GOOD MORNING, IOWA CITY!

Rain changing to snow has been forecast for this section of the state today. It will be clearing and colder tonight.

Phone Strike Canceled; Rail Tie-Up Averted

Phone Workers Gain Pay Boost; Truman To Invoke Labor Act

By THE ASSOCIATED PRESS
The long-threatened telephone strike was called off yesterday and plans for a nationwide railroad tieup Monday apparently were side-tracked.
Soon after a wage agreement was reached averting the telephone workers strike, the White House disclosed plans for invoking the National Railway Labor act to deal with the newest threat.
White House Press Secretary Charles G. Ross said President Truman would name a fact-finding panel "very shortly" to inquire into the railroad dispute.
Would Delay Stoppage
This move normally would delay any work stoppage from 30 to 60 days, until the panel could investigate the issues and submit recommendations.
At Cleveland, officials of the two railroad brotherhoods who called the strike—A. F. Whitney of the trainmen and Alvanley Johnston of the locomotive engineers—indicated they probably would go along with the strike-delaying provisions of the railway labor act.

Intervention Considered

Johnston said he "personally would not favor embarrassing the president" and Whitney said intervention by Mr. Truman would be "considered."
Whitney said the two brotherhoods would "defer strike action" if a board is appointed.
He said the brotherhoods would "give the board the time allowed by law," asserting the law provides the board must report within 30 days of the time it opens sessions.

Ross's Statement

Johnston, in commenting on Ross's statement, said he "personally would not favor embarrassing the president."
The two brotherhoods have directed their 300,000 members to start a progressive strike against 384 railroads and terminals starting at 6 a. m. Monday in support of demands for wage boosts averaging 25 percent and changes in working rules.
In Washington, Secretary of Labor Schwelienbach ruled out the possibility of government seizure after discussing the 107-day-old General Motors strike with special federal mediator James F. Dewey.

Dewey to Washington

Schwelienbach, who summoned Dewey to Washington for a report on the apparently deadlocked negotiations, said the mediator was "not being replaced," that Dewey will meet again tomorrow in Detroit with company and union representatives and that government labor officials "hadn't reached the point" of considering bringing the negotiations to Washington.
The labor secretary said he expected to study the transcript of recent negotiations and may come to some conclusions by today as to what action to take in the strike.

Police Seek Evidence Against Robber Gang

CHICAGO (AP)—Federal agents and police yesterday sought evidence against six men and two women involved by their own confessions, Capt. John T. O'Malley said, in 150 or more midwest safe crackings, postoffice and other robberies.
Captain O'Malley said the apparent leader of the gang, Robert Lee Robertson, 25, of St. Louis, talked freely about many "jobs" but declined to be specific about any crimes except two and refused to implicate his colleagues by name.
Captain O'Malley said Robertson admitted the gang kidnaped an Iowa state patrolman, John Mahle, at Denison last Nov. 26. Robertson, his wife, Margaret, 21, and Kargol, among those held, were named in Iowa charges of kidnaping and robbery.
Sheriff Arthur Mosley and Deputy Sheriff Harry Newbold of St. Louis county, Missouri, arrived and said they wanted to question Robertson, especially, about the kidnaping of four men in St. Louis.
Holmes said their names were given by five other members of the gang, who were arrested in St. Louis, Mo., and who now are serving sentences there.

Housing Bill Goes to Senate After Final House Approval

Senator Taft Offers Mild Encouragement To Rejected Subsidies

WASHINGTON (AP)—The tattered remnants of the administration's housing bill received final house approval yesterday and were tossed to the senate.
A fight is expected to be made in the latter chamber to bring the measure more in line with President Truman's views.
House passage was by a vote of 357 to 24 with the opposition votes coming from 19 Republicans and five Democrats. Before the final vote, Representative Jessie Sumner (R., Ill.) moved to send the bill back to committee, which would in effect have killed it altogether. This lost 304 to 76.
Republican Encouragement
Senate leaders, hoping to restore the house-rejected building material subsidies which Mr. Truman called "the very heart" of his program, got surprise, though mild, encouragement from a Republican.
Senator Taft (R., Ohio) told re-

House Group Seeks Spies

WASHINGTON (AP)—The house committee on un-American activities began a search yesterday for foreign spies it declared are trying to steal America's atom bomb secrets.
Chairman John S. Wood (D., Ga.) told newsmen a lengthy inquiry by committee aides had disclosed the attempts and the group is now seeking more detailed information about suspects.
He said the committee is prepared to "name some names" of individuals who should be questioned, but added that complete evidence has not as yet been obtained against anyone.
Wood declined to say what nation or nations the committee believes to be involved.
Asked specifically if Russia is involved, Wood said he is "not in a position to answer." Asked if the investigation showed any connection between the reported theft efforts here and those recently announced in Canada, Wood replied: "I don't know. I'm not sure just what agents were at work up there."
The chairman announced after a closed meeting yesterday that the group may hold hearings soon in connection with its inquiry.
The sessions probably will be conducted either in New York City or Oak Ridge, Tenn., because "most of the activity appears to be between these points," Wood said. The Tennessee city is the site of the famed "Manhattan project" where the atom bomb first was produced.
Wood said the committee is cooperating with other government agencies in the investigation. Aides said both war department and FBI officials are being informed of all information obtained.

First Double Hanging Set for March 29

FT. MADISON (AP)—Phillip M. Heincy, 72, and his 45-year-old son, William H., who are to be hanged simultaneously at sunrise March 29, spend most of their time listening to the radios in their cells or reading newspapers, magazines and the Bible, the penitentiary warden said yesterday.
Warden Percy Lainsou said the double hanging late this month would be the first execution in history of the United States of a father and son for a joint crime.

U.S. Requests Withdrawal Of Red Troops From Iran

Rival Factions in Iran Continue Street Riots

Russian Occupation Of Northeastern Iran Remains Unsettled

TEHRAN (AP)—Three persons were killed and five wounded in a new outbreak of street fighting between leftists and rightwing elements yesterday as Russia's intentions in northeastern Iran remained clouded.
The new riots, the fourth outbreak in four days, came as Prince Firouz, director of propaganda, denied a war ministry statement that Iranian troops had been halted by the Russians east of Tehran.
Gen. Sephebod Amir Ahmedi, minister of war, insisted, however, that "Our troops have been held up since Wednesday by Russian troops" at Garmsar, a desert post 60 miles east of the capital.
Parliament was able to hold its first session this week, with the exception of a secret meeting Wednesday night. Milling crowds in Parliament square had forced cancellation of scheduled meetings Monday, Tuesday and Wednesday.

Big Three Cut German Fleet; Split Balance

WASHINGTON (AP)—Britain, Russia and the United States agreed yesterday to let Germany keep approximately one seventh of its remaining merchant marine, and split the balance—1,189,000 gross tons worth \$80,000,000—three ways.

The tripartite action on seagoing ships was disclosed in an announcement simultaneously released in London, Moscow and Washington which said the transfers are now taking place.
In pre-war years, Germany's merchant marine ranked fourth in the world—behind Britain, the United States, and Japan. The 200,000 gross tons which will remain in its hands is the equivalent of about 22 American Victory ships.
By agreement among the Big Three powers, Britain and the United States will provide from their shares of the captured ships "appropriate amounts" to help compensate smaller allied nations for their wartime shipping losses. Russia, under the agreement, will make provision for Poland.
This agreement is in line with a previous agreement reached at Potsdam on a reparations plan to take into consideration the interests of the smaller countries.
Simultaneously with the shipping announcement, a state department spokesman said the four-power allied control council in Berlin is working "with all possible haste" to complete a final determination on the level of peacetime industry which Germany will be permitted to have.
At the Potsdam conference it was agreed to fix that level not later than Feb. 2 of this year.
On the deadline date, however, the control council announced that it had not completed an agreement on German industry and would require additional time.

Senate Committee To Hear Rebuttal By Pauley Today

WASHINGTON (AP)—Edwin W. Pauley, President Truman's choice for undersecretary of the navy, squared away yesterday for a personal rebuttal of charges made against him over five weeks of hearings before the senate naval affairs committee.
He was promised all the time he wants today to develop what he calls his "affirmative case" for confirmation.
Reports persisted, however, that after laying his side of the story before the senators he will agree to withdraw, probably before Sunday.
Pauley, California oil operator who formerly was Democratic national treasurer, laid the groundwork for today's appearance by issuing a statement asking: What's wrong with appointing an oil man to office?
Pauley said he would like to have an explanation of that not only from Ickes but also from "all the disciples of a fantastic philosophy" that a man who has been in the oil business should not hold office in the navy department.

Indiana Senator Asks Churchill's Testimony

WASHINGTON (AP)—A suggestion that Winston Churchill be invited to testify on the proposed \$3,750,000,000 loan to his country was made yesterday.
"We ought to hear him," Senator Capehart (R., Ind.) told the senate banking committee. "He's against the loan and he's considered quite an expert."
The banking committee took no action on Capehart's proposal. Acting Chairman Barkley (D., Ky.) recalled that the congressional committee investigating Pearl Harbor had voted down a suggestion that it call Churchill as a witness.

Present Winners—Academy Awards

HOLLYWOOD (AP)—Ray Milland was named the best actor of 1945 last night for his portrayal of a man in his cups in "The Lost Weekend."
Joan Crawford, ill at home with influenza, was selected the best feminine actress for "Mildred Pierce."
The veteran James Dunn, for his role in "A Tree Grows in Brooklyn" was selected as giving the best supporting actor's performance. To young Anne Revere, for "National Velvet," went the best feminine supporting part.
"The Lost Weekend," was chosen the best picture of 1945.
And to Billy Wilder for his direction and to Wilder and Charles Brackett for writing the screenplay went separate honors.
Richard Rodgers and Oscar Hammerstein II added to their song-writing laurels with selection of "It Might As Well Be Spring" as the best original song written for films during the year.
Photographic awards went to Harry Stradling for "The Picture of Dorian Gray," in black and white and to Leon Shamroy for "Leave Her To Heaven," in color.
Other writing awards were to Richard Schweitzer's "Mary-Louise" as the best original screenplay and to Charles G. Booth's "The House on 92nd Street" as the best original motion picture story.

5 Killed, Town Hall Burned in Old Delhi During Parade Riots

NEW DELHI (AP)—Five persons were killed yesterday during riots in Old Delhi in which the town hall was burned and other buildings were set on fire.
Police were forced to open fire to quell the disorders stemming from opposition to the government's victory week parade.
Some U. S. troops marched in the parade.
Police were issued orders last night to fire upon anybody destroying public property and a curfew was clamped on Old Delhi, situated several miles from New Delhi, capital of British India, where 15,000 troops paraded in celebration of the allied victory in the war.
The curfew, effective between 9 p. m. and 5.30 a. m., will remain "until the situation returns to normal," W. F. G. Le Bailly, deputy commissioner for Delhi province, said.
There was no violence along the six-mile line of march taken by the parading troops, who were watched silently by Indian residents. The parade route had been changed to avoid places which might have served as ambush points for stone throwers.
An American army unit of 205 men marched smartly with colors at the head of an infantry division. The Yanks swung past the reviewing stand, occupied by Viceroy Lord Wavell and Admiral Lord Louis Mountbatten.
Indian troops were called out to aid the police when the rioting flared in the heart of Old Delhi. The police opened fire three times. A fire brigade which was sent to the town hall was stoned and turned back for police aid. Later it made the run to the fire under armed escort, but arrived too late to save the building.

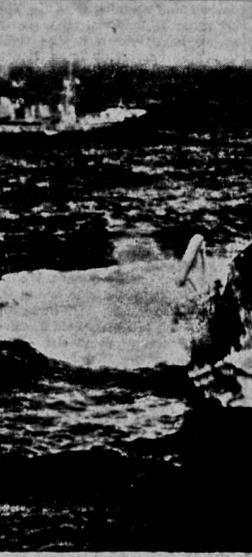

Soviet Union Decides To Send Delegation To Monetary Meeting

WASHINGTON (AP)—Russia belatedly decided yesterday to take part in the international monetary conference.
United States officials were elated at the decision, although the Soviet group will sit only as observers, along with eight other powers which have not yet ratified the Bretton Woods agreements creating an international bank and monetary fund.
The Russians had ignored for months an invitation to the conference of 35 member countries opening today on Wilmington island, near Savannah, Ga.
An embassy spokesman said he did not know whether Russia might seek membership in the fund and bank, as at least two other late comers—Denmark and Panama—are expected to do.
A Soviet delegation sat through the international food and agriculture conference at Quebec last fall and then did not sign the world food charter adopted there.
The United States has been anxious for Russian membership in the bank and fund. High government officials revealed this week that only if Russia agrees to cooperate with the United Nations in this and other economic matters will this country consider her request for a \$1,000,000,000 loan.

OPA Extension Urged

WASHINGTON, March 8 (AP)—Modified extension of the price control act for another year, and maintenance of existing federal income tax rates, were recommended today by the house post-war economic policy committee.
The committee headed by Representative Colmer (D., Miss.) cautioned that effective control of inflationary forces will be "impossible without the aid of strong fiscal and monetary counter-measures."
The group filed its ninth report with congress as Secretary of Agriculture Clinton P. Anderson told the house banking committee the world food shortage makes it imperative to continue price controls and subsidy payments to hold down food costs in this country.
The banking committee is considering legislation to extend the price control law another year beyond June 30.
After prolonged study, the post-war committee said, it reached the conclusion that summary removal of wartime controls "would most likely result in ruinous inflation and would react unfavorably not only to the wage earners and consumers but to business itself."
In addition to its recommendations on price control, the committee made these suggestions:
1. Present federal income tax rates should be maintained.
2. Government spending should be curtailed.
3. Controls over consumer credit should be continued.
4. Legislation should be enacted enabling the federal reserve authorities to increase substantially reserve requirements against commercial banks' demands and time deposits.
5. State and local governments should cooperate in limiting current expenditures for public works.
6. The second war powers act should be extended for another year beyond next June 30 to insure American supplies of materials now scarce throughout the world and to maintain inventory controls while the "danger of large-scale speculation in this field remains serious."

Message Calls For Fulfillment Of Obligation

State Note Maintains Russian Acts Violate Tehran Declaration

WASHINGTON (AP)—The United States last night called upon Russia to live up to its agreements and get out of Iran immediately.
The state department made public the note delivered to Moscow Wednesday. It said that the United States "can not remain indifferent" to the Soviet decision to keep troops in Iran, and it asked an answer "promptly."
The state department made public the note delivered to Moscow Wednesday. It said that the United States "can not remain indifferent" to the Soviet decision to keep troops in Iran, and it asked an answer "promptly."
In the 650-word document, the U. S. declared that the Russian action was contrary to the assurances of the American-British-Soviet declaration of Tehran in 1943, and expressed "earnest hope" that the Soviet Union would withdraw all forces immediately from Iran.
Such a withdrawal, the U. S. note said, would "promote the international confidence which is necessary for peaceful progress among the peoples of all nations."
It closed with a request that the Soviet Union notify the U. S. promptly of its decision on the matter and said this country hoped that verdict would "be in accord with the views herein expressed."
The note was delivered at the Russian foreign office by George F. Kennan, U. S. charge d'affaires in Moscow, on instruction of Secretary of State Byrnes.
Byrnes also has ordered Kennan to deliver a note regarding Red army activities in Manchuria, but state department officials declined to make public the text of that document along with the one on Iran, because they said they had not yet been advised that it had been delivered at the Kremlin.
The U. S. note on Iran said this government had been informed that the soviet decision to keep its troops in the middle eastern country had been made without the consent of the Iranian government.
It added that its information indicated that Soviet troops were remaining on Iranian territory in spite of the protests of the Iranian government.
Then the note reviewed in detail the British-Russian-Iranian treaty of Jan. 29, 1942, which pledged that all British and Soviet troops would be withdrawn from Iran six months after the end of the war.
"In the opinion of the government of the United States, the maintenance of troops in Iranian territory by any one of the three signatories to that declaration, without the consent and against the wishes of the government of Iran, is contrary to the assurances contained in that declaration," the note declared.

Hawklets, Blues Play Final Tonight

Starting Lineups
 City High Pos. University HI
 Freeman F. Nusser
 Van Deusen F. Anderson
 Hetrick C. Donovan
 Sangster G. Greene
 Dean G. Miller

Time: 8:45 p. m.
 Place: Coe college gym, Cedar Rapids.

With a berth in the Class A sub-state cage tournament at stake, City high's Little Hawks will battle Coach Don Barnhart's U high quintet tonight in district play at the Coe college gym in Cedar Rapids. The all-Iowa City clash is scheduled for 8:45 p. m., following a 7:30 match between Springfield and Martelle for one of the Class B bracket titles.

Tournament observers are inclined to favor the City high quintet after watching their smooth working attack click against Wilson high of Cedar Rapids Wednesday night, but U high's Blue Hawks have really brought out the "oanger" signs with their one sided wins over Monticello and West Liberty in two previous tournament games.

A battle for individual scoring honors is predicted for tonight when City high's Bob Freeman meets the Blue Hawks' Steve Nusser. Freeman, leading point-maker in the Mississippi Valley conference during the regular season, kept up his sharpshooting for the Little Hawks, while Nusser, "cold" as Barnhart's quintet took their sectional crown at the expense of West Liberty, found the range again to pace his team to their first round victory over Monticello in the district.

Once again, however, the top pressure will be on City high's center, Gene Hetrick. Playing his fourth game with the varsity, Hetrick was one of the leading factors in the Little Hawks' win over Wilson, controlling both back-

boards and contributing nine points to the team's victory total.

Iowa City's third district entry, St. Mary's powerful Ramblers, will remain on the sidelines until tomorrow night, when they tangle with Atkins for the lower bracket

Class B crown. Coach Frank Suelpel's quintet now boast a 15-game winning streak and a rating as one of the state's leading threats among the smaller schools.

This rosy picture was somewhat marred, however, by the results of first round play in the Ramblers'

bracket Wednesday night. The Iowa City five turned in one of their poorer exhibitions of the season in topping a weak Center Point quintet, while Atkins showed a high scoring, fast breaking attack in running away from St. Mary's of Cascade.

Tech, Bondurant to Sub State

At least two teams qualified for a spot in the sub-state tournaments last night as firing in 16 district high school basketball tournaments moved through first round games.

Play at Des Moines, which started one day earlier than at the other sites, enabled Des Moines Tech in Class A and Bondurant in Class B to advance into the higher tournament. Tech eliminated North of Des Moines, 35-33, and Dallas Center fell to Bondurant, 54-39.

Clinton's River Kings, serious threat to defending champion Ames, had little trouble from Burlington and swept to a 58-22 win.

On the other side of the state Abraham Lincoln of Council Bluffs, rated number two in the southwest, blasted St. Francis, a cross town rival, 52-21 in their first tournament appearance.

In an all Cedar Rapids tournament at the Coe gym, Roosevelt dropped McKinley, 27-21 and Franklin tripped Immaculate Conception, 37-28.

3 Iowa Teams in Loop Meets Today

Wrestling— Long Overdue Title Target Of Mat Team

Often the bridesmaid but never the bride is the position held by the Iowa wrestling team in the Big Ten championship meets. Four times in the past 11 years the Hawkeyes have finished in the runnerup position, twice missing first place by one point.

This year, the Hawk grapplers are among the favorites to reach the top rung in the conference. Sparked by "Rummy" Macias, twice Big Ten 128-pound champion, and Lynn Gray, team captain, the Hawkeyes have taken four straight dual meet wins. The Old Gold grapplers have shown improvement in every meet, climaxing the dual meet season with a stunning 31-3 win over Chicago last Saturday.

The battle for points in the meet promises to be an all-out affair with prospects seeming to indicate a repeat of last year's close finish when the top six teams ended competition only five points apart. Minnesota, Wisconsin, Illinois, and defending champion, Purdue, will make Iowa's road to the championship a rocky path to travel.

The Hawkeyes will go into this year's meet, to be held today and tomorrow at Champaign, Ill., with four men unbeaten in their weight classes. They are Macias, defending title-holder, at 128 pounds, Gray, winner of five straight matches at 165 pounds, Bob Johnson in the 175-pound division, and Dick Barker at 136 pounds. Barker lost one bout in the 145-pound class.

The other three Hawkeye grapplers making the trip will be Bill Quinlan at 121 pounds, Jim Knowles at 155 pounds, and Leon George, heavyweight.

Marion Ends Holdout Siege

ST. LOUIS (AP)—The odds-on pennant figures quoted on the St. Louis Cardinals looked better than ever last night as Marty Marion, generally rated the best shortstop now in the business, ended his holdout siege and prepared to leave for the Red Bird training camp.

"Mr. Shortstop" affixed his much sought signature to a 1946 contract after a one-hour conference with President Sam Breadon at the Cardinal office yesterday.

As usual, Breadon refused to disclose the terms of the agreement but the popular guess is that Marion probably signed for \$17,000, approximately \$3,500 more than he drew last year and \$1,000 less than he was said to have sought.

The signing ended speculation over the possibility the star short fielder might be on the trading block—a spot on which many Red Bird stars have found themselves when they become involved in money disputes with the player-rich organization.

Marion planned to arrive at the Cardinal camp in St. Petersburg, Fla., Monday or Tuesday after a stopover in Atlanta, Ga., to meet his wife.

"It won't take me long to get in shape," he said, "because I'm never far out of condition. I'll catch up with the rest of the squad in four or five days."

Both Marion and Breadon beamed broadly and many a Cardinal follower breathed a sigh of relief with the signing of the contract. Marion was widely regarded as the one man the Red Birds could not afford to lose.

Herb McKenly, star 440-yard dash man on the University of Illinois track team, won a letter in high school in cricket. He prepped in Jamaica.

MIAMI, Fla. Other winners were Byron Nelson and "Jug" McSpaden, and Ben Hogan and Jim DeMaret.

CHICAGO (AP)—The Big Ten yesterday pledged cooperation to the national federation of state high school associations in controlling "wildcat" all-star and out-of-season contests involving prep athletes.

Meeting jointly with the federation's executive officers, the Big Ten athletic directors agreed to refuse use of conference athletic facilities for such contests which are not sponsored by federation members.

Indoor Track— Illini, Wolves Track Favorites

CHICAGO (AP)—The 36th annual Big Ten indoor track meet has its largest entry in five seasons, 261 athletes, but the two-day championships starting tonight at the University of Chicago looms strictly as a showdown between defending titlist Michigan and well-balanced Illinois.

12 Hawks to Enter Tonight, Tomorrow

The campaign for points in the Big Ten indoor track championship meet will be carried on by a University of Iowa squad of 12 athletes, Coach George T. Bresnahan announced yesterday.

Hawkeyes will compete this evening and Saturday evening in the University of Chicago fieldhouse, with Iowa having at least one representative in each of the twelve events.

The Iowa list of starters:

- Ike Johnson - broad jump and low hurdles
- John Hunter and Eric Wilson Jr. - 440-yd. dash and mile relay
- Nelson Smith - half mile
- Dick Washington - 60-yard dash
- Bernard Lewis - mile and two mile
- Keith Gotthardt - shot put

Feller Brands Offer 'Rumor'

CLEARWATER, Fla. (AP)—Bob Feller, Cleveland Indians fireball pitcher, yesterday classed as "strictly a rumor" a report that he had been offered \$100,000 a year for three years to jump to the Mexican league.

President Jorge Pasquel of the so-called "outlaw" league made the announcement in Mexico City yesterday.

Feller said flatly that "no one has approached me with any such offer."

Asked if he would consider such an offer if received, Feller laughed and said: "That's what you all want to know."

Big Ten to Help Curb 'Wildcat' Prep Events

CHICAGO (AP)—The Big Ten yesterday pledged cooperation to the national federation of state high school associations in controlling "wildcat" all-star and out-of-season contests involving prep athletes.

Meeting jointly with the federation's executive officers, the Big Ten athletic directors agreed to refuse use of conference athletic facilities for such contests which are not sponsored by federation members.

Budge, Riggs Tour CHICAGO (AP)—The scheduled 25-match professional tennis series between Don Budge and Bobby Riggs will be increased to 30 or more midwestern and eastern appearances, tour promoter Jack Harris said today. Des Moines is included on the list of cities the stars are scheduled to hit next month.

Kansas, Oklahoma Meet for NCAA Bid

KANSAS CITY (AP)—The Kansas Jayhawks and the Oklahoma Aggies will hold their basketball playoff to determine the fifth district representative in the Western N.C.A.A. tournament in the Kansas City Municipal auditorium March 18.

Swimming— Hawk Tankmen Count On Marsh, Maine For Possible Upset

The experts are figuring Iowa's swimmers as no better than a third place rating in the conference championship meet today and tomorrow at Minneapolis. The experts are often mistaken, however, and the Hawkeyes hope to prove them wrong this weekend.

Buckeyes Favored

MINNEAPOLIS, Minn. (AP)—Ohio State was the favorite last night on the eve of the western conference swimming meet in the Minnesota pool today and tomorrow.

Ohio State's team, bolstered by four former National AAU swimming champions and James Counsilman, breast stroke ace, was considered the outfit with the best chance to win the title held by Michigan for the past two years. The Buckeyes won the championship in 1943 after the Wolverines had held it for four consecutive years.

In the loop with the war years, when the pool was also used by navy pre-flight trainees, pulling the average down.

This year the Hawkeyes have one of the strongest teams in the Big Ten. With Iowa's star freshmen, Dick Maine and Kenny Marsh, leading the way the Hawks have swept to five straight wins.

Ohio State and Michigan rate as the leading teams in the conference with Iowa and Northwestern close behind. All four squads have fairly good strength in the events and any one of them could upset the pre-meet predictions.

The Hawkeyes hope to pick up those needed points for a top spot on performances in the medley relay, breast stroke, and distance events. With Arthur Van Haven, Bernie Walters, Gilbert Shecker, and other dependable Hawkeyes in action an upset is always a possibility and first place not beyond reach.

Three Catholic high school basketball teams will be guests at a dinner given by the Knights of Columbus Sunday at 6 p. m. in the Hotel Jefferson. "Pops" Harrison, head coach mentor at the University of Iowa, will be the featured speaker.

St. Mary's and St. Patrick's both of Iowa City, and St. Mary's of Riverside will be the attending teams.

Teeloxes Whip PiKA; DU's Top Phi Delt

In two intramural play-offs last night in the fieldhouse, the unbeaten Teeloxes trounced the hard fighting Pi Kappa Alpha quintet, 67-40, while Phi Delta Theta went down under the impact of the Delta Upsilon team, 38-29.

High scorers of the evening for the Teeloxes were Larry Gernuska, hitting 22, and Bill Kay, just short of him with 20. Besides doing some excellent defense work, Bob Gustafson also hit 14 markers. Tall Bill Huebsch led the losers, running up a total of 14 points with O. J. Lawhorn following his lead with 10. Roy Ralston sank five free throws plus one field goal for the PiKA's.

Larry Cole chalked up 11 for the DU's while George Keister and Wayne Lacinia made nine and six apiece to help them on their way. John Boeye was ahead of the Phi Delt, hitting for nine, while Chuck Silliman ran up seven in the last half of the game.

Kadera's Enter 2nd Round of C. R. Meet

Kadera's, city loop champions, move into the second round of the Cedar Rapids "Golden Ball" tourney tonight against Shellsburg after an impressive 63-34 triumph over Mechanicsville in the opening round.

The Kadera's balanced scoring turned back Mechanicsville in the opener as six men piled up 10 points or better.

Shellsburg drew a bye in the first round.

Comfort Enters Innocent Plea

Frank B. Comfort, 630 N. Dubuque street, pleaded not guilty in police court yesterday on charges of driving through a stop sign and leaving the scene of an accident without conferring with the other driver.

The case was continued to the 5 p. m. session of traffic court next Wednesday because witnesses were not present.

According to the police report, Comfort's car scraped the fender of a car belonging to Bob Sook of Iowa City in front of the Ham-burg Inn Wednesday night. The driver of the Comfort car is alleged to have driven away from the scene without heeding the call of a police officer to stop. The report added that the car failed to stop at the stop sign at Dubuque street and Iowa avenue.

Comfort stated he had not been driving his car Wednesday night at the time of the incident and did not know who the driver may have been. He said the keys were left in the car when it was parked Wednesday evening.

Swisher and Swisher represented the defendant.

Methodists to Open Recreational Rooms

The Five O'Clock Forum will open the newly decorated recreation rooms at the Wesley foundation annex with an open house tonight from 8 to 11 p. m.

The rooms, which will include a room for dancing, a card room and a kitchenette, will be available to members of the forum for private parties.

The co-chairmen of the food committee, Fran Goodwin and Margaret Larsen, will provide a buffet luncheon for the party. Verlee Whitely will be chairman of the social committee.

Gene Goodwin, president, has announced that the forum is for all young adults of the Methodist church, not just for college students and married couples.

BACKACHE, LEG PAINS MAY BE DANGER SIGN Of Tired Kidneys

If backache and leg pains are making you miserable, don't just complain and do nothing about them. Nature may be warning you that your kidneys need attention.

The kidneys are Nature's chief way of taking excess acids and poisonous waste out of the blood. They help most people pass about 3 pints a day.

If the 15 miles of kidney tubes and filters don't work well, poisonous waste matters stays in the blood. These poisons may start nagging backaches, rheumatic pains, leg pains, loss of pep and energy, getting up often, swelling, puffiness under the eyes, headache and dizziness. Frequent or scanty passages with smearing and burning sometimes shows there's something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Pills, a stimulant diuretic, used successfully by millions for over 40 years. Doan's give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from the blood. Get Doan's Pills.

Quadrangle Residents Elect S. W. Driftmeir

Stephen W. Driftmeir, C3 of Shenandoah, has been elected president of the Quadrangle council.

Other new officers are: Emerson B. Petersen, C3 of Morrison, Ill., vice-president; Glen E. Dyer, C4 of Ledyard, secretary; Everett K. McCulloch, G of Morrison, Ill., treasurer, and John E. Phillips, C3 of Maquoketa, sergeant-at-arms.

Concerning the adjustment of Quadrangle food prices, the council Wednesday night decided not to invite any outside student organization into their discussion on the matter. The University Veterans association has been represented at previous conferences.

It was decided to follow President Hancher's suggestion that the committee take the matter to T. M. Rehder, manager of the university dining service.

Lt. Gov. Evans Attacks OPA Price Ceilings

Lieutenant Governor Kenneth A. Evans last night laid the blame for post-war shortages on the price-ceiling policies of the OPA.

Speaking before a group of Johnson county Republicans at Hotel Jefferson, Evans stated that the OPA is a "millstone around the neck of industry," and that if it was removed, the country would get back on an even keel a good deal quicker than by any other means.

Production will bring the competition necessary to adjust prices to their proper level, Evans explained, adding that price ceilings might be necessary on certain scarce goods.

The present state Republican administration has appropriated more money for the needs of state institutions than had ever been appropriated before Evans stated, and more has been done to improve conditions than at any other time in the history of the state.

Evans assailed the national administration's policy toward the present labor difficulties, stating that it "appears that their approval of strikes is the payoff to the P.A.C. of the CIO for supporting Roosevelt in the 1944 campaign."

Fred V. Johnson, county G.O.P. chairman, presided over the dinner meeting, introducing local committee members and candidates for the coming June primaries.

Odd Fellow's Dance

The I. O. O. F. Fun-Makers club will honor the members of the various Odd Fellow organizations at a record dance tomorrow in the Odd Fellows hall. Dancing will be from 7 until 10 p. m. Each I. O. O. F. is entitled to bring one guest to the dance.

REPUBLICAN CANDIDATES FOR COUNTY SUPERVISOR POSTS

THESE THREE REPUBLICAN CANDIDATES have announced their intention to file nomination papers for positions on the county board of supervisors. Seeking terms now held by Elmer E. Dewey, J. E. Pechman and Marvin Stahl, the men are all trying for their first public office. Left to right are E. Earl Thomas, 565 Brookland Park drive, W. L. Snider, route No. 1, Kalona, and Merrill C. Douglass, route No. 2, West Branch.

High School Debaters To Participate Today, Tomorrow in Tourney

High School debaters will compete today and tomorrow in the Southeast District tournament of the Iowa High School Forensic league at University high school.

Prof. A. Craig Baird and Clarence Edney of the university speech department are acting as chairmen of the league.

Sponsored by the University of Iowa, the contests will begin at 4:30 p. m. today and continue until late tomorrow afternoon. Oratory and current event speaking will take place tonight and tomorrow.

Participating are City high and University high and schools from Clinton, Davenport, Fairfield, Muscatine, Newton, Oskaloosa, Ottumwa, and Tipton in the "A" class. Danville, Independent, Montezuma, Oxford, Pleasantville and West Branch are in the "B" class.

17th Student Recital To Be Given Today At North Music Hall

Bette Johnson, A2 of Duluth, Minn., soprano and Marshall Barnes, G of Fairfield, accompanist, will present the 17th in the series of student recitals today at 7:30 p. m. in the north music hall.

Program for the recital includes, "Te Lo Sai" (Terelli), "Danza, Danza Fanciulla" (Durante), "Care Selve" and "Oh, Had I Jubal's Lyre" (Handel).

"Widmung" (Schumann), "Allerseelen" and "Die Nacht" (Strauss), "Je Dis Que Ne M'epouvante" from "Carmen" (Bizet), "Phyllis Has Such Charming Graces" (Young), "Shepherd, Thy Demeanor Vary" (Brown), "I Shall Go Quietly" (Doecker), and "The Frosted Pane" (Koepeke).

The recital is open to the public.

Ray Parker's Band To Play Tonight At Beaux Arts Ball

Caricatures of professors and students in Oriental settings will provide the background of the Beaux Arts ball tonight at the Art building. Ray Parker and his orchestra will play from 8:30 to 12 midnight for the dance which is sponsored by the Art Guild for art, music, and dramatic arts majors and their guests.

Art students have painted stylized murals of Oriental scenes. Charles White, G of Louisville, Ky., has created the Chinese and Japanese paintings; Jean Harris, A4 of Princeton, Ill., the Mural of Persia; Mimi Shapiro, G of New York City, Pacific islands; Marie Huper, A3 of Iowa City, Tibet; Harold Schwarm, A1 of Fairmont, N. H., India.

A glittering figure of a Sheba will be over the orchestra. This figure was constructed by Malcolm Myers, G of Wichita, Kan., and Prof. Humbert Albriizio. Door panels were created by the art classes of Virginia Banks Freidinger and Joseph Cox.
