

Dr. Lee Wallace Dean Will Be Honored For Outstanding Contributions to Medicine

HOLDS SPOTLIGHT IN IOWA CITY TONIGHT

Headed Iowa's Medical School From '12 to '27

Iowa Specialists Will Be Hosts; University Will Receive Portrait

Dr. Lee Wallace Dean of St. Louis, the native Iowan who headed the college of medicine at the University of Iowa during a period which saw it climb to the heights among its sister institutions throughout the world, will be honored for his far-reaching contributions to medicine at a testimonial dinner tonight at the Jefferson hotel.

The hosts are members of the Iowa Academy of Ophthalmology and Otolaryngology, (specialists of the eye, ear, nose and throat) many of whom studied under Dr. Dean during his tenure here from 1912 to 1927. The guests will include some 80 of the doctor's former students from every part of the nation, many of them nationally famous leaders in their field, who have begun to arrive in Iowa City—by auto, train and plane—to honor their former teacher and administrator.

A highlight of the dinner meeting will be the presentation to the university of an oil portrait of the famous doctor painted by Francis McCray, instructor in art at the university.

Academy to Meet Today in the University hospital which made much of its growth during Dr. Dean's tenure, the Iowa Academy will conduct an all-day meeting, with a number of the distinguished guests participating. Dr. Sumner Chase of Ft. Dodge, past president of the University of Iowa Alumni association, is president of the Iowa academy.

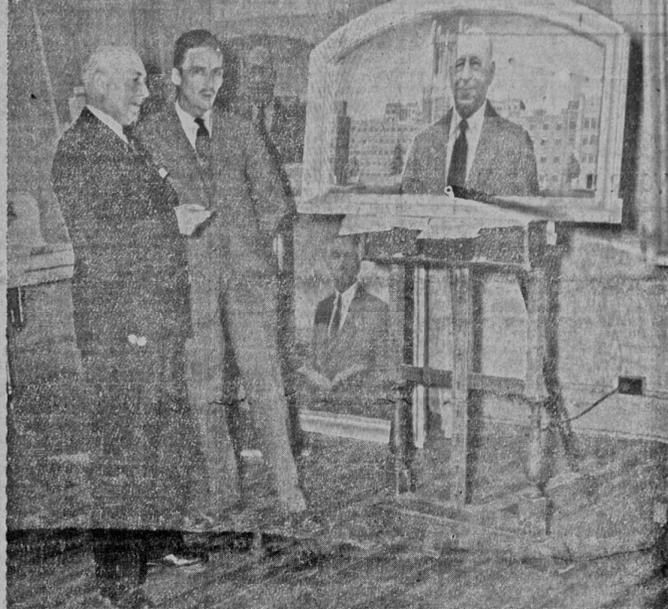

At the dinner tonight, eight guests will speak in tribute of Dr. Dean: Henry Shull, president of the Iowa State Board of Education, for the government of Iowa; President Virgil M. Hancher for the university; Dean Ewen M. MacEwen for the college of medicine; Earl Busch of Ames, president of the Iowa State Medical society.

Dr. Harris Mosher, professor-emeritus and head of otolaryngology at Harvard university, top man in his field today; Dr. H. I. Lillie of the Mayo Clinic in Rochester, Minn.; Dr. Dean Lierle of Iowa City, who succeeded Dr. Dean as head of otolaryngology at Iowa, and W. R. Boyd of Cedar Rapids, chairman of the finance committee of the board of education.

Dinner Program Dr. Chase will open the dinner meeting. Messages from important personages everywhere will be read. The development of the Iowa medical college under Dr. Dean will be traced with lantern slides, as well as the personal aspects of the doctor's career. Presentation of the portrait of Dr. Dean to the university will follow, with President Hancher's acceptance on behalf of the university. Mrs. Dean also will be honored by the academy.

Dr. Dean was awarded the De-Roazes prize in 1937, the highest honor which can go to any scientist in diseases of the throat. At that time, he was cited for 94 scientific contributions to the knowledge in his field.

Born in Muscatine, Dr. Dean graduated from the college of medicine here in 1896, then went to the University of Vienna and to the University of London to prepare himself for an assistantship in ophthalmology and otolaryngology. After his return to Iowa, he held a short professorship in physiology and in ophthalmology, then became professor and head of the otolaryngology and oral surgery department. He was responsible (See DR. DEAN, page 3)

He arrived in Iowa City, where he headed the college of medicine from 1912 to 1927, yesterday. Tonight, Dr. Lee Wallace Dean, now of St. Louis, will be the honored guest at a dinner arranged by the Iowa Academy of Ophthalmology and Otolaryngology—honored for his far-reaching contributions to Iowa and to medicine. Dr. Dean is at the right in the top picture, with Mrs. Dean and Dr. Dean Lierle, who succeeded him as head of otolaryngology in the Iowa college of medicine. Highlight of the dinner meeting tonight will be the presentation to the university of an oil portrait of the famous doctor. Pictured below, left to right, are Dr. Sumner Chase, president of the Iowa Academy, who will preside at the dinner, and Artist Francis McCray, who painted the portrait. Scores of Dr. Dean's former students, many of them nationally prominent figures in their own right, will attend the dinner in his honor tonight.

Japan Declares American Position Not Acceptable

Germans Calling Up Forces From Crimea To Halt Red Drive

Report Nazi Pressure In South Weakened By Troop Diversion

LONDON — Stiffened German resistance on the Rostov-Marjupol front, where the retreating main Nazi armies were understood to be urgently calling up reinforcements from the Crimea in an effort to break the most powerful Russian counter-offensive of the war, was reported last night in Soviet advices.

This was accompanied by indications that German pressure on Sevastopol, the great Black sea naval base in the Crimea and far the most important of Hitler's objectives on that peninsula, had been in consequence much weakened by the diversion of these substantial forces.

Moscow Front On the Moscow front, the midnight communique announced, 4,400 Germans had been wiped out, and 700 more "annihilated" in the southwest. Coordinated land and air attacks were said to have taken a heavy toll of German tanks and supply trucks.

While a correlated strengthening of Field Marshal Ewald von Kleist's resistance on the road back from Rostov toward Mariupol 100 miles to the west was thus noted, Soviet informants said the great red push still was rolling generally unchecked.

Between Taganrog, 40 miles beyond Rostov, and Mariupol the Germans were declared still in full retreat.

Some dispatches asserted that whether or not any important German forces managed eventually to get out alive, von Kleist already had irrevocably lost a great engagement, especially in the vast numbers of tanks and cars captured by the pursuing reds. Before Leningrad, the Russians were declared to have seized the initiative, the Germans having offered strong indications that they were settling down on the defensive indefinitely.

British Bomb Axis Positions

CAIRO (AP)—British bombers hammered axis troop concentrations last night as a prelude to another British tank leap toward Tobruk in an effort to split the German and Italian forces, front reports said.

Only sporadic ground fighting in which the British smashed three Italian tanks and attacked other small axis units southeast of Tobruk were reported by the British command which told of another 24-hour lull in operations. Rain hampered operations and both sides were assembling their waning tank strength for an imminent clash. The main battle zone was south of Tobruk in the Rezegh area held by the nazis.

Report Nazi Preparation For Possible Invasion Along Turkish Frontier

NEW YORK (AP)—Travelers who left Sofia recently reported yesterday, according to European advices to The Associated Press, that Germany is taking military measures along the Bulgarian-Turkish frontier, including erection of highway signs in German pointing the way to Svilengrad, on Bulgaria's Turkish frontier.

What German troops were seen in Bulgaria apparently were headed in the direction of the Turkish frontier, the travelers reported. Svilengrad is the last station on the railway from Bulgaria before it enters Turkey. Highway signs formerly showing directions to points in western Bulgaria or Yugoslav centers have been removed, it was said.

German Forces Rally In Effort to Halt Reds

BERLIN (AP)—German troops have rallied both the Italian and Slovak allies in an effort to halt extraordinarily powerful Russian attacks west of Rostov and in the Donets basin, front dispatches revealed last night. "More territory is of no importance to us," a military spokesman commented on the Russian drives.

Say Hull's Statement Leaves No Ground for Negotiations

Apparently gearing their diplomacy as always of late to the rise and fall of Hitler's fortunes, the Japanese implied last night that—as of this day, hour and moment—the basic American position as set forth by Secretary Hull was so wholly unacceptable as to leave no basis for "negotiations henceforth."

This was not done by the highest authority, however; it was done conveniently through the news agency Domei, which is authoritative as far as it goes but which need not commit the Japanese government if upon any tomorrow some other course then seems desirable.

Quoting observers which it described as thoroughly reliable but unofficial, Domei said "Japan cannot accept" the stipulations of the Hull document, and said there was "doubt whether the United States is earnestly willing to reach an agreement through the current negotiations."

The Tokyo radio, in a similar vein, said, "If the United States and Britain try to keep Thailand out of the east Asia prosperity sphere, that fact alone will be a most serious threat to peace as far as Japan is concerned. Japan cannot tolerate an intrusion by the Anglo-Saxon powers into her natural economic political expansion towards southern Asia."

Thus ostensibly rejected, but with many ifs and buts still possible to change the whole picture, was the broad American declaration of general principles held requisite for clearing up the whole Pacific problem—such principles as no American abandonment of China, no more Japanese expansion by military conquest.

The Japanese envoys, Ambassador Nomura and Saburo Kurusu, arranged to see Mr. Hull today, presumably to hand in Tokyo's reply. For more than a week Tokyo has been formulating its answer in a long and deliberative series of cabinet meetings. While these were going on reports of heavy and increasing Japanese troop concentrations in French Indo-China were received and believed by the government here.

The troop movements constituted an obvious threat to Thailand, as the next step in the Japanese expansion to the southward. All indications were, however, that if Japan should attack Thailand, the ABCD powers—America, Britain, the Chinese and the Dutch were ready to fight.

Recalling meanwhile that Japanese peace consultations here had been interrupted several months ago by the Japanese seizure of Indo-China, President Roosevelt on Tuesday asked the Japanese government for an explanation.

Nothing more subversive to American democracy ever has been proposed," Murray wrote all CIO affiliates.

The heads of the CIO and the AFL both issued statements during the day assailing the Smith bill as a threat to the basic constitutional rights of workers. "Nothing more subversive to American democracy ever has been proposed," Murray wrote all CIO affiliates.

Recalling meanwhile that Japanese peace consultations here had been interrupted several months ago by the Japanese seizure of Indo-China, President Roosevelt on Tuesday asked the Japanese government for an explanation.

Eight Workmen Killed As Hartford Bridge Plunges Into River

Divers Hunt Amidst 350 Tons of Wreckage For Missing Victims

HARTFORD, CONN., (AP)—At least eight workmen were hurled to death yesterday when half of the water span of the new \$1,900,000 Connecticut river bridge plunged with a grinding roar 80 feet into the river.

Seven bodies were recovered soon after the collapse, and tonight divers from the New London submarine base brought an eighth from under 350 tons of submerged wreckage where six other missing men were feared buried. Seventeen others were injured, some gravely.

Disaster struck swiftly early in the afternoon just at the moment when engineering efforts seemed about to be crowned with success. A huge crane atop the farthest of two completed sections of the bridge was about to lift the final link of the west span into position when the whole structure seemed to crumple.

Twisting, tearing girders plummeted down, carrying with them their burden of workmen.

Almost immediately every available ambulance was speeded to the scene while police and fire reserves began the work of rescue, grappling from small boats for such of the injured as could be reached. Telephoned appeals for help to the submarine base sent eight divers and their equipment hurtling over the 50 mile distance preceded by police cars with sirens open.

Hurled to his death was one of the few men who might have told the story of what occurred—W. James Ward, noted engineer and erection superintendent for the Golden Gate bridge at San Francisco.

Nipponese Officials Plan to Leave Mexico

MEXICO CITY (AP)—The Japanese minister, several officials of the legation and numerous members of the Japanese colony speeded up preparations for return to Japan yesterday.

In diplomatic circles it was reported their decision was prompted by arrival of a courier bringing from Washington confidential reports of the progress of U. S.-Japanese negotiations.

A number of Japanese residents of the capital were reported to be trying to dispose quickly of their property preliminary to leaving.

Finnish Announce Russians Evacuate Hango Naval Base

HELSINKI, FINLAND.—The Finnish high command announced last night that the Russian evacuation of the Hango naval base had become a disastrous welter of exploding and surrendering naval transports, and newspapers viewed the episode as bringing closer "a victorious end" of Finnish-Russian hostilities. A communique said the Russian attempt to move between 20,000 and 30,000 men from the Hango garrison to Leningrad by sea was a debacle comparable to the Red evacuation of Tallinn last summer. Besides numerous vessels sunk at the start of the evacuation, the Finns said one big Russian transport, the Josef Stalin, had been disabled by Finnish shells and drifted to the Estonian coast, where 6,000 soldiers aboard it raised the white flag and surrendered. (The Germans claimed their patrol boats took this ship in tow after it had been damaged in German-Finnish mine fields, and said it yielded 7,000 prisoners. The Finns did not even mention the Russians became German prisoners if they landed on the Estonian coast.)

Nazis Send Rumanian King Mihai to Italy

MEXICO CITY (AP)—New disorders in nazi-dominated Rumania were hinted last night in a report from "a positive source" here saying the boy king Mihai had been spirited out of the Balkans into Italy at the behest of the German Gestapo, either as an axis hostage or to guard his safety. The report was obtained by the newspaper Excelsior just as Radu Irimescu, former Rumanian ambassador to the United States, returned by plane to Washington.

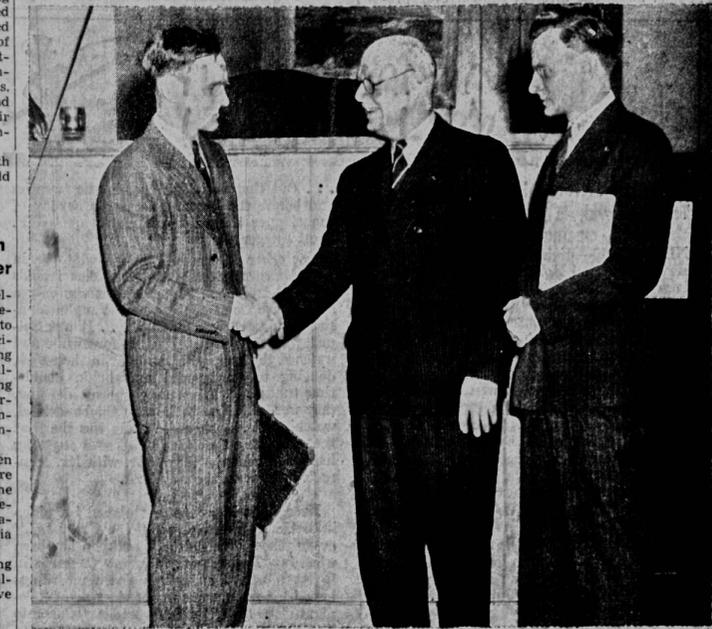

Prof. C. S. Pendleton Will Speak Tonight At Baconian Lecture

Prof. Charles S. Pendleton of George Peabody college for teachers, Nashville, Tenn., will discuss "The Humanities and the Multitudes" at the fifth Baconian lecture tonight at 8 o'clock in Senate chamber, Old Capitol. The only off-campus speaker on the Baconian program, Professor Pendleton has been a professor of English at Peabody since 1922. He has written "Social Objectives of School English," served as a member of the board of editors of "Elementary English Review" and edited the "Peabody Journal of Education" from 1923 to 1929.

U.S. and England Plan For Further Cooperative Move in British Guiana

GEORGETOWN, British Guiana (AP)—An important move for further cooperation between the United States and England in British Guiana, where the U.S. already has defense bases, was reported in a preliminary announcement to the legislature yesterday by Governor Sir Gordon Lethem. He told the legislators the most cordial relations existed between the United States military and civil representatives here and the government and people of British Guiana.

WINNERS IN JUNIOR LAW CLUB ARGUMENT

David Sayer, left, of Ames, first place winner, is being congratulated by the Honorable G. K. Thompson of Cedar Rapids, judge of the 18th judicial district of Iowa who chose the winners from the four competing Junior Law club members in a trial case last night. Harlyn A. Stoebe of Humboldt, right, was second place winner. John L. Cockrill of Livermore and Sayer, attorneys for the appellants, pleaded a hypothetical case, in the Court of Appeals of the University of Iowa at the Law Commons, involving the statute of limitations. Thomas Gilloon of Dyersville and Stoebe were the defending attorneys whose case won the judge's decision. Judge Thompson is a graduate of the University of Iowa law class of 1914.

17 SHOPPING DAYS to Christmas Also GIVE U.S. Defense Savings BONDS and STAMPS at STORES • BANKS POST OFFICES

THE DAILY IOWAN

Published every morning except Monday by Student Publications Incorporated at 126-130 Iowa avenue, Iowa City, Iowa.

FRIDAY, DECEMBER 5, 1941

The Military Might of America Slowly Grinds Into High Gear

In the past year the army has refused to give out much information on the number of guns on hand and being produced. A list of guns and items on hand August 1, 1940, was published and it showed very few increases over May 1, 1940. The following bits of information about the progress of the ordnance program have been gleaned from various sources:

FIRST. The army's anti-aircraft defense until recently has depended upon about 500 of the old 3-inch-type guns, which are good up to 15,000 to 18,000 feet, but which have been largely outmoded by the advent of high-altitude bombers. The army has adopted the modern 90-mm. guns as basic for anti-aircraft defense. The original program called for 700 of these, but it is reported that 1,200 are now on order. But only a few have yet been delivered, and the war department confirms President Roosevelt's statement that an average of 61 will be produced in each of the next four months.

It will be several months before we will have sufficient of these guns to protect the city of New York alone, which, it is said, would require 300. Large numbers are needed in the Canal Zone. Moreover, the British contend that the 90-mm. guns will fall at least 6,000 feet short of necessary range for fighting modern bombers. The army is now turning toward the larger and more powerful 4.7-inch anti-aircraft gun, but at latest reports such guns had not been ordered, and it will be over a year before we can hope to get any.

SECOND. Army plans call for the replacement of the famous French 75-mm. gun with a new 105-mm. howitzer. None was on hand either in May or August of 1940 and the first model was turned out in May of 1941. Only a few have been delivered, and it will be in 1942 that we will get quantity production, 200 a month.

THIRD. In anti-tank guns, production is centering on the 37-mm. type, which the army now admits to be ineffective against heavily armored tanks. In July, 1941, only 72 were produced and in August 160. The schedule called for 260 in September and 320 in October. The army now has adopted 3-inch and 4.5-inch anti-tank guns, but General Wesson stated to the senate appropriations committee on August 1, 1941, that it would be October or November before the contracts are placed. It is now December and only half of the contracts have been placed. In the meantime we are spending \$4,600 apiece for the 37-mm. anti-tank guns, which may be practically useless.

FOURTH. On May 16, 1941, the first 20-mm. automatic aircraft cannon ever pro-

duced in the United States was delivered to the army.

For the first time since the war began, America is opening her eyes to the need of more equipment to protect her against foreign aggression. We are still mighty shy in the needs of weapons, but after all the bickering and red tape is eliminated, slowly but surely we are advancing. Radio, newspapers and moving pictures have been stressing the point for months that if America were attacked, only a third of our army, small as it is, could be adequately equipped.

Surely you would not fight with the neighbor next door if you knew he was tough and big, and neither would Hitler be foolish enough to attack us openly if we were bigger and tougher than he. The sooner we realize this and remedy it, the better.

The Star Which Shone in the East—Venus, believed to be the star which shone above the Bethlehem stable nearly two thousand years ago, is now a brilliant object in the sky from about sunset until 7:30 when it sinks below the horizon. This brilliant phase of Venus, which occurs every 19 months, will last until after the Christmas season.

"Lo, the star, which they saw in the east went before them, till it came and stood over where the young child was," St. Matt. 2:9 reads.

There have been three conceptions as to what the Bethlehem star truly was. Some have assumed it was the triple conjunction of Jupiter and Saturn with Mars included in the group later, which occurred at about that time. This is not generally accepted since a grouping of planets would not be referred to as a "star."

The second conception is that the Bethlehem star was a nova, while others think it was Venus, because in the latter part of 4 B. C. the phase of her greatest brilliancy was reached. Four B. C., according to our calendar, was the year of Christ's birth.

To those who take the Christmas story literally the last two conceptions are considered to be the explanation of the scriptures. When the wise men came to Jerusalem and inquired of Christ's birth saying, "For we saw His star in the east and have come to worship Him," (St. Matt. 2:2) it was probably a nova (a star which suddenly increases its light tremendously) which they had seen and followed.

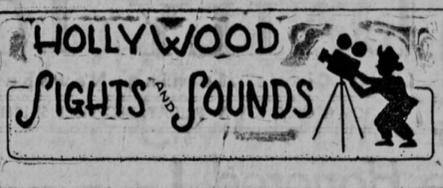

The wise men, when they spoke of seeing the star in the east meant that they had seen it in the eastern country. They traveled from Persia to Jerusalem, coming west 800 miles. If it had been the brilliant phase of Venus which they had first seen, they would not have lost track of the star and had to stop in Jerusalem to inquire of Christ's birth place.

When they did reach their destination the star which shone above the child has been calculated by astronomers to be Venus. It would be quite improbable for it to have been another nova for the Greek astronomers of that time to have left no such record. But we do have the record of Venus reaching her greatest brilliancy in the latter part of that year.

The legend also tells us that the star was bright enough that the Magi, historically a Persian religious cast, could see it in the bottom of a Bethlehem well in daylight.

The light of Venus is 15 times as great as Sirius, which is a dog star known for its brilliance. The light of Venus is powerful enough to cast shadows, and it has been seen in broad daylight by those who know where to look for it. In our mid-northern latitudes we seldom see it high enough above the horizon to appreciate its brilliant beauty.

In a sub-tropical latitude such as the town of Bethlehem, this is not the case. The planet is high enough in the sky to be seen in all its glory. It casts a wake of light across the water similar to that of the moon.

Of Fencing, Auer, And Another Phoney

By ROBBIN COONS

HOLLYWOOD—William Emile, the fencing master, has written a book on the history of his art-sport but there's little likelihood that Kay Kyser will rate a spot in it. Emile was a technical adviser on Kay's "Playmates," which has Kay and John Barrymore dueling with broadswords. RKO really needn't have him called in, he says. "Barrymore is supposed to be good and Kay is supposed to be bad at it. Well, John already knew enough to look good and Kay already looked bad."

Emile rates Bebe Daniels as the best woman fencer in pictures; Warren Williams—who took coaching for a movie and became interested—tops among the men. He'll mention those in his book, possibly some others—but not Kay Kyser. Kay's many talents don't include swordswaving.

IN Mischa Auer's memory-book must go a record of his debut as a gentleman strip-tease artist. He may not be as cute as some girls, but he's funnier.

Mischa's great moment (really two hours spent on rehearsals alone) came in "Twin Beds," the venerable bedroom farce to which Producer Edward Small has been giving fresh linen.

Auer was supposed to have been thoroughly squiffed, to return then to his apartment bedroom and attempt to slip quietly into one of the beds without disturbing the occupant of the other.

Auer tiptoed in and shushed himself. His shoes were in his top

hat, which he put back on. He wrapped his innerscape around his waist so he could take his coat off. His umbrella, of course, had to be dragged through a sleeve of his coat as he took that off. Holding the wardrobe, he now had to slip off his pants. This he did by using the umbrella as a lever on his suspenders—and there he stood, his long thin frame encased only in long knitted underwear.

IT was a sob letter. Experienced actor, 32, had only a year to live—his heart. And all he wanted was a chance to play in a movie, just once, in a small part, to prove to himself that he could make good. Would C. B. DeMille give him that chance?

DeMille gets many letters, many of them sobby. He wrote back. Could the man send an affidavit from his doctor?

It was a month before the reply came. The doctor didn't like to go on record as giving the patient no hope. "I'm not a phony, Mr. DeMille. . . . What else can I do to prove I'm on the level?"

DeMille answered that he understood. Could the young man send him his cardiograph—for examination by his own physician? If he could, DeMille would save a part in "Reap the Wild Wind" for him.

No answer—and still no answer. DeMille gave the part to Keith Richards. The picture was finished before DeMille heard again from the ailing heart. "You're probably wondering why you haven't heard from me," the letter said. "The reason is that I am now dead. . . . I'm just another phony. My heart is perfectly normal. But I still want that chance. How about it?"

TODAY'S HIGHLIGHTS

"The Freshman Takes the Platform"—a new program at 3:30 today—will consist of six interpretative readings by freshmen who participated in the poetry reading contest. Under the direction of Mary Ward, the program will have its own announcer and continuity writers, as well as participants, from the freshman class.

"How Can We Develop National Morale?" The "University Student Forum" will discuss that question at 3 o'clock this afternoon.

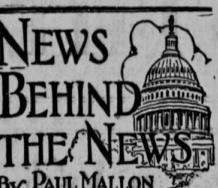

"The Health Value of Military Training" is the topic of a paper prepared by Dr. Earl B. Bush of Ames, to be read on the "Iowa State Medical Society" program at 9:15 this morning.

PROGRAM CALENDAR

- 8—Morning Chapel, Warren Page. 8:15—Musical Miniatures 8:30—Daily Iowan of the Air 8:40—Morning Melodies 8:50—Service Reports 9—Salon Music 9:15—Iowa State Medical Society, "The Health Value of Military Training," Dr. Earl B. Bush, Ames. 9:30—Music Magic

Good War News, Best in Two Years

WASHINGTON—The British looked bad in Libya but they have the consolation that their troubles contemplated two successes on another front.

It has not diminished the brilliance of the red successes in crushing the Rostov salient to report that the nazis had to get into their air and anti-tank defenses sharply to succor the beleaguered Rommel in Libya.

Five or six air squadrons flew out to their Crimean bases hurriedly a week ago to slip above the clouds across the Mediterranean into Rommel's Libyan camp. They carried large quantities of anti-tank guns and crews and reinforcements, thus diminishing the power of the Nazi defensive force on the Rostov front over two of the most important lines—anti-tank defense and planes.

HAPPY OVER ROSTOV

Three silent cheers roused all inter-officialdom at the news of the Russian-Rostov drive. A great military authority of the government called it the best war news in two years.

This government may not have been as surprised as the nazis—a tank crushing counter-drive had been expected. Authorities had been led to believe it might develop in the north, which is what the nazis wanted Hitler to believe.

The jubilantly expressed official opinion was that the counterattack ruined Hitler's chances of gaining the Caucasus and the oil fields this winter (a far more important objective than Moscow.)

FOR EASTERN BLOW

The war-like movements of the American-Japanese diplomatic corps have been watched here with half amusement and half fear. The side line observers had no doubt both Japan and the U. S. desired to avoid war and were covertly handling their open commitments (Japan to Hitler and U. S. to China and Britain) with a certain degree of clumsiness.

The Japanese, for instance, brandished far and wide the rumor that their fleet was approaching the coast of Australia last Wednesday. If their foreign office was correct at that time, and war was their intention, they certainly must have failed to inform their navy department. To leave their fleet loose in the vicinity of Australia would be disastrous if the British closed in from Singapore and the Americans from Manila. Incidentally the best information was that the Japanese fleet was locked in its home harbors behind submarine nets and destroyer screening, safe and sound.

The only danger was that both had over-played their hands. The stress, everyone feared, might have led both sides into excessive diplomacy, which might result in a war that both feared most.

PRIVATE VS. PUBLIC EMPLOYMENT

There is much ado about Tommy Corcoran and his business connections since he started reforming the country as the president's right-hand reforming man. Thomas L. Stokes of the Scripps-Howard outfit has charged him with receiving unusual fees from organizations seeking government contracts. A congressional committee is now investigating.

Mr. Roosevelt told at his last Friday press conference his dissatisfaction with the present government law allowing present employees to accept outside employment within two years of their federal employment.

The boys here seem to be kicking around a case that could not be suppressed. If anyone wants to block private influence for which a government employe may be hired by any business, it would be easy if the law were extended to four years, covering the duration of the presidential election.

C.O.D. Delivery GREENVILLE, S.C.(AP)—When Mrs. Fred Trammel gave birth to a daughter, her husband plunked down 1,700 nickels to pay the freight. They'd been saving them.

OFFICIAL DAILY BULLETIN

Here in the UNIVERSITY CALENDAR are scheduled in the Office of the President, 101 Old Capitol. Items for the GENERAL NOTICE are deposited with the campus editor of The Daily Iowan or may be placed in the box provided for their deposit in the office of The Daily Iowan. GENERAL NOTICE must be at The Daily Iowan by 1:30 p.m. the day preceding first publication; notices will NOT be accepted by telephone, and must be TYPED OR LEGIBLY WRITTEN and SIGNED by a responsible person.

Vol. XII, No. 1073 Friday, December 5, 1941

UNIVERSITY CALENDAR

- Saturday, December 6: 7:30 p.m.—Iowa Mountaineers films, room 223, engineering building. 8 p.m.—University play, University theater. Friday, December 12: 6:30 p.m.—Iowa Philosophical society banquet, Iowa Union. 7:30—University film society, Macbride auditorium. 8 p.m.—Iowa Philosophical society, graduate college lecture by Prof. A. Cornelius Benjamin, "Philosophy in Liberal Arts," Senate chamber, Old Capitol. 8 p.m.—University play, University theater. 9 p.m.—Pica Ball, Iowa Union. Saturday, December 13: SATURDAY CLASSES. 9-12 a.m.—Iowa Philosophical society, Senate chamber, Old Capitol. 2 p.m.—University play, University theater. Sunday, December 14: 6:30 p.m.—University club buffet supper, University club rooms, Iowa Union. Monday, December 15: 7:30 p.m.—Iowa Mountaineers, colored films, room 223, engineering building. 7:30 p.m.—University student forum, speaker Rex Stout, Macbride auditorium. 8 p.m.—Lecture by Dr. L. D. Longman, auditorium, art building. Wednesday, December 10: 7:30 p.m.—Sigma Xi soiree, physics building. 8 p.m.—University play, University theater. Thursday, December 11: 3-5 p.m.—University club Christmas tea, University club rooms, Iowa Union. 7:30 p.m.—Baconian lecture by Prof. Sybil Woodruff, Senate chamber, Old Capitol.

(For information regarding dates beyond this schedule, see reservations in the office of the President, Old Capitol.)

GENERAL NOTICES

- MUSIC ROOM SCHEDULE: Requests will be played at the following times, except on Tuesdays from 12 to 1 p.m. when a planned program will be presented. Friday, Dec. 5—10 to 12 a.m., 4 to 6 p.m. Saturday, Dec. 6—10 to 12 a.m., Sunday, Dec. 7—5 to 8 p.m., Monday, Dec. 8—10 to 12 a.m., 4 to 6 p.m. Tuesday, Dec. 9—12 to 1 p.m., 4:15 to 5:30 p.m., and 7 to 9 p.m. Wednesday, Dec. 10—10 to 12 a.m., 4 to 6 p.m. COSMOPOLITAN-PAN-AMERICAN: Tickets are on-sale this week for the Cosmopolitan and Pan-American clubs' annual Christmas party at 6:15 p.m. Saturday, Dec. 13, in the Community building. Tickets are 70c and may be obtained from committee members until Wednesday, Dec. 10. ALMA MINFORD: President, Pan American MEN'S DANCE CLASS: Class for men in modern dance will meet Mondays and Wednesdays at 5 p.m. The first meeting will be Monday, Dec. 8, in the mirror room in the women's gymnasium. All interested are invited to attend. JANET CUMMINGS: Instructor IOWA MOUNTAINEERS: A horseback ride has been scheduled for Sunday, Dec. 7. Members wishing to join the outing are urged to call 7418 before Sunday. Meet at 1:45 p.m. in the engineering building, warmly dressed. S. J. EBERT: President HAWKEYE HOOFERS: Hawkeye Hoofers will have a breakfast hike Sunday, Dec. 7, at

Old-Time Actors, New-Time Dance, Tchaikowsky's B-Flat Concerto

By GEORGE TUCKER

NEW YORK—Mighty interesting to see C. Aubrey Smith and Hobart Bosworth in town at the same time. These youngsters would make the Quiz Kids grow gray with anxiety.

Smith, at 73, has outlived most of his theatrical managers and has built a solid half-century in the theater, playing in films and on stages all over the world.

Bosworth, a mere 74, went west to die some 40 years ago and is still laughing. He went west at his doctor's orders to paint and rest during his last few years. But he's still kicking, the lung ailment forgotten. "I'm the daddy of 'em all," he says, speaking of the old time actors. He has just finished a picture called "They Died With Their Boots On."

As for Smith, his first Broadway appearance was in 1896. . . . His last was in 1928. . . . And now he is back on Broadway with Grace George in "Spring Again." . . . For him, it is.

But that was long ago, in the twenties and before the Crash. It was the heyday of the flapper age when everybody quoted F. Scott Fitzgerald.

The other afternoon I happened to be in Grand Central terminal seeing some friends off to Detroit. . . . From there it was only a step to the Commodore, where Vaughn Monroe's orchestra was playing. . . . It was Saturday afternoon. . . . I sat in for awhile and watched the kids, with the light in their eyes, dancing to sentimental and brisk, double-time tunes. . . . When they weren't dancing, they were standing in front of the bandstand, watching the musicians. . . . It was the first time in a long time that I had seen anything like it. . . . Maybe the vogue, with Mr. Monroe's help, is on the way back.

Ever since Mary Astor "played" a piano in Bette Davis's picture, "The Great Lie," every school girl, halfback and cop has been whistling Tchaikowsky's Piano Concerto in B-flat Minor. I suppose a dozen recordings have been made, some under the title of "Tonight We Love," others under "Concerto For Two." . . . It has been interesting to watch the different "treatment" the boys have given this number, and some of the results have been extremely worthwhile. . . . Still better than the adaptations, though, is the original. . . . The recordings I think are wonderful are with Horowitz at the piano and the NBC Symphony orchestra, Toscanini conducting. . . . It does things to your heart.

Editor of Kansas City Star to Speak at Conference Here Today

English Professors, Linguists Meet Here For 2-Day Conference

Dinner, Reception Planned for Guest Convention Speakers

Iowa is host to teachers of classical languages, English and modern foreign languages at the annual language and literature conference in Old Capitol today and tomorrow.

H. J. Haskell, editor of the Kansas City Star since 1928, will speak on "After All, the Romans were Human" following a luncheon for classical teachers in the Jefferson hotel tomorrow.

"The Light Reading of Our Ancestors" and "Red Pencils and Blue Teachers" will be discussed tomorrow by Prof. Herbert R. Brown, author of "The Sentimental Novel in America."

Prof. Ricardo Quintana, chairman of the English department, University of Wisconsin, Madison, will talk about "Swift as Poet and Artist" and "English in a State University." Professor Quintana has written "Jonathan Swift: His Mind and Art."

"Minimum Standards for a Basic Course in Composition" will be the subject of Prof. Guy S. Greene, head of the department of English and Speech, Iowa State college, Ames. He has contributed numerous articles and reviews to English and speech journals.

A tea for guest speakers, students and members of the romance language department is to be given at 4 o'clock today in 208, Schaeffer hall.

An informal dinner for teachers of classical languages, English, and modern foreign languages is to be served in the river room of Iowa Union tonight at 6:10.

Eta Sigma Phi, classical languages honor society, will hold a reception for classical teachers at 9:15 tonight.

Saturday Morning's Program MODERN LANGUAGES Room 221A, Schaeffer hall Prof. Erwin K. Mapes presiding

9:15 Spanish culture in Exile William Bull of the romance language department.

9:45 Proposals for a Program with a better Distribution of Foreign Language Aids Prof. Max Diez, Bryn Mawr college.

ENGLISH House chamber, Old Capitol Prof. Baldwin Maxwell presiding

9 The Core Course of Study Prof. Millington F. Carpenter of the English department

9:20 Red Pencils and Blue Teachers Prof. Herbert R. Brown, Bowdoin college

9:40 Minimum Standards for a Basic Course in Composition Prof. Guy S. Greene, Iowa State college

10:00 English in a State University: Some Practical Considerations Prof. Ricardo Quintana, University of Wisconsin

GENERAL MEETING House chamber, Old Capitol Prof. W. Leigh Sowers presiding

10:30 Richard Wagner's "Essay on Beethoven" and Nietzsche's "Birth of Tragedy" Dean T. Moody Campbell, Northwestern university

11:15 The Light Reading of Our Ancestors Prof. Herbert R. Brown, Bowdoin college

CLASSICAL LANGUAGES Senate chamber, Old Capitol 9:15 Areas of Education Prof. Charles S. Pendleton, George Peabody College for Teachers

9:45 The Development of Roman Garments into the Liturgical Vestments Sister Mary Donald, Mundelein college, Chicago, assisted by Professor Mertz

10:15 Modern Aspects of the Roman Army Col. Donald Armstrong, ordnance department, United States army, Chicago

10:35 Low Hurdles for Latin Prof. Kevin Guinagh, Eastern Illinois State Teachers college, Charleston

Conference Speakers

PROF. RICARDO QUINTANA

PROF. G. S. GREENE

Prof. L. C. Raiford Elected As Chairman Of Chemical Society

Prof. L. Charles Raiford of the chemistry department has been elected chairman of the Iowa section of the American Chemical society for 1942 to succeed Prof. H. A. Mattill.

World's Top Typist Gives Demonstration For Commerce Class

Albert Tangora, world's champion typist, lectured and gave novelty typing demonstrations before the secretarial science classes Wednesday.

AIRLINES NEED TRAINED WOMEN

The rapid growth of the Airlines has greatly increased the demand for women trained for profitable, interesting employment in communications, sales, reservations, traffic, and other types of ground work.

12 Former University Students, Alumni Announce Recent Engagements, Marriages

Word has been received of the engagements and marriages of 12 alumni and former students of the University of Iowa.

Eggleston-Wilson Mr. and Mrs. L. E. Eggleston of Vinton have announced the marriage of their daughter, Marjorie, to James L. Wilson, son of Mr. and Mrs. J. N. Wilson, also of Vinton. The ceremony took place Nov. 12 in Vinton.

Both Mr. and Mrs. Wilson were graduated from the university here. Mr. Wilson was a member of Delta Chi fraternity. The couple will live in Vinton.

Husak-Morehead Mary Frances Husak, daughter of Mr. and Mrs. F. J. Husak of Cedar Rapids, was married Nov. 8 to Ensign Herbert L. Morehead, son of Mr. and Mrs. Herbert L. Morehead, also of Cedar Rapids. They were married in Cedar Rapids.

Mrs. Morehead was graduated from Mount Mercy junior college in Cedar Rapids. Ensign Morehead was graduated from the University of Iowa where he was a member of Tau Beta Pi, national honorary engineering fraternity, and Triangle professional fraternity. He is now stationed in Jacksonville, Fla., where the couple will live.

Christy-Porter Sept. 13 was the date of the marriage of Olive A. Christy, daughter of Mr. and Mrs. Clarence Christy of Battle Creek and Shirley A. Porter, son of Mr. and Mrs. Hans Porter of Humboldt. They were married in Humboldt.

Mr. Porter was graduated from the university here. He was a member of Sigma Phi Epsilon fraternity and Phi Beta Kappa.

Berry-Holman Capt. and Mrs. James F. Berry of Grymes Hill, Staten Island, N. Y., have announced the engagement of their daughter, Jean, to Dr. Robert V. Holman of Bethesda, Md., son of Mrs. James R. Holman of Mason City.

Miss Berry was graduated from the New Jersey College for Women. She is now attending Pratt institute in Brooklyn.

Dr. Holman attended Mason City junior college. He studied medicine at the University of Iowa and served as interne at the United States Marine hospital, Clifton, Staten Island. He is now with the industrial hygiene division of the National Institute of Health in Bethesda. He is a member of Nu Sigma Nu medical fraternity.

Harpel-Hook Betty Harpel, daughter of Mr. and Mrs. Garies Harpel of Boone, was married Nov. 7 to Lieut. Paul P. Hook of Burlington, son of Mrs. Johanna Hook of Grundy Center. The ceremony was performed in Manistee, Mich.

Both Lieutenant and Mrs. Hook were graduated from the university here, and both attended the law school. Lieutenant Hook was a member of Delta Theta Phi, legal fraternity. Mrs. Hook was a member of Delta Gamma sorority and Kappa Beta Phi, legal fraternity.

Stalnaker-Hosman Dr. and Mrs. Luther Winfield Stalnaker of Des Moines have announced the marriage of their daughter, Margaret Josephine, to Lieut. Richard Sutton Hosman of Ft. Benning, Ga., son of Prof. and Mrs. E. M. Hosman of Omaha, Neb. They were married Sept. 27 in Kahoka, Mo.

DR. DEAN

(Continued from page 1)

for the development of the eye, ear, nose and throat clinic—in the west basement wing of what is now East hall.

Dr. Dean has written on birth defects and the effect of heredity, discussed palatal malformations and reported corrective results, and was consultant in a tubercular institution. In the early days of cancer surgery he reported 23 cases of removal of the superior maxilla or of one half of the mandible, with but one death.

Since 1907 Dr. Dean has been interested in the relationship between asthma and parasitic sinus disease. In his candidate's thesis for the American Laryngological, Rhinological and Otolaryngological society in 1918 he first discussed "Infections of the Parasitic Sinuses in Infants and Young Children." Dr. Dean became the leading authority in this field.

Mrs. Hosman was graduated from Drake university where she was a member of Kappa Kappa Gamma sorority. She attended the University of Iowa last year. Lieutenant Hosman was graduated from the university here. He was a member of Sigma Phi Epsilon fraternity.

Martin-Renner Mrs. Manning Martin of Des Moines has announced the marriage of her daughter, Susan Emily, to Richard Renner, son of Mr. and Mrs. H. E. Renner of Des Moines. They were married March 8 in Bethany, Mo.

Mr. Renner attended the University of Iowa where he was a member of Phi Kappa Psi fraternity.

Frazier-Trowbridge Anne Louise Frazier, daughter of Mr. and Mrs. Herbert L. T. Frazier of Lost Nation, was married Nov. 15 to Richard Trowbridge of Milwaukee, Wis., son of Mr. and Mrs. Edward C. Trowbridge of Chicago. The ceremony took place in Cedar Rapids.

Mrs. Trowbridge attended Coe college in Cedar Rapids and the university here. She was a member of Kappa Alpha Theta sorority. Mr. Trowbridge was graduated from Culver Military academy and from the University of Chicago. He was a member of Delta Upsilon fraternity.

Mr. and Mrs. Trowbridge are now at home in Milwaukee.

Feddersen-Cole Mr. and Mrs. M. H. Feddersen of Des Moines have announced the engagement of their daughter, Margaret Helen, of Grand Rapids, son of Mrs. Fletcher Cole of Grand Rapids and Russell C. Cole of Detroit, Mich. The wedding will take place in December in Des Moines.

Miss Feddersen was graduated from the University of Iowa where she was a member of Kappa Kappa Gamma sorority, and the Mixen Academy of Art in Chicago. Mr. Cole attended the University of Michigan in Ann Arbor. He was a member of Alpha Delta Phi fraternity.

The couple will make their home in Grand Rapids.

Phi Gamma Nu To Hold Mixer

The commerce mixer, sponsored by Phi Gamma Nu, national professional commerce sorority, will be held in the Community building tomorrow from 9 to 12 p.m.

Jimmy Adams and his orchestra will play for the dance and members of the commerce faculty will chaperone.

The mixer will be either a date or a non-date affair. Any commerce student may procure tickets at the commerce office in University hall for from members of Phi Gamma Nu.

National Morale Subject For Discussion Forum Over WSUI at 3 Today

"How Can We Develop National Morale?" will be discussed on the forenoon forum over station WSUI at 3 o'clock this afternoon.

Ohio Rabbi to Give Lecture Series Here

Presents First Talk Before Hillel Group At 8 O'clock Tonight

Rabbi Harry Kaplan, director of the Ohio State university Hillel foundation, will talk on "Are Jews Really Different?" at a meeting of the Hillel foundation at 8 o'clock tonight.

Former president of the Jewish Teachers association of the New England Liberal schools and of the alumni association of the Jewish Institute of religion, Rabbi Kaplan has headed the Ohio Hillel foundation of over thirteen hundred members, since 1935.

Rabbi Morris N. Kertzer of the school of religion will direct the services and the speaker will be introduced by Charlotte Hirsch, A2 of New Gardens, N. Y.

Following the lecture, Harriet Glaser, A1 of Iowa City, and Mrs. Sonia Sands will give several vocal selections.

Hostesses are Muriel Pine, A2 of Chicago; Sylvia Bucksbaum, A4 of Marshalltown; Miriam Rosenbaum, A2 of Cedar Rapids, and Sylvia Halpern, C3 of Rock Island, Ill.

Rabbi Kaplan will also speak tomorrow night at 8 p.m. before a meeting of the Hadassah organization. He will speak on "Portraits of a Zionist Portrait."

At 7 p.m. Sunday night he will talk on "Pity the Persecutor" in the Congregational church under the auspices of the Wesley, Pilgrim and Hillel foundations.

Nazis Smoked-Out LONDON (AP)—Picked patrols of Russians are setting the forests ablaze to smoke out Nazi troops defeated in the great rout west of Rostov, Doni Weaver, correspondent of the News Chronicle, reported yesterday in a dispatch routed via Stockholm.

Presentations of Cases: "Arterio Venous Aneurysm Involving the Transverse Facial Artery and Vein"—Dr. L. B. Evers, "Progressive Destructive Lesion of the Nose"—Dr. N. L. Francis, "Traumatic Stricture of the Larynx and Trachea"—Dr. T. J. Trappasso.

"Abductor Paralysis of the Larynx Treated by the King Operation"—Dr. J. W. Phillips.

In Otolaryngology: "The Frontal Bone"—Dr. Harris P. Mosher, Harvard university.

"Anesthesia in Otolaryngology"—Dr. Stuart Cullen.

"The Fitting of Hearing Aids," "The New Test for Auditory Malingerers"—Dr. Scott N. Reger.

"The Practical Management of Hay Fever and Perennial Allergic Rhinitis"—Dr. A. E. Feller.

"Surgical Anatomy of the Lateral Pharyngeal Space"—Dr. E. W. Scheldrup.

The Ophthalmology section will meet at 9:15 this morning; presentation of cases begins at 11:30; the otolaryngology section will meet at 2 p.m.

Ballistic Expert To Talk Here

Gilbert Ames Bliss, distinguished service professor emeritus of mathematics from the University of Chicago will lecture on "Field in the Calculus of Variations" today at 4:10 in room 222 of the physics building.

In addition to his research in mathematical analysis, Professor Bliss conducts a course in exterior ballistics, the science which sends long range shells truly to their mark. He was scientific expert of the range firing section of the U.S. army in 1918. His published works include books on the calculus of variations and the science of exterior ballistics.

"Varsity Jazz Quartet" To Make Radio Debut

Barbara "Bobby" Cotter, A1 of South Bend, Ind., and the "Varsity Jazz Quartet"—a new instrumental organization on the campus—will be featured on the "Musical Moods" show over WSUI at 5:30 this afternoon in a program of popular tunes.

"Bobby," the vocalist, will be making her initial appearance on WSUI, although she has done radio work in South Bend. Her part of the program will include "Lament to Love," "Braggin'," and "I Got It Bad."

The "Varsity Jazz Quartet" will present its own adaptation of Benny Goodman's "Benny's Bugle." The four boys in the quartet are: Charles Ruff, piano, of Sewickley, Pa.; Larry Barrett, trumpet, A3 of Rockford, Ill.; John Evans, clarinet and saxophone, A4 of Burlington, and Charles Mason, bass, A3 of Charleston, W. Va.

Committee Members for Annual Caps Caprice Will Appear in Gay Party Dresses Tonight

Pinky Tomlin's Band Will Provide Music For Formal Dance

Caps Caprice will be a gay yet blue party if the members of the committee prove typical. Whirling skirts and gleaming bodices at Iowa Union tonight will be in shades of blue, say the student nurses who planned their annual formal party.

Pinky Tomlin will provide music for the dance from 9 to 1 o'clock. General chairman Alma Han- nerson, N3 of Geneseo, Ill., will be escorted by Dr. Donald Goede of Harlan. Her dress is of blue silk net, made with a low, ruffle-edged neckline and drop shoulders. Pea- cock plumes trim the full skirt. She will wear silver accessories.

Blue Chiffon Gown
Mildred Stoker, N3 of Deep River, social committeemember, chose as her date, Melvin Freundt of Victor. Miss Stoker will wear a blue chiffon gown with tight bodice, low neckline, and long sleeves of the peasant style. It has a bouffant skirt and will be worn with gold accessories.

Dorothy McGinnis, N2 of Iowa City, will be escorted by Dr. O. A. Couch. Her white corduroy gown is trimmed at the throat with rhinestones. It is made with a long torso and full skirt. Miss McGinnis' accessories will be of silver. A white sheer skirt and multi-colored crepe top comprise the gown of Beatrice Spotvold, N3 of Ft. Dodge, president of the Student Nurse association. She will be escorted by Raymond Latimer, E4 of Red Oak.

Eleanor Hyke
Eleanor Hyke, N3 of Waterloo, will be escorted by Lloyd Gugle, M4 of Iowa City. Miss Hyke is chairman of the reception committee. Her blue silk jersey gown has a sequin-trimmed hood which forms a collar around the low V neck. The dress is made with a light bodice and draped skirt and will be worn with gold accessories.

Chairman of invitations, Milfred Rasch, N3 of Ft. Dodge, will appear with Lewis Miller, G of Kingsbury, Tex. Her black taffeta tiered skirt will be topped by a multi-colored sheer bodice with long full sleeves. She will wear cerise accessories and a silver locket.

Margaret Fagen, N3 of Keota, chairman of decorations, will be with Kay Kober, L3 of LaPorte City. Her gown of blue moire taffeta is made with a sweetheart neckline, puff sleeves, and a full skirt. She will wear gold accessories.

Newcomers' Club Plans To Hold Monthly Meeting At Virgil Hancher Home

The University Newcomers' club will hold their monthly meeting Monday at 3 p.m. at the home of Mrs. Virgil M. Hancher, 102 E. Church.

The assistant hostesses will be Mrs. E. L. Besser and Mrs. John Torbett.

After the business meeting there will be a tea carried out in a Christmas theme.

Seven, Come Eleven— Please Santa, Take a Hint

—Baby Needs New Shoes!

By Dorothy May Myers
If you, my lady, are expecting Santa to bring you new shoes for Christmas, then you'd better help him out by giving some thought to which of the many new styles would flatter your foot. The selection to be found boxed on the shelves of any shop might leave the Old Gent in a dither to pick a pair for you.

Of course, a puddle jumper would solve this uncertain weather problem and be the easiest to decide upon. The kind in the stores today have the abrupt front of a streamliner and a sole of the new rubber composition.

Good Old Saddles
That old-favorite comfort in the saddle shoe is still a standard. Or a moccasin with a high front and crepe sole is swell.

A staunch oxford of brown elk with moccasin stitching is a stand-by for active feet and a little more unusual is a low-wedge heel oxford with round toe. A calf bound toe and heel contrast with a deep furry suede.

How about a roped-sole gabardine bootee with lacing stitched from the throat and tied around the ankle? Another black gabardine has elastic gores and the same sole.

Maybe you'd like a keg heel. It goes with a moccasin stitched calf skin. A feminine brogue with a fringed tongue and red piping is a delight.

Fly to Classes
A seamless oxford walker or a harness stitched monk shoe will take you flying to classes as well as to informal parties.

One new style, a wine calf, sets a nail-head studded pillow on the box toe. More naive is a flat heeled

Today 2 Local Organizations Plan to Meet

Good Samaritan . . .
Encampment auxiliary No. 5 will meet at 7:30 this evening at Odd Fellows hall. Officers will be elected.

Public Welfare . . .
and social science department of the Iowa City Woman's club will meet at 2:30 in the club rooms of the Community building for a joint meeting and tea.

Women Voters League To Hear C. A. Hickman Speak About Taxation

Good Neighbor Policy To Be Discussion Topic Over WSUI Saturday

C. Addison Hickman of the college of commerce will speak on "Taxation as a Deterrent to Inflation" at the regular monthly luncheon meeting of the League of Women Voters in the foyer of Iowa Union at noon Monday.

This meeting is designed as a follow-up of the work of the taxation study group. The discussion will attempt to point out that new taxes are designed as much to prevent inflation as to raise revenue.

In addition to the three and one-half billion dollar tax bill, an extension of the social security tax and a 15% withholding tax are now being proposed. The purpose of these new taxes would be to curtail surplus buying power for which an adequate supply of consumer goods is lacking.

The department of government and foreign policy will present a discussion of "The Good Neighbor Policy Today and Tomorrow" to be broadcast over WSUI tomorrow morning at 9 o'clock.

Mrs. George Martin, chairman of the group, will interview Prof. Paul Olson of the college of commerce and Peter Mousolite of the romance language department. Professor Olson will speak from the economic standpoint, and Mr. Mousolite will present the cultural viewpoint.

Craft Guild Will Meet To Study Pewter Etching

The Craft guild will meet tomorrow in the annex of the women's gymnasium from 2 to 5 o'clock.

Mrs. Frank L. Mott will direct the etching of pewter. Mrs. H. C. Harshbarger will exhibit pieces of batik and explain the process of batik dyeing at 4 o'clock.

The percentage of deaths caused by heart disease is greater among doctors than among laymen.

The Party Line . . .

—This Week End at Iowa

A blue cross . . .
in a setting of evergreen will decorate great hall for the annual Christmas dinner dance of Beta Theta Pi fraternity tomorrow from 7:30 until 12 o'clock.

Clifford Crowe, A4 of Clarion; James Frazier, C3 of Nevada; Dan Stoelting, A2 of Davenport; Richard Crawford, A3 of Mason City, and Don Weagley, A2 of Ames are members of the committee in charge of the party.

Chaperons will be Mrs. Charles P. Osborne, Mrs. R. D. Cruikshank, Mr. and Mrs. J. F. Sproatt, Mrs. W. O. Coast, Prof. and Mrs. George Haskell and Prof. and Mrs. Wendell Smith.

A Christmas dinner . . .
dance will be held by the Chi Omega's at the Jefferson hotel tomorrow evening from 7 to 12 o'clock. Len Carroll's orchestra will provide music for the dancing.

Chaperoning the dance will be Mrs. Allie Simpson, Mrs. Robert Glen, Prof. and Mrs. Bartholomew V. Crawford and Dr. and Mrs. W. J. Petersen.

Members of the committee in charge of the dance are Bette Rakow, A3 of Muscatine; Lorraine Moore, A4 of Burlington, Ill.; Constance Bulske, J4 of Western Springs, Ill.; Ann Myers, G of Sevanne, Tenn.; and Shirlee Wilson, A3 of La Grange, Ill.

The decorations will be a silver Christmas tree with blue lights.

After dinner . . .
coffee will be served for pledges of other sororities by the Delta Gamma pledges Sunday from 2 to 3:30 p.m. The chapter house will be decorated with a Christmas tree and wreaths.

In charge of the party are Dorothy Moll, A3 of Alton, Ill., chairman; Marjorie Dixon, A1 of Waterloo; Barbara Smith, A3 of Iowa City, and Margaret Barnegrove, A2 of Cedar Rapids.

Pouring at the coffee tables will be Ann Johnson, A3 of Oskaloosa; Mary Langland, A2 of Nevada; Mickey Travis, A2 of Waterloo; and Barbara Smith, A3 of Iowa City.

A streamlined . . .
dazzlingly modernistic Christmas will be the theme of the Kappa Alpha Theta Christmas formal tonight from 9 to 12 o'clock. It is traditional that the pledges entertain the active members at this party.

Margaret Heaton, A3 of Pueblo, Col., is president of the pledge class. Members of the committee in charge are Jo Ellen Hall, A3 Holdenville, Okla.; Mary Kerwin, A3 of Oelwein; Catherine Townsend, A3 of Kansas City, Mo.; Frances Lumbard, A3 of Des Moines; Lu Murphy, A3 of Natchez, Miss.; Sue Frank, A1 of Davenport; Susan Peterson, A3 of Chariton, and Ann Weed, A3 of St. Joseph, Mo.

Chaperons will be Mrs. Mahlon Anderson, Mrs. J. H. Jamison, Prof. and Mrs. Rufus Putney and Prof. and Mrs. Vance Morton.

Len Carroll and his band will provide the music for dancing. The snow decorations of Currier hall, Eastland, all cooperative women's dormitories and of all the sororities on the campus have been invited.

A veritable . . .
snow flurry will envelope dancers at the annual Eastlawn Christmas party Saturday evening in the river room of Iowa Union. The snow decorations will be carried out effectively by snow-men stationed at the door.

Music for the semi-formal party will be by Bill Meardon and his band.

Jeanne Young, A4 of Cedar Rapids, is chairman of the committee. Her assistant is Jeanne Gerbers, A4 of Lincoln, Ia. Other committee

Currier Tea to Honor New Social Director

First in the series of Currier hall Christmas events will be a Christmas tea Sunday afternoon in the south foyer of the dormitory.

The tea is being given to formally introduce Louise Uchtorff, social director of Currier.

The committee consists of Lorraine Weng, A3 of Daggett, Mich., chairman; Jackie Christopherson, U of Springfield, S. D.; Leslee Perkins, A2 of Lockport, Ill.; Martha Jones, A4 of Beardstown, Ill., and Lorraine Loucks, A4 of Pierre, S. D.

Those in the receiving line will be Edith Stuart, A4 of Dubuque, president of Currier; Hazel Swim, head of residence and Miss Uchtorff.

Invitations have been sent to all sorority and fraternity presidents and housemothers, social directors of all dormitories and several faculty members.

To Entertain at Tea
All students from other counties now on the campus will be honored at a tea given by Mrs. Virgil M. Hancher, 102 E. Church, at her home Tuesday afternoon from 4:30 until 6 p.m.

and the cooperative housing units are invited. No tickets will be sold. Committee members are Helen Biddick, A3 of Marion, chairman; Virginia Alm, A1 of Decorah; Kathleen Lawver, A2 of Freeport, Ill.; Janet Blake, A2 of Des Moines; Nancy Thomas, A2 of Beloit, Wis., and Pauline McDowell, A1 of Grinnell.

Bob Stolley . . .
and his Avalon orchestra will play for the annual Alpha Chi Omega Christmas formal at the chapter house tonight from 9 to 12 o'clock.

Chaperons will be Mrs. Cornele Paxton, Mrs. Kathryn M. Barton, Mr. and Mrs. G. M. Hittler and Mr. and Mrs. Milton Cowan.

In charge of the party are Gerry Garner, A3 of Waterloo, chairman; Margery Strain, A4 of Dunkerton; Rosemary Devlin, A4 of Clinton; Dorothy Jean Underwood, A3 of Chrisman, Ill., and Nancy Hackett, A3 of Des Moines.

Christmas . . .
formal will be held tomorrow night from 9 to 12 by the Delta Gamma's in the Fine Arts building. Hal Wiese and his orchestra will play.

Jean Christie, A2 of Belmont, and Frances Hemmingsway, A3 of Webster City, are in charge of arrangements.

Chaperons will be Mr. and Mrs. H. W. Saunders, Mrs. J. H. Jamison, and Mrs. Maye Stump.

Coketails . . .
will be served at the Delta Tau Delta party for fraternity pledges and their guests tonight at 7:30.

Arthur Flint, A1 of Highland Park, Ill.; Raymond Winders, C3 of Marshalltown, and Ralph Staley, A3 of Council Bluffs, are the committee.

Mrs. H. K. Foley will chaperon.

Currier . . .
hall will have a tea dance tomorrow afternoon from 4 to 6 o'clock in the south recreation room of the dormitory.

Crisis Expected to Limit Production at Hospital Brace Shop

Metals Used for Body Supports Are Rated as War Materials

A workman in the brace shop in the basement of the university children's hospital is shown completing one of the light weight braces by attaching the straps and buckles. Because of the various types of metals used in the construction of the appliances, the national defense crisis is expected to have its effect even on this little industry. However, substitutes can be used for non-procurable materials and every effort is being made to keep needed materials in stock. The 12 workers in this industry, directed by F. C. Jacobs, are skilled in the manufacture of all types of body braces, arm and leg appliances and orthopedic correctives.

The national defense crisis is expected to have its effect on the university brace shop just as on other industries, but F. C. Jacobs, head of the appliance shop, said every effort is being made to keep a reasonable stock of materials on hand in order to avoid curtailment of activities.

The brace shop, located in the basement of the university children's hospital is an important adjunct of the orthopedic department and can be considered an industry within itself.

Duraluminum is one of the most widely used metals in the manufacture of braces. Monel, stainless and galvanized steel, leather and celluloid combined with liquid acetone are also used.

Jacobs explained that there are two main kinds of braces, the standard body brace and the string back brace. To these main types are added appliances needed for unusual body disorders: head collars to lighten the spinal load; collars made for neck conditions; leg, arm, hand and finger braces; splints used for treatment of infantile paralysis; and in the shoe de-

partment, orthopedic correctives and built up extensions.

Before the brace maker starts work, a model of the patient's body is first cast in plaster of paris over a layer of stockinette. The hardened covering is then split down one side, removed from the body and the inside shell cast with plaster of paris. When the outer layer is removed the brace maker has a perfect model of the patient's body from which to work.

On this model the brace is fitted, piece by piece. The pieces are then joined together, padding is added, and finally, the buckles and straps are attached.

Braces appear heavy to persons who have not worn them, but in reality they weigh very little. Some of them, Jacobs explained, weigh only a few ounces. All are well padded to insure maximum comfort.

Established in the early years of the children's hospital, which was started in 1919, the brace shop is a project of Dr. Arthur Steindler, head of orthopedic surgery in the university hospitals. The shop

Iowa City Sets Record

Local Red Cross turns yesterday so far as reached in Johnson county by the nation's county exceeded memberships in this county exceeded memberships in any other county in the nation. The increased quota was reached by the Red Cross in Iowa City. The Red Cross in Iowa City has reached the 4,300 membership mark, the highest ever recorded in the state. With three-fourths of the business district yet to be completed, Haskell attributes the record to the fact that drive is being conducted in every corner and more thorough than ever before.

JOIN RED CROSS

Local Red Cross now employs 12 workers, and turns out approximately 5,000 braces a year, including appliances and corrective shoe work.

Iowa City Red Cross Roll Call Sets Record in Johnson County

Drive Totals \$3,500, Membership Exceeds 1941 Campaign Quota

Local Red Cross roll call returns yesterday soared past the \$3,500 mark, the highest total ever reached in Johnson county, according to George D. Haskell, roll call chairman.

With three-fourths of the rural district and over 25 percent of the business district yet to be completed, Haskell attributed the new record to the fact that this year's drive is being conducted on a larger and more thorough basis than ever before.

Returns have been coming in at the rate of \$100 per day, Haskell said, and it seems likely that the 4,300 membership goal set for this year by the national office will be reached.

The 4,300 membership quota for this county exceeds by over 800 memberships any previous total. The increased quota was necessitated by urgent demands for funds caused by the international situation. Similar increases are in effect in every chapter.

As part of its stepped up defense aid program, the local Red Cross organization is inaugurating this year a "Canteen Corps" and a Red Cross volunteer nurse corps, the first units of their kind ever installed by this chapter. A "Motor Corps" is already functioning.

The responsibilities placed upon the Red Cross by the government call for a budgetary requirement for the 1941-42 fiscal year comparable to that of the World War years, which ranged between 18 and 20 million dollars.

In the 12 months ending June 30, 1941, the Red Cross, as the nation's voluntary relief agency, assisted 127,000 men in military service; issued 577,000 first aid certificates; maintained 2,885 emergency first aid stations and 3,959 mobile units, and extended relief to 335,000 individuals in disasters which occurred about once every 40 hours.

The Red Cross supplied 5,000 reserve nurses to the U. S. army; trained 81,000 persons in home nursing, and aided 109,000 families in Red Cross civilian home service.

At present 3,566 chapters are engaged in war relief production. The Johnson county chapter, one of the foremost in the state, has won praise for the large amount of production of war relief supplies turned out since the emergency period began.

Mrs. E. Gartzke Dies After Long Illness

Mrs. Emil F. Gartzke, 71, 1818 Morningside drive, died yesterday at her home following a lingering illness. Funeral arrangements have not been made.

Mrs. Gartzke, who came to Iowa City in 1906, was born June 26, 1870, at Hanover, Germany. She moved with her parents to Milwaukee, Wis., at the age of four.

She is survived by her husband; two daughters, Mrs. W. E. Owen Jr., of Cedar Rapids and Irma Gartzke at home; three sons, George of Milwaukee and Herbert and Fred of Iowa City; one sister, Mrs. Richard Schultz of Milwaukee; one brother, Henry Brewer of Ft. Atkinson, Wis., and 13 grandchildren.

The body is at the Oathout funeral home.

Appointed Executor

Judge Harold D. Evans yesterday appointed William J. Fouché executor without bond of the will of Joseph Fouché, who died Nov. 22.

County Farm Bureau Board of Directors Will Meet Tomorrow

The farm bureau board of directors will hold their regular monthly meeting in the farm bureau office tomorrow evening at 8 o'clock, Byron D. Cogan, president, announced yesterday.

Joe G. Raim, voting director, and Mrs. H. J. Dane, home project chairman, will give reports of the recent state farm bureau convention at Des Moines.

Plans for the farm bureau membership drive which starts Dec. 11 will be discussed as well as annual meeting plans. Monthly bills will be presented.

Hans von Hentig Sees Security for Nations Through Just Peace

"Even more important than the battle of victory will be the battle for a just and lasting peace," were the closing words of Prof. Hans von Hentig, visiting professor in the sociology department, when he spoke on the subject "Peace, As I See It" at the Rotary club luncheon yesterday.

Professor von Hentig, former professor at the University of Bonn in Germany, specified that a new peace, in order to be effective, must have ample security for justice to all nations concerned. However, he said, this seemed improbable "because underlying conditions do not allow a really lasting peace."

He explained this statement by saying that it is difficult to make an adequate peace treaty because the conflicting interests of geographic and economic units lead to a contradiction of principles which must be observed by negotiators in order to have a "just and lasting peace."

"I think a League of Nations immediately after the war could not be possible—but leagues of nations are." If groups of states would organize because of their similarities, yet provide for the different interests of their various nationalities, it would be possible for the world to have, eventually, one league that considered all nationalities, he said.

"The principle which forms a lasting peace cannot be carried out by force alone," the speaker said, and added that this principle must be found by coalition of powers which will consider the needs of all nations.

All Pupils in Johnson County Join Junior Red Cross Drive

Every pupil in Johnson county public and parochial schools has enrolled in the Junior American Red Cross roll call drive, held this year for the first time on a county-wide basis, M. W. Stout, junior roll call manager, announced yesterday.

Drive statistics compiled by Stout show that 5,794 students contributed a total of \$233.19 in the campaign. Of this amount \$126 will be sent to the national office in St. Louis and the remaining \$107.19 will be placed in a local Junior Red Cross fund.

The drive conducted on a group basis, had a minimum donation of \$1 for each 100 high school students and 50 cents for each elementary school room.

According to Edna Shrafel, general Red Cross field representative, living in Iowa City, it is unusual for all schools in a county to enroll 100 per cent. Johnson county has done a splendid job, she said.

Last year the Junior Red Cross roll call was undertaken only by

County License Receipts Pass Last Year's Total By \$169, Says Recorder

Receipts from the sale of hunting, fishing and trapping licenses last month in Johnson county totaled \$852.35, an increase of \$169.10 over the total for the same month last year, R. J. "Dick" Jones, county recorder, announced yesterday.

A sharp increase in the sale of resident hunting licenses contributed to the higher amount. During November, 1940, only 530 of this type permit were sold; last month the total was 662.

Other licenses and the number purchased were: resident fishing, 12; resident hunting and fishing, 30; and resident trapping, 118.

City Council Decides To Contest Suit Filed By U.S. Government

The city council in a special meeting yesterday afternoon unanimously voted to contest the \$36,558 damage suit against the city of Iowa City and at the same time employed William S. Hart, local lawyer, to assist City Atty. Louis Shulman in the case.

First step that the city will take in the contest action will be the filing of an answer denying the city's liability for the amount sought by the government. The answer must be filed in federal district court at Davenport by Dec. 22.

In the suit filed by federal authorities, the government is asking return of the principle of \$28,140, plus interest, which was paid to the city Aug. 31, 1935 under a PWA grant for the construction of a municipal power plant. The project was subsequently abandoned by the city, but no money was returned.

The city contends that the government cannot recover the money because it was an outright grant "with no strings attached."

Iowa Lawyers Receive New Procedure Rules

All lawyers in the state this week received a copy of the new tentative rules of procedure concerning the commencement action, appeal, habeas corpus and pre-trial procedure, a body of rules written in booklet form by the Advisory Committee on Rules of Procedure.

The committee, which was appointed last April 25 by the Iowa Supreme court to draft new rules which would be more satisfactory to everyone in general, was composed of Iowa lawyers who donated their time, receiving only pay for actual expenses incurred in doing so.

Just So There Won't Be Any Misunderstanding—Open Letter to Santa Claus

—On What to Give The Boys in the Army

CAMP CLAIBORNE, La. (Special to The Daily Iowan)—An open letter to Santa Claus (Thru proper military channels).

Dear Santa: I'm not trying to jump the gun, ya' understand—just want to make sure that this year you get my letter in time to do some heavy thinking about it.

Last year, remember I asked for a vacation trip and, on Christmas morning I found a summons from the draft board in my stocking. You were mistaken, in a hurry, or downright spiteful.

I wouldn't be writing this so early but I had a nightmare last night. First time I've had a nightmare since I went to sleep on guard duty and the officer of the day caught me. That nightmare came after I woke up.

Neckties and Sox. But last night I dreamed it was Christmas morning. I looked in my sock (woolen issue) and what did I find? Neckties. And sox. All colors of the rainbow—and also as impractical.

Santa Claus, I don't want any more of neckties this year. Wouldn't it be a pretty sight, now, marching to formal full retreat in full woolen uniform with a blue, green and red necktie neatly tucked in my shirt below the third button. Or imagine the consequences I'd suffer if bunk display on Saturday morning included a pair of plaid sox.

Electric razors? No, Santa Claus, I remember what happened to the fellow in my tent who displayed an electric razor last inspection day. He's peeling potatoes in the kitchen now, and NOT with an electric peeler.

I'm not trying to cause you any trouble, Santa Claus. I don't want you to stay away from my tent in disgust. But I've got some ideas.

"Cigaret Change" Now a pipe for instance, I've never smoked one before, but a tobacco salesman gave me two free samples today. Cigarets are nice, but we can buy them at the canteen here cheaper than you can buy them at the North Pole, what with defense priorities and the like, so you might drop some "cigaret change" in the bottom of the above mentioned sock.

Name Movies For Toy Show

Films for the Christmas toy show, to be held by the Boy Scouts and Wesley student group of the Methodist church at 10 o'clock tomorrow morning in the Varsity theater, were announced yesterday by Owen B. Thiel, scout executive.

Pictures to be shown are "Ride 'Em Cowboy", a western, "Ceiling Hero" and "Chewin' Brewin'", cartoons.

Anyone will be admitted to the show for a toy, which will be taken to the church for repair and painted. The repaired toys will then be given to welfare organizations for distribution at Christmas.

Westminster Choir To Present Concert

The sixth annual Christmas concert of the First Presbyterian church's Westminster choir will be presented at 8 o'clock Sunday evening, Dec. 14, in the church.

Under the direction of Paul G. Preus, the choir consists of 60 voices made up of city residents and university students.

The group gives annual concerts on Christmas and Easter and also takes part in the Sunday morning worship services during the year.

The program at the church will include works by Bach, Handel, Martin Luther, Gault, Clokey and Borntiansky. The choir's annual broadcast will be held at 9 p.m. Monday, Dec. 15, over WSUI.

Jury Awards J. L. Coon \$7,500 Damages From Rieke Motor Truck Lines Owner

Jurors Deliberate 5 Hours, Cut Askings Of Plaintiff \$20,150

After five hours deliberation, a Johnson county district court jury yesterday awarded J. L. Coon \$7,500 damages from W. H. Rieke, Des Moines, owner of the Rieke Motor Transfer lines.

Coon in his original petition asked for \$27,650 judgment for injuries and damages received in an automobile accident near West Liberty Dec. 30, 1940, due to the carelessness and negligence of Harvey Hamman, Rieke company truck driver.

The jury took the case at 11 p.m. following final arguments of attorneys and instructions of the court and returned the verdict at 4 p.m. Judge Harold D. Evans presided at the trial, which opened Monday.

In his original petition, the plaintiff claimed that Hamman child, justice of the peace, yesterday.

In one of the biggest raids in recent years, the agents confiscated 19 slot machines, 23 quarts and 29 pints of whiskey and 2 punch boards from Iowa City, Solon, Coralville and Newport taverns.

Tuesday night's raid was the second in the past month. The other was unsuccessful.

County License Receipts Pass Last Year's Total By \$169, Says Recorder

Receipts from the sale of hunting, fishing and trapping licenses last month in Johnson county totaled \$852.35, an increase of \$169.10 over the total for the same month last year, R. J. "Dick" Jones, county recorder, announced yesterday.

A sharp increase in the sale of resident hunting licenses contributed to the higher amount. During November, 1940, only 530 of this type permit were sold; last month the total was 662.

Other licenses and the number purchased were: resident fishing, 12; resident hunting and fishing, 30; and resident trapping, 118.

City Council Decides To Contest Suit Filed By U.S. Government

The city council in a special meeting yesterday afternoon unanimously voted to contest the \$36,558 damage suit against the city of Iowa City and at the same time employed William S. Hart, local lawyer, to assist City Atty. Louis Shulman in the case.

Passing the Buck

by BILL BUCKLEY

There seems to be some sort of a terrible furor raging on the subject of the treatment accorded Minnesota fans and players on their visit down here last month...

Those Minneapolis scribes, talking on their collective shoulders the duties of the Gopher athletic department, are threatening to drop Iowa from their football schedule in years hence...

There's a lot to be said on the subject, mostly unpleasant, but the big point is, how do you get that way? The reporters said that the Iowa press box was too crowded with persons not of the working press, making it hard to concentrate...

Still on that subject, are the writers trying to imply that the playing of either team on the field is affected in any way by conditions in the press box? They're putting it as one of the foremost points of why Iowa-Minnesota gridiron athletic relationships should be discontinued...

Those writers, without doubt as arrogant a bunch about their teams as can be found on the face of the earth, might not have liked it a bit when some of the state writers rubbed it in about Iowa taking a 6 to 0 lead and later tying it up at 13-all...

Then there was a little question about someone spitting on the Minnesota players as they came down the ramp to the field. There was no official report on this from Minnesota players or coaches, but those sports writers heard about it from somebody, and are they playing it up? We doubt very much if it's true, because Minneapolis seems to be the only place it was verified...

We've seen a bunch of Iowa teams in disastrous seasons in the last 10 years, and we can remember when a bunch of us kids would sit on those same ramps and look down on a team which would invariably go out to plaster our Hawks... We'd see our heroes battered and smashed by a foe, and in helpless, childish rage would attempt to retaliate in our own way...

That isn't offering an excuse for any such alleged action on the part of fans in the stands... We'll admit it wouldn't be the most sportsmanlike thing to do, if it was done. The fact remains, however, that those fans pay money which entitles them to a seat from where they can watch a game between two football teams...

Another point of gripe sprang from the cheers of the Iowa crowd when Helge Pukema, Minnesota guard, was carried off the field after the opening kickoff... For which we have only one thing to say—why can't Minnesota be human enough to realize that Iowa fans, keyed up by a buoyant hope of victory, should be allowed to let off a little unconscious steam when one of that gigantic hoard of Gophers was eliminated from the fray...

Still further, the Minnesota fans vociferously objected to drinking in the stadium... It seems very strange that there should be an objection to this on the very day that the police detailed to watch for disturbances reported it as the quietest day since 1929...

To evaluate these points one by one, then, it seems as if this Minnesota action is nothing more or less than a sneak maneuver by Minneapolis sports writers, who evidently didn't like the coolness with which state writers gave them

City High, Davenport Clash Here Tonight

Wisconsin Defends National Crown

Last Year's Champs Must Find Another England for Success

(First in a series about Iowa's conference opponents.)

Two Western conference championships and one National Intercollegiate title in eight years of varsity coaching at Wisconsin, sums up the coaching record of Harold E. (Bud) Foster, University of Wisconsin varsity basketball coach. Foster is only 35 years old. Last year the Badgers won 20 games and lost 3 during a season which brought them the Big Ten title and the national championship. Wisconsin suffered one loss in Big Ten conference competition, that at the hands of Minnesota, 44-27, in last year's conference race.

14 Lettermen Return Wisconsin has 14 lettermen returning for this year's campaign, including 11 major lettermen and 3 minor award winners.

Sitting on top of the intercollegiate cage world as they are, the Badgers have only two alternatives; they can remain static or they can go down. The first problem Foster has to solve is to find a capable replacement for Gene Englund, last year's captain and center. Of the 1,004 points scored by the Badgers last season, Englund contributed 304, the second best individual total in Western conference competition.

At present Warren Schrage, a senior, has the edge on the job. While he has the size and speed to take care of the job, he is not as rugged as Coach Foster would like. Because of this fact the Badger mentor will probably shift his attack to use the scoring ability of his forwards.

Kotz May Shift Another prospect is Letterman Harlo Scott. Johnny Kotz, second highest scorer on the Badger squad may be shifted from forward to center to fill the gap. The sophomore center candidates lack experience and ability. Besides Englund, veterans Ted Strain and Don Timmerman have been lost via graduation.

Controlled optimism is the key to the basketball situation for Wisconsin in 1941-42. It has the potential guns in some spots, but is weak in ammunition in others. A great deal as to the degree of success to be attained will be told in the opening weeks of the campaign, where it will have to win on the performance of veterans to be close to the top of things. By the second semester it should again be a well-oiled unit. Wisconsin plays five non-conference games before opening its Western conference schedule with Illinois on Jan. 3. Pre-conference games scheduled are with Carroll, Marquette (2), Notre Dame and Dartmouth.

Albert, Reinhard Only Holdovers for Collier's All-America Gridders

NEW YORK (AP)—Frank Albert, Stanford quarterback, and Bob Reinhard, University of California tackle, are the only repeaters on Collier's magazine all-America football team for 1941, which was announced last night. With Albert in the backfield are Bruce Smith of Minnesota and high-scoring Bill Dudley of Virginia, the halfbacks, and Bob Westfall of Michigan, fullback. Chosen at end are John Rokisky of unbeaten and untied Duquesne and Malcolm Kutner of the University of Tulane. Ernie Blandin of Tulane is Reinhard's running mate at tackle, Endicott (Chub) Peabody of Harvard and Bernie Crimmins of Notre Dame, a converted fullback, are the guards, and Vincent T. Bonanis of Detroit is the choice for center.

Whirlaway Leads Nominations LOS ANGELES (AP)—Like About Ben Adem, the name of Whirlaway led all the rest yesterday as a record number of nominations was announced for the richest horse race in the world—the \$100,000 Santa Anita handicap, set for Dec. 12.

Still further, the Minnesota fans vociferously objected to drinking in the stadium... It seems very strange that there should be an objection to this on the very day that the police detailed to watch for disturbances reported it as the quietest day since 1929...

To evaluate these points one by one, then, it seems as if this Minnesota action is nothing more or less than a sneak maneuver by Minneapolis sports writers, who evidently didn't like the coolness with which state writers gave them

THE DAILY IOWAN SPORTS

OTT, TERRY TAKE NEW JOBS

Pictured together at the climax of the 1941 baseball season are New York Giant members Mel Ott (left), who in a surprise move was named playing manager of the club, succeeding Bill Terry (right), who was elevated to the job of general manager. Ott has been playing ball with the Giants for the past 16 years. Terry has been manager since 1932.

Marians Face I.C. of Cedar Rapids Tonight In 1st Game Away From Home This Season

Height Disadvantage Faces Ramblers, But Potent Offense Ready

In its opening game away from home tonight, St. Mary's, for the first time this season, will run up against a serious problem of height when they encounter the Cedar Rapids Immaculate Conception quintet, which averages better than six feet. Coach Francis Suplepp put the Ramblers through a very light drill last night in the final workout before bucking up against the taller opposition. St. Mary's concentrated on offense against a zone defense, and tried to iron out some of the more prominent errors which appeared in Wednesday's conflict with St. Paul's of Burlington.

Beat Marians Twice *St. Mary's bowed to the Immaculate Conception aggregation twice last season, and Suplepp made it clear yesterday that he expected competition from "a mighty tough club" tonight. The Marians can't boast much height in their own ranks, and in previous contests they haven't had to face quintets with more than one or two tall men.

From last year's ranks two outstanding Cedar Rapids cagers, Wilcox at center and Pee at guard, return to the present lineup. George Seemuth, who suffered an ankle injury the first of the week, is fully recovered and will probably be in the starting lineup in place of Bill Sweeney tonight. Seemuth is somewhat handicapped by his lack of height, but is about the most accurate shot on the Rambler squad.

Brack at Howard Hard-driving, high-scoring Tony Brack will pair with Seemuth in the front court. Elsworth Hayden was kept inactive most of the past week because of a severe cold, but tonight he will be ready to compete again. Suplepp was pleased with Bill Villhauer's performance in the game against St. Paul's Wednesday, and believes that with added experience he should develop into a dependable forward.

Co-capt. Eddie Chadek, with his low, tricky dribbling and accurate passing, has demonstrated himself to be the main cog in the Marian offense. If Chadek is as successful tonight in bringing the ball up the court and working it in to the forwards as he has been in other games this season, the hosts will be in for some unexpected bewilderment. Melvin Smith, who has been instrumental in taking a major portion of rebounds on the defensive end of the court, will team with Chadek at guard.

Joe Halsch, probable starter at the center post, is a newcomer this season, but has surprised Coach Suplepp since the start of the season with his reliability and success in snaring rebounds. Don Brogla, stocky reserve guard, has

been improving in great strides, and may get a chance at Immaculate Conception.

Aces Outlast Eagles In Town Loop Opener

Johnson, Edge Lead Way to 34-24 Victory, With Splurge in 4th

In the opening game of the town intramural basketball league, the Aces won a thriller from the Eagles, 34-24.

Led by Dick Johnson and Glen Edge, the Aces proved too powerful for the Eagles, but only after a hard scrap were they able to emerge victorious. The losers threatened throughout the game, and only in the last few minutes dropped out of striking distance. Johnson and Edge each scored nine points to lead the winner's attack. Gerald Eckland tallied nine points, and Don Gelman eight, for the Eagles.

In the cooperative league, Wilson edged out a narrow, 18-16 victory over the Eagles. The score was close throughout the entire game, with Gables leading by one point going into the final period. Howard Elmore and Jerrold Patton led Wilson with four points apiece, and Richard Stein, with eight counters, captured high honors for Gables.

Upper D Wins Upper D defeated Upper A, 32-19, in the closest contest played in the Quadrangle competition. The score was tied at the end of the first and second periods, but the Upper D attack proved too powerful in the final stanza for the Upper A team. Dale Popp and Bob Butler were high men for Upper D with 11 points each, but Harold Elting of Upper A captured high honors for the game as he rang up 15 tallies. Lower D overcame Lower A, 18-13, in a defensive battle. The winners scored eight points in the last period while holding Lower A to three, to gain the victory. Bob Skyles scored nine points to lead the winner's attack, and Herbert Nickelson scored five counters to lead Lower A.

Lower B captured an easy 34-8 decision from the Lower C five. The winners jumped off to an early lead and continued to add to the margin throughout the remainder of the game. Harold Lorenz, Marcus Wolfram and Gordon Schmidt were high scorers for Lower B with 12, 10 and eight points, respectively. W. Wells looked best for the losers.

Ralston Sparks Victory Weston Ralston led Upper C to a 26-8 victory over a fighting Upper B quintet. Ralston sank nine baskets during the game for a total of 18 points, and Upper B could not match his scoring spree. Lewis Derry led Upper B with four points.

In the Hillcrest league, the Second South attack was too much for Third South, and it won a one-sided contest, 36-10. The winners were out class for Third South, and turned the game into a rout. Lloyd Palmer led the winners with 12 points, while John Sanders captured second honors with four baskets. Ed Henke made six of the 10 points scored by Third South.

Second North started slowly, but opened up in the second and third periods to get a 21-10 victory over Fourth. The score was knotted, 7-7, at the close of the first stanza, but Fourth could score only three points during the rest of the game while Second North rolled up a sizeable lead. The scoring was evenly distributed, and no player scored more than four points on either team.

Two Iowa Men Preside Over Big Ten Sessions

Sessions of two Western conference groups of the meeting in Chicago this week end are in charge of University of Iowa men. Prof. Karl Leib, chairman of the Iowa athletic board, is presiding over the Big Ten faculty representatives, as chairman of that group. Pat Boland is heading the meetings of the intramural athletic directors.

Eleven other Iowa athletic staff members are in Chicago, some of them to schedule between 40 and 45 contests in seven spring and winter sports.

Three Frats Dominate All-Star Team

Phi Psi Lands 3, D.U. 2, Beta Theta Pi 1; Men Selected by Opponents

Three members of the championship Phi Psi team, two players from Delta Upsilon, the runner-up, and one player from Beta Theta Pi compose the 1941 all-class A fraternity touch football team. This 1941 team is well-balanced, fast and versatile, composed of some exceptionally outstanding football players.

Basis for selection of this mythical team were the combined all-opponent teams of Phi Kappa Psi, Delta Upsilon, and Delta Chi. Each of these teams was the winner of one of the sections, and consequently a cross-section of their selections represents all the teams which participated this year.

Indians Sell Hemsley; Cubs Trade Leiber For Bowman, Cash

By JUDSON BAILEY JACKSON, Fla. (AP)—The Cincinnati Reds helped themselves and young Lou Boureau of the Cleveland Indians in one swoop yesterday by taking Catcher Rolfe Hemsley out of the American league.

This deal and another by which the New York Giants obtained Outfielder Hank Lieber for Pitcher Bob Bowman and cash came within half a dozen hours of each other and climaxed, if not closed, the major league trading at the minor league meetings.

Big Leagues Depart Some of the big league delegations departed early handed yesterday and left the convention to draw to a weary close today with its accomplishments restricted chiefly to the reorganization of the Giants, some secondary trades and a surprise legislative coup by the chain store systems which sought more freedom in handling of players in the minors.

The Hemsley deal was the most intriguing of the developments, partly because of its implications that the new deal in Cleveland might be cleaning house. It was a straight cash transaction and the money involved was no great sum, although both clubs thought they had benefited.

The little 34-year-old backstop has been a prominent figure in the major leagues for a dozen years, playing in one world series for the National league and a couple of all-star games for the American league.

Hemsley Goes Home During his long career he spent part of the 1933 season at Cincinnati and batted .190. In those days Hemsley was a hard man to handle and though he ultimately settled down to business, limited his beverages to milk and water, and developed into a good hitting, efficient catcher, he still represented a big problem to the 24-year-old youngster who will direct the Indians next year.

Hemsley is a veteran who was playing in the big time when the new Cleveland manager wasn't old enough to be a boy scout and he was one of the players who joined in the rebellion against Manager Oscar Vitt. With Gene Desautels on hand and a fine young prospect named Otto Denning coming up, the deal that sent Hemsley away seemed to improve the prospects for peace and comfort at Cleveland.

McKeechie Happy Manager Bill McKeechie of the Reds was glad to get him because Cincinnati desperately needed a catcher capable of playing regularly for the next year or two and Hemsley will fill this order adequately—even though he

1941 State Champions Favored for Triumph Before Large Crowd

Temporary Bleachers Boost Gym Capacity To 1,300 for Struggle

On the rebound from the recent Muscatine defeat, City high will battle Davenport, last year's state champions, tonight at 8 o'clock before a crowd that has been estimated will be the largest in City high basketball history. The addition of bleachers to the gym has boosted the seating capacity to almost 1,300.

Coach Fran Merten has been drilling his cagers all week against the Davenport zone defense. Coach Paul Moon's team uses a three back, two out zone that has stopped all offensive threats in the past several years. The three back aspect of the zone crowds the middle so that opposing teams can't get close shots and are forced to hammer away from the backcourt. But this type is right up City high's alley, as Ray Sullivan has hit his old stride, and Bill Sangster has been hitting the hoop for a change.

Davenport Favored Davenport's Blue Devils will enter the contest slightly favored, mainly because of their 24 to 21 victory over Muscatine, and the Muskies' 22 to 20 win over the Hawketts. But both wins were on the victor's home court and City high will have the home crowd in its favor tonight.

The Little Hawks will be at full strength for the game with the return of John Thompson to the lineup. The star forward was held out of the Muscatine tilt entirely so his injured ankle would be healed for the Blue Devil contest. Bucky Walter is just about recovered from his back injury and will add plenty to the backcourt scoring chances. Beside these boys, Dave Danner has been scoring heavily in practice and can be counted on to add to the offensive power.

Blue Devils Tall From the team nucleus of eight returning state champs, Coach Moon has selected a starting contingent averaging somewhat over six feet, giving them an edge in height over the City high starting five which averages about five feet, 10 inches.

Jim Hogue, lone major letter-winner who graduates in mid-season, will command the Blue Devil center post. In the front court Coach Moon has slated Bill McGuire and Pee Wee Day. At one guard will be Dick Meier and at the other Jack Spencer. Spencer is the mainstay of the Blue Devil attack and usually scores heavily from the rear of the court.

Coach Herb Cornack's sophomores will open the festivities at 7 o'clock against the Davenport sophs. City high has two wins and one defeat to date, while the Blue Devils have won two.

Probable starting lineups: Iowa City Pos. Davenport Danner McGuire Thompson F. Day Roth C. Hogue Sangster G. Meier Sullivan G. Spencer

makes no distinction. Minors Action to Landis The action of the minors has to come before Landis and the major leagues in their meeting in Chicago next week and no one could guess whether the commissioner, who has vetoed similar efforts of the chains in the past, would approve this time.

5 Faculty Members To Meet With Group Of Conservationists

The University of Iowa will send five representatives to a meeting in Des Moines tomorrow of the upper Mississippi drainage basin committee "D" of the national resources planning board.

Heading the list is Dean Francis M. Dawson of the college of engineering who will speak on the "Importance of Drainage Basin Development."

Lawrence C. Crawford, associate director of the Iowa institute of hydraulic research; Prof. Arthur C. Trowbridge, director of the Iowa geology survey; Thomas W. Robinson, associate engineer in the United States geological survey, and Bertram S. Barnes, hydrologic supervisor of the United States weather bureau, will report on the status of current and proposed investigations and construction programs of federal agencies.

Emphasis will be placed on the progress in hydrologic investigation—stream flow, groundwater and observation wells. Plans for future programs will also be made. The work of the committee is especially important at this time in regard to defense planning.

Co-ed Representative

Judy Weidner, C4 of Iowa City, received word yesterday that she has been chosen a member of the college board of Mademoiselle magazine for the coming year to represent the University of Iowa.

GENERAL NOTICES

(continued from page 2)

in the intramural basketball tournament are asked to contact their house manager or sign on the bulletin board in the women's gym. Three practices must be completed before being eligible to play. Practice will be held Monday, Wednesday and Friday at 4 p.m. and Saturday from 10-12 a.m.

RUTH MAGILL

Christmas Canto:

Christmas is coming,
The geese are getting fat,
Business is getting better,
But what of that?
Too many college boys
And coeds too, we fear,
Are far too broke to make good use
Of the Xmas sales this year.
But this fact needn't worry them
For list to what we tell . . .
"Just search around and find
Things that you think that you could sell.
Then buy a Daily Iowan Want Ad.
They're really very cheap,
And advertise the lot of these . . .
A fortune you will reap.
But hurry up . . . don't wait too long . . .
If you would share the fun,
Collect the stuff, get on the phone,
And dial 4191!"

It's a Game--Balance the Budget and Serve Tasty Meals

Mrs. E. T. Hubbard Suggests Pecan Pie As Favorite Dessert

By CORINNE HAYES
Daily Iowan Food Editor

Let's make a game of it—this trying to balance the budget and at the same time to give the family the kind of meals they enjoy and should have.

An active worker in the nutrition and defense programs of Iowa is Mrs. E. T. Hubbard, 624 S. Grant, our hostess for this week. Mrs. Hubbard stresses economy along with nutritious menus for her family.

"Pecan pie is one of my favorite desserts—when not counting calories," Mrs. Hubbard laughed.

- Pecan Pie**
- 3 eggs slightly beaten
 - 1/2 cup of corn syrup
 - 1/8 teaspoon of salt
 - 1 cup of sugar
 - 3/4 cup of pecan nuts
 - 1 teaspoon of vanilla

Mix together all the ingredients, adding nut meats last. Pour into a 9 inch plate lined with a pie crust. Bake in a hot oven (450 degrees) for 10 minutes, then reduce the heat to 350 and continue baking until a silver knife blade inserted in the center of the filling comes out clean.

For her favorite frozen desert, Strawberry Bachelor Cake, Mrs. Hubbard uses fresh-frozen strawberries from her own locker.

- Strawberry Bachelor Cake**
- 1/2 cup of milk
 - 1 package frozen strawberries or 1 pint of fresh ones
 - 1 cup of whipped cream
- Melt the marshmallows in the milk. Let this cool and add the strawberries and whipped cream. Crush 1/3 pound of butter cookies and put half of them in the bottom of a freezing tray. Pour in the above mixture and cover with cookie crumbs. Freeze fast for the first hour then at a lower temperature. It should not be very hard when served.

Excellent as a variety in the bread line is Mrs. Hubbard's Sour Cream Corn Bread. It goes especially well with a fish dinner.

- Sour Cream Corn Bread**
- 1 cup corn meal
 - 1 cup flour
 - 1/2 teaspoon salt
 - 1/3 cup sugar
 - 1/2 teaspoon salt
 - 1 cup sour cream
 - 2 eggs beaten separately
- Sift dry ingredients 3 times. Add sour cream and beaten egg yolks. Fold in beaten egg whites last. Bake at 350 degrees until brown.

"A quick and easy Salad Dressing for green vegetables is not only convenient in the home, but is handy for picnics," Mrs. Hubbard asserted.

- Salad Dressing**
- 1 tablespoon of mustard
 - 1/2 cup of sugar
 - 1 tablespoon of A-1 sauce
 - 1 finely cut onion
 - 3/4 cup of vinegar
 - 1 cup of salad oil
 - 1 cup of tomato soup
- Salt and paprika to taste. Put the dry ingredients in a quart fruit jar. Add the A-1 sauce, then the soup and other ingredients, rinsing the soup can with the vinegar. Shake vigorously. It will keep in the refrigerator indefinitely.

A good one-dish meal for the whole family is Macini.

Macini

- 1 pound pork, cubed fine and browned slightly
- 1 cup of onions chopped fine
- 1 cup of mushroom soup
- 1/2 pound cooked noodles

Cover the whole mixture with crumbs, buttered, and bake in a casserole slowly for 30 minutes.

With Christmas so near Popcorn Balls seem very appropriate.

- Popcorn Balls**
- 1 cup of sugar
 - 1/3 cup of syrup
 - 1/3 cup of water
 - 3/4 teaspoon of salt
 - 3/4 teaspoon of vanilla
 - 1 tablespoon of butter
- Cook to the hard ball stage and pour over 3 quarts of popped corn. Butter your hands and work fast to make into balls. These may be moulded in star molds, then when "set" wrapped in cellophane and tied with ribbon. These make lovely favors.

"The recipe of which the family never tires," said Mrs. Hubbard.

MUCH TASTING, NO WASTING

... is the policy of Mrs. E. T. Hubbard, 624 S. Grant, state chairman of the nutrition for the Iowa Federation of Women's clubs. Mrs. Hubbard loves to devote her time to planning nutritious as well as appetizing meals for her family.

Good Old-Fashioned Fudge Proves to Be Best Stand-By in Line of Christmas Sweets

Silky-smooth sweets tempt many an eater eye, especially during the Christmas holidays. Good old-fashioned fudge is the best stand-by.

- Chocolate Fudge**
- 2 cups of sugar
 - 1/2 teaspoon of salt
 - 2 squares of bitter chocolate (2 ounces)
 - 1 cup milk
 - 1 tablespoon corn syrup
 - 2 tablespoons of butter
 - 1/2 teaspoon of vanilla
- Cook sugar, finely cut chocolate, syrup and milk slowly until sugar dissolves, then rapidly to soft ball stage (235° F.), stirring constantly. Cool to lukewarm without stirring. Add butter and vanilla. Beat until creamy. Pour into a buttered pan, or knead until soft and plastic and press into buttered pan to 1/2 inch thickness. Cut in squares before fudge hardens.

Here are several new and interesting variations for this Chocolate Fudge if you prefer them.

- Maple Fudge**
- Use 1 cup of sugar and 1 cup of maple sugar in place of the 2 cups of sugar. Omit chocolate and vanilla. Use the corn syrup. Centers of maple fudge dipped in fondant make delicious honey buns.
- Honey Fudge**
- Increase chocolate to 3 squares. When ready to pour into pan, add 1 cup marshmallows cut into bits.

Peanut Butter Fudge

- Add 1/3 cup peanut butter just as fudge has finished cooking.

Fudge Balls

- After fudge is beaten, add chopped nuts and chopped dates, figs or cherries and knead until just blended. Shape about a tablespoon of fudge, shape with the hands into even sized balls. Roll

How to Beat Eggs

Eggs beat up better, giving a finer grain and more delicate texture to dainty cakes, if they are at room temperature. Take the eggs from the refrigerator at least 30 minutes before they are to be used.

Cheese Topped Canapes

Cheese topped canapes take on new interest when they are lightly sprinkled with poppy, celery or caraway seeds. Get the canapes all ready for toasting and then lightly sprinkle with some seeds. Brown and serve hot.

Breakfast Eye-Opener

Chilled pineapple, grape and orange juices in equal portions make a refreshing eye-opener for a fall breakfast. Add a few gratings of lemon rind to each portion just before serving.

Home Happiness Cake

- Take 1 cup of common sense
- 1/2 cup of justice
- 1/4 cups of love, sifted with 1 1/2 teaspoons mutual confidence
- Add 2 large portions sense of humor
- Spice to taste with wit and non-sense

Bake in a moderate oven of warm approval. Ice with generous appreciation.

Traditional Holiday Pies

—Take on Festive Dress

As holiday dinners call for festive dress on traditional favorites, here's your answer. There is "something old, something new" in each of these recipes for the old popular pie flavors of mince, pumpkin, cranberry, cherry and lemon.

What's new about cherry?

A telltale design in the top crust and a dash of cinnamon in the filling.

Blend 1 cup sugar, 1/4 cup flour, 1/4 teaspoon salt and 1/4 teaspoon cinnamon. Combine with 4 cups pitted cherries (or 2 No. 2 cans pitted pie cherries), drained. Place in pastry-lined 9 inch pie pan. Cover with circle of pastry slightly larger than pan. Moisten the edge, folding top pastry over and under edges of bottom pastry. Press together and flute with fingers.

In center of top pastry mark lightly with small paring knife design of bunch of cherries. After baking, little circles marked for cherries may be taken out with small pointed knife.

Bake in hot oven (425 degrees F.) for about 40 minutes or until nicely browned.

What's new about pumpkin?

Nothing, thank goodness, except that something so good is always new. Of course there are ways to vary it—preserved ginger, honey, almond, coconut, whipped cream topping—but there! You'll each use the kind your family was bred to use, anyway.

Some people prefer ginger and some cinnamon as the predominating spice. Here is a good average recipe in which you may increase either or both of these spices if you like.

- Pumpkin Pie**
- 1/2 cup brown sugar
 - 1/2 teaspoon salt
 - 1/2 teaspoon ginger
 - 1/2 teaspoon cloves
 - 1/2 teaspoon nutmeg
 - 1 1/2 cups pumpkin, canned or cooked and drained
 - 1 cup evaporated milk
 - 1/2 cup water
 - 2 beaten eggs
 - 2 tablespoons molasses
- Blend sugar, salt and spices. Combine with pumpkin; add remaining ingredients and mix until smooth.
- Pour into pastry-lined 9 inch pie pan and bake in a hot oven (400 degrees F.) for about 40 minutes or until firm.

What's new about cranberry?

The perfection of a crispness topping and the easily made filling of raw cranberries.

Coarsely chop 4 cups cranberries. Add 1 1/2 cups sugar mixed with 2 tablespoons flour, 2 tablespoons melted butter, 3 tablespoons orange juice and 1 teaspoon rind.

Line a 9 inch pie pan with rich pastry. Trim circular edge 1/4 inch beyond outer rim. Add mixture. Roll out more pastry. Cut in 10 strips 3/4 to 1 inch wide, using fluted cutter if you have one. Weave over top. Trim ends, moisten, press firmly to lower pastry. Then fold extra 1/4 inch of lower pastry smoothly over trimmed ends. Flute by pinching.

Bake in hot oven (425 degrees F.) for about 40 minutes or until well browned.

What's new about lemon chiffon?

A dash of orange flavor, a peaked top of whipped cream and a cereal crumb pie shell.

- 4 eggs
- 1/2 cup sugar
- 1/2 tablespoons orange juice
- 1/2 teaspoon salt
- 1 tablespoon gelatine, unflavored
- 1/2 cup cold water
- 1/2 teaspoon lemon rind, grated
- 1/2 teaspoon orange rind, grated

Place in greased bowl, cover and let rise in a warm place until doubled in bulk. Punch down and let it rise again until doubled. Turn dough onto floured board and roll out until it is barely 1/4 inch thick. Brush lightly with melted butter; fold dough in third

and let it stand 10 minutes. Roll out again until barely 1/4 inch thick, brush again with melted butter and cut with small (1 1/2 inch) biscuit cutter. Pile five rounds on top of each other, and place in edge in greased muffin tins. Let rise until light (about one hour), then bake about 15 minutes in a fairly hot oven, 400 degrees F.

If you desire to store dough in the refrigerator, place it in a large container after having brushed it with butter and folded it in thirds. Cover container with wax paper tied down securely and set it in the refrigerator. Next day, about 2 or 2 1/2 hours before meal-time, roll out dough until 1/4 inch thick, brush with butter, cut with biscuit cutter, and finish as described.

English Muffins (12 or more)

- 1 package fast granular yeast
- 3/4 cup lukewarm water
- 1/2 teaspoon sugar
- 1/2 cup scalded milk
- 1/2 teaspoon salt
- 1/2 cup sugar
- 4 cups sifted flour
- 1 cup cooked or canned pumpkin
- 1 egg, well beaten
- 4 tablespoons melted shortening

Pour the granular yeast into the lukewarm water, add the 1/2 teaspoon sugar, stir and let stand five minutes. Pour the scalded milk into mixing bowl, stir in the salt and the 1/2 cup sugar, and let cool. When milk is lukewarm add the softened yeast and 1 1/2 cups of the sifted flour. Beat smooth. Add the finely-mashed (or sieved) pumpkin, the beaten egg and the melted (not hot) shortening. Add remaining flour, or as much as required to knead into a smooth, but soft dough.

Place in greased bowl, cover and let rise in a warm place until doubled in bulk. Punch down and let it rise again until doubled. Turn dough onto floured board and roll out until it is barely 1/4 inch thick. Brush lightly with melted butter; fold dough in third

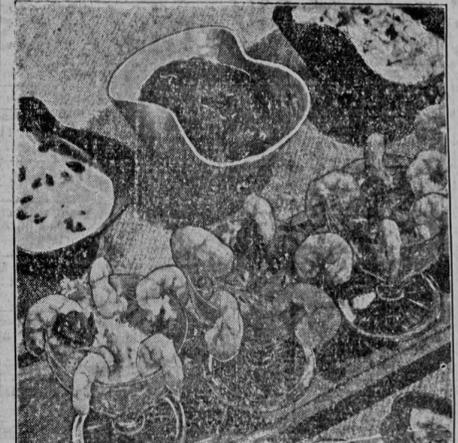

and let it stand 10 minutes. Roll out again until barely 1/4 inch thick, brush again with melted butter and cut with small (1 1/2 inch) biscuit cutter. Cover container with wax paper tied down securely and set it in the refrigerator. Next day, about 2 or 2 1/2 hours before meal-time, roll out dough until 1/4 inch thick, brush with butter, cut with biscuit cutter, and finish as described.

OLD MILL ICE CREAM

12 S. Dubuque

TAKE YOUR CHOICE OF CHOICE SAUCES

It's "all for one and one for all" when you serve shrimp cocktail with three sauces, each keyed to individual tastes.

- Avocado Sauce**
- 1 avocado
 - 1 tablespoon lemon juice
 - Dash of tabasco sauce
 - 1/2 teaspoon salt
 - 1/3 cup mayonnaise
 - 2 tablespoons chopped ripe olives
- Peel and cut avocado in half. Mash with a fork or put it through a coarse strainer. Season with lemon juice, tabasco and salt. Combine with mayonnaise. To serve, sprinkle with chopped ripe olives. Makes 1 cup sauce.

- Spicy Sauce**
- 3/4 cup chili sauce
 - 1 tablespoon horseradish
 - 2 tablespoons finely chopped green pepper
 - 2 tablespoons lemon juice
 - 4 tablespoons finely chopped celery
- Combine all ingredients, then chill. Makes 1 cup sauce.

- Mayonnaise Sauce**
- 2 tablespoons pimiento
 - 2 tablespoons finely chopped green pepper
 - 2 tablespoons tomato catsup
 - 1/2 cup mayonnaise or salad dressing
 - 2 tablespoons finely chopped celery
 - 1/2 teaspoon Worcestershire sauce
 - Dash of cayenne pepper
 - 2 tablespoons lemon juice
- Parsley
- Combine all ingredients with mayonnaise and mix well. Chill. Sprinkle with finely chopped parsley. Makes 1 cup sauce.

and let it stand 10 minutes. Roll out again until barely 1/4 inch thick, brush again with melted butter and cut with small (1 1/2 inch) biscuit cutter. Old Recipes Still Rank As Favorites

Omelettes, Kedgeree Welch Toast, Eggs Make Tasty Snacks

"If stranger be set at table with you—serve to him the best that you have."

From British recipes, old and new, there are tasty breakfast dishes. An old collection of cooking hints of the 80's suggests the symptoms of nicely toasted bread. The bread must not be too fresh. To make toast the "perfect way" butter each golden slice as it is freshly done.

Welsh toast is made of buttered bread, sliced very thinly.

Here is an old English recipe of 1871!

Succulent Omelette

Beat separately the yolks and white of 4 fresh eggs; to the yolks add as much powdered sugar as will sweeten, and a small desert spoonful of corn flour very smoothly blended in a spoonful of milk or cream. Beat the whites to a stiff froth add the flour to the yolks, and gently stir in the whites, taking care to break the froth as little as possible.

Pour the whole into a clean frying pan from which the butter has been drained. Two or three minutes over a clear fire is sufficient to cook the under side. Hold the pan to the fire till the upper side looks firm. Spread raspberry over one half. Turn other side over it and serve at once.

Apple Fritters

Peel and slice crossways 1/4 inch thick some apples. Remove the core and dip them one after the other in the following batter:

- 2 tablespoons of flour
- a little salt
- 1 egg yolk
- 2 tablespoons of melted butter

Moisten the batter by degrees with water, stirring all the while with a spoon, till forming a smooth consistency the thickness of cream. Then beat the white of the egg till firm, mixing it with the batter. It is then ready to fry. Use any fruit as fritters.

Kedgeree

- 1 cup of cooked rice
- 1 cup of flaked fish
- 2 tablespoons of butter
- 1 hard boiled egg
- salt, pepper and chopped parsley

To fish add rice, melted butter and chopped egg white. Serve decorated with egg yolk and parsley.

Scotch Eggs

One hard boiled egg (shelled), 1 link sausage (large) or seasoned ground meat. Form meat into ball, flatten out on a floured board, and wrap the egg in it. Dip in egg and bread crumbs and fry in deep fat until a golden brown and meat is cooked. Serve hot or cold.

To pancakes add a squeeze of lemon when served.

Garlic-Flavored Butter

Garlic-flavored butter makes an interesting spread for fresh bread, served hot, with a green salad, spaghetti dinner or fruit. Rub a bowl with a cut garlic clove and add 6 tablespoons butter. Mix with a fork until soft and creamy and spread over 12 slices white bread. Heat in moderate oven.
