

## Iran Suggests New Proposals For Oil Tanks

TEHRAN (AP)—Iran's oil ultimatum to Britain suggested new terms for a settlement of the Anglo-Iranian crisis, informed government sources said Thursday.

Government sources said Thursday that the note also offered a new, four-point formula for renewal of the talks—a stand representing some concessions by Iran, but probably not enough to satisfy Britain.

They said Iran proposed:

1. The sale of any amount of oil to Britain for its own use—eliminating the previous 10 million ton ceiling—at market prices, with no discounts or other preferential treatment. Britain would have to pay only half the price, however, applying the other half against the sum Iran must pay for the nationalized properties of the Anglo-Iranian oil company.

2. Creation of an international agency in which Iran would be a principal shareholder to sell Iranian oil on the world market. This directly opposes the British proposal that an all-British agency be created to market Iran's oil.

3. An "equitable arrangement" on the compensation to be paid for the oil properties — on the basis of the company's assets before nationalization, in accordance with British or French nationalization procedures, or on some other basis to be determined by "friendly negotiation."

4. Reorganization of the Iranian National Oil company to provide seats for "impartial" Western oil experts on its board of directors, and to give the British heads of technical departments in the old setup comparable jobs with the new Iranian company.

## Allies Forbid Czechs To Fly Over Germany

FRANKFURT Germany (AP) — The Western Allies have forbidden further flights across West Germany by the government air line of Communist Czechoslovakia, which is at odds with them over the Oatis case and other issues.

The air ban went into effect without publicity at midnight Tuesday. It was confirmed Thursday, Czech planes must make long detours over the Soviet occupation zone to the Baltic if they attempt to continue flying to Western capitals such as Brussels and Amsterdam.

Whether they will make the attempt was not clear. The scheduled flight of a Czech plane to Amsterdam Thursday was canceled.

United States, British and French high commissioners informed the Czech military mission in Berlin in a brief note Monday that they had suspended Czech flight privileges "until further notice."

They gave no explanation, but the action is known to be one of several punitive measures the U.S. government has drafted as a reprisal for the Czech imprisonment of Associated Press Correspondent William N. Oatis, sentenced to 10 years on a charge of spying.

## Today Is Opening Of Book Exchange In Schaeffer Hall

A book exchange for students, where used textbooks may be bought and sold, will open in Schaeffer hall today under the sponsorship of the student council.

Today, Saturday and Monday, students who wish to sell their books may bring them to the first floor of Schaeffer hall where a book committee will do the rest.

The cooperative, now in its second semester, will try to sell the books, beginning Monday and continuing through Sept. 22, for only a 10 per cent service charge.

In the operation of the exchange, the council will not actually buy the books and sell them, but will take the books from the student and try to sell them at his price.

Office hours for the sale will be from 9 a.m. to noon and from 1 to 4:45 p.m. Students whose books are sold may receive their money Sept. 24 through 26. Unsold books may also be picked up on those dates.

Whenever a student turns in a book, he will receive a receipt, and retains it either until the book has been sold or until he is notified to pick it up after the book exchange closes.

Carl B. Zimmerman, chairman of the exchange, said Thursday the cooperative is strictly for students and not planned to make any profit.

"I want to urge all students to take advantage of the exchange as an opportunity to save themselves and other students money," he said.

"The success of its operation depends entirely upon students. If they are interested enough in seeing it succeed, then I strongly ask them to patronize it.

"Without customers—both sellers and buyers—the exchange will fail."

## Today's Orientation

8 a.m. — Continuation of written exams for most liberal arts students and the beginning of speech exams for others. Beginning of health exams for some women at student health department.

1:30 p.m. — Continuation of written exams and speeches for all new liberal arts students.

7:30-9:30 p.m. — Play night program for all new students in Women's gym.

## Senate Votes \$60 Billion For U.S. Arms

WASHINGTON (AP) — The senate passed the largest single military spending bill in history Tuesday, voting almost \$60 billion for America's expanding armed forces.

Just before passage of the defense measure, administration leaders accepted an amendment by Sen. H. Alexander Smith (R-N. J.) to cut the total funds by a straight 2½ per cent. At that time they stood at \$61,033,856,030.

Smith and other senators estimated the last minute cut would save about \$1 billion but added that this figure is subject to revision.

The final roll call vote was 79 to 0.

Later Sen. Joseph O'Mahoney told reporters the bill carried \$59,508,009,630 as finally passed. This was \$3,473,292,430 more than the \$56,034,717,200 voted by the house.

Senate-house conference committee will adjust the differences in the two versions.

## Gross Under Guard As Police Graft Trial Reopens

NEW YORK (AP) — Runaway bookie Harry Gross found himself in a legal deep freeze Thursday, heavily guarded against any new outing that might wreck Brooklyn's mass graft trial of 18 policemen.

Gross' dramatic flight Tuesday night from protective custody took him as far as Atlantic City, N.J., where he was picked up Wednesday at a racetrack.

Gross is the state's star witness against 18 policemen accused of taking \$1 million a year in graft to protect his \$20 million a year gambling ring.

His runout abruptly halted the trial, which had opened Monday. However, it now is scheduled to be resumed today. A complete jury is still to be picked.

The 35-year-old kingpin bookie was under \$25,000 bond and technically a free man when he made his break. He was facing up to 65 years in prison on gambling charges.

## Ministers Agree On West German Peace Pact Terms

WASHINGTON (AP) — The big three foreign ministers reached final agreement Thursday on terms of a "peace contract" proposal to bring western Germany into the free world defense lineup.

American, British, and French high commissioners will be instructed to negotiate with the west German government to a postwar settlement which provides:

### 250,000 Red Troops Reported Massing For 'Full Moon' Push

U.S. EIGHTH ARMY HEADQUARTERS, Korea (Friday) (AP) — Fierce fighting raged on Eastern Korean hill tops Thursday while at least 250,000 tank-supported Red troops were reported massed along the western battle front for a possible "full moon" drive toward Seoul.

AP War Correspondent Stan Carter reported there was some speculation among eighth army officers that the Red offensive in the west—if it develops at all—may come this next weekend when the moon is full.

However, other sources still were inclined to doubt that the Communists plan an immediate attack. These officers pointed out there is no indication that Communist troops have received full assault rations and equipment for an offensive.

Gen. Matthew B. Ridgway's headquarters in Tokyo has disclosed that 40 re-fitted and re-equipped Communist divisions have been firmly identified along the battlefield and at least 30 more divisions in rear areas between the front line and Manchuria. Most were deployed in western Korea where the terrain is less rugged.

The Communists are believed to have 250 Soviet-built T-34 tanks in the west and 1,200 Manchurian-based planes for support.

In the past, major Red offensives have been spearheaded by Chinese troops who have most often attacked under the light of a full moon.

Allied officers feel the purpose of a Communist offensive would undoubtedly be to push the United Nations line below the 38th parallel.

1. Virtual complete independence for the West German regime in foreign policy and domestic matters.

2. Abolition of the present Allied three power high commission and substituting ambassadors.

3. Changing the status of occupation troops to defense forces.

The settlement of the German question agreed to, the British, American and French foreign ministers turned to other problems.

An informed official who disclosed the big three agreement on Germany said a formal joint communique will be issued today to announce actions taken by the foreign ministers on Germany and other key cold war problems.

Secretary of State Acheson, British Foreign Minister Morrison and French Foreign Minister Schuman are to meet again today for the seventh time since their conference began Wednesday.

Officials described the "peace contract" as liberal, but said the Allies intend to preserve some powers.

These would include the right to step into German affairs if communism threatens to overthrow the new West German republic either by a domestic coup or outside aggression.

Officials who reported on discussions so far after a 90-minute night session, said the ministers also discussed these issues today:

1. Possible arrangements to speed up a peace treaty for Austria.

2. Italy's plea for drastic changes in its 1947 peace treaty to open the way for fuller rearmament.

3. American negotiations with Franco Spain which are aimed at obtaining military bases needed for Western European defense.

Although behind schedule in their talks, the three ministers nevertheless hoped to wind up their five-day conference with a formal joint announcement of their decisions around noon today.

Afterward accompanied by their finance ministers, they are to fly to Ottawa for a special meeting of the 12-nation North Atlantic pact council opening Saturday.

### PRIVATEERS GROUNDED

WASHINGTON (AP) — The navy announced Thursday it has grounded the Privateers of squadron nine in Alaska and ordered an investigation of recent crashes involving the long-range patrol planes.

## ... and Part of Orientation Is Taking Examinations

(Daily Iowan Photos by Jay Hytone)

NOW THAT IS A TOUGH ONE, Mary Mulhane, Sioux City freshman, muses as she "sweats" out one of the series of tests given to all SUI freshmen and transfer students Thursday.

DID I READ THAT QUESTION RIGHT?, she asks. Plenty of other new students were asking themselves the same question as they pondered on questions ranging from math to English.

THIS BETTER BE RIGHT, Mary says as she puts an answer on her paper. Most of the freshmen forgot all about tests and entrance exams Thursday night, however, when they attended an open house in the Iowa Memorial Union.

## Weather

Fair today and Saturday, not much change in temperature. High today, 75; low 47. High Thursday, 76; low 45.

## official daily BULLETIN

FRIDAY, SEPT. 14, 1951

VOL. XXVII, NO. 277

### UNIVERSITY CALENDAR

UNIVERSITY CALENDAR items are scheduled in the President's office, Old Capitol

Monday, Sept. 17

8 a.m.-5 p.m. — Registration, Iowa field house.

Tuesday, Sept. 18

1 p.m. — Registration. New Liberal Arts students, only, Iowa field house.

Wednesday, Sept. 19

8 a.m.-noon — Registration, Iowa field house.

7:30-10:30 p.m. — President at home to new students, 102 Church st.

Thursday, Sept. 20

7:30 a.m. — Opening of classes. 8:20 a.m. — Induction ceremony, west approach to Old Capitol.

Friday, Sept. 28

7:30 p.m. — Welcome party for new students, all churches. 8 p.m.-midnight — Fall party, Iowa Memorial Union.

Saturday, Sept. 29

1:30 p.m. — Football, Kansas State here.

(For information regarding dates beyond this schedule, see reservations in the office of the President, Old Capitol.)

### GENERAL NOTICES

GENERAL NOTICES should be deposited with the city editor of The Daily Iowan in the newsroom in East hall. Notices must be submitted by 2 p.m. the day preceding first publication; they will NOT be accepted by phone, and must be TYPED OR LEGIBLY WRITTEN and SIGNED by a responsible person.

HIGHLANDERS Members are to draw instruments and uniforms any afternoon during period Sept. 10 to 14 inclusive and Sept. 17 to 20. Practice schedule: Tuesday Thursday and Friday 4 p.m. to 5:30 p.m. First practice, Thursday, Sept. 20, 4 p.m.

AUDITIONS for membership in university bands daily from 9 a.m. to 5 p.m. in room 15, Music studio building. Prospective members please report at the band office before registering.

BOOK EXCHANGE will open today on first floor of Schaeffer hall. Receiving dates for books are today through Monday. Books will be sold Monday through Sept. 22. Hours of operation are from 9 a.m. to noon and from 1 to 4:45 p.m.

VOLUNTEER RESEARCH RESERVE, unit 9-19, will meet in the senate chamber of Old Capitol at 8 p.m. next Tuesday. All members of the unit and officers interested

in joining the unit for the coming year are invited to hear Com. S. L. Edmondson, director of research reserve ONR, Washington, D. C. Inquiries concerning unit activities may be directed to John L. Davies, commanding officer, V.R.R. unit 9-19, C109, East hall.

WOMEN'S RECREATION ASSOCIATION will sponsor an open house for all students at the Women's gym, starting at 7:30 p.m. today. Square dancing, social dancing, ping pong, shuffleboard and other games will be available. To participate in the games students are asked to bring tennis shoes or to plan to play in socks.

GEN. BILLY MITCHELL squadron of the Arnold Air society will hold its first meeting of the new school year next Tuesday in the new clubrooms, Quadrangle cottages No. 7 and 8 directly across from the field house at 7:30 p.m. The meeting will be open to all students interested in joining the squadron.

- 1:00 p.m. Musical Chats
- 2:00 p.m. News
- 2:15 p.m. SIGN-OFF

### Britain Announces New Trade Treaty

LONDON (AP) — Brushing off U.S. congressional criticism of East-West trade, Britain announced Thursday the purchase of 1 million tons of grain from Soviet Russia.

The purchase underlined both Britain's precarious shortage of dollars and her intention of taking no part in any economic blockade of the Russian bloc. Payment is to be made in sterling.

# 389 Students Receive Bids To Pledge Greek Organizations

SUI's formal sorority and fraternity rushing ended Thursday with 203 men and 186 women receiving invitations to pledge membership.

Approximately 235 men participated in rushing activities of the 19 fraternities, while 210 women took part in the four-day "rush week" of the 13 sororities.

Informal rushing periods will be held later this year for those who might wish to pledge these organizations after school has started.

## Dewey Predicts GOP Nomination Will Go To Gen. Eisenhower

WASHINGTON (AP) — Gov. Thomas E. Dewey of New York predicted Tuesday that Gen. Dwight D. Eisenhower will win the Republican presidential nomination next year.

He made the forecast after a 40-minute foreign policy conference with President Truman and discussions about politics with Republican senators.

Dewey, who described his talk with the president as "cordial," called for U.S. "military alliances" with the free nations in Asia which may be next on the Kremlin's list for subjugation.

Mr. Truman likewise called his conversations with the two-time GOP presidential contender very pleasant and very satisfactory. He refused to be drawn into detailed discussion of Dewey's emphasis on Asiatic defenses, except to say this country has always endeavored to have a defense plan in the East just as it has in the West.

Afterward, Dewey, who came out for Eisenhower, for president earlier this year, held a frank "Eisenhower" meeting with Republican Sens. James H. Duff (Pa.), Irving M. Ives (N. Y.), and Leverett Saltonstall (Mass.).

He told newsmen later that he expects the general will be available for the GOP nomination when the time comes and predicted Eisenhower will be nominated by the Republican National convention at Chicago in July.

Asked what Eisenhower backers would do if the general, now serving as supreme commander of Atlantic pact forces in Europe, would say he is "busy" next year, Dewey replied:

"We do not contemplate that possibility."

He refused to say whether the group had any late word from Eisenhower himself. The general took himself out of the presidential picture in 1948 and never has even said publicly whether he is a Democrat or Republican.

Asked if he expects any political statement from Eisenhower in the near future, Dewey said he has "no knowledge of one."

Freely acknowledging the general was the subject of the 45-minute conference in Duff's office, the governor added, "we're all for him."

Among others with whom Dewey conferred at the capitol was Sen. Robert A. Taft (R-O.), another GOP presidential possibility. He said he and Taft talked about a lot of things, including legislation and foreign affairs, but did not mention Eisenhower.

It was Dewey's first visit to the White House since 1945, when he attended the funeral of the late President Roosevelt. He came at Mr. Truman's request, to report on his recent 45,000-mile tour of the Pacific.

After his "cordial" talk with the president, Dewey went to the capitol for a luncheon and private talks with several senators.

### LOVETT IS APPROVED

WASHINGTON — The senate armed services Thursday unanimously approved the nomination of Robert A. Lovett to succeed Gen. George C. Marshall as secretary of defense. The senate is expected to confirm the nomination today.

There was no debate in the committee. Lovett was not asked to appear.

## New Plan Devised For Community Chest Solicitations

The 1951 Community Chest drive will be made solely through places of employment, when the campaign opens Oct. 1, S. N. Nelson, general chairman, announced Thursday.

The new solicitation plan will be used in an effort to standardize collections. In the past solicitations have been made both at home and at business places.

All employees in Iowa City will now be asked to give on a basis of an amount equal to four hours of pay. Total amount sought for the drive, which will end Oct. 22, is \$31,126.59.

Although the drive opens Oct. 1, Nelson said Iowa Citizens will be asked to pledge contributions before the campaign starts.

The campaign committee will mail out letters and pledge cards next week to employers for distribution among employees. These forms will be accompanied by a stamped, addressed envelope which can be mailed to Community Chest headquarters.

Nelson said business firms will be asked to give beside contributions from their employees.

The 1952 Chest goal is about 9.4 per cent higher than the 1951 quota of \$28,464. The 1951 campaign fell short of its goal by about \$1,000.

## 225 Columnists Invited to SUI For Press Meeting

More than 225 columnists from community newspapers in Iowa are being invited to the fall meeting of Press Columnists of Iowa to be held Sept. 28 and 29 at SUI.

Prof. J. Richard Wilmeth, SUI sociologist, will join PCI members in a discussion of "How Can the Small Town Keep Its Youngsters?"

Conference guests will tour the Hospital School for Severely Handicapped Children.

The school of journalism will be host for the two-day session, which also will include clinics on column materials and methods, movies and a banquet at the Iowa Memorial Union.

Registration will be from 1 to 2:30 p.m. Friday in Old Capitol, and the final session will end before noon Saturday.

Guests will attend the Iowa-Kansas State football game Saturday afternoon.

## Swails Refrigeration Files Suit in Court

Swails Refrigeration service Thursday filed suit in district court for judgment of \$100 from F. M. Switzer, Johnson county, on the sale of a refrigerator.

The company claims that Switzer purchased the refrigerator Nov. 28, 1950, for \$150 and that the defendant has paid only \$50 on it.

## News of Iowa

SENT TO ANAMOSA

DES MOINES (AP) — John A. Masterson, 24, charged with stabbing Theresa O'Connor, 23, during mass at St. Ambrose cathedral here Tuesday, was taken Thursday afternoon to the state men's reformatory at Anamosa for safekeeping.

Miss O'Connor, meantime, remained in critical condition at Broadlawn hospital with stab wounds although slight improvement was noted.

Polk county sheriff's deputies left during the noon hour for Anamosa with Masterson under authority of a transfer order signed by District Judge Tom K. Murrow who termed Masterson a "problem prisoner" in the county jail.

### CHARGES AGAINST POWELL

OELWEIN (AP) — Authorities sought E. M. Powell, a railroad worker, Thursday after filing a murder charge in connection with the fatal beating of another railroad worker.

Fayette County Atty. Everett G. Scott said he will ask the grand jury to indict Powell on a murder charge in the death of Alfred Buffington, 47, Crandall, Miss.

Buffington died of a skull fracture here last Monday.

Railroad workers found Buffington lying beside the Great Western's temporary rip tracks near here, suffering bruises and other wounds which he apparently received in a fight.

### FLOURINE FOR WATER

KEOKUK (AP) — Mayor Hubert Schouten said Thursday the city council would cooperate with a plan to put flourine in the city water.

### INSISTS ON COMPLIANCE

DES MOINES (AP) — Iowa Price Stabilizer A. J. Loveland said Thursday his office from now on would insist that business men comply strictly with price regulations.

Loveland, director of the district OPS office, said "everything possible" has been done through the press, radio, direct mailing and personal contacts to acquaint Iowa business people with the regulations.

## 3 Local Nurses Attend Meeting

Three Iowa Citizens were among 46 district representatives of the Iowa State Nurses association who attended a public relations meeting in Des Moines Wednesday.

They were Prof. Amy F. Brown, college of nursing; Elvira Grabon, chairman of public health nurses of ISNA, and Mrs. Ruth Hennessy, chairman of public relations for the fifth district of ISNA.

The meeting was designed to assist in interpreting and relaying to the public problems confronting the nursing profession that have a direct bearing on the quality of nursing service rendered to the public.

## Returning Students Will Find Many SUI Improvements

Students returning to SUI this fall will find that many improvements have been made in the physical plant during the summer.

The maintenance department of the university took advantage of the fact that most students were vacationing to prepare the campus for the beginning of school next Thursday.

Greatest single improvement results from the opening of the new library last spring. The space which the library formerly occupied in Macbride and Schaefer halls was remodeled to provide 12 additional classrooms and 15 faculty offices.

Walks are now being laid in front of the new library and grading and landscaping of the library grounds will begin this fall.

Temporary housing barracks inside the Quadrangle court have been removed and the grounds returned to lawn. New walks inside the court have been laid.

At Hillcrest dormitory for men, a new parking lot will provide additional space for 60 cars.

Approximately one-third of the rooms in the Quadrangle, Hillcrest, South Quadrangle and Currier dormitories were redecorated during the summer, with some redecorating also done in Eastlawn and the Law Commons.

New seats have been installed in three sections of the stadium. The military department's quarters in the armory have been remodeled and further space added by moving the Scottish Highlander's headquarters into a barracks east of the field house.

A new elevator has been installed in the east wing of East hall. New floors were laid in the corridors and offices of the first, second and third floors of the central and west wings of East hall.

The business and treasurer's offices in University hall have been completely remodeled, and the veteran's service office has been moved from its location on Iowa avenue to the basement of University hall.

Barracks quarters have been provided for interns west of General hospital, and a barracks east of the hospital has been fitted as a student lounge and locker room.

New lights have been installed in the physics laboratory, and the Union footbridge spanning the Iowa river is being repainted.

**BEARDSLEY'S TAXES**  
DES MOINES (AP) — The state tax commission said Thursday it would consider whether Gov. William S. Beardsley owed any additional state income tax.

**HEAT WAVE GONE**  
DALLAS (AP) — The historic Texas heat wave and drouth was cracked in most of the state Thursday.

Donald W. Poggenpohl, 307 S. Madison st., \$12.50 for causing an accident by failure to yield the right-of-way.

Earl Dayton, 933 Webster st., \$3 for parking left-wheel to curb.

# Nats Upset Tribe, 1-0; Tigers Rout Yanks, 9-2

WASHINGTON (AP)—Washington's Bob Porterfield pitched a brilliant three-hitter Thursday night to defeat Cleveland, 1-0, and keep the American league pennant race in a feverish state. The Indians' loss enabled the New York Yankees, beaten by Detroit, to remain one game back of Cleveland, which holds a 3½-game edge over Boston.

Beaten 18 straight times by the league's top three clubs and whipped in nine of their last 10 games, the Senators produced their only run off Bob Lemon in the third inning as the result of a two-base error by second baseman Bobby Avila.

Irv Noren's hard grounder went between Avila's legs, and when the ball trickled into centerfield, Noren legged it safely to second. Mickey Vernon, who accounted for three of Washington's 10 hits off Lemon, singled to left, scoring Noren.

Cleveland . . . . . 000 000 000—0 3 1  
Washington . . . . . 001 000 00x—1 10 1  
Lemon and Hegan, Tebbets (8); Porterfield and Grasso.

## Tigers 9, Yanks 2

NEW YORK (AP)—Virgil Trucks and the Detroit Tigers struck the pennant hopes of the New York Yankees a serious blow Thursday as they beat the Bombers, 9-2.

It was New York's third straight defeat by a second division club and followed Tuesday's double setback at the hands of the tail-end St. Louis Brown.

The loss also imperiled the Yankees' hold on second place as it cut their margin over the surging Red Sox to only 2½ games. The Red Sox meet the Yankees eight more times this month.

A seven-run fifth inning by the Tigers, featured by Vic Wertz' tremendous homer into the centerfield bleachers, was the crusher for the Yankees. The Yanks contributed to the barrage with some loose fielding that has marked their play in recent days. The Yankees made four errors to increase their total to nine in their last three games.

Detroit . . . . . 001 170 000—9 11 0  
New York . . . . . 100 000 100—2 7 4  
Trucks (10-8) and Swift; Lopat, Morgan (5), Hogue (8) and Berra. LP-Lopat (19-8). HRS: Mantle (12th), Wertz (23rd).

## Red Sox 7, Browns 4

BOSTON (AP)—Dom DiMaggio's triple and Johnny Pessky's infield hit with two out in the 10th inning Thursday enabled the Boston Red Sox to bolster their pennant hopes with a 5-4 victory over Ned Garver, the St. Louis Browns' pitching ace.

The Red Sox took a 3-1 lead against Garver in the fifth when Walt Dropo and Fred Hatfield hit successive homers. The Browns collected a second run in the sixth and pulled into a 4-4 tie in the eighth on Ken Wood's two-run homer.

St. Louis 100 001 020 0—4 10 0  
Boston . . . . . 000 031 000 1—5 10 0  
Garver (16-12) and Batts; Parnell; Kinder (8) and Robinson. WP-Kinder (10-2). HRS: Wood (13th), Dropo (8th), Hatfield (2nd).

## Cards 6, Giants 4

ST. LOUIS (AP)—Sporting seven lefthand hitters in a row, the St. Louis Cardinals kayoed Sal Maglie in the second inning Thursday and went on to beat New York, 6-4 — setting the second-place Giants six full lengths behind the idle Brooklyn Dodgers.

New York . . . . . 000 002 020—4 8 2  
St. Louis . . . . . 000 000 00x—6 10 0  
Maglie, Kennedy (2), Konikowski (5), Corwin (7), Spencer (8) and Westrum, Noble (5); Poholsky, Bokelman (3), LP-Maglie (20-6). HRS: Irvin (21st).

## Braves 2, Cards 0

ST. LOUIS (AP) — Southpaw Warren Spahn stole the show in the St. Louis Cardinal's unorthodox doubleheader attraction Thursday night by defeating the Cards 2-0 for the Boston Braves with a one-hit pitching performance for his 20th victor of the season. In an afternoon game the Cardinals defeated the New York Giants, 6-4.

Boston . . . . . 100 000 001—2 9 0  
St. Louis . . . . . 000 000 000—0 1 1  
Spahn and Cooper; Brazle and D. Rice.

## Robinson to Defend In Charity Bout; Gate Receipts Mount

By JACK CUDDY

NEW YORK (AP) — Sugar Ray Robinson, who earned at least \$248,491 while recapturing the middleweight crown Wednesday night, will make his first defense for charity in December, he announced Thursday.

His challenger will be named next month, said the slender Harlem Negro who took the 160-pound title from Randy Turpin of England on a 10th-round technical knockout before 61,370 at the Polo grounds.

The bout, to be staged "somewhere in the United States" will be for the heart fund, he said. He also stressed that the challenger would not be ex-champ Rocky Graziano.

As he chatted with reporters at his Harlem cocktail lounge, Sugar Ray wore a white patch that covered a three-stitch gash on his left brow. The old gash was reopened in the 10th round Wednesday night.

### Cut in First Fight

Ray said he had suffered the original cut, a 10-stitch gash, in London on July 10, when Turpin won the championship from him.

Turpin, who earned \$207,075, planned to sail for England on the Queen Mary on Sept. 21. He hoped for a third or "rubber" match with Sugar Ray next June.

Promoter Jack Solomans of London began negotiations here Thursday for the June fight. Solomans said it would draw at least 100,000 fans at London's White City stadium.

He declined to estimate exactly what the gate would be. But he said it would be larger than Wednesday night's gross gate of \$767,626 at the Polo Grounds.

### Turpin Not Battered

Randy carried only a slight mouse on his right cheekbone as a memento of his batting in the 10th round.

The International Boxing club announced an assured total gross of \$992,626 from Wednesday night's \$767,626 gate, \$200,000 minimum guarantee for movie rights, and \$25,000 for theatre television. Because of the fight's dramatic ending, the movie percentage is expected to exceed by far the \$200,000 guarantee. It may approach \$500,000.

# Hawks Brush Up on Mistakes

Iowa took a day off from its usual scrimmaging to brush up on the numerous mistakes evident in the last scrimmage session Wednesday afternoon.

Coach Leonard Raffensperger, dissatisfied with the way the Hawks were handling their assignments in Wednesday's practice used both the morning and afternoon drill periods to continue the intensive work on fundamentals and basic plays.

"The boys didn't look too good Wednesday so we decided to devote a day to correcting our mistakes," Raffensperger said.

"It also gave us a chance to rest some of our injured boys. We have no serious injuries but there are a few fellows with minor ailments."

Included in that group are backs Gerald Nordman and Chug Wilson, both having knee trouble, and Loranzie Williams with a

## Pierson at Central

Arvid Pierson, an all-state guard from Oskaloosa who worked with the Iowa freshman squad for eight days, enrolled at Central college in Pella, Ia. Thursday.

Pierson said that the Hawkeye coaches "were swell to me but I wasn't having any fun playing at Iowa."

A stocky 210 pounder, Pierson was slated for a promotion to the varsity until he left Iowa City last week.

bruised thigh.

One area that will receive considerable attention between now and the Sept. 29 opener with Kansas State is pass defense, Raffensperger said.

At least two or three of the re-

cently promoted freshmen backs are slated for trials on defense.

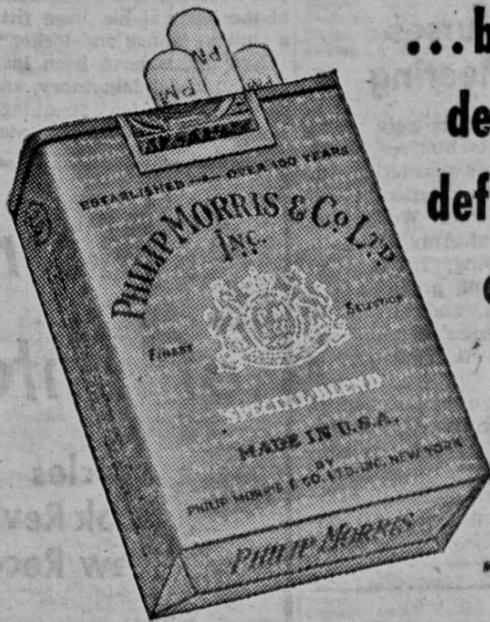

All of the freshmen backs have impressed Raffensperger in their brief showing thus far. The Hawk-eye coach was especially pleased with the running of Binkey Broeder, St. Louis halfback, and Bobby Stearnes, quarterback-halfback from Gary, Ind.

Iowa City's Duane Davis and Centerville's all-stater Jim Milani have also looked good.

**HAWK NOTES:** Another promising freshman halfback, John Hatch, will be brought up to the varsity as soon as his injured leg improves. Hatch was a standout all-round athlete at Lancaster, Wis. . . Most of the freshmen players got a respite from their football duties to take their entrance tests.

# City High Opens Grid Season Against Ft. Madison Tonight

City high, minus almost all of last year's superb personnel, opens its 1951 season tonight against Fort Madison on the City high field. Kick off time is 8 p.m.

The Hawklets, with only three lettermen returning from its undefeated 1950 eleven, rank as a slight favorite tonight, but only because Fort Madison has been one of this area's weaker entries for the past few years.

Though Hawklet coach Frank Bates has indicated that nine seniors will draw starting assignments, only end Jim Freeman, and quarterback John White, and fullback Ronnie Wilkison can be classified as experienced hands.

### Count On Newcomers

Otherwise it will be up to last year's reserves and the newcomers to fill the shoes of Tom Kerf, Mike Korns, Duane Davis, Jerry White and the rest of the departed starts.

Four minor letter winners — guards Bill Byers and Fred McGinnis, tackle Don Graham, and halfback Ellis Kondora — are slated for starting offensive duty.

They'll probably be joined by newcomers Phil Ware, end; Bob Shain, tackle; Ken Casey, 240 pound center, and Bob Franz, quarterback.

### 14 Straight Losses

Fort Madison, of the Little Six league, comes here with a 14 game losing streak, but there are hopes for improvement under new Coach John Peters.

The visitors, led by halfback Daryl Huffaker, a 175 pound senior, are said to be bigger and more experienced than last year. Seven lettermen have returned from that non-victorious outfit.

Fort Madison worked from the single wing last year but what offense it will employ now has been kept secret by Peters.

Freeman and White will be City high's co-captains tonight.

# Protests Raised Over Fight Blackout

NEW YORK (AP)—A storm of protest was unleashed against the International Boxing club Thursday for keeping Wednesday night's Ray Robinson-Randy Turpin middleweight championship fight "secret" through a radio and television blackout.

In Washington, Rep. Pat Sutton, (D-Tenn.), protested the blackout and suggested that the house interstate commerce committee investigate it. "This is a right that should not be denied the tax-paying public of America and something that must be cured," he said.

In Cleveland, the TV owners' and viewers' league announced it will boycott the RKO Palace theater and the fight people until justice is done on behalf of private TV set owners.

Also in Cleveland, Councilwoman Mary Sotak announced that she would introduce an ordinance before the city council Monday imposing a \$1,500 license fee on any establishments using piped-in TV.

But the International Boxing club stuck by its guns despite the protests.

# Drake Grid Opener Against Abilene

DES MOINES (AP)—Drake and Abilene Christian college open the 1951 football season here tonight.

The invading Texans bring an impressive record of 11 consecutive victories from last fall's campaign into the game.

Holdovers from that Abilene squad include 21 lettermen while Drake has 10 lettermen on hand, including seven on the first team.

Drake will outweigh Abilene Christian 191 pounds to 185. In the line the Bulldogs lead 193 to 189 and have a 187 to 178 edge in the backfield.

Johnny Bright, the nation's leading offensive performer last year, and Bob Binett, an end, will co-captain Drake. Jerry Mullins, a halfback, and Lester Wheeler, tackle, are the Wildcats' co-captains.

# 16-Year-Old Reaches Amateur's Semi-Finals

By WILL GRIMSLEY

BETHLEHEM, PA. (AP)—Tommy Jacobs Jr., a fuzz-faced lad of 16 from the public links of Montebello, Calif., shot his way into the semi-finals of the National Amateur Golf tournament Thursday to compete about the most nondescript round of four imaginable.

Advancing with him in the wake of staggering upsets that eliminated every titan of American amateur golf were Joe Gagliardi, 39-year-old Mamaroneck, N.Y., lawyer; Jack Benson, big Pittsburgh realtor; and Billy Maxwell, 22-year-old collegian from Odessa, Tex.

Gagliardi, who has five little Gagliardis back home in Westchester county, continued his giant-killing role when he ousted Oklahoma City's Charles Coe, 1949 U.S. champion, two up. He put out defending champion Sam Urzetta Wednesday.

Benson, sighting his shots through thick spectacles, took the measure of Harold Paddock, Walker Cup member from Aurora,

O., in the morning before disposing of Jim Frisina of Springfield, Ill., 4 and 3 in the afternoon.

But it was Jacobs, the youngest player in 47 years to make such a challenge in this 51-year-old championship, who captured the imagination of the gallery as he cut down two opponents.

The 145-pound West Coast lad, completely unawed by his first appearance in a major men's tournament, defeated 19-year-old Billy Picard of Charleston, S.C., one up, and then conquered Edward Martin of Winchester, Mass., the champion of his state, 4 and 2.

# The News In Pictures

## A Lull in the Battle of 'Bloody Ridge'

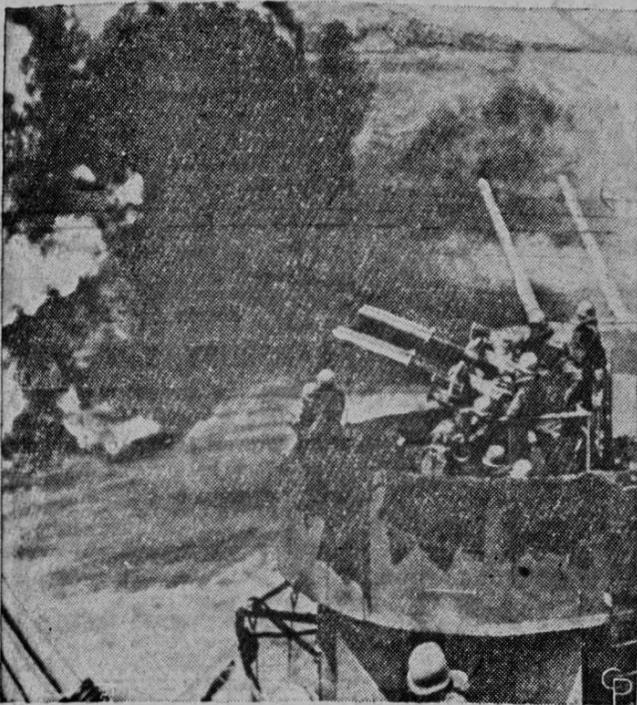

NOT A LEAF OR TWIG WAS LEFT ON THE TREES of "Bloody Ridge," a battleground in Korea secured by UN forces after a terrific pounding by artillery, mortar and napalm. U.S. soldiers, above, took up positions after finally running the enemy out. (Photo by INP staff photographer Dave Cicero.)

## 'This You Did!'

AN AMERICAN SOLDIER (left) pointed an accusing finger at the covered bodies of two of his buddies to show a pair of captured North Koreans what their forces did.

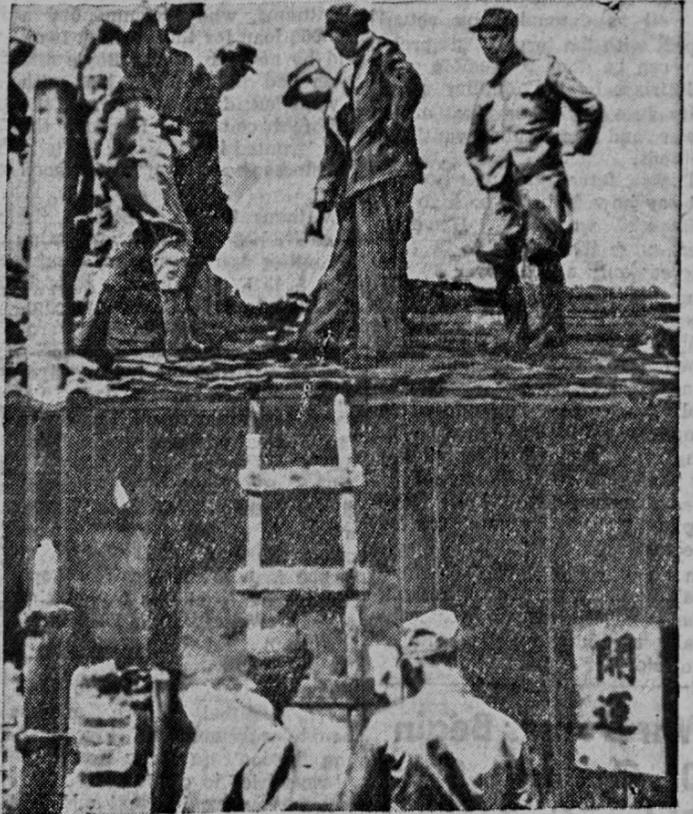

## Navy Pitches In

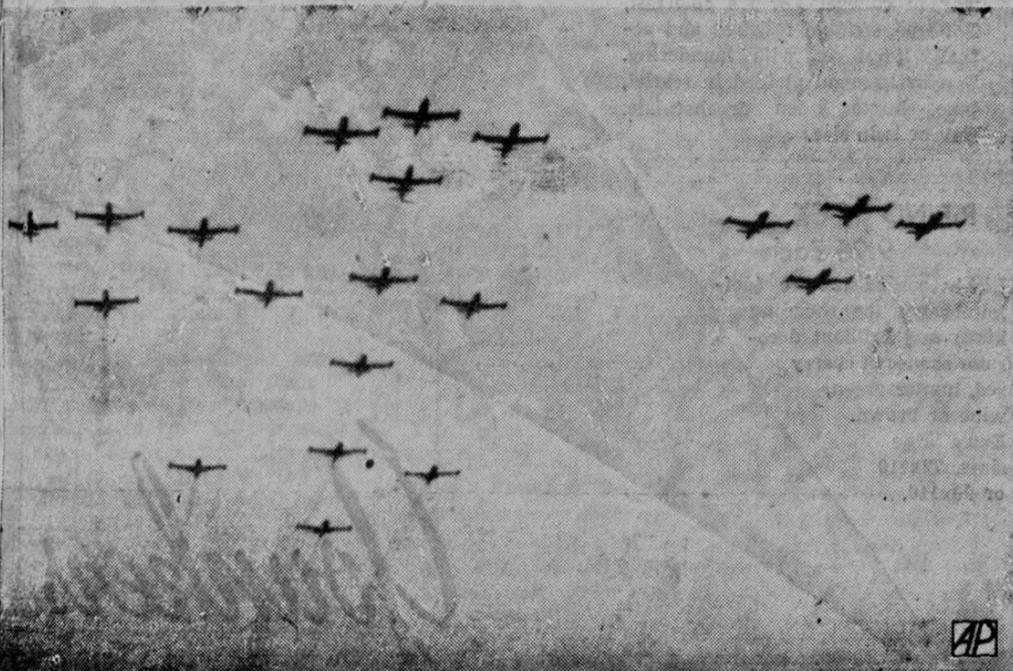

THE CRUISER TOLEDO (left) fired a salvo from the main battery in its first action recently, on reporting for duty as a detached element of task force 77. The action was in support of mainland ground fighting.

AN INSPECTION TEAM of UN officers (right) searched one of a group of houses in Kaesong for proof of Communist claims that 12 .50-caliber bullets were fired into the houses by a strafing plane. Area searched is three-fourths of a mile south of the conference building. After four hours the team reported it found no evidence that the bullets had been fired from a UN plane or even from the air. But several hours later Vice Adm. C. Turner Joy announced that a UN plane actually had "strafed lights" in the Kaesong area, and said faulty navigation was responsible for the action.

## Hunt Kaesong Strafing Evidence

## Air Salute to 437th Troop Carrier Wing

TRAILING STREAMS OF SMOKE, F-84 Thunderjets of the fifth air force's fighter bomber wing roared skyward over Japan in a salute to the 437th troop carrier wing. The spectacular display was to commemorate one year of active service by the unit in the Korean war. The 437th troop carrier wing is part of the 315th air division (combat cargo) which has carried all kinds of war supplies to UN troops in the Korean battle lines.

## The Lighter Side of War

"SO THIS IS WAR" is probably what members of the 116th fighter bomber wing of the Far East air forces were saying as they were welcomed to Japan. For meeting the escort carrier Sitkoh Bay was a group of Japanese dancing girls. The wing is equipped with F-84 Thunderjets for air attacks in Korea.

# Air Force Is Establishing Guided Missiles Squadron

WASHINGTON (AP) — The air force Thursday disclosed it is forming a combat unit to use guided missiles, and President Truman said this involved one of the deadly new weapons he has described as "fantastic" in their operation.

The air force report amounted to announcement that it has reached the threshold of pushbutton warfare on the battlefield. The missiles may be able to carry atomic charges for blasting troops and fortifications in frontline areas.

Mr. Truman later in the day told a news conference questioner that the announcement involved the new weapons he hinted at in a speech Sept. 4 at San Francisco.

Out of a sparsely worded announcement and an official photograph of the weapon in horizontal flight, these points emerged:

1. The weapon, now in production at the Glenn L. Martin company air plane plant in Baltimore, Md., is designed as the "Matador," B-61 "pilotless bomber."

2. The "1st pilotless bomber squadron (light)" will be organized at the big USAF missile test center, Cocoa, Fla., on Oct. 1.

3. The missile is about the size of a smallish fighter plane. But compact-size atomic bombs have been developed for use in smaller aircraft.

4. Because it is equipped with radar and radio controls for guidance, it also presumably can be exploded in the air over a target as well as detonated by actual impact with the target. This probably can be done by remote control firing, by the familiar proximity fuse device or by other, newer and more unconventional methods.

The air force announcement did not say how fast, far or high the "Matador" would fly. However, there were these facts to be considered: only a little over 30 feet long, its fuselage and stubby, swept-back, knife-thin wings left little apparent room for fuel load when space was allowed for the bomb load and the intricate control mechanism. Therefore, its range would seem limited. But long range is not battlefront war. It would be an easy target for present man-controlled jet interceptor fighters unless it had greater speed.

An air force spokesman declared that the B-61, despite its designation as a "pilotless bomber," is actually a guided missile, with no provision for a pilot.

## War Games Begin On Opposite Sides Of Iron Curtain

BONN, Germany (AP) — Soviet Russia and the Western Allies massed their armies in divided Germany Thursday for simultaneous war training games on opposite sides of the Iron Curtain.

The Russians—fielding 250,000 men—have the biggest army in the autumn maneuvers. About 150,000 troops of seven North Atlantic pact nations will open their mock warfare at dawn Saturday. Only about 100 miles and the Elbe river separate the two forces.

Troops of the United States, Britain, France, Belgium, the Netherlands, Norway and Denmark are concentrating in North Germany for the biggest show of Western strength in Europe since the war.

The Allied troops will be watched by Supreme Allied Commander Gen. Dwight D. Eisenhower and other top Allied officers who are due to arrive Sunday.

The Russians appear to be assembling more than 20 divisions—the bulk of their German garrison. They will be deployed on small problems through the summer.

The West is deploying only about a third of its full strength in Germany for exercises on the corps scale.

The Western code name for the maneuvers — "counterthrust" — implies it will be preparation to hit back at an invading force.

The idea of firing missiles into enemy troop concentrations, supply dumps or harbors is not new. The "V" weapons of the Germans were used that way in World War II. They were missiles, but not guided. The race since then has been to develop a reliable control method for directing the missiles to pinpoint targets instead of using them in a shotgun, barrage-styled attack.

In warfare of the type in Korea, true guided missiles could prove valuable. There the weather often grounds conventional bombers.

## RFC Examiner Denies He Was Approached On Lithofold Deal

WASHINGTON (AP) — RFC Examiner J. Frank Williams testified Thursday that Democratic National Chairman William M. Boyle Jr., never approached him in any way in connection with RFC loans to the American Lithofold corporation, of St. Louis.

Williams, who recommended a \$565,000 loan for the printing firm, said he never had met Boyle and never had discussed the loan with anyone outside the RFC and the Lithofold company. He said the loan, granted in 1949, was "strictly a business proposition" and a "good one."

Williams testified before the senate's permanent investigating committee as it opened an inquiry into \$645,000 in loans Lithofold obtained from RFC and the company's dealings with other government agencies.

Subcommittee Chairman Clyde R. Hoey (D-N. N.) said it has not decided whether to call Boyle who has denied any connection with the loan.

The St. Louis Post-Dispatch charged that Boyle was instrumental in getting the RFC to approve the loans and received an \$8,000 fee for his services. Boyle did receive legal fees from Lithofold before he became Democratic chairman, but denied the RFC loan was involved.

As the RFC hearing opened, Boyle testified before another senate subcommittee investigating election campaigns. He said he always tries to conduct myself as my mother would want me" and hopes some day to return to private law practice "with a clean, honest reputation."

**ANTI-TRUST SUIT FILED**  
MADISON, WIS. (AP) — A damage suit to recover \$107,000 under the anti-trust act from 12 motion picture distributing companies and theaters was filed in Madison federal court Thursday.

**FINED FOR ROBBERY**  
ELLSWORTH, WIS. (AP) — Two Pierce county, Wis., farmers were fined in justice court here Thursday for forcibly stopping a Red Wing, Minn., ambulance driver last Monday and relieving him of \$10.

**ASK INVESTIGATION**  
ST. PAUL, MINN. (AP) — State Rep. A. J. Otto Thursday renewed his demand that the warden of St. Cloud reformatory be suspended until an investigation of alleged brutality and narcotics traffic at the institution is completed.

AN  
INVITATION  
TO  
OPEN MINDED  
FREE THINKING  
PEOPLE

Are you dissatisfied with churches, yet interested in religion?

The Unitarian Church welcomes "religious explorers" who feel they do not have all the answers to life's problems, but who are eager to search for them.

We have no creed to bind your freedom of thought; we ask only that you seek in love to serve your fellow man.

**Sunday at 10:45**
