The Weather

Fair today. Partly cloudy tomorrow with little change in temperature. High today 90; low 68. Yesterday's high 90; low 69.

Letters to Governor Charge Liquor, Gambling Laws Voided

Three letters reportedly have been sent to Gov. William S. Beardsley pointing out alleged violations of state liquor and gambling laws in Johnson county, it was learned last night.

Donald L. Myers, an SUI physics department employe, and Dr. L. L. Dunnington, pastor of the Methodist church, mailed letters to Beardsley yesterday.

The third letter was reportedly written by a 1947 grand juror who claimed the grand jury failed to indict several tavern owners two years ago for a series of alleged violations.

The grand juror, whose identity was not revealed, reported that County Attorney Jack C. White said at that time there was not sufficient evidence for an indictment—or a conviction.

Neither White nor Sheriff Albert J. (Pat) Murby could be reached for comment last night.

In his letter to Beardsley, Myers claimed to have recounted details of two raids on taverns in North Liberty last Thursday and Friday.

Myers claimed a raid made by county authorities on Shannon's and the Lighthouse in North Liberty Thursday failed to produce any evidence supporting liquor and gambling violations.

The following day, however, Myers said he obtained a search warrant from Police Judge Emil G. Trott, who with Myers and Constable Roy Lewis, raided Shannon's tavern again.

Lewis later reported seven slot machines and about 17 bottles of liquor were found by the raiders and confiscated. The seized items were turned over to the county sheriff.

A condemnation hearing for the seized goods is scheduled in Trott's court tomorrow at 5:15 p.m.

Two Congressmen Scrap on DP Bill

WASHINGTON (AP)—The chairmen of the senate and house judiciary committees, Sen. Pat McCarran (D-Nev.) and Rep. Emanuel Celler (D-N.Y.) traded angry words yesterday over displaced persons legislation.

They called each other "disagreeable" and hotly disputed each other's figure on the number of refugees thus far admitted into the United States.

McCarran finally broke up the meeting of his committee indefinitely. He said it might meet today and then again it might not.

U.S. Official in Berlin Says He'll Quit Post

BERLIN (AP)—Jo Fisher Freeman, director of the military government's finance division, said yesterday he will resign his position this week because a reorganization ordered by John J. McCloy minimized the division's role.

Since McCloy, who is to be the U. S. high commissioner, succeeded Gen. Lucius D. Clay as commander in Germany, several top men have quit to return to the United States.

Crippled Youngster's Brace Found

A DETROIT YOUNGSTER, seven-year-old Sally Porrett, crippled since birth by spastic paralysis, was to have had the plaster cast on her leg removed Tuesday to be replaced by a special brace which would have enabled her to walk. However, someone stole the brace from her dad's car Monday which meant that a new brace would have to be made. This might have taken several weeks. Sally's gloom turned to joy last night when two tots found the brace in a weed-covered lot. Sally is shown with her mother, Mrs. Edward Porrett.

Union's Street Gets Face-lifting

DRIVING FORWARD FOR ANOTHER SCOOP, workmen from the William Horrabin company continued their work on the repaving of Madison street from Jefferson to Market streets. The project was authorized by the city council Monday night. A new concrete pavement is to be poured, and the street will be widened from its present 30 feet to 40 feet.

Okays 2 Reorganization Plans

WASHINGTON (AP)—The senate approved two of President Truman's government reorganization plans yesterday.

One of them, officially called plan No. 2, gives the stripped-down labor department a potent transfusion by transferring to it the job-finding and unemployment compensation functions now handled by the federal security agency.

The other, plan No. 7, transfers the public roads administration to the department of commerce. It now is in the recently organized general services administration headed by Jess Larson.

Maragon, a one-time Kansas City shine boy, has become the friend of many a Washington official, including Vaughan.

Mundt's outburst came at a senate investigations subcommittee hearing after a former agriculture department employe said that Vaughan had put the heat on him to give more sugar to a New Jersey molasses company.

McCarthy made his demand for a perjury indictment of Maragon after Milton R. Pollard testified that he paid Maragon \$1,000 — \$500 by check and \$500 in cash, to help the Allied Molasses company, Perth Amboy, N.J., more sugar.

Testifying under oath last month, Maragon said then that he never had been paid any money by anyone for negotiating business with the government.

This was read into the record yesterday. And a \$500 cancelled check of Pollard's, dated Nov. 20, 1946, and endorsed by Maragon, was made part of the subcommittee's exhibit.

'Rose' Witness Says He Visited Geishas

SAN FRANCISCO (AP)—Charles Cousens, key defense witness in the treason trial of Iva (Tokyo Rose) D'Quino, yesterday admitted under government cross-examination that his Japanese captors took him to a Yokohama Geisha house while he was a prisoner of war.

Cousens, a former Australian major with 19 years of broadcasting experience, had earlier testified he was put in charge of the "Zero Hour" program after his capture by the Japanese. With his cooperation Cousens said the Los Angeles-born Mrs. D'Quino had relayed heartening messages of allied victories to American prisoners of war in Japan and in other ways attempted to aid the allied cause.

In the cross-examination, Government Atty. James Knapp closely questioned the Australian about his living conditions while a prisoner of war. Cousens disclosed he was quartered in a good hotel room with bath and drew an allowance of 200 yen, or about \$23, a month. He denied, however, that he received any extra rations for his part in the "Zero Hour" broadcast.

Washington Parley Sought to Help End Stevedoring Strike

HONOLULU (AP)—Harry Bridges yesterday proposed negotiations in Washington if necessary to end Hawaii's 109-day dock strike. He reported no progress in new peace talks.

An employer spokesman told newsmen the head of the striking CIO International Longshoremen's and Warehousemen's union appeared to be playing for time in order to bring in federal mediation.

Tighe Woods Reveals Rent Decontrol Plans

This'll Hurt Me More Than You... DENVER (AP)—"He couldn't do it," insisted Elmer Johnsen Senior, "He isn't big enough."

CLEVELAND (AP)—National Housing Expediter Tighe Woods said yesterday he will decontrol rents in a third of the areas now under federal rent control, starting within 10 days.

He also disclosed that a third of the rent control staff will be laid off with the firings to occur both in the field and in the Washington office. The present staff of 5,600 will be pared to about 3,000.

Woods said the action was made necessary by congressional cuts in his budget, which reduced it from \$26-million to \$17-million.

"This severe blow," Woods said, "left me with only two choices: either I must fire one third of my employes and attempt to maintain token rent control, or I must decontrol a third of the areas now under federal rent control."

Those areas to be decontrolled, Woods said, will be where the actual city populations are under 100,000. "I hope we will not have to go into cities over the 100,000 mark," he said.

Woods said the decontrol measures would apply country-wide, with the most sparsely settled areas affected first. "The smallest communities will feel the effects first," he said. "There are many such places along the east coast and west coast and in the southwest."

Woods said there were about 1,000 counties in the country where action will be taken in the next 30 days on some form of reduction of rent control.

The housing expediter told the national convention of the Disabled American Veterans that the areas to be decontrolled have not yet been selected but that they will be announced from Washington in about 10 days.

Polish Consul Quits, Asks to Live in U.S.

WASHINGTON (AP)—Tadeusz J. Rakowski, Poland's consul general in Montreal, resigned yesterday and asked for political asylum in the United States.

"I am a Catholic and I cannot accept the onslaughts of the Communist government upon the Catholic church," he said.

His decision was disclosed here by Arthur Bliss Lane, former U.S. ambassador to Poland.

Lane said he put Rakowski in touch with state and justice department officials. He was confident the request for asylum would be granted. He said Rakowski now is in this country with his wife and daughter and plans to live with friends in Los Angeles.

Seven Die in Riot, Blame Communists

SANTIAGO, CHILE (AP)—Seven persons were killed in rioting in downtown Santiago yesterday and congress was called into special session last night to hear a cabinet request for extraordinary powers to cope with the situation.

The government said the rioting was inspired by Communists and their supporters.

Hospitals said the seven dead included two students, a cadet, and one street car motorman. In addition at least 21 persons were wounded, four seriously. Three suffered gunshot wounds.

B-36 Probers Learn 'Palace' Actually a Flat

LOS ANGELES (AP)—One of the anonymous charges which set off a congressional investigation of B-36 procurement fell flat on its face yesterday as a house armed services sub-committee began hearing aircraft industry witnesses.

Norman Thomas Urges Universal Disarmament

WASHINGTON (AP)—President Truman's \$1,450,000,000 foreign arms program touched off hot debate in the house yesterday, while Socialist Norman Thomas urged congress to delay the measure and try first to bring about universal disarmament.

The house rang with arguments for and against the historic plan to help arm "friendly nations" abroad.

Military aid from the U.S. is urgently needed because western Europe lives in the shadow of the huge Russian army, said Chairman John Kee (D-W. Va.) of the foreign affairs committee, leading the fight for approval of the program. Russia is not maintaining 200 armed divisions "for the mere purpose of parades," he declared.

"This is an insane program, a program of war," declared Rep. Vito Marcantonio of New York, only American Laborite in the house. What has happened in the countries of Europe, he said, was purely domestic—"their revolutions were purely domestic."

"I believe it is necessary for congress to go halfway now," said Rep. John Vorys (R-Ohio), urging the house to hold back half the \$1,160,000,000 requested for European members of the Atlantic pact until they agree on a common plan of defense. Vorys announced he will support an amendment to that effect by Rep. James Richards (D-SC), who was applauded loudly when he explained his idea.

Beran Claims He's Prisoner

PRAGUE (AP)—The Most Rev. Josef Beran broke a two month-silence yesterday and accused the Communist government of holding him captive in violation of his constitutional rights.

The stocky little 60-year-old Roman Catholic primate has not appeared in public since June 19 when a sermon he tried to preach was shouted down by Communist hecklers. He now claims he has been interned and isolated in his Prague palace.

Archbishop Beran accused the government of illegally seizing his consistory (administrative office) and confiscating the funds of his Prague diocese.

He made the charges in a letter to the state procurator (prosecutor) which was given to the foreign press through church and diplomatic channels. In his letter, the country's leading Catholic official asked bluntly:

"Is the Roman Catholic church in Czechoslovakia still recognized by the state? If so, by what law was the Roman Catholic church deprived of its legal independence in internal matters?"

The Communist-controlled Prague press repeatedly claimed the archbishop was free to leave his palace but that he wanted to remain in seclusion and "pose as a martyr."

Nationalists Admit Loss of Foochow

CANTON (THURSDAY) (AP)—The Nationalists today admitted the loss of Foochow, southeastern China port city and capital of Fukien province.

Capture of Foochow, 430 air miles northeast of Canton, by onrushing Communist armies came after the U.S. consulate general announced it expects to close tomorrow and pull out of Canton. It will go to Chungking which will be the new Nationalist refugee capital.

The hearings are expected to end Aug. 26, which would give the board only four days to report back to Mr. Truman.

During the morning session the Inland Steel company charged that outside influence had crushed its "real and honest" negotiations with the steelworkers.

NEW YORK (AP)—Seven small steel companies asked President Truman's fact-finding board to exclude them from its recommendations for settling the steel dispute because they can't afford to grant wage increases.

Executives of the companies asked the three-man board to consider their cases separately. The board will report to the President its suggestions for settling the dispute between 88 steel companies and the United Steelworkers of America (CIO). The union is demanding a fourth-round package wage increase of 39 cents an hour.

The hearings are expected to end Aug. 26, which would give the board only four days to report back to Mr. Truman.

Iowa Medley Team Triumphs in AAU; Speedy Japanese Sweep 1500 Meters

Bulletin

LOS ANGELES (AP) — University of Iowa, anchored by the tremendous free style efforts of Wally Ris, won the 300-yard medley relay title with the Brighton 'C' team a close second.

The New Haven swim club was third.

The official timing was 3:18.8. Ris took over with a four-yard deficit after Joe Verdeur had put the Brighton squad ahead with his customary breaststroke performance.

The New Haven outfit led for 100 yards when Olympic Champion Allen Stack paced the field by two yards.

Furuhashi Wins Again

LOS ANGELES (AP) — Hiroshin Furuhashi, the Japanese distance champion, last night won the National AAU 1500-meter free style by four yards over his teammate, Shiro Hazizume, after a thrilling near record battle.

Sumio Tanaka, the 19-year-old youngster of the Ohio Swimming club squad, finished a strong third to give the invaders a clean sweep of the first three 1500-meter places.

The official time for the marathon event was 18:29.9 behind the listed world record at that distance of 18:58.8 set by T. Amanow, also of Japan, in 1938. However, it was slower than Furuhashi's amazing 18:19.0 in Tuesday's preliminaries.

The three Japanese swimmers were at least 40 meters ahead of the other competitors.

A capacity crowd of 8,000, including several thousand Japanese and Nisei, saw the powerful display by the Japanese mermen in Olympic pool here. This is the same pool where the Japanese first made their swimming prowess felt in the 1932 Olympic games.

A second Nipponese champion was crowned when Husky Yoshihiro Hamaguchi edged John Blum of New Haven, Conn., swim club in the 200-meter free style final. Hamaguchi, who had the best qualifying time of 2:11.6 was pressed all the way by Blum and won by a scant yard and a hair. His time was 2:11 flat. It was the best clocking he has ever turned in.

Earlier David (Skippy) Browning, a grinning freckle-faced 18-year-old from Dallas, won the springboard diving championship. Browning, who was defeated last year by a mere 6-100ths of a point, tallied 148.88 to nose out Miller Anderson, of Coca Cola club, Cincinnati. Anderson had 148.62.

Third was Olympic and Defending AAU Champion Bruce Harlan, of Ohio State university, with 145.53.

It was the first title to be decided in the four-day meet.

America's Davis Cup Defenders

(AP Wirephoto)

BEST IN THE UNITED STATES—The four top amateur tennis players in America paused for the cameraman yesterday with their Davis Cup captain, Alrick Mann (center), during the National Doubles Tennis tournament at Brookline, Mass. They were recently named to defend the famed tennis trophy for the U.S. Left to right, Richard Gonzales, Gardnar Mulloy, Manu, W. Hiam Talbert and Ted Schroeder.

Cards Sink Reds In 13th, Regain Lead

Birds Back on Top As Martin's Single Clinches Win, 4-3

CINCINNATI (AP) — Pitcher Freddie Martin singled home Enos Slaughter from second last night with the run which enabled the St. Louis Cardinals to defeat the Cincinnati Reds 4-3 in 13 innings.

The Cards moved into undisputed possession of first place in the National league. The victory gave the Cards a half-game advantage over the Brooklyn Dodgers who lost to the Philadelphia Phillies during the day.

Martin, notching his first triumph since returning from a Mexican league sojourn and baseball suspension, took over the Cardinal pitching in the ninth after Starter Alpha Brazle had given way to a pinch batter. With two out in the 13th and Slaughter and Tommy Glaviano on base, Manager Eddie Dyer elected not to send in a pinch batter but let Martin take his turn at the plate. The right-hander promptly lined out a pay-off single.

The Cards went into an early 2-0 lead on Catcher Del Rice's two-run, second inning homer. They added another in the fifth when rain halted proceedings. Brazle had pitched hitless ball

Goliath Goat in Phils' Five-Run 8th Inning

BROOKLYN (AP) — Mike Goliath, rookie second baseman with the Philadelphia Phils, accounted for all three outs yesterday in the Phils' five-run eighth inning at the expense of the Brooklyn Dodgers. Goliath, hitting .071 at the start of the game, struck out as the inning's first batter. After the Phils counted five runs and had the bases loaded again, the youngster hit into a double play.

through the first four frames but after play had been resumed in the fifth, Walker Cooper connected for a homer. The Reds got to Brazle in the sixth for two more runs on three hits to tie the score. Kenney Ruffensberger, lumbering to his 13th loss as against 12 victories, went all the way for the Reds, giving 14 hits. The Reds missed their best scoring opportunity in the eighth when they had men on second and third with one out. But Glaviano turned in an unassisted double play to end the threat.

RACKLEY FORCED—Marv Rackley, Brooklyn left fielder, is forced at second in third inning of Dodger loss to Philadelphia yesterday. He was forced on Duke Snider's bouncer to Second Baseman M. K. Goliath, who threw to Shortstop Granny Hamner. Hamner's attempt for a double play was unsuccessful.

Iowa Frosh Breaks Weissmuller Mark

Dick LaBahn, University of Iowa freshman swimmer who hopes some day to approach the performances of Wally Ris, already has imitated the champion on one count: he broke an old record held by Johnny Weissmuller.

In the Central AAU championship meet held in Chicago last weekend, LaBahn swam the 100-yard free style over the long course in :54.1. This time shattered the Central AAU record of :55.2 made by Weissmuller in 1922. LaBahn, whose home is Evansville, Ill., will be eligible for intercollegiate competition at Iowa in 1951. Because he is a transfer student from another university, he must comply with the two-year residence rule.

In 1948 Ris, on his way to major titles, erased Weissmuller's American amateur record for the 100-yard free style over the long course, which had stood since 1925. In addition to winning the 100-yard free style, the versatile LaBahn was third in the 300-yard individual medley event. Herman Lehman, member of the 1949 varsity team, finished third in the 220-yard free style in the Central AAU meet.

White Sox Take Third Shut Out in Row, 1-0
CHICAGO (AP) — The Chicago White Sox scored their third straight shutout victory when they edged Detroit, 1-0, before 20,919 persons here last night.

In winning his eighth game, third for Chicago, Mickey Heffner checked the Tigers on seven hits. The contest was played in one hour and 38 minutes.

Ten Hawk Halfbacks Returning

Iowa City's Fryauf Leads Fast Backs

(This is the second of a series of six stories about candidates for the University of Iowa's 1949 football team. Tackles and guards will be discussed in the next story.)

By ERIC C. WILSON
Young men eager to prove that they can step from freshman play into Big Ten competition without losing a stride will challenge four major lettermen among the University of Iowa's halfbacks.

On the roster are ten halfbacks, evenly divided between left and right, just as there are two "I" men at left and a pair at right.

Don Fryauf, 185-pounder from Iowa City, is the halfback with the best 1948 record. He broke into the lineup in mid-season and showed speed and drive which enabled him to average 5.4 yards on 30 attempts from the left halfback spot.

Bob Longley, Davenport, is a senior at left halfback who was injured last October 9 and missed the last six games. Longley is light, 165 pounds, but he can move. He is now in shape for his best season.

A right halfback who was just getting into the swing of things when an injury sidelined him is Mearl Naber, of Tipton, a 190-pounder. He carried only 18 times but averaged 4.6 yards. He showed drive in line with his nickname, "Rip."

Jim Halliburton, Des Moines junior of 165 pounds, is the fourth letterman. He has been shifted from left to right halfback and coaches hope he can display in games some of the gaining ability he shows in practice.

The sophomore crop looks better than average in speed and potential value. Stan Cozzi, Marshalltown 185-pounder, had a great high school reputation, and Don Commack, 165, from Waterloo, is a fast man.

The other left halfback is Dean Deuel, lightest player on the squad at 150 pounds. His speed carried him to two state prep low hurdle titles at Cherokee.

Duane Brandt, Waverly, is a 190-pound right halfback who has shown poise and skill. He had a fine all-state record. Others are Don E. Woodhouse, Mason City, 180, and Bob Bostwick, Washington, 168.

DON FRYAUF
Averaged 5.4 in 1948 . . .

DUANE BRANDT
Shows Poise and Skill . . .

Alley to Take Job in Burma

Dr. Lewis E. Alley, director of athletics at University high school, has been named to the staff of the State Training College for Teachers in Rangoon, Burma.

He has been recommended for a year's leave of absence, effective in September, it was announced yesterday by the office of SUI President Virgil M. Hancher.

While in Rangoon Dr. Alley will teach courses in principles and methods of physical education and will assist in setting up a program of physical education in Burma schools.

Dr. Alley, who received his Ph.D. degree from Iowa last week, left Iowa City Tuesday for a short vacation in Wichita, Kan. He will then go to San Francisco, from where he and his family will fly to Rangoon.

He will return to his position at University high school Oct. 15, 1950.

Offered the position in Rangoon only a few weeks ago, Dr. Alley said he has little information about the American part in the Burma program. He received his appointment under the provisions of the Fulbright act, which provides for United States' co-operation with other countries in educational matters.

Dr. Alley joined the U-high staff in 1946. In addition to heading the boys' physical education department, he was head coach of football in 1947 and head coach of basketball in 1948-49.

Browns Belt Tribe Twice, 10-6, 5-2

ST. LOUIS (AP)—The St. Louis Browns took both ends of a twilight night doubleheader from the Cleveland Indians, 10 to 6 and 5 to 2, dropping the Indians to third place in the American league race.

A three-run outburst against Ot' Satchel Paige in the seventh inning brought the Browns from behind in the nightcap. They captured the first game with a four-run rally in the eighth to break a 6-6 tie.

The 11,779 fans enjoyed the sight of Brownies hitting the ball safely. They knocked out 13 hits in the first game and 10 in the finale, compared to a total of five in two previous night contests which ended as shutouts at the hands of the Chicago White Sox.

Gene Hermanski had rapped his fourth straight hit, a double, and G.I. Hodges had walked. With two out, Spider Jorgensen singled to right field and when Hermanski, after making the turn at third, decided to retrace his steps he found Hodges almost on the bag. Gene broke for home but was run down for the final out.

Shirley May Postpones Channel Attempt Again

DOVER, ENG. (AP) — Shirley May France's attempt to swim the English channel was postponed yesterday because of a breeze that lipped up whitecaps in Dover Strait.

The 17-year-old American girl, secluded in a seaside hotel near Calais, 21 miles across the channel, was scheduled to start from Cap Gris Nez at about 1:45 a.m. Tuesday.

But a breeze off the North sea freshened to 12 to 15 miles per hour by early afternoon. The waves mounted and broke in foamy crests.

Cuban Beasts Crossing
CAP GRIZ NEZ, FRANCE (AP)—Jose Cortinas, 32-year-old Cuban, started swimming across the English channel this morning at 12:45 a.m. (5:45 p.m. CST Wednesday).

The other left halfback is Dean Deuel, lightest player on the squad at 150 pounds. His speed carried him to two state prep low hurdle titles at Cherokee.

Duane Brandt, Waverly, is a 190-pound right halfback who has shown poise and skill. He had a fine all-state record. Others are Don E. Woodhouse, Mason City, 180, and Bob Bostwick, Washington, 168.

Red Sox Batter A's With 4 in 10th, 5-1
PHILADELPHIA (AP)—The Boston Red Sox, featuring doubles by Birdie Tebbets and Al Zarilla, staged a four-run uprising in the 10th inning last night to defeat the Philadelphia Athletics 5 to 1 and move into second place in the American league pennant race.

The Red Sox got to Dick Fowler for ten safeties, four of them by Ted Williams. One of Williams' blows was his 30th home run in the first inning to send the Sox away in front.

Zion Lutheran Church

Zion Lutheran Church Grows

Had 50 Members in 1860, 350 More in 1891; Congregation Today Totals About 540

In 1857 a group of German immigrants and a small congregation of English colonists banded together to form a Lutheran church in Iowa City, then little more than a stopping off place for coaches and the railroad.

Services were held in the old third ward school, located near the corner of Davenport and Duquesne streets, and services were given in both German and English.

The Rev. A.C. Proehl, now pastor of the Zion Lutheran church, said many difficulties were encountered in holding those first services because of the bilingual congregation. Ministers who could speak both languages in those days were hard to find.

In 1860 the two groups split to form the First English Lutheran and the Zion Lutheran churches.

In the same year the basement of the present Zion Lutheran church was built where it now stands on the corner of Johnson and Bloomington streets.

In following years the entire church was finished. Members of the congregation did all the building including the "slacking of their own lime," Rev. Proehl said.

The original beams built by the early settlers still remain in the church.

At the time of the building, the membership of the church was "perhaps around 50," but the congregation continued to increase in number and in the year of 1891 the membership was doubled from 200 to a total of almost 400 members.

"Services have been conducted in English now for almost 25 years," Rev. Proehl said, and he added that the present membership is around 540.

Recently completed improvements on the church include the installation of a new pipe organ and the laying of new carpeting. An automatic heating system is also being installed, Rev. Proehl said.

A Lutheran student center, jointly sponsored by the Zion Lutheran, First English Lutheran, and the National Lutheran council, to which both the churches belong is maintained at 122 E. Church street.

Professor to Address Radio Teachers Clinic

Prof. Arthur Barnes of the school of journalism will speak on "Methods of Teaching Radio Journalism" at a methods roundtable at the Radio Journalism Teachers clinic, at the University of Minnesota in Minneapolis Sept. 2.

The clinic, sponsored by the Council of Radio Journalism, Inc., is being held in connection with the annual convention of the American Association of Teachers of Journalism.

Miss Irene Gianedakis Wed to Gerald Daniel

Miss Irene Gianedakis, SUI graduate and City high music instructor, and Gerald Daniel, who received his Ph.D. degree in music here this month, were married Monday at 4 p.m. in the Cedar Rapids Hellenic Orthodox church.

The bride, daughter of Mr. and Mrs. Costas Gianedakis of Cedar Rapids, was given in marriage by her father. Mr. Daniel is the son of Mrs. Emogene Daniel, Phoenix, Ariz.

Bouquets of white flowers and green ferns banked the altar for the double ring ceremony. Anne Gianedakis, Cedar Rapids, was her sister's made of honor and Sophie Pappas, City high instructor, was an attendant.

The groom's two best men were Wilfred Kracht, SUI graduate from Sigourney and Michael Costas of Cedar Rapids, student here. Nick and Tom Thomas of Cedar Rapids were ushers.

The bride's long sleeved, white taffeta gown was fashioned with a senior train and a sweetheart neckline with a pearl-beaded trim. It featured a triple bustle effect and a finger-tip veil which fell from a pearl-beaded tiara.

She wore a strand of pearls, gift of the bridegroom, and carried a bouquet of lilies of the valley centered with a white orchid.

Her attendants wore identical gowns of pastel green and wore rhinestone bracelets, gifts of the bride. Their bouquets were of yellow carnations and pink stephanotis.

A wedding dinner for 70 guests was served at 6:30 p.m. in the Florentine room of the Hotel Roosevelt in Cedar Rapids.

The bride was a honor student of violin here and graduated in 1945. Since her graduation she has been an instructor of stringed instruments at City high and has been the assistant concertmaster of the SUI symphony orchestra for the past four years.

Mr. Daniel received his B.M. and M.M. degrees at Illinois Wesleyan. He composed, arranged and conducted the musical score for the 1949 Panacea show, "Olympic '49," and the song "Believing" from the show was played on the organ as the bride entered the church.

Mr. and Mrs. Daniel are traveling in the west now and their future plans are indefinite.

Chicago Firm Buys First Bonds Issued For Veteran Bonus

DES MOINES — The first block of Iowa World War II veteran's bonus bonds were sold yesterday to Halsey, Stuart and company, Chicago, at what bankers termed an "unprecedented" low rate of interest.

The Chicago firm bid at the rate of three-fourths of one percent and also guaranteed the state a \$2,001 premium to win the bid on the \$8,750,000 bond issue.

The explanation for the low rate of interest was the fact Iowa had no other bonds outstanding and the block of bonds are comparatively short-term. They will be due from Dec. 2, 1949 to Dec. 2, 1953.

Eight firms had indicated intent to bid, but only three bidders took part very long in the auction conducted by State Treasurer John Grimes.

The others besides the winning Chicago firm were the National City bank of New York and a syndicate headed by the Harris Trust and Savings bank, Chicago.

Four Iowa firms were included in the syndicate. They were the Iowa Des Moines National Bank and the Central National Trust and Bank company, both of Des Moines, and White Phillips company, and Vieth, Duncan and Wood, both of Davenport.

Margaret Mitchell Final Rites Today

ATLANTA — Margaret Mitchell goes to her final resting place today in the city's oldest cemetery where lie the bodies of Confederate unknown dead.

The noted author of "Gone with the Wind" died Tuesday of injuries received last Thursday when she was struck by a speeding automobile.

Private funeral services for Miss Mitchell will be held at 9 a.m. (Iowa time) today. A few hundred close friends and relatives will be admitted to the services. Outside the chapel, police prepared to handle a crowd of thousands.

Hugh D. Gravitt, 29-year-old off duty taxicab driver whose private car hit Miss Mitchell, was in jail without bond pending grand jury action on a murder charge.

Collection Judgments Filed in Court Here

Two bill collection judgments were entered in Johnson county district court yesterday by Judge Harold D. Evans.

The Day company was awarded a \$77.35 judgment plus interests and costs against Henry C. Miller, former operator of the Melody Mill. The amount was claimed due on goods sold the defendant on Oct. 26, 1948.

A judgment of \$51.80 was awarded by the court to the Pittsburgh Plate Glass company against the American Veterans of World War II, University Post No. 32. The amount was claimed on goods and services sold to the defendant.

Three SUI Nurses Attend Conference

Three SUI school of nursing staff members are attending the conference of the National Nursing Accrediting service in Chicago.

The purpose of the three-day conference, which closes today, is to evaluate education programs in schools of nursing. The National League of Nursing Education is sponsoring the meeting.

Attending from here are Myrtle E. Kitchell, director of the school of nursing; Amy Frances Brown, assistant professor, and Mrs. Flora Meisenheimer, assistant instructor.

Wimer's Article Used By National Publisher

An article written by Prof. Arthur Wimer, head of the Iowa Bureau of Newspaper service in the school of journalism, has been published in the August issue of the National Publisher.

The article reports findings of a survey of 1948 income and output of 51 Iowa newspapers, both daily and weekly. The survey showed that the small weekly had the highest percentage of profit.

Parents Study Report Card Signing May About Face

Interest in adult education may result in Iowa dads and mothers soon bringing home report cards to their children.

And when they do, their grades probably will be on a level with the youngsters' marks, according to John L. Davies, director of correspondence study in the SUI extension division.

Davies recently completed a study of the interests and abilities of Iowa adult education students, and found that grown-ups are as capable of learning as the youngsters.

Results of intelligence tests given to over 700 adults showed that the 18-20 age groups averaged high with scores of 106. The decline was slow from that point to 92 for the 51-60 age group.

The decline doesn't mean grown-ups can't learn as well as younger people. "Interest and determination of older people supplements the loss of mental quickness," Davies said. "They are slower, but just as able to learn in their particular field of interest as the younger people."

Wellman Man Dies In Mercy Hospital

Virgil Beene, 79, route 3, Wellman, died at 2 a.m. yesterday in Mercy hospital.

Mr. Beene was born Nov. 18, 1869, and was a life-long resident at the farm on which he was born. In 1892, he married Margaret Beck in Iowa City.

Surviving him beside his wife are three daughters, Mrs. Ima L. Hess, Keota, Mrs. Zula M. Zager, Iowa City, and Mrs. Lorna Yoder, Wellman, and two sisters.

Funeral services will be held at 2 p.m. tomorrow in the Oathout funeral chapel with burial in Oakland cemetery.

Coe President Ill

CEDAR RAPIDS (AP) — Byron S. Hollinshead, president of Coe college, underwent an emergency operation for appendicitis in St. Luke's hospital here at midnight Tuesday. He became ill while attending a baseball game at Memorial stadium here. His condition was good yesterday.

Last Week's Polio Spread 1949's Worst

WASHINGTON (AP)—The nation, now in the grip of one of the most critical polio epidemics in history, experienced the worst period of the year last week, the public health service reported yesterday.

It said incomplete reports from state health authorities indicate that at least 3,049 new cases developed during the week ended last Saturday.

The total does not include Texas which has been labeled one of the worst "polio epidemic areas." Officials said they expect Texas to report "at least 100 new cases for the week — and probably more."

If their fears are borne out, it would raise the total of new cases for the week above the 3,150 mark.

(A United Press dispatch from Austin, Texas, yesterday quoted State Health Officer George W. Cox as saying 109 victims were reported in the Lone Star state last week. In the previous week a record 121 new cases were reported.)

The reports from the 47 other states and the District of Columbia for last week brought to 13,797 the total of cases reported for the nation since Jan. 1.

Ten states each reported more than 100 new cases last week. There were only six states in that classification during the week ending Aug. 6 and the week before that.

States with 100 or more new cases included: New York 539, Illinois 299, Michigan 255, Minnesota 142, Massachusetts 139, Ohio 134, Indiana 126, Missouri 123, California 106 and New Jersey 101.

University Hospitals Capable of Handling Iowa Polio Epidemic

Personnel and mechanical facilities for fighting poliomyelitis at University hospitals are sufficient to handle the present state polio epidemic "even if it should become larger," Dr. W. D. Paul said yesterday.

Paul, chairman of the division of physical medicine, said the hospitals isolation ward has handled 160 polio cases representing more than half the state total since the beginning of the year. Eight of the cases were not Iowa residents.

At no time has there been more than 50 patients on the active list, Paul pointed out.

Training nurses to handle polio cases is a national problem, Paul said. Nurse aides, employed and trained last spring in anticipation of this year's epidemic, have relieved the shortage of trained personnel at University hospitals, he added.

The hospitals also employ 18 therapists who give special treatment to polio patients. The university maintains the only school in the state for training therapists and each year the National Foundation for Infantile Paralysis sends scholarship students here.

"Of the 16 new students who will be trained in physical therapy beginning with the reopening of the school in September, one-third will be national foundation students," Paul said.

Working with current cases in the active polio ward is a part of their clinical training, he explained.

"As soon as patients go on the inactive list and are well enough to be transferred, they are sent to other departments in the hospital for specialized treatment to speed their total recovery," Paul said.

Over 70 percent of the polio cases admitted to the hospitals this year have recovered with few or no damaging after-effects. In a 24-hour period ending yesterday, the hospital discharged 11 polio patients, Paul said.

U-Hospitals Report Two Polio Deaths

Two persons died of polio at University hospitals Tuesday and one new patient was admitted for treatment yesterday, officials said.

The dead were Russell Smith, 22, Iowa Falls, and Kenneth Hartson, 37, Cedar Falls. The new patient was Roger Hendrickson, 13, Northwood. His admittance, with transfer of four patients to the inactive list, brings the total of active cases to 28.

LUNDS PARENTS OF SON
Mr. and Mrs. Hans Lund, 827 E. Church street, are the parents of a son born yesterday at Mercy hospital. The boy weighed five pounds, 13 ounces.

At 36, He'll Study for M.D.

(AP Wirephoto)

PROSPECTIVE SUI STUDENT is William D. Perrin, 36, who will enroll here to finish the pre-medical course he began nearly 20 years ago at Iowa State Teachers college. Perrin has resigned his position as a sales manager in Waterloo.

Waterloo Man, 36, To Study for M.D.

WATERLOO (AP)—William D. Perrin, 36, is giving up his job as a sales manager to finish a medical course he started nearly 20 years ago.

Perrin, sales manager of a Waterloo soft drink bottling company since 1931, has resigned effective Sept. 15. He will enter SUI for the final year of a pre-medical course and then plans to enter medical school.

Before going to work for the local firm, Perrin spent three years at Iowa State Teachers college, Cedar Falls. He is married and has three children. He is president of the Waterloo junior chamber of commerce and a member of the school board.

Judge Trott Fines 4 in Police Court

Four persons were fined a total of \$50 on various charges in police court yesterday afternoon by police Judge Emil G. Trott.

Clarence Kaiden, 506 N. Dodge street, was fined \$10 plus costs for disturbing the peace, and Gilbert Ayers, 513 S. Madison street, was fined the same amount for loitering on a city street after 11 p.m.

Billy J. Courtright, Rock Island, was fined \$20 plus costs for speeding. Elmer L. Cloyd, Cedar Rapids, paid a fine of \$10 plus costs for operating a vehicle with improper brakes and lights.

Police Chief Ousts Detective Gibbons In Sioux City Row

SIOUX CITY (AP)—Detective Chief Harry J. Gibbons was suspended "immediately and indefinitely" yesterday by Police Chief Arthur C. Nelson as a controversy over law enforcement conditions continued.

Suspension of Gibbons followed a denial by Safety Superintendent Walter W. Lindgren of Gibbons' charge that Nelson and Lindgren had "devised a scheme" whereby Nelson's approval had to be obtained before a place could be raided.

Lindgren described as "a smear" Gibbons' charge that Nelson and Lindgren had "devised a scheme" whereby Nelson's approval had to be obtained before a place could be raided.

Nelson, in a statement announcing Gibbons' suspension, declared it was "not true" that he was keeping Gibbons from carrying out a special assignment to "stop all" gambling and liquor law violations here.

The police chief asserted Gibbons had full authority to act, Nelson said.

"He (Gibbons) could set his own hours and get his own warrants. He had his power and authority to go any place he wanted on his assignment day or night."

Gibbons had made his charges in a court action Tuesday. He asked the court to restrain Lindgren and Nelson from interfering with his work as detective chief. He claimed he was put on special assignment in an effort to demote him.

Lindgren declared in a statement yesterday that he is against gambling and has "issued orders to the police department to that effect."

Lindgren also denied the recent assertion of Atty. Fred H. Free that a "graft organization" collects \$25,000 a month in protection money here.

Malta Settles Spat With Great Britain

LONDON (AP)—Tiny, war-scarred Malta, the British bastion in the Mediterranean, recently threatened to secede from the empire and hoist the stars and stripes, it was reported yesterday.

The crisis, now dissipated, arose when the British admiralty ordered the dismissal of hundreds of workers at the royal Malta docks.

The island's government, British press reports said, issued an "ultimatum" saying it would appeal to the United Nations and would even consider "hoisting the stars and stripes" unless the order was rescinded.

British press reports which told the story of the near-revolt did not say whether the admiralty had cancelled its order. But the crisis has been overcome by a Malta government delegation now negotiating here.

Supervisor Charged With 23 Violations

DES MOINES (AP)—County Attorney Ed S. Thayer yesterday set out 23 Iowa statute which he said he believes former Supervisor Ben B. Dewey and others violated in conspiring to obtain county funds.

The statutes were contained in Thayer's amended bill of particulars in the conspiracy case against Dewey.

Dewey was indicted on the charge of conspiracy to defraud the county on July 2, 1948. The trial has been delayed because of legal arguments and technicalities.

In his amended bill, Thayer said Dewey sold the county home 339 bushels of corn at \$2 a bushel as a means to carry out a conspiracy.

He also said that another alleged means included the building of a \$20,000 county garage, the construction of a half-mile county graveled road past a farm owned by Dewey on the Polk county-Warren county line, and a claim filed by Elmer G. Croft against the county for seven new automobile motors and seven new transmissions for welfare department cars.

Thayer also said that another alleged means included the building of a \$20,000 county garage, the construction of a half-mile county graveled road past a farm owned by Dewey on the Polk county-Warren county line, and a claim filed by Elmer G. Croft against the county for seven new automobile motors and seven new transmissions for welfare department cars.

Therapy Director Named At University Hospitals

Elizabeth Collins has been appointed director of occupational therapy at University hospitals, Dr. Gerhard Hartman, superintendent, said yesterday.

Miss Collins is a graduate of the Boston School of Occupational Therapy and of Colby Junior college, New London, N.H.

Housewife on Final Leg of Globe Flight

REYKJAVIK, ICELAND (AP)—Mrs. Richarda Morrow-Tait landed at Keflavik airport last night after an 850-mile flight from Greenland.

The 26-year-old British housewife has only one more flight—from Iceland to Britain—to realize her ambition of becoming the first woman to pilot a single-engine plane around the world.

Mrs. Morrow-Tait began her adventure a year ago today when she waved goodbye to her husband and two-year-old daughter and took off from France on an eastward flight around the globe.

The British aviatrix landed in Greenland last Friday after pulling a "wrong-way Corrigan" in her flight from Goose Bay, Labrador. Canadian authorities had ordered her to return to Bangor, Me., because of a Canadian regulation forbidding single-engine planes from attempting trans-Atlantic crossings.

Automobile Accident Causes \$70 Damage

An automobile accident causing a total of nearly \$70 damage to two cars occurred yesterday on Dubuque street between College street and Iowa avenue.

Miltner, Solon, was involved in the accident with one driven by Mrs. Raymond K. Bothel, Iowa City.

A car driven by Joseph M. Miltner told police that \$54.12 damage was done to his car and Mrs. Bothel estimated \$15 damage to her vehicle.

Cedar Rapids Man, 54 Dies of Crash Injuries

CEDAR RAPIDS (AP)—Dale Kelley, 54, Cedar Rapids, injured in a head-on crash west of here Friday morning, died yesterday afternoon in a Cedar Rapids hospital.

Howard Beatty, 26, Atkins, driver of the second car, was reported in fairly good condition yesterday.

Counterclaim Filed In Accident Case

Tom Pleasant, has filed counterclaim for \$500 in Johnson county district court against the Rev. Ray J. Pacha in a pending automobile accident damage suit.

Pleasant denied any negligence in the accident which occurred Jan. 1, 1949. He claims that both automobiles were going south on Dubuque street when Father Pacha made a left turn in front of him without warning or signal.

The \$500 claim includes repair costs and reimbursement for the loss of the use of the automobile, according to Pleasant's petition.

GENERAL NOTICES

GENERAL NOTICES should be deposited with the city editor of The Daily Iowan in the newsroom in East Hall. Notices must be submitted by 2 p.m. the day preceding first publication; they will NOT be accepted by telephone, and must be TYPED OR LEGIBLY WRITTEN and SIGNED by a responsible person.

APARTMENTS AND ROOMS AVAILABLE for rent this fall may be listed with the Off Campus Housing Bureau by dialing 80511, extension 2191, before Aug. 15, as freshman orientation activities start Sept. 15 and classes begin Sept. 22.

LIBRARY HOURS August 11 through September 21 for Macbride Reading Room and the serials reserve reading room in Library Annex will be from 9:00 a.m. to 5:00 p.m. Monday through Friday, 9:00 a.m. to 12:00 noon on Saturday and no Sunday hours. Other libraries and reading rooms will have their hours posted.

Try and Stop Me

By BENNETT CERF

TIDE MAGAZINE, which keeps tabs on all the latest dikes of the advertising folk, notes that a trucking firm out west now refers to its minions as "specialists in transportology," and that a new barber shop near the Douglas aviation plant is called "The Hairport." Also, the eager vice president of a television chain assured the public, "Television is making such rapid progress that the people in it can't lie about it fast enough to keep up with the truth."

Bert Lehr, while starring in "Make Mine Manhattan," called his New York number on the phone from Chicago to check on things. His eight-year-old son Johnny answered. "Hello," said Bert. "Hi," said Johnny. "Who is this?" asked Bert. "Don't be redic, pop," laughed Johnny. "It's you!"

Globe-trotter Irving Hoffman brought a touching story home from Peru with him. It concerned a bemused llama who gazed soulfully into his mate's eyes and whispered, "Do you love me?"
