GOOD MORNING, IOWA CITY!

Considerable cloudiness with scattered showers today and tomorrow. Slowly rising temperature. High today between 80 and 85. Low tonight about 65.

'Dark' Bread Order Revoked; More Grain Available to Brewers

By OVID A. MARTIN
AP Farm Reporter

WASHINGTON (AP)—The government last night cancelled its order requiring "dark" bread and flour and made a little more grain available for beer and liquor—both effective Sept. 1.

The agriculture department announced that improved wheat supplies make it possible to end the order by which millers were required to convert 80 percent of the wheat kernel into flour, instead of only 72 percent as usual.

Hence, yesterday's action changes the quality of the flour but not the quantity.

The department also announced other relaxations in famine emergency restrictions on grains—including allotment of slightly more grain to brewers and distillers—and an increase in export goals of grains.

The export goal has been changed from 250,000,000 bushels of wheat and flour alone to a "probable total" of 400,000,000 bushels of all grains and grain products. This country is now harvesting the largest crops of wheat and corn on record.

Brewers will be permitted to increase their use of grains from 70 percent to 85 percent of the quantity used in the corresponding quarter last year beginning September 1.

Likewise alcohol distillers will be allotted 20 percent more grain in September than this month. The quantity will be 3,000,000 bushels compared with 2,500,000 this month.

Restrictions prohibiting the use of wheat and finer grades of corn for making distilled spirits will be continued, however.

The department also announced that industrial users of corn and grain sorghums—referred to as wet and dry processors—will be allowed five percent more grain, effective Sept. 1. These processors make starches, corn sugar, corn syrup and related products.

Commenting on yesterday's action, Secretary Anderson said "We have always wanted to remove or ease restrictions on the use of grain just as soon as this could be done safely."

Consideration of the effects of reduction of livestock, and review of the crop returns and prospects against the total needs for grain for food and feed, show that the time has come when export targets can be raised and domestic use limitations can be modified.

Anderson said, however, that the time has not yet come when all restrictions can be removed. He said the nation's grain supplies must still be managed with care.

The department said that as it now sees the grain picture, no further increases in allocations of grains for the brewing and distilling industries are expected during the next three months.

Pointing out that a return to the 72 percent wheat flour extraction rate will make larger quantities of mill feeds available to livestock feeders, the department announced that it will place further restrictions on the use of milling-quality wheat by feed manufacturers.

Soviet Foreign Office 'Releases' Litvinoff

Former Ambassador To U.S. Replaced As Deputy Minister

LONDON (AP)—The Moscow radio said last night that Maxim Litvinoff, former Soviet Foreign commissar and ambassador to the United States, had been "released from his duties" as deputy minister of foreign affairs.

The broadcast said that Fedor Guseff and Yakov Malik both had been appointed deputy ministers of foreign affairs.

The broadcast gave no further details. Litvinoff, then foreign commissar, negotiated United States recognition of Soviet Russia with President Roosevelt and United States state department officials at Washington in 1933.

Long an advocate of collective security and close relations with Britain and the United States, Litvinoff resigned from the foreign commissariat just before Europe went to war and was succeeded by V. M. Molotov.

George White Jailed For Hit, Run Deaths

SAN DIEGO, Calif. (AP)—George White, 52, of girl show scandals fame, was sentenced to jail and fined yesterday for the "hit and run" highway deaths of a honeymoon couple.

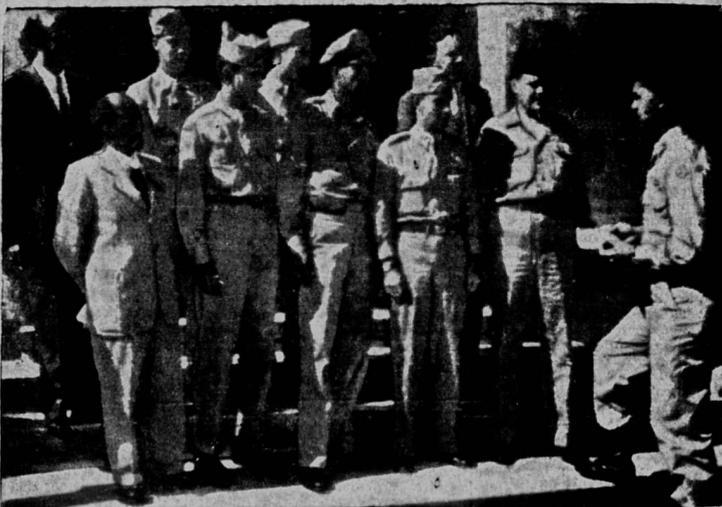

Denying the gray-haired theater man's plea for probation, Superior Judge Joe L. Shell sentenced him to one year in the county industrial road camp and fined him \$800.

The judge, who could have sentenced White to from one to five years in state prison, allowed him 48 hours in which to get his affairs in order and report at the jail.

Bakers Strike Ends

PHILADELPHIA (AP)—A 13-day-old strike of 1883 AFL bakers which had cut off two-thirds of Philadelphia's daily bread supply of 1,500,000 loaves ended last night.

RELEASED BY YUGOSLAV GOVERNMENT

LT. COL. JAMES G. HOLLAND (right), G-2, 88th division, questions passengers and crew members of the American transport plane forced down in Yugoslavia Aug. 9 after their release by the Yugoslav government Thursday. Front, left to right: Dr. Arthur Lederer, Budapest, Hungary; Cpl. Robert L. Dahlgren, flight engineer, Clecro, Ill.; Copilot Lt. William L. McNew, Atlanta, Ga.; Pilot Capt. William Crombie, East Longmeadow, Mass.; Lt. Donald E. Carroll, Elgin, Neb.; and Lt. Col. Holland. Rear, left to right: Dr. Alabar Fallay, Budapest; Cpl. John L. Dick, radio operator, McKeesport, Pa.; T/Sgt. Joseph F. Hohecker, Chicago; and Dr. Raymond S. Blackburn, UNRRA, Englewood, Ohio.

If so, the mayor's emergency housing committee urges that you list your room or apartment with the emergency housing office in the lobby of the Iowa- Illinois Gas and Electric company building, phone 6260.

OPA Deals Out More Price Hikes; Refuses Boost for Cars

WASHINGTON (AP)—OPA last night dealt out price increases hand over fist to comply with the new law but refused another general boost for automobile ceilings.

The agency announced its new "recontrol" prices on fats and oils, setting ceilings on margarine and shortening one cent a pound above the June 30 level when the retail controls are restored Sept. 9.

Tires went up two and a half percent and ceilings for many popular make trucks were raised.

But OPA denied the plea of automobile dealers for a three percent retail increase to cover handling charges on new cars.

This averted another general price increase on top of the 7.3 percent rise allowed for new automobiles two weeks ago.

Turks Reject Soviet Plan for Dardanelles

ANKARA (AP)—Turkey flatly rejected late last night Russia's demands for joint defense of the strategic Dardanelles and for narrowing control of that vital waterway to Black Sea powers only.

Hiccups for 15 Years, Even Snores With 'Em

AMBRIDGE, Pa. (AP)—Victor Dionese, 39, a crane operator, figures he's the world's champion hiccupper.

According to Dionese, he started to hiccup, off and on, 15 years ago. Some spells lasted 15 minutes, others an hour, and now they sometimes stretch to a week. Night brings no relief. He hiccups and snores at the same time.

Report Tito Won't Reply To Ultimatum

PARIS (AP)—The Belgrade radio last night announced that Marshal Tito "declines to acknowledge" the United States ultimatum to Yugoslavia and would not reply to it.

The broadcast said the contents of the ultimatum "have become irrelevant." Yugoslavia yesterday released nine occupants from the first of two United States transport planes downed in the Balkan nation.

A Yugoslav official here contended Yugoslavia had released the nine men before it officially received the American 48-hour ultimatum.

Earlier, the official Yugoslav news agency Tanjug reported that Tito had decided to reject the ultimatum.

In Belgrade the American embassy said it was withholding comment, pending word from United States Ambassador Richard C. Patterson who conferred with Tito Thursday.

Seven Americans and two Hungarians on a transport forced down by Yugoslav fighter guns on Aug. 9 were released several hours before Patterson met with Tito at his summer palace at Bled.

The tenth, a Turkish captain badly wounded by a machinegun bullet, remained in Ljublanjana and Savo Kusanovic, Yugoslav ambassador to the United States, asserted yesterday that the flight of the Turk in the United States plane "was not accidental."

The Tanjug dispatch reporting Tito's decision appeared in Paris newspapers, but a member of the United States embassy staff in the Yugoslav capital, reached by telephone, said they were not carried by Belgrade newspapers. He said the Belgrade press was "playing down" the stories of American-Yugoslav relations.

Kusanovic's statement in reference to the Turkish officer said: "As has been announced 24 hours before the American note was handed Yugoslavia, the passengers and members of the crew of the United States transport plane have been released, with the exception of a Turkish officer whose flight over Yugoslavia—as the investigation has shown—was not accidental."

Truck Ceilings Revised

Trucks ceilings were revised extensively. All Dodge and White models were increased, as were most Chevrolet models. Some Ford truck prices were raised and some lowered, and the same was true on General Motors trucks.

Desire Peace

"We Yugoslavs desire peace. We have never been guilty of provoking war. We have always defended only ourselves.

"We ask the American people, for whom we have always had feelings of sincere and deep friendship, to show us understanding and impartiality and to avoid drawing erroneous conclusions which are contrary to the fundamental principles for which we have fought together.

To Resume Flights Around Yugoslavia

By JOHN M. HIGHTOWER
WASHINGTON (AP)—The United States was reported preparing last night to order early resumption of army air force flights around Yugoslavia but diplomatic authorities speculated that this time the planes will be given armed protection.

This became known as Undersecretary of State Acheson intimated at a news conference that on the basis of information now available in Washington the government does not consider that Yugoslavia has complied with the 48-hour ultimatum which he announced will expire some time today.

The possibility remains wide open, therefore, Acheson brought out, that the United States may still take to the United Nations security council its case against Yugoslavia over the downing of two American planes with a possible loss of five lives. Later

Yugoslav Situation At A Glance

The Belgrade radio heard in Paris last night announced that Marshal Tito has "declined to acknowledge" the American ultimatum to Yugoslavia and would not reply to it. The broadcast said the contents of the ultimatum "have become irrelevant" now that the Yugoslavs have released nine occupants from the first of two American planes downed in the Balkan nation.

In Washington, Acting Secretary of State Dean Acheson intimated that on the basis of information now available in Washington, the United States government does not consider that Yugoslavia has complied with the 48-hour ultimatum. The possibility still remains, therefore, that the United States will bring the case before the United Nations security council.

The United States was considering the early resumption of air force flights around Yugoslavia with the possible addition of armed escorts.

In Belgrade, the American embassy announced that Ambassador Richard C. Patterson had received another note from Marshal Tito, reporting that there were apparently no survivors from the American plane shot down Aug. 19. Tito's note termed the incident "a regrettable accident" but offered no apology.

Information may modify the situation. On another aspect of the case, Acheson said emphatically that the release of the Turkish passenger on the plane forced down under Yugoslav fighter aircraft fire on Aug. 9 is demanded under terms of the ultimatum, although his release must depend on his physical condition. He was wounded by the Yugoslav fire.

Information that the United States plans on resuming flights around Yugoslavia follows earlier reports that top officials of the government had considered putting American fighting escorts on the route between Italy and Austria. Whether this is the form of armed protection which would be accorded under the latest plans was not disclosed.

Avoid Yugoslavia

Flights were suspended after the two American planes were downed, one on Aug. 9 and the other on Aug. 19. Any resumption, informants said, will be under strict orders to keep away from Yugoslav territory and protection would be afforded only against the possibility that the Yugoslav fighters might in the future stray over their own borders.

Tito Terms Plane Incident 'Regrettable'

By GEORGE PALMER
BELGRADE (AP)—The American embassy announced last night Marshal Tito had handed another note to Ambassador Richard C. Patterson at Bled yesterday afternoon reporting no one had parachuted from the American plane found near there but offering no apology for the incident.

Tito's note said there apparently had been no survivors and called the plane incident "a regrettable accident."

Tito's note gave an American investigating party permission to remove the wreckage of the C-47 transport in which Capt. William Crombie, his crew and passengers made a belly landing after being forced down by Yugoslav pursuit planes and machine-gun fire which wounded one passenger.

Reports from outside Yugoslavia that Marshal Tito had rejected the American ultimatum were not borne out here by developments.

Neither were statements that any answer to the American note demanding further investigation (See YUGOSLAV, Page 3)

Acheson explained that the difficulty in saying whether the demands of the ultimatum have been complied with lies in the fact that full information on Yugoslavia's reactions is not yet

TERMS PLANE INCIDENT REGRETTABLE

Meet the Meatball Champ!

IF THERE'S ANOTHER MEAT SHORTAGE, here's the man to blame. To settle an argument over his capacity, Frank Juliano, 30, of Worcester, Mass., steelworker and former combat infantryman, ate 50 meatballs at a Worcester restaurant. At left Juliano embarks on his gastronomic feat. In middle picture he is on home stretch with the aid

of 17 glasses of beer. The last meatball goes down the hatch at right as Juliano wins a \$10 bet in an hour and 20 minutes. A cluster of garlic and two quarts of sauce went down en route. (AP WIREPHOTO)

Iowan Admits Being Member Of Nazi Party

DES MOINES (AP)—An Iowan who was listed by the Nazis as a member of the Nazi party in Germany said yesterday that "anybody in my circumstances at that time couldn't have done any better nor differently than I did."

Otto Holzapfel, 40, of Baxter, Ia., confirmed a report from Washington that he is one of the 149 persons in the United States whose name was on Nazi membership records found in Munich.

"You just had to play along or you know what," he said. "Being in business in the Hitler regime in Germany, you were more or less under pressure to join the party. I didn't like the idea or the outfit."

Didn't Join Bund
He said he never joined the American bund nor did he ever wear the Nazi S. R. brown shirt or S. S. black shirt during his stay in Germany in the 1930's.

Holzapfel and his wife came to Baxter from Germany in 1938 and went into the restaurant business. They sold out a year ago and since have been living on an acreage of 15 acres.

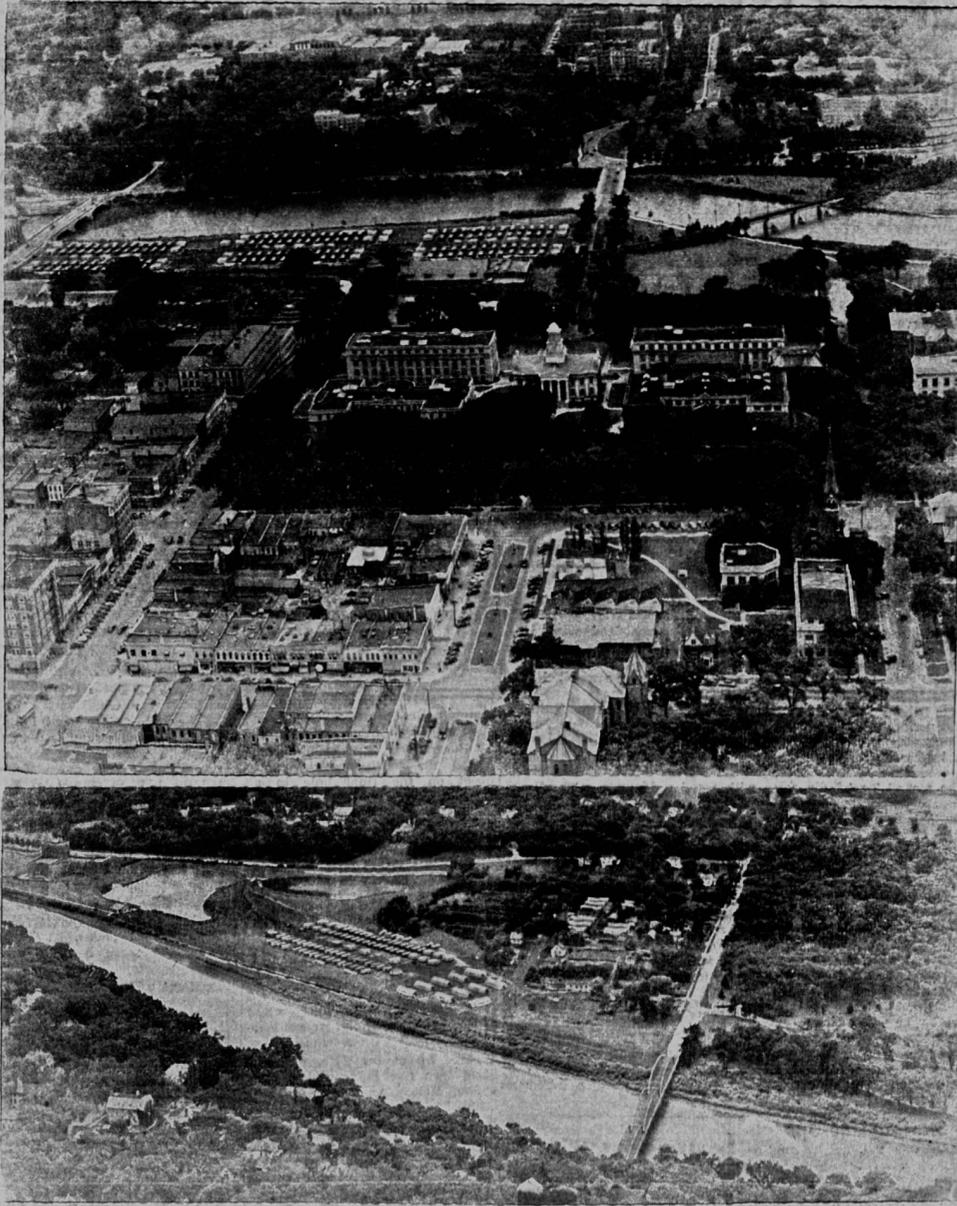

Holzapfel said he never would have returned to Germany in the 1930's "if my second father hadn't died." As a 17-year-old youth, he came to America in 1923. He lived for a while in Waterloo, Ia., then he went to Chicago where he worked as a chef.

Ran Family Restaurant
"My second father (stepfather) died in 1929," he related. "My mother wanted me to come back and run the business. It was a meat and restaurant business. I got back in 1931."

Holzapfel, who said he expected to get his citizenship papers this year, related that nobody ever asked him to join the bund in this country. He said he had no correspondence with the Nazis after coming to the United States.

Three times during the war federal agents came to Baxter to check up on him, he said, and he was given a clean bill of health every time.

Vet Housing Dots Postwar Campus

IOWA CITY VIEWED from the air today shows the effect of returning veterans on the university campus. In the top picture, trailers of Riverdale village for married veterans (left background) dot the east bank of Iowa River from Iowa avenue bridge to the Burlington street bridge. On the west side of the river are shown the fieldhouse; Hillcrest dormitory, now returned to men students; University hospital, and Westlawn home for student nurses, which this year will house in one of its wings non-nurse women students. Old Capitol, surrounded by Macbride, Schaeffer and University halls and the

physics building, as usual dominates the east campus. Riverdale trailer village and the still uncompleted quonset huts, shown in the bottom photograph, fill part of the space on the west side of the river between the fine arts building and the City park bridge. Riverdale village has been ready for occupancy by married veteran students and their families for some time. The 25 quonset huts, scheduled for completion sometime this fall, will house 50 veterans and their families, some of whom will be graduate assistants. (Daily Iowan photos by Jack Orris, courtesy of Shaw Aircraft company)

Library Lists New Books

Among books of general interest recently added to the selection at the University library are "A Grammar of Motives" by Kenneth Burke, "The Marriage of Josephine" by Marjorie Coryn, "The Regions of Germany" by Robert E. Dickinson, "A Solo in Tom-Toms" by Gene Fowler, "Your Future in Aviation" by John F. Henry.

"Lincoln's Incentive System" by James F. Lincoln, "Then and Now" by W. Somerset Maugham, "Patton, Fighting Man" by William B. Mellor, "The Meeting of East and West" by Filmer S. C. Northrup, "Truths Men Live By" by John A. O'Brien, "For One Sweet Grape" by Kath O'Brien, "Burma Surgeons Returns" by Gordon S. Seagrove, "The Lost Landscape" by Winifred Welles.

"The Unsuspected" by Charlotte Armstrong, "The Life Line" by Phyllis Botome, "A Frenchman Must Die" by Kay Boyle, "Deborah" by Marian Castle, "Mrs. Palmer's Honey" by Fannie Cook, "American Foundation for Social Welfare" by Shelby M. Harrison.

"The River Road" by Frances E. Keyes, "Independent People" by Halldor Laxness, "Four Great Oaks" by Mildred McNaughton, "Horned Pigeon" by George R. Millar, "Spoonhandle" by Ruth Moore, "Singing Waters" by Mary D. O'Malley, "Wilderness Adventure" by Elizabeth Page.

"The Yellow Room" by Mary Roberts Rhinehart, "The Turquoise" by Anya Seton, "Rhubarb" by Harry A. Smith, "The Reasonable Shores" by Gladys B. Stern and "Delta Wedding" by Eudora Welty.

Among Iowa Citizens

Prof. and Mrs. Phillip Mechem and their son Charles, 228 E. Church street, left Wednesday for a few weeks' vacation at Estes park.

Mr. and Mrs. Lynn Parsons, 505 S. Lucas street, have moved to Long Beach, Calif., where they will make their home with their son Melvin.

Guests this week at the home of Mr. and Mrs. L. O. Workman, 281 Sidney street, Coralville Heights, are their daughter and son in law, Mr. and Mrs. Ed Soucek of Omaha, Neb. The couple are also visiting with Mr. Soucek's parents, Mr. and Mrs. Albert Soucek, 727 N. Lucas street.

Among Iowa Citizens

Col. and Mrs. Martin E. Griffin of Washington, D.C., will arrive here Sunday for a week's visit with Mr. and Mrs. W. F. Merriam, 1225 Muscatine street. The couple will also be visiting Colonel Griffin's mother, Mrs. Annie Griffin, 518 N. Van Buren street.

Cmdr. and Mrs. John Bloom of Camp Shoemaker, Calif., have been in Iowa City for several days on their way to their home at Gros Point, Detroit, Mich. Commander Bloom was the executive officer here at the Naval Pre-Flight school.

Visiting Mrs. Robert Gibson, 1029 E. Court street, is Mrs. Ed Reuter, who will leave Iowa City the first of next week for Palo Alto, Calif., with her son and daughter in law, Mr. and Mrs. Dan R. Reuter. Mr. Reuter has accepted a position at Leland-Stanford university.

Prof. and Mrs. Baldwin Maxwell, 111 E. Church street, will leave Iowa City for a short vacation in Estes park.

In Iowa City for a week's visit

are Mr. and Mrs. Clyde Hart. Formerly with the university college of commerce, Mr. Hart has been with the office of price administration in Washington, D.C., for the last five years. Mr. and Mrs. Hart are staying in their home in Woodlawn, recently purchased by Mr. and Mrs. Paul Olson.

Prof. and Mrs. A. Craig Baird and their daughter Barbara will return Saturday from a 10 day vacation at the Hunky Dory farms in Wisconsin.

Visiting Mr. and Mrs. Rollie Williams at their Camp Red Arrow in Wisconsin are Mr. and Mrs. Glenn Ewers and their children, 351 McGowan street.

Mr. and Mrs. J. Albert Baugild of Chicago are guests this week of Miss Esther Thoman. Miss Thoman will return to Chicago with them Sunday for a few days' visit.

Prof. and Mrs. Franklin Knower have left for Columbus, Ohio, where Professor Knower will assume his new duties at Ohio State university. While in Iowa City, the Knowers were house guests of

was made unnecessary because the release of the American fliers had been effected "24 hours before Marshal Tito was handed the note."

Visits Scene
Patterson yesterday visited the scene of the crash of the second United States army transport plane shot down near Bled Aug. 19 and found reliable evidence that there were no survivors.

Yugoslav authorities were giving the American searching groups every facility to aid their investigation.

Newspapers carried brief stories of developments yesterday. None of them spoke of the American note as an ultimatum.

No One 'Chuted Out'
Patterson and his party, which included a United States diplomatic delegation and representatives of the United States Graves registration commission, said they learned reliably no one parachuted from the blazing airliner. Five persons aboard the plane at the time of the crash.

A member of the Yugoslav militia, who claimed he was a member of the burial party for the Americans, told the ambassador's party that at least five bodies were buried in a common grave in the village of Koprivnik.

At the scene of the crash, on a wooded hillside, the diplomatic searching party found the battered and charred remains of a United States C-47 and parts of army clothing. Pieces of flesh were still hanging from trees in the vicinity yesterday. The plane wreckage was scattered over a quarter-mile radius.

Yugoslavs Enter Appeal With UN

NEW YORK (AP)—The government of Yugoslavia, without mentioning the United States specifically, has filed an appeal with the United Nations economic and social council for return of 167 vessels held on the upper Danube in the American occupation zone.

The letter to the United Nations said the craft were of Yugoslav origin which had been removed by the German army during its retreat and remain in the hands of Allied military authorities. "Despite all efforts and promises Yugoslavia has been unable to obtain restitution although there can be no valid reason preventing such restitution," the letter added.

In Washington, Undersecretary of State Acheson told a news conference the United States is making no claim to ownership of the Danube vessels seized in the American zone in Germany. These craft, he said, are the property of various Danubian countries. They have been immobilized by American authorities, he continued, because several of these countries refuse to permit navigation on the Danube beyond their borders and the United States is insisting that what is needed now is to arrange for free navigation along the entire length of the river.

Jane Robbins, George Holmes to Marry In Single Ring Ceremony in Garden Today

A bank of garden flowers will be the background setting this morning at 10:45 a. m. when Miss Jane Robbins, daughter of Mrs. C. L. Robbins and the late Professor Robbins, becomes the bride of Mr. George H. Holmes of Cedar Falls, in a ceremony performed in the garden of the bride's mother's home at 1049 Woodlawn street.

The Rev. L. L. Dunnington of the First Methodist church will read the single ring ceremony. Miss Norma Nicholson of Palatine, Ill., will be maid of honor. Best man will be Charles Hartman Robbins of Iowa City, the bride's brother.

Embroidered Organdy Gown
Given in marriage by her uncle Mr. Hartman, the bride will wear a full length gown of white embroidered organdy with a broad, low neckline, tiny puffed sleeves and a very full skirt. The bridal bouquet will be stephanosis with a center of pink roses.

Miss Nicholson's full-length gown is of aqua marquisette and lace with a sweetheart neckline and puffed sleeves. She will wear a transparent orchid picture hat. Her bouquet will be the reverse of that carried by the bride—pink roses with a center of stephanosis.

Mrs. Robbins will wear a dress of aqua embroidered eyelet and a corsage of pink and white rosebuds.

A luncheon for the bride and bridegroom will be held in the garden immediately after the ceremony. After a brief wedding trip to Minnesota, the couple will be at home at 1210 20th street in Cedar Falls.

U High Graduate
A graduate of University high school, Miss Robbins received B. Mus. and M. Mus. degrees at the Oberlin conservatory of music. A pianist, she has been a pupil of Prof. Phillip Greeley Clapp, head of the university music department; Mr. Jacques Jolas at Cornell; Mr. Harry Kaufman at the Curtis Institute of Music, and Frank H. Shaw at the Oberlin conservatory.

Miss Robbins has taught at Stephens college at Columbia, Mo.; Pendleton studio, Hibbing, Minnesota, and the Clara H. Robbins studio in Iowa City. An accompanist for radio and recital programs in Oberlin, Cleveland, Philadelphia, Columbia and Iowa City, she is now instructor in piano and staff accompanist at

Journalistic Experience
Mr. Holmes, formerly a professor of journalism and director of the news service at the University of South Dakota, is now director of the university laboratory in journalism and of the bureau of publications at Iowa State Teachers college. He received B.A. and M.A. degrees from the University of Michigan school of journalism.

Out of town guests for the wedding will include Mr. and Mrs. F. V. Hartman and their son Jack of University City, Mo., and Mr. John M. Hartman of Kewanee, Ill. Both of the men are Mrs. Robbins' brothers.

Dean Kuever Says Feminine Interest In Pharmacy Higher
Feminine interest in the profession of pharmacy was boosted during the war as they demonstrated that they could fill their positions, according to Dean Kuever of the college of pharmacy.

Planning for the 1946-47 academic year, Dean Kuever said that the college here always has admitted women, in increasing numbers, on a par with men—and women have been consistently well-represented among winners of scholastic honors.

"Due to their own efforts and their capabilities in this work, they have been generally accepted and have earned a permanent place in the pharmacy field," Dean Kuever explained.

Civil service will require 10,000 pharmacists for federal hospitals in the next decade, and many of these will be women, he pointed out.

Women can occupy positions as efficiently as men, even in retail drug stores with jobs as clerks, managers and owners. Drug manufacturers employ them for research in medicine and cosmetics, and the federal government needs pharmacists in the departments of food, drug and cosmetic administration and public health.

Seven of 10 prizes awarded in the college of pharmacy here in 1946-47 were earned by women, including two \$150 scholarships which require a high gradepoint average for eligibility, Dean Kuever said.

Hirsch Leads Attack as All-Stars Crush Rams

JIM BENTON (49), Los Angeles Rams' end, advances in the first period last night after taking a pass from quarterback Bob Waterfield. All-Stars' back Otto Graham (28) is diving in for the tackle. (AP WIREPHOTO)

National Pro Loop Champions Look Pitiful Against Collegians

By CHARLES W. DUNKLEY
CHICAGO (AP)—Two mighty touchdown gallops by Wisconsin's LeRoy "Crazy Legs" Hirsch catapulted the College All-Stars to an upset, 16 to 0, victory over the favored Los Angeles Rams, champions of the National Football league, before a standing room crowd of 97,380 in flood lighted Soldier Field last night.

Hirsch, the famed Badger gridiron star, who also played with Michigan as a Marine trainee, spearheaded the All-Star attack by galloping 68 yards for a touchdown in the first period, and grabbing a 44 yard pass from Northwestern's Otto Graham for a third period touchdown.

Wisconsin's Pat Harder, a teammate of Hirsch in 1942, place-kicked both points.

The astonishing All-Stars completed the scoring in the closing minutes of the game when Paul Walker, former Yale star end, tackled Kenny Washington, the Rams' negro halfback, behind goal for a safety.

The one sided Collegiate victory gave the All-Stars their fourth triumph in the 13-year old series and provided silver-haired Alvin "Bo" McMillin, coach of Indiana university's 1945 Western conference championship team, with an unprecedented second coaching victory.

As the series now stands, the National Football league champions hold seven decisions and two games were deadlocked.

For a team that swept to the professional championship last year with nine triumphs out of ten games, the Rams at times looked pitiful against the alert, charging All-Stars. The furthest the Rams advanced was to the All-Star nine yard line in the second period, when Bob Waterfield, the most valuable player in the National league last season, looped a 27 yard pass to end Jim Benton. Thereafter, they were outplayed on the ground and in the air.

Waterfield, rated as the No. 1 passer of the game, completed seven out of 16 tosses and had two intercepted.

Both All-Star touchdowns came like bolts out of the sky. Later in the first period, the All-Stars stopped a Ram attack dead on their 30. After one play gained two yards, Hirsch set sail through his right tackle, broke into the clear with a burst of power and outran two Rams' secondary backs.

The second touchdown came with equal suddenness. The Rams failed on a desperate 39 yard field goal try and the All-Stars took over on their own 20. Three plays gained 18 yards to the All-Stars' 38 and then Graham, a former All-American, pitched a pass to Hirsch, who caught the ball over his shoulder while on the run.

Hirsch, who will play with the Chicago Rockets in the All-America conference, set a new record with his 68 yard touchdown run. The previous longest touchdown sprint from scrimmage was Harder's 33-yard run against the Washington Redskins in 1943.

Coach Adam Walsh of the Rams called upon Michigan's Tommy Harmon early in the fourth period to turn the tide. The former Wolverine star lasted only one play, on which he lost eight yards and was sent hobbling to the bench with a dislocated left elbow.

Between halves, glamorous Jane Russell of the movies accepted in behalf of her husband, Bob Waterfield, quarterback of the Rams, the trophy he won as most valuable player in the National Football league last year. The presentation was made by Bert Bell, commissioner of the league.

Bernie Bierman of Minnesota, coach of last year's All-Star team, presented the 1945 most valuable All-Star award to halfback Charles Trippi, of Georgia.

Starting Line-Ups

ED OLIVER, (above right), sinks a 10-foot putt on the 11th hole in the morning round of his match against Byron Nelson. Oliver was 2 up at this point and went on to upset the defending PGA champ, 1 up. (AP WIREPHOTO)

Oliver Tops Nelson In PGA

PORTLAND, Ore. (AP)—Defending title holder Byron Nelson was tumbled out of the National Professional Golfers Association championship yesterday when he lost to Ed (Porky) Oliver of Wilmington, Del., 1 down in the 36-hole quarter-finals.

Oliver, 207-pound shotmaker, pulled the tournament's biggest upset on the final hole in a thrilling battle that saw him 4 up at the 18th and Nelson 1 up at the 27th.

The last hole, witnessed by many thousands of spectators, was a dramatic climax in which Nelson, the greatest golfer of many years, cracked to take six strokes, one over par.

Oliver, meanwhile, after a drive into the rough, hit his second on to the fairway and his third over the pin by some 18 feet. He rolled his fourth to within eight inches of the cup and Nelson conceded defeat with a handshake.

One up at the 27th, after he had won five holes of the third nine, Nelson went 2 up at the 30th and appeared on his way to a win.

Oliver squared the match by winning the 32nd and 33rd, the former with a six-foot birdie putt and the latter when Nelson missed a putt.

On the 34th, Oliver went 1 up. Nelson hit his drive under a tree and had to waste a shot getting out. He missed his putt and conceded the hole to Oliver.

Veteran Harold McSpaden of Sanford, Me., outclassed Charles Congdon, Tacoma, Wash., to win 5 and 3 and will face Oliver in today's 36-hole semi-finals.

In the lower bracket, smiling Jimmy DeMaret of Houston, Tex., gave par and his opponent Jim Turnesa, Mamaroneck, N. Y., a licking, the score being 6 and 5.

DeMaret will swing into action today against little Ben Hogan, Hershey, Pa. star, now the leading money winner of the year.

Hogan advanced with a 5 and 4 win over Frank Moore, Overland, Mo., after the latter had pulled a surprise by outshooting Hogan in the morning round to hold a 1 up lead.

Moore hit the Portland par 72 course for a nifty 67 in the first eighteen, Hogan carding 68.

The Missourian's game started falling to pieces on the third nine, three-putting and approaching poorly.

Stranahan Beats Earl Wilde, 3-2

LAKE FOREST, Ill. (AP)—Frank Stranahan, the Western Amateur champion from Toledo, O., moved into the quarterfinals of the Great Lakes Amateur golf tournament yesterday with a five under par performance over 31 holes.

He defeated Bill Ludolph of Waukegan, Ill., 4 and 3, and Earl Wilde of Chicago, 3 and 2.

Jim Frisina of Taylorville, Ill., who qualified on a par 73 and moved up yesterday with a pair of 5 and 4 victories, will oppose Stranahan this morning. Frisina defeated Fred Harkins of Antioch, Ill., and John Paschall of Melrose Park, Ill.

New York at Pittsburgh—Voiselle (7-10) vs. Lanning (3-3)

Two-Hitter Fails; Bruins Win, 3-1
CHICAGO (AP)—Johnny Sain pitched a two-hitter against the Chicago Cubs here yesterday, but lost it as Boston suffered a 3-1 setback.

The Cubs mixed both hits—an infield safety by Phil Cavarretta and Eddie Waitkus' pinch single—with two walks and Nanny Fernandez' error for all three of their runs in the seventh inning.

Big Paul Erickson, the winner, allowed but three hits in beating Sain for his No. 7 triumph.

Flores Hurls Macks To Win Over Tribe
PHILADELPHIA (AP)—Jess Flores pitched the Philadelphia Athletics to a 1-0 shutout over the Cleveland Indians before 11,333 last night for the A's fourth straight. With two out and the bases loaded in the ninth, catcher Gene Desautels singled, scoring Pete Suder with the only run of the game.

Flores held the Indians to three hits. He walked none and struck out six.

It was a pitchers' battle between Flores and Mel Harder, veteran Cleveland pitcher who kept the A's in check with five hits until the ninth.

Yanks Top Browns For Fifth Straight
NEW YORK (AP)—The New York Yankees won their fifth straight last night when Ernie Bonham held the St. Louis Browns to six hits in pitching the New Yorkers to a 4-1 triumph.

Joe Gordon treated the 32,571 onlookers with his tenth home run in the third inning. The Yankees now trail the pacesetter Boston Red Sox by 12 games.

Wilburn Takes 3 Firsts
DES MOINES (AP)—Jimmy Wilburn, the slim speedster from Indianapolis, piloted his Riverside special to three first places in the Iowa Centennial State fair auto racing program yesterday before nearly 16,000 persons.

Buc Spurt Rocks New York, 7-3
PITTSBURGH (AP)—The Pittsburgh Pirates batted all the way around in the seventh, breaking a tie with four runs, to defeat the New York Giants, 7-3, at Forbes field last night. Attendance was 15,306.

Walker Cooper's wild throw in the seventh, combined with four hits, salted down the game for the Pirates.

Moore's Hit Beats Phils

ST. LOUIS (AP)—Terry Moore's pinch single with two out in the ninth inning scored Whitey Kurowski as the St. Louis Cardinals defeated the Philadelphia Phils 2-1 last night and clung to their first place tie with the Brooklyn Dodgers.

The victory was the Cardinals' third straight off Philadelphia left-handers, Oscar Judd following in the wake of Ken Raffensberger and Tommy Hughes, who also lost by one-run margins.

But the Phils continued their stubborn ways, refusing to go down until Kurowski doubled on a fly ball which dropped in left center between Johnny Wyrostek and Del Ennis. Judd purposely passed Enos Slaughter and Moore batted for Dusak, driving a sharp single to left.

Blanked by Johnny Vandermeyer Thursday night, the Dodgers spotted the Red Legs a 1-0 lead before tying the score in the sixth and winning the game in the ninth when Dick Whitman singled home Ed Stevens from second base.

Ray Mueller homered off Kirby Trout in the second to put the Reds in front and although the Rhinelanders clipped Higbe for six more hits the rest of the way, the veteran righthander left seven Reds stranded.

Dick Wakefield, with a home run, triple and single, led Detroit's 10 hit attack in the second game.

Hal Newhouser failed in a relief role in the first game, walking across the winning run in the eighth inning. Newhouser entered the game with the score tied at 2-2, two on and one out.

Iowa City Vets Lose to Erie

Iowa City's entry in the National VFW softball tournament at Topeka, Kan., last night dropped a 6-2 decision to Erie, Pa. The 2581 boys had a one run lead going into the last of the seventh but the Pennsylvania Vets pulled the game out of the fire. The Erie nine collected eight hits off George DeMoss who was hurling his second game in as many days. Post 2581 plays Tarkio, Mo., this afternoon at 2 o'clock in the double elimination tourney. The local Vets won their first contest in the Topeka meet Thursday when they defeated the Red Oak, Iowa, entry, 2-1, as Eddie Rudi scored from third on a wild pitch for the winning run. DeMoss struck out 14 and allowed four hits while his mates made their two hits count for a pair of runs. Iowa City was slated to play Elgin, Ill., in the first contest but the schedule was revised to eliminate two of the four Iowa teams entered in the tourney. Davenport defeated Ft. Madison 2-1, to join Iowa City as the Iowa entrants.

Californians Capture National Snipe Titles

JAMESTOWN, N.Y. (AP) — Two Californians, Bob Davis of Balboa and sixteen-year-old Bob Carrick of Lake Merritt last night were declared winners of the International and Junior National snipe regattas on Lake Chautauque. Davis finished fourth in the third international trial yesterday, but had led the 37 other competitors across the finish line in the first two trials. He amassed 4,569 points. Carrick was named winner in the junior nationals after Harold Griffith, chairman of the racing committee, said a protest had been "straightened out." He would not disclose the nature of the protest. Carrick crossed the finish line first in all three trials to give him a perfect score of 4,800 points. Sixteen competed in the junior event.

Grand American Trapshooting Stopped By Darkness; Hold Shoot-Off Today

VANDALIA, O. (AP)—Darkness overtook the Grand American Handicap Trapshooting tournament's biggest "roarin' grand" yesterday, sending it into another day of firing for the first time in its 47-year history.

The record-breaking field of 1,487 marksmen completed the 100 target handicap grind just before night fell, but there was a three-way deadlock for the title and the Amateur Trapshooting association announced that a shoot-off for the sport's most coveted championship would be held today at 8 a. m. E. S. T. The result of the dawn-to-dusk barrage remained in doubt until a few minutes before the final

gun sounded when the ATA's executive board ruled as valid a questionable score posted early in the morning by J. F. Bennett, an airlines pilot from Miami, Fla. The ruling made Bennett eligible to compete for the title in the sport's premier event with John J. McHale, 33-year-old shoe manufacturer from London, Ont., and J. I. Nicolai, 66, Denver, Colo., garage operator. The three had killed 96 of 100 targets in the regular shoot today at 8 a. m. E. S. T. The result of the dawn-to-dusk barrage remained in doubt until a few minutes before the final

Opening Day of First Iowa State Fair In 5 Years Draws Crowd of 60,000

Spectators Crowd Bleachers, Fences To See Auto Races

IOWA STATE FAIR GROUNDS DES MOINES (P)—Iowa's Centennial State Fair, the first exposition in five years, opened to a huge crowd yesterday highlighted by an estimated 30,000-35,000 joyous youngsters.

It was children's day and the boys and girls made the most of it.

Fair Secretary Lloyd Cunningham estimated the crowd at 60,000, compared to a first day attendance of 59,163 in 1941, the fair's last showing.

Despite an overcast sky, which let loose briefly early in the afternoon, the spirits of the crowd would not be dampened as the milling thousands prowled through the exhibits, watched the livestock judging and the various shows and entertainment.

Grandstand Sold Out
The grandstand, capacity 12,500, was sold out for the afternoon show which included automobile races and circus acts. Another 2,500 sat in the bleachers and countless hundreds hung over the race track fences and were showered with dirt as the cars tore past.

The first presentation of the fair's musical show, "Centennial Melles" was to be staged last night.

A special children's day free program of circus and other acts was given in front of the grandstand yesterday morning.

Bob Adams, 42, and a Fairfield barber, won the championship of the state whisker derby and 100 silver dollars. With a waxed moustache, curly sideburns and a wavy goatee, he impersonated buffalo bill in social attire. He wore a frock coat, top hat, and a large, red plain scarf for a necktie.

Livestock Program
Highlights of yesterday's livestock program were the selection of grand champion 4-H club and Future Farmers of America market barrows, 4-H club grand champion fat lamb and open class market barrow champion.

Four-H club judging will reach its climax today with the selection in the morning of the baby beef breed champions and the picking of the grand champion and reserve champion baby heaves in the afternoon.

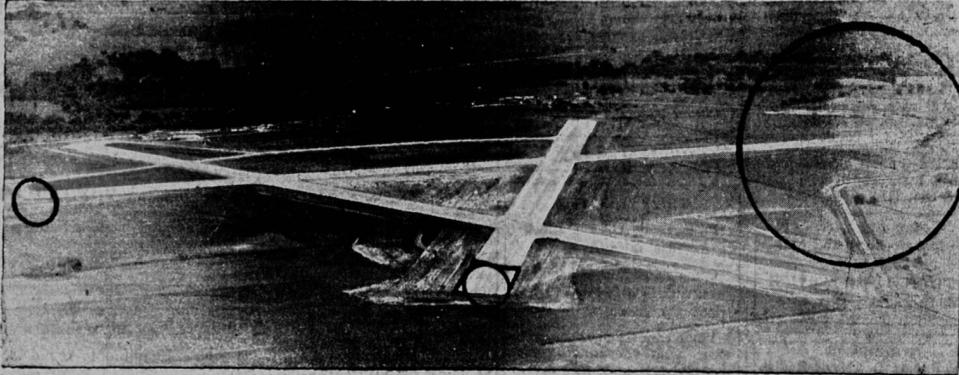

Also on the morning program will be the sale of open, FFA and 4-H club market barrows at 9 a. m. The auction normally attracts a large number of buyers and the prize pigs bring big prices. Judging of 4-H breeding lambs will be a feature in the sheep pavilion.

Thrill Days
Today is the first of two "thrill days" at the fair with a group of dare-devils—Jimmy Lynch and his Death Dodgers—performing a variety of stunts before the grandstand. Circus acts and the evening performance of the fair's musical will fill the entertainment program.

The day also has been designated as "press day" and the editors and publishers of the state's newspapers will be the guests of the fair board at a luncheon.

The all-Iowa quiz derby opens in the exposition building, one of the most interesting features of

NEW RUNWAYS COMPLETED

NEW PAVING at the Iowa City airport has given the city one of the "finest sets of airport runways in the country for a city of its size," according to F. C. Wilson, resident civil aeronautics administration engineer. The strips of paving encircled in the picture are new. The thinner lines of paving are taxiways and were also paved during the program. The \$260,000 project for grading, paving, drainage and cover crop for the airport will be completed and ready for CAA inspection by Aug. 29, Wilson said yesterday. In the fall, \$40,000 of the original appropriation will be used for lighting, fencing and seeding the airport. This is in addition to the materials furnished by the government for the lighting system. The runways will have flush-type lighting with the first half of each runway equipped with white lights and the second half with amber lights. Green lights will mark the end of the runways. The edge of the graded area will be marked by red lights. The completion of the project gives the

airport a 4,300 foot north-south runway (running horizontally in the picture), and a 4,000 foot east-west runway (running diagonally from upper left to lower right). The third runway, running north-west to southeast, will be 4,000 feet long. All the runways are 150 feet wide. The taxiways shown between the runways and the hangars total 4,095 feet in length and are 50 feet wide. Paving for the runways and taxiways is laid on a stabilized base of crushed rock, seven inches thick. Nine-inch concrete is laid over the base. The graded areas shown at the side of each runway are now bare dirt. They will be planted in rye this fall and bluegrass next spring, Wilson said. The paving was done by the Collignon construction company of Davenport. The sodding of some areas is being done by Chalupa Brothers company of the same city. Coralville Fisherman Has Double Bad Luck

A fisherman usually thinks he's had a bad day if he doesn't catch anything, but the misfortune of Weldon G. McCall of Coralville, had Thursday afternoon puts the "usual" to shame.

McCall parked his car on S. Riverside drive, just below the Iowa river dam, and went down to the river's edge to fish.

About 5 p. m. he quit fishing with nothing to show for his efforts and walked back toward his car to go home.

The car wasn't there. The 1937 V-8 tudor sedan had been stolen.

Firemen Called to Oil Fire at Johnson Home

Firemen were called to the home of Fred V. Johnson, 809 Seventh avenue, at 10:03 a. m. yesterday to put out an oil fire which started in the furnace while repairs were working on it. There was no damage.

Police Court

Joseph Eugene Healey, Iowa City, was fined \$37.50 in police court yesterday for speeding 70 miles an hour on his motorcycle. Mrs. Pat Pearson and A. Christenson, both of Iowa City, each were fined \$1 for overtime parking.

Reports for Football

Virgil M. Hancher Jr., son of President Virgil M. Hancher, is among 34 players scheduled to report for football practice Sept. 7 at Schattuck school in Fairbault, Minn.

pre-war fairs. The state checker tournament and old fiddler's contest also are on the agenda.

Among the musical organizations on the program will be the Springville and Maquoketa high school bands and the B natural music club of Waterloo.

Authorities May Utilize SUI Facilities in Poison Autopsy

BURLINGTON (P)—University of Iowa facilities may be used in an autopsy of the body of Mrs. Hattie Calhoun, it was indicated yesterday by Graham Tevis, Indiana police detective, in an exhumation hearing held here.

Mrs. Calhoun died at Dupont, Ind., in 1937 while under the care of Mrs. Lottie (Tot) Lockman, who is charged in that state with murder by poison in the death of another woman.

District Judge Paul McCoid yesterday granted a request of Indiana state police for exhumation of the body of Mrs. Calhoun but stipulated that it must not leave

the state. He had refused a similar request a few days ago.

"According to the testimony, a conclusion that Mrs. Hattie Calhoun's death was connected with a criminal act is justified," Judge McCoid said, and added that a representative of Mrs. Lockman would be permitted to attend the autopsy if desired.

Tevis, chief witness at the exhumation hearing, said the autopsy would probably be arranged for next week.

Dr. E. C. Sage, head of the county health unit here, testified at the hearing that if there was poison in the body of Mrs. Calhoun at the time of her death it would still be present.

Local OPA Staff Holds Training Conferences

Three members of the United States employment service office, including Albert Kline, manager, are participating in staff training conferences.

The office was closed yesterday afternoon and will close again next Friday for the sessions, Kline said.

Local Gun Club Traps To Be Open Sunday

The Iowa City Gun club traps, near Hills on highway 218, will be open Sunday afternoon for all trapshooting fanciers who are interested, Frank Smith announced yesterday.

Those desiring to shoot should bring their own shells. A small charge will be made for target birds.

Dr. L.L. Dunnington To Officiate at Rites For James Chamberlin

Funeral services for James L. Chamberlin, 72, 321 Fairview avenue, will be held at 2 p. m. today in the Oathout funeral chapel, with Dr. L. L. Dunnington officiating. Burial will be in Ridgewood cemetery, North Liberty.

Mr. Chamberlin died in University hospital Thursday after a long illness.

He was a member of the Methodist church and the Sons of Veterans.

He is survived by his wife; five daughters, Mrs. Aubrey White and Mrs. A. J. Carner, both of Iowa City, Mrs. Warren Peterson of Mt. Vernon, Mrs. Virgil Boss of Napa, Calif., and Miss Maurine Chamberlin of Sacramento, Calif.; 15 grandchildren and two great grandchildren; one sister, and one brother.

Automobile Accident

Richard Gay, 15, 506 Dodge street, was involved in an accident Wednesday afternoon when his car collided with a truck driven by Mrs. Wetzell eight miles east of Iowa City on highway 6. Damage to the Gay car was estimated at \$60. The truck was not damaged.

IT'S PENNSYLVANIA, NOT EUROPE

THESE BEFORE AND AFTER photos showing what a little food can do, stem not from war-stricken Europe, but from Pennsylvania. Betty Reffner, 19-year-old former housemaid at the home of Dr. David Lee, Bedford, Pa., veterinarian, is shown right after a gain of 59 pounds—taken on after authorities removed her, left, from the Lee home, where she testified she had been starved, beaten and imprisoned. The Lees now face new charges of aggravated assault and battery after having been given a \$200 fine each. The couple denies cruelty charges. (INTERNATIONAL SOUNDPHOTO)

My Beauty Treatment

depends on plenty of hot water, too . . .

"We girls" find that staying neat and dainty—especially in the summertime—requires an abundance of hot water. Many facials are the order of the day—in addition to frequent shampoos and refreshing, cleansing baths. As for clothes—more changes to fresh, clean garments are a "must" this time of year. That's where automatically supplied gas heated water comes in. Besides contributing to everyone's summer comfort, it proves a real boon to busy homemakers by helping to clean house and wash dishes in less time and with less effort. Yes—it provides one of the outstanding benefits of modern home life.
