Some Democrats Feel They Were "Kicked in the Teeth"---

**WASHINGTON**

By JACK STERNEN

(Selected articles from the "News of the Hour")

WASHINGTON—The little (capitol) observers were surprised in the opinion that the days of the Democratic party are numbered (or another). It is probably going to have more effect on Mrs. Roosevelt's administration than any legislation since the first session of the 80th Congress, if it passes. The House of Representatives has passed the first bill, and the Senate will probably pass it before the end of the session. The bill would end the system of "fiscal responsibility" in which the government has to submit its annual budget to the House of Representatives before it can be passed. This is one of the key issues in the election campaign, and the Democrats hope to use it to their advantage. They believe that the Republicans have been too willing to cut back on public works and social programs, and that this will cost them dearly in the election. The Republicans, on the other hand, argue that the Democrats have been too willing to increase spending, and that this will lead to inflation. The bill is expected to pass the Senate, and President Roosevelt has indicated that he will sign it if it reaches his desk. The Republicans have already proposed a similar bill, but they have not been able to get it through Congress.

Another spot for an upset, is in the Southern Conference, where the Tennessee Volunteers are favored to upset the mighty team of the South, the University of Georgia. The Volunteers, under the fiery coaching of Ray Nasher, boast a well-balanced team with a strong line and good backs. The Bulldogs, on the other hand, have a weak backfield and a mediocre line. The Volunteers are expected to win by a score of 14-7.

Happy Homecoming to You Too...

Those spuds may need peeling in all parts of the globe but you are with in spirit.

It seems strange that you can't hear our cheers for you but they are on our lips. We are trying to help in a small way by saving our fees, gathering scrap, cutting down on the luxuries and buying bonds. We only wish that we could do more.

Our best homecoming will be the day that we shake your hand after the whistle blows on the Axis defeat.

U.S. Forces Exacting Heavy Toll On Enemy Guadalcanal Troops

WASHINGTON (AP) — American forces, taking a heavy toll on enemy Guadalcanal troops, have repulsed several strong Japanese counterattacks in the land battle for Guadalcanal Island in the Solomon Islands and came perilously close to capturing the airfield.

The Japs attacked again and again, in the face of American gunfire, but with the American forces holding their ground, the Japanese forces were repeatedly pushed back, and there was no evidence of panic and apparently the Japanese forces had fallen, control of the island was in American hands.

In a press conference just held by a group of American officers, a Japanese cooperation in the attack was announced. The Japanese forces were said to have been killed or captured in the attack and the American forces were reported to have captured several Japanese officers.

The American forces were able to hold their ground after the initial attack and, with the retreat of the Japanese forces, the American forces were able to push forward and capture the airfield.
