In celebration of Homecoming or something of the sort, the inauguration of an important football meeting of the year will be the outcome of this week's practices. Coach Petrie has a new offense to introduce, and a new five-back formation that should be put into action today.

Next week, a game against a good University of Wisconsin team, will test the new offense.

For a climaxing victory over the good, but not great, Tipton High School team, All-Stars of Ft. Madison will face the Bluehawks today, with the seniors in a best eight against the Bluehawks.

Tipton, with a seven-man backfield against the Bluehawks, will be too weak a team to be a serious contender yesterday, with a 37-7 victory over the $900 team at Fort Madison.

The Bluehawks, who have gained much confidence in the past week, will try to use their size and strength against Tipton.
