

Wealth Unhealthy, They Say

HUNTINGTON, W. VA. (AP)—Saturday night Jack L. Adams, won \$7,300 on a radio quiz contest, but his wife today said they were refusing the sudden wealth. "We don't figure it's worth the trouble," she said. "Our health won't stand it, so we've decided not to take the money."

Single Plane Bombs Cairo In Night Raid

CAIRO (AP)—A plane raided Cairo late last night, dropping one bomb which blasted Fouad street in the heart of Cairo.

There was no immediate report of the damage or whether there were any casualties.

The Cairo air raid alarm system immediately went into action and by throwing of a central switch the city was completely blacked out. A barrage of anti-aircraft guns followed.

Munitions experts told Premier Mahmoud Fahmy Nokrashy Pasha that the missile was "an aerial mine."

Nokrashy Pasha told newsmen that "if this plane proves to have been a Zionist plane and such an action is repeated by the Zionists, we will reply immediately."

Earlier, Israel charged Syria with widespread violation of the Palestine truce and an Israeli spokesman said "the Israeli army will consider itself at liberty to attack the Syrian army wherever they are."

"The Haganah command has decided not to cease fighting until the Syrians are repulsed," the spokesman added.

The truce, ordered for Sunday night by United Nations Mediator Count Folke Bernadotte, was reported generally effective on the southern and central fronts.

The Jews said the Syrians launched a post-truce attack on a hill near the Syrian border in upper Galilee. The hill, taken a few days ago by the Jews, was the subject of an alleged Syrian truce violation during the previous Holy Land cease-fire.

Cairo Mob Stones American to Death

WASHINGTON (AP)—Stephen Haas, Philadelphia real estate man, was stoned to death Sunday afternoon in Cairo by an Egyptian mob, the state department announced yesterday.

Haas, a naturalized American citizen. His home was at 427 W. Chelton avenue, Philadelphia. He was in Cairo as a tourist, officials said. He and his wife were set upon near the Cairo citadel. Press Officer Lincoln White told reporters several Egyptian companions of Haas and his wife were badly hurt and that members of a British family also were injured.

Mrs. Haas apparently was not badly hurt.

The state department's announcement was based on advices from the Cairo embassy.

The American charge d'affaires at Cairo, Jefferson Patterson, has made strong representation to the Egyptian government over the death of Haas.

Dads Collect \$1007 In Pool Fund Drive

An additional \$1,007 was collected by the Community Dads yesterday for the swimming pool fund, marking the largest sum announced in any one day of the campaign.

With the \$1,007 addition, the pool fund climbed to a total of \$9,133.28.

This leaves \$3,366.72 yet to be collected in the \$12,500 drive to pay for the remaining contracts for the swimming pool.

William Grandrath, publicity chairman of the drive, announced that the addition yesterday included \$673 from the residential drive, \$284 from the business district and \$50 more from the lodges.

No Stocking Stockpiling for Soviets

Santa's Cause Limited by Atomic Complications

HAGERSTOWN, MD. (AP)—Even toy manufacturing has its international complications.

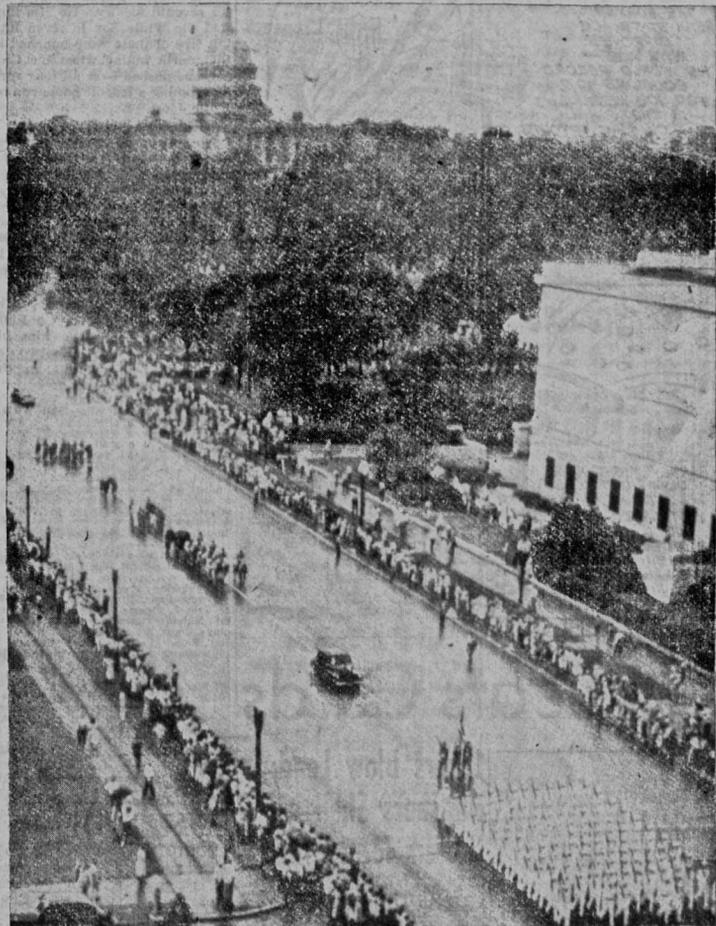

Santa Claus got into the act yesterday with a toy chemical set containing uranium ore. That's the stuff which produces atomic energy—and "the bomb."

But the Hagerstown manufacturer of the new toy hastily assured jittery Americans that the Russians won't find a new stockpile in their Christmas stockings.

"You can't send them to Russia," said Vice-President M. M. Hanson of the Porter Chemical company.

Hanson isn't sure the Russians are interested in his toy. But he's

Last March for a Soldier

THIS IS PART OF THE MILE-LONG FUNERAL CORTEGE which escorted the body of Gen. John J. "Black Jack" Pershing to Arlington national cemetery yesterday. Moving down Washington's Constitution avenue from the Capitol (background) are West Point cadets in white uniforms followed by the national colors, an auto carrying in the clergyman, the horse-drawn caisson bearing the body, active bodybearers, a black riderless horse and a group of high-ranking officers. When the procession ascended the last steel hill at Arlington, 19 guns boomed out a salute. The 87-year-old general of the armies fought from the Philippines to Germany, where he commanded the American expeditionary force during World War I. Yesterday's tribute was the greatest paid an American military man since the body of the unknown soldier was laid to rest in the same cemetery more than a quarter century ago.

Ford, Union, Renew Contract Negotiations

DETROIT (AP)—Walter P. Reuther appealed directly to Henry Ford II yesterday to help avert a strike of 116,000 Ford Motor Company production employees.

As a result, Ford agreed to resume negotiations with the CIO United Auto Workers. They were broken off July 14.

The company and union announced they would hold both morning and afternoon sessions today in renewed efforts to reach agreement on contract terms.

Reuther acted after his UAW-CIO executive board unanimously authorized a walkout in 46 Ford plants across the nation.

The union leader spoke of the "seriousness" of the situation. "If the Ford Motor Company views this situation in the same light and advises the union of willingness to meet," Reuther wired Ford, "we are prepared to arrange the time and place for such a meeting."

Ford replied tersely by wire that "the Ford Motor Company remains willing to meet with your negotiating committee."

Ford has offered the UAW-CIO a 13-cent-an-hour wage boost and other concessions.

suspicious. Recently the firm got an order from Finland.

Turned it down, said the vice-president. The order looked fishy to him.

Nervous fathers and mothers also got soothing words from Hanson.

"There's no way whatever a child can hurt itself," insisted Hanson. "Why, he can even swallow these pieces of uranium with no more effect than if he swallowed coal dust."

(Editor's note: What's good or bad about coal dust Hanson wouldn't say.)

The vice-president explained a child can't cook up a Hiroshima

County GOP Eyes Mitchell, Mason for State Secretary

Strong support was indicated for Helen Mitchell of Council Bluffs and Richard Mason of Ames, candidates for secretary of state, at the caucus last night of Johnson county delegates to the GOP state convention in Des Moines Friday.

But the 43 delegates emphatically did not commit themselves to a first ballot choice. The group met at 8 p. m. in the county courthouse.

(The convention's main job will be to select a candidate for the post, since none of the eight candidates got 35 percent of the votes in the June primary.)

Candidates in the field are George Pritchard, Onawa, June graduate of the SUI college of law; Richard Mason; Jesse Halden; Charles Knickerbocker; and N. D. Synhorst.

Mason and Mrs. Mitchell received the most praise from the delegates. Delegates William Morrison (recently a delegate to the GOP national convention) and William Meardon, Jr., L3, spoke in favor of Mason.

Meardon asked the delegates not to overlook the fact that Mason came out second in the primary, and is now deputy secretary of state, which is "the best qualification I know."

Morrison liked the idea of having a young man on the ticket for young persons to rally around.

District Judge Harold D. Evans was the first to speak on Mrs. Mitchell's behalf. He said a woman was needed on the ticket

in the bathtub. The four experiments in the set just offer a passive insight into the action of atomic energy. For instance, radioactivity working on a photographic film leaves images "like shooting stars."

Besides, the low grade of uranium ore used wouldn't even make a Geiger counter wiggle. The ounce or so in the set is in a natural state, not refined as necessary to get pure uranium and make a bomb.

Hanson believes his company is the first to receive permission for commercial use of uranium ore. The license was issued, he said, by the U.S. atomic energy commission,

Allied Leaders Meet, Discuss Berlin Crisis

West Europe Terms Issue 'Very Grave'

THE HAGUE (AP)—Leaders of five western European nations here last night viewed the Berlin crisis as "extremely grave" and advised utmost caution in dealing with the Russians.

This was disclosed by an authoritative source at a meeting of the Western European union to forge a common defense linked with the armed might of America.

Britain, France, The Netherlands, Belgium and Luxembourg make up the union. The source, from one of the Benelux countries, said the representatives met for four hours last night but reached no agreement on a course of action in the Berlin crisis.

Originally, British Foreign Secretary Ernest Bevin and French Foreign Minister Georges Bidault were slated to discuss the Berlin crisis.

They called in Premiers Paul-Henri Spaak of Belgium and Pierre Dupong of Luxembourg, and Foreign Minister Baron von Boetzeler Van Oosterhout of The Netherlands. All five form the western European permanent council created more than two months ago.

The informant refused to give any additional information on the Berlin discussions other than to relate the extremely grave view held by the five officials. He said the German situation would be discussed again today.

The ministers then were scheduled to get to the heart of their agenda—the straightening out of their 50-year military alliance and the possibility of basing it solidly on definite commitments of American military assistance.

In general they had a three-fold chore:

1. To study the means of tightening the military alliance they signed May 7 and to discuss ways of basing this alliance on the armed might of the United States.

2. To prepare means for drawing the five countries closer economically and financially.

3. To map a common program for developing weapons which will give further strength to the alliance.

The United States was being kept informed of developments by special couriers who shuttled by plane between The Hague and London. No American observers were present.

One of the points touched upon was said to have been a proposal for formation of an Atlantic alliance of western Europe with North America.

Draft May Call Up 25-Year Olds First

WASHINGTON (AP)—Men of 25 may be the first ones called in the peacetime draft.

Maj. Gen. Lewis B. Hershey disclosed that idea was under consideration as he was sworn in yesterday as director of selective service under the law passed by the last congress.

Hershey gave no details in his brief comment but the purpose of taking 25-year-olds first would be obvious—they will soon be past the law's age limit. If they are not taken quickly they cannot be taken at all.

Registration for the draft runs from 18 through 25. The law says men from 19 through 25 may be inducted.

The general told a news conference he has no information yet as to when registration will start. Under the law, actual drafting cannot start until Sept. 22.

Hershey said the first job so far as he is concerned is to get some local draft boards and state selective service directors. The directors are nominated by governors and appointed by the President.

Hershey said 13 million cards and registration certificates have been prepared.

The initial registration is expected to total 9,600,000, increasing thereafter by several thousand a month.

Talk About Burning Holes in Pockets—

TSINAN, CHINA (AP)—When the Tsinan power plant almost ran out of coal, plant officials saved the day by burning money. Several days' coal supply was saved by burning more than 100 cases of cheap Chinese currency in small denominations. With the U.S. dollar today worth more than eight million yuan, people no longer will accept small bills of less than 10,000 yuan denomination.

French Cabinet Falls; All Socialists Resign

PARIS (AP)—Premier Robert Schuman's government fell last night when all its eight Socialist ministers resigned.

The issue was chiefly a proposed budget for national defense, although there were other conflicts in the background. Schuman and his Popular Republican party sought to spend the equivalent of \$1,017,000,000.

The Socialists and radical Socialists wanted to cut this by \$17-million.

Third Party Ready For 1st Convention; Slate Platform Talks

PHILADELPHIA (AP)—Henry A. Wallace's third party pitched camp yesterday and completed arrangements for its founding convention.

The week-long Wallace exercises get under way today with an executive session of the 74-member platform committee to be followed by two days of open hearings on party policy. Convention sessions start Friday night.

Initial phase of preliminaries was a meeting by 50 members of the civil rights congress and the committee for democratic rights to merge their groups and outline a program of action.

William L. Patterson of Chicago, executive secretary of the civil rights congress, denounced President Truman's loyalty tests of federal employees as "treachery" and complained of increased police brutality during recent strike demonstrations.

He called for a fight to abolish the house committee on un-American activities and declared federal authority should be invoked to protect polling places of the south at the November election so Negroes may not be deprived of their franchise.

Dr. Rexford Guy Tugwell of the University of Chicago and one of the original Roosevelt brain-trusters heads the platform writers. Leo Pressman, for years connected with the CIO, is secretary.

Prominent members include Louis Adamic the writer; Harry Bridges, west coast labor leader; Julius Emspach of the radio and electrical workers; O. John Rogge, formerly of the Attorney General's office at Washington.

Chairman of the arrangements committee is J. W. Gitt, York, Pa., publisher. The party rules committee will be headed by New York's congressman Vito Marcantonio, American labor party member.

Nominations of Wallace and Idaho's Senator Glen H. Taylor as his running mate will be made Saturday. Wallace headquarters expects up to 30,000 people to invade Shibe park Saturday night for their acceptance speeches.

Other members of the platform committee include:

Henry J. Berquist, Wisconsin; Fannie Cook, Missouri; Ernest Goodman, Michigan; Julius Jones, Missouri; Floyd W. Kaneaster, Kentucky; James Nash, Indiana; Grant Oakes, Illinois; Estelle M. Osborne, New York; Seymour Si-porin, Illinois; Edwin S. Smith, Vermont; The Rev. Arthur F. Stearns, Nebraska; Fred W. Stover, Iowa.

American Soldier Killed In Korean Border Zone

SEOUL (AP)—One American enlisted man was killed and another wounded slightly in an ambush early yesterday at an outpost near the dividing line between American and Russian zones of Korea, the army announced this morning.

An unknown number of Koreans, in civilian clothing, attacked five American soldiers with grenades and small arms, the army report said.

Then the attackers ran in the direction of the Russian occupation zone.

Administration Calls Round of Secret Talks

WASHINGTON (AP)—Thomas E. Dewey's foreign affairs advisor and the British ambassador were called in by the administration yesterday in an round of high-level conferences on the Russian blockade of Berlin.

There was some speculation that the move might mean the next counter-measure has been decided on.

The German crisis, with its underlying threat to world peace, was "high on the list" of discussions between President Truman and top diplomatic and military officials at the White House, a state department spokesman said.

Later John Foster Dulles, advisor to Gov. Dewey, Republican presidential nominee, and Sir Oliver Franks, the British ambassador, were consulted at the state department.

Franks talked for an hour later in the day with Undersecretary Lovett. He told reporters that the Berlin situation was discussed.

Mr. Truman got a fresh report in person from Undersecretary of the Army William H. Draper.

Draper has just returned from the Berlin area, where a Russian clampdown on food and fuel shipments from the west has brought about the possibility of a clash between Russian and western arms.

Grimly, Draper refused to tell reporters what went on behind the White House doors. Others, including Secretary Marshall, Secretary of Defense Forrestal, and Secretary of the Army Royal, were equally silent.

Eben Ayers, assistant press secretary for the White House, said the military leaders "gave the President a fill-in on the Berlin situation. The President is being kept constantly informed of developments."

These developments are expected to shape up rapidly this week. The United States, Britain and France may agree within a matter of days on a course of forceful action planned to counter the Russian blockade.

A high U. S. authority, who would not be quoted by name, said:

"If we were to back down at Berlin, we would not be safe in our rights in Vienna, Trieste, western Germany or anywhere else where our interests are in direct contact with those of the Russians. We have no choice except to stand absolutely firm here."

New notes of protest may be dispatched to Moscow soon from Washington, London and Paris.

3 SLIGHTLY INJURED IN 2-CAR COLLISION NEAR KELLEY FIELD
Mr. and Mrs. Franklin P. Light, 518 S. Van Buren street, were badly shaken up, and I. G. Listerbarger, Missouri Valley, suffered a cut on the bridge of his nose in a two-car collision at 8:30 last night on highway 218 in front of Kelley Field. Mrs. Light was treated for cuts and abrasions at the office of Dr. Andrew C. Garvy. Listerbarger told state highway police he did not see Light signal for a left turn into the Kelley field entrance drive. He told officers he could see no rear light on Light's car. Light said he had signaled for a left turn, and that his car had proper tail-lights. He said Listerbarger's car hit him from behind as he was turning. Damage to Light's car was not estimated. Listerbarger said his car was damaged to the extent of about \$200.

REPUBLIC STEEL, CIO AGREE ON WAGE INCREASE
PITTSBURGH (AP) — President Philip Murray of the CIO-United Steelworkers yesterday announced agreement had been reached with the Republic Steel Corp., of Cleveland granting 13-cent average hourly wage increases to 55,000 production workers. Murray said the agreement was negotiated "on the same terms and conditions as the wage pact reached Friday with the U. S. Steel Corp." The U. S. steel agreement granted increases of 9 1/2 to 25 cents hourly for an average raise of 13 cents. The present contract was extended until April, 1950 with a wage reopening clause in July, 1949. Republic, the nation's third largest steel producer, became the third basic steel company to follow "big steel's" lead in hiking wages.

City Council Accepts Bid For Paving

The city council last night accepted the bid of the William Horabin construction company for the paving of sections of seven Iowa City streets.

The cost of the project will be \$97,517.47. The streets included in the paving project are Keokuk, Court, F. Lusk, Bayard and Yewell and Iowa avenue.

The resolution passed by the council directed the mayor and city clerk to enter into a contract with the Horabin firm.

Only one other bid was received for the project. It was for \$106,157.86 from the Haeg construction company. The engineer's estimate of the cost of the paving was \$98,122.62.

The council passed a resolution notifying the property owners on the streets in the paving plan that connections for sewer, gas and water are to be made within 14 days. If the property owner does not do so, the city will make the connections and the cost will be assessed to the property owners.

The resolution also called for the notification of the Iowa Water Service company, Northwestern Bell Telephone company and the Iowa-Illinois Gas and Electric company.

The Larew company bid for the swimming pool bathroom plumbing was also approved and the mayor was authorized to sign the contract. The Larew bid was for \$8,753.

In other action the council:

1. Overruled the objections to the sand and asphalt treatment to sections of Marcy, Clark, Maggard, Walnut, Ginter and Howell streets at an estimated cost of \$1,994.84.

2. Passed a resolution waiving removal requirements on the university housing which the federal government had built for SUI. These barracks have been given to the university and the approval of the city was necessary to permit the university to keep them as long as needed. Under the original act, they were to be torn down after a certain period of time, according to Attorney Arthur O. Luff, who represented the university.

3. Authorized a contract with Lura H. Eden and Clayton M. Eden for the purchase of a quarter hut for \$1,600 to be used as a garage for street equipment.

4. Referred the petition of the American Veterans of World War II for a beer permit to the building and grounds committee for investigation. The council previously turned down the Amvet request on March 1, without giving any reason.

One Man Injured in Weekend Accidents

Henry Louis, 87, 319 S. Linn street, was injured when he was struck by a car on Burlington street Saturday at 8 p.m.

He was taken to Mercy hospital for treatment, but was released the same night. He suffered a black eye and stiff muscles from the accident. Louis was recovering at home yesterday.

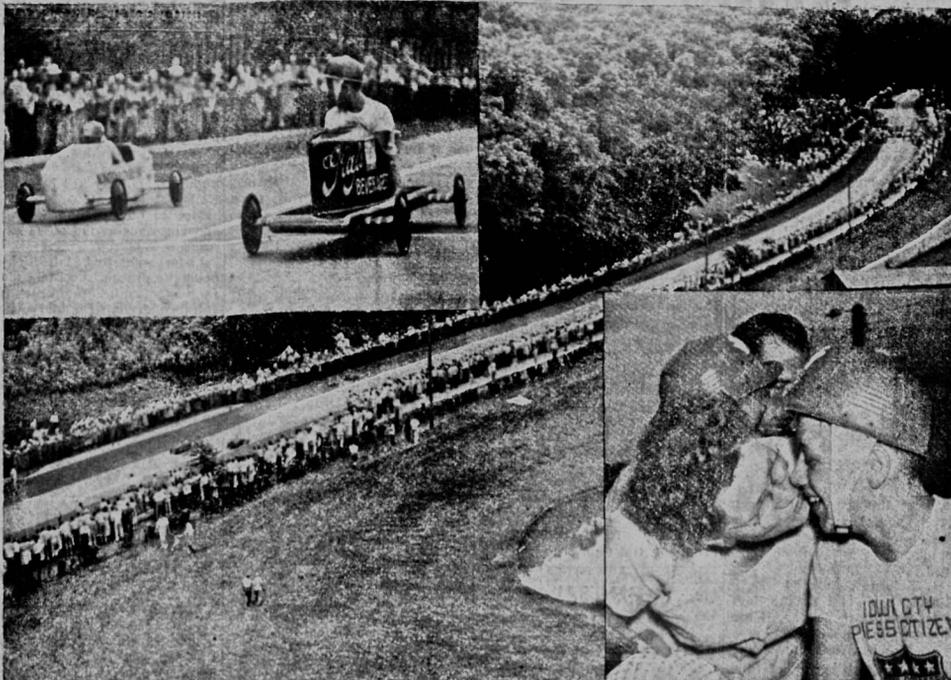

Mrs. Aloe Sasina, 819 S. Van Buren street, driver of the car in the accident, said Louis walked into the side of her car.

In another accident Saturday, cars driven by Sidney Curtis, Charles City, and Irene Wakefield, 6 E. Court street, collided at the intersection of Park and Temple roads. Reported damage to the Curtis car was \$75 and to the Wakefield car, \$15.

Thrills, Speed Highlight Annual Soap Box Derby

IT WAS DERBY DAY IN IOWA CITY SUNDAY as 39 Iowa City boys competed on the Riverside drive hill for the city championship in the Soap Box Derby. Shown above are two of the racers nearing the finish line in one of the early races. Frank A. Strub, 15, son of Mr. and Mrs. Frank J. Strub, 1117 E. Burlington

Street was crowned derby champion after nosing out Gene Novotny in the final race of the afternoon (top insert). Strub received a kiss from his mother (bottom inset) after winning the championship and the right to race in the national derby in Akron, Aug. 15.

Frank Strub Jr. Captures IC Soap Box Derby Crown

The 1948 Iowa City soap box derby champion, Frank Strub Jr., 15 year old son of Mr. and Mrs. Frank J. Strub, 1217 E. Burlington was crowned at ceremonies following the derby Sunday afternoon.

The champion's prize includes a trip to the national derby in Akron, Ohio, Aug. 15 and a chance to win the national prize of a four-year college scholarship.

Runnerup in the derby was Gene Novotny, son of Mr. and Mrs. William Novotny, 1833 Muscatine avenue, who won the class B championship. His prize was a new bicycle.

Other winners in class B for boys 11 and 12 years old were Richard Schwab, second, Lowell Mathes, third, and Robert Johnson, fourth.

In class A the winners included Strub, first; Bob E. Moore, second; John Englert, third and Howard Hamer, fourth.

Special prizes went to John Englert for the best designed car, Edward Brown for the best brakes, Edward Spencer for the best upholstered car and Tommy Pickering and Don Smith, two hard luck drivers who won their races but could not compete further because of damage to their cars.

The first real thrill of the derby came in the third race when one of the cars racing went out of control about 100 feet after leaving the starting ramp. No one was injured in that smashup.

Probably one of the most disappointed, if you could pick one out of the losers, was Don Smith. He won his race and then, according to Smith, his steering went bad and he crashed into the fence. He'd been having trouble with his steering and had worked until noon Sunday on it. His car was a complete wreck and, like Pickering, couldn't go on to race for the championship.

Mrs. John F. Cunningham, 1331 Muscatine avenue, was slightly injured when Smith's car crashed into the fence near where she was standing.

In the same incident one track official, who didn't want his name mentioned, was hit on the nose by a flying helmet. Smith, a little disgusted over his accident, threw his helmet and hit the official.

In the semifinal class B race, Gene Novotny, who was second place winner yesterday, was so excited when he crossed the finish line ahead of Bob Johnson that he threw his arms into the air. When he realized that was not the way for the driver of a derby racer

Margaret A. Lynch Weds W. G. Nusser

In a double ring ceremony Sunday at the First Congregational church in Red Oak, Margaret A. Lynch was married to William George Nusser. The Rev. Phillip Van Loven officiated.

Mrs. Nusser is the daughter of Mr. and Mrs. Eugene Baker Lynch, Red Oak, and Mr. Nusser is the son of Mrs. William L. Nusser, 330 W. Park Road, and the late William L. Nusser.

Harriet Lynch, Red Oak, sister of the bride, served as maid of honor at the 2 p.m. ceremony and Stephen Nusser, Iowa City, brother of the groom, was best man. Following the ceremony, a reception was held in the church parlors.

Mrs. Nusser is a graduate of Sigourney high school and the University of Iowa where she was a member of Phi Beta Pi social sorority.

Mr. Nusser, a graduate of University high school, is now a senior at the university where he is affiliated with Phi Kappa Psi social fraternity.

The couple will live at 411 N. Dubuque street, Iowa City.

Admit Polio Case To SUI Hospitals

Another polio patient has been admitted to SUI hospital, hospital authorities announced yesterday.

Janette Monroe, 11, Castalia, Ia., was admitted July 17. Her condition is described as fair.

The hospital's other polio case, Barbara Funk, 14, Moline, Ill., is reported as still in serious condition.

Barbara Goodrich, 8, Muscatine, was discharged as fully recovered on July 16.

Smith, Fisk Withdraw Board Resignations

Mayor Preston Koser announced yesterday that Roland M. Smith and Henry L. Fisk had requested withdrawal of their resignations from the Iowa City board of assessment and review.

The two men had resigned July 8 following a meeting of the three taxing bodies of the county at which it was decided not to hire an outside appraisal company for the revaluation of Iowa City personal property as the board had requested.

Then, on July 16 the school board, board of supervisors and the city council reversed their action of July 7 and voted to hire the J. M. Clemmshaw company for the revaluation.

The mayor was directed at that meeting to contact the resigned members of the board regarding reconsideration of their resignations.

The mayor also reported yesterday that a representative of the Clemmshaw company will be in Iowa City in the near future to begin the revaluation.

Work must be completed by Sept. 7. The original date for completion was August 1 but an extension of time has been granted by the state tax commission.

Willtrout Case Goes Under Advisement

Lester Willtrout's injunction hearing against Irvin and Mary Fountain, and Chester Frantz was taken under advisement yesterday by Judge Harold D. Evans in Johnson county district court.

Evans heard rebuttals in the case which was continued from Saturday morning to yesterday at 2 p.m.

Willtrout has asked the injunction to keep the defendants from coming on a 10-acre farm near Lone Tree. He said he rented the land from Fountain in February and since then the defendants have damaged his corn with a tractor-plow and carried off some grain.

Fountain said in a cross-petition filed Saturday that he only rented Willtrout five acres.

Attorneys in the case are E. L. O'Connor for the plaintiff and Emil G. Trott for the defendants.

Last Rites Today For Emma Glaspey

Funeral services for Emma Glaspey, 84, long-time Iowa City resident, will be at 3 p.m. today at the Oathout funeral chapel. Dr. P. Hewison Pollock of the Presbyterian church will officiate.

Miss Glaspey died at 10:30 p.m. Saturday at Mercy hospital.

She was born in Scott county Feb. 12, 1863, the daughter of John and Catherine McKnight Glaspey. Her father was a Civil war veteran.

When she was a small child, she moved with her family to Liberty township, where she lived on a farm for many years.

In 1909 she came to Iowa City, and had resided here since that time.

Miss Glaspey is survived by three sisters, Sarah Glaspey, Rose Glaspey, and Mrs. Fannie G. Barnum. The four sisters lived together at 335 S. Lucas street.

Also surviving are three brothers, Warren, Fresno, Calif.; Wallace, Hills, and Charles, Independence.

Former SUI Student's Novel To Be Published

"City Limit," a novel by Hollis Summers II, former SUI student, will be published August 10 by Houghton Mifflin company, Boston, Mass.

The book was completed last year at the university while Hollis was working for his Ph.D. and studying creative writing under Paul Engle and Andrew Lytle, both of the English department.

Circus To Arrive In Town July 30

The circus is coming to Iowa City!

The lot at the corner of Gilbert and Kirkwood will be the circus grounds on Friday, July 30. The Dailey Brothers circus will present two shows, one at 3 p.m. and the other at 8 p.m., it was announced yesterday.

The circus has 25 elephants, including the smallest elephant in the country. Circus officials also claim their show to be one of the largest circuses in the United States, second only to Ringling Brothers.

The five-ring circus, held under what circus officials say is the longest tent in the world, has 100 horses and ponies, besides a menagerie of other animals.

Featured in the show is an elephant ballet, in which all 25 elephants take part, a wild west show and "Bengal", a spectacle in which all the elephants, horses and camels, along with an appropriately costumed cast, take part.

4 Weekend Thefts Being Checked by Iowa City Police

Iowa City police yesterday were checking four thefts reported over the weekend.

George Gibson, 219 1/2 S. Linn street, reported that two \$20 bills were taken from a dresser drawer in his apartment sometime Friday or Saturday. He also reported five silver dollars were missing from an apartment across the hall.

Both the locks on the doors had been pried open. Other articles, including watches in both apartments, were untouched.

J. C. Springer, 18 S. Van Buren, said his house was entered Friday and a pair of trousers was stolen. In a pocket was a billfold with some money in it, keys and a driver's license.

Dr. Fred Bauer, 1122 Sheridan avenue, told police someone broke into the glove compartment of his car and took a flashlight and two pairs of sun glasses.

E. E. Cline, 603 E. College street, reported two lawn chairs were stolen from his yard Friday night.
