## Labor — Railroad, Coal, Printers' Strikes

### Proposes Pay Hike In Railroad Dispute

WASHINGTON (AP) — An emergency board yesterday proposed a raise of 15 1/2 cents an hour for railroad engineers, firemen, and switchmen, retroactive to last Nov. 1.

The board, in a report to the White House, also recommended changes in 14 working rules. These changes included higher pay for workers in yard service and crews on light-weight freight locomotives.

Railroad officials and the presidents of the three brotherhoods in the case gave no immediate sign whether they will accept the recommendations.

If they do, it will end a dispute that started last June.

If they don't, it could mean a national railroad strike April 26, when a 30-day waiting period required by the railway labor act will expire.

The unions have already set one strike date, Feb. 1, but called it off when President Truman appointed the emergency board Jan. 27.

David B. Robertson, president of the brotherhood of locomotive firemen & engineers, said in Cleveland yesterday that the unions will hold a joint meeting of their general committees in Cleveland or Chicago as soon as possible.

### Lewis Maps Plan As Strike Continues

WASHINGTON (AP)—Talk cropped up among some soft coal operators yesterday that idle miners soon may be heading back to work.

President John L. Lewis of the United Mine Workers busied himself meanwhile consulting with lawyers on how to proceed in the face of the government's campaign to force an end to the 13-day walkout.

He has been given until Monday to say whether he will appear voluntarily before the presidential board of inquiry. It is investigating the dispute over mine pensions in which (1) the operators say Lewis has called an unwarranted strike and (2) the miners say the employers have "dishonored" their contract by not activating a pension agreement.

### Jewish Planes Enter Fight Over Convoy

JERUSALEM (AP) — Four Jewish planes bombed a concentration of Arab soldiers yesterday in a pre-Easter pitched battle which enveloped a Jewish motor convoy near Christ's birthplace. The Arab press said 35 Jews were killed; an earlier Jewish report said 25 Jews and 30 Arabs were injured.

The convoy was raked with gunfire from Arab roadblocks near the pools of Solomon, about a mile south of Bethlehem.

After the Jews had been driven off by the Arab attack, the Jewish planes attacked the Arabs concentrated around the vehicles, a government press release said.

The battle marked the first time that aircraft bombs have been officially reported used in the bloody Jewish-Arab strife. There have been previous reports of Jewish reconnaissance flights.

A Jewish informant claimed half the convoy fought its way through to Jerusalem. However, an Arab commando leader who conducted the attack said the convoy had been wiped out.

Gunfire swept Jerusalem only a few hours before the church bells will ring for Easter Sunday. Jewish sources said five Jews and 11 Arabs were killed in this fighting. Bullets whined near the church of the Holy Sepulcher, said to be the site of the tomb of Christ's Resurrection.

Gerhard Van Arkel, ITU counsel, said the union "probably will appeal."

Woodruff Randolph, ITU president who was restrained with other international officers, was not available for comment.

### Awards Gen. Mitchell A Medal Posthumously

WASHINGTON (AP)—A special congressional medal was awarded posthumously yesterday to Brig. Gen. William Mitchell, famous army flyer of the first World War, for his "outstanding service as a pioneer in the field of American military aviation."

Gen. Carl Spaatz, air force chief of staff, presented the medal to the General's son, William Mitchell Jr., telling him: "Your father was an inspiration for all the air force has done."

Thy is backing Stassen, former Minnesota governor, against Dewey and Gen. Douglas MacArthur in the April 6 Wisconsin primary. Twenty-seven Republican delegates are the stake.

Senator Taft (R-Ohio), who is entered with Dewey, Stassen, MacArthur and others in an April 13 popularity primary in Nebraska, declined comment on the New Yorker's decision to speak in that midwestern state April 8 and 9.

### MacArthur and Stassen Withdraw From California Primaries; Warren Supreme

LOS ANGELES (AP) — Gen. Douglas A. MacArthur yesterday declined to be entered as a Republican presidential nominee in the California primary election.

In a telegram received here by Allen H. Worcester, chairman of the "Draft MacArthur for President club," Gen. MacArthur stated that he would not oppose the delegation pledged to the state's favorite son, Gov. Earl Warren.

Worcester and his group had lined up a slate of 51 delegates pledged to MacArthur for presentation to voters in the state primary June 1.

Word from the general immediately halted circulation of petitions, Worcester said. He notified prospective delegates that the statewide MacArthur move was off.

In Washington Harold E. Stassen announced yesterday he would stay out of the California Republican presidential primary June 1.

This leaves Gov. Earl Warren uncontested for the state's 53 national convention delegates.

### Dewey Eyes Midwest Votes

WASHINGTON (AP)—Gov. Thomas E. Dewey's decision to campaign in Wisconsin and Nebraska was tabbed yesterday as a sign of weakness by his opponents for the GOP presidential nomination.

Senator Thyne (R-Minn) told a reporter he thinks the New York governor's move into Wisconsin "is a sign that he recognizes the growing strength of Harold E. Stassen."

Thyne is backing Stassen, former Minnesota governor, against Dewey and Gen. Douglas MacArthur in the April 6 Wisconsin primary. Twenty-seven Republican delegates are the stake.

Senator Taft (R-Ohio), who is entered with Dewey, Stassen, MacArthur and others in an April 13 popularity primary in Nebraska, declined comment on the New Yorker's decision to speak in that midwestern state April 8 and 9.

### 'Ike' Would Not Accept Demo Nomination: Farley

NEW YORK (AP) — James A. Farley said yesterday he could not conceive of General Dwight D. Eisenhower permitting "a movement for his nomination (for president) on the Democratic ticket or that he would accept the nomination."

Farley, former Democratic national chairman, said in a statement: "I was of the impression that General Eisenhower in his statement some weeks ago to a New Hampshire publisher declined to be a candidate for the the Republican nomination for the reasons set forth in his statement."

Friday Franklin D. Roosevelt Jr., and Elliott Roosevelt, sons of the late President, called for Eisenhower's nomination by the Democrats.

## Say Yugoslavs Moving Troops to Trieste Zone

TRIESTE (AP) — Refugees from the Yugoslav zone of the Free Territory of Trieste reported last night the Yugoslavs had moved 2,000 or more fresh troops into their zone.

One report from a business man said 1,500 troops were moved into Verteneglio, a town near the frontier between the Yugoslav and British-American zones. Buildings and homes were requisitioned for billets, the man said.

There was no immediate comment from British-American military officials.

The reports that 2,000 or more troops moved into the zone came from pro-Italian and anti-Communist refugees from the Yugoslav zone. None were from competent military observers who might be able to report unit identifications. It was not clear therefore whether the 1,500 at Verteneglio were in addition to the 2,000 reported by other sources. Neither was it clear whether the troops were replacements.

Maj. Gen. Terence S. Airey, British senior civil affairs officer, denied earlier yesterday published reports that additional British troops had arrived in the Free Territory. British military police were moved up to border positions earlier in the week, but Airey emphasized these were from troops already in the zone.

Under the terms of the Italian peace treaty the Americans and British have 10,000 troops — 5,000 each — in their zone and the Yugoslavs are limited to 5,000 in their zone.

The U.S. light cruiser Manchester arrived in Trieste yesterday shortly after departure of the Dayton.

### Defense Fund Boost Discussed

WASHINGTON (AP) — Senate Republican leaders talked yesterday of boosting national defense funds between two and three billion dollars and earmarking a billion for the air force.

Chairman Taft (R-Ohio) told a reporter that the senate Republican policy committee will review the entire military situation at a meeting next week.

He said this will involve a discussion on costs of President Truman's proposed revival of the draft and for universal military training.

Republican finance leaders in both house and senate contended that the government can afford to pay for foreign aid and an adequate defense while cutting taxes and reducing the national debt.

The Ohio senator said he hasn't made up his mind how big an increase in military funds he will support.

### Jury Acquits Defendants In Election Fraud Trial

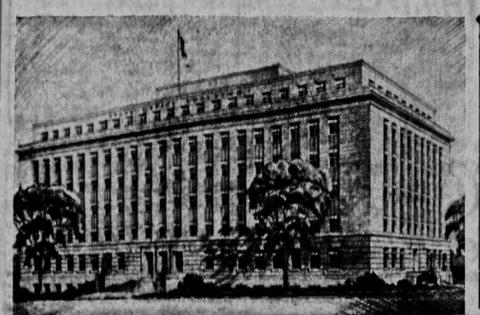

KANSAS CITY (AP) — A federal court jury yesterday acquitted eight defendants charged with vote fraud conspiracy in the 1946 primary election.

In the race for the Democratic nomination for congress from the fifth Missouri district were incumbent Roger C. Slaughter, and Enos Axtell, backed by the Pen-dergast organization at the suggestion of President Truman.

Axtell won the nomination, only to be defeated by his Republican opponent in the November election.

In September the Kansas City Star began an investigation of the primary. The city election board also started a probe, and the resulting publicity figured prominently in Axtell's defeat.

## Plan State Office Building Construction

DES MOINES (AP) — The long-awaited state office building finally is going to be a reality. Construction now is scheduled to start about mid-June.

Architect Burdette Higgins has estimated it would take about 18 months to erect the six-story and double basement building.

The project has cleared one obstacle after another since it first was proposed in 1941. But facing it is at least one more barrier. That is getting another legislative appropriation to complete the financing.

When a special committee in charge decided last week to call for bids to be opened May 25 on all phases of the work, the estimated cost was \$3.5-million.

Three different legislatures have appropriated a total of \$2,635,010. But some of the money has been paid out for architect fees, expenses of the committee members, and miscellaneous costs.

Committee members said they had no fears that the 1949 legislature would not appropriate the funds necessary to pay the remainder of the cost.

The state now is paying out about \$200,000 a year in rental for downtown office space.

# Ris Wins 100-Yard Event; Michigan Takes Meet Iowa Is Third Behind Bucks

By JOHN HOLWAY  
ANN ARBOR, MICH.—Michigan won the NCAA swimming championship here last night. It was another dog fight that saw the Wolverines and Ohio State battle down to the last event, the sprint relay.

The final point totals were Michigan 47, Ohio State 41, Iowa was third with 26.

Other schools scoring were Michigan State, 20; Stanford, 16; Yale, 14; Northwestern, 10; LaSalle and Purdue 7 each; Washington and Iowa State 4 each; Southern California and Temple 2 each, and one each for North Carolina, Pennsylvania and Texas.

Iowa's relay combination was beaten by a powerful Michigan State quartet in the final event, Michigan entered the relay guarding a scant two-point lead over the Bucks. Ris, anchoring the Hawks, picked up lost yardage in the last 100 effort, and touched out Dick Weinberg of Michigan by 2/10ths of a second. Yale eased out Ohio State for fourth.

The Iowa four performed in 3:32.5 against the 3:31.0 time by Michigan State.

Ris made good his bid for the 100 yard crown, but his time of 51.5 was short of his Michigan pool record of 51.1 set this year. He was pressed all the way by Powelson of Washington, who did the event in 52.1.

Joe Verdeur, 22-year-old junior from LaSalle college, was presented the annual swimmer-of-the-year award of the College Swimming Coaches' association of America. The blond Pennsylvania husky clipped 1 3/10ths seconds from his own world record of 2:16.0 in the 220 yard breast stroke.

This was the fourth time that Verdeur has broken his own record, beginning in 1946, when he pulled 3/5 seconds from the then existing record of 2.22.

Bill Smith of Ohio State became the meet's only double winner of the meet as he won the 440 yard freestyle hands down in 4:43.8. That was just short of Jack Medina's intercollegiate record of 4:42.5. Smith won from Northwestern's Bill Heuser by 10 yards.

By sweeping first places in diving, Mike Peppe's Ohio State crew lunged to within two points of Michigan with the last event, the relay, coming up. An Ohio victory over the Wolves would have tied the meet.

Miller Anderson regained the diving diadem in winning the big board event from team mate Bruce Harland.

The win was Coach Matt Man's 13th championship in the 25 years in which NCAA meets have been held. Ohio State had won for the last three years.

# Kentucky, Baylor Win In Olympic Tryouts

NEW YORK (AP)—Kentucky's wonderful Wildcats spotted the University of Louisville a 5-0 lead, then came roaring back to swamp the NAIB champions, 91-57, at Madison Square garden last night to reach the semi-final round of the Olympic basketball trials.

Kentucky will meet Baylor university tomorrow night. The Wildcats already have whipped the Texas quintet in the NCAA finals last Tuesday. Baylor advanced by nipping New York university 59-57 in an afternoon contest.

The Phillips Oilers of Bartlesville, Okla., national AAU champions, will engage the Denver Nuggets in the other game of the twin bill. Denver qualified by defeating the Oakland Bitters 57-55 in the afternoon, while the Oilers trampled Brooklyn's YMCA champions 74-32 in last night's first game.

Nine of Kentucky's 10 participating players got into the scoring column as the Wildcats treated the 15,927 fans to their largest thrill.

A crowd of 9,251, the smallest to see a basketball doubleheader at the garden this season, watched two rousing afternoon games which were not decided until the final minute of play.

In fact, Baylor did not win its game until the final 45 seconds when James Owen sank a long one-handed push shot to break the 15th tie between the two teams.

The Nuggets, forced to stave off a desperate second half rally by Oakland, won their game in the final 2 minutes on a pair of free throws by Ward Gibson and Ray Lipscomb. These two fouls gave them a 57-52 advantage and nullified the Bitters three-point spurt in the waning seconds.

Vince Boryla, former Notre Dame star who plans to return to South Bend next year, was the big gun for Denver. He tallied 21 points before he twisted his knee with only 20 seconds remaining, to lead all the scorers. A later examination revealed that Boryla had strained a muscle in his left knee. It is questionable whether he will be able to play tomorrow night.

# Hawkeyes Run Over Arkansas State, 15-2, in 'Yankee Weather'

(Special to The Daily Iowan)  
JONESBORO, ARK.—In what they call "Yankee weather" down here, the traveling University of Iowa baseball team maulated Arkansas State for a 15 to 2 victory.

The thermometer was hovering around 43 degrees in a damp cold which was anything but baseball weather. The second game of a scheduled double header was cancelled.

Lefty Al DiMarco hurled six innings of the abbreviated encounter and allowed 7 hits. He was followed to the mound by Larry Gernuska, who gave up one hit in the inning he toiled.

There were plenty of hits for almost everyone on the Hawkeye nine. Bob Schulz hit the first pitch in the seventh inning for a home run over the 360 foot left field wall.

# Kamrar Tops Texas' Girl Champs, 36-33

DES MOINES (AP)—Kamrar's queens of the Iowa high school basketball world mixed it up with another set of champions from Mesquite, Tex., last night and emerged with a 36-33 triumph.

Kamrar rode out a hot rally by the Texas girls to win the game. Mesquite's blistering 15-point rally in the last quarter wasn't quite good enough to catch the Iowans, who romped to a 24-10 halftime lead.

Aryls Van Langen, the girl with a basket eye like a Norden bomb sight, swished the clinching field goal in the last 25 seconds of play, after the Texans had roared up to within one point of Kamrar.

# Two Records Cracked As Harlan Wins Meet

By HANK ALLAN  
Dean Deuel of Cherokee shattered the 60-yard low hurdle record and Mickey Anderson of Atlantic broke the state mile time as Harlan nosed out Hampton and St. Ambrose in the class B indoor track meet yesterday in Iowa fieldhouse.

Deuel tore across the finish line in :07, shaving 2 of a second off the old record. Anderson bettered the mile record of 4:36.1 by .6 of a second.

Harlan, strong in the relay and distance events, put the clincher on Hampton's powerful crew by finishing second in the one mile relay while Hampton failed to place.

Laverne Darnell of Winterset tied the state record in the 50-yard dash snapping the tape in :05.5. The lone defending champion, Luther Witt of Valley high, West Des Moines, retained his title with a 20 foot-7 3-4 inch leap. Witt also placed in the preliminaries of the 50-yard dash.

The Beghley brothers of Aurelia made themselves known in the middle-distance and distance events. Glenn Beghley won the 440-yard run in :54.5 and the 880 in 2:09.6. Brother Ken ran second to Mickey Anderson, the flying Atlantic runner, in the one mile run and the 880. Ken was .2 of a second slower than Anderson in the latter race.

University high's John Carson, Bob Ewalt, Bob Crum, and Dick Reichardt finished a strong second behind a fleet Marion squad in the two mile relay.

Wellman high's Swartzendruber walked off with the field honors. 'Swartz' won the 12-pound shot put event with a 46 foot 6 inch heave and jumped 5 feet 8 inches to capture the high jump honors.

# Dillard Ties American Record For Low Hurdles at Purdue

LAFAYETTE, IND. (AP)—A crack field of 297 athletes assaulted Purdue relays marks yesterday and came up with three new records and three that tied the best of five previous meets.

Harrison Dillard, Baldwin-Wallace's hurdler, merely tied the records in the 60-yard low and high hurdles, but the low was his own American indoor record of 6.8 seconds that he set last year.

Fred Johnson of Michigan State gave Dillard something to worry about by leaping the low sticks in 6.8 seconds in a trial heat. He faced a 9 1-8 inches in the pole vault, 2 1-4 inches better than the 1945 mark by Bob Phelps of Illinois.

Michigan Normal's college sprint medley quartet turned in the other meet record with a 3:45.2 performance, eclipsing the 3:45.4 races of Miami in 1945 and Bradley in 1947. Ohio State tied Wisconsin's 1947 relays record of 30.7 seconds in the 240-yard shuttle hurdle relay.

Team point totals were eliminated in the Purdue relays this year to keep coaches from cluttering up the events with unlikely winners but possible point-getters. Ohio State athletes won three first and three seconds; Michigan and Indiana men won two first apiece. Baldwin-Wallace's college category team won three events.

# Superlatives Roll Out On Kramer-Riggs Tilt

The world's championship tennis exhibition to be held at Iowa fieldhouse April 5 "probably is the greatest professional athletic attraction ever offered to this community," Paul W. Brechler, SUI athletic director, said yesterday.

"Jack Kramer and Bobby Riggs," he continued, "are tops in the tennis world, and Pancho Segura and Dinky Pails also are playing fine tennis."

Kramer and Riggs will play a singles match. Segura and Pails also will play a singles match and then team with Kramer and Riggs respectively to round out the three match exhibition in doubles play.

Tickets for the battle are on sale at the fieldhouse. Reserved seats are \$1.80, general admission, \$1.20, and students, \$1.

# Greenberg Buys into Indians

LOS ANGELES (AP)—Big Hank Greenberg bought into the baseball business yesterday, and all but bowed out as a player.

President Bill Veeck of the Cleveland Indians announced that Hammerin' Hank, home run king of the American league before the war, is now the club's second largest stockholder. How much stock he bought was not announced. The club is valued at nearly \$3-million.

"My immediate plans do not call for me to play," said Greenberg. "But I will do whatever is best for the club, whether it be as player or coach."

Veeck added: "After all, Greenberg is now a stockholder, and it's a matter of what he wants to do." Hank, now 37, with 13 years in the majors behind him, will become a vice-president, Veeck indicated, but the elevation will not affect Harry Grabner, the present V-P.

LOS ANGELES (AP)—Home Runs by Lou Boudreau and Hank Edwards gave the Cleveland Indians a 4-3 decision over the Chicago Cubs yesterday.

walloped the erring Boston Red Sox, 11-3.

The Sox, who committed five miscues, collected only five hits from the offering of Johnny Vandermeer and Harry Gumbert, but three of them were circuit blows, two by Sam Mele.

Mele clouted a homer in the first inning and, after the Reds had counted two markers in their half, Vollmer banged one over the left field fence in the second.

Mele hit his second round-tripper in the fourth and Jake Jones followed with another to tie the score. But Vollmer connected for a three-run homer in the sixth and the Reds put the game away with four counters in the seventh.

Commissioner James J. Carroll. A \$6 wager will win \$5 on New York and Boston and a \$5 wager on St. Louis will win \$8. The odds are:

American league: New York and Boston, 5-6, Detroit 8-1, Cleveland 1 and 20-1, Philadelphia 25-1, Washington 40-1, Chicago and St. Louis 100-1.

National league: St. Louis 8-5, Boston 2-1, Brooklyn 3-1, New York 5-1, Pittsburgh 15-1, Cincinnati and Chicago 20-1, Philadelphia 40-1.

Cards Blank Yanks, 3-0  
ST. PETERSBURG, FLA. (AP)—The St. Louis Cardinals blanked the New York Yankees, 3-0 yesterday behind the two-hit pitching of Al Brazle and Red Mungler.

Brazle, working the first six innings, gave up both hits. Sherman Lollar doubled off the veteran left-hander in the fifth for the first hit and Johnny Lindell beat out a grounder for the second blow in the sixth.

## City Utilities Report Large Net Increase

Iowa-Illinois Gas and Electric company's 1947 income in the Iowa City district represented about a 10 percent increase over the previous year, according to their annual report to the city.

The net income of \$333,794.84 represents an increase of \$33,772.78 over 1946.

Manager R.H. Lind filed the report in city clerk's office Thursday in compliance with the gas and electric franchise under which the company operates.

The report is filed yearly. This year's report will come up for city council approval at a meeting Monday night.

Total assets at the end of 1947, according to the table were \$3,377,073.62, which is \$166,637.08 greater than in 1946.

Operating revenues from gas and electric service totaled \$1,073,423.41 in 1947, an increase of \$172,676.28 over the previous year.

This figure included \$664,438.25 from electric service (\$106,743.89 increase) and \$408,985.16 from gas (\$65,932.39 increase).

During 1947, total company wages and salaries were \$251,030.15, and state and federal taxes totaled \$192,539.14.

Income taxes accounted for \$107,507.47 of the \$128,070.40 federal taxes. State taxes took \$64,468.74.

Included in the amount held in reserve for depreciation were \$643,955.52 for the electric plant and \$215,866.20 for the gas plant.

Electric operating expenses for the year totaled \$266,644.43, which included maintenance. Gas operation service cost \$190,291.51.

Construction work in progress cost the company \$144,369.63 in 1947. Total cost of projects underway is expected to reach \$522,540.19.

This includes \$63,326.19 to replace the Coralville dyke washed out in last June's flood.

Some stretches of the 79-mile-long Albert Canal in Belgium run between 40-foot embankments above the surrounding country.

## Mertes To Talk on Needs for Air Career

Educational problems as related to a career in air transportation will be discussed in a college of commerce "career conference" on Thursday, April 8.

Ray O. Mertes, director of United Air Lines' school and college service, will speak, the airline announced yesterday. He will deal at length with the educational background necessary for participation in air transportation, including qualifications for employment and analysis of specific jobs.

## Coon Dog Missing

## Iowa High Forensic League To Hold Finals April 1-3

The state final contests of the Iowa High School Forensic League will be held in Iowa City April 1-3.

Between 75 and 100 Iowa high schools participate in the activities of the league each year.

The students who will participate here in the final events are the winners of district contests held in Sioux City, Council Bluffs, Ottumwa, Decatur, Hawarden and Waukon.

The final events in the contest are class A debate, class B debate, extemporaneous speaking, original oratory, interpretative reading, radio speaking and student senate.

The university awards four-year scholarships in the colleges of liberal arts, engineering and commerce of SUI to the state champions in debate, original oratory and extemporaneous speaking as well as certificates to high ranking teams and speakers.

C. W. Edney of the university's speech department is chairman of the forensic league. The tournament will be managed by Ernest Brandenburg of the English department.

Members of the executive committee of the league are Dean Bruce E. Mahan of the extension division, Professors E. C. Mabie and A. Craig Baird of the speech department, Superintendents T. R. Roberts of Decatur and I. A. Opstad of Iowa City and Edney.

The purpose of the Forensic League is to stimulate student interest in speech activities in high schools throughout the state.

Schools participating in the final events are Burlington; Centerville; Thomas Jefferson, Council Bluffs; Decatur; Mason City; Mt. Pleasant; Muscatine; Newton; Central high, Sioux City; Roosevelt, Cedar Rapids; East high, Sioux City and Abraham Lincoln, Council Bluffs.

City high and University high, Iowa City; Audubon; Hawarden; Leeds; Manchester; Osage; St.

## 40,000 See Art Exhibit

The 40,000th visitor mark was passed yesterday at the million-dollar Metropolitan art exhibit of 30 famous paintings, which opened in the art building Jan. 6. The exhibit closes Wednesday.

More than 100 special tours have been given to groups ranging from cub scouts to visiting college organizations and women's clubs.

The daily attendance record was broken during the high school basketball tournament when 1,895 persons saw the exhibit.

The previous day's high attendance was the Sunday the Minneapolis Symphony orchestra played here — 1,462 attended that day.

Afternoon tours have been conducted everyday by faculty members of the art department.

## Farmers Organize To Retain Control

DES MOINES (AP) — An Iowa Association of Elected Farmer AAA committeemen has been formed in an effort to retain farmer control of future government farm programs.

Officers are Leo Herold, Fort Atkinson, president; Joe Roese, Allison, vice-president; and Clifton Klause, Earlville, secretary-treasurer. There will be two directors from each of the seven AAA field districts.

Herold said the membership fee has been set at \$5 for 1948, and that membership is open to AAA committeemen, past, present or future.

Similar organizations have been formed in Michigan, Ohio and Wisconsin and organization efforts are now underway in Minnesota.

## Daughter Born To Henrys

A daughter, Barbara Elizabeth, weighing 5 pounds, 13 ounces, was born to Mr. and Mrs. Ray Henry, 424 E. Market street, at 12:44 a.m. yesterday in Mercy hospital.

Mrs. Henry is the former Helen Bristoe of Reading, England.

Mary, Riverside; Sheldon; St. Patrick, Waukon; Cedar Falls; Fort Dodge; Ottumwa; Sidney and West high, Waterloo.

Spencer; Thompson; Cresco; Maquoketa; Oskaloosa and Schaller.

State champions in last year's final contests were Ottumwa, class A debate; Hawarden, class B debate; Burlington, extemporaneous speaking and Iowa City, original oratory.

## League Studies Water Systems

With the Iowa Water Service company franchise expiring Aug. 7, the Iowa City League of Women Voters recently began a comparative study of water systems in Iowa communities.

Iowa City voters rejected a proposal 2,561 to 792 on Oct. 9, 1946, to renew the franchise with the water company serving Iowa City.

The league's committee on problems in city government, Mrs. Don Lewis, Mrs. Owen T. Edwards, Mrs. Sam Robertson, Mrs. Frank A. Stromsten, directs the study.

Points for consideration in the survey include relative advantages of municipal and private ownership, water quality, water rates, efficiency of plant operation, water softening service and fire hydrant rental.

The committee said it would compile its findings through the coming weeks and publish them as a series of educational articles.

## Personal Notes

Four members of the class of 1918, Atty. Harold Newcomb, Des Moines; Atty. James J. Franken, Cedar Rapids; Mrs. Ernest Bright and Mrs. Lloyd Howell, both of Iowa City, met yesterday morning in the alumnae office. Plans for a reunion luncheon to be held on June 5, were discussed.

Iowa City members of the class of 1918 are asked to call Mrs. Howell, 505 River street, for suggestions or plans concerning their class reunion.

Members of the class of 1918 from Iowa City in addition to Mrs. Howell and Mrs. Bright are: Pres. Virgil M. Hancher, Mrs. Ralph Fenton, Mrs. Clair Hamilton, Mrs. W. R. McNeal, Mrs. Louis Penningroth, Mrs. I. A. Rankin, Miss Helen Brum, Miss Jeannette Parrott, Mrs. J. E. Davis, Mrs. Edward Hogan and Atty. E. T. Korab.

The Rev. Donovan G. Hart, Community church pastor, is a patient in University hospitals.

Mrs. Samuel Irwin, St. Joseph, Mo., is visiting her son and daughter-in-law, Mr. and Mrs. Robert G. Irwin, Byington house.

Guests in the home of Mr. and Mrs. W. A. Meardon, 1851 Muscatine avenue, are their son-in-law and daughter, Mr. and Mrs. R. W. Cowan and son, Bobby, Wabash, Ind. The Cowan's are enroute to Des Moines, where they will make their home.

Mrs. Gretal Studley, Cumberland, Iowa, will be a guest this weekend in the home of her son-in-law and daughter, Mr. and Mrs. James W. Weaver, 121 Richards street.

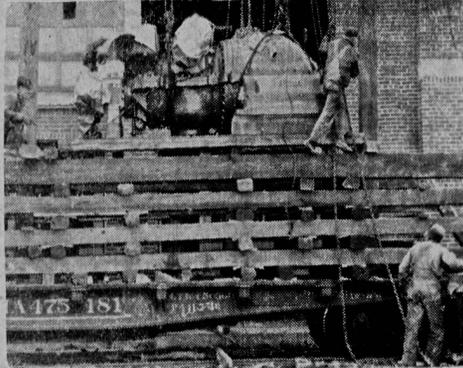

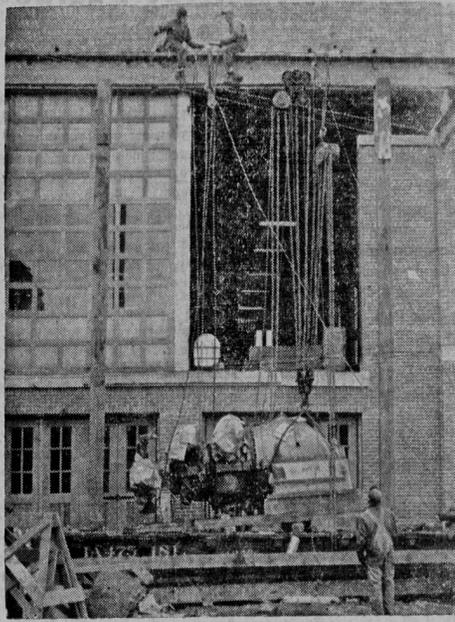

Guests this weekend in the home of Prof. and Mrs. Allen Tester, 228 Woolf avenue, are their son-in-law and daughter, Mr. and Mrs. Robert Chesney of Yellow Springs, Ohio. Mrs. Chesney is the former Terry Tester.

Samuel Gottesfeld, A4, Brooklyn, N. Y., left for his home yesterday. His father was suddenly taken ill.

Mr. and Mrs. William W. Macy, 228 S. Summit street, are the parents of a daughter, Ann Louise, born Friday morning at 9:30 at University hospitals. The baby weighed five pounds, nine ounces.

Visiting Mr. and Mrs. J. M. McCollister, 209 Richards street, are their son and daughter-in-law, Mr. and Mrs. Howard McCollister, Rock Island, Ill.

## How To Lift 19 Tons

CRIBBING 19-TON turbines is no joke with these workmen. Yesterday morning (left) they had succeeded in "rigging" the necessary blocks and pulleys to lift the new steam turbine into the university power plant. The rigging consisted of a wrench truck with an "A" frame and two chain hoists on a moveable crane inside the building. The turbine is the first section of a 3,000 watt generator to be installed. Installation of the generator itself is expected to begin on Wednesday. The workman (above) on the left is placing timbers at the base of the platform bedding the turbine. As the man on the right lifts the monster with heavy blocks and pulleys, timbers are placed under the platform to raise it closer to the doorway. The man in the lower right is directing the operation. This picture was taken at 1:30 p.m. (Daily Iowan Photo by Rick Timmins)

## ADA Head Backs Gen. Eisenhower, Justice Douglas

PHILADELPHIA (AP) — David Lloyd, legislative director of Americans for Democratic Action, proposed yesterday a Democratic party presidential slate of Gen. Dwight D. Eisenhower and Supreme Court Justice William O. Douglas.

Lloyd told the Philadelphia chapter of ADA the people have no confidence in the present national leadership of the party. He said only a strong national Democratic ticket can put "proven liberals" into congress.

Describing the present world picture as an "international crisis," Lloyd said Eisenhower is the man for president in such times because he is "used to dealing in terms of ultimate power."

Under present world condition, Lloyd said the Republicans are a "terrible stumbling block" on foreign policy.

"And I don't believe you can find a Truman Democrat on Capitol hill," he added.

Lloyd said presidential candidate Henry Wallace "is making inroads because he fills the people's need for a new political deal. So they overlook his foreign policy and associates."

## Red Cross Drive Slow

The total of the Johnson county Red Cross fund drive inched up to \$15,000 yesterday, local officials said.

## District Court Awards Goodyear Stores \$160.55

The Goodyear Service stores were awarded a \$160.55 judgment in a district court suit Friday afternoon.

The amount had been asked by the company for automobile repairs rendered and goods delivered to the defendants, Mr. and Mrs. Earl O. Crawford.

Atty. Waldo M. Wissler, Davenport, represented the plaintiff.

## Iowa Demos Drive For Complete Slate

DES MOINES (AP) — Iowa Democrats are putting on a strong drive to line up candidates for all county and legislative races in the 1948 elections.

Democratic state Chairman Jake More announced yesterday the state central committee will meet here Saturday, April 10, to discuss organization plans and candidates for the primary and general elections.

"We will have a full ticket of Democratic candidates for all state and congressional offices and much more complete representation than formerly for various county offices," More said.

"We are getting good response from the call for strong candidates for the state legislature. With county offices paying better salaries than ever before, there is a feeling of optimism that we will have good strong candidates for all county offices," he said.

## Auto Collision Friday Causes \$75 Damages

A rear-end collision of two cars Friday night on highway 1 west of the city limits resulted in \$75 damages to one auto.

Drivers of the two cars were Xen A. Stoner of Kinross and N. J. Meyer, 223 Huston street, police reports showed.

Both cars were traveling west when Stoner started to turn off the highway. Meyer was unable to stop his car in time, and struck a rear fender of the Stoner car.

Stoner's auto, a 1947 Pontiac, was the only one listed as damaged.

## Mystery Is Solved

DAYTON, O. (AP) — The mystery of Dayton's green "rain" was solved yesterday.

The color came from a junk heap where Robert Grady had dumped a large quantity of flour-escene, commonly known as "sea marking." The powder is used on life rafts to color large areas of the sea to attract rescuers.

How did it get on porches and umbrellas Friday, as observers claimed? One explanation said the powder had been blown onto trees, then washed off. Others attributed reports of its actually "falling" to active imaginations stimulated by thoughts of spring and its attendant green.

Some occupations are particularly apt to develop faulty vision; 75 percent of all U.S. garment workers have vision trouble.

## 5-Month-Old-Child Found Dead In Crib

Dennis Robert Wood, five-month-old son of Mr. and Mrs. Enoch (Dick) Wood, Route 1, was found dead in his crib at 6:30 a.m. yesterday.

Complications evidently developed from an earlier slight cold, a doctor reported.

The child was born in Iowa City, November 8, 1947 and is survived by his parents.

Funeral services will be at Oath-Old Funeral chapel in Iowa City, 10 p.m. Monday.

## Radio News Editors Meet

DES MOINES (AP) — Forty-five representatives of Iowa radio stations and of news services discussed mutual problems yesterday at the semi-annual meeting of the Iowa Association of Radio News Editors.

Principal speaker was professor Mitchell Charney of the University of Minnesota school of journalism. He outlined the requisites of a "perfect" radio station news department and conducted a clinic discussion of radio news problems.

## First Christian Church Marks Its 85th Anniversary Today

Today the First Christian church, Iowa City, celebrates its 85th anniversary.

In 1863 a little band of church people met Sunday, March 28, and organized the Christian church with 84 charter members. This church, a one-story, blue-gray brick building, was on the site where, 85 years later, a large red brick building now stands.

At today's anniversary, special seats are being reserved for long-time members of the congregation. Prof. Frank Nelson Gardner will give the Easter sermon, "Would You Have Life Eternal?"

The first pastor of the newly organized church in 1863 was Samuel Lowe, who was succeeded by his brother, Joseph, in a few months.

In the first days of the church, some members walked all the way from Green Center in Iowa county to attend the meetings.

One university student has been pastor of the church. W. Bayard Craig, while attending SUI in 1875, became the sixth pastor of the Christian church. He preached for seven years here, increasing the membership from 68 members to 250.

The last charter member of the original church, E. Hinchliffe, died Dec. 30, 1936, at the age of 90 years.

In 1938 on the church's 75th birthday, three ivy vines were planted. These vines now climb the front of the church and are in memory of the first founders.

The creation of the Christian Women's Board of Missions was inspired by Caroline Pearre in 1874 and was organized that year as the national society of the Christian church. She was the wife of the Rev. S. E. Pearre, the fifth pastor of the local church.

The original church building was enlarged to its present size in 1917 to accommodate growth in the church membership and Sunday school.

Today marks the exact date of the 85th birthday of the church, according to the official statement of organization preserved in the church archives.

The first church site was purchased from the Protestant Episcopal church for \$1,300 by a Colonel Porter, who later sold it to the church.

In the fall of 1919, Mrs. I. E. Wade and Mrs. G. M. Griffith were instrumental in organizing the Sarah Hart circle, named after one of the faithful workers in the Sunday school who was

sent as a missionary to the Kentucky mountains.

The Annette Missionary circle was organized under the pastorate of the Rev. Le Roy Munyon in 1925. During his time here the Youth fellowship was also started.

At one time in the church's history, Titus Fry, an elder, resigned and left the church because the church installed an organ. He later returned with the understanding that he did not, by this act, endorse the use of an organ in the service of God.

Prof. Gardner is filling the vacancy left by the resignation of the Rev. Donovan G. Hart. The Rev. Mr. Hart is now the pastor of the Community church here.

## Journalism Group Completes Judging For NEA Contest

School of journalism faculty members yesterday completed judging weekly and daily newspapers from all over the United States in two contests sponsored by the National Editorial Association.

Results of the judging will be announced at the NEA convention at Pinehurst, N. C., the first week in May.

Carroll Coleman, university typographer, judged the "general excellence in typography" of 12 daily papers and 75 weeklies.

Arthur Wimer, head of the bureau of newspaper service, judged the "best special edition" from among seven dailies and 51 weeklies.

James Morrison, head of the newspaper production laboratory, assisted in judging both contests.

More than 5,000 newspapers, mostly weeklies, belong to the NEA.

## Switch Murder Trial

SIoux CITY (AP) — Trial of Charles Sommermeier, 17, rather than Nels Swendsen, 34, at 2 p.m. tomorrow was set yesterday by District Judge Ralph Prichard after Swendsen's attorneys moved for a continuance. Both are charged with first degree murder.

Judge Prichard made no ruling on the motion, but Robert Beebe, assistant court attorney, said an Iowa statute requires that a confined man's trial be given precedence over that of a defendant on free bond.
