GERMAN TROOPS EVACUATE NARVIK

Hitler in New Pinch With His 1941 Supply of Ore Cut Off—

Great Britain Is Forcing Germany to Strike Again--Where This Time?

—INTERPRETATIVE—

By KIRKE L. SIMPSON
Landing of British troops in Norway represents a finger-tip clutch at Germany's economic throat which cannot fail to force Hitler's hand within days or hours.

to line up in Europe's fast expanding war also seems imminent. Without prompt aid from one or both, Hitler has risked disaster in Norway. To avert it, he must again strike quickly—where?

troops in Norway may have complete stoppage of Scandinavian iron ore shipments to Germany is the prime target. That would cripple Germany's power to maintain a long war. As Churchill told parliament last week, those ore shipments are the Nazi weapons and shells "for the campaign of 1941."

by naval and air action for a British troop landing, the allies have poised a thrust at that German iron ore life line from Norway across Sweden to the Gulf of Bothnia. To pave the way for that, the British navy has thrust a powerful arm into the Skagerrak in an attempt to block the only sea route available for sending Nazi reinforcements to Norway.

Hitler clamped a hold on the tail of the British lion when he invaded Denmark and Norway. He cannot let go, nor abandon to their fate the Nazi forces in Norway. He must find means quickly to meet the allied challenge—by forcing a road to Norway across neutral Sweden, by striking elsewhere as in the low countries, or by invoking Russian or Italian aid as a diversion. The frail barrier

of Swedish neutrality cannot long endure the strain, caught in the crunching jaws of the war vice. There are strategic reasons for British landing of troops at other Norwegian points than Narvik. Seizure of points south of that port would permit flanking operations in conjunction with Norwegian forces against any Nazi attempt to

march north from Oslo to Narvik, and also would prevent Nazi use of southeastern Norway as a base for air attacks on allied North sea shipping. Guessing at Hitler counter moves to meet the crisis he has precipitated is a far more difficult business than trying to spell out Franco-British purposes. All (See SIMPSON, Page 6)

Norwegians Gain Headway With Victory

British Navy Aids In Recapturing Port On Northern Coast

STOCKHOLM, April 15 (AP)—(By Radio)—Norwegian military headquarters tonight announced the recapture of Narvik, Arctic ore port, with the aid of British naval units and said British marines and soldiers had landed at several Norwegian coastal points with new light artillery and complete equipment. These units have been joined by the Norwegians, the Norwegian command said, and a "great number" of Norwegian pilots, who have been grounded by a lack of warplanes, have been attached to British naval units as a result of the delivery of British planes.

Continuing Fight
At the same time a government statement broadcast over stations still controlled by it, declared: "We are continuing to fight. We have received assurances of military assistance from the allied powers. We are confident that in cooperation with these countries we shall win back Norway for the Norwegian people." This statement, referring to what it described as the bombing of defenseless villages where King Haakon has been staying, added: "Henceforth we mean to keep the place of our headquarters secret."

"Fullest Cooperation"
The Norwegian command ordered Norwegian officers "to cooperate to the fullest extent with their French and British allies in effectively dealing a crushing blow to German forces occupying the cities and towns of Norway."

The three armies "must coordinate their operations in such a manner as to make them act as one," the command declared in urging its officers to "consult liberally with French and English commanders so as to avoid friction and blunders." "Numerous and well armed" German forces, it was added, make it necessary that Norwegian commanders not undertake "any rash actions."

Await Decisive Blow
The army communique gave no details of the battle at Narvik, and failed to state whether any Germans there were taken prisoner or in what direction they had retreated. It is said the British naval forces, however, had been lying outside Narvik harbor waiting for the Norwegian forces to organize properly in order to deal a decisive blow. (Reuters, British news agency, (See WARFARE, Page 6)

Navy Gives Reason For Fleet Increase

WASHINGTON, April 15 (AP)—The navy department said today that "one reason given for increasing the strength of our fleet is that we must face the possibility of an allied defeat" in the European war. The statement, issued in response to a series of questions by Chairman Walsh (D-Mass) of the senate naval committee, said, however, that "Germany's submarines and aircraft have not as yet overcome the British and French navies and have not as yet indicated their ability to do so in the future."

Rumania Bans All Wheat Exports, Polices Danube

Takes Steps To Reserve Oil, Coal

Military, Transport Requirements Come Before Foreign Orders

By DANIEL DE LUCE
BUCHAREST, April 15 (AP)—Rumania tonight banned temporarily all exports of wheat to Germany and other foreign buyers and at the same time strengthened her Danube river police to protect the reich's vital shipping from any possible attempt at sabotage. Officials said wheat exports would be discontinued at least until after this year's harvest, which, it was estimated, would be insufficient to meet Rumania's own needs.

Oil Reserved
Simultaneously the government economic council announced that measures had been taken to "assure adequate reserves of oil, coal and wood for Rumania's army and railroads." Rumania's military and transport requirements for petroleum are to take precedence over deliveries abroad, but officials indicated later these were expected to be filled without serious interruption. In oil circles it was understood the government would demand a larger share in the production of the foreign-owned oil companies. Rumanian officials hastened to clarify the economic council's decisions which Germans first feared would block, at least temporarily, the flow of oil to the reich.

Not Interference
Officials said assurance of army and railroad oil reserves was a matter which could quickly be arranged between the government and the producers. Rumania's output is much larger than her internal consumption. They said the council's action, therefore, could not be interpreted as interference with exports of oil to Germany. The action came on the heels of the establishment by Rumania of a strict control of traffic on (See RUMANIA, Page 6)

Youth Group Wins First Court Victory

DES MOINES, April 15 (AP)—Des Moines youth crusaders today won their first court victory in a campaign they have been waging to rid the city of pin ball machines and punchboards. Three pinball machines and three punchboards were ordered condemned in a hearing before Municipal Judge Don G. Allen. The items were part of a load taken by police last week in raids after young crusaders representing church and high school organizations charged seven drug stores, tavern and restaurant proprietors with operating disorderly places of business.

I. A. W. S. Plans Are Announced

Program plans for the I. A. W. S. Conference which will be held here next week are being announced today. For complete details of this intercollegiate women's meeting turn to the story on page 6.

A Prominent Visitor Calls--

An Iowa grad of the class of 1912, Conger Reynolds, right, returned for a brief visit to the University of Iowa campus yesterday just to see how things are getting along. Reynolds was director of the school of journalism at the university in 1915-17. He has, at various times, been in the United States army, the consular and foreign service departments of the United States government and managing editor

Germany Claims Trondheim, Bergen, (Not Narvik) Wanted in Nazi Offensive

Gilmore Will Be Dean of Law At University of Pittsburgh

New Mystery: Who Stole Our Stagecoach?

CHICAGO, April 15 (AP)—F. W. Brown, Deadwood, S. D., a representative of the Black Hills Travel association, tonight asked police to search for an historic stagecoach which he said had disappeared from its storage place. Brown said the coach was owned by the state of South Dakota and was valuable as a relic of the period from 1874 to 1876, when it was used between Deadwood and Cheyenne, Wyo. The coach was displayed here during the American Legion convention last October and then was stored in a garage pending the fifth annual Chicago Daily News International travel exposition, which opens Wednesday.

Sentence Youths for Holdup

DES MOINES, AP)—Two youths who participated in a holdup that netted them less than \$13 each yesterday were sentenced to 10 years apiece in the reformatory.

Interpretation of Beer Law Given Test Before Johnson County Judge

D. Alberhasky Seeks Another Beer Permit

A test of the real meaning of the Iowa beer law, believed to be the first of its kind, was begun yesterday in Johnson county district court by Don Alberhasky, proprietor of the Green Gables beer tavern, who is asking that a writ of mandamus be issued against the county board of supervisors requiring them to renew his beer permit, which expired last fall. Although the board formally rejected his application for renewal in a lengthy resolution April 3, the plaintiff is contending that part of the document, especially that based on a county attorney's opinion that his property is not legally platted, is false. Changed Opinion Admitting that he appeared in Alberhasky's behalf before the board a few years ago, County Attorney Harold Vestermark, now representing the county board, said he has changed his opinion as to the legal status of land on which the tavern is located. The Iowa beer law requires that no permit may be issued to a tavern not platted prior to Jan. 1, 1934. Alberhasky is contending his area was platted in 1925 and (See TAVERNS, Page 6)

F. R. Says American Republics Will Resist Assault Together

Addressing the governing board of Pan-American union, the president declared that "whoever touches one of us touches all of us." Then, observing that it was necessary to be prepared to "meet force with force if challenge is ever made," he said: "We have adopted procedures that enable us to meet any eventuality. I pray God that we shall not have to do more than that; but if it should be necessary, I am convinced that we shall be wholly successful. The inner strength of a group of free people is irresistible when they are prepared to act." His address, besides cautioning nations abroad to keep hands off the Americas, was also an invitation to them to forego war as an instrument of international adjustments.

North Sea Corked

Area in black shows the new Allied mine field, extending from Bergen to the Dutch border and half way down the Kattegat. The white strip in the Skagerrak represents a channel 20 miles wide through which Sweden may move her ships.

Wallace Urges Minor Changes In Farm Plan

Amendments Directed At Wheat, Cotton, Tobacco Sections

WASHINGTON, April 15 (AP)—Secretary Wallace urged congress today to make what he called 21 "minor modifications" in the farm program in the interest of "effective and economical administration." His proposed amendments, directed chiefly at wheat, cotton and tobacco phases of the program, did not, he said, "call for any substantial change" because of his belief in the program's basic soundness. His recommendations were made in a letter to Speaker Bankhead. Among general changes, he proposed amendments which he said would: Require persons entitled to benefit payments to apply personally therefor. Clarify the definition of "market" to make the act applicable to the marketing by producers of cotton, wheat, rice or tobacco in processed form, and to include gifts under "marketing."

First Nazi Demands on Norway Made Known

STOCKHOLM, April 15 (AP)—The Norwegian government tonight published a resume of Germany's initial demands for Norway, which it said were first made by the German minister several hours after Germany had started her invasion. The demands listed were: 1. A proclamation to be made to the people and the army ordering no opposition to Germany. 2. The army to be ordered to make contact with the advancing Germans and give them loyal collaboration. The army to be allowed to keep its weapons if its conduct permitted. All military buildings to hoist a white flag beside the Norwegian flag as a sign of their collaboration. 3. The military buildings needed by Germany to secure Norway against foreign enemies to be delivered undamaged, especially coastal fortresses. 4. Detailed charts of Norwegian mine fields to be delivered to Germany. 5. Norwegian territory to be completely blacked out from the day of occupation. 6. All communications to be maintained at Germany's disposition. 7. No ships to be permitted to sail to foreign ports and no air service to be permitted, with the understanding that maritime commerce would be permitted later to German and neutral Baltic ports, only. 8. Norwegian pilots to be instructed to obey German orders. 9. Meteorological service to be continued at Germany's disposition but all telephone service, cables and mail to foreign countries to be stopped and traffic with Baltic states to be reduced and controlled by Germany. 10. The press and radio stations to be ordered to carry information as directed by German military authorities, and to collaborate with the military authorities; all radio stations to be turned over to Germany. 11. The export of war materials (See DEMANDS, Page 6)

TUESDAY, APRIL 16, 1940

After 117 Years

WITH Germany making dangerously effective conquests in Scandinavia, the United States' probable involvement becomes more a possibility—particularly because of our continued application of the Monroe doctrine.

America's stake in Scandinavia is not a small one. We export \$152,646,000 worth of goods to those Northern countries annually; Americans have invested \$217,000,000 in Scandinavia.

In 1823, Monroe, the fifth president of the United States, enunciated policies that have become so commonplace as Yankee doctrine that they might be parts of the constitution.

In this period in world history in which nations shape their policies day-by-day to meet lightning changes in diplomatic maneuvering, the Monroe doctrine is the one point on which the United States foreign office remains firm.

Far from obsolete, as Mexico has charged, the Monroe doctrine is very much alive today. It is probably the one national ideal that American youth would be willing to fight to defend.

The President's Decision

THE announcement that President Gilmore, although leaving the University of Iowa in September for a post in the University of Pittsburgh, will return eventually to the Iowa faculty is well received.

While age has forced his retirement from his administrative post, President Gilmore still has contributions for education. With a splendid achievement academically and a wide experience that the majority of educators do not equal, President Gilmore has much yet to offer University of Iowa students.

We are pleased to learn that he has accepted the opportunity for direct academic contact once more with students—a service that was not possible with the burden of administrative duties.

The Big Stick in Mexico

THE NEW YORK TIMES points out "The note that Secretary Hull addressed to the Mexican Ambassador places the American case regarding the oil and land seizures on irrefutable ground."

That is true. It is also true that in the face of international unbalance, this isn't the best of times to be using the big stick on Mexico.

We admit that Mexico chose an appropriate time for the expropriations. But we can't help remembering that in the beginning American capitalists were taking their own chances—and if they want to gamble in Mexico, they shouldn't expect America to play policemen for them when the house wins.

An eclipse of the sun is forecast. Perhaps those sun spots were, after all, just a sort of preliminary blackout.

Rumania

RUMANIA, who long has known that some day she would have to choose between the Allies and Hitler, faces Germany today with defiance.

The only answer that Hitler will make, if he follows his precedents, will be to take over this little Balkan nation.

Rumania has barred all exports of petroleum, which action, if enforced, will cut off almost one-third of Germany's outside oil supply.

If Rumania is attacked by the nazis as a result of this action, the Allies' indebtedness to her for such defiance will deserve full protection.

It must take no small courage to invite Hitler's withering lightning attacks. The tiny neutrals are immortalizing themselves as the heroes of this—the second World war.

Censorship in Canada

ODIOUS as it is to Americans, censorship in Canada has been far less troublesome to those who feel its effects than has the censorship imposed by European governments since the outbreak of war.

Francis Flaherty, a member of the press gallery of the house of commons at Ottawa, gives Canada a bouquet for her intelligent handling of a matter that is necessary in war but contrary to democratic ideals.

Writing in The Quill, Flaherty says, "War makes a difference to Canadian newspapers but NOT much, now that censorship has been broken in and overcome its early tendency to see a great strategic secret in every scrap of war news."

"On the other hand, a perusal of the Defence of Canada Regulations and the Censorship regulations gives a rather terrifying picture of the censorship. The powers vested in officialdom are great. They may close down a newspaper plant entirely or they may place a censor in it to say what shall go in the paper and what shall NOT."

In its actual working out, Flaherty asserts, censorship has become cooperative, with the newspapers doing their own eliminations according to lists of "taboos" issued by the censors.

Walter S. Thompson, "genial, portly director of public relations for the government-owned Canadian National Railways," originated the idea of a censorship committee that would be charged with the job of prying out information which could be published as well as outlining information which had to be censored.

Americans can not but appreciate such liberal applications of the war stringencies in the neighbor dominion.

Hull and Wallace?

WE READ that Senator Gillette has promised his support to Secretary Wallace for the democratic nomination for presidency.

We agree with Senator Gillette that Wallace's capabilities are high. But no man, it seems to us, could do a more sane job administering this government than could Secretary of State Hull. For that reason, we place Wallace second on the list—and suggest that he'd fit nicely into the vice-presidency.

If he's elected, then everybody would be happy—in the democratic camp. And if the old time-keeper should punch the clock for the aging Mr. Hull before the end of his administration, we'd still have a good man in the president's seat.

That takes care of our No. 1 AND our No. 2 choice for the presidency, and eliminates the greatest objection that has been raised against Hull.

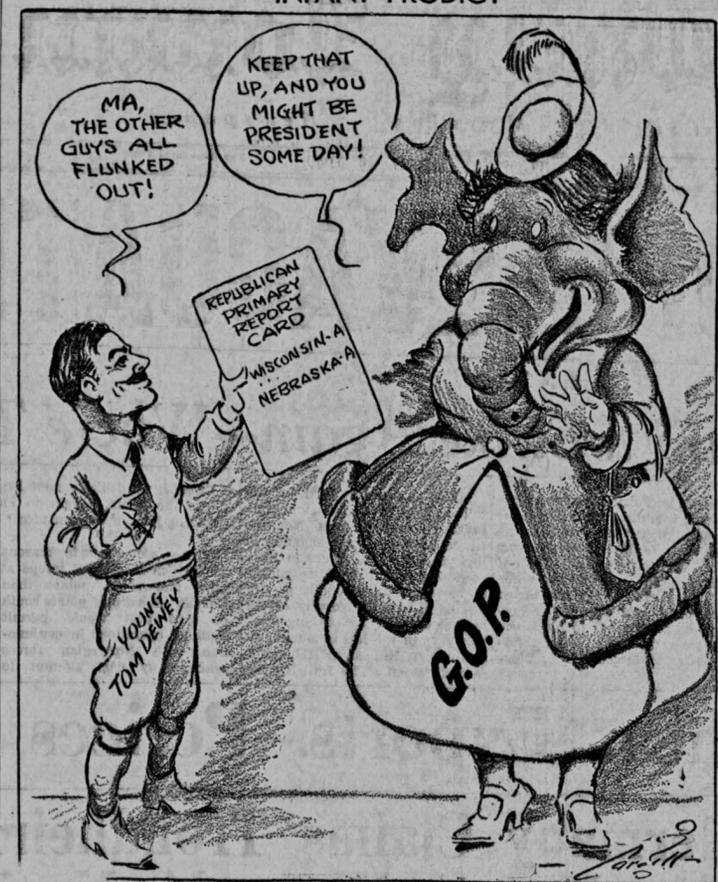

There's a medical controversy, we understand, over the respective merits of sulfamethyiazol and neorsphenamine. Ah, a war of words, no doubt!

Denmark has had the unique experience of falling asleep in an independent nation and awakening just another county in the greater German Reich.

That college youth who hand-cuffed himself to a beautiful movie star at least showed better judgment than his publicity-seeking fellow students who swallowed goldfish for the cameramen.

When pedestrians don't jump, the man at the next desk says, the auto death rate does.

INFANT PRODIGY

Congress Endorsed the Administration's Trade Policy, But Democratic Circles Aren't Shouting

Although the Roosevelt administration succeeded in getting its international trading policy endorsed by congress, there hasn't been much rejoicing over it in democratic circles.

For the benefit of folk who may not have followed the discussion: (Three years ago the legislators authorized the state department to make bargains with other countries mutually reducing our own and their tariffs, the plan's purpose being to stimulate world commerce all around.)

Well, the administration got what it asked for, but by nothing like the tally it would have chalked up if all the democratic solons had voted for it.

Hence democratic leadership has looked rather glum ever since those senatorial noses were counted. The administration won, but, as somebody once remarked, "Another such a victory, and—murder!"

Generally speaking, the "bolting" democrats were anti-new dealers. It was no surprise to see such lawmakers as Senators William King, Rush D. Holt and Patrick McCarran in that group.

It was slightly funny to note that Senators Harry Byrd and Carter Glass, both of Virginia, were on opposite sides. They've been equally anti-new deal, ordinarily. Nevertheless, Senator Byrd voted with the administration this time.

It's true that some of the democratic "antis" denied that they were opposed to reciprocal tariffs in principle. Their story was that reciprocity's all right, but that the state department oughtn't to be empowered to make such dickers except subject to congressional ratification.

They were beaten, but mighty narrowly. It isn't the licking, but the partisan skimpiness of it that signifies.

Under him he has at least three directors, one with the principals, another with the dancers, a third a sort of supervisor. But he, Harry Kaufman, is the generalissimo, the boss-in-chief.

Under him he has at least three directors, one with the principals, another with the dancers, a third a sort of supervisor. But he, Harry Kaufman, is the generalissimo, the boss-in-chief.

Mr. Kaufman wears double-breasted suits and bow-ties with white shirts, but no vests. He likes to bum around with song-writers and entertainers when he isn't cafe-crawling and looking at talent with Lee Shubert, or playing pinocchio with this same gentleman.

When he faces a group of aspiring applicants, as he must whenever a new chorus is to be considered, he is able to cut through this mass like a sharp-bladed ax.

Mr. Kaufman also usually has been loyally new deal. And Sen. Burton Wheeler's a consistent liberal, although not uniformly pro new deal.

They were beaten, but mighty narrowly. It isn't the licking, but the partisan skimpiness of it that signifies.

Raw Material Becomes Art Musical Comedies Emerge From Talk Of Harry Kaufman

By GEORGE TUCKER

NEW YORK—There is nothing beautiful in seeing a Broadway musical emerge from a mass of raw material, as there is in seeing a sunrise emerge from the daubs of oil on a painter's canvas, but there is a lesson in values to be had from such an experience.

This Mr. Kaufman is a large individual who came up to Broadway by way of the cloak and suit trade, and during his wanderings as a suit salesman he learned an important thing. He learned how to talk.

Mr. Kaufman wears double-breasted suits and bow-ties with white shirts, but no vests. He likes to bum around with song-writers and entertainers when he isn't cafe-crawling and looking at talent with Lee Shubert, or playing pinocchio with this same gentleman.

OFFICIAL DAILY BULLETIN

Items in the UNIVERSITY CALENDAR are scheduled in the President's Office, Old Capitol. Items for the GENERAL NOTICES are deposited with the campus editor of The Daily Iowan or may be placed in the box provided for their deposit in the offices of The Daily Iowan.

VOL. XII, No. 574 Tuesday, April 16, 1940

University Calendar

Tuesday, April 16: 6:15 p.m.—Dinner and meeting, American Association of University Professors, Triangle club rooms. 7:00 p.m.—Spanish club, Iowa Union.

Wednesday, April 17: 7:30 p.m.—Graduate lecture by Dr. Louis Wirth, senate chamber, Old Capitol. 8:00 p.m.—University play, University theater.

Thursday, April 18: 12:00 m.—Luncheon-Kensington, University club. 8:00 p.m.—University play, University theater.

Friday, April 19: 8:00 p.m.—Graduate lecture by Prof. James W. Thompson, house chamber, Old Capitol. 8:00 p.m.—University play, University theater.

Saturday, April 20: 9:00 p.m.—Pharmacy Prize From, Iowa Union. 10:00 p.m.—Seals club play day. Midwest Forensic League conference, senate chamber, Old Capitol.

Sunday, April 21: 4:15 p.m.—Gallery talk by H. W. Janson on "Contemporary American Oils," preceded by concert of chamber music; art building. 6:15 p.m.—Sunday night supper, University club.

Monday, April 22: 8:00 p.m.—Convention of Associated Women Students, senate chamber, Old Capitol. Tuesday, April 23: 7:00 p.m.—Spanish club, Iowa Union.

Wednesday, April 24: 8:00 p.m.—Motion picture feature: "Throne of the Clouds," sponsored by the Mountaineering club; geology auditorium. 8:15 p.m.—Concert by Prof. Hans Koelbe, Iowa Union.

Thursday, April 25: 8:00 p.m.—Sigma Xi initiation, senate chamber, Old Capitol. 8:00 p.m.—Lecture by Prof. Me-no Spahn, sponsored by German club, room 221-A, Schaeffer hall.

Friday, April 26: 8:00 p.m.—Concert by Prof. Hans Koelbe, Iowa Union. (For information regarding dates beyond this schedule, see reservations in the president's office, Old Capitol.)

Iowa Union Music Room: Following is the schedule for the Iowa Union music room up to and including Saturday, April 20. Requests will be played at these times except on Saturday from 1 to 2 p.m. when a planned program will be presented.

Order of Artus Essay Contest: Essays on a subject of economic interest, not longer than 5,000 words, may be entered in the Order of Artus essay contest and should be deposited in the office of the college of commerce by 5 o'clock of the last Friday in April, April 26.

Freshman Diction Contest: All students now registered in English (1) or (2) are invited to participate in the freshman diction contest which will take place in the chemistry auditorium Wednesday, May 8, from 7 to 8 p.m.

TUNING IN with D. Mac Showers

MARIAN AND JIM: Jordan's fifth anniversary on the air as Fibber McGee and Molly to be celebrated tonight at 8:30 on the NBC-Red network will be an occasion for celebration in 35 millions of American homes.

FOR in their 248 appearances on the air, the leading citizens of Wisful Vista have become such a household word that their success and happiness are now the personal interest of radio listeners everywhere.

SOFTEST JOB: of the week—Rush Hughes spending his spare time at Madison Square garden kidding with clown and lion tamers to get authentic dope for his Hughesreel on tonight's "Johnny Presents" program. It'll be called "Five Minutes at the Circus."

TENOR Frank Parker and Jessica Dragonette, who were teamed several years ago in a series of Cities Service programs, are considering an offer to appear in a series of light operas replacing the Ford Sunday Evening Hour this summer.

IF THE DEAL: goes through, Parker will commute between his west coast "Burns and Allen" broadcasts and New York where the new program will originate.

DANIEL BOONE called it el-

GOOD dance music from 10 o'clock tonight to 11:30 includes Lawrence Welk's orchestra over MBS at 10, Lou Breese over NBC-Red at 10:30 and Louis Prima over CBS at 11 o'clock.

BUD FREEMAN'S Summa Cum Laude orchestra opens at Chicago's Hotel Sherman May 10. Announcement has just been made that Vincent Lopez and Abe Lyman have been booked for the New York world's fair come summer.

GLEN GRAY and the Casa Loma orchestra are currently being heard not only on more radio stations than any other band in the country but on more stations than there are in the country. Now who's crazy?

From Meadowbrook in New Jersey they're on three networks, more than 300 stations, 14 times a week. A transcription service supplies their music to 300 more stations and a drug manufacturer is currently releasing Casa Loma music to 400 stations.

THAT'S 1,000 stations—250 more than the total number in the United States. After their Meadowbrook engagement the Casa Lomas play one-nighters and theaters until they open May 30 at the Roosevelt ho-

series heard over CBS stations at 9:15 in connection with the opening of the major leagues' baseball season. It will feature interviews and dramatizations centered around baseball players.

Major League Teams Start Annual Campaign Today, Despite Chilly Weather

BY GAYLE TALBOT
 NEW YORK, April 15 (AP)—Though the girders in many a grandstand still are festooned with icicles and a cold wind howls across the land, another big league baseball campaign is scheduled to start tomorrow. For many it still is the gladdiest day in all the year.

The athletes are browed from semi-tropic suns and ready to battle for those semi-monthly salary checks. The fans in 11 cities are similarly in the pink after having digested a few million words of advance dope on

the contenders. All that is required to make the grand opening about as auspicious as any in history is a break in the weather.

The forecasters are fairly optimistic, pending last-minute returns. In five of the eight cities the tentative guess is for "fair" weather tomorrow, with St. Louis, Washington and Philadelphia on the doubtful side. All are threatened with rain.

The New York Yankees, favorites to win their fifth straight American league flag at the unprecedented odds of 7-to-20, tie off against the Athletics at Philadelphia, with the florid Rufus Ruffing likely facing Chubby Dean on the hill.

Joe DiMaggio, the greatest of all the Yanks, will not play in the inaugural, as he slightly injured a knee in yesterday's exhibition at Brooklyn. Joe, incidentally, has played in only one opener in four seasons with the champions. Fifteen thousand is the estimated attendance; possibly an optimistic one.

The prize crowd of the day, 40,000, is expected to witness the opener at Detroit, in which big Buck Newsom of the Tigers is

oppose Dutch Leonard, the knuckle-baller who won 20 for the Senators. Estimated attendance, 31,000.

Cleveland, popular choice to place third again in the American league race, faces the Chicago White Sox before an anticipated crowd of 30,000 at Comiskey park. Bob Feller, the 21-year-old fireballer whom Oscar Vitt regards as a potential 30-game winner, goes against Edgar Smith of the Sox.

The big noise in the National league is billed at Cincinnati, where Paul Derringer, hard luck hero of the last world series, goes to the hill against Bill Lee of the Chicago Cubs. The capacity of Crosley field, 35,000, has long been sold out. Cincinnati's fans either have forgotten their bitter disappointment at the world series, or have forgiven.

St. Louis, equal choice with the Reds at 11-to-5 to win the pennant, opens at home against the Pittsburgh Pirates. It will be something of a homecoming for Frankie Frisch, new manager of the Pirates. He spent many a

happy and hysterical day in the mound city when he was head of the gas-housers. Curt Davis, the Cards' big winner last year, is billed to face Bob Klinger of the Pirates before a crowd of around 18,000.

Carl Hubbell, who looks like he might have a brilliant comeback in his system, is manager Bill Terry's nominee in the Giants-Phillies opener at the Polo grounds. Kirby Higbe will go for the Phils. Hubbell has looked like his old self this spring, and that alone should be sufficient

to pull a crowd of 35,000 to the metropolitan opening.

Brooklyn, facing the Bees at Boston, should be afforded a quick idea of its chances of finishing as high as third again. Manager Leo Durocher has selected his big "if" pitcher, Whitlow Wyatt, of the game knee, to face the Bees. If Wyatt looks good, and is not bunted out of the park, then the Dodgers will have to be taken pretty seriously. Bill Posedel is Wyatt's probable opponent, with the expected crowd a scanty 10,000, all chilled to the bone.

Rookies Whip Regulars In Practice Game, 2-1

Whitney Martin's SPORTS TRAIL

- 220-Yard Drives
- Kicking Facts
- In the Bag

NEW YORK, April 15 (AP)—Jimmy Demaret, the hot potato of the winter golf tour, isn't famed as a slugger off the tee, but if he should offer to make a small bet as to his driving ability it might be best to specify that it be a quiet drive in the country. He really smacks a golf ball.

220-Yard Drives

After winning the Oakland open Demaret was playing the Del Rio Country club course at Brawley, Cal., and he offered to bet that from a point behind the 18th green he could carry the new river gorge. The gorge at the point is 220 yards, and his offer quickly was accepted.

Jimmy promptly pulled an ancient, weather-beaten spoon from his bag, teed up a ball and let fly. He hit four balls in all, and each of them cleared the gap with yards to spare.

A surveyor computed the carry of the balls as 243, 240, 239 and 236 yards, respectively, which will do for a spoon.

Kicking Facts

Lou Little, Columbia football coach whose ideas for altering the goalposts to bring back the art of field goal kicking to the college game were turned down by the rules committee, is going to have a little concrete evidence to back his proposal in the future.

He has erected multiple goal posts at the Columbia practice field. The posts have been set up with three sets of uprights and an extra crossbar. One of the extra sets of uprights provides four feet more space, and the other extra set allows six feet. The extra crossbar is two feet lower than standard.

Little is trying to discover how many kicks that miss the regulation posts would score through the other posts.

In the Bag

Now that the Browns have defeated the Cards, the Bees have knocked off the Red Sox, and the Phillies have outscored the Athletics, the picture of the pennant races starting tomorrow should be perfectly clear.

T. E. (Pop) Myers, general manager of the Indianapolis speedway, says that barring delays due to possible accidents the average speed in this year's 500-mile race should be at least three miles an hour faster than the record, which is slightly better than 117 miles an hour.

For your basketball future book: The Creighton university freshman team average 67 points a game the past season, winning one game 108 to 9. Coach Duce Belford says it's the best squad he ever had, and he's had some corkers. And don't overlook San Diego State, which will have all but three players returning from its fine 1939 team, the list including Milky Phelps, one of the best forwards in the nation.

The Royal and Ancient golf club doesn't own a course. It uses the St. Andrews links, owned by the town. Dana Bible will have 32 veterans available for his 1940 Texas football team. The eyes of the nation will be on Texas. They should bill Joe Louis' bouts as six-round affairs. He has averaged only 5.7 rounds in 10 title defenses. The record is the more remarkable when it is considered two of the bouts went the full 15 rounds.

Willie MacFarlane's golf problem: tee shot hits tree, out-of-bounds and rebounds toward fairway. Caddy dives into trap trying to avoid being hit. Ball hits caddy, then the bag. What's the golfer playing on his next shot? "I saw it happen," says MacFarlane. "It shouldn't have happened to a duck." Today's hunch: that the National league race will be decided by injuries.

Action Ahead This Week End For Iowa Teams

The attempt of the baseball team to remain undefeated and sharing the top of the Big Ten standing, the opening of the tennis season, and the first outdoor track meet are on the University of Iowa's sports schedule this week.

After beating Purdue in the opener, the baseball team will take on Illinois here Friday and Saturday. The Illini will use a double-header from Northwestern last week and shares the top spot with Iowa and Wisconsin. It will be the first appearance of an Illinois baseball team at Iowa City since 1929.

Iowa's tennis team will meet Grinnell here Saturday in a warm-up meet before taking on Chicago and Northwestern in Big Ten meets the following week. Heading the Iowa team is one-armed Captain Bob Sandler.

About eight track and field athletes will go to Lawrence, Kan., for the Kansas Relays Saturday. They will include athletes in four or five individual events and one or two relay teams to be named Tuesday.

Upper D Nips Phi Gam Team In Volleyball

Two teams advanced in the intramural volleyball tournament championship round last night in the all-university contest.

Upper D gave the Phi Gamma Delta "B" team its first defeat in the championship round by winning two consecutive games. Upper D won both games by 15-9 margins. The setback gives the losers another chance to compete in the all-university tournament.

Second-South, Hillcrest champion, nosed out Jefferson of the co-op league by winning the last two games in a three-game series. By winning this series, Second-South meets Upper D this Thursday evening.

Jefferson won the first game by a 15-7 margin but lost to Second-South in the second tilt by a 15-6 score. The deciding game was a close affair with Second-South coming from behind to win.

The victors were on the short end of a 7-1 count before it rallied to go ahead, 10-7. Second-South held the lead the rest of the way. Jefferson threatened to tie the score at 7-7 and again at 9-7, but the winners held on to the lead and finally won 15-11.

The two winners will meet Thursday as the two losers of last night's games will meet. The winner of the Phi Gamma Delta "B" Jefferson game will meet Southwestern the same night.

Aron, Cagni Sien PHILADELPHIA, (AP)—A return 10-round bout between Cal Cagni, of Cresskill, N. J., and Milt Aron, of Chicago and formerly of Dubuque, for April 29 was announced yesterday by boxing promoter Herman Taylor. Cagni won a surprise decision over Aron in their first bout.

The average low-cost American gun has been found to be superior to any other make, even the famed London and Sheffield rifles and shotguns.

Hein Allows Five Blows

Regulars Show Effects Of Forced Idleness Due to Bad Weather

Showing the effects of laying off because of bad weather encountered on the recent Purdue-Notre Dame trip the Regulars were downed, 2 to 1, in a six inning practice game yesterday by the second-string Yanigans.

Dick Hein, pitching for the Yanigans, limited the Vogelmen to five blows. His teammates gave him good support both at the plate and afield with Bob Stastny leading the batting attack.

Fred Hohenhorst did a creditable job of hurling for the regulars but the Regulars let him down in the base hit department when they failed to bunch their hits off the offerings of Hein.

Batting drills were held immediately before and following the game in order to give the Hawks ample opportunity to find their batting eyes for coming series with Illinois this week end.

By virtue of their double win over Northwestern last Saturday the Illini are tied for the league lead with Wisconsin, who took two games from Chicago in a twin-bill last Saturday.

Illinois has only two sophomores playing on an otherwise veteran team. They are Bill Brewer, colorful catcher from St. Louis and Walter (Hoot) Evers, center fielder, who played basketball for the Illini.

The infield consists of Bill Hapac, first; Johnny Drish, second; Capt. Tony Pyrz, shortstop, and Bill Kucera third. Len Kallis, right and Russ Drechsler, left, will complete the outfield.

John Paociti, leading pitcher as a sophomore two years ago but unable to pitch last season because of a sore arm, and Alan Grant, junior, lead the pitching staff.

Coach Otto Vogel will continue to give his players practice under game conditions by sending them through another practice session this afternoon. Harold Haub will attempt to cross up the Yanigans hitting attack while Bob Stastny will try to baffle the first stringers' batting spree.

Broaca Sold To Jersey City

CLEVELAND, April 15 (AP)—The Cleveland Indians announced the sale tonight of Johnny Broaca, righthanded pitcher, to Jersey City of the international league for an undisclosed sum.

Suffering from a sore back, he had been used principally as a batting practice pitcher this spring.

Broaca came to the Indians a year ago as a free agent after holding out during the entire 1938 season from the New York Yankees. He was used as a relief hurler during the 1939 season, winning four and losing two games. His home is in Lawrence, Mass.

Daily Iowan SPORTS

Intramural Softball Openers

Wilson Batters Whetstone in Co-Op League For 21 to 15 Margin

The 1940 intramural softball tournament had its opening yesterday as eight teams saw action.

Wilson won a slugfest over Whetstone by a 21-15 score. Wilson rallied in the fifth inning to overcome a 12-5 margin held by the losers. The winners put across 10 wins in this big inning and scored six more in the final inning to put the game on ice.

After scoring six runs in the first and third innings, Whetstone was unable to keep the lead and only scored twice in the fifth inning and one in the final frame. Upper A trounced Upper B for

its first victory of the current season, 20-7. The winners led throughout the game by scoring five in the first, one in the second, six in the third, four in the fourth and four in the fifth.

Upper B, unable to stop the winners' onslaught, was also unable to tally many runs in one inning of play. The first run came in the second inning and three each in the third and fifth innings.

In the other games played, Upper C won a close game over Upper D, 11-8, and Lower D won its first game of the season by nosing out Lower C, 7-6.

25 Freshman Wrestlers Enter Annual Numeral Mat Tourney

Event Scheduled For Next Week At Fieldhouse

Entries are pouring in at a rapid rate for the freshman numeral wrestling tournament, scheduled for next Tuesday, Wednesday and Thursday, according to Iowa wrestling coach Mike Howard.

Up to yesterday, 25 matmen had entered the meet, in which the eight weight champions receive freshman numeral sweaters. During the three-day event, matches will begin each afternoon at 4:15.

Entries to date:
 121 pounds: Bernard Conrad, Jules Holmes and Thomas Chuback.
 128 pounds: Loren Courtney and Leland Wilkinson.
 136 pounds: Harold Schrader, Russell Miller and Vernon Langille.
 145 pounds: Glen Thomas, Glen Hoffman, Glen Nelson, Ernest Bundgaard and Hoyt Tatum.
 155 pounds: Paul Hannon, Kenneth Kolley, Robert Fleming and Harold Montross.
 165 pounds: Gordon Cobbs, William Hibbs, Charles Johnson and Bill Johnson.
 175 pounds: Wayne Gesell, Don Tepfer, Jack Yarham and Glen Schoening.

Glenn Appeals to Landis
CHICAGO, (AP)—Catcher Joe Glenn of the St. Louis Browns, a holdout for 47 days, presented his case to Kenesaw Mountain Landis, commissioner of baseball, today with Landis withholding comment. Glenn, only unsigned major leaguer besides Frank Pytlak of Cleveland, had appealed to the commissioner for a hearing which involves a salary dispute.

Pressbox Pickups

By **OSCAR HARGRAVE**

It's another milestone in baseball history ahead, although it could possibly be a couple of ball games away in view of the upcoming competition. Otto Vogel's baseballers need but one win to make it 200 ball games won by Vogel-coached Iowa baseball teams. Vogel, a former Chicago Cub player, has a record at Iowa of 199 won, 143 lost and three tied.

The Hawkeys, by beating Illinois Friday, can boost the all-sports mark for the year to the .500 mark for conference opposition. The record stands at 16 won, 17 lost and one tied, while the all-competition record is 30, 22 and two.

Once again baseball will be included on the official commencement events program. Last year alumni saw the Hawkeyes play Wisconsin and clinch the title. This year it will be Minnesota, May 31 and June 1.

Jim George, last year's leading hitter in the conference, now leads Iowa batters with a .400 percentage. Erwin Prasse led for a while, but is now clouting at a still-impressive rate of .347, while the team average is .284.

Three records at the Kansas relays, where an Iowa team is scheduled to run this week end, are held by Hawkeye athletes. The 440-yard relay team of 1935 set a meet record of 4:16, the same quartet made the half mile record of 1:25.2 and Ed Gordon set the broad jump mark of 25 feet, four and three-eighths inches in 1931.

This week end, as far as Iowa baseball followers are concerned, is one of many worries. The Illini have a veteran team that was able to wallop Northwestern in a doubleheader Saturday to step to the fore in conference competition.

Iowa, with a victory over Purdue to show for its one conference effort, is rated as one of the favorites, which means that Iowa City might see the Big Ten's title deciding games Friday and Saturday. It will certainly, unless the series is split, decide something. After Illinois the Hawks meet

Iowa Trackmen Compete Today In Annual Dutton Discus Throw

The annual spring Dutton discus throw will take place this afternoon inside the 440 yard cinder track.

The contest is under the direction of coach Ted Swenson and is open to any university man wishing to compete. Any man who wishes to compete in this event and does not have track equipment is asked to report to Swenson in the fieldhouse before the start of the event at 4 o'clock.

The winner will have his name engraved on a traveling trophy and medals will be given to those who place.

A week from today, April 23,

the annual jump triathlon will be held on the west side track.

The event was last year by Murray Patton of Santa Ana, Cal., with a point total of 1898. Among the events in the triathlon are the pole vault, broad jump and high jump. Contestants compete in these three events and the marks made are scored on a decaathlon basis.

In order to be eligible for medals the competitor need not enter all three events.

This is another in a series of spring track and field events staged for competition among all university men, under the direction of the athletic department.

Early May Is Busy Time Here

Athletically, the biggest week end of the spring for the University of Iowa is May 3 and 4 when six contests are scheduled, four at home.

Iowa's baseball team will play Chicago Friday and Saturday while the golf and tennis teams take on Wisconsin Saturday and the track men compete against Minnesota at Minneapolis. Tennis players meet Grinnell there Friday.

These events occur simultaneously with the university's music festival when some 3,000 pupils from 60 schools are on the campus.

Wisconsin, Chicago, Northwestern and Minnesota in the conference, none rated quite as highly as Illinois.

Only two sophomores, probably, will be on the Illinois team. They are Bill Brewer, colorful catcher, and Walter "Hoot" Evers.

Wolves Lead Relay Entries

DES MOINES, (AP)—The University of Michigan will send 38 track and field stars to the Drake relays here April 26 and 27, it was disclosed today when the Wolverines' official entry was received.

The Michigan men will compete in every event on the varied relays program.

It was the largest team yet entered in the carnival.

Previously the Iowa entry of 31 men was the largest received for this year's meet.

Michigan State's entry, received today, showed that school would enter 25 men in four relays and nine special events. Indiana entered 22 men.

Among savages a name is not permanent. A member of a tribe adds to his name other names to depict his deeds.

Intercollegiate Women's Conference Program Announced

S. U. I. Women Hostesses To Regional Meet

Students in Colleges From Colorado To Virginia To Be Here

The tentative program of the Intercollegiate Association of Women Students regional conference, which will bring women representing colleges and universities from Colorado to Virginia to the campus Monday through Wednesday, April 22 to 24, was announced yesterday by Martha Lois Koch, A3 of Evansville, Ind., publicity chairman.

Headed by the local University Women's association officers, Eulalia Klingbeil, J4 of Postville, president; Ruth House, A4 of Iowa City, vice-president; Genevieve McCulloch, A4 of Cedar Rapids, treasurer; and Beverly Barnes, A3 of Sioux Falls, S. D., secretary, the conference is designed both as a vocational guidance conference and an opportunity for campus-prompts discussion.

Miss House is general chairman in charge of arrangements for the entire affair. During the days of the conference, speakers from the campus and from the nation will lead discussions and lecture before groups which will include delegates as well as University of Iowa students.

Featured speaker is Dr. Bess Goodykoontz, native Iowan, University of Iowa graduate and United States commissioner of education.

The program announced follows:

Monday, April 22
8-10 a. m.—Registration and coffee hour, Currier hall, north lobby.

10-11:30—Business meeting, Old Capitol, senate chamber.
12 noon—Luncheon, Iowa Union, river room. Speakers: Dr. Bess Goodykoontz, Prof. Grant Wood.
1:30-3 p. m.—Discussion groups, Iowa Union.

1. Topic: "Development of Personal Growth Within Living Groups."
2. Topic: "Orientation of New Students."
3. Topic: "Recreation."

4-5—Sorority open houses.
Tau Gamma tea (unaffiliated).
6—Formal dinner, Iowa Union, main lounge.

8—Experimental play, university theater.
Tuesday, April 23
7:15-8:15 a. m.—Breakfast, Currier hall.

8—Mortar Board breakfast, Iowa Union, sunporch.
9-9:30—Address, Iowa Union, river room. Speaker: Dr. Bess Goodykoontz.

9:30-9:45—Address, Iowa Union, river room.
10-11:30—Vocational discussion groups, Iowa Union.

1. Fashions Leader: Mae Bliss, Marshall Field and company.
2. Radio Leader: Luella Hoskins, radio council, board of education, Chicago.

3. Secretarial training. Leader: Mrs. Katherine B. Dunbar, Katherine Gibbs school.
4. Social work Leader: Ruth Lewis, assistant professor of medical social work, Washington university, St. Louis.

5. Teaching Leader: Prof. Harry Newburn, college of education, University of Iowa.
12 noon—Luncheon on dress parade, Iowa Union, river room. Speaker: Mrs. Benj. F. Shambaugh.

1:30-3 p. m.—Vocational discussion groups, Iowa Union.
1. Foods Leader: Sybil Woodruff, professor of foods, University of Illinois.

2. Journalism. Leader: Mrs. Lucy Rogers Hawkins, editor of "Matrix," Theta Sigma Phi (national journalism sorority) publication.
3. Personnel management and merchandising. Leader: Paul A. Mertz, director of company training, Sears Roebuck and company, Chicago.

4. Recreational work. Leader: Dorothy Enderis, director of community education, board of education.
3:15-3:45—Address. Speaker: Dr. Goodykoontz.

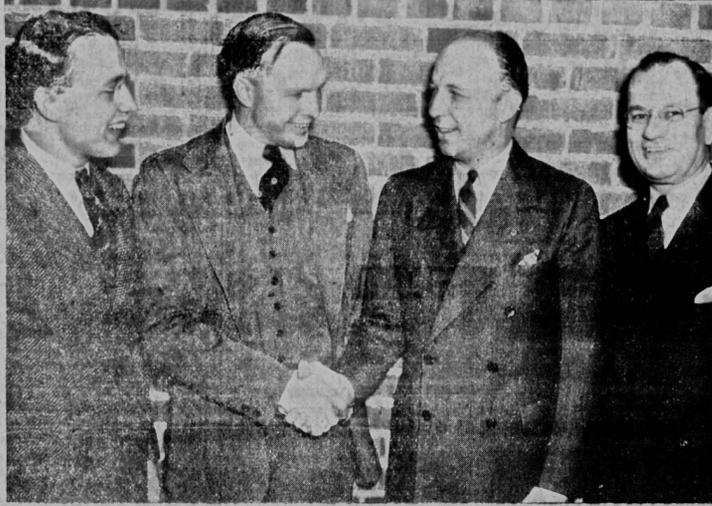

4-8—Amana tour and dinner at Amanas.
Wednesday, April 24
7:15-8:15—Breakfast, Currier hall.

9-10:30—Discussion groups, Iowa Union.
1. Topic: "Contributions, Functions and Problems of Government Between Campus Groups."
2. Topic: "Finding Employment."
3. Topic: "Social Behavior and Etiquette."

10:30—Conference picture.
11-11:45—Address. Speaker: Prof. Ethan Allen.
12:15 p. m.—Luncheon and style show, Iowa Union, river room.

1:30-2:30 p. m.—Business meeting, Old Capitol, senate chamber.
3-5—Tea dance, Iowa Union river room.
6:30—Buffet supper (Smorgasbord), Iowa Union, river room.

At Sig Ep Convention Dinner

Dr. Eddie Anderson, University of Iowa football coach, was guest speaker at the dinner Sunday in the river room of Iowa Union which climaxed the regional convention of Sigma Phi Epsilon fraternity. Preceding the dinner there was a model initiation. Nine chapters of Sigma Phi Epsilon were guests of the local group. Pictured above from left to right are Richard Nazett, A2

—Daily Iowan Photo, Engraving of Eldora, local president; Dr. Anderson; Lieut. Gov. B. E. Hickenlooper of Cedar Rapids, Sig Ep alumnus, and Prof. David Armbruster, also a Sig Ep.

Today Five Organizations Plan Sessions

UNIVERSITY CLUB . . .
... will meet at 7:30 tonight in the clubrooms of Iowa Union.

POST OFFICE . . .
... Clerk's auxiliary will meet at 2 o'clock in the Iowa City Light and Power company.

BOOK REVIEW . . .
... club will meet at 2 o'clock in the home of Mrs. Alexander Kern, 415 S. Summit.

ST. PAUL'S UNIT . . .
... of the Catholic Study club will meet at 2:30 this afternoon in the home of Mrs. William J. Herrick, 400 N. Clinton.

PARENT TEACHER . . .
... association of Henry Sabin school will meet at 2:45 this afternoon at Henry Sabin school.

Baptist Women Set Election For Wednesday

Officers will be elected at the spring luncheon to be given by members of the Women's association of the Baptist church at 1 p. m. tomorrow in the church. The annual business meeting will be held.

The executive board will be in charge of arrangements. Leading the devotionals will be Mrs. Clarence E. Beck.

Mott To Talk To Wesley Unit

Prof. Frank L. Mott, director of the university school of journalism, will be guest speaker at a meeting of the Wesley Players, Methodist drama unit, tomorrow at 8 p. m. in the Methodist student center.

Review Club Plans Meeting

"Kitty Foyle" by Christopher Morley will be reviewed by Mrs. E. O. Nybakken at a meeting of the Book Review club this afternoon at 2 o'clock.

Mrs. Alexander Kern, 415 S. Summit, will be hostess to the group.

Church Groups Will Convene For Meetings

Mrs. R. V. McCollum To Fete Presbyterian Association Tomorrow

Seven women's church groups will meet for varied business, social and devotional sessions and for educational programs this week.

Mrs. George Kay . . .
... 6 Bella Vista, will entertain members of group 5 of the Presbyterian women's association in her home tomorrow at 2:30 p. m. There will be the regular business meeting followed by a social hour.

A Missionary . . .
... tea will be given by the Ladies Aid society of Zion Lutheran church at 2:30 p. m. tomorrow. The place will be in the home of Mrs. Marie Sievers, 617 S. Dodge.

A Business . . .
... meeting of the Women's association of the Congregational church will be held in the home of Mrs. J. H. Bodine, 318 Ferguson, at 2:30 p. m. tomorrow.

The Ladies . . .
... guild of the English Lutheran church will meet for a business session at 2:30 p. m. tomorrow in the church parlors. Mrs. Ray Memler will lead the devotionals.

On the committee in charge are Mrs. L. C. Krueger, Mrs. C. M. Tanner, Mrs. Memler, Mrs. Molly Cramblet and Mrs. J. P. Memler. There will be a social hour after the meeting.

Bridge . . .
... and euchre will be played in the basement of St. Wenceslaus church at 2:15 p. m. tomorrow. The ladies club of the church will be the hostess.

The Weekly . . .
... prayer meeting and Bible study group of Coralville Gospel church will be at 7:45 tonight in the home of Mrs. Fred Goody, 119 W. Benton.

The young people of the church will hold a business meeting and social hour at 7:45 p. m. tomorrow in the church. The women's prayer meeting and Bible study club will be entertained by Mrs. Floyd Kelley in her home in Coralville at 2 p. m. Thursday.

The K. Y. B. club will be led by Mrs. George MacKay at a meeting in the parsonage at 4 p. m. Friday.

Mrs. R. McCollum . . .

... will entertain Reed auxiliary of the Presbyterian church in the home, 1136 Burlington, at 2:30 p. m. tomorrow.

Assisting the hostess will be Mrs. Grace Kendall, Mrs. R. H. Reimers, Mrs. W. E. Brockenstein and Mrs. Ardis Kirby. Mrs. L. C. Jones will be in charge of the program.

Pumpkins for You?

For spring or summer it is ability as well as comfortableness that the modern woman wants in her clothes. This week's "frock fashion," sketched in a local shop, exemplifies all of these qualities. It is of wrinkleproof panorama mesh. The color is yellow with royal blue stripes in the box-pleated skirt, while a little bow at the neck is blue and yellow. The outstanding feature is the huge yellow leather pumpkin on the

front of the belt. Smaller painted pumpkin buttons run up the front of the shirtwaist top and fasten the cuffs of the sleeves. The hat that looks so well with this dress is a yellow, felt bowl brim. It has matching grograin binding and wide grograin ribbon streamers down the back. This spring these hats that can be worn in so many different ways are to be found in felt or straw and in almost any color that you desire.

Final Tea Dance Will Be Tomorrow

The final tea dance of the year will be given tomorrow from 4 to 5:30 p. m. in the river room of Iowa Union, it was announced yesterday.

U. Elementary School To Give 2 French Plays

Two French plays, "Cendrillon" and "Le Petit Chaperon Rouge," will be given by pupils at the university elementary school at 3:30 p. m. tomorrow in the music room at the school.

The cast of "Cendrillon," which means "Cinderella," includes Norma Thornton, Barbara Baird, Phyllis Snyder, Marie deKiewiet and Mary Reger. In the other play, which means "Little Red Riding Hood," are Mary Reger, Marie deKiewiet, Norma Thornton and Phyllis Snyder.

Mrs. P. Rice To Speak To Garden Club

Mrs. Preston Rice of Detroit, Mich., nationally known gardener, will be guest speaker at a public lecture sponsored by the Cedar Rapids garden club tomorrow at 10 a. m. in the Roosevelt hotel.

All garden lovers in Iowa City have been invited to attend the lecture.

AMONG IOWA CITY PEOPLE

Mr. and Mrs. Jacques de LaChataille of Kenilworth, Ill., were guests this week end in the home of Mr. and Mrs. Baldwin Maxwell, 900 N. Dubuque.

Hal Miller of New York City, who has been a guest in the home of Mr. and Mrs. C. H. Maruth, 423 E. Ronalds, is leaving for Tacoma, Wash., to visit his parents, Mr. Miller is a cousin of Mrs. Maruth.

Mrs. Bell Berthoff and daughter, Jane, of Long Beach, Cal., are leaving today after a brief visit in the home of Mrs. Berthoff's sister, Mrs. W. F. Smith, 702 N. Van Buren.

Woman's Club Plans Meeting

Cedar Rapids Group Will Give Program For Locals Thursday

The drama department of the Cedar Rapids Woman's club will present the program for a meeting of the Iowa City Woman's club drama group Thursday afternoon.

The meeting will begin with a cooperative luncheon at 1 p. m. in the clubrooms of the community building. Any member not notified by the committee in charge may secure information about the luncheon by calling Mrs. Thomas Reese, 6276.

The luncheon and meeting are open to members of all departments of the Iowa City Woman's club.

An old English woman discovered digitalis, the heart stimulant and remedy. Experimenting with foxglove she found it aided sufferers from heart ailments. The herb foxglove is the source of digitalis.

50 Faculty Members Will Participate in Science Meetings

Cornell College Will Be Scene Of Conventions

Both Iowa, Junior Academies To Discuss Varied Subjects

About 50 members of the university faculty will participate in the 54th annual meeting of the Iowa Academy of Science and the ninth annual convention of the Junior Academy of Science of Iowa to be held on the Cornell college campus in Mt. Vernon Friday and Saturday.

Prof. Claude J. Lapp of the physics department will be chairman of the science teaching section, one of the nine into which the Iowa Academy convention is divided. Other sections are botany and bacteriology, general and physical chemistry, organic and biological chemistry, geology, mathematics, physics, psychology, and zoology. They will meet from 3 to 5 p. m. Friday, and from 9 to 11 a. m. Saturday.

The Iowa Academy meeting will open Friday afternoon at 1:30 in the little theater in the Armstrong hall of fine arts. Another general session will be held in the Cornell chapel at 11 a. m. Saturday.

Faculty Symposium

Three university faculty members will present a symposium on "Vitamins" in the little theater from 1:30 to 3 p. m. Friday. The symposium will be sponsored by the Iowa State Medical society and the Iowa Academy of Science. Dr. W. M. Hale of the bacteriology department will act as chairman. Dr. Philip C. Jeans of the pediatrics department will speak on "Vitamin D in Human Nutrition," and Dr. Kenneth M. Brinkhous of the pathology department will speak on "Vitamin K." "Vitamins in Plants" will be discussed by Dr. Norman A. Clark of the chemistry department at Iowa State college.

Prof. William G. Eversole of the chemistry department will speak four times before the general and physical chemistry meeting. With J. Donald Peterson of the chemistry department, he will speak on "The Diffusion Coefficient of Cupric Sulfate at 25 degrees C." and again with Fred Formenwalt, G. of Parsons, Kan., on "The Equilibrium Between Gelatin and Water Vapor at 25 degrees C." Allen L. Hanson, G. of Kelliher, Minn., will join him in a discussion of "The Effect of Gelatin on the Solubility of Hydrogen at 25 degrees C." With G. H. Wagner, G. of Iowa City, he will discuss "Vapor Density, Liquid Density, and Surface Tension of Solutions of Potassium Thiocyanate in Liquid Sulfur Dioxide from 10 degrees to 25 degrees C."

Iowa City Speakers
Other Iowa City speakers in this section will be Prof. H. H. Rowley, who, with Frank J. Seiler, will speak on "The Solubility of Anhydrous Magnesium Perchlorate in Diethyl Ether," and with W. B. Innes, on the "Application of the Van't Hoff Equation to Adsorption Equilibria." Reuben E. Peterson, G. of Trent, S. Dak., and Prof. Lohrop Smith will speak on "Semi-micro Adaptation of the Iowa System of Qualitative Analysis."

Thirteen local men will participate in the section on organic and biological chemistry. Jack J. Hinman Jr., director, W. Keith Weeber, and R. Rupert Kountz, of the state bacteriology laboratory, will join in a discussion of "Ammonia and Organic Nitrogen Determinations in Stream Pollution Studies." Ferrin B. Moreland of the biochemistry department, will speak on the "Biochemical Recovery from Anoxia." Prof. Edward Barlow and Harland L. Wetzstein, G. of Lakeview, will discuss the "Preparation of Tyrosine from Steffens Waste."

Oxidizing Agents
"Behavior of Some P-hydroxybenzaldehyde Derivatives Toward Oxidizing Agents" will be presented by R. P. Perry and Prof. L. Charles Rairford of the chemistry department. Professor Rairford will also collaborate with Victor S. Webster in a presentation of "Oxidation of 4-acetoxy Derivatives of Cinnamic Acid."

Women's Pool Open Tuesdays

The pool in the women's gymnasium will be open for recreational swimming Tuesdays from 5 to 5:30 p. m., Prof. Marjorie Camp of the physical education department announced yesterday. This change will take effect today.

Chemistry Department

Prof. George H. Coleman of the chemistry department will also appear twice on the program. With Chris C. Schulze and Harold A. Hoppens, G. of Omaha, Neb., he will discuss "Pyrrrolidines from Primary Amines." He will also speak on "Cyanogen Chloride with Organomagnesium Compounds" with Robert W. Leeper of Iowa City.

Four Iowa City speakers will address the geology section. Prof. Arthur K. Miller and William M. Furnish of the geology department will speak first on "Permian Ammonoites from Southern Mexico," and then on "Permian Ammonoites from Greenland."

Edwin H. Wenberg, G. of W. De Pere, Wis., will speak on the "Insoluble Residues of the Missouri and Virgil Series in Southwestern Iowa." Robert Berg, G. of Chicago, will discuss "Petrography of the Tertiary Igneous Rocks, Nigger Hill District, Wyoming—South Dakota."

Mathematics Section

The mathematics section will be addressed by Prof. Lewis E. Ward of the university mathematics department whose subject will be "Some Functions Resembling Bessel Functions of Order n plus one-half." Louis Garfin, G. of Mason City, will speak on "The Solution of Certain Integral Equations."

Other speakers and their subjects will be John W. Kitchens, G. of Cheyenne, Wyo., "A Topological Formula of Kuratowski;" H. Vernon Price, G. of Iowa City, "An Application of Stratified Sampling;" Ruth O. Lane, "Report of the Commission on the Place of Mathematics in Secondary Education," and Prof. Roscoe Woods, "Some Application of a Certain Elementary Theorem in Modern Geometry."

James S. McCollum, G. of Iowa City, will present "Joint Life Annuities on a Mortality Table Given by Makeham's First Modification of the Law of Gompertz Supplemented by Double Geometric Laws."

Physics Delegates

In the physics section, delegates will be addressed by Prof. George W. Stewart, head of the physics department, who will speak on "Variation in the Liquid Structure of Water with the Solution of Thirty Strong Electrolytes." John S. Rinehart, G. of Kirksville, Mo., will follow him on the program with a discussion of "Temperature Dependence of the Elasticity of Beta Brass."

Victor B. Corey, G. of Eynonville, Mo., will speak on "Significance of Compressibility Measurements of Ionic Aqueous Solutions." Leonard O. Davis, the fifth Iowa City speaker on the program, will discuss "Measurements of Compressibility of Ionic Aqueous Solutions and a Comparison with X-ray Diffraction Intensity Distribution."

"High Speed Photography of Arrows in Flight" will be presented by William A. Harriman, and Professor Lapp will discuss "A Study of the Effectiveness of Problem Solving on Achievement in College Physics."

The science teaching section will take the form of a symposium on "Basic Factors in Achievement at the College Level," to be held at the law memorial building Friday at 1:30 p. m.

Education, Psychology

"Transfer of Learning" will be discussed by Prof. James B. Stroud of the college of education and psychology department. Prof. John A. McGeoch, head of the psychology department, will speak on "Human Forgetting." The third subject, "Motivation," will be presented by Prof. Martin F. Fritz of the psychology department at Iowa State college, Ames.

The zoology section of the convention will be addressed by nine university faculty members. Harold W. Kirshenblit, G. of

Quality, Not Quantity, Will Be Stressed in May At Iowa's First School Music Festival Here

It's quality and not quantity which will be stressed May 2, 3, and 4 at the University of Iowa's first annual high school music festival.

For carefully-selected individuals and groups from all sections of the state will meet here for a non-competitive festival in which the educational value of music will be emphasized.

University officials announced yesterday that about 60 schools will be represented by some 3,000 musicians. There are 34 events on the program, but division of some into classes A, B, and C brings the total to 48 performances.

Orchestra, Band
One of the features will be the twice-daily rehearsals of the festival chorus, band, and orchestra, culminating with the concert in the field house on the evening of May 4. The chorus will number about 150 voices, while some 100 musicians will perform in the orchestra and band.

"By constantly emphasizing standards of admission, we hope to build up the festival until its participants recognize it as a greater honor than national performances," said Prof. Charles B. Righter, one of the members of the festival committee.

Each event will have one critic who will make comments on the performance or perhaps conduct drills. There will be no ranking or rating of any contestants, however, except that a special merit award will be made to outstanding individuals or groups, usually not more than one in each event.

Elks Meet

Iowa City lodge number 590 of the Elks will hold a business meeting tomorrow at 8 p. m. at the Elks building, it was announced yesterday.

Chi Omega

Janet Davis of Rock Island, Ill., and Virginia Reints of Clarksville were week end guests at the chapter house.

Currier Hall

Prof. and Mrs. H. L. Dean, Prof. and Mrs. J. W. Ashton, Prof. and Mrs. W. R. Livingston, Prof. and Mrs. E. A. Joliet, Prof. Rene Welk and Prof. Estella Boot were guests of Currier Hall for dinner Sunday.

Marjorie Andrews, A2 of Toddville, spent the week end at home. Mrs. Barney Hook of Grundy Center visited with her daughter Lois, A2, last week.

Marjorie Scott, A1 of Cedar Rapids, was home for the week end. Dorothy Denham, A3 of Deep River, visited Hazel Denham in Columbia, Mo., for the week end. Maxine Slaughter, A1 of Grand Mound, spent the week end at home.

Ruth Lyle, A1 of La Porte City, spent the week end in Des Moines as the guest of her brother-in-law and sister, Mr. and Mrs. W. D. Kline.

Lois Larson, A4 of Rockford, Ill., was the week end guest of Dorothy Buschom of State Center.

Lois Olson, G. of Eagle Grove, and Mildred B. Andersen, A3 of Park Ridge, Ill., visited St. Olaf's college in Northfield, Minn., over the week end.

Doris Pierce, A1 of West Newbury, Mass., was the Saturday night guest of Jane Thompson, 505 E. Washington.

Virginia Benson, A1 of Ft. Madison, was the guest of her sister, Dorothy Benson, N1 at Westlawn Saturday night.

Elizabeth and Mary Ashton, daughters of Prof. and Mrs. J. W. Ashton, were dinner guests of Betty Gilliland, J3 of Des Moines, Sunday.

Phi Delta Theta

Ross Carney Jr., A4 of Davenport, spent the week end at his home.

Chemical Society Sponsors Lecture by Prof. F. Daniels

Wisconsin Chemist To Discuss Methods In Physical Chemistry

Prof. Farrington Daniels, prominent physical chemist from the University of Wisconsin, will deliver a lecture in the chemistry auditorium tonight at 7:30 sponsored by the Iowa section of the American Chemical society and the graduate college.

On a series of lectures throughout the country, Professor Daniels will speak here on "New Techniques in Physical Chemistry." The lecture is open to the general public.

The speaker was graduated from the University of Minnesota and received his Ph. D. degree from Harvard university in 1914.

Formerly with the fixed nitrogen research laboratory of the United States department of agriculture, Professor Daniels taught at Worcester Polytechnic institute. He has been on the faculty of Wisconsin university since 1920, during which time he has been author and co-author of four books and contributor of many scientific articles.

TODAY With WSUI

TODAY'S HIGHLIGHTS
Henderson Forsythe will read the lake scene from "Theodora," on the Iowa Union Radio Hour at 3:30 this afternoon. A short discussion of Dreiser as a novelist will follow.

The Fiction Parade at 3 o'clock this afternoon will present "John Brown."

"Why Wives Work" is the topic for discussion on the Federated Business and Professional Women's club program this evening at 8:15 presented by the Monticello club.

TODAY'S PROGRAMS

- 8—Morning chapel.
- 8:15—Federal symphony orchestra.
- 8:30—Daily Iowan of the Air.
- 8:45—Morning melodies.
- 8:50—Service reports.
- 9—Within the classroom, The American Novel, Prof. Bartholow V. Crawford.
- 9:50—Program calendar and weather report.
- 10—The week in government, Dr. Jack T. Johnson.
- 10:15—Yesterday's musical favorites.
- 10:30—The book shelf.
- 11—Within the classroom, History of American Journalism, Prof. Frank L. Mott.
- 11:50—Palm flashes.
- 12—Rhythm rambles.
- 12:30—The student on the campus, Marold Glaspey.
- 12:45—Service reports.
- 1—Illustrated musical chats, Verdi, Requiem.
- 2—From the archives, Marie Haefner.
- 2:15—Organ recital, Howard Chase.
- 2:45—The story of wool.
- 3—The fiction parade.
- 3:30—Iowa Union radio hour.
- 4—Iowa state medical society program, "The Thyroid Gland and its Diseases," Dr. Paul A. White, Davenport.
- 4:15—Reminiscing time.
- 4:30—Second year German, Dr.

Ten Women, Six Men Listed As Liberal Arts Candidates For Positions on Union Board

April 24 Set as Date For Student Election Of Representatives

Ten women and six men are candidates for the six positions on Union Board which are filled each year from the college of liberal arts, Bill Sener, G. of Chicago, president of Union Board, announced last night. Three of the positions will go to men and three to women.

Other colleges have been notified to hold their elections, Mr. Sener's announcement said. To be eligible for Union Board candidates must have served a specified time on a Union Board sub-committee and be a member of the college to be represented.

Election April 24

The college of liberal arts election, which is to be held April 24 in the women's lounge and Y.W. C.A. rooms of Iowa Union this year, is conducted by Union Board at the request of the college. Other colleges decide upon representatives according to the wishes of the individual colleges, providing Union Board approves the method.

Three Positions

Women who are candidates to fill the three women's positions from the college of liberal arts are Evelyn B. Anderson, A2 of Honey Creek; Mary Frances Arduiser, A2 of Cedar Rapids; Betty Gilliland, J3 of Des Moines; Martha Lois Koch, A3 of Evansville, Ind.; Mary Carolyn Kuever,

Fred L. Fehling

5—Spanish reading, Prof. Ilse Probst Laas.
5:30—Musical moods.
5:50—Daily Iowan of the Air.
6—Dinner hour program.
7—Children's hour, the land of the story book.
7:30—Sportstime.
7:45—Evening musicale.
8—Around the state with Iowa editors.
8:15—Federated Business and Professional Women's club program, Monticello club, "Why Wives Work."
8:30—Album of artists.
8:45—Daily Iowan of the Air.

A2 of Iowa City; Margaret Kuttler, A3 of Davenport; Barbara Murchison, A3 of Sidney; Josephine Sidwell, A3 of Iowa City; Dorothy R. Ward, A3 of Iowa City, and Eileen Henderlinder, A3 of Onawa.

Men from the college of liberal arts who seek to represent the college on Union Board are John K. Bangs, A2 of Fairfield; James Bromwell, A2 of Cedar Rapids; Frank Rayner Burge, A2 of North Liberty; John Maher, A3 of Springfield; John Raymond Williams, A2 of Des Moines, and Louis Wurl, A2 of North Tona-wanda, New York. Three will be selected.

L.A. Students Vote

All students registered in the college of liberal arts are eligible to vote for the six representatives. All students in the university are eligible to vote for the three new members of the board of trustees of Student Publications, Inc., who will be decided at the same election.

Other colleges which have one representative each are the colleges of engineering, pharmacy, medicine, education and dentistry and the graduate college. The college of commerce has two representatives — one man and one woman—and the school of nursing is represented by one student in the school.

W. H. M. S. To Have Program Of Citizenship

"Christian Social Relationships" will be the citizenship program presented at a session of the Women's Home Missionary society of the Methodist church in the church parlors at 2:30 p.m. tomorrow. Mrs. Bert Manville and Mrs. F. B. Moreland will be in charge of the program.

Mrs. Alva Oathout will be hostess and Mrs. Glenn Kaufman will be social chairman. Mrs. C. G. Sample will lead the devotionals and will be in charge of the opening of the mite box.

University Theater Players Have a Lot of Fun with 'Gay 90's' Politics

By EDWARD MANNION

Laughter is always welcome in the spring of the year, especially when it is a war year and the coming of spring means a grimmer note in the headlines. That is why "The Texas Steer," a delightful bit of horseplay presented last night by University theater, can be called a pleasant diversion and praised with faint damns.

The play offered an enjoyable evening's entertainment because the present congressional election time gave it an immediacy that was hilarious. Charles Hoyt had his tongue in his cheek when he wrote this farce of American poli-

tical life in the best "Gay 90's" tradition. To make sure that his intentions were clear he even had this to say about his work:

"The author does not claim that his treatment of the subject is exhaustive and profound; he will not insist that it is absolutely truthful, but, as far as it goes, he hopes that it is amusing."

Frankly, there is little more to tell. The author doesn't go very far. Hunton D. Sellman has done a fine job directing, and the cast in acting, but if the work is nothing to rave about surely they are not to blame. Rarely is an individual better than the demands

put upon him.

It might be put in this way. A sympathetic friend, realizing the spirit in which the play was intended, would see the affair through generous eyes and call it all good fun. On the other hand a critical Persian, caring more for a theater which trains its players and audience in alert response to significant drama, might be a little more blunt about the whole matter and mentally resolve to bring along his rug-knitting materials the next time he came to town. He would say that "The Texas Steer" was confined to an amusing but entirely conventional

range of stage "types" and required nothing on anybody's part in the way of thought or imagination.

The Persian gentleman may be a bit rough here, for it must be admitted that the play was a good one of its type, and individual members of the cast gave swell performances.

In this regard it's nice to say something nice about Joe Becker. We have always liked his direct and last night's impression did nothing to change that attitude. In the interests of objective reporting, however, it must be said that

his southern Texas accent made him sound a little like a high school girl trying to be coy.

A list of the others who added to the fun must have Stanley Hamilton near the top. He is one of the finest comedians the theater here has, and the part of the congressional lobbyist was a natural for him. Joel Sater, Theodore Ritter and Don Sobieske can take their places right behind him.

To be effective horse-opera a farce has to have plenty of exaggerated gestures and Napoleon-like poses, and this one had plenty of it in the persons of Jetaline Preminger and Leonard

Marshall. Both had a lot of fun with the can't-pay-the-rent sort of thing.

If Hollywood ever needs a new trio for the parts of The Three Stooges, someone should tell it about Edward Hearn, Theodore Hawkins and Willis Guthrie. When wilder flowers bloom they will find these three maniacs matching them petal for petal. Elson Matson, Lawson Schmidt, and Laura Sipin deserve mention as does Mary Ann Black, the wife of the cattle king turned congressman, Becker.

Incidentally, Mary Weaver played the part of Dixie Style and

her resemblance to Lillian Russell was amazing. After seeing her act the part one is led to believe that perhaps Grant Wood knew what he was talking about a few days ago.

Just a word more for the record—in a more serious vein. It concerns the requested substitution of the present production for the "Family Portrait." We realize, of course, that the splitting of initiatives and the filling of space with commas and hyphens and double-talk has never helped build a better feeling and understanding between two differing groups. And there are sincere arguments to be

added to the discussion by both sides.

But I would like to suggest that insofar as there is developing an American drama—in all the arts for that matter—it is because our society, for all its traditional limitations, is freer than most. A state university should especially offer the soil out of which most shades of artistic experience can emerge.

But by all means see "The Texas Steer." It is especially recommended to those weary of reading war headlines. Even our critical friend, the Persian, would say that one leaves it happy.

Phi Gamma Delta, S.A.E., Sig Chi, Manse-Chesley, Quad Singers Place

Will Appear In Final Round Of Song Fest

Four Women's Groups To Compete in Contest Scheduled for May 12

Manse-Chesley, Phi Gamma Delta, Quadrangle, Sigma Alpha Epsilon and Sigma Chi are the five men's choruses that will compete in the finals of the university song-fest May 12.

These five organizations were chosen from a group of eight who competed at Macbride auditorium last night in the men's semi-finals of the university sing.

Mrs. Earl Harper, Prof. Herald Stark and Prof. Addison Alspach served as judges.

Phil Coontz, P3 of Waterloo, was in charge of the men's semi-finals. He was assisted by other members of the committee.

The four women's groups who were chosen from the women's semi-finals last week will also compete in the finals.

Students May Make Survey For Building

DES MOINES, April 15 (AP)—The state legislative interim committee today asked Gov. George A. Wilson and Rep. L. H. Doran (R) of Boone to determine if State University and Iowa State college engineers could make an architectural survey for a proposed new state office building.

Appointment of the governor and Representative Doran to the two-man committee was made after the interim committee had heard seven Des Moines architects discuss plans for the proposed building.

The interim committee and the state executive council will report to the next legislature concerning the feasibility of erecting a new building.

Local Group To Attend Meet

Mrs. Robert Kerr Will Address 'League Of Women Voters'

Delegates from the local League of Women Voters will attend the annual state convention of the organization in Cedar Rapids tomorrow and Thursday. The principal speaker of the meeting will be Mrs. Robert Kerr, assistant commissioner of the National Works Project administration.

Other speakers will include Dr. H. M. Gage, president of Coe college in Cedar Rapids; Mrs. Raymond Sayre of the Iowa Farm Bureau Federation; Dr. Arthur C. Buncie of Iowa State college at Ames; Mrs. Frank Hixon, former state president of the Illinois League of Women Voters, and F. T. Walton of the Iowa department of social welfare.

Delegates from Iowa City will be Mrs. Peter Laude, Mrs. Theodore L. Jahn, Mrs. R. H. Ojemann and Mrs. Don Lewis. Alternate delegates are Mrs. Dorrance S. White, Mrs. J. D. Boyd and Helen Moylan.

Other representatives from the local league will include Mrs. W. F. Mengert, chairman of the state department of government and child welfare; Mrs. Fred Fehling, chairman of the state radio committee, and Mrs. Frank Strommen, Mrs. G. W. Martin and Mrs. Homer Cherrington, former Iowa league presidents, who are members of the state board.

Demands--

(Continued From Page 1)

12. Any proclamations and instructions issued by wireless to be sent only in cipher unknown to Germany's enemies.

These demands were presented, the Norwegian government said, at 5 a.m. on April 9 to Foreign Minister Halvdan Koht.

At that time, the publication said, German warships already had invaded Oslofjord, Bergen and Trondheim and had fought with coastal batteries.

The German demands said that Berlin had come into possession of documents showing that Britain and France intended to invade Norway in a few days and that Norway would not oppose them and could not oppose successfully.

Reich Begins Operations

The German minister was quoted as saying that Germany therefore had opened certain military operations to occupy strategic and important districts.

This was intended as no attack on Norway's political independence or integrity, the demands stated, but was an evolution for which Britain and France really were responsible.

In reply, Koht said he could not make a decision himself but must present it to the cabinet.

The German minister said an answer was urgent, as German action already had advanced so far that the demands must be accepted immediately if there were to be any chance to prevent violence.

The cabinet already was assembled, however, so he agreed to let it decide, said the statement. The cabinet quickly replied that it was impossible for an independent country to accept such demands.

Gilmore--

(Continued From Page 1)

Iowa law college, President Gilmore disclosed.

The Pittsburgh law school occupies the second floor of the famous Cathedral of Learning. President Gilmore's appointment as dean of the school may be regarded as the first step in line with a newly-inaugurated policy of the University of Pittsburgh to develop strong professional schools.

No Successor Named

Though President Gilmore submitted his resignation as head of the University of Iowa last January, no successor has yet been named by the Iowa state board of education.

Board of education members have been considering men to fill the administrative position on west coast, mid-western and eastern campuses. Most recent name to enter the field of possibilities was that of President Albert N. Jorgenson of the University of Connecticut at Storrs, Conn.

The Associated Press reported last week that two members of the board of education had met and talked with President Jorgenson about the position, but no offer was made, it was stated.

Another name which at one time led the list of possibilities was that of Virgil M. Hancher, prominent Chicago attorney and graduate of the University of Iowa.

In a special interview, Mr. Hancher recently told a representative of The Daily Iowan that he had been consulted regarding the position by members of the board of education, but no offer was made by the representatives.

After consideration, Hancher said, he withdrew his name from the list of "candidates" because he did not choose to abandon his legal profession for the university administrative post.

Mr. Hancher told The Daily Iowan that in his opinion the presidency of the university was not a position to be turned down by a man if it were offered to him and, after he decided not to quit his law practice, he withdrew his name from consideration before he was offered the office.

Warfare--

(Continued From Page 1)

illegally platted last year, is now, in his opinion, legally platted.

Judge Evans last Saturday overruled a motion by the plaintiff that parts of the defendant's answer to the writ application, filed by Alberhasky March 15, be stricken from the record.

County Auditor Ed Sulek was the first witness called to the stand yesterday to identify the application for Alberhasky's expired permit, the bond and minutes of the meeting of the supervisors in which they granted the beer license.

Frank Krall, a member of the board, the second to testify, said he based his vote of rejection upon the county attorney's opinion that the Green Gables was not located on a legally platted area.

Vestermark, who is scheduled to take the stand when court convenes at 9 o'clock this morning, recommended to the board Sept. 28, 1939, that several permits of taverns in the county be revoked on grounds they were not legally platted.

Judge James P. Gaffney on October 27 granted an injunction in favor of three tavern operators, not including Alberhasky, restraining the board from revoking permits because "The permit-

tee was denied in an unfair and arbitrary manner any notice and opportunity to defend against such spasmodic action of the inferior tribunal or board."

ped by the Germans and stressed that the Nazi occupation was proceeding steadily.

(Meanwhile, Sweden herself was reported taking various strict precautionary measures to guard against any surprises, according to information reaching London and Berlin.)

(The German radio broadcast a warning that all lighthouses and signal fires on Sweden's southern coast had been extinguished. There was considerable speculation in Berlin diplomatic circles which said such a precaution would be taken only under extraordinary circumstances.)

A state of air raid preparedness was ordered effective at noon Tuesday (5 a.m. CST) in Swedish provinces bordering Norway and in parts of southern and western Sweden as well.

The Swedish bureau of information put up posters warning the public against spreading rumors or believing unconfirmed reports.

In line with the campaign to preserve normal conditions, regular air service still was being maintained between Stockholm and Berlin, the Baltic countries and Moscow at noon today.

Simpson--

(Continued From Page 1)

along, there has been a tinge of desperation about the German invasion of Denmark and Norway—unless it can be set down as a preliminary measure designed to scatter British sea and air power over a wide front in preparation for a Nazi blow through Holland and Belgium, or for "complete" war in the air against England.

An Army Sacrifice

If either course is followed by the Germans, the Nazi invading army in Norway might prove to be a sacrifice to the larger strategic purpose. Yet it appears doubtful that anything short of impending military disaster in France could now divert the allies from endeavoring to capitalize on Germany's invasion of Scandinavia by getting a strangling clutch on Scandinavian iron ore resources.

Berlin denials that British forces have been landed at Narvik or anywhere else in Norway held by German troops are subject to a heavy discount. It has been clear from official Nazi statements that Berlin for days has not been in close touch with the detachments at Narvik.

Norwegian Resistance

It is also clear that Norwegian resistance to the Nazi invaders is more effective in northern Norway than in the Oslo area. Reports from nearby Sweden said that the Norwegians already had

Wilbur Bolon Service To Be This Morning

Funeral service for Wilbur Bolon, 79, 1221 Rochester avenue, who died at his home early Sunday morning, will be held at 10 o'clock this morning at the Oath-out chapel. Dr. Edwin E. Voigt of the Methodist church will officiate. Burial will be in the Swank cemetery near Lone Tree.

Born March 13, 1861, on a Johnson county farm, he farmed in Johnson and Washington counties before coming to Iowa City in 1915. He married Miss Lottie Drorbaugh of Riverside in 1893.

Survivors include his wife; one daughter, Mrs. E. Marshall Thomas of Dubuque; one sister, Mrs. Nancy Gruwell of West Branch, and two granddaughters. A daughter and son preceded him in death.

Rumania--

(Continued From Page 1)

the vital Danube waterway, a move regarded by some sources as an effort to eliminate any possible pretext for Germany to send armed forces into the neutral Balkan countries to prevent "British sabotage."

An authoritative source said the ban on oil exports was Rumania's one way to force foreign-owned oil companies to fill Rumanian army reservoirs quickly. The greater percentage of Rumania's oil companies are foreign-owned, and a large percentage is owned by British and French capital.

It was considered here that even a temporary interruption in the flow of oil to Germany would be a heavy blow to her. The reich had intended to speed more than a million tons monthly up the Danube to make up for transport difficulties experienced during the winter months.

Hitler's Own Medicine

In replying, it commented that the German reichschancellor (Hitler) had himself remarked that "a people that humbly stoops down without any opposition is not merited to live."

The German attack then continued, and King Haakon, Crown Prince Olav and the government left Oslo to escape the Germans and continue the government's work.

In a conversation with the king next day, the German minister was reported to have said that the situation now had changed so that Berlin no longer would be content with the demands of the day before and that another Norwegian government in which Berlin could have confidence was necessary. It was suggested that the King recognize Major Vidkun Quisling, Norwegian Nazi, as chief of a new cabinet and accept the cabinet already proclaimed by Quisling at Oslo.

Others In Field

Other men are being considered, according to members of the board, at west coast and mid-western universities and, according to the Associated Press dispatch dealing with President Jorgenson's consideration, eastern schools may be added to this list.

Since the announcement of President Gilmore's resignation early this year, unfounded rumors have come from numerous sources involving new names in the selection of the university chief executive. In spite of all prevalent rumors, board members have maintained that possible appointments have only been consulted concerning the position and that definitely "no offers have been made."

Taverns--

(Continued From Page 1)

has always been known as "Linder."

Curtiss Platted

In response to questions put by Frank Messer, one of the plaintiff's attorneys, Vestermark, who was on the witness stand when the courtroom doors closed last night, testified that the general store at Curtis, which he declared

Scores Quisling

The king replied that Quisling's government was another Finnish Kuusinen government (a reference to the government proclaimed by the Finnish communist Otto Kuusinen when Soviet Russia invaded Finland last Nov. 30.)

Foreign Minister Koht declared that the old Norwegian cabinet was willing to resign, however, if Berlin could accept a friendly government made up of other members. The German minister replied that the question of other ministers could be discussed but that the German fuhrer had decided Quisling must be accepted as the chief.

King Haakon answered "no."

Asked if this meant continued Norwegian opposition to the advance, Koht responded:

"Yes, as long as possible."

Finally, the government declar-

Georgia Gaddis Leads Lillian Russell Contest for 2nd Day; Elizabeth Gillen Second

For the second day Georgia Gaddis, A2 of Ft. Madison, retained her lead last night in the Lillian Russell club's "Belle of the Forties" contest. Miss Gaddis received 56 of the 216 votes cast in a light polling.

From nowhere into second place came Mary Elizabeth Gillen, A1 of Des Moines, who garnered 27 votes in one day. She outstripped the previous second and third place holders, Virginia Miller, A3 of Ft. Dodge, and Nona Seberg, A4 of Mt. Pleasant, each of whom was left with 20 votes.

To prove the equality of the modern beauty with Lillian Russell, the glamorous actress of the

Nineties, is the aim of the "Belle of the Forties" contest, started on the campus last week. The actress was cited by Prof. Grant Wood as the only genuine beauty.

The three women who poll the most votes will be judged by Alice Faye, Don Ameche and Henry Fonda, stars of the movie "Lillian Russell," who will select the "Belle." The winner will receive a silver loving cup from the 20th Century Fox studios.

Voting in the contest will end at 5 p.m. Friday. Official ballots are to be found in The Daily Iowan.

At the end of the second day of voting the candidates stand as

follows: Georgia Gaddis, 56; Mary Gillen, 27; Virginia Miller, 20; Nona Seberg, 20; Mary Huff, A2 of Sioux City, 18; Beverly Hunter, A2 of Rockford, Ill., 15; Jane Levine, A3 of Shenandoah, 11; Agnes Kane, A2 of Keokuk, 10; Elise Steinle, A4 of Burlington, 7; Alayne Konechny, A1 of Cedar Rapids, 5; Betty Hensky, P1 of Cedar Rapids, 4; Evelyn Nebergall, A1 of Iowa City, 4; Marion Kennedy, A3 of Estherville, 3; Becky Johnston, A3 of Des Moines, 3; Jean Bennie, A3 of Green Bay, Wis., 3; Sally Taylor, A4 of Joliet, Ill., 2; Betty Fawcett, A3 of Burlington, 2; Patricia Churchill, A3 of Rockford, Ill., 2; Shirley Stevenson, A1 of Collins, 1; Jane Arnold, A3 of Manchester, 1.

Other nominees in the contest are Mary Jane Rivkin, A3 of Davenport; Marilyn Cook, A2 of Davenport; Miriam Clure, U of Greenfield; Jean Lawman, A3 of Manchester, and Charlotte Heglund, A2 of Iowa City.

Margaret Betz, A1 of Iowa City; Fern Eggen, A2 of Charles City; Margaret Ann Hunter, A3 of Des Moines; Mary Helen Taylor, A2 of Iowa City; Edith Stuard, A2 of Dubuque, and Dorothy Morrison, A4 of Anamosa.

Parachutes Worn by Cadets Checked Every Sixty Days

Final instructions have been given these flying cadets at Randolph Field, Texas, and now they are off to their planes to put into practice the advice given them in their flight office. More than 300 airplanes are used daily at Randolph field to train the future pilots, who, after completion of the course, will be qualified to fly the sleek, modern-day army planes. Notice the parachutes worn by each flying cadet and instructor. The aerial life raft is an integral part of their equipment for air corps regulations say that every person on every flight in every airplane must be supplied with a chute. Ever since the parachute came into use in the air corps, back in 1923, records show that there has-

not been a single death in the multitude of emergency jumps that can be blamed on the failure of the chute to function. To maintain the 600-odd parachutes that are in daily use at Randolph field, a corps of specially trained parachute riggers are on constant duty. They inspect and repack each chute every 60 days, and once each year drop-test them from a speeding airplane only 200 feet above the ground. A weighted dummy is used for these drop-tests, the idea being to test the parachutes under the most unfavorable conditions. In the eight years at Randolph field, more than 5,000 drop-tests have been made from this low altitude and in every single case the dummy was lowered to the ground in perfect safety.

Civil Service To Give Exam In Metallurgy

The United States civil service commission has announced open competitive examinations for the position of associate metallurgist at an annual salary of \$3,200, and for assistant metallurgist, \$2,600 a year. Applications are to be on file in the commission's office at Washington, D.C., not later than May 13. Applicants must have completed a four-year college course with major study in chemistry, physics, engineering or metallurgy, and must have had certain professional metallurgical experience, it was announced. Those trying for the position must not have passed their 53rd birthday. Full information may be obtained from the local post office.

Joseph Bair, County's Oldest Civil War Veteran, Succumbs

98-Year-Old Soldier Dies In Iowa City

Bair Was in Army That Sherman Led In 'March to Sea'

Joseph Bair, 98, Johnson county's oldest Civil war veteran, died yesterday at 5 p.m. at the home of his daughter, Mrs. A. M. Winters, 112 E. Davenport street, after a four week illness.

Mr. Bair was born July 29, 1842 in Westmorland county, Pa. At the outbreak of the Civil war he enlisted in the 168th Pennsylvania regiment and served there for nine months.

Upon being discharged, he emigrated west to Iowa. Shortly after arriving here he enlisted in the 11th Iowa infantry.

Accompanied Sherman He accompanied General Sherman on his historic march through Georgia to the sea. Later he participated in the grand review of the Union army at Washington, D. C., in 1865. Again he came to Iowa after his discharge. In 1869 Mr. Bair married Elvira Kelly of Elvira. Together they took up residence on a farm near Elvira and lived there until 1887.

Moved To Farm In 1887 they moved to a farm near Mt. Vernon where they stayed until his retirement. Their next home was in Mt. Vernon. In 1921 Mrs. Bair died and Mr. Bair came to Iowa City to live at the home of his son-in-law and daughter, Mr. and Mrs. A. M. Winters.

He was a member of the Mt. Vernon post of the G. A. R. until it passed out of existence with the death of its last remaining Mt. Vernon member last year. Mr. Bair was affiliated with the Presbyterian church at Mt. Vernon and has always retained his membership there. He was a member when the present church there was built.

In addition to Mrs. Winters, Mr. Bair is survived by six children; two daughters, Mrs. Frances Bickel of Mt. Vernon and Mrs. E. E. Carl of Milwaukee, Wis., and three sons, Robert Bair and Rol Bair, both of Springville, and Sam Bair of Mt. Vernon.

The body was taken to Mt. Vernon early last night. A private funeral will be held there tomorrow. Members of the family request that no flowers be sent.

Convention Report A report of the state convention will be made by local delegates of the junior chamber of commerce at the organization's bi-monthly meeting in Smith's private dining room.

Company G The weekly meeting of company G, 136th medical regiment, Iowa national guard, will not be held tonight, Capt. E. W. Paulus, announced yesterday.

Chamber of Commerce Army To Finish Mobilization Drive With Victory Dinner Thursday

University, Business, Professional Groups Join To Reach Goal

Roscoe E. Taylor, "colonel" of the general sales army in the 1940 chamber of commerce mobilization has announced that E. F. Lenthe, Earl Y. Sangster and H. W. Stuck will serve as majors in his division. Each major will secure four captains and each captain will have a team of five workers, Taylor said last night. The general sales army will start work to sell investments in the new chamber program after the "Early Bird" breakfast at 8 a. m. next Monday. This intensive phase of the mobilization will last four days, being scheduled to conclude with the "victory" dinner at 6:30 p. m. Thursday.

Sales Army Starts Mobilization leaders last night expressed the opinion that all of the other divisions will have concluded their work before the sales army takes the field next Monday. These divisions include the university group, headed by Prof. E. W. Hills; the executive special division with L. D. Wareham as chairman, and the national firms division headed by Jack Beghle. "This is more than just the usual type of campaign," W. T. Hageboeck, general chairman, said last night. "It is an effort to enroll the entire citizenry of Iowa City behind a community program for advancement, a program which has been built by the citizens themselves, from all walks of life, through the recent series of business clinics.

"Chamber Challenged" At these clinics, the chamber of commerce was challenged to put into effect a forward program. The success of this movement depends entirely upon the support given it by those making the suggestions and all others interested in civic improvement. To carry out even a part of the many suggestions received means that the chamber must have far greater financial strength and manpower than it commands at the present time.

Support Gained Mobilization leaders and chamber officials reported last night that every pledge of support received thus far has "hit its goal" and that if this trend of support continues the mobilization goal will be reached when the effort is completed next week. Approximately 150 volunteer university, business and professional men will be enrolled in this community undertaking, Hageboeck said. Mobilization leaders are busy completing teams and division personnel now, and it is expected the entire 150 men will be enrolled by tomorrow night.

Students End Strike LAPORTE CITY, (AP)— Their strike half won when Band Director Erwin J. Goff signed a contract, high school pupils here yesterday returned to classes but continued demands that Arthur Olson, athletic coach and mathematics teacher, and the school board agree on terms for next year. The board had not included Goff and Olson among teachers offered contracts. No public explanation has been made, other than that Olson does not want to coach basketball.

Garden Plots Still Available To City Needy

10 Lots Yet Vacant; Several Persons Can Operate Single Patch

Community garden plots and seed are still available in Iowa City, according to an announcement made yesterday by John Miller, community garden superintendent, and John Barry, director of the Social Service league here.

Of 40 garden plots made available to needy persons in Iowa City this year, 30 have already been allotted to various groups, Miller said. Several persons can operate on a single lot.

Seed had been issued to 131 persons yesterday afternoon and more were arriving with requisitions hourly. Applications for garden space and supplies may be made at the Social Service league, 19 E. Market. Only persons whose circumstances necessitate outside help are eligible for community garden space and supplies, Barry said. Planting has already started this year. Men can be seen working their plots daily at Sunnyside and east along highway No. 6. Last year 300 persons had gardens here, Barry said. This year even more are expected to take advantage of the opportunity, he added.

'WE'RE MEMBERS OF THE WHIP-FEN-POOF' (AUDIENCE TOO)

"For we are members of the Whiffenpoof." It was the voices of the members of the Quadrangle chorus that rang out last night after the decision of the judges was announced at the men's semi-finals of the university sing-fest and the dormitory songsters learned that they had been named as one of the winning five groups. But it was not the Quad's song alone for long, for caught by the spirit of the occasion, and the enthusiasm of the winners, the entire audience joined in the singing and the Quad's victory song turned into community singing—a fitting climax for a university sing-fest!

Relief Cases Show Decline Over February

The number of direct relief cases in Johnson county in March dropped slightly over February's total, it was announced yesterday in a report presented by John Barry, director of the Social Service league here.

The total number of cases in March was 558 as compared with 573 for February. Family cases dropped from 432 in February to 402 while single cases increased from 141 to 156.

According to Barry, 885 cases are being carried on the relief rolls but 327 of these receive no actual help. Some of these are WPA workers, some get along on private incomes but are aided in budgeting them by social service workers and the rest earned enough through relief jobs in February to be able to get through March without help, he said.

Barry predicted that the numbers on the relief rolls will dwindle with the advent of summer and the possibility of indigents getting jobs in the farming districts.

Council O. K.'s Election Group

Vote on Municipally Owned Water Plant Scheduled for May 7

Officials for the special election May 7 to determine whether or not Iowa City should have a municipally owned water plant were approved yesterday by members of the city council, meeting in an adjourned session in the city hall.

Police for the election include the following: First ward, first precinct: John Riley and C. C. Zager. First ward, second precinct: Leo Budreau and Lee Gibson. Second ward, first precinct: Louis J. Messner and L. H. Hiss. Second ward, second precinct: Louis Reichardt and B. F. Carter.

Third ward: Frank Mezik and Dennis Teefy. Fourth ward, first precinct: O. H. Fink and J. L. Plum. Fourth ward, second precinct: C. L. Zager and E. N. Gartzke.

Fifth ward, first precinct: Dan Callahan and A. G. Prince. Fifth ward, second precinct: William Villhauer and Charles Hahn.

Final day for registration of voters was set yesterday for April 27 at the city clerk's office. Registration will be required of all those who have not voted in the last four years or those who have changed their addresses since the last city election, it was announced. Absent voters' ballots may be obtained upon application Wednesday at the clerk's office.

City Council Passes Resolution To Extend Iowa City Limits

Members of the city council, meeting at an adjourned session yesterday morning in the city hall, passed a resolution extending the city limits of Iowa City to include all property owned by the Iowa City independent school district board.

Action was taken upon application of the board of education asking that the city annex the territory to the city and upon a plat of the territory specifying the existing limits of the new territory. The complete resolution passed by the council was as follows: "Whereas, the independent school district of Iowa City, Iowa, is the owner of certain territory adjoining the city of Iowa City; and

"Whereas, the said school district by and through its board of education has made application in writing to annex said territory to the city of Iowa City, and

"Whereas, it has filed said application with the city council of Iowa City, and attached thereto a plat of said territory showing the situation thereof with reference to the existing limits of said city; and

"Whereas, the council has considered said application and believes it is for the best interest of all concerned to assent to such annexation; now, therefore,

"Be it resolved by the honorable mayor and city council of Iowa City, Iowa, that the following territory, to-wit: "Beginning at the northwest corner of the southeast quarter of the southeast quarter of section 11, township 79, range 6, west of the fifth prime meridian, thence east 1,280 feet on the north line of the southeast quarter of the southeast quarter of section 11, township 79, range 6, west of the fifth prime meridian, thence south 842 feet, thence west 1,117 feet, thence south 465.42 feet to Court street, thence west 60 feet, thence north 465.42 feet, thence west 103 feet, thence south 90.40 feet, thence west 158 feet, thence south 375 feet, thence west 173 feet, thence north 1,307.42 feet to the north line of the southwest quarter of section 11, township 79, range 6, west of the fifth prime meridian, thence east to the place of beginning—be and the same is hereby annexed to the city of Iowa City, and now becomes a part of said city, and the city limits are hereby extended to include said territory, all as by law provided."

The resolution was introduced and moved by Councilman John F. Reilly. The council adjourned to meet again at 7:30 p.m., April 29.

Funeral Service For Frank Rummelhart To Be in Colorado

Funeral service for Frank G. Rummelhart, 65, formerly of Iowa City, who died at his home in Colorado Springs, Col., Saturday morning, will be held this morning at Colorado Springs. He will be buried there.

He was a member of St. Wenceslaus church and the Knights of Columbus of Iowa City more than 20 years ago.

Brown Rites Tomorrow

Funeral service for James Brown, 73, 125 River street, who died early yesterday morning a day and a half after suffering a heart attack, will be held at 3 p.m. tomorrow at the Oathout chapel. The Rev. Ilion T. Jones, pastor of the Presbyterian church, will officiate. Burial will be in Oakland cemetery.

Mr. Brown, president of Brown's Commerce college at the time of his death, came to Iowa City in 1916, when he founded the college here.

Born May 20, 1866, in Cincinnati, Ohio, he attended high school at Morning Sun. He was a graduate of Elliott's Business college in Burlington and the University of Iowa. He was a pharmacist in Lon. Tree for several years.

He was a member of several lodges of Masons and the Iowa City Presbyterian church, where he was an elder and usher.

He married Bertha Krenning in 1896, who died June 20, 1931. Survivors include his wife, the former Zella Mahaffy, whom he married in 1932; one sister, Mrs. Mary Temple of Iowa City; one step daughter, Arline Mahaffy; one step son, Leslie Mahaffy, and a niece and nephew, Mr. and Mrs. Warren Hirsch of Iowa City. Two sons preceded him in death.

Masonic services have also been planned to take place at the chapel.

Evangeline Booth, of the Salvation Army, was born in London on Christmas day, 1865.

Mr. Yeslinek had been an employe of the Hohenschuh mortuary for more than 25 years.

Survivors include his wife; five daughters, Mrs. Ed Wise of Riverside, Mrs. Robert Winger of Iowa City, and Evelyn, Betty Jean and Dorothy Ann Yeslinek, all at home; four sons, John Yeslinek of Solon, and Robert W., Richard and Donald Yeslinek, all at home, and three sisters, Mrs. Mary Shimon, Mrs. Lillian Zinkula and Mrs. George Thomas, all of Iowa City.

voters was set yesterday for April 27 at the city clerk's office. Registration will be required of all those who have not voted in the last four years or those who have changed their addresses since the last city election, it was announced. Absent voters' ballots may be obtained upon application Wednesday at the clerk's office.
