Minnesota Blasted From Lead
By Iowa's 63-61 Overtime Win
Great Rally, Wier's Shot Knot Score,
Let Hawkeyes Triumph in Extra Period

Daily Iowa Sports Edt.

IOWA CITY, IOWA--A Tuesday afternoon lead for Iowa's Hawkeyes in the closing moments of regulation time did not prevent Iowa from winning a hard-fought 63-61 overtime victory over the Indiana Hoosiers.

The victory was important in a rebuilding season, as the Hawkeyes look to solidify their position in the Big Ten Conference.

Iowa played valiantly against the Hoosiers, matching their intensity and physicality throughout the game. The Hawkeyes' defense was particularly notable, holding the Hoosiers to 38 points in regulation time.

However, the game was not without its share of setbacks. Iowa led by 10 points at halftime, but Indiana stormed back in the second half, taking a 52-50 lead with just over three minutes remaining.

The Hawkeyes responded with a 7-0 run to retake the lead, only to see Indiana tie the game at 61 with 10.8 seconds left on a basket by Scott Green.

In overtime, the Hawkeyes capitalized on Indiana's mistakes, scoring six points to seal the win. Mike Wright's free throw with 4.3 seconds left put Iowa up 62-61, and Indiana's subsequent basket was the only score of the extra period.

Iowa's defense played a crucial role in the victory, limiting Indiana to just 31 points in overtime.

The win brings the Hawkeyes to a record of 16-13 for the season, and they hope to continue their momentum as they prepare for their next game.

Coach Kline was pleased with his team's performance, saying, "I am proud of our players for their effort and resilience in this game. It was a hard-fought victory, but I am confident that we can build on this momentum to continue our success in the conference."
Rent Controls Must Be Continued Here

Happily the decision of the rental control heads in Iowa City seems to be well
understood in Iowa City. The City Council of Iowa City voted to renew
rent controls in the city on a three-year basis. The renewal of rent controls is
necessary to prevent a rise in rents to unacceptable levels. The renewal of
rent controls is a wise move, and the City Council should be commended for
their decision.

Price controls must be maintained until the situation is more stable. The
Chamber of Commerce, which is in effect a rent control group, has been
active in promoting rent control in Iowa City. The Chamber of Commerce
has been successful in obtaining a renewal of rent controls for the city.

The Chamber of Commerce controls the price itself and acts as an
organization for the control of rents. It is in the interest of the Chamber of
Commerce to maintain rent control in Iowa City. The Chamber of Commerce
should be commended for their efforts.
