### Frogman Drowns in Bathtub

LONDON (AP) — A young man in a home-made frogman's outfit was found lying in 12 inches of water in the bathtub of his apartment Wednesday. He was dead.

### Draft Status of 2,000 Students to Be Reviewed

About 2,000 SUI male students will soon have their selective service cases reopened by local draft boards.

### Proposed Envoy

ROBERT D. MURPHY, Milwaukee, was nominated Wednesday by President Truman to be the first post-war ambassador to Japan.

### 68 Convicts Continue Holdout; 4 Officials Held as Hostages

TRENTON, N. J. (AP) — Officials at Trenton state prison Wednesday waited for 68 barricaded convicts to answer a message sent in to them from Sanford Bates, state institutions and agencies commissioner.

The rioters are holding four prison employees hostage in the institution's printing shop. Bates told them he would consider their grievances if the men were released unharmed.

Latest word is that the hostages, two of whom have heart trouble, have had no food since the riot began at 10 a. m., Tuesday. Food and medicine were sent in to them, but the rioters apparently appropriated the food themselves.

Tuesday, the rioters told Bates the hostages had not been harmed, but there has been no word from inside the printing shop since then.

Led by convicted kidnaper August Doak, the rioters have demanded the removal of prison Warden William H. Carty and an investigation of the institution by an impartial body. They also complained of the state parole board's methods and asked for better food and living conditions.

When the rioters seized the printing shop it made the third flare-up at the prison in less than a month.

### New 48-Ton Tank Viewed for Korea

ABERDEEN PROVING GROUND, Md. (AP) — United States army forces in Korea probably will be getting the new 48-ton, M-47 medium tanks soon.

The army announced it is being accepted for delivery to troops in this country and "abroad," which could include Korea and Europe.

The army took a "calculated risk" and hurried into production of the M-47 after the Korean war broke out and the situation in Europe became more tense. It ordered the tank into production without the customary building of pilot models for testing. It was expected that "bugs" would be found, but could be corrected. About 15 defects were found in original models.

Gen. J. Lawton Collins is on record as believing that the new tanks "are better than anything we have had before and more than a match for their Soviet counterparts."

### HIT BY EARTHQUAKE

EL RENO, OKLA. (AP) — Four more earthquakes shook this area Wednesday, marking the seventh time in a week that this city has quivered in the grip of earth tremors.

Registrar Ted McCarrel said Wednesday that about 1,100 SUI students have "regular" educational deferments and an additional 900 have special "statutory" deferments.

A "regular" educational deferment is one in which a student has been granted a postponement of induction by passing the national college qualification test or by the following scholastic ranking:

1. Freshmen — upper half of class of full-time male students.
2. Sophomores — upper two-thirds.
3. Juniors — upper three-fourths.
4. Seniors planning to enter graduate work — upper half.

A "statutory" deferment is one in which the student has been given an induction postponement to finish an academic year because of satisfactory scholastic standing. The student given one of these deferments has not taken the qualification test.

Boards Have Decision  
Whether the student has a "statutory" or "regular" deferment, local draft boards still will have the final decision on whether that student will remain in school next year.

McCarrel believes that local draft boards will cooperate in granting educational deferments for next year.

He said, "The big bulk of students are eligible, and I don't see why draft boards won't continue to cooperate since there is less opposition now than a year ago."

Considerable publicity arose within the past few weeks about the fact that the addition had not been completed.

DES MOINES — The state board of education was directed by the state legislative interim committee Wednesday to use its unallocated funds to complete an addition at Oakdale state sanatorium.

With Stevenson out of the picture, talk arose that W. Averell Harriman, now head of the foreign aid setup, might step in as the party's "liberal" candidate to carry on President Truman's "fair deal" programs.

On the Republican side, Eisenhower rolled up a popular vote of more than 382,000 votes against 225,000 for Taft and 22,000 for former Gov. Harold E. Stassen of Minnesota, in Tuesday's New Jersey primary.

Stevenson had led the field in terms of delegate strength for the forthcoming Democratic convention in July, although Kefauver was far out in front in popular votes in the various state primary contests.

Based on statements by delegates pledged, favorable or instructed to vote for a specific candidate at the convention, Stevenson had 54, Kefauver, 40, Sen. Hubert Humphrey of Minnesota, 23, and Sen. Robert S. Kerr of Oklahoma, 8.

By The Associated Press  
Gov. Adlai Stevenson of Illinois plunged the scramble for the Democratic presidential nomination into deeper confusion Wednesday with the announcement that he "could not accept" a bid to become his party's standard bearer.

The development came as Gen. Dwight D. Eisenhower rolled up a 157,000-vote victory over Sen. Robert A. Taft in a test of strength in the New Jersey primary election.

In Paris, Eisenhower said he was "very proud" of the outcome. Some of his supporters said it meant the five-star general would not have to undertake an all-out campaign to win the Republican presidential nomination against the hard-stumping Taft.

Kefauver Hails Announcement  
Sen. Estes Kefauver promptly hailed the announcement as "very favorable" to his own candidacy and invited Stevenson's supporters to "switch to me."

## Sioux City Slowly Returns to Normal

By JIM MARCH  
Daily Iowan Staff Writer

SIoux CITY — An air of relief came to residents of this flood-devastated city Wednesday, as the swollen Missouri river continued to recede from its record-smashing crest of 24.3 feet.

Business was almost back to normal in all but a few blocks of the city, and that in itself has boosted the morale of the city's 85,000 citizens.

Three Schools Still Closed  
All but three schools were reopened and packing plants and stockyards prepared a resumption of operations.

Across the river at South Sioux City, Neb., residents have been less fortunate, however.

Shortly after the river had risen to over 24.1 feet, the writer cruised about in the deserted city.

Business places and houses in the stricken area stood naked in the muddy, swirling waters of the Big Mo. A few streetlights, those connected by overhead wiring, still burned. The entire town had been almost totally inundated.

'Adopts' South Sioux City  
Radio Cincinnati, Inc., said Wednesday night it had "adopted" South Sioux City.

A spokesman said the company will send messages appealing for aid for the community of 5,500 over radio station WKRC, over its FM facilities, which are piped into trolley buses here, and over its television station, WKRC-TV. The appeal will be for cash contributions, clothing, canned goods and the like, he explained.

It was also learned here Wednesday night that residents of Webster City have offered to adopt South Sioux City by supplying clothing, furniture and other necessities.

One of the major jobs in this flood area has been the keeping of sightseers from getting in the way of emergency operations. The inhabitants of the area have responded almost too well to the pleas for workers to help on the dikes and direct traffic.

Citizens Respond Well  
On Monday night when the sewer system went out, Sioux Citizens responded quite well to pleas to keep out of the downtown area so they wouldn't interfere with workers who were pumping water out of basements of stores.

Mayor Ralph Henderson of Sioux City has estimated losses at about \$2.5 million.

## Senator Says Truman Caused Present Steel Industry Crisis

WASHINGTON (AP) — Sen. Styles Bridges (R-N.H.) accused President Truman Wednesday of being the principal creator of the crisis that led to seizure of the steel industry.

Secretary of Commerce Charles Sawyer, in an apparent preliminary to a government grant of a pay raise over the heads of the companies, conferred separately with President Philip Murray of the CIO-Steelworkers and President Benjamin Fairless of U.S. Steel corporation.

Price Stabilizer Ellis Arnall ruled out anew any such steel price increase as the \$12 a ton the companies have said they would need to cover the government recommended pay raise which is the nub of the dispute. He said they would get "nothing" as a price for peace though he has said all along they can have some \$3 a ton under regular stabilization rules. He took his stand in a National Press club luncheon speech and defended it later in a senate hearing.

There was a walkout at a Republic steel plant in Cleveland in an effort to hasten action on pay.

Inland Steel company took a new tack in efforts to get an anti-seizure court order, seeking a declaratory judgment that the action is illegal. Several companies are asking an injunction in fed-

## Record Numbers Attend Art Show

More than 8,000 persons from all parts of Iowa have toured the fourth annual SUI art design show — a record attendance for a university art exhibit.

Several hundred more persons are expected to tour the show before it closes Sunday.

Entitled "New Forms of the 20th Century," the display in the main gallery of the art building features exhibits of modern hand-screened fabrics, graphic designs, industrial designs and late architecture — all designed to show how art can be extended to everyday living.

## Red's Trade Conference Failed, Acheson Declares

WASHINGTON (AP) — Secretary of State Acheson declared Wednesday the Soviet-sponsored World Economic conference at Moscow failed in its main purpose which, he said, was to slow up the Western world's defense drive.

The U.S. position is that the Soviets, by holding out prospects of trade and by other "peace" maneuvers, are trying to get the West to let down its guard.

Acheson spoke skeptically of Soviet offers since the conference to buy consumer goods from the West.

## Crest Expected Today; Truman Views Damage

OMAHA (AP) — President Truman toured by air middle America's flood disaster area Wednesday and found a Missouri river straining mightily — but still unsuccessfully — to smash Omaha and Council Bluffs with the worst flood in their history.

Upstream and downstream, the "Mighty Mo" — mightier than white man ever has seen her — was having its way.

Still packing a terrific wallop, the swollen marauder engulfed new thousands of acres and flooded or threatened new towns as the crisis area moved southward.

Defies Flood  
But at Omaha and Council Bluffs — there was defiance. The line of defense ran along 23 miles of levees which had never been expected to get such a test but which in recent days had been bolstered by a hastily-recruited army of 8,000 men.

The Omaha river level passed the 28-foot mark, nearly four feet higher than ever previously recorded, with the levees still holding. The crest — maximum flow — is due at 9 p.m. (CST) today.

Ghostly vacant but still safe behind the hastily-bolstered levees lay nearly three-fourths of Council Bluffs, a city of 45,000, and sections across the river including East Omaha and Carter Lake, Ia.

The homeless, nearly 40,000 in Omaha and Council Bluffs, were among some 100,000 the Red Cross says have been displaced in the Midwest by rampaging waters of the Missouri, Mississippi, Red River of the north and the Milk river in Montana.

The Red Cross late Wednesday boosted its nine-state estimate of families affected by midwest flooding to 28,583 — or some 114,000 persons.

Iowa Hardest Hit  
By states, the breakdown of flood affected families listed Iowa 14,068, Kansas 500, Minnesota 2,639, Wisconsin 1,250, Missouri 1,850, Nebraska 3,875, North Dakota 1,456, South Dakota 2,120 and Montana 825.

"It's time for action. We've fooled around long enough," said President Truman as he sat down in Omaha to discuss the flood control problem with midwest governors.

As he spoke, the Mississippi river at St. Paul neared its all time high crest with 5,000 homeless and property damage estimated by Mayor Edward K. DeLaney at upwards of \$10 million.

Little added damage was expected at St. Paul and Red Cross crews and army amphibious vehicles moved downstream to Winona, Minn., where a dike failure could inundate one-third of the city.

Downstream points in Wisconsin and Iowa braced for record assaults in the near future.

Forecast Discouraging  
Although officials remained cautiously optimistic that the Omaha-Council Bluffs levees will hold, a revised river forecast held discouraging news.

The expected time of the crest's arrival was shifted from 7 a.m. (CST) today to 9 p.m.

This delay in the crest's arrival means water will be pressing against the dikes for a longer period than had been anticipated.

## New Student Council To Convene Tonight

Members of the 1952-53 student council will take office at a meeting tonight at 7:30 in the board room, Old Capitol.

A total of 24 of the 28 new members will be installed. The other four have not yet been selected. Town Men will elect three representatives next Wednesday and Union Board will name one representative at an organizational meeting in May.

The new council will have 11 more members than the present one, or 28. The new apportionment resulted from a one-year reorganizational study which culminated in adoption of by-laws to the constitution.

Wednesday night members of both councils attended the annual dinner held this year in the Memorial Union. Retiring president John Bunce, I-3, Des Moines, was presented with a leather brief case by the present council.

## 'Death of a Salesman' To Open at SUI Friday

PROF. GREGORY FOLEY directs the leading players of "Death of a Salesman" in one of the production's tense scenes. Left to right are Foley; Gerald Silberman, A1, Milwaukee; Bob Paulus, A4, Iowa City, and Gerald Tippit, A3, Austin, Tex. In the background can be seen part of the "cut-away house" set which leaves three levels of a house visible to the audience.

"Death of a Salesman" will hold its opening University theater performance at 8 p.m. Friday in the dramatic arts building. The play will be shown through April 28 with performances every night except Sunday.

Prof. Gregory Foley, who will direct Arthur Miller's play in its first performance by a college group, described it as "a great American drama told with compassion, imagination and competence."

The play, first produced on Broadway in 1949, has been awarded the Pulitzer Prize Play award, the Critic's Circle award, the Annette Perry award, the Three Theater Club award, and the Front Page award. It has been produced by both professional theaters and the motion pictures, having such leading men as Lee J. Cobb, Thomas Mitchell and Frederic March.

Foley organized the Omaha community playhouse where he directed actor Henry Fonda and introduced actress Dorothy McGuire to the stage.

Paulus Plays Salesman Robert Paulus, A4, Iowa City, in the leading role of "Willy Loman," has appeared in 20 University theater plays, five television shows for station WOC TV, took a leading part in last year's Campus Kapers, and has acted as

chairman of the Panacea committee.

Playing "Mrs. Loman" will be Nancy Burnam, A3, Medina, N.Y. Miss Burnam has played roles in three of this year's productions, "The Winslow Boy," "Stage Door," and "The Great God Brown."

Jerry Silberman, A1, Milwaukee, Wis., will play "Biff Loman," who fails to achieve the goals his father has set for him. Silberman has appeared in summer theaters and on radio and television shows in Milwaukee, and was seen in the SUI productions of "The Winslow Boy," "Stage Door," "The Beggar's Opera," and "The Great God Brown."

Set Is Cut-away House As "Hap Loman" will be Gerald Tippit, A3, Austin, Tex. Tippit had the lead in last summer's "The Rivals," and has acted in productions of "Romeo and Juliet," "Stage Door," "Skin of Our Teeth," "Twelfth Night," and "Taming of the Shrew."

The set for the play is a cut-away house, three levels of which are exposed to the audience. Lighting will be used to show scene changes.

Reserved seat tickets may be obtained by students at room 8A Schaeffer hall, while tickets will be sold to the general public for \$1.25.

# Hawks Whip Irish Again, 3-2

## Lindsey's Hits, Pitching Pace Iowa's Sweep

By JACK JORDAN  
Sports Editor

Ed Lindsey survived several spots of wildness Wednesday against Notre Dame, and pitched and hit Iowa to a 3-2 decision over the Irish that completed a Hawkeye sweep of the two-game series.

The win gave Iowa a season's mark of 3-5 and a perfect record of two wins on the home diamond. Iowa losses have all been to powerful Arizona.

Lindsey checked the Irish hitters on seven hits, striking out nine and walking two. Although he issued only two bases on balls, the big righthander was frequently bothered by lack of control in the middle innings, and had to come in with good pitches to avoid walks.

### Knocks in Winner

Lindsey's contribution didn't come solely from the mound, because he was the top Iowa hitter for the afternoon as he got three hits and knocked in the winning run. He normally bats cleanup when not pitching.

The Hawkeyes as a whole were getting generous helpings of hits off Notre Dame hurler Jim Gibbons but were leaving the men on base. The Iowans racked up a total of 11 safeties, but stranded 10 men to nullify much of the offense.

Lindsey started very strong and retired the first nine men to face him. The Hawk offense also got an early start by scoring one run in the first on only one hit.

### Brandt Helps Out

Leadoff man Tom Stenger was hit by a pitched ball, and advanced to third on Gus Brandt's single down the third base line. When Jack Lundquist hit a sharp grounder to short, Brandt effectively broke up the attempted double play with his slide into second allowing Stenger to score.

Notre Dame picked up two clean singles in the top of the fourth, but Lindsey struck out two to escape any damage. In the last half of that inning the Hawks successfully combined two hits, a sacrifice bunt and an error for their second run.

Notre Dame got its first run in its half of the fifth when Gibbons scored on a wild pitch. He had

## Yanks Take Opener over Athletics, 8-1

PHILADELPHIA (AP)—Big Vic Raschi, who probably would be the winningest big league pitcher of all time if he could face only the Philadelphia Athletics, beat them again Wednesday to give the New York Yankees an 8 to 1 victory in their American league opener.

Raschi, who now has a record of 21 victories and two defeats in his lifetime big league competition against the Athletics, received a little help from reliever Johnny Sain in the ninth.

The Yankee ace had a two-hit shutout working when he walked the first two batters to face him in the ninth. When he also tossed two wide ones to Elmer Valo, manager Casey Stengel decided to play things safe and waved in Sain to protect an 8 to 0 lead.

Sain finished passing Valo and the A's scored their lone run on a dinky infield hit down the third base line by Gus Zernial, American league home run king.

The Yankees scored their first run in the fourth inning when Hank Bauer blasted his first home run of the campaign into the lower left field seats.

## Baker's Hit in 11th Beats Bosox, 4-3

WASHINGTON (AP)—Floyd Baker's bases-loaded single off Ellis Kinder with two out in the 11th inning scored Irv Noren from third base with the run that gave Washington a 4-3 victory over the Boston Red Sox Wednesday night.

Kinder, Boston's third pitcher, was the victim of Baker's blow. With one out in the 11th, Noren doubled to left and Mickey Vernon was passed intentionally. Frank Campos also walked to fill the bases and after Cass Michaels fouled out Baker broke up the game.

Julio Moreno went the distance for the Senators, giving up eight hits and striking out nine. He was clipped for two unearned runs in the ninth when the Red Sox tied the score at 3-3 on Billy Goodman's double with two out.

Mickey Vernon had about the Senators into a 3-1 lead in the sixth when he blasted a two-run homer off Randy Gumpert.

Here's the Hit That Scored the . . .

PITCHER ED LINDSEY follows through after smacking a double to left center field Wednesday afternoon, driving in the decisive seventh inning score in Iowa's 3-2 win over Notre Dame. The catcher is Dick Gaberik.

reached third on a single to right, a stolen base and a bad throw by third baseman Jack Lundquist.

### Irish Tie Score

Then in the sixth, Lindsey again got in trouble by opening the inning with a walk to left-fielder Jim Mutscheller. The Irish football captain took second on Dick Rosenthal's single to left, and advanced to third on a fielder's choice. Another single by Joe Ridge tied it up, 2-2.

In the Iowa half of the seventh, an infield single by Brandt set the stage for Lindsey's game-winning blow. Jack Hess opened that frame with an infield hit but was tagged out as he rounded first.

Brandt followed with his hit and took second on a walk issued to Lundquist. Then Lindsey hit a ball to deep left that Mutscheller misjudged. The Irishman finally got a glove on the ball, but it bounced out and rolled under the fence 408 feet from home for a ground-rule double.

### Hilgenberg Throw a Saver

In the top of the eighth, the Irish made a serious threat but a fine throw by Jerry Hilgenberg cut down the possible tying run at the plate. Mutscheller got a double to start the trouble and went to third on a sacrifice. Then Rosenthal hit a fly to right and it appeared that Mutscheller would score easily after the catch.

But Hilgenberg's throw came into catcher Bill Vana waist high,

## Rookie's 1st Homer, Lemon's 3-Hitter Pace Tribe over Chisox, 1-0

CHICAGO (AP)—Rookie outfielder Jim Fridley's first major league homer and Bob Lemon's three-hit pitching sneaked the Cleveland Indians to their second straight win over the Chicago White Sox, 1-0, Wednesday.

Fridley's second-inning smash into the upper left field stands ruined the four-hit performance by Chicago's Joe Dobson.

Only once after that did Dobson waver. That was in the ninth, when Luke Easter's double and two walks filled the bases for Cleveland with two out, but Joe got out of the jam when Ray Boone forced Easter at third.

Lemon, the 17-game winner last season, had some uneasy moments in his shutout, the Sox leaving six runners stranded and failing to do anything about a bases loaded situation in the fourth.

Harry Simpson's two singles rounded out the Tribe's four hit attack.

## Bob Elliott's 2 Homers Push Giants to Top, 5-3

NEW YORK (AP)—Bob Elliott blasted two home runs in a sensational New York debut to help the Giants celebrate their season opener with a 5-3 victory over the Philadelphia Phillies Wednesday night in the first after dark major league baseball inaugural in New York history.

Sal Maglie, veteran righthander, tamed the Phils with four hits to register his ninth straight victory over Philadelphia. The Phils have never beaten the 34-year-old ace.

Maglie was superb as he fanned eight Phils but the crowd of 17,472 reserved most of its cheering for Elliott, whose two homers spelled defeat for Robin Roberts, Philadelphia's 21-game winner of last season.

Big Bob, acquired only eight days ago in a trade with the Boston Braves to fill in for the injured Monte Irvin, wasted little time proving his worth. In his second turn at bat, Elliott connected with a fast pitch and crashed it high and far into the upper left field stands for his first four-bagger. The blow followed on the heels of a single by Alvin Dark, a double by Bobby Thomson and a couple of Philly errors that had produced two Giant tallies.

The Phils immediately knotted the count at 3-3 in the top of the fifth but the Giants regained the

## Bums' 20 Hits Beat Braves; Campy Stars

BOSTON (AP)—The Brooklyn Dodgers pounded out 20 hits and took full advantage of seven errors Wednesday while out-slugging the Boston Braves, 14-8, for their second straight win of the new National league season.

Roy Campanella continued his heavy bombardment of the Boston pitchers by driving in four runs with a single, double and his first homer of the campaign. Duke Snider added to the opposing hurlers' woes by connecting for singles on the first five of his six batting tries.

Max Surkont, the Boston starter, faced only six batters and gave the Dodgers four runs on three hits and two bases on balls. The Braves, however, collected three runs against starter Chris Van Cuyk in their side of the first. But after three frames, the Dodgers had an 11-3 lead and were able to coast the rest of the way.

Campanella's two-bagger drove in two runs in the first inning. The burly backstop homered off Ernie Johnson in the second session with one on.

Errors by Sid Gordon and Billy Reed, the rookie second baseman, played an important part in the five unearned runs the Dodgers gained in the third. The Braves picked up four runs on as many hits in the fifth. Van Cuyk lasted five innings and wound up with credit for the win. The Braves totaled 10 hits off three Brooklyn twirlers, one of them a harmless homer by Willard Marshall against Clyde King in the seventh.

# Sugar Ray K O's Rocky

## Slugs His Way To 3d-Round Title Victory

CHICAGO (AP)—Champion Sugar Ray Robinson, a boxer turned slugger, knocked out challenger Rocky Graziano with a pulverizing left and right in 1:53 of the third round to retain his mid-dleweight title before an indoor record crowd of 23,785, in the Chicago Stadium Wednesday night.

Robinson, who weighed 157½, elected to slug it out toe-to-toe from the outset of the fierce scrap and ended it with incredible swiftness after Graziano himself had floored the champion midway in the third.

Seconds after Graziano had belted Robinson to the floor along the ropes with a righthand smash to the head, Robinson unleashed a lightning quick left-hand com-

bination which felled Graziano like a ton of bricks.

**A Futile Attempt**  
Graziano, counted out by referee Tommy Gilmore, by game instinct struggled to his feet and with helpless waving fists tried to continue the battle. He was restrained by Gilmore.

Robinson was stung to fury by his no-count knockdown by Graziano. He retreated and suddenly lashed out with a left. Rocky started buckling from the blow. Robinson followed with a short right which landed flush on Rocky's chin. Graziano sagged into the ropes and then he crashed to the floor of the ring.

It was the third time in Graziano's flamboyant ring career he had been knocked out. Tony Zale, former middleweight champion, had administered two previous knockouts.

The previous record indoor fight crowd was 23,322 at the Stadium in 1932 when Jack Dempsey boxed King Levinsky.

**A Surprise Slugger**  
Graziano, who reportedly went into the ring at 162 after stripping naked to weigh in at noon at 159½, found himself confronted by a slugger instead of the fancy dance-

master that Robinson is supposed to be.

Time after time in the short-lived bout, Robinson stepped right into Graziano with lefts and rights that reddened Rocky's face and body.

Graziano, in both the first and second rounds, sent Robinson back-peddling with powerhouse righthand smashes to the head. But Robinson was ever alert to move in with a stinging series of punches.

Referee Gilmore was the only official to give Graziano a round, awarding him the second.

**Long Left**  
An unmarked Robinson said in his dressing room that he started Graziano's knockout with a powerful left to the body. He said he followed instantly with what was to be a right body jolt, but he changed its course to Rocky's jaw and that caved in the roof on Graziano.

"I drove Rocky to the ropes, then went in and hit him hard with a left to the body," Robinson recalled. "Then I started to hit him with a right to the body, but I saw his chin just hanging out there and I leveled my right at it instead."

## Injuries Key To Runners' Kansas Hopes

By LEE CANNING

With an eye on the injury list, track coach Francis Cretzmeier Wednesday named the Iowa squad entered in the Kansas Relays Saturday at Lawrence, Kan.

Iowa will have three relay teams and six individuals entered in the Kansas meet. It will be the first outdoor competition of the season for Iowa.

Cretzmeier's big worry centers around Glen Hesselbine, sophomore sprinter. Hesselbine bruised his knee in workouts early this week but should be ready to run by Saturday. He finished fifth in the 60-yard dash in the Big Ten indoor meet in March and is scheduled to run on both the 440 and 880-yard relay teams.

### Hinges on Hesselbine

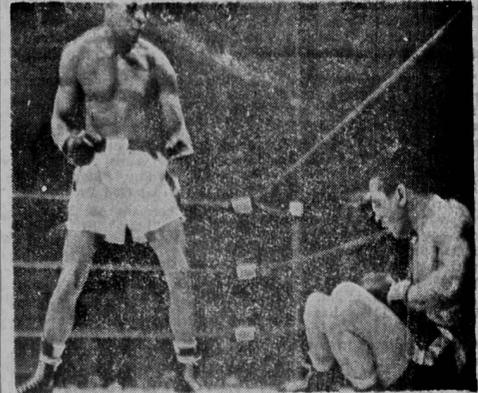

The Hawkeye coach will call on Ira Murchison, DuWayne Dietz, Hesselbine and Gary Scott in the 440. Cretzmeier expects this team to do "all right" if Hesselbine has recovered completely.

Murchison also could be a question mark. The little freshman pulled up lame in practice early this week but was back in form Wednesday.

The 880-yard team will have the same runners with the possible exception of LeRoy Ebert, who may replace Dietz. Cretzmeier also gives this quartet a good chance of finishing among the leaders.

### Fourth Spot Open

In the mile relay, Ted Wheeler, Scott and Ebert are definite but the fourth spot is still open between Stan Levinson and Chuck Boylan. Boylan was a member of the Hawkeye team which won the Big Ten indoor title this season and set a new record for that event.

Champ Cools Challenger

CHAMPION RAY ROBINSON PULLS up as Rocky Graziano sinks unconscious to the canvas in the third round of their middleweight championship fight in Chicago. Sugar Ray used a one-two series to dispose of the challenger.

The competition in this event could show Iowa's possibilities for a repeat mile relay title in the Big Ten outdoor meet.

Wheeler also will run the 1500-meters, an Olympic event added to the program.

Iowa's top distance runner, Rich Ferguson, will compete in the 3,000-meter steeplechase, another Olympic event. Clyde Gardner in the discus; Murchison in the 100-yard dash; Dick Fowler in the 400-meter hurdles and Stan Levinson in the broad jump round out the Iowa team.

### MUSIAL LEADS CARDS

ST. LOUIS (AP)—The St. Louis Cardinals exploded for five runs with two out in the seventh inning Wednesday night to defeat former teammate Howard Pollet and the Pittsburgh Pirates, 6-5. Stan Musial led the Redbirds to their second straight victory with a home run and a double, driving in three runs.

### Little Scrimmage for Sweating Hawks

## Stress Blocking in Grid Drills

By JIM COOKE

Blocking and familiarization with the single wing type of offense were the keynotes here again Wednesday afternoon as approximately 75 candidates sweated through the second day of Iowa's spring football drills.

Head coach Forest Evashevski and his aides directed a two-hour session at the practice field during which the linemen concentrated on the double-team blocking so vital to the success of the single wing. Assistant coaches Bob Flora and Henry Piro took charge of this group of guards, tackles and ends.

**6 Backfield Units**  
Backfield coaches Bump Elliott and Wally Schwank drilled six backfield units with the emphasis on ball-handling in the fullback-spinner series of plays.

Evashevski took personal charge of a group of backs and ends for pass-pattern work. The backfield which saw the major part of the action was made up of quarterback Burt Britzman, halfbacks Bob Stearnes and Dick Brattebo, and fullback Bernie Bennett. Dan Bjork and Bill Fenton were at the ends.

The final half-hour of Wednesday's practice was devoted to a light scrimmage during which

the Britzman backfield worked for about 10 minutes. Halfback Dusty Rice, who ran with this first unit in Tuesday's opening practice, missed the drill Wednesday because of tennis practice.

### Daily Drills

The Hawks will continue daily practices for four weeks in accordance with the new Big Ten limitation of 20 spring sessions. An intrasquad game is tentatively scheduled to wind up the spring drills on Saturday, May 10.

Evashevski plans to send his squad through its first full-scale scrimmage next Saturday afternoon in the stadium.

There's a Light Side to Practices

# SUI Contributes \$3,573 To Red Cross

The Johnson county Red Cross fund drive has netted \$16,941, with SUI contributions totaling \$3,573.34.

The county total is 85 per cent of the original goal of \$19,844, and 80 per cent of the additional quota of \$21,059 necessitated by the recent tornado damage in the southern states.

Biggest contributors to date in the university drive for \$4,200 are the faculty and staff. This group has reached 96 per cent of its \$2,400 goal by donating \$2,311.

Next highest of the SUI groups is the women's student housing. It gave \$290 of the proposed \$340 quota for an 85 per cent rating.

Hillcrest saved the men's student housing group from a negative donation. The collection of \$42.34 completed the drive at Hillcrest, and although the quota for the men's groups is \$200, the collection at Hillcrest dorm far exceeded in last year's donation.

# \$9,514 Damage Suit Filed Wednesday

An auto accident damage suit asking \$9,514.17 from Emanuel J. Breneman, Kalona, was filed in Johnson county district court Wednesday.

John C. Lynn, Fairfield, charged that Breneman tried to cross primary road number one, four miles north of Kalona, from a side road without stopping and without yielding the right of way to him.

In the collision that resulted, Lynn claims damages of \$1,064.17 to his automobile, \$5,000 for future medical expenses, \$2,000 for pain and suffering and other expenses.

# Professor Else Attends Classical Group Meeting

Prof. Gerald F. Else, head of the classics department, will attend a meeting of the Classical Association of the Middle West and South in Toronto, Canada, today, Friday and Saturday.

He will attend as a member of the association's executive committee.

# Beardsley Studies Oxford Election

DES MOINES — Gov. William S. Beardsley was studying Wednesday the Oxford election controversy that is probably the first of its kind in Iowa.

A petition asking the appointment of a mayor, city council and city treasurer reached the governor Wednesday.

The mayor and council chosen last November failed to qualify within the 10 days required following an election and the old council decided, therefore, to remain in office. Later, however, it was found that the old officials also had failed to qualify and so the town 15 miles west of Iowa City is without any city officials.

# Services Planned for Mrs. Mamie Crawford

Funeral services for Mrs. Mamie Crawford, 410 E. Jefferson st., will be today in Peoria, Ill.

Mrs. Crawford died Tuesday morning at Mercy hospital after a lingering illness.

Surviving are one son, William H. Crawford of Iowa City; one granddaughter and one grandson; several nieces and nephews.

The body was sent from the Hohenschuh mortuary to Peoria Wednesday morning. Burial will be in the Springdale cemetery there.

# Ad Students to Visit St. Louis

Robert Ames, G. Wichita, Kan., and Jack Watt, A4, Davenport, advertising students, will be guests of the St. Louis advertising club during the week of April 28-May 7.

The students were selected in a contest open to all seniors and graduates in advertising. Entries were judged by a faculty committee.

The week will offer the students an opportunity to see all phases of advertising work and to meet and confer with advertising leaders.

All expenses are to be paid by the St. Louis club.

Prof. Ellis H. Newsome, advertising sequence head, will accompany the students.

# 900 Tickets Ready For 3 Concerts

A total of 900 tickets will be available to students today for each of the three concerts of the Minneapolis Symphony, with spouse tickets on sale at \$2 each in the Iowa Memorial Union lobby.

The orchestra, sponsored by the SUI music department, will perform in three concerts Tuesday and Wednesday in the Union main lounge.

On Tuesday, students who have already obtained a ticket for one of the night concerts may secure an additional ticket for the Wednesday afternoon concert, if they are available.

# Voting Opens for 'Ugliest Man'

Marvin Luehrs, C4, Sheboygan, Wis.  
Theta Xi

Pictured here are more candidates for the title of "ugliest man" on campus. The remaining candidates will be in The Daily Iowan Friday.

Voting for SUI's Ugly Man contest opened on campus Wednesday, and it appears only nine students believe they are eligible for the title.

Maybe it was the sight of those candidates pictured Wednesday, but in any event a few more that were expected to seek the title failed to announce their candidacy.

Voting was conducted only in the Iowa Memorial Union Wednesday, and that will be the only polling place until further notice.

Students vote by contributing money to Alpha Phi Omega, which in turn uses the funds for worthwhile campus projects.

Schmor of the chemistry department, to "The performance on a motor task under differential amounts of physical induced tension" by Howard H. McFann of the psychology department.

## Election Discussion To Be Held Today By Voters League

"Citizens' View of 1952," a discussion of the issues in the 1952 presidential election, will be conducted at 8 p.m. today in the senate chamber of Old Capitol.

The forum, sponsored by the League of Women Voters, is open to the public and will give those attending a chance to express their views concerning election issues.

Members of a panel participating in the discussion include Prof. Vernon Van Dyke of the political science department; Lawrence Dennis, editorial writer for the Des Moines Register; Mrs. Gladys Rife, Nichols, columnist, and Howard Waters, Danville farmer.

The forum is one of a series being held in selected cities throughout the country. A ballot will be taken tonight to determine the leading election issues in this area.

The council will meet with a committee composed of businessmen appointed recently to study the problem and report its findings to the council.

The committee was appointed to study the problem after a group of Iowa City businessmen protested a city plan to enforce an ordinance against the parking.

A public meeting on the matter was held March 13.

The council will also act on a beer permit application of Carol Roberdeau who is now taking over the operation of a tavern at 232 S. Dubuque st.
