

### Lightning Starts, Stops Fire

STOCKHOLM (AP) — Lightning struck a house at Ludvika in Sweden, threw a telephone on the floor and set fire to it. It landed under a chair on which a pail of water was standing. This pail was pierced by the lightning, the water ran out and extinguished the fire. No other damage was done.

# Floods Cause 3,500 To Flee Two Towns

## Continue Hunt For Victims In Vanport

VANPORT, ORE. (AP) — The rampaging flood waters that crushed this city of 18,700 people like a cardboard village Sunday drove some 3,500 from two Washington towns north of here last night.

Jamming the streets of South Kelso, 50 miles to the north, the populace raced to higher ground to escape the threatened dikes of the Coweeman river. The dikes were still holding, however, and officials had hopes they might not go out.

Water poured through the Lewis river dike yesterday afternoon and surged toward the town of Woodland, 30 miles north of here. The Columbia river dike that also protects the town was weakening, and expected to go out during the night.

The flood waters were expected to rise three or four feet high in the 1,000-population town of Woodland by late last night. All the inhabitants had fled to safety.

The ample warnings in both South Kelso and Woodland forestalled a repetition of the flood that crashed without warning through a dike to destroy this city Sunday afternoon.

Amazingly, not a single body has been found in the ten to 15 feet of water that is still swirling through what was the city of Vanport.

Hope that the Vanport disaster had not caused a major loss of life rose last night as rescue boats finished a full day of search without finding a victim amid the shattered houses and submerged streets. But much of the wreckage lay buried too deep to be investigated.

The Red Cross was slowly shortening the missing reports last night, as families separated in the flight from the flooded town were re-united. The number who escaped safely was called "almost miraculous" by rescue workers.

No one knew how many of Vanport's 18,700 residents had perished in the flood that broke through a dike Sunday afternoon and roared through the town, sweeping houses, cars, and people before it. Sixty injured were in Portland hospitals.

## Truman Authorizes Flood Area Relief

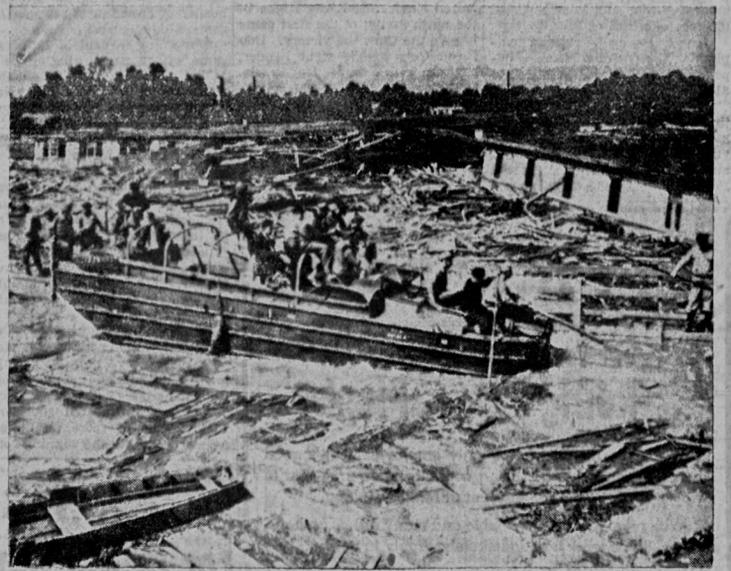

WASHINGTON (AP)—President Truman yesterday authorized use of war surplus property for relief and rehabilitation in the flood sections of the northwest, declaring the territory a "disaster area."

He directed Raymond M. Foley, director of the federal housing and home finance administration to investigate the possible availability of emergency housing there.

Along with the government actions, Basil O'Connor, president of the American Red Cross, set aside \$250,000 for immediate relief needs of the Vanport victims and wired Gov. John H. Hall of Oregon that more funds will be made available as needed.

CARS OF ESCAPING RESIDENTS bogged down on this exit from the flood-wrecked town of Vanport, Ore. Sunday (ABOVE). A wall of water swept into the town without warning during the afternoon and many lives were feared lost. Yesterday boats manned by soldiers searched the ruins of the city for bodies of victims (BELOW). Vanport, with a population of 18,700, was Oregon's second largest town. (AP WIREPHOTOS)

## Dr. Miller To Advise New Health Division

DES MOINES (AP)—Dr. Walter L. Bierring, state commissioner of health, reported yesterday that the state health department soon will be operating a new division—a division of mental hygiene.

The division now is in the process of being set up and it probably will begin operations July 1, Dr. Bierring said.

Dr. Wilbur R. Miller, director of the state psychopathic hospital, Iowa City, already has been appointed consulting director of the new division and the newly-created state mental health advisory committee now is in the process of selecting other division staff specialists.

The new division is being made possible by a resolution of the 1947 legislature authorizing the creation of a state mental health authority and empowering it to receive and expend any federal funds available for mental health work.

Under the terms of the resolution Dr. Miller became chairman of the state mental health advisory committee; Dr. Charles C. Graves, Jr., director of state mental hospitals, vice-chairman, and Dr. Beirring secretary.

Other members are: Herbert House, member of the state board of control; Dr. William R. Ash, Council Bluffs.

## DALTON REINSTATED

LONDON (AP)—Hugh Dalton, former chancellor of the exchequer who signed after a budget leak last year, has been returned to the British cabinet, the prime minister's office announced last night. Dalton will be chancellor of the Duchy of Lancaster.

## Arabs Claim Encircling Move On Tel Aviv, Israeli Capital

By THE ASSOCIATED PRESS Arab armies claimed last night to be encircling Tel Aviv, the capital and army headquarters of Israel.

Central Palestine dispatches also told of the establishment of a 40-mile Arab front extending northwest from Jerusalem to Tulkarm. This would endanger the whole southern half of Israel's coastal strip. The Arab higher committee in Cairo said Iraqi troops had cut off Tel Aviv from the northern port of Haifa by capturing Natanya, 18 miles north of Tel Aviv on the coast. This was not confirmed.

The communiques told, however, of Arab troops maneuvering on the eastern, northern and southern approaches to the Israeli capital. The city is bounded on the west by the sea.

One Arab informant said Iraqi soldiers were only three miles from Tel Aviv. Jewish officials admitted the Iraqis were only nine miles from the city at one point.

News of the military developments came as the political representatives of seven Arab states met in Amman, Trans-Jordan, to reply to the United Nations security council's latest order for a cease fire. The security council set a deadline of 5 p.m. (Iowa time), tonight for Jewish and Arab replies to the demand for a four-week truce to permit mediation efforts.

The Trans-Jordan Arab legion said it had smashed a Jewish effort to open the vital Tel Aviv-Jerusalem highway. The battle was fought 10 to 14 miles west of Jerusalem. This is the same area where both sides committed heavy forces last week and the Arab legion claimed to have killed 800 Jews.

At the conclusion of the parliamentary balloting the ministry of interior announced that 770,701 Czechs had cast blank protest votes against the Communist-led National Front ticket. The ministry said that total vote was 7,204,256 out of a registration of 8,005,887.

## POPE TO BROADCAST

VATICAN CITY (AP)—Vatican radio stations will broadcast an address by Pope Pius XII at 2:30 a.m. (Iowa time) tomorrow.

## Thornton Asks U. S. To Insure Peace in Memorial Address

"All of us on this earth are on one common ship, which, if it explodes, may destroy us all," Prof. Harrison J. Thornton told a Memorial Day crowd of about 300 yesterday morning.

Thornton gave the principal address of the concluding service in Oakland cemetery. Calling on the United States to insure world peace, Thornton said, "Let us take heart for the future and never fail in this great divine commission."

It is a "sad thing to confess," he said, "that many times in our history we have had to call upon our men of valor" to take part in wars.

Sketching early U. S. history, Thornton said wars were undertaken "to secure our land, to win our independence and establish ourselves as a nation and to secure our union."

"Now there has come another century—our century—the 20th century," he declared, and two more wars have been undertaken "to challenge and check the march of tyranny through the earth and also to make secure our liberty."

The SUI history professor traced U. S. foreign relations through the colonial years to the close of the Revolutionary war and then on through the middle period to the Civil war.

Since the Civil war, he have "gone through a transformation in relations with the rest of the world," he said. "The United States is no longer an infant as in the colonial years, or an adolescent as in the middle years, but an adult in the modern period. The United States has now grown up among the nations of the world."

Thornton cited Theodore Roosevelt's successful efforts of the early 1900's to bring about peace and check war in Asia and Europe as a demonstration of this country's power.

If later presidents had spoken out in 1914 and 1939 as Theodore Roosevelt had, two world wars might have been avoided, Thornton said.

Declaring that man's destiny is the preservation of peace, Thornton urged, "May we never forget it—even if we must teach them and remind them—may we never forsake our role."

Yesterday's Memorial Day observance began with the Knights of Columbus memorial mass in St. Joseph's cemetery at 8 a. m. At 8:30, the Women's Relief corps conducted services at the Iowa avenue bridge in honor of Johnson county's navy dead.

A parade in which members of various service and patriotic organizations participated formed at Clinton and Market streets at 9:30 for the march to Oakland cemetery.

Ebenezer MacMurray, 103-year-old Iowa citizen, and one of the two surviving civil war veterans in Iowa, took part in the parade.

## Mundt, Communist Disagree On Aim of Mundt-Nixon Bill

NEW YORK (AP)—Rep. Karl E. Mundt (R-S.D.) and William Z. Foster, American Communist leader, disagreed in a radio debate last night as to whether the Communist party would be outlawed under the Mundt-Nixon bill.

Mundt, co-author of the measure, claimed its aim was not to outlaw Communists but to "drive them from the dark into the open and . . . from the face of the earth."

Foster, national chairman of the "aims to outlaw the Communist party" but that "actually the Communists are only the secondary objective." He said its real purpose was a "deadly blow to the labor and progressive movement, American democracy and world peace."

Mundt and Foster debated the bill—now before the senate—over the ABC network. Foster spoke from New York and Mundt from Yankton, S.D. The Communist leader had challenged Mundt to discuss the measure.

Mundt, asserting that "Foster can't refer you to any similar debate in Russia," said the bill "only requires Communists to register in the open."

He said it provides a jail punishment only for persons who try to establish "a totalitarian government here controlled from abroad."

Mundt said that if Foster believed the Communist party would be outlawed he "admits the Communist party qualities" as an organization seeking to overthrow the government by foreign direction.

Foster departed from his prepared text to declare that Henry A. Wallace, third party presidential aspirant, could be jailed under the bill because Communists support him.

Mundt, speaking extemporaneously, said the bill's purposes were "not even remotely connected" with outlawing Communist

## Government Sends Total War Primer To Factory Owners

WASHINGTON (AP)—An industrial primer for total war is going out to factory owners.

The defense department's munitions board, which prepared the text, laid its emphasis yesterday on two points:

1. How industry can plan now for turning out the weapons needed in case of war.

2. A strong hint that unless such plans are ready for quick war production the plant may starve for lack of materials and labor.

Board Chairman Thomas J. Hargrave, in announcing to a news conference the handbook for "joint industry-military procurement planning," also presented the latest record on the government's own stake in industrial facilities.

It showed that the government presently owns or has a right to recall to war production 405 of the 3,500 plants it built during the war to produce guns, airplanes, tanks and a multitude of other weapons.

Of these industrial reserve plants, 151 are retained by the army, navy or air force. Thirty-seven are still in government production. Thirty-one have been sold under a clause which preserves their basic function of producing war material, and 53 have been leased under similar guarding clause.

Hargrave said the new guidebook is not a complete blue print for industrial mobilization for war, but is designed to give plant owners some idea of (1) what might be needed, (2) who should be contacted for information, and (3) how individual factories can prepare and keep up to date their own programs for conversion to war production.

## Singer Refuses To Answer Senators' Query

# Robeson Defiant on Communist Issue

WASHINGTON (AP)—Negro singer Paul Robeson told senate questioners yesterday he would go to jail before he would say whether he is a Communist.

Senator Robert Moore (R-Okla.) promptly adopted the idea, with the suggestion that "sometimes a year in jail cools some of these people off."

But Chairman Wiley (R-Wis.) of the judiciary committee said he doubted that the committee would take contempt action. Robeson was testifying before the judiciary group against the Mundt-Nixon anti-Communist bill when the dispute arose.

Senator Ferguson (R-Mich.), whose direct question Robeson refused to answer, said the committee would decide about contempt later. The exchange took place after Robeson told the committee he thinks members of the Com-

munist party "have done a magnificent job in America."

"Are you an American Communist?" Ferguson asked.

"I refuse to answer that question," Robeson replied with emphatic gestures. "This is an invasion of my right of secret ballot."

Ferguson fired back the same question a second time and a third, and Robeson finally broke out:

"Nineteen leading Americans are going to jail for refusal to answer that question and if necessary I will join them."

There were some hisses mixed with the audience applause that greeted the singer's statement. His reference to 19 Americans covered the Hollywood writers and others charged with contempt of congress for refusal to answer similar questions before the house

committee on un-American activities.

"Robeson seems to want to be made a martyr," Moore told reporters later. "Maybe we ought to make him one."

Ferguson, however, said a legal question is involved in the matter of a contempt citation, since a committee quorum was not present during the exchange.

Robeson, on the questions he was willing to answer, told the committee:

He has "many dear friends" who are Communists, and he is "interested in a party and a people who stand for complete equality of the Negro people in the United States."

"I walked the earth (in Russia) for the first time with complete dignity." His son went to school there and found complete freedom from

racial prejudice.

Robeson owes "allegiance to my government" but in case of war "if it was a fascist act I wouldn't support it. I would decide at the time."

He thinks Henry Wallace and his third party are "carrying on new deal principles." He also thinks Wallace has the support of the Communists.

The United States is on the "wrong side" in Italy and Robeson would choose the Communist side in Greece, China and Spain.

And if the Mundt-Nixon bill under consideration is passed, Robeson will class it as fascism and refuse to obey it.

The measure would require registration of the Communist party and its affiliates and outlaw all activities aimed at creating a foreign-controlled totalitarian regime in the United States.

# Rose Roars to Victory in Record 119 MPH

## Raffensberger Flips 1-Hitter As Reds Sink Cards Twice

CINCINNATI (AP)—Nippy Jones' eighth inning single spoiled Kenny Raffensberger's try for a no-hitter yesterday as the Cincinnati Reds copped both ends of a doubleheader from the St. Louis Cardinals, 4-3, and 7-0 before a Memorial Day crowd of 24,009.

Hank Sauer's 13th homer broke a tie and won the first game. A three-run circuit clout by Augie Galan and a two-run homer by Ted Kluszewski provided more of the second game scores.

The victories raised the Reds to sixth place and toppled the Cards from the league lead.

The shutout was the first of the 1948 season for the Reds and the victories were their fourth and fifth in succession.

The Cardinals have lost their last five starts.

Joe Garagiola, coming from first on Ron Northey's pinch double, tied the first game in the sixth when he plunged into home so hard the ball bounced from Redleg Catcher Ray Lamunno's glove for an error. Nippy Jones had scored on the same hit. The first Card tally came in the third when Enos Slaughter's single scored Schoendienst, who had walked.

Sauer's homer, the 31st of the season for the Reds, landed on top of a one and one-half story building across a street from the Crosley field left field fence.

Raffensberger, who walked two men in the first inning, settled down to keep the bases clear until the eighth, when Jones, the first man up, sent a line drive across second base. Kenny gave another walk in the ninth.

Galan and Kluszewski both sent their homers over the right field fence. Kluszewski's smash followed Galan's walk in the sixth. Galan's seventh inning homer followed singles by Grady Hatton and Claude Corbett.

**Baruch's \$2,200 Goes And Comes at Races**

NEW YORK (AP)—Bernard M. Baruch attended the races at Belmont Saturday and later reported the loss of a roll of bills.

George Pearsall, veteran employee in the park's admissions department, had turned in \$2,200 in \$100 bills.

Baruch came back yesterday for the suburban handicap, claimed his property and said that was "the biggest kick I ever got out anything at a race track." He said Pearsall would get a \$500 reward.

**OIL-BLACKENED MAURI ROSE** greets photographers with tired grin after stopping his Blue Crown Special in the winner's circle of the Indianapolis Speedway. His blazing 119.89 miles per hour topped all the previous records and gained him the classic's triple crown.

(A P Wirephoto)

## Wins 3rd 500-Mile Auto Race

INDIANAPOLIS (AP)—Mauri Rose, the grand little driver with the big black mustache, streaked to his third triumph in a 500-mile automobile race at the Indianapolis motor speedway in the fastest time in history yesterday.

The exciting finish was almost identical with the 1947 race, in which Rose and his teammate, Bill Holland, Reading, Pa., finished first and second. Holland trailed Rose yesterday across the finish line by barely a mile. Duke Nalon, Los Angeles, was third and Ted Horn, Paterson, N. J., fourth.

As Rose steered his four-cylinder Blue Crown Spark Plug Special across the finish line, the winner in four hours, 10 minutes, 23.38 seconds, for an average of 119.813 miles an hour, he blotted out the previous record set 10 years ago. The late Floyd Roberts had established the record of 117,200, made in his 1938 victory.

Rose, a 42-year-old automotive engineer of South Bend, Ind., joined Wilbur Shaw, president of the speedway, and Louis Meyer of Los Angeles, builder of automotive racing engines, as the only ones ever to win the Memorial day classic three times.

Closest to Rose, winner of \$20,000 first prize and \$8,000 in lap prize money, came his teammate, Holland, who had combined with Rose to make a two-car race of it in the thrilling last 50 miles. Holland's average speed was 119.147 mph.

### Left at Finish

In the 32nd annual 500-mile race it was established early, often and convincingly for more than 175,000 spectators that the drivers could take it but the cars could not. At the finish there were just seven of the original 33 starters still on the track.

While the ultimate cheers of the tremendous crowd went to Rose and Holland, a special ovation went to Ted Horn, one of the top four finishers for his ninth straight race. An attempt had been made to sabotage Horn's Italian Maserati the week before the race, but a handful of sand found in the crank case apparently did not damage the engine.

In the winner's circle, Rose's engagement to Miss Ruth Wentworth, gift shop employee in South Bend, was announced. Miss Wentworth said they would be married June 13.

The spectators were saddened by the misfortune that befell Rex Mays, Glendale, Calif., one of the pre-race favorites. He led for the first 17 laps, fell behind Horn, and remained in a challenging position until he shot back into the lead at 180 miles. He dropped back to fourth at 300 miles and had to give up the race at 310 miles when his gas tank sprang a leak.

Rose drove the entire distance without relief, making only one stop of one minute and nine seconds to replenish his fuel tank and make a quick change of tires.

Rose never was farther back than fourth throughout the race. He was in No. 4 position for the first 100 miles, then moved up to second at 200 and was ahead at 300. He jockeyed for first position with Horn between 300 and 350 miles, Horn going ahead on Rose's pit stop and Rose regaining the lead when Horn had to refuel.

## D. M. Bruins Break 11-Game Losing Streak

DES MOINES (AP)—Earl York's homer in the fourth inning with Ransom Jackson on base gave Des Moines a 2-0 Western league baseball win over Lincoln in the first game of a doubleheader here, and broke an 11-game Des Moines losing streak. Lincoln took the second game, 4-0.

The Athletics outthit the Bruins, 9 to 3, in the opener but Jack Christensen kept Lincoln's blows well scattered.

## Cubs, Bucs Swap Victories

### Holiday Bill Draws Record Attendance

CHICAGO (AP)—The Chicago Cubs and the Pittsburgh Pirates split a doubleheader yesterday, the Cubs edging the Bucs 4 to 3 in the first game, and the Pirates winning the second 4 to 2 before 46,965 fans.

The paid attendance of 46,965 was the highest in the history of the Chicago club. The previous high of 46,572 was set a year ago when Brooklyn's Jackie Robinson made his Windy City debut.

Eddie Waitkus and Andy Patko paired singles off Kirby Higbe in the ninth inning of the first game to give the Cubs the victory. Bob Rush, Cubs rookie right hander, registered his first big league win. Both teams employed four pitchers.

Bill Nicholson, appearing in a pinch-hitter's role, slashed out a long triple in the sixth to score Peanuts Lowrey and tie up the ball game after the Pirates had

exploded for three runs in the top half of the sixth to go into the lead, 3-2.

Inability to hit in the clutch probably cost Pittsburgh the game. Thirteen Pirates were left stranded on the sacks.

Elmer Riddle's seven-hit pitching paved the way for Pittsburgh's

second game victory.

Riddle struck out eight and walked just one in winning his fifth game of the season and his third victory over the Cubs.

Patko was the day's individual batting star, pounding out five hits, including a home run in each game.

## Giants Move Into First Place After Splitting With Brooklyn

BROOKLYN (AP)—Johnny Mize walloped two home runs and Sid Gordon one to lead the New York Giants to a 10-1 victory over the Brooklyn Dodgers in the afternoon half of a Memorial Day doubleheader. A crowd of 34,349 saw Andy Hansen snap the Dodgers' four-game winning streak with a six-hitter in his first start of the season.

A morning turnout of 22,753 saw Ralph Branca help win his own game with a run-scoring single which gave the Dodgers a 4-3 win. The split in the twin bill enabled the Giants to take over undisputed possession of first place in the National league, a half game in front of the St. Louis Cardinals who were beaten in both ends of a doubleheader by the Cincinnati Reds.

Mize's homer drove in four runs, two in the first off losing pitcher Erv Palica, and two more in the eighth off Willard Ramsdell. They were No. 7 and 8.

Gordon also got his eighth round tripper, in addition to a double and two singles, for a perfect afternoon at bat.

Branca went the route in the first game to gain his fourth victory against five defeats. He allowed eight hits and fanned three. With the score tied at 3-3, Branca slugged a single past shortstop Buddy Kerr to score Whitman from second with the winning run.

## Braves Paste Phils After Losing Opener

BOSTON (AP)—Boston's Braves yesterday snapped a four-game losing streak by whipping the Philadelphia Phillies 10-4 in the second game of a doubleheader. The Phils won the opener 6-3, ending a three-game losing streak of their own.

Blix Donnelly, ailing with intestinal grippe, saved the first game for the Phils. He came in the eighth with two on and one out. With the score tied at 3-3, Branca slugged a single past shortstop Buddy Kerr to score Whitman from second with the winning run.

## Six U. S. Women Golfers Bid For British Amateur Crown

ST. ANNE'S-ON-THE-SEA, ENGLAND (AP)—Six of the ten American starters gained the third round of the British Women's Amateur golf championship yesterday in a bid to duplicate the triumph of American Frank Stranahan in the men's tournament last week.

Louise Suggs of Atlanta, Ga., U.S. Women's champion and 8 to 1 favorite to take the British title in Thursday's 36-hole final, set the pace with a one-under-par 34 on her outgoing nine yesterday.

Other American survivors in the round of 32 were Mrs. Glenna Collett Vare of Merion, Pa., Grace Lenczyk of Newton, Conn., Mrs. Estelle Lawson Page of Chapel Hill, N.C., Dorothy Kirby of Atlanta and Dorothy Kibby of Los Angeles—all members of the victorious Curtis Cup team.

Miss Suggs opened her bid by defeating John Hammond of Lon-

don, 4 and 3, and then eliminated Martha Barron, another English woman, 5 and 4.

Mrs. Vare, six-time U.S. champion and captain of the American Curtis Cup Team, followed up her 5 and 4 first-round triumph over Mrs. Noel Sabine of England by ousting Nancy Cook of Wales by the same score.

## Balk Gives A's 2-1 Victory After Bosox Win First, 7-0

PHILADELPHIA (AP)—The Philadelphia Athletics bounced out of the American league lead yesterday and then quickly recaptured the top spot as Joe Coleman notched his sixth victory of the year, beating the Boston Red Sox, 2-1, in the second game of a holiday twin bill.

Joe Dobson blanked the A's with four hits in the opener, 7-0. A crowd of 24,838 watched Red Sox Pitcher Mickey Harris balk the winning run across the plate in the sixth inning of the nightcap.

Harris and Manager Joe McCarthy put up a vigorous verbal battle with Umpire Art Passarella, but the umpire's decision held and Hank Majeski stroled home with the payoff tally.

The A's had not gotten a man as far as second base until the sixth, but Harris suddenly lost his control. He walked Ferris Pain, yielded a single to Majeski, and then passed Sam Chapman and Mike Guerra, forcing home Pain with the tying run.

With the bases still crammed, Harris pushed in mid-windup and stepped from the rubber while pitching to Don White. Passarella called the balk and the game was on.

By winning the opener, the Bosox snapped a four-game losing streak and won for the third time in the 15 games since they left Boston. Dobson won all three of those games.

## Indians Split With Browns

CLEVELAND (AP)—Cliff Fanning shut out the Cleveland Indians with four hits yesterday as the St. Louis Browns won the nightcap of a doubleheader 6 to 0 after dropping the opener to the Tribesmen 8 to 3 before 48,961.

The split left the Indians still a game behind the first place Philadelphia Athletics.

Manager Lou Boudreau provided the big punch for the Indians in the sixth inning of the opener by rapping a grand slam home run. Catcher Jim Hegan also hit for the circuit in that five-run inning.

## 55,875 See Tigers, White Sox Divide

DETROIT (AP)—Belting four pitchers for 15 hits, the Chicago White Sox came back to beat the Detroit Tigers 9 to 3 before 55,875 fans in the second half of a doubleheader yesterday after Detroit had won the opener 5 to 4. Art Houtteman took his sixth straight defeat for the Tigers in the second game.

The Tigers ran up a 4-0 margin off Orval Grove in the first two frames of the first game and staved off a game Chicago comeback to squeeze out the decision.

## Yankees Whip Senators in 2

NEW YORK (AP)—Scoring all their runs off Marino Pieretti in the first two innings, the New York Yankees staved off a last ditch Washington rally to nip the Senators 5-4 in the second game of their Memorial Day doubleheader. The Yankees also won the opener 10 to 1 to move within four games of the league-leading Philadelphia Athletics.

A holiday crowd of 62,626 saw the Yankees spray 25 hits all over the Yankee stadium in inaugurating their second long home stand.

Bobby Brown, subbing for the injured George Stinweis, smashed seven hits, including a double and his second home run. He collected four hits in the second game.

Brown's single, Tom Henrich's double and Joe DiMaggio's triple off Pieretti gave the Yankees a 3 to 0 lead in the first inning.

Frank Shea, aided by 16 Yankee safeties, which included home runs by George McQuinn and Henrich, hurled a masterful two-hitter in the opener for his third victory and second shutout.

## Scholarship Fund For Foreign Student Hits Goal of \$1,500

The Interfaith Scholarship fund has reached its \$1,500 goal. According to LeRoy Horsman, fund chairman, the financial drive was at the \$1,515 mark yesterday.

Accomplished in three months, the drive was established by the married student church groups here to support a student from Germany at SUI next fall.

Action is underway now for the selection of this student who will study here in the education department for a year, and return to Germany to teach for a contracted five-year period, Horsman said.

This student will be selected for his personality, ability to speak English, scholastic and moral standing, and his openmindedness toward the absorption of American ideals.

A final screening process will be conducted by the German ministry of education with the advice and approval of the education and religious affairs division of the American military government.

The Interfaith Scholarship fund at SUI is the first of its kind in the United States.

The basic program for raising the amount needed for the student church groups. The lesser tributions from the married student church groups. The lesser portion came from a benefit dance, three bake sales and an ice cream social.

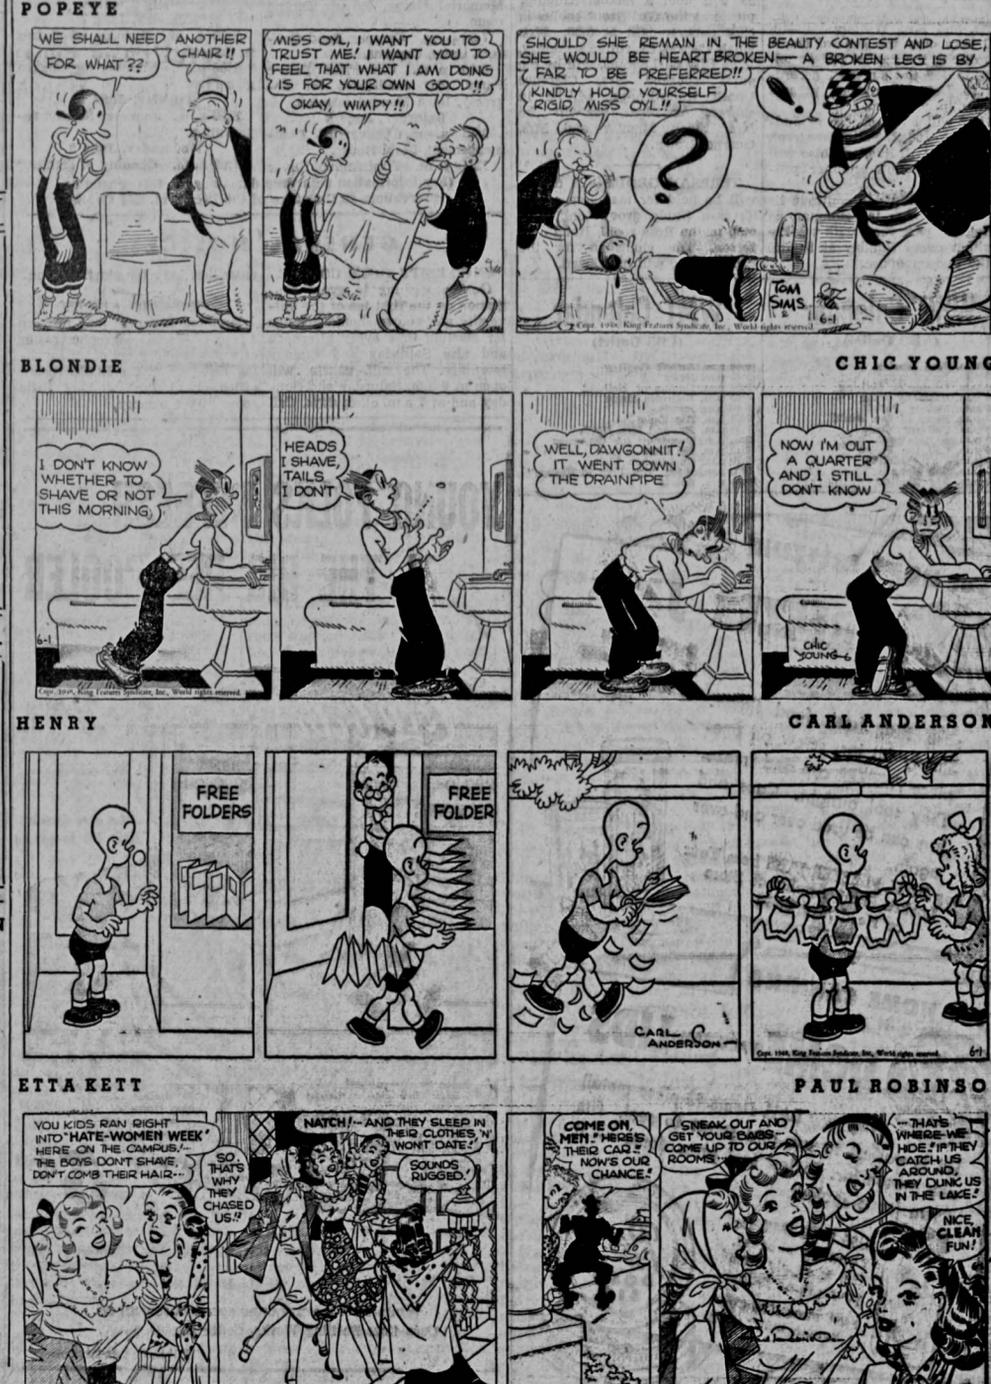

Also, money was donated by the SUI Student Christian council, interdenominational luncheon fellowship, church organizations, AVC and VFW. Some gifts came from other churches in the state and several from out-of-state churches.

William Wheeler, a member of the original committee, will succeed Horsman as chairman of the Interfaith fund committee.

**To Hold Single Service**

The Methodist church will have only one Sunday morning service during the next four months, Dr. L. L. Dunnington said yesterday.

This service will be at 9:30 a.m. to take advantage of the cooler portion of the morning during the summer. The single service will be held each Sunday through September with the double service program resuming in October.

# Benton Street Bridge Bonds To Be Issued Tonight by City

Issuance of \$276,000 in bonds for the Benton street bridge will be the main order of business for the city council in a special meeting at 7:30 tonight in the city hall council chambers.

Today was set as the date of sale of the bonds after a public hearing May 24 was held on the bond issue. Only one objection to the issuance was raised at that meeting so the council decided to go ahead with the sale.

The council awarded the contract for the bridge to the Jenson construction company of Des Moines on April 19 for an estimated cost of \$251,814. Completion of the bridge is expected by July, 1949.

Allowance has been made in the bond issue for engineering and supervision costs.

When the contract was awarded, Contractor E. V. Jenson said the project could be started immediately after receipt of the pier piling. "There is a good possibility we will get the piling by September or October of this year," he said.

The present Benton street bridge will be torn down by the Jenson firm as soon as a gas line attached to the old bridge can be shifted to the new structure.

The council first decided to ask for federal aid to start the plans for the bridge on January 20, 1947, when a 750 name petition was submitted by Alderman James M. Callahan.

The preliminary cost estimates of \$197,600 on the bridge were made on November 23, 1947 by Engineer Ned L. Ashton. A revised estimate was submitted by Ashton on February 24, 1948, amounting to \$210,000. The increase was necessitated, according to Ashton, because of the increases in the cost of steel.

Although the bid of the Jenson firm was more than the amount estimated by the engineer, it was allowed by the council. No city election was necessary on the bond issue.

On February 10 of this year the council voted to enter into contracts with George and Florence Morrow and the Iowa Electric Light and Power company to acquire property for the approaches to the bridge. The approaches will cost an estimated \$5,500.

## Baptist Fellowship Names Chairmen

Mr. and Mrs. William Wheeler will take over the general chairmanship of the Baptist Judson fellowship for the summer, according to LeRoy Horsman, present fellowship chairman.

They will be in charge of Judson house, 106 E. Fairchild street, where they will live, and also will direct the group's summer programs.

The fellowship will continue its program through the summer, as during the past year, with weekly meetings every Sunday at 5 p.m. at the Judson house.

## "Shop-Lifter" Declares Store Needs Detective

DETROIT (AP)—The thought of stealing anything was farthest from her mind, Mrs. Vivian Coddington Mann, 37, told police.

She just wanted to be a store detective.

So, police quoted her as saying, she tried to walk out of a department store with \$34.67 worth of merchandise — without paying. Then she planned to return the goods to convince the store it needed a detective, she said.

The woman is being held for investigation of larceny.

The store said it doesn't plan to hire her.

## Meetings, Speeches

# Town 'n' Campus

ACACIA—A dinner for alumnae of Acacia fraternity will be held Friday at 7 p. m. in the Rose room of Hotel Jefferson. Student Acacias are invited and are asked to contact Harry Imus, X4648, for reservations.

CATALYST CLUB—The annual picnic for Catalyst club members and their families will be held Saturday afternoon in City park. Supper will be served at 5:30 p. m. A nursery will be provided at the Prof. George Glockler residence, 621 Holt avenue, from 4 to 7 p. m.

GIRL SCOUTS—Brownie troop 38 will hold a mother-daughter picnic at the Girl Scout cabins in City park tonight at 5:30. Mrs. Hugh Carson, executive secretary, Iowa City Girl Scouts, will be the guest speaker. Mrs. Clarence Unash, troop leader, will be in charge. Assisting her will be Mrs. Eldon Memler and Mrs. George Brown.

TERESAN GROUP—A dinner will be held for members of the Teresan Study group tonight at 6:30 in the Rose room, Hotel Jefferson. The chairman for the coming year will be elected.

## Fire Sweeps St. Paul Stockyards

A SIX-BLOCK SECTION OF THE STOCKYARDS in South St. Paul, Minn., was swept by flames yesterday. The dealers' division, 88 cattle cars, 50 head of cattle and a test barn were destroyed by the rapidly spreading fire which started in a shed of baled hay on the west side of the yards. Three firemen were overcome by smoke. One required hospitalization but apparently was not in serious condition. (AP WIREPHOTO)

## To Establish New Firm

A new heating and air-conditioning company will be established in Iowa City, it was announced yesterday.

The firm, the S. and S. Air-Conditioning company, will be operated by Ed and Bob Sheridan, former residents of Parnell. Dur-

ing the past three years, they have operated heating businesses in Davenport.

Location of the new concern will be 1909 Muscatine avenue.

The company will handle air conditioning and heating equipment; gas, oil and coal stokers and hot air heating systems.

## Weekend Accidents Cause \$875 Damage To Five Automobiles

Two holiday weekend accidents causing total damage of \$875 to the cars involved were reported to police yesterday.

A three-car collision Sunday at 9:25 a.m. involved cars driven by Rudolph J. Prybil, route 6, Glenn H. Blanchard, 711 E. Burlington street, and Foster E. Adams, Dubuque.

The collision occurred on the Burlington street hill near the Dodge street intersection.

Blanchard reported \$500 damage to the front end of his car. Prybil and Adams both listed \$150 damage to their cars. No one was injured.

The second accident occurred Saturday at 12 noon at the Madison and Burlington street intersection.

The collision involved cars driven by Donald L. Edwards, 113 E. Court street, and Milo J. Palmer, 21 E. Bloomington street.

Edwards reported \$75 damage to his car. Palmer did not list the damage to his vehicle. Both drivers escaped injury.

## OFFICIAL DAILY BULLETIN

Items in the UNIVERSITY CALENDAR are scheduled in the President's Office, Old Capitol. Items for the GENERAL NOTICES should be deposited with the city editor of The Daily Iowan in the newsroom in East Hall. GENERAL NOTICES must be at The Daily Iowan by 2 p.m. the day preceding first publication; notices will NOT be accepted by telephone, and must be TYPED OR LEGIBLY WRITTEN and SIGNED by a responsible person.

VOL. XXIV, No. 210

Tuesday, June 1, 1948

## GENERAL NOTICES

- UNIVERSITY GOLF COURSE: Golfers wishing to avoid congestion on the first tee of the university golf course should arrange for starting time every afternoon and also Saturday and Sunday mornings. The golf course will open at 6 a.m. Saturday and Sunday and at 7 a.m. other days. Call extension 2311 for starting time.
- PERSHING RIFLES: Pershing Riflemen may pick up a copy of the mimeographed roster of summer addresses of all Pershing Riflemen at the ROTC record office or at the Pershing Rifle room in the armory.

## To Hear Topinka Damage Suit Today

Marvin Topinka's \$25,000 damage suit against Margaret Worrell is scheduled for trial beginning this morning in the Johnson county district court.

Topinka is suing for \$12,500 on each of two counts of malicious prosecution and slander. He claimed Mrs. Worrell signed a criminal information against him charging him with rape. She later dismissed the charges, he said. He claimed the unfavorable publicity and alleged slander damaged his reputation.

Attorney for Topinka is Will J. Hayek. Will J. Jackson and Edward Rate are representing Mrs. Worrell.

## Manville Heights Club Elects Mrs. Howell Head

Mrs. Lloyd Howell was elected president of the Manville Heights club for the coming year.

Other officers, all of whom were re-elected, are Mrs. Clifford Palmer, vice-president; Mrs. John McCollister, secretary; and Mrs. George Robeson, treasurer.

The Manville Heights club picnic will be held Thursday, June 24, at 6:15 p.m. in City park. All residents of Manville Heights are invited, Mrs. Howell said.

## Alice Traeger To Wed

MR. AND MRS. EDGAR A. TRAEGER, West Union, announce the engagement and approaching marriage of their daughter, Alice, to Adrian Crawford, Floydada, Tex., son of Mrs. S. M. Crawford, Arkadelphia, Ark. Miss Traeger was graduated from the university college of liberal arts in 1946 and the college of law in 1948. Her fiancé was graduated from the university college of liberal arts in 1948 and is now a junior in the college of law. He is affiliated with Pi Kappa Alpha, national social fraternity. The wedding will be held Sunday at the Bethel Presbyterian church, West Union.
