

A FLYING ADMIRAL RECEIVES COVETED NAVY CROSS

VICE ADM. JOHN S. MCCAIN, USN, commander of a fast carrier task force in the Pacific, stands at attention aboard his flagship as Adm. William F. Halsey, commander of the Third Fleet, reads the citation accompanying the presentation of the Navy Cross to one of the Navy's most capable flying admirals. Members of the carrier's crew watch admiringly from the sidelines, taking a few moments off from fighting the Japs in the far Pacific for the ceremony. U. S. Navy photo.

Seventh Repels Germans; Reds Take Lodz, Krakow

Open Two Offensives

Push Through Poland To Clamp Pincers On East Prussia

LONDON, Saturday (AP)—The Red army, opening two more massive offensives, reached the German Silesian frontier 225 miles from Berlin yesterday in its sensational surge through Poland, captured the bastions of Lodz and Krakow, and elamped a huge pincer on East Prussia in a great new breakthrough into that ancient Reich province.

The Red army's first contact with the border of the main body of Germany, from which Adolf Hitler's legions invaded Poland to start the second World war Sept. 1, 1939, was announced officially in the midnight Moscow communique.

Unofficial reports said the Russians already had plunged across the frontier and were fighting on the Nazis' beleaguered homeland.

First Ukraine Army

It was the First Ukraine army, one of five powerful Soviet armies estimated at 3,000,000 or more men, that reached the frontier of industrially-rich Silesia with the capture of Praszka, and also 225 miles southeast of Berlin.

Scoring their greatest gains of the war, the Russians captured 2,750 towns and villages as they ripped through collapsing German lines on a twisting 800-mile front from the Baltic to Budapest.

Decide Germany's Fate

Early today DNE, the official German news agency, declared: "The present Russian winter offensive will decide the fate of Germany. It has outreached anything hitherto known."

There was no indication whatever that the Germans were able to make a stand anywhere along the vast Polish plains which extend into Germany.

On the eight day of the gigantic push the Russians already had swept 150 miles west of the Vistula river—more than half-way to Berlin—and the Soviet tide still was rolling.

Fifth Army Breaks German Bridgehead, Drives Back Enemy

ROME (AP)—A German bridgehead on the east bank of the Senio river in the area of Fusignano on the eastern end of the Italian front has been broken and the survivors have been driven back to their original positions, the allied command announced yesterday.

Activity along the entire front still was confined to patrolling, with the enemy particularly aggressive in the eastern Po valley against the British Eighth army. American Fifth army combat patrols continued to probe deep into enemy positions and tangled with German parties in scattered engagements near the center of the line.

It was disclosed yesterday that the first trained Italian combat units to fight alongside the allies are now in the line on the Eighth army's section.

Tactical airforce planes roamed over northern Italy in force, slashing at German communications, stores and concentrations.

Mercury Steady; More Snow Coming

The mercury walked a pretty straight line yesterday in Iowa City. From a low of 29 in the morning it staggered up to 33 at 2:30 and stayed on that line until 6:30 when it stumbled. By 9 o'clock it had fallen down two steps to 31.

The skies will be cloudy again today with the temperature still on a fairly straight course. Last night heavy snow was reported in Sioux City and most of Nebraska. Iowa City receives most of its weather from the west, so either today or tomorrow . . .

At Noon Today—

Roosevelt's Fourth Inauguration

WASHINGTON (AP)—President Roosevelt closed the ledger last night on three full terms in the White House and, with a grin and a quip, got ready for his fourth inauguration today at noon.

While all was hubbub in the White House for the momentous occasion, the president himself had to be almost disinterested—his desk as usual piled high with war problems.

Two weeks short of 63 years, Roosevelt served up his famous smile, however, as his attitude toward what may be the toughest four years of all.

The war has turned this next inaugural topsy-turvy. Instead of big parades and ceremonies at the Capitol, it will be a quiet affair on the porch of the White House.

There will be 5,000 guests, instead of the usual 25,000 or more spectators.

Even a good part of Roosevelt's immediate family will be unable to attend.

His four sons are in the armed forces and only marine Col. James Roosevelt seemed able to get here. He was en route from Burbank, Calif., but bad flying weather made it uncertain whether he's to be on hand.

Another wartime effect—the president is sparing only 20 minutes of his crowded day for the whole show. He is striving to keep his inaugural address within 500 words. Lincoln's second term started off with only 600.

Despite the simple and brief formalities, there was heavy work

being done on the program yesterday. Workmen rolled up the hard-to-replace White House carpets; carpenters hammered here and there and the domestic staff bustled hither and yon getting set for the 1,500-person buffet that will follow the oath-taking.

Across town, Senator Harry Truman of Missouri got out his best bib and tucker as No. 2 man in the show. He takes the oath as vice-president before the president is sworn in by Chief Justice Harlan Stone.

Close by the president when he raises his right hand today will be only two of his original "New Deal" cabinet of depression-dark 1932. They are Interior Secretary Ickes and Labor Secretary Perkins.

First, Third Keep Initiative

Fighter Bombers Support Yank Blows In Northeast France

PARIS (AP)—The United States Seventh army struck back yesterday at German forces north of imperiled Strasbourg, where the enemy earlier in the day massed 10,000 troops, broke from the Rhine bridgehead and joined up with other forces farther north on a solid 75-mile front.

Fighter bombers ripped into enemy armor and doughboys drove the Germans back across the Zorn river some nine miles north of the Alsatian capital. Other American blows showered down on the front in a grim attempt to keep the Germans from outflanking all American positions in northeastern France.

The British Second army and the United States First and Third armies held the initiative elsewhere on the flaming 300-mile front.

British Advance

The British slugged ahead two and a half miles in eastern Holland and western Germany, the United States First army seized all commanding heights west and north of vital St. Vith in the withered Ardennes salient, and the United States Third army was knifing through northern Luxembourg.

Failing to break across the Zorn, one of the network of rivers on the northern approaches to Strasbourg, the Germans tried to widen their bridgehead with an attack in two-to three-company strength at Rohrwiler, three miles west of the Rhine 14 miles above the capital.

Nazis Withdraw

They were stopped by fierce American fire and withdrew. The Germans to the north renewed their assault on Hatten with armor and infantry but here, in the old Maginot line eight miles south of the German border, they were beaten back again. They have been pounding this area for 11 days without success.

The British Second army in a two-mile sweep all but cut off the German panhandle north of Aachen, overran seven or more towns.

The U. S. First army, slashing much as two miles along a 40-mile front, had closed to within four miles of St. Vith—the way out of the now-shattered Ardennes salient—from the west as well as north.

Jap Diet Reconvenes; Will Consider Philippine Fighting

BY THE ASSOCIATED PRESS Japan's imperial diet (parliament) reconvenes today (Sunday, Japan time) confronted with battle setbacks around most of the dwindling empire and political unrest at home.

The "seriousness" of the war situation was mentioned by Sadao Iguchi, spokesman of the Japanese board of information, in a Domei news agency wireless dispatch recorded by the federal communication commission.

Iguchi said the diet, which has been in recess since Dec. 27, may be expected to consider "seriously and energetically" such matters as the "mounting ferocity" of the Philippines.

He avoided mention of the political crisis which Tokyo radio and German and Russian reports have recently indicated may force the resignation of Premier Kuniaki Koiso.

Mrs. Donald Nelson Granted Divorce

CHICAGO (AP)—Mrs. Helen W. Nelson was granted a divorce yesterday from Donald M. Nelson, 56, special economic representative to President Roosevelt and former chairman of the war production board. She charged desertion.

Counterblows Repulsed

Yanks Throw Back Enemy on Luzon

Correspondent Reports Blows in Nature Of Harassing Attacks

GENERAL MacARTHUR'S HEADQUARTERS, Luzon, Saturday (AP)—Bloodily throwing back counterattacks, Sixth army infantrymen forced the Japanese into the hills on the stubbornly-held Luzon left flank while other Yanks wiped out a fierce ambush of 12 medium tanks in a new flare-up at Binalonan, headquarters reported today.

The counterblows, capping at least five days of bitter fighting in the area, occurred Wednesday night near Rosario, on a mountain highway leading to Baguio, summer capital of the Philippines.

Associated Press Correspondent Al Dopking, reported the counterattacks were merely in the nature of pin-prick harassing blows, and not in strength which could have pushed back Lieut. Gen. Walter Krueger's army.

To the south at Binalonan, along the same highway, Associated Press Correspondent Dean Schelder reported an American column was fired upon by 12 enemy tanks hidden under Nipa huts facing the town square.

The Japanese were unable to depress their guns sufficiently to clean out the United States troops hugging the ground, however, and Yank 105 mm. artillery knocked out 10 tanks in short order. Bazookas disposed of the other two.

Associated Press Correspondent Spencer Davis said the Japanese lost some 600 men in three days defending the Baguio road.

The Americans, advancing on all fronts, captured two highway towns and an artillery elevation.

House Committee Approves Penalties For Draft Dodgers

WASHINGTON (AP)—"Draft dodger" penalties—a maximum of five years imprisonment and fine up to \$10,000—were approved by the house military committee yesterday for men 18 to 45 who willfully leave essential war jobs.

The committee, meeting behind closed doors, substituted the civilian penalties, in the proposed "work-or-be-drafted" act, for the original provisions that men refusing to take or keep war work be inducted into army labor battalions. The same penalties are expected to be set up Monday for men who refuse to take war jobs on draft board orders.

The committee postponed until Monday a final vote on whether it will report a national service bill to the house for consideration.

Earlier in the day the army reported to the house committee that war casualties requiring hospitalization jumped 20 percent in the period including the "bulge" battle, and that drafting of nurses is "imperative to provide adequate care for America's wounded."

Today's Iowan

Red army opens two new offensives, clamps pincers on East Prussia captures Krakow.

Seventh army throws back German counterattack.

Hawkeyes down Michigan in last minute, 29-27, to retain undisputed Big Ten lead.

Indian Troops Take Nip Stronghold In Eastern Burma

SOUTHEAST ASIA COMMAND HEADQUARTERS, Kandy (AP)—Driving forward after a naval, air and artillery bombardment, troops of the 15th Indian corps captured a strongpoint north of Kantha on the Myebon peninsula in eastern Burma, a communique said yesterday. Three enemy counterattacks were repulsed.

The communique said "casualties were inflicted" on a large enemy force encountered in the hills 20 miles northeast of Akay.

Declaring "our troops have made progress," the communique also reported occupation of Mawle, 20 miles south of Gangaw; a successful ambush near Ayadaw.

An allied aerial offensive against enemy airfields in Burma continued Thursday. Heavy bombers attacked runways and pens in the Meiktila group and destroyed a Japanese plane on the ground. Medium bombers cratered runways on three enemy airfields in central Burma. Other allied aircraft hit Japanese positions between Monywa and Mandalay, bombed and strafed enemy troops in Arakan and started fires in ammunition dumps.

Roosevelt Offers

Henry A. Wallace Commerce Post

WASHINGTON (AP)—President Roosevelt has offered Henry A. Wallace the post as secretary of commerce but he may request Jesse Jones to remain as head of the government's lending agencies, a well informed senator said yesterday.

This senator, who declined to be quoted by name, said the only question remaining to be settled was whether the reconstruction finance corporation and kindred agencies should be moved out of the department and headed by Jones in a separate setup.

Nazi Submarine Hideout

ROME (AP)—Hide outs for German midget submarines were discovered Thursday in the northern Adriatic and were raided twice by Balkan airforce planes, causing explosions and fires both among the craft and installations.

Nimitz Announces 22 U. S. Planes Lost

Report Covers Three-Day Action On China Coast

U. S. PACIFIC FLEET HEADQUARTERS, Pearl Harbor (AP)—Fleet Admiral Chester W. Nimitz announced yesterday that American Third fleet carrier forces lost 22 planes in their three-day assault on the China coast in which more than 104,000 tons of Japanese shipping were destroyed and docks and installations ashore heavily damaged.

The brief announcement gave no details of the raids other than the remarkably light plane losses in Admiral William F. Halsey's carrier smashes at Hongkong, Canton, Swatow and Amoy last Saturday, Sunday and Monday.

In the Bonins-volcano islands sector, Nimitz reported, army heavy and medium bombers maintained the aerial blockade of Japanese bases, within 600 miles of Tokyo.

Rocket-armed Marine Mitchell bombers Thursday struck at small enemy convoys north of the Bonins, which probably were trying to run in supplies.

Army Liberators pounded Iwo Jima in the Volcanoes Wednesday for the 13th time this month. It was the 38th air attack since last Dec. 7 on this small island.

Czech Government Plans to Go Home

LONDON (AP)—The Czechoslovak government in London, prompted by a Communist demand for a secession of Ruthenia, is planning to leave for its homeland within three weeks, high Czech sources said last night.

President Eduard Benes and the members of his government are understood to be winding up their affairs here.

This appeared to be a direct contradiction of an earlier plan of the government to resign before leaving, with Benes returning alone in the capacity of president of the republic and forming a new regime from men of the resistance movement.

Diplomatic quarters said they believed the Ruthenian question was responsible.

Local Option Question Will Reach House Floor Next Week

DES MOINES (AP)—Local option in the sale of beer and liquor seemed certain yesterday to come up for debate on the house floor early next week for at least the fourth consecutive Iowa general assembly. It has failed of passage in all previous appearances.

Along with the separate measures apparently will go a third bill to divorce beer and dancing. All three originated in the house, although duplicate local option measures were introduced in the senate yesterday.

Jap Airplane Factories Hit By Superforts

WASHINGTON (AP)—Huge fires were set in one of Japan's most modern airplane plants yesterday by Saipan-based B-29's in their first strike at the Kobe-Osaka industrial area.

The mission was the 10th major was the primary target for upward of 100 Superforts which unloaded their bombs in a daylight raid, 250 miles south of Tokyo with good visibility. Returning B-29 crewmen reported heavy explosions and big fires in the targets.

All the B-29's returned to their bases. Japanese fighter opposition was described in a communique issued here as "slight" and anti-aircraft fire as "moderate and inaccurate."

Tokyo broadcasts acknowledged "some damage" and said the raiders were over the Osaka-Kobe area for an hour.

The mission was the 10th major one against Japanese empire industrial and military targets this year and the 41st since the B-29's got in their first heavy blows last June.

Akashi lies 10 miles west of Kobe. The Kawasaki aircraft plant there is believed by army men to be a principal producer of engines for Japanese military aircraft. It also has an aircraft assembly section.

In hitting it, the B-29's were carrying on the announced strategy of General of the Army H. H. Arnold's 20th airforce.

Tuition

Northwestern Students Protest Increase

EVANSTON, Ill. (AP)—More than 1,200 Northwestern university students staged a demonstration yesterday in protest against increased tuition fees.

Following the demonstration, a group of students met with President Franklin Bliss Snyder and a student spokesman said, "President Snyder made no promises and no commitments."

The students crowded into Cahn auditorium at the suggestion of Snyder who said it was "too cold outside." Originally, the group had scheduled to hold the rally outdoors in front of the Rock, campus landmark.

Joan Wagner, managing editor of the Daily Northwestern, university newspaper, said Snyder asked the student committee to prepare a summary of questions asked during the conference and he would answer them in the Tuesday morning edition of the university newspaper.

Miss Wagner said no action will be taken by the students until after publication of Snyder's answers to the questions.

Supply Lines Opened

WASHINGTON (AP)—Russia has now opened the way for shipment of relief supplies into Poland and Czechoslovakia, the United Nations relief and rehabilitation administration (UNRRA) announced yesterday.

Churchill Receives Vote of Confidence

To Ask Big Three For Power to Settle International Problems

LONDON (AP)—Prime Minister Churchill won a 340-to-7 vote of confidence yesterday after Foreign Secretary Eden announced that President Roosevelt and Premier Stalin would be asked to join in creating immediate international machinery for dealing with problems arising in liberated lands.

Eden disclosed that the appeal for creation of machinery with teeth in it to deal quickly with international political problems would be laid before the forthcoming "Big Three" meeting.

He made the disclosure at the close of a two-day war debate with a blunt demand that the house of commons show whether "we have your support or not." He asserted that he wanted to show the world that the Churchill government was not "tottering."

Eden's call for a vote of confidence came over the protests of a small faction of Laborites who charged the government with putting them on the spot, as technically the balloting was on a \$4,000,000,000 war appropriations bill.

While the vote for the government was impressive, it was pointed out that government supporters made an all-out effort to muster full strength for the expected test—the tenth the Churchill coalition government has survived.

Five Laborites, a Communist and an Independent cast the seven votes against the government, while two Commonwealth party members recorded themselves in opposition but did not vote since they acted as tellers.

QUEEN LIJAMER GETS HER WINGS

PROUDLY WEARING a set of Navy wings is Queen Lijamer of Majuro atoll in the Marshalls. She is shown as she receives visitors, the tattooing on her neck marking her as of royal blood. Capt. Harold B. Grow, USNR, Atoll commander of Majuro, presented the royal native with the U. S. insignia. Seated at the left behind the queen, is one of her ladies-in-waiting. U. S. Navy photo.

The Daily Iowan Salutes—

L'Atelier, the French bulletin published by the students of Dr. Henri Barzun of the romance languages department. Two more issues of the bulletin are projected for this semester to provide valuable experience with living French. The bulletin is receiving wide recognition from newspapers and magazines as the first of its kind to be published at the University of Iowa. Among other publications commending the publication, the New York Times of Jan. 14 carried a news item complimenting L'Atelier.

Work or Be Drafted—

It is quite apparent that President Roosevelt is in full accord with the recommendations of War Mobilization Director Byrnes, when he told Congress, through the chairman of the house-military committee, that the allied total defense requires swift action on legislation putting every man 18 to 45 in the war effort. The President's request is backed by the army and navy high commands who, according to reports are clamoring for young and vigorous replacements and are anxious to meet what they term "acute needs" in the fields and war factories. This request by the chief executive, is in keeping with the administration's policy relating to renewed and accelerated effort toward winning a speedy victory. However, there is much to be said on the side of those who maintain that this drastic move as contemplated by Congress is not actuated by any real shortage of labor but by the inability of those responsible, to exercise greater control over our existing manpower. Those in disagreement with the

The Resolutions We Won't Make—

It seems completely out of place at this time, to attempt to make New Year's resolutions. Yet upon second thought, one can take the position that too many resolutions are made under pressure of the "holiday spirit", and that the ideal time to make them is after sane reflections are removed from the distracting influences so prevalent at yuletide. For the past weeks, in fact since our first issue for 1945, we have been thinking of something to say relative to the New Year and the usual custom of making resolutions. Let us be misunderstood, let us hasten to say that in common with our neighbors, we agree that starting the New Year with a few good resolutions is not a bad habit. What we do say is that most resolutions mean nothing and they are usually made with no intentions of keeping them. Now why do we engage in this fruitless pastime of making resolutions anyway, if we can't resist breaking them. During the holidays we are prone to be expansive, and should we say a bit irresponsible? With the end result that most well meaning resolutions made then, and examined later in the light of cold reason are found to be unsatisfactory and inoperative. We then proceed to discard or forget them. It is for this reason that we have hesitated to offer our resolutions for the New Year. Resolutions we say, should be intelligently considered. The pros and cons examined and them after we have come to a calm decision, as to what we want to do, we should then resolve and at least make an effort to make the resolution stick. As students what should our resolutions be for 1945? Not the same old one about studying at least two hours every night, and then the very next night step out to the neighborhood movie to see our favorite star. Neither should we cross ourselves most solemnly and declare that dates must be relegated to weekends and weekends only, and then to find that in spite of our good intentions we can't resist the urge to run out for just a minute, mind you, for a coke and then find we can barely make it in time for the last signal—10:30 p. m. We could go on and on making these resolutions and breaking them, and resolving anew never to break them, with the same results year after year. You can see now why we say, no resolutions for '45. Instead, we shall do our duty to our fellow men and to our nation. This sounds like a resolution in the making, so 1945 finds us making no promises and giving no advice.

Opposition to Farmer Draft in Congress—

WASHINGTON (AP)—Congressional farm leaders stepped up yesterday their efforts to curb the drafting of agriculture workers—move they say is threatening the nation's food supply. Eleven congressmen, who reported they represented more than 200 of their colleagues, prepared legislation which orders selective service to "comply with" the Tydings amendment, which provides for deferment of essential farm laborers. The measure also requires the agency to issue immediately "a clarifying directive to state and local boards" on the situation. Representative Lemke (R., N. D.), chairman of the 11-man committee, said misinterpretation of a Jan. 3 selective service directive

Hsiang Shia Discusses— Bombing China

"Bombing the China coast and road... after the United States forces open strategic seaports and if air transportation continues." Hsiang Shia, a graduate student in the department of physical education, speaks with authority. He traveled in the Japanese-Philippine-Chinese area as a Chinese representative to the Far Eastern Olympic games. Asked for an explanation, Shia drew a rough map, pointed to a penciled dot, and said, "Here is Peiping, up here in northern China. From here, there are two main railroads... one leading to Hong Kong, the other to Shanghai. Controlled by the Japanese, they are doing a record business moving supplies and troops... or have been, until recently. Precision bombing by B-29's is destroying the tracks, as well as adjacent supply centers." Formosa is the object of almost daily raids because, in Shia's opinion, this fortress island must be under American control before landings on the China coast may be made. Landings on the China coast! Everyone talks of the invasion of Japan... the march on Tokyo... very few mention landings in China. Shia pointed out, "Japan is hoping we'll try an invasion of her homeland so she can move to China, and the fighting will take place on Chinese soil. The Japanese want to preserve their land at all costs." In Shia's opinion, our first job is to clear China of enemy occupation, which can be done more quickly "after the Chinese recapture Wanting, the Burma road town, which will open the Burma

Paul Mallon Discusses— THE FOOD SCARE

WASHINGTON—The government is sponsoring a food scare. New York's Mayor LaGuardia has been calling for meatless days. Local rationing boards are putting out to their newspapers around the country alarming predictions of scarcities. Some people are concluding it is just the usual government fright campaign to get a desired popular reaction, but this time it is real. Hard as this may be for the average maidless housewife in the kitchen to believe, after all she has been hearing about great food stockpiles in government hoarding to feed the world, and large reserves bought up by the army and navy, the truth is we could lose this war on the food front if we do not have good food crop weather this spring. Behind the tightening condition is an explanation the government is not telling, namely that it mismanaged its food supplies situation last year and is now reaping the harvest of its mistakes. Look at poultry. The government last summer thought it was faced with an over-supply, expected the war to be won swiftly in France, and discouraged poultry raisers from hatching eggs. That now proves to have been bad judgment, and there is a shortage of poultry. In hogs, the farmers were similarly scared of an over-supply, and reduced their feeder schedule upon government advice. We are now short on pork. The sheep feeders ran into cold weather at lambing time last year, and we have a shortage of lamb. Beef has been handled so sloppily as to discourage production. Last summer both the OPA and WFA (war food administration) promised no ceiling price would be put on cattle, but one is now about to be applied. An investigator went out to the Midwest to hold hearings and reported the farmers were for a \$17.50 ceiling. This proved to be

KEESLING TAKES HIS TROUBLES TO HOUSE COMMITTEE

Col. Francis Keesling, Selective Service liaison officer, is shown above at left pointing out the manpower situation by means of a chart to Chairman Andrew May of the military affairs committee.

Opinion On and Off the Campus— Should Cigarettes Be Rationed?

Pvt. Derek Voogd of Aplington: "I think that it is a good idea and could help relieve the shortage. It should give regular smokers a chance to buy cigarettes." Norma Pittenger, A1 of Des Moines: "I think that it is silly. It won't relieve the shortage because many distributors keep cigarettes for themselves and their friends. That is the real cause of the shortage." Prudence Wheeler, A2 of Rock Island, Ill.: "I'm going to quit smoking when the rationing program goes into effect. Because of the strict regulations I think many people will give up smoking altogether." Annette Wareham, A1 of Denison: "I think that if college students under 21 can get the ration cards the plan will suit me fine. All university students should have just as much chance to get cards as other smokers." Louise Boyer, A3 of Davenport: "I think rationing of cigarettes will make for a better distribution. As it stands now, certain people get cigarettes while others get none at all." Rosemary Ehred, A3 of Forest City: "I think it's a very good idea, because under rationing many people will cut down on their daily consumption of cigarettes." Lorretta Mae Gerdes, A2 of Monticello: "I don't happen to smoke myself, but I imagine I'd still buy them for my room-mate, and lots of other non-smokers would probably buy them, too." Dorothy Uhler, PE 2 of Palmyra, Mo.: "I believe that everybody would register to receive cigarettes just as they did for other rationed items, whether they wanted any themselves or not. It would stop uneven distribution to some extent, however." Ellen Thompson, A2 of Iowa City: "It would relieve the situation by bringing about a more fair share for everybody, and it would stop some people from buying more than they actually need." Jean McFadden, A4 of Oskaloosa: "I don't think cigarette rationing would be effective. Some people are such habitual smokers that a black market would probably be created. This would defeat the purpose of rationing. It doesn't affect me, however, because I don't smoke." William T. Barnes, tobacco salesman of Iowa City: "If there is a real shortage, and I doubt that there is, the ration system might be all right. However, I think that steady customers would still get the cigarettes from the dealers regardless of a ration system." Freda Mikulasek, A3 of Newton: "I don't think plans to ration cigarettes are very sound. So many people don't have a regular place where they buy cigarettes. This is true all over the country, but university students are a good example of this." Jean McFadden, A4 of Oskaloosa: "I don't think cigarette rationing would be effective. Some people are such habitual smokers that a black market would probably be created. This would defeat the purpose of rationing. It doesn't affect me, however, because I don't smoke." William T. Barnes, tobacco salesman of Iowa City: "If there is a real shortage, and I doubt that there is, the ration system might be all right. However, I think that steady customers would still get the cigarettes from the dealers regardless of a ration system." Freda Mikulasek, A3 of Newton: "I don't think plans to ration cigarettes are very sound. So many people don't have a regular place where they buy cigarettes. This is true all over the country, but university students are a good example of this." Jean McFadden, A4 of Oskaloosa: "I don't think cigarette rationing would be effective. Some people are such habitual smokers that a black market would probably be created. This would defeat the purpose of rationing. It doesn't affect me, however, because I don't smoke." William T. Barnes, tobacco salesman of Iowa City: "If there is a real shortage, and I doubt that there is, the ration system might be all right. However, I think that steady customers would still get the cigarettes from the dealers regardless of a ration system." Freda Mikulasek, A3 of Newton: "I don't think plans to ration cigarettes are very sound. So many people don't have a regular place where they buy cigarettes. This is true all over the country, but university students are a good example of this." Jean McFadden, A4 of Oskaloosa: "I don't think cigarette rationing would be effective. Some people are such habitual smokers that a black market would probably be created. This would defeat the purpose of rationing. It doesn't affect me, however, because I don't smoke." William T. Barnes, tobacco salesman of Iowa City: "If there is a real shortage, and I doubt that there is, the ration system might be all right. However, I think that steady customers would still get the cigarettes from the dealers regardless of a ration system." Freda Mikulasek, A3 of Newton: "I don't think plans to ration cigarettes are very sound. So many people don't have a regular place where they buy cigarettes. This is true all over the country, but university students are a good example of this." Jean McFadden, A4 of Oskaloosa: "I don't think cigarette rationing would be effective. Some people are such habitual smokers that a black market would probably be created. This would defeat the purpose of rationing. It doesn't affect me, however, because I don't smoke." William T. Barnes, tobacco salesman of Iowa City: "If there is a real shortage, and I doubt that there is, the ration system might be all right. However, I think that steady customers would still get the cigarettes from the dealers regardless of a ration system." Freda Mikulasek, A3 of Newton: "I don't think plans to ration cigarettes are very sound. So many people don't have a regular place where they buy cigarettes. This is true all over the country, but university students are a good example of this." Jean McFadden, A4 of Oskaloosa: "I don't think cigarette rationing would be effective. Freda Mikulasek, A3 of Newton: "I don't think plans to ration cigarettes are very sound. So many people don't have a regular place where they buy cigarettes. This is true all over the country, but university students are a good example of this." Jean McFadden, A4 of Oskaloosa: "I don't think cigarette rationing would be effective. Some people are such habitual smokers that a black market would probably be created. This would defeat the purpose of rationing. It doesn't affect me, however, because I don't smoke." William T. Barnes, tobacco salesman of Iowa City: "If there is a real shortage, and I doubt that there is, the ration system might be all right. However, I think that steady customers would still get the cigarettes from the dealers regardless of a ration system." Freda Mikulasek, A3 of Newton: "I don't think plans to ration cigarettes are very sound. So many people don't have a regular place where they buy cigarettes. This is true all over the country, but university students are a good example of this." Jean McFadden, A4 of Oskaloosa: "I don't think cigarette rationing would be effective. Some people are such habitual smokers that a black market would probably be created. This would defeat the purpose of rationing. It doesn't affect me, however, because I don't smoke." William T. Barnes, tobacco salesman of Iowa City: "If there is a real shortage, and I doubt that there is, the ration system might be all right. However, I think that steady customers would still get the cigarettes from the dealers regardless of a ration system." Freda Mikulasek, A3 of Newton: "I don't think plans to ration cigarettes are very sound. So many people don't have a regular place where they buy cigarettes. 'Live Y-Ers' Name Head

Helen Klahn Appointed Chairman of Housing Unit Representatives

Helen Klahn, A3 of Marshalltown, was introduced as the newly-appointed chairman of the "Live Y-Ers," Y. W. C. A. publicity group...

The "Live Y-Er" organization originated at the end of last semester. It includes one woman from each of the housing units on campus...

Sorority "Live Y-Ers" are Lois McIntosh, A1 of Villisca, Alpha Chi Omega; Janice Pedersen, A2 of Marshalltown, Alpha Delta Pi; Lois Jeanne Long, A2 of Cedar Rapids, Alpha Xi Delta...

Representing Currier hall are Nancy Noble, A1 of Princeton, Ill.; Topsy Carberry, A1 of Cedar Rapids; Elaine Williams, A1 of Des Moines; Ruth Barstow, A1 of South Bay, Fla.; Doris Jackson, A2 of Cedar Rapids; Rena Zook, A3 of Hamburg; Mary Crawford, U of Des Moines; Helen Klahn; Marjorie Swanson, A3 of Webster City; Eloise Finch, A1 of Davenport; Ruth Roepke, A1 of Oelwein; Patricia Short, A2 of Des Moines and Jeanne Wheeler, A1 of Webster.

Mildred Fischer, A1 of Wellsburg, is in charge of "Y" publicity at the Commons and Marjorie Morley, A3 of Quincy, Ill., at Clinton Place.

Currier Annex "Live Y-Ers" are Barbara Brunelle, A1 of Ft. Madison, McChesney house; Seena Ceccarelli, A1 of Madrid, Russell house; Betty Dress, A1 of Carroll, Lambert house; Yvonne Franke, A1 of Brookings, S. D., Howard house; Ruth Olson, A2 of Iowa City, Fairchild house, and Bette Jo Phelan, A2 of Mason City, Currier annex.

Military officials still are urging more use of V-mail in writing to men overseas, and according to Walter Barrow, Iowa City letter-writers are among the guilty.

Only about 55 percent of the city's overseas letters are written on these government forms which may be obtained free at any post office.

Postmaster Barrow stated that between 70 and 80 percent of the correspondence to men overseas is sent by air mail. Iowa City's mail would go to its fighting men much faster and save the government critically needed cargo space if 100 percent of the writers would use V-mail.

Postmaster Barrow stated that between 70 and 80 percent of the correspondence to men overseas is sent by air mail. Iowa City's mail would go to its fighting men much faster and save the government critically needed cargo space if 100 percent of the writers would use V-mail.

THE PRIVATE GETS HIS MEDAL FROM THE PRESIDENT

PRESIDENT FRANKLIN D. ROOSEVELT DECORATES Pfc. Lloyd C. Hawks, Park Rapids, Minn., with the Congressional Medal of Honor for gallantry in action near Carano, Italy, last January. Private Hawks, acting as an infantry medical man, received his award for saving the lives of three other American soldiers although under heavy fire and severely wounded himself. He was accompanied to the White House by his two brothers. (International)

RESCUE BOAT ATTACKED AS IT AIDS STRICKEN LST

ALL HANDS ABOARD THIS RESCUE BOAT prepare for a "follow-up" attack from Japanese bombers as they endeavor to aid the crew of the burning LST, background, a victim of the Nip aircraft off Mindoro island. Flames leap from the vehicles and equipment on the decks of the bombed landing ship. This is an official U. S. Navy photo. (International Soundphoto)

Presidential Inauguration to Be Aired

The official inauguration of President Franklin D. Roosevelt will be broadcast over WSUI at 10:45 this morning by Bill Henry and Bob Trout, announcers for the Columbia Broadcasting system. This program will be broadcast through the courtesy of station WMT in Cedar Rapids.

Parent Teachers Program Dr. Edwin Voigt, president of Simpson college, will discuss the topic, "These are Freedom's Children" this morning at 9 o'clock over WSUI. This program, sponsored by the Iowa Congress of Parents and Teachers, will be broadcast through the facilities of the educational stations of Iowa.

Beyond Victory—What "Dumbarton Oaks and Our Post-War Social Welfare" is the topic for discussion over WSUI at 12:45 p. m. on the transcribed program, Beyond Victory—What? The World Wide Broadcasting foundation has given wholehearted cooperation to the state department by arranging this special group of broadcasts in which distinguished speakers through clear and thoughtful discussion will bring to the radio listeners a real understanding of the Dumbarton Oaks proposal.

'Best Fighters' Lieutenant Addresses Masons

"Because American boys have been accustomed to competition in the realm of sports all their lives, they now are the best fighters in the world," said Lieut. Ben Becker of the navy pre-flight school here yesterday. Speaking before the regular Friday noon luncheon of the Masonic lodge, Lieutenant Becker, who was a flight officer on an aircraft carrier, told of life on a small navy flat-top, where every man knows and does his job. Stressing the importance of radar in naval operations, Becker said, "Radar's greatest value is in air attack. By the use of radar on the sea no one can sneak up on you, since you can detect the enemy many miles distant. The use of radar will also disclose whether the plane is friend or foe." A veteran of the battle of Tarawa, Lieutenant Becker named one of the strongest points in the Japanese air ability by saying that the Japs are great at night attacks. "The Japs also use radar because the army has captured radar from their troops," he said. Becker acclaimed marine fliers who joined his aircraft carrier. This group of fliers was one of the first night fighting marine units in the Pacific to be equipped with radar.

Hawkeyes Win in Last Two Minutes

Wier's Scores Stop Michigan

His Three Baskets Defeat Wolverines By 29 to 27 Margin

By FRANK KENESSON
ANN ARBOR, Mich. (AP)—Iowa's undefeated Hawkeyes trailed Michigan for almost 39 minutes here last night before tiny freshman forward Murray Wier popped in the winning basket in a 29 to 27 basketball victory over Michigan. It was Iowa's third straight Big Ten victory and its ninth in a row over all comers.

Wier, tiny little five-foot, eight-inch substitute brought the Hawkeyes from behind with three straight sensational baskets in the waning minutes after Michigan had held a 15-11 halftime lead which the Wolverines stretched to 25-16 at a point midway through the final half.

Wier Steals Ball
Michigan was leading 27-22 when Wier stole the ball under the Wolverine basket and hooked in his third field goal of the game. Seconds later he counted on a fast break and after a scoreless three-minute stretch he connected again, this time from close range to put Iowa on top 28-27 with a minute and a half to play.

Jack Spencer's successful free throw with seconds remaining only served as an anti-climax.

Off Shooting
The tall Hawkeyes were badly off their shooting eye in the early stages of the game and played surprisingly weak basketball off the boards despite their edge of two inches a man.

Altogether Wier scored five baskets and a free throw after Michigan had grabbed a 6-0 lead in the first 10 minutes of the game.

Joe Zarhardt Paces Tucson Golf Tourney

TUCSON, Ariz. (AP)—Shy Joe Zarhardt, Philadelphia, Pa., open champion skinned over the El Rio course in 65 strokes, five under par, to take undisputed leadership yesterday in the first round of the \$5,000 Tucson Open Golf tournament.

The lanky Norristown, Pa., pro held a one-stroke margin over five golfers deadlocked for second place at 66. They were Leonard Dodson, Kansas City, Mo.; Claude Harmon, Leehammer, Mich.; Bruce Coltart, Atlantic City, N. J.; Leland Gibson, Randolph Field, Tex.; and Jim Gauntt, Ardmore, Okla.

Four Tie
Co-favorites Sam Snead, Hot Springs, Va., and Byron Nelson, Toledo, Ohio, were in a third place tie at 67 along with Harold McSpaden, Sanford, Me., and Jack Gage, Long Beach, Calif.

One of the highlights of the day was a 71, one over par, scored by 55-year-old Charles (Chick) Evans, Chicago, who was United States Open and amateur champion as far back as 1916.

Chick, playing in a threesome with Nelson, went around the first nine in 32, only one stroke more than Lord Byron needed.

Ed, Furgol, Detroit, nosed out Chick for top amateur honors of the day. The Michigan star had a par 70.

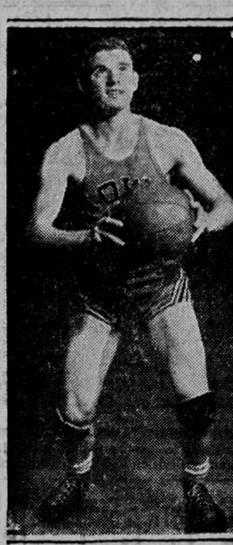

Big Ten Standings

Team	W	L
Iowa	3	0
Illinois	2	1
Ohio State	2	1
Northwestern	2	2
Wisconsin	1	1
Indiana	1	1
Michigan	2	3
Purdue	1	3
Minnesota	1	3

Clerk Issues License
A marriage license was issued by the clerk of the district court to Robert L. Dahneke, 21, and Edith Evans, 22, both of Iowa City.

CO-CAPT. JACK SPENCER
Iowa Guard

MURRAY WIER
Iowa Forward

THE TWO HAWKEYE basketballers pictured above earned the hero roles last night as the Hawks worked out their third conference win over Michigan by a score of 29 to 27. The triumph, acquired in the last two minutes of play, came as a result of three baskets by little Murray Wier, at the right, and a final foul shot by Jack Spencer, at left. Iowa trailed the Wolverines for almost 39 minutes.

City High Overcomes River Kings

By CHAR FERRIS
Daily Iowan Sports Writer

After holding the league-leading Clinton quintet to two field goals in the first three quarters of the game, City high's Little Hawk eagles stayed off a last quarter rally by the River Kings to earn a 34-24 victory last night over Clinton.

Last night's triumph, which saw the Hawkeyes red hot in the first three quarters but ice cold in the last eight minutes, tossed the Clinton basketballers out of first place in the conference and put the City high five in a two-way tie with Davenport for the top spot.

Take Possession
From the opening tip-off, when Iowa City took possession of the ball, it was a walk-away for the Hawkeyes, that is until in the fourth quarter they suddenly fell apart at the seams and garnered only one free throw while Clinton racked up 13 points.

Pacing the attack of the Hawkeyes was Bob Freeman who looped in four field goals and three free throws for a total of 11 points. Close behind Freeman was Jim Van Deusen who tossed in four two-point markers and a free throw for nine points.

Two Standout
Freeman and Van Deusen were both outstanding for the Little Hawks in the first three quarters, as the former's one handed pivot shots from in front of the basket were working to perfection, and Van Deusen hit squarely from all parts of the floor.

Partly responsible for City high's success was big, loose-jointed Don Sehr, who had complete control of the rebounds, a fact which kept the ball in Iowa City's possession most of the game.

Forced to Shoot
Clinton's cagers, who were forced to shoot from out on the floor for the first three quarters, were way off the basket, most of the evening with only two field goals finding their mark in the first 24 minutes of the contest.

By half-time the Little Hawks had piled up a 19-7 lead, but came back even stronger in the third quarter to push ahead, 33-11. From that point on, the Red and White cagers were completely stalemated, while Clinton's offensive machinery began to move at a rapid pace, leaving the Little Hawks badly outplayed in the last quarter.

In Command
Completely in command in the first half, the Little Hawk score mounted as Van Deusen flipped in three baskets, Sehr, two, and Bud Ruppert and Freeman each one. Garnering five points on free throws, Clinton's only field goal came when Lutz dropped one in the first minute of the second quarter.

Starting off in whirlwind fashion the second half, score by Van Deusen and three successive goals by Freeman seemingly put the game on ice for the Hawkeyes as they then led 28-7.

Sorry Quarter
But the last quarter was a sorry one for them as the River Kings finally found their bearings, and led by Peterson and Burridge, chalked up 13 points to the one lone free throw for the Red and White.

In the freshman-sophomore

Hawkeye Wrestlers Face Badgers Today

Macias, Counsell Favored in Bouts; Howard Confident

Leaving yesterday for Madison, the Hawkeye wrestlers face their initial test of the season at 3 o'clock today against Wisconsin. With the exception of Romeo Macias, captain, the Iowa matmen are untried in collegiate competition. Several of the squad have, however, had the benefit of high school experience.

Captain Macias took the conference crown in the 128-pound class last year and seems like a good bet for a repeat performance. He will wrestle at 136 in the dual meets, training down to 128 in time for the conference championship bouts.

Howard Confident
Coach "Mike" Howard is fairly confident of the ability of three others of the squad to bring home the bacon, though. Virgil Counsell of Osage, wrestling at 155, is a former state prep champion and has showed up very well in the try-outs.

Another former high school star, Gene Jeys, enrolled in the university this semester. Jeys will start in the 165-pound slot, making that bout fairly certain for Iowa.

A product of the physical education wrestling classes, Jim Woltz of Burt has come along rapidly. He shows a lot of promise, Howard reports, and stands an excellent chance of victory over the Badger 175-pounder.

Hawks Green
The rest of the Hawks are comparatively green, and their chances are somewhat of a question mark, but a victory by any one of them might clinch the meet for Iowa.

They are: 121, Edwin Rein of Burlington; 128, Kenneth Potter of Renwick; 145, Lynn Frink of Tama; and heavyweight, Arthur Clark Jr., 185-pound Humboldt freshman.

A blow to the Hawkeyes was the loss of Gerald Rousch, 145-pounder, who cut his wrist two days ago. With luck Rousch may be ready for the Minnesota meet on Feb. 3.

Wisconsin Not Tough
Howard said that he thought Wisconsin would not be too tough. He hopes to take four bouts, those being the ones in which Macias, Jeys, Counsell and Woltz will compete. He also said that if he took any one of the other matches the squad would have a good chance of winning the meet.

game preceding the varsity contest, the City high basketballers lost 29-22. High man for Clinton with 12 points was Jim Higgins, while Jim Sangster paced the losing team by tossing in 10 points.

Illinois Halts Northwestern By 51 to 42

Kirk's Field Goal Smashes Deadlock; Morris Gets 16 Points

CHAMPAIGN, Ill. (AP)—Northwestern university, early season contender for the western conference basketball title, was given a setback last night by the University of Illinois which made a last period rush to beat the Wildcats, 51-42.

Illinois, trailing 22-18 at the half, came back in the final stanza to tie the count at 37-37 with seven minutes left to play after the lead had changed hands seven times. Junior Kirk's field goal broke the deadlock and the Illini stayed in front from that point on.

Early Lead
The Illini had started off with a 7-2 lead, but relinquished that margin midway of the first half and were unable to get out in front until the closing minutes of the game.

Max Morris, Northwestern's high-scoring center, was held without a field goal by Don Delaney until after 14 minutes of play, and then went on to tally 16 points to lead both clubs at the basket. Howie Judson and Jack Burmeister scored 13 each for the Illini.

U-High Falls To Anamosa Five, 47 to 34

Anamosa's Blue Raiders, featuring a fast break which the University high men seemed unable to stop, continually outplayed the Blue Hawks last night at Anamosa to top the locals, 47 to 34.

Led by Frank O'Brien, center, who held the key post in the Raider offense, the victors sewed up the contest from the start, leading at the end of the first period, 14 to 5, at halftime 22 to 11, and at the end of the third frame, 35 to 21.

O'Brien, who played an outstanding game in all phases of play, scored 15 points to lead the scorers on both squads. Jack Kennedy, University high center, led the Rivermen on offense with 11 markers, and he was tied for second in overall scoring honors by Cletus McNamara of Anamosa, who also tallied 11 markers.

In scoring their victory, the Blue Raiders, due to the fast break, were able to count time and time again from in close. Another feature of the contest was the superior rebound getting abilities of the victors on both backboards. The Rivermen were seldom able to take but one shot at the basket before the ball was taken away from them by the ball-hawking Raider quintet.

After the second half started, the Blue Hawks held their own with the Blue Raiders.

Maybe So

About City's Hawklets
Note of Frustration

By BOB KRAUSE

WE WERE privileged last night to watch one of the best high school teams we have ever had the pleasure to see in action. It all happened when we ventured out to watch City high's Little Hawks beat the Clinton high River Kings to the tune of 34 to 24.

For three quarters of the battle Wally Schwank's men made the River Kings look more like pudgy peasants. But, in the third period, a link broke somewhere along the line, and a smooth-rolling machine began to sputter on all cylinders.

Good Ball Club
But, all in all, Schwank has developed a ball club of which he can be proud.

By far the most impressive of all the Hawklets, from our point of view, was long, lean and terrific Jimmy Van Deusen, who seems to be doing a fine job of following in the footsteps of a famous dad. The only sad thing about it is that young Jimmy is said to be heading for Ames upon high school graduation.

Aside from one or two minor defensive faults this Van Deusen is a beautiful ball player. He is a smooth passer, fast on his feet and seems possessed of a natural one-handed push shot.

Ample Height
He accomplishes this last maneuver by taking a pass along the side and then cutting across the foot line. The spring in his long legs enables him to get ample height on his jump and push.

Schwank appears to have worked wonders with loose-limbed Don Sehr, the giant center. Sehr still has not mastered the knack of getting off his feet in order to get rebounds, but he proves his value by scrapping hard for every loose ball.

Enthusiastic Play
We were further impressed by the enthusiastic play of Bob Freeman. Here is a boy who gets more pleasure out of playing a game than anyone we've seen in a long while. He got a good deal of joy out of riding the Clinton players—much to their discomfort. All in the game.

The defense of the Little Hawks also had the River Kings squirming. Time after time Clinton would race pell mell down the floor only to run into sort of an elastic stone wall.

Well, considering everything, City high can well be happy about its team. Last night they showed the ability to punch through what, at times, was a well-knit defense. Most important of all the Hawklets, for the most part, were cool fire. Dick Kallous seemed to us to be the steady influence—a human block of ice.

JIM HANSEN is now registered for this semester at the University of Iowa. That's all brother.

Central Beats St. Patrick's

Playing for the second time this year on a foreign court, the Shamrocks of St. Patrick's went down to defeat last night, 35-29, at the hands of a strong Catholic Central team of Ft. Madison.

Red Gatens was high scorer for the Shamrocks, with eight baskets and one free toss to his credit for a total of 17 points.

St. Patrick's meets St. Mary's Wednesday night at 8:00 on the Ramblers' floor.

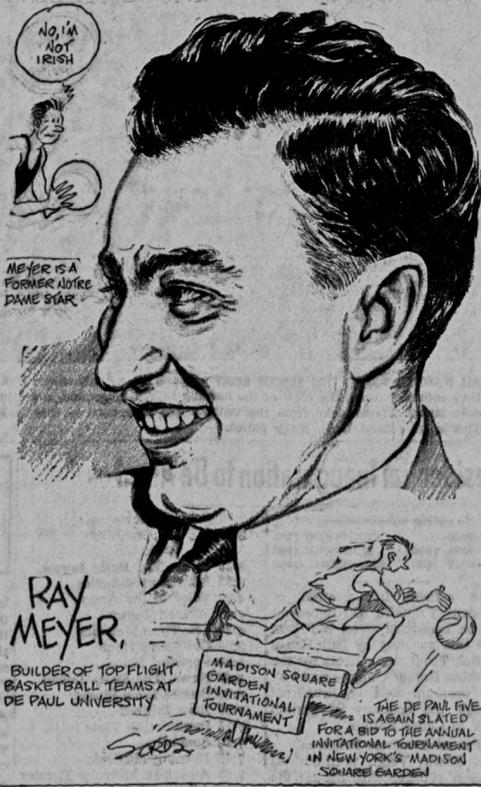

Costner Wins

CHICAGO (AP)—George "Sugar" Costner, lanky Cincinnati welterweight, rocketed to his 23rd consecutive knockout by defeating Richard "Sheik" Rangel, Fiesgo, Calif., in the first round of their scheduled ten round bout in the Chicago stadium last night.

The willing but none too competent Mexican was a wide open target for the sharpshooting Negro. The first left hook Costner landed staggered Rangel and another right to the chin floored him for a count of nine. Rangel got up to be cracked with another right that knocked him sprawling on his face. The bout lasted exactly one minute and 22 seconds. Costner weighed 147½ to 149 pounds.

GARDEN BOUND

By Jack Sords

Lippy Leo Talks About a Shell

By WHITNEY MARTIN

NEW YORK (AP)—Leo Durocher had just reached the point in the story where Umpire George Mabeurkth yelled "You out" to Pee-Wee Reese, with gestures, when there was an ominous car-rump nof far away and the tent danced an impromptu little jig.

Now you'd think that the manager of the Brooklyn Dodgers wouldn't be startled by any strange noise, as if there is any noise that hasn't at one time or another been heard at Ebbets Field it's just an oversight. But Leo Durocher is no dope. He knew where he was, which was pretty close to the front lines in Italy, and he knew the noise he heard wasn't a cork popping. It was a German shell.

Leo Freezes
Leo, his right thumb jerked upward illustrating Magerkurth's gesture, froze in that position. His gaze slanted slowly downward toward a colonel in the front row of the tent full of soldiers. The colonel waved a hand reassuringly.

"That's all right," he comforted, "When the boys start to leave the tent you'll know they're getting close."

"And the first one of you guys who gets up to go, make a path for me," Durocher advised. "I'll be the first one out of here."

That was just one of the innumerable interesting experiences encountered by Durocher and the other members of his baseball troupe—Nick Etten of the Yankees, Joe Medwick of the Giants and sportswriter Tom Meany—on their tour of the Mediterranean theater.

Big Ten Leaders Seek Commissioner

CHICAGO (AP)—Athletic directors and faculty representatives of the Big Ten meet jointly here today to consider a successor to the late John L. Griffith as conference athletic commissioner.

Guy Mackey of Purdue, chairman of the athletic directors committee, and Prof. W. F. Lorenz of Wisconsin, faculty chairman, indicated the session would be a preliminary sifting of candidates, but two weeks ago the athletic directors held an unannounced get-together presumably for the same reason.

The faculty group must approve any candidate recommended by the athletic directors.

The choice reportedly rests between Athletic Directors Kenneth L. (Tug) Wilson of Northwestern and H. O. (Fritz) Crister of Michigan, although neither is seeking the job. The two are members of an executive committee temporarily in charge of the commissioner's office.

Griffith died of a heart attack during the Big Ten's winter meeting early in December. He had been the conference's first and only previous commissioner.

from which they returned this week with a tremendous admiration for our boys overseas.

Act Everywhere
They put on their act everywhere—in a small tent where the rain beat down so hard even Durocher's dulcet voice couldn't be heard unless he stood directly in the center; on a makeshift stage so cockeyed the entertainer would stand at one end, slowly stride to the other, the hike back to repeat the process all over; in settings so surrounded by mire the bulldozers were calling for help.

And there was the time when Durocher, dead tired, plopped into a chair to await an elevator in a Florence hotel lobby, and a muck-raked young lieutenant walked in, started to pass, stopped, stared and said simply:

Brooklyn Boy
"I don't believe it." He was just a Brooklyn boy who hadn't seen Durocher in two and a half years, and was so homesick for the borough he wouldn't leave the little troupe.

There was the Spaghetti Bowl football game, a sight Durocher and his companions never will forget, with the stadium a solid mass of khaki, and enthusiasm matching any American college contest.

"What Happened"
There were the other boys from Brooklyn who would ask quietly: "What happened to the Dodgers last year, Leo?" There were the Italians who would sneak into the shows just to get warm, and the two ex-bookies who wondered why they'd banned racing here when they had trotting races every Sunday in Rome.

CHURCH CALENDAR

(For Tomorrow and Next Week)

St. Paul's Lutheran University Church

Jefferson and Gilbert streets
The Rev. L. C. Wuertel, pastor
9:30 a. m. Sunday school with Bible class for all.

10:30 a. m. Divine worship in which the pastor will speak on "A Storm-Proof Faith."
11:30 a. m. The Lutheran hour over WMT or at 1 p. m. over KXEL.

5:30 p. m. Luncheon for all students and young people sponsored by Gamma Delta, national association of Lutheran students. You are welcome.

6:30 p. m. A planned evening of social fellowship to which you and your friends are invited to attend.

Congregational Church

Clinton and Jefferson streets
The Rev. James E. Waery, minister

9:30 a. m. Church school, Allen R. Conley, superintendent. Classes for all grades, high school, I.P.F.
10:30 a. m. Hour of morning worship. Sermon by the pastor, "Marks of Good Churchmanship."
4:30 a. m. Bible vesper hour for students and townpeople, led by Prof. David Shipley. A nursery is maintained during the hour of morning worship for the convenience of parents with small children.

Congregational-Christian, Evangelical and Reformed groups: 4:30 Bible vesper hour, Prof. David Shipley; 5:30 social time, 6:00 supper; 6:45 vesper (students); 7:00 program, Mrs. Kern, book review, "Nurses' Night"; post program, "Ember Hour" for those who "seek deeper meanings."
7:15 p. m. High School University of Life at the Presbyterian church.

Wednesday, 12:00 noon, Men's luncheon at the church.

First Baptist Church

Clinton and Burlington streets
The Rev. Elmer E. Dierks, pastor
9:30 a. m. The church school. Classes for all. Families are invited to come together for Sunday school and church services. Small children may be left in the nursery.

10:30 a. m. Church service of worship and sermon by the pastor, "Spiritual Mathematics."
7:15 p. m. University of Life for high school age boys and girls at the Presbyterian church.

Roger Williams House

Baptist Student Center
230 N. Clinton street
9:30 Bible study class for university students and all other young people of university age. The subject of study is the life of our Lord. The pastor is the leader.

5:00 p. m. Cadet Arthur "Bud" Van Eck of the Iowa Naval Pre-Flight school, will lead the vesper service of the Roger Williams fellowship. "The Lordship of Jesus: What it Means to Me," will be the subject for discussion.

Roger Williams house welcomes students, military men and women and other older young people at all times for informal recreation or fellowship, and the pastor is available for consultation.

The Little Chapel

Clinton and Jefferson streets
The Little Chapel at Clinton and Jefferson streets is open daily to all faiths, for meditation and prayer. Stop in, offer a prayer for a loved one in service. Enter his name in the altar book with his address and he will receive a letter to remind him that someone was in the Little Chapel to remember him in prayer.

Unitarian Church

Iowa avenue and Gilbert street
The Rev. Evans Worthley, pastor
No morning service.
4:45 p. m. Candlelight vesper service. Special music; sermon topic "A Living Religion."

The First English Lutheran Church

Dubuque and Market streets
The Rev. Ralph M. Krueger, pastor
9:30 a. m. Sunday school.
10:45 a. m. Morning worship. The subject of the pastor's sermon will be "Why Don't We Believe?"
6:30 p. m. Luther league meeting at the church.

Lutheran Student association: Meeting at the First English Lutheran church, 5:30 p. m., luncheon and fellowship hour. 6:30 p. m., discussion meeting on the theme "What the Bible Says About the Will of God." Leaders are Catherine Heise and Corvally Kemish.

Coraville Bible Church

Affiliated with the Evangelical Free Church of America
The Rev. Rudolph Messerli, pastor
10:00 a. m. Sunday school with classes for all. Leo Bergthold, superintendent.
11:00 a. m. Morning worship service with sermon by the pastor.
2:30 p. m. Sunday school teachers' meeting in the pastor's home.
7:45 p. m. Evening gospel meeting opening with song service. The sermon, "The Final Renovation of All Things" will be concluded.
Wednesday, 2:30 p. m. Women's Christian fellowship meeting in the pastor's home.
Thursday, 8:00 p. m. Prayer

meeting and Bible study in the pastor's home.

The question "What Is Necessary for Successful Christian Living?" will be discussed.

Mennonite Gospel Mission

614 Clark street
Norman Hobbs, superintendent
10:00 a. m. Sunday school for all ages.
11:00 a. m. Sermon hour, "True Estimate of Values."
7:00 p. m. Young peoples' service, "Temptations and How to Meet Them." Children's meeting in basement of church with a junior program on the subject of temptation.

8:00 p. m. Sermon Evangelistic, "Pharaoh, a Type of the Evil One." Thursday 7:45 p. m. Cottage meeting at the home of Mr. and Mrs. Jake Rouser, 654 S. Governor street.
Wednesday 7:00 p. m. Boy's craftsman class for the boys of Iowa City at 803 Roosevelt street. Junior age.

First Church of Christ, Scientist

722 E. College street
9:45 a. m. Sunday school.
11:00 a. m. Lesson sermon, on the subject of "Life."
A nursery with an attendant in charge is maintained for the convenience of parents with small children.

8:00 p. m. Wednesday, testimonial meeting.
A reading room at the same address is open to the public between the hours of 2 and 5 p. m. each day except Sundays and legal holidays.

First Presbyterian Church

26 E. Market street
Dr. Elton T. Jones, pastor
9:30 a. m. Church school. All departments meet at the same hour. Robert C. Wilson, superintendent.
9:30 a. m. Princetonian class taught by Prof. H. J. Thornton.
9:30 a. m. Couples' class taught by Mr. M. E. Steele.

10:30 a. m. Service of worship. Sermon, "Guardians of the Faith," by Dr. Jones.
4:30 p. m. Westminster fellowship vesper. Harry Aucther will be the student worship leader, and the speaker is Pfc. Robert Bickford. His subject is "The Christian Use of Silence." All students and service men and women may attend.

6:00 p. m. Westminster fellowship supper and social hour. Lois Schaller, supper chairman.
7:15 p. m. University of Life for all high school students.
A nursery is maintained during the morning service for the convenience of parents with small children.

Trinity Episcopal Church

212 S. Johnson street
The Rev. Frederick W. Putnam
8 a. m. Holy communion; corporate communion of the Canterbury club followed by breakfast.
9:30 a. m. Upper school class.
10 a. m. High school class.
10:45 a. m. Morning prayer and sermon. Special offering for theological seminaries. Lower church school in the parish house.
4 p. m. Evensong service. Presented by the Canterbury club choir, followed by supper meeting for college students and cadets.
Tuesday: 1:30-4:30 p. m. The Rector's conference hours for students at the parish house.
7 p. m. St. Vincent's guild, parish house.
7:30 p. m. Explorer Scouts meeting, parish house.
Wednesday:
7 a. m. Holy communion
10 a. m. Holy communion
7 p. m. Senior choir
8 p. m. Inquire's class
Thursday: Conversion of St. Paul
7 a. m. Holy communion, chapel
10 a. m. Holy communion, chapel
7:30 p. m. The Inquirer's class, parish house
Saturday:
5 p. m. Junior choir

United Gospel Church

918 E. Fairchild street
The Rev. Max Weir, pastor
9:45 a. m. Bible school.
11 a. m. Morning worship. Mr. and Mrs. Russell Barnes of Des Moines, directors of the Child Evangelism fellowship of southern Iowa, will have charge of the service.
6:45 p. m. Young peoples' meeting.
7:30 p. m. Evening evangelistic service
Tuesday, 2:30 p. m. Women's bible class
7:45 p. m. Men's bible study meeting
Thursday, 7:45 p. m. Prayer meeting

First Christian Church

217 Iowa avenue
The Rev. Grant Hart, minister
9:30 a. m. Church school for all age groups.
10:30 a. m. Morning worship with message, "Are You Handicapped?" by the minister.
A nursery is maintained for all small children during morning worship.
3:30 p. m. Junior volunteers with special feature.
5:30 p. m. Young peoples meeting with film of a "Village in India."
7:15 p. m. University of Life at Presbyterian church

8 p. m. Capt. James C. Whitaker

will speak at the vesper service in Macbride hall. He is the author of the book, "We Thought We Heard the Angels Sing."

Tuesday, 7:30 p. m. Alumni meeting of Kappa Beta at the home of Mrs. Thema Leach, 729 S. Riverside.

Wednesday, Potluck luncheon at noon at the church. Mrs. Peterson, Mrs. Kircher and Mrs. Ester Rice presiding.

7:30 p. m. Men of the First Christian church meet at the home of Dr. Rohrbacker, 811 E. College avenue for men's fellowship night.

Friday, 7 p. m. Choir rehearsal at church.

Zion Lutheran Church

Johnson and Bloomington streets
The Rev. A. C. Proehl, pastor
9:15 a. m. Sunday school
9:30 a. m. Bible class
10:30 Divine service in which the pastor will speak on "The Art of Keeping the Peace."

The Lutheran student association will meet at the First English Lutheran church. Luncheon and social hour 5:30 p. m.; discussion hour 6:30 p. m. The topic is: "What the Bible Says About the Will of God." Catherine Heise and Corvally Kemish are the team captains in charge.

St. Wenceslaus Church

630 E. Davenport street
The Rev. Edward Neuzil, pastor
The Rev. J. B. Conrath, assistant pastor
6:30 a. m. Low mass
8 a. m. Low Mass
10 a. m. High mass
Daily masses: 7 and 7:30 a. m. Saturday confessions from 3 until 7 and 7:30 to 8:30 p. m.

St. Mary's Church

222 E. Jefferson street
Rt. Rev. Msgr. Carl H. Meinberg, pastor
The Rev. J. W. Schmitz, assistant pastor
Sunday masses 6, 7:30, 9, 10:15, 11:30 a. m.
Daily masses 6:30 and 7:30 a. m. Saturday confessions from 7:30 to 8:30 and from 7 to 8:30 p. m.

St. Patrick's Church

224 E. Court street
Rt. Rev. Msgr. Patrick O'Reilly, pastor
The Rev. George Snell, assistant pastor
7 a. m. Low mass
8:30 a. m. High mass

9:45 a. m. Low mass

11:45 a. m. Low mass
Daily masses at 8 a. m. Saturday mass at 7:30 a. m.

Catholic Student Center

St. Thomas More Chapel
108 McLean Street
The Rev. Leonard J. Brugman
The Rev. J. Walter McEleney
The Rev. J. Ryan Beiser
Sunday masses: 5:45, 8:30 and 10 a. m.

Weekday masses: 7 and 8 a. m. Holy Day masses: 5:45, 7, 8 and 12:15 p. m.

First Friday masses: 5:45, 7 and 8 a. m.
Confessions 3:30 to 5 and 7 to 8:30 p. m. on all Saturdays, days before Holy Days and First Fridays or anytime at our convenience. Newman club meets each Tuesday of the school year at 7:30 p. m.

7:15 p. m. University of Life for senior high school students will meet at the Presbyterian church.

The combined Chiefs of Staff are in effect the board of directors of the joint American-British war effort.

Zonta International To Give Scholarship

A scholarship has been established by Zonta International, organization of executive women, in honor of Amelia Earhart, for the encouragement of graduate study by women in the field of aeronautical engineering. The scholarship of \$500 will be awarded each year to a woman of good health, fine character, and high ability. It may be used in any school approved by the committee, the preparatory work to be such as required by the school where the applicant intends to register.

In some schools an undergraduate course in general engineering or major in mathematical physics may be accepted as prerequisite for graduate work in aeronautical engineering instead of the undergraduate course in the same subject. Applications should be filed with Zonta International by March 1, and they may be addressed to Mrs. Dorothy McSparran Arnold, Chairman, New York University, Washington Square, New York, 3, N. Y.

TRICK ROBERTS

Whittaker to Tell Pacific Saga Sunday

Tickets Available Now For Vesper Service In Union at 8 P. M.

Home with an honorable discharge and a book to his credit, Capt. James C. Whittaker is making a new contribution to morale on the home front as an inspirational speaker. He will bring his message to the University vesper service tomorrow evening at 8 p. m. in MacBride auditorium.

Captain Whittaker's story is the complete account of the flight and crash into the Pacific of the Flying Fortress in which he was co-pilot for Capt. Eddie Rickenbacker who was flying on a special military mission. He recounts the aftermath—the three weeks of drifting under the scorching sun and the final rescue of all but one of the passengers and crew.

Tickets are now available to students and the general public at Iowa Union.

Leading newspapers have lauded the story of his experience recorded in "We Thought We Heard the Angels Sing." The New York Times says, "There is much more than heroic adventure to the Rickenbacker saga. Some of it Rickenbacker sketched, but in this book by Captain Whittaker the whole religious significance of the thrilling and dramatic episode has been presented in the form of a personal confession. The suffering, the danger and bitterness are there, but to the story Whittaker adds something even more impressive—the story of his conversion."

From the Buffalo Evening News comes the following comment, "Captain Whittaker's account of the rescue of the Rickenbacker party is a deeply moving story of fortitude and leadership in its noblest aspects. It has a profound spiritual message."

Chaplain Lieut. Elmer C. Elsea will offer the prayer and read the passage of scripture most frequently used by Captain Whittaker during his daily prayer services. Miss Katharine LaSheck will sing, "The Lord is Mindful of His Own."

A student string quartet will also participate and the navy hymn will be sung by the congregation to conclude the third university vesper of this school year.

Camera Club Prints To Be Judged

Print competition will be held for members of the Camera Club at their meeting next Tuesday to be held at 7:30 p. m., Jan. 23, in room 6 of the Geology building.

Prints will be judged by Alice Davis, instructor in art design, who will choose three prints and five honorable mentions. Winning prints will be posted in the display case in the Iowa Union lobby. A maximum of four prints may be submitted by each member, but each must be mounted on the standard 16 by 20 inch mount.

Plans have also been made to hold a city-wide Spring Photography Salon in the art building the first two weeks in March, and to secure a traveling show for the club.

JUNGLE WISE G'S COME TO TOWN

AFTER MANY MONTHS of slugging it out with the Nips in the jungles of New Guinea and other islands in the Pacific, veteran U. S. troops of the Luzon liberation forces engage in open warfare for the first time during the operations. Shown above they approach a railroad crossing, the first they have encountered in many months. U. S. Signal Corps radiophoto.

Incorporated Town Operates Free From Political Turmoil

By GEORGE MATHER Daily Iowan Staff Writer

Without a city hall, paid city officials or regular departments of city government, University Heights, population 261 in 1940, has enjoyed sound peaceful government for 10 years.

A residential suburb southwest of Iowa City, it has been free from the turmoil of city politics since its incorporation in 1935.

In fact, three of the present city officials, Mayor Lee Koser and Councilmen Eric C. Wilson and John Nash, have held office since the town was set up its own government. All officials serve without pay.

Although the people of the University Heights enjoy all the services usually provided by a city government such as fire and police protection, streets and street lights, garbage collection and sewage disposal, there are no departments or special officials to direct those services. All services are directed by the council.

University Heights is in the Iowa City school district so its citizens pay the same school taxes as the citizens of Iowa City and use the same facilities.

When the Iowa City school district decided to include University Heights within its boundaries, the people of the suburb beyond the Rock Island railroad tracks on Melrose avenue had no voice in the matter. After discussing the situation, they decided to incorporate their community.

For if University Heights were an incorporated town, no future arrangements of government could be made without their consent.

Taxes in University Heights are lower than they are in Iowa City, according to Town Treasurer J. W. Howe. Taxes are levied in the small town at the rate of six mills

while the tax rate for the civil government of Iowa City is 20.47 mills. The Iowa City fire department provides fire protection for University Heights as well. A contract was made between the two city councils in 1940 whereby the smaller community was to receive fire protection by paying the proceeds of one-and-one-eighth-mill levy to the Iowa City fire department. This levy is the maximum allowed by law for a town of its size.

So far Iowa City has made money on the deal for there has been only one serious fire in University Heights since the agreement was made.

Law and Order

The police power of University Heights is represented by Mrs. Roy Winders, town marshal.

Little difficulty with law violators has been experienced in the past in the peaceful suburb. Nearly all irregular matters have been handled quickly and diplomatically by Mayor Koser.

On the last Monday of each month the town council meets in the basement of the mayor's home to discuss civic matters. Only three ordinances are on record and those were passed soon after the town's founding; the ordinances deal with sidewalks, light and power, and natural gas.

Council Active

The present council is composed of John A. Nash, 504 Grand avenue; Roy J. Winders, 141 Koser avenue; D. D. Nicholson, 32 Olive court; Eric C. Wilson, 231 Golfview avenue; and Dr. Paul W. Richardson, 116 Golfview avenue.

Prof. J. W. Howe, 205 Highland drive is town treasurer by election and town clerk by appointment. All officials are members of the Citizens ticket, the only political party active in the town. Some night soon, party members will meet at a caucus and decide who will be the officials for the next two years.

No primary will be held and only the Citizens ticket will appear on the ballots in the March 26 election although blank spaces are provided for the voters to write in names of other candidates if they wish.

Roller Skating To Begin Tonight In Women's Gym

Recreational roller skating for all university students, servicemen and faculty will begin tonight at the women's gymnasium. This has been a part of the Women's Recreational association program for a number of years and will continue each Saturday night from 7:30 to 10.

Skates are furnished by the gym and admission will be 25 cents. Music will be played and a floor manager will supervise various kinds of skates. An instructor will be present for those who wish to learn to skate.

The swimming pool, table tennis room and game room also will be open for use on these nights.

Marian Radke to Do Research at MIT For Dr. Kurt Lewin

Marian Radke, who was research professor with Dr. Kurt Lewin, former staff member of the child welfare and psychology departments, will leave Feb. 15 for the Massachusetts Institute of Technology to continue her work under Dr. Lewin.

Besides research work in minority problems, Miss Radke will teach a course in psychology.

All Seven Graduating City High Boys To Enter Service

Of the 11 City high school mid-year seniors graduating yesterday, all seven of the boys are either serving in the armed forces or preparing to do so.

The following boys and four girls will receive their diplomas with the regular June class:

Leo Huffman, Bill Jones and Charles McCreedy, who will enter the army; Jack Dooley, who has enlisted in the navy; Reuben Snider, who has entered the navy; Carl Voelchers, who is attending the university until called into the army air corps; Phil Cady, who is enrolled in the university and will later enter the service; Marjorie Reed, attending the university; Helen Ham, Avilda Horst and Marjorie Stoner.

Mrs. Lloyd Howell To Entertain Circle

Mrs. Lloyd Howell will be hostess to members of the Art circle at a dessert luncheon in her home at 505 River street this afternoon at 1:30.

Visits Mother

Mrs. Bartholow Crawford, 208 Richard street, left yesterday to visit her mother in Van Meter. She will return Sunday.

Visit Relatives

Visiting Mr. and Mrs. Richard Myers, 1813 Morningside drive, and Mr. and Mrs. C. O. Myers, 25 E. Washington street, are Mrs. Reade F. Tillye Jr., of Orlando, Fla., and son, Edward P. Myers of Saginaw, Mich.

At New Base

The Rev. and Mrs. A. C. Proehl, 610 E. Bloomington street, have received word that their son, Lieut. Arthur H. Proehl, has been transferred from the Lincoln army air base, Lincoln, Neb., to McCook, Neb.

Complete Visit

Lieut. and Mrs. Perry Schwartz, who have been visiting Mr. and Mrs. Clem Young, 607 Melrose avenue, are leaving today for Menlo Park, Calif., where Lieutenant Schwartz will be stationed.

Go to Humboldt

Sergt. and Mrs. Carl Gochenour, who has been visiting with Mr. and Mrs. Ray Hughes, Black Diamond road, will go to Humboldt tomorrow to visit with Sergeant Gochenour's parents there. They will return Jan. 30 to Columbus, Ohio, where he is stationed.

Methodist Bible Class To Meet Sunday

The second meeting of the Rev. David Shipley's Bible class will be Sunday at 9:30 a. m. in the upper parlor of the Methodist student center, 120 N. Dubuque street.

There will be opportunities for discussion this semester at the series which is entitled, "Power of the Prophets."

The class is interdenominational and all persons of college age may attend.

Students in Hospital

Students in Hospital: Marian Clemons, N1 of Thornton—Isolation; Beatrice Walker, N1 of Davenport—Second West; Florence Fillenwarth, N4 of Charles City—Second West; Joe Schupp, M1 of Burlington—C33; Dorothy Zoller, N1 of Davenport—Second West; Robert Niehaus, A1 of Guttenburg—Isolation; Clarence Culver, M1 of Maloy—C33; Wilhelmina Smith, N1 of Burlington, W326

Theta Rho Girls To Meet Monday In Odd Fellow Hall

The Old Gold Theta Rho Girls will meet Monday at 7:30 p. m. in Odd Fellow hall. Melba Douglass, newly-installed president, will be in charge of the business meeting. A social hour will follow.

Past Matrons Society of the Order of Eastern Star

The regular monthly meeting of the Past Matrons society of the Order of Eastern Star will be Monday in the chapter room in the Masonic Temple. Initiation at 5:30 p. m. will be held after a dinner and business meeting. Mrs. J. L. Records is in charge of the committee which will serve the dinner, and Maude Schuchardt and Eula Van Meter head the entertainment committee. Reservations for the dinner must be in by tomorrow.

University Club

Dr. William Coder, director of veteran's service, will head a program furnished by World War II veterans on the campus at the University club tea Tuesday from 3:30 to 5:30 p. m. in the University club rooms of Iowa Union. The committee in charge includes, Mrs. Harry Newburn, chairman; Mrs. William Coder, Mrs. Everett Plass, Mrs. Erling Thoen and Mrs. Lewis Ward. Mrs. J. Ned Smith is chairman for this month.

Old Capital Auxiliary

After a potluck supper at 6:30 p. m. Wednesday the Old Capital auxiliary will hold installation of new officers in Odd Fellow hall.

In charge of the proceedings are Mrs. E. J. Folda, Mrs. W. V. Orr, Mrs. L. R. Morford and Mrs. J. R. Cerny.

Music Recital To Be Monday

The music department will present 11 students in a recital Monday afternoon at 4:10 in the north music hall. This is the 14th recital in the 1944-45 series.

The program will include: "Where the Bee Sucks" (Arne), Kay Kasser, A1 of Marion, soprano; "Nocturne opus 15, No. 2" (Chopin), Frances Marshall, A1 of Cedar Rapids, piano; "Allerseelen" (Strauss), Evelyn Haese-meyer, C4 of Stannwood, mezzo soprano; "Concerto in D minor" (Lalo), Milton Johnson, G of St. Paul, Minn., cello.

Other numbers will be: "With a Violin" (Grieg), Marybelle Miles, A1 of Des Moines, contralto; "Fond Recollections, opus 64 No. 1" (Popper), Shirley Gates, A1 of Iowa City, cello; Clair de Lune" (Saul), Patricia Miller, A3 of Iowa City, soprano; "Menuet" (from Suite Bergamasque) (Debussy), Joyce Van Pilsium, U of Prairie City, piano; "Trio Sinfonico, opus 123" (Bossi), Irene Gianedakis, A4 of Cedar Rapids, violin; Jane Tetzlaff, A4 of Iowa City, cello, and Jean McFadden, A4 of Oskaloosa, piano.

County Farm Bureau Members Total 754

Membership in the Johnson County Farm Bureau now totals 754. One hundred and eighty-four members joined during the organization's winter campaign which continues through January, Emmett C. Gardner, extension director, announced yesterday.

Of the total, 593 members have paid dues for 1945, leaving 161 to be collected. Leading townships in the new membership drive were Hardin with 25 and Oxford with 23 new members.

Other totals are: Cedar, 19; Penn, 15; Big Grove, 16; Madison, 14; and other townships, to 13.

Tin Salvage Drive To Begin Thursday

Tin cans for salvage will be collected all day Thursday, Jan. 25, according to an announcement made yesterday by Mrs. Alva Oathout, chairman of the Johnson county tin can salvage committee.

The city engineer's crew will pick up the tin beginning at 8 a. m., Thursday. Persons contributing to the drive are asked to place cans on the curbing.

This will be the first collection since August, 1944. In case of rain or snow the collection will be postponed.

Kappa Phi to Begin Rushing Tomorrow

Kappa Phi, Methodist girls' sorority, will open its second semester rushing for all girls who are interested tomorrow afternoon from 2 to 4 o'clock in Fellowship hall in the Methodist church.

Betty Lou Synhorst, A2 of Newton, is in charge of the meeting.

FASHIONED WITH FUR

FASHIONED WITH a fur fabric front peplum that's daring but smart is this suit of soft tangerine wool. The matching collar is set off with plain covered buttons and the gored skirt is straight and slimming. A small matching hat of black fur fabric completes the ensemble.

Betty L. Ellis Weds Yeoman John Wiese In North Liberty

In a double ring ceremony, Betty L. Ellis, daughter of Mr. and Mrs. George Ellis of Longton, Kan., became the bride of John T. Wiese, yeoman first class, U. S. N. R., son of Mrs. Margaret Wiese, 913 Walnut street, Tuesday in the Methodist parsonage at North Liberty. The Rev. Arthur E. Brent read the vows.

Mabel Meyers of North Liberty and Mrs. Arthur Brent attended the couple.

For her wedding the bride chose a two-piece dress of aqua, trimmed in braid. She wore a veiled black hat accented in aqua and her accessories were black.

A graduate of Longton high school and the hospital school of nursing, at Bloomington, Ind., the bride has been associated with the Indianapolis City hospital for the past nine months.

Yeoman Wiese was graduated from University high school and April, 1942, was with the Iowa City Credit bureau for four years. He recently returned from serving 18 months in the south Pacific.

After the ceremony the couple left for a short wedding trip and is now visiting in the home of the bridegroom's mother. Upon completion of his 30-day leave Yeoman Wiese will report to San Francisco and Mrs. Wiese will return to Indiana.

Sugar and pineapples account for nine-tenths of the normal exports from the Hawaiian islands.

Rev. Brugman Speaker at Catholic Daughters Banquet

Guest speaker of an initiation banquet of the Catholic Daughters of America tomorrow night will be the Rev. Leonard J. Brugman of St. Thomas More parish. Fifteen candidates will be honored at the banquet which will be held at 6:30 in Hotel Jefferson.

Special banquet guests will be the priests and assistants of the Iowa City parishes. A color scheme of yellow and purple, including yellow candles and old gold and purple flowers, will be used. Carnations and sweetpeas will form the shoulder corsage of each candidate.

The day's activities will begin tomorrow morning when the group will attend the 8:30 mass at St. Patrick's church. A breakfast will be served afterwards in the Knights of Columbus hall, and in the afternoon an initiation ceremony will be held.

Chairman of the banquet committee is Mrs. Ed Kelly, who will be assisted by Mrs. Francis Houlihan, Mrs. Glen Helmer, Mrs. John Wetrick, Nora Donohue, Mary Griffin, Mathilda Brugman, Mrs. Catherine Roberts, Mrs. L. C. Fitzpatrick, Margaret Patterson and Mrs. Thomas Kelly.

Estate to Be Probated

The estate of John R. Peters, who died Jan. 18, 1945, has been admitted to probate in district court. Patrick Peters was appointed administrator on \$15,000 bond.

Attorney for the estate is W. S. Murphy.

Number of Veterans On Campus Expected To Increase Steadily

More than 225 returning war veterans now are present on the University of Iowa campus and the number constantly is growing, stimulated by the plan of admitting veterans at the beginning of any calendar month. This number will increase for some time to come and will constitute a considerable part of the university's student body, President Virgil M. Hancher believes.

"If the veterans whom we have received already are a fair example of those to come," he said, "it appears that their educational aims and objectives have not been as much altered by the impact of war as many of us had supposed."

"On the whole, the performance of college men and women in the armed services gives us reason to believe that the system of higher education was basically sound before the war," the president stated.

Pointing out that the system is not perfect, he said many changes still are needed, but experience indicates that the system only needs modification.

"The university expects to take advantage of every sound development which has come out of the war. Many procedures which were employed or at least widely discussed in educational institutions before the war have had an opportunity to demonstrate their merit in the military training programs. The beneficial effects of this experimentation will not be overlooked," the president declared.

Alpha Tau Omega Elects New Officers

Gerald K. Chinn, L2 of Des Moines, was elected president, and Ernest C. Hector, C4 of Crosby, N. D., was named vice-president of Alpha Tau Omega fraternity at an election of officers last night.

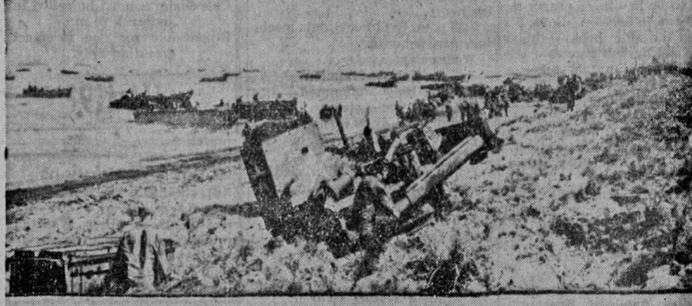

Other officers include Robert R. Jenner, A4 of Sutherland, secretary; William R. Ruther, A2 of Clarence, treasurer; Herman F. Holland, A3 of Boone, house manager; Ernest Hector, C4 of Crosby, N. D., rushing chairman; Bernard R. Walters, A3 of Rockford, Ill., pledge trainer; Charles F. Schleselman, A4 of Victor, corresponding secretary; James W. Hurley, A2 of New Hampton, historian; Donald Schnepf, C3 of Alford, sergeant at arms and Herman Holland, A3 of Boone, usher.

St. Wenceslaus Rosary Society Reelects Officers

All officers of the Rosary society of St. Wenceslaus church were reelected at a business meeting held Thursday in the church parlors. Officers are Mrs. J. J. Reha, president; Mrs. William Parizek, secretary and Emma Fellman, treasurer.

Included on the program which followed a potluck dinner were musical selections by Barf Schuchert and Nancy Parizek.

YANKS MOVE ON TO LUZON AT BINMALEY

YANK FORCES come ashore from landing craft at Binmaley, Luzon (upper photo) bringing with them the tools to do their job. In the center a dredging machine clears the way up the beach for motorized equipment. The lower photo shows a file of troops moving almost unopposed on their way to Manila.

SNOW SCENE ON A BATTLEFRONT

ALONE WITH HIS ACK-ACK in the middle of a snow-covered field, Pfc. Glenn Stocks (top photo), Cleveland, stands watchfully by his gun located in the battle area of Luxembourg. On the northern front along the German breakthrough, the same snow encrusts the ground, but Yankee ingenuity has been called into play. This "insulated" foxhole on the Belgian "Bulge" front is constructed of hay and straw with a blanket to cover the "door." The tenant of the cozy shelter is First Sgt. Albert Luis, Manchester, N. H. Pvt. Manuel Garcia, right, North Hollywood, Calif., helps him out to prepare for a fire mission of their artillery battalion. (International)
