GOOD MORNING, IOWA CITY!

Fair today turning colder this afternoon. Tomorrow will be cloudy and warmer.

Atom Bomb Production Secret Intact

TWO BODIES RECOVERED FROM WRECKED APARTMENT

POLICE REPORTED yesterday that two bodies were recovered from the ruins of a 14-family apartment in New Orleans which was wrecked by an explosion. Police said four or five bodies were in the wreckage. (AP WIREPHOTO)

Charge Against Pauley Denied

WASHINGTON (AP)—Senator Tobey (R., N. H.) sought to show yesterday that Edwin W. Pauley threatened an airline head who refused a donation to the Roosevelt fourth-term campaign but met a denial and rebuff.

The denial came from George Killion, who succeeded Pauley as Democratic party treasurer. Under questioning by Tobey, Killion testified that when W. A. Patterson, president of United Airlines, said he "wasn't interested in contributing a 25-cent piece to the reelection of Franklin Roosevelt," Pauley simply replied that he was "sorry."

"I subsequently learned that the hostesses on Patterson's air-

line were wearing Dewey buttons," Killion added ruefully.

The rebuff came from Chairman Walsh (D., Mass.) of the naval committee looking into Pauley's qualifications to be undersecretary of the navy. Tobey wanted to testify himself to read a memorandum of a telephone conversation and a telegram from Patterson about the campaign fund solicitation but Walsh ruled it out as hearsay.

Senator Tobey (R., N. H.), who has led the examination of Pauley and other witnesses before the senate naval committee, asked Killion if he did not tell Patterson not to be too hasty, that "the party remem-

bers its friends and its enemies."

Killion said no, that would be foreign to his way of doing business.

The treasurer told the committee that Pauley walked into the room while he was phoning Patterson. He said he asked Patterson to repeat to Pauley his statement about not desiring to contribute to Mr. Roosevelt's reelection.

Tobey asked whether Pauley told Patterson he had better think twice before answering.

"No," Killion answered. "He said, 'I'm sorry, Mr. Patterson, that you feel as you do. We

thought you might be interested in reelecting Mr. Roosevelt."

Killion, who succeeded Pauley as Democratic treasurer, said he did not know Patterson when he telephoned him, but did so at the suggestion of a friend who thought the airline official might contribute to the party.

Senator Tydings (D., Md.) criticized the range of Tobey's questioning. He declared the afternoon session had been "futile" and that Tobey was conducting nothing more than a "fishing expedition."

"I hope from now on we'll have something that has some relationship with Mr. Pauley," he said.

Statement On Espionage Ring Awaited

Secretary Byrnes Says Industrial Know-How Remains in U. S. Hands

WASHINGTON (AP)—Secretary of State Byrnes declared flatly yesterday that as far as he knows the know-how of atom bomb production remains exclusively in the hands of the United States.

To a direct question at his news conference: "Do you anticipate espionage arrests in the country?" Byrnes replied that he had no reason to anticipate any.

He referred to the FBI a question whether the state department had any information to indicate that a foreign spy ring—either similar to or a part of the reported organization in Canada—has been operating in this country.

The senate atomic energy committee was told yesterday that "it is inevitable that a network of spies will infest our country from a nation that fears us."

Dr. Ralph McDonald of the National Education association made that forecast amid these other occurrences:

1. The White House declined to comment on a published report that the FBI has given President Truman a document naming more than 100 persons as cooperating with a foreign spy ring seeking atomic secrets here and in Canada.

2. The house committee on unamerican activities discussed the spy operations reported from Canada but decided against making an investigation at present. Representative Rankin (D., Miss.) of the committee demanded an inquiry.

3. President Truman was officially disclosed to be selecting a board of five or six civilians to appraise the results of the forthcoming atomic bomb test on warships in the Pacific. This panel apparently would be in addition to the seven-man board of army, navy and civilian personnel already planned.

OTTAWA (AP)—The Canadian cabinet, officially silent since its sensational disclosure last week of a "spy ring" reaching into the dominion government itself, was reported ready last night to issue a new statement to clear the air of wholesale rumor and speculation.

The cabinet at its regular weekly meeting yesterday is understood to have discussed the broader implications of the case. The first plan was to say nothing more officially until the two-man royal commission appointed to investigate the case had completed its investigation, probably in two or three weeks.

WASHINGTON (AP)—Attorney General Tom Clark said yesterday that 22 Americans suspected of wartime treason are being hunted in Europe.

Expressing his determination "to bring every single American who played the Axis game swiftly to trial," Clark told a reporter that the suspects are reported to have broadcast for the Nazis from Berlin, Munich, Vienna and Paris.

The attorney general disclosed that he plans to send a special representative to Europe soon to survey investigations of Americans reported to have collaborated with the Nazis and Fascists.

Clark said Timothy A. McInerney, the department's director of public information, will fly to Europe to expedite the collection of evidence against the 22 suspects and supervise the manhunt.

"As soon as the suspects are caught and evidence obtained, each will be returned to the District of Columbia to face a United States tribunal," he said.

Telephone Workers Authorize National Strike; Union President Beirne Hopes for Settlement

Schwollenbach Gets Assurance of Attempt At Federal Negotiation

BY THE ASSOCIATED PRESS. The National Federation of Telephone Workers authorized its executive board yesterday to call a nationwide telephone strike for higher wages but Joseph A. Beirne, union president, said "all efforts" would be made to settle the dispute without a work stoppage.

Asserting the independent union would "continue bargaining with the company," Beirne said the executive board would call a strike "after all avenues of peaceful negotiation are closed."

In Washington, Secretary of Labor Schwollenbach said he had assurances from Beirne that federal conciliation will be tried before a strike is called. The labor secretary stated that Beirne was "one of the best labor leaders I've known in keeping his promise."

Meeting in Memphis the strike authorization was voted at a meeting in Memphis, Tenn., of representatives of 50 NFWU-affiliated unions, called to map strategy in support of demands for a \$10 weekly wage increase, minimum hourly wage of 45 cents and a return to the 40-hour week.

The strike resolution authorized the executive board to "call a nationwide telephone strike at such time as the executive board consider proper and with due consideration to circumstances of the several affiliates."

The threat of an immediate sympathy coast-to-coast tieup in telephone service was averted earlier when a strike of 1,000 long distance operators was settled in Philadelphia.

Strike in Philadelphia

The 20-hour strike of 1,000 American telephone and telegraph workers was settled at Philadelphia when the company agreed to investigate the promotion of three employees—one a non-union member—who, the union said, were given better jobs without regard for seniority rights.

Meanwhile, the number of idle in strikes throughout the nation dropped to 977,000, the lowest in a month.

Breakdowns, Snow Slow Cab Caravan

PITTSBURGH (AP)—The Chicago-to-Washington taxicab caravan was strung out over miles of Pennsylvania and Ohio highways yesterday as bad weather conditions, breakdowns and lack of accommodations disrupted the line of march.

Sleet and hail which changed to snow as the vanguard of the approximately 148 cabs reached Pittsburgh before noon slowed the advance and by late afternoon only a score or so cars had passed through the steel capital.

Arms Discovered Parts of Slain Child's Body Found

CHICAGO (AP)—The arms of Suzanne Degnan, 6, who was kidnapped, slain and dismembered Jan. 7, were found yesterday, floating in an alley sewer nearly four blocks from her north side home.

Coroner A. L. Brodie said the arms had been identified "positively" through comparison with impressions taken from Suzanne's shoulder sockets. He said the dismemberment had been done by someone "with much experience in either butchery or surgery."

Two electric utility employees, tracing a power leak, found the arms at the farthest point from the Degnan home where portions of the little victim's body were uncovered.

Suzanne's torso, legs and head were found by police the night of her kidnapping. The gruesome discoveries were made in sewer catch basins within a two-block radius of the Degnan home.

Detective Lt. John Olson said, "Now we have the whole body and we have no more clues." Dragging of sewers was ordered in an effort to find a knife.

Jury Convicts Kidnap-Killer

SANTA CRUZ, Calif. (AP)—After a bizarre murder trial—a case without a trace of a body—Thomas H. McMonigle, 31, a bus driver, was convicted yesterday of the kidnap murder of 15-year-old Thora Chamberlain.

The verdict, reached in 43 minutes, was first degree murder with the death sentence mandatory since no leniency was recommended.

However, under California law, he is to be tried again by the same jury on his plea of innocent by reason of insanity and his ultimate sentence hinges on the outcome. The trial date was set as Feb. 26.

The state, depending entirely on circumstantial evidence, contended that the bus driver abducted the girl near Campbell high school last Nov. 2, raped her, shot her and hurled her body over 355-foot high Devil's Slide into the Pacific ocean.

McMonigle, during his arrest and trial, gave at least five different versions of the crime.

Air Aid to Philippines Presented Full Alert For Hawaiian Area

WASHINGTON (AP)—Col. Walter C. Phillips said yesterday a desire to continue air aid for the Philippines figured importantly in the Hawaiian army command's pre-Pearl Harbor decision to go on the alert only against sabotage.

Phillips was chief of staff to Lt. Gen. Walter C. Short, Hawaiian army commander, when the Japanese made their surprise air attack Dec. 7, 1941.

He told a senate-house investigating committee that the decision on an anti-sabotage alert after a Nov. 27 "war warning" from Washington was carefully considered and was consistent with the information available.

An all-out alert, Phillips said, would have necessitated suspension of training air crews who were ferrying bombers to General Douglas MacArthur in the Philippines.

Phillips said the Hawaiian army forces would, however, have gone on an all-out alert if they had been given all the information available to Washington.

"We assumed, quite reasonably, that they would not be so foolish as to withhold vital intelligence from us," he declared.

The day's proceedings brought the committee within possible reach of its aim—conclusion of the hearings tonight.

Several other officers who were in Hawaii remain to be heard but Rep. Clark (D., N. C.) said he understood their testimony would be "just chips and whittlings."

Indians Riot; Attack GI, Burn U. S. Flag

BOMBAY (AP)—A crowd of 300 Indians, many of them wearing the uniform of the royal Indian navy, yesterday burned an American flag in the streets and attacked an unidentified United States army sergeant during a wave of demonstrations which swept the city.

One Indian leader who declined to give his name said men aboard the sloop Narbada had hauled down the Union Jack, burned it, and put up for a time the flag of the Indian congress party.

He said the demonstrations were a strike in protest against what Indians contended was racial and color discrimination in the British naval service.

Members of the crowd ripped the flag from the United States information service office, and then set it afire. Others in the group attacked the sergeant, hitting him on the shoulders.

Henry Ford to Review Case for Committee

Full Congressional Airing of Automobile Price War Requested

WASHINGTON (AP)—The automobile price war between OPA and Henry Ford II was set yesterday for a full congressional airing, as the house banking committee asked young Ford to appear personally and present his side of the argument.

Tempers flashed in the committee when Chester Bowles, newly appointed economic stabilizer, said the Ford Motor Co., first made an "outrageous" request for a price increase, and then accused OPA of holding up automobile production.

Outrageous Increase Bowles told the committee that the Ford company last summer asked "an outrageous increase" of 55 percent in the price of its cars, over prewar levels. He added: "I have no idea what price he (Ford) would ask if there was no price control."

Bowles told the committee, in answer to Patman's question, that young Ford made a statement that his company is losing \$300 on each car it makes, but that the manufacturer did not point out that the company's production at the time was just a fraction of prewar capacity.

Tradition Bowles said the Ford company has a record for high wages and low prices, and commented: "I don't think this request (for a 55 percent increase) was in line with the tradition of the Ford company. I am sorry that young Ford has departed from that tradition."

In Los Angeles, Henry Ford II said he will appear before the house banking committee in Washington whenever it asks him to do so to discuss his disagreement with OPA over automobile prices.

U. S. to Expose Nazi Papers

WASHINGTON (AP)—Secretary of State Byrnes disclosed yesterday that the United States plans to make public information about Spain which it obtains from captured German documents.

He did not say when such a publication would be issued.

Allied personnel are examining tons of captured Nazi papers, he said. The United States report, he added, will deal with matters other than Spain.

Answering a series of questions dealing with the diplomatic situation in almost every quarter of the globe, Byrnes also made these reports:

1. There is no chance of establishing a civilian administration in the American zone of occupied Germany by June.

2. The United States will continue to ship tires, farm machinery and other equipment to Argentina.

3. The United States has discussed separately with France, Russia and Britain the question of splitting the Ruhr and the Rhineland from Germany in the final peace treaty, but no agreement has been reached as yet.

University Unable to Decrease Quad Food Prices; 600 Petition

University officials have denied a request by more than 600 residents of Quadrangle for lower prices in the Quad cafeteria, but the administration promised to reduce charges in the future if possible.

Dean C. Woody Thompson of the office of student affairs said the present prices cover only the costs and do not yield profits.

He also said patrons of the cafeteria probably would be able to

lower the cost of their meals by following suggested menus which the Quadrangle dietitian started posting yesterday. The price of yesterday's lunch was 35 cents.

Wait for "Adjustments" Steven Driftmier, Quad resident who conferred with university officials on the food prices, declined to comment on the matter last night, but other residents said they believe the men will wait a month to give time "for adjustments."

Practically all Quad residents had signed a petition asserting the cafeteria prices were "exorbitant." Following a meeting between university officials, Driftmier and another Quad resident, Dean Thompson issued a statement declaring "our past experience shows that room charges and food prices have yielded no more than enough to cover costs."

The costs include purchase of food, labor, cost of preparation and a contribution toward payments on the interest and principal incurred in building and operating university dormitories and dining facilities.

The petition made no complaint about room charges.

"Eating Too Much" Many Quadrangle men said, and university officials agreed, that the whole matter was a problem of adjustment. They said many of the (See QUADRANGLE, page 6)

2 Killed, 2 Wounded, During Pistol Duel In Religious Society

DURHAM, Me. (AP)—Sheriff Louis E. Gendron said that a pistol duel in a second floor parlor of Shiloh, headquarters of a religious sect "The Kingdom, Inc.," ended last night with the death of the two duelists and the wounding of a third man and a woman.

"The Kingdom, Inc." was for years "The Holy Ghost and Us Society."

Gendron and State Police Sergeant John P. Crosby said that so far their investigation showed:

Held Under Gun Irenece Laprise of Brunswick had held four members of the society under a gun for four hours before engaging in an exchange of shots with Dr. Charles Reeder, 39, Durham osteopath.

Laprise had gone to the Hilltop headquarters of the group with the announced intention of being interested in the property.

Reeder, friendly with sect members, went to the colony armed with a pistol after being informed there was "trouble" at Shiloh.

Ordered From Premises Reeder ordered Laprise, who had presented a letter demanding money to a caretaker, from the premises.

Who shot first was undetermined. Laprise was felled with two slugs in his stomach. Reeder was shot below the heart.

Carl Webster, 32, and Mrs. Kneeland Godfrey, both of Durham, suffered leg wounds.

UNO DELEGATION ARRIVES IN NEW YORK

NEW YORK (AP)—Edward R. Stettinius Jr., head of the United States delegation to the United Nations organization, said on his return from London by plane yesterday that the UNO in the future would face even greater tests than those it met at London.

Other members of the United States delegation to the London conference accompanied Stettinius home.

"London was the first test of the United Nations," said Stettinius in a statement. "What happens in the immediate future in the direction of effective international economic action will be a greater test, both for the United Nations

and ourselves. We cannot fail to meet it."

Stettinius said the tasks of reconstruction immediately ahead were tremendous and that "recovery will be possible only with the most effective and vigorous action by the United States, especially in the economic field, both at home and abroad."

He added that "Other nations must do their part, and my experience in London has convinced me that they will. We cannot do what must be done alone, and no one expects us to. The restoration of the world to economic health must be a cooperative enterprise

of all the members of the United Nations."

Among those arriving with Stettinius were Mrs. Eleanor Roosevelt, Senator Arthur Vandenberg (R., Mich.), John Foster Dulles, and former Senator John G. Townsend Jr., of Delaware.

Mrs. Roosevelt said she felt "we have done a worthwhile piece of work and the people of the United States and the world cannot allow the UNO to fail."

Seventeen UNO secretaries and functionaries are expected to arrive from London by plane tomorrow and to begin the work of setting up a temporary UNO world headquarters here.

Editorials:

Ickes' Loss Is Blow to Good Government

Harold L. Ickes' "retirement" has evoked a mixture of comments representing a mixture of reactions. Many have praised him as an able government official who will be hard to replace.

of he speaks, and that he speaks because he believes the issues at stake demand his voice. It has been no secret that President Truman has been trying to strengthen the party lines that fell into disrepair under Mr. Roosevelt's administration.

Behind GM's Offer

General Motors' offer of an 18 1/2-cent raise is being held out as equal to the increases accepted by the union from Ford and Chrysler.

to the nation. To aggravate the matter, there is a nationwide, long-time dislike of British colonial policy and a revulsion against the personal demonstrations of superiority that are too common among British individuals.

The contract that General Motors offered was the same as the one in existence when the strike started, except that all the provisions which had come about through action by the national war labor board were stricken.

Regardless of the excuses and alibis large powers are wont to make in justification of their aggressions, it is certain that the greater security which all peoples and all nations are seeking will not be found along the paths of empire-building.

Britain's Policy in Egypt

Amid demonstrations by 7,000 students, a new cabinet, pledged to twin demands of withdrawal of British troops from Egypt and the termination of British participation in the Control of Sunday, has been formed under the leadership of 71-year-old Premier Ismail Sidki Pasha.

WASHINGTON—Attorneys are untangling thousands of American soldier romances to decide whether sweethearts may collect widows' pensions and their children may be paid children's benefits.

At stake are widows' pensions for such girls as the ones in Great Britain that American doughboys met and loved but couldn't marry legally because of war and the rules of their commanding officers, before they were off to Normandy.

"The United States is trying to lean over backwards—may, we sometimes fall over backwards—in interpreting some of these claims in favor of widows and children," said one attorney on the staff of Edward E. Odom, veterans administration solicitor.

From the Egyptian point of view, the presence of foreign troops represents a menace of lesser importance, but still of great concern, are certain economic interests within Egypt and in the Sudan.

Many British girls cannot collect widows' pensions because of this ruling, but their children are receiving children's benefits from the United States government.

The Daily Iowan (The University Reporter established 1866, The Daily Iowan since 1901.) Entered as second class mail matter at the post office at Iowa City, Iowa, under the act of congress of March 2, 1879.

It Great Britain and other foreign nations recognized common law marriages, many more women could collect widows' pensions. The VA (veterans administration) recognizes common-law marriages if they are legal in the state where they occur.

James D. White's Interpreting The News...

India Patriots Criticize U. S. for Non-Support Of Independence Move

A Bombay mob burned an American flag in the street yesterday. It undoubtedly wanted to get across the idea that it didn't like what it thought that flag stands for in India.

Advocate Violence It has marched fastest in this way: Indians who want independence are listening now to leaders who advocate getting it by violence if necessary.

The British have offered dominion status to India, but that hasn't satisfied a good many Indian leaders, who say it means no real concession.

In the meantime, these leaders haven't got together themselves. The Moslems still hold aloof from the Hindus, and vice-versa.

During the war India contributed food and other native materials to the war effort. Now the country expects a famine, and some of the popular leaders say it is at least part due to mismanagement by the British Indian government.

Call U. S. Isolationist But a more likely clue appeared in a Madras newspaper recently, which charged that the United States displayed an "isolationist mentality" toward Indian problems, and asserted this country would not "risk provoking Britain's wrath by helping obtain her independence."

The end of the war in Asia has meant—whether you like it or not—the return, or attempted return, of the white man to the imperial system under which he lived before the war.

Behind the Mikes...

By Helen Huber commercials, the Sunday night CBS show being the only quiz to be listed among the pennant winners.

Paul Mallon's News Behind the News...

WASHINGTON—The secret of Edwin Pauley's success in the Truman government is not alone the known fact that he raised half a million dollars for the Roosevelt-Truman election in 1944.

My own personal belief is Mr. Truman intended grooming Pauley by this step, to take over the tremendous coming cabinet post of secretary of the combined army and navy when the unification bill goes through sometime this year.

Ickes a Marked Man The salient issue fact behind Harold Ickes' position on the appointment is that Ickes has been a marked man since Mr. Roosevelt's death.

Hancher Talk To Celebrate SUI Founding

To celebrate the 99th anniversary of the founding of the University of Iowa Feb. 25, 1847, WSUI will present a radio program Monday evening after the Iowa-Indiana basketball game. The half hour program written by Armon Bonney, G of Iowa City, will feature President Virgil M. Hancher. The program will include a review of the president's new appointments, increased enrollments at mid-semester, the large number of veterans returning to campus, the critical housing shortage in Iowa City and how the university is handling it. New plans for the university, such as additional dormitories, new buildings and extension of Iowa Union, will be included. "This program will set the stage for the 100th anniversary next February when larger celebrations will be planned throughout the whole campus," Bonney said.

Engineering Faculty Members to Attend Des Moines Meeting

Six faculty members of the college of engineering will attend a meeting of the Iowa section of the American Society of Civil Engineers in Des Moines at 2:30 this afternoon. Marion Carstens, G of Iowa City, will be announced winner of the Iowa section's awards of entrance fee for junior membership in the society. The award, based on scholarship, activity in the student chapter and probability of success as an engineer, is made annually at Iowa State college at Ames and the University of Iowa. Prof. E. W. Lane of the hydraulic engineering department, will preside at the meeting. Other faculty members attending include: Prof. Earle L. Waterman, head of the civil engineering department; Prof. Joseph W. Howe, head of mechanics and hydraulics; Prof. Huber O. Croft, head of the mechanical engineering department; Prof. Edwin B. Kurtz, head of the electrical engineering department, and Prof. Hunter Rouse, director of the Iowa Institute of Hydraulic Research.

U-High Students Do 'Pied Piper' in Song

Members and faculty of University high school Monday night presented a lively and vivid interpretation of the operetta "Pied Piper of Hamelin," based on the poem by Robert Browning with music by Joseph Clokey. Craig Harper as the Pied Piper performed with ease and confidence. As the lame boy, Beverly Vest was excellent not only in singing qualities but also in her acting. An outstanding feature of the evening was Norma Thornton's dance of the Night Wind Spirit. The assistance of the parents in many ways helped considerably in making this production a success. Students and faculty devoted part of their lunch hour in order to learn the parts.

Helen V. Shepherd Weds Paul Knowles At Mt. Pleasant

In a single ring ceremony Jan. 26 in the First Methodist church in Mt. Pleasant, Helen Virginia Shepherd, daughter of Mr. and Mrs. C. V. Shepherd of Cedar Rapids, was married to Paul Wesley Knowles, son of Mrs. Emer D. Knowles of Grinnell. Dr. George D. Hunt read the vows. Meredith Rancy of Algonia attended the bride as maid of honor. Best man was Jack C. Knowles.

MRS. PAUL W. KNOWLES

of Grinnell, brother of the groom. The bride was attired in a pale yellow street suit and a white ruffled blouse with black accessories, and a corsage of talisman roses. The maid of honor wore a gray wool suit with black accessories and a corsage of gardenias. Mrs. Knowles attended Monticello Preparatory school in Alton, Ill., and is a student at the University of Iowa where she is affiliated with Chi Omega sorority. Mr. Knowles is a student at the University of Iowa and was graduated from Grinnell high school. The couple will reside at 1019 E. Burlington street.

Classroom Discussion Of Course in Religion Broadcast by WSUI

A new radio program from the classroom is being sponsored by the school of religion over station WSUI. The class, Seminar on Interfaith Relationships, meets each Thursday at 11 a. m. when a roundtable discussion is conducted by five members of the class. Rabbi Morris Kertzer is teacher of this experimental course which was begun before the war for the purpose of learning relationships of the major religions. This week the topic will be prejudice in the child. Jack Gallagher, A2 of Providence, R. I., will act as moderator, with Mary Ellen West, A3 of Iowa City; Helen Zimmerman, A3 of Waterloo; Don Dushking, G of New York; Vicke Van Duzer, A3 of Waterloo, and Rabbi Kertzer serving on the panel of discussion.

Sigma Phi Epsilon Elects New Officers

Don McDowell, A2 of Searsboro, was elected president of Sigma Phi Epsilon fraternity at a recent meeting. Other officers elected include Torgor Torgerson, U of Dakota City, vice president; Glenn Satterly, A2 of Farmington, historian; John Bressler, A2 of Carson, secretary; Max Hudson, A2 of Centerville, senior marshal; Carrol Schneider, E3 of West Amana, junior marshal; William Funnell, C3 of Sewal, guard.

Among Iowa Citians

Mrs. Jessie Seger, 310 N. Gilbert street, will leave Thursday for a month's visit with her daughter, Mrs. Nerwyn Larsen at Rochester, N. Y. A girl was born to Mr. and Mrs. James Kent, 358 Lexington avenue, Sunday at University hospital. William Gower Jr., of Denver, is spending two weeks in the home of his parents, Mr. and Mrs. William Gower Sr., 19 Evans street. He is a member of the Denver Symphony orchestra. Mr. and Mrs. Richard Martin, 416 Grant street, are the parents of a boy born Saturday at University hospital. Mr. and Mrs. Richard F. Nazette, 613 E. Burlington street, are entertaining Mr. Nazette's mother, Mrs. H. H. Nazette of Eldora. Mrs. Nazette plans to spend several weeks in Iowa City. Mrs. Barry Harding has left for Indianapolis, from where she will go to Atlanta, Ga., to visit her daughter. On her return Mrs. Harding will reside with Mr. and Mrs. M. M. Johnson of 225 Sidney street, Coralville. Mrs. George B. Unrath and daughter, Jane, of West Liberty, have left for Albany, N. Y., where they will be guests in the George Stoddard home. They will be gone for three weeks. Two women's groups of the Trinity Episcopal church will meet this afternoon. Mrs. Robert Gibson, 1029 E. Court street, will be hostess to the east group in her home at 2 o'clock. The west group will meet at 2:15 at the home of Mrs. Dean Lierle, 603 River street.

Carol Jo Vehmeier, John P. McWilliams Wed February 10

In a double ring ceremony Feb. 10, at 4 p. m., Carol Jo Vehmeier, daughter of Mr. and Mrs. Ralph Vehmeier of Freeport, Ill., was married to John Paul McWilliams, son of William D. McWilliams of Dearborn, Mich. The Rev. Forrest D. Hoisington performed the ceremony in the chapel of the Embury church in Freeport. A program of musical favorites of the bride and bridegroom was played by Alma Otto preceding the bridal chorus from "Lohengrin." Katherine Vehmeier, sister of the bride, was maid of honor and Ens. Merle Trapper of Dixon was best man. The bride, given in marriage by her father, wore an aqua suit, black accessories and a white orchid. After the ceremony a reception was given by the bride's parents at their home. Mrs. McWilliams attended the college of liberal arts at the University of Iowa for two years. Last semester she was enrolled in the university school of nursing. Ensign McWilliams is on terminal leave from the naval air corps. The couple will live in Dearborn.

Aubrey Land to Talk To Language Students

Aubrey Land, G of Chicago, will address members of Phi Sigma Iota, honorary romance languages fraternity, tomorrow at 7:30 p. m. in room 19 of Schaeffer hall, according to Jane Schmidt, A4 of Fairfield, president. He will discuss his experiences while in France with the U. S. Army. A business meeting will precede the discussion.

3 Discharges Filed In Recorder's Office

Three discharges were filed by Iowa City men yesterday in the office of the Johnson county recorder. The former army men are Roy A. Zimmerman, route 5, and John G. Albrecht, 1212 E. Court street. Donald E. Powell, 806 Bowery street, served with the marine corps in the Pacific area.

Ashton Talks in Buffalo

Prof. Ned L. Ashton of the civil engineering department left for Buffalo, N. Y., Monday to give a talk before the American Institute of Concrete. He will return to Iowa City Friday.

Kappa Kappa Gamma Scholarship Contest Requirements Listed

Rules for application for an undergraduate and a graduate scholarship offered by Kappa Kappa Gamma, social sorority, were listed Monday night by the local chapter. A maximum of \$250 will be awarded to an undergraduate member of Kappa Kappa Gamma who shows she is in need of assistance. A B average is required for all applicants. Applications may be sent to Marian Handy, Crisfield, Md., after March 1. The deadline is May 1. The same time limit is set for the graduate fellowship award of \$500. Application is open to needy women students not over 30 who have graduated from a college where there was a chapter of Kappa Kappa Gamma. Entrances may be made through Bernard L. Lilljeborg, P. O. 924, Lamor, Col. Rules for application are posted in the office of student affairs in Old Capitol.

Memorial in Library To Honor Graduate

A memorial to Lt. Robert K. Briggs, 1943 university graduate who died in action in the European theater in April, 1945, has been established in the university library by Mrs. George Falk, of 225 E. Davenport street. The memorial consists of 29 volumes of the philosophical writings of George Berkeley, Thomas Hobbes, David Hume and John Locke. Lieutenant Briggs, formerly of Sumner, lived in Mrs. Falk's home during his university days.

Program to Feature Music by Debussy

Two works of Claude Debussy, "Reflects dans L'Eau" and "L'Après-midi d'un Faune," will be played on the planned music program at 3:30 this afternoon in Iowa Union music room. Other selections include: Tchaikovsky's "Polonaise," "L'Arlesienne Suite" by Bizet and "Finlandia" by Sibelius.

Two Guest Geologists Talk to Survey Staff

Robert H. Dott, state geologist of Oklahoma, and Dr. Edward L. Clark, state geologist of Missouri, spoke yesterday afternoon to the staff of the Iowa Geological Survey and to the faculty and graduate students in the geology department. Clark received his M.S. degree from the university here in 1931.

Club Meetings Art Circle to Meet This Morning

The Art circle will meet this morning at 10 o'clock in the board room of the public library. Mrs. Thomas Farrell will give a paper on Hellenistic Art.

Hospital Residents' Wives Club

The newly organized Hospital Residents' Wives club will meet tonight at 8 o'clock in the University clubrooms at the Union. Mrs. Philip Jeans and Mrs. William Hale will be sponsors. Mrs. George Burton, Mrs. Hal Carron, Mrs. Norman Bolker and Mrs. Chester Barta will be hostesses.

Trinity Episcopal Church Groups

Two women's groups of the Trinity Episcopal church will meet this afternoon. Mrs. Robert Gibson, 1029 E. Court street, will be hostess to the east group in her home at 2 o'clock. The west group will meet at 2:15 at the home of Mrs. Dean Lierle, 603 River street.

Prof. H. J. Thornton To Talk at Club Tea

"George Washington—Farmer, Soldier, Statesman" will be Prof. H. J. Thornton's topic when he speaks to the University club at its George Washington tea Friday from 3 to 6 p. m. in the University club rooms. Professor Thornton will be introduced by Mrs. W. H. Bates, club president.

YMCA Area Officer To Assist Secretary In Reorganizing Club

Clarence Elliott, student secretary of the north central area of the Y. M. C. A., arrived in Iowa City Monday to help in the reorganization of the local "Y" in cooperation with Richard E. Sweitzer, executive secretary. Elliott is also helping lay the preliminary groundwork for a statewide Y. M. - Y. W. planning conference Saturday in Iowa Union. This conference will be attended by "Y" leaders from throughout the state.

Mary J. Boehm, Jim Zabel Wed Sunday In Single Ring Ceremony in Des Moines

Before an altar decorated with lilies, roses, snapdragons and carnations, Mary Janice Boehm, daughter of Mr. and Mrs. Hugo Alvin Boehm of Ogden, became the bride of James F. Zabel, son of Mr. and Mrs. F. W. Zabel of Aurora, Ill., Sunday at 4 p. m. in St. John's Lutheran church in Des Moines. The Rev. F. S. Weertz read the vows of the single ring ceremony. Preceding the ceremony, Marjorie Christiansen, vocalist, sang "Because," "Through the Years" and "The Lord's Prayer." Attending the bride as maid of honor was Janelle Souers of Ogden. Joan Zabel, sister of the bridegroom, was bridesmaid and William Vonnell of Des Moines was best man. George Peak of Des Moines, Lt. (j.g.) Hal Beck of Ottumwa, Richard Kling of Davenport and Dick Baxter of Iowa City were ushers. The bride wore a white gown with a three-tiered wedding cake and decorated with flowers and candles. Joan Allen, Margaret Jane Caris, Bonnie Hurlbert and Mrs. Edward Chort were hostesses. The couple left for a wedding trip to New Orleans, La. For traveling the bride had selected a three piece wool ensemble of gray with black accessories and a corsage of white flowers. Mrs. Zabel was graduated from Odgen high school and attended Drake university in Des Moines where she was affiliated with Kappa Kappa Gamma social sorority. The bridegroom was graduated from Davenport high school and the University of Iowa. He was president of Sigma Delta Chi, honorary journalism fraternity and was affiliated with Sigma Chi social fraternity. He was editor of The Daily Iowan and is now employed by radio station WHO Des Moines, where the couple will be at home.

All Student Tickets Gone

All student tickets for the concert to be presented at 8 o'clock tonight at Iowa Union by Witold Malcuzyński, Polish pianist, have been issued. Prof. Charles E. Richter of the music department said yesterday. A few reserved seats and general admission tickets are still available for sale to the general public. Students who have tickets which they will not use are urged to turn them in at the Union. Malcuzyński, who was urged to come to America by Yehudi Menuhin, violinist, will play selections by Franck, Beethoven, Szymanowski and Chopin. He is scheduled to appear in Orchestra hall in Chicago Sunday. Every ship has a painted mark on its hull showing how low in the water she can be permitted to sink safely when loaded.

WARNING!

If you have a flat tire, do you just ignore it and go on driving to save the repair bill? No! You know the tire will be ruined and tires are expensive. Think of your shoes the same way. Have your shoes repaired as soon as they need it.

Gridiron Strategy Board

DR. EDDIE ANDERSON, (center) Iowa's head football coach, lays plans with his two assistants, Joe Sheeketski (left), newly appointed Iowa line coach, and Frank Carideo (right), Hawkeye backfield coach, who recently returned from a tour of duty in the navy, as Iowa's first formal football drills of 1946 got underway yesterday afternoon in the Iowa fieldhouse. About fifty candidates reported for Dr. Anderson's first Iowa grid machine since he left for the army following the 1942 season.

49 Candidates Listed on Spring Grid Roster

Officially, Iowa's 1946 football team began a build-up last night. Observers at the first night of formal spring practice couldn't see much of Dr. Eddie Anderson's aspirants except lots of brawny shoulder bulging inside practice T-shirts. Everybody hustled and seemed mighty eager with the

136,600 Happy Fans See Hawks

Crowds totaling about 136,600 have watched the University of Iowa's basketball team in its 15 games, according to an official estimate Tuesday. Of this total, the home crowds figure at 109,200, an average of nearly 10,000 per game. The five home conference games included two sell-outs at 14,400, a 14,200, a 14,000, and a 12,800. The Indiana game of next Monday, last at home, has been a sell-out for a month.

Close Games In 'Murals

In the first game at the fieldhouse last night, Beta Theta Pi team, 37-27. Don Waegley hit 12 for the Beta's with Jack Mehrhoff close on his heels making 10. Shel Strick was high man for the Phi Eps with eight points, Mel Kadesky following with seven for the records.

The improved Delta Chi quintet made Phi Delta Theta work, the Phi Deltas winning with only five points to spare, 41-36. Tall Don Petersen headed the Phi Deltas, ringing up 13 markers while speedy Bill Hook hit 16 for the Delta Chi's. Bill Robinson was second for nine points.

Too close for comfort, the Phi Gamma Delta five overcame Alpha Tau Omega, 33-30. Phi Gam Alf Kokijn ran up the scoreboard 12 marks to ATO Don Schneck's 10. Milt Paule helped the Phi Gam's with his eight hits.

In the play-off tilt between Phi Kappa Psi-Sigma Nu, the Sigma Nu's again proved themselves champions in their class, Sigma Nu kept the Phi Psi's from scoring until nearly the end of the first quarter. The losers had to work every step of the way for the 28 points they chalked up to the Sigma Nu's 49. Art O'Neill paced the Sigma Nu's, slinging in 12 with Bob Marshall close behind for 10 counters. Bob Wayland hit nine and Bob Knarr eight. Last night's win pushed the Sigma Nu team up to the top of section B of the intramurals with five wins and no games lost. Dan Sheehan and Nels Smith led the Phi Psi's defense, running up eight apiece, Smith with four field goals and Sheehan two field goals and four free throws.

In an overtime, Sigma Chi fought off the attempts of the Sigma Phi Epsilon five to win, 39-35. Jack Shyan rang up a total of 15 points, Bob Clem hitting for nine. Sig Ep Duane Carroll marked up 12 for the losers, closely followed by Don Carroll who chalked up 11. This game was a play-off which was postponed earlier in the season.

Title Can Be Cinched Monday

Ramblers Try To Sweep City Series Tonight

Starting Lineups

St. Mary's	P.	St. Patrick's
Chuckalas	F	M. Hoyer
Sueppel	F	Sullivan
Toohy	C	Seemuth
Rocco	G	Belger
Shrader	G	T. Hoyer

The second installment of the annual city cage classic gets underway at eight o'clock in the old City high gym tonight when the Irish of St. Patrick's invade the home court of the Ramblers of St. Mary's for the third meeting of the two clubs this year.

In the first encounter on the Irish court the Ramblers emerged with a two-point victory. In the second, held on a neutral court in Davenport to decide the diocesan championship, the Ramblers again took a close decision despite a final half Shamrock rally that fell three points short of the upset.

Both lineups will be the same as the ones that fought through the opening battles for the two teams. Frank Sueppel last night indicated that Bill Sueppel, one of the city's top scorers, would be at one of the front court posts for the Ramblers while Andy Chuckalas would be at the other. Big Bart Toohy is slated to be at the pivot spot for the Ramblers with Jack Schrader and Eddie Rocco on the Rambler backcourt.

Cliff Kritta will counter with Merle Hoyer, who has piled up a 15 point average, and Bob Sullivan paired at the Shamrock forwards with Bill Semuth at center. Charlie Belger and Tom Hoyer will start at the guards for the Irish.

Big problem for the Ramblers will be the stopping of Merle Hoyer, Frank Sueppel, Rambler coach, said last night that he was not certain who would be assigned the task of holding the Shamrock sharpshooter down.

"It will be either Jack Shrader, who did a fine job in the last two games, or Eddie Rocco, who is our defensive ace, who will get the task," the Marian mentor said.

No word came out of the south side camp of the Irish as to either offensive or defensive strategy, but it seemed probable that Tom Hoyer would again be given the task of stopping Bill Sueppel, the Rambler's most proficient scorer, and that Bill Semuth would guard the task of stopping Bart Toohy, the big Rambler center.

Sectional Tourney Play Starts Tuesday

Capacity crowds are expected next week when 16 of the area's basketball quintets invade the City high school gym for sectional play Tuesday, Wednesday, Thursday and Saturday nights.

Fred Jones, City high principal and manager of the local tournament, has completed arrangements for temporary seating facilities that will increase the gym's seating capacity to 1,400.

All seats will be on a general admission basis with tickets on sale at the gym before each night's play.

St. Mary's will be the first of the Iowa City quintets to see tournament action, tangling with Tiffin Tuesday night at 9:30. St. Patrick's will meet Cosgrove Wednesday night at 8:15, with University high, one of the four class A teams competing here, playing West Liberty Saturday at 9:30 p. m.

Grid Stars Try Another Sport

GEORGE BRESNAHAN, (center) Iowa track coach, hands out some tips on how to get off to a fast start to a pair of football stars, Nelson Smith (right) was the regular right half on the grid team and is a letter winner on last year's track squad in the 880. He won this event in the Chicago meet last Saturday. John Hunter (left) was Iowa's reserve left half for most of last year and started three games for the Hawks. He is trying to earn his third letter in the spring sport in the 440-yard dash. He, like Smith, won in the dual meet with Chicago.

Hawk Gridders Star in Track

A majority of those men who clad the Old Gold moleskins last fall are trying their hands at another major sport to keep in shape during the winter and spring months. A goodly number of these Hawkeye athletes chose track as the method of expending their off-season energy. Four of them turned in wins in last Saturday's dual meet with the University of Chicago.

Coach George Bresnahan is expecting even more from them this week when the Hawkeyes tangle with Minnesota and Chicago at Chicago next Saturday. Bresnahan was not satisfied with the accomplishments of his men last Saturday.

"They will have to make better times if they are going to beat times in the 440 yard dash, was a half-back on the football team. He turned in fair time, :53.3. Another halfback, Nelson Smith, who competes in the 880 yard run, won his race with several yards to spare, but his time was slow. This may have been due to the competition in this event. Walter Thorpe, winner of the pole vault, played fullback for the Hawks last fall. The height attained might have been better if three Iowa boys hadn't been competing against each other. The other football man to win a first was Dan Sheehan who took the high jump and finished second in the pole vault. Dan reported late to school, but came out for football and grabbed a first string end berth. He was on the basketball team for awhile.

John Hunter, who placed first in the 440 yard dash, was a half-back on the football team. He turned in fair time, :53.3. Another halfback, Nelson Smith, who competes in the 880 yard run, won his race with several yards to spare, but his time was slow. This may have been due to the competition in this event. Walter Thorpe, winner of the pole vault, played fullback for the Hawks last fall. The height attained might have been better if three Iowa boys hadn't been competing against each other. The other football man to win a first was Dan Sheehan who took the high jump and finished second in the pole vault. Dan reported late to school, but came out for football and grabbed a first string end berth. He was on the basketball team for awhile.

The board agreed to give the coach some separation payment, but the amount has not been determined, Father Divine said.

Stidham came to Marquette in 1941 from Oklahoma university where he was head football coach and athletic director. Replacing Paddy Driscoll, Stidham won 20 games, lost 22 and tied two in his five years at the Jesuit school.

The board secretary said no successor had been selected. He added, however, that several coaches had been interviewed, including Lt. Cdr. Tom Hearden, Green Bay, Wis., formerly coach of the Iowa Seahawks, and Frank Murray, formerly at Marquette and now at the University of Virginia.

Max Morris Paces Big Ten Scorers; May Get 200 Points

By JERRY LISKA
CHICAGO (AP) — Northwestern university's rugged Max Morris, with his second straight Big Ten scoring title virtually clinched, appears destined to become one of the conference's rare 200-point scorers.

Morris, whose deadly rebound activity has amassed 190 points in 11 league games, can fall well below his 17.3-point average in Northwestern's finale against Ohio State Saturday night and still reach the coveted 200 mark.

This has been attained by only four conference stars and by only three in 12 games.

Morris, who won the 1945 title with 189 points, will be the third Big Ten player to win scoring honors in two successive seasons, barring a terrific spree by Tony Jaros of Minnesota, who currently has a nine-game total of 129 points.

Jaros has an average of 14.3 points, second to Morris' sizzling pace. Bob Doster of Illinois and Bob Cook of Wisconsin, previous threats to the Wildcat star, slipped out of the running with 11-game bags of 148 and 149 points respectively.

Although Michigan finished the season with an even break in 12 games, the Wolverines presently hold the offensive scoring lead with an average of 55.1 points, sixth-place Illinois is the defensive pace-setter, yielding an average of 40.7 points in 11 games.

The scoring leaders:

G	FG	FT	Pct	Avg	
Morris, Northwestern	11	73	44	190	17.3
Cook, Wisconsin	11	61	27	149	13.5
Doster, Illinois	11	60	28	148	13.4
Hoffman, Purdue	11	49	42	140	12.7
King, Northwestern	11	44	48	136	12.4
Miller, Purdue	12	53	29	124	11.2
Selbo, Michigan	12	56	29	123	11.0
Jaros, Minnesota	9	41	47	125	14.3
Struck, Michigan	12	52	15	119	9.9
Underman, Ohio State	9	31	16	118	13.1

Indiana Takes 84-41 Win Over Ball State

BLOOMINGTON, Ind. (AP) — Indiana university's basketball team closed its home season last night with an 84-41 romp over Ball State.

The Hoosiers scored on the first tipoff and led at the half, 44 to 11. Fred Grimes, Ball State guard, got started in the second half to take scoring honors with 14 points. The Hoosier scoring was evenly divided, with Al Kralovansky and Jack Herron racking up 13 and Johnny Wallace, Tom Schwartz and Bert Herman 12 apiece.

Coach Harry Good sent 15 Hoosiers into the ball game. His first team played all but five minutes of the first half. After taking a lead on Kralovansky's shot, Indiana ran the score to 13 to 6. There Ball State stalled, and the Hoosiers tossed in 22 points before Bill Riemschneider found the hoop for Ball State.

The verdict put Indiana at 16 games won and three lost and Ball State at seven and nine.

Herman Rohrig Signs Green Bay Contract
GREEN BAY, Wis. (AP) — Halfback Herman Rohrig, a member of the 1941 Green Bay Packers, signed a contract with the club yesterday, and became the 12th player on the 1946 roster.

An ex-Nebbraska star, Rohrig played with the Cornhuskers in the 1940 Rose Bowl game, and with the college All-Stars in 1941. He joined the Packers in 1941, but was inducted into the army a short time later.

But Wildcats Must Tumble Ohio State

Iowa's Hawkeyes can cinch the Big Ten basketball championship this weekend—IF NORTHWESTERN HELPS.

All (and that's a lot) the Hawks have to do is win both of their ball games: the Saturday night showdown with Illinois at Champaign and Monday night's home finale with Indiana. And then the prayers of about three million Iowans must ask Northwestern's Wildcats to hand Ohio State a third defeat.

Then the conference standings would look like this:

	W.	L.	Pct.
IOWA	10	1	.909
Ohio State	9	3	.750

But this week's practices didn't give much assurance of this dream set-up. It looked as though Iowa's loop-leading team would have to draw even more heavily on the supply of guts that has pulled them through plenty of close ones already this season.

"We'll play them with what we have—if we have to get along without Herb Wilkinson and Ned Postels. I have confidence in Theron Thomsen and Tony Guzowski who have been improving steadily, even though they haven't been in action a great deal," Coach "Pops" Harrison commented.

Meanwhile, with Herb's injured shoulder responding slowly to treatment and Ned's bad leg not much improved, the Hawks are stressing defense. Illinois, winner of six of eleven games, has averaged 52 points per game, and its defense has restricted foes to 41.

Iowans have special interest in Bob Doster, forward who is second in the Big Ten individual scoring race with an average of 13.5 per game; Fred Green, a 6-6 center who just became eligible and has made 31 points in his two appearances; and Jack Smiley, guard who played on the "Whiz Kid" title teams of 1942 and 1943.

Illinois has won four of its five home games, whipping Northwestern, Chicago, Michigan and Wisconsin. Last year, the Illini gave Iowa its only defeat, 43-42, on the Champaign court. Illini swamped Wisconsin, Iowa's last victim, 72-53, Monday with Green and Smiley hitting for 19 and 13 points.

In workouts this week, the Hawks have shown a revival of shooting skill, with Dick Ives, Dave Danner and Clayton Wilkinson sinking the baskets.

Preston Koser Seeks Democratic Nomination For County Supervisor in June Primaries

Candidate Is Fourth To Run for Position On Democratic Ticket

Preston Koser, sheriff for Johnson county, announced yesterday his candidacy for nomination, on the Democratic ticket, to the office of county supervisor for the term beginning Jan. 1, 1947.

Koser recently announced he would not seek re-nomination as sheriff and had stated no definite plans until his announcement yesterday. He plans to live in West Lucas township when he leaves his post as sheriff.

Koser was appointed sheriff in 1941 after the resignation of former sheriff Don McComas and has since been elected to that office twice. He is now in his 16th year as a Johnson county peace officer, having been a deputy for ten and one-half years prior to his appointment as sheriff.

The announcement of his candidacy brings to four the number of Democrats who are seeking nomination to the board of supervisors. The other are J. E. Pechman and Marvin Stahle, incumbents who are seeking re-nomination, and Robert Mahoney Sr.

No candidacies for nomination on the Republican ticket have been announced as yet.

PRESTON KOSER

Emil G. Trott Seeks State Legislative Job

Emil G. Trott, Iowa City attorney, announced yesterday that he will seek nomination for state representative on the Democratic ticket in the June primary.

This announcement brings to three the number of Iowa City men who will be candidates for the legislative seat. Prior to Trott's statement, Frank J. Krall and Atty. William H. Bartley filed for nomination on the ticket.

Attorney Trott was the first director of the Johnson county board of social welfare, former commander of the Civil Air Patrol here, a Red Cross director, rural chairman for the 1945 War Relief Fund, and recent chairman of the Victory clothing drive.

He is first vice-commander of the American Legion and the post's service officer. He is also chairman of the aviation committee of the Junior Chamber of Commerce.

Three Wills Probated By Court Yesterday

Three wills were admitted to probate in district court yesterday. George Zahradnek was named executor without bond of the will of John J. Gardner, who died Feb. 8. E. F. Rate is the attorney.

John Stuart Bauch was named executor without bond of the will of Dorothy Anne Dondore, who died Jan. 24. E. P. Korab is the attorney.

Clara Kabela was appointed executrix without bond of the will of James Kabela, who died Jan. 26. Will J. Hayek is the attorney.

Dowell, Hoyne, Herwig Winners in Ping Pong

Douglas Dowell defeated William Gibson 21-16 and 21-15 in yesterday afternoon's ping pong matches. Lloyd Herwig won two out of three games from Bill Hansen, 21-16 and 21-15, and Kenneth Hoyne defeated Ned Jacobson 21-19 and 21-19. Games were played under the supervision of Marilyn Guenther, member of the games sub-committee, sponsor of the ping pong tournament.

Stolen Automobile Found in Ottumwa

A car belonging to Ferdinand Hoppe, Sharon, has been found by highway patrolmen in the parking lot of the Ottumwa naval air station.

The car was reported stolen to Iowa City police two weeks ago from behind the Maid Rite cafe where it was parked with its motor running.

Girls 4-H Leaders Plan Training School

Johnson county girls' 4-H club leaders will meet in the first of three training schools on home efficiency Feb. 28 in the Community building lounge. Mrs. Bernice J. Gross, extension specialist in home management at Iowa State college, will be the guest speaker at the meeting which will last from 10 a. m. to 4 p. m.

Car Blaze Extinguished

Firemen were called to extinguish a fire in a car owned by Earl D. Walker, Iowa City, near the Varsity theater about 12:05 a. m. yesterday.

A short circuit started the fire, causing slight damage to the wiring.

Cattle Breeders to Meet

Jersey cattle breeders from Johnson and eight other eastern Iowa counties will meet at 10 a. m. Thursday, Feb. 28, in the Farm Bureau office in Iowa City.

Blue to Give Medals To Selective Service Men Here Tomorrow

Ceremonies for the award of the Selective Service medal to members of draft boards, medical examiners and medical advisory boards in 22 south-eastern Iowa counties will take place at the Community building in Iowa City at 1:45 p. m. tomorrow. Gov. Robert D. Blue will present the medals.

Walter C. Shoquist, chief clerk of the Selective Service board, said uncompensated personnel with two or more years of service would be eligible for the award.

The program will begin with selections by the City high school band and a presentation of the colors at 2 p. m. Dr. L. L. Dunnington, minister of the First Methodist church of Iowa City, will give the invocation and benediction. Brig. Gen. Charles H. Grahl, director of selective service in Iowa, will make the opening address.

At 2:10, Governor Blue will speak, and a draft board member yet to be selected will give the response. George C. Whitmore, representing all of the men to receive the honor, will accept the first selective service medal from Governor Blue.

The ceremonies are open to the public.

Two Veterans Start Course in Mechanics For Shaw Aircraft

Two Johnson county veterans, Bob Berry of near Iowa City and Vernan Jacobs of North Liberty, were the first men to start mechanics training with the Shaw Aircraft company under the G. I. flight and mechanical training program.

First job for the men yesterday was learning how to paint and re-cover airplanes.

Berry and Jacobs will receive \$90 a month from the government and 50 cents an hour from Paul B. Shaw, head of the new Iowa City program, for their work in the shop. The course will last from 6 months to a year depending on how soon they attain the standards set by Shaw.

Shaw said that since there is a limited amount of work in the shop he can handle only two men at the present time. When more work accumulates during the summer months there will be more room for those who wish to take the course.

Quadrangle to Elect Residence Council

Residents of Quadrangle, men's dormitory, will vote today for their first residence council since the spring of 1942 when the navy took over the building.

The council is made up of 16 elected representatives—two from each section of the dormitory—and the nine dormitory proctors. It operates under the Quadrangle constitution of 1938.

First meeting of the council will be Feb. 27 when officers will be elected. Officers of the council automatically become officers of the dormitory.

About 40 men have been nominated for the council positions.

QUADRANGLE—

(Continued from page 1)

men, just out of the military service, "are eating on the basis of GI appetites which is more than they need" and have not yet learned to select their foods economically. They also said they believe the university may be able to adjust prices slightly on the basis of more accurate figures which will be available after a month's operation.

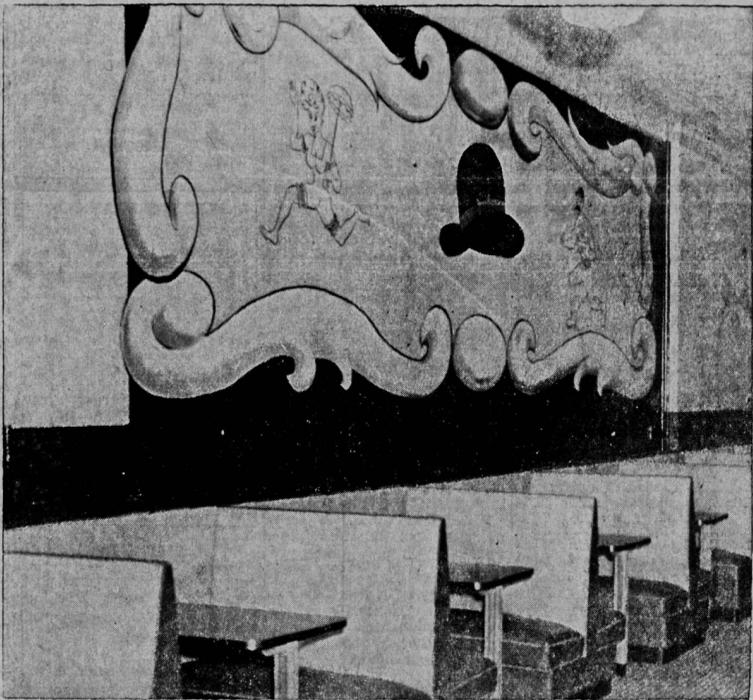

Dean Thompson said suggested menus will be posted daily and "if the residents choose to follow these suggestions they will get a balanced meal and at a price probably lower than the cost of random selection based on the dictates of appetite."

Thompson's statement also pointed out that part of the revenue from university dining facilities goes toward debt retirement because the facilities were built with borrowed money and not with state tax funds.

Dinner Menu

Last night's dinner menu at the cafeteria listed the following prices:

Vegetable and navy bean soup, 5 and 10 cents; roast pork, 25; liver and bacon, 20; Swedish meat balls, 2 for 20; ham and egg scallop, 20; mashed potatoes and gravy, 5; escalloped potatoes, 8; vegetables, 10; salads, 10; pie, 10; cake, 10; ice cream, 5 and 10; coffee, 5; tea, 5, and milk, 6.
