Tito Says Yugoslavs to Fight Russian Subjugation Attempts

BELGRADE (AP)—Premier Marshal Tito said Wednesday "We shall fight and we shall fight enduringly" to prevent Yugoslavia's subjugation by Russia.

Tito spoke before a group of Italians who fought with Yugoslav partisans during the war and who are now here on an inspection tour.

He made it clear that Yugoslavia will not unbend in the struggle that began 19 months ago when the Soviet-led Cominform denounced him and his government for pursuing a nationalistic policy.

He said Yugoslavia was aware of the trend in its eastern European neighbors — all Communist states like Yugoslavia—before a campaign that included political and economic pressure was launched against this country.

The bitterness of the feeling between Yugoslavia and Russia was shown earlier Wednesday when the Yugoslav ambassador in Moscow, Russia accused him of being a spy.

"We know that in this struggle we are fighting for a great and just cause that will have tremendous historical significance for the future and that this is the true, correct relationship among Socialist states," Tito said.

He acknowledged frankly that Yugoslavia's own struggle will make no difference in the way of life within the Soviet Union itself.

"Socialism in the Soviet Union will not fail because of this," he said. "It is a reality in the Soviet Union. We know that. But we also know that today the leadership in the U.S.S.R. does not have the right point of view on the further development of socialism in the other countries of the world."

Tito said Soviet leaders "are following a policy of unconditional subjugation of small Socialist countries by a big Socialist country."

He termed this a breach in the development of relations between Socialist partners. He said such subjugation was not only political but economic and added the latter "means exploitation."

"It's just silly," the Literary Gazette also said she is often seen in the company of Premier Marshal Tito, that he has showered her with diamonds, and that she is the dictator of fashions for wives of ministers and generals.

(Zinka's representative in New York, Jack Adams, said the idea she is a spy is ridiculous. "She's only interested in her music and her clothes," he said.)

Van Gelder Wins Prize for Slogan
"Big or little be your gift, give your campus chest a lift."

That is the prize-winning slogan in the 1949 campus chest slogan contest that won for Shepard Van Gelder, A3, New York City, a ticket to the Dad's Day dance Friday night.

Bob Kramer, A3, White Plains, N.Y., chairman of the chest drive, said the drive would be held Nov. 8 to 15.

Agencies to receive support from the drive include CARE, the American Cancer society, the World Student Service fund and the United Negro College fund.

SUI Football 'Dads' to Wear Sons' Numbers

SUI football Dads wearing numbers corresponding to those of their football player sons Saturday will be seated in a special section at the Iowa - Oregon football game.

The Dads will be guests of Omicron Delta Kappa, national honor society, and the SUI athletic department.

ODK Dad's Day Committee Chairman Gene Glenn, A4, Ottumwa, Wednesday said the football Dads will be ODK guests for coffee and doughnuts at 12:30 p.m. Saturday in the fieldhouse.

Czech Spy Charge, Prague Tactics Get Blast from Acheson

WASHINGTON (AP) — Secretary of State Acheson scornfully rejected Wednesday spy charges brought against American diplomats in Prague by Czechoslovakia's Communist government.

He called the charges "obviously trumped up," said they were designed to "intimidate" the Czech people, and hurled his own accusations of police state methods and diplomatic discourtesy at Prague's Communist regime.

At the same time, Acheson said that conformity with standard diplomatic practice required the United States to accede to the Czech government's request for removal of two American embassy employees from the country. That has been done, he said.

A third employee, lacking diplomatic status, has been arrested and the embassy has been making a determined effort to establish contact with him in prison, Acheson said.

The three embassy employees involved in the Czech charges are Isaac Patch and John Heyn, whom Acheson described as assistant attaches, and Samuel Meryn, a clerk. All worked in the Prague embassy's political department.

Heyn was accused of spying on Czech industry and trying to learn state secrets about industrial production and commercial relations, also of using Czech citizens to gather such information. Patch and Meryn were accused five days ago of directing an espionage ring.

Slight Error!
Alumnus Gets Bonus With Key Refund

Don't play the stock markets. Big money's also found in refunds from key deposits.

A check for \$51,560.83 from the SUI business office was received recently by Alumnus E. L. Marietta, along with a \$1 refund for a key he had used here as a graduate student last year.

Marietta, an instructor in business education at Iowa State Teachers college, opened an envelope last week and out dropped enough money for an early retirement.

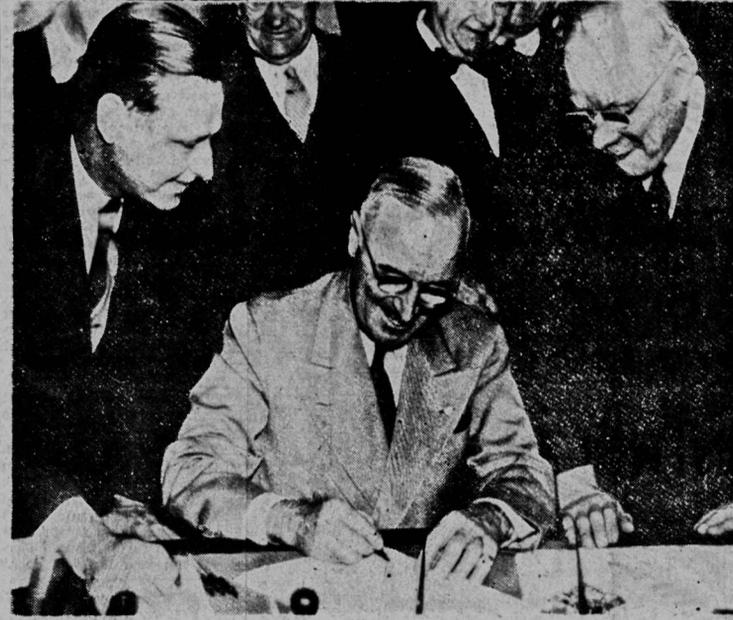

F.L. Hamborg, SUI treasurer, said Wednesday that the check, intended for the Iowa-Des Moines National bank, had been placed in the envelope with Marietta's \$1 check by mistake.

The business office has already sent a duplicate check to the bank, Hamborg said, and a "stop-payment" on the original has been entered.

The treasurer displayed a "check register sheet" on which the check for Marietta's unexpected and shortlived fortune was listed directly after his \$1 key refund check.

"It has never happened to us before," Hamborg said, "but such occurrences are not unusual."

He told of how SUI's business office had recently received a duplicate deposit slip from a bank, crediting to the university's account a payment for a shipment of hogs.

Truman Signs Bill Raising Minimum Wage

PRESIDENT TRUMAN HAD QUITE an audience Wednesday in Washington when he signed legislation raising the minimum wage from 40 to 75 cents. Observing the signing were Secretary of Labor Maurice Tobin (left) and William Green (right), president of the American Federation of Labor. Others are unidentified.

Signs Wage Boost Bill

WASHINGTON (AP) — President Truman Wednesday signed a bill raising the minimum wage from 40 to 75 cents an hour and hailed it as a great victory for his welfare program.

The law becomes effective in 90 days. It was one of the major plans in Mr. Truman's labor platform in his 1948 campaign.

In a statement on the signing, he estimated that it means a direct wage increase ranging from 5 to 10 cents an hour for about 1.5-million workers who now get less than the 75-cent minimum.

"The enactment of the fair labor standards amendments of 1949 is a major victory in our fight to promote the general welfare of the people of the United States," he said.

He regretted that the new act exempts some workers now covered by the wage-hour law, instead of broadening the coverage as he requested.

"But," he said, "the improvements made by the new act will go far toward achieving our basic purpose of assuring minimum labor standards necessary for health, efficiency and general well-being of workers."

Mr. Truman said he was particularly gratified to sign the bill in this week, marking the 11th anniversary of the original Fair Labor Standards act of 1938.

The President signed the law at a ceremony attended by Secretary of Labor Maurice Tobin, member of the senate labor committee and representatives of the CIO, the AFL, the machinists union and the railroad brotherhoods.

Ray said that if colleges and universities, in cooperation with political and non-political organizations, adopted a policy of conducting schools on politics, it would help train political leaders and make party government much more effective.

Another forum speaker, Defense Secretary Louis Johnson, said that each branch of the armed services has an "honorable role" in our defense setup, but that it may not get the role it wants.

Johnson said our military strategy does not "allow" for the luxury of competing and duplicating roles to be paid for out of the pockets of the American taxpayer, whose tax burden is already approaching the rock bottom limit.

The United States, Britain, France, China and Canada told the assembly that the Soviet Union did not budge one inch in 11 conferences; that the majority powers stand firmly on their plan for control of atomic energy; and that the talks will continue among the six countries.

Congress May Reduce Marshall Plan in 1950
WASHINGTON (AP)—Paul Hoffman left Washington Wednesday with a grave message for Europe: unless united and drastic recovery efforts are made, a dissatisfied congress may refuse to vote next year's Marshall plan billions.

Sen. Tom Connally (D - Tex), chairman of the foreign relations committee, demonstrated congress mood. He forecast that European recovery funds will be cut by at least \$1-billion next year.

Officials Disagree Over President's Strike Plans

He Got Let-Down Four Times
Do you have that let-down, deflated feeling in the morning? You do? Then you have something in common with G.S. Andre, 331 S. Dubuque street, who reported to police Tuesday at 8:43 a.m. that someone had let the air out of all four tires on his car sometime during the night.

Some prankster warming up for Halloween no doubt.

Bradley Says 100,000 Troops Ready in Europe

MONTGOMERY, ALA. (UP)—Gen. Omar Bradley said Wednesday that in case of an attack tomorrow, "We would have almost 100,000 men of the army, navy and airforce in Europe to meet it."

Departing from the prepared text of a speech to the national guard at its 71st national convention, Bradley gave the figure on personnel in Europe and said "We might find it expedient to reinforce these men."

The chairman of the joint chiefs of staff told the militiamen that they must be ready to move overseas quickly because "war could strike us suddenly." The nation's military chiefs, he emphasized, are planning "immediate retaliation in kind," to any aggressive blows against us or our allies.

Bradley told the guard to get working on a plan for quick action in the event of war. He reminded the delegates that under the Atlantic pact, the first line of defense "is in the heart of Europe."

If war comes, he said, the first troops to go overseas naturally will be those of the regular arms. But those immediately following will have to be obtained in large part from the reserve components," he said.

"The national guard should be ready to move some divisions to combat areas upon short notice."

"War could come, despite our best efforts to avoid it. War could strike us suddenly, with no warning. The devastation produced by its first blows could be very serious."

However, Bradley said he does not believe that "war is inevitable, either now or at any time."

'Poppy Day' Starts Saturday Morning

Saturday is "Poppy day" in Iowa City. The two local chapters of the VFW auxiliary will sponsor the sale of buddy poppies, proceeds from which are used in rehabilitation programs sponsored for veterans by the VFW.

Chairmen for the drive are Mrs. VeVa Blean, 119 1-2 E. Washington street for Post No. 2581 and Miss Leona Conklin, route 2, for Post No. 3949.

The selling campaign will begin at 7 a.m. Saturday.

Ex-GI Reunited with Viennese Bride

MRS. DERA KRATESHKA BRANDT was embraced by her ex-GI husband, Harold W.J. Brandt, when she arrived in Chicago Wednesday from Vienna, Austria. Brandt temporarily gave up his U.S. citizenship to hasten their marriage in Austria, last April. He retracted his renunciation when officials assured him the red tape would be cut to expedite the marriage. Three days after the wedding he left for the United States.

Grandson of Field Plunges to Death
LONDON (AP) — The wealthy son of a famous British naval hero plunged to his death from a sixth floor window of the Ritz hotel Wednesday after he learned he was going totally blind.

He was the Hon. Peter Beatty, 39, a handsome racing enthusiast who had had eye trouble since birth. He was a son of the late Admiral of the Fleet Earl Beatty, hero of the World War I battle of Jutland, and a grandson of the late Marshall Field Sr., famed Chicago merchant. His mother, Ethel, was Price's only daughter.

Cabinet Officer Says Truman May Intervene

(By The Associated Press) Conflicting reports that President Truman has and has not decided to take a hand in the coal and steel strikes if they are not settled by the end of the week came Wednesday from the capital.

A cabinet officer who declined to be identified by name said Mr. Truman had decided to intervene.

Later a White House official, an advisor on administration policy in the labor crisis, said no deadline had been set by the President.

"Evidently the gentleman misunderstood the President because I talked to Mr. Truman a half hour later and found out he hasn't made any decision to intervene, or fixed any deadline," the White House source said.

The cabinet official did not say what form of intervention was in mind. However he indicated it would not be a Taft-Hartley Act juncture.

The White House said previously that Mr. Truman was not inclined now to step into the situation.

Both disputes are deadlocked. The steel industry has not met with the CIO united steelworkers union since 450,000 of its members struck Oct. 1. Negotiations between United Mine Workers and five-sixths of the nation's soft coal industry have collapsed.

Pressure is building up within the steel industry for new company-union peace talks. This pressure came from both big and small segments of the industry.

A half dozen small Pittsburgh district companies urged recall of the steel industry's fact finding board.

A representative of one of them, William H. Colvin Jr., president of Crucible Steel Company of America, telegraphed the suggestion to Mediation Chief Cyrus S. Ching. Colvin said the board had recommended "good faith individual collective bargaining" and he thinks it should clarify that point.

At Cleveland, Philip Murray, chairman of the CIO and the striking steel-workers union, said he had no comment on Colvin's statement. Carrol R. Daugherty of the three-man presidential fact-finding board said earlier that this body would reconvene only on a joint request of the industry and union.

The CIO united auto workers Wednesday announced "overwhelming" membership approval of its history-making pension contract with the Ford Motor company.

Rock Island Hit
Five trains on the Rock Island lines have been shut down in compliance with the government order issued last Friday, F. E. Meacham, local ticket agent, said Wednesday.

The move was made to conserve coal, since no creditable progress has been made in breaking the nation's coal strike.

Three of the five suspended trains affect Iowans, Meacham said. Number 5-14 between Des Moines and Omaha, number 16-17 between Kansas City and Des Moines and number 63-64 between Burlington and Cedar Rapids have all been cancelled temporarily.

Meacham expressed hope for a quick settlement of the coal dispute so that service can be restored on the five runs.

The interstate commerce commission last Friday ordered the nation's railroads with less than 25 days' supply of coal to curtail service on coal burning passenger trains. The order was made effective for two months.

Impersonation Suspect BOUND to Grand Jury
Glen Graper, 624 S. Lucas street, was bound over to Johnson county grand jury Wednesday on a charge of impersonating an officer, Police Judge Emil G. Trott said.

Graper waived preliminary hearing in police court. He was arrested in Windham several weeks ago by Sheriff Albert J. Murphy and released on \$500 bond.

State Seeks Death Of Worker Charged With Tavern Murder

WATERLOO (AP) — An even-tempered prosecutor Wednesday asked three men and nine women to convict Edward Beckwith, 29, of first degree murder and sanction his death by hanging.

County Attorney B.K. Willoughby, whose voice was firm but seldom rosy, accused the Iowa factory worker of slaying Mrs. Irma Jean Stahlhut, 22, with premeditation and violence.

Brought to court in leg irons, Beckwith was charged with stabbing Mrs. Stahlhut to death last June 22 in the walk-in cooler of her husband's tavern at Morrison, Iowa.

Willoughby, in his summary, contended the state had proved the defendant's sanity, a key issue in the case.

Earlier, the state called Dr. Andrew H. Woods, 78, professor emeritus in psychiatry at SUI, as a rebuttal witness.

The elderly psychiatrist corroborated previous state testimony that Beckwith was sane. He said that an examination showed that for a long time Beckwith felt "a strong sexual attachment to Mrs. Stahlhut."

Five Powers Blame Russia for Deadlock

LAKE SUCCESS (AP) — Four of the big five powers and Canada Wednesday blamed Russia alone for the continuing east - west deadlock on atomic energy control.

They told the United Nations assembly the main block to agreement is Russia's position that her own national sovereignty comes before world security.

It was disclosed that Russia has refused to say anything in secret United Nations talks about the recent atomic explosion in the Soviet Union.

The United States, Britain, France, China and Canada told the assembly that the Soviet Union did not budge one inch in 11 conferences; that the majority powers stand firmly on their plan for control of atomic energy; and that the talks will continue among the six countries.

Congress May Reduce Marshall Plan in 1950
WASHINGTON (AP)—Paul Hoffman left Washington Wednesday with a grave message for Europe: unless united and drastic recovery efforts are made, a dissatisfied congress may refuse to vote next year's Marshall plan billions.

Sen. Tom Connally (D - Tex), chairman of the foreign relations committee, demonstrated congress mood. He forecast that European recovery funds will be cut by at least \$1-billion next year.

MRS. DERA KRATESHKA BRANDT was embraced by her ex-GI husband, Harold W.J. Brandt, when she arrived in Chicago Wednesday from Vienna, Austria. Brandt temporarily gave up his U.S. citizenship to hasten their marriage in Austria, last April. He retracted his renunciation when officials assured him the red tape would be cut to expedite the marriage. Three days after the wedding he left for the United States.

League of Women Voters To Hold Membership Tea

The League of Women Voters will hold a tea for new and prospective members from 3:30 to 5:30 p.m. Tuesday in the parlors of the Unitarian church, membership chairman Mrs. Alexander C. Kern announced Wednesday.

Membership in the league is open to all women of voting age, Mrs. Kern said. Activities of the organization will be explained at the tea.

Mrs. Forrest Allen is general chairman for the tea. Committee members are Mrs. Ray Vanderhof, Mrs. James Kelley, Mrs. E. P. T. Tyndall, Jane Condon, refreshments; Mrs. Merritt Ludwig, Mrs. M. F. Smiley, orientation; Mrs. M. F. Heiser, program.

Members of the board who will serve as hostesses are Mrs. Vincent Nowlis, Mrs. Allyn Lemme, Mrs. Frank R. Burge, Mrs. T. M. Rehder, Mrs. Stuart Cullen, Mrs. William L. Downing, Mrs. Carlisle Jacobsen.

Mrs. Leslie Moeller, Mrs. Alexander C. Kern, Mrs. Don Lewis, Mrs. Arthur Roberts, Mrs. LeRoy Hester, Mrs. Everett Lindquist, Mrs. Harold Beecholdt, Mrs. Elmer DeGowin, Mrs. W. T. Hageboeck and Elizabeth Halsey.

Laymen To Hear Graduate of SUI

The Rev. Robert Clyde Yarbrough, former SUI student, will address a regional layman fellowship meeting at the Congregational church Sunday.

Rev. Yarbrough, author of "Triumphant Personality," received a Ph.D. degree from SUI in 1942, and is now pastor of the Second Congregational church, West Newton, Mass.

He will speak on "Wanted — A Vital Church for a Needy World" at the 10:45 a.m. meeting, and "Responsibilities of an Individual Layman" at a 1 p.m. dinner.

A discussion on layman duties also will be led by Rev. Yarbrough at the afternoon session.

Stark Named President Of State Music Group

Prof. Herald Stark of SUI's music department Tuesday was elected president of the Iowa State Music Teachers association at a convention at Drake university, Des Moines.

Stark is head of vocal music instruction at SUI and director of the university chorus.

Paul Ray of Coe college, Cedar Rapids, was elected vice-president.

Wesley Players to Give Year's First Production

The Wesley players, Wesley foundation dramatic group, will present their first production of the year Sunday night, the foundation announced Wednesday.

The play is entitled "John Doe" and will be presented at 7:30 p.m. in the church sanctuary.

National Apple Week — Look for New Ways to Enjoy Apples

Americans are addicted to the "week" fashion. Besides being National Letter-Writing Week and National Be-Kind-To-Animals Week, next week is also National Apple Week.

The celebration this year from Oct. 30 through Nov. 5 will feature this ancient fruit.

So many dishes are made with the apple that a census would read like a history of family favorites. Old standbys like apple dumplings will be served many times during this period, but new apple recipes may be presented to balance the

oft-used recipes featuring this adaptable fruit.

There are coconut baked apples, for example, which are prepared in the following way:

Place six tart apples which have been cored into a baking dish. Add 1-2 cup water and sprinkle with 3-4 cup sugar. Bake in hot oven (400 F.) 45 minutes, or until done and cool.

Fold 1-2 cup of coconut, two tablespoons sugar, and 1-2 cup of orange extract into 1-2 cup whipped cream. Garnish with coconut and chill before serving. The recipe makes six servings.

Cinnamon candy sauce may be served effectively with the apple dumpling standby. It is made as follows:

Mix together 1-4 cup cornstarch and 1-2 cup brown sugar. Add 1-2 cup red cinnamon candies and 2 1-2 cups water. Cook until clear and thickened, stirring constantly. Serve warm or cold over dumplings. This recipe makes enough sauce for eight servings, one-fourth cup each.

Or you may prefer a lemon sauce for the apple dumplings. This may be made as follows:

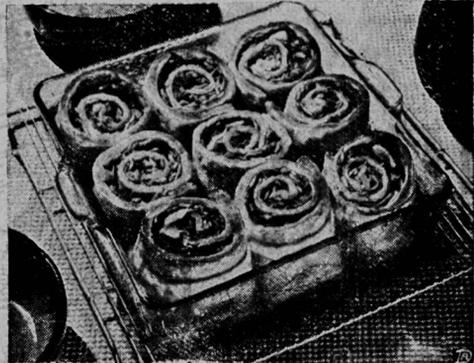

Mix together 1-2 cup sugar, 1 tablespoon cornstarch and a dash of salt in a saucepan. Add 1 cup boiling water gradually. Bring to boiling temperature and cook about five minutes, or until sauce is thickened, stirring constantly. Add two tablespoons butter or margarine, 1-4 teaspoon grated lemon rind and three tablespoons lemon juice.

Reheat to boiling temperature. The recipe makes about one cup of sauce.

Apples may be served effectively in their natural state, too. A fruit bowl heaped with this fruit serves as a fine study aid or leisure reading snack.

The fruit is healthy for between-meal and after-school snacks for children, according to the adage, "An apple a day . . ."

The "something old, something new" theme applies to the National Apple Week celebration. The adaptable fruit, especially popular at this time of year, will be displayed in its many forms at Halloween parties and other timely events.

NATIONAL APPLE WEEK is the time to revive all types of apple recipes, food experts say. Shown above is the apple in its popular apple dumpling form. It may be served with cinnamon candy sauce or lemon sauce for a delightful dish.

IF EVE COULD SEE THE APPLE NOW, she probably wouldn't recognize the "forbidden fruit" in its position as shown above. Celebrants of National Apple Week, from Oct. 30 through Nov. 5, may use this fruit in the above forms: deep-dish apple pie, coconut baked apples or apple crisp.

Chest Drive Attains 81 Percent of Goal

Contributions to the Iowa City community chest Wednesday brought the total to within \$5,000 of the \$26,045.74 quota.

General Chairman Graham C. Marshall said \$21,265.24 or more than 81 percent of the goal had been raised. Contributions of \$776.80 were banked at noon Wednesday and \$601 remained to be processed.

A large contribution from a national firm represented in Iowa, City brought that division to within \$200 of its goal. Workers said they were sure it would go over the top within the next few days.

Residential and university hos-

pitals divisions received more contributions Wednesday, pushing their totals even further past the assigned goals.

SUI fraternities and sororities had contributed only 17 percent of their \$525.20 goal and Iowa City clubs and organizations had given only 11 percent of a \$781.37 goal.

EXTINGUISH SMALL FIRE

No damage was caused by a waste basket fire at 10:05 p.m. Tuesday at the Playmore Bowling alley, 225 E. Washington street. Fire Chief Al Dolezal said the fire was started by a cigarette.

PRETTY GOOD INTEREST

CHICAGO (AP) — You have to spend money to make money, even in the heist business. Two young men walked into Joseph Kuntz tavern, dropped two bits on the bar, ordered two beers, drew pistols, scooped up \$1,300. Their net profit before taxes (if any) was \$1,299.75. They left the quarter.

Patch Pockets

PATCH POCKETS have come into their own this fall, as shown on the jacket of this two-piece amber velveteen suit, a favorite for "dressy" occasions. The jacket, with its curved belt of matching material, is buttoned in the fabric.

Hunter to Deliver Talk At Engineers' Meeting

Theodore A. Hunter, research associate in the SUI psychology department, will speak at the Institute of Radio Engineers' conference on antennas in Kansas City, Mo., Friday morning. Hunter is a director on the board of the IRE, a national engineering society.

The Daily Iowan

To Improve Delivery Service, To Expedite Your Paper To You, To Serve You More Efficiently, We Are Proud To Announce The Opening of Our NEW **CIRCULATION OFFICE,** Rear of The Old Journalism Building, Corner of Dubuque and Iowa

A NEW PHONE NUMBER TO CALL:

[CITY PHONE]

8-2151

[CITY PHONE]

If You Do Not Receive Your Paper, Phone 8-2151 Before 9:30 a.m.

For Special Delivery

HELP US TO SERVE YOU . . .

By informing us of missed delivery or poor service. Your notification of shortcomings in service is our only way of checking the efficiency of our carriers. We cannot check with each one of you individually, but if you will phone us when service is missed, we can rectify the error. We appreciate your calls and are eager to provide you with the type of service you desire.

PHONE BEFORE THE DEADLINE . . .

If you call our new phone number, 8-2151, after 9:30 a.m., we cannot give you special delivery service that day. However, any calls received before that time will be promptly serviced by our special carrier. Calls received after 9:30 a.m. will be carefully recorded and the carrier boy on the route will receive notice of his error the following morning. Phone 8-2151 before 9:30 a.m.

ALL CIRCULATION BUSINESS . . .

Will be transacted at the new office. If you desire extra copies of the paper or wish to pick up a missed delivery, come to the Circulation Office in the rear of Old Journalism Building, approach by the alley on Dubuque between Iowa and Jefferson. The Daily Iowan Business Office in the Basement of East Hall will no longer have copies of the paper available for distribution. The new office is equipped and staffed to serve you efficiently. OFFICE HOURS: 5:00 a.m. to 5:00 p.m. daily.

Dedicated to Daily Iowan Subscriber Service

From Wednesday's Paper

Move Daily Iowan Circulation Office

Subscribers who fail to receive their copies of The Daily Iowan or who wish to report a change of address should call city phone 8-2151 instead of 4191. John Davenport, circulation director, said Tuesday.

The circulation department has moved to its new location in the back of the old journalism building at the corner of Iowa avenue and Dubuque street where the former carrier room was located.

The room will now house the business office, mail room, and a smaller carrier room, Davenport said. He stressed that the new office is away from the editorial and advertising departments of The Daily Iowan which are in the basement of East Hall.

A sign above the door plainly marks the new office which may be approached from the alley on the west side of Dubuque street between Iowa avenue and Jefferson street.

Union Parties Planned After Cage Games

All - university after - game parties during SUI basketball season are being planned by Union Board, Board Member Don Guthrie, A3, Iowa City, said Wednesday.

These get-togethers will be almost the same as last year's, throwing the entire Iowa Union open immediately after games for dancing in the main lounge and other entertainment provided by union facilities.

Short movies, group singing and music by a combo may be added to the evening's programs, Guthrie said. Like last year's parties which attracted as many as 5,000 persons, the closing hour is set for midnight.

Tentative party dates set by the board are Jan. 14, after the Indiana game; Jan. 21, Northwest; Feb. 11, Illinois, and March 4, Creighton university, Omaha.

Movies and a bridge tournament are also on the board's program for this year.

Films of the 1949 World Series will be shown Jan. 27 in the Union, under sponsorship of the board. The films are sent free by the American and National baseball leagues.

The movie committee may bring two or three current motion pictures to the Union, and also will try to show films of famous SUI games such as the victory over Notre Dame in 1939.

The all - university partnership bridge tournaments, also sponsored by Union board, are scheduled to begin the second week in December.

Each housing unit will be asked to submit entrants for the tournament and interested persons may enter their names at the Union desk.

The Union board bridge committee plans to give a trophy to each member of the winning team with consolation prizes for the runners-up.

Three Firms List Available Positions At Placement Office

Employment applications from SUI seniors and graduate students who will graduate in either February or June of this year are now being accepted by the Eastman Kodak company.

Blanks are available in the business and industrial placement bureau office, room 111 University hall.

Director Helen Barnes said Wednesday all applications should be in by Dec. 1. She urged interested students to get their applications in as soon as possible.

The company has listed openings in the fields of advertising, sales, accounting, statistics and other branches of business administration.

Students who have completed at least two years of undergraduate work may file applications for temporary employment with the company during summer vacation, she added.

Any students from the Chicago area graduating in February or June who would be interested in a job with an investment banking firm also should contact the office, Miss Barnes said.

Detailed information also is available in the office on the junior professional assistant social science analyst civil service examinations. Applications blanks available at the office must be turned in before Nov. 8.

Social science graduates who take the exam and qualify for appointment will receive field office positions in the bureau of old-age and survivors insurance, social security administration.

Examinations dates also may be obtained from the business and industrial placement office.

Group to Hold Pledging

Formal pledging ceremonies will be held at 8:30 tonight by Delta Sigma Pi, professional commerce fraternity.

The pledging will take place during a regular semi - monthly meeting in room 213, University hall.

Hospitals Record Pictured on 'Photo-File'

University hospitals' service record for the year ending June 30, 1949, is shown pictorially on a five-inch by seven-inch "photo-file" just released.

Information tabulated on the photograph is a breakdown of all the services performed by the hospitals during the year. A breakdown of professional personnel shows the number of staff physicians as 69 and residents as 123.

Approximately 11,000 students

were enrolled at SUI during the period covered by the report. No polio or malaria cases were reported among the students during the same period.

However, the report indicated that intestinal disorders, influenza and measles among SUI students were higher than reported during the previous year.

Tiffin Men Fined On OMVI Charge

Albert C. Slade and George Paul Leeney, both of Tiffin, were fined \$300 each in district court Wednesday after pleading guilty to charges of operating a motor vehicle while intoxicated.

Slade and Leeney pleaded not guilty when they were arraigned in court Oct. 11. Leeney was arrested for OMVI on an Iowa City street Aug. 6. Slade was arrested on the same charge on highway 6 west of Iowa City Sept. 12.

District Judge James P. Gaffney also revoked the men's drivers' licenses for 60 days.

'Y' Group to Hold Election of Officers

"Operation UN" planning committee will meet in the YWCA conference room at 7:30 today to prepare the program for an orientation meeting Nov. 3.

Chairman Abdul Naena, G. Pakistan, said election of planning committee officers would be completed at tonight's meeting.

Plans for the project, sponsored by the YMCA and YWCA, include sessions modeled after the actual world organization spaced at least a month apart to allow members time to organize and prepare the program.

Tour Conducted by Prof. Nybakken

Conducting a European tour can be a stimulating and enriching experience. But playing both mother and father to 25 persons for two months is not exactly a vacation of carefree travel either.

Those are the sentiments of Prof. Oscar Nybakken, SUI classics department, who was selected by the Bureau of University Travel at Newton, Mass., to conduct a "Classical Backgrounds" tour of Europe last summer.

The journey started June 16 and ended Aug. 16. It took the travelers to Italy, Switzerland, France, Belgium, Holland and England.

Stops at Lisbon, Genoa, Rome, Florence, Venice, Geneva, Paris, Amsterdam and London highlighted the trip. While in Italy, the travelers visited the world-famous Mt. Vesuvius and Cassino, scene of an historic World War II battle. The trip was planned for those interested in viewing and studying the historical influence of the Greeks and the Romans through the remains of their civilizations in Europe today.

Most of the tour members were students from American colleges and universities. Included, however, were elementary, high school and college teachers, a musician, an occupational therapist and a retired grade-school principal.

Not all the time was spent visiting museums, monumental remains and historical places. Side trips included an expedition to the Isle of Capri, an afternoon at the Lido in Venice, a circuit of Italian lakes, a boat ride on Lake Geneva and a drive through northern Wales.

Nybakken, an SUI faculty member since 1931, has traveled in Europe before and was acquainted with the tour's itinerary.

The Bureau of University Travel, which organized the tour, was established in 1891. The "Classical Backgrounds" trip was one of nine non-profit events sponsored by the bureau last summer.

Iowa's Faske Among Gridders Threatening Big Ten Records

CHICAGO, ILL. — Brilliant individual performances are one of the major reasons that the 1949 Big Ten football campaign has turned into such a top-to-bottom fight for championship honors.

With the season at halfway mark, one individual single game record already has been broken and several have been threatened as sophomore and juniors have taken the play away from their veteran senior teammates.

However, it has taken a senior to break the only conference record to date. Fullback Fred Morrison of Ohio State set a new single-game punting mark last Saturday at Wisconsin when he kicked four balls for 228 yards, an average of 57 per punt.

This outstanding performance wiped out the previous record of 53.7 yards set by Illinois' Dike Eddleman, when he kicked three for 161 yards against Purdue in 1946.

Iowa's junior right halfback, Jerry Faske, turned in one of the top ground gaining performances in conference "modern era" history Saturday against Northwestern when he gained 183 yards on 20 carries, an average of 9.2 per rush.

His performance ranks second to that of Bill Daley who totaled the ball 26 times and gained 216 yards against Michigan in 1943.

Fred Ruck, Hawk sophomore quarterback, and senior end, Jack Dittmer, combined their passing and catching talents, respectively, to

count for the second longest pass play of the season. The play covered 63 yards, against Northwestern.

Bill Reichardt, another Iowa sophomore, is second in most points scored in one game with 11 against Indiana.

Four other gridders are tied for first with 12 punters. Reichardt's five points after touchdown against Indiana is tops as a single game effort this season in the loop.

Illinois' unheralded pre-season eleven is now not only leading the conference in games won, but leads the loop in 11 statistical departments.

Another Hawkeye sophomore, Duane Brandt, has the most yards gained through intercepted passes in one game. He brought back two interceptions in the Hoosier fray for 38 yards. Bill Reichardt also returned three kickoffs in the Indiana game for 81 yards to lead the conference in that department.

This is a great season for the place kicking artists. Reichardt has kicked 14 straight points-after-touchdowns in Big Ten games.

Reichardt has a good chance to break Jim Brieske's record of 16 straight conversions in the 1946 season with Michigan.

THE DOAKER IS READY to get back into football action. Doak Walker, SMU all-American backfield man, gives the all-well sign as he prepares to leave Gaston hospital in Dallas, where he's been in bed with the flu. The football is one given to him by teammates Saturday after they defeated Kentucky, 20-7.

Kuhel Will Manage Kansas City Blues

NEW YORK (AP) — Joe Kuhel, recently released as Washington manager after a two-year term, Wednesday signed to manage the Yankee farm of the American Association.

Kuhel, a veteran Major league first baseman from 1930 to 1947, replaces Bill Skiff who bossed the Blues last summer.

In announcing the signing of Kuhel, George Weiss, Yankee vice-president and general manager said "Skiff remains a valued member of the Yankee organization in another capacity." He did not elaborate.

Dismissal of Kuhel by Clark Griffith came shortly before the start of the world series after the Washington club had finished in the American league cellar.

BIVINS BEATEN
PHILADELPHIA (AP) — Harold Johnson, promising young Philadelphia light heavyweight, moved up among the name heavyweights Wednesday night with a 10-round decision over ring-wise Jimmy Bivins of Cleveland at Convention Hall. Johnson weighed 177 pounds, Bivins 180 1-2.

Favored Hawkeyes Prepare Offensive For Pacific Rival

Iowa's pepped up football team smoothed out its offensive plays again Wednesday for the inter-sectional game with Oregon here Saturday.

The Hawks worked more than an hour in a signal drill, with Quarterbacks Glenn Drahn and Fred Ruck polishing their T-formation handwork. Following the signal practice, the team reviewed Oregon plays.

Although the Hawks will be favored over their Pacific Coast rival, Iowa has not defeated a far west team in five games.

UCLA pinned three of the losses on Iowa, including the 41-25 Uclan victory in this season's opener.

Iowa Turns Enemy Flaws into Scores

Turning breaks into touchdowns apparently is the scoring formula for the 1949 Iowa football team.

So far, the Hawks have scored 18 times in their five games. Of those touchdowns 10 were the result of taking the ball away from the enemy—six from fumble recoveries and four from pass interceptions.

Eight times the Iowans have come into possession of the ball in opponents' territory ranging from the 20 to the 44-yard line.

Twice they recovered a fumble in their own territory but still converted the mistake into a score.

Ten of the touchdowns were made on rushing plays varying from one to 31 yards, averaging from 10 yards out. The eight touchdown pass plays varied from 7 to 63 yards, an average of 26 yards.

Jack Dittmer caught five of the passes—14, 24, 14, 43 and 63 yards, respectively.

The Hawks have completed several long marches to the double-stripe. Against UCLA they drove 75 yards in 13 plays, 99 yards in 15 plays and 88 in 6 plays. Purdue was the victim of a 52-yard drive and against Illinois they went 59 in 4.

Intramural Grid Tournery Near End

The intramural football tournament enters the homestretch next week with a light schedule of games. Highlighting the card will be the social fraternity and married students semi-finals.

Nation's College Grid Receipts Up 4 Percent at Half Mark

NEW YORK (AP) — Despite television competition and a box office decline in baseball, boxing and horse racing gates, college football continues to enjoy an attendance boom.

Figures for 305 games played by 112 teams, reflect an overall four per cent increase for the first half of the season. Only in the East is there a drop. The southwest shows a sharp upturn of 29 percent.

Six schools are in the 200,000 class, led by Michigan with 291,717 for three home dates. Increase in the Wolverines' stadium capacity from 87,039 to 97,239 is the big reason for the Michigan increase.

Ohio State, always a leader, jammed in 219,189 for three

... At Iowa

Attendance at Iowa games has gone along with the general increase over the nation, although exact figures are not available.

Frank Havlicek, Iowa ticket manager, states that attendance has been "better than expected," and that the season ticket sales broke the old record of 5,373 by almost 3,000 sales.

"As far as I know," he said, "attendance is above anything we've ever had before."

Stanford's total of 258,000 actually is next to Michigan's but they have played five home games.

Southern Cal also is in the select group with 209,005 for four home games.

Southern Methodist's shift to the Cotton Bowl as the site of its home games has been most successful. The Mustangs have played

ANN ARBOR (AP) — With only Halfback Leo Koceski still on the injured list, the University of Michigan footballers went through their last strenuous practice session Wednesday before the Illinois game.

The Wolverines, who leave for Champaign by train today avoided heavy scrimmage but held workouts on fundamentals and passing.

Trainers said Fullback Don Dufek and End Bob Hollway, both on the "doubtful" list previously, would be able to play against the Illini.

Halfbacks Wally Teninga, Chuck Ortman and Charley Lentz were on the pitching end during the pass drills with Harry Allis and Ozzie Clark doing most of the receiving.

EVANSTON (AP) — Coach Bob Voigts gave the Northwestern squad an hourlong chalk talk Wednesday and then sent the gridders out to scrimmage.

Separate offensive and defensive scrimmage sessions were held. Gasper Perricone, fullback stood out in the offensive practice.

The team leaves Friday to play Ohio State Saturday.

LAFAYETTE (AP) — Three injured players forced Purdue Coach Stu Holcomb to make a hurried revision of the Boilermakers travelling squad Wednesday.

Don Jackson, line-backing guard, and Dan Mc Ilrath, reserve end, were crossed off the probable trip roster when they were hurt in scrimmage and John Considine, reserve tackle, dropped out for the rest of the season because of a back injury.

Another doubtful was Capt. Angelo Carnaghi, center, who suffered a shoulder injury against Illinois last week.

COLUMBUS (AP) — Coach Wesley Fesler relaxed the pressure Wednesday on the Ohio State team after a bone-crunching scrimmage Tuesday.

The squad spent practice watching the freshman team execute Northwestern plans. Vic Janowiec, sophomore fullback, hurt his leg again and it was doubtful whether he will play. He has missed two previous games.

Fesler said that because of the coal strike, the Northwestern team will fly here, arriving Friday morning. A crowd of 82,000 was expected for the Dad's Day game Saturday.

BLOOMINGTON (AP) — The Hoosiers of Indiana University concentrated on passing during scrimmage Wednesday, tossing a few but placing the emphasis on aerial defense.

Coach Clyde Smith smiled with relief when the practice ended for his already injured-riden team suffered no further manpower losses.

MADISON (AP) — Bill Albright, Wisconsin's starting offensive left tackle, will not be among the 36 players leaving today for the game with Indiana Saturday.

Coach Ivy Williamson said Albright suffered a bruised cheek bone in last week's Ohio State game which has taken longer to heal than was expected.

His place will be taken by left guard Charlie Yderstad, whose regular spot will be filled by Bill Gable.

MINNEAPOLIS (AP) — Minnesota gridiron practice was still under wraps Wednesday as the Gophers primed for Saturday's Homecoming tilt with Purdue.

But enough permeated the curtain Coach Bernie Bierman has hung around the secret sessions to let it be known the rehearsal was rugged. It was a three-hour scrimmage practice with defense against Purdue plays getting chief attention.

President Truman in a recent letter to Dr. Edwards Hughes Praden, pastor of Washington's First Baptist Church, said, "Many times during the past decade the conviction has come upon me with increasing force that a revival of the spirit of old-fashioned religion is what the world most needs."

This statement is not open to serious challenge. It is true of our world, our nation, our individual churches. The Church of the Nazarene solicits the prayers of every Christian in our community in behalf of this special Revival campaign.

John Schweder, U. of Penn Guard, Wins Lineman of Week Distinction

PHILADELPHIA (AP) — A decision John (Bull) Schweder made more than four years ago paved the way for his being named football's lineman of the week.

Bull — it's "Big John" among his Bethlehem, Pa., friends and "Dutch" to Coach George Munger at the University of Pennsylvania — had to make a decision: whether to go to college or accept a St. Louis Browns' offer to play baseball.

College, and Penn in particular, won out.

The 21-year old father of a four-months old son was cited Wednesday by The Associated Press for his outstanding defensive and offensive play in Penn's 28-7 rout of Navy Saturday. Pictures of the game show he made 14 tackles and never was fooled by a Navy play.

Although rated a hard-hitting baseball catcher with great prospects, football is the game the 210-pound guard really loves. He is hopeful of going into the pro ranks after graduation next spring. The Philadelphia Eagles have first call on him in the National football league.

"I felt like I was playing a decent game Saturday," said Bull modestly.

"You know one gets a certain feeling when he knows he is doing things right on a football field. And I got that feeling from making tackles."

"He was extra good against Navy," declared Munger, "but he has not played a bad game this year and very few last season. In 1940, however, he was too heavy and slow. But hard work during the summer took off more than 20 pounds and now he is plenty fast."

John A. (Bull) Schweder
University of Pennsylvania's guard, lineman of the week

Lakers Edge All Stars, 94-86, As Mikan Scores 31 Points

CHICAGO (AP) — George Mikan's record breaking 31 points led the Minneapolis Lakers to their second straight triumph over the College All-Stars by a 94-86 score in the 10th annual charity basketball game at the Chicago stadium Wednesday night.

A crowd of 16,731 saw the All-Stars, paced by Kentucky's Wallace Jones, stage a stirring but futile rally after trailing by a substantial margin most of the way. Jones collected 22 points.

Mikan's bag of 11 field goals and nine free throws broke the individual all-star scoring record of 19 points set by Jim Pollard of the Lakers last year.

The Lakers' triumph gave the professionals their fourth victory against six defeats in the all-star series.

Yale's Tony Lavelli suited up for the game, but failed to appear with the All-Stars because of a telephone warning from the New York A. C., that he would lose his amateur standing. Lavelli intends to play with a New York A. C. basketball team later.

Chicago Golf Club Signs Babe Zaharias

CHICAGO (AP) — Mildred (Babe) Didrikson Zaharias, generally regarded as the nation's No. 1 woman athlete, Wednesday signed to become a full time professional at the Sky Crest Country Club. She is the first of her sex to hold down such a job with full authority.

Skycrest is a swank suburban club northwest of Chicago. It was the scene of the 1948 Western Open in which Patty Berg defeated the Babe in 37 holes.

Gene Dyer, president of Sky Crest, said the Babe would take over her new duties Feb. 1. She won't be just another tournament player, using her club as her address as she did when she registered from Grossinger's in Ferndale, N.Y.

To aid the Babe in reaching tournaments and still give her maximum of time to her duties, Dyer said the club would purchase a plane to facilitate her travels.

"And they are going to teach me to fly it, too," Babe added.

"Exhibitions next year? Maybe a few here and there, but nothing like those last couple years. This job at Sky Crest will give me a chance to really tune up for the big important tournaments."

Mrs. Zaharias' golfing record, on top of a sports career that includes record performances in running, swimming, throwing the javelin, diving, high jumping, hurdling, baseball, boxing, rifle shooting, horse back riding, skiing and billiards, is one of the most outstanding in the game.

After a professional career, the Babe regained her status as an amateur and proceeded to win the women's national amateur championship and become the first American woman to take the British Women's Amateur crown.

She won the women's Western Open in 1940, 1944 and 1945, the women's National Open in 1947 and the women's championship at Tam O'Shanter in 1947, 1948 and 1949. The first American woman ever to win the British Amateur, in 1947, the mighty Babe took the British Isles by surprise with her swings and booming drives.

The Babe is 34.

Founder of NAIB Basketball Tourney, Emil Liston, Dead

BALDWIN, KAN. (AP) — Emil S. Liston, 59 years old, father of the NAIB basketball tournament, died of a coronary occlusion at his home here Wednesday.

The big, likeable man, with the weathered features and the friendly smile, became ill shortly before Tuesday midnight. He believed it was intestinal flu. He felt "about the same" during the morning. At noon, while reading a newspaper, he gasped once and died.

Liston was a great athletic figure, from his days as a Baker university athlete here through his years as executive secretary of the National Association of Interscholastic Basketball.

He stood six feet three inches tall in his playing days and weighed 225 pounds. He was an 11-letter man at Baker and all-conference selection in both football and basketball.

From those years, Liston advanced through five years of pitching professional baseball to the coaching ranks, to athletic directorships and to places of importance in the NCAA and the AAU.

But he built his monument in the NAIB, an actively climaxed every March with a national tourney in Kansas City's Municipal auditorium, drawing the select 32 teams from a national membership running into the hundreds of schools.

Liston and others organized the NAIB so the colleges could play each other and the independents compete in their own class.

He formed the NAIB in 1938 through the aid of the late Dr. James A. Naismith, founder of the game.

The tournament under his guidance grew to full national stature. And each year, when it was over, Liston was talking of "wait 'til next year and see how much bigger and better it will be."

Liston served his alma mater, Baker university here, for 22 years as athletic director and head coach of baseball, football and basketball. Then he resigned to devote his full time to the NAIB.

While at Baker, he established the Baker relays, construction of a stadium and excellent athletic plant.

Baylor Undefeated But Trial Remains

WACO, TEX. — Coach Bob Woodruff, only in his third year as a head coach, had his Baylor university Bears among the nation's major undefeated, untied powers Wednesday, but he's worrying that his club doesn't have the depth to wade through a torrid November trail.

The 33-year-old former Tennessee player and assistant coach has made an impressive record in the two and one-half seasons since he took over a Baylor squad that had won only one game the year before.

He's satisfied that he has a good team again this year, maybe a bit better than last year's which surprised everyone by winning six in a row before ending the season with a 6-3-2 record and a Dixie Bowl win over Wake Forest.

But he looked at his remaining schedule Wednesday and winced.

Even if his club wasn't seriously crippled in the line, it would be asking a great deal of it to wade through Texas Christian, Texas, undefeated Wyoming, Southern Methodist and Rice on successive Saturdays and still emerge unscathed.

Big Time Coaches Moan About Tough Weekend Opponents

NEW YORK (AP) — UCLA Scout Tom Whitley Wednesday night put the finger on Quarterback Bob Celeri as the man the Uclans must go if they want to beat California and go to the Rose Bowl.

The big west coast game is scheduled Saturday, and Whitley has spent the week pointing the necessity — and difficulty — of stopping the star California back.

"He is the sparkplug of the team as ball handler, passer and probably the best ball-carrying T-formation quarterback I've ever seen," the scout said. "Also, we've got to outchance that California line if we expect to get at Celeri in the first place."

But on the other side of the fence, California Coach Lynn Waldorf also insisted that defense was his big problem. "Judging by what Iowa is doing in the Big Ten," he said, "any team that could score six touchdowns on the Hawkeyes is pretty good. We've got our defense problems cut out for us."

Offense, not defense, was the worry of Matty Bell as he readied his Southern Methodist team for a major Southwest conference joust with Texas.

Blair Cherry of Texas did not write off the SMU offense, however. "It's diversified and that's the trouble," Cherry said. "We just can't plan a simple defense. They beat Kentucky, one of the outstanding teams in the nation, without Walker, you know."

In the Southland, Coach Bobby Dodd of Georgia Tech was willing to show his hand against Duke. "We plan to beat them on the ground," he said flatly.

"Our team is in good shape. We are planning on using a running game more than we have in the past. This running game is greatly improved, as I noticed in the games against Auburn and Florida."

Dodd pointed to Billy Cox as "the boy we fear most. He is a real fine forward passer and a better than average runner."

Boxing Refs Get Licenses Revoked

DETROIT (AP) — The Michigan boxing commission Wednesday revoked the licenses of two officials who handled the controversial Lester Felton - Kid Gavilan fight.

Commission Secretary Leo Souriall said both Referee Morris Sherman and Judge Sam Pearlstein were "bax in their duties as defined by the commission" in supervising and judging the fight in Olympia stadium Friday night.

Sherman and Pearlstein gave the decision to Felton while the third judge, Joe Lenahan, voted for Gavilan.

Whether the licenses will be reinstated later is up to State Boxing Commissioner Floyd Stevens, Souriall said.

"Really a choice package, wasn't she?"

Liberal Arts Faculty Names Nine Members to Committees

Nine new members have been elected to the three standing committees of the college of liberal arts, Dean Dewey B. Stuit said Wednesday.

The selection was made by the voting faculty of the college of liberal arts, composed of professors, associate professors and the assistant professors.

Three newly elected members of the executive committee are Prof. Gerald Else of the classics department, Prof. Ralph Elsworth, director of libraries and Prof. Lloyd Knowler of the mathematics department.

New members of the committee on curricula and instruction are Prof. Grace Cochran of the romance languages department, Prof. Everett W. Hall of the philosophy department and Prof. Arthur Roberts of the physics department.

Prof. Oscar Nybakken of the classics department was elected to the adjustment committee. They all will serve a three year term on the committee.

Dean Stuit also announced the appointment of a sub-committee on examinations to study and make recommendations concerning entrance tests for liberal arts students and comprehensive achievement examinations, particularly with reference to core courses.

Prof. Robert Ebel, director of the SUI examinations service, was named chairman.

Other committee members are Prof. E. F. Lundquist of the college of education, Prof. John Gerber of the English department, Prof. Vernon Price of the mathematics department and Prof. C. H. McCloy of the men's physical education department.

Prof. Gerald Else of the classics department, Prof. J. J. Kollros of the zoology department, Prof. Jack T. Johnson of the political science department and Prof. Harold P. Bechtoldt of the psychology department.

The executive committee serves primarily as an advising body to the dean in matters pertaining to the administration of the college of liberal arts.

The committee on curricula and instruction studies and makes recommendations concerning the curriculum of the college. At present, it is studying reports of sub-committees dealing with the basic skills and the core courses.

It is expected that the committee's findings and recommendations will be reported to the liberal arts faculty later this year, Dean Stuit said.

The adjustment committee serves as the scholarship committee of the college and reviews requests of students for consideration of special problems. It also handles the cases of students with poor scholastic records and considers petitions for readmission.

Hancher and Davis To Attend Meeting

SUI President Virgil Hancher and Prof. Harvey Davis, dean of the SUI graduate college, will attend a joint meeting of the American Association of Universities and the Association of Graduate Schools today through Saturday at the University of Wisconsin in Madison.

Eminent educators expected to attend the meetings include Presidents Dwight Eisenhower of Columbia; Robert Sproul of California; Robert Hutchins of Chicago; Harold Stassen of Pennsylvania and James Conant of Harvard.

Thirty-four institutions belong to the associations.

Senior Class Presidents Feted at Annual Dinner

Senior class presidents of eight SUI colleges and two schools will be honored tonight at the traditional senior president's dinner given annually by the SUI alumni association.

The steak dinner will be held at 8:45 tonight at the Iowa Union. Executive secretary Loren Hickerson will act as host representing the SUI alumni association.

Dick Dice, A4, Marion, student council president will also be a guest at the dinner.

Good News for Air Minded College Men!

Charged with Hooded Flogging

CHARGED WITH FLOGGING WHILE MASKED in Birmingham, Ala., Coleman A. (Brownie) Lollar (right) is shown conferring with his attorney, George Rogers. Lollar was identified Wednesday by a woman witness as one of the masked mobsters who raided her home last June 10.

June Hooded Raids Conducted by Klan, Witness Tells Court

BIRMINGHAM, Ala. (AP) — A witness testified at the opening of the Alabama flogging trials Wednesday that the Ku Klux Klan carried out a hooded raid against a 42-year-old grandmother last June 10.

It was the first positive linking of the Klan with the series of summer mob outbreaks which so

aroused the state that the legislature passed an anti-masking law.

The witness was Boyd Killingsworth, who admitted he was a member of the raiding party which descended on the rural home of Mrs. Hugh McDaniel. But he denied that he earlier identified the first defendant, Coleman E. (Brownie) Lollar, as being present.

Killingsworth said that he went to a Klan meeting at Adamsville, west of Birmingham, that night and later "we stopped by the highway and robed up."

A parade of about 30 cars with two or three men in each car first burned a cross in front of a cafe, "then went over to the Jasper highway and stopped in front of the McDaniel house," Killingsworth said.

"I helped to direct traffic," Killingsworth said. "I heard a little of the noise of them getting into the house."

Mrs. McDaniel, gaunt rural resident, had earlier testified that about "100 men with their faces in hoods," led by defendant Lollar, forcibly entered her home and dragged her out to watch them burn a cross.

The defense attempted to attack Mrs. McDaniel's character by waving a photograph which it said was a picture of her posing nude in a cornfield.

Judge Robert J. Wheeler angrily ruled the move improper and irrelevant.

Both Killingsworth and Felix Lee (Pete) Houghton, who followed him to the stand and gave similar testimony, admitted they were Klansmen and wore official Klan robes on the night of the McDaniel raid.

The trial, marking the south's first large-scale prosecution of masked raiders in modern times, opened with Mrs. McDaniel identifying Brownie Lollar as a member of the mob that visited her. He was the first of 18 defendants called to trial.

She recognized Lollar, she said, because at the time of the raid she had the pluck to jerk aside his hood to look at his face. She recognized two other defendants the same way, she said.

Scouts to Present Instructor's Drama

A 15-minute radio drama written by Crawford Thayer, instructor in the SUI school of journalism, will be used by the Boy Scouts of America, Inc., in connection with a scout national jamboree next year.

Thayer's drama, "The Spirit of Valley Forge," is built around the scout theme "Strengthen the Arm

of Liberty." The drama tells of the trials of Washington's army at Valley Forge during the Revolutionary war.

The scout jamboree is to be held next June at Valley Forge, Pa., according to the scout director of public relations who announced the acceptance of Thayer's script.

Thayer handled dramatic radio shows for the New Haven, Conn., community chest last year. He is former advisor of the Ethan Allen Explorer post in New Haven.

Try and Stop Me

By BENNETT CERF

THE CONTROVERSY over the origin of one of the most widely quoted phrases in baseball history is settled seemingly once and for all by Sports Editor Dan Parker, who states with finality, "The late Yussel Jacobs liked to remain snuggled under six or seven blankets until about four

every afternoon, but his cronies persuaded him to attend the opening game of the 1935 world series between the Detroit Tigers and the Chicago Cubs.

"It was played in Detroit on a bitter cold afternoon, with snow flurries powdering the diamond, and icy winds blowing down the spectator's necks. Yussel suffered for a few minutes in silence, his teeth chattering like castanets, and then uttered his famous complaint: 'I should of stood in bed!'"

George Jessel, notoriously susceptible to anything in skirts, was introduced at a Motion Picture Relief dinner by Bob Hope. "One thing you'll have to say for George," Hope pointed out. "He never gives a girl a second thought. The first one covers everything."

Copyright, 1949, by Bennett Cerf. Distributed by King Feature Syndicate.

Woman's Claims Called 'Lot of Hokey' by Engel

CHICAGO (UP) — A second woman in the love life of Sigmund Engel, 73, testified Wednesday that he charmed her into marriage, persuaded her to sell her home and vanished with the liquid assets.

And for the first time in his trial on swindling charges the suave Engel lost his composure.

As the day's court session ended he leaped to his feet and brandished a fist at prosecution officials.

"You're a bunch of crooks," he cried. "It's a lot of hokey. Such a story you put in her mouth."

Prosecutors laughed while Engel's attorneys shut him up and hurried him out of court.

The witness was Mrs. Annetta Kubiak, 39-year-old blonde divorcee from South Bend, Ind.

Engel is accused of swindling Mrs. Reseda Corrigan, red-haired Chicago widow, out of \$8,700. The prosecution said Mrs. Kubiak was called to show intent on the part of Engel.

She testified that Engel used the same pitch in making her acquaintance as he did with Mrs. Corrigan, telling her that she resembled his dead wife.

He posed as the wealthy and influential "H. Paul Moore," she said, and persuaded her to marry him.

At the wedding, she said, "Mr. Moore cried so hard that his eyes just dripped."

"I couldn't cry because I had mascara on," she said.

Mrs. Corrigan testified that her romance with the great lover brought her stage offers and 5,000 proposals of marriage.

She said she signed one stage contract, but cancelled it after she learned Engel was part of the act, too.

At the start of prosecution testimony in Engel's trial Tuesday, she told an appreciative courtroom how Engel kissed her fingers, her ears and her tiny feet to induce her to draw part of the money out of the bank.

On cross-examination, Defense

Estate Heirs File Suit Against City

A suit involving the Iowa City estate of George W. Glasgow, deceased, was filed against the city of Iowa City in district court Wednesday.

Robert Berry, administrator of the estate, is asking that the city be enjoined from collecting assessments against the estate and that a tax assessment of the city council be declared null and void. Berry brought the suit on behalf of heirs of the estate.

Berry said on Sept. 12 the Iowa City council filed in the city clerk's office a proposed levy against the property for paving and street improvements. He said the city council attempted to assess the property for \$1,680.

Berry claims the city council had no jurisdiction to make improvements on the property and that the assessment is in excess of any benefits conferred upon the property.

He said there is danger the property might be sold for taxes.

Four Polio Patients Enter SUI Hospitals

The number of active polio cases at University hospitals rose Wednesday to 11 as four patients were admitted to active wards, hospital officials said.

Joyce Paustian, 14 months, Trer, was the only new patient in "serious" condition.

Others admitted Wednesday, all in "fair" condition, were Thomas Menke, 10 months, Ft. Madison; Jacob Mulford, 4 months, Bradford, and Mary Oltmann, 2, Shell Rock.
