

By GIL PEARLMAN HISTORIANS, for the purpose of analytical study, take a given period of time and classify that as an epoch of reform, reaction, some sort of movement or the rise of a popular "ism."

WHAT THEN is that era? After spending the past three months in constant and extensive research, I am convinced that we, in 1949, are living in the AGE OF THE IDENTIFICATION CARD.

Before presenting startling illustrations which prove this generalization, a brief history on the rise of the identification card, the new sovereign of the state, is demanded. This background is divided into four major stages.

I. IN CHINA some Casanova, desiring to keep a scrapbook of his loves, found it difficult to glue a 5-foot, 4-inch female on a 8 by 10-inch piece of paper, so he devised a method of making an impression of their lovely faces on film. Hence, the photograph!

II. IN ENGLAND, a convict, doing servitude for plagiarism, desiring to distinguish himself from the illiterate prisoners, tagged the number 80511 on the pocket of his shirt. Hence, the prisoner numeral.

III. IN IOWA CITY, some enterprising administrator, unable to think of anything else to do with them, having neither loves or a prison term, combined the two. Hence, the Identification Card.

IV. IN A ROUGH situation, a humanitarian, who held an idolatry for the hole in a doughnut, came upon the realization that "things are tough all over." Hence, the punching of the cards.

PROOF - PROVIDING illustration No. 1 — Miss B went to the general library to check out a rare book entitled, "How to Make Cheese Souffle," which she needed for an examination. Having forgotten her Identification Card she could not check the book out.

As a result Miss B failed the examination, failed the course, was dismissed from school for failing to make a two-point, left town at the cost of losing her sophomore boy friend and spent her remaining years as a lonely chef at a roadhouse called "Cheesburg Inn No. 63." All because of the Identification Card!

PROOF - PROVIDING illustration No. 2 — Mr. Q walked into the local sundry shop, and pleaded of the waitress, "May I have a ham sandwich?"

Quoth the waitress, "Do you have your ID Card?" "No, I'm sorry, I don't." "Sorry, no ID card, no sandwich."

"Well, may I have a cup of coffee?" "Sorry, no ID card, no coffee." "May I breathe?" "Sorry, no ID Card, no breathing."

Wherein Mr. Q stopped breathing, stopped living and was buried as a desolate, unwanted old man at a cemetery near a roadhouse called "Cheesburg Inn No. 63." All because of the Identification Card!

Where will the cycle of this new age end? Soon, to obtain the bare essentials of life, we will, by necessity, be forced to wear our Identification Cards around our necks, like army dog-tags.

Students, unity is our only safeguard against the dictatorship of the photograph, the numeral and the punch. Let unity, then, be our foil.

What, in the last analysis, have we at stake, but our athletic, Daily Iowan, Frivol, theatre and library privileges?

Nat Cole, Woody Herman 'Talk Shop'

WOODY HERMAN AND "KING" COLE take time out between concerts to "talk shop" in the Iowa Union library. The one-night stand at SUI Friday night was one of the last performances to be given by the team this season. They will split up as a concert package unit next month.

Here for Concert —

Herman May Break up Present Band

By BETTY KERR About 3,000 SUI music fans packed the Iowa Union lounge Friday night for two of the last concerts to be presented by the Woody Herman-Nat Cole duo.

"King" Cole fans who go for the sort of mellow treatment Nat gave his arrangements Friday night must find it hard to believe that for years Cole hid his vocal talents.

"We were having a jam session one night and the joke came to my mind. We started kicking it around and came out with a song," Cole laughed.

Question: Is there anything you feel is especially lacking here at SUI?

Bill Baber, A4, Lamoni: "There is little school spirit and very few traditions. More of us need to realize that this is one of the best universities in the country, and should reflect this idea in our attitudes and school spirit."

Dale Randall, C4, Iowa City: "In and around the main campus we are lacking parking facilities."

BABER RANDALL

The proceeds from parking meters that were recently installed have not directly benefited the students in solving the parking problem. Two hour meters do not allow sufficient time for students with a continuous schedule.

Jim Piercy, C3, Lamoni: "I should like to see a bowling alley at the union. There should also be space for quartering visiting convention delegates. Such facilities, which are found at the Iowa State college at Ames for example, contribute to creating a favorable impression of the university."

Sonia Egenes, A3, Story City: "One thing that is lacking is a true school spirit. The student body seems unwilling to give much at-

PIERCY EGENES

tention to athletic teams except when they are winning. This was evident with the small turnout at the pep rally before the Wisconsin game after having lost to Minnesota."

Jean Tripp, A4, Mapleton: "Lack of interest on the part of students in their education is especially lacking here at SUI. We need more informality in class on the part of both students and faculty. There should be more emphasis on group and individual discussion of ideas rather than on the exact duplication of what the instructor says."

Jean McNeill, A2, Burlington: "Lack of centralized library facilities is one of the great shortcomings of SUI. Too much time

TRIPP McNEILL

and shoe leather is lost tracking down a book from one library to another. There aren't enough seats at many of the libraries to handle the demand."

Varsity Rifle Squad Outshoots Coe Team

The SUI varsity rifle team topped the Coe college marksmen 1,358 to 1,267 Wednesday in the varsity's first inter-collegiate match this semester. Sgt. J.P. Anderson, rifle team coach, said Thursday.

Anderson said the possible team high on the fieldhouse rifle range was 1,500.

Top scores were gained by SUI team members A. Blaine Kearney, P4, Oakland, with 275; Keith Nicodemus, E2, Vinton, with 274; Harlan Bjork, E4, Albert City, with 273, and Robert Best, P3, Webster City, with 272.

Possible high for individual score was 300. The rifle coach said the team's next match will be Dec. 1 against Coe in Cedar Rapids.

A.V.C. Picks Delegates To Chicago Convention

G. Robert Mohr, 181 Riverside park, and Joseph F. Murphy, 126 N. Clinton, will represent Iowa City's chapter of the American Veterans committee at the group's annual convention this week in Chicago.

The convention of World War II veterans will begin Thursday and end Saturday.

Mrs. Jean Thompson, 507 Iowa avenue, and James A. Reeds, 107 Finkbine avenue, were named alternate delegates.

FILES PETITION

Beulah K. Hannah filed a petition in district court Saturday to amend her request for divorce from William L. Hannah, filed March 1949. She charged cruel and inhuman treatment, and asked for suit money and attorney's fees.

PITCHER TO SPEAK

Prof. Seymour Pitcher, of the SUI English department, will speak on the "Definition of Tragedy" at the Monday meeting of the Humanities society. The lecture will start at 8 p.m. in the senate chamber of Old Capitol, and will be open to the public.

Mercury Hits 65; No Snow in Sight

Knocked about earlier in the week, Iowa City's "summer in November" refused to stay down Saturday as temperature pushed far beyond predicted peaks.

The mercury hit a warm 65 at the CAA weather station after an early morning low of 34.

Coat proved to be so much extra luggage in the afternoon as the temperature moved up the scale here. But by nightfall the mercury was again on the decrease and was expected to creep back into the 30's overnight.

Today's weather is to be more of the same. No rain or snow is forecast, and temperatures in the 50's should prevail during the day.

De Molays to Honor Two SUI Students

The Iowa City Court of Chevaliers, Order of De Molay, will confer the Chevalier degree on two SUI students at 7:30 tonight at the Masonic temple.

Grand Commander Chan Coulter, A4, Iowa City, said Saturday the degree will be conferred upon Tom Burney, A3, Iowa City, and Merlin Daniels, P1, Moline.

William E. Beck, SUI instructor in mathematics and astronomy, will be master of ceremonies.

All De Molays, Chevaliers, Masons and the public are invited to attend the ceremonies, Coulter said.

Suits Filed Against Hatcheries, Tenant In District Court

A charge of forcible entry and detainer against Charles Abbot, 102 S. Gilbert, for failure to leave the apartment there was filed Saturday in Johnson county district court.

Earl and Novella Gilpin claimed in their petition that as owners of the property they had obtained consent from the Housing Expediter and Housing and Rent act of 1949 for ousting of the defendant.

They said they had given Abbot notice Oct. 5 to vacate the place Nov. 5, and that on Nov. 9 they had given him an additional 3 day notice.

District Judge Harold D. Evans set hearing for 10 a.m., Nov. 28.

The Standard Tr Products company, Milwaukee, Wis., filed suit in Johnson county district court Saturday against Allied Hatcheries, incorporated, Iowa City, asking \$36 compensation for merchandise allegedly delivered to three Iowa hatcheries, whose main office is the Iowa City firm.

Licenses to Fish, Hunt Net \$6,359 Total Here

Hunting and fishing licenses issued since April 1 have brought a total of \$6,359.50 to the Johnson county recorder's office, Recorder R.J. (Dick) Jones said Saturday.

This compares with an intake of \$7,180 by the end of November 1948.

Since April 1 the office has issued 946 resident hunting licenses, 1,001 resident fishing licenses, and 1,230 resident hunting-and-fishing licenses, a total of 3,177, Jones reported.

Last year's total by Nov. 30 was 4,149.

Mountaineers to Drive, Hike to Amana Today

Fifty Iowa Mountaineers will drive and hike to Amana this afternoon for supper and a picture program, John Paver, C3, New Canaan, Conn., leader of the hike, said Saturday.

The group will leave the Mountaineers' club house behind the South Quadrangle about 1:35 p.m. and drive part way to Amana, he said.

Student Federation Elects Sophomore Chairman of Area

SUI Student Edward Diekmann, E2, Ottumwa, was elected Iowa area chairman of the National Student association Saturday during the regional assembly at SUI.

Other officers are Beth Budd, A2, Grinnell college, vice-chairman in charge of student life; Pat Morrey, A4, Clarke college, Dubuque, vice - chairman in charge of international affairs.

Rex Farrier, A4, Parsons college, Fairfield, vice-chairman in charge of educational problems; and Marilyn Smith, A3, Rockford, Ill., secretary-treasurer.

NSA Vice-Pres. Ted Perry, Temple university, Philadelphia, was the featured speaker at the assembly's morning session.

Perry explained the NSA purpose as a federation of student governments working to represent American students in national and international affairs.

Among the resolutions passed by the group was a plan to or-

ganize a student government bureau to coordinate information about such campus activities as orientation, finance and campus chest.

City Building Permits Reach New Fall Peak

Building permits issued by the city engineer's office during the past week reached a new fall peak of \$60,300, an increase of \$57,300 over the total for the corresponding week last year. Five new Iowa City homes accounted for the majority of last week's increase. Permits for the

ARREST 15 SOCIALISTS

PARGUE, CZECHOSLOVAKIA (AP) — Fifteen members of the now-outlawed national socialist party — the party of the late Eduard Benes — were disclosed Thursday night to have been arrested in the Communist-led government's campaign to wipe out political opposition. The arrests took place during the third week in November, 1948 and amounted to \$3,000.

Business BRIEFS

Joe and Leo Rossie recently opened a new cafe at 107 Burlington street. They completely redecorated the interior of the building, furnishing it with polish aluminum and stainless steel equipment. The cafe operates on a 24-hour schedule.

John R. Cornwall, 119 E. Davenport street, was recently appointed manager of the Singer Sewing center at 125 S. Dubuque street. He succeeds H.E. Meeker, who was transferred to Des Moines.

Cornwall, formerly assistant manager of the Iowa City Singer store, became manager for Singer at Fort Madison two years ago. He and his family live with his father-in-law, W.E. Beck, SUI mathematics instructor.

At least one Iowa City grocery store is selling small 5 to 6 pound turkeys for Thanksgiving dinners. The small turkeys are being featured for small student

SUI-Nebraska Debaters Meet in Cedar Rapids

Two SUI students debated against a University of Nebraska team Saturday at Cedar Rapids before a clinic of high school speech students from Iowa, Nebraska and Missouri.

Charles Thodt, A4, Walcott, and Murray Kniffen, A4, Rock Rapids, opposed the question, "Resolved: The U.S. Should Nationalize Basic Non - agricultural Industries."

Prof. Hugh Seabury, speech department, accompanied the students on the trip.

families that will be staying in Iowa City over vacation.

Iowa City retailers are considering a ceremony Dec. 14, marking the first lighting of new mercury-vapor street lamps. It would be tied in with the "Shopper's Special night" that evening when stores will remain open until 9 p.m.

C.J. Hutchinson, 812 Dearborn street, recently opened his office at 22 1-2 S. Dubuque street, for general tax consultant work. He formerly worked with the U.S. department of internal revenue in Davenport, Mason City and Iowa City. Last summer Hutchinson became a justice of the peace here.

SUI-Published Literary Magazine Ready

The first issue of the SUI published "The Western Review," literary magazine, was off the press Friday and ready for distribution, Prof. Ray B. West Jr., the editor, said.

The "Review" is a literary quarterly made up of short stories, poems, articles and book reviews. Included in the edition are the writings of three SUI graduate students.

A story by James McConkey, Lakewood, Ohio, several poems by Robert Shelly, St. Louis, Mo., and a book review by Alwyn Berland of Chicago will be in this issue. All three are graduate students in the creative writing program here.

West said a few copies of the magazine will be for sale soon at the Bookshop, 114 E. Washington street. The majority of the 1,000 copies printed this time have to be sent to a central distributor in New York. Afterward some will be shipped back to book stores in this area. The magazine will sell for 50 cents.

The magazine is one of the oldest American literary quarterlies. West founded it in 1937 and has published it in Salt Lake City and Lawrence, Kan., before coming here.

The "Review" prints work by well-known and novice writers. West said, but it is especially interested in work by little-known young writers.

At SUI the quarterly will have a new and enlarged format designed by Carroll Coleman, typography expert in the school of journalism, West said.

Buck, California Clinch Rose Bowl Bids

Bears Smother Indians, 33-14

PALO ALTO, CALIF. (AP)—California's Bears thundered into 1949 football history and clinched the right to represent the Coast conference in the Rose Bowl Jan. 2 with a 33-14 victory Saturday over the game but outclassed Stanford Indians.

California racked up its 10th consecutive win of the season in not only grabbing the undisputed claim to the conference title but the certain bid to return to the big bowl classic at Pasadena.

Trailing 7-6 at the halftime, Coach Lynn (Pappy) Waldorf's club came roaring back with a smashing attack.

Led by big Jack Swann, playing his first full game this season after being sidelined by injuries, the Bears pushed across two touchdowns in the third period and two more in the fourth.

Entering the game a one-touchdown favorite, the Bears found the going rough for just 30 minutes of play. After that, they used those famous Waldorf end sweeps and delayed off-tackle smashes for huge ground-gainers—and rolled for a touchdown every time they got the ball.

MOVING FOR FIVE YARDS through the center of the line is Michigan fullback Dick Kempthorn in the first quarter of Saturday's Michigan-Ohio State game. The Wolverines scored first but the Bucks fought back to tally in the fourth period on fullback Fred Morrison's one yard smash. The game ended in a 7-7 tie to clinch the Rose Bowl trip for the Bucks.

Southern Cal Ruins UCLA Hopes, 21-7

LOS ANGELES (AP)—Southern California's Trojans, riding on the gifted southpaw pitching of fourth string Quarterback Dean Schneider, defeated UCLA Saturday, 21-7.

The decision, unreeled before 75,028 fans, automatically rubbed UCLA out of the Rose Bowl picture although California's victory over Stanford had already precluded a Bruin title share.

The Trojans broke a 7-7 deadlock in the last four minutes of the game and added another touchdown in the final seconds, cashing in on a gift opportunity.

line, Ginsberg recovered a fumble on the Notre Dame 44. On third down, Faske broke into the clear and went 33 yards to the Irish seven. Then came the touchdown pass from Drahn to McKenzie.

Accelerate Attack

The second half saw Notre Dame look somewhat more like they were expected to look. The Irish were able to keep a ground attack in gear, held on to the ball for longer periods of time and were hitting passes with greater accuracy.

Starting on their own five yard line, the Irish drove 95 yards in 20 plays midway in the third stanza to account for the 21-7 score. First it was Barrett into the line, then a pass from Williams.

Five first downs later, Spaniel had a shot at the Iowa line from the six inch line. With a mighty leap he scored, although ending up on the seven yard line when he left the Iowa line get through pushing him around.

Oracko's kick for the extra point was as true as could be. Score: Notre Dame 21, Iowa 7.

Throughout most of the final period, the ball was batted back and forth somewhere near the midfield line. Williams filled the air with Notre Dame passes and, Drahn did the same, in much more of a hurry than the Baltimore boy, however.

Pass Plays Fail

Late in the period, score still 21-7, Iowa got to the Irish 47 where pass plays fizzled out. On fourth down, Drahn went into punt formation but chose to flip the ball. McKenzie was streaking for the goal line but two Notre Dame defenders flicked the ball from his hands on the ten.

Taking the ball on their own 42 Notre Dame went on the march. Sitko for a gain, then Spaniels for some more yardage. On fourth down Williams stepped back and hit Hart in the end zone, where the big boy was all by himself.

It was a fitting climax to the game, as long as the Irish ended up with the victory, to have big Leon, a certain All-American, racking up a touchdown for his team. Oracko's kick finished the scoring with just 45 seconds left.

Ohio, Wolves Battle to 7-7 Tie, Deadlock for Big Ten Crown

ANN ARBOR, MICH. (AP)—A game Ohio State team hit the jackpot Saturday as it tied Michigan, 7-7, to share Western conference honors and grab a berth in the Rose Bowl game.

The Ohioans won the hard way. They fought from behind in the final period after Michigan had seized a seven point lead in the first eight minutes of play.

Saturday's deadlock left the teams tied with identical records of four wins, a tie and a loss in Big Ten competition. Michigan, which won the conference championship outright in 1947 and 1948 is not eligible for the Rose Bowl game since it played there in 1947.

Minnesota's 14-6 victory over Wisconsin Saturday clinched the Rose Bowl trip for Ohio State.

Had Wisconsin won, it would have been tied with Ohio State and Michigan for the conference title and would have had joint honors with the Buckeyes as a Rose Bowl aspirant.

Ohio State pulled the game out of the fire with a fourth period

touchdown by Fred Morrison. That score was set up by Ray Hamilton's 49 yard streak to the Michigan four, where he was pushed out of bounds by Michigan's Wally Teninga. Morrison picked up three yards in a line buck and then smacked over, Jim Hague converted after his first try was wide and Michigan was ruled offside.

Gophers Foil Badgers, 14-6

MINNEAPOLIS (AP)—Minnesota put on a second-half surge Saturday to defeat Wisconsin, 14-6, in the final game of the year for both teams.

Both teams went into the game with a possible chance at the Rose Bowl. A Wisconsin victory would have given the Badgers a tie for first place with Michigan and Ohio and equal claim with Ohio to the Rose Bowl trip. Michigan and Ohio tied, 7-7.

Minnesota needed an Ohio defeat along with its own victory for Rose Bowl consideration.

The Gophers had to come from behind to turn the trick. Wisconsin exhibited a fighting spirit that enabled them to outplay the Gophers and enjoy a 6-0 lead at the end of the first half.

Oklahoma Repels Santa Clara, 28-21

NORMAN, OKLA. (AP)—Stubborn Santa Clara gave Oklahoma its toughest game of the football season Saturday with the Sooners fortunate to keep their 19-game string alive with a 28-21 victory.

Santa Clara came into the game a three touchdown underdog against the No. 2 team of the nation but came fighting back time after time to push Oklahoma until the end.

A crowd of 59,000—the largest ever to attend a game in Oklahoma—saw George Thomas, Sooner halfback, make three of Oklahoma's four touchdowns for a new Big Seven conference scoring record.

Veck to Sell Indians To Syndicate Monday

CLEVELAND (AP)—A golden era in Cleveland baseball is to end Monday morning with the sale of the Indians.

At 11 a.m. Monday, barring a last minute hitch in plans, Bill Veck, the fabulous promoter-president of the Tribe, will hand over the reins of the club to a local syndicate headed by insurance executive Ellis Ryan.

Vote Cedar Rapids Into Three-I Loop

CHICAGO (AP)—Club owners of the Three-I league Saturday voted membership to the Cedar Rapids club to replace Springfield, Ill.

Cedar Rapids withdrew from the central association to join the Three-I circuit. Adam Pratt Jr., and associates purchased the Springfield franchise from the parent St. Louis Browns. Springfield President Mac Whether asked that action be deferred until Dec. 15, but this proposal was voted down, 6-2.

GOING AROUND END for three yards in the first period of Saturday's Minnesota-Wisconsin game is Badger Fullback Gete Evans. The play carried to the Wisconsin 38 yard line. Evans scored in the second quarter on a 62 yard punt return but Minnesota came back in the last half to whip the Badgers, 14-16, and knock them out of Rose Bowl contention.

Purdue Downs Indiana For Oaken Bucket, 14-6

BLOOMINGTON, IND. (AP)—A couple of short runs by Fullback John Kerestes at the end of 95-yard marches brought Purdue a 14-6 victory over Indiana Saturday and kept the Old Oaken Bucket in Lafayette.

Indiana finished the season without a Western conference victory but End Clifton Anderson of Cape May, N.J., set two league records.

Anderson caught a pair of passes from Nick Sebek that unofficially gave him 21 and 322 yards for six conference games.

Old records were 18 catches by Purdue's Bill Canfield in 1945 and 309 yards by Michigan's Dick Rifenburg in 1948.

Indiana's young squad shook loose its sophomore sprinters for several long gains but the steady pounding of Purdue's veteran backs wore down the Hoosier line. Purdue gained 359 yards to Indiana's 122.

The 52nd annual Hoosier football classic packed Memorial stadium with nearly 34,000 fans in spite of a chilly wind that whistled almost straight down the field.

Huskers Tip Colorado In Fumble-Fest, 25-14

LINCOLN, NEB. (AP)—Nebraska politely outfumbled the visiting Colorado Buffaloes Saturday but put together enough long runs and breathtaking passes to salvage a 25-14 victory in a comedy of football errors.

The crowd, estimated at 32,000, saw plenty of the unpredictable as Nebraska scored on runs of 55 and 76 yards.

Wildcats Nip Illini, 9-7, On Burson's Field Goal

CHAMPAIGN, ILL. (AP)—The first field goal ever attempted by senior Quarterback Don Burson etched a thrilling 9-7 Northwestern victory over favored Illinois before 67,872 Illini Homecoming fans Saturday.

Burson's 22-yard payoff boot, following a 57-yard punt return by halfback Tom Worthington, came with only three minutes left in the season finale for both Big Ten teams.

Burson was a shining Northwestern hero in his last collegiate game, also firing a second period touchdown pass to End Joe Zuravleff to give the wildcats a 6-0 halftime lead.

Illinois' its vaunted ground attack sputtering wastefully all day, finally scored at the outset of the fourth period on a short pass from Bernis Krueger to Walt Kersulis.

Illinois Halfback Johnny Karras added 61 yards to his newly-established Big Ten ground-gaining record for a seven game total of 732.

Tulane Posts 28-14 Win over Virginia

CHARLOTTESVILLE, VA. (AP)—Powerful Tulane crashed Virginia from the proud ranks of the nation's unbeaten Saturday, 28-14, although Johnny Pappit of the losers outgained rival Eddie Price in the celebrated battle of the fullbacks.

The gallant Virginia team, outweighed in the backfield and line, fought back after a first half promise of a Tulane rout. They left the field trailing, 14-0 at halftime but fought on even terms in a 14-14 second half.

Tarheels Edge by Duke To Win Loop Title, 21-20

DURHAM, N.C. (AP)—North Carolina nosed out Duke, 21-20, Saturday in a frenzied finish to win the Southern conference football championship in as wild a windup as this ancient series has ever produced.

After sailing Tailback Charlie Justice had staked the Tarheels to an apparently safe 21-6 lead by passing for two touchdowns and scoring a third, they had to hang on for dear life in the final minutes.

Speaking of the Iowa team and its play, especially in the first half, Notre Dame Coach Frank Leahy had nothing but highest praise for the Hawkeyes.

"Iowa was the finest team we have seen all year," was his comment, "and it was also the finest coached. The defense was perfectly designed to stop our offense."

Anderson Praises Hawks
This was most clearly illustrated in the first half when Iowa rolled up 111 yards net rushing and held the steamroller-like offense of the Irish to a mere 55 yards.

Over in the Iowa dressing room, Coach Eddie Anderson also had nothing but praise for the great fight his boys put up against the No. 1 team in the nation.

"I'm very proud of the game the boys played. They gave everything they had and that is all you can ask of any team," he said.

'Iowa Finest We Have Seen:' Leahy

Dr. Anderson Also Praises Hawk Play

By LELAND OLSON

SOUTH BEND, IND.—It was another "David vs. Goliath" battle here at Notre Dame stadium Saturday. Iowa, east in the role of Little David in spite of its admirable showing, couldn't quite cope with the play of the ever powerful Irish and lost, 28-7.

Speaking of the Iowa team and its play, especially in the first half, Notre Dame Coach Frank Leahy had nothing but highest praise for the Hawkeyes.

"Iowa was the finest team we have seen all year," was his comment, "and it was also the finest coached. The defense was perfectly designed to stop our offense."

Iowa Citizen No. 1 in Missouri Valley Rankings

The annual Missouri Valley Tennis association rankings have been released for 1949 and a 15-year-old Iowa City boy has earned the No. 1 position for the boys (15 and under) single. He is Jamie Andrews, the blond-haired high school student who won the Missouri Valley meet here in July.

Jamie, in addition to winning the Missouri Valley title, the choice plum offered by the association, took top honors in the Tri-State meet at Burlington and the Cyrene tourney. He was second to Richard Halpine of Omaha in the Iowa State tournament but in the Missouri Valley meet made up for it with a triumph over Halpine in the finals.

A brother, Arthur Andrews, was awarded honorable mention in the same class. Tennis fans far and wide are going to hear a lot about the Andrews boys. For an eye-witness example of how their ages fool you when it comes to ability go up to the field-house early some afternoon and watch them play a brand of tennis many colleges players would be happy to own.

Other ranking Iowans in the six-state area that the Missouri Valley association encompasses include Doris Popple of Des Moines, second in the women's singles and Pat Norman of Sioux City, third in the junior girls singles. Jamie Andrews and Ted Dunnington, Iowa City, rank fifth in the boys doubles.

Won't be long until the Hawks will be into the basketball schedule. A week from Thursday Colorado college is here for the opener, followed on Dec. 5th by Michigan State... a good time to get a look at the Big Ten's newest member... Chuck Darling,

Baylor Rolls Past SMU, 35-26

DALLAS (AP) — Tall Adrian Burk, Baylor's man with the slingshot, knocked down Southern Methodist 35-26 Saturday to keep the Southwest conference football championship race going for another week.

The precision ball-manipulator on Baylor's glittering T formation passed for three touchdowns, and set up another in turning back battling Southern Methodist and its great Doak Walker.

A crowd of 63,000 watched Baylor break away for two touchdowns in less than nine minutes then hold on easily against a great exhibition by Walker who scored three touchdowns.

Gunman Shoots Reno Gambler

RENO (UP) — Twenty years of freedom from gangland violence in this mecca of gamblers and divorcees were ended Saturday when Lincoln Fitzgerald, co-owner of the swank "Nevada club," was critically wounded in a midnight shotgun ambush.

The blast broke Fitzgerald's spine and doctors, after an operation and blood transfusions, said chances were "very, very slim" that the 57-year-old professional gambler would live. The hospital was under heavy guard.

where Fitzgerald was a big-time gambler for 20 years until a grand jury crackdown in 1946 sent him fleeing to wide-open Reno where gambling not only is legal but the city's biggest business.

But, in typical gangland fashion, Fitzgerald would not talk about the identity of his assailant — if he recognized him at all.

"Do you know who shot you?" Police Chief Lorenz Greeson asked Fitzgerald as he lay on the operating table, still conscious.

Hospital School Pupils Plan Thanksgiving Party

Children at the hospital school for severely handicapped children will hold a Thanksgiving party Tuesday afternoon, according to school officials.

Members of the Junior Panchellenic group will present a skit and provide the decorations for the program, Mrs. Bernard Lillick, hospital school teacher, said.

Children at the school who will entertain are Virginia Truslow, vocalist, and Phyllis Sterling, who will play the piano.

Fitzgerald pursed his lips, stared at Greeson and said nothing. The shooting shocked Reno which has succeeded in keeping out hoodlums for two decades and hired 85 policemen in a town of 35,000 to see that it was kept that way.

Grads Should Know About Society: Davis

The general public is demanding that college graduates know more about society and how people can live together harmoniously, Harvey Davis, dean of the graduate college, said Saturday.

Davis spoke before 160 members who attended the year's first luncheon meeting of the American Association of University women in the University club rooms of the Iowa Union. His topic was "General Issues in Higher Education."

"There is a trend toward more general education for good citizenship before education for good physicians, doctors and technicians," Davis said. Degree programs are broadening along a more general line, he added.

To take his place in society an engineer must know about the social effects of his technology. He can't be a contributing member of a school board or city council if he has no knowledge of economics, politics and government, Davis pointed out.

Davis said the four objectives of higher education are to give students convenient, economic and authoritative institutions in which to learn, to give young people a chance to get ahead in the world, to serve the needs of society, and to expand the field of human knowledge through research.

FEWER POLIO CASES

The number of active polio cases at University hospitals Saturday fell to 13 as Wayne Berry, 2, Unionville, Mo., was transferred to the inactive list.
