

It's going to be another balmy June day. The weatherman predicts even warmer weather and sunny skies.

## REUTHER BLASTS OPA-AUTHORIZED PRICE RISES

WALTER REUTHER, President of the CIO United Auto Workers union, took a blast at OPA-authorized increases in automobile prices yesterday during a press conference at UAW executive board meeting. Frank Wynn, UAW public relations official, is seated at Reuther's right. (AP Wirephoto)

## OPA Deadlocked in Committee

### Tie Vote on Proposed Price Margins Delays Senate Action on Bill

WASHINGTON (AP)—The future form of OPA became more uncertain yesterday as a sharply-divided senate banking committee progressed slowly on a bill extending the agency's life beyond June 30.

A tie 8-to-8 vote blocked an amendment by Senator Taft (R., Ohio) which had solid Republican backing. It would have forbidden OPA to establish ceilings which failed to reflect to manufacturers and processors their price during the base period Oct. 1-15, 1941, plus the weighted average units cost increase within their industry since then.

Chairman Wagner (D., N. Y.) at first announced that the amendment had carried, 9 to 8. Taft corrected him, explaining that a Democrat whom he had withdrawn his vote.

## Bowles Tags Pending Senate OPA Measure Fraud Against People

WASHINGTON (AP)—Chester Bowles last night assailed pending senate price control legislation as a "monstrous thing" which would "be enough to wreck our hopes of stability and full production."

The stabilization director, in a blunt radio talk, asserted that a price law with amendments which have been approved by the senate banking committee "would be an outright fraud against the people of this country."

The senate banking committee has not yet reported a price control bill to the floor, but has approved several amendments.

Bowles said these proposed changes would:

1. Raise the price of meat 40 or 50 percent by the first of September.
2. Make the dairy product price increases authorized last week "only a curtain raiser to what lies ahead."
3. Make it impossible to hold rents at present levels.
4. Hike clothing prices 10 percent, adding "more than a billion dollars" a year to the public's apparel bill.
5. Cut down the amount of flour for bread at home and trim grain shipments for famine relief.

## Western Union Gets New Rate Increase

WASHINGTON (AP)—The federal communications commission announced last night that it will allow Western Union to increase message rates 10 percent for one year and revise certain classes of service.

The increase will apply to full rate, day letter, night letter, serial and press messages.

Western Union must file revised rate schedules with the commission and give 30 days' notice before putting the new rates into effect.

The commission also announced that it has ordered a full investigation of Western Union's rate structure.

The commission said: "In view of Western Union's dire need for additional revenue, we are of the opinion that it should have the opportunity . . . to seek relief from operating losses by rate increases."

# Iowan Dies in Chicago Fire

## Maritime Negotiators Report Progress

### Union Recedes From Demands

### Coast Guard Suspends Discharges; May Man Ships if Strike Occurs

By NORMAN WALKER

WASHINGTON (AP) — All coast guard discharges were suspended last night in apparent preparation for the threatened maritime strike, but government negotiators reported progress in their attempts to avert the walkout.

The coast guard headquarters gave no reason for stopping the release of its men but it was considered a move to conserve manpower for operating ships if the CIO strike occurs June 15 as scheduled.

United States Conciliation Director Edgar L. Warren told reporters the CIO national maritime union has "receded from its basic position with respect to the 40-hour week."

He did not explain what the new union proposal was, but heretofore the union has insisted on overtime payments for any hours worked at sea after 40.

Government officials said the union's newest proposal was: A basic work-week somewhere beyond 40 hours, also an overall limit on the total hours a week to be worked. Overtime pay would apply for hours worked beyond the basic week and up to the limit.

The union's prior best offer was a 42-hour week or six hours a day for seven days, with overtime for the two hours worked every week beyond 40.

Warren told reporters the ship operators still maintained that a reduction from the present 56-hour week at sea "presents so many problems that it must be the subject of thorough study before they can agree to a change."

The bargaining sessions on the Atlantic Seamen's demands ended shortly after 5 p. m. (CST) last night and will be resumed this morning at 10:30.

Coast guard officials said the suspension of discharges was "only for the time being." The service is already down to 24,000 from the wartime peak of 170,000.

Louis Saillant, secretary-general of the world federation of trade unions, predicted in Paris at the same time that French longshoremen will refuse to load any ships manned by the United States army if the seamen strike.

"We don't want to strike," said a spokesman for the committee for maritime unity, representing the seven union which have called the walkout. "We're willing to compromise and sign a satisfactory agreement. The point is, what is satisfactory?"

### Atom Control Risked Without Spain in UN

### Sub-Committee Asks Membership for Nation If Franco Is Removed

NEW YORK (AP)—The exclusion of Franco Spain from the United Nations makes effective control of atomic energy and armaments impossible, the U. N. sub-committee investigating Spain declared yesterday.

It recommended that Spain be considered for membership in the United Nations if Generalissimo Francisco Franco were removed.

"Geographically, Spain is a nation of importance with respect to the organization of the security system of the United Nations," the report said.

"The exclusion of the Franco regime from the United Nations would leave Spain outside of any international arrangements relating to the maintenance of international peace and security in that region and render impossible a really effective system of international control of atomic energy as envisaged by the United Nations."

The report to the security council, which meets at 1 p. m. (CST) Thursday, recommended that the assembly be asked to call for world-wide severance of relations with Spain if Franco was still in power at the time of the assembly's September meeting here.

The Franco government assailed the sub-committee report as "an obvious intervention in the internal affairs" of Spain, and said it was "not a report" but a "verdict" violating the principles of the Atlantic charter, the Dumbarton Oaks agreement, and the United Nations charter.

## Meyer to Head World Bank

WASHINGTON (AP) — The world bank yesterday elected its first president — Eugene Meyer, publisher-editor of the Washington Post, one-time private banker and first board chairman of the RFC.

A strong advocate of loans to war-torn countries as a key to reconstruction abroad and business expansion at home, Meyer declared in a statement:

"The world is well aware today of the food famine. At the same time we must become equally aware that the world is starving for the products of industry."

"The bank was organized to promote reconstruction and development in both these essential activities."

Meyer promised to "devote my full energies" to the 38-nation, \$7,670,000,000 lending agency.

## Bevin Says Russian Concept Of Democracy Blocks Peace

LONDON (AP)—Foreign Secretary Ernest Bevin declared yesterday that Russian ideas of security and democracy constituted "one of the greatest obstacles to peace," and said permanent peace in Europe could be assured "only if Russia enters freely into the European settlement."

Bevin, reviewing the deadlocked Paris foreign ministers conference, urged the Soviet Union to reconsider its rejection of the American plan for a four-power pact to control German armaments, and to grasp that "great opportunity" before it was too late.

"I say to the Soviet government that if you value peace above all else, do not miss it; it may never come again," the foreign secretary declared in a speech to the house of commons.

"If we don't want to have total war we must have total peace," Bevin asserted.

Looking toward a resumption of the four-power talks June 15, Bevin said he proposed "to make another effort at agreement before deciding on any final alternative course." If the talks failed, he said, he would insist upon adoption of the American proposal to place the disputed European treaties before a 21-nation general peace conference.

Replying to Soviet Foreign Minister V. M. Molotov, Bevin declared that "one of the greatest obstacles to peace" was the Soviet idea that the Russian method alone represented democracy, "along with the idea that Russia could have security 'only when every other country in the world has adopted the Soviet system.'"

Bevin also put forth his own idea of a federation of German states, which he declared would best fit into a long-range plan for international control. He said Britain was willing to see the Saar go to France, but suggested the Ruhr valley might become a separate province under international control, to be fitted ultimately into federal Germany.

Bevin implored the United States to disregard Soviet rebuffs and continue seeking a four-power, 25-year pact to insure German demilitarization. He urged Russia to accept this proposal as "giving the greatest possible hope for the removal of misunderstanding and the creation of confidence."

The figures on the voting last Sunday and Monday were announced by the ministry of the interior which said that no official results on the monarchy-republic referendum would be made before today.

Vice Premier Pietro Nenni, a Socialist, said an early, semi-official count of more than 2,350,000 referendum votes showed proponents of a republic in Italy leading two-to-one over voters favoring retention of the monarchy.

Tabulation of the vote for the constituent assembly, the body which will write a new Italian constitution, showed that Premier Alcide de Gasperi's Christian Democrats polled 5,850,000 of 16,650,000 votes cast in 25,000 of 35,000 balloting districts.

The Socialists and Communists were racing each other for second place. The Socialists had received 3,600,000 votes while the Communists had a vote total of 3,400,000.

The vote on whether Italy would stake its future on a republic or a monarchy was a separate phase of the election.

## United Auto Workers Denounce Anti-Union Policies of Truman

CLEVELAND (AP) — The CIO United Auto Workers' executive board yesterday declared that President Truman had broken a pledge to carry on his predecessor's policies, and denounced what it termed "the vicious union-busting legislation which the president has proposed to congress."

In a resolution submitted by President Walter Reuther the board listed five "samples of President Truman's failure to keep his pledge" that he would "carry on the program and policies of Franklin D. Roosevelt."

One point declared OPA "has passed out to manufacturers unwarranted price increase with a lavish hand."

Another asserted "the administration has made no effort to prevent congress from wrecking price control," and a third declared the government "has failed dismally to meet the housing crisis."

A fourth said "the administration stood idly by while senators of President Truman's own party filibustered to death bills to establish a permanent fair employment practices committee."

The fifth said "a full employment economy, which Truman promised and to which he was committed, has failed to materialize, either in fact or in effective planning."

### Knowland, Rogers Leading in California

### Folsom Wins Alabama Contest as 5 States Conduct Primaries

By the Associated Press

Initial returns—very fragmentary—from California's senatorial cross-filing primary yesterday put incumbent Republican Senator William F. Knowland in the lead for renomination in the Republican column and Will Rogers, Jr., ahead in the Democratic.

Rep. Ellis E. Patterson, Los Angeles Democrat, was running second for senatorial nomination on the Democratic and third on the Republican ticket. Rogers was second in the Republican count and Knowland third in the Democratic.

Gov. Earl Warren, Republican seeking another four year term, led Democratic Attorney General Robert Kenny on the Republican ticket and trailed Kenny only slightly on the Democratic. California permits candidates to file on both tickets.

Other returns at midnight from yesterday's five-state primary balloting:

New Mexico—Senator Dennis Chavez led Gov. John J. Dempsey by less than 400 votes for the Democratic senatorial nomination in returns from 87 of 889 precincts.

Alabama—James E. (Big Jim) Folsom, 37-year-old-war veteran who had CIO-PAC support, won the democratic nomination for governor in a run-off with Lieut. Gov. Handy Ellis. In Alabama a Democratic nomination means election. Rep. Luther Patrick, another CIO-PAC backed candidate, was defeated by Laurie C. Battle, ex-army major, in another run-off for the Democratic house nomination in the 9th district.

New Jersey—Rep. Fred A. Hartley, Jr., overcame strong CIO-PAC opposition to win Republican renomination over Walter A. Schaefer, insurance man in the 10th congressional district. In the only state-wide contest, Alfred E. Driscoll, state alcoholic beverage control commissioner running with party organization backing, beat out former governor Harold G. Hoffman for the Republican gubernatorial nomination.

South Dakota—Gov. M. Q. Sharpe was running second to Attorney General George T. Mickelson in a three-man race for the Republican gubernatorial nomination. On the Democratic side, Richard Haeder led two opponents.

### MWA Elect President

CHICAGO (AP)—E. J. Bullard of Rock Island, Ill., yesterday was re-elected to a four-year term as president of the Modern Woodmen of America at the 25th quadrennial head camp session of the fraternal benefit society.

## Blaze Sweeps LaSalle Hotel Early Today

### Report 2 Known Dead, Several Overcome As Guests Panic

CHICAGO (AP)—A Newton, Iowa, man and an unidentified woman perished and several persons were overcome in a fire which swept through the LaSalle hotel at Madison and LaSalle streets early today.

The Iowan was identified by Chicago police as Delbert A. Roush, 312 S. 10th avenue, Newton.

The flames broke out in the lobby of the 20-story hotel in the center of the financial district near 1 a. m. and two extra alarms brought most of the equipment from the Loop and near north side fire stations.

Firemen rescued scores of guests from the 838-room hotel as guests on the upper floors leaned from their windows and screamed for help.

Seven patrol wagons were sent to the scene in response to an official's estimate that "at least six wagons will be needed."

The injured were rushed to Hennrich hospital. Police Sergeant Larry Gorey said that at least two persons had died in the fire.

Scores of guests on the upper floors fled down fire escapes and aerial ladders as the flames swept to the lower floors. Dense clouds of smoke poured out over the skyscrapers in La Salle street and firemen were handicapped in battling the stubborn blaze.

Firemen shouted directions to the scores of guests who leaned from windows on the upper floors, urging them not to jump. "The fire is under control," they shouted. "We'll get you all out."

Many of the guests who fled down fire escapes carried their luggage. Mrs. Bessie Peter and her daughter, Dorothy, 25, of Columbus, Ohio, made their way unaided to the ground from their sixth floor room by an aerial ladder.

### Army, Navy Unification Policy to Be Decided By President Truman

WASHINGTON (AP) — President Truman notified the army and navy yesterday that he will resolve the differences between them on unification.

This was reported by White House Press Secretary Charles G. Ross who said the president had "a very constructive session" with the secretaries of war and navy and other top officers.

"The points of difference were taken under advisement by the president who will render his decision upon them," Ross told reporters. "He will decide what form of unification will be the policy."

## Senate Debates Teen-Age Draft

WASHINGTON (AP) — The senate brought a teen-age inducting, pay-increasing draft bill up to the brink of final action last night only to halt work abruptly till today.

Democratic leader Barkley (Ky.) explained that several hours might be required to dispose of a substitute proposal by Senator Revercomb (R., W. Va.) to continue selective service authority until May 15, 1947, but suspend all inductions until congress ordered otherwise.

The senate already had voted 53 to 26 to make 18 and 19 year olds—now temporarily exempted—subject to call and had approved pay hikes for enlisted men when Senator Gurney (R., S. D.), in charge of the bill, announced that it seemed impossible to get a final vote within a reasonable time.

Senator Maybank (D., S. C.) protested vigorously against any delay, forcing a series of quorum calls.

Barkley finally moved to recess the senate until 9 a. m. today and was sustained on a 45 to 17 roll call vote.

The pay boost, proposed by

Senators LaFollette (Prog., Wis.) and Johnson (D., Colo.), was designed to spur voluntary enlistments.

Pay of privates would be boosted

lowa Senators Split WASHINGTON (AP)—Iowa's Senators Wilson and Hickenlooper split yesterday when the senate approved, 53 to 26, the restoration provisions to draft 18 and 19 year olds under the pending draft extension measure. Hickenlooper voted for restoration, Wilson against.

from \$50 a month to \$75; privates first class from \$54 to \$80; corporals from \$66 to \$90; and sergeants from \$78 to \$100. Corresponding increases would be paid marines and sailors.

These same increases had been voted by the house along with increases ranging from 10 to 20 percent for other non-commissioned and for commissioned officers.

The senate, however, passed up the question of pay raises for commissioned officers and adopted

a lower scale of monthly pay boosts for staff, technical and master sergeants and equivalent ranks in other services than approved by the house.

Senator Gurney (R., S. D.) estimated the cost of the senate-approved pay scale at \$450,000,000, while Johnson placed the figure at \$350,000,000.

The senate military committee had approved a lesser increase for men in the lowest four grades starting at \$65 a month for privates and apprentice seamen and Gurney attempted to amend this to provide increases for officers but the senate instead accepted this substitute.

The only opposing votes were those of Senators Ball (R., Minn.), Hart (R., Conn.), Thomas (D., Utah) and Gurney.

On a standing vote, the senate accepted an amendment by Senator Magnuson (D., Wash.) which would give special deferments to scientific students in accredited schools, Senator Austin (R., Vt.) said there is ample provision in the law for deferring essential scientists.

### WEST POINT GRADUATION PROVIDES SOUVENIRS

Charles Haines, Dickie Walker and Jimmy Appleton leave the field house at the U. S. military academy at West Point with some of the hats which the graduating cadets tossed into the air in traditional fashion after commencement exercises yesterday. (AP Wirephoto)

### Iowa Election Results

By the Associated Press

Results of Monday's election in Iowa:

Governor (Republican): all of 2,464 precincts: Blue 140,678, Olmsted 81,100.

Governor (Democratic): 2,364 precincts: Miles 47,880.

Secretary of State (Republican): 2,452 precincts: Miller 112,731, Roper 73,929.

State treasurer (Republican): 2,452 precincts: Cruickshank 60,060, Grimes 114,073.

Attorney general (Republican): 2,452 precincts: Laughlin 62,883, Rankin 107,366.

Commerce commissioner (Republican): 2,449 precincts: Long 77,509, MacHenry 51,349, Richardson 89,856, Smith 72,496.

Third district congressman (Democratic): all of 313 precincts: Ryan 2,594, Seemann 2,019.

Fifth district congressman (Republican): All of 225 precincts: Cunningham 19,492, Yenter 5,294.

Seventh district congressman (Republican): All of 334 precincts: Jensen 19,279, Revell 4,555.

Editorials:

We Don't Believe in 'Tolerating' Negroes

What is this business about "tolerating" Negroes? What do these people mean when they say "I believe in tolerance for the Negro" or "Some of my best friends are colored?"

again. There have been no uprisings of blacks against whites, there is no increasing incidence of Negro crime. The trouble is that the black man has stepped out of his "place," and the Klan wants him put back into it.

Urges Instructors Keep Appointments

Mr. Burmeister, in his letter appearing on June 4, made an excellent point, but scarcely stated his case strongly enough. Not only do instructors frequently fail to keep their office hours, but it is virtually impossible to see them in a quick, efficient manner—namely, by appointment.

What Other Editors Are Saying

Milwaukee Journal: "One wonders whether the subcommittee's recommendation that Spain hold free elections is not a stone thrown by persons living in glass houses. What about conditions in nearly half of the United Nations—Russia and Latin America, for example? Free elections? And in how many United Nations can it be said that political opponents are not persecuted?"

The Daily Iowan: "Entered as second class mail matter at the post office at Iowa City, Iowa, under the act of congress of March 3, 1879." Board of trustees: Wilbur Schramm, Kirk H. Porter, A. Craig Baird, Paul B. Olson, Kenneth Smith, Louise Johnston, Joan Newland, Don O'Tille, Norman A. Ebe.

College Life Isn't What it Used to Be or Ought to Be

Perhaps the carefree campus life of the past thirty years is leaving the American scene. College used to mean four years of sunlit, brick-and-ivy existence, during which one was expected to perform all the traditional collegiate foolishness, to study in a more or less leisurely fashion, and to absorb a manner of living and looking at the world.

Now it must be decided whether colleges will continue the attempt to herd a capacity load of applicants through the educational mills, giving them a nominal, but certainly not an actual education, or to tighten entrance requirements, admitting only those most certain to be scholastically successful?

Politics in Divorce

RENO, Nev. (AP)—Mrs. Jean Pauline Carbone, pretty English war bride in quest of a Reno divorce, charged yesterday her army officer husband practiced mental cruelty by insisting England was "wholly dependent" upon the United States.

GE Granted Atomic Research Contract

# SUI Considers New Addition To Increase Capacity of Plant

Construction of a turbo-generator addition to the university's power plant that will more than double the electrical capacity of the plant is now under consideration, George L. Horner, University architect, said yesterday.

The proposed addition, which would be located at the east end of the Burlington street bridge, has been approved by the state board of education, Horner said.

A public hearing on the construction, to be held in the old dental building, has been scheduled for 1 p. m. June 21, according to David A. Dancer, secretary of the state board of education. Several board members will be present, and objections against the addition may be filed at that time.

### To Accept Bids

Bids will be accepted on a "contracting-engineering" basis at 2 o'clock that afternoon. General university requirements would include an addition at the northeast corner of the power plant and the installation of a 5,000 horsepower generator driven by steam turbine, with space provided for another unit of the same size.

Contractors will present proposals to do the work and evidence of their ability, and the bidder awarded the contract will prepare plans and specifications for building and equipping the addition.

### Need More Capacity

The new permanent dormitory buildings authorized by the last Iowa legislative session will make the increased capacity necessary, Horner said. Better emergency service for Iowa City would be made available by the addition, he said.

Generators now operated at the power plant include two turbo-electric units of 1,500 units each and one water wheel unit of 225 horsepower. The two turbo-electric units, which were installed in 1926, are the last improvements or additions of their type made at the plant.

# Iowa Citizens to Attend Church Group Camps

High school students and adult workers of the First Congregational church will attend Congregational and interdenominational summer camps throughout Iowa, it was announced yesterday by the Rev. James E. Waery, pastor of the local church.

A leadership training camp for young people from 16 to 24 years old will take place June 10 to 21 in Oskaloosa. High school students attending from Iowa City will be Gerald Buxton, Dorothy Peterson, Patricia Kelly, Jim Waery Jr., Cromwell Jones and Dick Buxton. This camp will be sponsored by the inter-church council of Iowa.

Local student representatives at the Pilgrim Youth fellowship at Grinnell July 7 to 14 will be Gloria Jones, Howard Grandrath and Don Knoepfler. Junior high students will attend one of the several summer camps located throughout Iowa.

Also at Grinnell July 7 to 14 will be a workshop for adult church school leaders. Iowa City Congregational workers will attend.

# 2 Women to Attend Postwar Convention Of Theta Sigma Phi

Kathryn Larson, A3 of Sioux Falls, S. D., and Maridee Hill, A3 of Moline, Ill., will be official representatives of the University of Iowa Phi chapter of Theta Sigma Phi, national honorary Journalism fraternity for women, at the organization's first postwar annual convention, to take place in Chicago, June 25 to 30.

Miss Larson is president of the local chapter, and Miss Hill is vice-president.

College women from all over the country will attend the laboratory for the study of Journalism, radio and literary writing. Convention highlights will include a book-of-the-month luncheon, a job forum and an 1890's dinner.

# Popular Band Pieces Included in Program Of Concert Tonight

Popular band selections will be included in the open air commencement concerts presented by the university concert band tonight and tomorrow night at 7:30 on Iowa Union campus, Prof. C. B. Righter, band director, announced yesterday.

Tomorrow evening's concert will include: "Spanish March—Aguero" (Franco), "Overture—Mirella" (Gounod), "An Original Suite" (Jacob), "March of the Little Lead Soldiers" (Pierne), "Pantomime" (Sacchini).

"Russian Sailor's Dance" (Gile), "Prelude" (Boghon), "Mood Mauve" (Howland) and "El Relicario" (Padilla).

Thursday's program will include: "Spanish March—Amparito Roca" (Texitdor), "Overture—The Seafarer" (Wood), "Polk Song Suite" (Williams), "Premier Bonheur" (Salabert).

"Bridal Song" (Goldmark), "Farandole" (Bizet), "Romance" (Cerr), "A Modern Rhapsody—Headlines" (Colby) and "Argentina" (Evans).

Both concerts will open with the national anthem and close with the last verse of "Old Gold," university hymn.

No tickets are required for admittance to the program. In case of rain, the concert will be cancelled and announcement made over WSUI.

# Winners of Awards Announced by Jones

Marybeth Hartman, P4 of Vinton, has been awarded the Lehn and Fink medal for outstanding work in pharmacy for four years, according to Prof. James W. Jones of the college of pharmacy.

Miss Hartman and Susan Showers, P4 of Iowa City, were given the Merck prize for outstanding work in dispensing for four years.

The Chehak prize for attaining the highest rank in biochemistry was awarded Maurice E. Wilson, P4 of Audobon.

# Announce Engagements of Students

MR. AND MRS. W. E. Voelkers, 1234 E. Davenport street, announce the engagement and approaching marriage of their daughter, Pauline, to Bernard Mertes, son of Mrs. Catherine Mertes of Chicago. No date has been set for the wedding. Miss Voelkers was graduated from City high school and is a sophomore at the University of Iowa. Mr. Mertes is a graduate of Lane Technical high school in Chicago and is a senior at the university.

MR. AND MRS. K. H. Bean of Pella announce the engagement and approaching marriage of their daughter, Dorothy Jo, to Robert G. Horton, son of Dr. and Mrs. G. L. Horton of Osage. The wedding will take place in the fall. Miss Bean is a graduate of Pella high school and is a junior in the college of commerce at the University of Iowa where she is affiliated with Delta Delta Delta social sorority. Mr. Horton is a graduate of Osage high school and is a junior in the college of medicine at the University of Iowa. He is a member of Phi Beta Phi medical fraternity.

MR. AND MRS. C. W. Pollock of Bennett announce the engagement and approaching marriage of their daughter, Charlotte, to Fred H. Brusck, son of Mr. and Mrs. Helmut Brusck of Bennett. The wedding will take place in September. Miss Pollock is a graduate of Bennett high school and is a junior in the college of liberal arts at the University of Iowa. Mr. Brusck was also graduated from Bennett high school and was a sophomore at the University of Iowa before entering the navy. He recently received his discharge after two years in the South Pacific. He plans to re-enter the university next fall.

MRS. H. H. Bartells of Streator, Ill., announces the engagement and approaching marriage of her daughter, Benna, to Lieut. (J.E.) William A. Spencer of East Orange, N. J. The wedding will take place June 15 in Streator. Miss Bartells is a senior in the college of nursing at the University of Iowa and is affiliated with Delta Delta Delta social sorority. She will receive her B.S. degree and her certificate of graduate nurse this month. Lieutenant Spencer received his M.D. degree from Columbia college of physicians and surgeons in New York City. He has completed his internship at University hospital in Iowa City and is now serving with the navy medical corps at Minneapolis, Minn.

# Arthur M. Harding to Lecture In Macbride Hall Friday Night

President Arthur M. Harding of the University of Arkansas will present an illustrated lecture, "Glimpses of Other Worlds" in Macbride auditorium Friday at 8:15 p. m. The lecture will be part of the Commencement week activities.

A native of Arkansas, President Harding has been on the University of Arkansas staff since 1905, serving successively as professor, registrar, director of extension, dean and president.

In the field of mathematics, he has collaborated in writing text books in algebra, trigonometry and geometry. President Harding has become widely known as a speaker and writer on popular astronomy, his hobby.

Author of a book on astronomy that is a best seller in the field, President Harding has delivered almost 2,000 addresses on the subject in 47 states and Canadian provinces.

President Harding was president of the National university extension association in 1933-34. A member of Phi Beta Kappa, Sigma Xi, the American Mathematical society and the American Astronomical society, he is a charter member of the Arkansas Chapter of Sigma Nu fraternity.

ARTHUR M. HARDING

# Mrs. Ida Anderson Dies in Mississippi

Mrs. Ida Anderson, wife of Elmer Anderson, 1040 E. Burlington street, died Monday at the home of her daughter, Mrs. Mary Cox, at Laurel, Miss., after an illness of several months.

A native of Scott township, Mrs. Anderson was married to Mr. Anderson in 1892. They lived on a farm in Pleasant Valley township until 1900 when they moved to Iowa City.

The body is expected to arrive in Iowa City Thursday. It will be taken to the Oathout funeral home.

Funeral services will be held at 2 p. m. Thursday at the First Presbyterian church. Burial will be in Oakland cemetery.

Schenectady, N. Y., first city of the Mohawk valley, received its charter in 1798.

# Education Conference To Meet June 14, 16

Joint Meeting to Hold Discussions on Use Of Radio for Adults

"What's Ahead in Adult Education?" will be the theme of a conference sponsored jointly by the University of Iowa and the Iowa Association for Adult Education scheduled here June 14 and 15, Bruce E. Mahan, director of the extension division, announced yesterday.

A panel on "Radio in Adult Education" will be discussed by Charles Miller of KRNT, Des Moines; Douglas Grant, WMT, Cedar Rapids; W. I. Griffith, WOI, Ames; Jessie Parker, state superintendent of public instruction; Ralph Evans, vice-president of Central Broadcasting company, Davenport, and Nelle Kenison, radio chairman of Iowa congress of parents and teachers, Madrid.

Other discussions will include adult drivers' courses, rural discussion groups, developing club patterns, family life conference, county library project and community planning courses.

George V. Denny, moderator of "America's Town Meeting of the Air" will speak to the group June 14. The conference will conclude with an address by Alice Myers of Des Moines, president of the Iowa association.

# Course by Johnson To Examine Policies, Objectives of Russia

Russian Foreign Policy, a new course to be taught by Prof. Jack Johnson of the political science department, will be offered this summer as a two-hour course and in the fall semester as a three-hour course, according to Prof. Kirk Porter, head of the department.

The purpose of the course is to examine and clarify the policies and objectives of Russia, Professor Johnson said yesterday.

Professor Johnson translated Russian papers in the navy intelligence offices at Washington, D. C., for several months during the war. While in the navy he took an intensive course in the Russian language at the University of Colorado and later served as an interpreter on an American warship manned by Russian officers and crew.

# 500 Students—Receive Degrees

Almost 500 students will be awarded degrees and certificates Saturday at the university's 86th Commencement ceremonies. The exercises, to be broadcast over WSUI, will begin at 10 a. m. at the fieldhouse.

The Commencement speaker, Robert T. Swaine, New York City attorney, will have as his subject, "Which Freedom?" A 1905 graduate of the university, Swaine was born in Tingley.

President Virgil M. Hancher will deliver the charge to the candidates and present the degrees. Awards will be made to persons from 83 Iowa counties, 31 states and six foreign countries.

# Club Meetings Alumnae to Entertain Senior Affiliates

The Alpha Delta Pi alumnae will entertain the seniors affiliates today at 7 p. m. in the home of Prof. Stephen H. Bush, 404 Brown street. Mrs. Millicent Bush Dearth will be hostess. The jewel degree will be given to the seniors.

Installation of officers will be held at the annual spring luncheon of the Iowa Woman's club tomorrow at 1 p. m. at Hotel Jefferson. Mrs. Oscar Swanson and Mrs. Fred Johnson will be hostesses.

Installation will be under the direction of Mrs. H. J. Mayer. Marion O'Connor will give a reading and Mattie Ann Albrecht will sing two numbers, a Creole song "Ayayay" and "Tue Lo Sal."

# Friendship Circle of King's Daughters

The Friendship Circle of the King's Daughters will meet tomorrow from 10:30 a. m. to 4 p. m. at the home of Mrs. J. E. Negus, 710 E. College street, for a potluck luncheon. Assistant hostesses will be Mrs. C. E. Shannon and Mrs. F. E. Meacham. The

# For All Women—'To Bob or Not to Bob'

—Is The Question

"To bob or not to bob" is the question facing all women who want to be up-to-date not only on the latest dress styles but also on hair styles. And it is a question, for the new trends on hair styling show bobbed hair shingled up the back.

Starting in New York, the style for short hair similar to that of the 1920's is now sweeping across the country in its bid for recognition. However, Hollywood has given the idea a cool rebuff, and most college women are appalled with the picture of short hair.

Fresh-looking like your summer cottages, is the new hair style which like your washable dresses can be quickly and easily washed to give you that clean, cool feeling so important in sultry hot summer weather. It may be necessary to wash your hair

# Clerk Issues Four Marriage Licenses

Marriage licenses were issued yesterday by the clerk of district court to John Hobbs of Santa Anna, Calif. and Lillian Taylor of Iowa City; Henry F. Scheig of Iowa City and Mary Jane Beardsley of New Virginia; Paul D. Lagomarcino of Cedar Rapids and Marian A. McCrillis of Northampton, Mass., and Rudolph Suchomel and Janet Weisman of Sun Prairie, Wis.

# To Attend Conference

Students from the First Christian church will attend a Disciples of Christ youth conference at Cornell college at Mt. Vernon June 9 to 15. They are Howard Hill, Beth Pelsel and Patricia Parks.

The Rev. Earl Barclay of Coggon will be the director of the conference.

# ADMINISTRATRIX NAMED

Mary G. Shea was appointed administratrix, under bond of \$2,000, of the estate of William Shea. Shea died May 27. W. F. Jackson is the attorney.

# Catalyst Club

Catalyst club members and their husbands will hold a picnic Friday at 6 p. m. at the home of the club. In the field of mathematics, he 621 Holt avenue. Committee members include Mrs. Martha Dolph, Mrs. Karen Brandt, Mrs. Ursil Callen and Mrs. Muriel Hummel.

Young student wives will be instructed in craft work at a weekly meeting of the Friendly Newcomers club tomorrow from 2 to 5 p. m. at the Wesley Foundation annex, 213 E. Market.

Newcomers to the city who would like to join the group are to call Mrs. Paul Arms, president, 3587, or the student center, 4754. Mrs. Ralph Austermiller and Mrs. Robert Visquain will be hostesses for this week's meeting.

group will sew for a convalescent home.

# Store Representative To Interview Women

A representative from the Wieboldt retail stores in the Chicago area will be on campus Thursday to interview women interested in permanent positions in the organization.

Women who have studied textiles, foods, stenography and personnel and secretarial work and who are interested in retailing from the merchandising angle will be given preference.

Appointments with the representative may be made at the office of student affairs.

# TIGHTENS LOOSE FALSE TEETH OR NO COST

Now, at home, you can quickly and easily reline your loose dentures with the marvelous plastic called Nutli. Just brush it on, then wear your plates while it sets to a smooth, durable surface that fits your gums. No heat needed. Nutli is not a gummy paste or powder that you apply each day. It becomes part of the plate itself—solid, permanent, tasteless, odorless, natural pink in color. Easy to clean—lasts for months. Try Nutli at once. Sold on a money back guarantee. For sale at all leading drug stores. Price \$1.25.

# Hogan Goodall Winner

## Finishes With Plus 51 For 25 Point Margin

MAMARONECK, N. Y. (AP)—Ben Hogan, who had looked like the winner after the first round of the \$10,000 Goodall round-robin golf tournament, came home the winner yesterday at the end of seven rounds.

With a two-under-par 70 over the waterlogged Winged Foot course yesterday morning, he whipped Jimmy Demaret 5 up and Jimmy Hines 4 up.

Hogan followed that up with a 69 in the afternoon, turning back Byron Nelson and Vic Ghezzi by 3 up each. That made his total for the 126 holes of match play, in which he beat all but one of his 14 rivals, plus 51. That denoted a total of 51 more holes he had won than he had lost.

The triumph, Hogan's second in the Goodall and third in succession this season, gave him \$2,000 for a year's winning to date of \$22,069.50. Nelson's third prize money of \$1,000 left him in second place for the year at \$11,998.75.

Between Hogan and Nelson in the Goodall scoring came Lloyd Mangrum at plus 26. Nelson was third at plus 22 followed by Jug McSpaden, Herman Keiser, Lawson Little, Vic Ghezzi, Jimmy Hines, Sam Snead and Herman Barron. Dutch Harrison and Sam Byrd, Jimmy Demaret, Bob Hamilton and Dick Burton.

## That Cup's Worth \$2,000, Bud!

BEN HOGAN (right), who yesterday won the Goodall golf trophy for the second time, receives it from Elmer Ward, donor, as Byron Nelson, who finished third, watches. Along with the cup, little Ben added \$2,000 in first prize money to his year's earnings. (AP Wirephoto)

## Hawk Athletes Break Records

Iowa's 1945-46 Hawkeye athletic teams rolled up the school's best dual meet record in history during the past year, winning 45 and losing 19 contests in seven sports.

The winning percentage of .703 was well out ahead of the previous top mark of .648, set in 1933-34 with 59 victories in 91 contests.

Not only did the Hawkeyes compile the best mark in all contests, but the record in Big Ten events was likewise a record. Teams won 28 and lost 14 for .667, the best previous record being in 1935-36 on 26 wins and 23 losses for .531.

Except in football, Iowa teams won more than they lost in all sports. The golf team won six meets and lost none, the track and field cross country teams were unbeaten in dual meets, and the swimmers won five of six.

Performances in the other sports were wrestling, 4-1; basketball, 14-4; baseball, 11-6; and football, 2-7. In track it was 2-0 and in cross country, 1-0.

## Frank Parker Wins First Round Match

KANSAS CITY (AP)—Frankie Parker, national singles champion, stroked his way to a 6-4, 6-3, first round victory over Gayle Kellogg of San Diego in the Heart of America tennis tournament yesterday and other seeded stars followed the Los Angeles ace's example of putting away early competition.

First round matches were concluded and second round play got under way with the Argentine star, Alejo Russell of Buenos Aires, disposing of Wallace Smith, Kansas City, 6-1, 6-0.

Billy Talbert, Wilmington, Del., ranked second nationally, won in the second round over Frank Mosley, Kansas City, 6-1, 6-0.

Women's singles play opened yesterday and Mrs. R. G. Jones of Fort Riley, Kan., champion of France in 1944, defeated Mrs. Paulina Bradley, Topeka, Kan., 6-1, 6-0. Mrs. Frank Kovacs, San Francisco, wife of the professional star, also had an easy time putting out Mrs. Hortense Brozman, Kansas City, 6-0, 6-1.

## Johnson Loses Ground

WASHINGTON (AP)—Doctors attending Walter Johnson, pitching ace of the Washington Senators in the 1920s, reported yesterday that he "lost ground" and lapsed back into a coma after a "brief bright spell." Johnson has been in the hospital seven weeks and unconscious most of the past week.

## Red Sox Cop Sixth Straight

BOSTON (AP)—Coming from behind, the Red Sox exploded for six runs in the eighth inning yesterday, defeating the St. Louis Browns 9-4 for their sixth consecutive victory and their 13th home success without defeat against western clubs.

Bobby Doerr slugged his fifth homer of the year with one on and then proceeded to collect two doubles and a single.

Doerr drove in four runs in the game which was played in a heavy mist, to bring his league leading RBI total to 40.

Doerr, who also handled eight chances perfectly afield, started the big eighth inning with a double and later in that same frame singled to left to drive in two runs.

Mike Pinky Higgins, making his first start at third base for the Sox since being purchased from the Tigers, got himself three hits, including a double, in four trips as he drove home two runs.

## Marv Rickett's Fly Scores Winning Run As Cubs Trip Giants

CHICAGO (AP)—Hank Wyse and Russ Meers were touched for 15 hits yesterday, but the Chicago Cubs, with seven safeties, still managed to nose out the New York Giants, 3-2.

Peanuts Lowrey scored the winning run in the eighth inning when he doubled, advanced to third on a wild pitch by relief pitcher Gene Thompson and counted on Marv Rickett's fly to Goody Rosen.

The Giants scored their initial run in the fourth inning on three hits but the Cubs came back in their half with two markers on a walk, singles by Lowrey and Phil Cavarretta and a double by Clyde McCullough.

Wyse walked Babe Young with the bases loaded and two out in the fifth to force in the tying run, and gave way to Meers in the next frame after yielding two consecutive singles. Meers limited the Giants to two hits the rest of the way to gain credit for his first triumph of the season.

## Sigma Nu Takes Championship

With a startling comeback, Sigma Nu nosed out the Delta Sigma Delta nine to win the intramural softball tournament yesterday afternoon, by a score of 8-7.

After trailing 7-1 at the end of the fourth, Bob Knarr, George Cebuhar and Bill Barbour scored in the last of the fifth, and three more runs in the sixth tied the game. The winning run was made by Jack Kelso in the seventh when he doubled and scored on an error by center-fielder, Bill Barry.

The Delta Sig's opened the game with three runs on two

hits and an error, added one in the second, two in the third and one in the fourth. Bob Marshall scored first for the Sigma Nu's with a long home run into left field in the fourth.

Pitcher Barbour settled down in the fifth and held the Delta Sig's scoreless for the remainder of the game while his mates were pounding Ronnie Curnes for the winning runs.

Star of the Sigma Nu's was Chuck Ulmes, their captain and third baseman, who smacked out

Box score:

SIGMA NU		DELTA SIG. DEL.	
AB	R	AB	R

## Some Days You Can't Make a Dollar

BOBBY ELLIOTT, Pirate outfielder, is tagged out at the plate by Brooklyn Dodger catcher Ferril Anderson when he tried to score from first on a single in yesterday's game. The league-leading Dodgers rallied in the second game to split the twin bill. (AP Wirephoto)

## Moose Spoils Legion Debut By 3-2 Count

Iowa City's Moose lodge baseball team eked out a 3-2 victory over the American Legion juniors in a five inning practice game on the City high school yesterday.

The Moose combined three hits and a pair of safeties in the top of the fifth to score all their runs.

Sonny Dean held the Moose to one hit in the three innings he worked but Jim Stahle, right hander from Solon, couldn't hold the more experienced lodge nine.

Longest blow of the game was Bob Beal's three bagger which, combined with center fielder Clayton Colbert's wild throw, scored the first Legion run.

Manager Earl Sangster of the Legion nine is not sure who he will start against Cedar Rapids in one half of a double header which will be played in Iowa City Sunday.

## Martin Predictions Connect Three Times

ST. LOUIS (AP)—The St. Louis Cardinals snapped a three-game losing streak with a 5-1 victory over the Boston Braves last night to gain hat a game on the Brooklyn Dodgers who split an afternoon doubleheader at Pittsburgh.

Enos Slaughter's fifth homerun of the season in the third inning with two men on supplied most of the power with which the Cardinals supported Harry Brecheen's four hit pitching. The crowd was 12,047 paid.

Brecheen was the first Cardinal pitcher to go the route since he did likewise last Wednesday at Chicago.

## Major-Minor Pact Approved

CHICAGO (AP)—A special major-minor league baseball committee yesterday reported a "harmonious" new pact between the two groups was drafted to replace the agreement which existed under the regime of the late Commissioner K. M. Landis.

Technically, the former agreement expired one year after Lardis' death Nov. 25, 1944, but was extended a year at the majors' winter meeting here last December.

The committee, composed of three representatives each from the American and National leagues and five from the National Association of Professional Baseball leagues, said the new agreement represented a "re-establishment" of the existing tie-up.

Tom H. Richardson, president of the Eastern league and chairman of the minors' executive committee, said the new pact was pleasing to all concerned and would be presented at the minors' winter meeting in Los Angeles, Dec. 4-6, for adoption.

## Cards Break Slump

ST. LOUIS (AP)—The St. Louis Cardinals snapped a three-game losing streak with a 5-1 victory over the Boston Braves last night to gain hat a game on the Brooklyn Dodgers who split an afternoon doubleheader at Pittsburgh.

Enos Slaughter's fifth homerun of the season in the third inning with two men on supplied most of the power with which the Cardinals supported Harry Brecheen's four hit pitching. The crowd was 12,047 paid.

Brecheen was the first Cardinal pitcher to go the route since he did likewise last Wednesday at Chicago.

## Major-Minor Pact Approved

CHICAGO (AP)—A special major-minor league baseball committee yesterday reported a "harmonious" new pact between the two groups was drafted to replace the agreement which existed under the regime of the late Commissioner K. M. Landis.

Technically, the former agreement expired one year after Lardis' death Nov. 25, 1944, but was extended a year at the majors' winter meeting here last December.

The committee, composed of three representatives each from the American and National leagues and five from the National Association of Professional Baseball leagues, said the new agreement represented a "re-establishment" of the existing tie-up.

Tom H. Richardson, president of the Eastern league and chairman of the minors' executive committee, said the new pact was pleasing to all concerned and would be presented at the minors' winter meeting in Los Angeles, Dec. 4-6, for adoption.

## Chandler Wins Again

NEW YORK (AP)—Joe Haynes walked Nick Eiten with the score tied and the bases loaded in the eighth inning yesterday to give the New York Yankees a 2-1 triumph over the Chicago White Sox before 6,152 paid admissions, the smallest home crowd of the season.

George Stinweis singled to begin the eighth and after an intentional pass to Charley Keller, Haynes lost his control and walked both Joe DiMaggio and Eiten.

Don Kolloway put the Sox in front in the fifth when he belted his second homer of the year, but Tommy Henrich evened the count in the sixth with his sixth circuit clout of the season.

Spud Chandler went the route for the Yanks and chalked up his eighth victory of the campaign against two defeats.

## Blackwell Blanks Phils

CINCINNATI (AP)—Ewell Blackwell, six-foot five-inch Cincinnati rookie, turned in a three-hit masterpiece last night as the Reds shut-out the Philadelphia Phils, 5-0. A crowd of 12,225 paid saw the loose-jointed righthander notch his third straight win.

## Woodstock Retains Heavyweight Crown

LONDON (AP)—Bruce Woodcock saved his British heavyweight title by outpointing light heavyweight champion Freddie Mills in a 12-round fight before a crowd of 10,700 at Harringay arena last night. Woodcock weighed 191 pounds, ten more than his opponent.

The Doncaster railroad worker, knocked out by Tami Mauriello in the fifth round at New York last month, took a severe beating from the game, aggressive Mills despite his clear margin on points.

His left eye was closed tightly by the end of the battle and he hied freely from the mouth throughout the last five rounds.

Although the empire 175-pound ruler had no chance to lift Woodcock's title, the heavyweight had to win in order to protect the crown. Under British rules, a boxer's title is declared vacant if he is beaten by a fighter in a lower weight classification.

While Woodcock grimaced with pain several times during the closing rounds, he never was staggered by Mills, himself knocked out by world light heavyweight champion Gus Lesnevich last month.

## Feller Breezes

WASHINGTON (AP)—Bob Feller fanned 14 batters last night and coasted to his eighth victory of the season as Cleveland's Indians routed the Washington Senators, 10-2.

It was the second time this season that Feller has fanned 14 Senators. He turned the same trick in Cleveland, May 17, beating Mickey Haefner, 3-0. Haefner again was the loser last night.

Feller ran his season's strike-out total to 118 as he breezed to his eighth victory against four defeats.

Pat Seery, with a three-run homer in the third, and Frank Hayes, with a three-run double in the eighth, struck the big blows.

## N. W. Defeats Irish

EVANSTON, Ill. (AP)—Northwestern university closed its baseball season with an 11-1 triumph over Notre Dame, behind the fourth hit twirling of Dick Bokelman here yesterday.

NEW YORK (AP)—A giant Pan American clipper plane was delayed four hours in a scheduled transatlantic flight yesterday by curv brachyrynchos trouble (row in the carburetor). The sputtering of the No. 3 engine during the routine check flight before takeoff time had been diagnosed as "an overrich carburetor mixture."

Mechanics finally found the dead bird. They surmised it was drawn into the carburetor by propeller suction during the test hop.

WILMINGTON, Del. (AP)—Mothers of the suburban community of Arden yesterday received this typed notice:

"This is to inform you of the new (baby) sitters' union and a change in rates. Starting on June 1, rates will be 35 cents an hour and 50 cents after 1 a. m."

One mother said previous rates had been 25 cents an hour. No spokesman for the "union" was available.

# No Reply Received by Tenants Protesting Sale of 90 Houses

## Iowa Citizens Appeal To President, OPA To Grant Increase

Tenants of houses owned by Howard F. Moffitt in Iowa City had not received answers late yesterday to telegrams sent to President Truman, the Chicago regional office of the OPA, and the Des Moines district rent control office of the OPA Sunday.

The telegrams appealed for rent increases to prevent the necessity of purchasing their rented homes at what they called inflated prices, because the OPA has not granted the owner rent relief.

Moffitt announced Saturday that he had decided to sell the entire group of over 90 houses he owns here since he could not get any word from the OPA as to whether or not he could obtain permission to ask an increased rental on some of them.

Moffitt said yesterday he felt that a property should earn in proportion to what it is worth. He said he was not anxious to sell if he could get a fair rental figure on many of his houses on which no rent increase had been placed since before the war.

It was learned yesterday that Tom Wilkinson, Cedar Rapids-Iowa City rent control area director, and John Beller, state rent control director of Des Moines, will come to Iowa City Thursday.

Wilkinson said the OPA could not arbitrarily grant anyone a rent increase. He said that Moffitt would have to show a hardship or nothing can be done to raise his rentals.

## Meeting Canceled

The county superintendent's meeting, scheduled here for June 12, will not be held due to conflict with other scheduled meetings.

# Marshall Gets Chiang To Agree to Halting Manchuria Offensive

NANKING, Wednesday (AP)—A high government source said today that Generalissimo Chiang Kai-Shek had agreed in a conversation with United States General Marshall to halt the central government offensive in Manchuria and leave the way open for peace negotiations with Chinese Communists.

This usually reliable official said that Chiang further agreed to establish a branch office of the Peiping executive (truce) headquarters in Changchun, capital of Manchuria, to open negotiations.

Marshall, who talked five hours yesterday with the Generalissimo, was understood to have laid the proposals before Gen. Chou En-Lai, chief negotiator for the Communists.

The government official added that Chiang first proposed a seven-day truce, but that Marshall suggested 10 days.

Chiang reportedly said he would issue a cease-fire order during this period, regardless of what action Communists take.

Marshall's meetings yesterday with Chiang and Chou had generated no special optimism in this anxious capital. Communists sources had expressed doubt as to chances of an early settlement.

## Taylor Visits Friends

Norman Taylor, who received an M.A. degree at the university in 1942, visited friends in the history department yesterday afternoon. Taylor will teach at Grinnell college this summer. After serving for six months as a vice-consul in the foreign service at Vienna, Austria, Taylor returned to the United States in February.

IT'S ALL A MATTER of principle, says Lowell Boyer, G of Iowa City, who contributed a check to Emil G. Trot, chairman of the Emergency Food Collection, recently. Overcharged on a purchase by a Cedar Rapids merchant, Boyer went to the OPA which investigated the transaction and forced the merchant to refund the overcharge. The refund was \$3.80. "This money can best be spent feeding the hungry of Europe," Boyer said as he handed over the check. In the background is W. Fred Roberson, finance chairman of the drive. The Emergency Food Collection was extended to June 7 in order to raise \$2,500 needed to meet the Johnson county goal. A total of 3,000 letters are now in the mail containing appeals for cash donations.

# Byrd Predicts Truman Will Veto Case Bill

WASHINGTON (AP)—Senator Byrd (D., Va.) said yesterday there were "rumors" that President Truman will veto the Case bill.

Ascribing them to "close advisers" of the president, Byrd said in a statement that a veto would be "little short of a tragedy."

Meanwhile, an unusual combination of supporters and opponents of Mr. Truman's emergency strike control bill worked together to delay further house action on it. As a result, any major decisions may be postponed until next week.

Consideration of the bill already had been delayed until Thursday by agreement of both Democratic and Republican leaders, due to primary elections in several states.

The temporary legislation gives the president power to seize essential industries when work stoppages occur and requires union leaders to order strikers back to work. The house originally agreed to give the chief executive authority to draft workers to run the plants, but the senate deleted this section. The house must now decide which version it wants.

# Lone Tree Resident Bound to Grand Jury On Driving Charge

Charged with driving a motor vehicle while intoxicated, Harold Watson of Lone Tree was bound over to the grand jury after waiving preliminary hearing in police court yesterday. Watson was arrested here Saturday night. He posted a \$500 bond.

# Jones Hits British Loan

WASHINGTON (AP) — Jesse Jones, spearheading the opposition to the \$3,750,000,000 British loan agreement, declared yesterday it would carry the United States "along the road toward financial ruin" and put it into an exclusive alliance with the British empire.

"We cannot stay strong if we continue to print dollars and scatter them to the four winds," the former secretary of commerce said in a letter to Chairman Spence (D., Ky.) of the house banking committee.

Meanwhile Vladimir Hurban, retiring Czechoslovakian ambassador, disclosed that his country is seeking a \$300,000,000 loan and he expects it soon. And Wei Tao-Ming, the Chinese ambassador, said virtual agreement has been reached for an extensive American credit to China; it has been reported at \$500,000,000.

These two loans would be made by the export-import bank.

# Mrs. Johnson Files Divorce Suit in Court

Clydamae Johnson filed suit for divorce from Lowry N. Johnson in district court yesterday, charging cruel and inhuman treatment. They were married in Cedar Rapids April 20, 1928, and separated April 7.

Mrs. Johnson asks for alimony, support and property settlement. Swisher and Swisher are the attorneys in the case.

# Air Force History SUI Professor Aids In AAF Story

Maj. Ross Livingston, associate professor in the history department now on leave of absence, has participated in writing the history of overseas activities of the United States army air forces in World War II.

Two other men formerly associated with the university also took part in writing the history, which is being compiled in Baltimore from orders, correspondence, maps, charts and reports gathered during the war.

They are Col. Cecil O. Hahn, who received an M.A. degree here in 1937 and a Ph.D. in 1938, and the late Capt Robert Whitehand, research assistant in speech from 1935 to 1940.

Captain Whitehand, who believed that the only way to write a good history of the AAF was to take part in actual missions, was killed in a mission over Dunkirk in March, 1945.

The seven-volume official history is being published for military reference only, not for general distribution. Some of the unit histories may be published for distribution among former members of the military units who participated in AAF combat.

# Conservation Officials Inspect Lucas Home

The former Governor Lucas home, offered as a gift to the university, was inspected yesterday by members of the state con-

servation commission and staff. The 100-year-old property was inspected by a party of eleven, accompanied by Sen. LeRoy S. Mercer, member of the interim committee, and members of the Iowa City Lucas memorial home committee.

After inspecting the Lucas home the staff was the guest of the Loyal Order of Moose at Lake Macbride.

# Churches to Observe Children's Day Here

The First Christian church of Iowa City will join the Disciples of Christ churches of America in observing Children's day Sunday. A missionary offering for children in nine countries of the world will be taken at the 10:30 a. m. services.
