GOOD MORNING, IOWA CITY!

More cloudy weather can be expected today, clearing by tonight. There will be some rain during the day but no heavy downpours.

## U.S. PROTESTS RED TROOPS IN IRAN

### Winston Churchill Urges British-U.S. Military Alliance

#### British Leader Raps Russia

Truman Asks Support Of United Nations 'As Law of World'

FULTON, Mo. (AP)—Winston Churchill, bluntly accusing Soviet Russia of seeking "indefinite expansion" of its "power and doctrines," today urged an Anglo-American alliance to prevent another "catastrophe."

President Truman, asserting that "these are perilous times," called upon the people to see that the United Nations charter "is implemented as the law of the land and the law of the world."

#### Honorary Degree

The president, who accepted an honorary degree from Westminster college, spoke after former British Prime Minister Winston Churchill.

Alluding to the terrible force of atomic energy, the president declared the world is "either headed for destruction or the greatest era of progress in history."

"It is up to you to decide which path we follow," the president told the college audience, adding:

"It is up to me to attempt to see that we follow the path toward that great age and not toward destruction, and that is what I have dedicated my life to do."

#### Balance of Power

Speaking in this crowded little Missouri college town, the fiery war-time British prime minister demanded an end to the "quivering, precarious balance of power" which he said offered a temptation to "ambition or adventure."

Introduced by President Truman, who accompanied him from Washington by special train, Churchill, asserting he spoke "only for myself," used the sharpest language yet employed in the gradual stiffening of British and American attitude toward Russia.

If the western democracies become divided, "or falter in their duty," he told thousands jamming the college gymnasium or listening to his speech over loud speakers, "then indeed catastrophe may overwhelm us all."

#### Churchill Talk Meets Unfavorable Reaction

WASHINGTON (AP)—Winston Churchill's proposal for a virtual British-American military alliance provoked generally unfavorable reaction among members of congress yesterday.

The former prime minister's call for sharing of bases and military preparations found some support, but most senators said they want no formal alliance because it might arouse suspicion on the part of Russia and because it would link the United States too closely to British foreign policies.

#### Unwritten Alliance

Senator Johnson (D., Col.) said there already is "an unwritten alliance" between Britain and the United States for mutual protection, but added:

"I'm very sure we are not ready now to have a military alliance that would impose on us the duty of enforcing Britain's foreign policies."

Senator Brewster (R., Me.) agreed that "we cannot assume the heritage of British colonial policy."

Chairman Connally (D., Tex.) of the senate foreign relations committee and Senator George (D., Ga.) said they feel as Churchill does, that the United States, Great Britain and Canada should retain the secret of the atomic bomb until tested United Nations controls are set up.

#### Wheeler's Comment

Senator Wheeler (D., Mont.) said he found in Churchill's address confirmation of fears he said he had expressed before this country became involved in the war.

Senator Aiken (R., Vt.): "I'm not ready to enter a military alliance with anyone. Britain, the United States and Russia should pull together to make the United Nations work."

#### Iran Issues Protest Against Red Troops In Northern Sections

Officials May Suggest That Security Council Re-Open Soviet Case

LONDON (AP)—Official Iranian sources said last night that Iran had made a formal protest against Russia's decision to keep troops in Iran's northern provinces, and declared the United Nations security council might be asked to reopen its case against Russia.

In Tehran, in the second outbreak of violence in two days, leftist demonstrators broke through police lines in front of the parliament building yesterday and severely beat an associate of deputy Saïd Zia-Ed-Din, described by Soviet publications as anti-Russian.

#### Officials Cautious

Iranian officials in London were cautious about making any flat statement that the case would again go before the security council, which decided at its London meeting last month that Russia and Iran should try to settle the differences by direct negotiations.

An embassy spokesman said without qualification, however, that Premier Ahmed Qavam Es Saltaneh, who was in Moscow when Russia's decision was announced, already had protested to the Soviet government.

#### In Iran Today

He said Ahmed Qavam was expected back in Tehran today or Thursday from the Soviet capital where he carried on negotiations in accordance with the security council's decision.

Meanwhile, both the British foreign office and the Iranian embassy said they were unable to confirm a report published by the London Evening News that Russia had made six demands on Ahmed Qavam before he left Moscow.

#### Chinese Minister Says Russians in Manchuria Contrary to Treaty

CHUNGKING (AP)—Foreign Minister Wang Shih-Chieh asserted yesterday that the Russians were staying on in Manchuria contrary to their treaty, and that they had taken the position last January that they should take over Japanese Manchurian industries as reparations.

The Chinese foreign minister thus brought the long-secret Manchurian question into the open officially for the first time in addressing the Kuomintang's central executive committee, while reports circulated that General Marshall would visit part of the Russian occupied zone in Manchuria.

Wang told the Kuomintang committee the Chinese-Russian treaty of Aug. 14 expressly provided for the Soviet withdrawal, and that there were no other stipulations.

#### Union Official Calls for Rail Strike Monday

By THE ASSOCIATED PRESS

A nationwide strike of 300,000 railroad engineers and trainmen has been called for next Monday morning, a railroad brotherhood official announced yesterday, but union heads at Cleveland headquarters declined to confirm or deny that a date had been set.

Ordinarily the railway labor act's machinery results in a 30 to 60 day "waiting period" after a formal strike call.

The threat of a nationwide railroad strike was the top labor news of a day which saw these major developments:

#### Strike Deadlocked

1. P. O. Peterson, general chairman of the Brotherhood of Locomotive Engineers of the western area, announced at San Francisco that a progressive national strike of railroad engineers and trainmen is slated to begin Monday morning.

2. The General Motors strike reached a new deadlock upon failure of the corporation and striking CIO United Auto workers to agree on a proposed secret vote to end the 106-day old walkout.

Federal mediator James F. Dewey said a vote was "out of the picture" after GM replied that the union's counter-proposal was "without merit" and the CIO-UAW rejected that GM was guilty of "a lockout."

#### Ask for Settlement

3. Edgar L. Warren, chief federal conciliator, said government pressure would continue in attempts to avert a strike of 200,000 telephone workers called for Thursday.

Warren said that settlement of the long line telephone workers demands for an increase of 18½ cents an hour would expedite agreements in disputes involving 16 other affiliated telephone unions. Latest management offer was reported to be 15 cents.

4. The country's bituminous coal operators appealed to John L. Lewis and his AFL United Mine Workers union to negotiate a new contract without a strike. The UMW has filed 30-day strike notices threatening a walkout April 1 unless wage demands are met. The operators agreed to meet with the union committee Mar. 12 in Washington but their letter to Lewis said that the price increase would penalize the industry in competing with other fuels.

#### UVA MEETING

The University Veterans' association will meet tonight at 7:15 in the Chemistry auditorium. Local veteran administrators will speak. The meeting will begin promptly at 7:15 and is scheduled to last one hour.

#### Soy Bean Food Crop In Manchuria Raided

Secretary Anderson Reports 'Plundering' Of Food for Chinese

WASHINGTON (AP)—Secretary of Agriculture Anderson told congress yesterday of reports that the Manchurian soy bean crop which China needs for food has been "liberated from the area."

Anderson, in testifying before a house committee, did not say whether he meant that Russia had grabbed the crop. Later, when reporters asked whether he referred to Russia, he replied, "not primarily." He added that one of the Chinese factions might be responsible.

Anderson also announced that Herbert Hoover will go to Europe to survey food needs there to see whether requests for American aid are justified. The former president and his party will leave by plane probably next week for a tour of about one month.

"Normally we'd expect China to be able to go into Manchuria and take out soybeans for food," he said. "But we have reports that those soy beans have been liberated from the area."

Anderson obviously used the verb "liberate" in the GI sense of "plunder." He also did not give the source of the reports, and said they remain to be verified.

#### Krug to Succeed Ickes

WASHINGTON (AP)—Julius A. Krug easily won senate confirmation yesterday as secretary of the interior to succeed the veteran Harold L. Ickes.

#### Democrats Defeat Republican Substitute Housing Measure

WASHINGTON (AP)—A Republican substitute for the administration Housing bill was defeated 177 to 119 on a party line vote in the house yesterday. The chamber then put off until today a final showdown on the sharply trimmed-down Truman measure.

A few minutes earlier the body, by a 128-87 standing vote, approved a section of the administration bill providing \$1,000,000 worth of mortgage insurance on homes for veterans. The government would insure mortgages on new dwellings up to 90 percent of valuation.

Southern Democrats, who joined Republicans in defeating yesterday a subsidy plan which President Truman called the "very heart" of his housing program, rejoined their party colleagues from the north in defeating the Republican substitute.

The only vital difference between the Republican bill, drawn by Rep. Wolcott (R., Mich.), and the administration measure was that the former denied the government authority to put ceiling prices on new houses.

As the curtailed administration legislation now stands it would:

1. Increase by \$1,000,000,000 the government authority to insure home mortgage loans.
2. Continue for a year beyond June 30 the wartime priorities and allocation authority for channeling scarce building materials into homes for veterans.
3. Give veterans preference in the purchase or rental of new houses.
4. Grant broad authority to Housing Expediter Wilson W. Wyatt to issue directives to other government agencies, relative to building materials and housing.

Notwithstanding administration reverses in congress on the legislation, Wyatt announced yesterday his intention to retain the \$10,000 ceiling on homes constructed during the housing emergency.

"If England and the United States should drift into such a conflict, it would be a tragedy for all," he said. "The hope for economic cooperation might be lost forever. The consequences to world prosperity and even to world peace would be disastrous."

This line of argument brought a protest from Senator Murdock (D., Utah) who said:

"You stress the economic power of Great Britain and rather diminish the economic power of the United States."

"I have never forgotten for a minute the economic power of the United States," Vinson replied. "We, being the most powerful nation in the world, could win the (trade) war. But it would be worse than a Pyrrhic victory. It would be catastrophic."

#### Hershey Advocates Continuation of Draft

WASHINGTON (AP)—Maj. Gen. Lewis B. Hershey told senators yesterday congress must not allow the wartime selective service act to expire May 18 if the United States is serious about aiding world peace.

"Great Britain and the U.S.S.R., our great associates, have not felt that the world situation warranted such a hasty demobilization," the wartime draft director testified, and added: "We cannot be influential and weak."

General Hershey appeared before the senate military committee to oppose a bill by Senator Edwin Johnson (D., Col.) which would transfer veterans reemployment to the veterans administration.

#### Tribunal Hears—German Defense

★★★

NUERNBERG (AP)—Defense counsel for Grand Adm. Karl Doenitz asked yesterday for a sworn statement from Adm. Chester W. Nimitz, in an attempt to prove that United States submarines operated under "sink without warning" orders, and also requested British confidential fleet combat orders to merchant vessels.

Meanwhile, the international military tribunal trying 22 top Nazis said the defense of Hermann Goering would open Thursday. Today the court will hear applications for witnesses for Grand Adm. Erich Raeder, Baldur von Shirach, Fritz Sauckel and Col. Gen. Gustav Jodl.

Doenitz's attorney, naval Capt. Otto Kranzbuehler, told the tribunal he expected submission of an interrogatory to Adm. Nimitz to show:

1. "United States submarines attacked all ships with the exception of United States and allied vessels without warning in specified operational waters."
2. "United States submarines attacked all Japanese ships without warning, at least from the time it could be surmised that Japanese merchantmen would resist being taken as prizes."
3. "United States submarines did not assist shipwrecked people in such waters where the submarine would have endangered herself through such assistance."

Kranzbuehler said he would try to prove that the United States "gave identical orders as the German naval high command" for submarine warfare.

Secretary of State Byrnes made public a note sent nearly a month ago to Moscow and Chungking declaring that any such exclusive arrangement would be contrary to the open door policy and "constitute clear discrimination against Americans."

#### Strich Report Says War-Ridden Peoples Seek Human Rights

CHICAGO (AP)—Cardinal Samuel Strich came home from Rome today with a message that the war-ridden peoples of Europe and Asia above all things "want to enjoy their human rights."

The Chicago prince of the church and Edward Cardinal Mooney of

2. He said that he had no official knowledge confirming published reports from Dairen that Russia was shipping Japanese troops to Siberia for use as labor battalions.

3. The state department announced that it is considering methods, including financial aid, by which the United States "can assist Korea to develop a strong and independent economy, freed of Japanese influence."

#### Government's Position

In disclosing this government's position on Japanese industry in Manchuria, Byrnes also made public a partial text of a Chinese note which outlined Russia's proposals.

The Chinese communication said that Russia, in a memorandum to the Chinese government Jan. 21, had declared that "all Japanese enterprises in the Chinese northeastern provinces which had rendered service to the Japanese army were regarded by the Soviet Union as war booty of the Soviet forces."

On this point, the Chinese government said that it considers the Soviet claim as "far exceeding the scope of war booty as generally recognized by international law and for this reason the two governments have not been able to reach a unanimity of views on fundamental principles involved."

#### Fire Destroys Plant

BALTIMORE (AP)—Chemical plant of the Glidden paint company was virtually destroyed late yesterday in a five alarm fire, with damage estimated by a company official at \$1,100,000.

#### Byrnes Objects To Seizures In Manchuria

Announcement Slowed Awaiting Delivery Of Notes in Moscow

WASHINGTON (AP)—The United States flung two fresh protests at Moscow last night—over Soviet activities in Iran and Manchuria.

It furnished a forum at the same time for Winston Churchill to deliver a blunt warning against what he called Russia's "expansive and proselyting tendencies."

Announcement that two notes had been sent to Moscow was made late in the day by the state department. Withholding the contents pending their receipt at the Kremlin, the department described one as relating to the continued presence of Soviet troops in Iran and the other as concerning Manchurian industries.

#### Unidentifiable Sources

The fact that they constituted protests, however, was learned from officials in a position to know but who may not be publicly identified.

The note on Iran was described as a direct protest against what the United States considers a failure by the Soviets to live up to a treaty calling for withdrawal of all their troops from the oil-rich little country by last Saturday.

It was sent after notification from Tehran that the Iranian government has protested. The British, at the same time, have asked Moscow for an explanation.

#### Other Developments

His disclosure came amid several other developments bearing on Russo-American relations:

1. Byrnes told his news conference that Gen. Douglas MacArthur's authority as supreme Allied commander extended to all areas in which there are enemy troops, and — in response to a specific question—said this included the trouble spot of Manchuria.

CARDINAL SAMUEL STRICH

Detroit arrived in the TWA constellation plane Star of Lisbon, at 11:43 a.m. (C.S.T.) after a flight from Gander, Newfoundland, during which fog and low visibility prevented scheduled landing at Detroit. The cardinals flew from Rome to Eire on their return from the consistory at which Pope Pius XII elevated 32 prelates to the college of cardinals.

Cardinal Mooney, who lunched with his party aboard the plane, then went to St. Gall's church rectory and departed at 4:15 (C.S.T.) for Detroit.

Byrnes' Easy-Going Policy Toward Russia Beginning to Change

Keeps Army Poised

Also for many months, Russia has had a formidable army on the Manchurian border or in north China, and on the Turkish border.

I do not anticipate war. It is unthinkable that Moscow would embark upon Hitleresque aggressions.

Like people generally, I resolve all doubts in favor of what I want, and do not feel it comfortable to expect war. Yet the plain inner and outer facts today show me that I must prepare or be ready for what I do not want.

# Trailer Units Open March 8

### Ten Hawkeye Village Homes to Be Ready, Others Follow Soon

Ten trailer units in Hawkeye Village, university trailer camp on Old Iowa field, will be ready for occupancy March 8, according to Dean C. Woody Thompson of the office of student affairs.

Dean Thompson said that three units will be ready on each of the following dates: March 9, 11, 12, 13, 14 and 15.

"Leases for the units will be mailed today," Dean Thompson explained. "Those who have made application for the trailers will know Thursday if they are to move in."

The first units to be occupied will be along the north side of the trailer site just south of Iowa avenue. Monthly rental rates for the units are \$25 for the standard type and \$32.50 for the expandable type.

Meanwhile, sewage and water pipe lines are being laid and power lines are being set up in Riverside university trailer camp 200 yards north of University theater on the west bank of Iowa river, according to H. L. Phillips, superintendent of university maintenance and construction.

Most of the 85 trailers for the camp have arrived here. The units are brought by truck from Centerline, Mich. and Akron, Ohio.

Phillips said that some work is being hampered because of bad weather conditions. He declined to state when the units would be ready for occupancy by married students.

# Nutritious Meat Substitutes

—For Lenten Season

With the Lenten season beginning today, cooks are looking for substitutes for meat which will have excellent food value and flavor. Sea foods, eggs, cheese and vegetables are meat under-studies which furnish many eye-filling and nutritious dishes.

**CHEESE MUFFIN CIRCLE**, with creamed egg and vegetable filling, should earn the family approval during the Lenten season. The flavor of the muffin ring which encloses the egg-vegetable mixture is accentuated by the nippy cheese. Another interesting main dish is made by splitting individual cheese muffins, and then spooning the creamed filling over them shortcake style.

**CHEESE MUFFIN CIRCLE**

2 Cups sifted baking flour  
3 teaspoons enriched powder  
1/2 teaspoon salt  
1/2 cup grated cheese  
1 egg, beaten  
1/2 cup milk

3 tablespoons melted shortening  
Sift together flour, baking powder and salt. Add cheese. Combine egg, milk and shortening. Add to flour mixture, stirring just enough to moisten flour. Pour into well-greased ring mold and bake in hot oven (425°F.) 25 minutes. Fill center with creamed egg and vegetable filling and serve hot. Yield: 1 muffin ring. About 6 servings.

**CREAMED EGG AND VEGETABLE FILLING**

1 cup medium white sauce  
2 diced hard-cooked eggs  
1 cup canned peas or cooked broccoli Paprika

To white sauce add eggs and peas or broccoli. Serve in center of muffin ring. Sprinkle filling with paprika.

With this main cheese dish, a green salad and a fruit cup would make a tasty finish to a Lenten meal.

## Cast for Moliere's 'Miser' Announced

### Play in Production; To Open March 18 At University Theater

The cast for Moliere's "The Miser" was announced yesterday by Prof. Edward C. Mabie, head of the dramatic arts department. It will be presented beginning March 18 at the University theater.

Members of the cast include: Harold Grain, G of Ottumwa, Harpagon, the miser; Earnest Gabbard, G of Iowa City, Cleante, his son; Marjorie Herrald, A1 of Eldora, and Marcella Bannon, A2 of Webster Groves, Mo., Elise, his daughter; Duane Heap, C3 of Clarinda, Valere.

Robert Ellenstein, U of East Orange, N. J., Flash; Helene Wickham, A4 of Marshalltown, and Mary Frances Dahl, A1 of Cedar Falls, Mariane; Rebecca Grimes, A3 of Boone, Frosine; Dorothy Stinchcomb, A3 of Muncie, Ind., Martine; Robert Norris, A4 of St. Paul, Minn., Simon.

George W. Tanner, U of Canada, Anselme; John Gruenberg, A1 of New York, the officer; Virgil Gray, G of Muncie, Ind., Jacques, and Julien Benjamin, the musician.

Prof. George R. Kernode of the dramatic arts department will direct the production. New costumes and wigs in the style of the 17th century have been designed by Bernice Prisk, and the setting is by Prof. Arnold S. Gillette.

Student tickets will be available Tuesday in room 10, Schaeffer hall.

## PLAYS FOR TEA DANCE

RUSS SAPP

Russ Sapp, A3 of Iowa City, and his 11-piece student orchestra will play for a tea dance in the River room of Iowa Union from 4-5:30 this afternoon, according to Bill Hubbard, E3 of Iowa City, member of the Union Board tea dance committee.

# 5 Hawkeyes Honored on AP's Big Ten Team

## Morris Edges Jaros by 1 Point

CHICAGO (AP)—The Big Ten basketball scoring title yesterday was officially bestowed to sharpshooting Max Morris of Northwestern, who won his second straight championship by a lone point over fast-finishing Tony Jaros of Minnesota.

Final league statistics credited Morris with 198 points on 77 field goals and 44 free throws in 12 games. Jaros who closed against Wisconsin last night with 30 points, amassed 197 on 59 baskets and 79 charity tosses. The Gopher star missed only 24 of 103 free throws for a remarkable average of approximately 80 percent.

Freshman Bob Doster of Illinois was third with 170 markers, followed by Bob Cook of Wisconsin with 169; Johnny Wallace of Indiana, 145; and Le Roy King of Northwestern, 142.

Like Morris, the Hawkeyes' clever Wilkinson was a repeater but did not share the Wildcat star's distinction of being sole unanimous choice each season.

The mentors lined up an impressive second team composed of Bob Doster of Illinois and Johnny Wallace of Indiana, forwards; Tom Schwartz of Indiana, center; and Warren Amling of Ohio State and Jack Burmaster of Illinois, guards.

**High Scorers Honored**

Morris and Jaros were among the most prolific scorers in Big Ten history. While only three players reached the 200-point mark in previous 12-game seasons, Morris won his second straight scoring title with 198 points and Jaros was only one point behind.

Jaros averaged approximately 22 points in his final five games

showing in the balloting. Wilkinson, 6 feet, 4 inches tall, performed as well as he did last year when he paced the Hawkeyes to the league title but his mates were not as consistent in support this season as the Buckeyes sneaked ahead of the defending champions at the finish.

Hoffman, a smooth ball-handler and accurate shot, polled votes at forward, center and guard, attesting to his versatility. Although Purdue finished eighth, Paul averaged almost 13 points a game.

Others among the better prospects are Bob Graham, Kewanee, Ill.; Charles Honnold, LeMars; Hugo Otopalik, Ames, and Charles Ujtelgraf, Boone.

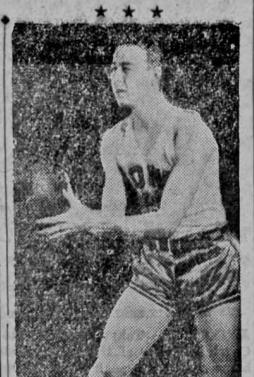

Remainder of the squad is: John Burgess, Cresco; John Campbell, Oskaloosa; Leon Eymann, Forest City; Charles Finch, Des Moines; Parke Fisher, Anamosa; L. J. Fontana, Ankeny; Harold Grunsky, Iowa City; Phil Horton, Geary; Francis Harter, Mason City; Bob Kuhlman, Des Moines; Bob Lochrie, Oescola; Bill Martin, Clear Lake; Steve Orlich, Johnston; Philip Osmundson, Thompson; James Sheldy, Spirit Lake; Jackson Williams, Waterloo, and Earl Woolver, Nichols.

**Eyes on Tank, Mat, Track Teams**

NOW THAT the curtain has fallen on Iowa's third consecutive great basketball season, other Hawkeye athletic teams can rise for higher billing. . . We've an idea that the other conference schools will think so, too, after Friday and Saturday. . . On those days, three Iowa teams will compete in Big Ten wrestling, swimming and indoor track meets. . . I don't believe it's going too far to say that these Hawkeye squads are stronger than at any time since the war, but unhappily, so are the opposing teams. . . We noticed in Minneapolis while on basketball business there last weekend, that the Big Ten swimming meet is getting plenty of drum beating.

**THE EXPERTS** (nobody ever knows exactly who they are) say that while Coach Dave Armbruster's fine squad isn't supposed to beat either Ohio State or Michigan, Iowa swimmers definitely will give them plenty to worry about. . . For instance, Freshman Dick Maine will be out to rake in some of the conference blue chips in the backstroke. . . The Des Moines youngster already broke the freshman intercollegiate 150-yard backstroke mark with a 1:36 performance in the Iowa pool. . . Another Hawkeye freshman hell-bent for a title will be Kenny Marsh. . . He lost his first race of the year last week when Illinois' John Haulenbeck out-crawled him in the 100-yard freestyle.

**DICK MAINE**  
After Big Ten Laurels Now

are Jonas Hallardsson and Arthur Van Haven in the distance freestyles; Chet Cole, Bernie Walters, Bill Boswell, Ralph Katz, Mallory Mitchell, Gil Shecker, Bill Metier, Jim Gilchrist, Ernie Stranglen and Dennis Hoffnagle. . . And Armbruster can conjure up some swift combinations for the relays that will make the Buckeyes and Wolverines hustle.

**COACH MIKE HOWARD'S** grapplers are keeping their powder dry for Indiana. . . The Hoosiers have been crowing considerably of late about their role as favorites in the mat tourney at Champaign. . . Last spring, Mike's unheralded boys snapped off a second place and came within one point of upsetting Purdue. . . The Hawks have the raw material to do the same thing or better this time. . . Rummy Macias, putting a climax on a perfect three-season career, will be seeking a third title in 128-pound division. . . Other unbeaten men are Capt. Lynn Gray in 165 and Bob Johnson in 175. . . Mike is counting heavily on 121-pound Bill Quinlan, Dick Barker in 136, Jim Knowles in 155 and Heavyweight Leon George as well. . . Little John Nyberg won't compete in the 136-pound weight. . . Last Saturday he weighed in with all his clothes on (even carried his mat equipment onto the scales) and weighed only 124 pounds. . . That's why Chicago won its only match in the 136-pound weight.

**THE TRACK TEAM'S** prospects aren't as bright. . . Least surprised of all is Coach George Bresnahan. . . "I told the boys when we started out this year that we had some fair prospects," he recalled, "and until our runners begin to get callouses on their chests from breaking the tape, that's all we can say." . . George is hoping for better performances from some of his boys Friday and Saturday in the Big Ten indoor meet in Chicago, however. . . Danny Sheehan is undefeated in the high jump so far, but will have to go higher than six feet to beat Eddielean of Illinois. . . The great Dike has cleared 6-4 already and allegedly has made 6-6 in practice. . . Other Iowa entrants will be: John Hunter and Eric Wilson Jr., in the 440; Keith Washington in the 60-yard dash; Nelson Smith, the half mile; Keith Gotthardt, shot put; Ike Johnson, low hurdles and broad jump; and Otis Finney, Pete Schwinn, Hunter and Wilson on the mile relay team.

**American Loop Slates 130 Night Contests**

CHICAGO (AP)—The American league, with the New York Yankees turning on the arc lights for the first time, this season will play 130 night games, an increase of 20 over last year when five teams had lights.

The junior circuit's 1946 schedule, released yesterday, showed a return to the standard four east-west swings for the first full post-war campaign.

All eight teams will start April 16, with Cleveland at Chicago, St. Louis at Detroit, Boston at Washington and New York at Philadelphia. This matches the National league get-away, and both leagues will close the same day, Sept. 29.

**Hawklets, Ramblers Start Action Tonight**

Two winning streaks, City high's rather modest five game string and St. Mary's record of 14 straight, will go to the post at Cedar Rapids tonight when the two Iowa City teams join in the chase for district cage honors at the Cedar Rapids tourney.

The Little Hawks, scheduled to meet Wilson of Cedar Rapids in a Class A game at 9:30 p. m., haven't lost since February 1, rolling over Franklin, Roosevelt, Burlington, Wilson and Roosevelt again, to move into a third place finish in the strong Mississippi Valley conference.

One of the leading reasons for this spurt has been sophomore center Gene Hettrick. Star of the yearling team until three games ago, Hettrick contributed 21 points to the Burlington, Wilson and Roosevelt wins.

Hettrick probably will team with forwards Bob Freeman, leading point maker in the conference with a total of 142 in 12 games, and Bob Krall and guards Jim Sangster and Sonney Dean. Guard Bob Beales and forward-center Jim Van Deusen will give the Little Hawks some potent reserve strength.

In a 7 p. m. Class B game tonight, St. Mary's Ramblers will risk their 14 straight wins, and a record of 22 wins in 24 starts, against Center Point, Linn county

## Cards' Eddie Dyer Will Coach 3rd Base

ST. PETERSBURG, Fla. (AP)—Manager Eddie Dyer of the St. Louis Cardinals will coach at third base in his first season as a big league pilot because he "wants the responsibility to be where it belongs—on my shoulders."

Certainly, Dyer related, as manager he could flash signs more readily from the bench, "But I'll be out there coaching at third most of the time anyway, for if anyone has to take the rap on a question of judgment, I want it to be me."

## SAE Actives Beaten By Pledges, 35-33

The Sigma Alpha Epsilon actives were edged out by their pledges, 35-33, last night in an intra-house cage battle which saw big Ed Marsh, 6-9 Iowa reserve center, limited to two points, Madden and Schmal hit seven each for the fledglings and Merle Blair's 15 were high for the losers.

champions. Coach Frank Sueppel is expected to stick to his high scoring line-up of Bill Sueppel, Andy Chukalaks, Bart Toohy, Jack Shrader and Eddie Rocca.

## All-Big Six

KANSAS CITY (AP)—Three army air corps veterans landed berths on The Associated Press' all-Big Six conference basketball team for 1945-46, dominated by the champion Kansas Jayhawks and runnerup Oklahoma Sooners.

Dr. F. C. (Phog) Allen's 12th championship Kansas team and Oklahoma each placed two men on the mythical quintet, with the fifth spot going to third-place Iowa State, the retiring titlist.

## 28 Golfers Start Indoor Drill

Indoor practice for the University of Iowa's first golf team since 1942 is well under way for a squad of 28 candidates, Coach Charles Kennet said Tuesday.

Although the real ability of the men cannot be determined until the squad moves outdoors, Coach Kennet believes he has the makings of a balanced team for the four dual meets and the conference championships.

Veterans of other Iowa teams, as well as veterans of the war, are Tom Chapman of Storm Lake, the former basketball star, and Leo Gaulocher of Iowa City, John Jacobs of Cedar Rapids, three-times winner of the Iowa amateur

## Iowa Track Prospects Poor in Big Ten Meet

Not too bright a picture awaits the Iowa track team as it prepares for the Big Ten conference indoor meet in Chicago Friday and Saturday. The Hawks are facing several of the best track teams in the country. Illinois is the favorite to take the indoor title from Michigan, but probably will have some rugged competition from the Wolverines.

Coach George Bresnahan indicated that time trials will be held this week to determine who will go to Chicago Friday to compete in the conference indoor meet. Dan Sheehan will put his undefeated high jump record on the block. He will face such competitors as Dick Kilpatrick of Purdue and Dike Eddielean of Illinois. So far this year Keith Gotthardt hasn't hit his peak in the shot put. He failed to place in the triangular last Saturday.

The Hawks did about as well as was expected in the meet last week with Minnesota and Wisconsin. Most surprising to Hawkeye track followers was the victory in the mile relay. The Iowa quartet's mark of 3:31.4 was impressive, considering the condition of the track in the fieldhouse.

## Seahawks Win 25th From Loras, 59-41

DUBUQUE (AP)—The Iowa pre-flight basketball team, with Bill Chanecka topping the scoring with 16 points, defeated Loras Iowa conference champion, 59-41 last night for the Seahawks' 25th win in 25 games.

Paul Proctor led the DuHawks with 13 points.

## Big Ten Meet Next Battle For Rasslers

The Hawkeye matmen are hoping for a repetition this weekend of last year's balanced scoring in the Big Ten wrestling meet, which enabled four Iowa wrestlers to capture second place in the 1945 conference meet. The Hawkeyes finished with 16 points, only one less than Purdue took in copping first. Four other teams scored 13 or more points in the meet.

Friday and Saturday Iowa will be represented by a squad of seven men in the conference meet at Champaign. Headlining the Hawkeye mat group will be "Rummy" Macias, Big Ten champion at 128 pounds in 1944 and 1945, and Lynn Gray, Hawkeye team captain, at 165 pounds. Both wrestlers have won five straight matches this season in dual meets. Besides defending his 128-pound title Macias will attempt to maintain his record of having never been defeated in conference wrestling.

Other Iowa wrestlers who will go into the meet with good records are Bob Johnson, winner of four straight matches in the 175-pound class, and Dick Barker, undefeated at 135 pounds.

Barker lost to Eddie Viskocil at 145 pounds in the season opener against Wisconsin but has won four straight since then, climaxing his season's performances by pinning Voas of Chicago in the 145-pound class last Saturday in three minutes and forty-five seconds.

The other Hawkeye wrestlers who will probably be named to make the trip are Bill Quinlan at 121 pounds, Jim Knowles at 155 pounds and Leon George, heavyweight.

The Iowa team, composed largely of freshmen, has shown steady improvement and should be in the best shape of the season for the conference meet.

## Ten Hawkeye Cagers Awarded Major I's

Ten major and nine minor award winners for Iowa's basketball season just concluded were announced yesterday by E. G. (Dad) Schroeder, athletic director.

Of the 19 men honored, only two—Guard Ned Postels and Reserve Center Dick Cutberson—will be lost for next season under present eligibility rules. Seven of the major I winners have earned letters in previous seasons, and Dick Ives and Ned Postels were awarded their third letter. Men named were:

Major I winners—Dave Danner, Lora City; Tony Guzowski, Iron Mountain, Mich.; Dick Ives, Diagonal; Noble Jorgensen, Pittsburg; Charles Mason, Muscatine; Ned Postels, Mankato, Minn.; Theron Thomson, Cedar Rapids; Murray Wier, Muscatine; Clayton Wilkinson, Iowa City; Herb Wilkinson, Salt Lake City.

Minor I winners—Leo Cabalka, Cedar Rapids; John Criss, Sae City; Dick Gerson, Iowa City; Bob Graham, Kewanee, Ill.; John Kashlak, Duquesne, Pa.; Michael Semyon, Duquesne, Pa.; Jack Wislimer, Van Meter; Robert Wischmeier, Burlington; Edwin Marc Cedar Falls.

## Kadera's, Sigma Nu Enter Cage Tourneys In C. R., Muscatine

Two of the powerful teams in the City league have entered post season tournaments in an attempt to enhance the fine record they have already piled up. Kadera's, champion of the City loop, will journey to Cedar Rapids tonight where they will meet Mechanicsville in the opening round of the Cedar Rapids YMCA Golden Ball tourney. If they win the City champs will play again tomorrow night in the quarter final round of the 24 team meet.

Sigma Nu, which was considered a power in both the City league and in the university intra-mural loop has sent in its entry fee to the Muscatine American Legion tourney which is being renewed after a wartime lapse.

The Legion tourney before the war was one of the big amateur tourneys in the state drawing powerful quintets from as far away as Chicago.

**Spring Styles Shown At Westlawn Review**

Softly tailored suits, peplum-accented afternoon dresses, California party clothes and sophisticated evening gowns shared the fashion spotlight at the spring style review of the University of Iowa Nurses Alumnae association Monday night in the Westlawn recreation room.

Proving that "spring is a lady of contrasts" the suits modeled included a gold dressmaker, fuchsia and navy blue three-piece costume, black and white checked bolero and pink-striped three-quarter-length sleeved suit.

For spring afternoons the nurses modeled black sheers, ice cream shade crepes, prints and simple cardigans. California cottons were cut simply and styled with full feminine skirts and brief shorts. Favorite sportswear accessories were neon blue ballerina slippers.

Spring evening dresses included both dinner and dancing frocks. Popular dinner dresses were the waltzreuse crepe modeled by Mrs. Carl Laughlin and the print jersey worn by Stella Hove.

Models included Mary Sue Watson, Kay Fressenmeyer, Dorothy Ginnis, Mrs. Ursil Callen, Miss Ove, Marian Turnbach, Mary Jew, Jo Meyers, Mrs. Laughlin, My Wilder, Claire Refer, Barbra Kelleher, Gloria Krabbenst and Frances Grossklauss. Commentator for Strub-Wareham was Gen McLaughlin.

**Kreeger Discharged**  
 Hubert L. Kreeger, 120 N. Governor Street, filed his army discharge in the office of the Johnson county recorder yesterday. He served with the army in the American theater.

**Landowners Approve Conservation District**

Johnson, county landowners voted approval Monday of the proposed soil conservation district and elected J. P. Burns of Oxford, Kenneth Wagner of Lincoln township, and Ray Cummings of North Liberty as soil commissioners.

Only ten votes were cast against the measure, 159 of the 169 ballots recorded by the seven polling places favoring it.

Burns, who received 143 votes, was elected to a six-year term, while Cummings, who received 97 votes, will serve a four-year term. Polling 96 votes, Wagner was elected to a two year term.

The three men will serve without salary, administering the soil program to be set up in the county in cooperation with the extension service and the department of agriculture.

### Relatives File Contest to Will

A suit to set aside a will involving an estimated \$150,000 left by Ella Hunzinger, who died in November, 1945, was filed in district court yesterday by relatives of the deceased. The defendants are the beneficiaries under the will.

The plaintiffs charge the signature to the will was obtained while Miss Hunzinger was under the influence of drugs and opiates following an operation, suffering from mental shock due to the death of a brother, and that the will was prepared and presented for signature without advising her of the contents. They also charge that proper notification was not made when the will was admitted to probate.

The plaintiffs are Mrs. Ovie Watkins, Raymond Slaughter, Louis Slaughter, Jacob Slaughter, Leslie Slaughter, Carmie Slaughter, Clarence Slaughter, Mrs. Bessie Edwards, Mrs. Dorothy Edwards, Mrs. Goldie Elder, Henry Pohler and Esther Stagg.

The defendants are Earl Glaspey, Leroy Glaspey, Margaret Bowman and Mary Garrison.

In the petition, the plaintiffs state they believe Miss Hunzinger made a will several years prior to the will in question that represents her true wishes. They say this will was made mutually with a brother, Jacob Hunzinger, who preceded her in death, and that the survivors of the two were to share equally under the will. They allege the defendants have in their possession a copy of this will.

In asking that the contested will, which was admitted to probate Nov. 20, 1945, be set aside, the plaintiffs also ask that a special administrator be appointed to succeed Leroy Glaspey, executor without bond under the will, or that he be required to post full and sufficient bond.

Attorneys for the plaintiffs are D. C. Nolan, William R. Hart and Dutcher, Ries and Dutcher.

**Abul-Fetouh Tells Of American, Egyptian Universities, Customs**

The two Egyptian universities at Cairo and Alexandria were compared to American universities in a speech by Abdel-Hadi Abul-Fetouh, G of Egypt, before a meeting of the Associated Students of Engineering at 7:30 last night in studio D of the engineering building.

The system of earning degrees in the Egyptian universities differs greatly from that used in this country. For example, a student is usually 35 when he obtains a doctor's degree there.

The Arabic language is used in the Egyptian universities except for some engineering lectures, according to the speaker. The English language is offered to the students in the schools.

"As compared to 400 elementary schools for boys in Egypt, there are only 45 for girls," commented the speaker. It is possible for the girls to continue their studies past the secondary schools, at which time they often study music, embroidery and home management.

Illustrating his speech with slides on the ancient pyramids, the Sphinx, ancient monuments found in tombs and the picturesque mosques, Abul-Fetouh contrasted ancient Egyptian civilization with modern Egypt by describing a modern dam and industries in that country.

A graduate of the Fouad the Fairest university in Cairo, he will return to the staff there after completing his training in the civil engineering department at the university.

**Chaplain Laxamana To Speak at YWCA**

Chaplain Fernando Laxamana, new student minister of the Congregational church, will speak on "Religion in the Army—As a Chaplain Sees It" at the Workshop meeting at 4:10 p. m. today in the Y. W. C. A. conference room in Iowa Union.

**Two Students Leave To Take Physicals**

Two University of Iowa students left Monday night to take their pre-induction physical examinations at Ft. Snelling, Minn.

They are William A. Graham, 914 S. Dubuque street, and Louis E. Windsor, 713 S. Capital street.

**40 TICKETS LEFT**

The Union desk reported that 40 tickets for the "Spring Debut" were still available last night at 8 o'clock. The informal dance will be held Saturday from 9 to 12 p. m. in the main lounge of Iowa Union. Ronnie Stevens and his orchestra will play and "Privo!" magazine's "Couple of the Month" will be presented at intermission.

**Lapp Talks at Lenten Baptist Dinner Tonight**

Dr. C. J. Lapp of the university physics department will speak on "Atomic Energy" tonight at the first of a series of Lenten supper meetings of the Baptist parish at 6:30 at the church.

At these meetings, held each Wednesday of the Lenten season, the emphasis of the Christian Life Crusade will be discussed.

**Display of Etchings Exhibition of Work in Art Building**

An exhibition of soft ground etchings with texture and engravings by Sue Fuller of New York is being shown in the etching department of the art building.

Miss Fuller has had exhibits in the Museum of Modern Art, the National gallery in Washington, D.C., and other art museums. One of her prints was selected as one of the 50 best prints of 1945.

**Davis Visits University**

Lt. Paul Davis, former graduate student in the history department, visited at the university Monday on his way to Minnesota.

Before he entered the army Davis was an editorial assistant in the Mississippi Valley Historical Review office. He plans to return to the university when he is discharged from service.

**Two Students Leave To Take Physicals**

Two University of Iowa students left Monday night to take their pre-induction physical examinations at Ft. Snelling, Minn.

They are William A. Graham, 914 S. Dubuque street, and Louis E. Windsor, 713 S. Capital street.

### City's Churches Observe Lenten Season With Masses, Sermons, Vesper Services

The Lenten season, beginning today, Ash Wednesday, will be observed by the churches of Iowa City with special masses, sermons or vesper services.

The central theme of the observances at the **St. Paul's Lutheran Chapel** will be a series of 30 minute vesper services on "The Cross," led each Wednesday at 7:45 p. m. by the Rev. John F. Choitz.

The **Trinity Episcopal church** will have Holy Communion every Tuesday at 8 a. m. and every Wednesday at 7 and 10 a. m. Ash Wednesday services will be the Penitential Office and Holy Communion at 7 a. m., with corporate communion for Episcopal students, and Holy Communion at 10 a. m., with corporate communion for the women of the parish. Evensong services at 5:15 p. m. every Wednesday will begin March 13.

Daily masses will be read at 6:30, 7, 7:30 and 8 a. m. in the **St. Thomas More Chapel** of the Catholic student center. Devotional services of the Rosary and Benediction of the Most Blessed Sacrament will take place each Tuesday at 7:30 p. m. Services of the Stations of the Cross, with sermon and Benediction of the Most Blessed Sacrament will take place each Friday at 7:30 p. m.

Father Sebastian Menke will deliver the sermon the first Friday, March 8. Ash Wednesday services will be the Blessing of the Ashes at 6:30 a. m. mass and Distribution of Ashes after the morning

masses and in the evening at 7:30 p. m.

A series of Lenten sermons, beginning with "The New Beginning" Sunday, March 10, and ending with "The Risen Christ" Easter Sunday, will be delivered by the Rev. Donovan G. Hart at the **First Christian church**.

Lenten sermons delivered by the Rev. Hewison Pollock at the **First Presbyterian church** will be based on the Bible text, John 3:16.

On Palm Sunday there will be a musical meditation on Holy Week composed of numbers by the choir interspersed with Scripture reading and prayer.

Daily masses will be read at 7:45 a. m. at **St. Patrick's church**. Ash Wednesday services will be the Blessing and Distribution of Ashes at 7:45 a. m. Each Wednesday at 7:45 p. m. there will be a sermon and benediction. Services of the Stations of the Cross will be held every Friday at 7:45 p. m. and Sunday at 4:30 p. m.

At **St. Mary's church** daily masses will be said at 6:30 a. m. in the convent and 7:30 a. m. in the church. The schedule of each week will be: Sunday, 4 p. m. ### Council Plans For Student Travel Bureau

Plans for a student travel bureau through which university students could contact other students traveling by car over weekends and share expenses of rides were discussed at a Student Council meeting last night.

A committee composed of Gordon Christiansen, L3 of Iowa City; Mary Osborne, A4 of Ottumwa, and a student representative will investigate the possibilities of such a bureau and report at the next council meeting.

Pictures of the nominees of women's dormitories for the university's candidate for Drake Relay queen must be turned in at the office of student affairs by 5 p. m. today, Miss Osborne, council secretary, announced. Men's housing units will be contacted Thursday about the method by which they will elect the university's candidate from those nominated by women's units.

Nominees' pictures will be displayed in Bremer's window Thursday noon through Sunday. University entries must be sent to Drake university by Mar. 15. Candidates from Iowa universities and colleges will be judged on the basis of intelligence, beauty, personality and poise.

Discussing the possibility of admitting students' wives to university functions, council members heard a report by Christiansen that most Big Ten universities provide for some plan of admitting of veterans' wives to university recreational events.

Christiansen reported that the University Veterans' association informally approved including all students' wives in any plan set up. Christiansen said he would appoint a committee which would report in two weeks.

Suggestions for committee posts for the Campus Chest campaign were made to Howard Hensleigh, L2 of Iowa City, chairman of the drive. Committee appointments will be announced in a few days, Hensleigh said.

## THE EMBLEM THAT MEANS OVERSEAS SERVICE

To the hundreds of thousands of overseas veterans who already belong to the Veterans of Foreign Wars of the United States—this emblem speaks eloquently of similar experiences and a common language.

Today, the overseas veterans of this war—and wars that America has survived in the past—are hard working members of the V. F. W. because they want to honor the dead by helping the living.

As an organization founded in 1899, the Veterans of Foreign Wars has but one genuine purpose—to serve the men who have so gallantly defended the flag of our country on foreign soil or in hostile waters.

You'll find in every Post a Service Officer who is qualified to assist and advise you in regard to employment rights, hospitalization, loans, government claims, education, and veteran preference in civil service and other employment fields—in fact on all rehabilitation matters.

The aid and advice of the V. F. W. are available to the nation's discharged veterans and their loved ones. This service is free and offered in the spirit of comradeship, mutual understanding and a common purpose.
