GOOD MORNING, IOWA CITY!

Continued mild weather is the weatherman's news for today—with clear skies, too. Tomorrow will be partly cloudy and warmer.

U.S. Issues Order to Control Building

Soviet Refuses to Participate in Iran Case Before April 10

NEW YORK (AP)—The United Nations security council voted yesterday to hear the Iranian-Russian case at its current meeting. Then, faced by an implied threat from Russia to walk out of the meeting, it turned over to a subcommittee the hot question of just when and how the Iranian government would be heard here.

United States Secretary of State James F. Byrnes, Soviet Ambassador Andrei A. Gromyko and French Ambassador Henri Bonnet were named to the group, which was ordered to report to the security council at 2 p. m. (C.S.T.) today.

The decision to name a subcommittee to consider at least three proposals affecting procedure in the Iranian case climaxed hours of argument over Russia's proposal that the hearing be postponed until April 10.

Unable to Participate
It came soon after Gromyko flatly declared that he would be unable to participate in any discussion of the substance of the Iranian situation before April 10.

This was believed by some observers to be a threat to refuse to attend any session at which Hussein Ala, the Iranian ambassador to the United States, might be asked to speak.

Byrnes led the argument for hearing now what Iran wants to say.

Hussein Ala maintained after the six-hour council session that he was in constant communication with his government and that there had been no hint of any agreement with the Russians.

"I still am under instructions to protest to the United Nations security council the continued presence of Russian troops in Iran," he told the Associated Press, "as well as other matters."

Instructed to Protest
"I have been instructed by my government also to protest any postponement of prompt consideration of our case by the council."

Delegates were obviously showing a disposition to end the long discussion late in the day and the Polish delegate presented a motion to adjourn. Then, Bonnet, for France, suggested that the subcommittee be appointed to try to bring into focus the varying proposals affecting the Iranian case, some of which, he said, were already very close together.

On the call for the vote the chairman reported nine of the eleven members favored the motion.

Congressional Bill to Curb James Petrillo

WASHINGTON (AP)—A bill designed to curb James C. Petrillo, president of the American Federation of Musicians, was agreed upon yesterday by a senate-house conference committee.

Both chambers had passed legislation, in differing form, and the conference committee accepted the house version, with some modifications. The measure now goes back to the senate and house for final approval.

It would outlaw the use of force, threats or "other means" to compel radio stations to pay "exactions" to unions for using phonograph records. (The house measure had used the word "tribute" instead of "exactions.")

Investigators Piece Ten Bodies Together

PARIS (AP)—Parts of 10 bodies dismembered "by a skilled and unerring hand" the limbs broken so that they would fit into a furnace, were pieced together by investigators in the uninhabited Paris mansion yesterday of Dr. Marcel Petiot, a French medical examiner testified yesterday at Petiot's trial for wholesale murder.

The examiner, Dr. Albert Paul, said there was evidence of many more victims in the furnace and limpet.

"The dismembering of the bodies was done by a skilled and unerring hand which found the same spot on each body to sever the spine and limbs," Paul said. "The scalp was then removed and a circular incision was made to lift off the entire facial mask."

Dr. Raymond Boyer Admits Telling Rose Of Secret Explosive

Desire to Aid Soviet Union Is Cause Given By Canadian Scientist

MONTREAL (AP)—Dr. Raymond Boyer, prominent scientist charged with conspiracy in the Soviet espionage case, testified yesterday that he gave details of the new and secret super explosive RDX to Fred Rose, Communist member of the Canadian parliament, "to help the Soviet union."

Dr. Boyer, assistant professor of chemistry at McGill university in Montreal, who was cited by the Canadian government for "outstanding" work for the Allies during the war, said he met Rose at Rose's home "three or four times" over a period of a year and two months late in 1943 and 1944.

Asked why he gave details of RDX to Rose, Dr. Boyer replied quickly: "I was anxious to do what I could to have the Soviet union obtain the process officially from Canada."

He said Canada had refused to give the Soviet union this information and that he wanted it to go. He said he told Rose "what materials were used in the new process and some of the ways in which that material was used."

Rose and Dr. Boyer were charged with conspiring to give war secrets to Russia. The chemist was called by the prosecution at Rose's hearing to establish a prima facie case for trial.

The prosecution ended its case yesterday and Judge Rene Therberge gave Rose an opportunity to make what he termed a "voluntary statement" Thursday.

Doctors Test Sanity Of 2 Men Scheduled For Hanging Friday

DES MOINES (AP)—Two psychiatrists will conduct examinations this morning to determine the sanity of an elderly father and his son who are scheduled to be hanged at the Fort Madison penitentiary Friday.

Dr. Wilbur R. Miller, director of the state psychopathic hospital at Iowa City, and Dr. Wayne B. Brown, acting superintendent of the Mt. Pleasant state mental hospital, will make the tests at the request of the state board of control.

The men are Phillip H. Heincy, 72, and his son, William Henry, 45. The Heincys pleaded guilty to first degree murder in connection with the fatal shooting of Robert W. Raebel, 63, Lake Okoboji.

Scientists Report—Industrial Use for Atom Unlimited

PHILADELPHIA (AP)—The denaturation of plutonium and of uranium 235 is the great discovery that scientists have been hoping for to make it possible to produce atomic power.

This discovery may mean that a piece of metal the size of a watermelon will produce as much heat as hundreds of tons of the uranium now used to make atomic fires.

The huge atomic piles in Washington state, each about the bulk of a small pyramid, produced enough heat to nearly equal peak electric power expected for the Grand Coulee Dam. But this atomic heat was useless for power because it was spread over such a large area.

Heat that makes power, such as boiler fires, is concentrated in a small area. It was not possible, when the war ended, to use a small amount of uranium 235 or of plutonium to make an atomic fire because such concentrated pieces of either metal would instantly explode.

Denaturing is described as rendering the metals unable to explode, but without stripping their ability to produce heat by the explosion of their atoms. If that is true then efficient atomic fires can be made to create steam, either for producing electricity, or for operating turbines, or for heating gases to operate the gas turbine engines that are just beginning to come into industrial use.

Operate Plant
The discovery means that prob-

DIRECTOR OF BOY'S TOWN CHATS WITH EDDIE ANDERSON

THE REV. E. J. FLANAGAN, founder of Boys Town, Neb., is shown above as he talked with Dr. Eddie Anderson, head university football coach, yesterday. He visited the campus to talk at a Religious Emphasis meeting. Anderson is head of Religious Emphasis week activities. (See story on page 6)

Lenox Man Admits Killing Tommy Worm in 1943

FBI Arrests Russian Agent

Lt. Nicolai Redin Taken on Espionage Charges in Portland

WASHINGTON (AP)—J. Edgar Hoover, director of the FBI, announced the apprehension last night of Lt. Nicolai Gregorovich Redin, 29, on espionage charges in Portland, Ore., as he was about to board a Soviet vessel in the harbor.

An FBI announcement said Lieutenant Redin, a graduate of the Soviet naval academy, has been under intensive FBI scrutiny for the past several months. It added he will be arraigned in Portland, as soon as a United States commissioner is available, on the espionage charges.

The FBI declined further comment immediately. A state department spokesman said the department had no information on the matter last night.

Maj. Gen. L. R. Groves, director of the atomic bomb research project, said he did not know of a Lieutenant Redin.

Meanwhile, the house committee investigating un-American activities scheduled a closed meeting for Wednesday morning on an unnamed subject, and counsel Ernie Adamson told a reporter that "I assume after the meeting the chairman will have something to say about this arrest."

Lewis Sets Monday For Mines Shutdown

UMW Head Refuses Pay Increase of 18 1/2 c To Soft Coal Miners

WASHINGTON (AP)—John L. Lewis signaled yesterday for a nationwide shutdown of soft coal mines on Monday. He turned down an offer which operators said would provide a pay increase equivalent to 18 1/2 cents an hour.

Operators asserted the shutdown would affect steel production immediately and some steel mills would be forced to close within ten days.

Howard T. Colvin, associate director of the United States Conciliation service, announced that "the government will now interest itself in the case."

The operators said they had rejected "the principle" of paying a royalty on each ton of coal to finance a health and welfare fund for the United Mine workers. They also declined to give federal safety recommendations precedence over state mining laws.

Lewis then served formal notice that the present contract will be terminated as of midnight Sunday.

The door was not closed entirely to agreement by Sunday on a new contract, however. Both Lewis and the operators, who held separate news conferences to disclose the developments, said negotiations would continue today.

Police Charge Henry Schmitt With Murder

BEDFORD (AP)—Mrs. Dorothy Worm, 41, an attractive brunette, was taken into custody yesterday for questioning in the two and one half year old slaying of her husband, Tommy, 42.

First degree murder charges were filed earlier against Henry Schmitt, 62, a six foot, two inch, 200-pound Lenox horse trader, the father of four grown children, accusing him of the Nov. 4, 1943 killing.

No Charges Filed
No charges were on file against Mrs. Worm. After a long conference with officials, she left the court house with two officers, who said she was "cooperating in clearing up some angles."

Attired in a tight-fitting mustard-colored dress and accompanied by her good looking only son, Carroll, 24, just released as an air corps first lieutenant, Mrs. Worm was brought from her farm home near Conway to county attorney Ralph C. Jones' office.

Sheriff J. T. Caskey and state agent Robert Gregson said Schmitt signed a statement in which he admitted shooting Worm, then burying the body with the widow's help on a Schmitt-owned southern Iowa farm near Lenox.

Fearful of discovery, the statement continued, Schmitt dug up Worm's body the next day, reburied it in a field on another farm near Creston. A few days later, he said, the body was exhumed a second time, taken about 200 miles by car and weighed, sent splashing to the bottom of the Mississippi river south of Keokuk.

Signed Statement
The county attorney said Schmitt was arrested after Mrs. Worm earlier signed a statement admitting a long-time illicit relationship with the horse dealer and declaring she saw Schmitt shoot her husband and helped bury him on Schmitt's farm.

Schmitt's threats against her life, her statement said, made her tell officials in 1943 that her husband "mysteriously disappeared," but the man's recent threats against both her and her son caused her to decide to tell the true story.

State and county officials have been investigating the case ever since Worm vanished.

Communists Accused Of Bad Faith; Truce Teams in Manchuria

600 Defenders Killed As Communists Seize Capital of Province

CHUNGKING (AP)—A spokesman for China's national military council yesterday made charges of bad faith and lawlessness at Chinese Communists in troubled Manchuria, where truce teams earlier were reported preparing to prevent civil war as the Russians withdraw.

The spokesman said the government-appointed governor for the Manchurian province of Liaopoh is being held under surveillance by Communists and charged that 600 government defenders were killed by Communists who seized the province capital, Szepegkai, March 16.

This unidentified spokesman then went on to say that while it was true the government and Communists had agreed to dispatch truce teams, that the agreement in no way must conflict with a truce agreement of last Jan. 10. This means, the spokesman explained, that the government troops must not be barred by the Chinese Communists from taking over Manchurian cities evacuated by the Russians and the Communists must not attack and seize cities.

Government dispatches yesterday hinted more Russian withdrawals north from the Manchurian capital of Changchun but at the same time, reiterated that discussions were continuing there between Chinese government and Russian occupation representatives for the transfer of garrison duties.

SHANGHAI (AP)—The Chinese government and Communists agreed yesterday to send their celebrated truce teams into Manchuria this week to head off a gathering threat of civil war.

Qualified sources close to executive headquarters at Peiping told Associated Press Correspondent Spencer Davis that four teams would fly to southern Manchuria, probably tomorrow.

A Nanking dispatch by AP correspondent Harold K. Milks said the deadlock-breaking decision was spurred by Russia's announcing her troops would pull out of Manchuria by April 30.

The reports followed closely the return to Chungking of Gen. Chou En-Lai, No. 2 Communist, from headquarters at Yenan.

Nationwide Network of Federal Offices to Guide Construction

WASHINGTON (AP)—A nationwide network of 71 federal offices was created last night to administer a sweeping new order restricting many building activities so scarce materials can be channeled into lower cost homes for veterans.

A civilian production administration order, effective now, requires advance federal approval for all types of construction—dwellings, industrial and commercial building and repairs; all except small jobs.

Swiftly following this move to free the materials for veterans housing, CPA announced that all new construction field offices were expected to be opened not later than tomorrow.

The CPA forbids the start of construction unless each new store, factory or dwelling is approved in advance by one of the CPA offices. This means that factories and expensive homes may be banned wherever the materials are needed to provide shelter for homecoming servicemen and their families.

A CPA official said he expected that "not much material would be left" for luxury-type homes, in view of the expected demand for those costing \$10,000 or less and renting for \$80 or less—the type of dwelling now granted priority on materials.

Almost simultaneously with the order's issuance, a \$253,000,000 housing appropriation bill reached the floor of the house, which passed it almost unanimously.

Besides funds for more than 102,000 temporary dwelling units for veterans, the measure contains money to hire about 4,000 government employes to man the new CPA field offices and build up the Washington staffs of CPA and the national housing agency.

Veterans' housing which already gets priority aid, will be authorized promptly, it was stated, but other dwellings will be approved only if materials are available.

Two other actions, expected from CPA today, will grant civilian "CC" priority to manufacturers of all 13 of the so-called critical construction items—including lumber, bathtubs, bricks and radiators—who need new machinery or plant equipment to expand their output.

The housing restrictions were announced jointly by national housing expeditor Wilson W. Wyatt Jr. and CPA Administrator John D. Small, who said public support was "vital" to their success.

UNRRA Okays U. S. Program

Soviet Refuses Plan To Halt Use of Goods By Occupying Armies

ATLANTIC CITY, N. J. (AP)—Despite Soviet objection, UNRRA yesterday approved a program, initiated by the United States, which would prohibit use of local supplies by occupying armies.

The Russian delegation opposed debating the proposal and refused to take part in the actual discussion.

With several nations abstaining from balloting, UNRRA's committee on policy adopted by a 25 to 0 vote provisions that would pledge member governments maintaining military forces in other countries to "refrain" from:

1. Consuming locally produced food stuffs, fuel, or other supplies, which are normally included in an UNRRA program or using land or other local resources which could be used for the production of supplies to meet the needs of the local population, and

2. Impeding the fair distribution of relief supplies, or the effective use of land for the production of such supplies.

However, a member of the British delegation said in an interview that the Soviet troops in Austria were using local food supplies and farm lands which should be used for the needs of the Austrians.

The council today put over to another session discussion on a provision in the U. S. proposals which would cut UNRRA aid to nations where occupation armies are found to be using local supplies.

Throughout the debate the Soviet delegate refused to vote, as did France, Czechoslovakia, the Ukraine and Byelo-Russia.

April 9th Date Set—To Vote On Draft

WASHINGTON (AP)—The senate military committee, divided on the question whether to continue the draft as the services request, decided yesterday to vote April 9—just five weeks before the present act expires.

Meanwhile public hearings will be held. These will follow public hearings held by the house military committee on the same thing and closed hearings already held by the senate group.

Highly Uncertain
The decision made it highly uncertain whether, if the draft extension is voted, the bill could be passed by congress before the present law expires May 15.

The senate then will get the measure for consideration. And if house and senate differ on the terms of an extension, a compromise would have to be drafted and approved.

The committee met to consider a bill by acting Chairman Johnson (D., Colo.) dealing with veterans' re-employment rights.

Senator Austin (R., Va.) proposed an amendment to extend the draft for one year with an 18-month limit on the service inductees.

Counter Motion
Johnson made a counter-motion for a six-week extension to July 1 with public hearings on the question of a further extension.

After a general discussion, Senator O'Mahoney (D., Wyo.) suggested delaying action for two weeks while public hearings were held. That was adopted by general consent.

The acting chairman said that he did not know what shifts there had been in the morning vote. A committee source, however, said that Senator Murray (D., Mont.), who had been recorded for the Austin position, had changed sides and that Wagner had voted by proxy for Austin's move.

QUESTIONED IN SLAYING

MRS. DOROTHY WORM, 41, was taken into custody yesterday for questioning in the slaying of her husband, Tommy, 42. Earlier first degree murder charges were filed against Henry Schmitt, 62, Lenox horse trader, accusing him of the Nov. 4, 1943, slaying. (AP WIREPHOTO)

Editorials:

Are University of Iowa Students Shirking Another Duty?

University of Iowa students are not prone to attend church weekly. In that respect, they aren't much different from the average American who knows so little about religion and its teachings that he makes very little effort to learn more.

Yet religion contributes one of the most meaningful factors to good living and a better world—faith. Without faith, our nation and our people could not be what they have made themselves today. And without religion, there would be no faith.

This week—Religious Emphasis week—University of Iowa students have a rare opportunity to re-examine their faith, particularly in light of what their faith means in this, the first year of peace.

Attendance at the Religious Emphasis week programs has been regrettably low so far. Part of the difficulty has been that so many examinations are scheduled for this week. Many professors have postponed their examinations in order to give students time to attend the lectures, and we hope that other professors will also see the importance of this week's activities.

The Religious Emphasis week programs so far have been exceptionally worthwhile. They help to take some of the abstractness out of this thing called "faith."

Faith and understanding has been the plea of leaders all over the world. Faith is the point on which the success or failure of the United Nations organization rests. It is the key to lasting peace.

And because of its great importance in the world today, it is the responsibility of University of Iowa students to try to grasp its meaning and to put it into practice.

It has often been said—by students, by professors and by outsiders—that University of Iowa students are lethargic when it comes to thinking and acting about anything except classroom problems.

The deplorable lack of interest shown in Religious week activities could be cited as proof that students are lethargic.

It is unfair to say that students don't realize their responsibility to lend their efforts for the solution of world and national problems. Most of them do realize that responsibility. But they ask, what, specifically, can they do?

Part of the answer to what students should be doing is in the lectures of the Religious week program. Nowhere else do students have so advantageous an opportunity to seek out the meaning of the vital truths of the world so that they can be put to use.

Why Are the Union's Magazines Not Up to Date?

One of the most attractive features of Iowa Union is a library and lounge in which are kept many of the more popular current magazines. It is a comfortable spot, with overstuffed chairs and a view of the river.

If a student has time on his hands between classes or in the evenings, he can relax there and leaf through Life, Time, Readers Digest, Coronet, the New Yorker, any one of many magazines. Worse ways could be found for spending leisure minutes.

But the library would be much more attractive if the current magazines actually were "current"—if they were kept up to date.

For example, take the case of Time magazine. Time appears on newstands every Thursday. Yesterday, the Union had three copies of the March 18 issue, but none of the March 25 issue which went on sale March 21.

Every magazine is stamped with the date it is received by the university. The copies of Time for March 18 were received March 14, according to the stamp.

March 14 was a Thursday, the day when the magazine goes on sale. Since Time went on sale as usual last Thursday, it is logical

to assume that the university also received its copies Thursday, March 21—but they had not been placed in the lounge by March 26.

Almost all the magazines are not up to date. The lounge has three copies of Readers Digest—two for February and one for March. But it has no April copy, although the April issue has been on sale for some time.

There is a March issue of Coronet in the lounge, but no April copy. Life suffers the same fate as Time. Yesterday there were no copies of the latest issue which is now five days old.

The dates on the old issues indicate the periodicals are received without delay. It appears that a faulty distribution system is to blame for their not appearing in the library promptly.

Perhaps some of the magazines "disappear" in the coat pockets or the notebooks of students. But this doesn't account for the complete absence of the new issues.

It is regrettable that the magazines are not placed in the lounge promptly—not only because they are not up to date, but also because the delay makes them available to fewer students.

For Married Students

The "Married Mixer" parties sponsored by the Union board least partially fill one of the increasingly important needs of providing a social program for married students at the University of Iowa. And it is to the Union board's credit that it has done more along this line than any other organization.

The "Married Mixers," held each Thursday evening in the River room at the Union, give married couples a chance to relax and engage in recreation, and also to make new friendships among persons with whom they have much in common.

Attendance at these parties has not been too large, although the parties themselves have been extremely successful. We fear that many married couples on the campus are passing up an opportunity to make their university life a great deal more interesting in many ways.

Wives, particularly, should find the "Married Mixers" enjoyable. They don't have the chance to make new friends that their husbands have, so the acquaintances at the "Married Mixers" will be all the more valuable.

'Peaceful' Atomic Energy

Perhaps those automobiles of the future which will run for years on a bit of atomic energy aren't as far off as we had thought. At least, the conversion of atomic energy to industrial purposes opens up great ranges for dreaming.

No one doubted that American scientists would some day be able to control the powerful force that they created. Even so, the announcement that plutonium can be "denatured" for purposes other than bombs came as a welcome surprise. No one knew that the day of "peaceful" atomic energy was so close at hand.

Of course there is no telling how much more experimentation for how many more years is necessary before we get the full benefits of atomic energy. But the day is coming.

The Daily Iowan

Letters to the Editor: The Iowan's Readers Forum

(Editor's Note: The Daily Iowan invites letters to the editor. The letter must bear the writer's name and address, but the writer's name will not be published if so requested. No attention will be paid unsigned letters.)

Criticizes Fraternities
TO THE EDITOR:
Bravo to Guy Keller for his letter printed in Friday's Daily Iowan. It takes courage to fire the blast at anything so firmly entrenched and all-powerful as fraternities and sororities are on the Iowa campus.

There is no practical reason why organized independents could not exert a positive influence to counteract this. Publicity or notoriety, the lifeblood of the frat and sororities, would be unnecessary to the success of such an organization, once it were effectively started.

When the army, with its undemocratic caste system, so familiar to all veterans, decides to adopt more vigor, it is a very healthy sign. It would be an equally good sign if we were to form an organization which could assist our university in really achieving true democratic education rather than education leaning toward the English style of aristocratic and exclusive operation.

SCIENCE SOIREE POSTPONED
The fourth soiree of Sigma Xi, honorary scientific society, originally scheduled for today will be April 10. The pharmacy college will be host at the meeting.

Behind the Mikes...
By Helen Huber
A faculty recital to be presented by the university's department of music will be broadcast in Studio E of the Radio building tonight at 8 p. m. Compositions to be played are "Sonata in C Major" by Handel and "Sonata in E Flat Major Opus 120 No. 2" by Brahms, by Byron Darnell playing the viola and Norma Cross, pianist. The program is under the direction of Prof. Philip Greeley Clapp, head of the department.

OFFICIAL DAILY BULLETIN

Items in the UNIVERSITY CALENDAR are scheduled in the President's Office, Old Capitol. Items for the GENERAL NOTICE are deposited with the campus editor of The Daily Iowan or may be placed in the box provided for their deposit in the office of The Daily Iowan. GENERAL NOTICE must be at The Daily Iowan by 4:30 p. m. the day preceding first publication; notices will NOT be accepted by telephone, and must be TYPED OR LEGIBLY WRITTEN and SIGNED by a responsible person.

Vol. XXII No. 153 Wednesday, March 27, 1946

UNIVERSITY CALENDAR
Wednesday, March 27
Play Production Festival
4 p. m. Inter-faith lecture series on "Here Is Religion's Answer: Protestantism's Answer," senate chamber, Old Capitol.
8 p. m. Lecture: "Life as an Adventure," by Sherwood Eddy, Macbride auditorium.
Thursday, March 28
Play production festival.
1 p. m. Iowa High School Forensic league, Old Capitol.
2-5 p. m. Kensington Tea, University club.
4 p. m. Inter-faith lecture series on "Here Is Religion's Answer: Is There a Common Answer?" senate chamber, Old Capitol.
8 p. m. Lecture: "The Lost Secret of Life," by Sherwood Eddy, Macbride auditorium.

GENERAL NOTICES

STUDENT ACTIVITIES CALENDAR
Reservations for student activities may be made at the office of student affairs, room 9, Old Capitol.
Wednesday, March 27
Religious Emphasis week.
3 p. m. U. W. A. executive board meeting, Helen Focht's office, Old Capitol.
4 p. m. U. W. A. council, Helen Focht's office, Old Capitol.
4:15-5:30 p. m. Chamber orchestra, music building.
7 p. m. Mortar board, conference room 1, Iowa Union.
7:15-8 p. m. Christian Science organization, room 110, Schaeffer hall.
7:10-8:30 p. m. Varsity band, music building.
7:45 p. m. Orchestras, women's gymnasium.
8 p. m. Lecture by Sherwood Eddy, Macbride auditorium.
Thursday, March 28
Religious Emphasis week.
4-5:30 p. m. Highlanders, fieldhouse.
4:10-5:30 p. m. Concert band, music building.
7:10-9 p. m. University chorus, music building.
7:15-9:15 p. m. University orchestra, music building.
7:15 p. m. Theta Sigma Phi meeting, room N104, East hall.
8 p. m. Lecture by Sherwood Eddy, Macbride auditorium.
Friday, March 29
9 a. m.-4 p. m. Vocational conference, Old Capitol.
4 p. m. Y. W. C. A. cabinet meeting, "Y" office, Iowa Union.
4-5:30 p. m. Highlanders practice, fieldhouse.
4:10-5:30 p. m. Concert band, music building.
4:15 p. m. University film society, French film, chemistry auditorium.
8 p. m. University film society, French film, chemistry auditorium.
8-9 p. m. Inter-Varsity Christian fellowship, room 221A, Schaeffer hall.

MUSIC ROOM SCHEDULE
Monday through Friday: 11 a. m.-2 p. m.; 3:30-5:30 p. m.; 7-9 p. m.
Tuesday and Thursday: 3:35-4 p. m., Iowa Union Music Hour, WSUI.
Wednesday: 6:45-8:45 p. m., playing of complete major musical work.
Saturday: 11 a. m.-1 p. m., recordings; 1-4:30 p. m., Metropolitan opera broadcast.
Sunday: 1-2 p. m., recordings; 2-3:30 p. m., Philharmonic symphony orchestra broadcast; 3:30-4 p. m., recordings; 4-5 p. m., NBC symphony orchestra broadcast; 6-8 p. m., recordings.
EARL E. HARPER
Director
SWAINE SCHOLARSHIP
Robert T. Swaine of the class of 1905 offers a scholarship to a high ranking senior of this university to cover tuition for the first year in the graduate school, or any professional school, in Harvard. Call at the graduate college office for information.
CARL E. SEASHORE
Dean
SANXAY PRIZE
The university awards annually the Sanxay prize of \$500 to the senior in the College of Liberal Arts, a native or resident of Iowa, who gives the highest promise of achievement in graduate work. Application must be filed, with department recommendations, in the graduate college office before April 10.
CARL E. SEASHORE
Dean
WESLEY FOUNDATION
The Rev. C. Vin White, Presbyterian minister from Dubuque, will lead the Fireside hour at the Methodist student center tonight immediately after the Sherwood Eddy talk. All interested students are welcome.
VIC GOFF
Counselor
DENTAL APPLICATIONS
All applications for admission to the September, 1946, class of the college of dentistry must be in the office of the registrar by noon Saturday, April 13. Only those students who can complete the 60 semester hours required for admission by Sept. 1 should apply. Priority will be given to residents of Iowa. For complete list of regulations for admission consult the registrar's office.
PAUL J. BLOMMERS
Registrar
PRESBYTERIAN RELIGIOUS EMPHASIS PROGRAM
March 24-28
Morning watch-7:30 a. m.
Noon luncheons-12 to 1, Dr. C. Vin White, speaker.
5 p. m.-Tea and discussion hour after the university lecture.
Participation in campus activities.
Communion Friday morning at 7:15
MARTHA BURNAY
President,
Westminster Fellowship
WESLEY FOUNDATION
The Rev. Fernando Laxamana will lead the Fireside hour tonight for students at the Methodist student center immediately after the Sherwood Eddy lecture. During a question and answer period questions raised by various speakers on the Religious Emphasis week program and any further questions students wish to ask will be considered.
VIC GOFF
Counselor
WOMEN'S INTRAMURAL SWIMMING
Women's intramural swimming meet will be today at 7:30 p. m. in the pool at the women's gymnasium.
HARRIET ARNOLD
Intramural Manager

VARSITY GOLF SQUAD
All men out for varsity golf squad are requested to report to Coach Kenneth this afternoon at Finkbine field club.
C. KENNETT
Coach
UNIVERSITY FILM SOCIETY
The University Film society will present the French film, "The Baker's Wife," in the chemistry auditorium at 4:15 p. m. and 8 p. m. next Friday, March 29.
ALDEN F. MEGREW
Assistant Professor
ART EXHIBIT
James Lechay, Stuart Edie, Humbert Albrizio and Maurizio Lasansky will exhibit their work in Iowa Union through March 31.
ART COMMITTEE
UNION BOARD
ORCHESTRAS
All members please observe and attend the different rehearsals. Everyone is to meet this evening at 7:45 o'clock in the women's gymnasium.
BETTY SCHORI
President
THETA SIGMA PHI
Members of Theta Sigma Phi will meet tomorrow night at 7:15 in room N104, East hall.
JOAN OVERHOLSER
President
WESLEY FOUNDATION
The Rev. Bob Hamill will be available for personal conferences today and tomorrow. Appointments may be secured by calling 3753.
VIC GOFF
Counselor
IOWA MOUNTAINEERS
Thursday, April 4, is the deadline for registration for the April 7 Tiffin hike and dinner. This activity is open to the public and you may make your reservations now by calling Mary Tremaine, 5849, after 7 p. m. Hikers will leave from the engineering building at 3 p. m. Persons driving out should meet at the Methodist church in Tiffin for the 6 o'clock dinner. Those wishing to attend only the program should be at the church by 7 p. m. An hour and a half western scenic film will be shown by Harry Lumby of the Chicago Mountaineers club.
MARY TREMAINE
Outing Chairman
IOWA MOUNTAINEERS
Dr. Alfred M. Bailey, director of the Colorado Museum of Natural History at Denver and outstanding color photographer and explorer, will present an illustrated lecture on "Mormon Land" Sunday evening at 8 o'clock in the chemistry auditorium. Natural color motion pictures will be used to describe his adventures in the San Juan and Colorado river region of Utah and Arizona. The lecture is open to the public but admittance will be by membership card or ticket.
S. J. EBERT
Chairman
HILLEL FOUNDATION
The annual Hillel parents banquet will be held Sunday, March 31, at 5:30 p. m. in the Rose room of the Hotel Jefferson. Cost is \$1.25 and reservations may be made through Prof. Morris Kertzer's office in Macbride hall. This banquet is open to Hillel members and their parents. A special program including the presentation of Hillel keys will be offered.
FRAN KELBERG
Chairman
HILLEL FOUNDATION
Friday services will be held at the Community building this week at 7:45 p. m. A special program will be offered.
JULIUS SPIVACK
President
Y. M. C. A. CABINET

Tonight at 8 o'clock in studio E, radio building, the music department presents Byron Darnell, viola, and Norma Cross, pianist, in a recital.
ADDISON ALSPACH
WILL PROBATED
The will of Ardillus Holderness, who died Feb. 26, was admitted to probate in district court yesterday. Carrie May Holderness was named executrix and W. F. Murphy is the attorney.

Covering The Capital

By Jack Stinnett

WASHINGTON — This is congressional election year. Thousands of men and women all over the country who never have been in congress will be angling for those 435 house seats. Have they any idea what they are getting into? Do you really have any idea what their qualifications should be?

Seven years ago, Rep. Luther Patrick, Birmingham, Ala., wit, lawyer, writer, radio commentator, lodge member and four-term house democrat, listed 10 rules of conduct and necessary qualifications for members of congress. With a few cuts for brevity and modernity, here they are:

- 1. Entertain with a smile constituents, their wives, their sons, sons' wives, etc. Go with them to the White House and have ready a good reason why you are unable to have them meet the president; take daughters to meet midshipmen at Annapolis.
- 2. Explain what bill is up for debate, points of discussion, how it will be passed, how you will vote, and why.
- 3. Attend to balcony and point out Speaker Rayburn, Leaders McCormick and Martin, John Rankin, Dewey Short and Mrs. Clare Booth Luce and all the other lady members of the house.
- 4. Respond to all worthy causes, make after-dinner speeches, before-dinner speeches, learn to eat everything, anywhere, any night—work all day, dictate all night and be fresh as a rain-washed daisy for next day's duties.
- 5. Be a cultured gentleman, a teller of ribald stories, a profound philosopher, a gagster, be a ladies' man, a man's man, a he-man, a diplomat, a Democrat with a Republican slant, a Republican with a Democratic viewpoint, a hater of the New Deal, a New Dealer, an old dealer and a quick dealer.
- 6. Learn how to attend six to eight major functions (back home), rushing home and back during each term on one round-trip travel pay.
- 7. Have the dope on hot spots in town, with choice telephone numbers for the gay boys from back home; and help to contact local moral organizations and uplift societies with offices in Washington.
- 8. Learn to be an expert guide. Keep your car in tip-top shape.
- 9. Know the names and dates related to all public buildings and statuary about Washington.
- 10. Be an authority on history, travel, psychology, philosophy, education, economics, physics, civics, finance, export trade, government printing, international relations, neckties and fishing tackle.

Explaining that he made no pretense to being all these things, Representative Patrick concluded:
"A congressman has become an expanded messenger, an employment agency, a gettouter of the army, navy, marines, ward healer, wound healer, trouble shooter, law explainer and bridge dedicator.
"And find time to properly study legislation—the real business we are here to discharge."

Annual Vocational Conference for SUI Women Begins Friday

Two-Day Meet Features Talks On Vocations

17 Visiting Speakers To Conduct Sessions Here in Old Capitol

"Career Close-Ups," the annual vocational conference sponsored by the University Women's association, will feature 17 lecturers on as many vocations for women in a two-day session beginning at 1 p. m. Friday.

All lectures concerned with women in business will take place in the senate chamber of Old Capitol with Jane Hertlein, C3 of Waverly, as student leader.

Senate Chamber Meetings

Friday's speakers include Margaret M. Turner, in charge of office personnel for the Goodyear Tire and Rubber company, who will speak on industrial employment at 1 p. m. D. R. Cottrell, supervisor of the Iowa State Merit System council in Des Moines, will discuss government work at 2 p. m.

Saturday morning at 9 o'clock Glem Mier, assistant to the personnel director of American Air Lines, will speak on airlines for such as hostesses and reservationists.

At 10 a. m. Mrs. Loren T. Faber of the Forest City Manufacturing company in St. Louis, Mo., will discuss dress design. Harry Bauefand, special representative of the Gregg Publishing company in Chicago, will speak on secretarial work at 9 a. m. Saturday.

To Meet in Studio D

Scientific and technical fields will be discussed in studio D of the radio and engineering building. Frances Marshall, A2 of Cedar Rapids, is student leader.

Ruth Chambers of the Rath Picking company in Waterloo will speak on home economics at 1 p. m. Friday. Opportunities for technicians will be discussed by Dr. Genevieve Stearns of the University hospital Friday at 2 p. m.

House Chamber Conferences

Phyllis Oltman, A2 of Oak Park, Ill., will introduce speakers on education and community agencies in the house chamber of Old Capitol. Friday at 1 p. m. Alfred Wyman, executive director of the park and playground association of St. Louis, Mo., will be featured in a discussion of work in the field of recreation. At 2 p. m. Friday Ray Graham, assistant superintendent of public instruction of Illinois and director of special education for exceptional children in Illinois, will speak on speech pathology.

Wilma Walker, dean of students, school of social association at the University of Chicago, will be heard on public social welfare services at 10 a. m. Saturday. Dr. T. W. H. Irion, dean of education at the University of Missouri, will speak on education at 11 a. m. Saturday.

Studio E Sessions

All speakers discussing different phases in the field of communications will be heard in studio E of the radio and engineering building. Student leader is Barbara Moorhead, A4 of Moorhead, chairman of the vocational conference committee.

Magazine writing will be the subject of Frank McDonough, editor of Better Homes and Gardens, at 1 p. m. Friday. Helen Patterson, associate professor of journalism at the University of Wisconsin, will speak on newspaper work at 2 p. m. Friday.

At 10 a. m. Saturday Norman Felton, production director for the Midwest area of the National Broadcasting company, will discuss radio and television. Forrest Geneva, advertising manager of the Des Moines Register and Tribune, will speak on advertising at 11 a. m. Saturday.

To Hold Discussions

Each speaker will allot some time for questions and a general discussion. At the end of every lecture anyone who is interested may sign up for a personal interview with the speaker.

Currier Hall to Give After-Dinner Dance

"Twilight Interlude," the third weekly dinner dance, will be given by Currier hall in the south foyer of Currier tonight from 7 o'clock to 8:30. Third floor women will be hostesses.

Tickets have been issued to residents of the Quadrangle, South Quadrangle and small dormitories. University men living in private homes may obtain tickets at the south desk in Currier.

Dinner to Be Given By Pi Kappa Alpha For Founder's Day

In honor of Founder's day, members of Pi Kappa Alpha fraternity will have a dinner Sunday at 1 p. m., in the private dining room of Iowa Union.

Robert Hahnen, district president, of St. Paul, Minn., and Attorney W. H. Bartley of Iowa City will be the speakers.

Attending the dinner will be Leo Hoegh of Charlton, past district president; Attorney Russell Lundy of Des Moines, and other alumni of the University of Iowa's Gamma Nu chapter.

Pi Kappa Alpha is being re-established on campus after being inactive during the war. The Pi Kappa Alpha house at 716 N. Duquesne street, which has been used during the war as a small dormitory unit for men, will be reopened by the fraternity next fall.

Wanda Siebels Heads New Officers Elected By Alpha Chi Omega

Wanda Siebels, A4 of Amber, was elected president of Alpha Chi Omega sorority Monday night.

Other officers are Rhea Hyink, A3 of Rock Island, Ill., vice-president; Carol Parsons, A1 of Afton, second vice-president, Charlotte Huber, A3 of Cedar Rapids, treasurer; Lois Mac Intosh, A2 of Villisca; Doris Timm, A3 of Highland Park, Ill., corresponding secretary. Joan Butler, A1 of Council Bluffs, house manager; Charlotte Doran, A2 of Beaver, and Betty Bachman, A3 of Cedar Rapids, rushing chairmen; Barbara Shover, A1 of Knoxville, activities chairman; Ann Peterson, A2 of Mason City, scholarship chairman; Rosemary Current, A2 of Peoria, Ill., judiciary chairman; Marilyn Jens, A1 of Appleton, Wis., warden.

Prudence Wheeler, A3 of Rock Island, Ill., and Margaret Meister, A2 of Denver, Col., social chairmen; Betty Neal, A3 of Pierre, S. D., publicity chairman; Rosemary Current, A2 of Peoria, Ill., "Lyre" editor; Ginny Bell, A3 of Webster City, historian; Joan Royal, A3 of Des Moines, in charge of the files.

Toby Frank, A3 of Aurora, Ill., chaplain; Miriam Vieth, A4 of Oakland, song leader; Paula Klasiess, A1 of Renwick, assistant song leader; La Verne Capel, A1 of Council Bluffs, librarian, Helen Maley, A2 of Des Moines, Nadia Lee, A1 of Clear Lake, and Joyce Heeren, A1 of Des Moines, judiciary members.

Hillcrest Will Present Beauty Queen Friday At 'Spring Turnabout'

Hillcrest beauty queen and four attendants will be presented at "Spring Turnabout," Hillcrest semi-formal, Friday night in the main lounge of Iowa Union from 9 p. m. until 12 m. Lloyd LaBrie and his eleven-piece orchestra will play.

Candidates for queen are Donna Lee Iverson, A1 of Stanhope; Capi Flynn, A3 of West Chester; Jo Overman, A1 of Villisca; Marie Miller, A2 of Oelwein, and Shirley Elman, A2 of Brooklyn, N. Y. They will be presented at intermission before a back-drop featuring a big woolly lamb chasing a lion.

Chaperones will be Prof. and Mrs. Joseph Baker; Prof. and Mrs. H. W. Saunders; Mr. and Mrs. Stanley S. Brandt, and Leone Murray.

Coder Sees Veterans As Raising Standard Of Education in U. S.

The fact that only 29 veterans of 2,900 registered have dropped out of the university since Feb. 4 indicates that the veterans enrolled here are as a group serious minded, hard-working and conscientious, Dr. William D. Coder, director of the university veterans' service, told a group of communication skills students yesterday.

Outlining the functions of the university veterans' service, Coder said that the standard all over the United States is being raised because of the benefits offered veterans under the G. I. program.

Stewart Will Conduct Education Discussion

A discussion of general vs. specialized education will be held in room 221A, Schaeffer hall, at 4 p. m. today at a meeting of the advisory staff of the college of liberal arts.

Moderator for the meeting will be Prof. George Stewart, head of the physics department. Prof. E. C. Mabie, head of the speech and dramatics department, and Prof. George Glockler, head of the chemistry department, will be the speakers.

MRS. THELMA MCNALL of Hamburg announces the engagement and approaching marriage of her daughter, Lola Jean, to Harry J. Somermeyer of South St. Paul, Minn. The wedding will take place April 20 in Iowa City. Miss McNall is a graduate of the University of Iowa, where she was affiliated with Alpha Xi Delta sorority. She is now employed by the Goodyear tire and rubber company in Akron, Ohio. A graduate of the college of engineering at the University of Minnesota in Minneapolis, Mr. Somermeyer is a chemical engineer at the Goodyear plant in Akron.

Former SUI Students, Graduates Announce Recent Engagements, Wedding Ceremonies

Word has been received of the engagement of one former student of the University of Iowa and the marriage of three graduates.

Hamilton-Peterson

Mr. and Mrs. Arthur DeWitt Hamilton of Kirksville, Mo., announce the engagement and approaching marriage of their daughter, Elizabeth Mae, to J. Robert Peterson, son of Mr. and Mrs. W. Parmelee Peterson of Davenport. The wedding will take place May 5 in Kirksville.

The bride-elect is a graduate of Kirksville high school and North Eastern Missouri state teachers' college in Kirksville where she was affiliated with Sigma Sigma Sigma social sorority and Alpha Phi Sigma honorary fraternity. She has been employed by the Kirksville School of Osteopathy.

Mr. Peterson was graduated from Davenport high school and attended the University of Arizona in Phoenix before entering the service. After his discharge he attended the University of Iowa where he was president of Alpha Tau Omega fraternity.

Minkel-Files

Speaking wedding vows March 21 in the Church in the Garden at Hermosa Beach, Calif., were Mary Eleanor Minkel, daughter of Mr. and Mrs. L. H. Minkel of Ft. Dodge, formerly of Iowa City, and Roger B. Files, son of Mr. and Mrs. J. Ray Files of Los Angeles. The Rev. Richard I. Parker read the single ring ceremony before an altar of flowering peach blossoms and orange blossoms.

Mrs. Files was graduated from Ft. Dodge high school and the University of Iowa where she was affiliated with Gamma Phi Beta sorority. The bridegroom is a graduate of Los Angeles high school and the University of California in Los Angeles where he was a member of Phi Kappa Sigma fraternity.

Mr. Files is employed by American Airlines. The couple will make their home in Hermosa Beach.

Conroy-Davis

The marriage of Elizabeth Ann Conroy, daughter of Edward H. Conroy of Copperhill, Tenn., to Dr. Jack Davies, son of Mrs. William Davies, of Carcroft, Doncaster, England, took place Feb. 11 in the parish church of St. Helen, Burgwallis, England. The ceremony was performed by the Rev. J. Willis Kidd.

Mrs. Davies was graduated from the University of Iowa where she was affiliated with Phi Beta Kappa, national scholastic fraternity.

Dr. Davies was graduated from Leeds university, England, and from the medical school of the University of Iowa. He was affiliated with Alpha Kappa Kappa medical fraternity and Alpha Omega Alpha, honorary medical society.

The couple will live in Cambridge, England, where Dr. Davies is lecturer and demonstrator in the anatomy school of Cambridge university.

Farkas-Smith

United in marriage in a single ring ceremony March 20 at 11:30 a. m. in Riverside church in New York City were Agnes Rose Farkas, daughter of Dr. and Mrs. Aladar Farkas of New York, and Maurice Perry Smith, son of Mr. and Mrs. Homer Smith of Denver, Col. The Reverend Tibbets read the wedding vows.

Mrs. Smith was graduated from the University of Iowa in August, 1945, and has worked at Englewood, N. J.

The bridegroom is a graduate of West Branch high school and the University of Iowa. He is now an instructor in Denver university in Denver.

The couple will live in Denver.

Summer Laboratory To Reopen June 17

Biology, Protozoology Courses to Be Given In Ten Week Session

The Iowa Lakeside laboratory, closed since 1941, will be reopened for its regular 10-week session June 17 to Aug. 24, Prof. J. H. Bodine, head of the zoology department and director of the laboratory, announced yesterday.

The laboratory campus is a tract of some hundred acres adjacent to Miller's bay on the west shore of West Okoboji lake.

Five-hour courses in field biology and protozoology and a research course for which credit may be arranged will be offered in the first term, June 17 to July 20. Courses in field biology and research will be offered in the second term, July 22, to Aug. 4.

Any person eligible for university work may enroll in the laboratory courses. Members of the resident staff will be Prof. Henry S. Conard of the botany department, Prof. Leland Johnson of the biology department at Drake university, Prof. R. L. King and Prof. Theodore L. Jahn, both of the zoology department.

Applications for admission should be made at once, since space in the laboratory and in the dormitories on the laboratory campus is allotted in the order in which applications are received. Registration will be at the laboratory Monday, June 17, for the first term, and Monday, July 22, for the second term.

Facilities will be available for a limited number of independent investigators from June 17 to Aug. 24. Details may be arranged or information furnished by contacting Professor Bodine.

16 Women Initiated Into Alpha Delta Pi

At a formal initiation held in the chapter house Saturday sixteen women were initiated into Alpha Delta Pi social sorority.

Initiates were Helen Carrier, A1 of Newton; Dorothy Cole, A1 of Iowa City; Mary Frances Dahl, A1 of Cedar Falls; Betty Ann Erickson, A3 of Spencer; Marilyn Fanter, A1 of Crystal Lake, Ill.; Ellen Irish, A2 of Forest City; Rosemary Jacobson, A1 of Tama; Vera Lackender, A1 of Iowa City; Lorraine Lowder, A1 of Cheyenne, Wyo.; Jeanne McDonald, A1 of Lima, Ohio; Virginia Rosenberg, A2 of Burlington; June Ann Scamblon, A2 of Algona; Shirley Sherburne, A3 of Lone Tree; Phyllis Teasdale, A2 of Wilton Junction; Jeanne Ann Waugh, A2 of Burlington, A2 of Burlington, and Beth Wilson, P1 of Iowa City.

Faculty members of the zoology, geology and astronomy departments will be represented at the annual meeting in St. Louis of the American Association for the Advancement of Science today through Saturday.

Prof. T. L. Jahn, Prof. R. L. King, Prof. H. W. Beams, Hugh Clark, Prof. Gordon Marsh, Prof. L. O. Nolf and Prof. staff will accompany Prof. J. H. Bodine, head of the department, to the meeting. Beatrice Mintz, G of New York City, Joyce Bruner, G of Omaha, Neb., and Dr. John Mahoney of the department will also attend.

Prof. Arthur Trowbridge of the geology department will give a paper Friday morning on "Pleistocene Problems in Iowa."

Prof. C. C. Wylie, head of the astronomy department, who serves as secretary for astronomy for the A. A. S., will direct the program.

Speaker Explains— Proposal For Peace

"The evils of the age are the evils of wrong teachings and a misconception of the Christian principles," the Rev. Sebastian Menke said yesterday in giving "Catholicism's Answer" at a Religious Emphasis meeting in the senate chamber of Old Capitol.

Father Menke gave Pope Pius XII's proposal for world peace which includes "freedom of the press, preservation of rights of man, restriction of political power, and the outlawing of aggressive modern warfare."

"The Pope knew when the 32 new cardinals received their orders they would return and preach his proposal to 330 million Catholic people," he said.

"The Catholic church has a definite answer to all the problems of today; it has a definite teaching and definite faith."

"If you want to change the world today and believe in Christ, you will be looked down upon, but the good you do will be immeasurable," he concluded.

Following a heated debate after the speech, the Rev. E. J. Flanagan of Boys Town, Neb., spoke briefly to the audience.

"We know of no distinction as to class, color or creed at Boys Town," he said. "The Protestants, Catholics, and Jewish boys all have their own services, and there is no racial feeling. They learn to get along and that color doesn't count."

"Boys Town has been able to solve religious and racial problems by living close together," Father Flanagan commented.

13 Faculty Members Attend Science Meet

Faculty members of the zoology, geology and astronomy departments will be represented at the annual meeting in St. Louis of the American Association for the Advancement of Science today through Saturday.

Prof. T. L. Jahn, Prof. R. L. King, Prof. H. W. Beams, Hugh Clark, Prof. Gordon Marsh, Prof. L. O. Nolf and Prof. staff will accompany Prof. J. H. Bodine, head of the department, to the meeting. Beatrice Mintz, G of New York City, Joyce Bruner, G of Omaha, Neb., and Dr. John Mahoney of the department will also attend.

Prof. Arthur Trowbridge of the geology department will give a paper Friday morning on "Pleistocene Problems in Iowa."

Prof. C. C. Wylie, head of the astronomy department, who serves as secretary for astronomy for the A. A. S., will direct the program.

Club Meetings Rebekah Lodge 416 To Entertain

Iowa City Rebekah Lodge No. 416 will entertain brothers of the lodge tomorrow night at 7:30 in the I. O. O. F. hall. Preceding the social hour will be the business meeting, with Mrs. J. P. Clark presiding. Mrs. Albert Husa will arrange the program and Mrs. Ralph Litterel will be in charge of refreshments.

IOWA CITY WOMAN'S CLUB DRAMA DEPARTMENT

Members of the drama department of the Iowa City Woman's club will meet at 2:30 tomorrow afternoon in the clubrooms of the Community building to rehearse the play the department will present in the annual play production contest. The play is "If the Shoe Pinches" by Babette Hughes. Mrs. W. P. Mueller, Mrs. A. W. Bennett, Mrs. David Braverman and Mrs. E. W. Chittenden will take part in the rehearsal and Mrs. Jessie Gordon will discuss current drama news.

Pauline Garbar Weds Dr. H. David Kuntz In Sunday Ceremony

Under a gladiola covered canopy Pauline Garbar, daughter of Mr. and Mrs. Sol Garbar, Rock Island, Ill., became the bride of Dr. H. David Kuntz, son of Mr. and Mrs. John Kuntz, of Sioux City.

The ceremony, which was performed Sunday, March 24, was held at the LeClaire hotel in Moline, Ill., at 5:30 p. m. Rabbi Solomon Levitan and Rabbi Philip Garelick officiated. A dinner and dancing followed the ceremony.

The bride, who was unattended, was given in marriage by her mother and father. She wore a white wool suit, white accessories and a corsage of orchids.

Mrs. Kuntz was graduated from Cedar Falls high school in Cedar Falls and attended Iowa State Teachers college there. She attended the University of Iowa for two and a half years and will receive her B.A. degree by correspondence next June. She is a member of Sigma Delta Tau sorority.

Dr. Kuntz was graduated from

7 Plays Set For 1st Day Of Festival

Seven high schools will participate this afternoon and evening in the first day of the Iowa play production festival. The festival is open to the public free of charge.

In the first session, beginning at 2 p. m., Class C schools will present their one-act plays. Letts Consolidated high school will present "The Last Curtain" (Neal L. Hoosey), "The Lord's Prayer" (Francis Coppe) will be given by the Columbus Junction high school, and Winfield Consolidated school will enact "Waiting" by Grace Levine.

Class C schools will appear tonight at 7:30 when Stanley Consolidated school presents "Who Gets the Car Tonight?" (Christopher Sergel), "Our Dearest Possessions" (Robert Middlemas), Ferguson high school; "Londonderry Air" (Rachel Field), Oxford high school, and "The Bishop and the Convict" (Pauline Phelps), Scranton Consolidated school.

Members of the casts will arrive this morning and register at a special desk set up in Iowa Union. Women will be housed at Currier hall, and men will be given rooms in the South Quadrangle.

Plays in the high school division will continue until Saturday night when ratings on the various plays will be announced. Judges will rate them as superior, excellent, good, average and below average.

Pi Beta Phi Alumnae Elect New President

Mrs. Robert Osmundson was elected president of the Pi Beta Phi alumnae Monday night.

Mrs. William Byington was elected vice-president; Mrs. Ben S. Summerwill, secretary-treasurer, and Mrs. Stan Sayre and Mrs. Verne Noel, advisory members.

Central high school in Sioux City and received his B.A., and M.D. degrees from the University of Iowa. He is a member of Phi Epsilon Pi fraternity and Phi Beta Kappa, national scholastic fraternity.

Following the wedding party, Dr. and Mrs. Kuntz left for Atlanta, Ga., where they will reside.

2 Hawklets on All-City Team

By GUS SCHRADER
Daily Iowan Sports Editor

The toughest job ever tackled in picking an all-Iowa City basketball team was completed yesterday when coaches of the four high schools made their choices for a star-studded lineup that could challenge anything in the state. Two members of City high's state championship quintet—Miracle Man Bob Freeman and Guard Jimmy Sangster were included.

In fact, all five starters on Iowa City's first state title team won first or second team berths. Bob

Krall and Jim VanDeusen were placed at forwards, and Sonny Dean at guard on the reserve quintet picked by the coaches.

Although St. Mary's was knocked out of the running by a heartbreaking 41-40 loss to Crawfordsville at the very door

of the state tourney, Billy Sueppel was the only unanimous first team choice among those honored.

So close was the balloting for the first string, that a little position juggling was necessary to get the leading vote-getters on the

team. For instance, Bob Freeman was moved to a center slot and Billy Sueppel to a guard. However, both had played those positions several times during the season.

Merle Hoye, kingpin of St. Patrick's

rick's battling Shamrocks, was the only member of his team to make the grade. The Irish star had the best game average of any player in the city, and a total of 323 points for the season. Charlie Berger, Irish guard, just missed a second team guard post by a close margin.

The other first team berth went to Steve Nusser, big reason why University high won its Eastern Iowa conference crown again. The Blue Hawk co-captain scored 211 points this season, and came very close to upsetting City high in the district finals in Cedar Rapids with a great performance.

The swarm of stars on the four teams crowded into second team berths players who would have won first team posts in any normal year. Bart Toohy, St. Mary's great center; Jim VanDeusen, Sonny Dean and Bob Krall, and Jack Shrader, brilliant Rambler guard, composed the reserve quintet.

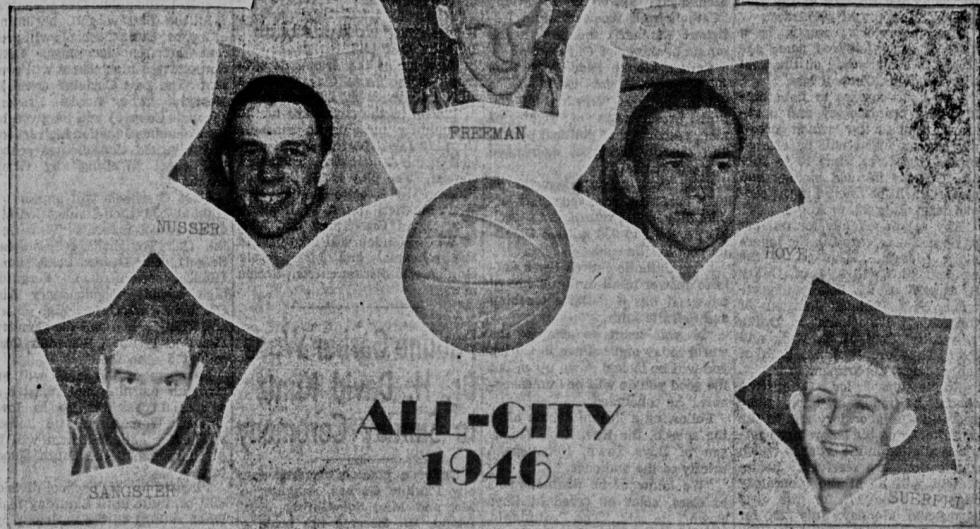

Greene, Chucklas Miss
Bill Greene, Blue Hawk cage and grid star, narrowly missed gaining second team recognition, as did Chuckling Andy Chucklas of the Ramblers.

The selections of Coach Gil Wilson, No. 1 coach of the state; Francis Sueppel of St. Mary's, Don Barnhart of U. high and Cliff Krita of St. Patrick's were especially hard because of the success of the city's four quintets this season.

The Little Hawks won the state title, high as any Iowa prep team can go; St. Mary's was Davenport Diocese champ again and went to the finals of the sub-state; U. high copped an Eastern Iowa conference crown, and St. Patrick's went to the finals of the Diocese meet before bowing to the Ramblers. It was a bang-up year for the four teams, all right, but a mighty tough job for four coaches who had plenty else to worry about all year long besides getting out on a limb in selecting teams.

Stars Fill 2nd Team

F..... Bob Krall, City high
F..... Jim VanDeusen, City high

Shun Rule on 'Giant' Cagers

NEW YORK (AP)—The National Basketball committee of the United States and Canada legalized transparent backboards and modified the rule governing play in the last four minutes of a game yesterday but refused to tamper with any regulations affecting extra-tall players.

Before adjourning its annual rule-making session, the committee also opened the way for the amateur athletic union to return to its ranks and set the stage for future international competition by approving official translations of the rules into Spanish and French.

The most important of the four minor changes made in the rules for the 1946-47 season modified the legislation which allowed no player to reenter a game in the last four minutes of play. This rule, written into the books last year as a means of halting substitutions merely to stop the clock, proved unpopular

with players, coaches and fans.

Under the new rules, one re-entry per player will be permitted in the final four minutes and the clock will be stopped automatically during that period every time the ball is dead. This means the timer will stop the clock without notification from the officials on "held balls" and "out of bounds," in addition to fouls and called times out.

Lyle Quinn of Boone, Iowa, secretary of the Iowa High School Athletic association, was named executive committee member of the group.

Cooper on Way Out

MIAMI (AP)—Walker Cooper, the New York Giants' high-priced catcher who still is in the navy, told Manager Mel Ott by telephone yesterday that he was working out at Lambert field, St. Louis, and would be in condition to play by April 9.

Cooper expects to be discharged on or about April 2.

Aggies Champs

NEW YORK (AP)—With seven-foot Bob Kurland pouring in 23 points, the Oklahoma Aggies won the N.C.A.A. basketball championship last night by defeating North Carolina university 43-40 at Madison Square Garden before 18,479 fans.

Stephens, Browns Still Deadlocked About Pay

ANAHEIM, Calif. (AP)—Short-stop Vern Stephens and the St. Louis Browns are as far apart as ever, principals said yesterday after an unexpected conference.

"They wouldn't come up a dollar," said Stephens of Monday's confab with President Richard Muckerman and General Manager Bill DeWitt of the Browns.

The Daily Iowan SPORTS

PAGE FOUR WEDNESDAY, MARCH 27, 1946

Tigers' Cramer Out at Home

DOC CRAMER, Tigers' outfielder, is out at home trying to score after Harris popped out in the first inning of their game with the Red Sox. Conroy, Boston's catcher, puts the ball on the runner. The Tigers won, 4-0.

Rice, Marion Single In 10th to Let Cards Clip Yankees, 1-0

ST. PETERSBURG, Fla. (AP)—Del Rice's 10th-inning single following another one-baser by Marty Marion and a sacrifice by Lou Klein, gave the St. Louis Cardinals a 1-0 victory over the New York Yankees in an exhibition game yesterday.

It was the first shutout defeat inflicted upon the American leaguers in 36 games this spring and also the third Card triumph over the Yanks who have beaten the Redbirds four times.

Rookie right-handers Fred Martin and Matt Strunk held the Yankees to five hits. Martin gave up two singles in six innings, with Surkont, who hurled the last four frames, getting credit for the victory.

In Bradenton, the Brooklyn Dodgers hammered Herb Karpel and Carl Derose for 19 hits and defeated the New York Yankees B team yesterday, 10-6.

Schwank Lists Track Entries

Coach Wally Schwank last night named a tentative entry list of Hawklet trackmen to compete in the Mississippi Valley indoor meet in the Iowa fieldhouse Thursday night.

Headlining the entrants will be five lettermen including Captain Bill Olson, Tom Nichols, Virgil Troyer, Lyle Lord and Evan Smith.

Leading the assault on the record books will be Tom Nichols, out to grab the 880 yard mark currently held by Dexter of Davenport and set in 1940. The time is 2:06.2.

Other men counted on to grab points in a race annually dominated by Clinton and Davenport are Chug Wilson in the sprints and the relays, Don Fryauf in the shot put and the middle distances, and Captain Bill Olson in the hurdles.

The meet starts at 7 p. m. Coach Schwank also announced the completed track schedule for this year:

April 6 State indoor meet Iowa fieldhouse
April 12 Marion relays, Marion
April 17 Davenport relays, Davenport
April 30 Vinton relays, Vinton
May 11 District meet (place to be set)
May 18 Mississippi Valley outdoor, Iowa City
May 25 State outdoor, Ames
In addition to these meets City high officials are attempting to arrange several dual meets with neighboring schools to fill in vacant dates.

Kansas Relays Next for Iowa

With the final indoor track competition of the year scheduled for Saturday at Chicago, Iowa's thinclads have settled down to serious outdoor drills this week in preparation for the opening of the spring with the Kansas relays, April 20.

Coach George Bresnahan is still debating the make-up of the mile relay quartet that will be the Hawklets' only entry in the Saturday event, with Capt. John Hunter, Eric Wilson Jr., Otis Finney, Pete Schwinn, Jim Sommers, Harold Eakes, Ike Johnson, and Dick Washington all seeking places.

Tentative plans for Iowa's first participation in the Kansas carnival since 1941 call for Hawkley entries in the 440, 880 and mile relays, with a possibility that a sprint medley team will compete.

The Hawklets hold two of the Kansas relay records, with times of :40.5 in the 440-yard relay and 1:25.2 in the 880. Both marks were set in the 1935 meet.

25 Bid for Baseball Posts at City High

About 25 candidates reported to coach Gil Wilson yesterday afternoon as the first baseball practice of the year got underway at City high. Limbering up exercises and a little throwing occupied the squad as coach Wilson worked primarily on getting the team in shape.

Returning from last year's squad, Jim Sangster appeared to be the leading candidate on the team as he worked out at first base. The husky junior appeared to be the top name player returning to the Hawklet diamond camp.

Other likely prospects are Bob Krall, second base; Bill Reichardt, shortstop; Charley Snook, third base, and Corky Kelly, catcher.

Only experienced pitcher to report was Sonny Dean who pitched Junior Legion ball last summer. Jim VanDeusen, who was a member of the Hawklet mound staff last year, did not report.

Only tested outfit candidate to report was Bob Beales, although several other members of the squad showed good throwing arms in the short practice.

A partial schedule was released by coach Wilson. It is: April 12, Davenport there; April 23, Roosevelt there; April 26, Davenport here.

Other games are being arranged with other schools in the conference and with local schools.

Breadon's Boasting Cards' Boss Labels Team 'Contenders'

ST. LOUIS (AP)—Sam Breadon returned to his Sportsman Park office from St. Petersburg, Fla., in a talkative mood yesterday opined that he has "a real contender" without a single weak spot in his St. Louis Cardinals squad.

What about the situation behind the batter's box, Mr. Breadon? Oh, the catchers? Well, Ken O'Dea is coming along all right," he asserted. "Certainly we'd be interested in getting another catcher but only if he is an A-1 man. We're not interested in any second raters."

"Del Rice is developing fast. You know he was a pretty good catcher last season. That was his first year in the majors, too. He's plenty smart and I never saw a man do a better job of handling throws on incoming runners. Rice rides 'em home like Bob O'Farrell used to do."

Breadon said he nor any member of the Redbird organization has discussed any deal to trade lefty Max Lanier for catcher Mickey Owen of the Brooklyn Dodgers.

"I know nothing of any such deal," he said "and furthermore we certainly wouldn't consider a trade that would send Lanier to the Dodgers for Owen."

Big Speaking Slate Faces Pops Harrison

Coach "Pops" Harrison, University of Iowa basketball coach, is booked solid for three straight weeks as a speaker at high school dinners—and in some cases he has noon luncheon engagements, too.

He said Tuesday that the heavy schedule started Monday and continues through mid-April. Among the engagements are those in Muscatine, Elgin, Ill., Marion, Collins, New Providence, Des Moines, Harlan, Mt. Pleasant, Webster City, Atlantic, Dysart, Wilton Junction, Dubuque, Waterloo, Strawberry Point, Ft. Madison and Burlington.

Bucks Win, 63-45

NEW YORK (AP)—Held practically on even terms in the first 20 minutes, Ohio State's Big Ten champions broke the game wide apart with a 41-point barrage in the second half to swamp California last night 63-45.

Loss of Seniors Won't Wreck Hawklet Team

A new trophy, symbolic of supremacy in Iowa high school basketball, has been turned over by Bob Freeman to the City high student council and the 1945-46 cage season, best in history for the Iowa City school, has officially come to a close.

This season marked the end of the high school cage careers of several of the stars who brought the Little Hawks their first state crown.

Freeman, all-state forward and leading point maker in the Mississippi Valley conference and in the state elimination finals; Jim Van Deusen, great pivot man and outstanding rebounder, and Bob Krall, fast break expert, all regulars this year, won't be around come December of 1946 and the next cage season.

And now that they have won the championship?

Coach Gil Wilson has no intentions of resting on his laurels during next year's title defense. He already has the makings of a good quintet in guards Jim Sangster, Sonny Dean and Bob Beals, all vital cogs in the championship team.

By CHAD BROOKS

Then there is big Gene Hettrick, six feet three inch reserve center, who paced the sophomore quintet until late in the season before moving up to the varsity shortly before tournament play.

Hettrick will probably battle it out for the regular pivot spot with Gerri Cannon, number two center most of the past season. Cannon is three inches shorter than the big freshman, but proved himself a top notch rebounder during the past year.

That leaves the front court as the only real question mark for the 1947 Little Hawks, with Kirk Carson, the only top squad-member returning, scheduled for mid-year graduation next season.

The solution may come from this year's freshman-sophomore quintet that lost only three games (they had forfeit four other early season wins) during the year. This outfit has no less than three promising forwards ready to step up to varsity play next winter.

These include Don Woods, 5-7 speedster, who paced the team during their first five games before he was declared ineligible under the state association rules because he played at Tiffin the year before, and Jerry Dunham and Virgil Troyer, a pair of six footers who helped make this City high outfit one of the rangiest striping quintets in the area.

Then, there is a strong possibility that one of the three top guards will be moved into the front court, possibly Dean who saw some action at that spot during the state tournament last week. With another promising sophomore, Bill Reichard, available for a guard spot on the 1947 varsity, Wilson will be in a good position to make the shift.

That's the set-up that looks pretty rosy to Wilson from this long range view, and who wouldn't like to field a quintet of Dean, Woods, Hettrick, Sangster and Beals in the defense of a state title.

National Swim Meet Entrants Leave Today

Three Hawkley swimmers and Coach David Armbruster will leave this morning on the 9-15 Rocket, for New Haven to compete in the 23rd annual National Collegiate A. A. championships in the Yale University pool Friday and Saturday.

The three swimmers, all freshmen, are Dick Maine, back stroker, Kenny Marsh, sprinter and Gilbert Sheckler, breast stroker. The trio will compete in the 300-yard medley relay and five individual events.

Maine will swim in the 150-yard back stroke and the 440-yard free style. The Des Moines freshman is unbeaten in collegiate competition and holds the Big Ten title in the back stroke event.

Marsh is entered in the 50 and 100-yard free style events. The sprints are expected to provide plenty of fireworks with Bob Anderson of Boone, Iowa, now a crack performer for Stanford, seeking to avenge a double defeat by Marsh in the Iowa state prep swimming finals in 1942, and with Marsh seeking to avenge defeats during the past season by John Hauenbeek of Illinois.

Sheckler will compete in the 200-yard breast stroke. He has been doing fast times in the breast stroke in recent workouts.

The quartet from Iowa will arrive in New Haven early Thursday afternoon and the swimmers will work out in the Yale pool. On the return trip the squad will spend Sunday in New York City.

Coach Armbruster has been appointed head judge of finish for the meet.

Moose Bowling Meet Starts Here Saturday

Tenpin toppling will start Saturday night on the Pla-Mor alley in Iowa City as the fourth annual Iowa Moose bowling tournament gets under way. The tournament will be run on a handicap basis, with a scratch figure of 190 pins, and an allowance of two-thirds the difference between scratch and the combined averages of February 1.

The bowling, which will be conducted in a long series of week-end programs, will bring 106 quintets, 256 double teams, and 511 singles entrants to Iowa City. Prize money for the contest will amount to more than three thousand dollars.

Entries from 18 cities will take part in the tournament with Davenport having 25 teams entered in the events. The play will continue through April and May.

Borowy, Cubs Win
LOS ANGELES (AP)—Hank Borowy held the Los Angeles Angels of the Pacific Coast league to one run in four innings and teammate Bill Fleming followed with a similar performance for the last five as the Chicago Cubs took a 3-2 victory in an exhibition game here yesterday.

**SUI Women Receive
6th Place in National
Inter-College Swim**

The University of Iowa placed
sixth in the women's national in-
ter-collegiate telegraphic swim-
ming meet, according to results of
the meet received by Mrs. Ned L.
Ashton, instructor in the women's
physical education department.
The Purdue-sponsored division of
the meet was held Feb. 23 in the
women's gymnasium pool.

National results showed Sally
Henry, A4 of Cedar Rapids, plac-
ing second in the 100-yard free
style, with a time of 23.5. First
place time was 23.

Placing third in the meet was
the 60-yard medley relay team
consisting of Lois Long, A3 of
Cedar Rapids; Barbara McCain,
A4 of Webster Groves, Mo., and
Betty Lew Schmidt, A4 of Free-
port, Ill.

Also placing third nationally
was the 80-yard free style relay
team consisting of Miss Schmidt,
Miss McCain, Miss Henry and
Martha Noland, A3 of Des Moines.

**Bowlin-Gosma Vows
Repeated Here Friday**

Maxine Bowlin, daughter of
Mrs. Olive M. Bowlin of Daven-
port, was married to John M.
Gosma, son of Mr. and Mrs. C.
M. Gosma of Davenport Friday at
5 p. m. in the Little Chapel of the
Congregational church. The Rev.
James E. Waery officiated.

Attendants were Mr. and Mrs.
Albert W. Gosma, brother and sis-
ter-in-law of the bridegroom.

The bride wore a gold fitted
suit with brown accessories. Her
flowers were a corsage of gar-
denias and pink rose buds.

Both Mr. and Mrs. Gosma are
graduates of Davenport high
school. The bride is employed at
Petersen-Harned-Von Mour de-
partment store in Davenport. Mr.
Gosma was recently discharged
from the army airforce after
serving 26 months in England
with the eighth airforce. He is a
student in the college of liberal
arts at the University of Iowa.

**Four Phi Beta Kappa
Committees to Meet
In Senate Chamber**

Four Phi Beta Kappa commit-
tees will report at the fraternity's
annual meeting April 15 at 4 p. m.
in the senate chamber of Old Cap-
itol.

Fire Check Starts Today

Department to Make Further Residential Inspection in April

Approximately 60 Iowa City Boy Scouts will play the role of fire inspectors today, when they act as guides to the representatives of various Iowa insurance agencies invited here by the Iowa City Chamber of Commerce to inspect schools and business houses for fire hazards.

"We hope that by giving the scouts a chance to see what constitutes a fire hazard, danger will be eliminated from private homes," George R. Gragg, scout executive, said yesterday.

Troops Represented
Scouts assisting in the inspection will represent troop 2, Longfellow school; troop 8, Coralville; troop 10, St. Patrick's church; troop 9, Manville Heights; troop 13, Horace Mann school, and troop 18 of St. Mary's church.

Iowa City's fire department will inspect the older homes in the city for fire hazards early in April, on request of their owners or occupants, Fire Chief J. J. Clark announced yesterday.

The inspection, independent from the one being carried on this week, is a result of numerous calls from owners of old structures to the Chamber of Commerce, asking that the fire inspectors make personal visits to their homes during the official tour.

Second Inspection
Since the insurance fieldmen will visit only the churches, schools and business district of Iowa City today and tomorrow, the fire department agreed to conduct a second and more detailed inspection of old residences exclusively.

Many of Iowa City's homes, constructed late in the 19th century, have hollow walls which provide an excellent place for fires to start and burn undiscovered. The Grant home on Summit street which was partially destroyed early this year was of the hollow-walled structure.

Owners and occupants of old residences who are interested in having an inspection made are requested to leave their names and addresses at the Chamber of Commerce office.

Last Rites Tomorrow For Karl Ekstrand

Funeral services for Karl Hjalmar Ekstrand, 81, will be tomorrow afternoon at 3 o'clock at the Esterdahl funeral home at Moline, Ill., with the Rev. Emil R. Bolin of the Moline Mission Covenant church officiating.

Mr. Ekstrand died at his home, 1733 Wilson street, yesterday at 7:54 a. m. after an illness of two years.

Until his retirement in 1944, Mr. Ekstrand was an instructor in the mechanical engineering department of the university college of engineering.

He is survived by his wife; three daughters, Mrs. Winona Engman of Los Angeles, Mrs. Elsie Varney of Washington, D. C., Mrs. Martha Hale of St. Paul, Minn.; one brother, Alex Ekstrand of Chicago, and 12 grandchildren.

The body will be at Beckman's until 6 o'clock this evening. Burial will be in the Moline Memorial cemetery.

Truck, Car Collide
Damage estimated at \$65 was caused when a truck driven by Eldon Kutcher, route No. 3, Oxford, collided with a car driven by George W. Hem of Williamsburg on highway No. 6 in Coralville at 2:30 p. m. Monday.

Firemen Put Out Blaze
Firemen were called to extinguish a fire in a car belonging to John Burns of Williamsburg which was parked in front of the city hall on Washington street. Slight damage resulted from the fire which started from a short in a wire.

Levin Outlines Navy's Plan for Unification Of Services; Tells Opposition to Army Idea

Expressing his hope that the navy will not be submerged under a plan of unification of the armed forces, Capt. R. B. Levin, USN, spoke yesterday noon at a meeting of the local Kiwanis club in Hotel Jefferson.

Captain Levin is an Annapolis graduate just returned from two years active service in the Pacific. He is stationed at Ames with an R. O. T. C. unit.

The navy officer pointed out that the navy does not oppose unification of the armed forces, but opposes the present army plan for such action.

Outlining the navy's plan for unification, Levin said it would provide for co-ordination between foreign and military policy, would provide for co-ordination of domestic and economic policy, would set up an intelligence unit, and would establish a unified command in the field.

"The navy objects to the army's plan," continued the captain, because it lacks detailed organization, because it favors a single secretary for defense and because its set up would be too unwieldy for a 12 million armed force."

Levin pointed out that sea power, the ability to use a sea lane for commercial purposes in peace time and the ability to deny its use to the enemy in war time, is invaluable to a nation. He stressed that in both the Atlantic and Pacific campaigns, sea power was a great defensive and offensive weapon.

"The Japanese navy was dominated by the army," Levin said, "and the army forced the Jap submarines to carry supplies rather than indulge in offensive warfare."

The officer emphasized that the navy does not want armed services unification to resemble a shot gun wedding. No plan can be successful unless both parties agree and really strive to make the plan work, he said.

TO WATCH ATOM TEST

CORNELL H. MEYER, son of Mr. and Mrs. H. J. Mayer, 1035 E. College street, has been invited to join the group of scientists observing the atomic bomb test in the Pacific. He is with the naval research laboratory in Washington, D. C. Mayer was graduated from the college of engineering at the University of Iowa in 1943. During the war he was an officer in the navy and is now on inactive duty.

Junior High Play Student Production Opens Tomorrow

"Miss Westfield High," by Alice Donovan, is the title of the play to be presented tomorrow and Friday by members of Iowa City Junior high school.

The general theme of the three-act comedy concerns a group of high school students trying to increase the sales of their school paper.

Members of the cast include: Barbara Beals, Donna Ebert, Susan Jones, Joan Smith, Janis Parizek, Shirley Altender, Sally Zimmermann, Kenneth Hoy, Neil Wicks, Bill Grim, Dick Guthrie, Jim Montgomery and Evelyn Lehman.

Elizabeth Penningroth is directing the play and Ione Keller and Joyce McKecher are in charge of publicity.

H. Goertz Files Suit For Divorce in Court

Henry Goertz filed suit in district court yesterday for divorce from Lucille B. Goertz, charging cruel and inhuman treatment.

Married July 23, 1945, they separated about Nov. 25, 1945. Jack C. White is attorney for the plaintiff.

Secker to Sing Litany

The evensong service and litany will be sung at the Trinity Episcopal church at 5:15 p. m. today by Harry Secker, assistant to the rector. He will be assisted by the junior choir under the direction of Mrs. Alma Harter.

The rector, the Rev. Fred W. Putnam, will preach at the mid-week Lenten service at the St. Luke's Episcopal church at Fort Madison.

City Engineer's Office Approves 3 Petitions For Home Remodeling

An estimated \$9,000 will be spent by Mrs. Rose Agnew in converting her residence at 715 Iowa avenue into eight apartments, according to a building permit approved in the city engineer's office yesterday.

The application of J. A. Swisher to alter an apartment at 114 N. Gilbert street at a cost of \$1,200 was also approved.

Permission was granted Chris Rayner to remodel his residence at 322 First street. Cost of the project is estimated at \$1,000.

Car Hits Parked Truck

Damage estimated at \$250 occurred to a car driven by Harry L. Fountain Jr., route 6, at 4:37 a. m. yesterday when it collided with a parked truck near the corner of Washington and Clinton streets.

Drunk Driver Fined \$300

Albert C. Barnett was fined \$300 and costs in district court yesterday by Judge James P. Gaffney for operating a motor vehicle while intoxicated. Half of the fine was suspended pending good behavior. Barnett's drivers license was revoked for 60 days.

Judge Gaffney also granted a divorce to Lorena Oyler from Leslie H. Oyler in yesterday's court session. Mrs. Oyler charged Oyler with cruel and inhuman treatment and adultery.

Swisher and Swisher were attorneys for the plaintiff.

Junior High School, Horace Mann PTA's Meet Tomorrow Night

Two Parent-Teacher association groups will meet tomorrow night at 7:30. A round table discussion will be featured at the meeting of the Junior high school P.T.A. in the school assembly, and the new Boy Scout executive will speak to the Horace Mann group.

"Within Our Own Junior High School" will be discussed by twenty-five children at the Junior high meeting. The forum is under the direction of three teachers and the principal, Otis Walker.

Following the discussion a skit entitled "Miss Westfield High," under the direction of Elizabeth Penningroth, will be presented, and Margaret Cannon will discuss health in junior high school.

Mrs. Lynn Welcher is social chairman for the meeting and her assistants are Mrs. M. McGinnis and Mrs. Forrest M. Switzer.

George R. Gragg will speak on "Scouting as a Community Service" at the Horace Mann P.T.A. Violin solos will be presented by Mrs. Himie Voxman.

In charge of the social hour will be Mrs. Mike A. Moore, Mrs. Evelyn Goss and Mrs. W. H. Crawford. Hospitality committee chairman is Mrs. Hugh Curtis.

Cory Synhorst Gets Advertising Position In New York Office

Appointment of Cory Synhorst to the advertising staff of the Lionel corporation of New York City has been announced by J. E. Hanson chairman of the board. Miss Synhorst was formerly assistant advertising manager for The Daily Iowan.

She received her B. A. degree from the university where she majored in journalism and was elected to Theta Sigma Phi, national honorary fraternity for women in journalism.

She is the daughter of Mr. and Mrs. John D. Synhorst of Pella.

Boys Town Head Visits Here—

Father Flanagan Tells Philosophy

By BOB FAWCETT
"There is no such thing as a bad boy."

This statement is the complete philosophy with which the Rev. E. J. Flanagan has won so much success in his dealings with boys at Boys Town, Neb.

Father Flanagan visited the university campus yesterday to speak at a Religious Emphasis week meeting in Old Capitol. He and "Skip" Palrang, head athletic coach at Boys Town, spent most of the day talking with Dr. Eddie Anderson, head university football coach, and other athletic representatives at the fieldhouse.

"We have a wonderful football team at Boys Town," Father Flanagan said proudly. "We only lost one game last year and we played all over the country. It gives my boys confidence to have them play against large high schools. It teaches them that they win the commendation of the public through good deeds rather than bad."

Friendly Way
Father Flanagan completely captivated those he meets with his refreshing personality and way of talking. Even with his busy schedule yesterday, he had time to tell of Boys Town and how it was founded.

"After being ordained a priest in Innsbruck, Austria," Father Flanagan explained, "I came back to the United States and located in a Nebraska parish."

In 1913 Father Flanagan established a small hotel to shelter destitute men in the community, many of whom were drunkards and ex-convicts. He opened a larger hotel the next year.

Need For Prayer
"I ran that hotel for five years before I was completely satisfied that I could not liberate these men from their vices—for one reason, they would not pray," he said.

Convinced that the root of evil in mature men was a reflection of their boyhood environment, Father Flanagan, with \$90 in his pocket, rented a house in Omaha and tried his philosophy on five boys.

"It worked," Father Flanagan related. "Five months later we moved into a large, beautiful home and soon after we bought 160 acres of land on credit. That was the beginning of what Boys Town is today."

Help Neglected Boys
"Boys Town is 10 miles west of Omaha on the Lincoln highway. It was everything we wanted, so we started immediately to give neglected boys good food, shelter and clothing to wipe away any complexes that they might not be as good as another fellow."

"On top of this we gave them athletics, religion and schooling. Boys from all over the country flocked to Boys Town. Some of them were sent to me by courts or individuals, but most of them came on their own."

"Much has been done by the example set by Boys Town. Reform schools that punish instead of using kindness are becoming archaic and are for Dickens' time. I am happy to say that many homes are being established on the principle of Boys Town, but people who would found them are afraid unless they have a million dollars to start with."

400 at Boys Town
Father Flanagan explained that 400 boys between the ages of 12-18 are now taken care of in Boys Town. Two new units with facilities for 500 boys in each are now being built at a cost of more than five million dollars.

Commenting on the moving picture dealing with Boys Town, Father Flanagan said, "The acting in the movie was very well done, but I didn't pay much attention to the picture. The picture is here in my heart, and no movie could ever tell the whole story."

Council to Nominate By Petition Method For Election April 16

Four representatives at large and one each representing town men and women, to be elected to the Student Council in the all-university elections April 16, will be nominated by petition, it was decided at a Student Council meeting last night. Other Student Council members will be chosen in private elections by the organizations they represent.

The petitions, which must be signed by 20 students and state the candidate's qualifications and his platform for election, must be turned in at the office of student affairs by April 9. To be eligible, a student must be classified as an undergraduate junior by next September and must have a grade point of 2.2 in the college of liberal arts or its equivalent in other colleges.

A. E. Pierce to Attend National Music Meet

Prof. Anne E. Pierce, head of the music department in the University schools, is attending the meetings of the Music Educators National conference and research council this week in Cleveland, Ohio.

DeMolays to Receive Initiatory Degrees

Initiatory degrees will be awarded to DeMolays tonight at a meeting at 7:30 in the Masonic temple, W. E. Beck, Dad of the chapter, has announced. All DeMolays are expected to attend and all Masons are invited.

form schools that punish instead of using kindness are becoming archaic and are for Dickens' time. I am happy to say that many homes are being established on the principle of Boys Town, but people who would found them are afraid unless they have a million dollars to start with."

May Sell 100 Moffit Houses

The sale of the more than 100 Iowa City houses owned by Howard F. Moffitt was reported as probable yesterday unless the Office of Price Administration will allow an increase in rentals.

In a letter to the tenants of the houses, Moffitt, through his business manager, D. C. Toomey, said the houses would be sold in the near future. The letter also said that the tenants would have preference if they wanted to purchase the residence they occupied.

Most of the tenants have indicated a willingness to petition the OPA in favor of allowing the landlord to increase rentals by not more than 15 percent. Toomey reported that 65 or 70 of the houses have not had increases in rent since before the war. Maintenance, repairs and other expenses have increased materially since 1941, he said.

Fannie Stiner Rites To Be Held Tomorrow

Funeral services for Miss Fannie H. Stiner, 81, a life-long resident of Iowa City who died yesterday morning at her home at 223 N. Lucas street, will be held at 9 o'clock tomorrow morning at St. Wenceslaus church.

She is survived by two brothers, Charles Stiner, Iowa City, and James W. Stiner, Joliet, Ill., and several nieces and nephews.

The rosary will be said at 8 o'clock tonight at the Hohenschuh mortuary. Burial will be in St. Joseph's cemetery.

Two File Discharges

Two Iowa City men filed discharges yesterday in the office of the Johnson county recorder.

Darrel K. Barclay, 906 E. Market street, served with the army in the European African middle eastern theater. Mason Ladd, 330 S. Summit street, served as a colonel in the army in the European African middle eastern theater. Ladd is dean and professor of law at the University of Iowa.

Cooperation Urged In Program to Aid County Poultrymen

To aid Johnson county poultry raisers, Dan Roth, Iowa City hatcheryman, and Carl Jenkins, local lumberman are working out a program of cooperation among poultry feed dealers, poultry processors, hatcherymen and lumbermen.

The group is attempting to reconcile shortages in brooder supplies and feed with requests for large flocks, and to supply farmers with information for making chicken raising profitable.

Emmett C. Gardner, Johnson county agricultural extension director announced yesterday that Farm Bureau auto insurance policies will become delinquent Monday, April 1, unless 1946 dues are paid. The final date for renewing membership for 1946 is July 1, according to Gardner.

E. L. Quaffe of Ames will speak to the members of Johnson county's 4-H pig club and their fathers tonight at 8 p. m. The meeting will be in the assembly room over the Iowa-Illinois Gas & Electric Co.

Meardon Band to Play For AMVETS's Tonight

The weekly dance for members of the Iowa City AMVETS post No. 22 will be held in the clubrooms located in the old El Paso club behind the Burklely hotel tonight at 9 o'clock.

Bill Meardon's band will play for the dance. Members and veterans who wish to make application for membership are invited to attend.

Reddy Kilowatt Says—
KITE FLIERS—OBSERVE THESE SAFETY RULES!

They are presented to help you avoid the possibility of serious accident—
★ Don't use a kite with metal ribs or a kite string of wire or tinsel. Use only a cotton cord.
★ Don't use wet cord. It is as dangerous as a wire if it contacts electric wires.
★ Don't fly your kite near power lines or telephone wires.
★ Avoid letting your kite go over radio aerials.
★ Don't attempt to climb poles to release a kite or try to release it by throwing stones at it.
★ Don't run across streets or highways while flying a kite.
