

Little Man Can't Escape Drill

COALVILLE, ENGLAND (AP)—A 14-year-old boy was fined 15 shillings (\$3) yesterday for stealing part of the school dentist's equipment. He threw it into a pond. "I thought the dentist would not have any more looks," the boy explained to the juvenile court. "Be a little man," advised the court. "Have your tooth filled."

Politics — Demos Select Convention Leaders; Oregon Voting

Southerners To Head Convention

Sen. Barkley (L), Rep. Rayburn and Gavel Borderline Southerners But Not for Appeasement

GOP Expects Record Vote In Oregon Primary Contest

PORTLAND, ORE. (AP)—A record Republican vote is in prospect for Friday's primary election of which Gov. Thomas E. Dewey and Harold E. Stassen are staking much of their presidential hopes. A good 85 to 70 percent of Oregon's record registration of 322,400 GOP voters are expected to ballot, and election interest reached an unprecedented high yesterday in the closing hours of the slam-bang primary campaign. Political prospectors were finding little worthwhile pay dirt in their search for clues to the outcome. In most qualified quarters, the Dewey-Stassen tussle for Oregon's Republican presidential preference and its 12 GOP convention votes was rated about even. What odds were in evidence—and they were few—ran to a 6-5 and take your choice. An Oregon win would represent an important success for the big, balding Minnesotan. For the man with the mustache, a win could cast him in something of the role of giant-killer and the one Republican contender so far able to stop the barnstorming Minnesotan in a clear test of strength. Oregon Democrats, meanwhile, enjoyed the Republican spectacle from the sidelines. President Truman was unopposed for the Democratic preference and his designation was just a formality. The big stars of the Oregon pol-

PHILADELPHIA (AP)—Two borderline southerners were chosen yesterday to direct the Democratic national convention.

But Sen. J. Howard McGrath, the party's national chairman, insisted the selections were not designed to appease Dixie Democrats revolting against President Truman's civil rights program.

The 16-member executive committee of the Democratic national convention chose Sen. Alben W. Barkley of Kentucky as keynote or temporary chairman and Rep. Sam Rayburn of Texas for the permanent chairmanship.

Barkley has taken no stand on the controversial civil rights program, but in his capacity as minority leader in the senate has been a staunch supporter of the administration.

Rayburn, former speaker of the house and now minority leader of that body, has come out against the civil rights program but has not been vigorous in his objections. He has had no previous high convention post.

Among those reportedly considered to nominate Mr. Truman were Sen. Scott Lucas of Illinois, Mayor William O'Dwyer of New York, Sen. Francis J. Myers of Pennsylvania and McGrath.

McGrath said the selections of the two chairmen was unanimous. He said others discussed were Mrs. Franklin D. Roosevelt, Sen. Joseph C. O'Mahoney of Wyoming, Lucas and Myers.

Poll Shows Illinois GOP's Favor Green

CHICAGO (AP)—Nearly half of the 56 Illinois delegates to the Republican national convention say Gov. Dwight H. Green is their first choice for president—at least in early balloting.

Six favor Senator Taft (R-Ohio), who generally is regarded now as likely to inherit other Illinois votes.

Two are for Gen. Douglas MacArthur. One is for Gov. Thomas E. Dewey of New York. One is for House Speaker Joseph Martin (R-Mass).

Twenty-seven favor Green. Nineteen gave no preference. Green has publicly declared himself neutral. He has asked that all 56 delegates remain officially uncommitted until they reach Philadelphia June 20.

Col. Robert R. McCormick, editor and publisher of the Chicago Tribune, has said publicly that he is for Taft. He is a delegate-at-large and an influential voice in state Republican politics.

How Illinois Democratic delegates will vote is still uncertain, but the bulk is believed in favor of President Truman.

Education —

Greatest Age In History, Truman Says

PHILADELPHIA (AP)—President Truman said yesterday the world is living "in the greatest age in history"—an "age of opportunity."

And in a speech before 1,300 fatherless boys, students at Girard college, the chief executive of the United States expressed a nostalgic "wish that I could be 18 again, to live through this age with you."

"It is the endeavor and effort of the government of the United States to have that age accomplished for the welfare and peace of the world, and not its destruction," Mr. Truman said.

The school, in accordance with Girard's will, provides food, shelter and education for fatherless white boys between the ages of six and eighteen. It now has some 1,700 students, and had graduated 15,000 boys, many of whom President Truman said, "are the leaders of America."

Mr. Truman took the occasion of his speech at a private school financed entirely by the founder's endowment, to assail the financial status of public education.

He recalled that Stephen Girard founded the college with a bequest of nearly \$7-million that has since grown to "many times that amount."

"When he encouraged boys and young men to thirst for an education he was doing something really great for the country," Mr. Truman said.

"At the present time our public schools are so overcrowded there are plenty of instances where the teachers cannot call the children by name. The financial situation of our public school system is something disgraceful for the richest nation in the world."

National Guard in Full Control Of Waterloo Meat Strike Areas

Spokesman Predicts End of Meat Strike

CHICAGO (AP)—The director of the CIO meat strike last night predicted that striking workers would vote to return to work at all struck plants except Wilson and Co.

Some 100,000 CIO packinghouse workers voted throughout the country yesterday and last night at mass meetings on whether to end their nine weeks old strike—on company terms.

Herbert March, UPWA strike director, said the vote would be close for returning to work at Swift, Cudahy and Armour plants but that the union was urging Wilson workers to vote no. He said the votes were being conducted by company terms.

March said the workers were voting on these proposals: Acceptance of a nine-cent hourly wage hike, retroactive to March 16, when the strike began.

Retention of all seniority rights. Arbitration with the company on possible discharge of those workers accused of unlawful acts.

March said that Wilson and Company's proposal "would mean destruction of our union."

He said that Wilson and Company proposed: "1. That the company can rehire who they want regardless of seniority rights.

"2. That the company reserves right to re-employ all strikers. This means everyone must be examined by the company doctors, thus getting rid of most of our older brothers and sisters.

"3. That all members of our union who have fought to preserve our union, the company reserves the right to fire them."

Earlier, another spokesman for the union said that the workers will decide "whether or not to accept the latest offer of the packers."

FRED LEE ROBERTS

Virginia Mine Explosion Kills Six, Injures Four

DANTE, VA. (AP)—Six miners were killed last night when a section of the roof of the Clinchfield coal company's NB. 2 mine here collapsed, burying them under tons of coal and earth four miles underground.

Four other miners were trapped by the collapse and slightly injured.

Three bodies had been removed from the shaft at midnight. All of the injured were still entombed.

"We hope to have them soon," mine dispatcher J. M. Smith declared.

The cave-in occurred about 7:30 p. m. (CST). Smith said it exploded coal, earth and debris into the further reaches of the shaft where the miners were working. It was caused, he said, by a too-heavy excavation of coal which weakened the ceiling. There was no gas explosion, Smith said.

CIO TO ACT AS AGENT

PEORIA, ILL. (AP)—The CIO United Auto Workers last night voted bargaining agent for the huge Caterpillar Tractor company plant in a special runoff NLRB election.

Operators Ask Coal Talks Be Renewed

WASHINGTON (AP)—Soft coal operators urged last night that wage contracts talks be re-opened, but they and John L. Lewis still appeared firmly split on the issue of admitting a southern group of operators.

The negotiations broke up at their outset on this issue Wednesday. Lewis opposed letting the Southern Coal Producers association in, saying that in the past that group had attempted to veto contract agreements.

Last night, all the operator groups wrote Lewis: "The position taken by the mine workers to exclude from the conference the Southern Coal Producers association, which represents a large part of the tonnage of the industry, was a mistake and should not have been insisted upon to the point of breaking up the conference."

Lewis said earlier yesterday he deplored talk of a new coal strike July 1. He singled out three leading operators as having the key to "peace or war in the coal industry."

Opposes State's Action

WATERLOO (AP)—The Iowa State Federation of Labor (AFL) adopted unanimously yesterday a resolution expressing opposition to the "tactics" employed in dealing with the Rath packinghouse strike.

The resolution said the convention opposed the "arbitrary, harsh, autocratic and military tactics employed by the authorities in Waterloo, aided and abetted by the governor of the state of Iowa, in trying to crush and annihilate the members of organized labor in this plant."

Gov. Robert D. Blue, at the request of local authorities, called the national guard to assist in maintaining order after a riot at the plant.

RUSS REJECT CLAIM

LONDON (AP)—Russia rejected yesterday a British claim for compensation in Berlin's April 5 air collision, and lodged a counter claim. The foreign office announced this without details.

International — Mediator for Palestine; Seize Passengers from U. S. Ship

UN Appoints Swede Mediator for Palestine

LAKE SUCCESS (AP)—Count Folke Bernadotte, of Sweden, was chosen last night as United Nations mediator for Palestine.

Count Bernadotte, vice president of the Swedish Red Cross, was picked by the five great powers after he had accepted a proffer of the assignment.

His selection came after the UN security council wrangled in two sessions yesterday over whether to use strong measures against warring Arabs and Jews in Palestine or adopt peaceful mediation.

The Soviet Ukraine charged yesterday Britain is attacking Israel through the Arab legion of Trans-Jordan.

The Soviet view was given by Vasily A. Tarasenko, Ukrainian delegate, who charged in the United Nations security council Britain is a belligerent in the Palestine war.

Tarasenko said the British-trained Arab legion of King Abdullah is in reality an armed force of the British. He said the legion nominally belongs to Trans-Jordan but has a British command and British officers and is financed by Britain.

The British contribute \$8-million annually to support Trans-Jordan's forces.

Trans-Jordan is the only one of the seven Arab league nations which is not a member of the U.N. King Abdullah's application has been vetoed here twice in the past two years by Russia with the contention that Trans-Jordan is a puppet of Britain.

Tarasenko said Britain is making strenuous efforts to see that the Arab-Jewish fighting continues in Palestine.

The British Wednesday proposed peaceful UN mediation in the Holy Land. Tarasenko and Andrei A. Gromyko, Soviet deputy foreign minister, sided with the United States in demanding stern council action to stop the war.

Alexandre Parodi, France, supported the American proposal but his defeat appeared assured when Canada and Syria said they could not accept it.

Britain, China and Belgium rejected it Wednesday. Thus five members of the 11-nation council are committed against it. A majority of seven members, including the unanimous vote of the five great powers, is required for approval of such a stringent step.

Arabs Capture Jews On American Ship

HAIFA, ISRAEL (AP)—Jewish officials made official representations to the United States consulate last night after 69 Jews, including 41 Americans, were taken by force from the American steamship Marine Carp at the Arab port of Beirut.

Fifty-one other Jewish passengers—women and children and several old men—were permitted to continue the trip to Haifa.

(A communique issued by the Lebanon government in Beirut said that those detained were sent to a concentration camp. It added that the 69 were arrested because they were able to bear arms.)

An American consular official in Haifa said about 100 armed Arabs, mostly in the uniform of the Lebanese army, boarded the ship. This official said that the troops, after searching the luggage of all passengers, lined up all Jews of military age.

"Apparently officials of the American legation in Beirut advised the Jews to leave the ship at the command of the Lebanese in order to avoid bloodshed," the consular official said.

In Washington the state department said the removal was carried out over the objections of the American minister in Lebanon. Department officials said, however, that additional information is being awaited before a decision is made on a formal protest to the Lebanese government.

A message received by The Associated Press in New York said all American and Palestinian men aboard the ship were detained at gunpoint. All baggage was searched and the women were mistreated, the message said.

Jewish officials said that among those detained were 41 Americans, 23 Palestinians, three Canadians, one Pole and one Mexican. All boarded the ship in New York with the exception of one American, David Beinun (home address unavailable), who got aboard at Piraeus.

The 23 Palestinian Jews were mostly students returning to Palestine, Jewish officials said.

Arabs Shell Jerusalem; Outcome Still in Doubt

TEL AVIV, ISRAEL (AP)—The battle for Jerusalem apparently had come to its crisis last night.

The Arab legion has thrown in its artillery and armored strength against Jewish positions.

Shellfire was bursting over almost all of the Holy City, shrine of three of the world's greatest religions.

The outcome was still in doubt. But here in Jewish Tel Aviv, rabbis ordered prayers for Jerusalem and fears heightened hour by hour.

Admittedly, the latest situation was not known here. Correspondents had to piece their story together from the fragmentary details of a Jewish headquarters communique which spoke grimly of shell shattered buildings and bitter fighting.

An earlier announcement said the Jewish air force had gone into action. Another communique said one Egyptian plane had been shot down during the day at Rechovot between Tel Aviv and Gaza.

Russia Protests Ban

BERLIN (AP)—The Russian military administration yesterday protested as illegal an American action banning Russian-sponsored publications from the U.S. zone of Germany and demanded its immediate revocation.

The Americans announced their embargo Wednesday and said it would remain in force until the Russians guaranteed to stop interfering with the circulation of American-sponsored newspapers and other publications in the Soviet occupation zone.

Treaty Talks Postponed

LONDON (AP)—Official United States sources said last night that the four-power talks on an Austrian peace treaty will be called off indefinitely.

The breakdown, which follows a temporary suspension two weeks ago, came after nearly two years of futile efforts to resolve the differences between Russia on one side and the United States, Britain and France on the other.

Local — Advertising Students Win Trip; Condon Case Discussion

Lindsay, Zahorik Win NY Trip

Two SUI Students Take First in National Contest

Two SUI advertising students will receive a week's all-expense-paid trip to New York for winning a nationwide advertising contest, according to a telegram each received yesterday from Irene R. Fogel, national president of Gamma Alpha Chi.

They are Shirley Lindsay, 21, and Leora Zahorik, 21, who are two of three winners of a contest sponsored by GAX, national advertising fraternity for women with the cooperation of the New York Dress Institute.

The women will begin their week in New York on June 18 as guests of the NYDI. They will have interviews for job openings with a fashion department store, a fashion advertising agency and a fashion magazine.

Miss Lindsay is secretary of the local chapter of Gamma Alpha Chi and a member of Theta Sigma Phi, national professional honorary for women in journalism, Kappa Tau Alpha, national journalism honorary, and Phi Beta Kappa. She will graduate in June.

Also graduating in June, Miss Zahorik is president of the local chapter of Gamma Alpha Chi, treasurer of Theta Sigma Phi and a member of Kappa Tau Alpha and Phi Beta Kappa.

The contest involved making up a complete advertising and promotional presentation for a fashion specialty shop or department store. This included radio, newspaper and national magazine publicity, and window, counter and department displays.

Entries were judged on the basis of content, originality, development of ideas, mode of presentation and knowledge of advertising and promotion applied to the problem.

LEORA ZAHORIK

SHIRLEY LINDSAY

Rep. Martin, Professors Roberts, Hunt To Discuss Condon Case at Open Forum

A congressman, a physicist and a professor of law will discuss "Civil Liberties and the Condon Case" in an open forum Thursday, May 27, at 8 p. m. in the First Methodist church.

The Hon. Thomas Martin, U. S. representative from the first Iowa district, and Professors Arthur Roberts of the physics department and Robert Hunt of the college of law will exchange ideas in the forum. Prof. John Haefner of the history department will be moderator.

The SUI chapter of American Association of University Professors will sponsor the forum. Prof. John C. Gerber, president of the chapter, said the audience will be invited to participate.

Local Police Hunt Boy Who Escaped Custody

Local police are searching for a 17-year-old boy, an inmate of the Eldora Training School for boys, who escaped from two persons at University hospitals early yesterday afternoon.

The man and woman were sent from Eldora to return the boy to the school following hospital treatment.

He was described by police as five-feet, eight-inches tall, weighing 170 pounds. Police said they did not know the name of the boy.

Man Who Claims He's Jesse James

HISTORIANS SAY JESSE JAMES was shot to death in 1882, but this man claims he is the famous outlaw. The Lawton (Okla.) newspaper says it has "indisputable proof" that this man is James. The picture held by the alleged outlaw is an early portrait of Jesse James, his mother and his brother, Frank. (AP WIREPHOTO)

Hawk Nine Falls to Western Michigan Again, 6-4

Blow Game With 8 Errors; Play at Ohio State Today

(Special to The Daily Iowan)

KALAMAZOO, MICH.—For the second straight day the Iowa baseball team committed eight errors with Western Michigan making a clean sweep of the two-game series here yesterday, 6-4. The Broncos won Wednesday, 8-5.

Western Michigan took advantage of the loose Iowa fielding in the first eight innings to pile up a 6-1 lead, then cutback a ninth inning three-run rally by the Hawkeyes to win the game.

Right-Hander Al DiMarco pitched the entire ball game for Iowa losing his second game this season. He has won three. Lyle Ebner did the catching.

Iowa left here early last evening for Columbus where the Hawks will meet Ohio State in a Big Nine two-game series beginning today.

After the Broncos had scored their six runs—two in each of the fourth and sixth innings and single tallies in the fifth and eighth—Iowa came to life in the top of the ninth frame to score three times.

Right-Hander George Duditch kept Iowa in check with seven hits but a brief wildness spell in the ninth led to the Hawkeyes' scoring. In the last inning DiMarco singled and Duditch followed by issuing four bases on balls to force across two of the markers. The third Hawk run of the frame scored on an infield out, leaving runners on second and third and one out.

But Western Michigan's relief Southpaw Ernie Victor, stopped

the Iowa uprising by forcing the last two batters to fly out ending the game.

Shortstop Wayne Terwilliger rapped out two long triples to lead the Broncos to their fourth straight victory over Big Nine teams. Western Michigan's seasons record is 11 wins in 13 games.

Iowa's overall seasons record is 12 triumphs against 9 losses. The Hawkeyes have two games with Ohio State today and tomorrow and end the campaign next week with two games apiece with Louisiana Tech and Purdue.

Against the Buckeyes today Coach Otto Vogel is expected to start his act lefty, Jack Bruner, with the pitching duties and follow with Right-Hander Wes Demore tomorrow. A hot mound duel is forecast for today between Bruner and one of the league's best chuckers, Lefty Pete Perini.

The line score:

Iowa 001 000 000 4 2 8
Western Mich. 000 212 01X 6 10 2
DiMarco and Ebner; Duditch, Victor (9) and Kowalski.

Chicago Defense Bars Berra

TWO IS ALL YOU GET—Luke Appling admonishes Yankee Catcher Yogi Berra as the latter tries to stretch a double against the White Sox yesterday. The Chicago third sacker took the throws from Left-fielder Ralph Hodgins to put the pill on the New Yorkers in the sixth inning yesterday. (AP WIREPHOTO)

Little Hawks Tip St. Ambrose, 2-1

Dick Doran, City High mound ace, pitched the Hawkeys to a 2-1 victory over St. Ambrose of Dav- enport yesterday on the Iowa City diamond.

The Hawkeys scored both their runs in the last of the seventh inning, when Bill Reichardt walked and stole second. He came home as Bob Diehl, pinch-hitter, doubled. Diehl stole third and came in on a single by Jerry Anderson.

St. Ambrose scored its run in the first of the seventh when Shain overthrew second and Cilek overthrew third.

Doran scattered six hits and a walk over the seven inning route while Manuel Madrigal gave up five for St. Ambrose.

Iowa Netsters Leave For Weekend Matches

Iowa's tennis team takes to the road this weekend to wind up the Hawkeys' pre-conference meet competition.

The Hawks will open against Wisconsin this afternoon and move over to Milwaukee to meet Marquette tomorrow. Coach Don Klotz will take six varsity players: Sid Newman, Ralph Brown, Bill Metz, Paul Hasbrouck, Earl Cathcart, and Bill Crain.

Fox Wins For Reds

NEW YORK (AP)—Righthander Howie Fox won his first game of the season yesterday as he pitched the Cincinnati Reds to a 3-1 six hit victory over the New York Giants.

The Giants bunched three of the six singles yielded by Fox in the fourth inning for their lone run.

Athletics Faltering, Lose to Detroit, 4-2

DETROIT (AP)—The faltering Philadelphia Athletics fell dangerously near third place in the American league yesterday as the Detroit Tigers shelled three Philadelphia pitchers for 15 blows, taking the opener of a three-game series, 4 to 2.

Freddie Hutchinson, talented Detroit righthander, rationed the A's to five hits, one of them Sam Chapman's two-run homer. Thus Philadelphia dropped its third straight game, retaining a narrow half-game second place edge over the New York Yankees.

Everybody in the Tiger lineup but Eddie Mayo hit safely at least once as the Maeks paraded Carl Scheib, Bob Savage and Charles Harris, all righthanders, to the mound.

And though the Tigers had at least one hit in every inning, the runs came hard. Three singles in a bunch produced only one tally in the fourth inning and four more hits—all singles—netted two runs in the fifth before Bob Swift's homer, Detroit's 12th blow of the game, chased Scheib with nobody out in the sixth.

Musial Goes Wild As Cards Rip Bums

BROOKLYN (AP)—Stan Musial continued to pickle Brooklyn pitching yesterday as the St. Louis Cardinals romped to a 13-4 victory over the Dodgers.

Musial, who banged out five hits Wednesday night against the Brooks, collected four yesterday—a homer, two doubles and a single—as the Red Birds rapped three Dodgers pitchers for 14 bingles.

The win was the league-leading Cardinals' sixth straight and their fourth in as many meetings over the Dodgers.

DiMag Hits for 14 Bases in 13-2 Win

CHICAGO (AP)—Jolting Joe DiMaggio had a field day yesterday as the New York Yankees plowed under the Chicago White Sox, 13-2.

The Yankee Clipper led his mates to their lopsided triumph by bashing home six runs on two homers, a triple, double and single in six trips to the plate against five Chicago pitchers.

DiMaggio began clouting in the first inning when he slammed a three-run homer off Starter Orval Grove.

Semi-Final Softball Tilts Today

Two semi-final softball contests in the Quadrangle league highlight today's intramural competition. Lower A plays Upper D and Upper A (2) meets Lower D at 4:30 this afternoon.

Robert Clark, Delta Upsilon, won the Social fraternity league tennis championship yesterday with a 6-3, 6-4 victory over Charles Fredericks, Delta Tau Delta. In advancing to the final round, Clark edged Bob Wood, Theta Xi, 1-6, 6-3 and 6-4, took a forfeit win from Jack Stevenson, Beta Theta Pi, and whitewashed Mal Coy, Phi Gamma Delta, 6-0, 6-0, in the semi-finals.

South Quad 1, with a 5-0 record, was named champion in the South Quad-Gables-Law Commons softball league. In second place was Law Commons B, 4-1, followed by North Grand at 3-2.

West Stadium took the Married students' softball crown yesterday, downing Central Hawkeye, 7-2. Thatcher plays Dean today for the Town league championship. Thatcher advanced to the finals yesterday by beating MacLean, 9-3. In another important softball clash this afternoon, Phi Kappa Psi takes on Phi Epsilon for second place in the Social fraternity league.

Today's softball schedule:
Lower A vs. Upper D
Upper A (2) vs. Lower D
Phi Kappa Psi vs. Phi Epsilon
Dean vs. Thatcher

Browns Ramble, 17-7

ST. LOUIS (AP)—The St. Louis Browns enjoyed a field day at the expense of six Washington pitchers last night as they opened their night home season with a 17 to 7 victory. The victory enabled them to take sixth place from the Senators.

Zollners Rap Iowa City, 7-0

Iowa City's Cardinals got their first taste of world championship competition last night as they fell before the powerful Fort Wayne Zollner Pistons, 7-0.

It was the first game of the season for the Zollners, while the Cardinals were suffering defeat for the first time in four starts.

The Zollners got to starting pitcher Paul Reberry for single runs in the second and third innings, and then collected two more off the Cardinal chucker in the fourth.

Don Dannen took over the pitching chores in the sixth inning and Fort Wayne promptly jumped on him for four hits and three runs. Dannen settled down after his wobbly start and held the world champions hitless in the last three innings.

Iowa City collected only two hits off the combined efforts of Bill

King and Clyde Kirkendahl. Jim Yordy got a single off King and Chuck Beazley tagged Kirkendahl for a one-bagger.

Fort Wayne will be back in Iowa City tomorrow night for another nine-inning game with the Cardinals. Game time is 8:15.

Indians Romp Over Boston on 18 Walks

CLEVELAND (AP)—The Cleveland Indians were aided by a pair of wild southpaw hurlers last night as they collected 18 bases on balls while defeating the Boston Red Sox 13 to 4 before 43,158.

The total free passes obtained by the Tribesmen from Sox Pitchers Mickey Harris and Maurice McDermott tied the American league record set by the Detroit Tigers on May 9, 1916.

Library Costs May Surpass Appropriation

Building the first unit of the planned SUI library may cost the state \$1,231,948 more than already has been appropriated for it.

The state board of education's building and business committee yesterday in the senate chamber of Old Capitol opened bids for the project. Roy Louden, Fairfield, chairman presided.

Low bids for the work totaled \$2,811,948. The legislative interim committee Feb. 17 approved spending \$1,580,000 for the library. Cost of building the entire library had been estimated at \$3.7-million.

After the building and business committee considers estimates, the bids will be presented to the entire board, which will meet June 29 at Iowa State Teachers college, Cedar Falls.

The three-story "unit A" of the library would be built at the intersection of Washington and Madison streets, west of the engineering building.

Low bids for the various types of work were:

General contracting—\$1,661,000, joint bid of Kucharo Construction company and Johnson, Drake & Piper Inc., both of Des Moines.

Plumbing—\$798,500, Carsons Brothers, Ackley, Iowa, (the only bid).

Electric wiring—\$299,790, Wilson Electric company, Rockford, Ill.

Temperature control—\$34,919, Johnson Service company, Des Moines.

Elevator—\$17,739, Warsaw Electric company, Warsaw, N. Y.

Junior High Class Plans Party Tonight

The Junior high school 8A class will have a party tonight from 7:30 to 10 p. m. in the school gym.

Students working on committees for the party include Richard George, Mina Lowery, Tommy Brown, Diana Hendricks, David Records, Doris Bolleli, Philip Ware and Joyce Clark, finance.

Joann Stoner, Ronnie Teefy, Russell Cress, Janet Hunsinger, Margie Douglas, Jerry Johnson, Paul Hoffer and Carolyn Teefy, entertainment.

Charleen Miller, Jerry Bush, Fritz Hageboeck, Joan Shalla, Barbara Clymer, Ted Dunnington, Naomi Piper and Ronnie Wilkinson, decorations.

Nancy Mathis, Pete Bushman, Paul Lemme, Vivian Dow, Edwin Huber, Anita Miller, Gary Hacker and Rita Evens, refreshments.

Esther Garwick, Junior high teacher, is general director of the party.

One hundred and two students are graduating from Junior high school this spring, Principal Otis Walker announced yesterday.

Swing Band To Play

The City high school swing band, directed by Armand C. Vorce, will play today at 3:30 p. m. for a Junior high school assembly program.

Engaged

MR. AND MRS. D. M. KOONS, Bloomfield, announce the engagement of their daughter, Ann, to Jack Ralston, son of Mr. and Mrs. Robert Ralston, Maquoketa. Miss Koons will graduate from the university college of commerce in June. She is a member of Beta Tau Alpha social sorority. Mr. Ralston is in business in Maquoketa. No definite date has been set for the wedding.

The "Peace Talks" Maneuvers

The recent "peace talks" maneuvers leave us with the impression that both Russia and the U.S. have played the game of diplomacy strictly according to the rules—but rules themselves are the starkest indication of the world crisis.

The basic rule of diplomacy seems to be secure position, advantage, prestige and power in the never-ending game of world politics.

From the American side, we seem to have muffed the current phase of the maneuvering for world support. Twice we have rejected what was phrased as willingness to talk over the differences that separate the U.S.-Russian policy.

The basis of our rejections was the position that any agreement must be made inside the United Nations and in consultation with other powers.

That other nations indeed must be consulted and that the UN is a desirable frame work for agreement is perfectly true. But our own actions outside the UN and the underlying thesis of the UN that big-power agreement must precede general agreement weaken this position.

On the Russian side, an offer that we never extended was caught up. An invitation to meet and talk on the basis of a third-party candidate's platform was accepted.

Stalin's agents knew beforehand what effect this later move would have. They knew perfectly well that such an obvious overture to a political party out of power and with not the slightest chance to gain power would be rejected.

On that basis, the acceptance of Wallace's proposals as a starting point was wholly in bad faith. The acceptance was made purely for the political effect it would have in this country.

It seems to us that a lack of realism has characterized the maneuvering. There is the shadow of an expressed desire to talk without the substance of it.

In the first place, why should Stalin want to sit down and negotiate with a president who is likely to be out of office next November?

The Russian foreign office is not so stupid that it doesn't know the likelihood or the possibility of a new face in the White House. So why should they negotiate with no guarantee that any agreements reached could be carried out on a long-time basis?

The Russians are smarter than that.

So for better or worse—and we think worse—the possibility of long-term agreements must be postponed until the political decision in this country.

In the second place, we think agreement is more likely to be reached by deed than word. When we have seen evidence of real cooperation and agreement on tangible problems, then it would appear agreement in the abstract is possible.

We do not take a dim view of reaching a final accord. The "peace talks" maneuvers have demonstrated the possibility is always present.

The job ahead is to work patiently and constructively—without losing our heads on a minor issue and hoping the Russians won't either—so that agreement will be not the quicksand of emotion but the rock of endeavor.

I'D RATHER BE RIGHT

Wallace Scores a Coup

By SAMUEL GRAFTON (New York Post Syndicate)

Henry Wallace has scored a tremendous coup in getting his peace plan accepted, in substance, by Premier Stalin.

Official America will be flabbergasted because it is almost unheard of for the head of a state to make a formal reply to a peace proposal by a private citizen, and to refer to it, besides, as "the most important" of recent political documents having to do with consolidating the peace. Protocol is not merely being violated; it is being shredded.

Yet we have to remember that any peace proposals arising in America today are almost certain to come from unofficial quarters, because official America isn't making any. And not only is the administration not making any peace proposals at the moment; it doesn't even seem to be geared for entertaining them when they are made abroad.

And so it is not very logical to protest that Stalin should not have addressed himself to a "controversial" figure like Henry Wallace. Non-controversial figures simply aren't making peace proposals; in fact it is the making of peace proposals which gets a man marked as being controversial, these days.

Thus there is no "out" in ignoring the new unofficial American-Soviet exchange on the ground that it involves a couple of disputed characters, Stalin and Wallace.

Almost any peace made with Russia is going to involve Stalin in some way; it would be awfully hard to keep him out of the picture; and almost any American who takes the position that we ought to deal with Russia is all too likely to find himself becoming a disputed figure.

The really important thing to note is that twice within a week the Russians have made overtures toward discussion, and that both moves have been met on this side with negotiation or elaborate indifference.

And we are losing these exchanges. We are losing them because we are allowing a certain rhythm to be established in international relations, the characteristic beat of which is for the Russians to wake up every morning and say: "Peace talks" brightly, and for us to turn our heads away

gloomily and say "No."

By doing so we turn peace proposals and peace talks over entirely to the left, both on a world scale and within the country. That is a strange way in which to try to hurt the left; it is about as crushing a blow as sending it flowers and candy.

Nothing could better demonstrate the perils of that dull conformity into which we are sinking than just this feeling, that we are in some way brilliantly injuring the left by giving it a world monopoly on the slogan of peace. We are so busy agreeing with each other that we no longer see what we ought to see.

And if we ourselves can no longer raise the demand for discussions because there would be too many speeches to take back, and too many budgets to revise, that in itself is the greatest of arguments against the method we have chosen for stabilizing the world. It is an odd program for ultimate agreement and accord which doesn't even let us utter these potent words, and gives them casually away to the other side.

A. O. Kelley Named Chairman of County Red Cross Chapter

A. O. Kelley, 804 E. Market street, was named chairman of the Johnson County Red Cross chapter for the coming year at the annual chapter dinner-meeting held Tuesday night at the Hotel Jefferson. He will succeed Dean W. J. Teeters.

Other officers named were Prof. Walter L. Daykin, first vice-chairman; William H. Bartley, second vice-chairman; Mrs. Lothrop Smith, secretary, and Edward Records, treasurer.

Iowa City persons named to the board of directors were F. M. Barker, Mrs. Joe Braverman, Dr. F. C. Burleson, Frances Camp, J. J. Clark, Mrs. H. O. Croft, George Dvorsky, Mrs. Mabel I. Edwards, Dr. R. H. Flocks, Prof. Jos. Howe, Doris Hudson, Mrs. H. H. Jacobsen, Mrs. P. C. Jeans, John P. Kelly, Mrs. C. W. Keyser, Mrs. E. F. Lenhe, the Rev. J. Walter McEleneay, Prof. Harold Saunders, Walter Schmidt, Mrs. M. E. Taylor, Dean Wilber J. Teeters, Emil Trott and Dr. Andrew H. Woods.

Other members named included Bert Bridenstine, North Liberty; I. F. Duddleson, Oxford; Ed Kadera, West Branch; Mrs. Mildred Kessler, Solon; Emory Rhodes, Kolona; Lee Snider, Cosgrove; Elmer Uch, Swisher, and Ruby Oblinger and Mrs. William Spear, both of Oakdale.

The major committee chairmen named were Harold B. Parker, accident prevention; Gertrude M. Judy, camp and hospital; William H. Bartley, disaster; Ellis Crawford, finance; Warren Starr, first aid; Mrs. J. L. Saar, home nursing; Mrs. C. J. Whipple, home service; Mrs. M. C. Boyer, junior Red Cross; Mrs. Harold Ruppert, nursing; Mrs. Jean Ross, nutrition; Paul I. Lyness, public relations; John Highlander, radio; Mrs. B. V. Crawford, volunteer special services, and Prof. Gladys Scott, water safety.

These chairmen will automatically be members of the board of directors.

The executive committee announced were the five officers and Mrs. Crawford, Mrs. Croft, Mrs. Keyser, Prof. Saunders, Dean Teeters and Dr. Woods.

All new officers will take up their duties July 1.

Funeral services for Robert Bittner, 60, will be held tomorrow at 3 p. m. at the Hohenschuh mortuary with Dr. L. L. Dunnington officiating. Burial will be in Oakland cemetery.

Mr. Bittner died at his home, 532 N. Center street, Wednesday at 8:30 p. m. following a short illness.

He was born April 11, 1888, in Iowa City.

Surviving are his wife, Anna; his mother, Mrs. Anna Bittner, Iowa City; three sisters, Mrs. Cyril Hanrahan, Iowa City, and Mrs. Willard Theek, and Mrs. Clara Gill, both of N. Carolina; one brother, Rudolph Bittner, Iowa City, and one grandchild.

Final Rites Planned For Robert Bittner

To Present Violinist, Pianist at Recital

A violinist and a pianist will present a student recital at 7:30 p. m. tonight in north music hall.

Kenneth Klaus, violinist, and Oliver Wade, pianist, will share program honors. Mr. Klaus will be accompanied by Mildred Young.

The concert is open to the public.

Shebetka Pleads Guilty; Gets 30-Day Sentence

Richard Shebetka, Solon, pleaded guilty to a charge of assault and battery and was sentenced to 30 days in the county jail yesterday.

Judge Harold D. Evans passed the sentence in Johnson county district court. He dismissed a charge of assault with intent to commit rape for lack of sufficient evidence. The grand jury indicted Shebetka Feb. 13 for assault with intent to commit rape on a 13-year-old Solon girl, Oct. 14, 1947.

Shebetka has been held in the county jail since Feb. 24.

Asks \$2,878.50 In Suit Against City

Bertha Huffman, 527 S. Van Buren street, yesterday asked a \$2,878.50 judgment against the city of Iowa City in a suit filed in Johnson county district court.

The plaintiff stated that she suffered permanent head and arm injuries when she fell to the sidewalk on Van Buren street near Bowery street March 7, 1948.

She claimed that the city failed to maintain the sidewalk properly, allowing the surface to become uneven. The plaintiff also charged that the city was negligent in permitting the sidewalk to remain covered with snow and ice for a week prior to her fall.

Damages are asked to cover medical bills and ten weeks of physical and mental suffering, in addition to the permanent injuries which the plaintiff claimed she sustained.

Albrecht, Knox and Taylor are counsel for the plaintiff.

U. S. Veteran Enrollment 70,000 Under Last Year

The current spring college enrollment of veterans studying under educational programs administered by Veterans Administration is 70,000 under that reported last spring, according to a VA informa-

Market Index Rises 3 Cents

Butter Drop Offsets Higher Beef Prices

Butter took a sharp drop yesterday to offset a rise in beef prices and keep the Daily Iowan market basket within 3 cents of last week's index.

The index this week is \$17.44 compared to last week's \$17.41.

Yesterday's survey showed butter down 6 cents from last week's average retail price. A pound is retailing for 79 cents this week.

The Wall Street Journal attributes the steady decrease in the price of butter to seasonal production. However, the Journal reports that margarine, "too, keeps tugging at butter's high prices."

Butter has dropped 10 cents from April's high of 89 cents a pound. The Journal said production was up 7 per cent last week.

Ground beef reflects a rise in wholesale beef prices this week. It is up to 59 cents a pound after maintaining an average price of 55 cents a pound for the last seven weeks.

1,400 To Get Degrees June 5

Approximately 1,400 students are candidates for degrees at this year's spring commencement, Saturday, June 5, Registrar Ted McCarrell said yesterday.

Commencement exercises will be held at 9:45 a. m. in the field-house.

The first week in June will be a busy time for university officials, with class reunions for returning alumni and commencement exercises heading the list of activities.

From Wednesday, June 2, through Friday, June 4, the university band will give evening concerts on the Iowa Union campus.

The second annual dinner for the SUI Emeritus club of the classes of '33, '38 and '43, will be held Friday, June 4. That same night candidates for degrees will gather in the Iowa Union for the university senior party.

At 12:30 p. m. on Saturday all classes of the year 1923 will meet in the Union for the first annual silver jubilee luncheon. At 3:30

on April 1, 1,137,000 ex-servicemen and women were attending college, 1,054,000 under the GI Bill and 83,000 under the Vocational Rehabilitation Act, (Public Law 16), for disabled veterans.

On the same date last year, enrollments of 1,207,000 included 1,127,000 GI Bill students and 80,000 Public Law 16 trainees.

SUI Men Contribute To Literary Journal

The English department and school of fine arts are represented in the spring issue of "Perspective," quarterly literary journal published by the University of Louisville.

Prof. Maurice Lasansky of art had two drawings published: an etching, "For an Eye, an Eye," and an engraving, "Soly Luna."

James M. Brown, graduate student in English, is the author of a short story, "The Gully," printed in the same issue.

University to Provide Married Students With Storage Facilities for Belongings

Storage facilities for married students living in university housing areas will be provided soon, according to plans released yesterday by J. Robert Cotter, manager of married student housing.

The housing office has remodeled a building at 1 Temple park to provide approximately five thousand cubic feet of storage space.

A charge of one cent per cubic foot per month will cover storage, insurance against fire and burglary and door-to-door pick-up and delivery. There will be a minimum charge of 50 cents a month.

To use the service, married students will have to do the following things:

- 1. Call in person at area office to arrange details.
- 2. Wrap and mark the goods to be stored.
- 3. Give one-day's notice for pick-up (pick-up days will be Tuesdays and Thursdays).

Cotter said the plan will go into effect as soon as the contracts are received from University Printing Service.

"When students come to their area offices to sign the contract," Cotter said, "they should be prepared to give the dimensions, value and type of goods to be stored." Furniture will be limited to three pieces. A dinette set, however, will be considered as one piece.

Cotter said the service was planned to accommodate married students who leave Iowa City during the summer and to eliminate unsightly barrels and boxes of goods piled near housing units in the university housing areas.

Phi Eta Sigma Elects Phillip Dandos President

Phillip S. Dandos, Souix City, has been elected president of Phi Eta Sigma, national honorary scholastic fraternity for freshmen. Other new officers are William R. Eads, Ida Grove, vice-president; Richard E. Emmert, Iowa City, secretary; Thomas G. Burney, Iowa City, treasurer, and Bob D. Ferber, Fontanelle, historian.

That afternoon there will be an all-alumni coffee hour in the main lounge of the Union. Announcement will be made at that time of the reunion attendance award winners. Reports of the SUI alumni association will also be given.

According to Director Loren Hickerson, the alumni association has gained over 1,000 new members since December. Since then, the association has been sending out its new bi-monthly magazine, the Alumni Review, in a promotion effort.

The second annual golden jubilee dinner for all classes of the year 1898 will be held at 6 p. m. Saturday in the Union. At 8 p. m. Saturday, a commencement play will be shown at the University theater.

Individual class reunions will be held Friday and Saturday, June 4 and 5. Alumni registration will be on those days in the Iowa Union.

Quality Control Group To Begin 2-Day Session

The local unit of Quality Control by Statistical Method will begin a two-day session today, according to Lloyd A. Knowler, chairman of the mathematics department and member of the group.

Meetings will begin at 9 o'clock this morning in studio E of the engineering building.

Knowler said that this evening's business session will be held at the Amana Society if transportation is available.

Name Auxiliary Officers

Mrs. Robert Shea, 1724 E. street, was recently elected president of the Post Office Clerks' auxiliary.

Other officers elected were Mrs. W. E. Starr, vice president; Mrs. Leo Cain, secretary, and Mrs. T. T. Brown, treasurer.

Outlines Steps In Campaign Against Flies

Two steps for community fly control were outlined yesterday by Chairman Charles Schindler of the mayor's committee on fly control.

According to Schindler, the first step is sanitation. This means cleaning up garbage and other breeding places for flies. No control measures are successful when new generations of flies constantly are added to the population, he pointed out.

Once the breeding places are destroyed, Schindler said, it is easy to knock out the living flies with DDT.

"Every housewife and every business man in Iowa City will be needed in making effective fly control program underway this week," Schindler said.

Points that he urged everyone to remember included:

- 1. Clean up breeding places of insects.
- 2. Keep garbage cans tightly covered and wash them frequently.
- 3. Avoid spilling garbage on the ground and around the container.
- 4. Treat garbage cans, bases and walls around them.
- 5. Indoors, brush five percent DDT in an oil base on screens, thresholds and baseboards to control flies, as well as mosquitoes, roaches, ants and other crawling pests.

For treating garbage cans, brush five percent DDT in an oil base on lids and sides of containers. Also treat screens, entryways, and thresholds with this solution, Schindler urged.

The first application of DDT should be made this week and should be followed by DDT applications two or three times through the insect season, he said.

Loehwing To Chicago

Prof. W.F. Loehwing of the botany department will attend a Chicago meeting on isotopes today and tomorrow.

The meeting is sponsored by the biology division of the Argonne National laboratory and will be held at the museum of science and industry.

Gold Receives Fellowship

David Gold, graduate assistant in sociology, has been awarded a Charles R. Walgreen foundation fellowship, it has been announced by the University of Chicago.

Working toward a doctor's degree, Gold will do research on public opinion polling methods. The fellowship will provide for his first year at Chicago. He will start work this fall.

Gold received his BA degree at SUI last June. He is a candidate for a master's degree next month and wrote his thesis on "Attitude Testing."

A native of Centerville, Gold will marry Judith Goldfarb, A2, in Peekskill, N.Y., June 27th.

DAVID GOLD

Building Wins Bout With Errant Auto

After his car smashed into the corner of the medical laboratories building a university student tossed a torn fender into the back seat and calmly drove to the police station.

He related the following story to police. When making a turn by the medical laboratories, the car door flew open and he started to fall out.

To avoid falling, he grabbed the wheel, swinging his car over the curb, over the lawn, and into the corner of the medical laboratory. The collision did not harm the building.

UWF To Meet in DM For Annual Assembly

United World Federalists of Iowa will hold its first annual general assembly in Des Moines tomorrow, it was announced yesterday.

Delegates from approximately 20 UWF chapters in Iowa will hear Cord Meyer Jr., national UWF president, deliver the keynote speech. "World Government or War III."

NOT RUNNING

FORT WORTH, TEX. (AP) — U. S. Senator W. Lee O'Daniel announced last night that he would not seek re-election this year.

To Attend Graduation

The Rev. P. Hewison Pollock of the Presbyterian church here will attend the McCormick Theological seminary and Presbyterian college of Christian education commencement in Chicago today.

TO RECEIVE DIPLOMA

Cadet George Frohwein, son of Mr. and Mrs. George H. Frohwein, 421 Melrose Ave., is one of 24 candidates in the 59th class for an eight grade diploma at Missouri Military academy in Mexico, Mo.

Cadet Frohwein earned letters in tract and football as well as sharpshooter medals from the National Rifle association.

Quad Honors 19 at Appreciation Dinner

Nineteen men were honored last night at a dinner in the Quadrangle cafeteria for outstanding scholarship or service to the Quadrangle association.

The first annual Appreciation dinner was jointly sponsored by the Quadrangle council and the directors of university service department, T.M. Rehder, dormitory director and Prof. Walter R. Goetsch, student affairs director.

After an address by Prof. Dewey B. Stuit of the student affairs office on "You and Your Administration," scholarship awards were

presented to four upperclassmen for grade points of 4.0 and to four freshman for averages of 3.8 or better.

Upperclassmen honored were Harlan H. Jackson, Melvin H. Middents, Paul J. Flemming and William I. Morgan.

Freshman honored were Howard Luman and John Roberts.

For outstanding service to the association, President Tom Neenan presented keys to Verne Rehnstrom, Franklin Deitch, Jack H. Pederson, Daniel Dillinger, Paul J. McAevy, John Craven, O.

Wendell Hill, Richard W. Smith, William R. Palmer, Nathan Uppgraft and Don Deedrick.

Quadrangle section upper D was awarded a trophy for the highest unit scholarship in the dormitory.

Entertainment was presented by the Quadrangle all-university chorus champions, Four Quarts and a Fifth. Members of the group are John Craven, Bob Martin, Jack Huston, Jim Levang and Rollin Colberg.

DELEGATES UNINSTRUCTED

RALEIGH, N.C. (AP) — The North Carolina Democratic convention voted yesterday to send an uninstructed delegation to the national convention.
