Caltech Researcher Called Into Court for Questioning

LOS ANGELES (AP)—Dr. Jacob W. Dubnoff of California Institute of Technology was taken into federal court Thursday on orders by a grand jury investigating a colleague accused of hiding his Communist party membership.

U.S. Atty. Ernest Tolin said Dubnoff, 41, had refused to answer questions about Dr. Sidney Weinbaum, 52, Caltech scientist formerly with its jet propulsion laboratory. Dr. Weinbaum was arrested by the FBI last Friday and arraigned on charges of perjury and fraud against the government.

Dubnoff was taken before U.S. Judge James M. Carter. The judge, Dubnoff, the scientist's counsel and a court reporter then went into a closed session in the judge's chambers. They emerged a half hour later and Dubnoff told the court he would return to the grand jury.

Members of the grand jury, who had been court spectators, then resumed their session.

A. L. Wirin, Dubnoff's attorney, when asked if his client would answer the jury's questions, replied: "I think he will."

Dubnoff is a senior research fellow in biology, a graduate of the University of California at Los Angeles who received his Ph.D. at Caltech in 1944. He is a native of Los Angeles.

He joined Caltech as a research assistant in 1933.

Weinbaum Indicted

LOS ANGELES (AP)—The U.S. grand jury Thursday night indicted Dr. Sidney Weinbaum, California Institute of Technology scientist, on eight counts of perjury and fraud.

Dr. Weinbaum, 52, formerly was connected with Caltech's jet propulsion laboratory. The government accused him of denying to army review board questioners that he was a member of the Communist party.

New Directory On Sale Today

The SUI summer session directory will go on sale today. Prof. Fred M. Pownall, director of publications, said Thursday.

The 63-page book will cost 25 cents. It will be available at the publications office, room W9 East hall, and at local book stores.

Less time elapsed between registration and publication of the directory this year than ever before, Pownall said.

Prof. Carroll Coleman, university typographer, designed the directory's cover.

116 Foreign Students Enrolled This Summer

A total of 116 foreign students, representing 26 nations, have enrolled at SUI for the summer session, Richard E. Sweitzer, foreign students' counselor, said Thursday.

This is about the same number as last summer, he said.

A breakdown of the 1950 enrollment shows 101 graduate students and 15 undergraduates, with 86 men and 30 women. China leads the list with 42 students, and Canada is second with 15.

Acheson in Commencement Procession

CROSSING HARVARD CAMPUS Thursday in the 299th commencement procession was secretary of State Dean Acheson (left front) accompanied by Prof. Archibald MacLeish, former librarian of congress. Following Acheson on the left are Sen. Ralph Flanders (R-Vt.) and Philippine Ambassador Carlos P. Romulo.

Rerouting of Highway South of Coralville To Start This Year

Construction of the "Coralville cut-off," a project to reroute highway 6 south of that town, is expected to begin late this year, Fred R. White, chief engineer of the Iowa state highway commission, said here Thursday.

White, speaking at an Iowa City Rotary club luncheon, added, however, that it is improbable the highway commission will reroute highways around Iowa City.

A recent survey by the commission revealed that about 80 percent of the traffic on major highways is either destined toward or originates from the business sections of cities, he explained.

White said the "cut-off" project will begin at the "Y" intersection formed by Newton road and highway 6 four blocks west of the new Veterans hospital.

From the "Y," the project will extend westward, generally parallel to the Rock Island railroad tracks, to the point where the Oakdale road (highway 153) now intersects highway 6.

Little progress is expected to be made this year, but it has been proposed that the new segment of highway 6 be four lanes, 48 feet wide, according to White.

White emphasized that it probably will be necessary later to extend the four lane portion of the highway eastward past the Veterans hospital.

Probe of Spending In Primaries Planned

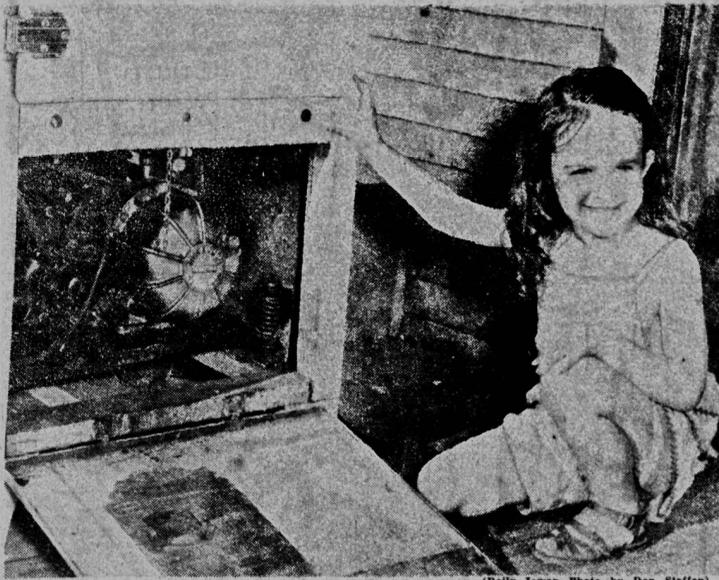

WASHINGTON (AP)—An official probe of campaign spending in the senatorial primaries in at least five states was announced Thursday by Sen. Guy Gillette (D-Iowa).

Up for a check are the nominating elections in Florida, South Carolina, North Carolina, Pennsylvania, Illinois and possible some other states from which complaints have been received.

Gillette heads a privileges and elections subcommittee which is riding hard on this year's voting which will determine the holders of 36 of the senate's 96 seats.

In South Carolina the investigation will concern the expenditures of the States Rights party — "Dixiecrat money," Gillette called it.

In the other states named Gillette did not specify whether the complaints came from Democrats or Republicans. He did say they concern both parties, and that it was alleged that the spending reached "huge" totals.

'I Want to Get Up and Pick Roses'

BECAUSE SHE WANTED TO PICK ROSES, five-year-old Suzanne Elbert (above) saved six families from possible death here Thursday. The little girl—who thought she was smelling roses—smelled gas from the refrigerator unit shown above and awakened her grandmother, Mrs. Catherine Logan, 415 S. Capitol street. Mrs. Logan, in response to Suzanne's request to "get up and pick roses," realized there was gas in the apartment building and hurried the six families living there out into the street. As a result, no one was seriously affected by the gas.

Five-Year-Old 'Saves' Families

By DON STEFFEN

Little five-year-old Suzanne Elbert saved six families from violent sickness and possible death at 2 a.m. Thursday when she smelled gas from a leaking refrigerator and awakened her grandmother.

She and her mother, Mrs. Russell Elbert, Chicago, were visiting Mrs. Elbert's mother, Mrs. Catherine Logan, 415 S. Capitol street. Five other families live in the apartment house.

Deny Academic Liberty Harmed

CHAMPAIGN, ILL. (AP)—Pres. George D. Stoddard of the University of Illinois and Dean Howard R. Bowen denied Thursday there has been any impairment of the academic freedom of an economics professor who resigned to take a position at the University of Florida.

Stoddard made his statement in an 18-page report to the University of Illinois trustees here. Bowen distributed a statement to reporters after the meeting. The dean attended the trustees meeting but did not speak.

Kenneth Williamson, Peoria, chairman of the board, said after the trustees' meeting there was nothing "officially" before the board on the matter, and the report was made in view of public charges that the academic freedom of the professor, Ralph W. Blodgett, 13 years a member of the economics department, had been infringed.

Colleagues had charged that Blodgett virtually was fired and that Bowen seemed to favor professors who approved of a "welfare state." Bowen denied he was an advocate of the welfare state.

Iowa Citian Given Three-Year Sentence

Lloyd Cecil Cole, 40, Iowa City, was sentenced Thursday morning to three years in the state penitentiary at Ft. Madison by District Judge Harold D. Evans.

Cole pleaded guilty Thursday to a morals charge. He was taken to Ft. Madison by Sheriff Albert J. (Pat) Murphy.

Cole was arrested May 20 near University high school. The state accused him of performing lascivious acts with children.

Cole, according to court information was arrested May 3 on a similar charge and sentenced to 30 days in the county jail. He was released May 17 on terms of good behavior.

When he appeared in court, Cole said he did not desire counsel.

Boone Youth Shot In 'Tell' Game

BOONE (AP)—Authorities said that a teen-aged farm boy was wounded seriously Thursday when a companion attempted to shoot a tin can off his head in a game of "William Tell."

Clayton Robertson, 15, who lives on a farm near here, was taken to University hospitals at Iowa City for treatment of a bullet wound in his head.

A 13-year-old playmate fired a .22 caliber rifle at a can on Robertson's head but missed his target and struck the boy, authorities said.

(SUI hospital authorities said Robertson had undergone surgery Thursday night, and that his condition was serious.)

Phone Rates Hiked 25-75 Cents Monthly For Local Area

Increased rates for local and rural residential and business telephone service, effective Thursday, were announced by R.A. Williams, Northwestern Bell Telephone manager for Iowa City.

Continued increased costs in furnishing local telephone service was given by Williams as the reason for the increase. Rates were increased from 25 to 75 cents a month.

"Since 1922, the added cost a month to subscribers has been \$1.20 per phone. The cost per phone goes up as the number in local use goes up," he explained.

Des Moines, for example, will face a greater increase in rates than will Iowa City, he added.

Monthly residential phone service here will go from \$3 to \$3.75 for one-party lines, from \$2.50 to \$3 for two-party lines, from \$6 to \$6.75 for one-party line business phones, and from \$5.25 to \$5.75 for two-party phones. Extensions remain the same price.

Rural residence service will go from \$2.50 to \$3, and rural business phones move up from \$3.75 to \$4. These rates do not include tax.

Previously rates were raised in February, 1947 and September, 1938.

Street Dancing To Feature Party

Street dancing will feature the first informal Iowa Union party for the summer session July 3.

The party of Madison street directly east of the Union will be the site of the party, Dean Fritch, chairman, C3, Decorah, Union board publicity chairman, said Thursday.

"The street will be roped off, washed and waxed for dancing. The juke box in the Union's River room will provide the music for the free come-as-you-are party," he added.

The party will be open to everyone—students, faculty and Iowa Citizens.

Truman Wants 'Real Democrats' in Congress

WASHINGTON (AP)—To nobody's surprise, President Truman said Thursday that:

1. If he lived in Ohio he would vote the straight Democratic ticket.

2. That "real Democrats" ought to be elected to congress.

It wasn't the things he said, but when and where he said them that flavored the head Democrat's words with mild reproach for Ohio's Gov. Frank J. Lausche, an accredited member of the same political party.

Since Monday, Lausche has been poised on the political fence.

He told reporters at the White Sulphur Springs governors conference that he hadn't made up his mind whether to vote this fall for Republican Sen. Robert Taft or for Taft's Democrat rival, State Auditor Joseph T. (Jumping Joe) Ferguson.

A couple of hours after the news conference, Mr. Truman was host at a hotel luncheon for a group of Democratic governors, including Lausche, homeward bound from White Sulphur.

Lausche confirmed that he had a chat with Mr. Truman. It was a pleasant one, he said, but he wouldn't discuss the subject matter.

The Truman news conference, the first in three weeks, also produced another presidential spanking for Gobs. J. Strom Thurmond of South Carolina and Fielding Wright of Mississippi. They headed the anti-Truman States Rights presidential ticket in 1948 and captured 39 electoral votes.

The President made it crystal clear that they weren't invited to his luncheon. I only invited Democrats, he said.

Senate Votes Extension Of Peacetime Draft Act

Some Days You Can't Make a Nickel

ST. LOUIS (AP)—A landlady Thursday gave her house to the federal rent director here and challenged him to make a profit at the legal rent rates.

Mrs. Grace C. Hill, a widow, sent a quit claim deed to a two-story, frame house to Area Rent Director Grover C. Vandover. She told him "drastic and unwarranted" rent reductions ordered by his office made it impossible for her to keep the house.

Vandover said he won't take the house and is sending the deed back. He promised to review her case.

Four Shot in Tennessee Riot; UAW Calls Strike

By UNITED PRESS

Four men were shot and wounded in violence at a strike-bound Tennessee rayon plant Thursday and the CIO united auto workers ordered a strike Monday against the big Briggs auto body plants in Detroit.

The UAW said 30,000 Briggs workers would be called on strike unless a pension and wage increase agreement is reached before the deadline of 9 a.m. (Iowa time) Monday.

Briggs makes bodies for the Chrysler corporation and Packard. Violence erupted again at the strikebound American Enka textile plant at Morristown, Tenn., when three non-strikers were shot from ambush as they sought to enter the plant.

A fourth man, one of the CIO strikers, said he was fired upon and wounded by non-strikers several miles from the factory.

Heavily-armed state police rushed in to disperse pickets at the rayon plant and later arrested more than 50 strikers.

The Order of Railway Conductors, meanwhile, called a strike of all Pullman conductors for July in a demand for reduction of the basic monthly work rate.

SUI Woman First For Music Honor

Prof. Anne E. Pierce, head of music at university experimental schools, is the first woman to be awarded an honorary doctor's degree by the American Conservatory of Music, Chicago, it was announced Thursday.

Miss Pierce is the first woman to receive such a degree in the 64-year history of the institution. The citation accompanying the degree recognized Miss Pierce as "singer, musician, teacher and author in the field of music education."

Miss Pierce has been at SUI since 1926 when she assumed her position as head of the experimental school music departments.

Performance of SUI Play Extended to Saturday

Production of "The Importance of Being Earnest," first play of SUI's summer theatrical season, will be extended through Saturday, Prof. Gregory Foley, department of dramatic arts, announced Thursday.

The engagement of Oscar Wilde's play was scheduled to end with Friday's performance, but the demand for tickets has caused the extension.

Tickets for Saturday are available to students who present their I.D. cards in room 8A in Schaeffer hall. Non-student tickets may be obtained at the theater box office, he said.

Okays Renewal Of Three Years; Bill to House

WASHINGTON (AP)—The senate gave overwhelming approval Thursday to a three-year renewal of the peacetime draft act with limited authority for the President to order inductions in case of emergency.

It took this step by a voice vote shortly after both house and senate had passed a stopgap 15-day conscription law which is due to expire at midnight today.

Renewal Rushed Through The emergency renewal was rushed through because administration leaders feared that the existing act might lapse and the selective service machinery lose its legal basis before the two houses could agree on long range extension.

But later in a final burst of speed, the senate brushed aside proposals to attach a segregation amendment to the measure and then shouted its approval of the three-year extension requested by the administration.

House Stipulation This legislation now goes back to the house which previously had voted a two year renewal, with the stipulation that none of the draftees could be inducted unless congress gave specific authorization.

Under the senate measure, the President could issue the draft calls only when congress is not in session and after finding that a "national necessity exists." When the lawmakers are on duty they would have the power to decide whether such a step was essential to national security.

Kazmayer to Open Lecture Series Today

(Story on rest of summer lecture series on page 6.)

SUI's summer lecture series will open at 8 p.m. today on the south Iowa Union campus with a lecture by Robert Kazmayer.

Kazmayer, world traveler, author and former minister, will speak on "The Changing European Picture."

He wrote "Out of the Clouds," a book on the postwar period, and published a newsletter called "Things to Watch and to Watch For."

Kazmayer left the minist 1938 to devote his full time to turing and writing. Since then, he has led an annual seminar 35 businessmen and publishers Europe.

Suggests Probe of Race Wire Service

WASHINGTON (AP)—Chairman Wayne Coy of the federal communications commission proposed Thursday the government consider prosecuting a million-dollar-a-year racing news service under the anti-trust laws.

He told the senate investigating committee there "strong probability" the Central Press service of Cleveland holds a monopoly in furnishing racing information to distributors, who in turn pass it to selected distributors.

GOP Counsel Says Service Gave Secrets To Amerasia Editor

WASHINGTON (AP)—A senate investigator said Thursday testimony had been received that John S. Service, state department Far Eastern official, disclosed secret military information to Philip Jaffe, Amerasia magazine editor.

Service immediately denied ever knowingly passing along such information. He described talks with Jaffe in 1945 as in the nature of normal relationships with editors and writers seeking background data.

It was Robert Morris, Republican counsel for the senate foreign relations subcommittee, who said the testimony had been received.

The source and details of the testimony, taken by the subcommittee behind closed doors last month, was not clearly identified at Thursday's public hearing. Senators indicated, however, that the FBI figured in the presentation of the evidence.

Sen. Joseph McCarthy (R-Wis.) who has accused Service of being a "collaborator with Communists," told reporters FBI testimony will show that the FBI had a microphone concealed in Jaffe's room at the Statler hotel in Washington when Service and Jaffe met there in May, 1945.

Ask Case Against Student Dropped

DES MOINES (AP)—Attorneys for a Dubuque university Korean student charged with murder argued before the Iowa supreme court Thursday that the charge should be dismissed when the court makes its first ruling on a point of law.

Defendant in the case is Duk Sung Choi, 35. He is accused of slaying Chun Kuen Oh, another Dubuque university Korean student, last Jan. 6. At the time of his arrest, Choi said he "cut" Oh because of an Oriental code of honor after a brief argument.

E. Marshall Thomas, court-appointed attorney for Choi, claimed an extension in the trial date granted by Judge Milton Glenn was illegal.

## Help Wanted —

Musical therapy is not new to the fields of medicine and rehabilitation, but has been introduced into many hospitals since World War II.

Doctors in the service discovered music a fine therapeutic device for healing the patients' mind, or mental attitude, and his body. For example, paralytic cases are often taught to walk again to music.

At University hospitals, Librarian Leota Stagg has discovered that the "universal language" of all types of musical records has been helpful in brightening the attitudes of patients.

For at least one hour every week, patients walk or are wheeled on carts and in chairs to the tiny second floor patient's library. There in the cheerful, book-lined room, they hear "Oklahoma," "South Pacific" and other popular albums.

It is easy to understand that a patient who must spend months in a hospital likes to feel he is "keeping up" with things. The man who goes back to his room humming "I'm Gonna Wash that Man Right Out of My Hair" is feeling cocky and optimistic—and like getting well.

Mrs. Stagg has been using borrowed or rented record players for the program. This has become a problem because often she is unable to obtain a machine, and the program must be postponed. She has borrowed from friends, the albums and records, or used some from her own collection or those contributed to the library.

Because few persons know about the therapy program, the contributions are few. Civic and church groups strive to learn of needy situations in their community, but sometimes overlook or are not aware of where their services could be beneficial.

Need we say more?

## Churches Must Lead —

We note with a degree of pleasure that a southern conference of the Methodist church Tuesday of this week allowed a Negro bishop to preside over its one-hundredth annual meeting.

Bishop Alexander P. Shaw, of Baltimore, Md., who was born and educated in Mississippi, was especially invited by the conference to preside over its week-long session at Redlands, California.

It was the first time in the history of Methodism that such a departure has been made. And it is a significant step forward in one of the churches which was torn apart by the slavery issue and the Civil war.

But the action was a little too obvious. He was "especially" invited to take the chair of the presiding officer.

Until the time comes when Negroes can be recognized on their individual merits alone and accepted as any other person, the true spirit of Christian action in racial affairs will be lacking.

The Rev. Mr. Shaw is recognized by churchmen as an "outstanding preacher and one of the leaders of the Methodist central jurisdiction." And that much is good. But the tone of his appointment was that they took special pains to honor him because they thought it would be "nice" to have a Negro chairman.

White Christians and Christianity must be more than tolerant of Negroes and other races. They must teach themselves to be totally unconscious of any difference in skin

pigment. One of the greatest criticisms of the Christian churches is that they preach racial equality as one of the fundamental teachings of Jesus, yet their doors are often closed to Negroes and Asiatics. Often subtle and seemingly unobvious barriers keep worship segregation.

Occasionally one hears of such courageous action as that of Old South Congregational Church in Chicago. The church building is located in the area into which the "Negro belt" is spreading. Members of the congregation decided that to sell this building and to build a new one in the suburbs would be to lose its long and great tradition. So they made it known that the doors of their church would be open to anyone.

In that parish now exists one of the most harmonious atmospheres in the city of Chicago. No imaginary line is drawn through the sanctuary—the pews are open to all. Only recently the church which is still predominantly white called a Negro to be its minister, recognizing him to be one of the truly outstanding clergymen of his day. Happily and lovingly they worship side-by-side, like members of a family praying to a common Father.

But such examples are uncommon. They are the exceptions.

The message of Christianity cannot be preached satisfactorily until the churches themselves practice what they preach. Christianity must lead the way in the touchy and tender subject of race relations.

## Mock Communism —

The editor of The Times in Mosinee, Wis., the town which staged the first "Communist Day" demonstration, said recently in The National Publisher: "My idea... was that this example would emphasize some of the things we had as Americans, that cannot be found under other types of governments; and through the experiences of our town people, here in Mosinee, we might carry the message to friends and relatives in the surrounding areas of the state of Wisconsin."

Well, they carried nothing to us except the silly idea. And it was too bad that an Iowa town, Hartley, had to be the one to take up the silly idea and use it again.

The Communist party headquarters in Omaha recently told the residents of Hartley that their demonstration was a "Nuremberg spectacle designed to fill the minds of thousands of Americans with police state ideas under the smoke-screen of fighting communism."

The Communists have nothing to worry about on that score. Chances are they are not whit less strong today because of the game-playing in Hartley. Actually, their buddies own South America way got a good laugh on the Mosinee boys. Some of the pro-Communist papers in South America just left out of their accounts the fact that the whole thing was make-believe.

We can't believe anything particularly worth while came of either demonstration.

## Wendell Willkie's Occupation —

If one of Alumnus George Gallup's pollsters were to ask you the late Wendell L. Willkie's occupation or vocation, what would be your answer? Perhaps the question would give you a difficult.

You would recall that Mr. Willkie was a candidate of one of the major parties for the office of President of the United States although you might be vague about the year (1940). One try, however, hardly makes an occupation of standing for election. Only William Jennings Bryan and Norman Thomas can be said to have made a vocation of the presidential nomination although Mr. Dewey may still qualify.

A sufficiently excited curiosity would direct you to a source such as the World Almanac. There you would find the entry: Wendell L. Willkie, born 1892, died 1944.

except a lot of publicity for the towns. Many people laughed at Hartley for jumping on a band wagon that already was sounding pretty corky notes.

We can't believe there were many people over the country nodding their heads in solemn approval, remarking about what a great idea the whole thing was. We can't believe people everywhere were talking about how it was just what we need.

But there are a few things we do believe. Even though it probably was started with good intentions of being something serious and worthwhile, we believe it turned into nothing more than a good time for a few guys who wanted to show off a while. Many of the pictures showed the men laughing as they went about their "arresting." Others showed some bird who obviously was having a great time being the center of attraction.

Can we actually believe the people are any more aware of communism's meaning because of these demonstrations? We don't believe they were Nuremberg spectacles, as Omaha's Communists do, either. The only spectacles were those the attention-seeking participants made of themselves.

There must be more mature ways of fighting communism. As for these silly games, we're like the merchant in Mosinee who, after the big farce there, said: "It was the bunk."

vocation "statesman". Your wonder would be increased if you recalled that Mr. Willkie never held an elective office in government since "statesman" implies political activity.

Mr. Willkie was a political figure. Certainly, he was "versed in the principles and art of government" and he was "influential in shaping its policy." Four years of forceful political service, without ever winning a public office, made a place for him in the register of the country's statesmen.

There is encouragement in the attainments of Mr. Willkie for young citizens with an interest in politics. Statesmen-like achievement is not dependent upon winning political battles. The courage and will and conscience to struggle for what one believes may be valued more highly than victory at the polls.

## Atom Energy Study Iowa Schools Plan

DES MOINES (AP)—The Iowa department of public instruction outlined a study course in atomic energy Thursday for the state's public grade schools and high schools.

Announcement of the course next fall would mean that Iowa's public schools would be the nation to offer a course in atomic energy as a general curricula, open up to individual schools to decide whether to include the course. But it is the department's plan to get wide accep-

State Superintendent of Public Instruction Jessie Parker, said programs were designed for each age group among school children. Plans also called for introducing the program in colleges and among adult education groups.

The program wasn't intended to make nuclear scientists of Iowa's school children, but was formulated in order to impart a general understanding of atomic energy.

## 2 Independence Women Killed in Car Accident

INDEPENDENCE, IOWA (AP)—Two Independence women were injured fatally Wednesday in a two-car collision seven miles south of here on highway 150. Three of the other six persons riding in the two cars were hospitalized.

Miss L. Grace Clayton, 69, was thrown out of the car in which she was riding and killed instantly. Mrs. Althea Hand, 71, a sister of Miss Clayton, died later in People's hospital in Independence. Their brothers, Roger Clayton, 73, and Cecil Clayton, 75, were injured seriously.

### SUI Coeds Outnumbered 3-1

By TOM DORSEY

SUI COEDS attending the summer session can consider themselves lucky. Preliminary registration figures released this week show that there are three male students to every female student attending the University.

So, gals, guess you can be choosy. Ouch, fellas!

A RECENT LETTER to the editor of Washington University's "Student Life," said, "I smoke, drink and chew—but thank heaven, I don't talk in the library."

ONE, TWO, THREE, PULL! A 28-year old Philadelphia man fell 10 feet into a cellar excavation last week. Eight men dashed to his aid, fearing he had been hurt. His thoughts, however, were for his rescuers. He called up to them: "You'd better get a derick" but the rescue party decided against that, and after much pushing and heaving finally raised the man out of the cellar—all 360 pounds of him.

MISS UNDERSTANDING: Rod Brasfield of NBC's "Grand Ole Opry" tells of the radio producer who was dictating to a new secretary. "Am I too fast for you?" asked the producer. "No," said the girl, "but you are a trifle old."

SLEEP FOR STALIN: In a revolutionary move to "relieve international tension" a modern mattress designed for maximum sleeping comfort will be shipped from Chicago this week to Premier Joe Stalin at the Kremlin in Moscow.

The mattress is the standard Beautyrest model used by ten million Americans and has no frills other than a red ribbon and bow. It will be sent on its way from the Merchandise Mart where it has been a featured display at the Chicago furniture market openings.

The decision to ship the mattress to Stalin followed the completion of scientific laboratory tests which indicated that psychological tensions and fears can be eased by proper sleep.

HAVE YOU PLANTED YOUR LICENSE PLATES YET? There will be tags instead of new license plates on Iowa cars next year. Johnson county tags arrived this week. The fact that the silver tags with red numbers arrived isn't unusual but the way they came is. The boxes in which they arrived were labeled: "Grown and packed in California, U.S.A."

ROUNDTRIP BY TRAIN: Nineteen-year old Julian Willford of Napoleon, Ohio, is pretty happy he got out of his car in time the other day. Julian's auto stalled on the railroad tracks at Auburn, Ind.

Julian got out just before a west-bound New York Central train hit the car and dragged it a quarter of a mile up the track. There, the car dropped free right in front of an eastbound train, which pushed the auto right back again.

### Walker's Resignation . . .

Ever since I saw the notice of Dr. Walker's resignation from the literature department, I've been trying to figure out how a small state teacher's college can compete with the State University of Iowa in hiring people.

(Prof. James A. Walker resigned from SUI's English department to become professor of English at Cortland State Teacher's college, Cortland, N.Y., effective September, 1950.)

I've been taking courses in many departments and under many teachers, and I feel that there are very few who can compete with Dr. Walker as a teacher.

His classes covered every line of the assigned material and yet managed to range into every aspect of modern life and knowledge. What was particularly impressive about Dr. Walker was his enthusiasm in teaching the course, an enthusiasm which was positively infectious.

Dr. Walker's resignation however is not unique. In the last two months we have seen losses in other departments which were especially unfortunate as far as the students are concerned. Losses have been especially severe in the physics, economics and history departments. The pattern of events becomes increasingly difficult to ignore.

For if such people can be taken away from a place with the supposed reputation Iowa has, one wonders how long it will have any reputation except an extremely sorry one.

### Quarter-Million Votes Cast for Beardsley

DES MOINES (AP)—Gov. William S. Beardsley, unopposed for Republican renomination in the June 5 primary election, polled 238,686 votes, the official canvass of ballots showed Thursday.

There were 14 write-in votes for the Republican gubernatorial choice, six of which were for Robert D. Blue. Beardsley defeated Former Governor Blue for Republican renomination in the 1948 primary.

The official tabulation for the Democratic nomination for governor showed Lester S. Gillette, Fostoria farmer, got 70,046 votes to 23,458 for Myron J. Bennett, former Des Moines safety commissioner. There were two write-in votes for others.

The canvass showed that Albert J. Loveland, former U.S. under-secretary of state and Janesville farmer, won the Democratic senatorial nomination. He got 38.5 percent of the vote. State law requires that if no candidate gets 35 percent of the vote the party's post-primary convention makes the nomination.

### Car Damaged in Night, Iowa Citian Reports

A car belonging to Frank Dolezal, 925 N. Dodge, was struck by a car and damaged Wednesday night while parked in front of his home, Dolezal reported.

The driver of the other car left no name. Dolezal has not estimated the damage to his car.

## Munich in Reverse —

### 'Solve' Sudetenland Question

BERLIN (AP)—East German Communists went to another Munich Wednesday, a Munich in reverse.

This Munich was in Prague. Deputy Prime Minister Walter Ulbricht of the east German regime announced in the Czech capital that his government would renounce all claims for 2-million Germans to live in the Sudetenland for which Adolf Hitler once threatened war.

In the 1938 Munich Hitler won the Sudetenland. After the war Czechoslovakia expelled more than 2-million Germans from the territory within her borders. Wednesday, the Soviet-licensed news agency ADN quoted Ulbricht as saying this resolution was recognized by the east German government as a "final solution."

The east German government is swallowing the pill apparently for the same reason that it accepted the Oder-Neisse eastern frontier dictated by Russia and Poland—it is working its way to full and equal membership in the Soviet bloc.

Ulbricht made it clear a formal declaration relinquishing all claims for the return of the expelled Germans to Czechoslovakia would be signed this week in Prague.

"Between the (east) German democratic republic and the Republic of Czechoslovakia, there are no more open questions," ADN quoted him as saying.

"The resettlement of Germans in Germany from Czechoslovakia was carried through in accordance with the agreement of the allied powers at Yalta and Potsdam, and was a final solution."

A fortnight ago, when Ulbricht

in Warsaw signed away German claims to the thousands of square miles of territory held by Poland, a storm of protest was raised among the millions of refugees from those areas who are now living in western Germany.

The forthcoming renunciation at Prague seemed likely to provoke similar feelings among Sudeteners in western Germany who have been campaigning for resettlement in Czechoslovakia.

Communist sources here admit privately, that there now is no likelihood of unifying Germany as long as the cold war continues.

The two steps by Ulbricht seemed to confirm this. The cession to Poland left a trail of wreckage within the Communist party in western Germany. The Prague concession also seemed likely to be damaging.

It appeared, therefore, that Russia has written off the west German Communist party as a political weapon against the allied powers. She is reported bent on solidly establishing the Stalinist system in east Germany regardless of whether she alienates potential sympathizers in the Bonn republic.

### Demo Chairman Sure Of Switzer Confirmation

DES MOINES (AP)—Democratic State Chairman Jake More predicted Wednesday Carroll Switzer will be confirmed by the senate as federal judge of the southern Iowa district.

More, who recently returned from Washington, said he was confident Sen. Guy Gillette (D-Iowa) would eventually withdraw his objections to Switzer's appointment.

## Married Students Give Vets' Playschool Face Lifting

The barracks-housed Veterans' Children's Playschool, 12 E. Bloomington, is getting a face lifting treatment during evenings this week.

SUI married students who have children enrolled at the school are painting and repairing all the outside equipment and re-fitting the screen doors.

**Teeter-Totters**  
The group is also constructing lightweight hollow boxes that the children can use for building. The boxes measure about 1 foot wide 2 feet long and six inches deep. In addition to the box materials the parents ordered long straight planks of the same wood so the youngsters can construct slides and teeter totters.

The lightweight wood also inspired another project. Jim Reeds, G. 107 Finkbine park and Bob Thorstensen, G. 122 Finkbine park are rebuilding a record player to fit into a low cabinet of this wood.

The wood was purchased with a \$100 gift from the State American Legion auxiliary, according to Mrs. J. P. Hummel, 1101 Finkbine park. Part of the money is being used for paint, repair materials and new toys.

**Two Age Groups**  
The playschool opened June 15 for the summer session and will accommodate 50 children. About 42 children have enrolled, so there are still a few openings, Mrs. Hummel said. Parents who wish to register children may call Mrs. Don Gilbert at 9173 to arrange an interview.

The children are divided into two age groups. The 3½ through 5-year-old youngsters attend Monday, Wednesday and Friday. Children in the 2½ through 3 age group are enrolled for Tuesday, Thursday and Saturday. The playschool will be open from 8 a.m. to 11 a.m. Monday through Saturday until August 9, Mrs. Hummel said.

Mrs. Walter Knox is teaching

**ALMOST READY FOR VIGOROUS PLAYSCHOOLERS** are these lightweight hollow wooden blocks being assembled at the Veterans' Children's Play school by (left to right) Harold Guthrie, G. 804 Finkbine park; John Knott, associate professor in the psychiatry department of the SUI college of medicine, and Wendell Woodard, A4, 812 Finkbine park. The blocks are useful for building "houses," "battle-ships, and other things essential to the three-year-old's world. Located at 12 E. Bloomington street, the playschool will be open mornings, Monday through Saturday until August 9. Several of the married students have been working evenings to repair and paint the playschool equipment.

supervisor of the playschool and is assisted by Mrs. Guy Mills and several volunteer mothers.

**TO RETURN GIRLS**  
Parents of two Iowa City girls, who left home for Chicago without permission Wednesday, went to Chicago Thursday to return the girls to their homes.

## Mrs. William Files Dies After Illness

Mrs. William Files, 76, died at 8:15 p.m. Wednesday at her home, 1828 G. street, after a long illness.

Mrs. Files, a resident of Iowa City for the last 44 years, was born May 17, 1874 in Linn county, the daughter of Martin and Mary Karr Rider.

She was married to William H. Files on February 3, 1898, at Western in Linn county. The couple established their home here in 1906.

Mrs. Files is survived by her husband; daughter, Mrs. Mildred Michel, Anamosa; son, Gale, Edmond, Okla.; two grandchildren and eight great-grandchildren. One son preceded her in death in February.

Funeral services will be held at 2:30 p.m. Saturday at the Beckman funeral home. The Rev. Norman Hobbs, of the Mennonite church will officiate. Burial will be in the Ridgewood cemetery at North Liberty.

## Custody of Children Asked in Divorce

Suit for divorce was filed Wednesday in the Johnson county clerk's office by Rita Volden against her husband, Archie L. Volden 111 1-2 E. Washington street.

The plaintiff charged cruel and inhuman treatment and asked custody of their two children, Danny, 17 months, and Kay, 6 months.

## English Nurse Studies At SUI on Scholarship

Janet Craig, England, is spending three weeks at SUI studying nursing in the department of pediatrics (treatment of children) of the college of medicine.

Miss Craig is visiting medical centers in the United States on a Florence Nightingale scholarship. Her work at SUI is primarily concerned with the study of infant metabolism (process which creates energy).

## SUI Speech Student Teaching in Kansas

Mrs. Darlene Haring, SUI graduate speech student, is a visiting instructor in radio and television at Pittsburg State college, Pittsburg, Kan.

Mrs. Haring attended SUI during the 1949-50 sessions. She will continue her graduate studies at SUI this fall.

Mrs. Haring received her B.A. and M.S. degrees from Pittsburg State college.

## Student Nurse to Wed

**THE ENGAGEMENT AND APPROACHING MARRIAGE** of Edris Rinella, N4, to Edward H. Clarke, 1948 SUI graduate of Chicago, Ill., has been announced by the parents of the bride-elect, Mr. and Mrs. Joseph J. Rinella, 7½ S. Dubuque street. Miss Rinella is affiliated with Zeta Tau Alpha, social sorority. Mr. Clarke is employed by Dun and Bradstreet in Chicago. The wedding will take place September 23 in St. Mary's church in Iowa City.

## Town 'n' Campus

Wives of chemistry graduate students are asked to disregard the announcement of a meeting to be held Tuesday at the Delta Sigma Delta fraternity house, 108 River street. The meeting is for wives of education graduate students only. The announcement appeared in Wednesday's Daily Iowan.

## GOP Convention Set For Community Building

The Republican county convention June 30 will be held in the Community building, 204 S. Gilbert street, Atty. William F. Morrison, county GOP chairman, announced Thursday.

He said the keynote speaker will be named later. Chan F. Coulter, 440 Grand avenue, is chairman of the planning committee for the convention.

## DAUGHTER BORN

A seven-pound, 10-ounce daughter was born to Mr. and Mrs. Aphonse Jansen, West Liberty, 6:49 p.m. Wednesday, at Mercy hospital.

## Use 'Quick Molasses Cake' for Any Meal

A speedy and delicious solution to that problem of what to feed unexpected guests is Quick Molasses Coffee Cake. Topped with nutmeats and rice cereal, this attractive cake is delicious when served with a hot or cold drink.

Baking time for molasses cake is only 30 minutes, and it will be suitable for breakfast, dessert at lunch or dinner, or an evening snack.

If you are preparing the cake for guests, use a nine-inch ring mold for more attractive results.

**Quick Molasses Coffee Cake**  
1 ½ cups sifted flour.  
2 teaspoons baking powder.  
½ teaspoon soda.  
1 teaspoon salt.  
3 tablespoons sugar.  
½ cup shortening.  
1 egg, beaten.

1 cup sour cream.  
2 tablespoons melted butter or margarine.  
1/3 cup molasses.  
½ cup chopped nutmeats.  
1 cup rice cereal.

Sift the dry ingredients together and cut in the shortening until the mixture resembles cornmeal. Add the egg and cream, stirring until the liquid and dry ingredi-

ents are combined. Spread the batter in a greased pan.

Combine the butter, molasses, nutmeats and rice cereal, and mix well. Sprinkle this mixture over the batter and bake in a moderately hot oven (400 degrees F.) about 30 minutes. The recipe should yield about nine servings, if a nine-inch ring mold is used, or a nine-inch square pan.

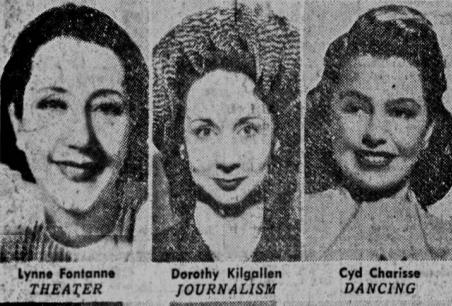

## Cochran to Discuss Use Of Audio-Visual Aids

Lee W. Cochran, executive assistant of SUI extension division, will speak at audio-visual conferences in St. Louis, Mo., and Norman, Okla., next week.

Cochran will talk on "Teaching and Communications" at the audio-visual and radio conference Tuesday in St. Louis. The conference will be for students from four St. Louis universities.

On Wednesday and Thursday he will lead discussion panels at the Oklahoma audio-visual conference at Oklahoma university.

### Seminick Out Trying to Score

(AP Wirephoto)

PHILADELPHIA CATCHER ANDY SEMINICK was tagged out at the plate in the Phillie-Pittsburgh game Thursday by Pirate Catcher Earl Turner. Seminick tried to score after Bob Miller flied out to center field. Philadelphia moved into second place in the National League with a 7-4 victory. The St. Louis Cardinals skidded to third place Thursday after losing a doubleheader to the New York Giants. Brooklyn is leading the league.

## Philadelphia Spills Pittsburgh, 7-4

### Win Moves Phils Into Second Place

PHILADELPHIA (AP) — Four home runs and a triple play carried Rookie Bob Miller to his sixth pitching victory without a defeat Thursday as the Philadelphia Phillies defeated the Pittsburgh Pirates, 7-4.

Willie Jones sent the Phillies away to a one-run lead with his 12th homer of the season in the second. After the Pirates had taken advantage of the first of Gran Hamner's two errors to go in front 2-1 in the third, Del Egan picked his 14th home run in the left field stands with Eddie Waitkus on base in the fourth.

Before the inning was over, Seminick socked his fourth hit out of the year. And then he hit Jones had doubled.

Bill Voelke went the distance for the National leaguers, giving up six hits and running seven. Bob Kelley also went the distance for the home club.

### tain the National lead.

A triple play came in the seventh after the Pirates had scored one run. Ted Beard was on third and Henry Schenz on first when Gus Bell hit to Miller. The rookie right hander caught Schenz at second with a throw to Hamner and Bell was doubled. Waitkus' peg to Andy Seminick gave the catcher time to tag Beard trying to score from third.

## Iowa City Selected As Site of Missouri Valley Tennis Meet

Iowa City has been selected as the site of the 44th annual Missouri Valley tennis tournament July 10 through 16, it was announced by meet officials Thursday.

The tournament, which will be held on the SUI courts, is the most important meet sanctioned by the Missouri Valley Tennis association. It is expected by tournament sponsors that tennis stars throughout the midwest will enter.

Championships in 12 events will be decided in the meet.

Dick Hainline of Rock Island, Ill., will be back to defend the men's singles title he won at last year's tourney. Hainline is a former Augustana and Iowa net star.

### Other Winners

Other winners last year expected back to defend their championships are: Doris Popple, women's singles; Ronald Barnes, Kansas City, Mo., junior singles; Natalie Coughlin, St. Joseph, Mo., girls' singles; Jamie Andrews, Iowa City, boys' singles; Hainline and Len Proseer, Mission, Kan., men's doubles.

Mrs. Lucille Davidson, Lee's Summit, Mo., and Mrs. Nora Proseer, Mission, Kan., women's doubles; Wallace Gunlach and Guy Frumson, St. Louis, Mo., junior doubles; Martha Goebel and Mary Vassely, St. Louis, Mo., girls' doubles.

John Been, Okmulgee, Okla., and Don McKee, Oklahoma City, Okla., boys' doubles and Mrs. Nina Hamilton and Ward Parker, both of St. Louis, Mo., mixed doubles.

### Girls Division

In addition to these events, the 1950 tournament will include a division for girls 15 years and under.

## Klotz Will Instruct Davis Cup Squad

Iowa tennis Coach Don Klotz has been appointed captain and coordinator of the junior Davis Cup tennis squad for the Missouri Valley district, it was announced Thursday.

Klotz will be in charge of training a selected group of 16 boys beginning July 18 through 22 in St. Louis, Mo., as one of the steps in developing future players for Davis Cup competition.

The Iowa coach will be assisted in the intensive instruction by four St. Louis tennis professionals. Players selected for the instruction will be from Iowa, Nebraska, Missouri, Kansas, Arkansas and Oklahoma.

Each professional will instruct in some phase of the game and Klotz will coordinate the entire program.

# Giants Blank Cards Twice, 3-0, 5-0

## St. Louis Skids To Third Place

NEW YORK (AP) — Righthander Larry Jansen and Lefthander Dave Koslo turned in masterful pitching performances Thursday as they hurled the New York Giants to 3-0 and 4-0 decisions over the St. Louis Cardinals.

The defeats dumped the Cardinals out of a first place tie with Brooklyn into third place behind the climbing Philadelphia Phillies. The Cards trail the Phils by five percentage points and the Dodgers by a half game. The victories enabled the Giants to reach the .500 mark and also moved them to within five and one half games of the Dodgers.

Jansen stopped the Cardinals on six hits in posting his third consecutive shutout and seventh victory in the opener. The tall righthander now has pitched 29 straight scoreless innings.

Lefty Howie Pollet pitched well for the Cards but home runs proved his undoing. Rookie Tookie Gilbert connected with one on in the fourth and Alvin Dark completed the scoring with a homer in the eighth, his fourth of the season which surpassed his previous single season out put in the majors.

Koslo was brilliant in the finale limiting the Cards to two hits — third inning singles by Eddie Miller and Tommy Glaviano.

The Giants nicked Starter Al Brazle for a run in the fourth on a walk, ground out and single by Hank Thompson. They routed the veteran lefty in the seventh with a four run barrage.

## Dean Lind, Dailey Meet In Western Golf Finals

SOUTH BEND, IND. (AP) — Defending Champion Dean Lind of Rockford, Ill., and Darkhorse Warren Dailey of Manitowoc, Wis., won the semifinal matches in the Western Junior Golf tournament Thursday.

They will meet in a 36-hole final match today.

Each had to come from behind. Lind defeated Robert Callis of Martinsville, Ind., 2 and 1. Dailey beat co-medalist Bill Casper of Chula Vista, Calif., one up. Lind was one over par for 17 holes, and Dailey was six over for 18.

## Boston to Represent Iowa in NAU Meet

Marcellus Boston, sprinter and broad jumper, will be Iowa's only representative this weekend in the NAU championships at College Park, Md.

Boston will compete in the 100-yard dash and broad jump in the junior championship section of the meet and may also enter the senior broad jump. The junior section is open to athletes who have not won a major conference or national title.

Boston was second high scorer on the 1950 Iowa track team. He placed first in the 70-yard dash in the Illinois Tech relays and the broad jump in the Central Collegiate meet. His best jump mark this year is 23 feet, 9 3/4 inches.

## McCarthy Sick; Leaves Club

BUFFALO, N.Y. (AP) — Joe McCarthy, 63, ailing manager of the losing Boston Red Sox, came home Thursday night from Chicago to take a rest.

As he arrived at the airport here at 4:20 p.m., McCarthy rushed through the gate swinging at a photographer's camera as he went through.

His wife met him and together they walked through the station toward their automobile where their pet terrier lapped his face enthusiastically.

McCarthy smiled and said: "At least somebody loves me, anyhow."

Looks Drawn McCarthy looked a little drawn from his siege of illness and seemed

anxious to get to his farm in suburban East Amherst. He turned to reporters and said: "I have nothing to say," then added:

"Have you ever felt lousy? Well, that's how I feel, lousy."

Later, at their home, Mrs. McCarthy denied a report that her husband had resigned officially as Red Sox manager.

"There's no truth to that report at all," she said. "He's just sick and I'm waiting for the doctor to come now."

Red Sox officials in Chicago also said that Joe was merely sick and that there was no thought of his resignation. The date for his return to the team was reported to be indefinite.

Rest Ordered McCarthy had been confined to his Chicago hotel room since Tuesday with influenza and pleurisy. He was ordered by his physician to take a long rest.

Including Thursday's game with the Chicago White Sox, the Red Sox have lost 11 of their last 13 games.

McCarthy became manager of the Red Sox in 1948. He formerly was manager of the New York Yankees.

Coach Steve O'Neill was placed in command of the Red Sox until further notice. O'Neill, a former Detroit and Cleveland manager, joined the Red Sox coaching staff during the winter.

Announcement of McCarthy's departure via plane was made suddenly just before Thursday's game.

'The Brat' Relaxes

EDDIE 'THE BRAT' STANKY of the New York Giants took time out to relax between games with the St. Louis Cardinals Thursday. Stanky, the aggressive second baseman who worries pitchers into putting him on base, helped the Giants to a double win over St. Louis, 3-0 and 5-0.

Sam Snead Medalist in PGA Golf Meet; Fellow Golfers Jeer Crowd Appreciates Below Par Round Yanks, Tigers Drop Decisions

COLUMBUS, OHIO (AP)—Slammin' Sammy Snead fired a four under par 68 which tied the competitive course record and gave him medalist honors in the PGA golf tournament Thursday — to the cheers of the spectators and the jeers of his fellow pros.

A large and loyal gallery applauded Snead's pin — splitting shots as he toured Scioto country club's rolling hills and gullies with a 36-36-68 for a 36-hole total of 140.

But when golf's leading money winner — who has banked more than \$20,000 in less than six months — pushed his victory into the locker room, he wasn't given a cordial welcome.

There is a \$250 prize for the medalist and the general opinion was that Snead, who automatically qualified for today's match play as the defending champion, should have left that pittance for one of the less successful members of the fairway fraternity.

"The miser from the mountains," one yelled, and another added: "That'll help fill another tomato can, Sam."

But despite the black looks and the storm of abuse, they couldn't shake away the fact that the sweet-swinging hill-billy from the Virginia mountains had fired the best nine of the tournament with his outgoing 32 and then matched regulation figures coming home through a thunderstorm with his 36 for a 68.

Top Money Winner

While such name pros as Clayton Heafner and Dutch Harrison were falling by the wayside, Snead moved in two strokes in front of Al Brosch of Garden City, N.Y., who had led the early finishers with a 70 for 142.

Before Snead came blazing in, only three men had bettered or matched par. Brosch was two under with his 142 and at 144, even figures, were former National Open Champion Lloyd Mangrum and Charles Bassler of Cantonville, Md.

CLEVELAND (AP)—The Cleveland Indians crashed five home runs off lefty Joe Ostrowski Thursday to defeat the New York Yankees, 6-2, in the rubber game of the three-game series.

All but one of the runs made by both teams were driven in by home runs. None of the seven homers came with a man on base. Jim Hegan and Luke Easter each socked two for the winners. Ray Boone got the other.

Joe DiMaggio and Johnny Mize belted the round trippers for the two New York runs off Bob Feller.

Ostrowski allowed nine hits in absorbing his first whipping since being traded to the Yankees by St. Louis a week ago. Feller struck out six and held the Yankees to seven blows as he gained his seventh victory.

DiMaggio's 13th homer put the Yankees ahead in the second inning, but the Indians tied it in their half on a double by Larry Doby, Al Rosen's single and a scoring fly.

The first of Easter's two 400-foot smashes over the center field fence put the Indians ahead in the third, but Mize, playing his first game since being recalled from Kansas City last Friday, dismayed the 18,407 Indian rooters by duplicating Easter's wallop in the fourth.

School Pitcher Confident After Signing Contract

OSHKOSH, WIS. (AP)—Prep pitching prize Bill Hoef signed a contract with the Detroit Tigers Thursday and promptly predicted, "I'll be throwing in the big time in three years."

The most sought high school star of the year said he finally decided to join the Tigers because "it has always been my favorite team."

AMERICAN ASSOCIATION

DETROIT (AP)—The Washington Senators backed Bob Kuzava's five hit pitching with a 13-hit attack as they beat the Detroit Tigers, 5-2, Thursday to sweep a three-game series from the American league leaders.

The Tigers still clung to a one-game lead over the second-place New York Yankees. The two league-leaders open a four-game series here Friday night.

Washington, which grabbed a three-run lead in the first inning Wednesday while beating the Tigers, 12-4, repeated that three-run outburst Thursday. Four hits off Detroit Starter Paul Trout figured in that scoring.

Detroit bounced back with its only runs in the bottom of the first when Gerry Priddy hit a two-run homer, his second of the year. Washington added a run in the ninth off Paul Calvert, second of three Detroit relief pitchers.

Kuzava had the Tigers well under control as the Detroiters continued their hitting slump.

Washington ... 214 600 001-5 12 1 Detroit ... 200 600 000-2 6 0 Kuzava (3-5) and Evans; Trout, White (3) Calvert (8) Hustantman (9) and Robinson. LP—Trout (4-2), Home runs—Priddy (1st).

Scarborough Pitches Chicago Over Bosox

CHICAGO (AP)—Pitcher Ray Scarborough and first baseman Eddie Robinson, two former Washington Senators, were the entire show as the Chicago White Sox hung a 4-2 kayo on the Boston Red Sox Thursday. Scarborough gained his seventh win of the season, fourth for Chicago, via a four-hitter as Robinson drove in all four of the White Sox runs with his No. 5 homer in the first inning and an eighth round single.

It was Boston's eleventh loss in the last 13 games as Coach Stevie O'Neill debuted as the team's acting manager.

Scarborough was a no-hit pitcher going into the sixth when Dominic DiMaggio tagged him for his No. 2 home run, a line drive into the left field lower deck, after Pitcher Mel Parnell, the loser, struck out.

Boston ... 000-001-001-3-1-1 Chicago ... 300-000-015-4-12-0 Parnell (2-2) and Fehbel, Bats (9); Scarborough (7-0) and Mast, Home runs—Robinson (5th) DiMaggio (2nd).

Shantz Hurls A's Past Browns, 8-4

ST. LOUIS (AP)—Philadelphia hammered five Brownie pitchers for 15 hits Thursday night to gain an 8-4 victory. Bobby Shantz held St. Louis to eight hits before yielding to Lou Brissie in the ninth. Sam Chapman got a two run homer for Philadelphia and Sherman Lollar did the same for St. Louis.

It was Shantz' sixth triumph of the year — a game in which Eddie Joost walked four straight times.

Lollar's homer came in the first inning and put the Browns ahead 2-0. Philadelphia tied it up in the top of second on four hits, including Chapman's triple with no one on base.

In the third, Philadelphia added another and put across three runs in the seventh.

Another run scored for the Browns in the eighth but Philadelphia came back with two more in the ninth to put the game on ice.

Insured Golfer Shoots Hole-in-One — Nets \$400

HICKORY, N.C. (AP)—Insurance Salesman Gaither B. Young paid \$4 last March to insure himself with Lloyd's of London against making a hole-in-one golf shot. Thursday he claimed the policy's \$400 face value after sinking a 173-yard drive from the 17th tee of the Catawba country club golf course.

Cincinnati Takes Series Over Dodgers, 9-5

BROOKLYN (AP)—The cellar-dwelling Cincinnati Reds made it six out of nine over the top-ranking Brooklyn Dodgers Thursday by trouncing them, 9-5, in the odd game of the current three-game series. It was the first series lost at home by the Brooks this year.

A crowd of 23,952 saw Herman Wehmeier go the route against the Brooks for the third time. The young righthander, who had a 1-8 record against the rest of the league, was nicked for three singles in the first inning and didn't allow another hit until the eighth.

Then Gene Hermanski broke the spell with a double and Duke Snider followed with his 13th homer. Gil Hodges hit another round tripper with one on in the ninth.

Wehmeier also was aided by home runs. Ted Kluszewski hit his 10th with two on off Dan Bankhead in the third. The Negro righthander was wild, walking six. He was yanked following two passes and Grady Hatton's single in the fifth.

Cincinnati ... 003-010-203-9-9-3 Brooklyn ... 100-000-022-5-7-3 Wehmeier (4-8) and Scheffing; Bankhead, Palica (6) Hatton (5) and Campanella, LP, Bankhead (4-5), Home runs—Kluszewski (10th), Snider (13th), Scheffing (2nd), Hodges (6th).

77 SUI Barristers Finish —

Eighty-one Law Students Pass Bar Exams

Eighty-one law graduates passed bar examinations Thursday and were sworn in as members of the Iowa bar. All the applicants who took the exams in the SUI law building passed them.

District Judge Fred M. Hudson, Pocahontas, administered the oath to the 81 new lawyers. Among them was his son, James.

All but four were graduates of the SUI college of law. Two were from Northwestern university, one was from Valparaiso university and one was from John Marshall law school.

63 More in Des Moines Results of the bar exams were announced shortly after the oral exams were completed about noon Thursday. The written exams, which lasted about two and one-half days, ended Wednesday noon.

Sixty-three more applicants to the Iowa bar took their written exams this week in Des Moines. About half of those are graduates of the Drake university law school, Don Hise, chairman of the examining board, said Thursday. They will be tested orally in Des Moines this week by the same examining board.

Members of the state law examining board are Harold G. Cartwright, Marshalltown; Roscoe P. Thoma, Fairfield; Wilson W. Cornwall, Spencer; E.P. Donohue, New Hampton; and Leon W. Powers, Denison.

Also sworn in were Charles O. Cummins, Davenport, and Mark C. Curran, Davenport, both of Northwestern university; Richard E. Homan, Newhall, Valparaiso university; and Donald J. Sebesta, Mechanicsville, John Marshall law school.

Dunner Urges Aid For Zionist Groups

American Jewry must stand by the young State of Israel to help the survivors of Nazi terror renew their faith in mankind, said Joseph Dunner, here Thursday.

Dunner, chairman of political science at Grinnell college, spoke before the Congregation Agudas Achim, 432 S. Clinton street. He was sponsored by the Congregation, local chapter of the Zionist Organization of America.

Dunner said the Zionist movement which gave birth to the State of Israel must continue to be supported financially and politically in the United States. In this way, he said, Jews, who have been persecuted for 2000 years, will finally live in a land of their own culture and by their own precepts.

In answer to his topic question, "Why Zionism Now?" Dunner said the creation of the State of Israel does not mean the job of Zionism is at an end.

The Zionist movement here must constantly make the American government and people aware of the fact that Israel is an American outpost in Asia, he said.

Electrical Workers Gain Wage Boost

A new wage agreement has been reached between the Iowa-Illinois Gas and Electric company and the 66 Iowa City employees of that company.

The announcement was issued Thursday by H. J. Roberts, assistant manager of the Iowa City branch, and Charles A. McComas, president of the union local, No. 599, International Brotherhood of Electrical Workers (AFL).

An increase of five percent in the hourly pay rate for all local employees and an increase in vacation time for employees with more than 25 years of service from three weeks to four were granted by the company.

Under the new contract, which will go into effect June 1, 1950, the average hourly rate will be \$1.403.

JANE COWL DIES

SANTA MONICA, CALIF. (AP)—Jane Cowl, once Broadway's most famous "Juliet," died Friday of abdominal cancer at 65. One of the most beautiful women of the stage in her era, Miss Cowl had recently scored movie success as a character actress.

SUI Lecture Series Includes Six Programs

Story on first summer lecture today on page 1).

Under the directorship of Prof. M. Willard Lampe, SUI school of religion, the 1950 summer lecture series will include four lectures, one regular and one combination recital-lecture. The series opens tonight with a lecture by Robert Kazmayer, and will continue through July.

On June 30, Curt Janssen will present a lecture-recital called "The Trumpet Shall Sound." He will talk on the role the trumpet has played since the dawn of history.

He plays a representative group of trumpets used by various races over a period of several hundred years.

SUI Alumnus to Speak July 7 brings SUI Alumnus Francis O. Wilcox to speak on "The Cold War and Our Bi-Partisan Foreign Policy."

Wilcox received both his B.A. and Ph.D. degrees at SUI and won major "I's" in track. He was awarded the Big Ten scholarship trophy for athletes. He presently is chief of staff to the U.S. senate foreign relations committee.

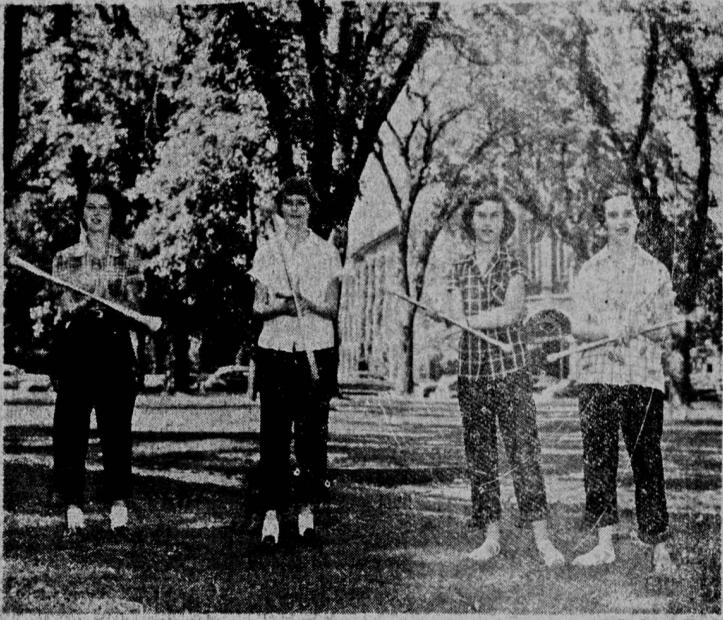

Max Lerner, Socialist writer and New York Post columnist, comes to SUI July 14. Lerner was born in Russia, formerly edited "The Nation," and later worked for P.M., the New Republic and the New York Star.

Lerner is the author of "It Is Later Than You Think" and "Ideas Are Weapons." He will talk on "America and the Moral Crisis."

A Japanese Christian leader, Kagawa, will appear here July 21. He lectured in SUI's fieldhouse in 1936 and drew a crowd of more than 7,000 people. He is chiefly remembered for a pre-World War II apology to the Chinese people for Japanese atrocities.

Dance Recital The summer series will conclude July 28 with a Latin American dance recital by Teresita Osta Zaibida.

Little Hawk Twirlers Get Head Start

(Daily Iowan Photo)

HIGH STEPPERS FOR CITY HIGH were these four junior misses practicing on the SUI campus west of east hall. From left to right the girls are Janet Schultz, a freshman; Joneal Boyle and Jean Kaspar, both sophomores, and Alta Duffy, a junior. Only one of the majorettes, Joneal Boyle, has ever twirled a baton before. Joneal led the City high band last fall. The girls intend to hold weekly practice sessions for the rest of the summer so that the Little Hawks will be proud of them.

Exterior of New Library Now Nearing Completion

The outside of the new SUI library is almost completed, Job Superintendent Clarence Casey said Thursday.

The metal south half of the outside wall is being painted at present. The only other outside work remaining, beside decorations and trimming, will be the placing of concrete tile along the ground edge of the south wall, he said.

The metal siding being used on the south half of the building consists of insulated, corrugated steel sheathing. This sheathing has the insulation properties of a 12-inch brick wall, Casey said.

According to University officials, this semi-permanent metal siding is being used to save money in case of future expansion.

Should expansion work be done on the library in the future, the metal could be removed at slight cost, and could be utilized for other purposes.

Concrete flooring is almost completed on the first and second floors. Some has yet to be put down in the third-floor air conditioning fan-room, Casey said.

Soundproof steel ceilings and partitions have arrived, and installation will begin in about ten days. Plastering in the lounges and stairwells will begin at the same time, he said. Concrete tile is being installed in lounges and stairwells now.

OMVI Charge Nets 3 Fines, 1 Sentence

One man was sentenced to a year in the county jail Thursday in district court on a bad check charge and three men were fined \$300 on charges of operating a motor vehicle while intoxicated. Judge Harold D. Evans sentenced Joseph C. Gedraitis, 49, Newton, to one year in the county jail on a charge of issuing a false check. Gedraitis pleaded guilty to the charge Thursday.

He had pleaded innocent when arraigned on the indictment May 19.

Gedraitis was charged with passing a false check against the Newton national bank in Ewers mens store Nov. 27, 1948. He has been in the county jail since March 11. The judge ordered his sentence to begin as of that date.

According to a report on his criminal record, made by the state bureau of investigation, Gedraitis has been sentenced for similar offenses in other states.

18 DIE IN WRECK GUAYAQUIL, ECUADOR (AP)—A bus and a railway locomotive collided Friday, touching off a gasoline explosion and fire that killed 18 persons and injured at least 11 others.

Rev. Campbell to Be Vespers Speaker

The Rev. E. Fay Campbell, director of the department of colleges of the Presbyterian Board of Christian education, will be the second vespers speaker at 7:15 p.m. Sunday on the west approach to Old Capitol.

Campbell will take up the general theme for the vespers series, "Religion and Moral Unrest," with a talk entitled "In Education."

A graduate of Yale university and of Yale Divinity school, Campbell is now chairman of the board of directors of the Student Volunteer movement.

Professor Honored By French Society

Prof. Emil Witschi, SUI department of zoology has been notified of his election to honorary membership in the Zoological Society of France, he revealed Thursday.

Witschi recently returned from Paris, where he attended a colloquium June 5 through 12, sponsored by the French National Research council.

The conference was on "Sexual Differentiation in the Vertebrates." A small number of international authorities attended and explained their various works in the field.

Witschi spoke on sexual differentiation and determination in amphibians.

Attending the conference were six authorities from the U.S., two each from Italy and Switzerland, one each from England and Holland, and 10 from France.

While in Europe, Witschi visited Bern, Switzerland, his former home, and Tuebingen, Germany, where he was a visiting professor during the 1948-1949 academic year.

Four Penalized In Police Court

Four persons were fined a total of \$28 by Police Judge Emil G. Trott in police court Thursday.

Ray Curry, 122 W. Bloomington, was sentenced to two days in Johnson county jail for intoxication when he failed to pay his \$7.50 fine. Robert D. Chelf, 630 E. Fairchild, was fined \$5.00 for driving a car which had no muffler.

John H. Grothaus, 826 Rider street, was fined \$12.50 for failing to stop at a stop sign. William J. Large, 530 S. Clinton paid \$3.00 for parking in a prohibited zone.
