GOOD MORNING, IOWA CITY!

Continued high winds, rather cold and cloudy today. The wind reached a velocity of 65 miles an hour yesterday with gusts up to 75 m.p.h.

'Lo, I Am With You Always, Even Unto the End of the World'

TODAY ON EASTER MORNING people in Iowa City and all over the world will gather to sing the praises of the Lord. They will remember that first Easter morn when Christ's disciples went to the tomb where His body had been lain after His crucifixion. And He was not there. Instead there were two angels and they said: "Fear not for I know that ye seek Jesus which was crucified. He is not here for He has risen as He said. And Jesus returned to His disciples and said to them: "Be not afraid." That is the spirit that will live again today in the hearts of millions of His followers. (Photo by Dick Davis)

Truman: U.S. Must Meet Aggression With Strong Stand

WASHINGTON (AP)—President Truman declared last night the United States "must take a positive stand" against aggression in all its forms and must keep its own economy strong by lowering prices. In the foreign field, he proclaimed that "we must" aid "those peoples whose freedoms are endangered by foreign pressures." And he specified aggression "secretly by infiltration" as well as openly by armed force. He also said United States must "stand guard" before the United Nations and, "when necessary, supplement its activities." At home, he termed the Republican economy drive in congress "an invitation to disaster," rallied the Democrats against immediate tax cuts and economies he called "false," and earnestly besought lower prices.

Many prices now, he asserted, are "unnecessarily high" and "must be brought down if our entire economy is not to suffer." He urged citizens not to go "whole hog for profits." For his own part, the chief executive pledged "stringent economy" in government and announced definitely that receipts and expenditures for the fiscal year ending June 30 will be in balance, and then some—something for which he previously had expressed only a hope. Mr. Truman amplified his doctrine of "aiding those peoples whose freedoms are endangered by foreign pressure," declared that "our foreign policy must not be wrecked on the rocks of partisanship," and commended both Democrats and Republicans who have supported it.

"We, like Jefferson, have witnessed atrocious violations of the rights of nations," he said. "We, too, have regarded them as occasions not to be slighted. "We, too, have declared our protest." The president did not mention Russia directly, but he significantly compared his present course to that of President Monroe, whose Monroe doctrine was aimed partly at Russian claims in Alaska. Neither did he refer to the Republicans by name, but he lashed out at the economies they have voted and their plans for tax reduction now. Mr. Truman said, however, that he will support tax reduction "at a proper time." He spoke before some 2,000 party bigwigs at a \$100-a-plate Jefferson day dinner.

65-Mile Gale Rips Iowa City; Roots Torn From 2 Cottages

Winds which fell just short of hurricane velocity blasted Iowa City yesterday, toppling trees and ripping roofs from buildings. The civil aeronautics administration at the municipal airport reported winds of 65 miles per hour, with gusts up to 75 miles per hour, at 7:30 p.m. The United States weather bureau designates winds of over 75 miles per hour as hurricanes. Yesterday's "whole gale" tore the metal roofing from two law commons' cottages and sent it spinning some 30 or 40 feet into the air, according to observers. The cottages were closed at the time and the residents were away on vacation.

blaze started by electric wires whipping in the wind. Electric power lines being erected about eight miles south of Iowa City near highway 218 also felt the fury of the gale and were blown to the ground. Marble-sized hail and heavy rain coming in three separate squalls swelled the Iowa river as semi-flood waters swept along at an estimated four to five miles an hour. The river had risen four-tenths of a foot in seven hours, reaching a depth of 7.8 feet by 7 o'clock last night. The United States geological survey reported that the river was still rising slowly at that time and that the crest would probably come during the middle of the night unless new flood waters rose upstream. Flood stage of the river for Iowa City is 11 feet. Last week the water hovered at about 3 1/2 feet here.

Then he gave this summary of how "the fire" of war starts: "We have seen it before—aggression by the strong against the weak, openly by the use of armed force and secretly by infiltration. We know how the fire spreads. And we know how it ends." He said it is the responsibility of the United States to stand guard before the United Nations, "the edifice of lasting peace." The United Nations, he said, must "quench the flames wherever they may break out," even "if armed conflict must be prevented by the use of an international police force."

At 712 Dearborn street a tree blew over, crushing a garage roof and trapping a car inside the garage. Driving grew hazardous in the northern end of town when a 50-foot pine tree blew down after dark, completely blocking Gilbert street at its southern intersection with Brown street. The wind blew several panes of glass out of the Curtis florist's greenhouse on highway 218, south of the city, and ripped store signs from their moorings at Gadd's Hardware store and the Airport Lunch. Bremer's clothing store suffered some damage when a section of tin on the building's cornice was blown loose. The fire department was called to 3 E. Davenport street about 7:45 p.m. to extinguish a tree

But the river did escape its bank in one place yesterday. The Rocky Shore road, at the west end of River street, was covered by from one to two feet of water over a stretch of about a hundred yards. United Air Lines had its weather trouble for the third consecutive day. Low ceilings delayed one flight Wednesday and grounded two others Thursday. Yesterday morning's flight to Iowa City was cancelled in Chicago. The eastbound afternoon flight was made successfully, although delayed.

He commended "the efforts of those members of both parties" who have supported American foreign policy which, he said, transcends in importance "any other question confronting us." The president said that the force of events makes it necessary that the United States assume world leadership although the process is a "difficult and painful one" and "the cost is necessarily great." But he said that the nation would do so because of its great heritage of spirit and character. "We are a people who not only cherish freedom and defend it, if need be with our lives, but who also recognize the right of other men and other nations to share it."

Hold Out Hopes to Settle Phone Dispute

Plan Picket Line at Local Telephone Building

Pickets plan to throw a cordon around the Iowa City telephone building at 6 a.m. tomorrow when the nationwide telephone strike begins, according to F. A. Wille, spokesman for the Iowa City unions. Subscribers won't be hindered in entering the building, he indicated, but an attempt will be made to persuade other employees not to enter. "There will be no violence and the pickets will not interfere physically with the employees or supervisors," he said. Wille indicated the pickets would be on duty 24 hours a day

and warned members of the Iowa City locals that the national union can take disciplinary measures against any member crossing a picket line. "We're backing the national union's demands for better wages and working conditions," Wille said, but emphasized the fact that relations between workers and the Iowa City company were "cordial." The executive committee of the Iowa City locals will not allow the strike to endanger the community's health or safety, he said. Key personnel will resume

work immediately should the need for telephone workers become urgent to provide for facilities in connection with fire, police or public health protection, he stated. A meeting of the strike committee was called for 7 o'clock last night to discuss final walkout and strike plans. Skeleton crews of supervisory personnel will maintain essential service during the walkout and telephone subscribers will experience only a slight curtailment in service according to Howard L. (See PHONE STRIKE, Page 4)

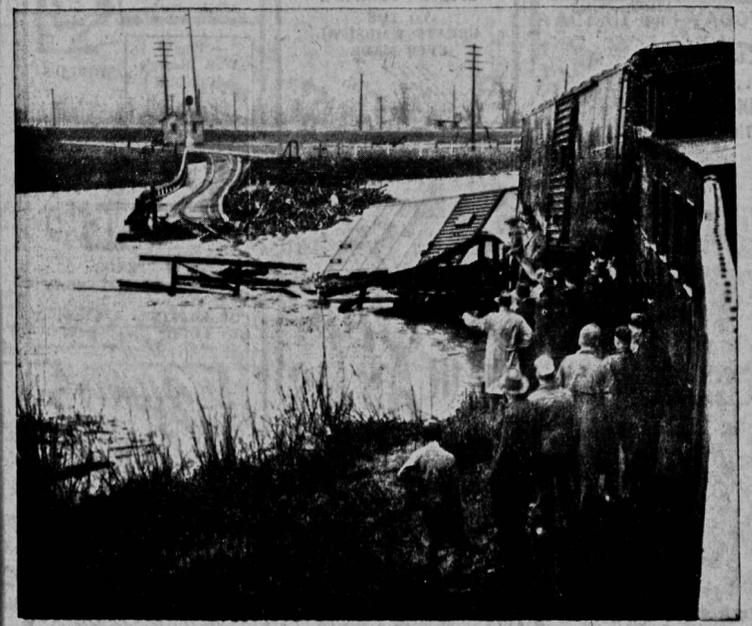

'Anything Possible' Says Schwellenbach

WASHINGTON (AP)—Secretary of Labor Schwellenbach expressed hope last night of settling the dispute which threatens a nation-wide telephone strike tomorrow and appealed to union members to "keep on working" while negotiations continue. "Anything can happen between now and Monday morning," Schwellenbach said in a statement. A union official in New York had predicted that the telephone workers there would "jump the gun" and start walking out ahead of the 6 a.m. Monday deadline. Schwellenbach's statement came after lengthy talks with J. A. Beirne, president of the National Federation of Telephone Workers, and C. F. Craig, vice-president of the American Telephone and Telegraph company. The secretary saw each separately. In these talks Schwellenbach moved to bring about industry-wide arbitration of the dispute. He also talked of possible "regional arbitration," although this idea was not fully explained. The labor department planned to go ahead with its conciliation talks far into the night. Meanwhile President Truman withheld any action toward seizing the telephone lines. Beirne had said earlier that the Monday strike "still seems inevitable." He called the negotiations at mid-afternoon "a comedy, a farce." The NFW said 340,000 phone workers will abandon switchboards and stations Monday at 6 a.m. in each time zone unless a settlement is reached on demands for a \$12 weekly pay raise, union shop and other concessions. Government statistics say telephone workers now average \$43.19 a week. I appeared likely that Mr. Truman might wait until the last minute, or after a strike develops, before exercising seizure powers under the federal communications act. In the event he orders seizure, the army or navy probably would be called upon to manage the far-flung phone industry, with its 105,307,000 miles of line, until the dispute is settled.

Weather Goes On A Rampage

By THE ASSOCIATED PRESS The weather went on a wide-spread rampage Saturday, spoiling the outlook for pleasant Easter conditions in much of the nation. Driving rains, heavy snow, high winds and tornadoes lashed parts of the country, causing serious flood conditions, destroying property and disrupting transportation. Four persons were killed. Heavy rains caused floods in Michigan, Illinois, Iowa, Nebraska (See WEATHER, Page 4)

BRIDGE COLLAPSES AT OTTUMWA

FLOOD WATERS SWIRL around the wreckage of a bridge over the Des Moines river at Ottumwa. After the flood had weakened its structure, the bridge collapsed yesterday under the weight of a switching engine and a box car. Three railroad men were rescued from the engine which was completely submerged. (AP WIREPHOTO)

TREE CRASHES INTO HOME AT 712 DEARBORN

YESTERDAY'S 65-MILE-AN-HOUR gale was too much for this tree. When it crashed into the house at 712 Dearborn street William Bothell was taking an afternoon nap in the front upstairs room. Neither he nor his car were hurt. Bill was home from Kansas university for Easter; his father, Ray, a postoffice employee, was out of town; his brother, Alfred, a University of Iowa student, was out of the house when the tree fell. Bill planned to start chopping away branches today in order to untrap his car. Charles V. King of 715 Dearborn street stated he had requested the city last December to remove the tree before spring rains and winds set in. (Photo by Dick Gage)

Louisiana Tech Hands Hawkeyes Second Loss, 9-8

Iowa Starts Four Pitchers, Gets 13 Hits to Winners 11

RUSTON, La. — (Special) — Louisiana Tech staged a two-run rally in the bottom of the ninth inning yesterday to edge the University of Iowa 9-8 for their second win in two days on the Ruston diamond.

Iowa rapped out 13 hits—two more than the winners—but Louisiana was more successful in bunting their safeties and took advantage of the Hawkeyes' four errors.

Coach Otto Vogel sent four Iowa pitchers to the mound in an effort to stop the Southerners.

Keith Kafer started for the Hawks and lasted through the third, when he was replaced by Roy Stille. Bob Mikolajczak took over in the sixth, gave Louisiana one hit, and was relieved by Bob (Moose) Faber.

Louisiana's Scott was credited with the win and Faber was the losing pitcher.

Marston (Bud) Flanders rapped out three hits in five times at the plate and Jack Dittmer continued to be strong on the bat with two hits, one a double, in his five appearances.

Bale Erickson and Don McCarty each collected two safeties, and Doc Dunagan, John Tedore, Mikolajczak and Faber got one hit each.

Iowa trailing two points in the eighth, opened a drive for three runs in that frame which sent them one up on the Ruston club.

The Hawks travel up to St. Louis today for a Monday meeting with Concordia college. This game will end their tour of the south, in which they have won two, lost two and tied one. They were rained out in their second meeting with Southwestern Louisiana at Lafayette, La.

30 Rookie Hurlers Make League Debuts

NEW YORK (AP) — At least 30 brand new pitchers to the major leagues will be making their big league debuts this season after the championship campaign gets underway April 14.

Of this number, about 10 will have won starting berths, the rest to be used either in relief roles or else groomed for regular berths later on in the season.

From observation in the spring training camps, right-handers Eddie Erault of the Cincinnati Reds, Bill Ayers of the New York Giants, and Don Johnson of the New York Yankees and left-hander Art Houtteman, Detroit Tigers, look like the best among the rookie hurlers.

A step behind this quartet come Fred Sanford, St. Louis Browns; Tommy Fine and Mel Parnell, Boston Red Sox, and Larry Jansen, Giants.

Other freshman hurlers who appear to have made the jump to the big time include Earl Harris, Chicago White Sox; Walter Pieper, Tigers; Clarence Iott and Glen Moulder, Browns; Doyle Lade and Russ Meyer, Chicago Cubs; Mike Schultz, Reds; and Al Papai, St. Louis Cardinals.

White Sox Beat Texans
FORT WORTH, Tex. (AP) — The Chicago White Sox scored seven runs in the seventh inning yesterday to beat the Fort Worth Cats of the Texas league, 10-4.

Six bases on balls contributed to the big Sox seventh.

Yanks Edge Crackers, Lindell Gets 8 Hits

ATLANTA, Ga. (AP) — With Johnny Lindell collecting three of their eight hits, the New York Yankees opened a two-game stand here yesterday with a 3-1 triumph over the Atlanta Crackers at Ponce De Leon field before 6,053 fans.

Charley Trippi, Cracker shortstop and former Georgia U. football and diamond star, went hitless in four tries.

Indians Out-Slug Giants
ALBUQUERQUE, N.M. (AP) — The Cleveland Indians set back the New York Giants yesterday, 15-7, bringing the count in their series to 5-4 in favor of the New Yorkers.

Clint Hartung, Giant right fielder, poled two home runs over the right field fence at the 380-foot mark.

Demaret Leads Masters Golf By 3 Strokes

By CHICK HOSCH

AUGUSTA, Ga. (AP) — Jimmy Demaret, the year's leading money winner, overcame a stiff wind and erratic shots off the tee yesterday to post a two-under par 70 for a three-stroke lead in the \$10,000 Masters golf tournament.

He had a 54-hole total of 210 to remain at the top of the heap.

The singing ex-Texan, who captured the 1940 Masters title by four strokes—biggest margin in any of the previous ten events—had five birdies but was over par in each of three other holes.

Tied for second with 213 were the original Gold Dust Twins, Harold McSpaden of Sanford, Me., and Byron Nelson of Roanoke, Texas, who won the event here in 1937 and 1942. McSaden had a 70 yesterday. Nelson shot a 72, making a marvelous recovery on the back nine after going out in a 39.

Deadlocked with 214 were Ben Hogan of Hershey, Pa., the runner-up in 1942 and last year, Chick Harbert of Detroit, and Jim Ferrier of Chicago. Harbert and Hogan posted 71 yesterday. Ferrier slipped to a 38 on the back nine after going out in 35 to take 73.

A 35 on each nine, one under par in each case, enabled Demaret to shake off Cary Middlecoff, the sensational young Memphis dentist who shared the lead with the Ojai, Calif., pro at the halfway mark.

Middlecoff remained in the running with a brilliant recovery on the back nine after a poor 40, going out. He had a 36 coming in for 76 and a 216 total.

Demaret was wild off the tees, but his accurate irons got him out of trouble in a majority of the cases. However, except for his 15-foot putt on the 8th hole, he made no others of importance.

Claude Harmon of Mamaroneck, N.Y., had an ace on the 155-yard 12th hole. Chandler Harper of Portsmouth, Va., shot the first nine in 32—lowest for this tournament—to take a 68. That tied the round of Lloyd Mangrum of Chicago, who posted a 68 yesterday for a 217 total, the same as Harper.

Tigers, Trout Slap New Orleans, 41-3

NEW ORLEANS (AP) — Paul (Dizzy) Trout treated himself to a big day by pitching a 14-3 victory over the Detroit Tigers over New Orleans yesterday and slugging a homer and three singles in the process.

Besides going the route on the mound, Dizzy smashed a 352-foot four-bagger over the left field fence, scored four runs, and picked up a base on balls with his three other hits for a perfect day at bat.

Yanks Edge Crackers, Lindell Gets 8 Hits

ATLANTA, Ga. (AP) — With Johnny Lindell collecting three of their eight hits, the New York Yankees opened a two-game stand here yesterday with a 3-1 triumph over the Atlanta Crackers at Ponce De Leon field before 6,053 fans.

Charley Trippi, Cracker shortstop and former Georgia U. football and diamond star, went hitless in four tries.

Indians Out-Slug Giants

BOBBY LOCKE (Right), South African golfing champion, and Gene Sarazen, former Masters title holder, contemplate the National Golf course at Augusta, Ga., after completing their first round of play. The "plus fours" knickerbockers worn by Locke and Sarazen are the only ones of their kind being sported in the tournament.

Davenport Noses Out Track Title

Pieper Beters Mile Record

Davenport high school's well balanced squad last night gave Davenport its third State High School Class A track title, piling up a 58 point total to lead the field of 27 contenders.

Des Moines (East) placed second with 53 1-6, and Ames, last year's champion, was third with 38 1/2. Des Moines (North) was fourth with 35 1/2, and Clinton fifth with 23.

The Blue Devils won three first places and three second places in individual events, and captured a first and a second place in the relay events.

James Hayek boosted Davenport's totals with a successful defense of his high hurdles championship but failed to survive the preliminaries in the low hurdles. He won both titles in last year's meet. Joe Paulsen added another first for the winners with a half of 50-7 1/2 in the shotput.

Ames was paced by Don Green, who won the broadjump with a leap of 22-5, tied for the high jump title with the bar at 5-10 1/2, and tied for second in the pole vault.

Dean Pieper of Clinton raced to a new record in the one mile run, posting a 4:30.5 mark, bettering the old record by :05.3.

North Des Moines' George Nichols equalled the state mark in winning one section of the 50-yard dash preliminaries in 5.4 seconds, but was second in the final running behind Dick Atkins of Des Moines east. Nichols, who is a junior, also placed second in one section of a 440-yard dash, and anchored North's winning half mile relay team.

Schools placing behind Clinton in the team scoring were Iowa City with 22 points, Cedar Rapids (Wilson) 16 1/2, Newton 13, Cedar Rapids (Franklin) 12 1/2, Dubuque 11, Dubuque (Loras) 9, Des Moines (Roosevelt) 8 1/2, Waterloo (West) 5, Cedar Rapids (McKinley) 1, Des Moines (Lincoln) 1/2, Ft. Madison 1-3 and Cedar Rapids (Roosevelt) 1-6.

The summaries:
Pole vault—Won by Autzen, Clinton; tie for second among Soss, Ames; Lundquist, Dubuque (Loras); fourth, Moore; tie for fifth among Gison, Des Moines (Lincoln); Silver, Des Moines (Roosevelt); and Duval, Ft. Madison. Height 11-3.
440-yard dash—Second one: Won by Troyer, Iowa City; second, Nichols, Des Moines (North); third, Brown, Cedar Rapids (Wilson); fourth, Mollerton, Ames; fifth, Cherry, Davenport. Time :58.
440-yard dash—Section Two: Won by Terrell, Des Moines (East); second, Lackey, Davenport and Green, Newton; tie for third, Florence, Davenport; fifth, North, Des Moines (North). Time :53.
Two mile relay—Won by Davenport (Voss, Aherns, Hill, Kelleberger); second, Cedar Rapids (Franklin); third, Des Moines (East); fourth, Newton; fifth, Ames. Time 8:28-6.
50-yard dash—Won by Atkins, Des Moines (East); second, Nichols, Des Moines (North); third, Riehman, Dubuque; fourth, Sandrock, Dubuque; fifth, Ames, Des Moines (East). Time 1:15.
One-mile run—Won by Pieper, Clinton; second, Davenport; third, Green, Newton; fourth, Des Moines (North); fifth, Waddell, Newton. Time 4:30.5. New record bettered old mark of 4:35.8 by Baxter, Davenport, 1942.
Half-mile relay—Won by North Des Moines (Scott, Kaiser, Jones, Nicholas); second, Des Moines (East); third, Dubuque; fourth, Davenport; fifth, Ames. Time 1:25.
60-yard high hurdles—Won by Hayek, Davenport; second, Moorhead, Des Moines (Roosevelt); third, Miller, Cedar Rapids (Wilson); fourth, Wills, Des Moines (East); fifth, Wood, Clinton. Time :07.3.
Medley relay—Won by Cedar Rapids

Buckeyes Clinch AAU Swim Title

Iowa's Wally Ris Sets New Record

COLUMBUS, Ohio (AP) — Ohio State's starting tank team wound up its second straight unbeaten campaign last night, scoring an unprecedented 64 points to make a runaway of the National A.A.U. championship.

The one-sided victory gave the Bucks a clean sweep of the Big Nine, National Intercollegiate and AAU crowns for the last two years.

Scoring in nine of the 10 events, and having no entrant in the other, Coach Mike Peppe's proteges were close to losing as they copied six first places, and swept four places in each of the diving events.

Yale, by taking third and fifth in the closing event, the medley relay, finished second with 27 points, 37 back of the victors. The Philadelphia Turners, paced by the sensational Joe Verdeur's pair of victories in the breast stroke and individual medley, were third with 26.

Wally Ris, defending champion competing unattached from Iowa City, successfully defended his 100-yard free style title in the opening event of the program — and he did it in A.A.U. record time.

Ris, slashing through in 50.9 seconds, clipped a tenth of a second off the A.A.U. mark for the event, and clipped the Ohio Pool mark by seven — tenths in beating Olaf-Olsson of Sweden to the finish by less than a foot. Halo Hirose of Ohio State was third.

Robert De Groot of Ohio State gave the Bucks six unexpected points in the 150-yard backstroke when he won in 1:34.8 minutes. Alan Stack and Al Ratkiewicz kept Yale in the running by finishing second and third.

The bucks boosted their point total to 41 clinching the championship in the 440-yard freestyle as Bill Smith, who holds the world's record, rocked to victory in 4:42.5 minutes. He came in by 15 yards over Jack Hill, the defending champion. Hill, who won it a year ago for the Bucks, was competing unattached because of ineligibility.

Other point totals were Michigan state 12, New York Athletic club 11, Iowa 6, France 4, Sweden 4, Texas Aquatic club 3, Cincinnati Coca Cola 1, and unattached 1. Michigan's fine team lost a chance to make it closer when Harry Holiday, star backstroke, became ill after the afternoon qualifiers and was forced to withdraw from the 150-yard event in which he was expected to triumph.

His illness also forced the Michigan medley relay team out of the

finals, after it had paced the qualifiers. Holiday's loss cost the Michigan team an estimated 16 points, all of which went to the Buckeyes in unexpected victories.

Verdeur, along with Ohio's Miller Anderson in the two springboard competitions, were the double champions. Miller grabbed his fourth straight A.A.U. diving crown, and gave Peppe-coached athletes 18 of 22 A.A.U. indoor diving championships in the last 11 years.

Over the same 11 years, the Bucks have won 47 of 55 championships in Big Ten, N.C.A.A. and A.A.U. competitions

Plans Readied for AAU Baseball Meet

CHICAGO, (AP) — Executive machinery for the first National Collegiate baseball tournament in June was completed yesterday as Frank G. McCormick, chairman of the N.C.A.A. baseball committee, named a tournament committee and selection units for the eight N.C.A.A. districts.

A four-member tournament committee includes Chairman McCormick, athletic director at the University of Minnesota; James Stewart, executive secretary of the Southwest conference; John Kobs of Michigan State college; E. D. Barnes of Colgate university and Clinton Evans of the University of California.

Sites for the Eastern and Western playoffs, scheduled June 20-21, and the championship series, June 26-27-28, will be selected by the tournament committee later this month.

Southerner Hits Midwest Athletics
ATLANTA, (AP) — Sports Editor Ed Danforth of the Atlanta Journal said yesterday in his column, "Ear to the Ground," that the Southeastern conference "with its open grants-in aid to athletes has no chance to persuade any athlete to come south if the Big Nine or Ivy league really wants him."

"The Big Nine, Ivy league and Pacific Coast," Danforth wrote, "are giving adequate, even generous aid to athletes and recruiting briskly but pretending not to do so."

Danforth said representatives from five college groups, the Southeastern conference, Southwestern conference, Mountain States Intercollegiate Athletic conference (Big Seven), and Southern conference would meet in New Orleans April 18 to consider the proposed "purity" code of the National Collegiate Athletic association.

The meeting, he said, carries more than routine significance, adding that "civil war is threatened over the NCAA."

The proposals would restrict coaches and athletic staff members to the campus in talking with high school prospects and otherwise limit aid to athletes.

Cincinnati Scores Twice in 13th to Edge Boston, 4-3

BIRMINGHAM, Ala. (AP) — Cincinnati Reds scored two runs in the bottom of the 13th inning to edge the Boston Red Sox, 4-3 here yesterday. A crowd of 5,500 fans witnessed the two-hour, 30-minute seesaw battle.

Eddie Miller, playing his first game at shortstop for Cincinnati this spring, opened the 13th with a sharp single. Bob Usher placed him as a base runner and stole second. Usher scored to tie the game at 3-all as Don Gaudin committed a two-base error on Frankie Baumholtz's grounder. Charlie Kress, rookie third baseman, stepped to right score Baumholtz with the winning run.

Ted Williams put the Red Sox back in the ball game in the sixth with a two-run homer into the teeth of a 40-mile-an-hour wind. Fifteen Reds struck out, 11 of them at the offerings of Ted Hughson who pitched the first nine innings for Boston.

Dodgers Tip Royals, Robinson Injured

HAVANA (AP) — Jackie Robinson was hurt as the Brooklyn Dodgers defeated their Montreal Royal Farm club, 6 to 3, for the eighth win in 10 starts against the International leaguers yesterday.

Robinson was playing first base for the Royals when Catcher Bruce Edwards, who had singled slid back into the bag while Jackie was reaching for a high throw. The collision knocked out the Negro star, who left the game a regular, conscious. He said he had a slightly wrenched back and bruised right elbow, but would be ready again by today.

Cubs Batter Dallas For 7-4 Victory

DALLAS (AP) — The Chicago Cubs battered out a 7-4 victory over the Texas League Dallas Rebels yesterday.

The Cubs bunched their 12 hits more effectively than the home-towners did their 13, and did better job of getting under the job of getting under the pitcher which did tricks in a high wind.

The Rebels treated Bill Lee, Cub starter, so roughly that he lasted only one inning. They pegged away persistently at the offerings of Russell Meyer, a youngster up from the Nashville club of the Southern association, but were unable to put their hits together and he shut them out through eight innings.

Bill of C Group Favors Closed Shop Ban

Seven of the chamber of commerce legislative committee's 10 members yesterday declared themselves in favor of the bill to close shops in Iowa, Robert L. Gage, chamber secretary, reported.

Two members were absent and one did not vote, Gage said. The bill has already passed the senate and is now in the sifting committee of the house.

Horace W. Stuck, committee chairman, stated that the committee is in no way presuming to speak for the entire chamber membership, but rather is expressing its own group opinion after having studied the proposal.

Stuck urged everyone to study the bill for himself and address his findings to Frank Krall, local representative.

The anti-closed shop bill, originating in the senate, was passed last Monday by that body by a vote of 36 to 12.

The bill, if passed, would prohibit employers and labor unions from making closed or union shop agreements requiring all employees to be members of the labor organization negotiating the contracts.

Camera Enthusiasts To Study Printing Of Colored Pictures

A demonstration of color printing will be the feature of the Wednesday meeting of the Camera club. The meeting is scheduled to be held in the chemistry auditorium at 7:30 p.m.

Paul De Graff, regional representative of the Ansco corporation, will present the demonstration. This is De Graff's second appearance with the Camera club. He gave a similar demonstration at the March 11 meeting of the club which featured exposing and developing color film.

To be included in De Graff's program Wednesday is the printing of transparencies made at the previous meeting and the printing of controlled negatives produced at the Ansco factory.

Officers of the club have extended invitations to camera enthusiasts in neighboring cities to attend the meeting. Club members from Davenport were present at De Graff's last demonstration.

Former Student Visits
Mr. and Mrs. Millard Peck Jr., are visiting in the home of Mrs. Peck's parents, Mr. and Mrs. Albert Betz, 519 N. Gilbert street. Mr. Peck was a former student of the university. He is now attending the school of government at George Washington university, Washington D. C.

TO BE WED

FORMER SUI STUDENT Marion Schneider, daughter of Mr. and Mrs. Henry Schneider of Stanwood, will be married at 7 p.m. Sunday to J. Paul Buckner, son of Mr. and Mrs. James A. Buckner of Anamosa, Miss Schneider graduated from Stanwood high school and attended the University of Iowa. Her fiancé attended Anamosa high school and spent three years in the army. He is now employed by a dairy in Anamosa.

tending the school of government at George Washington university, Washington D. C.

Girl Scouts Plan Camp Reunion April 30 in City Park

The Girl Scout council yesterday announced that girls who have attended Camp Cardinal will hold a camp reunion April 30 at the scout cabins in City park.

A cook-out will be held at the cabins at 6 p.m. Wednesday, April 16, for all Girl Scouts, Brownie leaders and assistants, it was announced.

A regular Girl Scout council meeting will be at the Girl Scout office at 7:30 p.m. Monday, April 7. Council members' annual dues will be collected. Following the council meeting, the camp committee will make plans for the camp reunion.

Organization committee will meet at the office at 2 p.m. Tuesday, April 8. Senior planning board will meet in the office at 7 p.m. Wednesday, April 9.

It was also announced that all seniors attending the senior conference at Rock Island must attend the instruction meeting at the office at 7:30 p.m. Wednesday, April 9, and that the office will be closed Friday and Saturday, April 18 and 19 because of the conference.

The council program committee will meet at 7:30 p.m. Monday,

YWCA Will Elect Officers 1:30 Tuesday

YWCA advisory board officers will be elected at a meeting at 1:30 p.m. Tuesday. Guest speaker will be Dorothy Nossett, executive director of the YWCA Iowa district.

The advisory board meeting will follow a 12:30 luncheon for the YWCA officers. Meeting place is Iowa Union.

Meeting time was changed from Thursday to Tuesday when it was learned that Miss Nossett would be coming at that time.

Moffitt Gets Permits To Build 2 Houses

Two building permits for construction work costing a total of \$14,000 were issued yesterday by the city engineer to Howard Moffitt, local realtor.

Moffitt will erect a house and garage at 1412 Ridge street for \$7,000 and another residence-garage combination at 1416 Ridge street for the same amount. Both sites are in the city's Kirkwood heights addition, which was recently incorporated into the city limits.

April 21 in the office. At that time, plans will be drawn up for the rest of the year, it was announced.

Easter Seal Sale Hits \$868

Sale of Easter seals officially closes today with the collection to date of approximately \$868, according to Mrs. Charles R. Strother, treasurer of the Johnson county organization.

Contributions to the campaign to collect funds for the provision of medical, educational, recreational or vocational aid to crippled children and adults will be accepted during the coming week, she said.

One-half of the amount collected by the Johnson county organization will be used in the county and the remainder will be sent to the state organization, Mrs. Strother said.

A sales booth was operated Friday and yesterday by 15 adults and Girl Scout members.

Marriage Licenses

Marriage licenses were issued yesterday by the county clerk's office to Kenneth Mattness and Violet Ingalls, both of Johnson county, and to Albert Carr and Erma Wingfield, both of Linn county.

GEORGE VACATIONS AT HOME

Robert M. George, 41 of Brandon, is spending Easter vacation at home with his parents.

WSUI Expected to Resume Broadcasting Tomorrow; Power Line Damage Located

Radio Station WSUI will probably start broadcasting again tomorrow morning, according to Chief Engineer John Ebert.

Electricians yesterday located the damage in the power and broadcast cables which has kept WSUI off the air for the past two days.

The power cable burned out after water seeped into a crack but there accidentally by a workman's pick when the Stadium park housing unit's underground piping was installed.

The broadcast cable was damaged similarly; it was almost cut in two by a shovel. Ebert said the broadcast cable could be used in an emergency, but that program quality would be poor. A temporary line will be installed today, Ebert said.

The power cable was repaired by clearing away some of its insulation and drying it out with a blow torch. Then an electrician taped the wires.

Inclement weather made repairs difficult, said Harry Wagner, University electrician. When the hole was dug down to the cables it filled with water. Workmen walled in muck up to their knees. Four feet of water had to be pumped out before repair work could begin.

Ebert said that the actual break was found when the workmen smelled the burned rubber coating of the cable.

The radio station will not be able to go on the air immediately after the cable is repaired, according to Roy J. McGinnis, university electrician.

The frequency of WSUI, he said, is governed by crystals which are always hot and held to a constant temperature. When these crystals, cool they are not suitable for broadcasting. The crystals, he said, control the frequency of a station by holding it within the allowable limits.

Ebert said the crystals might be ready in a period of six to eight hours. Trouble in broadcasting was first noticed Friday morning when the station was preparing to go on the air at 8 a.m.

Strubs Store Getting \$50,000 Face-Lifting

A \$50,000 remodeling program, delayed because of the war, is being carried out at the Strub-Wareham building, 118-124 S. Clinton street.

The present construction is only the first phase of a two-year building program under consideration, however. Kirk Wick-ersham, Strub-Wareham manager, said further plans are indefinite as yet.

A new elevator shaft at the extreme south wall of the building is now in use, and an adjoining staircase has been built. Concrete placements eight feet square and six feet deep have been laid to support new steel I-beams used to reinforce the middle of the ground floor along an east-west axis.

Food-Drug Inspector Positions Open Now Under Civil Service

The civil service commission has announced examinations are open for the position of food and drug inspector with salary ranging from \$2,644 to \$4,149 a year.

Closing date for the filing of applications is Tuesday. Blanks may be secured at the Iowa City postoffice and must be filed with the Executive Secretary, Board of United States Civil Service Examiners, Food and Drug Administration, 1222 New Postoffice building, Chicago.

Applicants have the choice of the optional fields of chemistry, biological science and pharmacy.

CORNING MAN DIES

Dryden Smart, 74 of Corning, Iowa, died yesterday in University hospital. He was admitted to the hospital March 25.

Demos In, GOP's Out Tomorrow

Iowa City's newly elected Democratic administration will be sworn into office tomorrow morning after Mayor Wilber J. Teeters has presided over a final meeting of the 1945-47 city council.

Set for 10 a.m., the meeting will bring together five outgoing aldermen for the last time to clear up business remaining before the present council. Terms expiring are those of Aldermen M. Dean Jones, I. J. Barron, Vernon I. Capen, Carl S. Kringle and Roy S. Ewers, all Republicans.

Two incumbent councilmen will remain for another two years under Mayor-elect Preston Koser, former Johnson county sheriff who last Monday led the Democrats to victory in Iowa City's municipal election. They are James M. Callahan and Charles T. Smith.

New aldermen taking office tomorrow will be Frank Fryauf Jr., Clark P. Mighell, Prof. James W. Jones, Max S. Hawkins and William H. Grandrath. Jones is the lone Republican representative.

Swearing-in ceremonies also will give office to Atty. Emil G. Troit, successful Democratic police judge candidate; to Francis W. Sueppel, Democratic park commissioner, and to two additional incumbents—City Assessor William J. White (D) and City Treasurer Edwin B. Raymond (R).

It is expected that after being sworn in the new council will adjourn until evening for its first full meeting. Appointment of council committees and of certain non-elective city officials will probably occur at that time.

In addition to naming committees, the mayor can appoint a chief of police, sexton, weighmaster, city health physician, street commissioner and janitors, all subject to council approval.

The council names a city attorney, city engineer and city clerk.

Cancel B-29 Flight; Clouds Cover Route

Cloudy weather over the midwest yesterday caused cancellation of the scheduled flight of an armada of 18 B-29's expected over Iowa City late yesterday afternoon, according to an Associated Press dispatch from Salina, Kan.

Col. William L. Lew, commandant of Smoky Hill army airfield where the planes were scheduled to take-off, said the flight would have been possible, but the planes would have had to stay above the clouds for safety.

Army forecasters indicate the weather should improve in time for a second flight tomorrow with Chicago as target city. Detroit was scheduled as target city in yesterday's flight.

The flight was scheduled as a part of Army Week celebrations being held April 7 to 12.

PHONE STRIKE—

(Continued From Page 1) Young, Iowa City manager for the company.

Long distance callers will suffer most from the effects of the strike. Such service will be restricted to emergency and urgent messages, he said.

Other effects expected are delays in calls to university phones and calls on rural cooperative company lines.

Dials calls within the city and within the university hookups are handled automatically, Young said, and no noticeable effect are expected in such cases.

No servicing, installation, transfer or disconnection of telephone sets will be done for subscribers, Young noted.

CHILDREN TAKEN FROM FLOODED HOME

CHILDREN ARE PLACED IN A CANOE to be taken to dry land yesterday after heavy rains caused the Des Plaines river to rise and flood their home in Oak Lawn, a suburb of Chicago. (AP WIREPHOTO)

Eisenhofer Fined \$25 On Accident Charges

George Eisenhofer, 60, of 311 S. Dubuque street was fined a total of \$25 and costs in police court yesterday on two charges growing out of an accident in which his car was involved Friday night.

Pleading guilty to both counts, Eisenhofer paid \$10 for failing to have his vehicle under control and \$15 more for failing to stop at the scene of an accident. His car collided with a sedan driven by Jack L. Bangs, 802 Seventh avenue, at the Burlington-Dubuque street intersection.

Eisenhofer was reported to have turned onto Burlington, colliding with Bangs' car as Bangs started east through a green light. Two more bumps occurred as the sedan backed up twice and Eisenhofer kept moving forward. Then Eisenhofer reportedly drove away and Bangs caught up with him about three blocks from the original scene.

Bangs reported \$45 in damages to his 1946 Buick. Eisenhofer listed damages of \$5 to his 1929 coupe.

Academy Winning Film, 'Best Years,' Scheduled For Iowa City Showing

"The Best Years of Our Lives," pronounced best picture of the year by the Academy of Motion Picture Arts and Sciences, will be presented in Iowa City as a road-show attraction for one week, beginning April 30.

It will be shown four times daily at the Strand theater. Road-show prices not yet announced will prevail at all showings of the picture this year.

The show has been running since the first of the year in Chicago and will open in Des Moines in two weeks. The story is adapted by Playwright Robert E. Sherwood from an original story by MacKinlay Kantor, Iowa author.

Towel and Ash Tray 'Lifters' Plague I. C. Hotel Managers

Some call it souvenir hunting, but it's shoplifting to Iowa City hotel managers.

Guests stole more than 600 towels last year from Iowa City's seven hotels, it was revealed in a survey this week. Managers and housekeepers estimated that each year "souvenir" hunters rob the local hotels of 689 ash trays, 125 bath mats, 24 blankets, 120 light bulbs, 120 drinking glasses, and 10 pictures.

"The worst offenders are the shifting laboring class," one hotel housekeeper explained. "The average tourist, hospital patients, and traveling salesman give us very little trouble." One manager said magazine salesmen are troublesome, but another described most towel snatchers as "high class" people with expensive cars and fancy luggage.

All the hotel officials refused to make complaints against high school students who were here for the recent state basketball tournament. No thefts were charged against the students.

Among strange thefts reported by various hotel managers were a mattress pad, a bed sheet, and a pillow. One guest reportedly walked out with drapes from the windows packed in his suitcase.

"Rolls of toilet paper were often removed from bathrooms during the paper shortage," a housekeeper said.

One guest who took two hand towels, two bath towels, and two dresser scarves, left an expensive pen and pencil set. Another party left more loot than he took. The maid found six salt and pepper shaker sets in a bureau drawer.

Hotel officials emphasized that though losses are high, many of the thieves are caught. Some Iowa City hotels arrange to inspect rooms as soon as the guest leaves. If anything has been taken from the room, the maid immediately phones a report to the lobby and the thieves are apprehended before they leave the hotel.

One salesman quickly returned a blanket when the hotel owner

Violinist Szigeti to Appear Here

Lists Tomorrow's Concert Program

By FRANCIS ROBBINS

The third in the current concert series of the Iowa City Civic Music association will feature the violin virtuoso Joseph Szigeti with Joseph Levine at the piano.

The program by this violinist whom Collier's magazine has ranked with Kreisler and Heifetz will be presented at 8 p.m. tomorrow in the auditorium of City high school.

Opening the program will be Sonata in A major, opus 47, by Beethoven.

Part two includes Caprice number 24 by Paganini and Divertimento by Stravinsky, done in four parts: sinfonia, Swiss dances, scherzo and pas de deux.

After intermission the violinist will play Concerto in E minor, opus 64, by Mendelssohn, done in four movements.

The concluding number of the concert will be Russian Dance from "Petrouchka" by Stravinsky.

Szigeti says program-building is like the answer given by the Royal Academician to the young student who asked how he could paint "Just like him." The answer given was, "All you do is put the right colors on the right spots."

In music, according to Szigeti, it comes down to choosing the right kind and number of works of the right length and weight and placing them in the right atmospheric succession.

"In drawing up a program I feel that the player should at the same time be something like an editor," says Szigeti. "He should assemble works he believes in, and which, with all their diversity, still express something fundamental of the editor."

"In the case of the recitalist, however, the 'editor' not only makes but also defends his choice in the reproduction of these works."

When mastering a musical composition Szigeti says he plays the whole as if it were written premissively in order to compress it into the shortest possible period of time.

"This enables me," he says, "to view the whole composition and detect its form, design and structure together with the full relationship of one section to every other section."

Szigeti recently compared the violin concert programs of the past few years with those of his first years in America. He said he was struck with "the current variety, enterprise and awareness of contemporary production."

"All that the increasingly improving standards of our recital programs need is still more confidence in the constantly expanding audience and its taste."

"With Strings Attached," Szigeti's book of memoirs, contains many of the violinist's personal reactions starting with his early days in Europe when he shared music-hall programs with a lion-tamer and a bareback rider.

In the old days, he recalls, a youngster did not have a formal debut on the continent. He knocked around playing wherever he could.

The book is now being published by Alfred A. Knopf.

JOSEPH SZIGETI, VIOLIN VIRTUOSO . . . He has faith in audiences' taste

Child Health Meet For Public Nurses Opens Tomorrow

The program was announced yesterday for the child health conference being held in the University hospital this week.

The conference runs from April 7 to 11. It is under the joint sponsorship of the college of medicine state services for crippled children and the state department of health.

Registration is limited to 50. County public health nurses, visiting nurses, school nurses employed by the state will attend. Registration will begin at 9 a.m. tomorrow, in the medical amphitheater at the hospital.

After a greeting by Dean Ewen MacEwen of the college of medicine, Dr. Robert L. Jackson will speak on child health. Convalescent care of children will be discussed at a 10:30 roundtable.

Beginning the afternoon, Dr. J. D. Boyd will speak on growth and development of children, after which the delegates will split into three groups: a mothers' class, study of psychological test and a study of the aspects of school children's behavior.

Other features of the 5-day conference will be: a well baby clinic at 2:30 p.m. Tuesday in the classroom in Childrens hospital; series of three discussions Thursday morning concerning care and training of children's eyes, and Friday morning discussion of public health nursing, state department of health and the state services for crippled children.

Wednesday morning's program will be devoted to studies of the recognition of early orthopedic deformities, (2) guiding a child's dentition to adult efficiency and (3) nutrition of the preschool child.

PLYMOUTH PRICES CUT
DETROIT (AP) — Price reductions ranging from \$25 to \$55 a Plymouth passenger automobile were announced yesterday by Chrysler corporation.
