## Truman Urges ERP, Draft, UMT To Halt Russ Threat

### House Group OK's Senate Aid Bill Total

(For congressional reaction to the President's message, see story, page 6.)

WASHINGTON (AP)—President Truman proclaimed this country "the principal protector of the free world" yesterday and called for full military strength, backed by a new draft law, to give force to his declaration.

Mr. Truman said "the very existence of democracy" is threatened by Communist expansion. The time has come, he said, to "join our strength with the strength of other free men the world over" to stop it.

With scorn and indignation in his voice, the President accused "one nation"—Russia—of trying to sabotage the peace and of seeking to spread totalitarian rule over the still-free democracies of western Europe.

#### European Situation Critical

These countries, the President said, we must support with our full strength—"military, economic and moral."

He said the situation in Europe is "critical." And he warned that the U. S., in the coming year, may have to take risks "greater than any this country has been called upon to assume."

But he declared:

"We must be prepared to pay the price of peace or assuredly we shall pay the price of war."

The President's grim, far-reaching extension of his "Truman doctrine" came in two installments. He addressed a hushed joint session of congress in the morning and then flew to New York to speak at a St. Patrick's day dinner.

#### Proposes Three Steps

He recommended to congress three "most urgent steps toward securing the peace and preventing war":

1. Quick adoption of the \$5.3-billion European recovery program. Congress stepped up action on that right away.

The house foreign affairs committee accepted the \$5.3-billion figure already approved by the senate. The program, commonly known as the Marshall plan, may become law by Easter.

2. Universal military training—for all young men. Congress was divided on that, although there was some strong support for it in the senate especially.

3. Selective service—to give the armed forces the men they need, presumably non-veterans up to the age of 26 or so, until UMT gets rolling. Many members of congress had their doubts. They asked for further proof that it is necessary.

#### Age-Old Struggle

In his New York speech, delivered to the Friendly Sons of St. Patrick, Mr. Truman declared that the issue confronting the world today "is as old as recorded history."

"It is tyranny versus freedom," he said.

And by tyranny, the President said, he meant Communism—which he assailed as a denial of God and of man's right to govern himself.

It was there that he declared: "With few exceptions, our people now understand that the United States has become the principal protector of the free world."

All the President's references to Russia, and there were a number of them, were received in stony silence. There was a slight stir when he said this country is "ready and anxious to join with all nations—I repeat, with all nations—in every possible effort" to keep the peace.

The door has never been closed, said Mr. Truman, nor will ever be closed "to the Soviet Union or any other nation."

But "one nation," he said, "has not only refused to cooperate in the establishment of a just and honorable peace but—even worse—has actively sought to prevent it."

## Call for Draft Law, UMT Bill Passage Echoed by Marshall

WASHINGTON (AP)—This country must have military strength to back up its diplomacy, Secretary of State Marshall said yesterday. Without military strength, he told the senate armed services committee, diplomatic action in the present state of the world can lead only to appeasement.

Marshall asked the committee for universal military training and a temporary draft law. And he said, a reconsideration of our air program also is necessary.

The committee opened hearings on universal training and draft legislation within two hours after President Truman had appeared in person before congress to urge the two proposals.

Senator Gurney (R-SD), the chairman, said the committee wants "a total estimate not only of world conditions, but our military positions generally."

"It is clear that the clouds of war are starting to gather," Gurney remarked. "But, while we are hoping that the storm will not overtake us, common prudence dictates that we also 'batten down the hatches of our defense system.'"

Marshall said a temporary draft was the only way he knew to bring the armed forces up to full authorized strength quickly. He cited the situation in Korea. There, he said, the army commander had asked for 38,000 troops, but had only been allotted 30,000 by the army department.

## Draft May Hit 1 Million Men

WASHINGTON (AP)—If congress passes a new draft law, 600,000 to 1-million men may be called to the colors, but veterans of World War II probably will be exempt, Chairman Andrews (R-NY) of the house armed services committee predicted yesterday.

He emphasized that he was not speaking for his committee, which has not yet received any draft legislation from the armed forces. But he made plain he himself was in accord with President Truman's plea for a draft and universal military training.

If a selective service law is passed this month, Andrews said at a news conference, it could begin pulling fresh manpower into the military forces by July 1. He estimated that the men might be required to serve at least 18 months, and would be picked from the 20 to 26 age group.

Andrews said his committee will not discuss the draft proposal formally until it has specific recommendations from Secretary of Defense Forrestal, and in no event until next Tuesday, his next meeting day.

He expressed belief the President's call for the draft came as a surprise to his military leaders. "I have been told that the President's speech was his own idea and that he wrote it himself," Andrews said.

## Big Powers Agree Upon UN Report on Palestine

LAKE SUCCESS (AP)—The big powers were reported in virtual agreement last night on a compromise report covering the fighting in Palestine.

A United Nations press officer said delegates of the United States, Russia, France and China have drafted a set of joint conclusions to present to the security council tomorrow morning. He said the near agreement was reached at a two-hour session last night and that only a minor point remained unresolved.

## West Europe Signs Pact

BRUSSELS (AP)—Five European nations yesterday entered into a 50-year partnership to defend their democratic way of life against any aggressor, with arms if necessary.

Against a background of rapid Communist expansion in the east, Britain, France, Belgium, the Netherlands and Luxembourg bound themselves in a military, political and economic treaty which laid the cornerstone for an even wider European union.

The pact created a "consultative council" to consider any situation which may constitute a threat to the peace anywhere in the world. Four of the signers—Britain, France, the Netherlands and Belgium—are the world's greatest colonial powers.

The treaty is without precedent in European history. Its signers were the countries which in the past have borne the brunt of attacks from the east.

Its defense provisions were not limited to another attack by Germany, although that possibility was specifically mentioned. The signers bound themselves against "any policy of aggression."

Defense was only part of the pact. Far reaching economic coordination was envisaged which one signer said would bind the countries together to make their power equal to any others—such as the United States and Russia. Its purpose did not stop there. Both Foreign Secretary Ernest Bevin of Britain and George Bidault of France hailed it as the foundation of future developments and the cornerstone of European rebirth.

## UN Overrules Russ, Starts Czech Probe

LAKE SUCCESS (AP)—The security council beat down bitter Soviet objections yesterday and began probing into the Communist coup in Czechoslovakia.

The vote to take up the case was 9 to 2. Seven affirmative votes were needed.

Only Andrei A. Gromyko, Soviet deputy foreign minister, and his Soviet Ukrainian colleague, Vassily A. Tarasenko, voted no.

Just before the council convened Gromyko told reporters he considered President Truman's speech to congress to be "propaganda mainly for internal consumption."

The complaint against Russia was brought before the council by Hernan Santa Cruz, Chilean delegate and vice-president of the UN economic and social council, on the personal and direct orders of the president of Chile.

Gromyko lost no time telling the council that the complaint was "pure slander." Gromyko charged that "influential external circles" were acting through "puppets" and "lackeys" to bring the Czechoslovak case here.

Santa Cruz, Warren R. Austin of the United States, Dr. Alfonso Lopez of Colombia and Dr. T. F. Tsiang of China, teamed up in a sharp rebuke to Gromyko for using what they called aggressive language.

## Wallace Plans IC Visit

DES MOINES (AP)—Henry A. Wallace will bring his third party bid for president into Iowa April 28-29.

The former Iowan will be in Iowa City, Waterloo or Mason City on April 28, and at Penn College at Oskaloosa, the morning of April 29. He will speak in Des Moines the night of April 29.

Wallace is coming into Iowa to campaign after an appearance in the tri-cities, probably at Rock Island, April 27.

## Just 1-10,000 of a Second There, Fellas!

THIS IS HOW 1/10,000 of a second of the Davenport-Conesville game looked yesterday afternoon. AP Photographer Paul Cannon caught these players watching the ball, which had just moved out of the picture toward the right. Players for Conesville are Harold Abbott (12) and Joe Hankins (4). Davenport players are Eugene Dietz (17) and Jim Stange (15, left). Davenport won, 71-50.

## Truman Rules Out Support Of Wallace

NEW YORK (AP)—President Truman departed from his St. Patrick's dinner speech on national and international affairs last night to declare he will not under any circumstances accept political support from Henry A. Wallace.

Mr. Truman, who has announced he will seek to return to the presidency, said if the "price" of his victory depended on Wallace "and his Communists" he would just as soon be defeated.

Later, the President told reporters that what he had said about Wallace he had been wanting to say "for a long time."

Wallace, after breaking away from the Democratic fold to seek the presidency on a third ticket, has said he would return under certain conditions. These included the dropping of President Truman's foreign policy. Wallace would not comment on Truman's remarks last night.

But a spokesman said he had sent telegrams to the four major radio networks asking them to "please advise me immediately when I can have equal facilities to those given Harry Truman for his personal and political attack on me and the millions of Americans who support our program for peace."

Wallace already had been scheduled to speak over the ABC network at 9:45 p.m. (CST) tonight on the subject: "Wallace answers Truman."

This address was to have been an answer to the President's congressional proposals yesterday for measures to deal with the international situation.

## Congress, Conciliation Units Tackle Coal Strike

WASHINGTON (AP)—Both the federal conciliation service and congress' labor relations "watchdog committee" moved yesterday on the coal mine shutdown.

The congressional group headed by Senator Ball (R-Minn.) called for "all facts" from both sides within 48 hours.

Eight lights on the huge map of Iowa at the east end of the fieldhouse were darkened last night as the first day of play in the 1948 state tournament drew to a close.

Early yesterday morning, when the map went up on the wall, every sector of the state was represented by sixteen red lights. Throughout the course of the day the lights dimmed—one in the northwest, one in the southwest, three in the central part of the state, two in the southeast and one in the northeast.

## Tourney Time

### Fans Have Field Day In Fieldhouse

By BOB CARROLL

Thousands of Iowans probably played basketball in their dreams last night.

They had enjoyed—and survived—eight games in one day. That totals 256 minutes of play compressed into 14 hours. And they liked it so much that they'll return again today for four more games. Iowans enjoy the boys' state high school basketball tourney.

Although it was St. Patrick's day, red shared the honors with green. Apparently red is the favorite high school color and is a favorite color for clothing as well. The Irish got some assistance from Boone which had green jerseys with red numbers. Many persons wore at least a green accessory and some sported artificial shamrocks.

Band music added much to the gaiety with music provided by Ames, Boone, Carroll and Loras. Several cheering sections punctuated the music by clapping hands.

Boone had some "jumping jacks" in its cheering section. About 30 girls, clad in red and white, jumped up and down while giving out with Boone cheers.

The attractive girls wearing red and white and selling programs are members of Iowa City high's Girls' Athletic association and Pep club.

Some of the longest faces on fans were from lettermen on teams already beaten. Many seemed to have that I-wish-I-were-in-there expression. Then there were the youngsters in the lobby wearing that how-can-I-get-in-for-nothing look.

Fans had a little trouble finding reserved seats in the morning, but they knew where to go in the afternoon and evening sessions.

There was a bit of a jamming together after the fieldhouse was filled. It seems as though the seats aren't broad enough. One man remarked, "Whoever laid out this seating didn't know human anatomy."

During the morning's second game, an announcement that a few tickets for afternoon and evening sessions were on sale at the business office started a rush for tickets.

Davenport's Blue Devils, surging toward their second state crown in two years, came through with a convincingly easy victory over small Conesville in the third game of the day, 71-50.

The Blue Devils' showing not only further entrenched them in the favorite's spot to cop their second straight title but set a new single scoring record by one team in state finals' play and the combined total established another mark.

Davenport's 71 points scratched out Sioux City Central's old record of 66 points scored against Geneseo in 1945. The Imps and Conesville also burned the nets for 121 markers to erase the total of 107 chalked up by Sioux City Central and Geneseo in 1945.

Yesterday's crowds for the morning, afternoon and evening sessions also set a record for opening day attendance in the 26th annual state finals with capacity throngs at each session. The estimate was set at 16,000 for all three.

Sell-outs were assured for the games this afternoon and tonight as well as tomorrow and Saturday. The finals on Saturday have been sold-out for a month.

The big eight-game day began with a bang in the first contest yesterday morning when Ankeny's mighty B team completely outclassed the double A entry from Ames, 49-22. Ames had previously upset three of the state's better teams to enter the final round but never had a chance against the smooth Hawkeyes from Ankeny.

The three Fontana brothers, Dick, Ron and Ray, were everything they were built up to be. The trio dominated Ankeny's scoring column with 39 of the 49 points. Ray led with 17, followed by Dick with 12 and Ron with 10. Beyond that, they scored 29 of the first 31 Ankeny points and served ample notice to their future foes to be on the lookout.

Boone's ace center, Bobby Clifton, led his mates to a tight 45-41 triumph over Carroll in the final morning game, the shifty pivotman hitting 22 points. George Marget looked very good for the losing Carroll cause with 18 tallies.

Davenport might have been up against a nervous, jittery rival in the little Conesville crew, but at any rate it never never was a ball game. The Imps started fast, pushed to a 42-9 halftime advantage and Coach Paul Moon sent his regulars to the bench for the rest of the tilt.

Willard Newman's substitute scoring paced the Devils with 11 points. Conesville's shifty little star, Billy Hesseitine, successfully conquered his jitters of the first half and racked up 19 points for the game.

Two class B schools, Galva and Hudson, hooked up in the afternoon's second feature, the Galva quintet winning, 36-27.

In the final game of the afternoon, Loras of Dubuque advanced to the quarter-final round today

by topping Fontanelle's B team, 34-31.

Manning and Ottumwa walked away from their first day foes in the two games of the evening's cards. Manning trampled Livermore, 43-34, while Ottumwa scorched Oelwein's supposedly dangerous but impotent five, 45-28.

The Bulldogs of Ottumwa looked very good after over-coming an early 10-3 Oelwein lead and raised hopes in many circles that

## Ankeny Looms as Darkhorse After Easy Win Over Ames

### Ankeny 49, Ames 22

Ankeny, behind the big offensive guns of the Fontana brothers, took a surprisingly easy 49-22 win over Ames to open state tournament play in the Iowa fieldhouse yesterday morning.

Ray Fontana, working the pivot like he owned it, poured in 17 points to pace the scorers. But brothers Dick, with 12 points, and Ron, who scored 10, shared in the glory.

The Hawkeyes never trailed in the contest, although Ames tied the count at 4-all in the first period. From then on, Ankeny began to pull away. At halftime the Hawkeyes led the Little Cyclones, 21-12.

The second half was all Ankeny. In fact, the crowd sensed the Hawkeye victory early in the third quarter and the only question remaining was the margin of victory.

### Boone 45, Carroll 41

Boone's classy Toreadors moved into the quarter-finals yesterday, but not before Carroll's fighting Tigers, led by George Marget, had given them a terrific scare, 45-41. Boone moved into the lead early and held it virtually all of the game, but it had to beat back several Carroll thrusts. Carroll gained its only lead at 5-4 early in the game.

Boone held a four point edge at the quarter, 13-9, and had advanced it to five points, 25-20, at the intermission.

Marget was the big gun for the Tigers in their comeback. He was

all over the floor demoralizing the smooth play of the Toreadors and hitting from all angles. He netted four field goals in the third period alone, and set several others up with his defensive work and clever passing. He finished the game with 18 points.

Boone's star pivot man, Bob Clifton, kept the Toreador offense rolling everytime it threatened to bog down and let Carroll slide into the lead. His effortless work made it seem as if he wasn't working, but he steadied Boone and led them with a 8 field goals and 6 free throws for 28 markers. He also played a beautiful floor game and worked perfectly off the post.

### Davenport 71, Conesville 50

Davenport's powerful Blue Devils had little trouble disposing of Conesville in the opening game on the afternoon card, 71-50. Two new records were set in the game, the 71 points collected by the Imps bettering the old record for one team, and the total of 121 scored by both teams, setting a new mark. The old records both came in the 1945 tournament, when Central high of Sioux City defeated Geneseo, 66-41.

It was the biggest school in the tourney against the smallest in this contest. And the Conesville boys were awed by the crowd of some 15,000 people. Davenport's regulars rolled in an easy 17-4 first quarter margin and by halftime the score read, 42-9.

The small, speedy Tigers showed why they made the ranks of the final 16 by pouring through 25 points in the third period, cutting the margin to 55-34. Coach Paul Moon of the Blue Devils sent two of his starters back in the lineup in the last period and the two

teams traded buckets to the end. ### Loras 34, Fontanelle 31

Loras Academy of Dubuque moved into the quarter-finals of the state tournament yesterday by the courtesy of a ball that just wouldn't drop for Fontanelle, winning 34-31.

Loras jumped into an early lead by virtue of a fast break that caught Fontanelle completely unprepared. Fred Gallardo the Academy's hotshot 5-foot 6-inch forward found the corner to his liking, and drilled basket after basket in from his favorite position.

Fontanelle had a well organized attack which was very effective in working the ball in for good shots. But even after they started hitting, the field goals were few and far between.

Fred Gallardo was the chief academy threat, pumping in 15 points, and coming through for points each time it seemed Fontanelle would close the gap. Ronald Seegers was the leading Fontanelle scorer with 13 points.

The box score: Loras (34) fg ft pf Fontanelle (31) fg ft pf Gallardo, f. 7 1 1 Real Seegers, f. 3 5 2 Enderlin, f. 3 2 1 Eggen, c. 2 4 2 Fleckstein, c. 4 1 3 K. Jensen, g. 1 1 2 Hayes, g. 0 0 4 J. ### Galva 36, Hudson 27

Galva's Blue Devils became the

second class B team to advance to today's quarterfinal round when they eased past Hudson, 36-27.

Galva got off to an early lead and was never headed. With Rusch scoring all the points in the first quarter, the Blue Devils took a 7-3 advantage. Rusch hit for the first field goal in the second period before teammate Suling broke into the scoring column. At halftime Galva held a slight 14-9 edge.

The play speeded up in the second half, with Galva gradually increasing its margin. At the quarter the Blue Devils led, 22-15. Hudson put on its best show in the final period by hitting for 10 points, but Galva scored 14 to ice the game.

Bob Wumkes paced the losers attack with 8 points. ### Manning 43, Livermore 34

A well balanced Manning quintet put the skids to Livermore's hopes in last night's opener, 43-34. The game was probably the best played in the tournament to date, with the outcome in doubt until the final minute of play.

Manning's Bulldogs jumped to a 5-0 lead before Livermore entered the scoring column. At the end of the period Manning held a slight 7-6 lead. Bordwell was top scorer in the contest with 14 points, most of which came on long push shots.

### Ottumwa 45, Oelwein 28

Ottumwa's Bulldogs had too much class for Oelwein last night and sent the Huskies careening to the sidelines under a 45-28 blast.

Oelwein started out fast and looked as though they might sweep Ottumwa off the court as they built up a 10-3 lead. However, their satisfaction was short lived as Ottumwa roared back to net 11 straight points before the Huskies

again split the net. From then on out it was all Ottumwa, with only occasional flashes of brilliance by Dick Chado, Oelwein's star forward, to break the Ottumwa monopoly.

The Bulldogs established themselves as a real title contender last night. They had everything a contender needs: Finesse, speed, height, fast, crisp passing, balanced scoring and a terrific shifting man to man defense.

Oelwein was baffled by the

Bulldog's defense and except for its first moments of glory in the opening quarter were held at bay far out in the court.

Wayne Freshour and Bob Walker led the Bulldog attack with 15 and 16 points. Dick Chado made 16 of his team's 28 points. ### St. Louis Wins NIT

NEW YORK (AP)—The St. Louis Billikens, sparked by all-America Center Ed Macaulay, smothered New York university, 65-52, tonight to win the National Invitation basketball tournament and qualify for the Olympic try-outs.

In the consolation preliminary for third place, Western Kentucky squeezed out DePaul, 61-59 in a rough, exciting overtime contest. The regulation game ended 53-33.

### Sioux Center 58, Catholic Central 30

The speed demons from Sioux Center had things all their own way while romping over Catholic Central of Ottumwa, 58-30, in the finale of the first round.

Balanced scoring and a terrific fast break were the big weapons shown by the Indians. Paced by little Wayne Ver Meer, who hit 14 points on six field goals and two free throws, Sioux Center roared to a 16-3 first quarter advantage. Ver Meer tossed in virtually all of his field goals while running at full speed on the fast break.

Dan DeRuyter and Kenneth DeVos were the other big guns for Sioux Center, scoring 12 and 10 points respectively. John Berg-

### Rev. Choitz Refuses Offers of Two Jobs To Remain in IC

The Rev. John F. Choitz of St. Paul's Lutheran church declined offers of two positions Tuesday night, and will remain at his local pastorate.

At a meeting with the congregation and district board of the Lutheran church, the Rev. Mr. Choitz was asked to stay here by a unanimous vote.

With this vote of confidence, he declined the directorship of the English department at Concordia Teachers college, Seward, Neb., and the offer to be principal of the Lutheran high school at Cleveland, Ohio.

The Rev. Mr. Choitz is in his third year as pastor of St. Paul's Lutheran church.

### Rites Tomorrow For H. L. Fountain, 74

Funeral services for Harry L. Fountain Sr., 74, will be held tomorrow at 2 p.m. at the McGovern funeral home, with Dr. L.L. Dunnington officiating. Burial will be in Memory Gardens.

Mr. Fountain died at Mercy hospital at 4:30 yesterday morning following an illness of one week.

He was a farmer in Johnson county until his retirement a few years ago. Since then he made his home at 103 Halley street.

Born in River Junction, Jan. 6, 1874, he was the son of Eli and Elizabeth Fountain.

He was married to Sarah Rainier Feb. 19, 1896. She preceded him in death Jan. 1, 1897.

In 1909 he was married to Sarah Gallagher.

He was a member of the Odd Fellow Lodge in Lone Tree.

Iowa City survivors include his wife; two daughters, Mrs. Carl Reese and Mrs. Art Allison; one son, Harry Jr., and two sisters, Mrs. Bessie Stover and Mrs. Clara Pepler.

He is survived also by four daughters, a son, a brother, a sister and 16 grandchildren.

## "THE BEST IS YET TO BE"

The telephone will be seventy-two years old this year. Its development within a single lifetime has been a modern miracle. Yet it is only the beginning.

There are any number of men in the telephone business today—some just starting out—who will see greater progress than the past has ever known:

Year by year the next half century will be increasingly theirs: New leaders will appear from among them: Step by step, rung by rung, they will mount the ladder to the top. For telephone management is

employee management and comes up from the ranks.

There will be more good jobs for qualified men in the telephone business in 1958 and 1998 than now. It just can't help being that way. For of all the businesses and professions, there are few more interesting and necessary:

So the future is bright for those who make telephony their life work. For them, "The best is yet to be."

**Army Officer Speaks On Atomic Defense**  
 Lt. Col. David B. Parker, U. S. army corps of engineers, talked on "Responsibilities of the Military in Respect to Atomic Defense" at the meeting of the Engineering Faculty Luncheon club yesterday at 12:30 p. m.  
 The colonel is visiting his brother, Prof. E. M. Parker, of the college of engineering.  
 Col. Parker's present assignment is with the armed forces special weapons project, the war department's successor to the Manhattan project. The special weapons project controls the military application of atomic energy.  
 Following his luncheon club talk, Parker spoke on "Peaceful Use of Atomic Energy" at the meeting of the student chapter of the American Society of Engineers in the engineering building.  
 Parker is the author of "Mist of Death Over New York," an article dealing with a hypothetical atomic attack on New York by submarines. The article appeared in Reader's Digest, April, 1947.  
 He had also written several articles dealing with atomic energy for the Coast Artillery Journal.

**Mrs. Verna J. Tisue Files Suit for Divorce**  
 Verna J. Tisue filed a petition for a divorce from Ronald L. Tisue, Moravia, in the Johnson county district court yesterday.  
 Charging cruel and inhuman treatment, Mrs. Tisue asked for custody of their child and such alimony as the court may find suitable.  
 The couple was married in Moravia, May 13, 1945 and separated Jan. 15, 1948. Swisher and Swisher are representing Mrs. Tisue.

**Married Students May Apply Tomorrow For Garden Plots**  
 Married students desiring to "get down to earth" may apply for a garden plot beginning tomorrow at the married students housing office, 164 Riverside park, Donald Sonius, chairman of the University Married Students garden committee, announced yesterday.  
 The committee set April 3 as the deadline for application. A fee of 75 cents, payable on application, will be charged to cover the expense of plowing, harrowing and providing water. Any part of the fee not used will be refunded.  
 Only married students living in university housing areas are eligible to apply.  
 Sonius said the garden committee planned to divide the one-and-one-half acre garden area, at the corner of Person avenue and Park road, into 150 20 by 20 foot plots.  
 Anyone desiring more space should indicate such when applying for his first plot. Lots not applied for by the deadline would then be available to those persons.  
 All lots will be assigned at the same time by the garden committee so that those getting second

lots can have their "acreages" in one place.  
 Friends may request to be assigned adjoining plots when they apply.  
 The garden committee is working out a set of rules governing such problems as children playing in the furrows, weed control and the prize corn in one plot shading the neighbor's tomatoes.  
 Members of the UMSSO garden committee include Donald Sonius, 159 Hawkeye; John Weiser, 125 Hawkeye and James Fulton, 423 Riverdale.

**Minneapolis Orchestra To Feature Symphony Of Former SUI Student**  
 The Minneapolis Symphony orchestra will present the world premiere tomorrow night of "Symphony No. 1" by Dr. James Aliferis, former student in the SUI music department.  
 Aliferis submitted the symphony as his doctoral thesis when he received his Ph.D. degree in music from SUI in July, 1943.  
 The orchestra, under the direction of Dimitri Mitropoulos, will include the composition in its program tomorrow night at one of its regular concerts in Minneapolis.  
 Aliferis is a member of the music faculty and chorus director at the University of Minnesota. He holds B.S. and M.A. degrees from Western Reserve university, Cleveland.

# Thompson Hits Big-Hearted Masons Play Cupid At Fraternity Hazing System

"Objectionable pre-initiation practices in the fraternity system must go . . . because if they do not, the fraternity system is in jeopardy and will disappear!"

C. Woody Thompson issued this warning to members of Iowa Men's Interfraternity association at the scholarship banquet held last night in the River room of Iowa Union.

Thompson was formerly dean of the office of student affairs and is now director of the bureau of business and economic research department.

Referring to the recent case involving Sigma Nu social fraternity, Thompson said, "We must let this first incident be a notice that future incidents which may occur will be dealt with more harshly."

"The leadership in the fraternity world is against this sort of thing, and we must see to it that each and every chapter on this campus cleans up its pre-initiation program."

Objectionable pre-initiation practices, according to Thompson, are an "outgrowth of ancient tribal ways" and, he added, "fraternity men do not need to be 'hazed' to manhood."

Thompson referred to the two main attacks made upon the fraternity system—its low scholarship, and the "horseplay" in initiation.

"If we can bring up the scholarship standing and eliminate the objectionable practices in pre-initiation," he said, "all objection to the fraternity system would go."

Among the awards presented during the banquet was the Iowa Men's Interfraternity association scholarship cup which went to Phi Kappa Sigma whose members maintained a grade average of 2.54.

Dean Allin W. Dakin, representing President Hancher, presented the cup to the Phi Kappa Sigma outstanding scholar, William Hamilton, A2, Iowa Falls.

Ray Carlson, C3, Fort Dodge, Beta Theta Pi and Mel Heckt, C4, Grundy Center, Delta Upsilon were named "most outstanding Greeks" by Prof. Wendell R. Smith, college of commerce.

Receiving interfraternity keys for service on the inter-fraternity council were Fred Stines, Phi Gamma Delta; Robert McCoy, Phi

MR. AND MRS. GEORGE ROCKWOOD, Clinton, posed for this wedding picture after they were married Tuesday night in Tipton through the generosity of the Masonic lodge there. Lodge members became voluntary members of the wedding party. Left to right are A.E. Rumble; J.C. Coonrod, clerk; Mrs. Don Willcutt, matron of honor; Mrs. Rockwood; Rev. A.W. Straub, lodge chaplain; Rockwood, the groom; D.O. Welty, volunteer best man, and Roy Glick, who made the arrangements.

Delta Theta; James Schneider, Alpha Tau Omega; Mel Leiserowitz, Phi Epsilon Pi; Walter Wentz, Sigma Phi Epsilon; Bill Munsell, Beta Theta Pi; Dick Steckel, Delta Chi; Louis Nielsen, Delta Tau Delta.

Mel Heckt, Delta Upsilon; Robert Phinney, Phi Kappa Psi; Dale Erickson, Phi Kappa Sigma; Ralph Little, Pi Kappa Alpha; Ed Kemp, Sigma Alpha Epsilon; Jack Mangelsdorf, Sigma Chi; Larry Roth, Sigma Nu and Andrew Anderson, Theta Xi.

Dean Stichnoth, Alpha Tau Omega, was also given a key for his service as interfraternity representative to Student council.

## Lodge Meeting Becomes Wedding Party

Masonic lodge members in Tipton played a double-barreled, super-charged role of cupid, license bureau, wedding guests and hosts to a Clinton couple Tuesday night.

About 9:30 p.m., George Rockwood, 36, and Hazel Trimble, 28, both of Clinton, stopped at the Masonic temple in search of J.C. Coonrod, clerk of the court.

While waiting for a lodge initiation ceremony to end, the couple told Tyler Roy Glick (sergeant at arms) that they were going to look up a justice of the peace to perform the wedding ceremony after Coonrod fixed them up with

a license.

Then Glick decided to give the members of his lodge something new in the way of entertainment, and at the same time do the couple a favor.

Glick called the lodge chaplain, the Rev. A. W. Straub, from the

meeting and asked him if he would marry Rockwood and Miss Trimble. The chaplain agreed, and after the lodge meeting was adjourned, the license was obtained from Coonrod.

D.O. Welty agreed to act as best man while William H. Neber, master of the lodge, played a wedding march on the piano. Mrs. Don Willcutt, friend of the bride, was the maid of honor.

With about 30 lodge members as witnesses, the Clinton couple was united in marriage.

A make-shift guest book was signed by the witnesses. A. E. Rumble, Tipton grocer, was the refreshment committee.

Not content to let a good thing

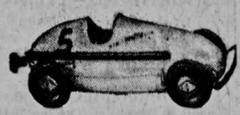

be half done, the lodge members took up a collection to serve as a wedding present.

According to our information, however, the Masons made no arrangements for Mr. and Mrs. Rockwood's honeymoon.

## To Support Warren

SACRAMENTO (AP)—A slate of 53 delegates pledged to Governor Earl Warren was announced yesterday to go to the Republican national convention.

Arthur W. Carlson, chairman of the Republican State Central committee, said there were seven at-large delegates and two from each of the 23 congressional districts.
