and they both are in Washington, D. C. They marry on dreams.

That one section dealing with the birth of their first child, what happens before and after, is described minutely and with great emotional detail.

Then everything changes in their lives. The child changes things. The young father begins frequenting bars, drinking, accepting charity from any who offer it.

And all through there's the ruin of their marriage through a force they can't control; always they act "with good intentions," when intentions are less than enough.

There is simple, human tragedy, written with depth and skill. It is "Paved with Good Intentions."

Pioneer Stockade To Form Entrance At Centennial Fair

A pioneer stockade, flanked by old-time blockhouses, is being completed to form the main entrance to the Iowa territorial centennial state fair. This year's state fair is the official climax of Iowa's statewide centennial celebration, and every department will be replete with exhibits and features of pioneer days.

Highlights among the centennial displays include period rooms from 1838 to 1938, a style show of the past 100 years, exhibits of pioneer farming equipment, an old-time auto show and floats tracing Iowa's hundred years of history.

The centennial state fair is annual 4-H club show.

Centennial State Fair to Show Pageant, 'Cavalcade of Iowa'

Final 10-Day Program Of Entertainment For Celebration Announced

DES MOINES, Aug. 16 (Special)—The final 10-day entertainment program for Iowa's statewide centennial celebration opening at the state fair here next week was announced today by exposition officials.

Running two days longer than usual and including a larger array of attractions than has ever been presented by the state fair, the final program includes:

A statewide centennial pageant "Cavalcade of Iowa" the opening two nights, Aug. 24 and 25.

Sixth annual rodeo, three nights and four afternoons from Aug. 26

through Sept. 1.

National circuit auto races Aug. 26, 28 and Sept. 2.

Thrill day, Saturday, Aug. 27, with an afternoon of aviation, auto and motorcycle thrillers, including collisions, smashups, and other hair-raising stunts.

An open-air circus every afternoon and evening.

A huge musical extravaganza, "Centennial Belles" every night from Aug. 29 through Sept. 2.

Centennial fireworks and festival of light every night from Aug. 24 through Sept. 2.

Horse shows, Aug. 28 through Sept. 1.

Midwest national horseshoe tournament, state checker tournament, old fiddlers' contest, team pulling contests and numerous other special contest events.

Seventeen-year-old Walter Winbohn, above, son of Mr. and Mrs. John Winborn of Sharon township, was Johnson county's healthiest boy, chosen at last year's 4-H club show. Twenty-year-old Marjorie Snyder was chosen the county's healthiest girl. She is the daughter of Mr. and Mrs. L. W. Snider, also of Sharon township. This year's winners will be announced at 7 o'clock this evening.

Last Year's Healthiest

HOSTESS HINTS

The most popular meals-of-the-month in August are bound to be the cold variety that require no cooking, no over-heating of cook or kitchen, and a maximum of flavor. Sparkling jellied salads, refreshing cool drinks, tasty hot rolls and a big, beautiful plate of appetizing cold meats fills the bill for guest dinner, buffet supper or family meals alike.

Did you know that there are over 200 varieties of cold meats and sausages from which you can choose a selection for these cold plates? Certainly there's no need to cling to two or three kinds that you know when this imposing tray of full fine foods is in front of you. Our suggestion is that you get acquainted with them.

Take meat loaves for example. These are truly American origin. The sausage maker develops these formulae by long tasting and seasoning. He grinds some coarse, and some fine. Some are baked in square loaves, other in round home-made loaves. Usually the loaves are larger and more compact than you'd make them at home so that they will slice to better advantage.

But their chief difference from a home-made loaf is the way they are baked. No sausage maker hurries the baking of a meat loaf. They are baked in revolving ovens kept at a very low temperature (well below 300 degrees F.) for several hours. This keeps the loaf juicy, yet cooks it thoroughly.

special cervelat varieties, and kosher salami.

From such lists as these (and these are dozens more to ask about when you go into your local store) we've made a few selections for cold platter combination meals.

Cold platter (cold ham, macaroni and cheese loaf, salami and bologna rolls — just spread slices of bologna with cream cheese and horseradish, and roll up and chill), radishes, olives, potato chips, jellied fruit salad with cherries, hot rolls, jam and tea.

Cold platter (hard cooked eggs jellied in bouillon, sliced pickle and pimiento loaf, corned beef, cervelat), creamed green beans, stuffed celery, sliced tomatoes, hot rolls, peach sundae and iced coffee.

Cold platter (braunschweiger, spiced ham, thuringer, and cheese), pickled apples, radishes, new lima beans, asparagus salad, cookies and iced chocolate.

This evening's pageant — "A Century of Harmony" — and tomorrow evening's fourth annual saddle horse show are both scheduled to take place in Iowa's east stadium, County Agent Emmett C. Gardner announced.

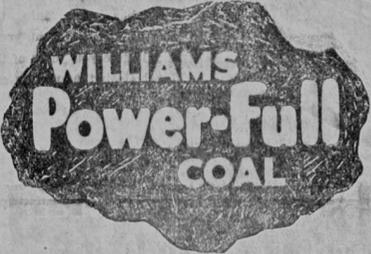

Should rain interfere the show this evening will take place in the fieldhouse starting at 7:30, Mr. Gardner said.

Free Camp Provided at State Fair For Farmers

Johnson county farmers will have an opportunity to camp in the free farm bureau camp at the state fair, according to the superintendent.

The camp is open to all farm bureau members and their families and contains 80 acres separated from the main fairgrounds by the camp fence. The camp grounds are located high above the fairgrounds.

The service and camp space is free, and equipment can be rented from a tent and awning company.

Police protection is furnished 24 hours a day; city water is available over the entire grounds, and electric lights illuminate the "tent" city at night.

Postpone Exhibition By Highlanders After Rain, Wet Ground

The Scottish Highlanders, scheduled to give a performance on the east lawn of Children's hospital last night, postponed the exhibition until Sunday at 10 a.m. because of wet ground and threatening rain.

The program will consist of the playing of pipes and drums, marching demonstrations and several dances.

The general public is invited, although the program is being given primarily for the children in the hospital.

Rides in Show Again

Ruth Strub, who's been riding horses ever since she can remember — and riding well, will be on her mount Brownie in tomorrow night's fourth annual saddle horse show at the east stadium. Miss Strub also rode in last year's show.

Empire's Longest Span Going Up, Vancouver

VANCOUVER, B. C. (AP)—The longest suspension bridge in the British Empire is under construction here, across the entrance to Vancouver harbor. The main span is 1,550 feet long and there are two side spans of 614 feet each.

When completed this autumn, the bridge will bring the West Van residential section within five minutes' drive of the heart of the city.

Would End Border

AUSTIN, Tex. (AP)—Agapito Pozo, chief administrator of Mexico City police, has announced he will send a number of his officers to a training school to be conducted here next fall by the state department of public safety.

Ultimately, he said, he hopes any "border line" between the United States and Mexico, as far as law enforcement is concerned, will be "wiped out."

It took Columbus 70 days to cross the Atlantic ocean in his sailing ship.

Exhibition by Trained Horse Will Be Feature of Annual Saddle Horse Show

Exhibition by a high school horse owned by Charles Wright of Bettendorf will be a feature of the fourth annual saddle horse show to take place tomorrow afternoon and evening as a part of the 4-H club show.

Tomorrow afternoon there will be a contest for ponies under 12 hands and some saddle horse events.

Tomorrow evening there will be events for the local class, combination class, pair class, three and five-gaited class, the pony stakes and the exhibition by the high school horse.

Nine contest events are listed on the program as follows:

 PUEBLO, Col. (AP) — When Mrs. Victoria Biggs, 78, hides her money she does a very thorough job. After concealing \$25 on a Thursday afternoon she had to call police Friday morning. "Somebody must have stolen it," said she. "It isn't where I thought it was." After a 10-minute hunt police discovered it hidden in the bed, just where Mrs. Biggs left it.
