SUI Women Urged to Submit Applications, Recommendations for A.A.U.W. Fellowships

Iowa City Chairman Advises Inquiries Be Made Immediately

Women students interested in applying for A.A.U.W. graduate fellowships for 1942-43 are advised by Mrs. Theodore M. Rehder, local fellowship committee chairman, to send in their applications as soon as possible.

Applications and recommendations must be filed before Dec. 15 with the secretary of the committee on fellowship awards, 1634 I street, N.W., Washington, D. C. Doing graduate work in the dramatic arts department at the university this year is Helen Stewart of Saskatchewan, Canada. She was granted a scholarship by the Canadian Federation of University Women for a year's work here. The C.F.U.W. is a sister organization to the A.A.U.W. Miss Stewart received her B.A. degree at the University of Saskatchewan in Saskatchewan, Canada.

Fellowship Given

In general, fellowships are granted to candidates who have completed two years of residence work for their Ph.D. degree or who have already received the degree. Any woman of graduate standing in a university who is working on a project of significance may apply.

Candidates must show promise of distinction and greatest significance is attached to the study upon which each is engaged.

There are 10 fellowships given annually. Among them, the Sarah Berliner Research and Lecture fellowship of \$1,500 is given for research in physics, chemistry or biology.

The Aurelia Henry Reinhardt International fellowship of \$1,500 was established by the south Pacific unit of the A.A.U.W.

Atkinson Award

The Dorothy Bridgman Atkinson fellowship is offered by the north-west central unit; the Margaret Snell award by the north Pacific section of A.A.U.W.; the Vassie James Hill award by the south-west central unit; the Marion Talbot award by the Illinois unit; the Kathryn McFate award by the Indiana unit; the May Treat Morrison award by contributions from the south Pacific section, and the Marion Reilly award by the Philadelphia branch.

Each of these fellowships carries a yearly award of \$1,500.

Offered biennially are eight fellowships. Among them are two international awards, the Mary E. Woolley fellowship offered by the north New England section of the association, and the Ohio fellowship offered by the Ohio unit.

Palmer Fellowship

Other biennial awards are the Alice Freeman Palmer fellowship, for which endowments are entrusted to the A.A.U.W. for administration; the Rose Sidwick British award, and Mrs. Harlan R. Isenberg Nurse Memorial fellowship of \$1,250, open to any woman who has completed two years of graduate study tending toward public health work or two years of practical work in the field of public health.

The Gamma Phi Beta Lindsey Barbee fellowship of \$1,000 is also a biennial award. It is offered by the Gamma Phi Beta sorority for preparation for the profession of social work.

The last two awards made biennially are the Elizabeth Avery Colton award made by the south Atlantic unit and the Margaret E. Maltby award, endowed by

HELEN STEWART

A.A.U.W. from general fellowship funds.

Four Awards Offered

Our fellowships are offered only when available. They are the Anna O. Brackett and the Julia C.G. Platt awards, offered from endowments entrusted to the association to administer; the Crusade National fellowship, provided from the A.A.U.W. million dollar fellowship fund and the Crusade International fellowship offered from international unit endowments.

International fellowships are offered to enable the holder to carry on a year's research in some country other than her own, if possible.

It is not necessary to apply for a particular fellowship by name. One application will serve for all the fellowships for which the applicant is eligible.

Mahatma Gandhi, trapeze artists, and camouflage experts take note! Here is an animal that can go without food for a month, spends the greater share of his life hanging upside down from branches suspended by his toe-nails, and so well does his grayish coloring blend with the moss in the trees of the South American jungles where he lives that he is rarely detected. On display in the University museum, the three-toed sloth, or Unau, as he is called in South America, is about two feet long and weighs from 15-20 pounds. On the ground he is nearly helpless and hobbles along slowly.

Use of Funds Explained
Dr. Albright pointed out yesterday that funds from the 1941 sale will be used in 1942 to pay for tuberculosis tests and X-ray examinations which mean early discovery of tuberculosis. These funds help in the care of untreated cases endangering the health of the community and support an unceasing health education program carried on through newspapers, motion pictures, talks, posters, literature, radio and exhibit.

He said that 30 years ago the disease was responsible for 11 out of every 100 deaths, while today it is responsible for less than five out of every 100. The disease now ranks seventh in importance as a cause of death.

SUI's Symphony Orchestra Commemorates Anton Dvorak

In celebration of the one hundredth anniversary of the birth of Anton Dvorak, noted Bohemian composer, Prof. Phillip Greeley Clapp will conduct the 110 members of the University symphony orchestra in a special commemorative recital Wednesday at 8 p. m. in the main lounge of Iowa Union.

Opening the program will be the "Carnaval Overture op. 92," which describes Dvorak's musical interpretation of life. "Suite in D major, op. 39," one of his early works will follow. Preludium, polka, menuet (sousedka) romance and finale (fantasy) are the five movements.

Young Antonin was the eldest of eight children of Frantisek Dvorak, the village butcher. At an early age, the young genius manifested unusual interest in music and determined to make it his life's work. The elder Dvorak thought that music was a waste of time and wanted Antonin to follow in his footsteps.

After a time, the father was forced to give in, and Antonin went to Prague in 1857, where he studied for three years, playing the viola on the streets and in cafes to support himself. In 1862, the national theatre was organized and he was selected to play in the orchestra. This gave him valuable experience and coupled with the post of organist at St. Adalbert's church in Prague enabled him to begin serious composition.

Of great interest are the visits Dvorak made in Iowa. After his fame had spread the length and breadth of the continent, he was called to America in 1892 to head the National conservatory of music in New York. He remained there for three years, spending the summers at the Bohemian colony of Spillville, near Decatur.

While in Spillville, Dvorak finished his most famous work, the "New World Symphony," wrote a concerto, a string quartet, a quintet and many songs. However, he soon grew homesick for his native Bohemia and returned there in 1895 to spend the rest of his days in quiet composition. He died May 1, 1904, at the age of 63 and is buried in Prague on the banks of the River Moldau.

Ohio State, Michigan Battle to 20-20 Draw

Wolverines Even Up Score in Last Part Of Fourth Quarter

ANN ARBOR, Mich. (AP)—Ohio State's Buckeyes and the Michigan Wolverines ran over one another yesterday, depending upon which team had the ball, to finish in a 20-to-20 tie before a capacity throng of 85,753.

The even parades of offensive power split second-place honors in the Western conference between the two once-beaten teams as they drew the curtains on the season.

Bucks Fall Behind
Frenzied partisans went wild, and one man left the stands to intervene on the field, as the Bucks grabbed the lead, fell behind and forged ahead again only to see the Wolverines pull abreast in the latter stages of the final quarter.

Ohio's plunging backs smashed over for a couple of touchdowns, Jack Graf from the four-yard line and Tom Kirkade from the one, and Dick Fisher, who scampered 30 or more for the third score. John Hallabrin kicked the first two extra points and missed on the try for the third.

Wolves Take Honors
Scoring honors were similarly divided among the Wolverines, with the leading gainer, Capt. Bob Westfall, plunging over from the five-yard line, and Sophomore Tom Kuzma powering across from the one-yard marker. Kuzma passed 15 yards to end Harlin Fraumann for the other Michigan score. Bill Metzow converted twice and kicked wide on the third.

In his final collegiate play, Westfall snapped the Buckeye line and skirted ends to accumulate 162 of the 271 yards the Wolverines gained from rushing. The Buckeyes found the Michigans vulnerable for 179 yards.

Michigan made the first-down mark 19 times to 15 for Ohio State in this strictly offensive struggle in which the punt was resorted to only nine times.

Farmer's Passes Hindered by Bad Weather; Vike Francis Leads 2nd Half Husker Drive

HAWKS—

(Continued from Page 1)

gale blew the ball straight back over the goal line. Then when Green raced back to scoop up the tumbling spheroid, evidently in an attempt to knock it outside, he missed it completely, and two Husker linemen fell on it for a touchdown.

Iowa had no chance after that fatal mistake. It wasn't the same team which confidently thought this would be a good end to a disastrous season just a few moments before, and could do nothing with either the wind or the Huskers for the last 12 minutes of the game.

Farmer's Passes Great

If Iowa ever won itself a ball game with dominating play, it couldn't have done it yesterday convincingly than it did yesterday for almost three quarters of the game. Runners burst through time after time for long gains, and Farmer's passes were really on the great side. The line was overwhelming the Huskers, and the game promised to be a small rout.

But Nebraska needed only one small spark to ignite its latent power, and once on the trail, it was not to be denied. Francis, looking like an All-American bust for two quarters, provided that small flame which flared up to envelop the Hawkeys.

Iowa led with six minutes gone in the third quarter, the result of a 70 yard drive in the second, with Farmer plunging over from the three, and a 55 yard march in the third, with Green racing over from the 23 with a short pass. Then the Huskers started rolling. They took the kickoff on their own 1, and marched 99 yards to a score, with Francis providing the main push of the offense. Dale Bradley helped a lot with a 21 yard run to the Iowa 4, but it was Vike who bulled it over. Immediately Nebraska was back, and with only three minutes gone in the final quarter, blocked the touchdown punt and went into the lead. Francis place-kicked two perfect extra points.

Nebraska Confident

Nebraska's first scoring drive was especially notable, because it was effected in the face of the gale. But there was hardly a person within the bounds of the stadium, besides Francis and his mates, who thought the Cornhuskers would win this one. What the Huskers thought they could do, they did, however, and every one in the end had to pay tribute to their great comeback. It was the same team which has lost its last five games.

The teams battled through a scoreless first quarter, but Iowa went into action immediately after the change of goals and had a touchdown within seven minutes.

"Next year," he muttered with just a ghost of his winning smile, "I'm going to be better." That makes defeat almost victory.

As long as fans brave cold, and players give their hearts, and the juniors look ahead to next year, we're safe, because then the spirit is still strong, whether we win or lose and the spirit, in the hearts of the players and the fans, is the only thing, in this stern business of life, that really counts.

Iowa State Finishes Season With 12-12 Tie

AMES (AP)—Iowa State's Cyclones, beaten four times by other Big Six foes, battled Kansas State's favored Wildcats to a 12 to 12 tie here yesterday in their final conference football game.

Some 6,000 of the Iowa State faithful were chilled by the raw north wind, but their hearts were warmed by the performance of a team expected by many to lose its fifth conference clash.

90-Yard Run

Scoring honors went to Royal Lohry, senior quarterback, who punched across from the one-yard line in the first quarter, and put the Cyclones ahead in the second period, with a brilliant 90 yard run from the kickoff immediately after Kansas State had tied the score.

It was nearly an "ironman" combination that carried the Cyclones to their tie, Coach Ray

Tom Farmer, driving with tremendous velocity against the Husker line, took on a major share of the burden, and when the Hawkeys were stopped on the ground on the Nebraska 34, he passed to Coupee for a first down on the 13. It was one of his specialties running to the right and passing in motion which worked successfully all afternoon.

Iowa was pushed back to the 15 by the Huskers, and Farmer again threw, this time to Bill Burkett on the six, and the play was good to the 2. That was a yard short of a first down, but Farmer made the touchdown on the first play with a jolting drive through left tackle. His place kick was wide to the left, but it didn't seem possible that one point would be important.

Led by Farmer and Bill Green, who was hindered by a hip injury in this, his last appearance in an Iowa uniform, but who was brilliant just the same, Iowa pounded down for another margin to start the second half.

Taking over on their own 45, and pushed back to the 42 by the Huskers, Farmer's passes went into action immediately, and were good for a first down, and then the touchdown.

He whipped one to his favorite receiver, Bill Parker, and another to Coupee, this on the dead run, for a first and ten on the Nebraska 24. Then after two plays had lost a yard, he faded back again, shot one in the flat to Green on the 23, and Bounding Bill shot over with a nice run down the right sidelines. Coupee's blocking accounted for two Cornhuskers.

Rice-TCU Deadlock Gives Title to Aggies

Harvard Forced to Limit In 14 to 0 Victory Over Fighting Yale Eleven

FT. WORTH (AP)—Texas A. & M. won the Southwest conference football championship in absence yesterday as Rice battled the Texas Christian Horned Frogs to a scoreless tie in a game which saw TCU unable to get past the Owl 38.

Until yesterday TCU had a chance to tie for the title if it could have defeated both Rice and Southern Methodist and A. & M. had lost to Texas next week. But yesterday's deadlock, which counts a half game won and a half game lost in the conference standings, removed the Frog hopes.

A crowd of 10,000 saw the Owls once drive as far as the Frog one yard line and with 40 seconds to go try a field goal from the TCU 31. The gallant Frogs were on the defensive most of the way as Rice played one of its best games of the year.

The Owls rolled up 241 yards to 149 for the Frogs and had 12 first downs to 6.

and Green dragged two more over with him after being hit on the 5. Farmer's place kick was good this time.

Bradley, Francis Click

Nebraska came back after that, with a vengeance which could only be born of bitterness from a deadly season. It picked up five straight first downs on 15 plays, as Dale Bradley, facing a third and 14, faked a pass, went around right end behind massed interference and wound up on the 4. Francis pushed it over in two plays.

The third quarter ended uneventfully, but the Huskers, with only three minutes gone in the fourth struck with the swiftness of a rattlesnake. Mertes recovered a fumble on the Iowa 30 and Farmer dropped back on the first play to kick the ball into the wind.

It was blocked by not one, but three Huskers, and the ball sailed on the wind over the goal line. Green raced back to save a possible tally, heading a horde of red shirts by a scant five yards, and made a bewildered, desperate try, but it was not enough. The ball escaped his fingertips, and two of the Huskers fell on it for a touchdown.

Iowa Played Good Ball in This

finale of the 1941 season, good enough to win under ordinary circumstances. The line looked especially good, and it was little Ross Anderson who stood head and shoulders above it all. He was cracking that big Husker line after time to knock even the hard-driving Francis back on his heels, and no plays gained much ground through his position. He was playing both his usually good game and that of his injured running mate, Gene Curran, left at home with a bad case of boils, and the product was something to behold.

Walker's Tackles Deadly

Jim Walker was up to snuff once more, his tackles as certain and as deadly as they've ever been; Bob Otto did a fine job of filling the right tackle slot, and the ends, Parker and Burkett, were largely instrumental in keeping the play from getting out of hand.

Capt. Bill Diehl and Al Coupee, in their last games, did as fine a job of linebacking as could be asked, and when George Frye came in, the situation changed not a whit. Iowa lost, but it looked the best doing it that it has in two seasons.

Nebraska had its stars—it had to have to win over this bunch of Hawkeys. Francis provided the spark, coming in to action after two weeks of ineligibility, just as Bruce Smith did for Minnesota last week at Iowa City, after two weeks of inactivity brought on by an injury.

Harvard Forced to Limit In 14 to 0 Victory Over Fighting Yale Eleven

It's Official Now! Novikoff's Average Wins Again

CAMBRIDGE, Mass. (AP)—Yale's courageous underdog football forces, undaunted when an early touchdown was nullified by one of their two penalties, fought so gallantly that mighty Harvard was forced to go all-out to gain a 14-0 victory in their 60th classic yesterday before a 55,000 crowd.

The lightly regarded Bulldogs, after receiving the opening kickoff, ran and passed 82 yards before fullback Hovey Seymour bucked into the Harvard end zone from its two-yard line.

One of his backfield mates was caught in motion and the scoring play was disallowed.

Don McNeil sparked the Harvard attack, scoring one touchdown and led that attack most of the way. Captain Franny Lee, also much in the ball game, passed to Don Forte, an end who scored the other marker.

Notre Dame Finishes Undefeated Campaign With 20-18 Triumph

Southern Cal Falls As Bertelli's Passes Pave Victory Road

SOUTH BEND, Ind. (AP)—Notre Dame's mighty football warriors achieved their undefeated season yesterday, but they had the scare of their lives before it went into the record book.

The Irish defeated Southern California 20-18, before 56,000 spectators, but those west coast Trojans, credited with only a 50-50 season, were the first to score, trailed only 13-12 at the half and then roared out with a late fourth period touchdown to pull within two points of Notre Dame.

Bertelli Again

Again it was Angelo Bertelli's passing mastery that saved Notre Dame, and gave it a final 1941 rating of eight victories and a scoreless tie against Army. Two Bertelli passes set up the second Irish touchdown and he rammed an 18-yard throw to teammate Fred (Dippy) Evans for the third period touchdown that gave Notre Dame its victory margin.

Bertelli completed 13 of 21 passes for 156 yards, and his total for the season—his first in college football—was recorded as 123 throws, 70 completions, 10 interceptions and 1,027 yards gained.

Old Hero on Bench

Another Notre Dame hero sat on the bench. He was 33-year old Frank Leahy, who brought home a winner in his first year as Irish coach. This was Notre Dame's first year without a grid defeat since Knute Rockne last ruled the bench in 1930.

The trouble Notre Dame was to have from the scrapping Trojan eleven became apparent on the second play after the opening kickoff, when Evans' punt was blocked and Southern California took the ball on the Irish 33. In seven plays the Trojans were on the 21, where Bob Robertson passed to Ralph Heywood for a touchdown. Bob Jones' try for the point was blocked, however.

Southern California got off a punt only to its own 31 yard line early in the second quarter and Steve Juszwick wasted no time running it to the U.S.C. six. In two plays the charging Evans had tied the score and Juszwick had put the Irish ahead with his conversion.

Zupke Ends Career As Illini Lose, 27-0

Powerful Wildcats Far Superior To Light Illinois Team

By CHARLES DUNKLEY
EVANSTON, Ill. (AP)—Robert C. Zupke, the little man no longer there, ended a brilliant 29-year coaching career yesterday, emotionally watching his last "fighting Illini" go down to a crushing defeat before Northwestern, 27-0.

A crowd of 35,000 witnessed the windup of the season, which also ended the intercollegiate career of Northwestern's Bill De Corvovent, once the most famous prep star of all time. De Corvovent scored three of the Wildcats' four touchdowns before leaving the game in the third period.

Zupke Given Plaque

Before the game, the 62-year-old Zupke, who voluntarily resigned a few days ago, was presented with a silver plaque in recognition of his sportsmanship and long service at Illinois. Kenneth L. Wilson, Northwestern's director of athletics, who played under Zupke, made the presentation. Zupke also was given an "N" blanket, the first he had ever received. He failed to earn one in his undergraduate days at Wisconsin.

The powerful Wildcats were far superior to the tricky and light Illinois team, rolling up 220 yards on the ground to 78 for the Illini.

Illini Threaten Twice

Illinois made only two touchdown threats both in the second period. Jimmy Smith on a brilliant reverse ripped off 26 yards to Northwestern's 30 with Illinois losing the ball two plays later on a pass interception by Otto Graham.

The next time they got the ball the Illini drove from their own 49 to the Northwestern 10 only to lose the ball on downs.

The tricky De Corvovent set up his first touchdown with a 28-yard pass to Bob Mott in a 64-yard match. De Corvovent went over from the two. De Corvovent registered again in the second period on a 20-yard sweep around right end and added his first touchdown in the third period after tossing a 20-yard pass to Bob Mott on the 13.

Ed Hirsch, sophomore fullback who rolled up 92 yards rushing, scored in the second period, climaxing a 50-yard march in eight plays.

Bruce Smith Leads Champs In 41-6 Victory

Minnesota Garners Six Conference Titles In Last 8 Seasons

By EARL HILLIGAN
MINNEAPOLIS (AP)—Minnesota's mighty tide of football empire—with Captain Bruce Smith brilliantly riding the crest of the wave—swept over Wisconsin yesterday to carry the Gophers to the Big Ten and national football championships.

With Smith winding up his college career in All-America fashion, Minnesota rolled over the Badgers 41 to 6 to run their winning streak to 17 straight games and give the Gophers the remarkable record of six Western conference titles in eight years.

Smith Gets Ovation

The moment Smith entered the battle he sparked a power blast which almost blew the game Badgers out of Memorial stadium. And when he hobbled from the game late in the final period after figuring in four Gopher touchdowns, the crowd of 52,894 stood to give him a mighty ovation.

The Gophers didn't have Smith in the lineup as they started this game which brought them a second undefeated and untied season.

45-Yard Pass

But about five minutes after the opening kickoff, the Gophers' blond bombshell went in—and on five plays Minnesota had a touchdown. His 45-yard pass to Bill Garnas came just three plays before he galloped 18 yards through right tackle for the first Gopher score. From then on Smith was as hot as the 26 degree weather was cold.

With 12 seconds of the period remaining Smith pounded off right tackle again. Picking his spots brilliantly, he raced 39-yards before being surrounded at the Wisconsin seven. He whipped a lateral to Bob Fitch, who continued over the Badger goal line.

Hoosiers Nose Out Boilermakers, 7-0

BLOOMINGTON, Ind. (AP)—Purdue and Indiana, rivals of old, battled rain and snow and each other to a standstill for more than three quarters yesterday, but finally Sophomore Billy Hillenbrand, the Evansville Express, smashed across the payoff line and Indiana captured its only Western conference victory, 7 to 0 before 24,000 chilled and dripping spectators.

Getting into the conference win column meant not so much to Indiana. It did count that Purdue was the victim. Either team could have written off disastrous seasons by winning this one. But the Boilermakers had no Hillenbrand. The triumph brought the Old Oaken Bucket back to Bloomington.

The rain and the snow, the mushy gridiron, meant nothing to Hillenbrand, 190-pound halfback. He was Indiana's major threat throughout.

Indiana's touchdown drive started near the end of the third quarter. Taking the ball at midfield the mud-splattered Hoosiers drove to the Purdue 14, with Hillenbrand carrying the mail. Then, he pitched a bull's-eye pass to Ted Hasapes of Campbell, Ohio, at the Purdue 3 as the fourth quarter opened and from there shot over right tackle for the touchdown.

The injured Capt. Gene White came in to kick the extra point.

Hannibal Gobblers' Photocrime

1. Last seen parading down East Washington courtyard, His Royal Highness, Thomas the Turkey, was taking a strut before council meeting, wearing his striped morning coat, and low crown.

2. It was reported from closest companions that His Majesty paled before the calendar on the date noted as November 27. His consternation was marked by intimate friends, who supposed he was worrying about his income tax.

3. Suspect No. 467, who was found approaching the victim with suspicious gestures, drooling jewels and a wicked gleam in his right eye, is being held for questioning by the local royal police force in regard to the assassination of His Majesty.

Now YOU Decide

"Who Done It"

The answer to this week's Photocrime is not suspect No. 467, as you might have guessed. The real clue to the solution of the Thanksgiving problem lies with your local grocer. It is he who will kill and dress the victim of your Thanksgiving dinner—the choicest turkey of the size you want. Save yourself the worry of Thanksgiving dinner problems by consulting him soon, and watch for his Specials this week in the Daily Iowan Classified Department.

Local Selectees Will Leave Tuesday For Physical Exams

Four Johnson county selectees, the first to go to Des Moines for their pre-induction physical examinations, will leave here at 3:15 p. m. Tuesday, Walter E. Shogquist said yesterday.

The men who will report to state draft headquarters are Robert E. Pellack, Iowa City; Leonard J. Frees, Oxford; Frank J. Papa Jr., Solon, and Neal P. Boeshard of West Branch.

Under the changed system of examining selectees, Shogquist stated that men will now take their physical examinations 10 to 30 days prior to actual induction. In no case will induction exceed 60 days after examination, he said.

Objective of the system now in use throughout the state is to prevent inconvenience that occurred when draftees were inducted in their home counties and then rejected by state headquarters.

In all cases, however, the men will receive a checkup here for apparent and minor ailments before the complete examination at state headquarters.

"We believe that both officials and citizens should be active and vigilant in solving the many problems of law enforcement. This can only be done by mutual cooperation," the report stated.
