Federal Order Freezes Nation's Soft Coal Stock

Supplies Put Under Strict Rationing

WASHINGTON (AP)—A drastic government order froze the nation's meager soft coal supplies and placed them under rationing yesterday as John L. Lewis stonily stood pat on the challenge which threatens a strike at midnight Wednesday.

Going far beyond the freeze order issued at the time of the bituminous strike last spring, the government seized control not only of future coal production but also of all stocks now in transit and in dealers' yards. It will be doled out only to utilities, railroads, ships, hospitals, laundries, food plants and householders having less than ten days' supply on hand.

"Issuance of these orders is an essential precaution in view of the unwillingness of the president of the United Mine Workers to accede with the president's request to reconsider the government's proposal looking toward a settlement of the coal controversy," Secretary of the Interior Krug told the press in a statement.

As the government thus prepared for the worst, Lewis ignored the administration's second appeal for a 60-day truce and its pointer warning that he has no legal grounds for terminating the miners' present contract.

Members of the operators' negotiating committee, who had agreed to the administration proposal for negotiations with Lewis over his new wage demands, took Lewis' refusal at its face and scattered to their homes.

And the impasse continued without signs of a break. A high government official reported privately that the administration has not decided what further steps to take.

The freeze covers only soft coal. Anthracite may be distributed normally.

Meanwhile, police arrested approximately 100 more pickets in the Hollywood movie labor jurisdictional dispute and 12 men involved in a Birmingham, Ala., gas strike were denied bond and jailed under 90-day to six months sentences for illegal picketing and continuing to strike.

Trans world airline's twin and four engine planes were back in the air as the company resumed domestic and overseas operations 27 days after its pilots went on strike in a wage and dues dispute. The disputants agreed yesterday to submit their dispute to arbitration.

The Hollywood arrests brought to approximately 800 the number booked in two days on charges of violating a mass picketing injunction. Overflowing the Hollywood jail, many of the arrested pickets were taken to Lincoln Heights' jail. The arrests at Columbia studio were peaceful, the pickets appearing eager to board the police wagons.

Ignore Court Order

The 12 men arrested at Birmingham were accused of ignoring a court order barring picketing at the cafe and prohibiting continuance of the strike. Fines totaling \$4,508 also were assessed against the men, members of the AFL Culinary Workers' union. Commenting in advance of AFL spokesmen, regional CIO Director Carey Haigler said he regarded the court order as "a direct threat to all labor."

At Parkersburg, W. Va., bus and street car service came to a halt when approximately 100 AFL employees of the city lines of West Virginia left their jobs in protest against the discharge of several veteran employees.

Picket lines of the AFL International Union of Operating Engineers began closing down the Dow Chemical company plants at Freeport, Tex., where 6,000 are employed. Negotiations for a new contract reportedly became deadlocked.

BULLETIN

Man Killed in Accident 14 Miles North of Town

William O. Rule, 34-year-old Washington, Iowa, resident, was killed shortly before midnight last night when his car overturned on highway 218 one mile north of Curtis, 14 miles north of Iowa City.

Mrs. Rule, who was also riding in the car at the time, was taken to University hospital with serious cuts and bruises. She was conscious by the time the ambulance reached the hospital.

According to Sheriff Preston Koser, Rule's body was found on the highway about 30 feet from the overturned auto. Mrs. Rule was found unconscious in the car.

The car had Missouri license plates, but Sheriff Koser said that he assumed that the Rules had moved to Washington recently.

Mr. Rule is a marine corps veteran. Koser said. Besides his wife, he is survived by a 13-year-old son.

Cold Front

CAA Predicts Drop To 20 Above

Steadily dropping temperatures yesterday and a light snow flurry between 11 a. m. and 1 p. m. were sufficient evidence that winter is moving into Iowa City.

CAA weather station at the municipal airport reported a 36 degree temperature yesterday at 1 p. m. and expected the mercury to drop into the 20's early today.

The chilly weekend spurred many local hunters to spend hours in blinds awaiting mallards.

Today finishes the 21-day abbreviated pheasant season in Johnson county. A number of university students organized hunting parties which took to the field early this morning and others spent the weekend hunting in their home counties.

Lawton J. Petrick, secretary of the local Izaak Walton league said yesterday that the end of the pheasant season would probably find Iowa City hunters out again today despite the threat of colder weather.

MEET THE TEAM

Don't go back to sleep—get up and help Tailfeathers and the university cheer leaders greet the football team at 10:45 at the College street interurban station. End the season with a big reception for the team.

Taft-White Combo to Lead GOP Senators

WASHINGTON (AP)—Senate Republicans apparently settled yesterday on a Taft-White combine to lead them in the 80th congress but both Democratic and GOP house leadership races were further snarled by new aspirants.

Senator Taft of Ohio put everything but the final seal on the Republican set-up in the senate with an announcement that Senator White of Maine is his personal choice for floor leader. Taft said he himself would "hope" to stay where he is at the head of the party's steering committee, a background job.

In the house Rep. Dirksen of Illinois announced his candidacy for the Republican leadership. The other avowed contestants are Reps. Halleck of Indiana and Jenkins of Ohio, with Clarence Brown, also of Ohio, "available." The race is for the job Rep. Martin of Massachusetts will vacate to become speaker.

On the Democratic side the possibility of a north-south contest for the minority leadership arose with a report that Rep. Rankin of Mississippi may be a starter.

In an other main development on the GOP congressional and politics front, Rep. Judd (R., Minn.) criticized his party's machinery which is grinding on a 20 percent individual income tax cut. He challenged the right of the house Republican steering committee to commit the whole party. He suggested that some of the new members may share his feeling that the budget should be balanced before taxes are cut.

Gov. Kerr Expected To Succeed Hannegan

WASHINGTON (AP)—Gov. Robert S. Kerr of Oklahoma was reported yesterday to be the choice of party leaders to succeed Robert E. Hannegan as Democratic national chairman if the latter resigns in January as expected.

President Truman was said by associates to look with favor on the selection of Kerr, who keynoted the 1944 party convention at which Mr. Truman was nominated for vice president.

Kerr threw the 22 Oklahoma votes he received for vice president on the first ballot of the 1944 convention to Mr. Truman on the second ballot, when the latter was nominated.

Membership Totals 973 in I.C. Civic Music Association

Season tickets for the 1946-47 concert series of the Iowa City Civic Music Association totaled 973 as the membership drive ended last night.

Although the goal was set at 1,100, the drive was considered very successful by Dan C. Dutcher, president of the group. This is Iowa City's first year in the civic music series.

Talent and times for the concerts will be announced later, after the board of directors' choices are approved by the circuit managers. With at least three concerts to be held during the year in the City high school auditorium, the first will undoubtedly be held before Christmas, Dutcher said.

No more memberships will be sold and admission to the concerts will be by membership only. No single admissions will be accepted, the committee emphasized.

Other towns in Iowa using the civic music plan include Dubuque, Des Moines, Davenport, Keokuk, Ottumwa, Carroll and Burlington. Memberships here are also good in these towns.

Bomber Crash Kills 3

WICHITA, Kan. (AP)—An army air forces A26 attack bomber from Randolph Field, San Antonio, Tex., crashed in an open field near Benton, Kan., Saturday night, killing all three members of the crew.

No Decision in Rents

WASHINGTON (AP)—No decision has been reached yet by the OPA on the question of rent increases, an official of the agency said last night.

Big Four Near Solution On Trieste

NEW YORK (AP)—The council of foreign ministers made progress yesterday toward reaching a solution on the thorny issue of control of Trieste, but ran into a new snag on the problem of a deadline for removal of occupation troops.

A three-hour session ended with a decision to turn over to Deputy Foreign Minister Couve de Murville of France the problem of drafting an agreement on the issue of who should control Trieste police—a point which Byrnes had termed essential to a solution of administration of the ancient Adriatic port, and to the prestige of the United Nations.

Persons present at yesterday's deliberations viewed the developments with guarded optimism.

However, they cautioned that a decision would depend upon the exact wording of the question of police control.

Foreign Minister V. M. Molotov of Russia once again raised the issue of a deadline for departure of occupation troops from Trieste.

This, in itself, may prove an issue which will deadlock the council on a decision.

Molotov, apparently in a conciliatory mood, agreed to the supreme powers for the governor of Trieste, departing from his demand for a sharp, reduction in power for the governor who would operate under the guidance of the United Nations security council.

Chinese Reds Fear Government Attack

By JOHN RODERICK

YENAN, Nov. 14—(Delayed)—Chinese Communists rushed their women and children to the hills today and vowed to defend their headquarters city to the death against a government onslaught which they predicted in 10 to 14 days.

As I arrived from Peiping aboard an American army transport plane, air raid sirens wailed a warning against a government P-38 lightning reconnaissance craft, which methodically circled high overhead.

Government authorities in Nanking have repeatedly denied plans to assault Yen-an, but a communist spokesman said Generalissimo Chiang Kai-Shek's armies were massing in great strength.

Bye Passes Hawkeyes Twice For Minnesota Touchdowns

By DON SULHOFF

MINNEAPOLIS, Minn.—A stiff cold breeze and a 25-degree temperature chilled 59,180 fans in Memorial stadium here yesterday but a gentleman by the name of Billy Bye—a right smart halfback—chilled the 5,000 Iowa supporters even more as he reeled the Minnesota football team to a 16-6 victory over the Hawkeyes.

It was a sweet win for the Bernie Bierman followers who had been told their favorites would go down by at least 13 points. Even more it left intact the old Iowa jinx of never being able to win in Memorial stadium.

It was 25 years ago when Iowa last defeated the Gophers in Minneapolis. That year Gordon Locke, the Devine brothers and Duke Slater turned the trick, something the Hawkeyes of 1946 couldn't manage.

Why they couldn't can be answered in a few short words—Bye just ran by them.

The game was only two minutes old when the 174-pound smashed over Iowa's right tackle into the end zone with the touchdown that Iowa never recovered from, and it was an Iowa mistake that gave him his chance.

Don Headington, on the first play from scrimmage, took a lateral from Lou King but couldn't hang onto it and Minnesota's Bill Thiele recovered on the Iowa 18 yard line.

Bye started goalward on the first play and cracked for four yards. Then he took a short rest while Harry Elliott lost a yard. Then Bye faded back and faked the Iowa defenders out of position with a forward pass threat, started for the right wended his way through a host of Hawkeye tacklers and finally got pushed out on the two yard line, the end of a 13 yard trail. He wasn't through yet and on the next play tore the hearts out of the Iowa fans with a smash over left tackle that was good for the six points. Merland Kispert added the extra point.

That was the touchdown that left Iowa weak and they never completely recovered until the third quarter when they shoved across a score.

It started when a stiff wind forced a Minnesota punt out on the Iowa 49 yard line, the road was rocky, however as it took the Hawkeyes 14 plays to travel the 51 yards.

Bobby Smith took the first hunk out of the yardage when he tried left tackle—found a hole—and went 9 yards downfield. He tried it again but it was good for only 3. Then Bob Sullivan combined with Smith and in two plays they grabbed a first and ten on the Minnesota 28 yard line.

Two smashes at the line set the Hawks back one yard and King called on Sullivan to pull them out. Sully faded back and hit End Jack Dittmer with a perfect pitch that carried 21 yards to the seven. King carried to the two yard line and Bartels smashed twice but was short three inches.

Minnesota expected another crack into the line and that is just what happened. With the defense bunched in the middle King took the ball and with sheer force just got over the double stripe.

The all-important try for the Minnesota wasn't satisfied with just an eight point lead. They wanted more and went after them with a zeal.

Both teams had to punt, but Minnesota got the break. Sullivan tried to field the rolling ball but fumbled and Widseth pounced on it to give the Gophers first and ten on the Iowa 17 yard line.

It was a guy called Tom Coes who took over the Gopher attack. Seven times he went over Iowa's left tackle and the only thing that kept him from getting into the end zone was a five yard penalty—too many time outs. He drove to the one yard line and had two downs to make the points.

The penalty set the ball on the six and Cates simply put down his head and went back to the one. After that his luck ran out and Hal Shoener pounced on a fumble on the two.

Sullivan went back to punt for Iowa and was run out bounds in the end zone by Widseth—and that finished the scoring for the day.

Bye was easily the best on the field and his unorthodox style of running—straight up with his feet always dancing—was good for 112 yards in 17 tries.

If one were to speculate on the Iowa team he would have to give the Hawkeyes ends credit for a great defensive performance. Hal Shoener repeatedly knocked passes out of throwers arms and Bob Phillips just wouldn't be circled.

The loss gave Iowa a 3-3 conference record and a 5-4 mark for the season.

point was wide by a few feet, but Iowa supporters still had plenty of hope for another Iowa score. It might have happened that way except for the freak play of the day that helped the Gophers to a second helping of touchdowns.

After the kickoff, Iowa forced Minnesota to punt into the stiff wind and Smith picked up the ball on his own 40, but didn't stop until he had squeezed to the Minnesota 31 yard line.

Sullivan tossed a long pass that Dittmer couldn't reach but Mark Heffelfinger of Minnesota could. He leaped high into the air, grabbed the ball on the two yard line and backed into the end zone. Dittmer grabbed the ball but couldn't hang on and the speedy halfback started up the left sideline. On the 35 yard line he was tackled hard—the ball flipped into the air and Center Warren Beson captured it—traveled over up the field, was hit but, shot a lateral to Dean Widseth who was finally stopped on the Minnesota 48.

That was too much for the Hawkeyes.

Two smashes at the line produced eight yards and then Bye took over on the Iowa 46, ran through the whole Hawkeye team into the clear, but was finally stopped by Bob Sullivan who came up from behind on the 16 yard line. That run kindled the fire.

Two tries by Elliott picked up 7 yards. Heffelfinger got the first down with a plunge to the six.

The Hawkeyes stopped two running plays but Bye danced his way into the end zone from the six. Again Kispert made his extra point try good.

Pauley Urges Removal Of All War Industries From Jap Economy

WASHINGTON (AP)—Reparations Commissioner Edwin W. Pauley last night urged President Truman to authorize complete removal from Japan of all war industries, rubber, aluminum and magnesium plants and to permit "substantial removals" from eleven other categories of Japan's economy.

AT THE BOTTOM of this pile lies Iowa Quarterback Lou King with the ball safely over Minnesota's goal-line for the Hawkeyes' lone touchdown in yesterday's game at Minneapolis. Too late to stop the score were Gopher Halfback Faunce (5) and Guard Nemelling. (AP WIREPHOTO)

Premier Set For OWI Film Of University

"Freedom to Learn," a film made by representatives of the office of war information on the University of Iowa campus in 1944, will be given a premiere showing in Iowa City Thursday. The movie will be shown twice in MacBride auditorium—a matinee at 4:30 p.m. and an evening performance at 7:30. No admission will be charged.

Showing of the film is sponsored by Mortar board, according to Secretary Holly Baker, A4 of Highland Park, Ill. She said the movie was made to demonstrate how one of the United States provides education for its citizens, and the relationship of an American university to American communities and people. It is one of a series of films depicting the story of democracy at work in the United States.

Although the film originally was intended for foreign distribution only, according to Lee Cochran of the visual education department, permission was granted by OWI to show it to university students, faculty and alumni.

Sound tracks accompanying the film were recorded in 22 different languages. All roles in the film are portrayed by students and members of the faculty.

"Freedom to Learn," which runs about 23 minutes, will be followed by a 32 minute color movie, "Our Iowa," which was produced by the extension division's bureau of visual instruction.

Prof. Henri Barzun Schedules Lecture On French Politics

Prof. Henri Barzun, former visiting lecturer of the Romance languages department, will lecture on "French Politics of the Future" in the senate chamber of Old Capitol tomorrow at 4 p. m., Prof. Clarence E. Cousins of the Romance languages department announced yesterday.

During the two years Professor Barzun spent with this university, he became well known throughout the state for his lectures on French literature and French politics, Professor Cousins said.

Before Professor Barzun came to the United States in 1918, he was an attaché of the French cabinet, department of labor and national education. He came to America as a member of the French commission for press and cultural relations.

Since 1920, Professor Barzun has held positions at Lehigh university, College of New Rochelle and Fordham university.

The lecture is open to the public.

Prof. E. Horn Aids In Editing Manual

Prof. Ernest Horn of the college of education, director of University Elementary school, is one of five Iowa educators who prepared and edited a recently published manual on health education for Iowa rural and elementary school teachers.

The handbook, "A Plan of Health Education," is one of several volumes of a state course of study for elementary schools, prepared with special reference to rural schools, according to Professor Horn.

The book's program was made with the cooperation of the Iowa state board of health, Professor Horn said.

Prof. Ralph H. Ojemann of the educational psychology department and the child welfare station, is one of four men on the expert counsel committee that assisted in preparing and editing the book.

Rub-A-Dub-Dub, All Men at the Tub; Women's Work Is Done

Modern Methods Might Mark 'Finis' for Irish Washerwoman

Washday is no longer the exclusive domain of women if the number of lone males doing laundry at the new self-service laundry is any indication of a trend.

Attacking traditionally woman's work with nonchalance, men sorted sheets and T-shirts Friday with as much aplomb as if they had been doing laundry all their lives.

The laundry malling box threatens to become a thing of the past, for instead of being sent home to Mom, student sons also are tackling the dirty clothes problem on their own.

Bill Wheeler, manager of the new store on S. Van Buren street explained the procedure to be followed with the automatic washers and let the men take it from there.

More conventional housewives who don't send husbands out to do the laundry can deposit "Junior" in the stores playroom and attend to the weeks washing without juvenile interference.

B. von Maryhauser of Cedar Rapids, president of the Laundrex company said the Iowa City store is the first one of a chain that the company is planning to establish in Iowa's leading cities.

At present the store has washers and partial dryers but intends to install permanent drying machines and mangles by January.

JOHN AND GEORGINE DAVID take the family laundry out of the automatic washers and head for the drying machines at the new self-service laundry. Georgine says she is planning to turn over the weekly chore to husband John, P3 of Paullina, now that he knows the system.

Esther L. Swisher Weds A. J. Preslar At Methodist Church

Before a floral arrangement of Tiffney palms and white chrysanthemums, Esther Lucille Swisher, daughter of Dr. and Mrs. J. A. Swisher, 114 Gilbert street, became the bride of Arthur J. Preslar Jr., son of Mr. and Mrs. Arthur J. Preslar of Hickory, N. C., at 7 p. m. last night at the First Methodist church.

Officiating at the double-ring ceremony was Dr. L. L. Dunnington. Harold Stark sang "The Lord's Prayer," "Because," "Ave Maria," "Liebestraum," "Oh Promise Me" and "Evening Star," accompanied on the organ by Mrs. Dorothy Sheldrup of Iowa City.

Maid of honor to the bride was Mrs. W. N. Becker of Iowa City. Glenn Preslar of Hickory, N.C., served as best man.

For her wedding Miss Swisher chose a gown of rose brocade and satin. She carried an arm bouquet of white chrysanthemums centered with gardenias.

After a wedding trip by car to Daytona Beach, Fla., the couple will be at home in Oak Ridge, Tenn.

Mrs. Preslar attended Iowa City high school, Simpson college and the University of Iowa. She was a former air line hostess for T.W.A. and recreation director for women at Oak Ridge, Tenn.

Her husband is a graduate of Hickory high school and Duke University, Durham, N.C. He is now employed as physicist at the Tennessee Eastman corporation at Oak Ridge, Tenn.

Instrumental, Vocal Works to Highlight Music Student Recital Series Tomorrow

A widely varied program of instrumental and vocal works will be presented by the music department tomorrow afternoon at 4:10 in the north music hall. The public is invited to the recital, which is the sixth in the 1946-47 student series, Prof. Philip G. Clapp, head of the music department, said yesterday.

A quartet of B flat clarinets will play the first number on the program, the "French Suite," in six movements, by Desportes. Members of the quartet are Mark Kelly, A1 of Centerville; Richard Hills, A2 of Iowa City; Elbert Masmur, A1 of Clarinda, and Laverne Wintermeyer, G of Jefferson City, Mo.

The program will continue with "Ombra Mai Fu" by Handel, sung by James Charleson, U of Iowa City, flutist; Wintermeyer, clarinetist; Daryl Gibson, G of Iowa City, trumpeter, and Margaret Waggoner, A4 of Centerville, bassoonist.

Next on the program will be "Care Selve" by Handel, sung by Maureen Farrell, A4 of Iowa City, soprano; Chopin's Etude" opus 25, No. 7, played by Joyce Roloff, A3 of Kirkwood Mo., pianist; Beethoven's "Sonatina" in G major, in two movements, Kenneth Eble, A2 of Shelby pianist; "Su Venite a Consiglio," by Scarlatti, Dorothy

Michaelson, A2 of Nevada soprano.

"Prelude" opus 28, No. 20, played on the piano by Donald Sandhorst, A3 of Atlantic; Chopin's Nocturne opus 32, No. 1, Mitchell Southall G of Tulsa, Okla. pianist; and Debussy's "Clair de Lune," played by Richard Rohloff, A1 of Delta, pianist.

The recital will be concluded by a woodwind quartet, playing "Deaux pieces," No. 1 "Lent," by Ropartz. Quintet members are Miss Wolf, flutist; Clark Mitze, G of Waterloo, oboist; Wintermeyer, clarinetist; Paul Anderson A3 of Des Moines, playing the English horn, and Miss Waggoner, bassoonist.

Hawkeye Assignments

Hawkeye editorial staff assignments for this year will be made at a meeting tomorrow at 4:30 in room C4, East hall, according to Editor Betty Neal, A4 of Pierre, S.D.

Miss Neal urged that all editorial staff members attend the meeting.

Legion Auxiliary

The American Legion auxiliary will hold a meeting tomorrow at 7:30 p.m. in the Legion room of the Community building.

Root to Address Humanities Group In Senate Chamber

Prof. W. T. Root, head of the history department, will speak to the Humanities society in the senate chamber of Old Capitol at 8 p. m. tomorrow. His subject will be "The Professors and Liberal Education."

Much attention has been given to the revision of curriculum in the last few years, Professor Root said yesterday, pointing out that much less has been said about teachers' qualifications. He said he will discuss the importance of liberal arts teachers' qualifications.

Before Professor Root was appointed head of the history department at the university in 1925, he was a professor of history at the University of Wisconsin. During summers he has acted as history professor at the University of Chicago, the University of Michigan, Harvard and Stanford universities.

A graduate of Princeton, Professor Root received his Ph. D. at the University of Pennsylvania.

Professor Root has written several reviews and papers on American history. He is a fellow of the Royal Historical society, a member of the American History association, the Mississippi Valley Historical association and the Triangle club.

All Humanities society meetings are open to the public, according to Prof. Goldwin Smith, president.

Military Ball To Be Jan. 17

The first formal Military Ball since the war, sponsored by the university reserve officers' training corps, will take place Jan. 17 at Iowa Union.

Presented at the ball will be the Honorary Cadet Colonel, nominated from women's housing units and selected by advanced R.O.T.C. students.

Officers of R.O.T.C. and other guests will also be present.

The committee for the ball, elected by R.O.T.C. advanced students, met Thursday to choose the following sub-committee members:

Benjamin Davis, A3 of Cedar Rapids, general chairman; Sidney C. Guthrie, C3 of Pittsburgh, finance; Morris J. Ward, A1 of Iowa City and Donald Fetig, E2 of Iowa City, decorations; William Day, C4 of Fort Dodge, band; Richard H. McKenzie, A1 of Fairfield, program; and George Patton, E1 of Omaha, Neb., and Shannon H. Nye A1 of Keokuk, invitations.

McCloy Says Japan Wants Democracy, Describes Nipponese Educational System

"Japan is desperately anxious to go democratic," stressed Prof. C. H. McCloy of the department of physical education in addressing members of the A.A.U.W. yesterday.

Professor McCloy who was a member of a group of American educators sent to Japan to revise the educational system there, spoke at a 12:30 luncheon-meeting at Iowa Union.

"Nation-wide approval has been shown in Japan for the abolishment of Shintoism in Japanese schools," emphasized the educator-instructor. "Censorship of Japanese textbooks by army and navy officers and members of our educational group was also widely acclaimed by the Japanese population."

In explaining the educational system of the Japanese prior to

MacArthur's occupation, Professor McCloy stated that it was completely centralized—the Ministry of Education published all textbooks and assigned a teacher's manual for every course.

Over 90 percent of the Japanese cannot read a newspaper, he continued, because of the use of 5000 characters which the schools do not include in their language course. Since the American Education Commission has intervened, however, Japanese newspapers now use only the 1200 symbols taught in the schools.

In concluding his talk, Professor McCloy said that the present attitude prevailing in Japan is one of hate for the former military regime and an intense interest in revising their educational system to include more education of women.

"If the United States remains in Japan for ten years, the Nipponese will probably become more democratic than we are."

L. Klein Consults With Religion Staff

Leonard Klein, visiting representative for the Goldseal Record company of Chicago, is consulting members of the faculty in the school of religion on making religious and educational recordings.

The record company plans to make instructional records in comparative religion with interested religious groups.

Klein, who is working here with Dr. Marcus Bach of the school of religion, said the company makes some popular recordings but is chiefly interested in the educational field. The religious records will contain examples and talks by various religious leaders.

University Orchestra To Feature Koelbel In Wartburg Concert

One hundred members of the university symphony orchestra will play in the second of an Artist's series sponsored by Wartburg college in Waverly tonight in the Waverly high school auditorium, according to Dr. Earl E. Harper, director of the school of fine arts.

Prof. Hans Koelbel of the music department will be featured as cello soloist. Three selections to be included on the program are "Suite in D Major" by Bach, "Concerto in B flat" for violin, cello and orchestra by Boccherini, and "Symphony" by A. Glazounov. Prof. Addison Alspach of the music department will conduct the orchestra.

Professor Koelbel, formerly of Germany, has been solo cellist in the opera at Breslau, solo cellist in the Philharmonic orchestra in Leipzig and a member of the Posniak trio.

The orchestra personnel will leave here at 1 p. m. Sunday, arriving at Waverly in time to be guests of the college at a 5:30 dinner.

Wartburg college officials have invited music teachers and outstanding music students from 100 high schools to attend the concert, Dr. Harper said.

Lecture Tickets

Free tickets for the William L. Laurence lecture on "Our Atomic Heritage," to be presented Thursday at 8 p.m. in the Iowa Union lounge, will be available starting tomorrow at 8 a.m. at the Union desk for faculty members and students.

Dr. Earl E. Harper, chairman of the committee on university lectures, announced yesterday that each student must present his own identification card when he picks up his ticket.

'Rock-A-Bye' Gains Again for Gophers

BILLY BYE (7), Minnesota halfback stumbles after a seven yard gain in the first period of the Dad's Day football game in Minneapolis.

Floyd Can't Believe It Either

Rosedale's Pride Back to Gophers

By CHAD BROOKS
MINNEAPOLIS, Minn.—Floyd of Rosedale is just a pig—and an iron one at that—but Floyd has become one of the nation's leading experts on football upsets. You see, Floyd was around in 1939 when a gallant band of Iron Men astounded the sports world with a 13-9 win over Minnesota's powerful Golden Gophers—and he was present in 1945 when a hapless wartime Hawkeye eleven stunned a great but uninspired Gopher team, 20-10.

ditional prize that goes to the winner when these two mid-western arch gridiron enemies clash. And when Floyd left the Iowa dressing room yesterday afternoon—firmly guarded by giant Gopher End Larry Halenkamp and Guard Warren Benson—one could see that Floyd's unspoken opinion was echoed by every Iowa player. "It just couldn't happen. Minnesota couldn't have won." Head Coach Dr. Eddie Anderson was quick with praise for the gallant Gophers. "A good ball team, a lot of spirit!" and Quarterback Lou King added "They deserved to win, they played hard ball."

and near gale swept Memorial stadium, taking almost complete charge of the punting game. Dr. Eddie offered, "It just wasn't our kind of a day, that was obvious from the start." Ron Headington, hard-hitting freshman fullback who set out most of the game after a first period injury, was plainly befuddled. "It's just a little bump on the knee, but I couldn't run on it." Ray Carlson, 170 pounds of guard dynamite had a similar problem—"I got hit on the side of the knee and just couldn't put my weight on it."

averaged 6.6 yards in 17 running attempts. Carlson summed up the Gopher star, "He's just a kid, looks so darn young, but hits awfully hard." And Bye, Billy just smiled and said it was "a swell game." The 59,180 fans who jammed Memorial stadium made up the second largest crowd ever to see an Iowa team play. Sixty-one thousand packed the same oval several years ago to set the alltime record. And there is little doubt that they were 59,180 of the coldest football fans in the history of the game.

Illini Drop Bucks, 16 to 7

98 Yard Run By Rykovich Adds Clincher

By JERRY LISKA
CHAMPAIGN, Ill. (AP)—Two mud-caked "forgotten" stars, Julie Rykovich, who streaked 98 yards for one touchdown, and elusive Buddy Young who set up another on a 34-yard run, gave Illinois a 16-7 win over Ohio State yesterday and nearly clinched the Big Nine title for the Illini.

With a possible Rose Bowl bid at stake the league-leading Illini proved too alert and fleet for the dogged Buckeyes before a rain-drenched Dad's Day throng of 61,519 at Memorial stadium.

GEORGE SPENCER (23), Ohio State quarterback, gets off a pass to teammate Jameson Crane for a gain to the Illinois 17 yard line in the first quarter. Illinois End Sam Zatkoff (38) moves back to aid in the tackle. No. 84 is Buckeye Guard Hal Dean. (AP WIREPHOTO)

The Illini struck for all their points after Ohio State took a 7-0 lead early in the game when husky Joe Whisler smashed 17 yards to paydirt and Max Schmittker place-kicked the point.

The issue really was settled in the second period when George Spencer's kick was blocked by End Sam Zatkoff of Illinois for a safety and Illini Quarterback Perry Moss sneaked over from the four-inch line a few seconds after Young sidestepped six tacklers on a 34-yard pass gain.

Irish Pommel Wildcats, 27-0

By CHARLES CHAMBERLAIN
SOUTH BEND, Ind. (AP)—Notre Dame, which played three quarters as if it had left its heart in Yankee stadium in that scoreless battle with Army a week ago, finally found its spark in 19-year-old Johnny Panelli yesterday and cracked out three touchdowns in the final period for a 27-0 decision over Northwestern.

and he hit twice later to run his record to 24 conversions in his last 28 tries. Frank Aschenbrenner's 45 yard runback of Lujack's punt put Northwestern in a threatening position midway in the initial period, but Pat Keenfe's pass was intercepted behind the goal line by Lujack to end the thrust which reached the 21.

Northwestern, behind Freshman Art Murakowski's 22 yard scamper, drove to the 22 in the second period, only to have Terry Brennan swipe Keefe's aerial again to end a threat. Those were the only times Northwestern came within earshot of the Irish goal.

Whether the conference winner will participate in the Rose Bowl this year will be decided when Big Nine and Pacific Coast faculty officials meet next Tuesday.

Gaining their sixth triumph in a campaign for the National Collegiate championship, the Irish hurled a total of 45 players against the stubborn Wildcats to wear them down for fourth-quarter scoring drives of 61, 50 and 38 yards in the sleet as a sell-out throng of 56,000 buttoned up its overcoats and roared approval.

In the third quarter, Notre Dame marched on its own one foot line to the Wildcats' eight, rolling up seven first downs on 23 plays. Livingstone, however, lost 13 yards and eventually Early attempted a field goal from the 18 which fizzled.

Ninety seconds before the final gun, McGee, from Longview, Tex., recovered Richey Graham's fumble as Ripon rapped Coe 10-0, in the schools' last midwest conference game.

Yale Rolls Over Princeton, 30-2

NEW HAVEN, Conn. (AP)—Yale's high-powered and smooth-working football team, beaten only once this season, rolled over its oldest rival, Princeton, by a 30 to 2 count before a capacity crowd of 70,000 in Yale bowl yesterday.

Wolves Swat Wisconsin, 28-6 To Keep Alive Big Nine Hopes

By FRANK KENESSON
ANN ARBOR, Mich. (AP)—Michigan kept alive its hope for a piece of the Big Nine football championship yesterday by handing Wisconsin a 28 to 6 lacing in which the Badgers only twice had possession of the ball in Michigan territory.

Michigan's fourth string center, Jim Brieske, converted all four points after touchdown.

Central Tips Luther

DECORAH (AP)—By virtue of their 21-6 conquest of Luther college at Decorah yesterday the Central college Dutchmen gained a tie for first place with Upper Iowa in the final standing of the Iowa conference.

Lions Top Lafayette

NEW YORK (AP)—Columbia defeated Lafayette 46-0 yesterday, scoring on long runs, sustained drives and forward passes in a lopsided grid battle before an estimated 12,000 fans at Baker field.

Duke—39, S.C.—0

COLUMBIA, S. C. (AP)—The Duke Blue Devils crushed the South Carolina Gamecocks yesterday with a stunning 39-0 triumph that knocked South Carolina from the southern conference leadership. Duke used its entire 36 player roster and scored in every quarter.

Coe Defeated

By FRANK KENESSON
CEDAR RAPIDS (AP)—It was Teddy Scallisi's show yesterday as Ripon rapped Coe 10-0, in the schools' last midwest conference game.

Davis Steals the Show As Army Trips Penn

PHILADELPHIA, Pa. (AP)—Gallop Glenn Davis and his army playmates turned in one of their more sizzling shows yesterday for the entertainment of a sell-out crowd of just under 78,000 customers and careened to a 34 to 7 victory over the ponderous Penn gridgers.

They thus made it 27 straight starts without a defeat in their three-year run of wrecking collegiate football machines.

It was an Army team triumph, as the Cadets came back hot from their scoreless deadlock against Notre Dame a week ago, to push the supposed mighty Quakers all over the place. But, actually, this one was strictly a Davis show.

The California Comet did practically everything as he scored two touchdowns himself, forward-passed for another and lateraled

By SID FEDER

for a fourth and put on what comes close to being the top performance of a career that has been strictly star-studded all the way.

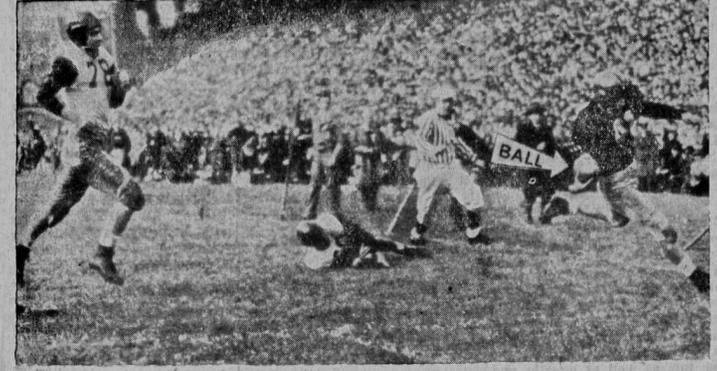

Altogether, he was in there carrying away for 50 minutes and carried the ball nine times for a net gain of 59 yards, or an average of better than 6½ times a carry. This, with his passing—two completions for 76 yards—and his kicking thrown in for good measure, made it strictly Davis day in this out-sized concrete horseshoe yesterday.

And when it wasn't Davis taking the Penns apart, it was his running mate, Doc (the Monster) Blanchard belting away at the line, or Arnold Tucker, the unsung quarterback, pitching passes until he injured his leg and had to be relieved.

Meantime, the Quakers showed a remarkable ability to go nowhere against the army defenses. They tossed a scare into the Cadets for a few moments in the first period when they got an Army fumble on the Cadets 30, and huffed and puffed to the 12, where they tried to settle for a field goal, that did not click.

From there until Army ran out its third and fourth stringers in the final chapter, however, Penn wasn't able to get beyond its own 38 yard line.

Against those bottom-of-the-barrel Army reserves, Penn managed a touchdown, when Rodney Adams broke through to block a Cadet punt on the West Point 24. The ball rolled over the end zone and end Frank Jenkins fell on it.

GALLOPING GLENN DAVIS had things pretty much his own way yesterday as he lead his West Point mates to a 34-7 triumph over Penn. Davis (41) is shown crossing the goal line to score Army's first touchdown. One unidentified Penn pursuer bites the dust as another, End Jerry McCarthy (78), can't quite reach the elusive Cadet halfback.

Cyclone Win Keeps Huskers In Big-6 Race

LINCOLN, Nebr. (AP)—Nebraska stayed in the running for Big Six conference football honors yesterday by smothering an Iowa State team, 33 to 0.

Long runs, fine kicking and the breaks were put together as the Huskers easily moved to a third conference victory against one defeat before a crowd estimated at 25,000.

The Huskers went in front in the first period when Tackle Vernon Stiner blocked an Iowa State punt and Guard Eddie Schwartzkopf got the ball on the Iowa State 43 to launch a touchdown drive.

The big play was a screen pass which Dick Hutton took for a 13 yard scamper and a first down on the Iowa State 20. In four plays the Huskers moved to a first down on the eight, and three plays later quarterback Fred Metheny sneaked over. Sam Vacanti tried for the point, but the effort was wide and Nebraska led 6 to 0 at the quarter.

A beautiful Nebraska and an Iowa State misplay definitely put the game in the Husker bag in the second period. On the second play, after Nebraska gained the wind advantage, Jim Myers quick kicked from the Husker 20 to the Iowa State 12. From there Ron Norman pitched a wide lateral that escaped Dick Howard and was covered by End Willard Bunker of Nebraska on the Iowa State four.

On the third play Myers went over and Vacanti kicked the point for a 13 to 0 lead.

It went to 19 late in the period when Gerald Moore, substitute fullback, intercepted an Iowa State pass on the Iowa State 28. The Huskers moved down to the three on Hutton's 11 yard run, and, with seven seconds left, Vacanti jump-passed to End Alex Cochran Jr. in the end zone.

Two more Husker touchdowns came in the third and fourth periods. The first was set up by Myers' 61 yard run down the sideline to the Iowa State five from where the Huskers went over in three plays. The fifth score came when Dick Thompson lateraled to Roy Long for four yards to cap a 52 yard march.

Kansas Romps Over Kansas State, 34-0

MANHATTAN, Kan. (AP)—The University of Kansas Jayhawks, led by the great Ray Evans who scored three touchdowns, kept pace in the mad scramble for the Big Six title by defeating the winless Kansas State Wildcats, 34-0, before a homecoming day crowd of 17,000 fans here yesterday.

The victory put the Jayhawks in a four way tie for the conference championship with Oklahoma, Missouri and Nebraska. Each with 3 victories and one defeat.

It was the fifth conference defeat of the year for Kansas State. Playing on a fast field in cold but clear weather, Kansas State showed a fine defensive game for two quarters before a series of fumbles and pass interception resulted in four Kansas touchdowns in the third quarter.

A 56-yard-scoring run by Evans in the last minute of the first quarter represented all of Kansas' first half attack. Don Dambrough missed the try for point. Evans second and third touchdowns came in rapid succession in the first three minutes of the third quarter. His first was from 22-yards out and the next 12-yards. Kansas State fumbles set up both touchdowns.

Michigan State Tips Marquette

EAST LANSING, Mich. (AP)—A last half rash of Michigan State college touchdowns beat the Marquette University Hilltoppers here yesterday, 20 to 0, and allowed the Spartans to snap a three-game losing streak.

A 15-yard holding penalty with the ball on Marquette's four-yard line cost MSC a touchdown in the first period and the Spartans couldn't gain consistently in the second stanza, but they got their scoring machinery into gear after the intermission to push across one touchdown in the third quarter and two more in the fourth.

Marquette, its running attack halted by the alert Spartan line and its passing game ruined by State's fast charging ends, went no farther than the MSC 45-yard line in the first half and crossed the Spartan 30 only once in the last two periods, that time on a blocked punt.

A homecoming crowd of 21,041 saw the Spartans win their first home game since dropping Wayne university in the Sept. 28 opener.

President in Stands As Penn State Lions Conquer Navy, 12-7

ANNAPOLIS, Md. (AP)—The Lions of Penn State ground out a well earned 12-7 victory over Navy yesterday in a bruising football battle before a capacity crowd of 22,000 persons, including President Truman and his official party. It was the Middies' seventh consecutive defeat.

A slippery little substitute scabbard, 150-pound Elwood Petchel from Easton, Pa., scored both State touchdowns in the second period as the visitors ripped the tough Middle line to shreds.

Then, as Penn State had dominated play in the first half, Navy came back to stop the Lions cold in the last two periods, scoring once and missing the potential winning touchdown midway in the fourth quarter when the state line halted a middle drive on its own eight yard line.

Joe Bartos climaxed a 66-yard drive by plunging over center for the sole Navy score midway in the third quarter and Bob Vansumern placekicked the extra point.

Bruins Swamp Montana, 61-7

LOS ANGELES, Calif. (AP)—The bustling Bruins of the University of California at Los Angeles, warming up for their Pacific coast conference showdown with Southern California, romped over the Montana university Grizzlies, 61-7, yesterday in Memorial coliseum.

It was the sixth straight league win for the undefeated, untied Bruins who showed depth as well as power. UCLA reserves scored in each of the last three periods after the Bruin regulars rolled up three touchdowns in the opening quarter and retired for the day.

The game Grizzlies, stopped four times within the UCLA 20, finally scored in the last minute of play on a seven-yard pass from Quarterback Pierre Roberts to halfback Roy Malcolm.

The Bruins, who meet the USC Trojans next week in the battle which will decide the western Rose Bowl representative, sent left half Gene (Skip) Rowland away for two touchdowns of 40 and 17 yards, and Ernie Case passed to Tom Fears for a 49-yard score. Then the varsity turned the job over to the subs, with no appreciable let-up.

Durocher Says Yanks Offered Him Position

LOS ANGELES (AP)—Manager Leo Durocher of the Brooklyn Dodgers said yesterday he had been offered the managerial post of the New York Yankees but turned it down because he had a prior verbal agreement with headman Branch Rickey of the Dodgers. He said:

"About a month before the season ended Larry McPhail called me at my apartment in New York and asked to see me. I went over and he offered me the Yankee job. I told him I had a verbal agreement with Mr. Rickey and couldn't take it. That was the last I heard of it."

Bucky Harris was subsequently signed by New York.

Georgia Whips Auburn, 41-0

COLUMBUS, Ga. (AP)—Georgia clinched an almost certain Sugar Bowl bid yesterday, whipping Auburn, 41-0, to remain one of the last unbeaten, untied gridiron powers of the nation.

The Big Red team, led by Halfback Charlie Trippi, pounded through Auburn almost at will for a 27-0 advantage at half-time. Thereafter the second-stringers held off Travis Tidwell and company and scored two more touchdowns in the closing minutes of play. About 22,000 fans saw the worst beating in the history of the two schools, which began football relations in 1892.

Teachers Run Wild, Smash Drake, 46-0

CEDAR FALLS (AP)—The Iowa State Teachers college mighty midget football eleven racked up a 46-0 victory over the Drake Bulldogs yesterday before 3,500 fans.

The Teachers pushed across a touchdown in three minutes and 55 seconds after the ball game started. Pudge Camarata went over from 13 yards out on the fourth Teacher play.

Bob Williams, Panther fullback, along with Camarata, Bob Lee and Bob Indvik gave the Bulldog forward wall a beating all afternoon, racing for 393 yards from scrimmage.

So rough was the Panther line that Drake was held to 8 yards from scrimmage and only got into Teachers territory three times.

Sooners Capitalize on Breaks to Win, 27-6

NORMAN, Okla. (AP)—Unleashing a vicious ground attack, the University of Oklahoma downed the University of Missouri yesterday, 27-6, before a homecoming crowd of more than 35,000 and kept alive Oklahoma's hopes for a share in the Big Six conference title.

The victory throws the conference race into a four-way tie with Oklahoma, Missouri, Kansas and Nebraska, each boasting three wins against one loss.

Missouri's only touchdown came in the final 30 seconds of the game on a four-yard pass from Fred Kling to Kenny Bounds over the goal line, following a 72-yard march against the Sooner's third and fourth stringers.

Oklahoma did all its scoring in the first half, converting two fumbles, a blocked kick and an intercepted pass into counters. Joe Golding, the Sooner's brilliant halfback scored two of the touchdowns and set up another running back an intercepted pass 87 yards to the Missouri 17.

Golding's long run was followed by a 12-yard pass from Dave Wallace to Warren Giese and a 15-yard touchdown run by Eddy Davis. Wallace made good on three of four extra point kicks.

Missouri's heralded rushing fame, which has topped Big Six schools this season, was stopt cold by Oklahoma and it wasn't until the final period against the Sooner reserves that the Tigers managed to pick up 54 yards.

I.C. Group Plans Meeting to Discuss Barber Discrimination

Former Secretary of Commerce Henry Wallace has granted the Iowa City chapter of American Youth for Democracy permission to call the chapter "Club Wallace," Secretary Elaine Glasser, A3 of Brooklyn, N.Y., said yesterday.

Miss Glasser said that the name is now official. In a letter dated Nov. 13, Wallace wrote that he could see no reason "why you should not do it if you want to."

"There has always been a strong progressive sentiment in Iowa," he wrote, "and I hope your club does everything it can to cause this sentiment to grow on a sound basis."

To Discuss Rally
Miss Glasser also stated that a number of organizations on campus and in town have agreed to send a representative to an AYD-arranged meeting tomorrow night at 8:30 in the Fireside room of the Unitarian church, to discuss possibilities for rally AYD has planned in demonstration against the alleged discrimination against Negroes in Iowa City barber shops.

Among those which have already accepted the AYD invitation are the Westminster fellowship, Canterbury club, Iowa City Ministerial association, AmVets and both Veterans of Foreign Wars posts, she said.

Unable to Attend
The American Legion Roy L. Chopek Post No. 17 will not have a representative at the meeting, it was learned yesterday.

Post Commander Carl Redenbaugh said that the post will not enter discussions unless a majority of the membership favors such action. Next meeting for the post is scheduled Dec. 2, Redenbaugh said.

The Men's Panhellenic association has rejected their invitation to the meeting at the Unitarian church, Miss Glasser said, and YWCA representatives have informed her that YWCA will not be able to act as a group. However, they said that many YWCA members were interested individually in the plan, she added.

The meeting is open to all organizations in Iowa City and on campus, Miss Glasser said.

Belligerent Maintains Finger-Biting Record

Dorothy MacKellar, 215 E. Fairchild street, member of Iowa City's Rabbit club, once owned an unnamed rabbit.

The bunny bit Miss MacKellar on the finger (rabbits can bite). She promptly christened the rabbit "Belligerent" and sold him to E. E. Kline, secretary of the club. But Belligerent kept his string of consecutive bites intact. Last week he bit a slice out of Kline's forefinger.

Kline is now in the market for a rabbit buyer!

'Unloaded' Rifle Fires

Another "unloaded" rifle exploded yesterday afternoon, painfully injuring William Vedepo Jr. of West Branch. The bullet passed through his left hand.

Vedepo was treated by an Iowa City physician.

Awakening Southern Opinion on Negro Problem Seen by Rev. A. Ritchie Low

By JOYCE COMPTON

An optimistic view on the Negro racial problem has been expressed by the Rev. A. Ritchie Low, who has been nationally recognized for his inter-racial work among Negro children in Harlem.

In an interview with a Daily Iowan reporter, the Rev. Mr. Low declared there is an "awakening on the part of southerners concerning the Negro problem. Northern ideas about Negro treatment are causing a change in southerners' opinions."

"A more liberal attitude is being taken, and more is being done in the south to see that Negroes get a better education."

The Rev. Mr. Low, pastor of the First Congregational church in Johnson, Vt., was in Iowa City yesterday to address members of the United Youth fellowship of the Congregational church.

Referring to his recent survey of southern universities and colleges, the Rev. Mr. Low declared that he found, "no room on American college campuses for first and second class students. All must be considered on a basis of equality. Personal worth should be the determining factor."

In addition to this tour of southern schools the Rev. Mr. Low has carried on social experiments with Harlem children in solving racial problems.

Explaining one of the experiments, he said for the past three years groups of 80 to 95 Negro children from 9 to 12 years old have been sent each summer to stay with white families in Vermont.

"The experiment worked very well," the Rev. Mr. Low continued. "So many of the same children were invited back to visit the second summer that the Abyssinian Baptist church in Harlem made a rule that no child could re-visit unless Vermont friends or his parents paid the railroad fare. Even so, fifteen children visited Vermont for the third time last summer."

Asked about the Negro's status in the press, the Vermont pastor expressed the belief that Negro newspaper correspondents in Washington do not enjoy the same freedom of the press that white correspondents do.

He explained when a Negro reporter is sent to Washington to get a story, many doors are closed to him because of his color, and he often has to rely on second-hand material.

"It is up to white correspondents to eliminate these restrictions under which their fellow colored correspondents work," the Rev. Mr. Low declared.

"For the most part, the Negro colleges in the south owe their origin to white Protestant churches," the minister from Vermont said.

Soprano Praises— Negro Hymns

By WINIFRED SHIELDS

There's warmth and passion in Negro spirituals that makes other ecclesiastical music seem brittle and cold—"and it's the first real music I ever heard," Marian Jackson Downs, lyric soprano, said yesterday in the honey-edged voice familiar to concert audiences.

"My father, Keiffer Jackson, traveled through the south showing religious movies, so I went along too, learning to love the hymns sung in the tiny Negro churches."

Mrs. Downs will sing several of these hymns when she appears at 4 p. m. today in a benefit concert for the World Student Service Fund and the Wesley foundation Building Fund at the First Methodist church.

The wife of the Rev. Karl E. Downs who is president of Sam Houston college in Austin, Tex., Mrs. Downs is also mother of a six-year-old potential prima donna, Karlene, who has already begun the first piano lessons and sings along with her mother in morning-practice sessions.

"It's something of a jump from the concert stage to the kitchen but now I collect recipes with all the enthusiasm I once had for collecting recital and concert programs," Mrs. Downs said.

After a singing engagement in Oklahoma City, Okla., Mrs. Downs will return to Austin, Tex., and home because she "hates to be away too long from her husband, Karlene and the kitchen."

Forum to Hear Lecture On American Influence

"American Influence in Germany" is the subject of a talk to be presented before the Negro forum today at 6 p. m. by Prof. George Robeson of the political science department.

Robeson will address the forum's weekly meeting in the YMCA conference rooms at Iowa Union. "The question which I wish to discuss is whether or not American influence is on the wane in Germany," Robeson explained yesterday. Forum meetings are open to the public.

County District Court Opens November Term

The November term of Johnson county district court will open tomorrow when the grand jury convenes at the courthouse at 2 p. m. with Judge Harold D. Evans on the bench.

During the September term, which Judge James P. Gaffney adjourned Friday, 381 orders were issued; 34 cases disposed of by judgment, trial or settlement; 11 divorce cases granted, and one undecided and under advisement. Judge Gaffney will open the November term of court Monday in Marengo.

Plan Memorial Service

Memorial exercises will begin members of the Knights of Columbus will be held at 8 a. m. today in St. Wenceslaus church. Memorial exercises will begin at 1 p. m., and will close with a benediction at 3:30 p. m. in St. Mary's church.

For the best relaxation after the long hours of studying that are required now, JOE'S is the place to go. The atmosphere is congenial, the management and service friendly, and the crowd is your crowd. The next time you've been studying so hard that you're about ready to give up, just take time to run down to JOE'S PLACE, meet your friends, relax and just chat for a while and you'll find that you're ready to start again on your work. For the much needed relaxation in these times and for the place to get your refreshment, JOE'S PLACE, just a half block east of the campus, is the place.

Keeping track of the comings and goings of fraternity pins could well turn into a full-time job—with the "goings" making the top scores in the SUJ league. Another gain was made by Delta Chi's president, Warren "Red" Moeller, when he hung his pin on Ann Seaton—and looks to us like the right signals were called on this play.

With the holiday season riding in almost before you know it, you'll want to be ready with those extra little festive touches that mean so much. And for a bright light on your holiday fun, stop in at BOERNER'S PHARMACY and stock up on some novelty candles. They have decorative candles for your Thanksgiving table in the shape of little pigs, ears of corn, and others that will definitely contribute to a merry time for all. BOERNER'S also has "regular" candles in many colors, 10 to 18 inches, for your more formal table. We know they've been hard to get lately, so hurry down to BOERNER'S now and add to the brightness of your holiday.

Wonder how many of you fellows have ever gotten a pretty girl for a birthday present? Jim Kenworthy, SAE, did, by hanging his pin on Kappa Pat Steadman Monday—and all the brothers turned out a couple nights later in a serenade for the couple.

This bright boy has one stupendous problem practically tied up in silver tinsel—little wonder he's so pleased with himself. He's selected that all-important Christmas gift for her at HERTEEN & STOCKERS. Courteous and careful help in the selection of your gift is the aim of the personnel at HERTEEN & STOCKERS, for they know how important it is. And they've got the answer to every puzzling "what can I get?" on your list. Costume jewelry that will reflect your good taste, artful pins and clips, distinctive rings and bracelets, as well as dependable watches of famous makes are all available at HERTEEN & STOCKERS. Shop early, and enjoy a full selection.

Three dashing Sigma Chi's have gone pin hanging. "Sweethearts" are Margaret King, pinned by Chuck Witosky; Joan Koerner, Alpha Chi, claimed by Guy Heath, and Coralee Grimm, Currier, pinned by Bill Ansley.

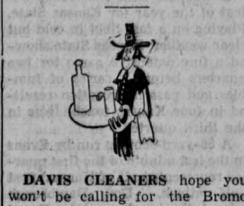

Here's news of the best thing that's happened yet to help you get away from those "Blue Mondays." It's the brand new LAUNDROMAT HALF HOUR LAUNDRY—a super market style of self service laundry. It sounds almost fabulous, but all you do is bring in your soiled clothes, put them in a spandy new Westinghouse Laundromat—and in thirty minutes—while you're out shopping or reading—your clothes come out fresh and clean, and damp-dried, ready for ironing. Yes, it's that simple—and you'll be delighted at the economy. You can wash nine pounds of clothes for only 35 cents, including the cost of the pure, non-sneezing soap. Why not stop in tomorrow— it's Monday—and learn about LAUNDROMAT from the trained personnel. You can make reservations by phoning 8-0291.

It seems Bernie Bracher decided to "sew the deal up fast—and leave no doubt in anybody's mind." Which is just what he did—pinned and chained Alpha Xi Chloe Ann Schutte all in one night.

This is a picture of the new Jumbo steak—the kind you get when you order a steak dinner at MELODY MILL. Yes sir, they're the latest contribution to good eating from the MILL, and a gourmet could ask for nothing more. With it goes crispy hot French fries, salad and all the trimmings, all served by romantic candlelight. And remember, there's something behind that MELODY half of the name too, for at the MILL you can dance and dance. It's definitely the place for a party, so why not gather up the gang and come out tonight? They begin serving those steaks at 5:30 at the MELODY MILL... "nuff sed?"

Big party after hours at the Tri Delta house Thursday night announced the engagement and approaching marriage December 7 of Manetta Waldron to Delta, Sig Gene Tribbey. Our best wishes to you both.

DAVIS CLEANERS hope you won't be calling for the Bromo bottle come Thanksgiving time—but they sincerely want you to have the finest Thanksgiving holiday ever. Just don't eat too much—and if you spill that glibet gravy all over your new suit, DAVIS CLEANERS are just the ones to take out the spots! Thanksgiving traditionally heralds the approach of winter-in-earnest, so be sure your clothes are ready. Bring your winter suits and dresses to DAVIS CLEANERS right away. You'll be delighted with their fast service, and the bang-up cleaning job they do.

If you feel the way we do about being caught in the rain, then it's good news to you too, to know that a dependable Iowa City Bus will be right along to whisk you home. Iowa City busses cover the city every twenty minutes, and a ride only costs a nickel. So don't let those feet get wet—hop a bus. It's your fastest and cheapest transportation. IOWA CITY COACH COMPANY.

There's something new afoot in Christmas tree decorations, and if you'll zoom down to MULFORD ELECTRIC SERVICE you'll see what we mean. It's a string of fluorescent Christmas tree lights, to lend a magic fairy-like touch to your traditional tree. The seven bulbs burn independently of course, but here's where the magic comes in. They're colored only when lighted—and such wonderful sparkly colors! MULFORD'S is your headquarters for Christmas decorations—they have both indoor and outdoor lights, trees, an illuminated halo angel for the tree top, as well as wreaths and sleds. See these new lights at MULFORD'S right away!

The jeweled ATO pin of one Jim Rasley doesn't belong to Jim Rasley any longer. He gave it to June Ann Scanlon, ADPI, and they both look very happy about the whole thing.

Want to know how to make a little spending money for Christmas? It's an old maxim that "a penny saved is a penny earned," and here's how to save that penny: eat regularly at the MAID-RITE, where prices are low. They specialize in good food—both regular meals and short orders—and prices for a student's pocketbook. If you've never tried a famous MAID-RITE, don't waste another minute. The MAID-RITE's varied menu and comfortable booths, good cooking and fast courteous service will call you back again and again. Why not start balancing that Christmas budget right now, by eating at the MAID-RITE.

And this year we see something happening that is just a little unusual: fraternities giving parties together. The latest one on schedule is the Beta, Phi Psi party to be given at the Country Club the 22nd. Seems like a good idea to us. Can this be called fraternization?

It's getting time to worry about keeping the children good and warm this winter and we have a scoop on the way to do it. SCOTT'S STORE has a good supply of one and two-piece snow suits for children in sizes 2 to 6 and priced from \$4.98 to \$7.98. They have in stock both wool and weather-sealed styles and in all colors. You'll also find the nice warm mittens that children need at SCOTT'S. They have a good supply of children's sweaters ranging from \$1.29 to \$2.98, polo shirts, cold-ny overalls, wool leggings and all the things that children will need this winter to stay warm and not catch a nasty winter cold. Drop in at SCOTT'S STORE and outfit your children for the winter.

Wonder who this little fellow will pick out as 1946's Most Eligible Bachelor? We'll soon know, for the Spinsters just can't keep it a secret much longer.

Hungry? Of course you are! And probably tired and stuffy from hitting the books for those dread mid-terms. Well, Consultants knows the answer to that one, anyway. What you need is a brisk little walk to the corner of Iowa Avenue and Dodge street, and a tasty bite to eat, served up by Doc and Betty Mile at their TWO-MILE-INN. Doc is the one to sympathize with you over those jumbled science notes, and if a piece of tender home-made pie from the kitchen of the TWO-MILE INN won't cheer you up, we miss our guess. The TWO-MILE INN is open daily except Monday, until 10:30 p. m., serving breakfast, lunch and short orders, including hot soups and chili. Shake off those study-time cobwebs, and treat yourself to some good eating. And then sail back into those books!

We're a little behind times with this, but Bill Sherman, Phi Gam, isn't—or wasn't—'cause he hung his pin on Phyl Nicholson, Currier, a long time ago.

Here's a handy list of new records you can cut out and take with you when you stop in at SPENCER'S HARMONY HALL tomorrow. We have a feeling you'll want every one of them. Just received are Benny Goodman's "My Blue Heaven," and "For You, For Me, Forevermore," with Judy Garland and Dick Haymes singing the vocals for Gordon Jenkins' orchestra. Another new one is T. Dorsey's "There Is No Breeze to Cool the Flame of Love." And—maybe you didn't know this, but Spike Jones has a sweet band too, that is really terrific. To prove it to yourself, drop in to SPENCER'S HARMONY HALL and hear his new platter of "Larus Trombone." We think you'll like it.

Cocky Hansen, DG, is even more vivacious than usual, the reason being that the Ben Berdall—Cocky Hansen duo has been made a permanent thing. That's right—Cocky now has Ben's Sigma Chi pin.

Looking for a place to relax, and enjoy a good dinner? Then why not drive out to the HOT FISH SHOP on Riverside Drive for an evening you're not going to forget. Specializing in fried chicken—Southern style, that is—and wonderful fish dinners, the HOT FISH SHOP is the place to find pleasant courteous service that makes any meal just that much better. It's just a hop and a jump from downtown, but that hop makes all the difference between a pleasant evening, and "just eating." Prices are right, and the food is the best—so take your next date to the HOT FISH SHOP. She'll love it!

Girls, it's your turn this time to pick up that phone and dial 3131. That's all you have to do to get a fast dependable YELLOW CAB to the big dance this week... and you'll be making the right impression on your own particular bachelor. Start your evening right—call a YELLOW CAB, phone 3131.

For winter vitality and energy, it's homogenized MELLO-D MILK from SWANER FARMS DAIRY. Good health is requisite to good times, so keep fit the year around by drinking lots of milk. "The perfect food" is even more so when it's from SWANER'S. Their pure milk is further processed to give you even more of the valuable food elements. With winter coming up, the sunshine vitamin is important to you and your family, so make yours MELLO-D milk from SWANER FARMS DAIRY.

Jim "That Man!" Baker has lost a pin, and we know where to find it. Flo Whiting, Tri Delta, has the Phi Gam badge—but we don't think he wants it back...

You've heard it before, so you know that the most personal gift you can give is your own portrait. But there's more to it than that—you want to give a portrait that is really you. One that is beautifully finished—one that almost seems ready to say "Hello." At KRITZ STUDIO, you can get a beautifully finished sepia portrait, size 3 x 5, and the price is only \$5.00 for a set of three, with folders. They also have other sizes and finishes, starting at \$5.00 the half dozen. But just as a warning—there's not too much time left. It takes two weeks to get the finished photos, so better hurry down to KRITZ STUDIO and make your appointment right away.

We haven't made any scientific check-ups, but the Alpha Xi's should be putting on weight! Boxes and boxes of candy were passed around last week to announce the pinning of Eileen Serschen to Fred Stines, Phi Gam, P. K. Bentley to Keith Nelson, DU, Rosemary Harmier to Bill Spencer, ATO, Janis Jameson to Lew Nevills, ATO, and Betty Holo to Noble Lopenman, Theta Xi—while happy Shirley Long has a diamond from Frank Howland of Ames.

Wheel! Here's one problem you won't have to worry about. With mid-term exams coming up you probably aren't paying much attention to meals these days. We know you haven't a minute to waste, so we suggest that you go to the PRINCESS CAFE for a meal that is served quickly and well. The PRINCESS CAFE specializes in well balanced meals and the menu lists a pleasing variety to choose from. Start eating at the PRINCESS CAFE three meals a day. You can make meal-time enjoyable by going to the PRINCESS where you can get what you want for a price you can afford to pay.

Ask Pat Jansen, Tri Delta, just what she thinks is the best birthday present ever—and she'll probably hold out her left paw, to show you the beautiful diamond on her third finger. Warren Bennick, Quad, is the lucky man.

We overheard Bill Munsell, Beta candidate for Most Eligible Bachelor, make the following remark: "The raffle on this campus is terrific—there are just too darn many girls!" Boy, in this day and age, if that doesn't show he must be a "most eligible"—what would?

the student-veteran problem. For if they had, how could they possibly believe that the Hawkeye Village-Riverdale winter laundry question could be postponed until December? If the business office representative completely understood the urgency of the situation, could he not have dispatched letters, through proper channels, to state board of education members, asking that they voice their opinions on the UMSO proposal?

Likewise, it would seem that there may be certain administrative procedures with which the student-veterans are not completely familiar. Perhaps those tempers in the housing office would not have flared had university policy been outlined clearly and succinctly.

It is extremely unfortunate that,

the student-veteran problem. For if they had, how could they possibly believe that the Hawkeye Village-Riverdale winter laundry question could be postponed until December? If the business office representative completely understood the urgency of the situation, could he not have dispatched letters, through proper channels, to state board of education members, asking that they voice their opinions on the UMSO proposal?

Likewise, it would seem that there may be certain administrative procedures with which the student-veterans are not completely familiar. Perhaps those tempers in the housing office would not have flared had university policy been outlined clearly and succinctly.

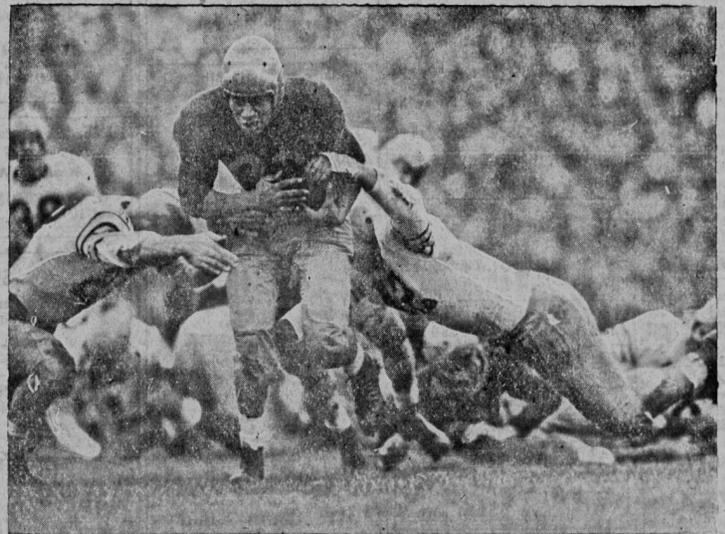

It is extremely unfortunate that,
