Q—Does the government make redemptives?
A—Yes, but usually after a period of time, a bond sale, or a simple process to get your bond. The list of redemptives is printed on our head and a frame for refusing it.

Q—Are the defense savings stamps used as cash at post offices and elsewhere?

They are the same as cash at all post offices and elsewhere.

A.D. Biddle Anderson set out in the rain yesterday in search of New Year's Day offensive specialists and returned with two. Tim Farmer, plugging for a touchdown, and Bob Petrie, doing the pitching.

Dr. Biddle Anderson, out for the Iowa basketball team, arrived just in time to deliver the New Year's Day offensive specialists. He returned with two, one of whom was former Iowa football star Bob Petrie, and one of whom was a former Iowa basketball star, Tim Farmer.

Biddle Anderson was back in the rain yesterday in search of New Year's Day offensive specialists. He returned with two, except for the right tackle situation, where Bob Petrie, a former Iowa football star, did not arrive as a result of a rainstorm. However, the two specialists who did arrive were old friends of Anderson, Tim Farmer, a former Iowa basketball star, and Bob Petrie, a former Iowa football star.
