Restaurant Blast Kills One, Injures 13, Shatters Homes

HAMPTON, IA. (AP)—One person was killed, at least 13 others were injured and four families were left homeless by an explosion which demolished a restaurant here this afternoon.

The dead man was identified as Louis Rowe, 44, manager of the Farmers elevator. Several of the injured were reported in critical condition.

The ruins were being searched for possible additional dead or injured. Auto wreckers and draglines were mobilized to help move the wreckage.

Besides the restaurant, the blast badly damaged a four-family dwelling on one side and a one-family house on the opposite side of the building.

Mr. and Mrs. Bob Ohlert, living in the single family house, escaped unharmed, but the house was severely damaged and made uninhabitable by the force of the explosion and fire.

Three of the apartments in the four family dwelling were rendered uninhabitable, leaving Mr. and Mrs. Darrell McGeathy; Mr. and Mrs. Dean Wilson and Mr. and Mrs. Darrell Ethers homeless. Each of the three families has one child.

Only Mrs. McGeathy and her two-year-old child were in the four-family house when the explosion occurred.

Fire Chief J.E. Murphy said the men had great difficulty in fighting the flames for fear of drowning some of the blast victims with water from the hose lines.

Good Friday services at the Methodist church were cut short immediately after the blast so that nurses could go to the hospital to aid in caring for the injured.

The blast tentatively was believed to have resulted from a leaky refrigeration system.

Plate glass windows were broken in buildings more than two blocks away.

The cafe was operated by Mrs. Robert Scarr, 37, who was among the injured, and Mrs. Virgil Murphy. First reports were that Mrs. Murphy was not in the cafe at the time of the blast.

Charles Covell, 45, a farmer, reported he was blown into the street. He was picked up there with his body maimed and his clothing in rags.

The list of injured was released by the hospital with the explanation that the names and spellings had not yet been checked.

The injured: Mrs. Robert Scarr, 37; Ernest Doyle; Charles Covell, 45, farmer; Markwood Grimes, about 80; F. C. Holmes; Wilbur Schafer; Louis Christensen; Jim Campbell; Raymond F. Schafer; W. W. Harper, 57, trucker; Mrs. Clifford Baldwin; Jim Donhowe, and Lewis Rule, 48, receiving clerk at Swift plant.

The extent of injuries suffered by the victims was not known immediately.

Pickets Blockading Decker Meat Plant

MASON CITY, IA. (AP)—Striking CIO united packinghouse workers yesterday established what they called a strict blockade around the Decker plant here.

Clarence Ramsey and Art Costello, co-chairmen of the union strategy board, said the blockade would be against trains going in or out of the plant, and all individuals except watchmen, federal meat inspectors, mail men and construction workers.

The union men said anyone leaving the plant, an Armour subsidiary, will stay out.

Ramsey and Costello declared the action was taken in retaliation for an unsuccessful attempt by office workers to run cars double file through the picket lines at noon yesterday.

The pickets increased their lines and some of the strikers were walking the railroad right of way into the plant.

FCC Move Against KICD Is Explained

SPENCER, IA. (AP)—Ben B. Sanders, general manager of radio station KICD said last night the federal communications commission action announcing proposed revocation of his license to operate the station "much less severe" than early reports indicated.

Sanders said in a long distance telephone call that a formal filing for a hearing would be made Monday, and that if possible, the hearing would take place at Spencer.

The FCC is bound by law to conduct a full hearing on the technicalities involved in the matter, he said.

The FCC had announced that it would revoke Sanders' license because Sanders, majority stockholder of the station, had acknowledged he made incorrect statements regarding his financial position.

Sanders said he conferred with T. J. Sloie, commission chairman, and commission attorney Wilkinson yesterday in Washington, and "all facts were brought to light clarifying erroneous impressions formulated earlier."

"We have nothing to hide and our records are open at all times," he said.

Iowa News In Brief

DAVENPORT, IOWA (AP)—The stick of dynamite found on a school playground by an 11-year-old girl probably is part of a supply stolen from a Dewitt, Iowa, quarry, in the opinion of captain of detectives Harold A. Thorsden.

Children living in the western part of the city were warned to be on the alert for any loose dynamite sticks.

DES MOINES (AP)—Gov. Robert D. Blue yesterday authorized California authorities, after a hearing, to take Donald James Cox to Laguna Beach, Calif., to face charges of burglarizing two stores and a cafe.

Cox, arrested on a California fugitive warrant in Cedar Rapids, attended the hearing. He contended he was not in California Feb. 8, when the California authorities claim the burglaries occurred.

FAIRFIELD, IA. (AP)—A \$300 reward in the death of W.D. Chichester, 56, was offered yesterday by a man who had been Chichester's employer for 11 years.

Harold Smith, manager of the Oliver Implement store here, said he was offering the reward for the arrest and conviction of the person who attacked Chichester at his one-room home.

A coroner's jury Thursday said that evidence submitted was "insufficient to indicate foul play." Death was caused by a cerebral hemorrhage, the jury said.

DAVENPORT, IA. (AP)—The Scott county welfare office is seeking a home for a family of nine who are living in a \$8-a-day hotel room here.

Mr. and Mrs. John Tank and their seven children moved into the hotel last Friday. Tank is a construction worker earning \$1.25 an hour.

The family has no cooking facilities, and can't afford to eat in restaurants, the welfare office said. The county has been furnishing milk and food for sandwiches for the family.

ELDORA, IA. (AP)—The city council yesterday put on display on the north side of the square here the equipment the council has purchased during its two years in office.

Jews Want UN Guards In Jerusalem

JERUSALEM (AP)—The Jewish agency asked yesterday that foreign troops be sent to Jerusalem to prevent the possible bombardment and destruction of the city's holy places.

The plea was made by an agency spokesman as Jerusalem received a day-long respite from the terrors of the Arab-Jewish civil war. Not a single shot sounded in the city on this Good Friday, but at least 10 Jews and Arabs were killed in Palestine.

Christians moved in prayer along the route Christ followed from Condemnation to Calvary. They stood with bowed heads in the ancient streets commanded by smoke-blackened gun positions. At each station of the cross Arab guards stood at attention while prayers were said.

The agency spokesman suggested that 10,000 Danish and Norwegian troops be sent from northern Germany to garrison Jerusalem when the British mandate ends May 15. He explained that the Jews are not insisting that those particular troops be used and said it was up to the United Nations to determine what military units should be sent here.

The British government rejected Russia's protest Thursday.

In yesterday's note the Russians were sharply reminded that as long ago as September, 1946, they were formally offered by Secretary of State Byrnes the opportunity to join with the United States in economic merger of the occupation zones in Germany.

The responsibility for rejection of this offer and for failure to include its zone in this economic arrangement lies upon the Soviet Union itself.

The note said the Soviets had suppressed the Socialist party in eastern Germany by forcing it to merge with the Communist party into a "Socialist Unity party."

This new party, Armour said, "has become the new bulwark for a totalitarian regime in eastern Germany."

Eisler left under a deportation agreement allowing him to go to any country except Mexico and Canada.

Eisler, the brother of Gerhart Eisler, alleged No. 1 U.S. Communist also threatened with deportation, said he was an anti-Fascist and not a member of the Communist party "but I respect and have sympathy for them."

The Eislers planned to go from London to Prague and Vienna. They are citizens of Austria. They were accompanied to the airport by Gerhart Eisler.

WASHINGTON (AP)—The post-office department late yesterday suspended all postal service to Palestine except for air mail. There was no indication of how long the restrictions will continue.

WASHINGTON (AP)—The United States accused Russia last night of restoring concentration camps to eastern Germany and filling them with opponents of its "new totalitarianism" there.

Further, the American government charged in a note sent to the Soviet embassy that Russia and its eastern European satellites—not the western powers—are responsible for dividing Germany and splitting the whole of Europe between east and west.

The American note, signed by Assistant Secretary of State Norman Armour and addressed to Soviet Ambassador Alexander S. Panyushkin, was delivered to the embassy Thursday and released by the state department last night.

It rejected outright a Russian protest of March 6 that the United States, Britain and France were breaking the Potsdam agreement by meeting in London a month ago to work out new steps for economic unity in western Germany.

The British government rejected Russia's protest Thursday.

In yesterday's note the Russians were sharply reminded that as long ago as September, 1946, they were formally offered by Secretary of State Byrnes the opportunity to join with the United States in economic merger of the occupation zones in Germany.

THE WEATHER TODAY

Cloudy and windy today with rain. Sunday generally fair, warmer. High today, 42; low, 30 degrees. Yesterday's high was 74 degrees.

Ask Eisenhower To Run

Tornado Jars Indiana Towns

DANVILLE, IND. (AP)—At least 11 persons were killed and dozens injured by a tornado which cut a path across west central Indiana late yesterday.

Nine persons were known dead at Coatesville, in the southwest corner of Hendricks county. One child was killed here in Danville, and a woman was killed in Clay county, 30 miles southwest of here.

Four persons were listed as missing here.

Coatesville, a town of 350 persons, was in ruins. Twenty-five homes, a grain elevator, several business houses and several automobiles were destroyed. A four-apartment building was leveled and burning.

Red Cross disaster units from Indianapolis and Terre Haute were on the way to Coatesville, which is about 30 miles east of Indianapolis and 50 miles east of Terre Haute.

Col. Robert Rossow, state police superintendent, was on the scene setting up temporary headquarters.

Albert Sechman, about 60, said he saw the storm approaching Coatesville. He described it as a "huge and very dark cloud coming low down."

Alabama Tornado Rips Through Town; Two Killed; Many Injured

ALICEVILLE, ALA. (AP)—A tornado which struck here twice last night about a mile apart killed two persons and injured a score of others.

R. L. Meeks, of Birmingham, Ala., a visitor, said the tornado demolished about 25 houses. Power lines were down and the town was in darkness.

The dead were identified as a Mrs. McElroy about 60 and a Negro child whose name was unavailable.

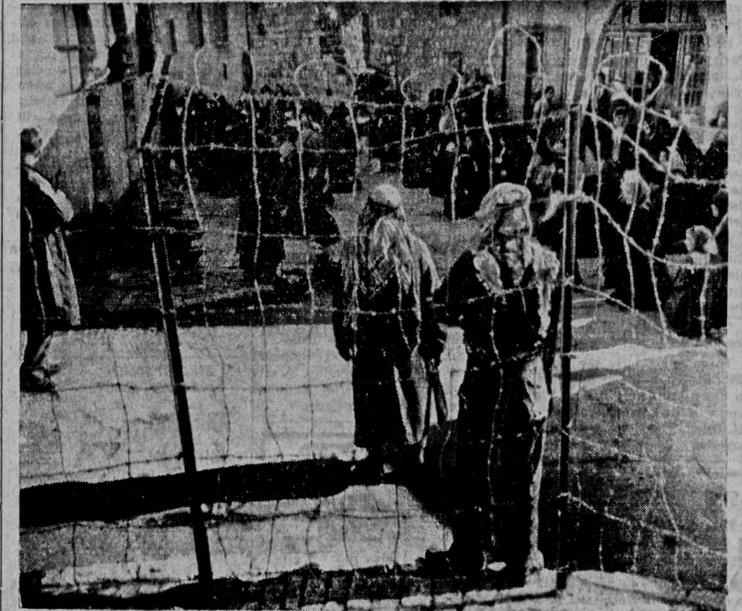

Meeks said the tornado came in over a mill village and dipped down at the edge of the residential section. The injured were removed to Tuscaloosa, Ala., and Columbus, Miss., hospitals.

Oklahoma Harassed by Dust; Tornado Kills 13

OKLAHOMA CITY (AP)—Dust blew into northwestern Oklahoma yesterday while the eastern part of the state suffered the tornado damage which left 13 dead Thursday night.

A twister first was reported Thursday night at Tinker field, where 84 planes were damaged or destroyed. Tornadoes followed near Wetumka, 75 miles east of Oklahoma City; Eufaula, Boynton, Checotah and Sallisaw.

Pilgrims, Barbed Wire, Sentries . . . Good Friday, 1948

FORMER KING MIHAI Assassination Plot . . .

Former King Mihai Guarded, Told of Assassination Plot

WASHINGTON (AP)—Special precautions were ordered yesterday to protect former King Mihai of Romania from assassination.

They were ordered after the state department announced it had received "reports of rumors of a plot" to take his life.

The former King and his mother, Queen Helen, have been visiting in Washington several days. When the announcement was made, however, the 26-year-old ex-monarch was flying to Dayton, Ohio, under sponsorship of the state department. He arrived there safely for an inspection of the air base at Wright field and was to return here.

Although the state department said it is "taking measures" to protect Mihai, officials declined to say what the measures were or where the assassination rumors came from. The FBI also declined to comment on any special security precautions.

Mihai is due to fly to Detroit today.

Plan To Cement All 'MacArthur' Clubs

MILWAUKEE (AP)—A strong, active national organization backing Gen. Douglas MacArthur for president will be planned at a meeting here today.

Lansing A. Hoyt of Milwaukee, national chairman of MacArthur clubs, will preside. Representatives of 20 states—either state chairmen or their delegates—will attend.

Hoyt said he expects the conference to go on record as favoring the immediate correlation of activities throughout the nation. The goal is the activation of at least 1,000 MacArthur clubs before the Republican national convention, Hoyt said.

The plan to be considered at the meeting here provides for present state chairmen of MacArthur clubs to take over coordination and arrange for acceptance of donations from MacArthur supporters. Financial help then will be allocated all clubs and literature made available. Present national officers will be retained, Hoyt added.

Hoyt listed registrations for the conference from the following states: California, Georgia, Indiana, Illinois, Iowa, Maryland, Michigan, Minnesota, Nebraska, New Jersey, New York, North Carolina, Ohio, Pennsylvania, Rhode Island, Tennessee, Texas, Washington, West Virginia and Wisconsin.

Damrosch Resigns

NEW YORK (AP)—Walter Damrosch, 86-year-old conductor and composer, has resigned as head of the American Academy of Arts and Letters because he believes the position "should be filled by a younger man."

Damrosch resigned the presidency of the Academy, which he has held since 1941, and his membership on the board of directors.

Elliott and Franklin Roosevelt Jr. Claim 'Ike' Could Band Conservatives, Liberals

NEW YORK (AP)—Franklin D. Roosevelt Jr., and his older brother, Elliott, yesterday called on Gen. Dwight D. Eisenhower to seek the Democratic presidential nomination.

Such an action, the sons of the late President said in separate statements, would unite American conservative and liberal elements.

At the same time they criticized both the third party movement of Henry A. Wallace and the leadership of the Republican party. The only criticism of the Democratic leadership was voiced by Elliott, who said it had "failed to provide the leadership that was needed in the winning of peace."

There was no immediate comment from either Eisenhower or the White House.

"The third party candidate in no conceivable way reflects or inherits the liberal objectives and principles of my late father," Franklin said at a news conference.

"In a moment of world crisis he is confusing and dividing the country. Nor have the men suggested for Republican nomination demonstrated any marked ability to unite the American people."

In a statement issued from his Hyde Park home, Elliott said in regard to Wallace's candidacy:

"It has been demonstrated to me that the same individuals are running the policy making of the third party as made up the so-called group of liberals who fought Franklin D. Roosevelt in 1939 and 1940 in his efforts to rearm and prepare this nation for possible war."

The late President's oldest son, James, is California Democratic state chairman. Thursday he summoned the state's delegates to the Democratic national convention to a meeting at Sacramento where they met secretly for four hours. Forty two of the state's 62 delegates attended.

After the meeting they declared the state's delegation was firmly pledged to President Truman.

In his statement, Franklin, vice-chairman of the Americans for Democratic Action, said he was speaking "as an individual, a citizen and a veteran."

He said he had informed President Truman of his support for Eisenhower through Sen. Howard J. McGrath (D-RI), national Democratic chairman.

U. S. Shuts Off Flow Of Goods to Russia

WASHINGTON (AP)—Aroused congress members demanding a halt in shipments of war goods to Russia were told yesterday this had been done.

Secretary of Commerce Harrison said the United States has stopped all exports to Russia and her satellites except articles the army and navy say is all right to send.

Rep. Mund (R-SD) said he is going ahead anyway with an amendment to the foreign aid bill to authorize the administrator of the program to ban shipments of strategic supplies to Russia.

He said his amendment will not be needed if the army-navy veto plan works, but if it fails, "we will still have provided for national security."

President Truman earlier in the day clamped tight controls on sale of airplanes, airplane parts, radar, electronic devices, small arms and other military items to foreign nations by classing them as implements of war.

The war assets administration, also stepped into the export picture. Finland's top bid of \$1,666,900 for 46 unused steam locomotives was delayed for 30 days yesterday in New York on orders of WAA National Administrator Jess Larson in Washington as it sees fit.

Lewis Defies Inquiry Board

WASHINGTON (AP)—John L. Lewis turned down an invitation to testify yesterday before President Truman's coal strike inquiry board, and the board gave him until Monday to decide whether he will appear voluntarily.

The board has power to subpoena him in carrying out its instructions to dig out the facts in the dispute. But Chairman Sherman Minton said the board "hasn't determined yet" whether it will do so.

Asked directly whether the board would subpoena Lewis if he fails to show up, Minton said, "we might."

Minton and his associates conferred late yesterday with Joseph M. Friedman, government lawyer who heads the justice department section handling Taft-Hartley law cases.

"We were discussing our powers under the act," Minton told reporters afterward.

Upwards of 350,000 of Lewis' United Mine Workers were out for the twelfth day.

Secretary of the Interior Krug said that as a result coal stocks are being depleted very close to the point where a large part of the nation's industry will be affected.

If the shutdown continues three more days, he estimated, it will force closing or curtailed operations upon 18 percent of the electric power utilities, 25 percent of the steel and rolling mills, 27 percent of the major railroads and 72 percent of the retail coal yards.

Further, Krug declared, the executive branch of the government is powerless to enforce rationing of what little coal still is being mined; by non-union diggers and by members of the progressive union.

Smith Beats Ris in 220 Event; Michigan Holds 11 Point Lead Hawks Fourth With Twelve

By JOHN HOLWAY
ANN ARBOR, MICH.—Bolstered by setting a record in the 300 yard medley relay, Michigan held an 11 point lead last night at the halfway mark of the NCAA swimming championships here.

The Wolverines had 29 points to Ohio State's 18, Stanford's 16 and Iowa's 12.

Iowa's points were scored by Ris, second in the 220 yard freestyle; relay team, third in the 300 yard medley, and Draves, fourth in the 150 yard backstroke.

In the 220-yard freestyle, Iowa's Wally Ris pushed Bill Smith of Ohio State to the last inch, but the Hawk lost by a ripple.

Smith, who led throughout, was timed in 2:09.5, which bettered the old intercollegiate record of 2:09.6, set by Jack Medina in 1936. But it fell short of the 2:09.1 set by George Hoogerhyde of Michigan State in the semifinals yesterday afternoon. Hoogerhyde was fourth in the finals last night.

Ris's time was the best he has ever turned in, losing to his navy buddy in 2:10.1.

Michigan, content for the most part with seconds, thirds, and fourths, scored its only victory thus far in the 300-yard medley. The Wolverine trio of Harry Holaday, Bob Sohl and Dave Tittle churned to a 2:51.9 mark, more than a second faster than the old record, 2:53.4, set in 1943 by Michigan.

The Iowa medley relay team missed second place by one-tenth of a second to Stanford. Erv Straub brought in the Hawks in 2:61.1, a whisker behind Bob Anderson of Stanford.

The third mark set yesterday was turned in by Allen Stack of Yale. He thrashed the 150-yard backstroke in 1:31.8. Holaday of Michigan was second and Duane Draves of Iowa was fourth.

Ohio State produced most of its points in the diving. Bruce Harlan, Miller Anderson and Jack Calhoun placed first, second and fourth respectively. Michigan's Gil Evans took third.

Bob Anderson of Stanford won the 50-yard event in 23.8 ahead of Keith Carter of Purdue and Henry Petton of Michigan State.

Today Ris will get two shots at the 100-yard world record of :49.7, owned by Ford of Yale. Qualifying trials will be run in the afternoon and finals tonight. Ris holds the Michigan pool record of :51.1. His best time for the event was :50.9 at Columbus, Ohio, last spring.

Iowa's free style relay team is regarded as the team to beat. Besides Ohio State and Michigan, Stanford, Yale and Michigan State are leading contenders who hope that the short course pool, which is less familiar to the Hawks, will work to their disadvantage.

Dave Brockway, who just missed qualifying for low board finals yesterday will have another chance in the high board event today.

Yippee and Wahoo! Champions Land

DES MOINES (AP)—Thirteen Mesquite, Tex., high school girls, basketball champions of the Lone Star state, arrived here yesterday in full cowboy attire.

They will play the Iowa champion Kamrar team tonight.

"It's a good thing they didn't meet us with horses," confessed Scoring Star Nan Tompson of the Texas team. "I wouldn't know which side to get on."

Nineteen persons were in the Texas party. Prominent among the bright shirts was that of Mesquite's Major Sam Rutherford, who came bearing a huge Texas flag.

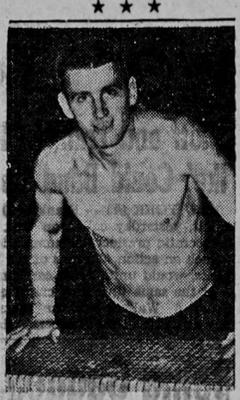

Angels 10, Cubs 0

FULLERTON, CALIF. (AP)—The Los Angeles Angels of the Pacific Coast league took advantage of five errors to down their big brothers from Chicago, 10 to 0, in an exhibition game yesterday.

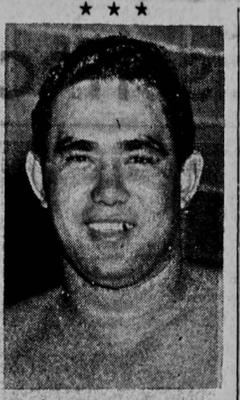

Red Lynn and Fred Schmidt combined to shut out the Chicagoans with eight hits. Their mates bagged only six safeties, but the Cub misuses and eight bases on balls made it a breeze.

Cliff Chambers, southpaw who toiled for the Angels last year, was the main victim. He was nipped for five runs in the last two innings as he gave up three hits and five walks.

Alby Glossop and Mickey Burnett led the Angel attack, driving in four runs apiece. Glossop hit a homer.

WALLY RIS

BILL SMITH

On the Sports Trail — An Old Dog Pulls an Old Trick

By WHITNEY MARTIN
ST. PETERSBURG, FLA. (AP)—The New York Yankees and Cincinnati Reds were playing one of those games which occasionally bloom in the spring. That is, it smelled, speaking from a good baseball standpoint.

It had gone 3 hours and 10 innings, with 25 bases on balls added to the general hilarity.

Frankie Crosetti stood out there at second base for the Yankees. He was hot, he was tired, he was impatient, and his 37-year-old dogs were whining plaintively.

Augie Galan, Red outfielder, walked and was sacrificed to second. Crosetti walked over to give some advice to his pitcher, then returned to his station. The pitcher reached for the rosin bag, and Galan stepped confidently off the base.

Quite casually, his expression all innocence, Crosetti eased over, produced the ball by some feat of magic, and tagged out the quite astonished and chagrined Red outfielder. The next man up singled, and Galan would have scored.

"A fine way to treat a fellow Californian," somebody said later to Frankie. Frankie thought it over a minute, then said:

"That's right, but I was tired standing out there and wanted to get it over. I think I'll write Augie a note of apology."

The incident is just another sample of why Crosetti is in his 17th year with the great Yankees. He knows he's not the man he used to be in the field or at the plate, but the old noodle which brought him the rattle of one of the smartest of ball players still is functioning in high gear.

We May Be First Division But — The Chicago White Sox — Needs Pitching Says Lyons

PASADENA, CALIF. (AP)—Ted Lyons gazed thoughtfully over his collection of athletes and sized up the 1948 prospects of his Chicago White Sox.

Most of all, he said, the club needs pitching.

That's the pessimistic outlook, and Manager Ted's problem is anything but unique.

The optimistic view — and the quiet, good looking Ted sincerely entertains such a view — was something like this:

"It's a little early yet, but I think we've got some darn good looking young players. If they deliver, and I think they might, we'll do a lot better this year."

"Better" would have to be an improvement on their 1947 sixth place nesting place, which means they'll have to again let Washington and the St. Louis Browns battle it out for the cellar and beat out Philadelphia for fifth.

As he talked, Ted was still in street clothes, standing in the boxes just back of home plate at Wrigley field. His players were warming up.

Well, what about his pitchers, his young ones, particularly? Bill Wright and Fred Bradley, up with good records with Kansas City last year in the deal with the Yankees for Ed Lopat, his best moundsman?

After nearly a month watching, Lyons is still high on them. Bradley has had a stiff shoulder but will be all right, and Wright, Ted said, has shown great promise.

And Aaron Robinson, the Yankee catcher, also included in the deal, will deliver many a long hit ball. Ted continued, although to date he is slow rounding into form.

Lopat, as in the case of any 16-game winner, will be missed, of course. But Lyons thinks his two rookies in a year perhaps will make up the difference, and then some.

Joe Haynes, now the top veteran, and a gent with a 2.42 earned run average, tops the starting

ED LOPAT He'll Be Missed

staff, and just about ends it, not counting such relief pitchers as Earl Caldwell, Earl Harrist and Pete Gebrinan. Frank Papish has yet to fully recover from a minor shoulder operation.

The regular infield doubtless will line up with Tony Lupien at first, Don Kolloway or Cass Michaels at second, Floyd Baker at third, Luke Appling at short, and a word about the latter two.

Baker draws unstinted praise for his fielding, and Lyons believes he'll hit well this season.

Dillard and Fonville To Shoot for Records At Purdue Relays

LAFAYETTE, IND. (AP)—A couple of standout athletes who hope to perform in the Jesse Owens tradition at 1948 Olympics will lead the attack on Purdue relays records tonight in the last big show of the indoor track season.

Harrison Dillard of Baldwin-Wallace will defend the 60-yard low and high hurdles championships he won last year. He set a new American indoor standard of 6.8 seconds in the lows. He failed last year to better the 7.4-second record of Chicago's Charles Hlad in the high hurdles, but made a new world record of 7.1 seconds for the event in the Chicago relays last Saturday.

Charley Fonville of Michigan NCAA and Big Nine shot put champion, is an apparent clinch to break the relays record of 56 feet 7 1/2 inches set two years ago by Bill Banerct of Purdue. Fonville established a new American indoor record of 56 feet 10 inches a few weeks ago.

Twenty-six schools will send 287 athletes to compete in the 15 events of the fast-moving program. Team scoring has been eliminated to discourage coaches from cluttering up events with unlikely winners but possible point-getters.

Individual events include the high jump, pole vault and 60-yard dash. Separate two-mile, distance medley, sprint medley and one-mile relays will be run for university and college divisions, with a special shuttle hurdle event open to both.

Ohio State's two-mile relay team, Chicago relays winner, will shoot at the university mark of 7:40.9 set by Michigan in 1943, first year of the Purdue games.

Miami (Ohio) university's 7:58.9 mark in the college division also has stood five years, but it might be cracked by Wheaton college's defending champions, coached by student Gil Doods.

Notre Dame's sprint medley combination, anchored by half-miler Bill Leonard, is the favorite in the university division. Michigan Normal and Baldwin-Wallace might lower the meet mark in the college sprint medley — 3:45.4 by Miami in 1945 and by Bradley last year.

Notre Dame's sprint medley combination, anchored by half-miler Bill Leonard, is the favorite in the university division. Michigan Normal and Baldwin-Wallace might lower the meet mark in the college sprint medley — 3:45.4 by Miami in 1945 and by Bradley last year.

Olympic Cage Tournament To Start Today

NEW YORK (AP)—Nearly a hundred basketball players representing eight teams from coast to coast will begin flipping buckets at Madison Square Garden today with a trip to the Olympic games in London awaiting 14 of their number.

The U.S. Olympic basketball try-outs, first since 1936 and second in history, get under way at 1 p.m. C.S.T. There will be sessions this afternoon and evening.

The opening game on the afternoon doubleheader sends the Denver Nuggets, national AAU runners-up, against the Oakland Bitters, who finished third in the recent AAU tournament at Denver.

Herb Wilkinson, former Iowa all-American guard, will play for the California team.

In the second afternoon game it will be Baylor university, NCAA runner-up against New York University, which lost to St. Louis in the final of the New York invitation tourney. NYU took the Olympic bid when St. Louis decided to rest on its laurels.

The Phillips Oilers of Bartlesville, Okla., national AAU champs the past six years, start their bid for fresh honors at 8 p.m. against Brooklyn's national YMCA titleholders.

And in the second game tonight, the NCAA champions from the University of Kentucky tangle with their neighbors from the University of Louisville, winner of the NAIB tourney at Kansas City.

With the independent teams bracketed on one side and the collegians on the other, the Bartlesville Oilers and Kentucky's Wildcats are favored to survive the semi-finals Monday night and collide in the final scheduled next Wednesday night.

Actually, the fortunate 14 who are selected to make up the U.S. Olympic cage squad almost certainly will win the coveted gold medals at London, although they must wait until next August to collect them.

While basketball has come to be played all around the globe, no nation boasts the caliber of play which exists in the United States, where the game was invented.

Hawks' Game Washed Out

SPECIAL TO THE DAILY IOWAN
JONESBORO, ARK.—Iowa's barnstorming baseball team yesterday received a day of grace from the weather. The scheduled game between the SUI nine and Arkansas State was rained out.

Today either a nine-inning single game or two seven-inning games will be played by Iowa and State. Hawkeye Coach Otto Vogel said if two games are played Jack Bruner and Al DiMarco probably will have the hurling chores.

DiMarco pitched the Hawks to one of their two wins in four contests. Monday he went all the way and allowed Louisiana Tech five hits in shutting them out 2-0.

Against the same team the following day Lefty Bruner struck out 10 and allowed only four hits, but the Hawks lost 2-1.

Hetrick Is Named On All-State Team

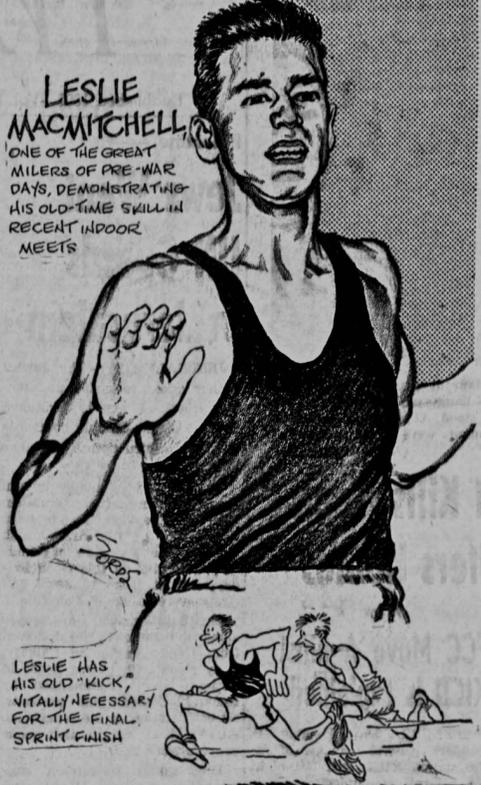

City High's Gene Hetrick has been named to the all-state basketball team by the Iowa Daily Press association. Hetrick scored 237 points in 12 Mississippi Valley conference games to set a new record.

Others named to the first team were Bo Walker, Ottumwa; Herb Thompson, Forest City; Bob Clifton, Boone; Jim Farrell, Manning; Dan DeRuyter, Sioux Center; Duane Brandt, Waverly, and Skip Greene, Davenport.

Exhibition Slated

DES MOINES (AP)—Des Moines Bruins Business Manager John Holland announced yesterday that Deatur (Ill.) of the class B Three-I league would appear against the Bruins Sunday, April 18, at Pioneer Memorial stadium here in an exhibition game.

A Squirt o' Grapefruit — Indians Win 10-9. On Pinch Double

SAN BERNARDINO, CAL. (AP)—The Cleveland Indians rallied for three runs in the ninth inning to nip the St. Louis Browns yesterday, 10 to 9. A disputed double by Pinch Hitter Thurman Tucker with the bases full sent the tying and winning runs across.

The Browns protested to no avail that Left Fielder Whitey Platt made a shoestring catch of Tucker's drive. The Browns had taken a two-run lead with a 5-run rally in the eighth inning.

A three-run homer by Ken Keltner and a two-run circuit wallop by Pat Seery featured the Indians' attack. Gerry Priddy batted in three runs for the Browns.

former member of the St. Louis Cardinals. His major league career dates back to 1936. Manager Billy Meyer said he plans to use him as a utility infielder.

Gutteridge was with the Cards until 1941 when he was sent to Sacramento of the Pacific Coast league. He was bought by the St. Louis Browns the following year. In 1945, he managed Toledo of the American association. The Red Sox purchased him in July, 1946.

Reds 6, Tigers 5

TAMPA, FLA. (AP)—The Cincinnati Redlegs broke a four-game losing streak yesterday by taking a 6-5 decision from the Detroit Tigers after 13 innings.

Leading 5 to 2 into the ninth, the Reds permitted three runs, two unearned—to tie the score.

Winning Pitcher Walker Cross, a New Orleans rookie, collected a single from Tiger Rufe Gentry to score Augie Galan from second for the 13th-inning run. Galan had opened with a double.

Pirates Buy Gutteridge
SAN FRANCISCO (AP)—The Pittsburgh Pirates said yesterday they have purchased Infielder Don Gutteridge from the Boston Red Sox for the waiver price.

The 35-year-old Gutteridge is a

4 More Basketball Rules Added

NEW YORK (AP)—The National Basketball committee adopted four more rule changes in its closing session yesterday to make a total of eight new regulations which will be inserted into the 1948-1949 rule book.

The 20-member committee, composed of groups representing colleges, high schools, the AAU and YMCA as well as Canadian organizations, agreed on the following:

1. The period of time when the clock is to be stopped every time the ball becomes dead will be reduced from the last 3 minutes of a college game to the last 2 minutes. There will be no change in high school games. The clock now is stopped on each dead ball after 5 minutes of the fourth period.

2. A foul committed during a

dead ball will remain the same except one which occurs on the throw-in from the outside. This foul will be considered a personal instead of a technical as this year.

3. No team will be allowed to line up three or more players in adjacent positions on any restraining line when taking the ball on the outside. It must allow the defensive players room to get in between.

4. Any player taken out during a time out period can return before play has been resumed.

Lyle Quinn of Boone, Ia., was named a member of the executive committee.

Class B Track Meet Slated Here Today

Wearing the colors of 31 schools 348 athletes are slated to compete in the Class B state high school indoor track and field championship meet beginning this afternoon in the Iowa fieldhouse.

Teachers High of Cedar Falls, co-champions with Denison last year, is expected to put up a strong defense for its title. Denison didn't enter a team this year.

Nevada, St. Ambrose of Davenport, Mt. Vernon, Hampton, and Valley of West Des Moines, all strong contenders in 1947, figure to push the Teachers' squad for state honors.

The lone returning individual winner is Witt of Valley of West Des Moines. Witt walked off with broad jump honors last year.

Standing conference records that might fall before this year's talented tracksters are the 50-yard dash, the 440-yard run and the high jump.

Drahovzal of Wilson, Cedar Rapids, set the dash record of :05.5 six years ago. The 440-yard record time of :52.5 was set by Castor of Corydon in 1942 and the top high jump mark of 6 foot was set by Marxer, School for Deaf, Council Bluffs back in 1941.

The 14-event meet will feature 42 different races and will have a total of 312 points. Field events in the afternoon will begin at 1 p.m., track events at 1:30 p.m.

Trial and semi-final heats in the dash and hurdle events are scheduled for afternoon along with the finals in the pole vault, two-mile relay, and the 440-yard run. Other finals will be run off beginning at 7 p.m.

Schools listed in the meet are Aurelia, Atlantic, Brighton, Britt, Carroll, Cherokee, Cresco, Teachers of Cedar Falls, Clarion, De Witt, St. Ambrose of Davenport, Donnellson, Ollie, Hampton, Harlap, Keota, University high of Iowa City, Manchester, Maquoketa, Lyons of Clinton, Marion, Nevada, Sigourney, State Center, Winterset, Tipton, Mt. Vernon, Wellman, West Des Moines, Mt. Pleasant, and Sac City.

Red Wings Win, 5-2
DETROIT — The Detroit Red Wings last night took their second straight National Hockey league playoff victory by defeating the New York Rangers 5 to 2.

WHAT WAS HE LOOKING FOR?

Ponce de Leon, the Spanish explorer, was searching for the magic Fountain of Youth, whose waters could restore youth to the aged. Indian legends of the fountain excited his curiosity. Though he didn't find the Fountain of Youth, he stumbled on another rich prize... the state of Florida... discovered on Easter Sunday 1513.

Shipments Curtailed By Railway Express

The Railway Express agency announced yesterday that it has consolidated certain trains carrying express matter as the result of the soft coal strike affecting service between the east and the rest of the country.

Express traffic will be delayed from 24 to 36 hours in reaching cities such as Des Moines, Kansas City, Minneapolis, Omaha, St. Paul and Denver, the agency reported.

Trains carrying express shipments are steam powered and operate on passenger schedules. Such trains come under the ODT order calling for a reduction in passenger steam mileage.

Crews Cross Ice As Ships Crushed

HALIFAX, N. S. (AP)—Thirty-seven crewmen of two sealing schooners crushed in the ice of Cabot strait reached safety yesterday on St. Paul's island.

Some of them had spent a bitter cold night on the ice pack. All reached safety by walking gingerly across the grinding ice.

The icebreaker Saurel radioed she had picked up the seamen and was heading for the Nova Scotia mainland 60 miles away. The Saurel was encountering heavy going, making only five knots on the trip to North Sydney.

Canadian search planes watched overhead while the men of the schooners Tazzer and the Monica Walters picked their way to shore. Cabot strait forms an entrance to the gulf of St. Lawrence. Some veteran sealers said the ice jam in the gulf is the greatest in their memory.

About one third of the United States is included in the Mississippi River drainage basin.

GENERAL NOTICES

ENGINEER INTERVIEWS
 Representatives of Allis-Chalmers Manufacturing company will be here March 30 and 31 to interview electrical and mechanical engineering seniors interested in employment with that firm.

They will show a sound film in projection room C, east hall, Tuesday, March 30 from 4 to 5 p.m.

Appointments for interviews may be made in room 106, engineering building. Interviews will be held in room 104, engineering building.

STUDENTS
 Students in the colleges of liberal arts, commerce, pharmacy and engineering are reminded of the university regulation that one semester hour will be added to the graduation requirements for each unexcused class absence for the day preceding and the day following a university holiday. The Easter recess began at 6 p.m. Wednesday, March 24, and will end at 7:30 a. m. Tuesday, March 30, 1948.

LIBRARY HOURS
 Schedule of university library hours during the spring recess:
 Reading Rooms, Macbride hall

8 p.m. Graduate lecture (in English): "Art and Folk Lore of France," by Roger Blanchard, composer and musicologist; recital of French Folk Songs by Genevieve Rex, soprano; Macbride auditorium.

Iowa High School Forensic league, Senate and House Chambers, Old Capitol.

Iowa High School Forensic league, Senate and House Chambers, Old Capitol.

Iowa High School Forensic league, Senate and House Chambers, Old Capitol.

Communications skills reading room will be closed during the recess. Special hours of departmental libraries will be posted on the doors of each library.

Reserve books may be withdrawn for the recess and should be returned by noon March 30.

FINKBINE FIELD
 Play on Finkbine field is absolutely prohibited until further notice. The ground is too soft and the golf course is being ruined by trespassers.

JUNE GRADUATES
 Applications for degrees in June must be on file with the registrar by Thursday, April 8. Any graduate student expecting to take a degree at that time who has not received an evaluation slip from the registrar by April 8 should stop in the registrar's office to check whether his application is on file.

'Grudge Case' Says Coppock After Pacific Junction Incident

By GEORGE WATSON
Special to The Daily Iowan

"This is nothing but a grudge case. That's my honest opinion. We put him on the spot and he's going to get even with us."

These were the words of Pacific Junction government teacher Russell Coppock, 35, as he awaited the jury's verdict in his appeal of a charge of unlawful assembly arising from an incident in Pacific Junction Oct. 13.

A district court jury acquitted him Thursday. He had been accused of interfering with Pacific Junction Mayor John Lutter when the latter attempted to get a Baltimore Negro, Alfred Twitty, to leave town.

Lutter, the "him" Coppock referred to, claimed in court he was doing his duty in trying to keep the small railroad town from being "overrun by riff-raff of the nation."

"Twitty wasn't any bum," Coppock said. "He was dressed as nicely as I am." He added that it was a civil liberties case in a double sense.

Mr. Twitty's rights to move about and seek work were jeopardized, he said, and, secondly, "It's a restriction of our rights to defend someone else's rights."

The Iowa Civil Liberties union paid the costs of Coppock's defense. Although the state attorneys denied a race issue was involved in the trial, Coppock insisted there was.

"They're just trying to brush that off," he said of the race question, adding that a state attorney and some witnesses had used the word "nigger," and then quickly changed it to "Negro."

The attitude of his students on the incident has been very good, Coppock said. He attributed this to the fact that "12 to 15" of his students saw the incident. "It has made it possible for me to do a more effective job of teaching," he said.

"This is a lesson to my students and the people all over Iowa," he emphasized. Coppock said he carried the case through—making an issue of it—to prove that a person can do more than just preach civil rights.

Of the townspeople Coppock would only say that "in my presence, there is no evidence of hostility."

He feels sure he won't return to Pacific Junction next fall. Others have advised him to teach in a bigger city, he said.

"But I couldn't have gone back anyway," he said, "even before the incident."

Of the mayor, Coppock said, "I have no hostility toward the fellow, but he is cool toward me." He said he had only known Lutter well enough to accept a couple of rides with him.

He said he went ahead with the case because he felt it was "not necessary to sacrifice principle for the sake of my family."

Coppock's wife and four young sons live in Shannon City, nearly 100 miles east of Pacific Junction, because he couldn't find a house where he teaches school.

He took his undergraduate work at Simpson college, Indianola, and spent a year in the University of Iowa graduate college, majoring in sociology.

RUSSELL COPPOCK

Church Calendar

ST. PAUL'S LUTHERAN CHAPEL

These Are Tough Babies To Please

TRYING TO INTEREST her six-week-old quadruplets in a quartet of Easter bunnies, Mrs. Barbara Zavada, 26, Latrobe, Pa., doesn't meet with much success. While Nurse Dorothy Murray looks on, John Michael (right) registers a howling protest, Bernadette Elizabeth sleeps, Barbara Rose looks cooly at the camera and tiny Anna Mary is oblivious to it all. (AP WIREPHOTO)

Personal Notes

Bhagwat Prasad Singh, G. Birlpur, India, is touring Chicago during the Easter holidays. He is staying at the International house.

Mr. and Mrs. Fred T. Yu, 106 E. Fairchild street, will entertain members of the journalism faculty and their wives at a Chinese dinner at their home today at 6:30 p.m. The dinner, to be served in American style, honors the one month birthday of their baby, and is a traditional celebration in China.

Mr. and Mrs. Thomas Parsons, Grinnell, will spend this weekend at the home of Prof. and Mrs. Stromsten, 121 Richards street. Mr. Parsons is a biology instructor at Grinnell college.

Barbara Baird, daughter of Prof. and Mrs. A.C. Baird, 200 Ferson avenue, will spend her Easter vacation with her parents. She is attending Wellesley college, Wellesley Mass.

Stanton Umans, G. Brooklyn, is visiting friends in Chicago this weekend.

KXIC Constructs Two Transmission Towers

KXIC, Iowa City's new radio station, yesterday completed construction of two 300-foot transmission towers, Robert E.J. Snyder, president and general manager said yesterday.

The station is tentatively scheduled to start operating June 1. Studios and offices are now being constructed on the third floor of Whetstone building, 32 S. Clinton street.

Located on highway 218 north of Iowa City on the former Carl Linder property, the towers were put up in 50 hours, Snyder said. Workers started raising steel sections 3 p.m. Wednesday and finished the project yesterday at 5 p.m.

Transmitters will be built under the towers. Construction will start sometime next week.

When completed, about April 13 this year, the station will consist of one audience participation studio, one announcers' studio, news, music and continuity rooms and offices, Snyder said.

Although at present a straight AM station, the corporation hopes to add FM facilities later.

An overall program policy for the station will be announced later, Snyder said.

Meetings, Speeches Town 'n' Campus

ATHENS — Mrs. E.L. Titus, 1029 Kirkwood avenue will be hostess to the Athens History circle Monday afternoon at 3 o'clock. Mrs. C.S. Meardon will review "Iron Land" by Dorothy Ogley and N. Cleland.

CANTERBURY — Canterbury club members and their guests will have an informal open house and supper at the parish house at 5:30 p.m. tomorrow. Douglas Baines, G. Edmonton, Alberta, Can., will be in charge of the arrangements.

BOOK AND BASKET — Members of the Book and Basket club will meet Monday at 2:30 p.m. at the Mary O. Coldren home, 602 Clark street. Roll call will be answered with Easter sentiments. Mrs. Herbert Ashdown will preside at the meeting.

Hospital Schedules Internal Medicine Refresher Course

A course in internal medicine will be given March 31 through April 2 for sixteen Iowa doctors at University hospitals.

This conference is the first of a series of refresher courses in four fields of medicine to be offered here this spring.

Guest instructors for the conference will be Dr. William H. Bunn, Youngstown, Ohio; Dr. A. B. Baker, professor at the University of Minnesota; and Dr. Albert M. Snell, professor of medicine at the Mayo foundation, Rochester, Minn.

Members of the university hospital staff will also serve as instructors.

Other short courses in obstetrics and gynecology, general surgery and ophthalmology are scheduled for the series.

Dr. William C. Keetel is acting chairman of the University of Iowa medical school's committee on postgraduate education.

To Install Dial Phone System

Installation of a dial telephone system in University hospitals buildings was announced yesterday by Roy A. Williams, local manager of Northwestern Bell Telephone company.

Expected to begin in June, the new system will replace the old three-position switchboard now manned by three operators.

With the new equipment, more efficient communication within and to the outside of the hospitals will be possible. Hospital personnel will be able to dial other phones in the system and also phones in the Iowa city system.

As with the present university dial system, calls coming from the outside will have to be handled by operators after the new system is in operation.

Kelso Elected Head Of VFW Auxiliary

Members of V.F.W. auxiliary No. 2581 elected Mrs. Amos Kelso president at a business meeting held Thursday night at the Community building.

Other officers elected were Mrs. Leonard Spratt, senior vice-president; Mrs. Owen Rogers, junior vice-president; Mrs. Warren Clark, treasurer; Mrs. Edward Bushman, chaplain; Mrs. John Zahner, conductress; Mrs. A.E. Rabas, guard, and Mrs. Evelyn Goss, three-year trustee.

Beverly Culver and Max Oltman Wed

Two university students, Beverly Culver and Max J. Oltman, were married yesterday at Manly. The doubling ceremony was performed by the Rev. Carl Frankhauser in the home of the bride's parents, Mr. and Mrs. R. A. Culver.

Attendants were Mrs. Jack Stanley, Detroit, sister of the bride, and Milfred O. Brunsvold, E4, Manly.

The bride was graduated from Manly high school and attended Grinnell college. She is now a junior in the University of Iowa school of journalism. The bridegroom, son of Mr. and Mrs. Harm Oltman, Manly, is a graduate of Manly high school and is a sophomore in the college of engineering.

After a brief wedding trip to Chicago, the couple will be at home at 1215 Yewell street.

Jury Awards \$4,400 in Rodgers Suit

The jury yesterday returned a verdict of \$4,400 for Mr. and Mrs. Sam Rodgers on their counter claim against Priebe and Sons.

Judge James P. Gaffney ordered the clerk not to enter judgment on this verdict against Priebe and Sons at this time and that this case is reserved for future argument and consideration.

Mr. and Mrs. Rodgers had asked for a \$5,000 judgment in their counter claim. They claimed Priebe and Sons had charged them for merchandise which they did not receive.

Priebe and Sons filed the original petition in the case. They asked for \$2,052.55 they claimed was due them on a promissory note. The company later amended the petition to \$3,396.74.

Priebe and Sons was granted a judgment against the Mr. and Mrs. Rodgers in the amount of their petition on a directed verdict by Judge James P. Gaffney.

The counter claim was then the only issue left to be tried and the jury returned their verdict on that yesterday at noon.

W. H. Bartley represented Priebe and Sons and D. C. Nolan represented Mr. and Mrs. Rodgers.
