Mine Workers Reject Last Proposal

NEW YORK, May 11 (AP)—A spokesman for the bituminous operators announced early today the United Mine Workers had rejected their "last proposal" for reopening the soft coal mines of 26 states.

The operators' spokesman said the conferees had come to terms on every point except the UMW demand for a "union shop."

"In a last effort to bring about a settlement, the operators made the following proposal," the operators' statement said:

"1. The mines will resume operations immediately. 2. The rates of pay, hours of work, and conditions of employment that obtained in the Appalachian basic agreement and the several district agreements which expired March 31, 1939, and all the customs and practices thereunder shall be continued until March 31, 1941, except as modified below."

House Shows Favor of Bill For River Aid

WASHINGTON, May 10 (AP)—Amid cries of "pork barrel" and "spendthrift," the house went on record today in favor of a \$305,188,514 appropriation, mostly for flood control and river and harbor improvements, but a last-minute republican strategem deferred final action until next week.

Overriding the objections of Majority Leader Rayburn (D-Tex) and leading members of its appropriations committee, the house added \$50,000,000 for flood control and river and harbor projects to the original budget estimates.

House Adjourns Just as the vote on final passage was to be taken, however, Representative Schafer (R-Wis) demanded that an engrossed copy of the bill be read.

Furious Fight A furious floor fight developed over addition of the \$50,000,000 to the bill. Just before it reached the floor the appropriations committee reversed the action of a subcommittee which had recommended the increase.

Rayburn took the floor to oppose the increase and told the membership that President Roosevelt had authorized him to assure the house that "as much as \$50,000,000" would be allotted to flood control and river and harbor work from the forthcoming relief appropriation.

Pending Cotton Exports Plan Given Setback

WASHINGTON, May 10 (AP)—A plan for a government subsidy to increase exports of American cotton suffered a setback in the senate today when the chamber refused to suspend its rules in order to attach a rider dealing with the program to the pending \$1,218,000,000 agriculture department appropriation bill.

Senate Refuses To Suspend Rules To Approve Proposal

Under his proposal, the subsidies would apply only to the forthcoming 1939 crop. He asked the senate today to suspend its rules to approve this form of subsidy but the chamber refused, 37 to 36.

Refuses Request

Senator George (D-Ga.), one of the outspoken opponents of the subsidy, said "Secretary Wallace probably could go ahead anyway but the subsidy would be limited to a very small amount of cotton."

Passage Held Up

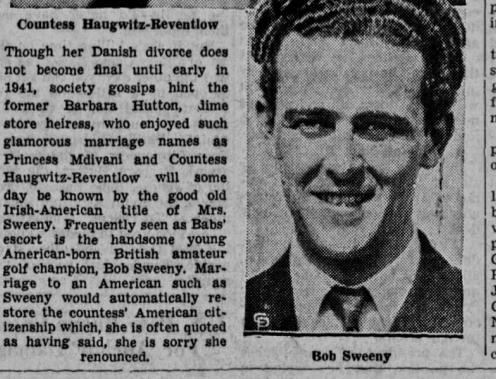

However, AAA officials said that under existing law, subsidies could be applied to the 1939 crop and 1,500,000 bales of the loan stocks, provided money was available.

Yanks Near Lead With 7 to 1 Victory Over St. Louis Browns

Dickey, Selkirk Hit Home Runs

Idle Boston Club Retains Lead In Junior Flag Chase

ST. LOUIS, May 10 (AP)—The New York Yankees went about their business like champions today, smacking two of Johnny Marcum's pitches for home runs in the first inning and beating the St. Louis Browns, 7-1.

Although the score put the Bronx Bombers half a game ahead of the idle Boston Red Sox in the matter of games won and lost, it still left them in second place in the American league percentages, .706 to .714.

Singles by Frank Crosetti and Red Rolfe set the stage for big Bill Dickey's second home run of the season and this in turn was followed by George Selkirk's fourth of the year.

This four run margin was padded with single scores in the third, fourth and seventh frames as the Yankees kept nipping away at the offerings of Marcum, Howard Mills and Fred Johnson.

In the third inning, single and second and scored on Tom Henrich's single to right. In the fourth Babe Dahlgren doubled and came home on a single by Crosetti.

Mills, a southpaw, went to the mound in the fifth and the Yankees got their run in the seventh on Charley Keller's double. A pass to Selkirk, a double steal and an infield out.

Johnson worked the ninth inning. Miller was removed for a pinch-hitter. The champions collected two hits and a walk to fill the bases but didn't score off him.

Lefty Gomez started for the Yankees, but a muscular cold and a stiffness in his shoulder and back forced him to quit after retiring one batter in the first inning.

Old Men May Do It!

Sarazen, Hagen, Armour Favored in National Open Golf Tournament

By WHITNEY MARTIN
NEW YORK, May 10 (AP)—It might not be a bad idea to keep an eye on the nine old men, give or take a couple, when the National Open golf tournament is played June 8-10 at Philadelphia. The course is tailor made for the Sarazens and the Armours and the Hagens and other veterans who know what it is to rough it on a golf links.

This impression is gained in talking with Fred Corcoran, P. G. A. tournament manager who gives some enlightening views on what to expect, and also offers a logical reason for the epidemic of low scoring which leaves a mere par shooter in the week end golfers class.

"This Philadelphia course has rough that is rough," Corcoran explains. "It's more like an English course, and the old timers who know how to play from the younger crop who have been playing only on manicured courses."

"In fact, I think the courses today are responsible for 50 per cent of the sensational scoring. A player never has a bad lie. Just in the last 10 years, fairway sprinkling, greens soaked so they hold pitches, and elimination of real honest-to-godness rough have made most of the links easy for the experts. That, combined with improved equipment and the old pars based on yardage."

"They've cut the par at Philadelphia from 71 to 69, and under the rough, I don't think 276 will be broken. In fact, Walter Hagen, after playing it, said if they'd give him 285 he'd sit in the clubhouse and wait for the presentation."

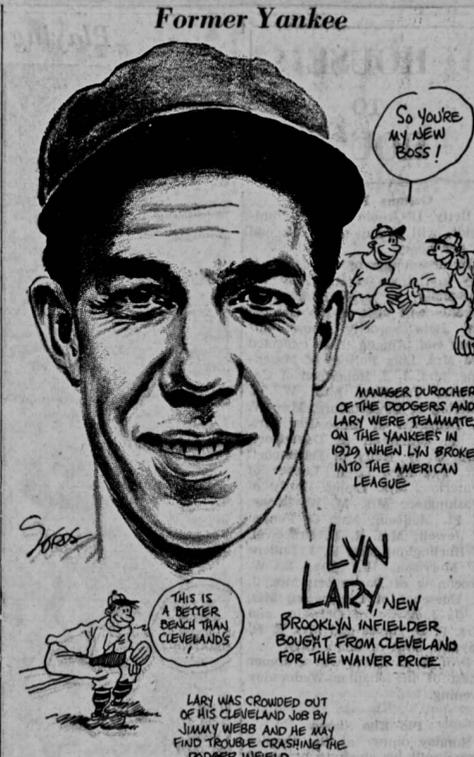

Corcoran isn't discounting the ability of the younger players. In fact, he thinks Sammy Snead

Tom Yawkey Thinks Sox Will Dominate Junior League Soon

Has Spent \$3,500,000 In Effort To Give Boston Winning Team

By EARL HILLIGAN
CHICAGO, May 10 (AP)—Owner Tom Yawkey predicted today that the Boston Red Sox, to which he has spent \$3,500,000 since 1933, will develop into the greatest team in baseball within the next five or six seasons—and stay on top for a long time.

The genial Boston magnate believes he has the makings of a club good enough to take over the spot held so long by the New York Yankees. He thinks the Red Sox have an excellent chance of winning the American league pennant this season, or next. But more than that, he feels he's making good on the promise he made himself when he bought the Red Sox in 1933—that he'd give Boston a real team.

"I know that a lot of fellows said I tried to buy a pennant when I spent all that money for players like Bob Grove, Jimmie Foxx and Joe Cronin," Yawkey said as he relaxed in his hotel room after learning the Red Sox-Chicago game had been postponed. "I wasn't necessarily trying to buy a pennant. If we'd have won one right away—so much the better. But I was simply hopeful of getting Boston back to me—hopeful of convincing Boston fans I was trying to give them a good team."

"I'm satisfied we've come a long way in the last five years. We have replacements now for the older stars when they start to slip. No one likes to see a Gehrig or a Grove step down, but it has to happen some time. When it happens to us we'll have young stars ready."

Expansion of the club's farm system, principally through increasing the number of working agreements with minor league teams, is paying big dividends now, Yawkey said. Such youngsters as Ted Williams, Jim Tabor, Woody Rich and Bobby Doerr have been playing big parts in Boston's sticking in the thick of the American league pennant battle.

In 1933 the Red Sox finished seventh, winning 63 games and losing 86. They landed in fourth place the next two seasons and in 1936 finished sixth. In 1937 they were fifth and jumped into second place last season.

"I think I've been fairly patient," Yawkey grinned. "Some people don't realize you have to be patient in this baseball business. Little things like teamwork between one player and another can't be bought overnight."

"But Boston is with us—and that's enough for me right now."

Bob Feller Gives Twelve Hits But Chalks Up Fifth Victory

Hal Trosky Collects Four Hits as Tribe Defeats A's 7 to 4

CLEVELAND, May 10 (AP)—Bob Feller gave up 12 hits and four walks and was guilty of two wild pitches, but was effective enough today to turn in a 7-4 decision over the Philadelphia Athletics for his fifth victory of the campaign.

The speedball king, beaten only once this year, was helped by a six-run attack off Nelson Potter and Henry Phippen in the first two innings, and struck out eight batters. Nick Etten clubbed out the homer for the A's in the seventh with the bases empty, and the Tribe's Hal Trosky had four hits in five trips to the plate.

Dodgers Rally Twice To Drop Cincinnati Reds in Wild Game

Sewell Shuts Out Giants 5-0 For Third Win

NEW YORK, May 10 (AP)—The Pittsburgh Pirates finally rose out of the National league cellar today on the six hit pitching of Truett Banks Sewell, who shut out the New York Giants 5-0 for the Pirates' third consecutive victory.

It was also the third triumph against one defeat for Sewell, a sophomore who will be 30 years old tomorrow. He spent the entire 1938 season riding the Buccaneers' bench, answering 17 relief calls.

Today the big tow-head left nothing to the imagination. He held the Giants to one hit for four innings, struck out five and gave a single pass. On top of this he hit a home run in the seventh.

Harry Gumbert, who had won three and lost none previously, was the losing pitcher. The Pirates scored two runs off him in the first when two walks and Zeke Bonura's error filled the bases and singles by Gus Suhr and Bill Brubaker loosened them. Another walk followed by Lloyd Waner's triple brought a run in the fifth.

The last Pittsburgh run came in the ninth off Vandenberg, after Gumbert had been removed for a pinchhitter. Brubaker, singled, went to third on an error by Mel Ott, and scored on Ray Berres' single.

New York and Philadelphia are now deadlocked in the cellar.

Reds Score All Runs In Opening Innings Off Whitlow Wyatt

BROOKLYN, May 10 (AP)—The Dodgers came from behind twice today, the second time through a seven-run spurge which drove Lloyd Moore from the mound and gave Brooklyn a 10-5 triumph over the Cincinnati Reds.

As a result of this defeat and the St. Louis victory at Philadelphia, the Reds were dropped into a tie for first with the Cardinals.

Cincinnati scored all five runs in the first two innings off Ira Hutchinson, who was replaced by Stan Bordagaray. A triple by Bill Werber, a pass to Eddie Joost and Stan Bordagaray's safe bunt opened the game with a run for the Reds and Willard Hershberger's single brought in the second.

After the Dodgers scored three in their half of the first, the Reds got the rest of their tallies on Billy Myers' single, a sacrifice, Werber's walk, a double by Joost scoring Myers, and an error by Durocher scoring Werber and Joost.

Boxing Match Time Keeper 'Blows' With Watch

DES MOINES, May 10 (AP)—A "friendly" boxing match cost Frank Vassos of Des Moines his watch, he told police today.

Vassos, bowling alleys employ, said he handed his watch to a volunteer "time keeper" before the match at the alleys, and when he finished both the timekeeper and the watch were missing.

Pitcher Has Field Day
CEDAR FALLS, May 10 (AP)—Pitcher Al Kane had a field day as the Iowa State Teachers college nine battered Marvylve, Mo. State Teachers 10 to 1 in a baseball game here today.

Kane hit two homers with the bases loaded, allowed only two hits, struck out nine men and collected three hits for himself.

Bresnahan Names 21 for Track Meet

Twenty-one athletes were named by Coach George Bresnahan last night to represent Iowa in a dual track meet with Wisconsin at Madison Saturday afternoon. The size of the squad indicates to what lengths Bresnahan has gone to insure victory over the Badgers who have beaten the Hawks by small margins in their last two meetings.

Bresnahan's intent to win a preponderance of the seconds and thirds which usually go to the home team is shown by his decision to take along eight weight men. Two men, Nead and Murphy, never before have made a trip with the track team. Nead, Iowa's heavyweight wrestling champion, has been throwing the shot and discus around like a veteran lately and seems sure to bag a few points for the Hawks in those events. Murphy, a half-back on the football team, is a javelin thrower and may be able to place at Madison.

Pinazzo and Alexander, the regular javelin heavies, will be working for points, as well as Harkness and Leuz in the shot and discus. Roberts and Parrish make up the rest of the field event contingent as performers in the pole vault.

Milt Padway, of course, is a favorite in the pole vault for the Badgers while Best and Harker seem to have the necessary ability to beat out Iowa's Jim Wilson in the high jump.

The track events seem easily divided with the longer races going to Wisconsin and the shorter runs to the Hawks with the dashes and hurdles a toss-up.

Men making the Wisconsin trip are Carl and Fred Teufel, Billig, Graves, Collinge, McCollister, Elliott, Erickson, Baird, Kosbau, Wiggins, Parrish, Roberts, Pinazzo, Murphy, Alexander, Harkness, Leuz, Nead, and Sparks.

Third Golf Test

The third big test since May 1 and the last of four straight home meets occurs for the unbeaten University of Iowa golfers here Saturday with the University of Illinois as the opposition.

Iowa's best golf team in many years, headed by Willie Thomsen and Jim Hoak, already have upset Minnesota, the Big Ten defending champion; and Northwestern, 1938 runner-up.

The Illini last year beat Iowa by one point and later finished fourth in the conference championships. They recently lost to Northwestern, 15-12, when a Wildcat reserve sunk a 30-foot putt. Iowa defeated Northwestern 14-4.

Fette Pitches Bees to 6-2 Win Over Cubs

BOSTON, May 10 (AP)—The Boston Bees snapped out of a five-game losing streak with a 10-hit batting fete today, and behind the three hit pitching of Lou Fette, whipped the Chicago Cubs, 6 to 2, in the series opener.

Fette walked seven men and tossed a home run ball to Manager Gabby Hartnett in the second, but aside from these lapses he was magnificent in recording his fourth straight victory.

The Cubs failed to get a hit from the time Hartnett knocked his third homer of the year until Herman tripled to open the eighth. They squeaked in their other run in the third on two walks and a wild throw by Lopez, who tossed the ball into right field trying to nab one of the runners.

The Bees temporarily lost the services of Tony Cuccinello, their second baseman, who wrenched his knee when Dick Bartell ran into him at second during an attempted double play by the Bees in the fifth inning. X-rays will be taken tomorrow to determine how long Tony will be out.

Cards Tie Reds For Loop Lead

PHILADELPHIA, May 10 (AP)—The St. Louis Cardinals went into a National league tie for first place with the Cincinnati Reds today by defeating the Phillies in the first of a two game series 4 to 3.

It was a close pitchers' battle from the start with Lon Warneke besting Claude Passeau to win his third victory of the year, although Bowman came to his rescue in the ninth. Jimmy Brown and Joe Medwick led the Cards' attack with 3 hits each.

Four bases run by the Phillies nullified their chance against Warneke in the early innings.

Schnoor Wins Alumni Trophy

Carl Schnoor of Perry won the Cedar Rapids mile trophy run Tuesday with a time of 4:47.8. Schnoor, undefeated in two mile competition in freshman postal meets this year and loser only once at the mile, ran into a high wind to defeat Arnold Carlson of Des Moines and Elmer Hemingway of West Branch.

Paul Sparks of Oskaloosa won the Ida Grove trophy for the varsity reserves over the same distance.

Giants Convicted

NEW YORK (AP)—The New York football Giants, Inc., and Helen Mara and Charles Chaplin, were convicted in federal court yesterday of violating the amusement and sports events tax law by omitting to stamp on the back of admission tickets, sold above face value, the names of the vendors and the actual sales price.

1,175 Entries on File For Open Golf Meet

NEW YORK, May 10 (AP)—The United States Golf association, pending a final definite check, estimated today that approximately 1,175 entries were on file for the 1939 open championship, to be played at Philadelphia June 8-10. Entries closed last night.

There were 1,223 entries last year, when the tournament was held at Denver. The record of 1,402 was set in 1937 at Birmingham, Mich., when Ralph Guldahl won the first of his two successive titles.

Playing Up Plaids

Plaids are in the news this year, especially big, bright ones in spun rayon like these shown above. The brief, hug-me-tight basque with wide revers and a row of blue buttons down the front and the short, flaring skirt follow the season's smartest silhouette. The dress is belted across the back.

Mother's Day Week End Program Similar to First One 12 Years Ago

Twelve years ago 12 girls who were members of Mortar Board conceived the idea of a University of Iowa Mother's Day. A. F. I. had been sponsoring Father's Day for a number of years previous to this, and as it had been so successful, and as Mortar Board on other campuses had been successful in sponsoring Mother's Day, the Iowa City group decided to try it.

In commemoration of it, a plaque with the traditional rose and the names of this original group of sponsors hangs today in the main lounge of Iowa Union.

The program for the week end is similar to the program which is used today. That is, a dance Friday night at Iowa Union, a trip around the campus, and the Iowa City church services all centered around the Mother's Day feature.

Sunday afternoon was the first reception of its kind at the president's home. Assisting President and Mrs. Jessup in the receiving

line were the members of Mortar Board and their mothers.

The members of Mortar Board were Mrs. Peter Janass of Des Moines, Helen Barnes of Iowa City, Harriet Cammack of Oskaloosa, Alleen Carpenter of Kansas City, Mrs. Tyrrell M. Ingersoll of Cedar Rapids, Mrs. John E. Dietz of Silver Spring, Md., Mrs. Winston C. Crabtree of San Diego, Cal., Mrs. Everett L. Harris of San Marino, Cal., Mrs. Clifford Hicks of Atascadero, Cal., Mrs. Robert W. Reitzell of Pasadena, Cal., Mrs. Ray E. Miller of Monmouth, Ill., and Percie VanAlstine of Gilmore City.

Saturday evening in the field-house, the first group planned a circus for the entertainment of the visiting mothers. Every house and dormitory put on a skit.

The giving of roses to all mothers which is still being done, was started then too. From the first time Mother's Day was installed as a week end, attendance for it has grown.

Paul Weise, E3 of Boise, Idaho, will visit in Princeton, Ill., this week end.

Delta Upsilon
Harry Langland, A3 of Nevada, was at Grinnell college last week end.

Among the out-of-town guests who attended the "spring week end", an annual series of Delta Upsilon parties, were Miriam Clure of Coe college; Barbara Prichard of Onawa, Pete Narey of Spirit Lake, Norman Nix of Griswold, Virginia Koons of Britt, Marian Jones of Iowa State college, and John Bornholdt and Mary Frances Zoeckler, both of Davenport. Mr. and Mrs. Ray Wolf of Cedar Rapids were guests at the chapter house Sunday.

3 Engagements Announced By Iowa Alumni

Alice Hermann Will Wed James E. Fulton Wed June 10 at Ottumwa

Mr. and Mrs. Joseph Showalter of Vinton have announced the engagement and approaching marriage of their daughter, Maxine, to Attorney A. Wayne Eckhardt, son of Mr. and Mrs. Albert Eckhardt of Muscatine. The wedding will take place June 17.

The bride-elect attended Stephens college in Columbia, Mo., and the university where she was a member of Pi Beta Phi sorority.

Attorney Eckhardt has been practicing law in Muscatine since 1935 when he was graduated from the University of Iowa. He was a member of Phi Alpha Delta fraternity and Scabbard and Blade honorary fraternity.

Sams-Demorest
The marriage of Ruth Demorest, daughter of Mr. and Mrs. W. F. Demorest of Muscatine, to Joseph H. Sams, son of Dr. and Mrs. J. H. Sams of Clarion, will take place June 18 in the First Methodist church in Muscatine, with the Dr. Leroy L. Weis officiating.

Miss Demorest attended the Muscatine junior college and the university, where she was a member of Gamma Phi Beta sorority. For the past two and one-half years she has been employed in the Agricultural Conservation office.

Mr. Sams attended Cornell college and Northwestern university and is now studying law at Drake university. He is a member of Kappa Sigma Phi social fraternity and Delta Theta Phi legal fraternity.

Fulton-Hermann
Andrew Hermann of Ottumwa has announced the engagement and approaching marriage of his daughter, Alice, to James E. Fulton, son of W. P. Fulton, also of Ottumwa. The wedding will take place June 10 at 8:30 a.m. in the First Methodist church of Ottumwa. The Rev. Harold Lancaster will officiate. A reception will follow at the Hotel Ottumwa.

Lillian Wiley, cousin of the bride-elect, will serve as maid of honor, and Mary Ryan and Gretchen Poulson will be bridesmaids. Fred Evans will serve Mr. Fulton as best man.

The bride-elect was graduated from the Ottumwa Heights junior college and attended the university. She is a member of the faculty of the Agassiz school.

Mr. Fulton is employed in the purchasing department of the John Morrell and company plant in Ottumwa.

Discussion Will Take Place At Student Center
James Holton, A2 of Cedar Rapids, will lead the discussion of "Campus Problems and the Methodist Student Center" at the meeting of the university Sunday school class Sunday at 9:30 a.m. in the west balcony of the Methodist church.

Questions which will be considered include "What are the fundamental problems on the campus?", "What is the purpose of the student center?", and "What can the student center do about these problems?"

Stitch, Chatter Club To Meet Tomorrow
Mrs. Harold Hatcher, Rochester road, will entertain members of the Stitch and Chatter club in her home tomorrow. The group will meet at 2 p.m.

Journ. Sorority Elects Officers, Initiates Five
Cornie Shrauger, A3 of Atlantic, was elected vice-president of Theta Sigma Phi, honorary and professional sorority for women in journalism at a meeting of the group last night. Clara Baratz, A4 of Iowa City, was elected keeper of the archives.

Five pledges were initiated at a ceremony which followed the election. Those initiated included Velva Davis, A4 of Clarksville; Nelle McMillan, A4 of Traer; Mrs. Baratz, Miss Shrauger and Eulalia Klingbeil, A3 of Postville.

2 Refugee Members Of Scattergood Will Speak Here Sunday
Two members of the Scattergood refugee camp at West Branch will be guest speakers at the Wesley Foundation vespers program Sunday at 7 p.m. in the Methodist church. A short devotional period will precede the program. There will be no supper served at this last meeting of the year.

Window Shopping
with Shirley Lamb

Making a place for itself in spring pocketbook news, is a popular little pin bag of envelope fold in smooth capeskin. And, to add that true "pin" touch, two large gilt novelty pins serve as clasps. Puffed up like a squirrel's cheeks is another pouch bag, round and flat and just the thing to hold that endless string of purse-fillers.

An exciting debut is that of a dare-to-be-different evening frock made up of knotted strands of gold, silver or black with harmonizing harp-shaped heel. Hugging the ankle snugly, a tiny cuff rolls over to meet a perky bow of matching metallic ribbon which laces up the front of the bootie.

Blow the man down in a nifty handknit wool cardigan worn over a tailored classic shirtmaker. The little frock is of washable silk, fashioned with tiny, cap sleeves and a waving pleated skirt. As for the jacket, jonquil yellow is one of the mellowest shades on the color chart.

Importing Polynesian charm from the Samoan Islands, has made our gay Bemberg sheers a riot of flowers, palms, foliage and sea shells. One colorful afternoon frock has a variety of tropical blossoms scattered over an ivory background, and, shooting up between the swirling pleats at the very hemline are tiny palm trees. The sleeves are puffy and banded with a row of palms and at the base of the V-neckline is a cluster of bright coral.

Pretty shoes, pretty feet and pretty face—that's the spring formula guaranteed by this little morn-to-midnight sandal. Made out of soft kid with open toe and open heel it looks as well with a shirtfrocks as a billowy evening dress. It comes in dozens of shades and has respect for any budget.

No acting up or hitching in this latest braistral blouse slip. Its bias-seamed back follows the line of your figure and prevents twists or pulls at your shoulder straps. You won't mind the provocative peek-a-booming the imported lace trimmed blouse top does through your frilly spring blouse. The two blending colors are white and a dainty tealrose.

"Angleface" is an innocent little checkered taffeta evening frock topped off by a fluffy sleeved organza little-girl guimpe. The huge-tight waist flares out into a waltz skirt and right at the very bottom is one of Grandmother's old fashioned wide, be-ruffled flounces.

Prof. Kittredge To Be Honored At Luncheon
Prof. George L. Kittredge of Harvard university, who is visiting in Iowa City, will be guest of honor at a luncheon at which Prof. John C. McCalliard will entertain, at 12:15 today in the private dining room of Iowa Union.

Guests will include Prof. J. W. Ashton, Prof. Bartholow V. Crawford, Prof. Norman Foerster, Prof. John J. Glessner, Prof. Ernest P. Kuhl, Prof. Baldwin Maxwell, Prof. Edwin F. Piper, Prof. S. M. Picher, Alvin S. Ryan, Prof. Wilbur L. Schramm, Prof. W. Leigh Sowers and Prof. E. N. S. Thompson.

Committee Chairmen To Be Honored By University Club

A New England May morning breakfast will be given this morning at 9 o'clock by University club in the clubrooms of Iowa Union. Mrs. Philip G. Clapp, Mrs. H. I. Stark, Mrs. Ernest Horn, Mrs. Dean Lierle, Mrs. E. C. Gardner and Dr. Zella White Stewart, will lead a travelogue of Mississippi, New England and the California and New York World Fairs.

Officers and committee chairmen who have served during the 1938-39 season will be honored at breakfast. They are Mrs. L. O. Leonard, Mrs. W. R. Whiteley, Mrs. F. B. Moreland, Tacie Knease, Helen Moylan, Ruth Pieper, Mrs. W. H. Cobb, Ruth Gallaher, Mrs. E. K. Mapes, Mrs. L. A. Kinney, Mrs. George Robeson, Mrs. W. J. Petersen, Mrs. J. E. Switzer, Mrs. E. C. Former Students, Now Flying Cadets

Here are four former students of the University of Iowa, now cadet fliers at Kelly Field, Texas. From left to right they are A. J. Wheeler of Geneseo, N. Y., a student from 1934 to 1938; A. G. Evanoff of Belle Plaine, a student here during those years also; D.

L. Clark of Alta, a student from 1936 to 1938, and J. R. Maney of Cedar Rapids, a 1934-38 student at the university. Numerous colleges and universities from all over the nation are well represented by the members of the present class at Kelly Field, prac-

tically all of whom have had at least two years of college work. These flying cadets are all students at the air corps advanced flying school and are scheduled to graduate from the training center with the customary ceremonies May 25.

Flying Cadet Applicants To Be Examined Today, Next 4 Days

Examination Will Be In Medical Lab. By Air Corps Board

Flying cadet applicants will be examined by the air corps examining board in room 144 at the medical laboratory today and for four days following.

Officials yesterday announced qualifications to be met. Cadets to be eligible to enter the army air corps must be unmarried male citizens, between 20 and 26 years of age. Those who have not satisfactorily completed at least two years of standard college work must pass a written educational examination.

The physical standard for flying is of necessity more rigid than that for enlistment in the regular army, especially as to vision, hearing and the nervous system. Vision must be normal, candidates must have unimpaired ocular muscle balance, good hearing, a stable and balanced equilibrium.

Cadets qualified to undergo flying training receive free tuition and are paid, fed, and clothed. Classes usually begin training at the air corps training center on March 1, July 1 and Oct. 15. All qualified candidates are placed on a waiting list with a view to assignment to the first class in which they may be accommodated at the primary flying school. Flying candidates are furnish-

ed transportation from their place of enlistment to Randolph Field near San Antonio, Tex.

The course of instruction at the training center normally requires one year, given under the supervision of expert army flying personnel. In addition to about 280 hours in the air, flying cadets are given instruction in airplane engines, machine guns, navigation and other academic subjects necessary for the military pilot.

Upon completion of the one-year course of instruction at the air corps training center, a flying cadet receives his "wings" and the rating of pilot. To the extent authorized by congressional appropriations, flying cadet graduates will be called to extended active duty with tactical units of the regular army air corps for a period of three years.

At the conclusion of three years' continuous active duty, on the recommendation of the chief of the air corps, air corps reserve officers will either be returned to inactive duty status or continued on active duty with their consent for an additional period not exceeding two years.

Dr. H. O. Haterius To Present Graduate Lecture Tonight at 8

Students Return From Week End Trip to Detroit

Twenty-one University of Iowa pharmacy students returned to Iowa City Tuesday evening from Detroit, Mich., where they went last Sunday on an educational tour.

In Detroit, the students were the guests of the Parke Davis company. They spent Monday morning visiting the manufacturing laboratories and the afternoon on the Parkdale farm and biological laboratories there.

Monday evening a banquet was given for them at which Dr. Clark of the Parke Davis research department addressed the group. Tuesday morning was spent in the research laboratories and the finishing department of the biological laboratories.

The class was accompanied from Iowa City by Mr. and Mrs. Nathan P. Sorg and Antoinette C. Hart, representing the staff of the college, and M. J. Langritz representing the Parke Davis company.

The students making the trip were juniors and seniors in the college of pharmacy.

Speaker To Discuss Pituitary Hormones At General Hospital

"Hormones of the Pituitary Glands" will be the topic of Dr. H. O. Haterius of Wayne university when he presents a graduate college lecture at 8 o'clock tonight in the medical amphitheater, room 331 of University general hospital.

The lecture is sponsored by the Society for Experimental Biology and Medicine. Dr. Haterius is a member of the physiology department of the Detroit school.

The speaker fulfilled his requirements for a Ph.D. degree in the zoology department here in 1928. Before going to Wayne university, he was a member of the biology department staff at New York university and served as an assistant professor of physiology at Ohio State university.

He has published numerous papers related to aspects of the physiology of reproduction, especially involving the pituitary gland, and has conducted extensive research on phases of endocrinology. His most recent contributions have been concerned with nervous factors in the regulation of the pituitary gland.

The speaker is in charge of a summer course in endocrinology at the biological laboratory at Cold Spring Harbor, Long Island.

College Plans Special Work For Summer

3 Weeks Management Course To Be Open To Industrialists

Executives and engineers will return to college for three weeks to learn more about management in four special courses at the university.

All arrangements now have been completed for the university's first intensive course in management, to occur June 12 to 30 in the college of engineering. Prof. Ralph Barnes has announced.

The industrialists will go to classes between 8 and 12 a.m. and 1 and 4 p.m. daily, to hear lectures, participate in discussions, and watch demonstrations by university faculty men and by nine visiting leaders from seven states.

These courses are motion and time study lectures, public speaking in business, lectures and discussions by visiting managers and engineers, and motion and time study laboratory.

By the end of the course, the registrants will have new and comprehensive ideas on such subjects as waste elimination, cost reduction, plant layout, and process and operation charts.

Some of the visiting leaders will be John A. Aldridge of Sears Roebuck of Chicago, T. C. Eckstein, Bauer and Black of Chicago, Harold Engstrom, General Electric company of Bridgeport, Conn.; Lillian Gilbreth of Montclair, N. J.; Virgil Palmer of the Eastman Kodak company of Rochester, N. Y., and C. R. Schaeffer of W. A. Schaeffer Pen company of Ft. Madison.

The first graduate school of cinematography will be opened at the University of Southern California in 1940.

Father Ligutti Explains Nova Scotia Co-ops

Will Speak Again At 9 This Morning In Room 211 U-Hall

The Rt. Rev. L. G. Ligutti came to the Iowa campus yesterday. It was another of his yearly visits, another report on the progress of his Granger, Ia., home-steads, another explanation of his "socialized religion."

He began with a question. "Ever hear of a bunch of monkeys starving in a coconut grove?" asked Father Ligutti.

"The answer is, 'No.' Only human beings starve in the midst of plenty."

In Nova Scotia, Father Ligutti explained, as well as several other northern European countries, part of the answer is found in cooperative movements. There, through education, leadership, tolerance, patience, hope and courage, he declared, the Nova Scotia cooperative development has become one of the most successful in the world.

"Human Erosion"

Such experiments in what Father Ligutti calls "human erosion" have, he thinks, a good deal to do with religion.

"You can't have strong souls in weak bodies," he explained. "Religion separated from economics has no meaning."

The field of cooperative living is one in which Father Ligutti has had much experience. At Granger, where 50 mining families live in modernly equipped homes on small farms which they cultivate in the summer, there is a cooperative canning factory and a cooperative fruit stand.

"There's a great pride among my people for anything that they can call 'ours,'" he pointed out during the question period which followed his talk.

"Lot of Patience"

"It takes a lot of patience and a lot of hard work, and a lot of movements," he said, "but when you're working with human beings, it's worth it."

Father Ligutti will speak again at 9 o'clock this morning in Prof. C. Woody Thompson's "Capitalism" class, room 211, University hall. The meeting is public.

He will be interviewed over WSUI this afternoon from 2:15 until 2:30.

Governor's Review

At 10:20 a.m. Saturday, May 13, Gov. George A. Wilson of Iowa will review the cadet regiment on the field west of the armory. For this purpose, university authorities have excused military students from attending all classes in the colleges of liberal arts, engineering, law, commerce and pharmacy between 9:50 a.m. and noon on that day.

For the information of all those spectators who might like to attend, arrangements have been made for the following signals: If

Iowa's R.O.T.C. Units Pass in Review

These four army officers yesterday watched the units of the University of Iowa's R.O.T.C. pass in review at the annual federal inspection on the field west of the armory. From left to

right they are Col. Raymond W. Briggs, Col. Ralph W. Dusenbury, Lieut. Col. John R. Hall and Maj. Edwin P. Ketchum. Major Ketchum is from St. Louis, Mo., and the other three seventh corps

area officers come from the Ft. Omaha, Neb., headquarters. Troops will be reviewed again Saturday when Gov. George A. Wilson comes to Iowa City for the annual Governor's day ceremonies.

R. O. T. C.'s Day of Days! Old Capitol's Flag Will Signal Inside Or Outside Review

Saturday is Governor's day. On that day, Gov. George A. Wilson will make his first official visit to the university to review Iowa's R.O.T.C. units.

Yesterday Col. George F. N. Dailey announced the method whereby the public may check Saturday morning to be sure that the ceremony will be held on the field west of the armory as scheduled.

If the national flag is flying over Old Capitol at 10 a.m. Saturday, the review will take place as scheduled, but if no flag is flying, there will be no review on the field, but an alternate ceremony will be held inside the armory, consisting of presentation by the governor of certain medals and awards to members of the cadet regiment.

And in response to inquiries concerning the procedure to be followed when the United States flag passes in a parade or military review, Colonel Dailey supplied that information too.

"For the information of those persons who contemplate attending the R.O.T.C. review on Governor's day: it is customary for a man in civilian clothing to rise and hold his hat opposite his left shoulder with his right hand, and for a lady to rise, when the colors pass. Men in uniform rise and salute."

room, Derringer said.

All of Condon's witnesses denied he was drinking. Charles Dessen, then manager of the Brooklyn Dodgers, testified Derringer wept when he was asked (by Dessen): "What the hell is this about your being drunk?"

To this Derringer testified, "I don't know whether I cried or not."

"A big fellow like you would not like to admit crying," asked his attorney.

"I don't see any harm in it if I did," the pitcher replied.

Dr. Richard J. Rohde, the Reds' trainer, testified "there never have been any drunks on the team; at least I never was called on to examine any."

Condon's attorney, in summation, asked for punitive damages to show big athletes that they "cannot pummel ordinary citizens and get away with it" and said "men like Derringer should be driven from organized baseball."

Derringer's lawyer denied the idea that the pitcher was ranging through the corridors "behaving like a Tarzan" and climbing to transoms to spy on room parties, as was testified. "This case would never have been brought to court if the defendant were not Derringer, a baseball player of some note

Not all the speech was philosophy, however. Shakespeare's villains came in for some first-class analysis.

Speaking of "Much Ado About Nothing," he said, "Nothing is the matter with Shakespeare. The characters are all alike and that is why I don't like it. They are not fiction—they are human beings—I don't like it. There is no fiction. When I read the play, the characters come alive and I find myself in bad company."

EXAMINATION SCHEDULE

Second Semester 1938-1939

Tuesday, May 23, 8 a.m. to Wednesday, May 31, 4 p.m.

The regular program of class work will be suspended and the following semester-examination program substituted for it. Classes will meet for examination in the rooms in which they have been regularly meeting (except classes in SPECIAL GROUPS A, B, C, D, E, F and G, as shown in the form below; and Speech (2), (1), and (4) as shown at "N.B." below).

The Program Committee directs the attention of both students and instructors and professors, to the regulation that there is to be no deviation from this Schedule, in the case of any examination, except as authorized by the Committee on Admission and Classification, on the student's written petition, filed in ample time and supported by the recommendation of the department concerned,—to provide relief from an excessive number of examinations within a single day. Deviation for the purpose of completing examinations earlier will not be permitted. Students should prepare and deposit such petitions in the offices of the Deans of Men (men) and Women (women).

In case a student has as many as three examinations in a single day, one of them being a "SPECIAL GROUP" examination, the Committee will authorize only the "SPECIAL GROUP" examination for another time, within examination week, than that specified in the Schedule below. Each petition must specify the exact title and course number of each of the three courses involved, and the day, and the period, for each of these examinations as indicated in the Schedule.

If such a student's three examinations on a single day include two examinations (either at 8-10 or at 2-4) in one or both of which are found more than one section, at different times, he should, in his petition, clearly set out the facts; and ask the instructor to indicate on the petition whether he is willing to allow him to take his examination in the different section at the different time, as indicated.

Each such petition, before it is filed, should have the approval of the instructor who is able and willing to give the examination at another time (within "examination week") than that provided for in the Schedule.

(Because the "SPECIAL GROUP" examinations are arranged for the special accommodation of the departments and instructors involved, it is expected that in such a case the instructors in charge of the "SPECIAL GROUP" examination should give the examination at another time.)

Each student who is absent from the final meeting of his class as indicated in the Examination Schedule should be reported on the official grade-sheet at the end of the semester, as "Abs." Before this grade-mark can be removed he must file with the Committee on Admission and Classification a written petition, with adequate vouchers attached, setting forth in full the necessity of his absence. This petition must include a departmentally signed statement indicating whether, in case the Committee finds the absence excusable, the student has the department's and the instructor's permission to take the final examination. If the Committee finds the reason for the absence acceptable, it will issue to the student a partially prepared special report card (signed by the Secretary, lower left corner) with a form letter explaining to him that he has the Committee's permission, with the departmental consent and at the convenience of the instructor, to take his final examination within one month (or other designated period of time) from the date indicated.

Upon the student's taking the examination thus authorized the outcome is to be reported on this card, and not on any other card.

In the cases of conflicts (within the SPECIAL GROUPS A, B, C, D, E, F and G) the Schedule itself, as presented below, provides a general method of making adjustments.

All classes whose first weekly meetings have occurred as indicated in the rectangles below, meet for examination during the periods noted at the tops of these three columns, and on the days noted in the rectangles directly opposite at the left of the double verticle line.

Examination Period	8-10 A.M.	10-12 A.M.	2-4 P.M.

Wed. May 31	MONDAY AT 3 (Except those in Special Groups A, B, C, D, E, F and G)	TUESDAY AT 3 (Except those in Special Groups A, B, C, D, E, F and G)	SPECIAL GROUP G All sections of Psych. (2) (For rooms see Department Bulletin Boards)

The particular SPECIAL GROUP rectangle above which is involved. (Read down first in left column and then in right column.) This instructor will arrange for your special examination. Report to him, or her, not later than the regular class hour May 18 or 19; if possible, May 11 or 12.

The first meeting of the class means the first lecture or recitation period in courses having both lectures and recitations, and laboratory periods, in the case of courses involving only laboratory periods, the first clock-hour of the weekly meeting. For example, chemistry 21 meets for lectures T, P, S at 8 a.m. The first regular meeting is, consequently, Tuesday at 8 a.m. and the class will meet for examination Wednesday, May 24, 2 p.m., according to the schedule for above. Again, physics 125 meets twice each week, T, P, for a three-hour laboratory exercise, 1-4. The period for the examination is, therefore, Monday, May 29, 2 p.m.

N.B. All students enrolled in Principles of Speech (1), and sections A and C of Principles of Speech (4) and all freshmen in sections C, D, E, F and G, and I of Principles of Speech (2), meet during the final examination week in rooms announced by the instructors as follows:

Tuesday, May 23—Speech (1), 8-10 a.m.; Section D, 8-10 a.m.; Section H, 8-10 a.m.

Wednesday, May 24—Section 4C, 10-12 a.m.; Section A, 1-4 p.m.; Section E, 2-4 p.m.

CONFLICTS: In case of conflicting examinations the student should report to the instructor in charge of the first of the two conflicting subjects as listed within Saturday, May 27—Section 1, 8-10 a.m.; Section C, 1-3 p.m.; Section 4A, 1-4 p.m.; Section G, 2-5 p.m.

All sophomores, juniors and seniors in Speech (2) meet Wednesday, May 24, from 10-12 in rooms announced by their respective instructors.

All freshmen in sections B, F and J of Speech (2) and all students in section B of Speech (4) meet on the days and at the hours, and in the rooms, announced by their respective instructors.

"ODD" classes—namely, those whose first or only weekly meetings occur on Wednesday, Thursday, Friday or Saturday, or which must "be arranged" as well as Wednesday, Thursday, Friday or Saturday, will be held in the rooms assigned for examination as announced to each such class by the instructor in charge of the class, at one or another of the following periods:

1. From 1 to 4 on any day from May 23 to May 31 inclusive,—Sunday and Memorial Day excepted.

2. Any one of the examination periods assigned, as indicated above, for the examinations in SPECIAL GROUPS A, B, C, D, E, F and G, since for such "odd" classes these five examination periods will be found available.

In connection with any such announcement it would doubtless be well for the instructor making the announcement to ascertain whether any member of his class is already under appointment for examination in some other class for the present period. To be sure, it is possible to have examinations for more than one class at any of these times,—if no student is a member of more than one of these classes,—according to one clause in the normal security action providing for a special semester-examination program, the instructor may use the examination period as he sees fit provided he holds the class for the full period. He may have an oral or a written examination, or both, or neither. He may continue regular work or he may use the time for review, or for any phase of his work which may seem to him desirable at this time.

According to another regulation which is on record as adopted by the faculty, a student absent from the final examination should be reported "Abs.," unless the instructor recognizes that his work up to this examination has been a failure, in which case the final report should be "F."—even though the student may have been absent from the final examination. No examination should be given, subsequently, to such a student until after the absence has been excused by the Committee on Admission and Classification, as shown by a partially filled special report card signed by the Secretary of the Committee, indicating that the absence has been excused and that the student is authorized, subject to the consent and at the convenience of the instructor concerned, to take the final examination.

Cerney Takes Stand Again In Churchill Case

Lone Tree Resident Testifies for State In Larceny Trial

Robert Cerney, Lone Tree, will return to the witness stand at 9 o'clock this morning in district court to give further testimony in the case of the state of Iowa against Gordon Churchill, alias Jack Burns. Cerney, a state's witness, is the first person to testify in the case.

Churchill is charged in a grand jury's indictment with larceny from a building in the day time. Jurors impaneled yesterday for the trial include: I. E. Jones, third ward; James Murphy Jr., Scott; William Pirk, Penn.; Louise Lumsden, fourth ward; Esther Kepler, West Lucas; C. R. McCann, fourth ward; Walter Bridenstine, East Lucas; Edward Smahel, Jefferson; Leonard Dohrer, Scott; George F. Memler, first ward; Bertilla C. Carroll, first ward; and Mildred M. Larrew, second ward.

Rescue Boy Unidentified Students Save Youth's Life

Unidentified students yesterday afternoon rescued a small boy from a ledge 25 feet above the lagoon at the foot of the cliff below the Law Commons before the Iowa City fire department truck could arrive to rescue the youth.

Spectators told the firemen that the boy was playing near the top of the cliff and slid over the bank to the ledge which is about half of the distance down the steep slope. The lagoon at the bottom of the cliff is nearly 15 feet deep.

Wm. Gerot Rites Will Be Held Friday at Hills

Funeral service for William Gerot, 70, who died Tuesday night from injuries received in an accident on his farm in Pleasant Valley township, will be at 9 a.m. tomorrow in St. Joseph's church in Hills.

Mr. Gerot was fatally injured when he was pinned against a machine shed by his tractor which started up while he was cranking it. Hospital officials said that his chest was crushed.

He is survived by his wife, a daughter, Mrs. J. E. Sexton of Pleasant Valley township; a son, Louis Gerot at home; three sisters, Mrs. Lou Duwa, Richmond; Mrs. Mary Thoman, Iowa City, and Mrs. Henry L. Dolle of Milwaukee.

KANSAS CITY, May 10 (AP) — Shouts of "Squads right, squads left" rang out today from a lot across the street from the Methodist uniting conference as the church group adopted a resolution for world peace.

High school R.O.T.C. boys, shouldering regulation U. S. army rifles, went through routine military maneuvers in full view of delegates.

A vacant lot has been used regularly for the drills.
