Rolling Pennies Gather Interest

OAKLAND, MD. (AP)—Prentiss Porter, First National bank employe, was carrying a sack of pennies—2,800 of them—over his shoulder when the bottom of the bag dropped out. A crowd quickly gathered and, with the aid of broom lent by a neighbor, helped the messenger retrieve the coins. Back at the bank, Porter laboriously counted up. The total: 9,002.

End Strike for Three of Big Four Packers

Union Accepts Company Offer; Wilson Balks at CIO Proviso

CHICAGO (AP)—The 67-day nationwide CIO meat handlers strike—marked by occasional rioting and bloodshed and mobilization of national guard troops in two states—was called off yesterday against all of the major meat packers except Wilson and Co. The strike was ended on company terms. The United Packinghouse Workers union called off the work stoppage after the workers voted in favor of a back to work movement at Swift, Armour and Cudahy plants. Nearly 100,000 were on strike.

Rath Plant Begins Limited Production

WATERLOO (AP)—While national guardsmen stood by, limited production was resumed yesterday at the Rath Packing plant which had shut down after a Wednesday night riot in which a picket was killed. Non-striking workers returned to their jobs without incident. Hogs were unloaded into killing pens while jeeps and armored cars patrolled the plant area. The CIO packing house union local, whose 4,500 members went on strike against the independent firm in a wage dispute March 16, said they would attend the funeral of William J. Farrell en masse today.

Farrell was slain in the picket line incident which touched off two hours of uncontrolled rioting outside the plant. Meantime a secret arraignment of Fred Lee Roberts, 55, a non-striking Rath worker charged with murder in Farrell's death, was held in municipal court here. Roberts waived to the grand jury. He immediately was returned to jail at an undisclosed spot in lieu of \$10,000 bond. According to a union spokesman, the Ottumwa Morrell plant was to hold a vote last night. At 1 a. m. there was still no word on the outcome of the vote. At the Rath Packing plant, union and company officials resumed negotiations yesterday, but the company was not scheduled to submit a settlement plan until Monday.

Lewis ignores bid to resume contract talks. WASHINGTON (AP)—John L. Lewis yesterday ignored the soft coal operators' invitation to resume negotiations on a new contract, and the disputing parties drifted further apart. The talks collapsed Wednesday night, at their very outset. Subsequently the operators sent Lewis a letter urging renewal of the negotiations. Many of the mine owners went home yesterday, saying they feared there would be no more talks until the expiration date of the present contract draws closer. That date is June 30.

Uphold Probe Bill Veto. WASHINGTON (AP)—By a four-vote margin, the senate yesterday upheld President Truman's veto of a bill which would have let key senators order FBI probes of persons nominated to the atomic energy commission. Iowa's Senators Wilson and Hickel voted to override the President's veto.

Wallace Groups To Continue Aiding Strikers. Asserting that the striking Ottumwa packinghouse workers are "justified in their stand against the Morrell company," Hayden Scott, chairman of the Wallace for President group food committee, last night announced that the committee will continue collecting food for the strikers today. The 10-day food drive of the local Wallace groups—Iowa City Wallace for President committee, Students for Wallace, "Babies for Wallace"—ends today. The food contributions will be taken to Ottumwa tomorrow. Highlighting an afternoon mass meeting of the strikers will be a speech by Victor Reuther, brother of labor leader Wallace Reuther.

Iowa City "Babies for Wallace" yesterday set up a collection booth on the east approach to Old Capitol to collect food and money for the Ottumwa workers. Students for Wallace sponsored the booth. In charge were Mrs. Warren Miller, 328 Brown street, and Mrs. Sol Maloff, 116 Templin park, of "Babies for Wallace." Two babies were at the display. Lying in baby buggies and clad in diapers, they gave their support to the drive by wearing "A Wallace Baby" streamers and large "Babies for Wallace" safety pins. The babies were Scott Miller, seven months, daughter of Mr. and Mrs. Warren Miller, and Jadis Maloff, three-month-old daughter of Mr. and Mrs. Sol Maloff. The booth was a table bedecked with stacks of canned goods, baby food and packaged flour contributed to the drive.

Local—"Hot Potato" Issue Undecided Can Communist Take Part in SUJ Forum?

By KELLY RUCKER

Whether or not a Communist can participate in a campus forum became a "hot potato" yesterday and was "tossed" to Prof. E. C. Mabie, head of the committee on use of university facilities. Last night, Mabie apparently tossed it to President Virgil M. Hancher. Administrative Dean Allin W. Dakin said at 11:30 last night, after a telephone conversation with Hancher, that the president's decision on whether campus facilities would be made available to a Communist party spokesman would be made known today.

The question was posed to Mabie's committee after Warren Batterson of Omaha, chairman of the Communist party's Iowa-Nebraska district, last week proposed that three SUJ campus political groups sponsor a forum on the question "Is There a Place for Communism in America?" He asked that a member of the Communist party be included on the platform.

Following the Batterson suggestion, local politicians—Students for Wallace, Young Democrats and the executive committee of the Young Republican league—broached the subject to Dean Walter R. Goetsch of the office of student affairs.

Checking to see if there were administrative objections to the proposal, Goetsch yesterday, while advising the campus groups against it, said, "I find nothing which will prohibit (the forum)." He added, however, that the matter would have to be passed on by Mabie's committee before the forum would be given the go-ahead on the campus.

In this vein, he sent a letter to the facilities committee asking consideration on the use of MacBride auditorium for that purpose on Monday night.

The committee's decision was expected at 5 p.m. yesterday.

At that time, Mabie expressed dissatisfaction with the discussion and recommendations of the committee at its meeting in his office yesterday. He furiously asserted, "They've tossed this hot potato to me." He said he desired a more complete discussion and more information on the matter before a decision would be announced.

At 9:30 last night he said, "The matter is on the President's desk. I think if you will call Dean Dakin, you will get a reply. The matter never belonged in my committee. They have shoved this kind of thing on my committee before. My committee has no authority to act on a matter of this kind."

Goetsch, in his "no prohibition" verdict, asked the three campus organizations to submit, "for my protection," a written statement "as to who is sponsoring this."

Warren Miller, representing the Wallace group, and Henry Allan, president of Young Democrats, readily agreed to do so. Jim Goodwin, president of Young Republicans, said that at the YRL's last business meeting it was decided that there "would be no official operation or function in the name of the organization until next fall."

He said a "technical aspect" was involved, but that he would contact the group's executive committee for a vote on part-sponsorship by the executive committee of YRL.

If the university's decision allows use of its facilities for the forum, speakers at the forum will be Robert W. Iversen, instructor in the history department, speaking as a Democrat, and Prof. Bernard Baum of the English department, speaking for Students for Wallace.

The name of the Communist representative has not been officially announced. Goodwin said that a speaker for the Republicans has not yet been selected.

Tentative plans, formulated by spokesmen for the campus groups, indicated the Communist would speak for 15 minutes. He would be followed by Iversen, Baum and the Republican speaker who would speak for 15 minutes each. The Communist would then be permitted an additional 10 to 15 minutes for rebuttal.

A question and answer period would follow the speeches. Prof. Hugh E. Kelso of the political science department would moderate the program, Allan said yesterday. He added that as moderator, Kelso would be empowered to adjourn the meeting if it becomes too long or if the audience shows signs of becoming unruly.

Goetsch, in his letter to the committee, said the organizations would provide a moderator "who would be able to present its point of view with respect to political principles in a fair manner, and to prohibit the meeting from becoming a rabble-rousing event."

Secretary Sawyer, himself the father of two girls and three boys, posed a basic question: to what extent is a father his 22-year-old daughter's keeper? Or, as he wrote Representative Crawford: "Does a man of good qualities and record become unfit for public service because his daughter, against his wishes and to his great regret and dismay, has decided to associate herself with a Communist group? "To me the answer is clear—he is in no way disqualified."

Politics—Early Returns Give Dewey Oregon Lead

PORTLAND, ORE. (AP)—Gov. Thomas E. Dewey was holding an early but growing lead over Harold E. Stassen last night in returns from yesterday's Oregon primary balloting. The count from 387 of Oregon's 1861 precincts gave Dewey 15,905, Stassen 12,639.

The New York governor jumped into a lead at the outset and continued to hold it as returns mounted from throughout the state.

He was showing his heels to his rival for Oregon's Republican presidential preference in Portland and Multnomah county, which rolled up a steadily swelling margin for the New Yorker.

Up-state in the non-metropolitan areas Stassen was making a horse race of it, with Dewey ahead in the majority of the state's 36 counties but by inconclusive margins.

Portland, and Multnomah county, with 387 precincts in from over the state, had given Dewey a lead of 7559 to 5268 in 216 of its 512 precincts.

Lane county, second largest county in the state and site of the state university at Eugene, gave Dewey 1760, Stassen 1461, in 30 of 122 precincts.

Voters turned out in what appeared to be an all-time record number under the spur of the Dewey-Stassen campaign. In Portland they stood in line to vote on the Republican presidential preference.

Lacking the presidential issue enlivening the GOP primary, Oregon Democrats gave the state's 16 Democratic convention votes to President Truman, who was unopposed.

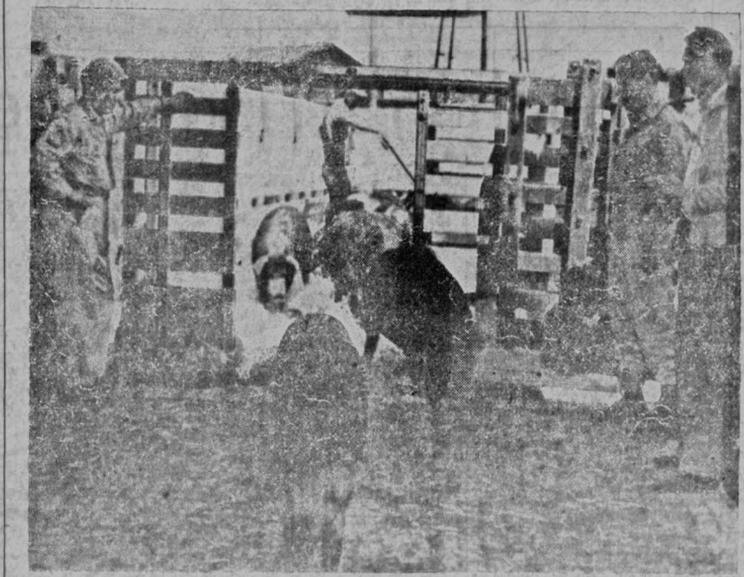

A long state ballot, and the tightness of the Dewey-Stassen race, indicated the outcome of Republican presidential preference contest might not be determined definitely before some time today.

The total registered vote was about 630,000, of which the Republicans were in the majority by 20,000.

Palestine—Jerusalem Falling; Ask Release of Jews

Arab Legion Hems, Shells Jewish Troops In Holy City

CAIRO (AP)—Arab legionnaires last night hemmed in Jewish troops fighting a last ditch battle in a 10-acre area of Jerusalem's old walled city and turned their howitzers on Jewish positions outside the walls.

An Egyptian communique issued late last night said Egyptian mobile forces had entered Hebron, less than 20 miles southwest of Jerusalem. The communique added that Egyptian aircraft bombed the Tel Aviv steel works and also attacked the El Ramle airport.

In a determined bid to crush Jewish resistance in Jerusalem, the British-trained legionnaires from Trans-Jordan shelled Jewish lines on Mount Scopus and Mount Zion, an Associated Press dispatch from the battle area said.

The 400 Jewish troops on Mount Scopus were given this choice—surrender or be destroyed. They had entrenched near the American-financed Hadassah hospital and the Hebrew university.

A communique from Amman, capital of Trans-Jordan, said the shelling silenced the Jewish posts in both the university and hospital areas and the Jews asked to surrender to the International Red Cross.

Arab shells rocked Mount Zion in the vicinity of the Dormition church, reputed scene of the Virgin Mary's death, and Crusader hall where the Last Supper was believed held.

From the church and hall, within a few yards of the old city's Zion gate, the Jews again Thursday night launched a vain attempt to free the besieged Jewish garrison inside the 400-year-old walls.

Gromyko Demands Stop Palestine War

LAKE SUCCESS (AP)—Andei A. Gromyko demanded yesterday that the United Nations stop the Arab-Jewish war in Palestine without further ado.

The Soviet deputy foreign minister spoke after the 11-nation security council heard a blunt report from his consular truce commission in Jerusalem that a strong U.N. neutral force is the only way to end the fighting.

Gromyko said the council must accept an American proposal for strong action. But the council turned briefly in the afternoon to the Czechoslovak-communist case without any indication when a decision would come on Palestine.

The security council argued for two hours in an attempt to avoid a Russian veto of a proposal to set up a commission to hear evidence in the Czechoslovak case. Finally it adjourned without a decision and may take up the case again Monday or Tuesday.

The council will meet today on Palestine. Gromyko blasted a British plea for peaceful mediation as insufficient and accused Britain of quibbling.

U. S. Asks Release Of 41 Americans

WASHINGTON (AP)—The United States yesterday demanded the release of 41 American citizens taken off the American steamship Marine Carp by Lebanese authorities under threat of force.

At the same time the state department served notice, in effect, on the Arab world that this country will "view seriously" any discrimination against U. S. citizens on grounds of race, creed or color.

The 41 Americans, all Jews, were removed from the Marine Carp at Beirut on Wednesday, along with 28 passengers of other nationalities.

All 69 were of military age and were bound for Haifa in the new Jewish state of Israel. Lebanese officials took the position that they might join Jewish fighting forces there.

Yesterday's sharp American protest was disclosed in the form of instructions to Lowell Pinkerton, U. S. minister at Beirut.

Weizmann Visits U. S.

WASHINGTON (AP)—Dr. Chaim Weizmann, president of the new Jewish state of Israel, is coming to Washington Monday as the guest of the United States government.

Weizmann is now in New York. The White House said he will come here, as President Truman's guest, to talk with the President about Palestine matters.

West Agrees on Provisional German Rule

LONDON (AP)—The United States, Great Britain, France and the Benelux countries have reached a hard-and-fast agreement on creation of a provisional government for western Germany this year, responsible diplomatic sources reported last night. The sources reported only technical details stand in the way of a formal communique which now is expected early next week.

There are still some details to be ironed out on just what procedure will be taken to establish the German government. However, it was reported that a tentative decision had been reached by the six countries to call a constituent assembly about Sept. 1, which would be granted broad powers to draft a constitution for western Germany. The occupying powers—the United States, Britain and France—would retain chiefly a veto authority over affairs concerning export trade, currency and foreign policy.

Euphemia (Micky) Virden "Simply Being Exploited"

International—Father-Daughter Split; Agreement in Western Germany Resigns Federal Post; Daughter Tass Worker

WASHINGTON (AP)—A sorrowing father, who broke with his 22-year-old daughter because she took a job with a Communist news agency, resigned a high government post yesterday to spare his boss embarrassment.

"My daughter, though a girl of high ideals, is only 22 and in my judgment is simply being exploited," said John C. Virden, head of the office of industry cooperation in the commerce department.

The daughter, Euphemia Kirkpatrick Virden, is a teletypist at the Washington office of Russia's Tass news agency. Her employment had been exposed by Representative Crawford (R-Mich.) with a request that Secretary of Commerce Sawyer ask Virden to quit.

This Sawyer refused to do, but Virden insisted that he leave at once because of the publicity "and the embarrassment that this is likely to cause you." He later agreed to stay on temporarily to train a successor.

Sawyer released a letter from Virden, a former Cleveland manufacturer, which said that: "It happens that I have been almost violently anti-atheist-Marxist for many years, so much so that it is truly ironical for a member of my family to be interested in the Marxist type of philosophy..."

"She and I had a complete break last January, when she decided to accept this position and I have not seen or communicated with her in any way since that time."

Secretary Sawyer, himself the father of two girls and three boys, posed a basic question: to what extent is a father his 22-year-old daughter's keeper? Or, as he wrote Representative Crawford: "Does a man of good qualities and record become unfit for public service because his daughter, against his wishes and to his great regret and dismay, has decided to associate herself with a Communist group? Bruner, Erickson Lead Iowa Over Buckeyes, 10-5

Victory Shoves Hawk Nine Into Big Nine 3rd Place Tie

(Special to The Daily Iowan)
COLUMBUS, OHIO—Lefty Jack Bruner and Centerfielder Dale Erickson combined to lead the University of Iowa baseball team over Ohio State in the first game of a Big Nine series here yesterday, 10-5.

The victory shoved Iowa into a third-place tie with Wisconsin in conference standings, both with five wins and three losses. The Buckeyes dropped to fourth in the league race.

Bruner had the Ohio State batsmen completely in his power during the first seven innings. Over that span only one Buckeye runner reached second base while the classy lefty limited the Ohioans to four scattered singles.

Erickson was the whole show at the plate so far as Iowa was concerned. The stocky, centerfielder batted in five of a possible seven runs for the Hawks.

In the second inning Erickson started his assault. After First

victory to assure them a first division spot. Right-Hander Wes Demro will go to the mound for Iowa.

The line score: R. H. E.
Iowa 10 5 0
Ohio State 5 3 3

Dean Team Takes Town Crown; Quad Finalists Narrowed

Four important intramural softball games were played yesterday as one league champion was decided and another league's two finalists were determined.

Dean captured the Town League crown with a decisive 14-4 win over Thatcher. In the third inning, the winners knotted at 4-4, broke the ice with five runs and went on to win easily.

In Quadrangle semi-finals, Upper A (2) slammed Lower D, 12-3, and Lower B edged Lower A, 11-10. The two winners will tangle Wednesday for the league championship.

Phi Kappa Psi took a 6-5 victory from Phi Epsilon Pi yesterday to clinch runner-up spot in the Social fraternity league. Sigma Alpha Epsilon previously won the fraternity crown by defeating both teams.

Six golf teams will tee off at 12:18 this afternoon to compete for the all-university golf championship. The six league representatives are Sigma Alpha Epsilon, Phi Delta Phi, Upper C, Loyola, Riverdale, and Hillcrest H. Paul Sawyer and Robert Christoph, North Grand, won the all-university badminton doubles competition yesterday, crushing Moreshwar Nadkarni and Chandra Saran, Hillcrest D, 21-2, 21-14.

Cards Lose to Spahn

BOSTON (AP)—Warren Spahn's rainy-night southpaw slants checked the victory surges of the St. Louis Cardinals and their Harry (The Cat) Brecheen last night as the Braves, without an earned run, gained a 3-1 triumph over the National League leaders before a well-soaked 22,917 crowd. Stan Musial ruined Spahn's shutout hopes with an eight-inning homer.

WSUI Versus Iowan in Softball Tomorrow

Remember, sports fans, tomorrow afternoon the softball classic of 1948 will take place behind the Iowa fieldhouse. The game pits the WSUI "stark voices" against The Daily Iowan "Scribes" in a nine inning contest. Game time is 3 p.m.

Tomorrow morning's Iowan will give the starting lineups of both teams, the substitutes, managers, coaches and batboys. It is rumored over at the radio station that WSUI has more subs than the Iowan has fans.

WSUI's sports show last night placed its team as a heavy favorite to win. Both clubs are undefeated with no games played to date.

Wilkinson, Everett Win Awards

Herb Wilkinson of Salt Lake City, Utah, all-American basketball guard and track team high-jumper, has been awarded the Big Nine medal for excellence in scholarship and athletics, Paul Brechler, director of athletics, announced yesterday.

Pete Everett of Croyden, Pa., baseball first baseman, also won the Hawkeye athletic cup, Brechler said. Each athlete had better than a three-point scholastic av-

erage for his entire university career.

Wilkinson, who received his degree in dentistry last March, was a regular on the Iowa basketball teams of 1945, 1946 and 1947 after playing one year at Utah. He was all-American each year.

Everett has been Iowa's regular first baseman for the last two seasons and also won a minor letter in baseball in 1946. He will receive his degree in physical education in June.

Local Prep Teams in Action

City high and University high track men travel to Ames today where they will compete in the state track meet.

City high will go all out for relay points as they are entering teams in the 40, mile and medley relays. They are defending champions in the medley. Virgil Troyer will run the open 440 dash while Bill Reichardt will toss the football and shot.

University high will compete in class B competition. This is the first year there has been a separation of the two classes. Denny Hagler will run the 220-yard dash, while Bob Crum and Dick Reichardt are entered in the 880 run. John Carson will run the mile and Harold Larew the 120-yard high hurdles. Merritt Ewalt is entered in the pole vault and Baker in the football throw. U-high will send three relay

teams into the meet. They will enter in the mile, two-mile and medley relays.

Meanwhile, Bill Jenna, City high tennis singles champion, will meet Hegon of Fort Dodge in the opening round of the state tennis meet in Des Moines today.

Henry Rate and Keith Boyle, doubles champions, will face Holmberg and Loblin of Red Oak in the doubles opener. Jenna and Teammates Rate and Boyle gained the state by winning the district tournament here last Saturday. Matches will begin in the morning.

City high's Hawklets will face West Waterloo at 2 p. m. this afternoon in a baseball game on the City high diamond.

CLEVELAND (AP)—The long silent bats of the Boston Red Sox boomed yesterday in an 18-hit barrage and swamped the league-leading Cleveland Indians, 11 to 5.

Paced by Ted Williams' eighth home run, a tremendous clout into the upper deck in right field, the Sox erased an early Cleveland lead and turned the game into a rout.

Rookie Southpaw Bill Kennedy started for the Indians but was belted out in the second when the Sox tied the score at two-all. Al Gettel, his replacement, fared little better and he left the mound in the fourth when Boston tallied three times. Steve Gromek and Ed Klieman finished for the Indians.

Williams had a perfect day at the plate, collecting four hits and two walks in six trips. Larry Doby clouted a homer for the Indians in the seventh with Thurman Tucker on base.

Iowa had a six run lead going into the eighth when the Hawks scored four times to give them a lead of 10-0. But loose fielding, which has plagued Iowa on its road trip to Western Michigan and here to Ohio State, let the Bucks save face by pushing across four runs in the last of the eighth and a single tally in the ninth. Ferrier Out of PGA Tourney

ST. LOUIS (AP)—Jim Ferrier of San Francisco, defending champion, was knocked out of the Professional Golfers' association championship yesterday along with a number of other big name pros as Little Ben Hogan, the 1946 winner, barely escaped elimination.

Ferrier, carried to 20 holes by Dutch Harrison of York, Pa., in his first-round match, lost out to Claude Harmon of Mamaroneck, N. Y., 1-up, in the second round. The big Australian-born Californian dropped a heart-breaker as a final rally failed to square his second match.

Two down after 16 holes, Ferrier sank a 16 foot putt to win the 17th with a par three as Harmon missed a shorter putt. Then on the last hole Jim fired an iron shot that stopped dead within 18 inches of the pin. It looked like a sure thing, but Harmon, winner of the Augusta Master tourney, drove in a beautiful 10-foot putt, halving the hole in birdie three and winning the match.

Hogan, the lath-like, long-driving Hershey, Pa., pro who is a gallery favorite, had two very close calls. He was carried to the 23rd hole in his morning match against Jock Hutchinson, Jr., of Glencoe, Ill., and then had to rally in the afternoon to gain a 1-up triumph over Johnny Palmer of Badin, N. C.

Going into the third round of 16 today with Harmon in the upper half of the draw were Henry

Ransom of Ravinia, Ill., who scored one of the second-round upsets when he beat 1946 open champion Lloyd Mangrum, 3 and 2; Sam Snead, Leland Gibson, Johnny Bulla, Jay Laffoon, Mike Turnesa and Al Smith, a comparative unknown from Winston-Salem, N. C.

Late Homer Gives Local Girls Softball Win, 4-3

Barbara Goldberg's home run blast in the last of the seventh inning last night gave the local Russell's Steak house girls' softball team a 4-3 victory over Quaker Oats' girls of Cedar Rapids.

The game was played under lights at Kelley field, Iowa City. With two outs and a three and two count on her, Mrs. Goldberg belted the next pitched ball over the right fielder's head and scored to break a 3-3 ball game.

Virginia Maudsley, Russell's speed-ball hurler, fanned 11 batters and gave up five scattered hits for Russell's first victory in its first game of the season.

The Iowa City girls will play a team from Lucas at Kelley field Sunday night at 8 p. m.

Gifford Vieth To Edit Iowa Law Review

Gifford D. Vieth, Davenport, will edit the Iowa Law Review for the 1948 fall semester, Dean Mason Ladd of the college of law announced yesterday.

Others appointed to the staff were Donald Wine, Oelwein, notes editor; Charles Harris, Williams-

GIFFORD VIETH

burg, and Thomas Lynch, Decorah, comments editors; and John Moody, Waverly, article and book review editor.

Frank R. Kennedy, faculty advisor, said that appointment to the staff is one of the highest honors a law student can receive.

The Iowa Law Review, a quarterly publication, goes to all members of the Iowa state bar association. Its circulation is about 3,500.

Students in the law college contribute nearly half of the material in the form of notes and comments. Lead articles by professors, judges and graduates and book reviews comprise the balance of each issue.

Members of the retiring staff are Donald Shaw, Oelwein; Robert Mahoney, Boone; William Hollen, Winterset; Harry Slife, Hawarden, and Kenneth Myers, Quincy, Ill.

Child Club Picnic To Be Held In City Park Today

The Child Study club will hold its annual picnic for mothers and children today at 12:30 p. m. on the upper level of City park, near the playground area.

Planned games will be provided for the children following the picnic lunch. Those attending will bring their own table service and food. The club will furnish ice cream.

In case of rain, the picnic will be held in Fellowship hall at the Methodist church. Mrs. Alan Graves and Mrs. H. H. Hiett are in charge of arrangements.

O. Anderson Charged With Murder Intent

County Attorney Jack C. White yesterday filed an information in Johnson county district court charging Oscar Anderson, 58, with assault with intent to commit murder.

Anderson is charged with assaulting Clifford Kelly, April 22, 1948, with intent to murder him.

The information transferred the case from Iowa City police court, where preliminary hearings have been held, to the district court.

No date has been set for Anderson's arraignment in district court. Judge Harold D. Evans who is presiding at the May term of court said yesterday the case will not be set for trial until civil cases slated for hearing have been finished.

Anderson has been held in the county jail under \$10,000 bond since his arrest April 22. Kelly, who eye witnesses said was shot in the chest after an argument in the Strand cafe, was moved to the Veterans hospital in Des Moines from University hospital last week.

Both of Kelly's legs were paralyzed by the bullet which is still lodged in his spine, according to relatives.

Edward L. O'Connor and William R. Hart are representing Anderson.

Announce Athletic, Scholastic Awards At University High

Jim Berg, University high school senior, was awarded the Emil Trott traveling trophy award for high scholarship yesterday at the annual University high award assembly.

The trophy is presented each year to the graduating senior boy with the highest grade point for four years. Berg also has been awarded a four-year college scholarship by the Pepsi Cola company.

Fritz Harshbarger won the Bausch and Lomb science award, a plaque and certificate, for excellence in science and mathematics.

Winner of the Carpenter award was Bob Ojemann. The award goes each year to the letterman with the highest scholarship.

Speech honors went to John Carson, Dale Irwin, Dick Larew, Nancy Penningroth, Tom Brown, Dennis Hagler, Karl Harshbarger, and Curtis Miller.

John Carson, Bob Crum, Doug Dierks, Dennis Hagler, Fritz Harshbarger, Curtis Miller, Jack Neuzil, Bob Ojemann, Bob Rasely and Dick Lierle received baseball letters.

Track letters were presented to Robert Aikin, Kenneth Alberts, Larry Ashlock, Frank Baker, Bob Ballantyne, John Carson, Ronald Coldsnow, Bob Crum, Doug Dierks, Merritt Ewalt, Bob Ewalt, Dennis Hagler, Fritz Harshbarger, Karl Harshbarger, Harold Larew, George Meier, Curtis Miller, Bob Ojemann, Dick Reichardt, Arnold Schnoebelen, Jerry Squier, Bob Turkal and Dick Lierle.

Principal Murray Martin announced that the senior class won the spring clothing drive to collect garments for needy European children.

Virginia Anderson Awarded Fellowship

Virginia Anderson, Harcourt, has been awarded a \$1,350 Lydia C. Roberts fellowship for graduate study at Columbia university, New York, N.Y.

The fellowship is given on the basis of scholarship, seriousness of purpose and moral character. Students from every college in Iowa compete for the yearly awards.

Miss Anderson will graduate from the college of liberal arts in June. She plans to study international affairs at Columbia.

Bond Honored at Farewell Banquet; Plans Retirement

Prof. Perry A. Bond, retiring head of the inorganic chemistry division, was honored at a farewell banquet in the Iowa Union last night.

The 70-year-old chemist received several gifts from friends and associates before 100 members of the faculty, student body and the Iowa section of the American chemical society, Prof. George E.

PERRY A. BOND

Glockler, head of the chemistry department, was toastmaster.

Bond has been on the university staff since 1918. Born in Storm Lake, he is a SUI alumnus, having received his B.S., M.S., and Ph.D. degrees here.

He plans to leave Iowa City at the end of the semester and join his wife in New York City. His wife, the former Helen E. Judy of Iowa City, is head of the home economics department at Columbia university, New York.

Asked what he intends to do, Bond replied, "I'm just retiring. I'll live in New York with my wife and spend the summers at our home at New Hope, Pa."

Before coming to SUI, Bond taught at Armour institute in Chicago and Iowa State Teachers college. He is the author of a textbook "Fundamentals of General Chemistry" and "Laboratory Manual of General Chemistry."

Bond is a charter member and former secretary, councilor and chairman of the Iowa section of the American Chemical society. He is also a member of the American Institute of Chemists, the American Association for the Advancement of Science, Phi Lambda Upsilon, Alpha Chi Sigma and Sigma Xi.

Student Council Names Library Advisory Group

A student library committee to advise Prof. Ralph Ellsworth, director of university libraries, was formed yesterday as a sub-committee of the Student council, according to council member Jean Gallaher.

Representing the colleges in which they are enrolled, committee members are as follows: Liberal arts—Julia Ferguson, Philip Dandos and James Holbert; Education—Peg Thompson, and commerce—Ralph Blunck; Engineering—Harold Grunsky; pharmacy—Harvey Coontz; graduate—Carl Leiden.

Medicine—David Ivie, and dentistry—Harry Schott.

City To Install Trash Cans

Alderman William H. Grandrath yesterday announced locations for 14 self-closing trash cans which will be placed on downtown sidewalks early next week.

Purchase of the cans was authorized by the city council last December. It is hoped that placing of the trash cans will discourage persons from scattering trash and waste paper on downtown streets.

The words, "Help Keep Our City Clean" and "Deposit Papers Here" will be stenciled on each can. The cans will be placed in the center of city blocks rather than on street corners. They will be secured to the sidewalks and will probably be installed on Monday and Tuesday of next week, Grandrath said.

Present plans call for two cans in each of these blocks: College street between Clinton and Dubuque streets; College street between Dubuque and Linn streets; Washington street between Clinton and Dubuque streets, Washington street between Dubuque and Linn streets; Clinton street between College and Washington streets, and Dubuque street between Washington street and Iowa avenue.

One can will be placed on Dubuque street between Burlington and College streets and another on Clinton street between Washington street and Iowa avenue.

Additional cans may be purchased and installed in the future if the present set-up proves successful, Grandrath said.

Grandrath also expressed a hope

that merchants will make use of the cans by depositing in them trash swept from their business houses.

Reject Unit A Library Bids

All bids on construction of the first unit of the new \$3.7-million SUI library were rejected yesterday as "too high" by the state board of education's building and business committee, University Architect George Horner announced.

Bids on the first unit, known as "Unit A," were opened Thursday afternoon. Low bids totaled \$2,811,948, or \$1,231,948 more than the legislative interim committee approved spending last February.

There were indications the state board may appropriate more money.

Plans call for a three-story building, containing a lecture auditorium, small private conference rooms, administrative offices and lounge on each floor.

Last February, when the sum of money was approved, Des Moines Architect Earl Jones told the committee it would take from a year to a year and a half to complete the structure.

"Unit A" will be located at the corner of Washington and Madison streets west of the engineering building.

Len Everett To Head Student Art Guild Group

Len Everett, Kirkwood, Ill., was elected president of the Student Art Guild at a meeting held yesterday in the basement of the art building.

Other officers elected were Marjorie Donnellson, Logan, vice-president, and Yvette Wright, Richfield, Conn., secretary-treasurer.

A S of E Elects Meier

The Associated Students of Engineering recently elected Mark Meier president of its organization.

Other officers elected were Morris Nelson, vice president; Robert Newton, secretary; Charles Lazebny, treasurer, and Robert Stooker, Union board representative.

SUI Host to Child Development Conference

The 21st Iowa conference on child development and parent education will convene here June 16 and 17, it was announced yesterday.

Conference meetings will be held at Old Capitol. No admission fee will be charged for the sessions.

Child training experts who will lecture at the conference this year are Orvis C. Irwin, research associate professor of psychology, child welfare research station; Dr. Benjamin Spock, associate professor of psychiatry, Mayo foundation, University of Minnesota, and John W. M. Whiting, assistant professor of anthropology, child welfare research station.

Robert R. Sears, research professor of child psychology and director of the child welfare research station; Harold W. Saunders, associate professor and chairman of the department of

sociology; Allison Davis, professor of education, University of Chicago, and Ruth Updegraff, associate professor of preschool education.

Also participating in the conference from SUI will be John Haefner, head of social studies at University high school and assistant professor of history; Manfred Kuhn, assistant professor of sociology; A. H. Moehlan, professor of education and R. H. Ojemann, associate professor of educational psychology and parent education.

Alan Lomax, director of the Decca Records folk music series and formerly curator of archives of American folk songs at the library of congress, will also attend the conference.

Receives Intramural Trophy

ADMIRING THE WOMEN'S INTRAMURAL TROPHY, Janet Leigh (right), Des Moines, receives it on behalf of Chi Omega sorority from Frances Falck, Decorah, intramural chairman. Chi Omega collected the highest total of points in intramural games sponsored by the Women's Recreation association. This is the first time the traveling trophy has been awarded since before the war.

Building Construction Gets Underway On Brown Street Playground Program

Construction of a building which will include restrooms, storage space and a shelter area is now underway at the Brown street playground, according to an announcement yesterday by Kenneth Cline. Cline is president of the city playground and recreation commission.

A wading pool and softball field are also included in the construction program now underway. The project is scheduled for completion by June 14, opening date of the playground program, Cline said.

Two concrete tennis courts, a volley-ball court, off-street parking lots and a driveway are included in the commission's long-range program, Cline said. However, work on these projects will probably not begin until next year.

Cost of the present construction is estimated at \$5,500. Money for the project has been donated by the Elks, Eagles, Moose, and Veterans of Foreign Wars. Donations have fallen a "little short" of the \$5,500 cost, Cline said, but he expressed the hope that additional gifts would make up the balance. If not, the balance will come out of the recreation commission's operational fund.

Drainage of the Brown street

playground area was accomplished this spring by the city engineer's staff. The city council appropriated \$600 for the drainage work.

The overall playground program this year will include the Brown and Benton street playgrounds, a temporary playground at the Longfellow school yard, a swimming program at junior high school and regular activities at the Community building, Cline said.

The swimming program was very successful last year, according to Cline. He said 645 children were registered in the 1947 program.

About 28 parttime employees supervise the city's overall playground program. J. Edgar Frame is superintendent of the program, for which approximately \$15,700 is provided each year.

Name Engineer Officers

The college of engineering's senior class officers for 1948-49 were named yesterday.

They are Richard Kidd, president; Alan Nichols, vice president; Jerry Clancy, secretary, and Morris Nelson, treasurer.

They will take office at the beginning of the fall semester.

Anti-Fly Campaign To Start Tonight

The main event of the Iowa City fly control campaign will begin tonight at 6 p.m. with the spraying of the business area alleys and food-handling establishments.

Chairman Charles Schindler announced yesterday that approximately 85 business establishments will be sprayed with five percent DDT during a 24 hour period.

The spraying tonight will be the first of two sprayings for the summer. A Cedar Rapids firm will use two units in the work, commencing in business places that have early closing hours.

The second spraying will take place sometime in August.

Alleys and the city dump will be sprayed five times during the summer.

The total cost of the program is approximately \$1,699. Funds for the campaign were solicited from the businessmen whose establishments will be sprayed.

Chemistry Staff Visits ISC Department Today

Fourteen members of the chemistry faculty will be guests of the Iowa State college chemistry department at Ames today.

The call will be a continuance of the 15-year-old tradition of visits between the chemistry departments of the two schools.

Those attending are Professors George E. Glockler, Edward Barlow, Clarence P. Berg, Walter F. Edgell, George Kainitsky, James O. Osburn, Joseph I. Routh, L. O. Smith, Ralph L. Shriner, Stanley Wawzonek and instructors Robert E. Buckles, George E. Evans and Walter Smith.

Dean Mahan Attending National PTA Conclave

Dean Bruce E. Mahan, extension division director, left yesterday for Cleveland to attend the annual convention of the National Congress of Parents and Teachers.

Mahan is the group's national chairman of visual education. He will be in charge of a film forum program which will show how films can be used effectively in local PTA meetings.

Mahan will also discuss how a children's film library may be used in a community.

He will return May 28.

Suggests Bond Issue To Buy Parking Lots

By TOM MAHONEY
Dan C. Dutcher, chairman of the parking committee, suggested Thursday night that the city float a \$250,000 bond issue for the purchase of off-street parking lots.

Dutcher made the suggestion in a meeting of the parking committee, Mayor Preston Koser and two councilmen.

The bond issue was introduced for further study by the committee and the city council.

If such bonds were issued by the city they would eventually be paid off with revenue from the parking meters, according to Dutcher.

The committee also suggested that the city take action soon on converting city-owned property on College street into a parking area.

A two-block area on College street was purchased by the city for \$40,000 last fall. It contains an apartment house with nine units. The city receives \$256 in rent from the property each month.

The matter was referred to the city attorney to see if the city can legally continue to collect rent on property being purchased with parking meter funds.

Other committee recommendations included one for an ordinance amending the building code to require off-street loading facilities to be provided for business buildings constructed in the future.

The group also acted to sponsor a meeting of property owners in the business block north of Washington street between Clinton and Dubuque streets. The meeting would be to discuss openings in the block since there are no alleys or openings at the present time.
