U. S. Force Hits Austrian Plane Works

Bad Weather Halts 72-Hour Bombing Raid Over Nazi Europe

LONDON (AP)—American 15th air force heavyweights from Italy dealt a thundering blow yesterday at Messerschmitt factories in Wien-Neustadt, Austria, as bad weather forced Liberators and Fortresses from Britain to turn back after a 72-hour succession of big-bomber attacks against German Europe from the west.

American Ninth air force Ma-raders and British Mosquitos from Britain assaulted airfields, rail yards and other targets in France and Belgium during the day, however, and hundreds of American Lightnings, Thunder-bolts and Mustangs made offen-sive sweeps against western Ger-many and Holland.

The Berlin radio broadcast a warning last night that "enemy planes are over northwest, cen-tral and southwest Germany."

German planes caused a one-hour alarm in London and anti-aircraft batteries and searchlights were in action. It was the first alert in the capital since March 31.

It was officially announced that some Liberators and Fly-ing Fortress formations pen-etrated over the continent from Britain but had to return to their bases as the weather closed in. The Germans named Wien-baden and Frankfurt as among the localities the big bombers approached, and said nuisance raiders were over many parts of Europe.

The day's main blow, however, was dealt by the Liberators and Fortresses from Italy, officially described as out "in great strength."

The raiders chose Wiener-Neus-tadt, 21 miles south of Vienna, as their principal target, and also struck at Fischamend Markt and Bad Voslau, three and 15 miles southeast of Vienna. Good results were reported. The Germans said without confirmation that allied bombers also attacked Zagreb, capital of the puppet state of Croa-tia.

There were violent air battles as German fighters rose to de-fend the Wiener-Neustadt Mes-serschmitt plant group, one of the most important remaining in Europe.

About 250 of the medium Ma-raders from Britain yesterday hit the airfields of Coutrai and Cox-yde, Belgium, the railway junc-tion of Saint Ghislain, five miles west of Mons, and various other coastal military installations in France and Belgium. One plane failed to return.

The RAF Mosquitos hit the rail yards at Hirson, France, and loco-motive works at Haine and St. Pierre, Belgium. Thunderbolt fighter-bombers also attacked northern France.

New Offensive?

ARRIVAL of Admiral Thomas C. Hart, former commander-in-chief of the U. S. Asiatic fleet, at Pacific fleet headquarters of Ad-miral Chester W. Nimitz, may mean a new sea offensive against Japan positions in the far Pacific. Admiral Nimitz announced that the primary objective of his vast sea and air forces was to drive straight through to the China coast. Hart is an expert on sub-marine warfare. (International)

Reported Plot to Kill Camacho, Others Being Investigated

MEXICO CITY (AP)—Arrest of 13 persons in connection with an investigation of a reported plot against the lives of President Avila Camacho, his brother, Gen. Maxi-mimo Avila Camach, and former Presidents Plutarco Elias Calles and Lazaro Cardenas was an-nounced by police last night.

The alleged plot, however, was not officially linked with Monday's attempted assassina-tion of the president by Lieut. Antonio de la Loma Rojas, who died yesterday of a bullet wound inflicted by guards when he at-tempted to escape.

Five of those arrested were over 60 years old. Two women were among those held.

Police said several of those ar-rested admitted having partici-pated in the conspiracy but denied that it was linked with Monday's assassination attempt.

Those who confessed said, ac-cording to police, that they were manufacturing bombs to carry out the plot.

A 78-year-old man, oldest of those arrested, was quoted as saying he was induced to join the conspirators by a carpenter and his wife—both among those held—who had talked to him about the high cost of living.

Police said the arrests were made after complaints of mysteri-ous meetings in a carpentry shop had been reported.

'When Allied Troops Enter Rome, My Son Will Rule'—Emanuele

Has No Idea Of Abdicating; Son To Act as Regent

NAPLES (AP)—King Vittorio Emanuele III announced yesterday that he had decided "irrevocably" to withdraw from public life and turn his kingly powers over to his son Umberto "on the day on which the allied troops enter Rome."

The slight, 74-year-old monarch, whose 43-year reign has covered the rise and fall of Fascism in Italy, appointed his tall son "lieu-tenant general of the realm" effec-tive on the uncertain date of the allied entry into the capital. Allied representatives expressed approval of the decision.

When Crown Prince Umberto receives royal powers from his father he will in effect be his father's regent. The king is said to have no idea of abdicating.

The king has been opposed by the leading Italian political parties mainly on the contention that he had been too closely tied up with Fascism, and a few months ago many of these parties had favored abdication in favor of his seven-year-old grandson, the Prince of Naples, under a regency. The political leaders insisted that the 39-year-old Umberto was tarred with the Fascist brush as much as his father.

The king's declaration to his people yesterday, formalizing what he already had indicated he in-tended to do, opened the way for formation soon of a new war gov-ernment by Marshal Pietro Ba-doglio with the participation of at least three and probably all of Italy's six political parties.

The monarch's decision was en-tirely of his own volition, a spokes-man for the government said. The only part the allied governments had in the development was to as-sure the king that they had no ob-jection to his taking the step, it was stated by allied representa-tives.

Yank Airmen Blast Kuriles; Continue Hits

New Delhi Observers Feel Jap Invaders Heading Into Trap

By RAY CRONIN
Associated Press War Editor

A brighter picture of the Asiatic war situation, from the allied viewpoint, developed Wednesday. Observers at New Delhi felt that the Japanese invaders of India might be running into a trap while far to the northeast and east in the Pacific area American airmen again blasted Japan's Kurile islands within about 1,000 miles of Tokyo, and continued their hits against the Carolines and the Marshalls.

There was mounting belief in New Delhi that the Nippon invad-ers, their invasion bases endan-gered from the rear by hard-fight-ing air-borne American, British and Indian troops, might be en-trapped and face eventual exter-mination.

Japanese pressure in the Kohima sector was eased as British and Indian forces officially were an-nounced Wednesday to be coun-ter-attacking. Apparently there was little change around the allied Imphal base, 60 miles southward. A communique said Japanese oc-cupied a hill overlooking Imphal plain from the northeast. Later the invaders suffered heavy casual-ties, presumably as the allies countered.

The air-borne forces were strik-ing Nippon bases near the Indian border, the only supply centers for the Japanese driving against Ko-hima and Imphal. Great secrecy surrounds the operations of the American, British and Indian troops who were hitting from the rear in central Burma along the Chindwin river.

The Tokyo radio claimed terrific fighting was going on 13 miles north of Imphal and said a general attack on the city was imminent.

Soviet Troops Race 46 Miles Over Central Crimean Railway Clearing Entire Kerch Peninsula

Navy Seeks Record Sum

Easter Recess Ends As Congress Surveys Huge Appropriation

WASHINGTON (AP)—Con-gress ended its Easter recess yester-day by setting to work on a record \$32,647,134.336 navy ap-propriation bill intended to give the world's largest navy the punch for final defeat of Japan and Ger-many.

Warned by the men who operate the fleet that the end of the war is not in sight, the house appropri-ations committee acceded to vir-tually every request for funds and sent to the floor for expected un-animous approval the bill boosting to an estimated \$362,000,000 the nation's war outlay since July 1, 1940.

Only a relatively small amount, \$803,685,164, was trimmed by the committee from budget estimates, with the explanation that the purse strings would be kept open to meet any future requirements. That such needs are by no means un-likely was indicated in testimony by James V. Forrestal, undersecr-etary of the navy, who told the committee that the appropriations were preliminary to major opera-tions in both Atlantic and Pacific.

He did not say for the record whether he had in mind the in-vasion of western Europe, but urged that no cuts be made in navy funds "until the middle of this summer." By the end of that 90-day period, he said, the major event he had in mind "will, I think, have occurred."

The new funds, the committee informed the house will help finance a program contemplating ultimate use of 6,523 self-propel-led vessels, 74,925 non-self-prop-elled ships and 19,035 naval planes exclusive of training ships, mines and coast guardmen.

The appropriation cleared the way for continued construction of thousands of landing barges to the shores of fighting men to the care of the enemy, a job which top naval experts said would be no easy one.

"Destruction of the Japanese empire," Admiral Ernest J. King, commander-in-chief of the fleet, told the committee, is the navy's goal, to be accomplished by de-livering "the heaviest attacks of which we are capable, as soon and as often as possible, where it will hurt the most."

Allied Troops Ease Pressure At Kohima

NEW DELHI (AP)—Counter-attacking British and Indian troops have eased Japanese pressure around Kohima in eastern India, it was announced yesterday amid mounting belief that the entire Nipponese force invading India is being caught in a gigantic allied trap and may face eventual extermination.

Allied air-borne forces, swiftly widening their scope of operations in central Burma, were disclosed to be slashing from the rear at Japanese invasion bases along the Chindwin river near the Indian border, the only sources of food and other supplies for Japanese jungle troops now investing the allied Indian bases of Imphal and Kohima and threatening the Bengal-Assam railroad.

The effects of these operations by the allied "Chindits," which in-clude American, British and In-dian troops, probably will not be announced for some time, as they are held in the greatest possible secrecy to mystify the Japanese.

The manner in which the enemy has sent his forces recklessly into India, more or less "orphaning" them, suggests that the entire op-eration was a gamble by Tokyo on a throw-away basis—an effort to delay allied operations in Burma at whatever cost.

Fighters Near Sevastopol

Germans, Romanians Withdraw Hurriedly Toward Naval Base

LONDON (AP)—The Red army in its swift offensive to recapture the Crimea has raced 46 miles down the central Cri-mean railway in a single day to within 13 miles of Simferopol and only 46 miles from the great naval base of Sevastopol, and has cleared the entire Kerch peninsula of the enemy, Mos-cow announced yesterday.

The speed of the Soviet ad-vance indicated the German and Romanian forces on the Crimea were withdrawing swiftly toward Sevastopol, perhaps to attempt to duplicate there the historic de-fense which the Russians made under siege earlier in the war.

Russian forces on the mainland, demonstrating their surging power to maintain multiple offensives, seized by storm the Ukraine city of Tiraspol, 53 miles northwest of Odessa, pushed deeper towards the north Romanian oil fields with the capture of Falticeni, hastened the encirclement maneuver against Chisinau in Bessarabia, and squeezed the Skala pocket on the first Ukraine front to a ragged remnant of 10,000 Germans.

From April 1 to 10 the Germans west of Skala lost 26,000 dead and 6,988 captured, while Russian booty included 187 tanks and self-propelled guns, declared the So-viet night communique, recorded by the Soviet monitor.

The whirlwind campaign to free the Crimea, which the Germans and Romanians have held since September, 1941, consisted of a thrust from the east after an am-phibious landing at Kerch, and two drives from the north.

Gen. Feodor I. Tolbukhin, in charge of both northern drives, freed more than 150 towns yester-day in his rapid strides toward the big central Crimean city of Sim-feropol, including the large rail-way towns of Kurman Melmelch, Bilyuk Onlar and Karacha Kandil. The last is less than 13 miles north of Sevastopol, the greatest of Cri-mean prizes.

The whirlwind campaign to free the Crimea, which the Germans and Romanians have held since September, 1941, consisted of a thrust from the east after an am-phibious landing at Kerch, and two drives from the north.

Gen. Feodor I. Tolbukhin, in charge of both northern drives, freed more than 150 towns yester-day in his rapid strides toward the big central Crimean city of Sim-feropol, including the large rail-way towns of Kurman Melmelch, Bilyuk Onlar and Karacha Kandil. The last is less than 13 miles north of Sevastopol, the greatest of Cri-mean prizes.

Keep Bread Wagon Rolling

Our legislators can pass laws providing subsidies, farm relief, price ceilings, production control, etc., to hold down food costs. They can provide rationing, red, white and blue food stamps, and plastic tokens. But what makes them all work? The grocery store.

Only so long as the grocery store can make enough profit to stay in business, will the farmers and the food processors be able to keep their wheels turning smoothly.

When some bright boy in the Washington law factory cracks down on the grocer, he cracks down hardest on the producer and the consumer.

Retail distribution has been brought to a high state of perfection under the mass distribution technique of the chain stores, and that technique has been adopted almost bodily by the independents.

Modern mass retailers of food might well be called the ball bearings in the nation's bread wagon. Regulators can easily ruin the bearings with faulty lubricants (rules and regulations), thereby causing a wastage of food on farms and in warehouses, by preventing retail distribution to consumers.

Myth Shattered

Facile-tongued extremists have long claimed that a popular demand exists for government-dominated medical care.

MEN BEHIND THE GUN

News Behind the News

No One Can Adequately Explain 'Willkie' Surprise

WASHINGTON — The Dewey people suspected in advance Mr. Willkie might get as many as 20 delegates in Wisconsin.

The Republican leaders here conceded their "bad boy" generally from 10 to 14. Even the Bricker groups, (with the best line on the result) figured at least two delegates, probably four.

When Willkie got none and ran fourth behind Dewey, Stassen and MacArthur, who were not even running, the surprise was a little more than anyone could adequately explain.

Comments of the leaders here naturally were mostly jibes at this most ignominious defeat of modern political history. Inasmuch as Willkie claimed he was a candidate of the people against the bosses, the common rejoinder now is that he apparently has more bosses for him than people.

The slogan, "Who Wants Willkie?" generally went unanswered. Without plausible objection, also, the withering score of the Dewey victory, followed by Willkie's withdrawal from the race, was accepted everywhere on high as meaning Dewey will be nominated, without any dangerous intra-party struggle, on the first or second ballot.

But the complete sinking of a popular national figure needs more explanation than this. True, his personal popularity had been impaired by his utterances and tactics. His remark, only half explained, that one of his 1940 utterances was only "campaign oratory" obviously discouraged some support.

More important perhaps, he refused to support whoever is to be nominated by his own party, and his whole method suggested he was at least equally strong against his Republican opponents as against Roosevelt, if not more so.

Opinion

On and Off Campus

QUESTION: WHAT STEPS DO YOU THINK THE UNITED STATES SHOULD TAKE TO BETTER PAN-AMERICAN RELATIONS IN THE WAR AND POST-WAR PERIOD?

Pvt. Robert Voteler, M3 of Fenton: "Abolish tariff or have them equal so there can be a mutual interchange of products peculiar to each country, attempt to eliminate industrial concerns which are exploiting those countries and let them run their own political affairs."

Marcus Young, A1 of North Liberty: "I think the United States should stop showing money down the throats of the Latin Americans. They resent our attitude of superiority. Instead of acting overbearing, 'carrying the white man's burden,' we should help them to help themselves."

Patricia Short, A1 of Des Moines: "Our first step in improving relations with Latin America in the post-war world should be learning to understand the people. Knowledge of their culture and language would be an invaluable aid in our relations with them."

Florence Prybil, A3 of Iowa City: "Continue the good will policy, but keep a stronger diplomatic connection with them. We should make Latin America feel she is equal in determining post-war policies."

Patricia Watson, A4 of Council Bluffs: "The first step in the solution of any problem is to create an awareness of that problem. One way for the students of SUI to locate the problem is for them to become better acquainted with the Pan-American students enrolled in the university. An opportunity to do this is provided in such organizations as the Pan-American league and the Cosmopolitan club."

Charles Aquilina, G of Iowa City: "We should attempt to understand the cultural stratification of Pan-American nations and treat each nation individually. When we understand their problems and outlooks, we will then be well on the road to understanding our own relationship on an international level."

Hollywood Sights and Sounds

Epics of Early Days of Christianity About to Hit Screen

HOLLYWOOD—It will probably be no contest, but none the less interesting, when two epics of the early days of Christianity hit the screen.

One is Cecil B. DeMille's 12-year-old "Sign of the Cross." The other is the Frank Ross production of the Lloyd C. Douglas best-seller, "The Robe." Still a third might have been in the running, but plans for "Quo Vadis" are, at least temporarily, in a lull.

If DeMille and Ross were in a race to be the first to bring you the pagan world under the impact of the new religion, DeMille would win hands down. Since he finished "Dr. Wassell" C. B. has been busy refurbishing his 1932 film for 1944 re-issue. Ross is still preparing the screenplay of "The Robe," and can't begin anyway until his director, Mervyn LeRoy, finishes "Thirty Seconds Over Tokyo."

"Sign of the Cross," DeMille figures, was released originally at the worst possible time—in the depths of a depression that hit box-offices over the country. It's different now, with almost any picture making money, and "The Song of Bernadette" and "The Robe" indicating that spiritual themes are popular. Rome, besides is back in the headlines, and the cast is till strong: Charles Laughton as Nero, Fredric March (practically a juvenile then), and Claudette Colbert, taking a milk bath in one of DeMille's most lavish marble tubs—and real milk they used, too, its being plentiful and cheap then. The heroine was Elissa Landi, who has not been active in films lately.

It's a safe bet that part of the "refurbishing" job on "Sign" has to do with making it conform to today's movie code. Not that, a dozen years later, I can recall anything in particular that would have to be snipped. It's just that pictures of that vintage, viewed in the light of today's code, got by with things to make the censors scream.

Today in a studio projection room I took another look at "A Farewell to Arms," also 1932, starring Helen Hayes and Gary Cooper. It was still a moving film, far from dated in technique, with Frank Borzage's direction strong, imaginative and pointed, and Miss Hayes so appealing it seemed a cause for fresh regret she left the screen. Cooper was just a handsome lad then, taking direction earnestly but without his present happy talent for "naturalness."

But you won't be seeing "A Farewell to Arms" again soon. Its morals, by the code, are firgthful, and its dialogue seldom called a spade an agricultural implement.

OFFICIAL DAILY BULLETIN

Items in the UNIVERSITY CALENDAR are scheduled in the President's Office, Old Capitol. Items for the GENERAL NOTICES are deposited with the campus editor of The Daily Iowan or may be placed in the box provided for their deposit in the office of The Daily Iowan. GENERAL NOTICES must be at The Daily Iowan by 4:30 p. m. the day preceding first publication; notices will NOT be accepted by telephone, and must be TYPED OR LEGIBLY WRITTEN and SIGNED by a responsible person.

Vol. XXI, No. 1826 Thursday, April 13, 1944

UNIVERSITY CALENDAR

- Thursday, April 13
10 a. m. Hospital library (potluck luncheon), University club.
2 p. m. Kensington, University club.
8 p. m. University play: "Mr. Pim Passes By," University theater.
8 p. m. University Film society movie (in French) "Escape from Yesterday," Art auditorium (Admission by season ticket only).
Friday, April 14
5 p. m. Phi Beta Kappa, senate chamber, Old Capitol.
4:15 p. m. The Reading Hour, University Theater lounge.
8 p. m. University play: "Mr. Pim Passes By," University theater.
Saturday, April 15
12:15 p. m. American Association of University Women, University club rooms; address by Professor C. Addison Hickman, on "The Economic Reconstruction of the Post-war World."
8 p. m. Illustrated lecture by Dr. L. R. Laudon, "Exploration of the Arctic," under auspices of the Iowa Mountaineers, Chemistry auditorium.
Monday, April 17
8 p. m. A.A.U.P. Chapter meeting, Triangle club rooms; election of officers—Report on development of pension plan.
Sunday, April 16
3-5 p. m. Open house for graduating class, President's Home, 102 Church street.
Tuesday, April 18
7:30 p. m. Iowa Mountaineers, 223 engineering building; moving pictures: "Easter in the Holy Land," "Wild Elephant Roundup," "Four Barriers," "Call of the Wilderness," "Father Hubbard," "Adventures Among Glaciers."
7:30 p. m. White Elephant bridge party, University club.
Wednesday, April 19
8 p. m. Chamber music, University String Quartet, Iowa University.
Thursday, April 20
9 p. m. Spring formal, Triangle club.
Friday, April 21

Saturday, April 22
12 M. Second semester closes in colleges of commerce, education, engineering, graduate, law, liberal arts and pharmacy.
Sunday, April 23
1:45 p. m. University Convocation, Iowa University.
Monday, April 24
8 a. m. Summer semester opens.

(For information regarding dates beyond this schedule, see reservations in the office of the President, Old Capitol.)

GENERAL NOTICES

IOWA UNION MUSIC ROOM SCHEDULE
Monday—11 to 3 and 4 to 8.
Tuesday—11 to 2 and 4 to 8.
Wednesday—11 to 3 and 4 to 8.
Thursday—11 to 2 and 4 to 8.
Friday—11 to 3 and 4 to 8.
Saturday—11 to 3.
Sunday—11 to 6 and 7 to 8.

NURSING APPLICATION
Women students interested in entering the school of nursing will enter the class which begins June 12, 1944, should call at the office of the registrar immediately to secure an application blank. Completed applications should be returned to the registrar's office as soon as possible.

DEGREE CANDIDATES
All students who expect to receive a degree or certificate at the April 23 convocation should make formal application at once at the office of the registrar, room 1, University hall.

PHI SIGMA PHI
Theta Sigma Phi will hold initiation Friday, April 14, at 7 p. m. DOROTHY KLEIN, President.

PHI BETA KAPPA
Phi Beta Kappa initiation services will be held at 5 p. m. Friday, April 14, in the senate chamber of Old Capitol.

UNIVERSITY FILM SOCIETY
A French film, "Escape from Yesterday," will be shown to the general public in the art auditorium Thursday, April 13, at 4 p. m. by the University Film society. Admission will be 30 cents. The film will be presented Thursday night at 8 for holders of season tickets only.

PAN AMERICAN CLUB
The last meeting of the Pan American club will be held Thursday, April 13, at 7:30 p. m. in room 221A, Schaeffer hall. Officers for next year will be elected.

THE BOOK PARADE
By JOHN SELBY
"The Step Ascent," by Anne Morrow Lindbergh (Harcourt, Brace; \$2).
Anne Morrow Lindbergh's last book was "The Wave of the Future," and it was considered Fascist propaganda by some reviewers. Now comes the publication of "The Step Ascent," but unless the curious cross-currents of American passions take hold and the former attractiveness of the Lindbergh name asserts itself, as it may nothing much will happen.

STATIONERY FOR ORIENTATION LEADERS
Freshman orientation leaders and assistants should obtain their stationery at the U. W. A. desk in Old Capitol immediately.

SANXAY PRIZE
The Sanxay prize of \$500 is to be awarded soon to the student of the senior class who gives the highest promise of achievement for graduate work for the year 1945-46. For information call at the graduate office or see the graduate college catalog, page 24.

COMMEMORATION INVITATIONS
Candidates for degrees at the April 23 convocation who have placed orders for invitations may receive them now by presenting their receipts at the Alumni office in Old Capitol.

SWAINE SCHOLARSHIP
The Swaine scholarship for a year of graduate study at Harvard will be awarded soon by the graduate council. Students interested should apply to the heads of their departments. Further information can be obtained at the graduate office.

SPECIAL INTERVIEW

Dr. Guillermo Garcia de Paredes, director of public health in Panama and head of the medical division of the Junta Cooperativa de Educacion de Panama, will be interviewed this afternoon at 2:15 on station WSUI by Miriam Patterson of the WSUI staff. Dr. Paredes is spending several days in Iowa City interviewing Panamanian students who are interested in the study of medicine. He will discuss the problems of finding medical colleges where they may enroll and also their pre-medical work.

IOWA WESLEYAN HOUR

Mrs. Geraldine Mars Ristine of the Iowa Wesleyan college music department will present a piano recital by her piano students this afternoon at 5:15 on the WSUI Wesleyan Chapel Hour.

NAVY PRE-FLIGHT BAND

A half-hour radio concert by the Iowa Navy Pre-Flight school band featuring "Snow White Overture" (Erik Leiden) will be broadcast over WSUI tonight at 8 o'clock. Other songs to be heard include "Robin Hood Suite" (Curzon); "Flight of the Bumble Bee" (Rimsky-Korsakov); "Dance of the Boys" (Gjere); "Arkansas Traveler" (Guion); "Colonel Bogey" (Alford) and "Ponderosa" (King).

IOWA STATE MEDICAL SOCIETY

"Obesity," a script written by Dr. James E. Whitmore of Sumner, will be read by Dick Baxter of the WSUI staff this morning at 9 o'clock on the Iowa State Medical society program.

ONE MAN'S OPINION

"A Major Fallacy in Our Thinking" will be discussed by W. Earl Hall, managing editor of the Mason City Globe-Gazette, tonight at 7:45 on WSUI's editorial page of the air, One Man's Opinion.

DINAH SHORE

Two of America's greatest singers get together on one program when Lawrence Tibbett, famed opera star, appears as a guest on Dinah Shore's program over WMT and WBBM tonight at 8:30.

JOAN DAVIS

Edward Everett Horton, claiming he has a Utopian system for making life easy for servicemen, will lead Joan Davis into a new batch of trouble when she and her gang entertain men stationed at the Manhattan Beach Coast Guard training center tonight at 8:30 over stations WHO and WMAQ.

MARCH OF TIME

Nelson A. Rockefeller, coordinator of Inter-American affairs, will be a guest speaker on the March of Time tonight at 9:30 over stations WHO and WMAQ in observance of Pan-American day tomorrow.

TALENTED

Thousands aspire to radio stardom, but only a few, like Joan Brooks, reach the pinnacle... and the CBS 5-times-weekly songstress made the grade by sheer talent. That is the observation of Kyle Crichton Collier.

ABBOTT AND COSTELLO

George Brent will be a visitor to the Abbott and Costello show tonight at 9 o'clock over WHO and WMAQ.

DALE CARNEGIE

Dale Carnegie officially recognizes the 1944 baseball season, when he profiles the diamond's venerable Connie Mack, for 44 years manager of the Philadelphia A's, tonight at 9:15 over station WGN.

You're Telling Me!

Dude ranch, says a headline, is hard hit by horseshoe shortage. Zadok Dumkopf suggests they might keep the paying guests by temporarily installing a merry-go-round.

The dandelion, according to Factographs, is one of the toughest of weeds. How come, then, it's so yellow?

A Texas bandit cracks jokes while robbing folks. Must be an ex-vaudevillian who can't get over the desire to leave the "customers" laughing.

It must be tough on housewives living in the neighborhood of Mt. Vesuvius where the soot goes down the chimney instead of up.

The Nazis, we read, are planning a mobile capital. Might be a good idea if there was only a safe place to take it.

A new device locates schools of sardines. Grandpappy Jenkins surmises that it must make a noise like a recess bell.

A Philadelphia zoo kangaroo has given birth to twins. With only one pouch the kangaroo mother faces a really tough housing problem.

A citizen told police he found a half-million red ration points in a paper bag on a street. What is this—the modern version of manna from heaven?

Recognition Day In Speech Department Planned Tomorrow

Recognition day in the speech department will be held tomorrow afternoon at 4 o'clock in room 7, Schaeffer hall, when results in debate and discussion activities of the year will be announced by Prof. A. Craig Baird, director of debate.

Special mention will be given to those students who qualified as speaker cadets, student associates and student directors in the Association of Forensic Speakers for Victory program.

The Lowden prize, a \$50 award endowed by Frank O. Lowden, will be given to students who distinguished themselves in inter-collegiate debating.

Outstanding discussion and debate participants who have been elected to Delta Sigma Rho, honorary forensic fraternity, for 1944 will be announced.

Certificates will be awarded to the winners of the inter-American affairs contest and recognition will be given to the winner of the Northern Oratorical league contest.

Rebekahs Will Hold 8 O'Clock Meeting

A business meeting of Rebekah Lodge No. 416 will take place tonight at 8 o'clock in the Odd Fellows hall.

TRIANGLE CLUB

A formal spring dinner-dance will be held by the Triangle club this evening in the Triangle club ballroom at 7:30. Dancing will begin at 9 o'clock.

CHAPTER E OF P. E. O.

Mrs. P. W. Richardson, 116 Golfview avenue, will entertain members of Chapter E of P. E. O. tomorrow afternoon at 2:30. Mrs. S. D. Gratke is in charge of the program.

NATHANIEL FELLOWS CHAPTER OF D. A. R.

A potluck supper will be held for members of Nathaniel Fellows chapter of D. A. R. at 6:30 tomorrow evening at the home of Gertrude S. Dennis, 412 N. Clinton street. Mrs. Ross Rayner will assist Miss Dennis as co-hostess.

Those attending are asked to bring table service and a covered dish. The meat dish will be provided.

Prof. H. A. Mattill of the chemistry department will present slides and a talk on the Scandinavian countries. This lecture will be the last in the series "Understanding Our Allies."

ROOSEVELT P. T. A.

Election of officers will take place at the business meeting of Roosevelt P. T. A. tomorrow night at 7:30 in the school. As the highlight of the program which follows, Mayor Wilber Teeters will speak on "Character Education in Times Like These," and awards will be presented to Iowa City Boy Scouts. Mrs. Scott Reger is in charge of the program and Mrs. Edward Bryan heads the social committee. Refreshments will be served.

WOMEN'S CLUB, MUSIC DEPARTMENT

An all day meeting of the members of the music department of the Women's club will begin tomorrow morning at 10:30 in the clubrooms of the Community building, with Red Cross sewing as the project. A "sack-lunch" will be held at noon and coffee will be served. Mrs. Carl Krings, war service chairman of the music department, is in charge. All Women's club members are invited to attend.

Ordnance Plant Needs Men, Women Urgently

Men and women are urgently needed to perform vital war work at the Sioux ordnance depot in Sidney, Neb., according to a civil service announcement.

Munitions handlers, storekeepers, carpenters, checkers, stenographers, clerks and typists will receive transportation to the ordnance plant by the war department. If the persons selected wish to drive their own cars, they will be reimbursed on a mileage basis. Housing facilities are available.

For further information, applicants may see Nellie Verdin, local civil service agent, at the United States employment service office in the Community building. Persons now engaged at their highest skills in war work should not apply.

Republican Women Formulate Resolutions

A meeting of the Republican Women's club was held in the public library last night to formulate resolutions to send to Harrison Spangler, national chairman. The formulations have been asked by party officials from all Republican clubs and groups for forming the party planks.

Mrs. H. J. Mayer is president of the local organization.

MARIE ANN QUEENSLAND ENGAGED

MR. AND MRS. CARL QUEENSLAND of Jewell announce the engagement of their daughter, Marie Ann, to John C. Latimer, son of Mr. and Mrs. O. P. Latimer of Red Oak. No date has been set for the wedding. Miss Queensland is a junior in the college of commerce and is affiliated with Phi Gamma Nu, honorary commerce fraternity. Mr. Latimer was formerly a senior at the University of Iowa in the college of engineering and is now in officers' candidate school in Ft. Belvoir, Va.

11 University Graduates, Former Students Announce Recent Engagements, Weddings

Word has been received of the recent engagements and marriages of 11 graduates and former students of the University of Iowa.

McKee-Phillips
Before an altar banked with white flowers, Joan McKee, daughter of Mr. and Mrs. Byron L. McKee of Muscatine, became the bride of Pvt. Robert Frank Phillips, son of Dr. and Mrs. C. P. Phillips, also of Muscatine, April 4 in the Trinity Episcopal church in Muscatine. The Rev. Stanley M. Fullwood officiated.

The bride attended the University of Iowa, where she was affiliated with Gamma Phi Beta sorority.

Private Phillips also attended the University of Iowa, where he was a member of Sigma Chi fraternity. He was graduated April 1 from the army school of roentgenology in Memphis, Tenn.

Matsell-Ringstrom
Word has been received of the marriage of Elsie Frieda Matsell, daughter of Mr. and Mrs. Frederick Matsell of Hadleigh, Essex, England, to Capt. Norman H. Ringstrom, son of Mr. and Mrs. N. H. Ringstrom of Davenport, Feb. 12, in Hadleigh.

The bride, who formerly lived in Canada, is now a radio technician in England.

Captain Ringstrom attended St. Ambrose college in Davenport and the University of Iowa. He received his commission as a statistical officer in the army air forces at Harvard university in Cambridge Mass. He is now serving on the headquarters staff for a combat bomb wing in England.

Roehm-Kerns
In the First Presbyterian church at Davenport, Zoe Roehm, daughter of Mrs. Orva Roehm of Washington, Ill., became the bride of Lieut. John C. Kerns, son of Mr. and Mrs. A. H. Kerns of Davenport, April 2. The Rev. Alfred S. Nickless officiated.

The bride was graduated from Washington high school and has been employed as secretary to the director of flying at Roswell, N. M.

Lieutenant Kerns is a graduate of Davenport high school and attended St. Ambrose college in Davenport and the University of Iowa. He has served as instructor at Roswell and is now stationed as instructor in the army air corps at Boca Raton, Fla.

Sherman-Friedman
Mr. and Mrs. Sam Sherman of Albia have announced the engagement and approaching marriage of their daughter, Ethel, to Capt. Morrey J. Friedman, son of Mr. and Mrs. William Friedman of Des Moines. The wedding will take place April 23.

Miss Sherman was graduated from the University of Iowa, where she majored in dietetics.

Captain Friedman recently returned from service overseas and is now stationed at Romulus air field in Romulus, Mich.

Glandling-Neumann
Word has been received of the marriage of Evelyn Beryl Glandling, daughter of Mr. and Mrs. T. Jennings Glandling of Atlantic City, N. J., to Pvt. Arthur R. Neumann, son of Dr. and Mrs. G. J. Neumann of Waverly, March 11 in St. Andrews Lutheran church at Atlantic City.

Mrs. Neumann was graduated from Atlantic City high school and is now engaged in secretarial work there.

Private Neumann was graduated from Wartburg college in Waverly and received his M.A. degree from the University of Iowa. Prior to his entrance into the service, he taught at Red Oak junior college. Until recently he served as instructor in the school for illiterate at Keesler field, Miss., and has now been reassigned as recreational director.

Blake-Steele
Before an altar decorated with calla lilies and pedestals of candelabra, Anna Lolita Blake, daughter of Mr. and Mrs. W. R. Blake of Clermont, became the bride of Lieut. (j. g.) Robert W. Steele, son of Mr. and Mrs. H. S. Steele of Elgin, April 5 in the Clermont Presbyterian church. The Rev. J. C. Warton officiated.

Mrs. Steele attended Upper Iowa university in Fayette and was graduated from the University of Iowa. She taught in Perry and Dysart prior to her marriage. Lieutenant Steele also attended Upper Iowa university and was graduated from Iowa State college at Ames. He was power engineer for the Interstate Power company before receiving his naval commission. He recently returned from 18 months duty in Australia.

Oswald-Porter
In a double ring ceremony, Marie Oswald of Chicago became the bride of W. Graham Porter,

MISS VERDINE TO MARRY

MRS. J. H. VERDIN, 706 E. College street, announces the engagement and approaching marriage of her daughter, Ann, to Rex H. Whitworth, son of Mr. and Mrs. Harry Whitworth of Bramhall, England. The ceremony will be performed in the St. Wenceslaus church the latter part of this month. Miss Verdine was graduated from Abraham Lincoln high school in Council Bluffs and is a senior in the college of liberal arts at the University of Iowa, where she is a member of Delta Gamma sorority. Mr. Whitworth was graduated from Cambridge university in England and is a senior in the college of medicine at the University of Iowa. He is affiliated with Nu Sigma Nu medical fraternity.

Former Students— Serving the Nation —Former Iowa Citizens

Lieut. (j.g.) John F. K. Siekman, U.S.N.R., of Dubuque, has completed his training and has reported to the United States naval armed guard center in New Orleans, La., for assignment to duty as commander of a navy gun crew on a merchant ship. The armed guard officer, who received his master's degree from the University of Iowa in 1942, served as a pharmacist's mate first class prior to receiving his commission. He was active in basketball and track in college. His wife, Marian, resides at their home in Dubuque.

Now at Keesler field, Biloxi, Miss., is Pvt. Paul Burton Spencer, son of Mr. and Mrs. George P. Spencer, 114 E. Benton street. He is undergoing army processing to determine his qualifications as a pre-aviation cadet.

Maj. Wesley A. Smith of Oklahoma City, Okla., who received his law degree from the University of Iowa, is now stationed at the army air force training command's basic training center at Greensboro, N. C., where he is assigned as assistant judge advocate. Major Smith practiced law before entering the army in May, 1942. His wife and their two children reside in High Point, N. C.

Three former university students were recently graduated from southwestern advanced flying schools of the army air corps and received their commissions and silver wings. Lieut. Kenneth D. Taylor of Springville, who attended the university from 1938-39, was graduated as a bomber pilot from Frederick field, Okla.

Lieut. Richard Rasmussen of Forest City, who attended the university in 1941-42, was graduated as a bomber pilot from Altus field, Okla. Lieut. Robert A. Kelly of Boone, who was a student at the university in 1942-43, was graduated as a fighter pilot from Eagles Pass field in Texas. All are now ready for active duty.

Lieut. Herbert L. Wormhoudt of Pella, a former Alpha Kappa Kappa at the University of Iowa, was transferred to surgical service at Borden General hospital, Chickasha, Okla., recently. He was previously stationed at the medical officers school at Camp Barkley, Tex.

LaVerne R. Grosskopf of Davenport, who was graduated from the university in mechanical engineering, class of 1941, recently completed his training as a technical officer in aircraft maintenance engineering at Yale university, and received his commission in the army air forces.

Robert S. Waples, who was graduated from the University of Iowa in 1939 with a major in economics, has entered the army air forces training command school at Yale university for aviation cadet training in communications. Upon completing this course he will be commissioned a second lieutenant and assigned to active duty with the air forces. Cadet Waples was a member of Phi Kappa Psi fraternity, Phi Beta Kappa fraternity, AFI, and Order of Artus. He also earned a major letter in track.

A former university student, Capt. Richard J. Anton of Ft. Madison, recently returned to the United States after flying 80 missions over north Africa as an A-36 invader pilot. The 25-year-old flyer is now being processed through the army air forces redistribution station in Miami Beach, son of Mr. and Mrs. Leo Dillon of Hubbard, March 27 in the Kenwood church in Chicago.

The bride is employed as a beauty operator in Chicago. Mr. Porter attended Hubbard public schools and was graduated from the Vinton school for blind at Vinton and the University of Iowa. He is now employed by an athletic club in Chicago.

MISS LITTLE ENGAGED

MR. AND MRS. J. B. LITTLE of Kingsley announce the engagement of their daughter, Betty Lou, to James E. Pinneo, U. S. N. R., son of Mr. and Mrs. H. B. Pinneo of Ottumwa. No date has been set for the wedding. Miss Little is a junior in the college of commerce at the University of Iowa, where she is pledged to Phi Gamma Nu, honorary commerce sorority. Mr. Pinneo attended the University of Iowa before entering the service. At present he is stationed at Midshipman's school at Northwestern university in Evanston, Ill.

Symphony Orchestra Plays Varied Music In Last Performance

The University Symphony orchestra played a variety of compositions ranging from a Beethoven overture to two works by modern composers in the final concert of the season last night in Iowa Union.

Principal feature of the concert was the appearance of Prof. Hans Koelbel of the music department as cello soloist in Dvorak's "Concerto in B minor, opus 104." The concerto, full of dazzling passages, required difficult technical feats by the performer.

Music of local interest on last night's program was two movements from an orchestral suite by Herbert Franklin Mells, G of Langston, Okla. The composer, head of music at Langston university, began work on the suite in Iowa City last semester. "Interlude," the third movement which was played last night, was a short work written in modern harmony. The more startling of the two movements was "A Shout," which used an interesting percussion background as a description of a religious jubilee. The movement contained a variety of rhythms with added color by muted strings. Last night marked the first public performance of part of the orchestral suite.

The concert opened with Beethoven's "Overture, 'Coriolan,' opus 62," a tone picture capturing a beautiful melody line. Prof. Philip G. Clapp directed the group in suggesting roaring tempests ending with a tragic grandeur. The performance was somewhat dampened by faulty intonation on the final measures of the overture.

The Dvorak "Concerto in B minor" exhibited the virtuosity of soloist Professor Koelbel and was enthusiastically received by the audience. During some of the concerto passages the orchestra and soloist seemed to have difficulty keeping together, and the performance lacked perfect transitions and intonation.

Professor Koelbel, accompanied at the piano by Professor Clapp, played two encores, "Papillons" by Popper and "Serenade" by Victor Herbert. Both the vivacious "Papillons" and the familiar "Serenade" received appreciative applause by the audience.

The concert ended with Wendell

Opety's "Prelude, Scherzo and Passacaglia." The composed received both his M.A. and Ph.D. degrees from the University of Iowa, and his music was first performed at the university in 1940. The composition, written in the modern idiom, moved from the introductory "Prelude" to the lively "Scherzo" and gave a brilliant ending to the concert with the "Passacaglia." Norma Cross, graduate assistant in the music department, played the piano obbligato.

Last night's concert marked the sixth appearance of the year by the university group.

OTLEY'S "Prelude, Scherzo and Passacaglia." The composed received both his M.A. and Ph.D. degrees from the University of Iowa, and his music was first performed at the university in 1940. The composition, written in the modern idiom, moved from the introductory "Prelude" to the lively "Scherzo" and gave a brilliant ending to the concert with the "Passacaglia." Norma Cross, graduate assistant in the music department, played the piano obbligato.

Last night's concert marked the sixth appearance of the year by the university group.

E. J. Shapiro Family Of Chicago Visiting Harry Shulman Home

Mr. and Mrs. Harry Shulman, 946 Iowa avenue, have as their guests their son-in-law and daughter, Mr. and Mrs. E. J. Shapiro and daughter, Deanna, of Chicago. Mrs. Rose Weiskrantz and daughter, Charlotte, of Philadelphia are also guests in the Shulman home.

Conclude Visit
Mr. and Mrs. Lloyd H. Spencer, 1220 Sheridan avenue, have had as their guests their son-in-law and daughter, Ens. and Mrs. J. Bruce Drexel of Washington, D. C. Ensign and Mrs. Drexel left recently for a visit with Ensign Drexel's parents, Mr. and Mrs. John Drexel of Garvin.

Guests in O'Connor Home
Recent guests in the home of Mr. and Mrs. Leo O'Connor, 232 E. Bloomington street, were Mr. and Mrs. Jack Spain, Mr. and Mrs. Henry Wanick, all of Waterloo; Mr. and Mrs. William O'Connor and daughters, Patricia and Mary Rose, of Cedar Rapids, and Madlyn O'Connor of Palmer.

Recent Dinner Guests
Mr. and Mrs. Linus Schnoebelen, 830 E. Davenport street, had as their recent dinner guests their son and daughter-in-law, Mr. and Mrs. Virgil Schnoebelen of Cedar Rapids and daughter-in-law, Mrs. Euna Schnoebelen and son, Alan, rural route.

Margaret Paulsen, Corp. Bert Steffensen Wed Monday

In a double ring ceremony in the parsonage of the English Lutheran church, Margaret Paulsen, daughter of Mr. and Mrs. Henry Paulsen, 1109 E. Fairchild street, became the bride of Corp. Bert Steffensen, son of Mr. and Mrs. Olaf Steffensen of West Branch, Monday. The Rev. Ralph M. Krueger read the double ring ceremony.

Attending the couple were Ruth Steffensen, sister of the bridegroom, and Edward Paulsen, brother of the bride.

The bride was attired in a blue wool suit with white accessories and a corsage of American beauty roses and gardenias.

The maid of honor chose a navy blue dress with white lace trimming. She wore tan accessories and a corsage of American beauty roses.

Mrs. Steffensen was graduated from Iowa City high school, and Mr. Steffensen was graduated from West Branch high school. He is now stationed at Camp Atterbury, Ind.

RED CROSS
Red Cross nurses are eligible to become full army or navy nurses and receive all benefits and are subject to all rules and regulations governing the army and navy nurse corps. They are also eligible for promotion according to individual merit regardless of how or where they are assigned.

POSTPONE REPAIR BY BETTER CARE

YOUR gas and electric appliances assure more than usual savings these days—in time, energy and money too. That's why it's so important to follow the rule "better care—less repair." Fix minor appliance troubles yourself. But for major repairs, call your appliance dealer.

Appliance Life-Savers:

- ★ Oil motors regularly according to manufacturer's directions.
- ★ Treat cords carefully. Grasp plug instead of cord when disconnecting an appliance.
- ★ Clean appliance each time it is used.
- ★ Tighten nuts, bolts and screws.
- ★ Never submerge an electric appliance in water.
- ★ Don't drop appliances or knock them around. Treat them with care.

Iowans Entrain Today For Madison to Play Badgers This Weekend

Yanks Outlook Still Good; Catching Poor

PLAINFIELD, N. J. (AP)—Before you shed a crocodile tear for the fate of the poor New York Yankees, consider that Spud Chandler and Ernie Bonham are rejoining the ball club, 12 farm system-tested rookies are on the premises and Joe McCarthy is still manager.

No club can lose men like Charley Keller, Frank Crosetti, Bill Dickey, Joe Gordon, Bill Johnson and Marius Russo and pretend to be the same. But a fine pitching staff, good infield and fair outfield figure to make the Yanks pennant contenders as usual.

Pitching is McCarthy's strong suit. In addition to Chandler and Bonham whose impending inductions have been delayed, are Hank Bodowy, Atley Donald and Bill Zuber, who figure to be starters along with Walt Dubiel, a 16-game winner at Newark and possibly Joe Page, southpaw, who won 14 for the same club.

McCarthy is high on George Stinewiss, who is taking Joe Gordon's place at second after an unimpressive rookie season in 1943. Nick Etten is back as third baseman. Shortstop goes to Oscar Grimes, benchwarmer last year, with Mike Milosevich, of Kansas City, ready to fill in any place in the infield when needed.

Johnny Lindell, accepted by the navy and awaiting call, will play centerfield and Ed Levy, who has a medical discharge from the coast guard, is in left. Bud Metheny and Tuck Stainback have been splitting the right field assignment against different kinds of pitching and may spell Levy in left as Big Ed, a first sacker by trade, is having arm trouble. Larry Rosenthal, formerly with the White Sox, has been brought up from Newark.

Catching is the weakest spot on the club although Mike Garbark, young husky from Newark, has looked good holding down the No. 1 job.

Dr. Wernet's Powder
LARGEST SELLING PLATE POWDER IN THE WORLD

By DICK YOAKAM
Daily Iowan Sports Editor

Hoping to help themselves to a large slice of Big Ten cake before the other teams are aware, the Iowa Hawkeyes continued preparations to meet the Wisconsin Badgers in a double bill this Friday and Saturday at Madison.

Coach Davis, Iowa's midget mentor, will leave at 3:30 p. m. today with a 14-man squad after a final prep practice beginning at 1:00. Five pitchers will go with the team although the hurling assignments will probably go to Preul and Spencer in that order.

"We haven't been able to get the proper outdoor work we need this week but I believe the situation is similar at Wisconsin. Our outfielders especially need ball-chasing drill," Coach Davis said. Preul in his 11-1 defeat of the Chicago Maroons showed mid-season form in allowing the windy-city nine only four hits, striking out 14 and issuing only three bases on balls, while Spencer pitched consistent 6-hit ball in the afterpiece.

Little is known about the Wisconsin nine, except that the Badgers lost a 10-2 decision to the Milwaukee Brewers Monday. They played the pros even for six innings but three hits, three walks and three infield errors gave the Brewers eight runs in the seventh inning.

In their first two games against Chicago the Hawkeyes showed special aptitude on the base paths and, while they haven't had any more practice at it this week, will try to outsmart the Badger pitchers in that department again this weekend.

Hawkeye batters are led by Dick Woodward with .667, followed by Gidea, .500; Marvin Bendorf, .500; and Tommy Hughes, .482. Hughes leads in runs batted in with four; while Woodward and Bill Anderson are credited with three each.

Those to travel to Madison this weekend are: Bendorf, 2b; Anderson, 1b; Hughes, ss; Woodward, lf; Dunfrum, 3b; Ahrendsen, cf; Hansen, c; Gidea, outfield; Stewart, rf; Preul, p; Spencer, p; Hoakensen, p; Gipple, p; and Ives, p.

Anderson's draft status is uncertain and in the case of his absence from the team Ahrendsen will take over at first.

When we wrote the item about the boys scrubbing the decks at the pre-flight school we remarked that things hadn't changed so much after all. Well, perhaps it just that our thinking along that line was sharpened by seeing that or something, because yesterday we ran across another startling thing.

On one of the doors to a dressing room, formerly the sanctum sanctorum of the male members of the muscle factory staff, there is a big sign—"This room reserved for women, 1930-2100 Monday and Tuesday."

It looks like the manpower situation has finally caught up even with the Iowa base. WAVE members of the base personnel have taken to exercise and the dressing room is reserved for them. Even the navy personnel has to look after its girlish figure these days.

It looks like the Iowa baseball fortunes rest securely on the shoulders of two men, Spencer and Preul. Coach Davis is pitching them again this weekend against the Badgers but he does have some backing in Gipple and Ives.

Dick, as the only lefty on the squad may have to step in to quench a Wisconsin fire and seems to be rarin' to do so. Gipple on the other hand, showed quite a bit of ability in a practice game last week and may rank right up in there if the going gets rough.

A great dearth of information flooded from the Wisconsin news sources this week and when we were hoping to bring you something on them, it seems that the Badger went back into its hole for another six weeks, or is that the woodchuck.

Talking about minor sports brings to mind that the officers and men of the P. F. S. are going on a hike today. They're going to take some of them outside of town and the idea is to find their way to Macbride lake. Ruralists in this area are warned not to shoot any group that might take on the aspect of an invading army. They're a little gamey and quite out of season these days.

Some of you may have noticed an item in the paper yesterday that told of two American prisoners of war a Sgt. Morrell de Vries and Pvt. Henry Swanson, as being the first persons to order seats for the 1944 Homecoming game.

These men, now in a prison camp in Germany, asked that the postcard they sent be considered as an application for four tickets and that as soon as they got back to the States they would settle up for the west side duets.

We'll see you there, men.

flight training, is already worrying the Seahawk mentors. "Our best prospects are in the senior battalions and will be leaving pre-flight for primary training within the very near future," both Wislhere and Thompson mourned.

THE DAILY IOWAN SPORTS

Pensive Takes Rowe Handicap; Tax Question Delays Race One Hour

BALTIMORE (AP)—Pensive, one of the triple crown hopes from the Calumet farm stables of Warren Wright, won his first stakes victory yesterday when he won a nose decision in the 13th running of the Rowe memorial handicap before a crowd of 15,331 persons who turned out for the opening program of a 28-day Maryland meeting.

The victory, which was Pensive's second in four starts this year, was worth \$6,375. The entire meeting, sponsored jointly by Pimlico, Laurel, Bowie and Havre de Grace, was threatened for a time yesterday as the management refused to open under the terms of an order issued Tuesday by the state racing commission.

The first race was delayed about an hour. Track officials said the dispute centered over what portion of a fund allotted the track for improvement of racing could be

Whitney Horses Show As Derby Favorites; Gin, Stir Up Tops

NEW YORK (AP)—The Whitney clan showed two strong candidates for the Kentucky Derby yesterday at Jamaica when Stir Up won one division of the Experimental Handicap and Pukka Gin, the winter-book favorite, finished a fast closing second in the other.

Stir Up, winner of the Flamingo stakes at Hialeah Park, turned in the fastest time of the two six-furlong dashes as he won for Mrs. Payne Whitney's Greentree stable, but Pukka Gin gave backers of Col. C. V. Whitney's colt a thrill in bowing by a neck to Stronghold from the Wheatley stable.

Trailing by as much as eight lengths early in the race, Ted Atkinson brought Pukka Gin up fast in the stretch but he was unable to catch the Wheatley horse to which he gave 18 pounds as the top-weighted under 126 pounds. Fox Brownie was third a half-length behind Pukka.

Stronghold, not named for the May 6 Run-for-the-Roses at Churchill Downs, stopped the three-quarters of a mile in 1:12 3/5 while Stir Up, packing 114 pounds, covered the distance in 1:12 with Eddie Arcaro holding a tight rein all through the stretch drive to win by three lengths.

Second place in the division won by Stir Up went to A. A. Baron's Autocrat, three lengths in front of

Cubans Still Look Good to Bluege

WASHINGTON (AP)—Out of all the hullabaloo about Cubans who tried out for the Washington Senators this spring (and they were in two figures), only seven are likely to stick around long enough for the American League fans to recognize them.

In fact, Manager Ossie Bluege admits he even has his fingers crossed for the lucky seven. "You never can tell when they'll get the yearning for a boat trip," sighs Ossie, "and I'll wake up some morning and find them gone with the tide."

Left to right, without the benefit of a camera, a College Park Md., training camp fan would identify the seniors in order of their importance as outfielder, Roberto Ortiz; catcher, Fermin Guerra; pitcher and utility man, Gil Torres; third baseman, Luis Suarez; catcher, Rogelio Valdes; shortstop, Pedro Gomez; and pitcher Santiago Ullrich.

Boiling the list down still further, Ortiz, Guerra and Torres could be the only survivors once the season hits its stride. Ortiz hit .304 in 152 games with Montreal last year.

Nash Takes Champ

LONDON (AP)—Pvt. Garrett Nash American soldier from St. Louis, electrified a capacity audience at the Queensberry Club last night by defeating Richard Bergmann, world table tennis champion. The scores were 21-17, 13-21, 21-10, 12-21, 21-8.

Bergmann, a refugee from Vienna, won the world title at Baden in 1937 and at Carlo in 1939.

Cardinals Top Browns In 8-6 Intra-City Tilt; Cubs-Sox Open Today

ST. LOUIS (AP)—The weather was too cold for baseball but the St. Louis Cardinals warmed up in the ninth inning, breaking a tie with a five-run spree that bested the American league Browns 8 to 6 in a city-series game yesterday.

Pitcher Sam Zoldak faced the entire Cardinal line-up in the ninth before he was relieved by Bill Seisoth. The Browns rallied in their half but got only three runs before the Cardinals' fourth pitcher, Harry Brecheen, took over.

Ray Sanders, Cardinal first baseman, had a double and two singles in five trips to the plate. Johnny Hopp was in the Redbird centerfield for Stan Musial, ill with food poisoning, and Augie Bergamo was in right field. St. Louis (N) .200 000 015—8 15 2 St. Louis (A) .110 000 013—6 11 1

Donnelly, Schmidt (4), Gumbert (7), Brecheen (9) and Burmeister; Jakucki, Zoldak (7), Seisoth (9) and Mancuso.

Cubs-Sox Tiff

CHICAGO (AP)—The Chicago Cubs and White Sox open a five-game series today at Wrigley field provided weather conditions are favorable.

Thornon Lee, engaging in a comeback effort this season, will be the starting pitcher for the American leaguers. He will be opposed by Eddie Hanyzewski, who is concentrating on the thought that the Cubs need a new right hand ace with Hi Bithorn and Claude Passeau absent.

Kelner Leaves Indians

INDIANAPOLIS, Ind. (AP)—Ken Kelner, ace third baseman for the Cleveland Indians, has been reclassified from 2-B to 1-A by his draft board and ordered to report for a physical examination Monday, the Indian management reported yesterday.

Kelner, 27, left the team yesterday to return to his Milwaukee home and said he had asked the draft board in Cleveland to transcribe his examination to Milwaukee.

Tigers Claw Colonels

LOUISVILLE (AP)—The Detroit Tigers got seven-hit pitching yesterday from Elton (Chief) Hogssett, Joe Orrell and Walter (Boom Boom) Beck while defeating the Louisville Colonels of the American association, 5 to 1, in an exhibition game at Parkway field.

Working three-inning shifts, Hogssett and Beck each allowed two hits and Orrell gave up three as Detroit gained its fifth spring victory against three defeats and a tie. The lone run came off Hogssett in the third inning.

Detroit (AL) .010 000 103—5 10 1 Louisville (AA) .001 000 000—1 7 2 Hogssett, Orrell (4), Beck (7) and Miller; Wilson, Patton (4), Widmar (7) and Walters.

Twin brothers, Cadets Harold and Herbert Anderson, of Mediapolis, who had had experience in the Piedmont league, are among cadet prospects reporting. Harold is a catcher, while Herbert plays either short or third.

The coaches have noted several good prospects among the moundsmen reporting, but the old Pre-Flight bugaboo, graduation to

Sports Trail . . .

By WHITNEY MARTIN
NEW YORK (AP)—A crowd of 45,796 went to the pari-mutuels opening day at Jamaica, forecasting a bumper season at the New York horse tracks, and this is taken in some quarters as an indication that baseball also will enjoy bargain-sale attendance.

Personally, we don't think that pari-mutuel attendance is any sort of a barometer in forecasting baseball attendance, and if it was Commissioner Landis would frown upon it, as that would be linking baseball and gambling, even if it's by way of the Suez canal.

The two sports cannot be compared in any way. One owes its existence purely to spectator appeal. The other exists only because benevolent lawmakers see no harm in supervised gambling as long as the state gets a cut in it. Just have a guy stand outside the gate and try to make book on the races and see how quickly betting becomes a sin and a disgrace to the human race.

The quality of the performers makes no difference to the horse player, as the very ordinary card at the Jamaica opening illustrates, and we have an idea the attendance would stand up pretty well if they had jersey cows running around the track, just as long as the bettors were able to risk a few bob. In fact, if they did away with the races entirely and filled the plant with roulette wheels the attendance still would be better than at the average ball game.

Whereas the actual running plays a small part in the interest in horse racing, outside of determining the order of finish, it is the game itself which counts in baseball, and interest in the game largely is determined by the caliber of performers.

That's why that, this year in particular, you can't forecast how the fans will turn out to the ball parks. In other years, with the Kellers and Williamases and Joe DiMaggios and the other established players around, you might say the whopping race attendance was a good omen for baseball, as it showed there was plenty of money around and guys with the leisure to spend it.

This year, however, nobody knows much about the major league teams aside from the fact a great number of the name players are missing and their places are filled with unknown Joes and Petes and Hanks. This very fact may take some of the ball fans from the parks to the race tracks.

We hope the baseball attendance is not too discouraging, but you can't take a too optimistic view of it when you figure the admitted inferior quality of play and the fact that the armed services have taken a goodly number of citizens in the age bracket wherein are found a large percentage of the real fans.

But the horse track attendance cannot be taken as a yardstick, and can't be until they install pari-mutuel booths at the ball parks. That will be when it snows corn flakes on the Fourth of July.

Harry F. Guggenheim's Tit Tat Toe. Stronghold, ridden by the Florida jockey sensation, Bobby Permane, was an outsider in the betting returning \$29.60 for a \$2 win mutuel. Stir Up was the choice of 19,432 fans, paying only \$3.50.

Scouts to Collect Scrap Paper Saturday

Racing to crack their 30-ton goal, Iowa City Boy Scouts and Cubs will meet at the city scales at 1 o'clock Saturday afternoon to haul in their April collection of scrap paper.

Reminding Iowa Citizens that they could facilitate the collections, Dorr Hudson, scrap paper chairman, urged everyone to collect all their waste paper in bundles on the parking before noon Saturday.

To prevent paper from blowing through the streets, residents are asked to bind each bundle and tie it securely. This also helps the boys in loading.

Just six tons behind the Clinton Scouts, Iowa River Valley Scouts have salvaged 142 tons of paper to date to put them in second place for eastern Iowa.

The government has requested a minimum of 10 pounds of scrap from each person. With this in mind, Hudson noted Williamsburg's 85 ton record, compared to Iowa City's 57 tons.

Jewelry Retail Sales Climb Above Liquor

February retail sales compared with those of February, 1943, show jewelry stores in first place with the January leader, liquor stores, in fourth place, according to Prof. George R. Davies of the university bureau of business research.

Jewelry stores did 29 percent more business in February, 1944, than in February last year, while liquor stores gained only 11 percent.

Other February gains showed filling stations jumping from seventh to third place; combination stores (groceries and meats) ninth to fifth, and drug stores, fifth to second.

Sharp losses in position were motor vehicle dealers, from third to 14th; shoe stores, sixth to 15th, and women's ready-to-wear, eighth to 16th.

Ration Board Offices Will Be Transferred To 218 E. College

R. J. Phelps, chairman of the Johnson county war price and ration board, announced yesterday that the ration board offices, now located on the second floor of the Iowa State Bank and Trust company building, will be moved to 218 E. College street during the first part of May.

Remodeling, consisting of a long counter and several partitions for workrooms, must be finished before the office will be open for public service, he said.

The Chicago district office of price administration will terminate the lease with the Iowa State Bank building corporation May 4.

Name 'Y' Committees

Committee heads for next year chosen by the freshman Y. W. C. A. group Monday were Barbara Dittbrenner, A1 of Ottumwa, publicity chairman; Marion Ferguson, A1 of Davenport, social chairman; Joan Wheeler, A1 of Lakewood, Ohio, program chairman, and Shirley Harper, A1 of Iowa City, contact chairman.

Lewis H. Brereton, commander of the U. S. Ninth Air Force, right, as they visited U. S. fighter bases in England during a pre-invasion inspection tour. (International)

Student From Panama, J. C. C. President Address Club on Pan-American Relations

With accent on cementing the relationship of North and South America, Pan-American day, tomorrow, was observed by the Lions club yesterday noon with two guest speakers, Newton Weller of the Junior Chamber of Commerce and Fernando Tapia, Panama student in the college of medicine.

Prof. Paul Olson of the college of commerce introduced the topic of Pan-Americanism with a summary of the founding of the Pan-American union in 1890. The union will celebrate its 54th birthday tomorrow. Olson paid tribute to the Junior Chamber of Commerce which is giving aid to university graduate students from South American countries.

President of the organization, Newton Weller, said, "We are eager to improve current and future problems and conditions where the relations of these countries are concerned. We are sponsoring a man from Panama to come here and are happy to be the second group to sponsor a Panama student here."

Speaking in behalf of the Pan-American students, Fernando Tapia, one of the 15 or more Panamanian students enrolled in the university, urged continuing steps toward more friendly relations. Fernando is sponsored by six clubs of the Panama movement in Des Moines.

He said, "Something is going on in Iowa which we are not aware of, but the results of the work which has been done and the methodical way of bringing new Panamanian students here will become more obvious within a short time."

Having been here two and one half years, he said that "in bringing the northern and southern continents together the profits will be great and Iowa and Panama will come together like the human arm with Panama the insertion of the diplomatic muscle."

Panama, formerly called "the crossroads of the world," as airplanes now circumvent Panama. He described the Inter-American university in Panama with an approximate 800 students. The university was inaugurated a year ago and has expanded through money sent from this hemisphere.

He referred to the building of the canal when thousands of Americans mingled with Panamanians and the contact grew into an understanding which is necessary when "you cross the street to get into another country."

A woman graduate of the University of Iowa was the prominent force in urging students to come to school here. Now 40 students from Panama are in Iowa. Formerly older, more mature graduates came with such a critical view that relations were tense, but with youth, the Yankee and the "bandits who were thought to run around with knives in their mouths," have united in a tie of inter-friendship.

"I have come a long way in reversing my thinking about America," said the speaker. "Iowa has taken the lead, and I should like to see the part Iowa City can play in making this a better world."

In discussing the Pan-American society he urged people to realize that it is for persons of all nationalities and not just for Panamanians.

"It takes courage to stand up for what is right," he said, "and your pioneering has not ceased."

'None But the Best' Varieties of Vegetables Recommended for Small-Scale Gardeners

For persons with very small Victory gardens, extreme care must be exercised to grow only the best varieties of vegetables.

Seed catalogs list hundreds of varieties of garden crops, and it is not easy to select the particular varieties which give the best results.

No two gardeners seem to agree about results because many factors, such as drainage, feeding and sun and soil conditions play an important part in the final result and harvest.

There are any number of varieties of snap beans—both the green-podded and yellow-podded flat types. In this particular class, Bountiful and Plentiful seem to be the most popular green beans

while the Webber Wax is perhaps the best yellow type. The round-podded bean is preferred by some persons, and the Stringless and Tendergreen are favorite green varieties for others. Pencil Pod Black Wax and many other varieties, each of which will perform practically as well as any of these, are fast becoming favorites.

Beans Yield Abundantly When space permits, the pole beans should be included in the Victory gardener's planting schedule, because they bear more abundantly and yield over a longer period of time than do the other beans.

Old Homestead or Kentucky Wonder types seem to be the most popular of pole beans. The pods hang in great clusters and are from six to eight or more inches long.

Beets are grown not only for the roots, but also for the tops or "greens." The greens, according to the experts, are highly nutritious, and a continuous supply should be planned by planting beets in the Victory garden.

When ordering beet seeds, a gardener should plan a succession of plantings every two weeks. One ounce of seeds is ample for a 100-foot row.

50-Day Beets Crosby's Egyptian, the earliest type of beet, matures in 50 days, and its exceptional tenderness and sweetness makes it excellent for table and canning purposes. This particular root is a flattened globe shape.

Detroit dark red, another favorite beet variety, matures in 55 to 60 days. The roots are globe-shaped and are deep oxblood color.

A beet which is not so well known is the long-keeping Blood Turnip, a variety grown only to be stored for winter use. The Blood Turnip, a large beet with a turnip-shaped root, matures in 68 days.

Although a glance at a seed catalog shows that the varieties of carrots increases each year, this shouldn't bother a gardener, if he is careful to select varieties which are known to grow well in his particular area.

Carrots Differ in Length The main difference in carrots is the shape and length of the roots. Gardeners who must work with a shallow or heavy clay soil should select only the short or half-length varieties.

The Oxheart, one of the shortest carrots, has roots from two to four inches long with a thick shoulder. It is quite tender and has a good flavor.

Good clay soils are favorable to the Cantenay and Danvers half-long varieties. If the soil has a

deep, mellow texture, the attractive, long-rooted varieties of carrots can be grown quite successfully.

Imperator, the all-American silver medal winner, has roots seven to eight inches long and one and a half to two inches in diameter at the shoulder. It is a deep orange color, and scientists say the brighter the color, the more vitamin A present.

Licensed to Wed

Three marriage licenses were issued yesterday by R. Neilson Miller, clerk of district court, to Dean C. Cooper, 22, of Ft. Dodge and Rosamond V. Ruppert, 21, of Iowa City; Floyd B. Gingerich, 20, of Kalona and Gladys Yoder, 18, of Wellman, and Roland L. Ehler, 37, and Mildred L. Lo Greco, 26, both of Omaha.

Judith Worton Writes Political Science Paper; Wins Award of \$10

The William Jennings Bryan prize of \$10 has been awarded to Judith Worton, daughter of Mr. and Mrs. Herman Worton, 426 S. Clinton street, for her term paper in political science.

Miss Worton, who will graduate from the university this spring, was recently elected president of Phi Sigma Iota, romance language fraternity, and a member of Phi Beta Kappa, national honorary scholastic fraternity. She is affiliated with Delta Sigma Tau sorority and is an officer in the Pan-American club.

To Observe Scout Day

Unless rain interferes, Iowa City Boy Scouts will observe "Scout and Scouter Day" Sunday afternoon by planting a thousand seedling trees at the Rotary Boy Scout reservation.

Meeting at 1 o'clock, the group will do cleanup and other campsite improvements. A supper will be served by the Boy Scout council, and each boy is urged to bring his "dad" along with him.

In case of bad weather, the project will be postponed one week.

Pan Americans Meet

Officers for the coming year will be elected by the Pan American club in their final meeting at 7:30 tonight in room 221A, Schaeffer hall, at which Prof. Ise Laas of the Romance languages department will be the speaker.

BOOKS—

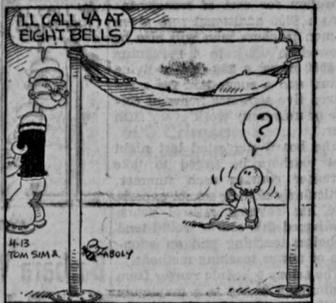

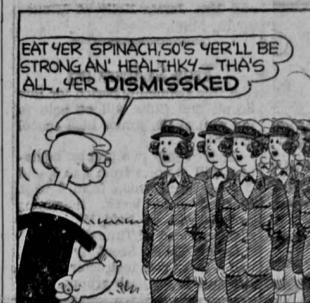

(Continued from page 2)

tional to make reading the product worth while.

There is another requirement for fiction. Something must happen. In "The Steep Ascent" a plane is lost temporarily. All the rest of the book is what goes through the pretty head of the back-seat passenger. In a day when a hundred epics are written each 24 hours this is by no means enough. It amounts to 120 pages of curiously undirected and often precious back-seat thinking embodied in pleasantly constructed prose.

DESPITE THE FACT that he is under sentence of 25 life terms—which would give him a prison sentence of 250 years—Richard Swain, 31, and Betty Kopp, 24, were married in the Franklin county sheriff's office at Columbus, O. Swain was given the life sentences after pleading guilty to charges of burglarizing 28 homes at Bexley, O. The bride, a machine operator in a Columbus war plant, said, "I am very happy to be marrying Richard." (International)

School Board Grants Bonus To Teachers

Members of the Iowa City school board of education approved new contracts for grade school and high school teachers for the 1944-45 school year, voted a \$50 cost-of-living bonus to be added to each teacher's salary and approved two new contracts.

The approvals were made last night according to the salary schedule suggested and adopted by the school board in February. The schedule includes additional compensation for cost of transportation; a \$300 additional sum given to men teachers who will also be allowed to work to a maximum of \$500 more; a \$50 cost-of-living bonus, and a suggestion for a required five semester hours of college or university work every fifth year.

The board suggested last night that teachers be urged to take refresher courses each summer, particularly if their school experience has covered several years. It is hoped this course would tend to better teaching and an adoption of newer teaching methods.

The salary schedule ranges from a minimum \$1,200 to a maximum \$1,800 increasing according to the teacher's experience and the degrees (B.A. or M.A.) achieved.

In the initiation of the schedule a teacher now employed "who secures a bachelor's or master's degree shall be placed in the higher salary bracket at \$100 above the salary for the year just ended and proceed at the lowest salary in the new bracket, whichever is higher."

According to Supt. Iver A. Opstad, the teachers were pleased and satisfied with the adoption of the new schedule. Each salary will be increased by the \$50 cost-of-living bonus.

All present teachers were voted contracts last night, and two new teachers were named. They are Ruby A. Cole, primary teacher, and Ralph Aschenbrenner, who will instruct mathematics classes at City high school.

Contracts will also be made out to four secretaries working in high school, junior high and the superintendent's offices. The salaries for these positions include the \$50 bonus. It was specified that the emergency cost of living bonus is not actually a part of the salary and can be modified or withdrawn by the board.

Power was granted to the teachers committee, comprised of Earl Y. Sangster and Mrs. H. L. Beye, to offer contracts and elect teachers as they become available and as the committee sees fit.

A motion was made to give the buildings and grounds committee power to hire an engineer to survey the Shimek school grounds, and further action will be taken by that committee in regard to the sale of the property.

The resignation of Rose Mary Duncan, special room teacher at Henry Sabin school, was accepted last night.

The first printed announcement of the appointed standing committees was used by the board last night. The following committees will be functioning during this term: finance and printing, A. B. Sidwell, chairman, and Mrs. Charles Mott; buildings, grounds and janitors, J. P. Kelly, chairman, and A. B. Sidwell; textbooks, apparatus and supplies, Mrs. Mott, chairman, and H. H. Gibbs; teachers, Mrs. H. L. Beye, chairman, and Sangster; insurance, H. H. Gibbs, chairman, and Mrs. Beye; athletics, Earl Y. Sangster, chairman, and J. P. Kelly.

Registrar Will Speak At Honorary Dinner

Registrar Harry G. Barnes will give the after dinner speech at the Phi Beta Kappa dinner at 6 o'clock tomorrow night in Hotel Jefferson. Lois Grissell, A4 of Cedar Rapids, will speak on behalf of the new initiates. Miss Grissell has the highest grade point in the group.

Initiation will be held preceding the dinner at 5 o'clock in the senate chamber of Old Capitol.

Navy Band to Play 'Snow White Overture'

A half hour radio concert by the Iowa Navy Pre-Flight school band will be broadcast on station WSUI tonight at 8 o'clock and later at 11:05 p. m. over WMT in Cedar Rapids.

Timely number on the program is Erik Leidzen's "Snow White Overture," which incorporates the music of Walt Disney's first full length picture, Snow White and the Seven Dwarfs, now being shown on a return run all over the country.

Also to be heard on tonight's program are "Robin Hood Suite" (Curzon); "Flight of the Bumble Bee" (Rimsky-Korsakov); "Dance of the Boys" (Gliere); "Arkansas Traveler" (Guion); "Colonel Bogey" (Alford) and "Ponderosa" (King).

CAPT. AND MRS. ROBERT D. PHILLIPS

Barbara Wheeler, Capt. Robert Phillips Wed Wednesday

Before an altar banked with white flowers and candelabra Barbara Jean Wheeler, daughter of Mr. and Mrs. John L. Wheeler of Villisca, became the bride of Capt. Robert D. Phillips, son of Mrs. Nelle Phillips, also of Villisca, at 2 o'clock yesterday afternoon in the Congregational church. The Rev. James E. Waery read the double ring services.

Mrs. G. W. Buxton of Iowa City provided organ selections of the traditional wedding marches. She also accompanied the soloist, Mrs. Ernest Ekonomon of New York, a sister of the bridegroom, who sang "Through the Years."

Serving as maid of honor was Lue Swanson of Red Oak, a sorority sister of the bride. Rex Whitworth of Bramhall, England, was best man. Ushers included Pic. Dick Corton of Waterloo, David Kerfoot of Bebington, England, and Chet Woodburn of Des Moines. All are students at the University of Iowa.

The bride wore an off-white street-length crepe dress, fash-

ioned with a slightly flared skirt, three-quarter-length sleeves, and a sweetheart neckline which was accented by a leaf pattern. She chose a black straw half-hat with veiling across the back of the hat. She carried a colonial bouquet of white and pink roses and blue iris.

As maid of honor, Miss Swanson was attired in a tea-rose crepe dress, styled with short sleeves, V-neckline and covered buttons down the front. She chose black accessories, and carried a colonial bouquet of pink carnations and yellow roses.

For her daughter's wedding, Mrs. Wheeler wore a gray-green lightweight wool suit with navy blue accessories. She had a shoulder corsage of pink roses.

Immediately after the ceremony a reception was held in the chapter house of Delta Gamma sorority for 125 guests. The table was decorated with a centerpiece of spring flowers, lighted candles and a three-tiered wedding cake. Mrs. Maye Stump, Delta Gamma housemother, served as hostess.

For her traveling costume the bride wore a black and white shepherd checked suit, cardigan style, and black accessories. Her corsage was of red roses.

The bride, a graduate of Villisca high school, is a junior in

the college of liberal arts at the University of Iowa. She is a member of Delta Gamma sorority, Mortar Board and is president of U. W. A.

Captain Phillips, also a graduate of Villisca high school, was graduated from the college of dentistry at the University of Iowa, where he was affiliated with Delta Sigma Delta, dental fraternity. He is in the army medical corps and will report to Camp Gruber, Okla., where the couple will live.

Out-of-town guests included the bride's parents, Mr. and Mrs. John L. Wheeler of Villisca; the bridegroom's mother, Mrs. Nelle Phillips, also of Villisca; the bridegroom's sister, Mrs. Ernest Ekonomon of New York; Mr. and Mrs. Frank Redfield, Mr. and Mrs. Griffith Brogan, Mrs. H. M. Redfield, all of Des Moines; Mrs. Lillian Norton of Grinnell, and Mr. and Mrs. James Kelly of Minneapolis, Minn.

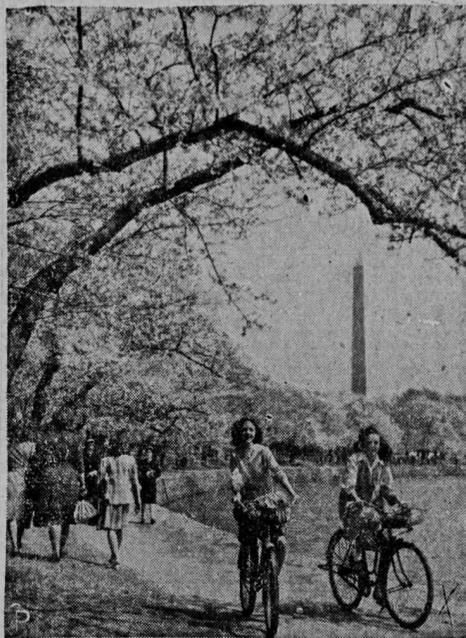

Free Swimming

A free swimming period for Boy Scouts and Cubs will be held in the pool at the junior high school tonight.

Divided into two groups, beginners will practice from 7 to 8, and the advanced group from 8 to 9. Starting next week, swimming periods will be held Wednesday nights instead of Thursday.

Owen Thiel, Scout executive, and a Red Cross instructor will be life guards for both groups.

AH, YES, THE CHERRY TREES

SURE HARBINGER OF SPRING—That's the blossoming of the Korean cherry trees in Washington. (International)

City Trucks to Collect Salvaged Tin Cans Tomorrow Morning

Mrs. Alva Oathout, chairman of the Johnson county tin salvage drive, announced yesterday that tin cans for salvage will be collected tomorrow by city trucks.

Cans, with ends cut out and flattened, must be on the curbs by 8 o'clock in the morning. If city trucks neglect to pick up any cans for contributions to the salvage drive, they may be taken to the city scales at 326 S. Gilbert street.

"We are sure all Iowa Citizens will cooperate in this essential part of the salvage drive for victory," Mrs. Oathout said.

A. S. T. P. Director To Inspect R. O. T. C.

Col. Malcom E. Craig, director of the army specialized training division, will inspect reserve officers training corps units in Iowa City Friday as a part of his tour of inspection of the seventh service command.

His inspection will include observance of the regular routine of R. O. T. C. divisions and of details of equipment, supply and administration. Direct inspection of members of R. O. T. C. will be made as they carry out their regular schedule of classwork, field problems, and mapping and patrol problems.

Girl Scout Ceremony Celebrating Birthday To Be Held Tonight

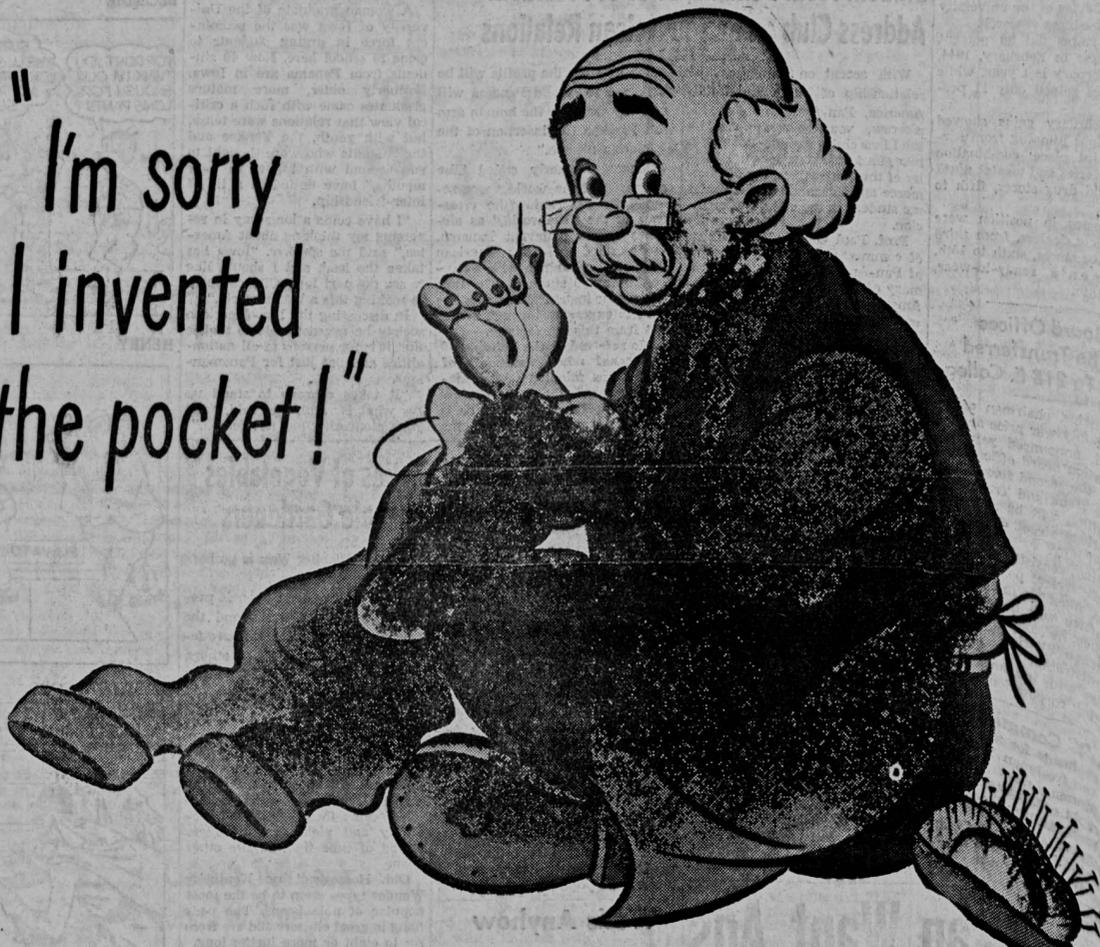

The presentation of colors, including the pledge of allegiance to the flag, national anthem, Girl Scout promise and the Scout Promise song, will open the program to be given by the Iowa City Girl Scouts tonight at 7:30 in Iowa City high school auditorium. This ceremony, which is given to celebrate the Girl Scout birthday, is open to the public.

"The Seven Wishes of Girl Scouts" will be presented as a history of scouting in Iowa City and an explanation of the symbols and uniforms. It will include scout songs, and a description of summer camping and the contributions of scouts to the war effort. Also explained will be the Brownie organization and the use of the Juliette Low fund.

At the conclusion of the celebration, all scouts will participate in the Juliette Low memorial penny march to be followed by the singing of taps. The money collected will be sent to a national committee to be used in the allied war effort.

The program was planned by Mrs. Burdette Gainsforth, Mrs. J. F. Gruenwald, Norene Odland and Mrs. L. R. Beals. Participants will be representatives of every troop in the city.

"I'm sorry I invented the pocket!"

IF I had known that some Americans would be using pockets to hold all the extra money they're making these days I never would have invented them.

POCKETS are good places to keep hands warm. Pockets are good places to hold keys... and loose change for carfare and newspapers.

But pockets are no place for any kind of money except actual expense money these days.

The place—the only place—for money above living expenses is in War Bonds.

Bonds buy bullets for soldiers.

Bonds buy security for your old age.

Bonds buy education for your kids.

Bonds buy things you'll need later—that you can't buy now.

Bonds buy peace of mind—knowing that your money is in the fight.

Reach into the pocket I invented. Take out all that extra cash. Invest it in interest-bearing War Bonds.

You'll make me very happy if you do.

You'll be happy too.

WAR BONDS to Have and to Hold

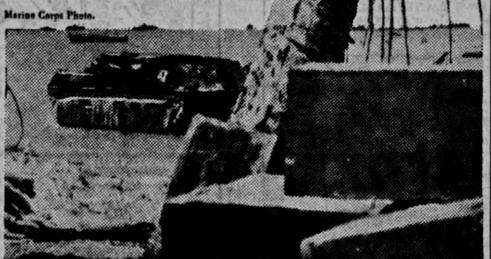

THE DAILY IOWAN

BATTLE LINE JUNCTION!

Communications men on every front are "getting the message through," stringing wires, repairing breaks, keeping the circuits working. They even use captured enemy wires and pole lines.

Maintaining dependable communications at home is the Bell System's wartime job. And Bell Telephone Laboratories' scientists, on war assignment now, will one day turn again to peacetime work—making this country's telephone service the best in the world.

BELL TELEPHONE SYSTEM
