No Sheepskins, Coonskin Caps... Yet

SUMMER WEATHER AND AUTUMN SURROUNDINGS Tuesday brought SUI students outdoors. Maribeth DeWitt, A4, Griswold, found this serene spot to study on the west campus between the

Quadrangle and University hospitals. The weatherman obligingly pushed the temperature to 78 degrees and told SUI students to leave their coonskin caps and sheepskin jackets in moth balls for a few more days, at least.

Draft Affects 55 Local Doctors, Dentists

By BILL AYERS
About 55 University hospitals doctors and dentists and possibly one or two more from Johnson county will be affected by President Truman's order calling for a special draft registration.

by setting next Monday as the day to register. The defense department Tuesday asked for 922 doctors, 500 dentists, and 100 veterinarians for the army.

those doctors, dentists or veterinarians who:
1. Were trained during World War II at government expense and who subsequently did not serve at least 21 months with the armed forces or U. S. public health service.

SUI Student Admits Taking Army Rifle From ROTC Armory

An SUI student Tuesday confessed to an FBI agent and to local police that he had taken an army M1 rifle from the ROTC armory Oct. 3.

Call for 40,000 More Draftees

WASHINGTON (AP) - The army called Tuesday for 40,000 more draftees in December and resorted for the first time to the new doctors draft to meet its medical requirements.

of a swift buildup to 1.5-million-man strength. It was indicated that at least 150,000 more men will be drafted in the second quarter of 1951 unless world conditions worsen.

This special registration is in addition to any previous registration required by the selective service system.

French Suffer Severe Indo-China Setback

SAIGON, INDO-CHINA (AP) - The bulk of a force of 3,500 French troops has been wiped out in the biggest battle of the four-year-old war with the Communist-led Vietminh, the French high command announced Tuesday night.

A French communique admitted the severe setback in the region near the frontier of Communist China.

No SUI Action Yet
University officials had taken no action late Tuesday night.

Active Polio Cases Drop to 20 Here

The number of active polio cases dropped to 20 at University hospitals Tuesday. One new case was admitted and four were discharged.

The French repeatedly have accused Red China of aiding the Indo-Chinese guerrillas of Moscow-trained Ho Chin Minh in the war against the French-sponsored Vietnam regime.

Trip Reservations Start Thursday
SUI students wishing to attend the Iowa-Minnesota football game at Minneapolis Nov. 4 may make their reservations beginning Thursday at the main desk of the Iowa Union.

Active Polio Cases Drop to 20 Here

Carolyn Anderson, 6, Clear Lake, was admitted in "fair" condition. Those discharged included Evelyn Jiroutek, 19, Cedar Rapids; Marvin Slettan, 28, Osage; Donald Arthaud, 1, Anamosa; and Joyce Borlin, 11, Williamsburg.

GOP Headquarters Open in Jefferson

The opening of Johnson county Republican headquarters in room 206, Hotel Jefferson, was announced Tuesday by William F. Morrison, county Republican chairman.

Wisconsin Band To Play at Game

The University of Wisconsin's 140-piece marching band will perform Saturday at the Iowa-Wisconsin football game, Prof. C.B. Righter, director of the SUI band, said Tuesday.

Faunce to Talk At Pep Rally

Dean L. Dale Faunce, SUI's new dean of students, will be the featured speaker at SUI's third big pep rally of the season beginning at 7:30 p.m. Friday.

Controls Laid on Home Credit

WASHINGTON (AP) - The government Tuesday put rigid credit controls on all new single and two-family homes and pegged minimum down payments at from 5 to 50 percent.

Controls Laid on Home Credit

The five percent down payment will apply to veterans buying homes costing less than \$5,000. Non-veterans buying homes for more than \$20,000 will have to put up as much as 50 percent of the purchase price.

Reds Reject Surrender Demand; South Koreans Capture Wonsan

Truman to Meet MacArthur in Mid-Pacific

WASHINGTON (AP) - President Truman announced Tuesday he will meet Gen. Douglas MacArthur at a secret rendezvous somewhere in the Pacific this week-end to discuss the "final phase" of the Korean war.

HARRY TRUMAN

DOUGLAS MACARTHUR

To Discuss "Final Phase" of Korean War

Underlining the importance of the mid-Pacific talks, a large group of top military and diplomatic advisers will accompany the President on a two-plane flight to the rendezvous.

The group will include Gen. Omar Bradley, chairman of the joint chiefs of staff; W. Averell Harriman, special assistant to the President on foreign affairs; Ambassador-at-large Philip C. Jessup, and Dean Rusk, assistant secretary of state for Far Eastern affairs.

Secretary of the Army Pace will also make the trip.

Mr. Truman will leave St. Louis Thursday in the presidential plane "Independence" and is scheduled to arrive at Hickam air base, Honolulu, Friday, on the first stop outside of the United States.

From there, he will go on to the undisclosed meeting spot. Mr. Truman's announcement drew quick commendation from several members of congress. They hailed the opportunity for the President to get a first-hand appraisal of the far Pacific situation from the nation's top commander in that troubled area.

Best Homecoming Floats To Get Trophy Awards

Trophy awards for floats in the Homecoming parade Oct. 20 were announced Tuesday by William D. Coder, chairman of the parade committee.

Coder said three trophies will be presented for floats in the self-financed class on a basis of total number of points awarded for beauty, originality, ingenuity, humor and relation to the theme, "Hawkeye Highlights."

In addition to the Homecoming committee awards, three Iowa City clubs, Kiwanis, Lions and Elks, will again award traveling trophies.

The Kiwanis trophy will be awarded to the best fraternity float, the Lions trophy to the best sorority float, and the Elks trophy to the best dormitory float.

Coder said the number of trophies for the subsidized class of the parade has not been determined since there were only three organizations entered in that division Tuesday.

Proposed Ordinance Would Ban Parking On Six IC Streets

An ordinance prohibiting parking on six Iowa City streets received its first reading at the city council meeting Monday night.

Two additional readings will be required before the act becomes law.

The six streets affected include both sides of Newton road from Riverside drive to Woolf avenue, both sides of Burlington street from Muscatine avenue to the bridge, and the north side of Church street from Clinton to Dodge street.

Both sides of Iowa avenue from the river bridge to Madison street and each side of the boulevard center islands in that area, the north side of Riverside street from Woolf avenue west to the end of the paving, and the north side of Grove street from Riverside drive to Beldon avenue.

The action would also change angle parking to parallel parking on two streets - Market street from Clinton to Linn street, and Linn street from Jefferson to Bloomington street.

Chest Contributions Reach 51 Percent

By noon Tuesday, contributions to the 1951 Iowa City Community Chest totaled \$14,850.36, 51 percent of the \$28,468.24 goal.

Chairman Elbert E. Beaver announced Saturday, the day the campaign was to end, that the drive would be continued indefinitely.

The local Community Chest's funds are divided among the following organizations: Boy Scouts of America, city rest room, Salvation army, Parent Teachers association, girl scouts, Traveler's Aide, Visiting Nurse's association and Associated services.

North Koreans Told to Fight To Death

TOKYO (WEDNESDAY) (AP) - The North Korean government flatly rejected United Nations surrender demands today and ordered Communist forces in Korea to fight to death.

Red defiance came as South Korean troops captured Wonsan, a key port and airbase only 95 air miles east of Pyongyang, North Korean capital, Republican patrols fanned north and west of the freed city in pursuit of fleeing North Koreans, field dispatches said.

U. S. First cavalry troops, biting deeper into Communist territory drove within 85 air miles of the Red capital from the southeast.

GI's Battle Fiercely
The cavalrymen, however, were forced to battle fiercely for every yard gained on the western end of a 145-mile battlefield.

Two North Korean divisions of possible 20,000 also were making a stubborn defense against South Korean attacks along a 30-mile front 10 to 40 miles east of the First cavalry sector.

The official Communist radio at Pyongyang broadcast the fight-to-death order some 36 hours after Gen. Douglas MacArthur made a final surrender demand upon Red Premier Kim Il Sung.

No Troop Offers
There was no immediate indication that the Red regime had been offered troops or supplies to replenish North Korea's badly depleted fighting resources.

Kim Il Sung, as commander in chief of the Red army, called on "the entire" people's army, "partisans and all people to fight until the final day of victory."

Admitting the Communist motherland "is face to face with a grave crisis," Kim said, "We should study the example of Soviet Russia's October revolution."

War at a Glance

Tokyo - Premier Kim Il Sung of North Korea rejects UN demand to surrender and orders Communist forces to fight to the death.

Korean front - South Korean troops occupy Wonsan. U.S. First cavalry troops battle fiercely against stubborn resistance on western end of battlefield.

Washington - President Truman announces he will meet General MacArthur somewhere in the Pacific this weekend to discuss "final phase" of the war.

Vishinsky Rejects Anti-Aggression Plan

LAKE SUCCESS (AP) - Russia's Andrei Y. Vishinsky, in a return to his old-time bitter style, Tuesday rejected as "bizarre" and "illegal" the major portions of Secretary of State Dean Acheson's anti-aggression proposals.

The Soviet foreign minister opposed Acheson's plan for UN members to maintain specially trained military units for instant UN duty and for a collective action committee to study how to train such forces for the UN.

He accepted a plan for special emergency sessions of the general assembly but on such conditions that these sessions could be thwarted by a Soviet veto in the security council.

Vishinsky devoted a big portion of his speech to a defense of the big power veto, which he called the "foundation stone" of the UN. Then he ticked off his position on the proposals originally made by Acheson on Sept. 20.

Pride Hurt, Chili Bangs Head Through Window

HOLLYWOOD (AP) - Pin-up girl Chili Williams sobbed Tuesday she banged her blonde head through the window of a television producer's apartment because "he hurt my pride once."

Police found the movie actress sitting in a puddle of blood amid broken glass on the porch of Mike Stokoy's apartment at 2 a.m. Her hair was tousled and her famous face that decorated GI barracks during World War II was covered with blood.

Bus Bargain

New Tokens Sold Out; Fare Only Nickel

Iowa Citizens still enjoyed a five-cent bus fare at various times Tuesday due to an unforeseen shortage of bus tokens.

An increased fare of four tokens for a quarter, or an individual fare of 10 cents went into effect Tuesday, but the Iowa City coach company reverted to the old fare when they could not supply tokens to the drivers fast enough to meet the heavy demand.

10,000 Not Enough
J. E. Negus, bus company manager, said almost all the bus drivers were out of tokens at some time during the day.

He said that 10,000 new tokens were put into circulation Tuesday, but the company did not anticipate the heavy buying. He said he expected to have more tokens within the next two days.

Many passengers didn't seem to know that an increase in fare had gone into effect. Others did not realize they were getting a cheap ride even when the driver announced that he would have to charge the old fare.

Passengers "Pleased"
Charlie Gibb, driver of the Manville Heights bus, said some of his passengers had a "pleased expression" when they were informed that the fare was only a nickel.

He said he had no complaints about the fare hike and that most of his customers thought the increase was "all right."

Gibb said the usual purchase was four tokens, but some of his passenger bought as many as 16.

How Students Can Register for Elections

(This is the first in a series of two articles on registration for the Nov. 7 elections. Tomorrow's article will deal with absentee voting.)

By WAYNE SHAW
Students of voting age who have lived in Iowa 6 months, Johnson county 60 days, and in their present precincts 10 days are eligible to register Oct. 28 for the November elections.

The student must consider Iowa City his home in order to vote here. Married students of voting age who consider Iowa City their home should vote here.

Generally, a husband and wife should be registered in the same city.

Single students who send their laundry home to parents, receive support money from parents, or who visit their home every weekend should vote in their week-

town. They are not eligible to vote in Iowa City.

This does not mean that single students cannot vote in Iowa City. They can if they fulfill the residence requirements, are of age, and can show adequate proof that they are residents of Iowa City and not of some other community.

Students must register in person at the city clerk's office in city hall by Oct. 28 if they wish to be eligible to vote in the Nov. 7 elections.

The local election is of particular significance to voters this year since the question of whether rent controls should be extended here until June 30 will be decided.

Residents of Finkbine and Stadium parks do not have to register since the areas in which they live are outside the city limits. They will vote in Coralville. They will qualify to vote on

election day by taking an oath at the polls that they have fulfilled the residence requirements of 6 months in the state, 60 days in the county, and 10 days in their present precinct.

Ballots...

An order for 21,000 ballots for the general elections Nov. 7 was awarded Tuesday to the Economy Advertising service, 117 N. Linn street, by County Auditor Ed Sulek.

Three special referendums are up for approval Nov. 7, but as yet they have not been drawn up for printing.

The first special referendum is for an elevator in the Johnson county courthouse, the second for a fire truck for East Lucas township, and the third for lifting of rent controls in Iowa City.

### Could It Happen Here?

The above pictures should drive home as nothing else has recently the importance of our not permitting the freedom we have to slip from our hands.

The caricatured front and side views of John Foster Dulles, left, and General Douglas MacArthur appeared in the Soviet Union's magazine "Crocodile," which is printed in Moscow.

The magazine, which specializes in the Soviet brand of satire, says the caricatures are catalogued to assist a "future international court."

A few years ago we were reading reports from Nuremberg, Germany, where German statesmen and military officers were tried for their crimes against mankind. People in all areas of the world serviced by newspapers probably read the reports from those proceedings.

It's almost inconceivable to us that our own statesmen and military figures should be tried before the world for our recent action in Korea. And some might say that the appearance of these pictures in "Crocodile" is no indication of what we might expect.

But there is one thing to remember: Anything published openly in Russia has the sanction of the Communist party there. We have no reason to believe the pictures do not reflect the thinking of that party.

Those who condemn our efforts toward national preparedness might do well to ask themselves if they would like to have the next war trials held in Washington—with the defendants including such men as President Truman and Generals MacArthur, Marshall and Eisenhower.

### The Missing Link

## U.S. Air Victories Begin in Testing Labs

By CHARLES W. WHITE  
Central Press Correspondent  
**WRIGHT-PATTERSON AIR FORCE BASE, DAYTON, OHIO** — "We fly, fly, fly the blamed things until we know they're right," an officer on this huge U.S. Air force base said.

He was telling how they work here at Dayton, to make the fastest, safest fighting airplanes for all Uncle Sam's forces here and abroad; why it takes so long, sometimes, to develop even such a thing as an air conditioning device for upper-air flight. It's a terrific job, all the way from first decisions as to what is needed, to ordering ships and parts, to getting them made, to testing again and again until they're absolutely right.

**Tests Take Years**  
You won't wonder, after a visit to Wright-Patterson, why it required from 1941 to 1949 to put the sweptback wing B-47 six-engine bomber into action; or why from two to five years may be almost a minimum time for development of a single gun mounting for fighting craft.

Take that gun mounting, for example. Even before "invitations to bid" are put out to U.S. manufacturers, both Washington,

D.C., and Wright-Patterson experts have to agree on what is needed, and they have to figure out exactly what features the new model ought to have. Working together, they often are able to make one piece of equipment do for several ships; or one type of ship serve the navy as well as the army.

All this might take weeks or months. Where need is extreme and high priority is given to an order, they sometimes can get things rolling mighty fast, officials here say.

**Perfection Necessary**  
The typical gun mounting suggested above would have to be perfected by the manufacturers, too, before an order could be placed. Dozens of concerns might try without success — and the winner rarely gets an exclusive order, according to Air Force free enterprise practice. And, after the manufacturer builds and tests a job himself, it has to be tested, improved, tested and tested again here at Wright-Patterson.

Even when an airplane or a piece of equipment has gone into combat, changes sometimes have to be made. It all comes back to Wright-

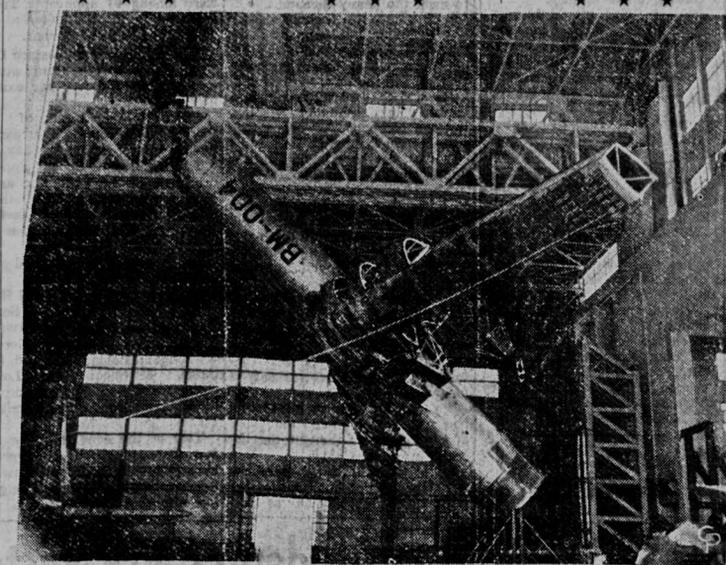

Patterson air force base, which is a vast scientific laboratory as well as a factory, school, and a dozen other things.

**Industry Coordinated**  
In World War II, for example, a B-17 gunner sergeant suggested to his commanding officer that windows ought to be "tagged" so that gunners wouldn't get in each other's way. New bombers with the window improvement came through in England within a matter of weeks—from Dayton, Ohio.

The entire power of the U.S. industry has to be coordinated through this marvelous collective brain, where thousands of men and women work every day pretty much like anybody else.

It takes time, it takes people, it takes equipment, and it takes unbelievable sums of money. Titanic as the job may seem, these folks are doing it day after day.

They get satisfaction, too, out of knowing that American victories in the air are begun right here in Dayton. That goes for the pretty WAC who writes letters for a topdrama scientific colonel, the scrub woman who keeps his office clean, the test pilot who "flies and flies and flies"—and the scientific colonel himself.

FLIPPING A B-36 over on its back is part of the work in testing the structural strength of the fuselage. Planes are ready for action only after years of testing. The B-47 six engine bomber required eight years to develop.

### Citizens Provide Publicity for Pennsylvania

PHILADELPHIA (AP) — Once a year Pennsylvanians — some 10 million of them — set aside a week for the noisy pleasure of tooting their own horns.

The first notes of the tooting will be heard across the Keystone state's 45,133 square miles Monday, the day Governor James H. Duff has designated as the beginning of the fifth annual "Pennsylvania Week."

For seven days all tongues will tell the story of what Pennsylvania grows, makes and takes and how it grew from the wilderness of Penn's woods to one of the most populated of the 48 states.

### State Keeps Within Budget: Beardsley

COUNCIL BLUFFS (AP) — Gov. William S. Beardsley said Tuesday night the state government is expanding its service to its citizens yet is operating out of current revenue, with a balanced budget and without any state property tax.

In an address prepared for a business and professional women's club meeting he commended the financing of state government with the handling of a household budget.

"Women are realists in the field of economics," the governor said. "They know that it takes good management to live within your income."

## War Continues As Gls Cross 38th Parallel

Editor's Note: United Press Correspondent Jack James, the first correspondent to report the invasion of South Korea, was with the first American unit to cross the 38th parallel. Here is his eyewitness account of the advance against "sticky resistance."

By JACK JAMES  
United Press Staff Correspondent  
WITH AMERICAN TROOPS NORTH OF THE 38TH PARALLEL — American troops crossed the 38th parallel in force early this morning and the Korean war again became a grim reality to the slogging infantrymen who made the advance against hard-fighting Communists.

Front line officers used the phrase "sticky resistance" in describing the crossing. A headquarters spokesman said casualties were heavy.

"We had had a great many casualties, both killed and wounded," he said.

**Advance Ordered**  
The imaginary boundary that is the 38th parallel was not even mentioned in the order for the advance. Lt. Col. Hal Edson, Salt Lake City, Utah, was told simply to "continue the advance northward along the main route to Pyongyang."

That's what we did, but it was not as easy as it sounds.

It was known that the Communists had at least "several hundred" troops on Edson's front. A prisoner of war reported that two battalions were encamped four miles north of the parallel.

Once more the Communists had entered the trenches from which they launched their dawn attack on South Korea June 25. This time they were on the defensive.

**Defenses Improved**  
The North Korean defenses had been reworked and improved. Pillboxes on commanding hills had been shored up with fresh sandbags.

One sergeant lectured his crew beside a 57 millimeter rifle: "Fire them goddam shells so's you bust holes in them sandbags."

A young lieutenant conferred with his company commander: "We are getting the mortars zeroed on them now," the commander said. "In ten minutes we start with the mortars, the 37 rifle and overhead machine gun fire. That will keep them down 'til you can get there."

"I'll take off after you've fired two minutes," the lieutenant replied. Then ducked across an open area of 30 feet where his platoon waited.

The firing started at 12:55 a.m. Dust from mortar and recoilless rifle fire obscured the targets, but there was return fire from the Communist position as the platoon began its advance across the valley.

**Enemy Sticks**  
By noon the farthest point of the advance was not quite half a mile. The enemy was sticking to his positions even under heavy pounding from planes and artillery. When the American moved forward it was against heavy rifle and machinegun fire.

The young lieutenant's platoon moved toward its first charted position and then reported in. Rifle fire splattered across the valley. The first position was taken, but beyond that there was another hill and another position.

Progress was slow and costly during the first hours of the advance. Troops pushing along the mountainous road to Songhyon ran into murderous small arms fire on both flanks.

By 2 p.m. the advance was only 1,500 yards inside enemy territory. Receiving reports and directing the advance, Lt. Col. Edson remarked that "there's still a war going on up there."

### LT. GOVERNOR IMPORTANT

OSAGE (AP) — It is important to every citizen that a lieutenant governor be elected who will be responsive to the wish of the people. Christoffersen of Cedar Falls declared Tuesday night.

## Stocks Decline Under Pressure; Cattle Down

NEW YORK (AP) — The stock market declined Tuesday under pressure of selling in the automobile group.

The downward trend started shortly after the opening and continued almost without interruption to the close.

Losses were from a few cents to more than \$1 and \$2 a share, and only a few issues stood out against the trend.

The Associated Press average of 60 stocks declined 50 cents to \$83.50, the second straight day for a loss.

Among stocks going lower were Chrysler off \$1.62 at \$80.62, General Motors \$1.12 at \$52.75, Montgomery Ward \$1.12 at \$64.50, Goodrich \$2.87 at \$111.62 and U.S. Steel 62 cents at \$3.50.

★ ★ ★

**Sheep Steady** — CHICAGO (AP) — Hogs slipped a bit Tuesday in a steady to 25 cents lower trade generally with the close off as much as 40 cents.

Cattle were steady to 50 cents off, but sheep were fully steady to 50 cents higher.

Most butcher weight hogs sold from \$18 to \$19.75, the top going to \$20. Sows took \$16 to \$19. Although receipts of hogs, estimated at 9,000 head, were 1,000 lower than anticipated by traders, there still were about 1,000 remaining unsold at the close.

Medium to choice steers made \$24.50 to \$31.75 mainly. The top reached \$33.25 on a load grading high — choice. Medium to choice heifers were \$23 to \$30. Cows topped at \$22.50, sausage bulls at \$26, and vealers at \$34.

★ ★ ★

**Wheat Depressed** — CHICAGO (AP) — Traders found little to enthuse them in the grain and soybean future markets Tuesday. Prices were on the downgrade almost all day.

Wheat was depressed by lack of favorable export news. Corn and soybeans were sold on the outlook for favorable weather.

## Two SUI Graduates Marry in Omaha

Two SUI graduates, Lavon Haney and Lt. Keith A. Glasgow, were married at 9 a.m. Sept. 30 in Our Lady chapel of St. Celia's cathedral, Omaha.

The bride, daughter of Mr. and Mrs. Wallace A. Haney, Glenwood, is a 1950 graduate of SUI, where she was affiliated with Chi Omega, social sorority.

Glasgow, son of Mr. and Mrs. Joseph W. Glasgow, 306 E. Jefferson street, is also a graduate of SUI, where he was a member of Sigma Alpha Epsilon, social fraternity.

The Rev. Edward Schad performed the ceremony.

Margaret Mary Palensky, Council Bluffs, attended the bride as maid of honor. William Olson, E4, Iowa City, served as best man. Ralph Cahill, SUI graduate, Iowa City, and Ben Crane, A4, Upper Mountclair, N.Y., were ushers.

Following the ceremony, a wedding breakfast was served. The couple then left on a week's wedding trip to the Ozarks.

Following the honeymoon trip, Glasgow went to Aberdeen, Md., where he reported for active duty.

## St. Thomas More Chapel to Reveal 'Fatima Peace Plan'

St. Thomas More chapel will open the Iowa tour of the "Peace Plan of Fatima" with public devotions at 7:30 p.m. Thursday.

The public is invited to attend both the Thursday evening service and a Friday mass at 7:30 a.m. Msgr. William C. McGrath of the Scarborough Foreign Missionary society will conduct the service.

The tour, which will include visits to eight cities, is in the interest of spreading the revelations of "Our Lady of Fatima," made at Fatima, Portugal, in 1917. The revelations warned the pilgrims at Fatima about the spread of communism.

The purpose of the pilgrimage is to invite people to join a "crusade of prayer and reparation" for the conversion of Russia and peace as promised by "Our Lady of Fatima."

Monsignor McGrath will bring with him a carved statue of Brazilian cedarwood, painted to represent "Our Lady of Fatima," and will explain the devotion and apparition. The statue was blessed by the bishop of Portugal, Oct. 13, 1947, at the shrine of Fatima.

## Future Teachers Meet

Eight SUI delegates attended the fall semester meeting of the southeastern conference of the Iowa Future Teachers association this week at Burlington.

Regional President Robert Rodewig, A4, Davenport, said the 240 delegates from 12 schools Monday heard panel discussions on problems of discipline in our educational system.

## MOELHMAN TO SPEAK

Prof. Arthur Moehlman, SUI college of education, will speak at the weekly meeting of the Optimists club at 12:15 p.m. in Hotel Jefferson. "Human Fission" is his topic.

## Hillcrest Dance to Be Saturday at Union

Hillcrest dormitory will give an informal dance, "Ukelele Serenade," Saturday at the Iowa Union.

Larry Barrett's orchestra will play for dancing from 8 p.m. to midnight.

Tickets for the dance may be obtained at the north lobby of Hillcrest. Guests of honor will be Mrs. Marie S. Swords, retiring Hillcrest manager, and her successor, Martha Van Nostrand.

**OPTI-MRS CLUB** — The Opti-Mrs club will meet at 7:30 p.m. Thursday at the home of Mrs. R. R. Rembolt, 319 Hutchinson street. Co-chairmen will be Mrs. Maurice Bicker and Mrs. Ralph Scholting. Members will discuss youth projects for the coming year.

**UNIVERSITY CLUB** — The University club will hold a partner bridge and canasta party at 2 p.m. Thursday in the University club-rooms at the Iowa Union. In charge will be Mrs. Eric Wilson, chairman; Mrs. R. B. Wylie and Bernice Katz.

Housework, winter air and manicure treatment causes of brittle fingernails, according to a University dermatologist (skin specialist).

Women who use nail polish and oil-solvent removers make their nails brittle. Dryness of air is responsible for brittleness in winter, he said.

Other causes of ragged nails listed were syphilis, skin and nervous diseases, congenital defects, injury, vitamin deficiency or hormonal imbalances and nail-biting.

New clear plastic silverware bags prevent tarnishing by keeping air and moisture out, and also make it easy to find the piece of silver desired.

Don't smooth cake frosting down. A high, fluffy cake looks more festive.

Did you know that feather pillows can be washed? Work up lots of soapy suds in a tub and soak pillows for several hours. Then swish suds through the feathers by hand or in a machine. Rinse and hang in a breezy shady spot, turning and fluffing pillows occasionally while drying.

Vary your fruit salad dressing by adding 2 to 3 tablespoons grated red Jonathan apple and 3 tablespoons chopped walnuts or almonds to 1/2 cup mayonnaise.

A transparent plastic is the latest in vision. Even though you must

over your face to keep off rains, you can still see and not be blinded.

wa City's fire-fighting equip- at cruised through downtown a City Tuesday afternoon with ms screaming in a demonstra- n to herald National Fire Pre-vention week, Oct. 8 - 14. Led by a police car, the five ucks started west on Washing- ton street, turned right on Clin- ton street, right again on Iowa avenue, and then proceeded north out Dubuque street before return- ing to their stations.

### Scouts Net \$193 In Paper Drive

The paper drive held by Iowa City and Coralville Boy Scouts Saturday netted \$193, drive co-chairman Raymond Culp announced Tuesday. The money will go toward pay- ing for the base of the Statue of Liberty replica now being erect- ed at Iowa City High school. The scouts collected 32,262 "I consider the drive a success pounds of paper, Culp said. and wish to thank everyone who helped us," he said. The scouts plan to have another drive in November, he added. Harry Wolf was co-chairman of the drive with Culp.

### Couple Married 6 Months, Man Sues for Divorce

Donald Shimon, route 7, Monday filed suit for divorce in district court against Rosalie Ann Shimon. Shimon petitioned that no all- mony be assessed and that Mrs. Shimon be required to return the engagement and wedding rings he gave her. The couple was married May 11 in Cedar Rapids.

### Four SUI Medics To Present Study

Four members of the SUI col- lege of medicine staff will present a paper at the fourth annual fall meeting of the General Associa- tion of Electroencephalographers (those who trace brain waves) at the University of Illinois Saturday. Prepared by Dr. W. R. Ingram, professor and head of anatomy; Dr. M. D. Wheatley, assistant professor of anatomy; Dr. J. R. Knott and T. B. Summers, the paper is based on "Hypothalamic Influence on Cortical Activity."

### SUI Engineering Grads To Address Conference

Measurements of boundary-lay- er development among smooth and rough surfaces will be the topic of a paper presented by two SUI hydraulic engineering graduates at a civil engineers conference Friday in Chicago. W.D. Baines, now a professor at Michigan State, and W.L. Moore, member of the SUI hydraulic re- search department, will discuss the paper which they jointly pre- pared.

### Man Grabs Plane by Tail, Takes Wild Ride

MEXICO CITY (AP)—A 19-year- old Mexican farmer grabbed an airplane by the tail Tuesday and lived through one of the wildest rides in history.

Cislerio Reyes Guerrero jump- ed on the tail of the plane, a twin- engine airline DC-3 transport, grabbed hold of the right elevator and held on — for 53 minutes in the air.

Pilot Jorge Guzman took off, climbed to an altitude of 12,000 feet and a temperature of 40 de- grees (F.) and tried to level off.

Guzman said: "It just didn't re- spond right and was vibrating. So I returned to Torreon," about 470 miles northwest from where he took off.

The bulge of the fuselage pre-

vented Guzman and his co-pilot from seeing the portion of the tail closest to the body of the plane. Guzman, fortunately for his ex- tra passenger, made turns only to the left during the whole flight. A bank to the right might have hurled the young aviation enthu- siast from his tightly-held perch on the tail into space. Like most pilots, sitting on the left hand side of the ship, Guzman favors left turns because of better visibility.

### MENZER TO SPEAK

Prof. Carl Menzer, director of radio station WSUI, will speak at the weekly Lions club luncheon meeting at 12:15 p.m. in Reich's cafe. He will speak on the "Ef- fects of Atomic Bombing and Defense Against Attacks."

### City High Students Given Driver Tests

Written examinations are being given this week to all City high school students enrolled in driver training classes. The tests are being conducted throughout Iowa by the Iowa Safety congress.

The 100-question, hour - long tests were given Monday and Tuesday as part of the safety con- gress education program, George Bowman, driver training director, said Monday.

Tests are not confined to those enrolled in the training course, but may be taken by any other in- terested students.

In some parts of the state prac- tical driving tests also are being held.

### Police Court Hears Two Vagrancy Charges

William Wojohn, Charles City, was fined \$12.50 Monday in po- lice court on a charge of vagran-

cy, but his fine was suspended on condition of good behavior.

Vagrancy charges brought against Will J. Carpenter, Sheldon, Mo., were dismissed on condition that he leave Iowa City.

# Who Runs America?

the Congress? the President?

OR YOU AND THE MAN NEXT DOOR?

**RUNNING AMERICA** is the joint job of 150,000,000 people. It's the biggest job in the world today—keeping it running for liberty and for freedom. And the whole world's watching to see whether Americans can do it!

**IN MUCH OF THE WORLD** today, the people have resigned from running their own countries. Others have been quick to step in—first with promises of "security"—and then with whips and guns—to run things their way. The evidence is on every front page in the world, every day.

**FREEDOM COMES UNDER ATTACK.** The reality of war has made every American think hard about the things he's willing to work and fight for—and freedom leads the list.

But that freedom has been attacked here recently—just as it has been attacked in other parts of the world. One of the most serious threats to individual freedom has been the threat of Government-dominated Compulsory Health Insurance, falsely presented as a new guarantee of health "security" for everybody.

**THE PEOPLE WEIGH THE FACTS.** In the American manner, the people studied the case for Socialized Medicine—and the case against it.

They found that Government domination of the people's medical affairs under Compulsory Health Insurance means lower standards of medical care, higher payroll taxes, loss of incentive, damage to research, penalties for the provident, rewards for the improvident.

They found that no country on earth can surpass America's leadership in medical care and progress. They found that able doctors, teachers, nurses and scientists—working in laboratories where Science, not Politics, is master—are blazing dramatic new trails to health for Americans—and for the world.

**THE "GRASS ROOTS" SIGNALS CONGRESS.** In every community in the Nation, people stood up to be counted on this important issue. Thousands of local women's clubs, civic groups, farm, business, religious, taxpayer, medical, educational and patriotic organ-

izations spoke out—giving the great United States Congress its unmistakable Grass Roots signal from home!

And ever watchful, ever sensitive to an alert people, The Congress saw that signal, and heard the people speak out, loud and plain. That's democracy in action. That's the American way!

Today among the 10,000 great organizations on militant public record against "Compulsory Health Insurance" are:

- |                                           |                                            |
|-------------------------------------------|--------------------------------------------|
| General Federation of Women's Clubs       | American Legion                            |
| American Farm Bureau Federation           | National Association of Small Business Men |
| National Grange                           | United States Chamber of Commerce          |
| Veterans of Foreign Wars                  | National Association of Retail Grocers     |
| National Conference of Catholic Charities | National Retail Dry Goods Association      |
| American Protestant Hospital Association  | American Bar Association                   |

• Doctors of this Nation are grateful that the people refused to be wooed by the fantastic promises of this un-American excursion into State Socialism. • Doctors of America are dedicated to serve their fellow citizens at home and their comrades in uniform, wherever service to this Nation may take them. • And the thing they stand ready to fight for—to sacrifice for—to die for—is not the alien way of life of Socialism, but the prideful security of a free and self-reliant people!

### THE VOLUNTARY WAY IS THE AMERICAN WAY!

• Throughout the Nation, free men and women, working and planning together, are finding the American answer to every question of medical service, care and cost. Hundreds of Voluntary Health Insurance Plans are in healthy competition—sponsored by doctors, insurance companies, hospitals, fraternal organizations—by industry, agriculture and labor. • Today

in America—70 million people are protected by Voluntary Health Insurance! • Throughout the Nation, families are insuring themselves against the major costs of illness—at reasonable, budget-basis prices. Voluntary Health Insurance takes the economic shock out of illness. Protect your family now. • For information, ask your doctor—or your insurance man.

An American's greatest heritage is the right to learn the facts—and to speak his mind. Maintained with honor and used with sincerity—that right will guarantee forever that

**IC Child Injured When Hit by Auto**

Ray Frantz, 7, son of Mr. and Mrs. Chester Frantz, 1303 S. Linn street, was struck and injured Sunday by a car driven by Jerry A. Patterson, Urbana, Ill., police reported.

Patterson said he was driving west of Wright street near the Rock Island depot when Frantz ran out from behind the depot in front of his car.

Patterson's car was travelling slowly, and Frantz's injuries are reported as "not serious."

In another accident reported to police, Bruce H. Bursell, Fairmont, Minn., said that his car was damaged when it struck an unlighted cable lying across an Iowa City street which was undergoing repairs.

Bursell did not estimate damages.

**SUI Play Schedule Lists 'The Heiress,' Movie Oscar Winner**

"The Heiress," the Broadway show that Olivia DeHavilland turned into an academy award movie, is one of the plays scheduled for production at University theater this season.

Prof. Gregory Foley, business manager of the theater, announced the forthcoming production of "The Heiress" as he listed all the SUI plays for the 1950-51 season.

In addition to "Green Grow the Lilacs" which will open Oct. 18 to 28 at the theater, six other plays have been scheduled.

They are: "The Adding Machine" by Elmer Rice, Nov. 8 to 18; "Goodbye, My Fancy" by Kay Kamin, Nov. 29 to Dec. 9; "The Heiress" by Ruth and Augustus Goetz, Feb. 7 to 17.

"Major Barbara" by George Bernard Shaw, March 7 to 17; "The Little Foxes" by Lillian Hellman, April 11 to 21, and "The Mad Woman of Chaillot" adapted by Maurice Valency from the French play by Jean Giraudoux, May 9 to 19.

Student reserved seats for "Green Grow the Lilacs" may be obtained starting today, Foley said. To get tickets, students must present their I.D. cards at the box office, room 8-A, Schaeffer hall.

**Large Patrol Gives More Safety: Ladd**

If the size of the present Iowa highway patrol were doubled, highway accidents in the state would be cut at least in half, Dean Mason Ladd of the SUI college of law told the Iowa highway patrol for eastern Iowa Tuesday night at Cedar Rapids.

Dean Ladd compared the highway patrol to the Canadian mounted police and the Texas rangers, pointing out that the whole public safety on the highways is in their hands.

"When patrolmen are on the road," he said, "traffic slows down and motorists, conscious of the presences of enforcement, drive like sane people rather than mad men."

Dean Ladd reminded the patrolmen that the use of automobiles is one of the chief vehicles of crime and warned them to be constantly in search of criminality in any form.

**5 Fined \$55 Total In Police Court**

Five persons were fined a total of \$55 in police court Monday afternoon by Police Judge Emil G. Trott.

Fined \$12.50 each were Wayland K. Hicks Jr., A4, Sioux City, on a charge of disturbing the peace; Dean M. Block, 630 N. Dubuque street, for discharging fireworks in the city; Dale W. Everette, Conesville, and Morrie Beddoes, Oelwein, for passing stop signs.

Robert Vrchoticky, route 1, paid \$5 for operating a motor vehicle without lights.

**Iowa Citian Recalled For Air Force Duty**

Donald R. Davis, 24, 318 S. Dubuque, received orders Monday to report to Chanute Field, Ill., Oct. 30 for active duty.

Davis, a private first class in the airforce reserve, served two years in the army during World War II, including 11 months overseas with the 1976th quartermaster truck company.

# Hawk Pass Receivers Continue Hard Drills

## Bennett Sees Offensive Duty

Iowa Coach Leonard Raffensperger called for another strenuous practice session Tuesday with primary emphasis going to the Hawkeye passing attack which bogged down in the 20-7 defeat by Indiana.

It was the second consecutive day of hard work for the Iowa squad which meets undefeated Wisconsin here Saturday.

Statistically, the Iowa air game is creditable with 17 completions in 46 attempts good for 229 yards and two touchdowns. But there were several occasions against Indiana when faulty receiving halted Iowa marches.

Quarterback Glen Drahn has accounted for 179 yards — that total on 14 completions in 37 tries. Drahn was the league's third leading passer last year.

In Tuesday's long aerial drill, Raffensperger indicated that sophomore Bernie Bennett of Mason City would be used extensively as a pass receiver.

Bennett is a speedy 180 pound halfback who was being groomed for duties on pass defense but his impressive showing thus far has earned him a spot right behind Don Comrack at left halfback.

Also receiving attention Tuesday was Dick Meyer, Burlington senior, who returned to the squad after missing the 1949 season. Meyer was used for the first time against the Hoosiers last Saturday and obliterated with several fancy catches.

In addition to work on passing, time was again spent on sharpening the tackling of the squad, especially the backs.

**HAWK SOPHS WIN**  
The City high freshman-sophomore football team Tuesday defeated the Marengo reserves, 41-21. The Hawkllets led at the half, 27-0.

## Joe Paulsen - - Veteran Handyman of Hawkeyes

By JACK SQUIRE

Joe Paulsen is a muscular young man of 22 with sturdy, thick legs, brawny shoulders and powerful hands. He's big and he's strong and he loves to play football. And Iowa fans love the way he plays it.

Paulsen is a 195 pound senior from Davenport who will be playing his third year on the Iowa football team. He hasn't made any all-American teams in the past and he won't make them this year. But he will play a lot of good football and have a swell time doing it.

At the moment, Joe is listed at tackle. Over the summer the coaches had him learning the guard plays. Last year he was a center and in 1948 his position was fullback.

"It really don't matter where I play as long as I get a chance to get in the games," said Paulsen who delves in rough body contact.

"I was an all-state fullback in high school but wasn't fast enough to play there in college so I volunteered to switch to center. Now they have me at tackle and I think I'm going to like it. There's a lot of action there."

No matter where Paulsen performs on offense, his place on defense is set at linebacking. This is the task he, along with Chuck Denning and John Towner, handled so nobly a year ago.

Unlike most former high school stars, Joe is far from unhappy with his unglamorous duties on defense. In fact, quite the opposite is the case.

"I honestly like to play on defense more than I did as an offensive back. I guess I just like to hit 'em," he said.

Needless to mention, such an attitude has pleased the coaching staff. Line coach Pat Boland, a

## Hawkeye Harriers Face Badgers in Season's Opener

Coach Francis Cretzmeyer's cross-country team opens its season here Saturday meeting Wisconsin in the morning over Iowa's three-mile course.

Cretzmeyer is set on four starters for Saturday's grind but needs one more steady performer to round out the squad. The Hawkeye harriers last year won four of five dual meets.

Earle Duggan, Davenport; Jack Davis, Iowa City; Jerry Stone, Sioux City and Virgil Von Ashen of Williamsburg are the top men on the Iowa squad.

Cretzmeyer must choose his fifth man from veterans Bill Snook and Bill Bye or Sophomore Stan James of Iowa City.

The Iowa squad has been working out for a full month now and Cretz expects them to be in top shape for Saturday's meet.

Von Ashen, a sophomore, is one of the most promising men on the squad, Cretzmeyer said. He is a former state champion Class B miler.

Davis has been a veteran on the Iowa track for a couple of years. He was the Hawkeye's top miler last year. Duggan is a returning letterman from last year's cross-country team.

Both Snook and Bye are distance men on the track team. Bye won the state high school mile run championship in 1946. James was a leading half-miler on the Hawkeye frosh last year.

## Northwestern Coach Fears Game With Minnesota Saturday

CHICAGO (AP) — Unbeaten Northwestern, like Purdue a strong potential "sleeper" in the Big Ten football race, expects its toughest test by far from twice-whipped Minnesota Saturday.

Coach Bob Voigts of the Wildcats told the Chicago football writers association Tuesday that his team's victories over Iowa State and Navy were meaningless as far as preparing for Minnesota was concerned.

"Both Navy and Iowa State play the T-formation. Minnesota plays single wing, so this Big Ten opener will mean revising our defenses," he explained. "On the other hand, Minnesota has worked against two T-attacks by Washington and Nebraska."

"Not taking anything away from Navy (beaten 22-0 by the Wildcats), I expect Minnesota to be much tougher. Navy just isn't quite far enough along with its new system."

Northwestern scout Don Heap said he believed that Minnesota "jelled" psychologically last Saturday when it came to life against Nebraska after trailing 26-0 and finished behind only 32-26.

"If the game lasted five minutes longer, Minnesota might have won," declared Heap. "The Gophers shouldn't be sold short in the Big Ten race."

## Alice Bauer Wins In Texas Tourney

PORT WORTH, TEXAS (AP) — Alice Bauer of Midland, Texas, and Mrs. H. C. Reidel of Dallas turned in startling upset victories Tuesday in opening-round matches of the Women's Texas Open Golf tournament.

The attractive Miss Bauer, only recently turned pro, walloped pro Louise Suggs, Carrollton, Ga., 5 and 4, on the 6,200-yard River Crest country club course.

Mrs. Reidel's 4 and 3 victory over favored Marjorie Lindsay of Decatur, Ill., established her as a darkhorse contender.

Tuesday's results included: Marlene Bauer, Alice's older sister and also a pro, eliminated Natalie Bering, Decatur, Ill., 5 and 4.

Veteran Patty Berg, Minneapolis, ousted Mrs. B. P. Bitterman, Dallas, 4 and 3.

**ILLINOI TO LEAVE TODAY**  
CHAMPAIGN (AP) — Illinois took a light workout Tuesday and was ready to leave today by plane for a Friday night game with UCLA.

Coach Ray Eliot said that Captain Bill Vohaska, who broke a finger Monday, would play on the defense, but would turn over his offensive center duties to Sophomore Joe Sabino.

## No Flying Saucers in Baseball Manager's Film

DAYTON, OHIO (AP) — Airforce officers said Tuesday they could not make out any flying saucers in a film taken by a Great Falls, Mont., baseball manager.

"Too dark to distinguish any recognizable objects," they reported after viewing the colored film at Wright-Patterson airforce base here. Officers said the film will be returned to Nick Mariana, the Great Falls team manager, if he wants it.

Mariana took pictures last Aug. 15 of two objects he said buzzed over the Great Falls ball park. Later, he said, an airforce intelligence officer confiscated the film and told him not to give out any more details about it.

## Andy Rests Injured Foot

ANDY SEMINICK, THE DURABLE Philadelphia Phillies catcher who played the final week of the regular baseball season plus the world series with a bone separation in his left ankle, got his cast autographed Tuesday. The signer was his four-year-old son, Andy, Jr. Semnick must wear the cast for a month.

## Bone Separation In Seminick's Ankle

PHILADELPHIA (AP) — Catcher Andy Semnick played the final four games of the season and the entire world series with a bone separation in his left ankle.

The spirited Philadelphia Phillies' backstop had the ankle encased in a plaster cast at Temple University hospital Tuesday.

"I thought it was just a sprain," he said.

Seminick, who made two hits in the series against the New York Yankees, said he'd probably have to wear the cast at least a month. "If that doesn't work, they'll put a bolt through the bone to get it back in shape."

Dr. John Royal Moore examined Semnick after the last game of the series swept by the Yankees in four straight contests. The doctor ordered X-rays which disclosed the damage.

Phillies' Trainer Frank Weiche had to shoot the ankle full of novocain so that Semnick could play in the series.

## Buckeyes Prepare for Lou D'Achille's Passing

COLUMBUS, OHIO (AP) — Freshman George Russo tossed passes left and right Tuesday just to test the Ohio State varsity defensive ends, line backers and secondary in anticipation of an aerial offensive in Saturday's game against Indiana.

Russo was selected to do the pitching because he is a left hander, like Indiana's passer Lou D'Achille.

Other Ohio freshmen also got a workout as the Buck varsity battled the defensive frosh squad in a rugged scrimmage.

## Writers Select Dale Samuels As Midwest Back of Week

CHICAGO (AP) — They touted him as the next Bob Williams, but Saturday Dale Samuels of Purdue proved that the future was here when he outshone the famed all-American quarterback from Notre Dame to lead the Boilermakers to a flashy 28 to 14 upset triumph.

For his performance, sensational in some respects, the 19-year-old sophomore signal caller for Purdue was named midwest back of the week.

Samuels was cool and confident every second of the ball game. Despite his lack of weight, 161 pounds, and shortness, 5 feet 9 inches, he had no trouble dodging the massive linemen attempting to haul him down when he tried to pass, and he had no trouble spotting his receivers over the rushing pack.

He completed nine out of 21 passes for 158 yards and two touchdowns and kept the Irish defense spread to pick weak spots in the line and guarantee consistent ground gains.

"I thought that young kid stood up smiling under all the pressure and played a wonderful game," his coach, Stu Holcomb, said. "I never bothered him."

"Dale is very quick," he said. "He gets out of trouble very well, and when he has to he can step out of the pocket and throw."

"He's very good at dodging and running out to the side to throw," Holcomb added. "He gets out there where he can see. And he's very heady and cool."

Samuels, despite handling a wet sloppy ball, threw passes all afternoon which hit the receivers perfectly. His halfbacks, Mike Macioli and Neil Schmidt, each caught three passes for total gains of 151 yards.

Wisconsin's defensive end, Ken Sachtjen, won honors as midwest lineman of the week for his job against Illinois. He hit Fred Major as the latter attempted to pass and when the ball went awry, Wisconsin's Bob Radcliffe caught it and ran 31 yards for the winning touchdown. In addition Sachtjen held the Illini's Johnny Karras inside all day for a net gain of only 73 yards in 20 carries.

## Midwest Grid Briefs

### Purdue Hunts Replacement

LAFAYETTE, IND. (AP) — Development of secondary defensive halfback capable of giving Neil Schmidt a rest occupied a good share of the Purdue coaches attention Tuesday during an extended drill.

Schmidt, versatile halfback whose running and pass catching were big factors in last week's upset win over Notre Dame, has played all but two minutes of the Boilermakers first two games.

Coach Stu Holcomb indicated he was anxious to keep Schmidt out of defensive play as much as possible.

### Hoosiers Ready Offense

BLOOMINGTON, IND. (AP) — A possible stop of Ohio State's versatile running attack was the chief worry of Indiana Coach Clyde Smith Tuesday as he put his Hoosiers through a hard defensive drill. There were no changes in either offensive or defensive lineups and no further injuries.

### Michigan Set for Army

ANN ARBOR MICH. (AP) — Tailback Chuck Ortmann showed only a slight limp Tuesday as the University of Michigan Wolverines concentrated on defensive line drills. Ortmann, who injured an ankle in the Michigan-Michigan State game Sept. 30, saw no action against Dartmouth last Saturday. He ran through some pass plays with the backfield staff Tuesday.

Coach Bennie Osterbaan indicated that the star left halfback probably will see action against Army Saturday. The Wolverines leave for New York by plane Friday morning.

### Badgers Prepare for Hawks

MADISON, WIS. (AP) — Wisconsin Football Coach Ivy Williamson stepped up the tempo of practice Tuesday to avoid the possibility of a letdown after the Badgers' first Big Ten win. Both offensive and defensive platoons went through intensive drills for the full two-hour practice period. Right Guard George O'Brien, Chicago, suffered a bruised hip in the practice, but it was not known whether he will be out of action for the Iowa game.

# Casey Stengel Signs 2-Year Contract

## Hint Salary Near \$85,000

By JACK HAND  
NEW YORK (AP) — Casey Stengel signed to manage the world champion New York Yankees for two more years Tuesday at a salary that could run as high as \$75,000 to \$85,000 a year.

Old Case, a fabulous success with two pennants and two series victories in two years, explained his new contract in typical Stengelse — with gestures.

"It's not \$75,000," he said with a wink. "It's not \$85,000, like some of you fellows been guessing. But it could be that."

What did he mean by "it could be that?"

"If I do good work," he said, "I can get it if I want it. No, we don't have to win the pennant. It's not attendance. Maybe, they've just got to like me."

If Casey does "good work" and gets \$75,000 or \$85,000 it will be the highest price ever paid a manager. Best guesses are that the new agreement calls for a basic \$65,000 with a bonus agreement.

"One thing more," said Stengel. "If anything comes up that I desire to leave because of my health or anything else, I can do it."

Stengel, preparing to leave for his Glendale, Calif., home where he hopes to "lay dead for a month" talked freely about his first signing with the Yanks in October of 1948.

"I come in here with Brick Laws of the Oakland club," he said. "They give me a two-year contract and asked me a figure. I'd work for 1. I got between \$30,000 and \$40,000. You might say I was compensated by the ball club in the fall with a bonus. Counting all of it, I got better than \$50,000 the first year."

"I never had to ask for more but they did the same thing this year, even more at the end of the season. Now I got a year deal that does 12 months a year. I do extra things and I get extra money. Mr. Topping, Mr. Webb and Mr. Weiss has been mighty fine to me."

Having cleared (?) up the salary question, Stengel went on to

A VERY SERIOUS CASEY STENDEL took pen in hand Tuesday to sign a new contract as manager of the New York Yankees. All smiles around him were, left to right, General Manager George Weiss, President Dan Topping, and Co-owner Del Webb.

# Paul Richards Signs To Manage White Sox

CHICAGO (AP) — The Chicago White Sox announced signing of Paul Richards, Seattle pilot in Coast league, to a two-year contract as manager of the Sox.

Richards replaced John (Red) Corriden, who became "pilot" last May when the White Sox fired Jack O'Rourke.

Richards, 41, managed three minor league clubs, the first major league managerial assignment for the former catcher for the Detroit Tigers. He was a Tiger player-coach from 1943 through 1946.

Richards' Seattle club finished sixth in the Pacific Coast league. He managed Atlanta of the Southern association five years from 1938 through 1942. He won two pennants and finished second and won one postseason playoff in that span.

In 1947-48-49, Richards managed Buffalo of the International league, winning the circuit pennant in 1949. Richards is from Waxahachie, Texas, where he was born.

General Manager Frank Lane said the 1950 coaching staff will be selected entirely by Richards, but if he wanted to retain Corriden as a coach, it would be acceptable to the White Sox.

Richards is the fifth White Sox manager since 1946 when Jimmy Dykes left after a 13-season regime. Ted Lyons followed Dykes and was supplanted in 1949 by Onslow.

Lane disclosed that Richards agreed to terms by telephone from the west coast Tuesday afternoon. The new Sox boss was expected to visit his Texas home and then fly to Chicago probably Thursday to confer with Sox officials.

Richards' long professional career included a catching hitch with the New York Giants when

that club won the world championship in 1955. After managing went back to the major leagues with the Tigers and was credited with having schooled Hal Newhall into top pitching form.

He caught for the Tigers when they won the 1955 world championship from the Chicago Cubs. Richards was widely as the No. 1 catcher in the league before his appointment.

His appointment and guessing contest in v. v. Baker of San Diego, Charles of Oakland and Al Indianapolis, former White Sox Pilot Jimmy Dykes and land's Lou Boudreau reported to have a chance.

## Five ISC Backs On Doubtful List

AMES (AP) — Iowa State College Coach Abe Stuber said Tuesday that he was sure of only one of six injured backs being ready to play this Saturday against Kansas.

Frank Congiardo, who sprained an ankle, was out for Tuesday's football practice and should be ready for Saturday's Homecoming game here.

Stuber said his regular placekicker, Bob Clendening, suffering from bruised ribs, was definitely out. He reported Dick Dillow would kick off for the Cyclones and either Clarence Carney or Bus Steward, another of the injured six, would be used for conversions.

The other three — Mark Rothacker, Jerry Cimbrek and Maury Schnell — will see very little practice this week, Stuber said, and are doubtful Saturday starters. The six were all injured in last Saturday's victory here over Iowa State Teachers.

The Cyclones stressed defense, working against the Kansas "T". They also drilled against a passing attack. Stuber said he expected the Kansas to open up with passes this weekend against Iowa State.

talk about his ball club.

"Sure I have openings on this club," he said. "We're not standing pat."

"I'd say any young infielder — maybe first or third base — would have a good chance. Not what I'm dissatisfied with any of my men. I don't think Mize ever dropped a throw. And that Collins improved."

"Henrich? I'd like to know, I can't cure him. But anytime the knee is well, you don't have to worry about any first basemen."

"The outfield?" he said. "Sure we have openings. Anybody can come in and hit, home runs we can use."

Casey summed up some of the other clubs like this.

"Cleveland — terrific," he said. "Boston — strong. Detroit, you know they got a little tired not having enough men. In the second division Washington and St. Louis picked up the most. They can scare you a little, hit that home run when you're not looking."

## Stan Hack Takes Over As Los Angeles Boss

LOS ANGELES (AP) — Veteran Baseball Figure Stan Hack made a bow to the press Tuesday as the new manager of the Los Angeles club of the Pacific Coast league. He managed Des Moines in the Western league in 1948 and 1949.

Hack, who managed the Chicago farm club of Springfield, Mass., in the International league this year and who switched jobs with Angel Manager Bill Kelly, said he must study personnel here and await developments at baseball's winter meeting before making any recommendations.

## to Honor Bach Symphony Tonight

18th century composer, J. Sebastian Bach, will be featured at the SUI symphony's concert tonight at 8 p.m. at the Iowa Union.

"Overture in D Major" will be the opening number on the program.

Philip Greeley Clapp, director of the SUI symphony, has arranged for musicians all over the area to play Bach's music in commemoration of the 250th anniversary of his birth.

The orchestra also will play Amadeus Mozart's "Symphony No. 40" for flute and strings, (soloist, Dorothy H. Johnson, instructor in the SUI music department) and Johannes Brahms' "Symphony No. 4" in E minor.

Tickets for the concert are available at the information desk at the Iowa Union.

## See Men Report Thefts, Damage

Reports of articles stolen from a car were received Monday by Iowa City police.

Police Panzer, Solon, reporter, received a camera and car keys from his car Monday morning. The Eckwall Motor company reported a tire and wheel stolen from a pickup truck.

Police, 237 S. Summit street, reported the gas tank cap had been stolen from his car for the fourth time.

## ELECT PHARMACY OFFICERS

Richard W. Tingleff, Clinton, was elected president of the junior pharmacy class at a meeting Tuesday in the pharmacy-botany building. Other class officers include, Sheryl L. Chehak, Cedar Rapids, vice-president, and Otho D. Sherrick, Carthage, Ill., secretary-treasurer.

## Stegner Original Manuscript Now At SUI Library

The original manuscript of Wallace Stegner's "The Preacher and the Slave" has been received at Macbride library. This is the sixth manuscript of the successful writer to be added to the collection of original manuscripts by Iowa authors at the library.

Born in Lake Mills in 1909, Stegner received his M.A. degree in 1932, and his Ph.D. in 1935.

His first book, "Remembering Laughter," was awarded \$2,500 in a novelette contest in 1937. Submitted with 1,300 other manuscripts, it was judged by a committee which included authors James Hilton and Bernard de Vota.

In the spring of 1949, Stegner received a John Simon Guggenheim fellowship for a biography of Major John Wesley Powell.

Stegner is now in the Orient where he is meeting with other writers to discuss the problems of creative literature. He received a \$10,000 Rockefeller foundation grant for the project.

He will resume his position as director of the creative writing center at Stanford university when he returns.

## 'Magician Performs At IC High Tonight

The Great Virgil, illusionist and magician, will appear at the City high school auditorium at 8 p.m. tonight.

The show is being sponsored by the Iowa City Lions club.

Proceeds from the performance will be used to purchase ceiling projectors and book films which are available to bed ridden invalids in this community.

Tickets, priced at 60 cents for students through high school age, and \$1.20 for adults, are on sale at Ford Hopkins drug store, Gibbs drug store and the Iowa City public library. They also may be purchased at the door.

## Medical Labs Here To Hold Obstetrics, Gynecology Meeting

A conference in obstetrics and gynecology sponsored by the Iowa bureau of maternal and child health and the SUI department of obstetrics and gynecology will be held in the SUI medical laboratories Oct. 30 to Nov. 2.

Four SUI staff members will be guest speakers. They are Dr. Rubin H. Flocks, department head of urology; Dr. Stuart C. Cullen, head of the anesthesiology division; Dr. Warren Nelson, professor of anatomy, and Dr. Henry Hamilton, instructor in the department of internal medicine.

Other guest speakers will include Dr. Emil G. Holmstrom, head of obstetrics and gynecology, University of Utah; Dr. Gerald W. Gifford, clinical professor of obstetrics and gynecology, University of Illinois, and Dr. Arthur B. Hunt, associate professor at the Mayo foundation graduate school.

## Unions 'Adjusting' Economics: Daykin

Labor unions are trying to adjust, not destroy, our economic system to fit workers' needs, Prof. Walter L. Daykin, college of commerce, told a Marengo adult education group Monday night.

Daykin, who teaches labor and industrial management, said that unions are becoming more powerful due to laws legalizing them. Collective bargaining also has aided their growth.

"Workers are beginning to feel they will always remain workers," Daykin said. "Believing they have little or no chance to advance as individuals, workers are organizing to win group prestige and power."

He said the desire for security is denominating unions' actions.

## Liberal Arts Positions Open

Nominations are open for positions on the executive committee, educational policy committee, and the adjustment committee, in the college of liberal arts. Nominations also are open for secretary to faculty.

Nominations may be sent by eligible faculty members on mimeographed ballot to the registrar by Thursday.

The educational schools and departments, divided into three groups, will nominate three persons for each position.

Group one consists of art, classics, English, German, journalism, music, romance languages, and speech and dramatic arts.

Group two includes economics, education, geography, history, home economics, liberal education, philosophy, political science, psychology, religion, science of social work, and sociology.

Astronomy, bacteriology, botany, chemistry, geology, mathematics, physics, zoology and men and women's physical education are the departments included in Group three.

The members of the executive committee whose terms have expired are Prof. C. E. Cousins, romance languages; Prof. Paul Olson, economics; Dean W. F. Loehwing, botany.

Prof. A. C. Baird, speech; Prof. W. O. Aydelotte, history; and Prof. Gordon Marsh, zoology, have completed their terms on the educational policy committee.

Prof. A. K. Miller, geology, is the only member of the adjustment committee whose term expired at this time.

Any member of the faculty is eligible for election to secretary of the faculty, and all members of the three groups will nominate candidates for this position.

## Governor Refuses To Call Taylor

BIRMINGHAM, ALA. (AP) — Chances for Sen. Glen Taylor (D-Idaho) to serve his 180-day sentence in the Birmingham jail dropped almost to zero Tuesday.

Gov. James E. Folsom refused to ask the senator's return to the state.

Taylor already had announced he would stay away from the Birmingham "chain gang." He was convicted of disorderly conduct in May, 1948, when he sought to use the negro entrance to address a negro youth rally.

Folsom, at his Montgomery press conference, said he regarded Taylor as a "political prisoner."

Taylor lost his appeal from the Birmingham conviction Monday when the U.S. supreme court declined to review the case.

## Enlistments Open In National Guard

Members of the enlisted reserve corps may now enlist in the Iowa National guard, national guard officials here announced Tuesday.

Vacancies still remain in Iowa City's two guard units, the 34th reconnaissance troop, 34th division, and the clearing company, 109th medical battalion.

Draft eligible men who enlist in the guard before notification of being drafted will be deferred from the draft as long as they participate in drills, officials said.

Men interested in joining the guard do not need to be specialists. The national guard armory is located at the south end of Dubuque street.

## Others Still Confined

Thomas O'Meara, 16, DeWitt, injured with four SUI students in an automobile accident Sept. 22 has been discharged from University hospitals.

Sally Finkbine, A3, Storm Lake, and Sue Rightmire, A1, Des Moines, remained in a "serious but improved" condition Tuesday. Clayton Yoder, A2, Iowa City, was reported in "fair" condition.

## Nursing Course Signs 60 Grads

More than 60 graduate nurses have registered for a course in ward administration at the SUI college of nursing, Myrtle E. Kitchell, dean of the college and director of the course, said Tuesday.

Two semester hours of college credit will be awarded upon completion of the course.

## To Be In Cedar Rapids

Western moving picture stars Roy Rogers and Dale Evans will appear Nov. 15 at the Memorial Coliseum, Cedar Rapids.

Featured on the program with them will be Roy's horse, Trigger, billed as the "smartest horse in the movies."

Rogers has high regard for the horse. "He knows more tricks than I do," says Roy.
