Indict 12 U.S. Communists On Anti-American Charge

Top Party Officials Arrested; Action Termed a 'Frame-Up'

NEW YORK (AP)—Twelve U.S. Communist party leaders and members were indicted yesterday on charges of advocating the overthrow of the United States government.

Among them was William Z. Foster, head of the Communist party of America.

Seven of the group, including Dennis, were arrested and arraigned on the charges.

The others, named with the first seven in secret indictments returned by a federal grand jury investigating alleged subversive activities, were being sought.

A formal statement by the Communist party, released a few minutes before the seven were arraigned, denied the charges and characterized them as a "monstrous frame-up."

Arrest Detroit Man

One of the group was arrested and arraigned in Detroit last night. He was Carl Winters, 41, chairman of the Michigan state council of the Communist party and a member of the party's national committee.

The others were taken into custody in New York City. All those arraigned here entered pleas of innocent. The same plea was entered for Winters in Detroit.

The other four under arrest were:

New York City Councilman Benjamin Davis; John R. Williamson, trade union secretary for the party; Henry Winston, party organizational secretary; and Jacob Stachel, educational secretary.

All Indicted

All 12 indicted were identified by federal authorities as members of the Communist party's national board.

The five being sought were identified as:

Irving Potash, manager of the CIO furriers joint council of New York City; John Gates, Editor since July, 1947, of the Daily Worker, official organ of the Communist party in the United States; Robert G. Thompson, chairman of the New York state Communist party; Gilbert Green of Chicago, district chairman for the Communist party at Chicago, and Gus Hall of Cleveland; chairman of the Ohio Communist party.

"Conspiracy" Charges
The indictments charged all with "conspiring to teach and advocate the overthrow of the United States government by force and violence."

The six arrested in New York City were arraigned before Federal Judge Vincent Leibel, who set bail at \$5,000 for each.

Amount of the bail set for those arrested here was protested vigorously by attorneys for the group.

Judge Leibel granted a request for a 30-day period in which to file motions, and set Aug. 23 as the deadline for this action.

Leibel then ordered the men held in jail until bail was posted.

Paroled Overnight

Shortly before 8 p.m. (Iowa time) the six defendants in New York City, were paroled overnight in the custody of counsel after Leibel had been told it had been impossible to post bonds because of the lateness of the hour.

Leibel ordered the men to be in court this morning to post bail.

The Communist party statement added:

"The American people can now see to what desperate provocations Truman is driven in an effort to win the election, by hook or crook. As the New York Sun flatly stated,

the reported indictment of the Communists is neatly timed to embarrass the New People's party now holding its founding convention in Philadelphia."

No Wallace Comment
That was a reference to Henry Wallace's New Party.

In Philadelphia, C. B. Baldwin, campaign manager for Wallace, said:

"We aren't making any statement on this because it doesn't involve the New Party. My only answer would be 'no comment.'"

Foster, who succeeded Earl Browder as chief of the American Communist party, has been affiliated with the party since 1919, federal officials said. He has been three times party candidate for U.S. president.

The others are long-time party members, federal officials added. Several are facing deportation proceedings.

Cite 1945 Meeting
The indictments which named the 12 charged them with illegal activities dating back to April 1, 1945.

Cited in the indictments was a meeting of the party's national board "on or about June, 1945." This meeting allegedly was called for the "purpose of organizing as the Communist Party of the United States of America a society, group and assembly of persons dedicated to the Marxist-Leninist principles of the overthrow and destruction of the government of the United States by force and violence."

Membership Hit
The indictments also charged the party with holding membership in the Communist party, "knowing well that said Communist party was and is a society or assembly of persons teaching the overthrow of the United States by force and violence."

All those mentioned in the indictments specifically are charged with violating the Smith act. Federal officials said the maximum penalty for conviction under this act is 10 years imprisonment and a fine of \$10,000 for each charge.

Those arraigned here yesterday were indicted on two charges each.

David Freedman, one of their attorneys, told the judge he hoped to be able to raise bail for the group soon.

Dewey Says GOP Platform Won't Jell In 'Rump' Session

WASHINGTON (AP)—The Thomas E. Dewey camp said yesterday that the 1948 Republican platform can't possibly be written into law by what it called the "rump" session of congress starting next Monday.

Herbert Brownell, Jr., Governor Dewey's campaign manager, handed down the word. He told a news conference:

"The Republican platform calls for the enactment of a program by a Republican congress under the leadership of a Republican president.

"Obviously, this cannot be done at a rump session called at a political campaign."

Brownell wouldn't say what he meant by "rump" session, but his criticism was leveled at President Truman's announcement of the congress call when accepted the Democratic nomination last week at Philadelphia.

At that time, Mr. Truman ticked off a list of measures he wants passed. Many of these, he said, the Republicans supported in their platform. He said he would give them a chance to carry out their pledges.

Brownell issued his statement after discussing the substance of it, he said, with Dewey.

Eaton to Truman: State War Danger

WASHINGTON (AP)—A leading Republican congressman said yesterday President Truman should tell congress how close the United States is to war with Russia.

Rep. Eaton (R-N.J.), chairman of the house foreign affairs committee suggested that the President deliver his estimate of the situation when congress reconvenes upon his call next Monday.

Rep. Eaton told reporters that in Mr. Truman's first announcement that he was recalling congress, the President mentioned only domestic matters. Eaton declared, however, that the situation resulting from the Russian food blockade of Berlin is "the supreme issue confronting not only the nation but also the world."

"It is a world conflict between Christ and the devil, between freedom and slavery," he said.

"Our little political differences don't amount to a hill of beans. We are at the most fateful moment in the history of civilization."

Eaton said the state department has been "tremendously worried" about the situation, and he added: "So were we."

More Planes to Germany

Call Clay for Berlin Report

BERLIN (AP)—The growing Berlin crisis was reflected yesterday in announcements that American

CLAY LEAVES FOR U.S.

FRANKFURT (AP)—Gen. Lucius D. Clay, U.S. military governor in Germany, left last night by plane for Washington. He will return to Germany Sunday.

air power in Germany will be bolstered by 75 jet-propelled fighter planes and that Gen. Lucius D. Clay, American commander in Germany, has been summoned to Washington for a report on the situation.

Gen. Clay will fly from Frankfurt, accompanied by his political adviser, Robert Murphy, to report to the department of the army.

The American moves followed a surprise Russian announcement that they were prepared to supply all of Berlin with food. The Russian announcement was labeled "propaganda" by allied spokesmen who tended to discount it in view of the fact that it would defeat the apparent purpose of the Russian blockade of Berlin.

U.S. spokesmen in England said the 75 "Shooting Star" jets, comprising a full group of fighters, would arrive in Scotland Aug. 4 on the aircraft carrier Sicily, and would be flown to Germany—but not to Berlin.

Another 16 fighters of the same type are enroute to Germany in the first east-bound jet crossing of the Atlantic. In addition, 60 giant B-29 Superfortresses have arrived at three RAF air fields in England for "training missions."

There was some speculation the jets might be used as escorts for the flying freight wagons now supplying blockaded Berlin with food, if the western powers decide that step is necessary.

The report of Clay and Murphy, the top American policy makers in Germany, is expected to play a major part in deciding the next American step in the battle to break the Russian blockade. Sharp counter-measures have been reported under consideration since Russia refused to yield to stiff protest notes from Britain, France and the United States. Proposals have ranged from excluding Russians from allied routes in other parts of the world to the drastic step of sending an armed supply convoy through Russian barriers.

The Russian promise to supply food to western Berliners was not put into practice yesterday. The Russians said they would help feed all of the city's residents, including two million in the western sectors, with the aid of 100,000 tons of bread and grain to be shipped from the Soviet Union.

Both the American and British military governments were skeptical of the Russian offer. Gen. Clay said "the proof is in the performance, not in the statement."

The British officially labeled the offer "pure propaganda" and promised that "the British with the United States of America will continue to supply the food necessary for the western sectors."

French Eye Herriot, Reynaud for Premier

PARIS (AP)—The names Edouard Herriot and Paul Reynaud were most mentioned for premier last night as the French searched for a strong government to speak for them in the four-power dealings they expect over Berlin.

Premier Robert Schuman resigned Monday night after the Socialists quit his cabinet and voted against his defense budget.

Friends of Former Premier Herriot were especially anxious to have the 76-year-old president of the national assembly come back and head the government through what one of them described as the "trying months ahead."

Reynaud, last premier before the surrender to the Germans in 1940, was opposed in some quarters because his name is linked with the disaster of 1940.

But some of those close to Herriot were afraid he was too old and feeble to take over the government.

Politicians seemed worried about what they had done in forcing Schuman's resignation, especially when the news from Berlin seemed more disquieting than ever.

Socialists who voted against the cabinet blamed Schuman's popular Republican movement for refusing the \$40-million defense budget cut they demanded. The Radical Socialists, the most conservative of the three groups in the cabinet, blamed both the others.

All three blamed the followers of Gen. Charles De Gaulle who did not vote at all in the assembly.

One De Gaulle said:

"You see what all this party intrigue leads to. Our time will come soon."

Schuman himself still was a possibility to head a new cabinet. His defeat did not come on a formal vote of no confidence and he might be called back to succeed himself.

Report Army Supply Move

SALINA, KAN. (AP)—A heavy rail movement of army equipment from Camp Phillips to the eastern coast of England appeared to be underway yesterday but a cloak of silence was drawn tightly about the operation.

It was understood through a source, considered reliable but who refused to be quoted, that 240 flat cars were loaded with gun carriages, vehicles, ambulances, and command cars.

Thirty-five of 80 box cars, reported on tracks at the camp, also were reported to be loaded and ready for movement. The box cars, it was understood, were to be filled with military supplies such as blankets, uniforms and the like.

The shipment was reported to have been designated for Liverpool, England. The source said it was his understanding that the movement was under the direction of army authorities at the nearby Smoky Hill air base, a B-29 bomber base.

No one in an official army capacity would comment.

In Washington, officials who could be reached said they did not know what the reported shipment might represent. Army officials commented that while there were normal shipments of replacement equipment for occupation forces in Europe the amount involved in this instance appeared too large for such consignments.

Airforce spokesman said the material was not airforce equipment.

Gottwald Tells Women 'There Won't Be War'

PRAGUE (AP)—The president of Czechoslovakia, Klement Gottwald, told a delegation of women yesterday there will be no war.

"I can assure you," he said, "that there will be no war. The Soviet Union will not attack anybody and it will not let itself be provoked into war as its nerves are too strong and that is what we need, too—just good nerves against war propaganda."

Registration for Men 18-25 To Begin August 30

WASHINGTON (AP)—President Truman yesterday ordered all American men 18 through 25 to register for the draft between Aug. 30 and Sept. 18.

No one would predict when actual inductions will begin. But this can not be before Sept. 22, or 90 days after Mr. Truman signed the draft bill making it law.

Eighteen-year-olds, not subject to the 21-month draft, may begin enlisting in the armed services Thursday. By volunteering for one year and then serving a longer period in the reserves they may avoid the draft later. By law only 161,000 of the 18-year-olds may be accepted.

Maj. Gen. Lewis B. Hershey, selective service director, emphasized that all men 18 through 25, unless they already are in the

active armed services, must register.

Whether or not a man is exempt from the draft makes no difference, he said. All must register, unless they now are in the regular forces and on active duty.

General Hershey estimated that this means approximately 9,500,000 men will sign up at America's 4,000 draft offices in the 20-day period beginning Aug. 30.

Exempt from the draft are all war veterans who served 90 days in the shooting war (Pearl Harbor Day, Dec. 7, 1941, to V-J Day, Sept. 2, 1945), or 12 months between Sept. 16, 1940, and June 24, 1948, when the draft law became law.

Also exempt are medical men, regularly ordained ministers, stu-

dents studying for the ministry, and conscientious objectors.

Men who were in the national guard or an organized, drilling reserve unit on June 24 also are exempt as long as they stay in that organization and carry out duties.

The registration dates are staggered, with men 25 signing up first, men 24 next, and so on.

President Truman's proclamation calling for registration set these dates:

Men born in 1922 after Aug. 30 will register first of all on Aug. 30. These are men of 25, about 300,000 of them, who would be ineligible after one more birthday.

Next to register will be all born in the year 1923. Some of these will be 24, some 25. But all born

in 1923 will register Aug. 31-Sept. 1.

Persons born in 1924 will register Sept. 2-3; 1925, Sept. 4 or Sept. 7; 1926, Sept. 8-9; 1927, Sept. 10-11; 1928, Sept. 13-14; 1929, Sept. 15-16; and persons born in 1930 before Sept. 19 must register Sept. 17-18.

Boys born after Sept. 19, 1930, will register on their eighteenth birthday, or within five days of it.

Registration will take place in the United States, Alaska, Hawaii, Puerto Rico and the Virgin Islands.

Just because registration dates are ordered by age groups does not mean men will be drafted in that order, selective headquarters said yesterday.

"This has not been decided yet," they said.

Neither has it been decided how many men will be called. That, said selective service, is up to the army, and will depend a lot on how many volunteers are signed up.

"The army orders men, and we just deliver the number they request," the draft office said.

Secretary of Army Royall said recently the first call will be "relatively small." The draft calls, he said, might total 30,000 a month.

When the draft law was first worked out, it was estimated that about 200,000 men would be drafted by the fall of 1949. During the next two years, a maximum of 606,882 may be inducted.

Wally Ris Injures Knee, Sent To London Hospital

Swimmer's Withdrawal Threatened

LONDON (AP)—American hopes in the Olympic swimming championships received a setback yesterday when several members of the men's tank team reported with colds and Wally Ris of Iowa, the 100-meter star, was sent to a hospital for treatment of a "football knee."

Ris, first casualty in the American camp, dislocated his left knee Sunday and when it failed to respond to treatment yesterday Coach Bob Kiphuth ordered him taken to an orthopedic hospital.

Several others among the 41 initial U.S. arrivals at Usbridge were on sick call with colds as they awaited the appearance of the main body of the U.S. squad today on the liners American and Queen Elizabeth.

All the divers and water poloists and the rest of the swimmers worked out twice yesterday in Olympic pools along with competitors or other nations.

Kiphuth was unimpressed by Monday's heat-wave which saw the temperature mount to 76 degrees.

"We've got to make a transition from the 90-degree temperatures at Detroit, where the tryouts were held, to the cooler and muggy climate here," said Kiphuth. "But we know what we are up against and we are getting acclimatized."

The U.S. swimmers and divers shared the Wembley pool with Chileans, South Africans and Egyptians. Arturo Mund, Chilean diving coach, admired Miller Anderson, U.S. diver from Columbus, Ohio, and predicted "he will win the championship."

Tigers Edge Yankees, 2-1

NEW YORK (AP)—Virgil Trucks dropped the New York Yankees to within a single game of the fourth place Boston Red Sox yesterday as he hurled Detroit to a 2-1 edge in the odd game of their three-game series.

George Kell, who collected three of Detroit's eight hits off Allie Reynolds, doubled to start the game-winning rally in the ninth. With two out, Hoot Evers singled to left, scoring Kell with the tie-breaking run.

The Yanks bunched two of their six hits in the fifth for their only run. Cliff Mapes' double was followed by Reynolds' single through the middle of the diamond.

Pat Mullin got that back for Trucks with his 13th homer into the right field seats in the seventh, the 11th home run ball Reynolds has thrown this season.

It was Trucks' fourth straight win and eighth of the year to five defeats. Reynolds was saddled with his fifth loss to 10 victories.

Reds Tip Braves, 9-6; Wehmeier Gets Win

CINCINNATI (AP)—Home runs, accounting for six markers, turned the tide for the Cincinnati Reds yesterday as they toppled the league-leading Boston Braves, 9-6, before a crowd of 3,804.

A five-run outburst in the sixth inning, featuring Johnny Wyrostek's three-run homer, overcame an early Boston lead and three more counters in the seventh put the game on ice for the Reds. Ted Kluszewski's circuit blow scored two of the seventh inning runs.

The victory broke a five-game losing streak for young Herm Wehmeier, giving him his sixth win as against five defeats. Bill Voiselle, a ten-game winner, fell to his seventh loss.

Kinnick Scholarship Refused by Towner; Brandt Undecided

John Towner of Des Moines has declined the Nile Kinnick scholarship award, President Virgil Hancher announced yesterday. Towner was one of five boys recently named for the award.

Duane Brandt of Waverly and Maurice Schnell of Carroll have not yet notified the University of Iowa officials whether they will accept.

In the case of Brandt, his mother said that he was "leaning strongly towards Iowa State."

Brandt, first man to make all-state in both basketball and football last year, is one of the most sought after athletes in the state.

Schnell, second-team all-stater last season said Monday night that he was still undecided between three schools, Iowa, Northwestern and Iowa State.

Alternates for the awards are Dick Gibson of Des Moines and Bob Clifton of Boone. Gibson was a football teammate of Towner at Roosevelt last year, and Clifton was the mainstay of the Boone state basketball tournament entrant.

Boston Blasts Browns; Kramer Cops 11th Win

BOSTON (AP)—Righthander Jack Kramer gave up seven hits, two of them homers, while gaining his 11th win of the season and his ninth in a row yesterday while the Boston Red Sox were sweeping a four-game series from the St. Louis Browns, 8-3.

The Red Sox belted 11 hits for Kramer, including four doubles and a triple by Sam Mele. The most important extra-base blow was Birdie Tebbetts' two-bagger with the bases loaded in the fifth inning.

Junior Stephens clouted a pair of two-baggers and a single to boost his 1948 hit production to the 100-mark, which the ailing Ted Williams reached before being sidelined 11 games ago.

Everyone Knows About Nile Kinnick, Bob Feller

— In Far-Off Tokyo —
By JOHN HOLWAY (Special to The Daily Iowan)

TOKYO, JAPAN—Nile Kinnick's name is a landmark in Tokyo.

The city's beautiful Meiji stadium, which was to have been the site of the 1940 Olympic games, was re-named by the Yanks in honor of the former Iowa all-American and war hero and is now called Nile Kinnick stadium.

Laid in the Emperor Meiji memorial recreational park, the yellow-stone, single-tier stadium accommodates about 30,000 spectators. Undoubtedly it would have been enlarged for the international contest, probably by adding an extra tier.

It is now used by the allied forces for football games, and recently hosted the inter-allied Pacific area track championships.

The field is situated in a hollow behind the Meiji museum. The whole park was laid out and named for the beloved Emperor Meiji, grandfather of Hirohito and one of the leading influences in the modernization of Japan.

The grandstand occupies the west side of the field and hill-side bleachers sit on the other three sides, fringed by trees, giving somewhat the same effect as the setting of the Hawkeye stadium in Iowa City.

Stadium park, a baseball ground, is nearby and just north of the stadium is the outside swimming pool, erected at the same time as the stadium in the 1930's. Its 50-meter course would have accommodated the Olympic meet had it been held. It can seat about 5,000.

All three of the stadiums are now being used by the occupation personnel, and have fine after dark facilities.

The pool was the scene last month of a record-breaking performance of Konishin Furuhashi, a young Japanese, who cracked Bill Smith's world rec-

ord for 800-meters. Although Furuhashi was credited with a time of 9:46.6, Smith's mark of 9:50.9 will still be recognized since the Japanese are still in the AAU doghouse.

Baseball is the national game with these people. Sandlot games are as prevalent as in America and it is the major college sport.

Baseball magazines are evident on any newstand in even greater choice than in America. They cover Japanese baseball thoroughly and also run profiles of some of America's better known players.

National league fans will be abashed to know that the best known American players are from the junior league. Almost every Japanese boy can repeat the names of Ted Williams, Bob Feller and "Jodimaggio," but he gets a cloudy look when confronted with names like John Mize or Stan Musial.

Lou Gehrig is another hero to the fans here. Yokohama's modern ball yard has borne his name since the Iron Horse, together with Babe Ruth and other American stars, visited the country about 15 years ago.

Japan has two professional leagues, one in Tokyo and the other in Osaka, the country's number-two city. Both cities have large, double-decked parks and play games five days a week.

Union organizer Robert Patterson might find a rich field over here if he tried to unionize the game.

Play-offs between teams from different cities for the nation-wide championship draw a great deal of interest.

In the colleges basketball is given only a little attention and football is played only in high schools. But the baseball series between the great Tokyo universities draw as much attention as an Army-Notre Dame football clash used to produce.

McGowan Suspended By Will Harridge

WASHINGTON (AP)—American league umpire Bill McGowan was suspended yesterday pending investigation of charges that (A) he threw hard objects at ball players and (B) cursed them.

Joe Kuhel, manager of the Washington Nats, demanded that McGowan be defrocked. The umpire's suspension was announced in Chicago by league president Will Harridge.

Kuhel's complaint was supported by a three-point, informal bill of particulars. He and other Washington Athletes alleged that:

McGowan threw an American league baseball Monday night at Ed Stewart, Nat outfielder, after Stewart had filed a verbal brief against a decision by plate umpire (Joseph) Paparella. McGowan missed Stewart, Stewart missed the ball, and Cleveland won the game, 7 to 6. Stewart said McGowan also cursed him and told him never to speak to him again.

Roxborough said he planned to see Louis last night and might have some kind of a statement then or today.

Joe's mother, Mrs. Lillie Brooks, who had exacted a promise from Louis that the Walcott fight would be his last, said of the Lesnevich report, "I won't let myself think about it. I don't want him to fight again."

Iowa City's Little Hawks will meet Wilson of Cedar Rapids in the finals of the southeast district summer baseball meet on the City high diamond at 8 p. m. tonight.

The Hawklets will be seeking revenge and a district championship since it was Wilson who bounced them out of the tournament last summer, 1-3. Wilson went on to take the state title.

City high advanced to the finals by edging Dysart, 2-1, and Wilson breezed past Burlington, 7-1.

NOTICE TO MAKE SEWER, GAS AND WATER CONNECTIONS TO WHOM IT MAY CONCERN:

All property owners interested are hereby notified that on the 19th day of July, 1948, the City Council of the City of Iowa City, Iowa, adopted a resolution ordering that the connections from sewer, water and gas to the curb line of the property adjacent to the proposed grading, curbing, and paving improvements which were ordered by this City Council on the 28th day of June, A.D., 1948, on the following streets and avenues in said City of Iowa City, Iowa, to-wit:

KEOKUK STREET from the pavement in place at the south line of Kirkwood Avenue to the south line of Highland Avenue.

COURT STREET from the pavement in place at the east line of 7th Avenue to the east line of 4th Avenue.

F. STREET from the pavement in place on the east line of 7th Avenue to the southerly line of Muscatine Avenue.

BAYARD STREET from the pavement in place at the east line of Lexington Avenue to the east line of Lusk Avenue.

LUSK AVENUE from the south line of Bayard Street to a point approximately 135 ft. south of the south line of Bayard St.

YEWELL STREET from paving in place at north line of Highland Avenue to the north line of Cottonwood Avenue; be made within 14 days from the 19th day of July, A.D., 1948, said connections to be made in accordance with the ordinances of said city relating thereto.

Said resolution further provides that in case such connections are not made within said time by the property owners, then the engineer of said city shall cause the same to be made and the cost and expense shall be assessed against the property in front of which they are made, as a special tax. Dated this 20th day of July, A.D., 1948.

Geo. J. Dohrer, City Clerk of Iowa City, Iowa.

TO THE EDITOR:

I'm an advertising man with training in public relations and good will. I'd like to thank the university for the good training received here . . . and for the worst example of public relations and good will I've seen.

I'm referring to one-ticket-to-one-graduate. That does it. The university has done things I haven't cared for. But this affects more than just another alumnus. This gains the disfavor of potential alumni.

I received a letter from a father in Colorado yesterday. He had planned to send his children (3) to SUI. But no more.

When the university shows complete disrespect for its students and their parents, they will gladly return this disrespect.

I'd appreciate it if SUI would write my parents and tell them not to bother about graduation. Just a little note saying, "We regret to inform you that your son has been lost in university action. Nothing can be done. People are unimportant and we don't give two hoots . . . about them."

Sorry, I don't care to tell them. Thanks again for your lesson. Many of us will remember it.

Roofing Company Sued By New Jersey Firm

Walter L. and Tillie Kadera, roofing business as the Kadera Roofing company, were sued in Johnson county district court yesterday for \$159.50 by Aerol Products company, West New York, N. J.

The New Jersey firm said it delivered to the roofing company goods valued at \$159.50 in June, 1947 and had not been paid. It therefore asked the court to award judgment in that amount.

Attorney for the plaintiff is F. B. Olsen.

Five Nations Urge 'Caution' With Russians

THE HAGUE (AP)—The five nations of the western European union were reliably reported in agreement last night against any show of force against Russia in Germany.

A communique at the close of the two-day meeting of the foreign ministers of Britain, France, Belgium, the Netherlands and Luxembourg said they were in complete agreement on a "number of international problems of direct interest to the five countries, notably that of Germany."

It added that they had decided to do everything possible to "defend their independence, integrity and institutions."

This declaration coincided with an announcement from the London Foreign office that American and Canadian military experts had arrived there to take part in defense talks with the five-power alliance.

A conference source said the five countries were agreed on a cautious policy toward Russia in Germany because they wished to avoid danger of a clash if possible. The informant said it was recognized that the situation in Berlin was "extremely grave."

Warn 'Get Here First' To City Navy Hopefuls

It's first come, first served for the only Iowa City 18-year-old male to be accepted here for a one-year enlistment in the navy, Chief Harry T. Irwin, local navy recruiting officer, said yesterday.

However, if an applicant misses the boat in Iowa City, he may apply at another recruiting office and possibly get in under their quota, he said. The quota of such enlistments for the state is 36 a month. Only one is allotted to Iowa City.

The year's service will satisfy the draft requirements, he said, but upon discharge, the man must serve in the inactive naval reserve for six years or in an organized active reserve for four years.

R. A. Mace Ordered To Appear in Court

Raymond A. Mace, 312 Lafayette street, was ordered yesterday in Johnson county district court to appear in court next Tuesday to show why he should not be held in contempt of court.

Velma Mace, 308 Lafayette street, asked for the citation. She said he has failed to carry out a court order of April, 1947, which stated he should pay \$25 weekly support to three minors in Mrs. Mace's custody. The Maces were divorced at that time.

Mrs. Mace said Mace was \$125 short on payments as of July 10, 1948. He has not made any payments since a week before that date, she said.

The film, "50 Minutes of West Point Championship Football," will be shown today by the bureau of visual instruction, Dean Bruce E. Mahan of the extension division announced yesterday.

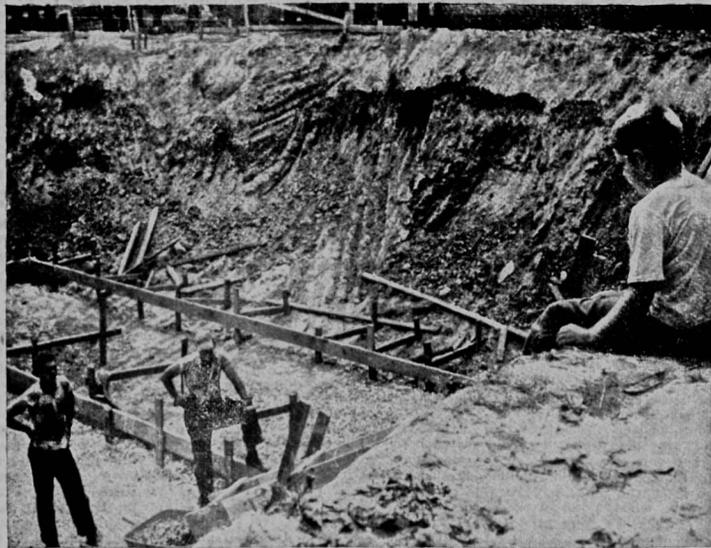

The film will be shown in the audio-visual laboratory, E205 East hall, at 4:15 p. m. This is the final presentation in the series of educational films which the bureau of visual instruction has shown weekly for the past five weeks.

Music Faculty To Play Piano, Viola Selections

Patricia Trachsel, viola, and Norma Cross, piano, will be the performing artists in tonight's faculty music recital at 8 p. m. in the north hall of the Music building.

Misses Trachsel and Cross will play the "Concerto in B Minor," by Handel, "Divertimento," by Haydn and arranged by Piatigorsky, "Adagio," by Kodaly and "Sonata in E Flat Major, Opus 20, Number 2," by Brahms.

That's Deep Enough—Just Fill It Up

(Daily Iowan photo by Erwin Gilmore)

"IF IT WAS FILLED WITH WATER it would be good enough for me now," James Schaaf, 9, 426 Bayard street, said yesterday as he watched workmen running crushed rock onto the floor of the bathhouse sub-structure of the swimming pool. This excavation is for the filter system and various bathhouse plumbing, according to R. H. Wildman, contractor. All excavation has been completed for the pool and forms for the walls and floor of the men's section of the bathhouse are being built now also. Wildman said construction is on schedule but the date of completion of the bathhouse depends on the availability of materials. Meanwhile, W. H. Grandrath, publicity chairman of the Community Dads drive for the swimming pool fund, announced receipts totaling \$180 were turned in yesterday bringing the fund total to \$9,313.28. This leaves a little over \$3,000 to be collected in the \$12,500 drive.

Willtrout Claim Denied by Judge Evans

Lester Willtrout was denied any claim to five acres of land near Lone Tree he said he leased in February from Irvin Fountain, by Judge Harold D. Evans in Johnson county district court yesterday.

Willtrout asked a court injunction to keep Fountain, his wife, Mary, and Chester Frantz, employee of Fountain, from going on the land.

Willtrout said he leased 10 acres from Fountain. Fountain said he leased the plaintiff only five. Evans decided the plaintiff had not proved he had leased the entire ten acres.

Evans issued an injunction against the defendants to keep them from going on the five acres remaining in Willtrout's hands.

Last Rites Tomorrow For Mrs. Donohoe, 80

Funeral services for Mrs. P. J. Donohoe, 80, will be at 9:30 a. m. tomorrow at St. Michael's church in Holbrook. Burial will be in a nearby cemetery.

Mrs. Donohoe died at 10 p. m. Monday at the home of her daughter, Mrs. William P. Burns, 2303 Muscatine avenue.

The body is at the Hohenschuh mortuary. The rosary will be recited at 7:30 p. m. tonight at the mortuary.

Change Broadcast Time of Symphony

The time of the university symphony broadcast, over a coast-to-coast NBC network, has been changed to 10 a. m. Sunday, July 25, Earl E. Harper, director of the school of fine arts, announced yesterday.

The half-hour program, which will feature the finale of "Symphony in E Minor," by Richard Hervig, instructor in the department of music, was originally scheduled for 1:30 p. m. this Saturday.

Harper said NBC was obliged to carry the Wallace convention and had to shift the time of the symphony broadcast. FCC regulations demand that political candidates be given equal air time.

A production manager, an engineer and an announcer from NBC in Chicago will begin work two and a half hours before the broadcast to make final preparations, Harper said.

Student's Son Injured When Hit by Car

John Craig Boucher, 8, son of Mr. and Mrs. Morris R. Boucher, 136 Templin park, was taken to University hospital with bad lacerations after being hit by a car driven by Mrs. Eunice Ione Shickell, Nevada, Iowa, at 2:15 p. m. yesterday.

The boy, according to Mrs. Shickell, was crossing River street near Templin park when the accident occurred. He stopped in the middle of the street to await a car traveling northeast and then suddenly darted back into the path of Mrs. Shickell's car, traveling in the opposite direction, she said.

An Oathout ambulance took the boy to the hospital where he was reported to be in good condition. The boy's father is a university graduate student, Mrs. Shickell, with her two sons and her mother and father-in-law had left western Indiana early yesterday morning for their home in Nevada, Iowa.

Morale Still Low Prof. Cazamian Talks On France

The morale of the French people is still low, especially that of the young people, Prof. Louis Cazamian told members of the Kiwanis club yesterday noon.

Cazamian, visiting English professor from the University of Paris, spoke on "how it feels to be on the other side."

"The teenagers are the greatest problem in France," he said. "Their faces are worn, they are undernourished and they have no sense of responsibility."

Cazamian praised the Marshall plan for aid to Europe, but said he thought the Midwest of the United States has been against it. The aid individual families and groups have given to French families was also lauded by Cazamian. He said it gave them "belief in the future that unknown American families would aid them."

The European recovery after World War II is harder than after World War I for the European people, Cazamian said, because they felt greater destruction and devastation during World War II.

Cazamian said he dreams of a United States of Europe with prosperity, happiness, and fraternity. The French, he said, "do not despair of peace, and won't yield to war panic."

Road Improvement For Vet's Housing

University married student housing area roads will soon be improved by the addition of crushed rock, according to R. J. Phillips, superintendent of physical plant.

Phillips said a breakdown at the quarry has prevented the university from proceeding with the work. Three thousand tons of crushed rock have been ordered and will be spread over three miles of housing roads when it is received, he said.

At present, workmen are grading and preparing the roads for the rock, Phillips said.

Board of Education Accepts \$44,404 In Research Grants

Medical research grants to SUI totaling \$44,404 were officially accepted yesterday at a meeting of the state board of education finance committee.

The U. S. public health service made four grants amounting to \$37,918. The grants included the following:

The national advisory council of the health service gave \$25,000 for research work in cancer. The psychiatry department received \$6,600 to renew research work.

The pharmacology department of the medical laboratories, \$3,780 for research study of the thyroid function.

The pharmacology department received \$2,538 for research on the mode of action of quinine and related compounds on bacteria.

In other grants the federal security agency gave \$4,986 for research to be done under the direction of Dr. Fred W. Schueler of the pharmacology department. The biochemistry department received a \$1,500 grant from Nutrition Foundation, Inc. for research work.

Funeral Rites Today For Mrs. Mae Schultz, Long-Time Resident

Funeral services for Mrs. Mae Schultz, 61, long-time Iowa City resident, will be at 2:30 p. m. today at the Hohenschuh mortuary.

Mrs. Schultz died Monday morning at a local hospital. Born Aug. 19, 1886, at Adel, Iowa, she was married July 7, 1906 to William Arthur Schultz.

The couple came to Iowa City to make their home.

For more than 20 years, Mrs. Schultz taught school in Johnson county and the vicinity.

She is survived by a son, Donald, Van Nuys, Cal.; a daughter, Blanche, Des Moines, and a grandson.

Burial will be in Oakland cemetery.

Rev. Newton To Speak in Final Lecture

The Rev. Joseph Fort Newton, preacher and writer, will give the final summer session lecture at 8 p. m. Friday. Prof. M. Willard Lampe announced yesterday. His subject will be "Education for World Citizenship."

The lecture will be given on the west approach to Old Capitol, or in case of rain, in Macbride auditorium. No roundtable will follow the lecture.

The Rev. Mr. Newton's son, Joseph Emerson Newton, has been a graduate assistant in English at SUI during the past year.

The Rev. Mr. Newton has been a lecturer in the SUI English department. Lampe said no clergy-

man, with possible exception of the Rev. Charles R. Brown, has spoken more frequently at the university's baccalaureate and commencements. His last appearance was as baccalaureate speaker in June, 1947.

An outstanding preacher in the English speaking world for several decades, the Rev. Mr. Newton has been associated with many denominations and religious groups.

Dr. Newton has published several books dealing with practical religion. He still publishes a weekly sermon in the Philadelphia Evening Bulletin.

Fewer Convention Speeches

Local Delegate White Asks 'More Business, Less Oratory' in National Meeting

Political conventions would be a lot better if politicians cut out a lot of speech-making and got down to business, Jack C. White, who just returned from his first Democratic national convention, said yesterday.

Johnson County Attorney White was one of the 32 official Iowa delegates to the Philadelphia sessions. Former president of the Young Democrats in Iowa, White was the youngest Iowa delegate.

White said he had a lot of fun and an interesting time at the convention where he met and talked to such men as Jim Farley, James Roosevelt, Paul McNutt, Sen. Joseph O'Mahoney, Senator Claude Pepper, and President Truman.

White said he was "highly impressed" with O'Mahoney of Wyoming, one-time possible vice-presidential candidate.

The Iowa delegation was situated in the center of the hot-bed of political excitement at the convention. Iowans were seated between Alabama and Louisiana and across from Florida.

White said delegates had been expecting the southern walk-out all week.

He praised Rayburn's adeptness as a presiding officer and described the scene at convention hall when southerners were clamoring for recognition to announce a walk-out. This followed adoption of a strong civil rights plank.

"The south set up a squeal," he said. But Rayburn called for adjournment and southerners had to come back after supper. "Gov. Sparks of Alabama, who made the walkout speech, was right in back of us. He was mad, too."

After several shifts of opinion, the Iowa delegation voted 18-2 in favor of the stronger civil rights platform plank.

When he arrived in Philadelphia Sunday, Truman's nomination

seemed to be a foregone conclusion, White said.

He said that if word hadn't been circulated that headquarters wanted Barkley to receive the nomination for second spot on the Democratic ticket, two or three ballots would probably have been necessary to elect Barkley.

Mabie Names Cast For Insect Comedy

E. C. Mabie, head of SUI's dramatic arts department, yesterday announced the cast for "The World We Live In," the fantastic insect comedy.

The play, last in this summer's community series, opens Saturday at 8:00 p. m. in the University theater. It continues from Monday until the following Saturday.

Included in the cast are Harriet Bigus, A3, Kansas City, Mo.; Portia Boynton, G, Lincoln, Neb.; Dick Brown, G, West Branch; Irene Fosness, G, Conrad; Robert Frederick, G, La Crosse, Wis.; Raymond Hill, G, La Crosse, Wis.

Henry Lee, G, Lincoln, Neb.; Carmen Morris, G, Malden, Ill.; Tom McBride, A1, Elgin, Ill.; Luana Sennish, A4, Cleveland Heights, Ohio; Harold Shiffler, G, Des Moines; Judith Smith, A4, Iowa City; Robert Sporre, A3, Fairbault, Minn., and Bedford Thurman, G, Easton, Penn.
